

INVOCATION OF THE  
BLACK SUN  
*Miguel Serrano*

Pax Aryana Publication

## FOREWARD

The invocation is referenced from the third book of the Trilogy of Esoteric Hitlerism **Manu: *For The Man To Come*** by the author Miguel Serrano.

All words in brackets "{-}" are extra words for clarification made by the translator. The translation was made by Jason Thompkins.

## TRANSLATOR'S NOTES

Oyeihue is the esoteric feminine name of Venus as the Morning Star, ELLA-SHE-LUCIBEL, when rising in the East at Dawn. It is the name given to the Morning Star by the native tribes of Chile, the Araucanas.

Yepun is the esoteric masculine name of Venus as the Evening Star, EL-HE-LUCIFER, when setting in the West at Evening. It is the name given to the Evening Star by the native tribes of Chile, the Araucanas.

For those not familiar with the writings of Don Miguel Serrano you may find the word and term 'Lucifer' in the wrong context. In the Martial Order of A-MOR 'Lucifer' is the supreme Guide for the Walkers of the Dawn. He is the God of Light and Beauty. 'Lucifer' is also known by other names in his Archetype such as Wuotan-Wotan-Odin, Shiva, Apollo and Abraxas. LUCIFER must not be confused with any sort of "Christian Devil" or "Satan". If anything Lucifer is more closer to the Kristos than any sort of 'boogeyman' with a pitchfork since Christ said "I am the LIGHT of the world". LUCIFER is the Supreme Guide in the Kali Yuga and God of the utmost Beauty and Light. Light in the sense of "Gnosis" or Knowledge, light in the sense of Inspiration and Wisdom and also Light in the sense of Spectral Light.

## THE INVOCATION

Very early, when the Morning Star, Oyeihue {Venus}, calmly gives its message of light to you, extend your arms towards Her:

I pronounce my Oration to Lucifer:

-

*Oh, Luci-Bel, Oh Morning Star*

*Oyeihue*

*May your deep light fall upon me*

*Moist*

*Cover me in your petals*

*Of light*

*Like in the skies of Autumn.*

*Permit me to pass*

*Through your Window*

*Towards the Black Sun*

*That waits behind you*

*Oh, Black Sun!*

*Absorb me in your light*

*Backwards*

*Faster than the light  
Of the Golden Sun  
And give me shelter  
In the nonexistence  
Of the Green Ray  
Where the Master Dwells  
Even the Masters of my Master  
And dwell the high Secret Guides  
Of Esoteric Hitlerism  
Oh, Green Ray!  
Engulf me in your nonexistence  
But more real than any existence  
Help me to realize  
Impossible Dreams  
The Resurrection of the Beloved  
The return of the Fuhrer, Adolf Hitler  
The re-creation of Esoteric Hitlerism  
And the possession of the Archetype  
Until the consummation of its Myth*

*And it's Legend*

*In the Resurrection of the Flesh*

*The Immortal Vajra.*

*Permit me to return to the Black Sun*

*Oh, Black Sun!*

*Reabsorb me in your rotating light*

*And carry me to your home*

*The Morning and Evening Star*

*Yepun-Oyeihue*

*Oh, Morning and Evening Star!*

*Together with the Beloved*

*Now that She may fight*

*Within me*

*In my Impenetrable body of Red Light*

*The Immortal Vajra*

*The Incorruptible Power of Odil*

*It Resides in NOS*

*The Vision and the Voice*

*And quickly we come to realize the Legend and the Myth*

*Of A-MOR*

*Until the consummation*

*And Transfiguration*

*Into the Absolute Man and Woman*

*Oh, Evening Star, Yapun!*

*Allow me to pass*

*Through your Window*

*To the Golden Sun*

*And with Chastity*

*There in Order to continue fighting*

*The power in dawn*

*I reclaim.*

*Oh, my Guide Lucifer!*

*Oh, Sun of Gold!*

*Let us pass in the Nostalgia*

*Of the Green Ray*

*So that She and I*

*We leave here*

*Towards something never heard*

*Towards It-She*

*Beyond the Green Ray*

*And of its Nonexistence*

***Heil! Sieg Heil!***
