## **LUCETTA**

Nothing.

**JULIA**

Why didst thou stoop, then?

**LUCETTA**

To take a paper up that I let fall.

**JULIA**

And is that paper nothing?

**LUCETTA**

Nothing concerning me.

**JULIA**

Then let it lie for those that it concerns.

**LUCETTA**

Madam, it will not lie where it concerns  
Unless it have a false interpreter.

**JULIA**

Some love of yours hath writ to you in rhyme.

**LUCETTA**

That I might sing it, madam, to a tune.  
Give me a note: your ladyship can set.

**JULIA**

As little by such toys as may be possible.  
Best sing it to the tune of 'Light o' love.'

**LUCETTA**

It is too heavy for so light a tune.

**JULIA**

Heavy! belike it hath some burden then?

**LUCETTA**

Ay, and melodious were it, would you sing it.

**JULIA**

And why not you?

**LUCETTA**

I cannot reach so high.

**JULIA**

Let's see your song. How now, minion!

**LUCETTA**

Keep tune there still, so you will sing it out:  
And yet methinks I do not like this tune.

**JULIA**

You do not?

**LUCETTA**

No, madam; it is too sharp.

**JULIA**

You, minion, are too saucy.

**LUCETTA**

Nay, now you are too flat  
And mar the concord with too harsh a descant:  
There wanteth but a mean to fill your song.

**JULIA**

The mean is drown'd with your unruly bass.

**LUCETTA**

Indeed, I bid the base for Proteus.

**JULIA**

This babble shall not henceforth trouble me.  
Here is a coil with protestation!

*Tears the letter*

Go get you gone, and let the papers lie:  
You would be fingering them, to anger me.

**LUCETTA**

She makes it strange; but she would be best pleased  
To be so anger'd with another letter.

*Exit*

**JULIA**

Nay, would I were so anger'd with the same!  
O hateful hands, to tear such loving words!  
Injurious wasps, to feed on such sweet honey  
And kill the bees that yield it with your stings!  
I'll kiss each several paper for amends.  
Look, here is writ 'kind Julia.' Unkind Julia!  
As in revenge of thy ingratitude,

I throw thy name against the bruising stones,  
Trampling contemptuously on thy disdain.  
And here is writ 'love-wounded Proteus.'  
Poor wounded name! my bosom as a bed  
Shall lodge thee till thy wound be thoroughly heal'd;  
And thus I search it with a sovereign kiss.  
But twice or thrice was 'Proteus' written down.  
Be calm, good wind, blow not a word away  
Till I have found each letter in the letter,  
Except mine own name: that some whirlwind bear  
Unto a ragged fearful-hanging rock  
And throw it thence into the raging sea!  
Lo, here in one line is his name twice writ,  
'Poor forlorn Proteus, passionate Proteus,  
To the sweet Julia:' that I'll tear away.  
And yet I will not, sith so prettily  
He couples it to his complaining names.  
Thus will I fold them one on another:  
Now kiss, embrace, contend, do what you will.

*Re-enter LUCETTA*

**LUCETTA**

Madam,  
Dinner is ready, and your father stays.

**JULIA**

Well, let us go.

**LUCETTA**

What, shall these papers lie like tell-tales here?

**JULIA**

If you respect them, best to take them up.

**LUCETTA**

Nay, I was taken up for laying them down:

Yet here they shall not lie, for catching cold.

**JULIA**

I see you have a month's mind to them.

**LUCETTA**

Ay, madam, you may say what sights you see;  
I see things too, although you judge I wink.

**JULIA**

Come, come; will't please you go?

*Exeunt*

## SCENE III. The same. ANTONIO's house.

*Enter ANTONIO and PANTHINO*

**ANTONIO**

Tell me, Panthino, what sad talk was that  
Wherewith my brother held you in the cloister?

**PANTHINO**

'Twas of his nephew Proteus, your son.

**ANTONIO**

Why, what of him?

**PANTHINO**

He wonder'd that your lordship  
Would suffer him to spend his youth at home,  
While other men, of slender reputation,  
Put forth their sons to seek preferment out:  
Some to the wars, to try their fortune there;  
Some to discover islands far away;  
Some to the studious universities.  
For any or for all these exercises,  
He said that Proteus your son was meet,  
And did request me to importune you  
To let him spend his time no more at home,  
Which would be great impeachment to his age,  
In having known no travel in his youth.

**ANTONIO**

Nor need'st thou much importune me to that

Whereon this month I have been hammering.  
I have consider'd well his loss of time  
And how he cannot be a perfect man,  
Not being tried and tutor'd in the world:  
Experience is by industry achieved  
And perfected by the swift course of time.  
Then tell me, whither were I best to send him?

**PANTHINO**

I think your lordship is not ignorant  
How his companion, youthful Valentine,  
Attends the emperor in his royal court.

**ANTONIO**

I know it well.

**PANTHINO**

'Twere good, I think, your lordship sent him thither:  
There shall he practise tilts and tournaments,  
Hear sweet discourse, converse with noblemen.  
And be in eye of every exercise  
Worthy his youth and nobleness of birth.

**ANTONIO**

I like thy counsel; well hast thou advised:  
And that thou mayst perceive how well I like it,  
The execution of it shall make known.  
Even with the speediest expedition  
I will dispatch him to the emperor's court.

**PANTHINO**

To-morrow, may it please you, Don Alphonso,  
With other gentlemen of good esteem,  
Are journeying to salute the emperor  
And to commend their service to his will.

**ANTONIO**

Good company; with them shall Proteus go:  
And, in good time! now will we break with him.

*Enter PROTEUS*

**PROTEUS**

Sweet love! sweet lines! sweet life!  
Here is her hand, the agent of her heart;  
Here is her oath for love, her honour's pawn.  
O, that our fathers would applaud our loves,  
To seal our happiness with their consents!  
O heavenly Julia!

**ANTONIO**

How now! what letter are you reading there?

**PROTEUS**

May't please your lordship, 'tis a word or two  
Of commendations sent from Valentine,  
Deliver'd by a friend that came from him.

**ANTONIO**

Lend me the letter; let me see what news.

**PROTEUS**

There is no news, my lord, but that he writes  
How happily he lives, how well beloved  
And daily graced by the emperor;  
Wishing me with him, partner of his fortune.

**ANTONIO**

And how stand you affected to his wish?

**PROTEUS**

As one relying on your lordship's will  
And not depending on his friendly wish.

**ANTONIO**

My will is something sorted with his wish.  
Muse not that I thus suddenly proceed;  
For what I will, I will, and there an end.  
I am resolved that thou shalt spend some time  
With Valentinus in the emperor's court:  
What maintenance he from his friends receives,  
Like exhibition thou shalt have from me.  
To-morrow be in readiness to go:  
Excuse it not, for I am peremptory.

**PROTEUS**

My lord, I cannot be so soon provided:  
Please you, deliberate a day or two.

**ANTONIO**

Look, what thou want'st shall be sent after thee:  
No more of stay! to-morrow thou must go.  
Come on, Panthino: you shall be employ'd  
To hasten on his expedition.

*Exeunt ANTONIO and PANTHINO*

**PROTEUS**

Thus have I shunn'd the fire for fear of burning,  
And drench'd me in the sea, where I am drown'd.  
I fear'd to show my father Julia's letter,  
Lest he should take exceptions to my love;  
And with the vantage of mine own excuse  
Hath he excepted most against my love.  
O, how this spring of love resembleth  
The uncertain glory of an April day,  
Which now shows all the beauty of the sun,  
And by and by a cloud takes all away!

*Re-enter PANTHINO*

**PANTHINO**

Sir Proteus, your father calls for you:  
He is in haste; therefore, I pray you to go.

**PROTEUS**

Why, this it is: my heart accords thereto,  
And yet a thousand times it answers 'no.'

*Exeunt*

## SCENE I. Milan. The DUKE's palace.

*Enter VALENTINE and SPEED*

**SPEED**

Sir, your glove.

**VALENTINE**

Not mine; my gloves are on.

**SPEED**

Why, then, this may be yours, for this is but one.

**VALENTINE**

Ha! let me see: ay, give it me, it's mine:  
Sweet ornament that decks a thing divine!  
Ah, Silvia, Silvia!

**SPEED**

Madam Silvia! Madam Silvia!

**VALENTINE**

How now, sirrah?

**SPEED**

She is not within hearing, sir.

**VALENTINE**

Why, sir, who bade you call her?

**SPEED**

Your worship, sir; or else I mistook.

**VALENTINE**

Well, you'll still be too forward.

**SPEED**

And yet I was last chidden for being too slow.

**VALENTINE**

Go to, sir: tell me, do you know Madam Silvia?

**SPEED**

She that your worship loves?

**VALENTINE**

Why, how know you that I am in love?

**SPEED**

Marry, by these special marks: first, you have learned, like Sir Proteus, to wreath your arms, like a malecontent; to relish a love-song, like a robin-redbreast; to walk alone, like one that had the pestilence; to sigh, like a school-boy that had lost his A B C; to weep, like a young wench that had buried her grandam; to fast, like one that takes diet; to watch like one that fears robbing; to speak puling, like a beggar at Hallowmas. You were wont, when you laughed, to crow like a cock; when you walked, to walk like one of the lions; when you fasted, it was presently after dinner; when you looked sadly, it was for want of money: and now you

are metamorphosed with a mistress, that, when I look on you, I can hardly think you my master.

**VALENTINE**

Are all these things perceived in me?

**SPEED**

They are all perceived without ye.

**VALENTINE**

Without me? they cannot.

**SPEED**

Without you? nay, that's certain, for, without you were so simple, none else would: but you are so without these follies, that these follies are within you and shine through you like the water in an urinal, that not an eye that sees you but is a physician to comment on your malady.

**VALENTINE**

But tell me, dost thou know my lady Silvia?

**SPEED**

She that you gaze on so as she sits at supper?

**VALENTINE**

Hast thou observed that? even she, I mean.

**SPEED**

Why, sir, I know her not.

**VALENTINE**

Dost thou know her by my gazing on her, and yet knowest her not?

**SPEED**

Is she not hard-favoured, sir?

**VALENTINE**

Not so fair, boy, as well-favoured.

**SPEED**

Sir, I know that well enough.

**VALENTINE**

What dost thou know?

**SPEED**

That she is not so fair as, of you, well-favoured.

**VALENTINE**

I mean that her beauty is exquisite, but her favour infinite.

**SPEED**

That's because the one is painted and the other out of all count.

**VALENTINE**

How painted? and how out of count?

**SPEED**

Marry, sir, so painted, to make her fair, that no man counts of her beauty.

**VALENTINE**

How esteemest thou me? I account of her beauty.

**SPEED**

You never saw her since she was deformed.

**VALENTINE**

How long hath she been deformed?

**SPEED**

Ever since you loved her.

**VALENTINE**

I have loved her ever since I saw her; and still I  
see her beautiful.

**SPEED**

If you love her, you cannot see her.

**VALENTINE**

Why?

**SPEED**

Because Love is blind. O, that you had mine eyes;  
or your own eyes had the lights they were wont to  
have when you chid at Sir Proteus for going  
ungartered!

**VALENTINE**

What should I see then?

## **SPEED**

Your own present folly and her passing deformity:  
for he, being in love, could not see to garter his  
hose, and you, being in love, cannot see to put on your hose.

## **VALENTINE**

Belike, boy, then, you are in love; for last  
morning you could not see to wipe my shoes.

## **SPEED**

True, sir; I was in love with my bed: I thank you,  
you swung me for my love, which makes me the  
bolder to chide you for yours.

## **VALENTINE**

In conclusion, I stand affected to her.

## **SPEED**

I would you were set, so your affection would cease.

## **VALENTINE**

Last night she enjoined me to write some lines to  
one she loves.

## **SPEED**

And have you?

## **VALENTINE**

I have.

## **SPEED**

Are they not lamely writ?

**VALENTINE**

No, boy, but as well as I can do them. Peace!  
here she comes.

**SPEED**

[Aside] O excellent motion! O exceeding puppet!  
Now will he interpret to her.

*Enter SILVIA*

**VALENTINE**

Madam and mistress, a thousand good-morrows.

**SPEED**

[Aside] O, give ye good even! here's a million of manners.

**SILVIA**

Sir Valentine and servant, to you two thousand.

**SPEED**

[Aside] He should give her interest and she gives it him.

**VALENTINE**

As you enjoin'd me, I have writ your letter  
Unto the secret nameless friend of yours;  
Which I was much unwilling to proceed in  
But for my duty to your ladyship.

**SILVIA**

I thank you gentle servant: 'tis very clerkly done.

**VALENTINE**

Now trust me, madam, it came hardly off;  
For being ignorant to whom it goes  
I writ at random, very doubtfully.

**SILVIA**

Perchance you think too much of so much pains?

**VALENTINE**

No, madam; so it stead you, I will write  
Please you command, a thousand times as much; And yet--

**SILVIA**

A pretty period! Well, I guess the sequel;  
And yet I will not name it; and yet I care not;  
And yet take this again; and yet I thank you,  
Meaning henceforth to trouble you no more.

**SPEED**

[Aside] And yet you will; and yet another 'yet.'

**VALENTINE**

What means your ladyship? do you not like it?

**SILVIA**

Yes, yes; the lines are very quaintly writ;  
But since unwillingly, take them again.  
Nay, take them.

**VALENTINE**

Madam, they are for you.

**SILVIA**

Ay, ay: you writ them, sir, at my request;  
But I will none of them; they are for you;  
I would have had them writ more movingly.

**VALENTINE**

Please you, I'll write your ladyship another.

**SILVIA**

And when it's writ, for my sake read it over,  
And if it please you, so; if not, why, so.

**VALENTINE**

If it please me, madam, what then?

**SILVIA**

Why, if it please you, take it for your labour:  
And so, good morrow, servant.

*Exit*

**SPEED**

O jest unseen, inscrutable, invisible,  
As a nose on a man's face, or a weathercock on a steeple!  
My master sues to her, and she hath  
taught her suitor,  
He being her pupil, to become her tutor.  
O excellent device! was there ever heard a better,  
That my master, being scribe, to himself should write  
the letter?

**VALENTINE**

How now, sir? what are you reasoning with yourself?

**SPEED**

Nay, I was rhyming: 'tis you that have the reason.

**VALENTINE**

To do what?

**SPEED**

To be a spokesman for Madam Silvia.

**VALENTINE**

To whom?

**SPEED**

To yourself: why, she wooes you by a figure.

**VALENTINE**

What figure?

**SPEED**

By a letter, I should say.

**VALENTINE**

Why, she hath not writ to me?

**SPEED**

What need she, when she hath made you write to yourself? Why, do you not perceive the jest?

**VALENTINE**

No, believe me.

**SPEED**

No believing you, indeed, sir. But did you perceive  
her earnest?

**VALENTINE**

She gave me none, except an angry word.

**SPEED**

Why, she hath given you a letter.

**VALENTINE**

That's the letter I writ to her friend.

**SPEED**

And that letter hath she delivered, and there an end.

**VALENTINE**

I would it were no worse.

**SPEED**

I'll warrant you, 'tis as well:  
For often have you writ to her, and she, in modesty,  
Or else for want of idle time, could not again reply;  
Or fearing else some messenger that might her mind discover,  
Herself hath taught her love himself to write unto her lover.  
All this I speak in print, for in print I found it.  
Why muse you, sir? 'tis dinner-time.

**VALENTINE**

I have dined.

**SPEED**

Ay, but hearken, sir; though the chameleon Love can  
feed on the air, I am one that am nourished by my

victuals, and would fain have meat. O, be not like  
your mistress; be moved, be moved.

*Exeunt*

## SCENE II. Verona. JULIA'S house.

*Enter PROTEUS and JULIA*

**PROTEUS**

Have patience, gentle Julia.

**JULIA**

I must, where is no remedy.

**PROTEUS**

When possibly I can, I will return.

**JULIA**

If you turn not, you will return the sooner.  
Keep this remembrance for thy Julia's sake.

*Giving a ring*

**PROTEUS**

Why then, we'll make exchange; here, take you this.

**JULIA**

And seal the bargain with a holy kiss.

**PROTEUS**

Here is my hand for my true constancy;  
And when that hour o'erslips me in the day

Wherein I sigh not, Julia, for thy sake,  
The next ensuing hour some foul mischance  
Torment me for my love's forgetfulness!  
My father stays my coming; answer not;  
The tide is now: nay, not thy tide of tears;  
That tide will stay me longer than I should.  
Julia, farewell!

*Exit JULIA*

What, gone without a word?  
Ay, so true love should do: it cannot speak;  
For truth hath better deeds than words to grace it.

*Enter PANTHINO*

**PANTHINO**

Sir Proteus, you are stay'd for.

**PROTEUS**

Go; I come, I come.  
Alas! this parting strikes poor lovers dumb.

*Exeunt*

## SCENE III. The same. A street.

*Enter LAUNCE, leading a dog*

**LAUNCE**

Nay, 'twill be this hour ere I have done weeping; all the kind of the Launces have this very fault. I have received my proportion, like the prodigious son, and am going with Sir Proteus to the Imperial's court. I think Crab, my dog, be the sourest-natured dog that lives: my mother weeping, my father wailing, my sister crying, our maid howling, our cat wringing her hands, and all our house in a great perplexity, yet did not this cruel-hearted cur shed one tear: he is a stone, a very pebble stone, and has no more pity in him than a dog: a Jew would have wept to have seen our parting; why, my grandam, having no eyes, look you, wept herself blind at my parting. Nay, I'll show you the manner of it. This shoe is my father: no, this left shoe is my father: no, no, this left shoe is my mother: nay, that cannot be so neither: yes, it is so, it is so, it hath the worsor sole. This shoe, with the hole in it, is my mother, and this my father; a vengeance on't! there 'tis: now, sit, this staff is my sister, for, look you, she is as white as a lily and as small as a wand: this hat is Nan, our maid: I am the dog: no, the dog is himself, and I am the dog--Oh! the dog is me, and I am myself; ay, so, so. Now come I to my father; Father, your blessing: now should not the shoe speak a word for weeping: now should I kiss my father; well, he weeps on. Now come I to my mother: O, that she could speak now like a wood woman! Well, I kiss her; why, there 'tis; here's my mother's breath up and down. Now come I to my sister; mark the moan she makes. Now

the dog all this while sheds not a tear nor speaks a word; but see how I lay the dust with my tears.

*Enter PANTHINO*

**PANTHINO**

Launce, away, away, aboard! thy master is shipped and thou art to post after with oars. What's the matter? why weepest thou, man? Away, ass! You'll lose the tide, if you tarry any longer.

**LAUNCE**

It is no matter if the tied were lost; for it is the unkindest tied that ever any man tied.

**PANTHINO**

What's the unkindest tide?

**LAUNCE**

Why, he that's tied here, Crab, my dog.

**PANTHINO**

Tut, man, I mean thou'lt lose the flood, and, in losing the flood, lose thy voyage, and, in losing thy voyage, lose thy master, and, in losing thy master, lose thy service, and, in losing thy service,--Why dost thou stop my mouth?

**LAUNCE**

For fear thou shouldst lose thy tongue.

**PANTHINO**

Where should I lose my tongue?

**LAUNCE**

In thy tale.

**PANTHINO**

In thy tail!

**LAUNCE**

Lose the tide, and the voyage, and the master, and the service, and the tied! Why, man, if the river were dry, I am able to fill it with my tears; if the wind were down, I could drive the boat with my sighs.

**PANTHINO**

Come, come away, man; I was sent to call thee.

**LAUNCE**

Sir, call me what thou darest.

**PANTHINO**

Wilt thou go?

**LAUNCE**

Well, I will go.

*Exeunt*

# Two Gentlemen of Verona

[Shakespeare homepage](#) | [Two Gentlemen of Verona](#) | Act 2, Scene 4

[Previous scene](#) | [Next scene](#)

## SCENE IV. Milan. The DUKE's palace.

*Enter SILVIA, VALENTINE, THURIO, and SPEED*

**SILVIA**

Servant!

**VALENTINE**

Mistress?

**SPEED**

Master, Sir Thurio frowns on you.

**VALENTINE**

Ay, boy, it's for love.

**SPEED**

Not of you.

**VALENTINE**

Of my mistress, then.

**SPEED**

'Twere good you knocked him.

*Exit*

**SILVIA**

Servant, you are sad.

**VALENTINE**

Indeed, madam, I seem so.

**THURIO**

Seem you that you are not?

**VALENTINE**

Haply I do.

**THURIO**

So do counterfeits.

**VALENTINE**

So do you.

**THURIO**

What seem I that I am not?

**VALENTINE**

Wise.

**THURIO**

What instance of the contrary?

**VALENTINE**

Your folly.

**THURIO**

And how quote you my folly?

**VALENTINE**

I quote it in your jerkin.

**THURIO**

My jerkin is a doublet.

**VALENTINE**

Well, then, I'll double your folly.

**THURIO**

How?

**SILVIA**

What, angry, Sir Thurio! do you change colour?

**VALENTINE**

Give him leave, madam; he is a kind of chameleon.

**THURIO**

That hath more mind to feed on your blood than live  
in your air.

**VALENTINE**

You have said, sir.

**THURIO**

Ay, sir, and done too, for this time.

**VALENTINE**

I know it well, sir; you always end ere you begin.

**SILVIA**

A fine volley of words, gentlemen, and quickly shot off.

**VALENTINE**

'Tis indeed, madam; we thank the giver.

**SILVIA**

Who is that, servant?

**VALENTINE**

Yourself, sweet lady; for you gave the fire. Sir  
Thurio borrows his wit from your ladyship's looks,  
and spends what he borrows kindly in your company.

**THURIO**

Sir, if you spend word for word with me, I shall  
make your wit bankrupt.

**VALENTINE**

I know it well, sir; you have an exchequer of words,  
and, I think, no other treasure to give your  
followers, for it appears by their bare liveries,  
that they live by your bare words.

**SILVIA**

No more, gentlemen, no more:--here comes my father.

*Enter DUKE*

**DUKE**

Now, daughter Silvia, you are hard beset.

Sir Valentine, your father's in good health:  
What say you to a letter from your friends  
Of much good news?

**VALENTINE**

My lord, I will be thankful.  
To any happy messenger from thence.

**DUKE**

Know ye Don Antonio, your countryman?

**VALENTINE**

Ay, my good lord, I know the gentleman  
To be of worth and worthy estimation  
And not without desert so well reputed.

**DUKE**

Hath he not a son?

**VALENTINE**

Ay, my good lord; a son that well deserves  
The honour and regard of such a father.

**DUKE**

You know him well?

**VALENTINE**

I know him as myself; for from our infancy  
We have conversed and spent our hours together:  
And though myself have been an idle truant,  
Omitting the sweet benefit of time  
To clothe mine age with angel-like perfection,  
Yet hath Sir Proteus, for that's his name,  
Made use and fair advantage of his days;

His years but young, but his experience old;  
His head unmellow'd, but his judgment ripe;  
And, in a word, for far behind his worth  
Comes all the praises that I now bestow,  
He is complete in feature and in mind  
With all good grace to grace a gentleman.

**DUKE**

Beshrew me, sir, but if he make this good,  
He is as worthy for an empress' love  
As meet to be an emperor's counsellor.  
Well, sir, this gentleman is come to me,  
With commendation from great potentates;  
And here he means to spend his time awhile:  
I think 'tis no unwelcome news to you.

**VALENTINE**

Should I have wish'd a thing, it had been he.

**DUKE**

Welcome him then according to his worth.  
Silvia, I speak to you, and you, Sir Thurio;  
For Valentine, I need not cite him to it:  
I will send him hither to you presently.

*Exit*

**VALENTINE**

This is the gentleman I told your ladyship  
Had come along with me, but that his mistress  
Did hold his eyes lock'd in her crystal looks.

**SILVIA**

Belike that now she hath enfranchised them  
Upon some other pawn for fealty.

**VALENTINE**

Nay, sure, I think she holds them prisoners still.

**SILVIA**

Nay, then he should be blind; and, being blind  
How could he see his way to seek out you?

**VALENTINE**

Why, lady, Love hath twenty pair of eyes.

**THURIO**

They say that Love hath not an eye at all.

**VALENTINE**

To see such lovers, Thurio, as yourself:  
Upon a homely object Love can wink.

**SILVIA**

Have done, have done; here comes the gentleman.

*Exit THURIO*

*Enter PROTEUS*

**VALENTINE**

Welcome, dear Proteus! Mistress, I beseech you,  
Confirm his welcome with some special favour.

**SILVIA**

His worth is warrant for his welcome hither,  
If this be he you oft have wish'd to hear from.

**VALENTINE**

Mistress, it is: sweet lady, entertain him  
To be my fellow-servant to your ladyship.

**SILVIA**

Too low a mistress for so high a servant.

**PROTEUS**

Not so, sweet lady: but too mean a servant  
To have a look of such a worthy mistress.

**VALENTINE**

Leave off discourse of disability:  
Sweet lady, entertain him for your servant.

**PROTEUS**

My duty will I boast of; nothing else.

**SILVIA**

And duty never yet did want his need:  
Servant, you are welcome to a worthless mistress.

**PROTEUS**

I'll die on him that says so but yourself.

**SILVIA**

That you are welcome?

**PROTEUS**

That you are worthless.

*Re-enter THURIO*

**THURIO**

Madam, my lord your father would speak with you.

**SILVIA**

I wait upon his pleasure. Come, Sir Thurio,  
Go with me. Once more, new servant, welcome:  
I'll leave you to confer of home affairs;  
When you have done, we look to hear from you.

**PROTEUS**

We'll both attend upon your ladyship.

*Exeunt SILVIA and THURIO*

**VALENTINE**

Now, tell me, how do all from whence you came?

**PROTEUS**

Your friends are well and have them much commended.

**VALENTINE**

And how do yours?

**PROTEUS**

I left them all in health.

**VALENTINE**

How does your lady? and how thrives your love?

**PROTEUS**

My tales of love were wont to weary you;  
I know you joy not in a love discourse.

## **VALENTINE**

Ay, Proteus, but that life is alter'd now:  
I have done penance for contemning Love,  
Whose high imperious thoughts have punish'd me  
With bitter fasts, with penitential groans,  
With nightly tears and daily heart-sore sighs;  
For in revenge of my contempt of love,  
Love hath chased sleep from my enthralled eyes  
And made them watchers of mine own heart's sorrow.  
O gentle Proteus, Love's a mighty lord,  
And hath so humbled me, as, I confess,  
There is no woe to his correction,  
Nor to his service no such joy on earth.  
Now no discourse, except it be of love;  
Now can I break my fast, dine, sup and sleep,  
Upon the very naked name of love.

## **PROTEUS**

Enough; I read your fortune in your eye.  
Was this the idol that you worship so?

## **VALENTINE**

Even she; and is she not a heavenly saint?

## **PROTEUS**

No; but she is an earthly paragon.

## **VALENTINE**

Call her divine.

## **PROTEUS**

I will not flatter her.

## **VALENTINE**

O, flatter me; for love delights in praises.

**PROTEUS**

When I was sick, you gave me bitter pills,  
And I must minister the like to you.

**VALENTINE**

Then speak the truth by her; if not divine,  
Yet let her be a principality,  
Sovereign to all the creatures on the earth.

**PROTEUS**

Except my mistress.

**VALENTINE**

Sweet, except not any;  
Except thou wilt except against my love.

**PROTEUS**

Have I not reason to prefer mine own?

**VALENTINE**

And I will help thee to prefer her too:  
She shall be dignified with this high honour--  
To bear my lady's train, lest the base earth  
Should from her vesture chance to steal a kiss  
And, of so great a favour growing proud,  
Disdain to root the summer-swelling flower  
And make rough winter everlastingly.

**PROTEUS**

Why, Valentine, what braggardism is this?

**VALENTINE**

Pardon me, Proteus: all I can is nothing  
To her whose worth makes other worthies nothing;  
She is alone.

**PROTEUS**

Then let her alone.

**VALENTINE**

Not for the world: why, man, she is mine own,  
And I as rich in having such a jewel  
As twenty seas, if all their sand were pearl,  
The water nectar and the rocks pure gold.  
Forgive me that I do not dream on thee,  
Because thou see'st me dote upon my love.  
My foolish rival, that her father likes  
Only for his possessions are so huge,  
Is gone with her along, and I must after,  
For love, thou know'st, is full of jealousy.

**PROTEUS**

But she loves you?

**VALENTINE**

Ay, and we are betroth'd: nay, more, our,  
marriage-hour,  
With all the cunning manner of our flight,  
Determined of; how I must climb her window,  
The ladder made of cords, and all the means  
Plotted and 'greed on for my happiness.  
Good Proteus, go with me to my chamber,  
In these affairs to aid me with thy counsel.

**PROTEUS**

Go on before; I shall inquire you forth:  
I must unto the road, to disembark  
Some necessaries that I needs must use,

And then I'll presently attend you.

**VALENTINE**

Will you make haste?

**PROTEUS**

I will.

*Exit VALENTINE*

Even as one heat another heat expels,  
Or as one nail by strength drives out another,  
So the remembrance of my former love  
Is by a newer object quite forgotten.  
Is it mine, or Valentine's praise,  
Her true perfection, or my false transgression,  
That makes me reasonless to reason thus?  
She is fair; and so is Julia that I love--  
That I did love, for now my love is thaw'd;  
Which, like a waxen image, 'gainst a fire,  
Bears no impression of the thing it was.  
Methinks my zeal to Valentine is cold,  
And that I love him not as I was wont.  
O, but I love his lady too too much,  
And that's the reason I love him so little.  
How shall I dote on her with more advice,  
That thus without advice begin to love her!  
'Tis but her picture I have yet beheld,  
And that hath dazzled my reason's light;  
But when I look on her perfections,  
There is no reason but I shall be blind.  
If I can cheque my erring love, I will;  
If not, to compass her I'll use my skill.

*Exit*

## SCENE V. The same. A street.

*Enter SPEED and LAUNCE severally*

### SPEED

Launce! by mine honesty, welcome to Milan!

### LAUNCE

Forswear not thyself, sweet youth, for I am not welcome. I reckon this always, that a man is never undone till he be hanged, nor never welcome to a place till some certain shot be paid and the hostess say 'Welcome!'

### SPEED

Come on, you madcap, I'll to the alehouse with you presently; where, for one shot of five pence, thou shalt have five thousand welcomes. But, sirrah, how did thy master part with Madam Julia?

### LAUNCE

Marry, after they closed in earnest, they parted very fairly in jest.

### SPEED

But shall she marry him?

### LAUNCE

No.

**SPEED**

How then? shall he marry her?

**LAUNCE**

No, neither.

**SPEED**

What, are they broken?

**LAUNCE**

No, they are both as whole as a fish.

**SPEED**

Why, then, how stands the matter with them?

**LAUNCE**

Marry, thus: when it stands well with him, it stands well with her.

**SPEED**

What an ass art thou! I understand thee not.

**LAUNCE**

What a block art thou, that thou canst not! My staff understands me.

**SPEED**

What thou sayest?

**LAUNCE**

Ay, and what I do too: look thee, I'll but lean,

and my staff understands me.

**SPEED**

It stands under thee, indeed.

**LAUNCE**

Why, stand-under and under-stand is all one.

**SPEED**

But tell me true, will't be a match?

**LAUNCE**

Ask my dog: if he say ay, it will! if he say no,  
it will; if he shake his tail and say nothing, it will.

**SPEED**

The conclusion is then that it will.

**LAUNCE**

Thou shalt never get such a secret from me but by a parable.

**SPEED**

'Tis well that I get it so. But, Launce, how sayest  
thou, that my master is become a notable lover?

**LAUNCE**

I never knew him otherwise.

**SPEED**

Than how?

**LAUNCE**

A notable lubber, as thou reportest him to be.

**SPEED**

Why, thou whoreson ass, thou mistakest me.

**LAUNCE**

Why, fool, I meant not thee; I meant thy master.

**SPEED**

I tell thee, my master is become a hot lover.

**LAUNCE**

Why, I tell thee, I care not though he burn himself  
in love. If thou wilt, go with me to the alehouse;  
if not, thou art an Hebrew, a Jew, and not worth the  
name of a Christian.

**SPEED**

Why?

**LAUNCE**

Because thou hast not so much charity in thee as to  
go to the ale with a Christian. Wilt thou go?

**SPEED**

At thy service.

*Exeunt*

# Two Gentlemen of Verona

[Shakespeare homepage](#) | [Two Gentlemen of Verona](#) | Act 2, Scene 6

[Previous scene](#) | [Next scene](#)

## SCENE VI. The same. The DUKE'S palace.

*Enter PROTEUS*

### PROTEUS

To leave my Julia, shall I be forsworn;  
To love fair Silvia, shall I be forsworn;  
To wrong my friend, I shall be much forsworn;  
And even that power which gave me first my oath  
Provokes me to this threefold perjury;  
Love bade me swear and Love bids me forswear.  
O sweet-suggesting Love, if thou hast sinned,  
Teach me, thy tempted subject, to excuse it!  
At first I did adore a twinkling star,  
But now I worship a celestial sun.  
Unheedful vows may heedfully be broken,  
And he wants wit that wants resolved will  
To learn his wit to exchange the bad for better.  
Fie, fie, unreverend tongue! to call her bad,  
Whose sovereignty so oft thou hast preferr'd  
With twenty thousand soul-confirming oaths.  
I cannot leave to love, and yet I do;  
But there I leave to love where I should love.  
Julia I lose and Valentine I lose:  
If I keep them, I needs must lose myself;  
If I lose them, thus find I by their loss  
For Valentine myself, for Julia Silvia.  
I to myself am dearer than a friend,  
For love is still most precious in itself;  
And Silvia--witness Heaven, that made her fair!--  
Shows Julia but a swarthy Ethiopie.  
I will forget that Julia is alive,  
Remembering that my love to her is dead;  
And Valentine I'll hold an enemy,  
Aiming at Silvia as a sweeter friend.  
I cannot now prove constant to myself,

Without some treachery used to Valentine.  
This night he meaneth with a corded ladder  
To climb celestial Silvia's chamber-window,  
Myself in counsel, his competitor.  
Now presently I'll give her father notice  
Of their disguising and pretended flight;  
Who, all enraged, will banish Valentine;  
For Thurio, he intends, shall wed his daughter;  
But, Valentine being gone, I'll quickly cross  
By some sly trick blunt Thurio's dull proceeding.  
Love, lend me wings to make my purpose swift,  
As thou hast lent me wit to plot this drift!

*Exit*

## SCENE VII. Verona. JULIA'S house.

*Enter JULIA and LUCETTA*

**JULIA**

Counsel, Lucetta; gentle girl, assist me;  
And even in kind love I do conjure thee,  
Who art the table wherein all my thoughts  
Are visibly character'd and engraved,  
To lesson me and tell me some good mean  
How, with my honour, I may undertake  
A journey to my loving Proteus.

**LUCETTA**

Alas, the way is wearisome and long!

**JULIA**

A true-devoted pilgrim is not weary  
To measure kingdoms with his feeble steps;  
Much less shall she that hath Love's wings to fly,  
And when the flight is made to one so dear,  
Of such divine perfection, as Sir Proteus.

**LUCETTA**

Better forbear till Proteus make return.

**JULIA**

O, know'st thou not his looks are my soul's food?  
Pity the dearth that I have pined in,  
By longing for that food so long a time.  
Didst thou but know the inly touch of love,

Thou wouldst as soon go kindle fire with snow  
As seek to quench the fire of love with words.

**LUCETTA**

I do not seek to quench your love's hot fire,  
But qualify the fire's extreme rage,  
Lest it should burn above the bounds of reason.

**JULIA**

The more thou damm'st it up, the more it burns.  
The current that with gentle murmur glides,  
Thou know'st, being stopp'd, impatiently doth rage;  
But when his fair course is not hindered,  
He makes sweet music with the enamell'ed stones,  
Giving a gentle kiss to every sedge  
He overtaketh in his pilgrimage,  
And so by many winding nooks he strays  
With willing sport to the wild ocean.  
Then let me go and hinder not my course  
I'll be as patient as a gentle stream  
And make a pastime of each weary step,  
Till the last step have brought me to my love;  
And there I'll rest, as after much turmoil  
A blessed soul doth in Elysium.

**LUCETTA**

But in what habit will you go along?

**JULIA**

Not like a woman; for I would prevent  
The loose encounters of lascivious men:  
Gentle Lucetta, fit me with such weeds  
As may beseem some well-reputed page.

**LUCETTA**

Why, then, your ladyship must cut your hair.

**JULIA**

No, girl, I'll knit it up in silken strings  
With twenty odd-conceited true-love knots.  
To be fantastic may become a youth  
Of greater time than I shall show to be.

**LUCETTA**

What fashion, madam shall I make your breeches?

**JULIA**

That fits as well as 'Tell me, good my lord,  
What compass will you wear your farthingale?'  
Why even what fashion thou best likest, Lucetta.

**LUCETTA**

You must needs have them with a codpiece, madam.

**JULIA**

Out, out, Lucetta! that would be ill-favour'd.

**LUCETTA**

A round hose, madam, now's not worth a pin,  
Unless you have a codpiece to stick pins on.

**JULIA**

Lucetta, as thou lovest me, let me have  
What thou thinkest meet and is most mannerly.  
But tell me, wench, how will the world repute me  
For undertaking so unsta'd a journey?  
I fear me, it will make me scandalized.

**LUCETTA**

If you think so, then stay at home and go not.

**JULIA**

Nay, that I will not.

**LUCETTA**

Then never dream on infamy, but go.  
If Proteus like your journey when you come,  
No matter who's displeas'd when you are gone:  
I fear me, he will scarce be pleas'd withal.

**JULIA**

That is the least, Lucetta, of my fear:  
A thousand oaths, an ocean of his tears  
And instances of infinite of love  
Warrant me welcome to my Proteus.

**LUCETTA**

All these are servants to deceitful men.

**JULIA**

Base men, that use them to so base effect!  
But truer stars did govern Proteus' birth  
His words are bonds, his oaths are oracles,  
His love sincere, his thoughts immaculate,  
His tears pure messengers sent from his heart,  
His heart as far from fraud as heaven from earth.

**LUCETTA**

Pray heaven he prove so, when you come to him!

**JULIA**

Now, as thou lovest me, do him not that wrong  
To bear a hard opinion of his truth:  
Only deserve my love by loving him;  
And presently go with me to my chamber,

To take a note of what I stand in need of,  
To furnish me upon my longing journey.  
All that is mine I leave at thy dispose,  
My goods, my lands, my reputation;  
Only, in lieu thereof, dispatch me hence.  
Come, answer not, but to it presently!  
I am impatient of my tarriance.

*Exeunt*

## SCENE I. Milan. The DUKE's palace.

*Enter DUKE, THURIO, and PROTEUS*

**DUKE**

Sir Thurio, give us leave, I pray, awhile;  
We have some secrets to confer about.

*Exit THURIO*

Now, tell me, Proteus, what's your will with me?

**PROTEUS**

My gracious lord, that which I would discover  
The law of friendship bids me to conceal;  
But when I call to mind your gracious favours  
Done to me, undeserving as I am,  
My duty pricks me on to utter that  
Which else no worldly good should draw from me.  
Know, worthy prince, Sir Valentine, my friend,  
This night intends to steal away your daughter:  
Myself am one made privy to the plot.  
I know you have determined to bestow her  
On Thurio, whom your gentle daughter hates;  
And should she thus be stol'n away from you,  
It would be much vexation to your age.  
Thus, for my duty's sake, I rather chose  
To cross my friend in his intended drift  
Than, by concealing it, heap on your head  
A pack of sorrows which would press you down,  
Being unprevented, to your timeless grave.

**DUKE**

Proteus, I thank thee for thine honest care;  
Which to requite, command me while I live.  
This love of theirs myself have often seen,  
Haply when they have judged me fast asleep,  
And oftentimes have purposed to forbid  
Sir Valentine her company and my court:  
But fearing lest my jealous aim might err  
And so unworthily disgrace the man,  
A rashness that I ever yet have shunn'd,  
I gave him gentle looks, thereby to find  
That which thyself hast now disclosed to me.  
And, that thou mayst perceive my fear of this,  
Knowing that tender youth is soon suggested,  
I nightly lodge her in an upper tower,  
The key whereof myself have ever kept;  
And thence she cannot be convey'd away.

## **PROTEUS**

Know, noble lord, they have devised a mean  
How he her chamber-window will ascend  
And with a corded ladder fetch her down;  
For which the youthful lover now is gone  
And this way comes he with it presently;  
Where, if it please you, you may intercept him.  
But, good my Lord, do it so cunningly  
That my discovery be not aimed at;  
For love of you, not hate unto my friend,  
Hath made me publisher of this pretence.

## **DUKE**

Upon mine honour, he shall never know  
That I had any light from thee of this.

## **PROTEUS**

Adieu, my Lord; Sir Valentine is coming.

*Exit*

*Enter VALENTINE*

**DUKE**

Sir Valentine, whither away so fast?

**VALENTINE**

Please it your grace, there is a messenger  
That stays to bear my letters to my friends,  
And I am going to deliver them.

**DUKE**

Be they of much import?

**VALENTINE**

The tenor of them doth but signify  
My health and happy being at your court.

**DUKE**

Nay then, no matter; stay with me awhile;  
I am to break with thee of some affairs  
That touch me near, wherein thou must be secret.  
'Tis not unknown to thee that I have sought  
To match my friend Sir Thurio to my daughter.

**VALENTINE**

I know it well, my Lord; and, sure, the match  
Were rich and honourable; besides, the gentleman  
Is full of virtue, bounty, worth and qualities  
Beseeming such a wife as your fair daughter:  
Cannot your Grace win her to fancy him?

**DUKE**

No, trust me; she is peevish, sullen, froward,  
Proud, disobedient, stubborn, lacking duty,  
Neither regarding that she is my child  
Nor fearing me as if I were her father;

And, may I say to thee, this pride of hers,  
Upon advice, hath drawn my love from her;  
And, where I thought the remnant of mine age  
Should have been cherish'd by her child-like duty,  
I now am full resolved to take a wife  
And turn her out to who will take her in:  
Then let her beauty be her wedding-dower;  
For me and my possessions she esteems not.

**VALENTINE**

What would your Grace have me to do in this?

**DUKE**

There is a lady in Verona here  
Whom I affect; but she is nice and coy  
And nought esteems my aged eloquence:  
Now therefore would I have thee to my tutor--  
For long ago I have forgot to court;  
Besides, the fashion of the time is changed--  
How and which way I may bestow myself  
To be regarded in her sun-bright eye.

**VALENTINE**

Win her with gifts, if she respect not words:  
Dumb jewels often in their silent kind  
More than quick words do move a woman's mind.

**DUKE**

But she did scorn a present that I sent her.

**VALENTINE**

A woman sometimes scorns what best contents her.  
Send her another; never give her o'er;  
For scorn at first makes after-love the more.  
If she do frown, 'tis not in hate of you,  
But rather to beget more love in you:  
If she do chide, 'tis not to have you gone;

For why, the fools are mad, if left alone.  
Take no repulse, whatever she doth say;  
For 'get you gone,' she doth not mean 'away!'  
Flatter and praise, commend, extol their graces;  
Though ne'er so black, say they have angels' faces.  
That man that hath a tongue, I say, is no man,  
If with his tongue he cannot win a woman.

**DUKE**

But she I mean is promised by her friends  
Unto a youthful gentleman of worth,  
And kept severely from resort of men,  
That no man hath access by day to her.

**VALENTINE**

Why, then, I would resort to her by night.

**DUKE**

Ay, but the doors be lock'd and keys kept safe,  
That no man hath recourse to her by night.

**VALENTINE**

What lets but one may enter at her window?

**DUKE**

Her chamber is aloft, far from the ground,  
And built so shelving that one cannot climb it  
Without apparent hazard of his life.

**VALENTINE**

Why then, a ladder quaintly made of cords,  
To cast up, with a pair of anchoring hooks,  
Would serve to scale another Hero's tower,  
So bold Leander would adventure it.

**DUKE**

Now, as thou art a gentleman of blood,  
Advise me where I may have such a ladder.

**VALENTINE**

When would you use it? pray, sir, tell me that.

**DUKE**

This very night; for Love is like a child,  
That longs for every thing that he can come by.

**VALENTINE**

By seven o'clock I'll get you such a ladder.

**DUKE**

But, hark thee; I will go to her alone:  
How shall I best convey the ladder thither?

**VALENTINE**

It will be light, my lord, that you may bear it  
Under a cloak that is of any length.

**DUKE**

A cloak as long as thine will serve the turn?

**VALENTINE**

Ay, my good lord.

**DUKE**

Then let me see thy cloak:  
I'll get me one of such another length.

## VALENTINE

Why, any cloak will serve the turn, my lord.

## DUKE

How shall I fashion me to wear a cloak?  
I pray thee, let me feel thy cloak upon me.  
What letter is this same? What's here? 'To Silvia'!  
And here an engine fit for my proceeding.  
I'll be so bold to break the seal for once.

### *Reads*

'My thoughts do harbour with my Silvia nightly,  
And slaves they are to me that send them flying:  
O, could their master come and go as lightly,  
Himself would lodge where senseless they are lying!  
My herald thoughts in thy pure bosom rest them:  
While I, their king, that hither them importune,  
Do curse the grace that with such grace hath bless'd them,  
Because myself do want my servants' fortune:  
I curse myself, for they are sent by me,  
That they should harbour where their lord would be.'  
What's here?  
'Silvia, this night I will enfranchise thee.'  
'Tis so; and here's the ladder for the purpose.  
Why, Phaeton,--for thou art Merops' son,--  
Wilt thou aspire to guide the heavenly car  
And with thy daring folly burn the world?  
Wilt thou reach stars, because they shine on thee?  
Go, base intruder! overweening slave!  
Bestow thy fawning smiles on equal mates,  
And think my patience, more than thy desert,  
Is privilege for thy departure hence:  
Thank me for this more than for all the favours  
Which all too much I have bestow'd on thee.  
But if thou linger in my territories  
Longer than swiftest expedition  
Will give thee time to leave our royal court,  
By heaven! my wrath shall far exceed the love  
I ever bore my daughter or thyself.

Be gone! I will not hear thy vain excuse;  
But, as thou lovest thy life, make speed from hence.

*Exit*

## **VALENTINE**

And why not death rather than living torment?  
To die is to be banish'd from myself;  
And Silvia is myself: banish'd from her  
Is self from self: a deadly banishment!  
What light is light, if Silvia be not seen?  
What joy is joy, if Silvia be not by?  
Unless it be to think that she is by  
And feed upon the shadow of perfection  
Except I be by Silvia in the night,  
There is no music in the nightingale;  
Unless I look on Silvia in the day,  
There is no day for me to look upon;  
She is my essence, and I leave to be,  
If I be not by her fair influence  
Foster'd, illumined, cherish'd, kept alive.  
I fly not death, to fly his deadly doom:  
Tarry I here, I but attend on death:  
But, fly I hence, I fly away from life.

*Enter PROTEUS and LAUNCE*

## **PROTEUS**

Run, boy, run, run, and seek him out.

## **LAUNCE**

Soho, soho!

## **PROTEUS**

What seest thou?

## **LAUNCE**

Him we go to find: there's not a hair on's head  
but 'tis a Valentine.

**PROTEUS**

Valentine?

**VALENTINE**

No.

**PROTEUS**

Who then? his spirit?

**VALENTINE**

Neither.

**PROTEUS**

What then?

**VALENTINE**

Nothing.

**LAUNCE**

Can nothing speak? Master, shall I strike?

**PROTEUS**

Who wouldst thou strike?

**LAUNCE**

Nothing.

**PROTEUS**

Villain, forbear.

**LAUNCE**

Why, sir, I'll strike nothing: I pray you,--

**PROTEUS**

Sirrah, I say, forbear. Friend Valentine, a word.

**VALENTINE**

My ears are stopt and cannot hear good news,  
So much of bad already hath possess'd them.

**PROTEUS**

Then in dumb silence will I bury mine,  
For they are harsh, untuneable and bad.

**VALENTINE**

Is Silvia dead?

**PROTEUS**

No, Valentine.

**VALENTINE**

No Valentine, indeed, for sacred Silvia.  
Hath she forsworn me?

**PROTEUS**

No, Valentine.

**VALENTINE**

No Valentine, if Silvia have forsworn me.

What is your news?

**LAUNCE**

Sir, there is a proclamation that you are vanished.

**PROTEUS**

That thou art banished--O, that's the news!--  
From hence, from Silvia and from me thy friend.

**VALENTINE**

O, I have fed upon this woe already,  
And now excess of it will make me surfeit.  
Doth Silvia know that I am banished?

**PROTEUS**

Ay, ay; and she hath offer'd to the doom--  
Which, unreversed, stands in effectual force--  
A sea of melting pearl, which some call tears:  
Those at her father's churlish feet she tender'd;  
With them, upon her knees, her humble self;  
Wringing her hands, whose whiteness so became them  
As if but now they waxed pale for woe:  
But neither bended knees, pure hands held up,  
Sad sighs, deep groans, nor silver-shedding tears,  
Could penetrate her uncompassionate sire;  
But Valentine, if he be ta'en, must die.  
Besides, her intercession chafed him so,  
When she for thy repeal was suppliant,  
That to close prison he commanded her,  
With many bitter threats of bidding there.

**VALENTINE**

No more; unless the next word that thou speak'st  
Have some malignant power upon my life:  
If so, I pray thee, breathe it in mine ear,  
As ending anthem of my endless dolour.

## **PROTEUS**

Cease to lament for that thou canst not help,  
And study help for that which thou lament'st.  
Time is the nurse and breeder of all good.  
Here if thou stay, thou canst not see thy love;  
Besides, thy staying will abridge thy life.  
Hope is a lover's staff; walk hence with that  
And manage it against despairing thoughts.  
Thy letters may be here, though thou art hence;  
Which, being writ to me, shall be deliver'd  
Even in the milk-white bosom of thy love.  
The time now serves not to expostulate:  
Come, I'll convey thee through the city-gate;  
And, ere I part with thee, confer at large  
Of all that may concern thy love-affairs.  
As thou lovest Silvia, though not for thyself,  
Regard thy danger, and along with me!

## **VALENTINE**

I pray thee, Launce, an if thou seest my boy,  
Bid him make haste and meet me at the North-gate.

## **PROTEUS**

Go, sirrah, find him out. Come, Valentine.

## **VALENTINE**

O my dear Silvia! Hapless Valentine!

*Exeunt VALENTINE and PROTEUS*

## **LAUNCE**

I am but a fool, look you; and yet I have the wit to  
think my master is a kind of a knave: but that's  
all one, if he be but one knave. He lives not now  
that knows me to be in love; yet I am in love; but a  
team of horse shall not pluck that from me; nor who  
'tis I love; and yet 'tis a woman; but what woman, I

will not tell myself; and yet 'tis a milkmaid; yet 'tis not a maid, for she hath had gossips; yet 'tis a maid, for she is her master's maid, and serves for wages. She hath more qualities than a water-spaniel; which is much in a bare Christian.

*Pulling out a paper*

Here is the cate-log of her condition.  
'Imprimis: She can fetch and carry.' Why, a horse can do no more: nay, a horse cannot fetch, but only carry; therefore is she better than a jade. 'Item: She can milk;' look you, a sweet virtue in a maid with clean hands.

*Enter SPEED*

**SPEED**

How now, Signior Launce! what news with your mastership?

**LAUNCE**

With my master's ship? why, it is at sea.

**SPEED**

Well, your old vice still; mistake the word. What news, then, in your paper?

**LAUNCE**

The blackest news that ever thou heardest.

**SPEED**

Why, man, how black?

**LAUNCE**

Why, as black as ink.

**SPEED**

Let me read them.

**LAUNCE**

Fie on thee, jolt-head! thou canst not read.

**SPEED**

Thou liest; I can.

**LAUNCE**

I will try thee. Tell me this: who begot thee?

**SPEED**

Marry, the son of my grandfather.

**LAUNCE**

O illiterate loiterer! it was the son of thy  
grandmother: this proves that thou canst not read.

**SPEED**

Come, fool, come; try me in thy paper.

**LAUNCE**

There; and St. Nicholas be thy speed!

**SPEED**

[Reads] 'Imprimis: She can milk.'

**LAUNCE**

Ay, that she can.

## **SPEED**

'Item: She brews good ale.'

## **LAUNCE**

And thereof comes the proverb: 'Blessing of your heart, you brew good ale.'

## **SPEED**

'Item: She can sew.'

## **LAUNCE**

That's as much as to say, Can she so?

## **SPEED**

'Item: She can knit.'

## **LAUNCE**

What need a man care for a stock with a wench, when she can knit him a stock?

## **SPEED**

'Item: She can wash and scour.'

## **LAUNCE**

A special virtue: for then she need not be washed and scoured.

## **SPEED**

'Item: She can spin.'

**LAUNCE**

Then may I set the world on wheels, when she can  
spin for her living.

**SPEED**

'Item: She hath many nameless virtues.'

**LAUNCE**

That's as much as to say, bastard virtues; that,  
indeed, know not their fathers and therefore have no names.

**SPEED**

'Here follow her vices.'

**LAUNCE**

Close at the heels of her virtues.

**SPEED**

'Item: She is not to be kissed fasting in respect  
of her breath.'

**LAUNCE**

Well, that fault may be mended with a breakfast. Read on.

**SPEED**

'Item: She hath a sweet mouth.'

**LAUNCE**

That makes amends for her sour breath.

**SPEED**

'Item: She doth talk in her sleep.'

## **LAUNCE**

It's no matter for that, so she sleep not in her talk.

## **SPEED**

'Item: She is slow in words.'

## **LAUNCE**

O villain, that set this down among her vices! To be slow in words is a woman's only virtue: I pray thee, out with't, and place it for her chief virtue.

## **SPEED**

'Item: She is proud.'

## **LAUNCE**

Out with that too; it was Eve's legacy, and cannot be ta'en from her.

## **SPEED**

'Item: She hath no teeth.'

## **LAUNCE**

I care not for that neither, because I love crusts.

## **SPEED**

'Item: She is curst.'

## **LAUNCE**

Well, the best is, she hath no teeth to bite.

## **SPEED**

'Item: She will often praise her liquor.'

## **LAUNCE**

If her liquor be good, she shall: if she will not, I will; for good things should be praised.

## **SPEED**

'Item: She is too liberal.'

## **LAUNCE**

Of her tongue she cannot, for that's writ down she is slow of; of her purse she shall not, for that I'll keep shut: now, of another thing she may, and that cannot I help. Well, proceed.

## **SPEED**

'Item: She hath more hair than wit, and more faults than hairs, and more wealth than faults.'

## **LAUNCE**

Stop there; I'll have her: she was mine, and not mine, twice or thrice in that last article. Rehearse that once more.

## **SPEED**

'Item: She hath more hair than wit,'--

## **LAUNCE**

More hair than wit? It may be; I'll prove it. The cover of the salt hides the salt, and therefore it is more than the salt; the hair that covers the wit is more than the wit, for the greater hides the

less. What's next?

**SPEED**

'And more faults than hairs,'--

**LAUNCE**

That's monstrous: O, that that were out!

**SPEED**

'And more wealth than faults.'

**LAUNCE**

Why, that word makes the faults gracious. Well,  
I'll have her; and if it be a match, as nothing is  
impossible,--

**SPEED**

What then?

**LAUNCE**

Why, then will I tell thee--that thy master stays  
for thee at the North-gate.

**SPEED**

For me?

**LAUNCE**

For thee! ay, who art thou? he hath stayed for a  
better man than thee.

**SPEED**

And must I go to him?

**LAUNCE**

Thou must run to him, for thou hast stayed so long  
that going will scarce serve the turn.

**SPEED**

Why didst not tell me sooner? pox of your love letters!

*Exit*

**LAUNCE**

Now will he be swinged for reading my letter; an  
unmannerly slave, that will thrust himself into  
secrets! I'll after, to rejoice in the boy's correction.

*Exit*

[Previous scene](#) | [Next scene](#)

## SCENE II. The same. The DUKE's palace.

*Enter DUKE and THURIO*

**DUKE**

Sir Thurio, fear not but that she will love you,  
Now Valentine is banish'd from her sight.

**THURIO**

Since his exile she hath despised me most,  
Forsworn my company and rail'd at me,  
That I am desperate of obtaining her.

**DUKE**

This weak impress of love is as a figure  
Trenched in ice, which with an hour's heat  
Dissolves to water and doth lose his form.  
A little time will melt her frozen thoughts  
And worthless Valentine shall be forgot.

*Enter PROTEUS*

How now, Sir Proteus! Is your countryman  
According to our proclamation gone?

**PROTEUS**

Gone, my good lord.

**DUKE**

My daughter takes his going grievously.

**PROTEUS**

A little time, my lord, will kill that grief.

**DUKE**

So I believe; but Thurio thinks not so.  
Proteus, the good conceit I hold of thee--  
For thou hast shown some sign of good desert--  
Makes me the better to confer with thee.

**PROTEUS**

Longer than I prove loyal to your grace  
Let me not live to look upon your grace.

**DUKE**

Thou know'st how willingly I would effect  
The match between Sir Thurio and my daughter.

**PROTEUS**

I do, my lord.

**DUKE**

And also, I think, thou art not ignorant  
How she opposes her against my will

**PROTEUS**

She did, my lord, when Valentine was here.

**DUKE**

Ay, and perversely she perseveres so.  
What might we do to make the girl forget  
The love of Valentine and love Sir Thurio?

**PROTEUS**

The best way is to slander Valentine  
With falsehood, cowardice and poor descent,  
Three things that women highly hold in hate.

**DUKE**

Ay, but she'll think that it is spoke in hate.

**PROTEUS**

Ay, if his enemy deliver it:  
Therefore it must with circumstance be spoken  
By one whom she esteemeth as his friend.

**DUKE**

Then you must undertake to slander him.

**PROTEUS**

And that, my lord, I shall be loath to do:  
'Tis an ill office for a gentleman,  
Especially against his very friend.

**DUKE**

Where your good word cannot advantage him,  
Your slander never can endamage him;  
Therefore the office is indifferent,  
Being entreated to it by your friend.

**PROTEUS**

You have prevail'd, my lord; if I can do it  
By ought that I can speak in his dispraise,  
She shall not long continue love to him.  
But say this weed her love from Valentine,  
It follows not that she will love Sir Thurio.

**THURIO**

Therefore, as you unwind her love from him,  
Lest it should ravel and be good to none,  
You must provide to bottom it on me;  
Which must be done by praising me as much  
As you in worth dispraise Sir Valentine.

## **DUKE**

And, Proteus, we dare trust you in this kind,  
Because we know, on Valentine's report,  
You are already Love's firm votary  
And cannot soon revolt and change your mind.  
Upon this warrant shall you have access  
Where you with Silvia may confer at large;  
For she is lumpish, heavy, melancholy,  
And, for your friend's sake, will be glad of you;  
Where you may temper her by your persuasion  
To hate young Valentine and love my friend.

## **PROTEUS**

As much as I can do, I will effect:  
But you, Sir Thurio, are not sharp enough;  
You must lay lime to tangle her desires  
By wailful sonnets, whose composed rhymes  
Should be full-fraught with serviceable vows.

## **DUKE**

Ay,  
Much is the force of heaven-bred poesy.

## **PROTEUS**

Say that upon the altar of her beauty  
You sacrifice your tears, your sighs, your heart:  
Write till your ink be dry, and with your tears  
Moist it again, and frame some feeling line  
That may discover such integrity:  
For Orpheus' lute was strung with poets' sinews,  
Whose golden touch could soften steel and stones,  
Make tigers tame and huge leviathans

Forsake unsounded deeps to dance on sands.  
After your dire-lamenting elegies,  
Visit by night your lady's chamber-window  
With some sweet concert; to their instruments  
Tune a deploring dump: the night's dead silence  
Will well become such sweet-complaining grievance.  
This, or else nothing, will inherit her.

## **DUKE**

This discipline shows thou hast been in love.

## **THURIO**

And thy advice this night I'll put in practise.  
Therefore, sweet Proteus, my direction-giver,  
Let us into the city presently  
To sort some gentlemen well skill'd in music.  
I have a sonnet that will serve the turn  
To give the onset to thy good advice.

## **DUKE**

About it, gentlemen!

## **PROTEUS**

We'll wait upon your grace till after supper,  
And afterward determine our proceedings.

## **DUKE**

Even now about it! I will pardon you.

*Exeunt*

## SCENE I. The frontiers of Mantua. A forest.

*Enter certain Outlaws*

### First Outlaw

Fellows, stand fast; I see a passenger.

### Second Outlaw

If there be ten, shrink not, but down with 'em.

*Enter VALENTINE and SPEED*

### Third Outlaw

Stand, sir, and throw us that you have about ye:  
If not: we'll make you sit and rifle you.

### SPEED

Sir, we are undone; these are the villains  
That all the travellers do fear so much.

### VALENTINE

My friends,--

### First Outlaw

That's not so, sir: we are your enemies.

### Second Outlaw

Peace! we'll hear him.

### **Third Outlaw**

Ay, by my beard, will we, for he's a proper man.

### **VALENTINE**

Then know that I have little wealth to lose:  
A man I am cross'd with adversity;  
My riches are these poor habiliments,  
Of which if you should here disfurnish me,  
You take the sum and substance that I have.

### **Second Outlaw**

Whither travel you?

### **VALENTINE**

To Verona.

### **First Outlaw**

Whence came you?

### **VALENTINE**

From Milan.

### **Third Outlaw**

Have you long sojourned there?

### **VALENTINE**

Some sixteen months, and longer might have stay'd,  
If crooked fortune had not thwarted me.

### **First Outlaw**

What, were you banish'd thence?

## **VALENTINE**

I was.

### **Second Outlaw**

For what offence?

## **VALENTINE**

For that which now torments me to rehearse:  
I kill'd a man, whose death I much repent;  
But yet I slew him manfully in fight,  
Without false vantage or base treachery.

### **First Outlaw**

Why, ne'er repent it, if it were done so.  
But were you banish'd for so small a fault?

## **VALENTINE**

I was, and held me glad of such a doom.

### **Second Outlaw**

Have you the tongues?

## **VALENTINE**

My youthful travel therein made me happy,  
Or else I often had been miserable.

### **Third Outlaw**

By the bare scalp of Robin Hood's fat friar,  
This fellow were a king for our wild faction!

### **First Outlaw**

We'll have him. Sirs, a word.

## **SPEED**

Master, be one of them; it's an honourable kind of thievery.

## **VALENTINE**

Peace, villain!

## **Second Outlaw**

Tell us this: have you any thing to take to?

## **VALENTINE**

Nothing but my fortune.

## **Third Outlaw**

Know, then, that some of us are gentlemen,  
Such as the fury of ungovern'd youth  
Thrust from the company of awful men:  
Myself was from Verona banished  
For practising to steal away a lady,  
An heir, and near allied unto the duke.

## **Second Outlaw**

And I from Mantua, for a gentleman,  
Who, in my mood, I stabb'd unto the heart.

## **First Outlaw**

And I for such like petty crimes as these,  
But to the purpose--for we cite our faults,  
That they may hold excus'd our lawless lives;  
And partly, seeing you are beautified  
With goodly shape and by your own report  
A linguist and a man of such perfection  
As we do in our quality much want--

## Second Outlaw

Indeed, because you are a banish'd man,  
Therefore, above the rest, we parley to you:  
Are you content to be our general?  
To make a virtue of necessity  
And live, as we do, in this wilderness?

## Third Outlaw

What say'st thou? wilt thou be of our consort?  
Say ay, and be the captain of us all:  
We'll do thee homage and be ruled by thee,  
Love thee as our commander and our king.

## First Outlaw

But if thou scorn our courtesy, thou diest.

## Second Outlaw

Thou shalt not live to brag what we have offer'd.

## VALENTINE

I take your offer and will live with you,  
Provided that you do no outrages  
On silly women or poor passengers.

## Third Outlaw

No, we detest such vile base practises.  
Come, go with us, we'll bring thee to our crews,  
And show thee all the treasure we have got,  
Which, with ourselves, all rest at thy dispose.

*Exeunt*

# Two Gentlemen of Verona

[Shakespeare homepage](#) | [Two Gentlemen of Verona](#) | Act 4, Scene 2  
[Previous scene](#) | [Next scene](#)

## SCENE II. Milan. Outside the DUKE's palace, under SILVIA's chamber.

*Enter PROTEUS*

### PROTEUS

Already have I been false to Valentine  
And now I must be as unjust to Thurio.  
Under the colour of commending him,  
I have access my own love to prefer:  
But Silvia is too fair, too true, too holy,  
To be corrupted with my worthless gifts.  
When I protest true loyalty to her,  
She twits me with my falsehood to my friend;  
When to her beauty I commend my vows,  
She bids me think how I have been forsworn  
In breaking faith with Julia whom I loved:  
And notwithstanding all her sudden quips,  
The least whereof would quell a lover's hope,  
Yet, spaniel-like, the more she spurns my love,  
The more it grows and fawneth on her still.  
But here comes Thurio: now must we to her window,  
And give some evening music to her ear.

*Enter THURIO and Musicians*

### THURIO

How now, Sir Proteus, are you crept before us?

### PROTEUS

Ay, gentle Thurio: for you know that love  
Will creep in service where it cannot go.

**THURIO**

Ay, but I hope, sir, that you love not here.

**PROTEUS**

Sir, but I do; or else I would be hence.

**THURIO**

Who? Silvia?

**PROTEUS**

Ay, Silvia; for your sake.

**THURIO**

I thank you for your own. Now, gentlemen,  
Let's tune, and to it lustily awhile.

*Enter, at a distance, Host, and JULIA in boy's clothes*

**Host**

Now, my young guest, methinks you're allycholly: I  
pray you, why is it?

**JULIA**

Marry, mine host, because I cannot be merry.

**Host**

Come, we'll have you merry: I'll bring you where  
you shall hear music and see the gentleman that you asked for.

**JULIA**

But shall I hear him speak?

**Host**

Ay, that you shall.

**JULIA**

That will be music.

*Music plays*

**Host**

Hark, hark!

**JULIA**

Is he among these?

**Host**

Ay: but, peace! let's hear 'em.

SONG.

Who is Silvia? what is she,  
That all our swains commend her?  
Holy, fair and wise is she;  
The heaven such grace did lend her,  
That she might admired be.  
Is she kind as she is fair?  
For beauty lives with kindness.  
Love doth to her eyes repair,  
To help him of his blindness,  
And, being help'd, inhabits there.  
Then to Silvia let us sing,  
That Silvia is excelling;  
She excels each mortal thing  
Upon the dull earth dwelling:  
To her let us garlands bring.

**Host**

How now! are you sadder than you were before? How  
do you, man? the music likes you not.

**JULIA**

You mistake; the musician likes me not.

**Host**

Why, my pretty youth?

**JULIA**

He plays false, father.

**Host**

How? out of tune on the strings?

**JULIA**

Not so; but yet so false that he grieves my very  
heart-strings.

**Host**

You have a quick ear.

**JULIA**

Ay, I would I were deaf; it makes me have a slow heart.

**Host**

I perceive you delight not in music.

**JULIA**

Not a whit, when it jars so.

**Host**

Hark, what fine change is in the music!

**JULIA**

Ay, that change is the spite.

**Host**

You would have them always play but one thing?

**JULIA**

I would always have one play but one thing.  
But, host, doth this Sir Proteus that we talk on  
Often resort unto this gentlewoman?

**Host**

I tell you what Launce, his man, told me: he loved  
her out of all nick.

**JULIA**

Where is Launce?

**Host**

Gone to seek his dog; which tomorrow, by his  
master's command, he must carry for a present to his lady.

**JULIA**

Peace! stand aside: the company parts.

**PROTEUS**

Sir Thurio, fear not you: I will so plead  
That you shall say my cunning drift excels.

**THURIO**

Where meet we?

**PROTEUS**

At Saint Gregory's well.

**THURIO**

Farewell.

*Exeunt THURIO and Musicians*

*Enter SILVIA above*

**PROTEUS**

Madam, good even to your ladyship.

**SILVIA**

I thank you for your music, gentlemen.  
Who is that that spake?

**PROTEUS**

One, lady, if you knew his pure heart's truth,  
You would quickly learn to know him by his voice.

**SILVIA**

Sir Proteus, as I take it.

**PROTEUS**

Sir Proteus, gentle lady, and your servant.

**SILVIA**

What's your will?

**PROTEUS**

That I may compass yours.

**SILVIA**

You have your wish; my will is even this:  
That presently you hie you home to bed.  
Thou subtle, perjured, false, disloyal man!  
Think'st thou I am so shallow, so conceitless,  
To be seduced by thy flattery,  
That hast deceived so many with thy vows?  
Return, return, and make thy love amends.  
For me, by this pale queen of night I swear,  
I am so far from granting thy request  
That I despise thee for thy wrongful suit,  
And by and by intend to chide myself  
Even for this time I spend in talking to thee.

**PROTEUS**

I grant, sweet love, that I did love a lady;  
But she is dead.

**JULIA**

[Aside] 'Twere false, if I should speak it;  
For I am sure she is not buried.

**SILVIA**

Say that she be; yet Valentine thy friend  
Survives; to whom, thyself art witness,  
I am betroth'd: and art thou not ashamed  
To wrong him with thy importunacy?

**PROTEUS**

I likewise hear that Valentine is dead.

**SILVIA**

And so suppose am I; for in his grave  
Assure thyself my love is buried.

**PROTEUS**

Sweet lady, let me rake it from the earth.

**SILVIA**

Go to thy lady's grave and call hers thence,  
Or, at the least, in hers sepulchre thine.

**JULIA**

[Aside] He heard not that.

**PROTEUS**

Madam, if your heart be so obdurate,  
Vouchsafe me yet your picture for my love,  
The picture that is hanging in your chamber;  
To that I'll speak, to that I'll sigh and weep:  
For since the substance of your perfect self  
Is else devoted, I am but a shadow;  
And to your shadow will I make true love.

**JULIA**

[Aside] If 'twere a substance, you would, sure,  
deceive it,  
And make it but a shadow, as I am.

**SILVIA**

I am very loath to be your idol, sir;  
But since your falsehood shall become you well  
To worship shadows and adore false shapes,  
Send to me in the morning and I'll send it:  
And so, good rest.

**PROTEUS**

As wretches have o'ernight  
That wait for execution in the morn.

*Exeunt PROTEUS and SILVIA severally*

**JULIA**

Host, will you go?

**Host**

By my halidom, I was fast asleep.

**JULIA**

Pray you, where lies Sir Proteus?

**Host**

Marry, at my house. Trust me, I think 'tis almost  
day.

**JULIA**

Not so; but it hath been the longest night  
That e'er I watch'd and the most heaviest.

*Exeunt*

## SCENE III. The same.

*Enter EGLAMOUR*

### EGLAMOUR

This is the hour that Madam Silvia  
Entreated me to call and know her mind:  
There's some great matter she'ld employ me in.  
Madam, madam!

*Enter SILVIA above*

### SILVIA

Who calls?

### EGLAMOUR

Your servant and your friend;  
One that attends your ladyship's command.

### SILVIA

Sir Eglamour, a thousand times good morrow.

### EGLAMOUR

As many, worthy lady, to yourself:  
According to your ladyship's impose,  
I am thus early come to know what service  
It is your pleasure to command me in.

### SILVIA

O Eglamour, thou art a gentleman--

Think not I flatter, for I swear I do not--  
Valiant, wise, remorseful, well accomplish'd:  
Thou art not ignorant what dear good will  
I bear unto the banish'd Valentine,  
Nor how my father would enforce me marry  
Vain Thurio, whom my very soul abhors.  
Thyself hast loved; and I have heard thee say  
No grief did ever come so near thy heart  
As when thy lady and thy true love died,  
Upon whose grave thou vow'dst pure chastity.  
Sir Eglamour, I would to Valentine,  
To Mantua, where I hear he makes abode;  
And, for the ways are dangerous to pass,  
I do desire thy worthy company,  
Upon whose faith and honour I repose.  
Urge not my father's anger, Eglamour,  
But think upon my grief, a lady's grief,  
And on the justice of my flying hence,  
To keep me from a most unholy match,  
Which heaven and fortune still rewards with plagues.  
I do desire thee, even from a heart  
As full of sorrows as the sea of sands,  
To bear me company and go with me:  
If not, to hide what I have said to thee,  
That I may venture to depart alone.

## EGLAMOUR

Madam, I pity much your grievances;  
Which since I know they virtuously are placed,  
I give consent to go along with you,  
Recking as little what betideth me  
As much I wish all good befortune you.  
When will you go?

## SILVIA

This evening coming.

## EGLAMOUR

Where shall I meet you?

**SILVIA**

At Friar Patrick's cell,  
Where I intend holy confession.

**EGLAMOUR**

I will not fail your ladyship. Good morrow, gentle lady.

**SILVIA**

Good morrow, kind Sir Eglamour.

*Exeunt severally*

## SCENE IV. The same.

*Enter LAUNCE, with his his Dog*

**LAUNCE**

When a man's servant shall play the cur with him,  
look you, it goes hard: one that I brought up of a  
puppy; one that I saved from drowning, when three or  
four of his blind brothers and sisters went to it.  
I have taught him, even as one would say precisely,  
'thus I would teach a dog.' I was sent to deliver  
him as a present to Mistress Silvia from my master;  
and I came no sooner into the dining-chamber but he  
steps me to her trencher and steals her capon's leg:  
O, 'tis a foul thing when a cur cannot keep himself  
in all companies! I would have, as one should say,  
one that takes upon him to be a dog indeed, to be,  
as it were, a dog at all things. If I had not had  
more wit than he, to take a fault upon me that he did,  
I think verily he had been hanged for't; sure as I  
live, he had suffered for't; you shall judge. He  
thrusts me himself into the company of three or four  
gentlemanlike dogs under the duke's table: he had  
not been there--bless the mark!--a pissing while, but  
all the chamber smelt him. 'Out with the dog!' says  
one: 'What cur is that?' says another: 'Whip him  
out' says the third: 'Hang him up' says the duke.  
I, having been acquainted with the smell before,  
knew it was Crab, and goes me to the fellow that  
whips the dogs: 'Friend,' quoth I, 'you mean to whip  
the dog?' 'Ay, marry, do I,' quoth he. 'You do him  
the more wrong,' quoth I; 'twas I did the thing you  
wot of.' He makes me no more ado, but whips me out  
of the chamber. How many masters would do this for  
his servant? Nay, I'll be sworn, I have sat in the  
stocks for puddings he hath stolen, otherwise he had

been executed; I have stood on the pillory for geese  
he hath killed, otherwise he had suffered for't.  
Thou thinkest not of this now. Nay, I remember the  
trick you served me when I took my leave of Madam  
Silvia: did not I bid thee still mark me and do as I  
do? when didst thou see me heave up my leg and make  
water against a gentlewoman's farthingale? didst  
thou ever see me do such a trick?

*Enter PROTEUS and JULIA*

**PROTEUS**

Sebastian is thy name? I like thee well  
And will employ thee in some service presently.

**JULIA**

In what you please: I'll do what I can.

**PROTEUS**

I hope thou wilt.

*To LAUNCE*

How now, you whoreson peasant!  
Where have you been these two days loitering?

**LAUNCE**

Marry, sir, I carried Mistress Silvia the dog you bade me.

**PROTEUS**

And what says she to my little jewel?

**LAUNCE**

Marry, she says your dog was a cur, and tells you  
currish thanks is good enough for such a present.

## **PROTEUS**

But she received my dog?

## **LAUNCE**

No, indeed, did she not: here have I brought him back again.

## **PROTEUS**

What, didst thou offer her this from me?

## **LAUNCE**

Ay, sir: the other squirrel was stolen from me by the hangman boys in the market-place: and then I offered her mine own, who is a dog as big as ten of yours, and therefore the gift the greater.

## **PROTEUS**

Go get thee hence, and find my dog again,  
Or ne'er return again into my sight.  
Away, I say! stay'st thou to vex me here?

*Exit LAUNCE*

A slave, that still an end turns me to shame!  
Sebastian, I have entertained thee,  
Partly that I have need of such a youth  
That can with some discretion do my business,  
For 'tis no trusting to yond foolish lout,  
But chiefly for thy face and thy behavior,  
Which, if my augury deceive me not,  
Witness good bringing up, fortune and truth:  
Therefore know thou, for this I entertain thee.  
Go presently and take this ring with thee,  
Deliver it to Madam Silvia:  
She loved me well deliver'd it to me.

**JULIA**

It seems you loved not her, to leave her token.  
She is dead, belike?

**PROTEUS**

Not so; I think she lives.

**JULIA**

Alas!

**PROTEUS**

Why dost thou cry 'alas'?

**JULIA**

I cannot choose  
But pity her.

**PROTEUS**

Wherefore shouldst thou pity her?

**JULIA**

Because methinks that she loved you as well  
As you do love your lady Silvia:  
She dreams of him that has forgot her love;  
You dote on her that cares not for your love.  
'Tis pity love should be so contrary;  
And thinking of it makes me cry 'alas!'

**PROTEUS**

Well, give her that ring and therewithal  
This letter. That's her chamber. Tell my lady  
I claim the promise for her heavenly picture.  
Your message done, hie home unto my chamber,

Where thou shalt find me, sad and solitary.

*Exit*

**JULIA**

How many women would do such a message?  
Alas, poor Proteus! thou hast entertain'd  
A fox to be the shepherd of thy lambs.  
Alas, poor fool! why do I pity him  
That with his very heart despiseth me?  
Because he loves her, he despiseth me;  
Because I love him I must pity him.  
This ring I gave him when he parted from me,  
To bind him to remember my good will;  
And now am I, unhappy messenger,  
To plead for that which I would not obtain,  
To carry that which I would have refused,  
To praise his faith which I would have dispraised.  
I am my master's true-confirmed love;  
But cannot be true servant to my master,  
Unless I prove false traitor to myself.  
Yet will I woo for him, but yet so coldly  
As, heaven it knows, I would not have him speed.

*Enter SILVIA, attended*

Gentlewoman, good day! I pray you, be my mean  
To bring me where to speak with Madam Silvia.

**SILVIA**

What would you wish with her, if that I be she?

**JULIA**

If you be she, I do entreat your patience  
To hear me speak the message I am sent on.

**SILVIA**

From whom?

**JULIA**

From my master, Sir Proteus, madam.

**SILVIA**

O, he sends you for a picture.

**JULIA**

Ay, madam.

**SILVIA**

Ursula, bring my picture here.  
Go give your master this: tell him from me,  
One Julia, that his changing thoughts forget,  
Would better fit his chamber than this shadow.

**JULIA**

Madam, please you peruse this letter.--  
Pardon me, madam; I have unadvised  
Deliver'd you a paper that I should not:  
This is the letter to your ladyship.

**SILVIA**

I pray thee, let me look on that again.

**JULIA**

It may not be; good madam, pardon me.

**SILVIA**

There, hold!  
I will not look upon your master's lines:  
I know they are stuff'd with protestations  
And full of new-found oaths; which he will break

As easily as I do tear his paper.

**JULIA**

Madam, he sends your ladyship this ring.

**SILVIA**

The more shame for him that he sends it me;  
For I have heard him say a thousand times  
His Julia gave it him at his departure.  
Though his false finger have profaned the ring,  
Mine shall not do his Julia so much wrong.

**JULIA**

She thanks you.

**SILVIA**

What say'st thou?

**JULIA**

I thank you, madam, that you tender her.  
Poor gentlewoman! my master wrongs her much.

**SILVIA**

Dost thou know her?

**JULIA**

Almost as well as I do know myself:  
To think upon her woes I do protest  
That I have wept a hundred several times.

**SILVIA**

Belike she thinks that Proteus hath forsook her.

**JULIA**

I think she doth; and that's her cause of sorrow.

**SILVIA**

Is she not passing fair?

**JULIA**

She hath been fairer, madam, than she is:  
When she did think my master loved her well,  
She, in my judgment, was as fair as you:  
But since she did neglect her looking-glass  
And threw her sun-expelling mask away,  
The air hath starved the roses in her cheeks  
And pinch'd the lily-tincture of her face,  
That now she is become as black as I.

**SILVIA**

How tall was she?

**JULIA**

About my stature; for at Pentecost,  
When all our pageants of delight were play'd,  
Our youth got me to play the woman's part,  
And I was trimm'd in Madam Julia's gown,  
Which served me as fit, by all men's judgments,  
As if the garment had been made for me:  
Therefore I know she is about my height.  
And at that time I made her weep agood,  
For I did play a lamentable part:  
Madam, 'twas Ariadne passioning  
For Theseus' perjury and unjust flight;  
Which I so lively acted with my tears  
That my poor mistress, moved therewithal,  
Wept bitterly; and would I might be dead  
If I in thought felt not her very sorrow!

**SILVIA**

She is beholding to thee, gentle youth.  
Alas, poor lady, desolate and left!  
I weep myself to think upon thy words.  
Here, youth, there is my purse; I give thee this  
For thy sweet mistress' sake, because thou lovest her.  
Farewell.

*Exit SILVIA, with attendants*

## **JULIA**

And she shall thank you for't, if e'er you know her.  
A virtuous gentlewoman, mild and beautiful  
I hope my master's suit will be but cold,  
Since she respects my mistress' love so much.  
Alas, how love can trifle with itself!  
Here is her picture: let me see; I think,  
If I had such a tire, this face of mine  
Were full as lovely as is this of hers:  
And yet the painter flatter'd her a little,  
Unless I flatter with myself too much.  
Her hair is auburn, mine is perfect yellow:  
If that be all the difference in his love,  
I'll get me such a colour'd periwig.  
Her eyes are grey as glass, and so are mine:  
Ay, but her forehead's low, and mine's as high.  
What should it be that he respects in her  
But I can make respective in myself,  
If this fond Love were not a blinded god?  
Come, shadow, come and take this shadow up,  
For 'tis thy rival. O thou senseless form,  
Thou shalt be worshipp'd, kiss'd, loved and adored!  
And, were there sense in his idolatry,  
My substance should be statue in thy stead.  
I'll use thee kindly for thy mistress' sake,  
That used me so; or else, by Jove I vow,  
I should have scratch'd out your unseeing eyes  
To make my master out of love with thee!

*Exit*

## SCENE I. Milan. An abbey.

*Enter EGLAMOUR*

### EGLAMOUR

The sun begins to gild the western sky;  
And now it is about the very hour  
That Silvia, at Friar Patrick's cell, should meet me.  
She will not fail, for lovers break not hours,  
Unless it be to come before their time;  
So much they spur their expedition.  
See where she comes.

*Enter SILVIA*

Lady, a happy evening!

### SILVIA

Amen, amen! Go on, good Eglamour,  
Out at the postern by the abbey-wall:  
I fear I am attended by some spies.

### EGLAMOUR

Fear not: the forest is not three leagues off;  
If we recover that, we are sure enough.

*Exeunt*

## SCENE II. The same. The DUKE's palace.

*Enter THURIO, PROTEUS, and JULIA*

**THURIO**

Sir Proteus, what says Silvia to my suit?

**PROTEUS**

O, sir, I find her milder than she was;  
And yet she takes exceptions at your person.

**THURIO**

What, that my leg is too long?

**PROTEUS**

No; that it is too little.

**THURIO**

I'll wear a boot, to make it somewhat rounder.

**JULIA**

[Aside] But love will not be spurr'd to what  
it loathes.

**THURIO**

What says she to my face?

**PROTEUS**

She says it is a fair one.

**THURIO**

Nay then, the wanton lies; my face is black.

**PROTEUS**

But pearls are fair; and the old saying is,  
Black men are pearls in beauteous ladies' eyes.

**JULIA**

[Aside] 'Tis true; such pearls as put out  
ladies' eyes;  
For I had rather wink than look on them.

**THURIO**

How likes she my discourse?

**PROTEUS**

Ill, when you talk of war.

**THURIO**

But well, when I discourse of love and peace?

**JULIA**

[Aside] But better, indeed, when you hold your peace.

**THURIO**

What says she to my valour?

**PROTEUS**

O, sir, she makes no doubt of that.

**JULIA**

[Aside] She needs not, when she knows it cowardice.

**THURIO**

What says she to my birth?

**PROTEUS**

That you are well derived.

**JULIA**

[Aside] True; from a gentleman to a fool.

**THURIO**

Considers she my possessions?

**PROTEUS**

O, ay; and pities them.

**THURIO**

Wherefore?

**JULIA**

[Aside] That such an ass should owe them.

**PROTEUS**

That they are out by lease.

**JULIA**

Here comes the duke.

*Enter DUKE*

**DUKE**

How now, Sir Proteus! how now, Thurio!  
Which of you saw Sir Eglamour of late?

**THURIO**

Not I.

**PROTEUS**

Nor I.

**DUKE**

Saw you my daughter?

**PROTEUS**

Neither.

**DUKE**

Why then,  
She's fled unto that peasant Valentine;  
And Eglamour is in her company.  
'Tis true; for Friar Laurence met them both,  
As he in penance wander'd through the forest;  
Him he knew well, and guess'd that it was she,  
But, being mask'd, he was not sure of it;  
Besides, she did intend confession  
At Patrick's cell this even; and there she was not;  
These likelihoods confirm her flight from hence.  
Therefore, I pray you, stand not to discourse,  
But mount you presently and meet with me  
Upon the rising of the mountain-foot  
That leads towards Mantua, whither they are fled:  
Dispatch, sweet gentlemen, and follow me.

*Exit*

**THURIO**

Why, this it is to be a peevish girl,  
That flies her fortune when it follows her.  
I'll after, more to be revenged on Eglamour  
Than for the love of reckless Silvia.

*Exit*

**PROTEUS**

And I will follow, more for Silvia's love  
Than hate of Eglamour that goes with her.

*Exit*

**JULIA**

And I will follow, more to cross that love  
Than hate for Silvia that is gone for love.

*Exit*

## SCENE III. The frontiers of Mantua. The forest.

*Enter Outlaws with SILVIA*

### First Outlaw

Come, come,  
Be patient; we must bring you to our captain.

### SILVIA

A thousand more mischances than this one  
Have learn'd me how to brook this patiently.

### Second Outlaw

Come, bring her away.

### First Outlaw

Where is the gentleman that was with her?

### Third Outlaw

Being nimble-footed, he hath outrun us,  
But Moyses and Valerius follow him.  
Go thou with her to the west end of the wood;  
There is our captain: we'll follow him that's fled;  
The thicket is beset; he cannot 'scape.

### First Outlaw

Come, I must bring you to our captain's cave:  
Fear not; he bears an honourable mind,  
And will not use a woman lawlessly.

**SILVIA**

O Valentine, this I endure for thee!

*Exeunt*

## SCENE IV. Another part of the forest.

*Enter VALENTINE*

**VALENTINE**

How use doth breed a habit in a man!  
This shadowy desert, unfrequented woods,  
I better brook than flourishing peopled towns:  
Here can I sit alone, unseen of any,  
And to the nightingale's complaining notes  
Tune my distresses and record my woes.  
O thou that dost inhabit in my breast,  
Leave not the mansion so long tenantless,  
Lest, growing ruinous, the building fall  
And leave no memory of what it was!  
Repair me with thy presence, Silvia;  
Thou gentle nymph, cherish thy forlorn swain!  
What halloing and what stir is this to-day?  
These are my mates, that make their wills their law,  
Have some unhappy passenger in chase.  
They love me well; yet I have much to do  
To keep them from uncivil outrages.  
Withdraw thee, Valentine: who's this comes here?

*Enter PROTEUS, SILVIA, and JULIA*

**PROTEUS**

Madam, this service I have done for you,  
Though you respect not aught your servant doth,  
To hazard life and rescue you from him  
That would have forced your honour and your love;  
Vouchsafe me, for my meed, but one fair look;  
A smaller boon than this I cannot beg  
And less than this, I am sure, you cannot give.

## **VALENTINE**

[Aside] How like a dream is this I see and hear!  
Love, lend me patience to forbear awhile.

## **SILVIA**

O miserable, unhappy that I am!

## **PROTEUS**

Unhappy were you, madam, ere I came;  
But by my coming I have made you happy.

## **SILVIA**

By thy approach thou makest me most unhappy.

## **JULIA**

[Aside] And me, when he approacheth to your presence.

## **SILVIA**

Had I been seized by a hungry lion,  
I would have been a breakfast to the beast,  
Rather than have false Proteus rescue me.  
O, Heaven be judge how I love Valentine,  
Whose life's as tender to me as my soul!  
And full as much, for more there cannot be,  
I do detest false perjured Proteus.  
Therefore be gone; solicit me no more.

## **PROTEUS**

What dangerous action, stood it next to death,  
Would I not undergo for one calm look!  
O, 'tis the curse in love, and still approved,  
When women cannot love where they're beloved!

## **SILVIA**

When Proteus cannot love where he's beloved.  
Read over Julia's heart, thy first best love,  
For whose dear sake thou didst then rend thy faith  
Into a thousand oaths; and all those oaths  
Descended into perjury, to love me.  
Thou hast no faith left now, unless thou'dst two;  
And that's far worse than none; better have none  
Than plural faith which is too much by one:  
Thou counterfeit to thy true friend!

## **PROTEUS**

In love  
Who respects friend?

## **SILVIA**

All men but Proteus.

## **PROTEUS**

Nay, if the gentle spirit of moving words  
Can no way change you to a milder form,  
I'll woo you like a soldier, at arms' end,  
And love you 'gainst the nature of love,--force ye.

## **SILVIA**

O heaven!

## **PROTEUS**

I'll force thee yield to my desire.

## **VALENTINE**

Ruffian, let go that rude uncivil touch,  
Thou friend of an ill fashion!

## **PROTEUS**

Valentine!

## **VALENTINE**

Thou common friend, that's without faith or love,  
For such is a friend now; treacherous man!  
Thou hast beguiled my hopes; nought but mine eye  
Could have persuaded me: now I dare not say  
I have one friend alive; thou wouldst disprove me.  
Who should be trusted, when one's own right hand  
Is perjured to the bosom? Proteus,  
I am sorry I must never trust thee more,  
But count the world a stranger for thy sake.  
The private wound is deepest: O time most accurst,  
'Mongst all foes that a friend should be the worst!

## **PROTEUS**

My shame and guilt confounds me.  
Forgive me, Valentine: if hearty sorrow  
Be a sufficient ransom for offence,  
I tender 't here; I do as truly suffer  
As e'er I did commit.

## **VALENTINE**

Then I am paid;  
And once again I do receive thee honest.  
Who by repentance is not satisfied  
Is nor of heaven nor earth, for these are pleased.  
By penitence the Eternal's wrath's appeased:  
And, that my love may appear plain and free,  
All that was mine in Silvia I give thee.

## **JULIA**

O me unhappy!

*Swoons*

## **PROTEUS**

Look to the boy.

**VALENTINE**

Why, boy! why, wag! how now! what's the matter?  
Look up; speak.

**JULIA**

O good sir, my master charged me to deliver a ring  
to Madam Silvia, which, out of my neglect, was never done.

**PROTEUS**

Where is that ring, boy?

**JULIA**

Here 'tis; this is it.

**PROTEUS**

How! let me see:  
Why, this is the ring I gave to Julia.

**JULIA**

O, cry you mercy, sir, I have mistook:  
This is the ring you sent to Silvia.

**PROTEUS**

But how camest thou by this ring? At my depart  
I gave this unto Julia.

**JULIA**

And Julia herself did give it me;  
And Julia herself hath brought it hither.

**PROTEUS**

How! Julia!

## **JULIA**

Behold her that gave aim to all thy oaths,  
And entertain'd 'em deeply in her heart.  
How oft hast thou with perjury cleft the root!  
O Proteus, let this habit make thee blush!  
Be thou ashamed that I have took upon me  
Such an immodest raiment, if shame live  
In a disguise of love:  
It is the lesser blot, modesty finds,  
Women to change their shapes than men their minds.

## **PROTEUS**

Than men their minds! 'tis true.  
O heaven! were man  
But constant, he were perfect. That one error  
Fills him with faults; makes him run through all the sins:  
Inconstancy falls off ere it begins.  
What is in Silvia's face, but I may spy  
More fresh in Julia's with a constant eye?

## **VALENTINE**

Come, come, a hand from either:  
Let me be blest to make this happy close;  
'Twere pity two such friends should be long foes.

## **PROTEUS**

Bear witness, Heaven, I have my wish for ever.

## **JULIA**

And I mine.

*Enter Outlaws, with DUKE and THURIO*

## **Outlaws**

A prize, a prize, a prize!

**VALENTINE**

Forbear, forbear, I say! it is my lord the duke.  
Your grace is welcome to a man disgraced,  
Banished Valentine.

**DUKE**

Sir Valentine!

**THURIO**

Yonder is Silvia; and Silvia's mine.

**VALENTINE**

Thurio, give back, or else embrace thy death;  
Come not within the measure of my wrath;  
Do not name Silvia thine; if once again,  
Verona shall not hold thee. Here she stands;  
Take but possession of her with a touch:  
I dare thee but to breathe upon my love.

**THURIO**

Sir Valentine, I care not for her, I;  
I hold him but a fool that will endanger  
His body for a girl that loves him not:  
I claim her not, and therefore she is thine.

**DUKE**

The more degenerate and base art thou,  
To make such means for her as thou hast done  
And leave her on such slight conditions.  
Now, by the honour of my ancestry,  
I do applaud thy spirit, Valentine,  
And think thee worthy of an empress' love:

Know then, I here forget all former griefs,  
Cancel all grudge, repeal thee home again,  
Plead a new state in thy unrivall'd merit,  
To which I thus subscribe: Sir Valentine,  
Thou art a gentleman and well derived;  
Take thou thy Silvia, for thou hast deserved her.

**VALENTINE**

I thank your grace; the gift hath made me happy.  
I now beseech you, for your daughter's sake,  
To grant one boon that I shall ask of you.

**DUKE**

I grant it, for thine own, whate'er it be.

**VALENTINE**

These banish'd men that I have kept withal  
Are men endued with worthy qualities:  
Forgive them what they have committed here  
And let them be recall'd from their exile:  
They are reformed, civil, full of good  
And fit for great employment, worthy lord.

**DUKE**

Thou hast prevail'd; I pardon them and thee:  
Dispose of them as thou know'st their deserts.  
Come, let us go: we will include all jars  
With triumphs, mirth and rare solemnity.

**VALENTINE**

And, as we walk along, I dare be bold  
With our discourse to make your grace to smile.  
What think you of this page, my lord?

**DUKE**

I think the boy hath grace in him; he blushes.

**VALENTINE**

I warrant you, my lord, more grace than boy.

**DUKE**

What mean you by that saying?

**VALENTINE**

Please you, I'll tell you as we pass along,  
That you will wonder what hath fortun'd.  
Come, Proteus; 'tis your penance but to hear  
The story of your loves discovered:  
That done, our day of marriage shall be yours;  
One feast, one house, one mutual happiness.

*Exeunt*

## SCENE I. Antechamber in LEONTES' palace.

*Enter CAMILLO and ARCHIDAMUS*

### ARCHIDAMUS

If you shall chance, Camillo, to visit Bohemia, on the like occasion whereon my services are now on foot, you shall see, as I have said, great difference betwixt our Bohemia and your Sicilia.

### CAMILLO

I think, this coming summer, the King of Sicilia means to pay Bohemia the visitation which he justly owes him.

### ARCHIDAMUS

Wherein our entertainment shall shame us we will be justified in our loves; for indeed--

### CAMILLO

Beseech you,--

### ARCHIDAMUS

Verily, I speak it in the freedom of my knowledge: we cannot with such magnificence--in so rare--I know not what to say. We will give you sleepy drinks, that your senses, unintelligent of our insufficiency, may, though they cannot praise us, as little accuse us.

### CAMILLO

You pay a great deal too dear for what's given freely.

## **ARCHIDAMUS**

Believe me, I speak as my understanding instructs me  
and as mine honesty puts it to utterance.

## **CAMILLO**

Sicilia cannot show himself over-kind to Bohemia.  
They were trained together in their childhoods; and  
there rooted betwixt them then such an affection,  
which cannot choose but branch now. Since their  
more mature dignities and royal necessities made  
separation of their society, their encounters,  
though not personal, have been royally attorneyed  
with interchange of gifts, letters, loving  
embassies; that they have seemed to be together,  
though absent, shook hands, as over a vast, and  
embraced, as it were, from the ends of opposed  
winds. The heavens continue their loves!

## **ARCHIDAMUS**

I think there is not in the world either malice or  
matter to alter it. You have an unspeakable  
comfort of your young prince Mamillius: it is a  
gentleman of the greatest promise that ever came  
into my note.

## **CAMILLO**

I very well agree with you in the hopes of him: it  
is a gallant child; one that indeed physics the  
subject, makes old hearts fresh: they that went on  
crutches ere he was born desire yet their life to  
see him a man.

## **ARCHIDAMUS**

Would they else be content to die?

## CAMILLO

Yes; if there were no other excuse why they should desire to live.

## ARCHIDAMUS

If the king had no son, they would desire to live on crutches till he had one.

*Exeunt*

## SCENE II. A room of state in the same.

*Enter LEONTES, HERMIONE, MAMILLIUS, POLIXENES, CAMILLO, and Attendants*

### POLIXENES

Nine changes of the watery star hath been  
The shepherd's note since we have left our throne  
Without a burthen: time as long again  
Would be find up, my brother, with our thanks;  
And yet we should, for perpetuity,  
Go hence in debt: and therefore, like a cipher,  
Yet standing in rich place, I multiply  
With one 'We thank you' many thousands moe  
That go before it.

### LEONTES

Stay your thanks a while;  
And pay them when you part.

### POLIXENES

Sir, that's to-morrow.  
I am question'd by my fears, of what may chance  
Or breed upon our absence; that may blow  
No sneaping winds at home, to make us say  
'This is put forth too truly:' besides, I have stay'd  
To tire your royalty.

### LEONTES

We are tougher, brother,  
Than you can put us to't.

### POLIXENES

No longer stay.

**LEONTES**

One seven-night longer.

**POLIXENES**

Very sooth, to-morrow.

**LEONTES**

We'll part the time between's then; and in that  
I'll no gainsaying.

**POLIXENES**

Press me not, beseech you, so.  
There is no tongue that moves, none, none i' the world,  
So soon as yours could win me: so it should now,  
Were there necessity in your request, although  
'Twere needful I denied it. My affairs  
Do even drag me homeward: which to hinder  
Were in your love a whip to me; my stay  
To you a charge and trouble: to save both,  
Farewell, our brother.

**LEONTES**

Tongue-tied, our queen?  
speak you.

**HERMIONE**

I had thought, sir, to have held my peace until  
You have drawn oaths from him not to stay. You, sir,  
Charge him too coldly. Tell him, you are sure  
All in Bohemia's well; this satisfaction  
The by-gone day proclaim'd: say this to him,  
He's beat from his best ward.

## LEONTES

Well said, Hermione.

## HERMIONE

To tell, he longs to see his son, were strong:  
But let him say so then, and let him go;  
But let him swear so, and he shall not stay,  
We'll thwack him hence with distaffs.  
Yet of your royal presence I'll adventure  
The borrow of a week. When at Bohemia  
You take my lord, I'll give him my commission  
To let him there a month behind the gest  
Prefix'd for's parting: yet, good deed, Leontes,  
I love thee not a jar o' the clock behind  
What lady-she her lord. You'll stay?

## POLIXENES

No, madam.

## HERMIONE

Nay, but you will?

## POLIXENES

I may not, verily.

## HERMIONE

Verily!  
You put me off with limber vows; but I,  
Though you would seek to unsphere the  
stars with oaths,  
Should yet say 'Sir, no going.' Verily,  
You shall not go: a lady's 'Verily' 's  
As potent as a lord's. Will you go yet?  
Force me to keep you as a prisoner,  
Not like a guest; so you shall pay your fees  
When you depart, and save your thanks. How say you?

My prisoner? or my guest? by your dread 'Verily,'  
One of them you shall be.

## **POLIXENES**

Your guest, then, madam:  
To be your prisoner should import offending;  
Which is for me less easy to commit  
Than you to punish.

## **HERMIONE**

Not your gaoler, then,  
But your kind hostess. Come, I'll question you  
Of my lord's tricks and yours when you were boys:  
You were pretty lordings then?

## **POLIXENES**

We were, fair queen,  
Two lads that thought there was no more behind  
But such a day to-morrow as to-day,  
And to be boy eternal.

## **HERMIONE**

Was not my lord  
The verier wag o' the two?

## **POLIXENES**

We were as twinn'd lambs that did frisk i' the sun,  
And bleat the one at the other: what we changed  
Was innocence for innocence; we knew not  
The doctrine of ill-doing, nor dream'd  
That any did. Had we pursued that life,  
And our weak spirits ne'er been higher rear'd  
With stronger blood, we should have answer'd heaven  
Boldly 'not guilty;' the imposition clear'd  
Hereditary ours.

## **HERMIONE**

By this we gather  
You have tripp'd since.

**POLIXENES**

O my most sacred lady!  
Temptations have since then been born to's; for  
In those unfledged days was my wife a girl;  
Your precious self had then not cross'd the eyes  
Of my young play-fellow.

**HERMIONE**

Grace to boot!  
Of this make no conclusion, lest you say  
Your queen and I are devils: yet go on;  
The offences we have made you do we'll answer,  
If you first sinn'd with us and that with us  
You did continue fault and that you slipp'd not  
With any but with us.

**LEONTES**

Is he won yet?

**HERMIONE**

He'll stay my lord.

**LEONTES**

At my request he would not.  
Hermione, my dearest, thou never spokest  
To better purpose.

**HERMIONE**

Never?

**LEONTES**

Never, but once.

## HERMIONE

What! have I twice said well? when was't before?  
I prithee tell me; cram's with praise, and make's  
As fat as tame things: one good deed dying tongueless  
Slaughters a thousand waiting upon that.  
Our praises are our wages: you may ride's  
With one soft kiss a thousand furlongs ere  
With spur we beat an acre. But to the goal:  
My last good deed was to entreat his stay:  
What was my first? it has an elder sister,  
Or I mistake you: O, would her name were Grace!  
But once before I spoke to the purpose: when?  
Nay, let me have't; I long.

## LEONTES

Why, that was when  
Three crabbed months had sour'd themselves to death,  
Ere I could make thee open thy white hand  
And clap thyself my love: then didst thou utter  
'I am yours for ever.'

## HERMIONE

'Tis grace indeed.  
Why, lo you now, I have spoke to the purpose twice:  
The one for ever earn'd a royal husband;  
The other for some while a friend.

## LEONTES

[Aside] Too hot, too hot!  
To mingle friendship far is mingling bloods.  
I have tremor cordis on me: my heart dances;  
But not for joy; not joy. This entertainment  
May a free face put on, derive a liberty  
From heartiness, from bounty, fertile bosom,  
And well become the agent; 't may, I grant;  
But to be paddling palms and pinching fingers,

As now they are, and making practised smiles,  
As in a looking-glass, and then to sigh, as 'twere  
The mort o' the deer; O, that is entertainment  
My bosom likes not, nor my brows! Mamillius,  
Art thou my boy?

## **MAMILLIUS**

Ay, my good lord.

## **LEONTES**

I' fecks!  
Why, that's my bawcock. What, hast  
smutch'd thy nose?  
They say it is a copy out of mine. Come, captain,  
We must be neat; not neat, but cleanly, captain:  
And yet the steer, the heifer and the calf  
Are all call'd neat.--Still virginalling  
Upon his palm!--How now, you wanton calf!  
Art thou my calf?

## **MAMILLIUS**

Yes, if you will, my lord.

## **LEONTES**

Thou want'st a rough pash and the shoots that I have,  
To be full like me: yet they say we are  
Almost as like as eggs; women say so,  
That will say anything but were they false  
As o'er-dyed blacks, as wind, as waters, false  
As dice are to be wish'd by one that fixes  
No bourn 'twixt his and mine, yet were it true  
To say this boy were like me. Come, sir page,  
Look on me with your welkin eye: sweet villain!  
Most dear'st! my collop! Can thy dam?--may't be?--  
Affection! thy intention stabs the centre:  
Thou dost make possible things not so held,  
Communicatest with dreams;--how can this be?--  
With what's unreal thou coactive art,

And fellow'st nothing: then 'tis very credent  
Thou mayst co-join with something; and thou dost,  
And that beyond commission, and I find it,  
And that to the infection of my brains  
And hardening of my brows.

## **POLIXENES**

What means Sicilia?

## **HERMIONE**

He something seems unsettled.

## **POLIXENES**

How, my lord!  
What cheer? how is't with you, best brother?

## **HERMIONE**

You look as if you held a brow of much distraction  
Are you moved, my lord?

## **LEONTES**

No, in good earnest.  
How sometimes nature will betray its folly,  
Its tenderness, and make itself a pastime  
To harder bosoms! Looking on the lines  
Of my boy's face, methoughts I did recoil  
Twenty-three years, and saw myself unbreech'd,  
In my green velvet coat, my dagger muzzled,  
Lest it should bite its master, and so prove,  
As ornaments oft do, too dangerous:  
How like, methought, I then was to this kernel,  
This squash, this gentleman. Mine honest friend,  
Will you take eggs for money?

## **MAMILLIUS**

No, my lord, I'll fight.

## LEONTES

You will! why, happy man be's dole! My brother,  
Are you so fond of your young prince as we  
Do seem to be of ours?

## POLIXENES

If at home, sir,  
He's all my exercise, my mirth, my matter,  
Now my sworn friend and then mine enemy,  
My parasite, my soldier, statesman, all:  
He makes a July's day short as December,  
And with his varying childness cures in me  
Thoughts that would thicken my blood.

## LEONTES

So stands this squire  
Officed with me: we two will walk, my lord,  
And leave you to your graver steps. Hermione,  
How thou lovest us, show in our brother's welcome;  
Let what is dear in Sicily be cheap:  
Next to thyself and my young rover, he's  
Apparent to my heart.

## HERMIONE

If you would seek us,  
We are yours i' the garden: shall's attend you there?

## LEONTES

To your own bents dispose you: you'll be found,  
Be you beneath the sky.

*Aside*

I am angling now,  
Though you perceive me not how I give line.

Go to, go to!  
How she holds up the neb, the bill to him!  
And arms her with the boldness of a wife  
To her allowing husband!

*Exeunt POLIXENES, HERMIONE, and Attendants*

Gone already!  
Inch-thick, knee-deep, o'er head and  
ears a fork'd one!  
Go, play, boy, play: thy mother plays, and I  
Play too, but so disgraced a part, whose issue  
Will hiss me to my grave: contempt and clamour  
Will be my knell. Go, play, boy, play.  
There have been,  
Or I am much deceived, cuckolds ere now;  
And many a man there is, even at this present,  
Now while I speak this, holds his wife by the arm,  
That little thinks she has been sluiced in's absence  
And his pond fish'd by his next neighbour, by  
Sir Smile, his neighbour: nay, there's comfort in't  
Whiles other men have gates and those gates open'd,  
As mine, against their will. Should all despair  
That have revolted wives, the tenth of mankind  
Would hang themselves. Physic for't there is none;  
It is a bawdy planet, that will strike  
Where 'tis predominant; and 'tis powerful, think it,  
From east, west, north and south: be it concluded,  
No barricado for a belly; know't;  
It will let in and out the enemy  
With bag and baggage: many thousand on's  
Have the disease, and feel't not. How now, boy!

**MAMILLIUS**

I am like you, they say.

**LEONTES**

Why that's some comfort. What, Camillo there?

**CAMILLO**

Ay, my good lord.

**LEONTES**

Go play, Mamillius; thou'rt an honest man.

*Exit MAMILLIUS*

Camillo, this great sir will yet stay longer.

**CAMILLO**

You had much ado to make his anchor hold:  
When you cast out, it still came home.

**LEONTES**

Didst note it?

**CAMILLO**

He would not stay at your petitions: made  
His business more material.

**LEONTES**

Didst perceive it?

*Aside*

They're here with me already, whispering, rounding  
'Sicilia is a so-forth:' 'tis far gone,  
When I shall gust it last. How came't, Camillo,  
That he did stay?

**CAMILLO**

At the good queen's entreaty.

**LEONTES**

At the queen's be't: 'good' should be pertinent  
But, so it is, it is not. Was this taken  
By any understanding pate but thine?  
For thy conceit is soaking, will draw in  
More than the common blocks: not noted, is't,  
But of the finer natures? by some severals  
Of head-piece extraordinary? lower messes  
Perchance are to this business purblind? say.

**CAMILLO**

Business, my lord! I think most understand  
Bohemia stays here longer.

**LEONTES**

Ha!

**CAMILLO**

Stays here longer.

**LEONTES**

Ay, but why?

**CAMILLO**

To satisfy your highness and the entreaties  
Of our most gracious mistress.

**LEONTES**

Satisfy!  
The entreaties of your mistress! satisfy!  
Let that suffice. I have trusted thee, Camillo,  
With all the nearest things to my heart, as well  
My chamber-councils, wherein, priest-like, thou  
Hast cleansed my bosom, I from thee departed  
Thy penitent reform'd: but we have been  
Deceived in thy integrity, deceived

In that which seems so.

**CAMILLO**

Be it forbid, my lord!

**LEONTES**

To bide upon't, thou art not honest, or,  
If thou inclinest that way, thou art a coward,  
Which hoxes honesty behind, restraining  
From course required; or else thou must be counted  
A servant grafted in my serious trust  
And therein negligent; or else a fool  
That seest a game play'd home, the rich stake drawn,  
And takest it all for jest.

**CAMILLO**

My gracious lord,  
I may be negligent, foolish and fearful;  
In every one of these no man is free,  
But that his negligence, his folly, fear,  
Among the infinite doings of the world,  
Sometime puts forth. In your affairs, my lord,  
If ever I were wilful-negligent,  
It was my folly; if industriously  
I play'd the fool, it was my negligence,  
Not weighing well the end; if ever fearful  
To do a thing, where I the issue doubted,  
Where of the execution did cry out  
Against the non-performance, 'twas a fear  
Which oft infects the wisest: these, my lord,  
Are such allow'd infirmities that honesty  
Is never free of. But, beseech your grace,  
Be plainer with me; let me know my trespass  
By its own visage: if I then deny it,  
'Tis none of mine.

**LEONTES**

Ha' not you seen, Camillo,--

But that's past doubt, you have, or your eye-glass  
Is thicker than a cuckold's horn,--or heard,--  
For to a vision so apparent rumour  
Cannot be mute,--or thought,--for cogitation  
Resides not in that man that does not think,--  
My wife is slippery? If thou wilt confess,  
Or else be impudently negative,  
To have nor eyes nor ears nor thought, then say  
My wife's a hobby-horse, deserves a name  
As rank as any flax-wench that puts to  
Before her troth-plight: say't and justify't.

## **CAMILLO**

I would not be a stander-by to hear  
My sovereign mistress clouded so, without  
My present vengeance taken: 'shrew my heart,  
You never spoke what did become you less  
Than this; which to reiterate were sin  
As deep as that, though true.

## **LEONTES**

Is whispering nothing?  
Is leaning cheek to cheek? is meeting noses?  
Kissing with inside lip? stopping the career  
Of laughing with a sigh?--a note infallible  
Of breaking honesty--horsing foot on foot?  
Skulking in corners? wishing clocks more swift?  
Hours, minutes? noon, midnight? and all eyes  
Blind with the pin and web but theirs, theirs only,  
That would unseen be wicked? is this nothing?  
Why, then the world and all that's in't is nothing;  
The covering sky is nothing; Bohemia nothing;  
My wife is nothing; nor nothing have these nothings,  
If this be nothing.

## **CAMILLO**

Good my lord, be cured  
Of this diseased opinion, and betimes;  
For 'tis most dangerous.

**LEONTES**

Say it be, 'tis true.

**CAMILLO**

No, no, my lord.

**LEONTES**

It is; you lie, you lie:  
I say thou liest, Camillo, and I hate thee,  
Pronounce thee a gross lout, a mindless slave,  
Or else a hovering temporizer, that  
Canst with thine eyes at once see good and evil,  
Inclining to them both: were my wife's liver  
Infected as her life, she would not live  
The running of one glass.

**CAMILLO**

Who does infect her?

**LEONTES**

Why, he that wears her like a medal, hanging  
About his neck, Bohemia: who, if I  
Had servants true about me, that bare eyes  
To see alike mine honour as their profits,  
Their own particular thrifts, they would do that  
Which should undo more doing: ay, and thou,  
His cupbearer,--whom I from meaner form  
Have benched and reared to worship, who mayst see  
Plainly as heaven sees earth and earth sees heaven,  
How I am galled,--mightst bespice a cup,  
To give mine enemy a lasting wink;  
Which draught to me were cordial.

**CAMILLO**

Sir, my lord,

I could do this, and that with no rash potion,  
But with a lingering dram that should not work  
Maliciously like poison: but I cannot  
Believe this crack to be in my dread mistress,  
So sovereignly being honourable.  
I have loved thee,--

## LEONTES

Make that thy question, and go rot!  
Dost think I am so muddy, so unsettled,  
To appoint myself in this vexation, sully  
The purity and whiteness of my sheets,  
Which to preserve is sleep, which being spotted  
Is goads, thorns, nettles, tails of wasps,  
Give scandal to the blood o' the prince my son,  
Who I do think is mine and love as mine,  
Without ripe moving to't? Would I do this?  
Could man so blench?

## CAMILLO

I must believe you, sir:  
I do; and will fetch off Bohemia for't;  
Provided that, when he's removed, your highness  
Will take again your queen as yours at first,  
Even for your son's sake; and thereby for sealing  
The injury of tongues in courts and kingdoms  
Known and allied to yours.

## LEONTES

Thou dost advise me  
Even so as I mine own course have set down:  
I'll give no blemish to her honour, none.

## CAMILLO

My lord,  
Go then; and with a countenance as clear  
As friendship wears at feasts, keep with Bohemia  
And with your queen. I am his cupbearer:

If from me he have wholesome beverage,  
Account me not your servant.

**LEONTES**

This is all:  
Do't and thou hast the one half of my heart;  
Do't not, thou split'st thine own.

**CAMILLO**

I'll do't, my lord.

**LEONTES**

I will seem friendly, as thou hast advised me.

*Exit*

**CAMILLO**

O miserable lady! But, for me,  
What case stand I in? I must be the poisoner  
Of good Polixenes; and my ground to do't  
Is the obedience to a master, one  
Who in rebellion with himself will have  
All that are his so too. To do this deed,  
Promotion follows. If I could find example  
Of thousands that had struck anointed kings  
And flourish'd after, I'd not do't; but since  
Nor brass nor stone nor parchment bears not one,  
Let villany itself forswear't. I must  
Forsake the court: to do't, or no, is certain  
To me a break-neck. Happy star, reign now!  
Here comes Bohemia.

*Re-enter POLIXENES*

**POLIXENES**

This is strange: methinks  
My favour here begins to warp. Not speak?

Good day, Camillo.

**CAMILLO**

Hail, most royal sir!

**POLIXENES**

What is the news i' the court?

**CAMILLO**

None rare, my lord.

**POLIXENES**

The king hath on him such a countenance  
As he had lost some province and a region  
Loved as he loves himself: even now I met him  
With customary compliment; when he,  
Wafting his eyes to the contrary and falling  
A lip of much contempt, speeds from me and  
So leaves me to consider what is breeding  
That changeth thus his manners.

**CAMILLO**

I dare not know, my lord.

**POLIXENES**

How! dare not! do not. Do you know, and dare not?  
Be intelligent to me: 'tis thereabouts;  
For, to yourself, what you do know, you must.  
And cannot say, you dare not. Good Camillo,  
Your changed complexions are to me a mirror  
Which shows me mine changed too; for I must be  
A party in this alteration, finding  
Myself thus alter'd with 't.

**CAMILLO**

There is a sickness  
Which puts some of us in distemper, but  
I cannot name the disease; and it is caught  
Of you that yet are well.

## **POLIXENES**

How! caught of me!  
Make me not sighted like the basilisk:  
I have look'd on thousands, who have sped the better  
By my regard, but kill'd none so. Camillo,--  
As you are certainly a gentleman, thereto  
Clerk-like experienced, which no less adorns  
Our gentry than our parents' noble names,  
In whose success we are gentle,--I beseech you,  
If you know aught which does behove my knowledge  
Thereof to be inform'd, imprison't not  
In ignorant concealment.

## **CAMILLO**

I may not answer.

## **POLIXENES**

A sickness caught of me, and yet I well!  
I must be answer'd. Dost thou hear, Camillo,  
I conjure thee, by all the parts of man  
Which honour does acknowledge, whereof the least  
Is not this suit of mine, that thou declare  
What incidency thou dost guess of harm  
Is creeping toward me; how far off, how near;  
Which way to be prevented, if to be;  
If not, how best to bear it.

## **CAMILLO**

Sir, I will tell you;  
Since I am charged in honour and by him  
That I think honourable: therefore mark my counsel,  
Which must be even as swiftly follow'd as  
I mean to utter it, or both yourself and me

Cry lost, and so good night!

**POLIXENES**

On, good Camillo.

**CAMILLO**

I am appointed him to murder you.

**POLIXENES**

By whom, Camillo?

**CAMILLO**

By the king.

**POLIXENES**

For what?

**CAMILLO**

He thinks, nay, with all confidence he swears,  
As he had seen't or been an instrument  
To vice you to't, that you have touch'd his queen  
Forbiddenly.

**POLIXENES**

O, then my best blood turn  
To an infected jelly and my name  
Be yoked with his that did betray the Best!  
Turn then my freshest reputation to  
A savour that may strike the dullest nostril  
Where I arrive, and my approach be shunn'd,  
Nay, hated too, worse than the great'st infection  
That e'er was heard or read!

**CAMILLO**

Swear his thought over  
By each particular star in heaven and  
By all their influences, you may as well  
Forbid the sea for to obey the moon  
As or by oath remove or counsel shake  
The fabric of his folly, whose foundation  
Is piled upon his faith and will continue  
The standing of his body.

## **POLIXENES**

How should this grow?

## **CAMILLO**

I know not: but I am sure 'tis safer to  
Avoid what's grown than question how 'tis born.  
If therefore you dare trust my honesty,  
That lies enclosed in this trunk which you  
Shall bear along impawn'd, away to-night!  
Your followers I will whisper to the business,  
And will by twos and threes at several posterns  
Clear them o' the city. For myself, I'll put  
My fortunes to your service, which are here  
By this discovery lost. Be not uncertain;  
For, by the honour of my parents, I  
Have utter'd truth: which if you seek to prove,  
I dare not stand by; nor shall you be safer  
Than one condemn'd by the king's own mouth, thereon  
His execution sworn.

## **POLIXENES**

I do believe thee:  
I saw his heart in 's face. Give me thy hand:  
Be pilot to me and thy places shall  
Still neighbour mine. My ships are ready and  
My people did expect my hence departure  
Two days ago. This jealousy  
Is for a precious creature: as she's rare,  
Must it be great, and as his person's mighty,  
Must it be violent, and as he does conceive

He is dishonour'd by a man which ever  
Profess'd to him, why, his revenges must  
In that be made more bitter. Fear o'ershades me:  
Good expedition be my friend, and comfort  
The gracious queen, part of his theme, but nothing  
Of his ill-ta'en suspicion! Come, Camillo;  
I will respect thee as a father if  
Thou bear'st my life off hence: let us avoid.

## **CAMILLO**

It is in mine authority to command  
The keys of all the posterns: please your highness  
To take the urgent hour. Come, sir, away.

*Exeunt*

## SCENE I. A room in LEONTES' palace.

*Enter HERMIONE, MAMILLIUS, and Ladies*

**HERMIONE**

Take the boy to you: he so troubles me,  
'Tis past enduring.

**First Lady**

Come, my gracious lord,  
Shall I be your playfellow?

**MAMILLIUS**

No, I'll none of you.

**First Lady**

Why, my sweet lord?

**MAMILLIUS**

You'll kiss me hard and speak to me as if  
I were a baby still. I love you better.

**Second Lady**

And why so, my lord?

**MAMILLIUS**

Not for because  
Your brows are blacker; yet black brows, they say,

Become some women best, so that there be not  
Too much hair there, but in a semicircle  
Or a half-moon made with a pen.

**Second Lady**

Who taught you this?

**MAMILLIUS**

I learnt it out of women's faces. Pray now  
What colour are your eyebrows?

**First Lady**

Blue, my lord.

**MAMILLIUS**

Nay, that's a mock: I have seen a lady's nose  
That has been blue, but not her eyebrows.

**First Lady**

Hark ye;  
The queen your mother rounds apace: we shall  
Present our services to a fine new prince  
One of these days; and then you'd wanton with us,  
If we would have you.

**Second Lady**

She is spread of late  
Into a goodly bulk: good time encounter her!

**HERMIONE**

What wisdom stirs amongst you? Come, sir, now  
I am for you again: pray you, sit by us,  
And tell 's a tale.

**MAMILLIUS**

Merry or sad shall't be?

**HERMIONE**

As merry as you will.

**MAMILLIUS**

A sad tale's best for winter: I have one  
Of sprites and goblins.

**HERMIONE**

Let's have that, good sir.  
Come on, sit down: come on, and do your best  
To fright me with your sprites; you're powerful at it.

**MAMILLIUS**

There was a man--

**HERMIONE**

Nay, come, sit down; then on.

**MAMILLIUS**

Dwelt by a churchyard: I will tell it softly;  
Yond crickets shall not hear it.

**HERMIONE**

Come on, then,  
And give't me in mine ear.

*Enter LEONTES, with ANTIGONUS, Lords and others*

**LEONTES**

Was he met there? his train? Camillo with him?

**First Lord**

Behind the tuft of pines I met them; never  
Saw I men scour so on their way: I eyed them  
Even to their ships.

**LEONTES**

How blest am I  
In my just censure, in my true opinion!  
Alack, for lesser knowledge! how accursed  
In being so blest! There may be in the cup  
A spider steep'd, and one may drink, depart,  
And yet partake no venom, for his knowledge  
Is not infected: but if one present  
The abhorr'd ingredient to his eye, make known  
How he hath drunk, he cracks his gorge, his sides,  
With violent hefts. I have drunk,  
and seen the spider.  
Camillo was his help in this, his pander:  
There is a plot against my life, my crown;  
All's true that is mistrusted: that false villain  
Whom I employ'd was pre-employ'd by him:  
He has discover'd my design, and I  
Remain a pinch'd thing; yea, a very trick  
For them to play at will. How came the posterns  
So easily open?

**First Lord**

By his great authority;  
Which often hath no less prevail'd than so  
On your command.

**LEONTES**

I know't too well.  
Give me the boy: I am glad you did not nurse him:  
Though he does bear some signs of me, yet you  
Have too much blood in him.

## HERMIONE

What is this? sport?

## LEONTES

Bear the boy hence; he shall not come about her;  
Away with him! and let her sport herself  
With that she's big with; for 'tis Polixenes  
Has made thee swell thus.

## HERMIONE

But I'd say he had not,  
And I'll be sworn you would believe my saying,  
Howe'er you lean to the nayward.

## LEONTES

You, my lords,  
Look on her, mark her well; be but about  
To say 'she is a goodly lady,' and  
The justice of your bearts will thereto add  
'Tis pity she's not honest, honourable.'  
Praise her but for this her without-door form,  
Which on my faith deserves high speech, and straight  
The shrug, the hum or ha, these petty brands  
That calumny doth use--O, I am out--  
That mercy does, for calumny will sear  
Virtue itself: these shrugs, these hums and ha's,  
When you have said 'she's goodly,' come between  
Ere you can say 'she's honest:' but be 't known,  
From him that has most cause to grieve it should be,  
She's an adulteress.

## HERMIONE

Should a villain say so,  
The most replenish'd villain in the world,  
He were as much more villain: you, my lord,  
Do but mistake.

## LEONTES

You have mistook, my lady,  
Polixenes for Leontes: O thou thing!  
Which I'll not call a creature of thy place,  
Lest barbarism, making me the precedent,  
Should a like language use to all degrees  
And mannerly distinguishment leave out  
Betwixt the prince and beggar: I have said  
She's an adulteress; I have said with whom:  
More, she's a traitor and Camillo is  
A federary with her, and one that knows  
What she should shame to know herself  
But with her most vile principal, that she's  
A bed-swerger, even as bad as those  
That vulgars give bold'st titles, ay, and privy  
To this their late escape.

## HERMIONE

No, by my life.  
Privy to none of this. How will this grieve you,  
When you shall come to clearer knowledge, that  
You thus have publish'd me! Gentle my lord,  
You scarce can right me throughly then to say  
You did mistake.

## LEONTES

No; if I mistake  
In those foundations which I build upon,  
The centre is not big enough to bear  
A school-boy's top. Away with her! to prison!  
He who shall speak for her is afar off guilty  
But that he speaks.

## HERMIONE

There's some ill planet reigns:  
I must be patient till the heavens look  
With an aspect more favourable. Good my lords,  
I am not prone to weeping, as our sex

Commonly are; the want of which vain dew  
Perchance shall dry your pities: but I have  
That honourable grief lodged here which burns  
Worse than tears drown: beseech you all, my lords,  
With thoughts so qualified as your charities  
Shall best instruct you, measure me; and so  
The king's will be perform'd!

## **LEONTES**

Shall I be heard?

## **HERMIONE**

Who is't that goes with me? Beseech your highness,  
My women may be with me; for you see  
My plight requires it. Do not weep, good fools;  
There is no cause: when you shall know your mistress  
Has deserved prison, then abound in tears  
As I come out: this action I now go on  
Is for my better grace. Adieu, my lord:  
I never wish'd to see you sorry; now  
I trust I shall. My women, come; you have leave.

## **LEONTES**

Go, do our bidding; hence!

*Exit HERMIONE, guarded; with Ladies*

## **First Lord**

Beseech your highness, call the queen again.

## **ANTIGONUS**

Be certain what you do, sir, lest your justice  
Prove violence; in the which three great ones suffer,  
Yourself, your queen, your son.

## **First Lord**

For her, my lord,  
I dare my life lay down and will do't, sir,  
Please you to accept it, that the queen is spotless  
I' the eyes of heaven and to you; I mean,  
In this which you accuse her.

## **ANTIGONUS**

If it prove  
She's otherwise, I'll keep my stables where  
I lodge my wife; I'll go in couples with her;  
Than when I feel and see her no farther trust her;  
For every inch of woman in the world,  
Ay, every dram of woman's flesh is false, If she be.

## **LEONTES**

Hold your peaces.

## **First Lord**

Good my lord,--

## **ANTIGONUS**

It is for you we speak, not for ourselves:  
You are abused and by some putter-on  
That will be damn'd for't; would I knew the villain,  
I would land-damn him. Be she honour-flaw'd,  
I have three daughters; the eldest is eleven  
The second and the third, nine, and some five;  
If this prove true, they'll pay for't:  
by mine honour,  
I'll geld 'em all; fourteen they shall not see,  
To bring false generations: they are co-heirs;  
And I had rather glib myself than they  
Should not produce fair issue.

## **LEONTES**

Cease; no more.  
You smell this business with a sense as cold

As is a dead man's nose: but I do see't and feel't  
As you feel doing thus; and see withal  
The instruments that feel.

## **ANTIGONUS**

If it be so,  
We need no grave to bury honesty:  
There's not a grain of it the face to sweeten  
Of the whole dungy earth.

## **LEONTES**

What! lack I credit?

## **First Lord**

I had rather you did lack than I, my lord,  
Upon this ground; and more it would content me  
To have her honour true than your suspicion,  
Be blamed for't how you might.

## **LEONTES**

Why, what need we  
Commune with you of this, but rather follow  
Our forceful instigation? Our prerogative  
Calls not your counsels, but our natural goodness  
Imparts this; which if you, or stupefied  
Or seeming so in skill, cannot or will not  
Relish a truth like us, inform yourselves  
We need no more of your advice: the matter,  
The loss, the gain, the ordering on't, is all  
Properly ours.

## **ANTIGONUS**

And I wish, my liege,  
You had only in your silent judgment tried it,  
Without more overture.

## **LEONTES**

How could that be?  
Either thou art most ignorant by age,  
Or thou wert born a fool. Camillo's flight,  
Added to their familiarity,  
Which was as gross as ever touch'd conjecture,  
That lack'd sight only, nought for approbation  
But only seeing, all other circumstances  
Made up to the deed, doth push on this proceeding:  
Yet, for a greater confirmation,  
For in an act of this importance 'twere  
Most piteous to be wild, I have dispatch'd in post  
To sacred Delphos, to Apollo's temple,  
Cleomenes and Dion, whom you know  
Of stuff'd sufficiency: now from the oracle  
They will bring all; whose spiritual counsel had,  
Shall stop or spur me. Have I done well?

### **First Lord**

Well done, my lord.

### **LEONTES**

Though I am satisfied and need no more  
Than what I know, yet shall the oracle  
Give rest to the minds of others, such as he  
Whose ignorant credulity will not  
Come up to the truth. So have we thought it good  
From our free person she should be confined,  
Lest that the treachery of the two fled hence  
Be left her to perform. Come, follow us;  
We are to speak in public; for this business  
Will raise us all.

### **ANTIGONUS**

[Aside]  
To laughter, as I take it,  
If the good truth were known.

*Exeunt*

## SCENE II. A prison.

*Enter PAULINA, a Gentleman, and Attendants*

**PAULINA**

The keeper of the prison, call to him;  
let him have knowledge who I am.

*Exit Gentleman*

Good lady,  
No court in Europe is too good for thee;  
What dost thou then in prison?

*Re-enter Gentleman, with the Gaoler*

Now, good sir,  
You know me, do you not?

**Gaoler**

For a worthy lady  
And one whom much I honour.

**PAULINA**

Pray you then,  
Conduct me to the queen.

**Gaoler**

I may not, madam:  
To the contrary I have express commandment.

**PAULINA**

Here's ado,  
To lock up honesty and honour from  
The access of gentle visitors!  
Is't lawful, pray you,  
To see her women? any of them? Emilia?

**Gaoler**

So please you, madam,  
To put apart these your attendants, I  
Shall bring Emilia forth.

**PAULINA**

I pray now, call her.  
Withdraw yourselves.

*Exeunt Gentleman and Attendants*

**Gaoler**

And, madam,  
I must be present at your conference.

**PAULINA**

Well, be't so, prithee.

*Exit Gaoler*

Here's such ado to make no stain a stain  
As passes colouring.

*Re-enter Gaoler, with EMILIA*

Dear gentlewoman,  
How fares our gracious lady?

**EMILIA**

As well as one so great and so forlorn  
May hold together: on her frights and griefs,  
Which never tender lady hath born greater,  
She is something before her time deliver'd.

**PAULINA**

A boy?

**EMILIA**

A daughter, and a goodly babe,  
Lusty and like to live: the queen receives  
Much comfort in't; says 'My poor prisoner,  
I am innocent as you.'

**PAULINA**

I dare be sworn  
These dangerous unsafe luns i' the king,  
beshrew them!  
He must be told on't, and he shall: the office  
Becomes a woman best; I'll take't upon me:  
If I prove honey-mouth'd let my tongue blister  
And never to my red-look'd anger be  
The trumpet any more. Pray you, Emilia,  
Commend my best obedience to the queen:  
If she dares trust me with her little babe,  
I'll show't the king and undertake to be  
Her advocate to the loud'st. We do not know  
How he may soften at the sight o' the child:  
The silence often of pure innocence  
Persuades when speaking fails.

**EMILIA**

Most worthy madam,  
Your honour and your goodness is so evident  
That your free undertaking cannot miss  
A thriving issue: there is no lady living  
So meet for this great errand. Please your ladyship  
To visit the next room, I'll presently

Acquaint the queen of your most noble offer;  
Who but to-day hammer'd of this design,  
But durst not tempt a minister of honour,  
Lest she should be denied.

**PAULINA**

Tell her, Emilia.  
I'll use that tongue I have: if wit flow from't  
As boldness from my bosom, let 't not be doubted  
I shall do good.

**EMILIA**

Now be you blest for it!  
I'll to the queen: please you,  
come something nearer.

**Gaoler**

Madam, if't please the queen to send the babe,  
I know not what I shall incur to pass it,  
Having no warrant.

**PAULINA**

You need not fear it, sir:  
This child was prisoner to the womb and is  
By law and process of great nature thence  
Freed and enfranchised, not a party to  
The anger of the king nor guilty of,  
If any be, the trespass of the queen.

**Gaoler**

I do believe it.

**PAULINA**

Do not you fear: upon mine honour,  
I will stand betwixt you and danger.

*Exeunt*

## SCENE III. A room in LEONTES' palace.

*Enter LEONTES, ANTIGONUS, Lords, and Servants*

### LEONTES

Nor night nor day no rest: it is but weakness  
To bear the matter thus; mere weakness. If  
The cause were not in being,--part o' the cause,  
She the adulteress; for the harlot king  
Is quite beyond mine arm, out of the blank  
And level of my brain, plot-proof; but she  
I can hook to me: say that she were gone,  
Given to the fire, a moiety of my rest  
Might come to me again. Who's there?

### First Servant

My lord?

### LEONTES

How does the boy?

### First Servant

He took good rest to-night;  
'Tis hoped his sickness is discharged.

### LEONTES

To see his nobleness!  
Conceiving the dishonour of his mother,  
He straight declined, droop'd, took it deeply,  
Fasten'd and fix'd the shame on't in himself,  
Threw off his spirit, his appetite, his sleep,

And downright languish'd. Leave me solely: go,  
See how he fares.

*Exit Servant*

Fie, fie! no thought of him:  
The thought of my revenges that way  
Recoil upon me: in himself too mighty,  
And in his parties, his alliance; let him be  
Until a time may serve: for present vengeance,  
Take it on her. Camillo and Polixenes  
Laugh at me, make their pastime at my sorrow:  
They should not laugh if I could reach them, nor  
Shall she within my power.

*Enter PAULINA, with a child*

**First Lord**

You must not enter.

**PAULINA**

Nay, rather, good my lords, be second to me:  
Fear you his tyrannous passion more, alas,  
Than the queen's life? a gracious innocent soul,  
More free than he is jealous.

**ANTIGONUS**

That's enough.

**Second Servant**

Madam, he hath not slept tonight; commanded  
None should come at him.

**PAULINA**

Not so hot, good sir:  
I come to bring him sleep. 'Tis such as you,

That creep like shadows by him and do sigh  
At each his needless heavings, such as you  
Nourish the cause of his awaking: I  
Do come with words as medicinal as true,  
Honest as either, to purge him of that humour  
That presses him from sleep.

**LEONTES**

What noise there, ho?

**PAULINA**

No noise, my lord; but needful conference  
About some gossips for your highness.

**LEONTES**

How!  
Away with that audacious lady! Antigonus,  
I charged thee that she should not come about me:  
I knew she would.

**ANTIGONUS**

I told her so, my lord,  
On your displeasure's peril and on mine,  
She should not visit you.

**LEONTES**

What, canst not rule her?

**PAULINA**

From all dishonesty he can: in this,  
Unless he take the course that you have done,  
Commit me for committing honour, trust it,  
He shall not rule me.

**ANTIGONUS**

La you now, you hear:  
When she will take the rein I let her run;  
But she'll not stumble.

**PAULINA**

Good my liege, I come;  
And, I beseech you, hear me, who profess  
Myself your loyal servant, your physician,  
Your most obedient counsellor, yet that dare  
Less appear so in comforting your evils,  
Than such as most seem yours: I say, I come  
From your good queen.

**LEONTES**

Good queen!

**PAULINA**

Good queen, my lord,  
Good queen; I say good queen;  
And would by combat make her good, so were I  
A man, the worst about you.

**LEONTES**

Force her hence.

**PAULINA**

Let him that makes but trifles of his eyes  
First hand me: on mine own accord I'll off;  
But first I'll do my errand. The good queen,  
For she is good, hath brought you forth a daughter;  
Here 'tis; commends it to your blessing.

*Laying down the child*

**LEONTES**

Out!

A mankind witch! Hence with her, out o' door:  
A most intelligencing bawd!

**PAULINA**

Not so:

I am as ignorant in that as you  
In so entitling me, and no less honest  
Than you are mad; which is enough, I'll warrant,  
As this world goes, to pass for honest.

**LEONTES**

Traitors!  
Will you not push her out? Give her the bastard.  
Thou dotard! thou art woman-tired, unroosted  
By thy dame Partlet here. Take up the bastard;  
Take't up, I say; give't to thy crone.

**PAULINA**

For ever  
Unvenerable be thy hands, if thou  
Takest up the princess by that forced baseness  
Which he has put upon't!

**LEONTES**

He dreads his wife.

**PAULINA**

So I would you did; then 'twere past all doubt  
You'd call your children yours.

**LEONTES**

A nest of traitors!

**ANTIGONUS**

I am none, by this good light.

**PAULINA**

Nor I, nor any  
But one that's here, and that's himself, for he  
The sacred honour of himself, his queen's,  
His hopeful son's, his babe's, betrays to slander,  
Whose sting is sharper than the sword's;  
and will not--  
For, as the case now stands, it is a curse  
He cannot be compell'd to't--once remove  
The root of his opinion, which is rotten  
As ever oak or stone was sound.

**LEONTES**

A callat  
Of boundless tongue, who late hath beat her husband  
And now baits me! This brat is none of mine;  
It is the issue of Polixenes:  
Hence with it, and together with the dam  
Commit them to the fire!

**PAULINA**

It is yours;  
And, might we lay the old proverb to your charge,  
So like you, 'tis the worse. Behold, my lords,  
Although the print be little, the whole matter  
And copy of the father, eye, nose, lip,  
The trick of's frown, his forehead, nay, the valley,  
The pretty dimples of his chin and cheek,  
His smiles,  
The very mould and frame of hand, nail, finger:  
And thou, good goddess Nature, which hast made it  
So like to him that got it, if thou hast  
The ordering of the mind too, 'mongst all colours  
No yellow in't, lest she suspect, as he does,  
Her children not her husband's!

**LEONTES**

A gross hag  
And, lozel, thou art worthy to be hang'd,  
That wilt not stay her tongue.

## **ANTIGONUS**

Hang all the husbands  
That cannot do that feat, you'll leave yourself  
Hardly one subject.

## **LEONTES**

Once more, take her hence.

## **PAULINA**

A most unworthy and unnatural lord  
Can do no more.

## **LEONTES**

I'll ha' thee burnt.

## **PAULINA**

I care not:  
It is an heretic that makes the fire,  
Not she which burns in't. I'll not call you tyrant;  
But this most cruel usage of your queen,  
Not able to produce more accusation  
Than your own weak-hinged fancy, something savours  
Of tyranny and will ignoble make you,  
Yea, scandalous to the world.

## **LEONTES**

On your allegiance,  
Out of the chamber with her! Were I a tyrant,  
Where were her life? she durst not call me so,  
If she did know me one. Away with her!

## **PAULINA**

I pray you, do not push me; I'll be gone.  
Look to your babe, my lord; 'tis yours:  
Jove send her  
A better guiding spirit! What needs these hands?  
You, that are thus so tender o'er his follies,  
Will never do him good, not one of you.  
So, so: farewell; we are gone.

*Exit*

## **LEONTES**

Thou, traitor, hast set on thy wife to this.  
My child? away with't! Even thou, that hast  
A heart so tender o'er it, take it hence  
And see it instantly consumed with fire;  
Even thou and none but thou. Take it up straight:  
Within this hour bring me word 'tis done,  
And by good testimony, or I'll seize thy life,  
With what thou else call'st thine. If thou refuse  
And wilt encounter with my wrath, say so;  
The bastard brains with these my proper hands  
Shall I dash out. Go, take it to the fire;  
For thou set'st on thy wife.

## **ANTIGONUS**

I did not, sir:  
These lords, my noble fellows, if they please,  
Can clear me in't.

## **Lords**

We can: my royal liege,  
He is not guilty of her coming hither.

## **LEONTES**

You're liars all.

## **First Lord**

Beseech your highness, give us better credit:  
We have always truly served you, and beseech you  
So to esteem of us, and on our knees we beg,  
As recompense of our dear services  
Past and to come, that you do change this purpose,  
Which being so horrible, so bloody, must  
Lead on to some foul issue: we all kneel.

## **LEONTES**

I am a feather for each wind that blows:  
Shall I live on to see this bastard kneel  
And call me father? better burn it now  
Than curse it then. But be it; let it live.  
It shall not neither. You, sir, come you hither;  
You that have been so tenderly officious  
With Lady Margery, your midwife there,  
To save this bastard's life,--for 'tis a bastard,  
So sure as this beard's grey,  
--what will you adventure  
To save this brat's life?

## **ANTIGONUS**

Any thing, my lord,  
That my ability may undergo  
And nobleness impose: at least thus much:  
I'll pawn the little blood which I have left  
To save the innocent: any thing possible.

## **LEONTES**

It shall be possible. Swear by this sword  
Thou wilt perform my bidding.

## **ANTIGONUS**

I will, my lord.

## **LEONTES**

Mark and perform it, see'st thou! for the fail  
Of any point in't shall not only be  
Death to thyself but to thy lewd-tongued wife,  
Whom for this time we pardon. We enjoin thee,  
As thou art liege-man to us, that thou carry  
This female bastard hence and that thou bear it  
To some remote and desert place quite out  
Of our dominions, and that there thou leave it,  
Without more mercy, to its own protection  
And favour of the climate. As by strange fortune  
It came to us, I do in justice charge thee,  
On thy soul's peril and thy body's torture,  
That thou commend it strangely to some place  
Where chance may nurse or end it. Take it up.

## **ANTIGONUS**

I swear to do this, though a present death  
Had been more merciful. Come on, poor babe:  
Some powerful spirit instruct the kites and ravens  
To be thy nurses! Wolves and bears, they say  
Casting their savageness aside have done  
Like offices of pity. Sir, be prosperous  
In more than this deed does require! And blessing  
Against this cruelty fight on thy side,  
Poor thing, condemn'd to loss!

*Exit with the child*

## **LEONTES**

No, I'll not rear  
Another's issue.

*Enter a Servant*

## **Servant**

Please your highness, posts  
From those you sent to the oracle are come  
An hour since: Cleomenes and Dion,

Being well arrived from Delphos, are both landed,  
Hasting to the court.

**First Lord**

So please you, sir, their speed  
Hath been beyond account.

**LEONTES**

Twenty-three days  
They have been absent: 'tis good speed; foretells  
The great Apollo suddenly will have  
The truth of this appear. Prepare you, lords;  
Summon a session, that we may arraign  
Our most disloyal lady, for, as she hath  
Been publicly accused, so shall she have  
A just and open trial. While she lives  
My heart will be a burthen to me. Leave me,  
And think upon my bidding.

*Exeunt*

## SCENE I. A sea-port in Sicilia.

*Enter CLEOMENES and DION*

### CLEOMENES

The climate's delicate, the air most sweet,  
Fertile the isle, the temple much surpassing  
The common praise it bears.

### DION

I shall report,  
For most it caught me, the celestial habits,  
Methinks I so should term them, and the reverence  
Of the grave wearers. O, the sacrifice!  
How ceremonious, solemn and unearthly  
It was i' the offering!

### CLEOMENES

But of all, the burst  
And the ear-deafening voice o' the oracle,  
Kin to Jove's thunder, so surprised my sense.  
That I was nothing.

### DION

If the event o' the journey  
Prove as successful to the queen,--O be't so!--  
As it hath been to us rare, pleasant, speedy,  
The time is worth the use on't.

### CLEOMENES

Great Apollo

Turn all to the best! These proclamations,  
So forcing faults upon Hermione,  
I little like.

## **DION**

The violent carriage of it  
Will clear or end the business: when the oracle,  
Thus by Apollo's great divine seal'd up,  
Shall the contents discover, something rare  
Even then will rush to knowledge. Go: fresh horses!  
And gracious be the issue!

*Exeunt*

## SCENE II. A court of Justice.

*Enter LEONTES, Lords, and Officers*

**LEONTES**

This sessions, to our great grief we pronounce,  
Even pushes 'gainst our heart: the party tried  
The daughter of a king, our wife, and one  
Of us too much beloved. Let us be clear'd  
Of being tyrannous, since we so openly  
Proceed in justice, which shall have due course,  
Even to the guilt or the purgation.  
Produce the prisoner.

**Officer**

It is his highness' pleasure that the queen  
Appear in person here in court. Silence!

*Enter HERMIONE guarded; PAULINA and Ladies attending*

**LEONTES**

Read the indictment.

**Officer**

[Reads] Hermione, queen to the worthy  
Leontes, king of Sicilia, thou art here accused and  
arraigned of high treason, in committing adultery  
with Polixenes, king of Bohemia, and conspiring  
with Camillo to take away the life of our sovereign  
lord the king, thy royal husband: the pretence  
whereof being by circumstances partly laid open,  
thou, Hermione, contrary to the faith and allegiance

of a true subject, didst counsel and aid them, for  
their better safety, to fly away by night.

## HERMIONE

Since what I am to say must be but that  
Which contradicts my accusation and  
The testimony on my part no other  
But what comes from myself, it shall scarce boot me  
To say 'not guilty:' mine integrity  
Being counted falsehood, shall, as I express it,  
Be so received. But thus: if powers divine  
Behold our human actions, as they do,  
I doubt not then but innocence shall make  
False accusation blush and tyranny  
Tremble at patience. You, my lord, best know,  
Who least will seem to do so, my past life  
Hath been as continent, as chaste, as true,  
As I am now unhappy; which is more  
Than history can pattern, though devised  
And play'd to take spectators. For behold me  
A fellow of the royal bed, which owe  
A moiety of the throne a great king's daughter,  
The mother to a hopeful prince, here standing  
To prate and talk for life and honour 'fore  
Who please to come and hear. For life, I prize it  
As I weigh grief, which I would spare: for honour,  
'Tis a derivative from me to mine,  
And only that I stand for. I appeal  
To your own conscience, sir, before Polixenes  
Came to your court, how I was in your grace,  
How merited to be so; since he came,  
With what encounter so uncurrent I  
Have strain'd to appear thus: if one jot beyond  
The bound of honour, or in act or will  
That way inclining, harden'd be the hearts  
Of all that hear me, and my near'st of kin  
Cry fie upon my grave!

## LEONTES

I ne'er heard yet  
That any of these bolder vices wanted

Less impudence to gainsay what they did  
Than to perform it first.

**HERMIONE**

That's true enough;  
Through 'tis a saying, sir, not due to me.

**LEONTES**

You will not own it.

**HERMIONE**

More than mistress of  
Which comes to me in name of fault, I must not  
At all acknowledge. For Polixenes,  
With whom I am accused, I do confess  
I loved him as in honour he required,  
With such a kind of love as might become  
A lady like me, with a love even such,  
So and no other, as yourself commanded:  
Which not to have done I think had been in me  
Both disobedience and ingratitude  
To you and toward your friend, whose love had spoke,  
Even since it could speak, from an infant, freely  
That it was yours. Now, for conspiracy,  
I know not how it tastes; though it be dish'd  
For me to try how: all I know of it  
Is that Camillo was an honest man;  
And why he left your court, the gods themselves,  
Wotting no more than I, are ignorant.

**LEONTES**

You knew of his departure, as you know  
What you have underta'en to do in's absence.

**HERMIONE**

Sir,  
You speak a language that I understand not:

My life stands in the level of your dreams,  
Which I'll lay down.

## LEONTES

Your actions are my dreams;  
You had a bastard by Polixenes,  
And I but dream'd it. As you were past all shame,--  
Those of your fact are so--so past all truth:  
Which to deny concerns more than avails; for as  
Thy brat hath been cast out, like to itself,  
No father owning it,--which is, indeed,  
More criminal in thee than it,--so thou  
Shalt feel our justice, in whose easiest passage  
Look for no less than death.

## HERMIONE

Sir, spare your threats:  
The bug which you would fright me with I seek.  
To me can life be no commodity:  
The crown and comfort of my life, your favour,  
I do give lost; for I do feel it gone,  
But know not how it went. My second joy  
And first-fruits of my body, from his presence  
I am barr'd, like one infectious. My third comfort  
Starr'd most unluckily, is from my breast,  
The innocent milk in its most innocent mouth,  
Haled out to murder: myself on every post  
Proclaimed a strumpet: with immodest hatred  
The child-bed privilege denied, which 'longs  
To women of all fashion; lastly, hurried  
Here to this place, i' the open air, before  
I have got strength of limit. Now, my liege,  
Tell me what blessings I have here alive,  
That I should fear to die? Therefore proceed.  
But yet hear this: mistake me not; no life,  
I prize it not a straw, but for mine honour,  
Which I would free, if I shall be condemn'd  
Upon surmises, all proofs sleeping else  
But what your jealousies awake, I tell you  
'Tis rigor and not law. Your honours all,  
I do refer me to the oracle:

Apollo be my judge!

**First Lord**

This your request  
Is altogether just: therefore bring forth,  
And in Apollos name, his oracle.

*Exeunt certain Officers*

**HERMIONE**

The Emperor of Russia was my father:  
O that he were alive, and here beholding  
His daughter's trial! that he did but see  
The flatness of my misery, yet with eyes  
Of pity, not revenge!

*Re-enter Officers, with CLEOMENES and DION*

**Officer**

You here shall swear upon this sword of justice,  
That you, Cleomenes and Dion, have  
Been both at Delphos, and from thence have brought  
The seal'd-up oracle, by the hand deliver'd  
Of great Apollo's priest; and that, since then,  
You have not dared to break the holy seal  
Nor read the secrets in't.

**CLEOMENES DION**

All this we swear.

**LEONTES**

Break up the seals and read.

**Officer**

[Reads] Hermione is chaste;

Polixenes blameless; Camillo a true subject; Leontes  
a jealous tyrant; his innocent babe truly begotten;  
and the king shall live without an heir, if that  
which is lost be not found.

**Lords**

Now blessed be the great Apollo!

**HERMIONE**

Praised!

**LEONTES**

Hast thou read truth?

**Officer**

Ay, my lord; even so  
As it is here set down.

**LEONTES**

There is no truth at all i' the oracle:  
The sessions shall proceed: this is mere falsehood.

*Enter Servant*

**Servant**

My lord the king, the king!

**LEONTES**

What is the business?

**Servant**

O sir, I shall be hated to report it!  
The prince your son, with mere conceit and fear

Of the queen's speed, is gone.

**LEONTES**

How! gone!

**Servant**

Is dead.

**LEONTES**

Apollo's angry; and the heavens themselves  
Do strike at my injustice.

*HERMIONE swoons*

How now there!

**PAULINA**

This news is mortal to the queen: look down  
And see what death is doing.

**LEONTES**

Take her hence:  
Her heart is but o'ercharged; she will recover:  
I have too much believed mine own suspicion:  
Beseech you, tenderly apply to her  
Some remedies for life.

*Exeunt PAULINA and Ladies, with HERMIONE*

Apollo, pardon  
My great profaneness 'gainst thine oracle!  
I'll reconcile me to Polixenes,  
New woo my queen, recall the good Camillo,  
Whom I proclaim a man of truth, of mercy;  
For, being transported by my jealousies  
To bloody thoughts and to revenge, I chose

Camillo for the minister to poison  
My friend Polixenes: which had been done,  
But that the good mind of Camillo tardied  
My swift command, though I with death and with  
Reward did threaten and encourage him,  
Not doing 't and being done: he, most humane  
And fill'd with honour, to my kingly guest  
Unclasp'd my practise, quit his fortunes here,  
Which you knew great, and to the hazard  
Of all encertainties himself commended,  
No richer than his honour: how he glisters  
Thorough my rust! and how his pity  
Does my deeds make the blacker!

*Re-enter PAULINA*

**PAULINA**

Woe the while!  
O, cut my lace, lest my heart, cracking it,  
Break too.

**First Lord**

What fit is this, good lady?

**PAULINA**

What studied torments, tyrant, hast for me?  
What wheels? racks? fires? what flaying? boiling?  
In leads or oils? what old or newer torture  
Must I receive, whose every word deserves  
To taste of thy most worst? Thy tyranny  
Together working with thy jealousies,  
Fancies too weak for boys, too green and idle  
For girls of nine, O, think what they have done  
And then run mad indeed, stark mad! for all  
Thy by-gone fooleries were but spices of it.  
That thou betray'dst Polixenes, 'twas nothing;  
That did but show thee, of a fool, inconstant  
And damnable ingrateful: nor was't much,  
Thou wouldst have poison'd good Camillo's honour,

To have him kill a king: poor trespasses,  
More monstrous standing by: whereof I reckon  
The casting forth to crows thy baby-daughter  
To be or none or little; though a devil  
Would have shed water out of fire ere done't:  
Nor is't directly laid to thee, the death  
Of the young prince, whose honourable thoughts,  
Thoughts high for one so tender, cleft the heart  
That could conceive a gross and foolish sire  
Blemish'd his gracious dam: this is not, no,  
Laid to thy answer: but the last,--O lords,  
When I have said, cry 'woe!' the queen, the queen,  
The sweet'st, dear'st creature's dead,  
and vengeance for't  
Not dropp'd down yet.

### **First Lord**

The higher powers forbid!

### **PAULINA**

I say she's dead; I'll swear't. If word nor oath  
Prevail not, go and see: if you can bring  
Tincture or lustre in her lip, her eye,  
Heat outwardly or breath within, I'll serve you  
As I would do the gods. But, O thou tyrant!  
Do not repent these things, for they are heavier  
Than all thy woes can stir; therefore betake thee  
To nothing but despair. A thousand knees  
Ten thousand years together, naked, fasting,  
Upon a barren mountain and still winter  
In storm perpetual, could not move the gods  
To look that way thou wert.

### **LEONTES**

Go on, go on  
Thou canst not speak too much; I have deserved  
All tongues to talk their bitterest.

### **First Lord**

Say no more:  
Howe'er the business goes, you have made fault  
I' the boldness of your speech.

## PAULINA

I am sorry for't:  
All faults I make, when I shall come to know them,  
I do repent. Alas! I have show'd too much  
The rashness of a woman: he is touch'd  
To the noble heart. What's gone and what's past help  
Should be past grief: do not receive affliction  
At my petition; I beseech you, rather  
Let me be punish'd, that have minded you  
Of what you should forget. Now, good my liege  
Sir, royal sir, forgive a foolish woman:  
The love I bore your queen--lo, fool again!--  
I'll speak of her no more, nor of your children;  
I'll not remember you of my own lord,  
Who is lost too: take your patience to you,  
And I'll say nothing.

## LEONTES

Thou didst speak but well  
When most the truth; which I receive much better  
Than to be pitied of thee. Prithee, bring me  
To the dead bodies of my queen and son:  
One grave shall be for both: upon them shall  
The causes of their death appear, unto  
Our shame perpetual. Once a day I'll visit  
The chapel where they lie, and tears shed there  
Shall be my recreation: so long as nature  
Will bear up with this exercise, so long  
I daily vow to use it. Come and lead me  
Unto these sorrows.

*Exeunt*

# Winter's Tale

[Shakespeare homepage](#) | [Winter's Tale](#) | Act 3, Scene 3

[Previous scene](#) | [Next scene](#)

## SCENE III. Bohemia. A desert country near the sea.

*Enter ANTIGONUS with a Child, and a Mariner*

**ANTIGONUS**

Thou art perfect then, our ship hath touch'd upon  
The deserts of Bohemia?

**Mariner**

Ay, my lord: and fear  
We have landed in ill time: the skies look grimly  
And threaten present blusters. In my conscience,  
The heavens with that we have in hand are angry  
And frown upon 's.

**ANTIGONUS**

Their sacred wills be done! Go, get aboard;  
Look to thy bark: I'll not be long before  
I call upon thee.

**Mariner**

Make your best haste, and go not  
Too far i' the land: 'tis like to be loud weather;  
Besides, this place is famous for the creatures  
Of prey that keep upon't.

**ANTIGONUS**

Go thou away:  
I'll follow instantly.

**Mariner**

I am glad at heart  
To be so rid o' the business.

*Exit*

## ANTIGONUS

Come, poor babe:  
I have heard, but not believed,  
the spirits o' the dead  
May walk again: if such thing be, thy mother  
Appear'd to me last night, for ne'er was dream  
So like a waking. To me comes a creature,  
Sometimes her head on one side, some another;  
I never saw a vessel of like sorrow,  
So fill'd and so becoming: in pure white robes,  
Like very sanctity, she did approach  
My cabin where I lay; thrice bow'd before me,  
And gasping to begin some speech, her eyes  
Became two spouts: the fury spent, anon  
Did this break-from her: 'Good Antigonus,  
Since fate, against thy better disposition,  
Hath made thy person for the thrower-out  
Of my poor babe, according to thine oath,  
Places remote enough are in Bohemia,  
There weep and leave it crying; and, for the babe  
Is counted lost for ever, Perdita,  
I prithee, call't. For this ungentle business  
Put on thee by my lord, thou ne'er shalt see  
Thy wife Paulina more.' And so, with shrieks  
She melted into air. Affrighted much,  
I did in time collect myself and thought  
This was so and no slumber. Dreams are toys:  
Yet for this once, yea, superstitiously,  
I will be squared by this. I do believe  
Hermione hath suffer'd death, and that  
Apollo would, this being indeed the issue  
Of King Polixenes, it should here be laid,  
Either for life or death, upon the earth  
Of its right father. Blossom, speed thee well!  
There lie, and there thy character: there these;  
Which may, if fortune please, both breed thee, pretty,

And still rest thine. The storm begins; poor wretch,  
That for thy mother's fault art thus exposed  
To loss and what may follow! Weep I cannot,  
But my heart bleeds; and most accursed am I  
To be by oath enjoin'd to this. Farewell!  
The day frowns more and more: thou'rt like to have  
A lullaby too rough: I never saw  
The heavens so dim by day. A savage clamour!  
Well may I get aboard! This is the chase:  
I am gone for ever.

*Exit, pursued by a bear*

*Enter a Shepherd*

## **Shepherd**

I would there were no age between sixteen and  
three-and-twenty, or that youth would sleep out the  
rest; for there is nothing in the between but  
getting wenches with child, wronging the ancients,  
stealing, fighting--Hark you now! Would any but  
these boiled brains of nineteen and two-and-twenty  
hunt this weather? They have scared away two of my  
best sheep, which I fear the wolf will sooner find  
than the master: if any where I have them, 'tis by  
the seaside, browsing of ivy. Good luck, an't be thy  
will what have we here! Mercy on 's, a barne a very  
pretty barne! A boy or a child, I wonder? A  
pretty one; a very pretty one: sure, some 'scape:  
though I am not bookish, yet I can read  
waiting-gentlewoman in the 'scape. This has been  
some stair-work, some trunk-work, some  
behind-door-work: they were warmer that got this  
than the poor thing is here. I'll take it up for  
pity: yet I'll tarry till my son come; he hallooed  
but even now. Whoa, ho, hoa!

*Enter Clown*

## **Clown**

Hilloa, loa!

**Shepherd**

What, art so near? If thou'lt see a thing to talk  
on when thou art dead and rotten, come hither. What  
ailest thou, man?

**Clown**

I have seen two such sights, by sea and by land!  
but I am not to say it is a sea, for it is now the  
sky: betwixt the firmament and it you cannot thrust  
a bodkin's point.

**Shepherd**

Why, boy, how is it?

**Clown**

I would you did but see how it chafes, how it rages,  
how it takes up the shore! but that's not the  
point. O, the most piteous cry of the poor souls!  
sometimes to see 'em, and not to see 'em; now the  
ship boring the moon with her main-mast, and anon  
swallowed with yest and froth, as you'ld thrust a  
cork into a hogshead. And then for the  
land-service, to see how the bear tore out his  
shoulder-bone; how he cried to me for help and said  
his name was Antigonus, a nobleman. But to make an  
end of the ship, to see how the sea flap-dragoned  
it: but, first, how the poor souls roared, and the  
sea mocked them; and how the poor gentleman roared  
and the bear mocked him, both roaring louder than  
the sea or weather.

**Shepherd**

Name of mercy, when was this, boy?

**Clown**

Now, now: I have not winked since I saw these sights: the men are not yet cold under water, nor the bear half dined on the gentleman: he's at it now.

**Shepherd**

Would I had been by, to have helped the old man!

**Clown**

I would you had been by the ship side, to have helped her: there your charity would have lacked footing.

**Shepherd**

Heavy matters! heavy matters! but look thee here, boy. Now bless thyself: thou mettest with things dying, I with things newborn. Here's a sight for thee; look thee, a bearing-cloth for a squire's child! look thee here; take up, take up, boy; open't. So, let's see: it was told me I should be rich by the fairies. This is some changeling: open't. What's within, boy?

**Clown**

You're a made old man: if the sins of your youth are forgiven you, you're well to live. Gold! all gold!

**Shepherd**

This is fairy gold, boy, and 'twill prove so: up with't, keep it close: home, home, the next way. We are lucky, boy; and to be so still requires nothing but secrecy. Let my sheep go: come, good boy, the next way home.

**Clown**

Go you the next way with your findings. I'll go see  
if the bear be gone from the gentleman and how much  
he hath eaten: they are never curst but when they  
are hungry: if there be any of him left, I'll bury  
it.

### **Shepherd**

That's a good deed. If thou mayest discern by that  
which is left of him what he is, fetch me to the  
sight of him.

### **Clown**

Marry, will I; and you shall help to put him i' the ground.

### **Shepherd**

'Tis a lucky day, boy, and we'll do good deeds on't.

*Exeunt*

SCENE I:

*Enter Time, the Chorus*

### **Time**

I, that please some, try all, both joy and terror  
Of good and bad, that makes and unfolds error,  
Now take upon me, in the name of Time,  
To use my wings. Impute it not a crime  
To me or my swift passage, that I slide  
O'er sixteen years and leave the growth untried  
Of that wide gap, since it is in my power  
To o'erthrow law and in one self-born hour  
To plant and o'erwhelm custom. Let me pass  
The same I am, ere ancient'st order was  
Or what is now received: I witness to  
The times that brought them in; so shall I do  
To the freshest things now reigning and make stale  
The glistening of this present, as my tale

Now seems to it. Your patience this allowing,  
I turn my glass and give my scene such growing  
As you had slept between: Leontes leaving,  
The effects of his fond jealousies so grieving  
That he shuts up himself, imagine me,  
Gentle spectators, that I now may be  
In fair Bohemia, and remember well,  
I mentioned a son o' the king's, which Florizel  
I now name to you; and with speed so pace  
To speak of Perdita, now grown in grace  
Equal with wondering: what of her ensues  
I list not prophecy; but let Time's news  
Be known when 'tis brought forth.  
A shepherd's daughter,  
And what to her adheres, which follows after,  
Is the argument of Time. Of this allow,  
If ever you have spent time worse ere now;  
If never, yet that Time himself doth say  
He wishes earnestly you never may.

*Exit*

## SCENE II. Bohemia. The palace of POLIXENES.

*Enter POLIXENES and CAMILLO*

### POLIXENES

I pray thee, good Camillo, be no more importunate:  
'tis a sickness denying thee any thing; a death to  
grant this.

### CAMILLO

It is fifteen years since I saw my country: though  
I have for the most part been aired abroad, I  
desire to lay my bones there. Besides, the penitent  
king, my master, hath sent for me; to whose feeling  
sorrows I might be some allay, or I o'erween to  
think so, which is another spur to my departure.

### POLIXENES

As thou lovest me, Camillo, wipe not out the rest of  
thy services by leaving me now: the need I have of  
thee thine own goodness hath made; better not to  
have had thee than thus to want thee: thou, having  
made me businesses which none without thee can  
sufficiently manage, must either stay to execute  
them thyself or take away with thee the very  
services thou hast done; which if I have not enough  
considered, as too much I cannot, to be more  
thankful to thee shall be my study, and my profit  
therein the heaping friendships. Of that fatal  
country, Sicilia, prithee speak no more; whose very  
naming punishes me with the remembrance of that  
penitent, as thou callest him, and reconciled king,  
my brother; whose loss of his most precious queen

and children are even now to be afresh lamented.  
Say to me, when sawest thou the Prince Florizel, my  
son? Kings are no less unhappy, their issue not  
being gracious, than they are in losing them when  
they have approved their virtues.

## **CAMILLO**

Sir, it is three days since I saw the prince. What  
his happier affairs may be, are to me unknown: but I  
have missingly noted, he is of late much retired  
from court and is less frequent to his princely  
exercises than formerly he hath appeared.

## **POLIXENES**

I have considered so much, Camillo, and with some  
care; so far that I have eyes under my service which  
look upon his removedness; from whom I have this  
intelligence, that he is seldom from the house of a  
most homely shepherd; a man, they say, that from  
very nothing, and beyond the imagination of his  
neighbours, is grown into an unspeakable estate.

## **CAMILLO**

I have heard, sir, of such a man, who hath a  
daughter of most rare note: the report of her is  
extended more than can be thought to begin from such a cottage.

## **POLIXENES**

That's likewise part of my intelligence; but, I  
fear, the angle that plucks our son thither. Thou  
shalt accompany us to the place; where we will, not  
appearing what we are, have some question with the  
shepherd; from whose simplicity I think it not  
uneasy to get the cause of my son's resort thither.  
Prithee, be my present partner in this business, and  
lay aside the thoughts of Sicilia.

## **CAMILLO**

I willingly obey your command.

**POLIXENES**

My best Camillo! We must disguise ourselves.

*Exeunt*

## SCENE III. A road near the Shepherd's cottage.

*Enter AUTOLYCUS, singing*

### AUTOLYCUS

When daffodils begin to peer,  
With heigh! the doxy over the dale,  
Why, then comes in the sweet o' the year;  
For the red blood reigns in the winter's pale.  
The white sheet bleaching on the hedge,  
With heigh! the sweet birds, O, how they sing!  
Doth set my pugging tooth on edge;  
For a quart of ale is a dish for a king.  
The lark, that tirra-lyra chants,  
With heigh! with heigh! the thrush and the jay,  
Are summer songs for me and my aunts,  
While we lie tumbling in the hay.  
I have served Prince Florizel and in my time  
wore three-pile; but now I am out of service:  
But shall I go mourn for that, my dear?  
The pale moon shines by night:  
And when I wander here and there,  
I then do most go right.  
If tinkers may have leave to live,  
And bear the sow-skin budget,  
Then my account I well may, give,  
And in the stocks avouch it.  
My traffic is sheets; when the kite builds, look to  
lesser linen. My father named me Autolycus; who  
being, as I am, littered under Mercury, was likewise  
a snapper-up of unconsidered trifles. With die and  
drab I purchased this caparison, and my revenue is  
the silly cheat. Gallows and knock are too powerful  
on the highway: beating and hanging are terrors to  
me: for the life to come, I sleep out the thought  
of it. A prize! a prize!

*Enter Clown*

**Clown**

Let me see: every 'leven wether tod; every tod yields pound and odd shilling; fifteen hundred shorn. what comes the wool to?

**AUTOLYCUS**

[Aside]  
If the springe hold, the cock's mine.

**Clown**

I cannot do't without counters. Let me see; what am I to buy for our sheep-shearing feast? Three pound of sugar, five pound of currants, rice,--what will this sister of mine do with rice? But my father hath made her mistress of the feast, and she lays it on. She hath made me four and twenty nose-gays for the shearers, three-man-song-men all, and very good ones; but they are most of them means and bases; but one puritan amongst them, and he sings psalms to horn-pipes. I must have saffron to colour the warden pies; mace; dates?--none, that's out of my note; nutmegs, seven; a race or two of ginger, but that I may beg; four pound of prunes, and as many of raisins o' the sun.

**AUTOLYCUS**

O that ever I was born!

*Grovelling on the ground*

**Clown**

I' the name of me--

**AUTOLYCUS**

O, help me, help me! pluck but off these rags; and then, death, death!

**Clown**

Alack, poor soul! thou hast need of more rags to lay on thee, rather than have these off.

**AUTOLYCUS**

O sir, the loathsomeness of them offends me more than the stripes I have received, which are mighty ones and millions.

**Clown**

Alas, poor man! a million of beating may come to a great matter.

**AUTOLYCUS**

I am robbed, sir, and beaten; my money and apparel ta'en from me, and these detestable things put upon me.

**Clown**

What, by a horseman, or a footman?

**AUTOLYCUS**

A footman, sweet sir, a footman.

**Clown**

Indeed, he should be a footman by the garments he has left with thee: if this be a horseman's coat, it hath seen very hot service. Lend me thy hand, I'll help thee: come, lend me thy hand.

## **AUTOLYCUS**

O, good sir, tenderly, O!

## **Clown**

Alas, poor soul!

## **AUTOLYCUS**

O, good sir, softly, good sir! I fear, sir, my  
shoulder-blade is out.

## **Clown**

How now! canst stand?

## **AUTOLYCUS**

[Picking his pocket]

Softly, dear sir; good sir, softly. You ha' done me  
a charitable office.

## **Clown**

Dost lack any money? I have a little money for thee.

## **AUTOLYCUS**

No, good sweet sir; no, I beseech you, sir: I have  
a kinsman not past three quarters of a mile hence,  
unto whom I was going; I shall there have money, or  
any thing I want: offer me no money, I pray you;  
that kills my heart.

## **Clown**

What manner of fellow was he that robbed you?

## **AUTOLYCUS**

A fellow, sir, that I have known to go about with troll-my-dames; I knew him once a servant of the prince: I cannot tell, good sir, for which of his virtues it was, but he was certainly whipped out of the court.

### **Clown**

His vices, you would say; there's no virtue whipped out of the court: they cherish it to make it stay there; and yet it will no more but abide.

### **AUTOLYCUS**

Vices, I would say, sir. I know this man well: he hath been since an ape-bearer; then a process-server, a bailiff; then he compassed a motion of the Prodigal Son, and married a tinker's wife within a mile where my land and living lies; and, having flown over many knavish professions, he settled only in rogue: some call him Autolycus.

### **Clown**

Out upon him! prig, for my life, prig: he haunts wakes, fairs and bear-baitings.

### **AUTOLYCUS**

Very true, sir; he, sir, he; that's the rogue that put me into this apparel.

### **Clown**

Not a more cowardly rogue in all Bohemia: if you had but looked big and spit at him, he'ld have run.

### **AUTOLYCUS**

I must confess to you, sir, I am no fighter: I am false of heart that way; and that he knew, I warrant him.

## Clown

How do you now?

## AUTOLYCUS

Sweet sir, much better than I was; I can stand and walk: I will even take my leave of you, and pace softly towards my kinsman's.

## Clown

Shall I bring thee on the way?

## AUTOLYCUS

No, good-faced sir; no, sweet sir.

## Clown

Then fare thee well: I must go buy spices for our sheep-shearing.

## AUTOLYCUS

Prosper you, sweet sir!

*Exit Clown*

Your purse is not hot enough to purchase your spice.  
I'll be with you at your sheep-shearing too: if I make not this cheat bring out another and the shearers prove sheep, let me be unrolled and my name put in the book of virtue!

*Sings*

Jog on, jog on, the foot-path way,  
And merrily hent the stile-a:  
A merry heart goes all the day,  
Your sad tires in a mile-a.

*Exit*

## SCENE IV. The Shepherd's cottage.

*Enter FLORIZEL and PERDITA*

### FLORIZEL

These your unusual weeds to each part of you  
Do give a life: no shepherdess, but Flora  
Peering in April's front. This your sheep-shearing  
Is as a meeting of the petty gods,  
And you the queen on't.

### PERDITA

Sir, my gracious lord,  
To chide at your extremes it not becomes me:  
O, pardon, that I name them! Your high self,  
The gracious mark o' the land, you have obscured  
With a swain's wearing, and me, poor lowly maid,  
Most goddess-like prank'd up: but that our feasts  
In every mess have folly and the feeders  
Digest it with a custom, I should blush  
To see you so attired, sworn, I think,  
To show myself a glass.

### FLORIZEL

I bless the time  
When my good falcon made her flight across  
Thy father's ground.

### PERDITA

Now Jove afford you cause!  
To me the difference forges dread; your greatness  
Hath not been used to fear. Even now I tremble

To think your father, by some accident,  
Should pass this way as you did: O, the Fates!  
How would he look, to see his work so noble  
Vilely bound up? What would he say? Or how  
Should I, in these my borrow'd flaunts, behold  
The sternness of his presence?

## **FLORIZEL**

Apprehend  
Nothing but jollity. The gods themselves,  
Humbling their deities to love, have taken  
The shapes of beasts upon them: Jupiter  
Became a bull, and bellow'd; the green Neptune  
A ram, and bleated; and the fire-robed god,  
Golden Apollo, a poor humble swain,  
As I seem now. Their transformations  
Were never for a piece of beauty rarer,  
Nor in a way so chaste, since my desires  
Run not before mine honour, nor my lusts  
Burn hotter than my faith.

## **PERDITA**

O, but, sir,  
Your resolution cannot hold, when 'tis  
Opposed, as it must be, by the power of the king:  
One of these two must be necessities,  
Which then will speak, that you must  
change this purpose,  
Or I my life.

## **FLORIZEL**

Thou dearest Perdita,  
With these forced thoughts, I prithee, darken not  
The mirth o' the feast. Or I'll be thine, my fair,  
Or not my father's. For I cannot be  
Mine own, nor any thing to any, if  
I be not thine. To this I am most constant,  
Though destiny say no. Be merry, gentle;  
Strangle such thoughts as these with any thing

That you behold the while. Your guests are coming:  
Lift up your countenance, as it were the day  
Of celebration of that nuptial which  
We two have sworn shall come.

## **PERDITA**

O lady Fortune,  
Stand you auspicious!

## **FLORIZEL**

See, your guests approach:  
Address yourself to entertain them sprightly,  
And let's be red with mirth.

*Enter Shepherd, Clown, MOPSA, DORCAS, and others, with POLIXENES and CAMILLO disguised*

## **Shepherd**

Fie, daughter! when my old wife lived, upon  
This day she was both pantler, butler, cook,  
Both dame and servant; welcomed all, served all;  
Would sing her song and dance her turn; now here,  
At upper end o' the table, now i' the middle;  
On his shoulder, and his; her face o' fire  
With labour and the thing she took to quench it,  
She would to each one sip. You are retired,  
As if you were a feasted one and not  
The hostess of the meeting: pray you, bid  
These unknown friends to's welcome; for it is  
A way to make us better friends, more known.  
Come, quench your blushes and present yourself  
That which you are, mistress o' the feast: come on,  
And bid us welcome to your sheep-shearing,  
As your good flock shall prosper.

## **PERDITA**

[To POLIXENES] Sir, welcome:  
It is my father's will I should take on me

The hostess-ship o' the day.

*To CAMILLO*

You're welcome, sir.  
Give me those flowers there, Dorcas. Reverend sirs,  
For you there's rosemary and rue; these keep  
Seeming and savour all the winter long:  
Grace and remembrance be to you both,  
And welcome to our shearing!

**POLIXENES**

Shepherdess,  
A fair one are you--well you fit our ages  
With flowers of winter.

**PERDITA**

Sir, the year growing ancient,  
Not yet on summer's death, nor on the birth  
Of trembling winter, the fairest  
flowers o' the season  
Are our carnations and streak'd gillyvors,  
Which some call nature's bastards: of that kind  
Our rustic garden's barren; and I care not  
To get slips of them.

**POLIXENES**

Wherefore, gentle maiden,  
Do you neglect them?

**PERDITA**

For I have heard it said  
There is an art which in their piedness shares  
With great creating nature.

**POLIXENES**

Say there be;

Yet nature is made better by no mean  
But nature makes that mean: so, over that art  
Which you say adds to nature, is an art  
That nature makes. You see, sweet maid, we marry  
A gentler scion to the wildest stock,  
And make conceive a bark of baser kind  
By bud of nobler race: this is an art  
Which does mend nature, change it rather, but  
The art itself is nature.

## **PERDITA**

So it is.

## **POLIXENES**

Then make your garden rich in gillyvors,  
And do not call them bastards.

## **PERDITA**

I'll not put  
The dibble in earth to set one slip of them;  
No more than were I painted I would wish  
This youth should say 'twere well and only therefore  
Desire to breed by me. Here's flowers for you;  
Hot lavender, mints, savoury, marjoram;  
The marigold, that goes to bed wi' the sun  
And with him rises weeping: these are flowers  
Of middle summer, and I think they are given  
To men of middle age. You're very welcome.

## **CAMILLO**

I should leave grazing, were I of your flock,  
And only live by gazing.

## **PERDITA**

Out, alas!  
You'd be so lean, that blasts of January  
Would blow you through and through.

Now, my fair'st friend,  
I would I had some flowers o' the spring that might  
Become your time of day; and yours, and yours,  
That wear upon your virgin branches yet  
Your maidenheads growing: O Proserpina,  
For the flowers now, that frighted thou let'st fall  
From Dis's waggon! daffodils,  
That come before the swallow dares, and take  
The winds of March with beauty; violets dim,  
But sweeter than the lids of Juno's eyes  
Or Cytherea's breath; pale primroses  
That die unmarried, ere they can behold  
Bright Phoebus in his strength--a malady  
Most incident to maids; bold oxlips and  
The crown imperial; lilies of all kinds,  
The flower-de-luce being one! O, these I lack,  
To make you garlands of, and my sweet friend,  
To strew him o'er and o'er!

## **FLORIZEL**

What, like a corse?

## **PERDITA**

No, like a bank for love to lie and play on;  
Not like a corse; or if, not to be buried,  
But quick and in mine arms. Come, take your flowers:  
Methinks I play as I have seen them do  
In Whitsun pastorals: sure this robe of mine  
Does change my disposition.

## **FLORIZEL**

What you do  
Still betters what is done. When you speak, sweet.  
I'd have you do it ever: when you sing,  
I'd have you buy and sell so, so give alms,  
Pray so; and, for the ordering your affairs,  
To sing them too: when you do dance, I wish you  
A wave o' the sea, that you might ever do  
Nothing but that; move still, still so,

And own no other function: each your doing,  
So singular in each particular,  
Crowns what you are doing in the present deed,  
That all your acts are queens.

## **PERDITA**

O Doricles,  
Your praises are too large: but that your youth,  
And the true blood which peepeth fairly through't,  
Do plainly give you out an unstain'd shepherd,  
With wisdom I might fear, my Doricles,  
You woo'd me the false way.

## **FLORIZEL**

I think you have  
As little skill to fear as I have purpose  
To put you to't. But come; our dance, I pray:  
Your hand, my Perdita: so turtles pair,  
That never mean to part.

## **PERDITA**

I'll swear for 'em.

## **POLIXENES**

This is the prettiest low-born lass that ever  
Ran on the green-sward: nothing she does or seems  
But smacks of something greater than herself,  
Too noble for this place.

## **CAMILLO**

He tells her something  
That makes her blood look out: good sooth, she is  
The queen of curds and cream.

## **Clown**

Come on, strike up!

## **DORCAS**

Mopsa must be your mistress: marry, garlic,  
To mend her kissing with!

## **MOPSA**

Now, in good time!

## **Clown**

Not a word, a word; we stand upon our manners.  
Come, strike up!

*Music. Here a dance of Shepherds and Shepherdesses*

## **POLIXENES**

Pray, good shepherd, what fair swain is this  
Which dances with your daughter?

## **Shepherd**

They call him Doricles; and boasts himself  
To have a worthy feeding: but I have it  
Upon his own report and I believe it;  
He looks like sooth. He says he loves my daughter:  
I think so too; for never gazed the moon  
Upon the water as he'll stand and read  
As 'twere my daughter's eyes: and, to be plain.  
I think there is not half a kiss to choose  
Who loves another best.

## **POLIXENES**

She dances featly.

## **Shepherd**

So she does any thing; though I report it,

That should be silent: if young Doricles  
Do light upon her, she shall bring him that  
Which he not dreams of.

*Enter Servant*

## **Servant**

O master, if you did but hear the pedlar at the door, you would never dance again after a tabour and pipe; no, the bagpipe could not move you: he sings several tunes faster than you'll tell money; he utters them as he had eaten ballads and all men's ears grew to his tunes.

## **Clown**

He could never come better; he shall come in. I love a ballad but even too well, if it be doleful matter merrily set down, or a very pleasant thing indeed and sung lamentably.

## **Servant**

He hath songs for man or woman, of all sizes; no milliner can so fit his customers with gloves: he has the prettiest love-songs for maids; so without bawdry, which is strange; with such delicate burthens of dildos and fadings, 'jump her and thump her;' and where some stretch-mouthed rascal would, as it were, mean mischief and break a foul gap into the matter, he makes the maid to answer 'Whoop, do me no harm, good man;' puts him off, slights him, with 'Whoop, do me no harm, good man.'

## **POLIXENES**

This is a brave fellow.

## **Clown**

Believe me, thou talkest of an admirable conceited

fellow. Has he any unbraided wares?

**Servant**

He hath ribbons of an the colours i' the rainbow;  
points more than all the lawyers in Bohemia can  
learnedly handle, though they come to him by the  
gross: inkles, caddisses, cambrics, lawns: why, he  
sings 'em over as they were gods or goddesses; you  
would think a smock were a she-angel, he so chants  
to the sleeve-hand and the work about the square on't.

**Clown**

Prithee bring him in; and let him approach singing.

**PERDITA**

Forewarn him that he use no scurrilous words in 's tunes.

*Exit Servant*

**Clown**

You have of these pedlars, that have more in them  
than you'd think, sister.

**PERDITA**

Ay, good brother, or go about to think.

*Enter AUTOLYCUS, singing*

**AUTOLYCUS**

Lawn as white as driven snow;  
Cyprus black as e'er was crow;  
Gloves as sweet as damask roses;  
Masks for faces and for noses;  
Bugle bracelet, necklace amber,  
Perfume for a lady's chamber;

Golden quoifs and stomachers,  
For my lads to give their dears:  
Pins and poking-sticks of steel,  
What maids lack from head to heel:  
Come buy of me, come; come buy, come buy;  
Buy lads, or else your lasses cry: Come buy.

### **Clown**

If I were not in love with Mopsa, thou shouldst take  
no money of me; but being enthralled as I am, it  
will also be the bondage of certain ribbons and gloves.

### **MOPSA**

I was promised them against the feast; but they come  
not too late now.

### **DORCAS**

He hath promised you more than that, or there be liars.

### **MOPSA**

He hath paid you all he promised you; may be, he has  
paid you more, which will shame you to give him again.

### **Clown**

Is there no manners left among maids? will they  
wear their plackets where they should bear their  
faces? Is there not milking-time, when you are  
going to bed, or kiln-hole, to whistle off these  
secrets, but you must be tittle-tattling before all  
our guests? 'tis well they are whispering: clamour  
your tongues, and not a word more.

### **MOPSA**

I have done. Come, you promised me a tawdry-lace  
and a pair of sweet gloves.

**Clown**

Have I not told thee how I was cozened by the way  
and lost all my money?

**AUTOLYCUS**

And indeed, sir, there are cozeners abroad;  
therefore it behoves men to be wary.

**Clown**

Fear not thou, man, thou shalt lose nothing here.

**AUTOLYCUS**

I hope so, sir; for I have about me many parcels of charge.

**Clown**

What hast here? ballads?

**MOPSA**

Pray now, buy some: I love a ballad in print o'  
life, for then we are sure they are true.

**AUTOLYCUS**

Here's one to a very doleful tune, how a usurer's  
wife was brought to bed of twenty money-bags at a  
burthen and how she longed to eat adders' heads and  
toads carbonadoed.

**MOPSA**

Is it true, think you?

**AUTOLYCUS**

Very true, and but a month old.

## **DORCAS**

Bless me from marrying a usurer!

## **AUTOLYCUS**

Here's the midwife's name to't, one Mistress  
Tale-porter, and five or six honest wives that were  
present. Why should I carry lies abroad?

## **MOPSA**

Pray you now, buy it.

## **Clown**

Come on, lay it by: and let's first see moe  
ballads; we'll buy the other things anon.

## **AUTOLYCUS**

Here's another ballad of a fish, that appeared upon  
the coast on Wednesday the four-score of April,  
forty thousand fathom above water, and sung this  
ballad against the hard hearts of maids: it was  
thought she was a woman and was turned into a cold  
fish for she would not exchange flesh with one that  
loved her: the ballad is very pitiful and as true.

## **DORCAS**

Is it true too, think you?

## **AUTOLYCUS**

Five justices' hands at it, and witnesses more than  
my pack will hold.

## **Clown**

Lay it by too: another.

**AUTOLYCUS**

This is a merry ballad, but a very pretty one.

**MOPSA**

Let's have some merry ones.

**AUTOLYCUS**

Why, this is a passing merry one and goes to the tune of 'Two maids wooing a man:' there's scarce a maid westward but she sings it; 'tis in request, I can tell you.

**MOPSA**

We can both sing it: if thou'lt bear a part, thou shalt hear; 'tis in three parts.

**DORCAS**

We had the tune on't a month ago.

**AUTOLYCUS**

I can bear my part; you must know 'tis my occupation; have at it with you.

*SONG*

**AUTOLYCUS**

Get you hence, for I must go  
Where it fits not you to know.

**DORCAS**

Whither?

**MOPSA**

O, whither?

**DORCAS**

Whither?

**MOPSA**

It becomes thy oath full well,  
Thou to me thy secrets tell.

**DORCAS**

Me too, let me go thither.

**MOPSA**

Or thou goest to the orange or mill.

**DORCAS**

If to either, thou dost ill.

**AUTOLYCUS**

Neither.

**DORCAS**

What, neither?

**AUTOLYCUS**

Neither.

**DORCAS**

Thou hast sworn my love to be.

## **MOPSA**

Thou hast sworn it more to me:  
Then whither goest? say, whither?

## **Clown**

We'll have this song out anon by ourselves: my  
father and the gentlemen are in sad talk, and we'll  
not trouble them. Come, bring away thy pack after  
me. Wenches, I'll buy for you both. Pedlar, let's  
have the first choice. Follow me, girls.

*Exit with DORCAS and MOPSA*

## **AUTOLYCUS**

And you shall pay well for 'em.

*Follows singing*

Will you buy any tape,  
Or lace for your cape,  
My dainty duck, my dear-a?  
Any silk, any thread,  
Any toys for your head,  
Of the new'st and finest, finest wear-a?  
Come to the pedlar;  
Money's a medler.  
That doth utter all men's ware-a.

*Exit*

*Re-enter Servant*

## **Servant**

Master, there is three carters, three shepherds,  
three neat-herds, three swine-herds, that have made  
themselves all men of hair, they call themselves

Saltiers, and they have a dance which the wenches say is a gallimaufry of gambols, because they are not in't; but they themselves are o' the mind, if it be not too rough for some that know little but bowling, it will please plentifully.

### **Shepherd**

Away! we'll none on 't: here has been too much homely foolery already. I know, sir, we weary you.

### **POLIXENES**

You weary those that refresh us: pray, let's see these four threes of herdsmen.

### **Servant**

One three of them, by their own report, sir, hath danced before the king; and not the worst of the three but jumps twelve foot and a half by the squier.

### **Shepherd**

Leave your prating: since these good men are pleased, let them come in; but quickly now.

### **Servant**

Why, they stay at door, sir.

*Exit*

*Here a dance of twelve Satyrs*

### **POLIXENES**

O, father, you'll know more of that hereafter.

*To CAMILLO*

Is it not too far gone? 'Tis time to part them.  
He's simple and tells much.

*To FLORIZEL*

How now, fair shepherd!  
Your heart is full of something that does take  
Your mind from feasting. Sooth, when I was young  
And handed love as you do, I was wont  
To load my she with knacks: I would have ransack'd  
The pedlar's silken treasury and have pour'd it  
To her acceptance; you have let him go  
And nothing mated with him. If your lass  
Interpretation should abuse and call this  
Your lack of love or bounty, you were straited  
For a reply, at least if you make a care  
Of happy holding her.

**FLORIZEL**

Old sir, I know  
She prizes not such trifles as these are:  
The gifts she looks from me are pack'd and lock'd  
Up in my heart; which I have given already,  
But not deliver'd. O, hear me breathe my life  
Before this ancient sir, who, it should seem,  
Hath sometime loved! I take thy hand, this hand,  
As soft as dove's down and as white as it,  
Or Ethiopian's tooth, or the fann'd  
snow that's bolted  
By the northern blasts twice o'er.

**POLIXENES**

What follows this?  
How prettily the young swain seems to wash  
The hand was fair before! I have put you out:  
But to your protestation; let me hear  
What you profess.

**FLORIZEL**

Do, and be witness to 't.

**POLIXENES**

And this my neighbour too?

**FLORIZEL**

And he, and more  
Than he, and men, the earth, the heavens, and all:  
That, were I crown'd the most imperial monarch,  
Thereof most worthy, were I the fairest youth  
That ever made eye swerve, had force and knowledge  
More than was ever man's, I would not prize them  
Without her love; for her employ them all;  
Commend them and condemn them to her service  
Or to their own perdition.

**POLIXENES**

Fairly offer'd.

**CAMILLO**

This shows a sound affection.

**Shepherd**

But, my daughter,  
Say you the like to him?

**PERDITA**

I cannot speak  
So well, nothing so well; no, nor mean better:  
By the pattern of mine own thoughts I cut out  
The purity of his.

**Shepherd**

Take hands, a bargain!

And, friends unknown, you shall bear witness to 't:  
I give my daughter to him, and will make  
Her portion equal his.

**FLORIZEL**

O, that must be  
I' the virtue of your daughter: one being dead,  
I shall have more than you can dream of yet;  
Enough then for your wonder. But, come on,  
Contract us 'fore these witnesses.

**Shepherd**

Come, your hand;  
And, daughter, yours.

**POLIXENES**

Soft, swain, awhile, beseech you;  
Have you a father?

**FLORIZEL**

I have: but what of him?

**POLIXENES**

Knows he of this?

**FLORIZEL**

He neither does nor shall.

**POLIXENES**

Methinks a father  
Is at the nuptial of his son a guest  
That best becomes the table. Pray you once more,  
Is not your father grown incapable  
Of reasonable affairs? is he not stupid

With age and altering rheums? can he speak? hear?  
Know man from man? dispute his own estate?  
Lies he not bed-rid? and again does nothing  
But what he did being childish?

**FLORIZEL**

No, good sir;  
He has his health and ampler strength indeed  
Than most have of his age.

**POLIXENES**

By my white beard,  
You offer him, if this be so, a wrong  
Something unfilial: reason my son  
Should choose himself a wife, but as good reason  
The father, all whose joy is nothing else  
But fair posterity, should hold some counsel  
In such a business.

**FLORIZEL**

I yield all this;  
But for some other reasons, my grave sir,  
Which 'tis not fit you know, I not acquaint  
My father of this business.

**POLIXENES**

Let him know't.

**FLORIZEL**

He shall not.

**POLIXENES**

Prithee, let him.

**FLORIZEL**

No, he must not.

**Shepherd**

Let him, my son: he shall not need to grieve  
At knowing of thy choice.

**FLORIZEL**

Come, come, he must not.  
Mark our contract.

**POLIXENES**

Mark your divorce, young sir,

*Discovering himself*

Whom son I dare not call; thou art too base  
To be acknowledged: thou a sceptre's heir,  
That thus affect'st a sheep-hook! Thou old traitor,  
I am sorry that by hanging thee I can  
But shorten thy life one week. And thou, fresh piece  
Of excellent witchcraft, who of force must know  
The royal fool thou copest with,--

**Shepherd**

O, my heart!

**POLIXENES**

I'll have thy beauty scratch'd with briars, and made  
More homely than thy state. For thee, fond boy,  
If I may ever know thou dost but sigh  
That thou no more shalt see this knack, as never  
I mean thou shalt, we'll bar thee from succession;  
Not hold thee of our blood, no, not our kin,  
Far than Deucalion off: mark thou my words:  
Follow us to the court. Thou churl, for this time,  
Though full of our displeasure, yet we free thee

From the dead blow of it. And you, enchantment.--  
Worthy enough a herdsman: yea, him too,  
That makes himself, but for our honour therein,  
Unworthy thee,--if ever henceforth thou  
These rural latches to his entrance open,  
Or hoop his body more with thy embraces,  
I will devise a death as cruel for thee  
As thou art tender to't.

*Exit*

## **PERDITA**

Even here undone!  
I was not much afeard; for once or twice  
I was about to speak and tell him plainly,  
The selfsame sun that shines upon his court  
Hides not his visage from our cottage but  
Looks on alike. Will't please you, sir, be gone?  
I told you what would come of this: beseech you,  
Of your own state take care: this dream of mine,--  
Being now awake, I'll queen it no inch farther,  
But milk my ewes and weep.

## **CAMILLO**

Why, how now, father!  
Speak ere thou diest.

## **Shepherd**

I cannot speak, nor think  
Nor dare to know that which I know. O sir!  
You have undone a man of fourscore three,  
That thought to fill his grave in quiet, yea,  
To die upon the bed my father died,  
To lie close by his honest bones: but now  
Some hangman must put on my shroud and lay me  
Where no priest shovels in dust. O cursed wretch,  
That knew'st this was the prince,  
and wouldst adventure  
To mingle faith with him! Undone! undone!

If I might die within this hour, I have lived  
To die when I desire.

*Exit*

**FLORIZEL**

Why look you so upon me?  
I am but sorry, not afeard; delay'd,  
But nothing alter'd: what I was, I am;  
More straining on for plucking back, not following  
My leash unwillingly.

**CAMILLO**

Gracious my lord,  
You know your father's temper: at this time  
He will allow no speech, which I do guess  
You do not purpose to him; and as hardly  
Will he endure your sight as yet, I fear:  
Then, till the fury of his highness settle,  
Come not before him.

**FLORIZEL**

I not purpose it.  
I think, Camillo?

**CAMILLO**

Even he, my lord.

**PERDITA**

How often have I told you 'twould be thus!  
How often said, my dignity would last  
But till 'twere known!

**FLORIZEL**

It cannot fail but by

The violation of my faith; and then  
Let nature crush the sides o' the earth together  
And mar the seeds within! Lift up thy looks:  
From my succession wipe me, father; I  
Am heir to my affection.

**CAMILLO**

Be advised.

**FLORIZEL**

I am, and by my fancy: if my reason  
Will thereto be obedient, I have reason;  
If not, my senses, better pleased with madness,  
Do bid it welcome.

**CAMILLO**

This is desperate, sir.

**FLORIZEL**

So call it: but it does fulfil my vow;  
I needs must think it honesty. Camillo,  
Not for Bohemia, nor the pomp that may  
Be thereat glean'd, for all the sun sees or  
The close earth wombs or the profound sea hides  
In unknown fathoms, will I break my oath  
To this my fair beloved: therefore, I pray you,  
As you have ever been my father's honour'd friend,  
When he shall miss me,--as, in faith, I mean not  
To see him any more,--cast your good counsels  
Upon his passion; let myself and fortune  
Tug for the time to come. This you may know  
And so deliver, I am put to sea  
With her whom here I cannot hold on shore;  
And most opportune to our need I have  
A vessel rides fast by, but not prepared  
For this design. What course I mean to hold  
Shall nothing benefit your knowledge, nor  
Concern me the reporting.

**CAMILLO**

O my lord!  
I would your spirit were easier for advice,  
Or stronger for your need.

**FLORIZEL**

Hark, Perdita

*Drawing her aside*

I'll hear you by and by.

**CAMILLO**

He's irremovable,  
Resolved for flight. Now were I happy, if  
His going I could frame to serve my turn,  
Save him from danger, do him love and honour,  
Purchase the sight again of dear Sicilia  
And that unhappy king, my master, whom  
I so much thirst to see.

**FLORIZEL**

Now, good Camillo;  
I am so fraught with curious business that  
I leave out ceremony.

**CAMILLO**

Sir, I think  
You have heard of my poor services, i' the love  
That I have borne your father?

**FLORIZEL**

Very nobly  
Have you deserved: it is my father's music  
To speak your deeds, not little of his care

To have them recompensed as thought on.

**CAMILLO**

Well, my lord,  
If you may please to think I love the king  
And through him what is nearest to him, which is  
Your gracious self, embrace but my direction:  
If your more ponderous and settled project  
May suffer alteration, on mine honour,  
I'll point you where you shall have such receiving  
As shall become your highness; where you may  
Enjoy your mistress, from the whom, I see,  
There's no disjunction to be made, but by--  
As heavens forefend!--your ruin; marry her,  
And, with my best endeavours in your absence,  
Your discontenting father strive to qualify  
And bring him up to liking.

**FLORIZEL**

How, Camillo,  
May this, almost a miracle, be done?  
That I may call thee something more than man  
And after that trust to thee.

**CAMILLO**

Have you thought on  
A place whereto you'll go?

**FLORIZEL**

Not any yet:  
But as the unthought-on accident is guilty  
To what we wildly do, so we profess  
Ourselves to be the slaves of chance and flies  
Of every wind that blows.

**CAMILLO**

Then list to me:

This follows, if you will not change your purpose  
But undergo this flight, make for Sicilia,  
And there present yourself and your fair princess,  
For so I see she must be, 'fore Leontes:  
She shall be habited as it becomes  
The partner of your bed. Methinks I see  
Leontes opening his free arms and weeping  
His welcomes forth; asks thee the son forgiveness,  
As 'twere i' the father's person; kisses the hands  
Of your fresh princess; o'er and o'er divides him  
'Twixt his unkindness and his kindness; the one  
He chides to hell and bids the other grow  
Faster than thought or time.

## **FLORIZEL**

Worthy Camillo,  
What colour for my visitation shall I  
Hold up before him?

## **CAMILLO**

Sent by the king your father  
To greet him and to give him comforts. Sir,  
The manner of your bearing towards him, with  
What you as from your father shall deliver,  
Things known betwixt us three, I'll write you down:  
The which shall point you forth at every sitting  
What you must say; that he shall not perceive  
But that you have your father's bosom there  
And speak his very heart.

## **FLORIZEL**

I am bound to you:  
There is some sap in this.

## **CAMILLO**

A cause more promising  
Than a wild dedication of yourselves  
To unpath'd waters, undream'd shores, most certain

To miseries enough; no hope to help you,  
But as you shake off one to take another;  
Nothing so certain as your anchors, who  
Do their best office, if they can but stay you  
Where you'll be loath to be: besides you know  
Prosperity's the very bond of love,  
Whose fresh complexion and whose heart together  
Affliction alters.

**PERDITA**

One of these is true:  
I think affliction may subdue the cheek,  
But not take in the mind.

**CAMILLO**

Yea, say you so?  
There shall not at your father's house these  
seven years  
Be born another such.

**FLORIZEL**

My good Camillo,  
She is as forward of her breeding as  
She is i' the rear our birth.

**CAMILLO**

I cannot say 'tis pity  
She lacks instructions, for she seems a mistress  
To most that teach.

**PERDITA**

Your pardon, sir; for this  
I'll blush you thanks.

**FLORIZEL**

My prettiest Perdita!

But O, the thorns we stand upon! Camillo,  
Preserver of my father, now of me,  
The medicine of our house, how shall we do?  
We are not furnish'd like Bohemia's son,  
Nor shall appear in Sicilia.

## **CAMILLO**

My lord,  
Fear none of this: I think you know my fortunes  
Do all lie there: it shall be so my care  
To have you royally appointed as if  
The scene you play were mine. For instance, sir,  
That you may know you shall not want, one word.

*They talk aside*

*Re-enter AUTOLYCUS*

## **AUTOLYCUS**

Ha, ha! what a fool Honesty is! and Trust, his  
sworn brother, a very simple gentleman! I have sold  
all my trumpery; not a counterfeit stone, not a  
ribbon, glass, pomander, brooch, table-book, ballad,  
knife, tape, glove, shoe-tie, bracelet, horn-ring,  
to keep my pack from fasting: they throng who  
should buy first, as if my trinkets had been  
hallowed and brought a benediction to the buyer:  
by which means I saw whose purse was best in  
picture; and what I saw, to my good use I  
remembered. My clown, who wants but something to  
be a reasonable man, grew so in love with the  
wenches' song, that he would not stir his pettitoes  
till he had both tune and words; which so drew the  
rest of the herd to me that all their other senses  
stuck in ears: you might have pinched a placket, it  
was senseless; 'twas nothing to geld a codpiece of a  
purse; I could have filed keys off that hung in  
chains: no hearing, no feeling, but my sir's song,  
and admiring the nothing of it. So that in this  
time of lethargy I picked and cut most of their

festival purses; and had not the old man come in with a whoo-bub against his daughter and the king's son and scared my choughs from the chaff, I had not left a purse alive in the whole army.

*CAMILLO, FLORIZEL, and PERDITA come forward*

**CAMILLO**

Nay, but my letters, by this means being there  
So soon as you arrive, shall clear that doubt.

**FLORIZEL**

And those that you'll procure from King Leontes--

**CAMILLO**

Shall satisfy your father.

**PERDITA**

Happy be you!  
All that you speak shows fair.

**CAMILLO**

Who have we here?

*Seeing AUTOLYCUS*

We'll make an instrument of this, omit  
Nothing may give us aid.

**AUTOLYCUS**

If they have overheard me now, why, hanging.

**CAMILLO**

How now, good fellow! why shakest thou so? Fear

not, man; here's no harm intended to thee.

## **AUTOLYCUS**

I am a poor fellow, sir.

## **CAMILLO**

Why, be so still; here's nobody will steal that from thee: yet for the outside of thy poverty we must make an exchange; therefore discase thee instantly, --thou must think there's a necessity in't,--and change garments with this gentleman: though the pennyworth on his side be the worst, yet hold thee, there's some boot.

## **AUTOLYCUS**

I am a poor fellow, sir.

*Aside*

I know ye well enough.

## **CAMILLO**

Nay, prithee, dispatch: the gentleman is half flayed already.

## **AUTOLYCUS**

Are you in earnest, sir?

*Aside*

I smell the trick on't.

## **FLORIZEL**

Dispatch, I prithee.

## **AUTOLYCUS**

Indeed, I have had earnest: but I cannot with  
conscience take it.

## **CAMILLO**

Unbuckle, unbuckle.

*FLORIZEL and AUTOLYCUS exchange garments*

Fortunate mistress,--let my prophecy  
Come home to ye!--you must retire yourself  
Into some covert: take your sweetheart's hat  
And pluck it o'er your brows, muffle your face,  
Dismantle you, and, as you can, disliken  
The truth of your own seeming; that you may--  
For I do fear eyes over--to shipboard  
Get undescried.

## **PERDITA**

I see the play so lies  
That I must bear a part.

## **CAMILLO**

No remedy.  
Have you done there?

## **FLORIZEL**

Should I now meet my father,  
He would not call me son.

## **CAMILLO**

Nay, you shall have no hat.

*Giving it to PERDITA*

Come, lady, come. Farewell, my friend.

## **AUTOLYCUS**

Adieu, sir.

## **FLORIZEL**

O Perdita, what have we twain forgot!  
Pray you, a word.

## **CAMILLO**

[Aside] What I do next, shall be to tell the king  
Of this escape and whither they are bound;  
Wherein my hope is I shall so prevail  
To force him after: in whose company  
I shall review Sicilia, for whose sight  
I have a woman's longing.

## **FLORIZEL**

Fortune speed us!  
Thus we set on, Camillo, to the sea-side.

## **CAMILLO**

The swifter speed the better.

*Exeunt FLORIZEL, PERDITA, and CAMILLO*

## **AUTOLYCUS**

I understand the business, I hear it: to have an  
open ear, a quick eye, and a nimble hand, is  
necessary for a cut-purse; a good nose is requisite  
also, to smell out work for the other senses. I see  
this is the time that the unjust man doth thrive.  
What an exchange had this been without boot! What  
a boot is here with this exchange! Sure the gods do  
this year connive at us, and we may do any thing

extempore. The prince himself is about a piece of iniquity, stealing away from his father with his clog at his heels: if I thought it were a piece of honesty to acquaint the king withal, I would not do't: I hold it the more knavery to conceal it; and therein am I constant to my profession.

*Re-enter Clown and Shepherd*

Aside, aside; here is more matter for a hot brain: every lane's end, every shop, church, session, hanging, yields a careful man work.

**Clown**

See, see; what a man you are now!  
There is no other way but to tell the king  
she's a changeling and none of your flesh and blood.

**Shepherd**

Nay, but hear me.

**Clown**

Nay, but hear me.

**Shepherd**

Go to, then.

**Clown**

She being none of your flesh and blood, your flesh and blood has not offended the king; and so your flesh and blood is not to be punished by him. Show those things you found about her, those secret things, all but what she has with her: this being done, let the law go whistle: I warrant you.

**Shepherd**

I will tell the king all, every word, yea, and his son's pranks too; who, I may say, is no honest man, neither to his father nor to me, to go about to make me the king's brother-in-law.

**Clown**

Indeed, brother-in-law was the farthest off you could have been to him and then your blood had been the dearer by I know how much an ounce.

**AUTOLYCUS**

[Aside] Very wisely, puppies!

**Shepherd**

Well, let us to the king: there is that in this fardel will make him scratch his beard.

**AUTOLYCUS**

[Aside] I know not what impediment this complaint may be to the flight of my master.

**Clown**

Pray heartily he be at palace.

**AUTOLYCUS**

[Aside] Though I am not naturally honest, I am so sometimes by chance: let me pocket up my pedlar's excrement.

*Takes off his false beard*

How now, rustics! whither are you bound?

**Shepherd**

To the palace, an it like your worship.

## **AUTOLYCUS**

Your affairs there, what, with whom, the condition of that fardel, the place of your dwelling, your names, your ages, of what having, breeding, and any thing that is fitting to be known, discover.

## **Clown**

We are but plain fellows, sir.

## **AUTOLYCUS**

A lie; you are rough and hairy. Let me have no lying: it becomes none but tradesmen, and they often give us soldiers the lie: but we pay them for it with stamped coin, not stabbing steel; therefore they do not give us the lie.

## **Clown**

Your worship had like to have given us one, if you had not taken yourself with the manner.

## **Shepherd**

Are you a courtier, an't like you, sir?

## **AUTOLYCUS**

Whether it like me or no, I am a courtier. Seest thou not the air of the court in these enfoldings? hath not my gait in it the measure of the court? receives not thy nose court-odor from me? reflect I not on thy baseness court-contempt? Thinkest thou, for that I insinuate, or toaze from thee thy business, I am therefore no courtier? I am courtier cap-a-pe; and one that will either push on or pluck back thy business there: whereupon I command thee to open thy affair.

**Shepherd**

My business, sir, is to the king.

**AUTOLYCUS**

What advocate hast thou to him?

**Shepherd**

I know not, an't like you.

**Clown**

Advocate's the court-word for a pheasant: say you have none.

**Shepherd**

None, sir; I have no pheasant, cock nor hen.

**AUTOLYCUS**

How blessed are we that are not simple men!  
Yet nature might have made me as these are,  
Therefore I will not disdain.

**Clown**

This cannot be but a great courtier.

**Shepherd**

His garments are rich, but he wears  
them not handsomely.

**Clown**

He seems to be the more noble in being fantastical:  
a great man, I'll warrant; I know by the picking  
on's teeth.

## **AUTOLYCUS**

The fardel there? what's i' the fardel?  
Wherefore that box?

## **Shepherd**

Sir, there lies such secrets in this fardel and box,  
which none must know but the king; and which he  
shall know within this hour, if I may come to the  
speech of him.

## **AUTOLYCUS**

Age, thou hast lost thy labour.

## **Shepherd**

Why, sir?

## **AUTOLYCUS**

The king is not at the palace; he is gone aboard a  
new ship to purge melancholy and air himself: for,  
if thou beest capable of things serious, thou must  
know the king is full of grief.

## **Shepard**

So 'tis said, sir; about his son, that should have  
married a shepherd's daughter.

## **AUTOLYCUS**

If that shepherd be not in hand-fast, let him fly:  
the curses he shall have, the tortures he shall  
feel, will break the back of man, the heart of monster.

## **Clown**

Think you so, sir?

## **AUTOLYCUS**

Not he alone shall suffer what wit can make heavy and vengeance bitter; but those that are germane to him, though removed fifty times, shall all come under the hangman: which though it be great pity, yet it is necessary. An old sheep-whistling rogue a ram-tender, to offer to have his daughter come into grace! Some say he shall be stoned; but that death is too soft for him, say I draw our throne into a sheep-cote! all deaths are too few, the sharpest too easy.

## **Clown**

Has the old man e'er a son, sir, do you hear. an't like you, sir?

## **AUTOLYCUS**

He has a son, who shall be flayed alive; then 'nointed over with honey, set on the head of a wasp's nest; then stand till he be three quarters and a dram dead; then recovered again with aqua-vitae or some other hot infusion; then, raw as he is, and in the hottest day prognostication proclaims, shall be set against a brick-wall, the sun looking with a southward eye upon him, where he is to behold him with flies blown to death. But what talk we of these traitorly rascals, whose miseries are to be smiled at, their offences being so capital? Tell me, for you seem to be honest plain men, what you have to the king: being something gently considered, I'll bring you where he is aboard, tender your persons to his presence, whisper him in your behalfs; and if it be in man besides the king to effect your suits, here is man shall do it.

## **Clown**

He seems to be of great authority: close with him,  
give him gold; and though authority be a stubborn  
bear, yet he is oft led by the nose with gold: show  
the inside of your purse to the outside of his hand,  
and no more ado. Remember 'stoned,' and 'flayed alive.'

**Shepherd**

An't please you, sir, to undertake the business for  
us, here is that gold I have: I'll make it as much  
more and leave this young man in pawn till I bring it you.

**AUTOLYCUS**

After I have done what I promised?

**Shepherd**

Ay, sir.

**AUTOLYCUS**

Well, give me the moiety. Are you a party in this business?

**Clown**

In some sort, sir: but though my case be a pitiful  
one, I hope I shall not be flayed out of it.

**AUTOLYCUS**

O, that's the case of the shepherd's son: hang him,  
he'll be made an example.

**Clown**

Comfort, good comfort! We must to the king and show  
our strange sights: he must know 'tis none of your  
daughter nor my sister; we are gone else. Sir, I  
will give you as much as this old man does when the  
business is performed, and remain, as he says, your

pawn till it be brought you.

## **AUTOLYCUS**

I will trust you. Walk before toward the sea-side;  
go on the right hand: I will but look upon the  
hedge and follow you.

## **Clown**

We are blest in this man, as I may say, even blest.

## **Shepherd**

Let's before as he bids us: he was provided to do us good.

*Exeunt Shepherd and Clown*

## **AUTOLYCUS**

If I had a mind to be honest, I see Fortune would  
not suffer me: she drops booties in my mouth. I am  
courted now with a double occasion, gold and a means  
to do the prince my master good; which who knows how  
that may turn back to my advancement? I will bring  
these two moles, these blind ones, aboard him: if he  
think it fit to shore them again and that the  
complaint they have to the king concerns him  
nothing, let him call me rogue for being so far  
officious; for I am proof against that title and  
what shame else belongs to't. To him will I present  
them: there may be matter in it.

*Exit*

# Winter's Tale

[Shakespeare homepage](#) | [Winter's Tale](#) | Act 5, Scene 1

[Previous scene](#) | [Next scene](#)

## SCENE I. A room in LEONTES' palace.

*Enter LEONTES, CLEOMENES, DION, PAULINA, and Servants*

### CLEOMENES

Sir, you have done enough, and have perform'd  
A saint-like sorrow: no fault could you make,  
Which you have not redeem'd; indeed, paid down  
More penitence than done trespass: at the last,  
Do as the heavens have done, forget your evil;  
With them forgive yourself.

### LEONTES

Whilst I remember  
Her and her virtues, I cannot forget  
My blemishes in them, and so still think of  
The wrong I did myself; which was so much,  
That heirless it hath made my kingdom and  
Destroy'd the sweet'st companion that e'er man  
Bred his hopes out of.

### PAULINA

True, too true, my lord:  
If, one by one, you wedded all the world,  
Or from the all that are took something good,  
To make a perfect woman, she you kill'd  
Would be unparallel'd.

### LEONTES

I think so. Kill'd!  
She I kill'd! I did so: but thou strikest me  
Sorely, to say I did; it is as bitter

Upon thy tongue as in my thought: now, good now,  
Say so but seldom.

## CLEOMENES

Not at all, good lady:  
You might have spoken a thousand things that would  
Have done the time more benefit and graced  
Your kindness better.

## PAULINA

You are one of those  
Would have him wed again.

## DION

If you would not so,  
You pity not the state, nor the remembrance  
Of his most sovereign name; consider little  
What dangers, by his highness' fail of issue,  
May drop upon his kingdom and devour  
Uncertain lookers on. What were more holy  
Than to rejoice the former queen is well?  
What holier than, for royalty's repair,  
For present comfort and for future good,  
To bless the bed of majesty again  
With a sweet fellow to't?

## PAULINA

There is none worthy,  
Respecting her that's gone. Besides, the gods  
Will have fulfill'd their secret purposes;  
For has not the divine Apollo said,  
Is't not the tenor of his oracle,  
That King Leontes shall not have an heir  
Till his lost child be found? which that it shall,  
Is all as monstrous to our human reason  
As my Antigonus to break his grave  
And come again to me; who, on my life,  
Did perish with the infant. 'Tis your counsel

My lord should to the heavens be contrary,  
Oppose against their wills.

*To LEONTES*

Care not for issue;  
The crown will find an heir: great Alexander  
Left his to the worthiest; so his successor  
Was like to be the best.

**LEONTES**

Good Paulina,  
Who hast the memory of Hermione,  
I know, in honour, O, that ever I  
Had squared me to thy counsel! then, even now,  
I might have look'd upon my queen's full eyes,  
Have taken treasure from her lips--

**PAULINA**

And left them  
More rich for what they yielded.

**LEONTES**

Thou speak'st truth.  
No more such wives; therefore, no wife: one worse,  
And better used, would make her sainted spirit  
Again possess her corpse, and on this stage,  
Where we're offenders now, appear soul-vex'd,  
And begin, 'Why to me?'

**PAULINA**

Had she such power,  
She had just cause.

**LEONTES**

She had; and would incense me  
To murder her I married.

**PAULINA**

I should so.  
Were I the ghost that walk'd, I'd bid you mark  
Her eye, and tell me for what dull part in't  
You chose her; then I'd shriek, that even your ears  
Should rift to hear me; and the words that follow'd  
Should be 'Remember mine.'

**LEONTES**

Stars, stars,  
And all eyes else dead coals! Fear thou no wife;  
I'll have no wife, Paulina.

**PAULINA**

Will you swear  
Never to marry but by my free leave?

**LEONTES**

Never, Paulina; so be blest my spirit!

**PAULINA**

Then, good my lords, bear witness to his oath.

**CLEOMENES**

You tempt him over-much.

**PAULINA**

Unless another,  
As like Hermione as is her picture,  
Affront his eye.

**CLEOMENES**

Good madam,--

**PAULINA**

I have done.  
Yet, if my lord will marry,--if you will, sir,  
No remedy, but you will,--give me the office  
To choose you a queen: she shall not be so young  
As was your former; but she shall be such  
As, walk'd your first queen's ghost,  
it should take joy  
To see her in your arms.

**LEONTES**

My true Paulina,  
We shall not marry till thou bid'st us.

**PAULINA**

That  
Shall be when your first queen's again in breath;  
Never till then.

*Enter a Gentleman*

**Gentleman**

One that gives out himself Prince Florizel,  
Son of Polixenes, with his princess, she  
The fairest I have yet beheld, desires access  
To your high presence.

**LEONTES**

What with him? he comes not  
Like to his father's greatness: his approach,  
So out of circumstance and sudden, tells us  
'Tis not a visitation framed, but forced  
By need and accident. What train?

**Gentleman**

But few,  
And those but mean.

**LEONTES**

His princess, say you, with him?

**Gentleman**

Ay, the most peerless piece of earth, I think,  
That e'er the sun shone bright on.

**PAULINA**

O Hermione,  
As every present time doth boast itself  
Above a better gone, so must thy grave  
Give way to what's seen now! Sir, you yourself  
Have said and writ so, but your writing now  
Is colder than that theme, 'She had not been,  
Nor was not to be equall'd;'--thus your verse  
Flow'd with her beauty once: 'tis shrewdly ebb'd,  
To say you have seen a better.

**Gentleman**

Pardon, madam:  
The one I have almost forgot,--your pardon,--  
The other, when she has obtain'd your eye,  
Will have your tongue too. This is a creature,  
Would she begin a sect, might quench the zeal  
Of all professors else, make proselytes  
Of who she but bid follow.

**PAULINA**

How! not women?

**Gentleman**

Women will love her, that she is a woman  
More worth than any man; men, that she is  
The rarest of all women.

## LEONTES

Go, Cleomenes;  
Yourself, assisted with your honour'd friends,  
Bring them to our embracement. Still, 'tis strange

*Exeunt CLEOMENES and others*

He thus should steal upon us.

## PAULINA

Had our prince,  
Jewel of children, seen this hour, he had pair'd  
Well with this lord: there was not full a month  
Between their births.

## LEONTES

Prithee, no more; cease; thou know'st  
He dies to me again when talk'd of: sure,  
When I shall see this gentleman, thy speeches  
Will bring me to consider that which may  
Unfurnish me of reason. They are come.

*Re-enter CLEOMENES and others, with FLORIZEL and PERDITA*

Your mother was most true to wedlock, prince;  
For she did print your royal father off,  
Conceiving you: were I but twenty-one,  
Your father's image is so hit in you,  
His very air, that I should call you brother,  
As I did him, and speak of something wildly  
By us perform'd before. Most dearly welcome!  
And your fair princess,--goddess!--O, alas!  
I lost a couple, that 'twixt heaven and earth  
Might thus have stood begetting wonder as  
You, gracious couple, do: and then I lost--

All mine own folly--the society,  
Amity too, of your brave father, whom,  
Though bearing misery, I desire my life  
Once more to look on him.

**FLORIZEL**

By his command  
Have I here touch'd Sicilia and from him  
Give you all greetings that a king, at friend,  
Can send his brother: and, but infirmity  
Which waits upon worn times hath something seized  
His wish'd ability, he had himself  
The lands and waters 'twixt your throne and his  
Measured to look upon you; whom he loves--  
He bade me say so--more than all the sceptres  
And those that bear them living.

**LEONTES**

O my brother,  
Good gentleman! the wrongs I have done thee stir  
Afresh within me, and these thy offices,  
So rarely kind, are as interpreters  
Of my behind-hand slackness. Welcome hither,  
As is the spring to the earth. And hath he too  
Exposed this paragon to the fearful usage,  
At least ungentle, of the dreadful Neptune,  
To greet a man not worth her pains, much less  
The adventure of her person?

**FLORIZEL**

Good my lord,  
She came from Libya.

**LEONTES**

Where the warlike Smalus,  
That noble honour'd lord, is fear'd and loved?

**FLORIZEL**

Most royal sir, from thence; from him, whose daughter  
His tears proclaim'd his, parting with her: thence,  
A prosperous south-wind friendly, we have cross'd,  
To execute the charge my father gave me  
For visiting your highness: my best train  
I have from your Sicilian shores dismiss'd;  
Who for Bohemia bend, to signify  
Not only my success in Libya, sir,  
But my arrival and my wife's in safety  
Here where we are.

## LEONTES

The blessed gods  
Purge all infection from our air whilst you  
Do climate here! You have a holy father,  
A graceful gentleman; against whose person,  
So sacred as it is, I have done sin:  
For which the heavens, taking angry note,  
Have left me issueless; and your father's blest,  
As he from heaven merits it, with you  
Worthy his goodness. What might I have been,  
Might I a son and daughter now have look'd on,  
Such goodly things as you!

*Enter a Lord*

## Lord

Most noble sir,  
That which I shall report will bear no credit,  
Were not the proof so nigh. Please you, great sir,  
Bohemia greets you from himself by me;  
Desires you to attach his son, who has--  
His dignity and duty both cast off--  
Fled from his father, from his hopes, and with  
A shepherd's daughter.

## LEONTES

Where's Bohemia? speak.

**Lord**

Here in your city; I now came from him:  
I speak amazedly; and it becomes  
My marvel and my message. To your court  
Whiles he was hastening, in the chase, it seems,  
Of this fair couple, meets he on the way  
The father of this seeming lady and  
Her brother, having both their country quitted  
With this young prince.

**FLORIZEL**

Camillo has betray'd me;  
Whose honour and whose honesty till now  
Endured all weathers.

**Lord**

Lay't so to his charge:  
He's with the king your father.

**LEONTES**

Who? Camillo?

**Lord**

Camillo, sir; I spake with him; who now  
Has these poor men in question. Never saw I  
Wretches so quake: they kneel, they kiss the earth;  
Forswear themselves as often as they speak:  
Bohemia stops his ears, and threatens them  
With divers deaths in death.

**PERDITA**

O my poor father!  
The heaven sets spies upon us, will not have  
Our contract celebrated.

## LEONTES

You are married?

## FLORIZEL

We are not, sir, nor are we like to be;  
The stars, I see, will kiss the valleys first:  
The odds for high and low's alike.

## LEONTES

My lord,  
Is this the daughter of a king?

## FLORIZEL

She is,  
When once she is my wife.

## LEONTES

That 'once' I see by your good father's speed  
Will come on very slowly. I am sorry,  
Most sorry, you have broken from his liking  
Where you were tied in duty, and as sorry  
Your choice is not so rich in worth as beauty,  
That you might well enjoy her.

## FLORIZEL

Dear, look up:  
Though Fortune, visible an enemy,  
Should chase us with my father, power no jot  
Hath she to change our loves. Beseech you, sir,  
Remember since you owed no more to time  
Than I do now: with thought of such affections,  
Step forth mine advocate; at your request  
My father will grant precious things as trifles.

## LEONTES

Would he do so, I'd beg your precious mistress,  
Which he counts but a trifle.

**PAULINA**

Sir, my liege,  
Your eye hath too much youth in't: not a month  
'Fore your queen died, she was more worth such gazes  
Than what you look on now.

**LEONTES**

I thought of her,  
Even in these looks I made.

*To FLORIZEL*

But your petition  
Is yet unanswer'd. I will to your father:  
Your honour not o'erthrown by your desires,  
I am friend to them and you: upon which errand  
I now go toward him; therefore follow me  
And mark what way I make: come, good my lord.

*Exeunt*

[Previous scene](#) | [Next scene](#)

## SCENE II. Before LEONTES' palace.

*Enter AUTOLYCUS and a Gentleman*

**AUTOLYCUS**

Beseech you, sir, were you present at this relation?

**First Gentleman**

I was by at the opening of the fardel, heard the old shepherd deliver the manner how he found it: whereupon, after a little amazedness, we were all commanded out of the chamber; only this methought I heard the shepherd say, he found the child.

**AUTOLYCUS**

I would most gladly know the issue of it.

**First Gentleman**

I make a broken delivery of the business; but the changes I perceived in the king and Camillo were very notes of admiration: they seemed almost, with staring on one another, to tear the cases of their eyes; there was speech in their dumbness, language in their very gesture; they looked as they had heard of a world ransomed, or one destroyed: a notable passion of wonder appeared in them; but the wisest beholder, that knew no more but seeing, could not say if the importance were joy or sorrow; but in the extremity of the one, it must needs be.

*Enter another Gentleman*

Here comes a gentleman that haply knows more.  
The news, Rogero?

## **Second Gentleman**

Nothing but bonfires: the oracle is fulfilled; the king's daughter is found: such a deal of wonder is broken out within this hour that ballad-makers cannot be able to express it.

*Enter a third Gentleman*

Here comes the Lady Paulina's steward: he can deliver you more. How goes it now, sir? this news which is called true is so like an old tale, that the verity of it is in strong suspicion: has the king found his heir?

## **Third Gentleman**

Most true, if ever truth were pregnant by circumstance: that which you hear you'll swear you see, there is such unity in the proofs. The mantle of Queen Hermione's, her jewel about the neck of it, the letters of Antigonus found with it which they know to be his character, the majesty of the creature in resemblance of the mother, the affection of nobleness which nature shows above her breeding, and many other evidences proclaim her with all certainty to be the king's daughter. Did you see the meeting of the two kings?

## **Second Gentleman**

No.

## **Third Gentleman**

Then have you lost a sight, which was to be seen, cannot be spoken of. There might you have beheld one joy crown another, so and in such manner that it seemed sorrow wept to take leave of them, for their

joy waded in tears. There was casting up of eyes, holding up of hands, with countenances of such distraction that they were to be known by garment, not by favour. Our king, being ready to leap out of himself for joy of his found daughter, as if that joy were now become a loss, cries 'O, thy mother, thy mother!' then asks Bohemia forgiveness; then embraces his son-in-law; then again worries he his daughter with clipping her; now he thanks the old shepherd, which stands by like a weather-bitten conduit of many kings' reigns. I never heard of such another encounter, which lames report to follow it and undoes description to do it.

### **Second Gentleman**

What, pray you, became of Antigonus, that carried hence the child?

### **Third Gentleman**

Like an old tale still, which will have matter to rehearse, though credit be asleep and not an ear open. He was torn to pieces with a bear: this avouches the shepherd's son; who has not only his innocence, which seems much, to justify him, but a handkerchief and rings of his that Paulina knows.

### **First Gentleman**

What became of his bark and his followers?

### **Third Gentleman**

Wrecked the same instant of their master's death and in the view of the shepherd: so that all the instruments which aided to expose the child were even then lost when it was found. But O, the noble combat that 'twixt joy and sorrow was fought in Paulina! She had one eye declined for the loss of her husband, another elevated that the oracle was fulfilled: she lifted the princess from the earth,

and so locks her in embracing, as if she would pin her to her heart that she might no more be in danger of losing.

### **First Gentleman**

The dignity of this act was worth the audience of kings and princes; for by such was it acted.

### **Third Gentleman**

One of the prettiest touches of all and that which angled for mine eyes, caught the water though not the fish, was when, at the relation of the queen's death, with the manner how she came to't bravely confessed and lamented by the king, how attentiveness wounded his daughter; till, from one sign of dolour to another, she did, with an 'Alas,' I would fain say, bleed tears, for I am sure my heart wept blood. Who was most marble there changed colour; some swooned, all sorrowed: if all the world could have seen 't, the woe had been universal.

### **First Gentleman**

Are they returned to the court?

### **Third Gentleman**

No: the princess hearing of her mother's statue, which is in the keeping of Paulina,--a piece many years in doing and now newly performed by that rare Italian master, Julio Romano, who, had he himself eternity and could put breath into his work, would beguile Nature of her custom, so perfectly he is her ape: he so near to Hermione hath done Hermione that they say one would speak to her and stand in hope of answer: thither with all greediness of affection are they gone, and there they intend to sup.

### **Second Gentleman**

I thought she had some great matter there in hand;  
for she hath privately twice or thrice a day, ever  
since the death of Hermione, visited that removed  
house. Shall we thither and with our company piece  
the rejoicing?

### **First Gentleman**

Who would be thence that has the benefit of access?  
every wink of an eye some new grace will be born:  
our absence makes us unthrifty to our knowledge.  
Let's along.

*Exeunt Gentlemen*

### **AUTOLYCUS**

Now, had I not the dash of my former life in me,  
would preferment drop on my head. I brought the old  
man and his son aboard the prince: told him I heard  
them talk of a fardel and I know not what: but he  
at that time, overfond of the shepherd's daughter,  
so he then took her to be, who began to be much  
sea-sick, and himself little better, extremity of  
weather continuing, this mystery remained  
undiscovered. But 'tis all one to me; for had I  
been the finder out of this secret, it would not  
have relished among my other discredits.

*Enter Shepherd and Clown*

Here come those I have done good to against my will,  
and already appearing in the blossoms of their fortune.

### **Shepherd**

Come, boy; I am past moe children, but thy sons and  
daughters will be all gentlemen born.

### **Clown**

You are well met, sir. You denied to fight with me

this other day, because I was no gentleman born.  
See you these clothes? say you see them not and  
think me still no gentleman born: you were best say  
these robes are not gentlemen born: give me the  
lie, do, and try whether I am not now a gentleman born.

## **AUTOLYCUS**

I know you are now, sir, a gentleman born.

## **Clown**

Ay, and have been so any time these four hours.

## **Shepherd**

And so have I, boy.

## **Clown**

So you have: but I was a gentleman born before my  
father; for the king's son took me by the hand, and  
called me brother; and then the two kings called my  
father brother; and then the prince my brother and  
the princess my sister called my father father; and  
so we wept, and there was the first gentleman-like  
tears that ever we shed.

## **Shepherd**

We may live, son, to shed many more.

## **Clown**

Ay; or else 'twere hard luck, being in so  
preposterous estate as we are.

## **AUTOLYCUS**

I humbly beseech you, sir, to pardon me all the  
faults I have committed to your worship and to give

me your good report to the prince my master.

**Shepherd**

Prithee, son, do; for we must be gentle, now we are gentlemen.

**Clown**

Thou wilt amend thy life?

**AUTOLYCUS**

Ay, an it like your good worship.

**Clown**

Give me thy hand: I will swear to the prince thou art as honest a true fellow as any is in Bohemia.

**Shepherd**

You may say it, but not swear it.

**Clown**

Not swear it, now I am a gentleman? Let boors and franklins say it, I'll swear it.

**Shepherd**

How if it be false, son?

**Clown**

If it be ne'er so false, a true gentleman may swear it in the behalf of his friend: and I'll swear to the prince thou art a tall fellow of thy hands and that thou wilt not be drunk; but I know thou art no tall fellow of thy hands and that thou wilt be drunk: but I'll swear it, and I would thou wouldst

be a tall fellow of thy hands.

## **AUTOLYCUS**

I will prove so, sir, to my power.

## **Clown**

Ay, by any means prove a tall fellow: if I do not wonder how thou darest venture to be drunk, not being a tall fellow, trust me not. Hark! the kings and the princes, our kindred, are going to see the queen's picture. Come, follow us: we'll be thy good masters.

*Exeunt*

## SCENE III. A chapel in PAULINA'S house.

*Enter LEONTES, POLIXENES, FLORIZEL, PERDITA, CAMILLO, PAULINA, Lords, and Attendants*

### LEONTES

O grave and good Paulina, the great comfort  
That I have had of thee!

### PAULINA

What, sovereign sir,  
I did not well I meant well. All my services  
You have paid home: but that you have vouchsafed,  
With your crown'd brother and these your contracted  
Heirs of your kingdoms, my poor house to visit,  
It is a surplus of your grace, which never  
My life may last to answer.

### LEONTES

O Paulina,  
We honour you with trouble: but we came  
To see the statue of our queen: your gallery  
Have we pass'd through, not without much content  
In many singularities; but we saw not  
That which my daughter came to look upon,  
The statue of her mother.

### PAULINA

As she lived peerless,  
So her dead likeness, I do well believe,  
Excels whatever yet you look'd upon  
Or hand of man hath done; therefore I keep it

Lonely, apart. But here it is: prepare  
To see the life as lively mock'd as ever  
Still sleep mock'd death: behold, and say 'tis well.

*PAULINA draws a curtain, and discovers HERMIONE standing like a statue*

I like your silence, it the more shows off  
Your wonder: but yet speak; first, you, my liege,  
Comes it not something near?

## **LEONTES**

Her natural posture!  
Chide me, dear stone, that I may say indeed  
Thou art Hermione; or rather, thou art she  
In thy not chiding, for she was as tender  
As infancy and grace. But yet, Paulina,  
Hermione was not so much wrinkled, nothing  
So aged as this seems.

## **POLIXENES**

O, not by much.

## **PAULINA**

So much the more our carver's excellence;  
Which lets go by some sixteen years and makes her  
As she lived now.

## **LEONTES**

As now she might have done,  
So much to my good comfort, as it is  
Now piercing to my soul. O, thus she stood,  
Even with such life of majesty, warm life,  
As now it coldly stands, when first I woo'd her!  
I am ashamed: does not the stone rebuke me  
For being more stone than it? O royal piece,  
There's magic in thy majesty, which has  
My evils conjured to remembrance and  
From thy admiring daughter took the spirits,

Standing like stone with thee.

**PERDITA**

And give me leave,  
And do not say 'tis superstition, that  
I kneel and then implore her blessing. Lady,  
Dear queen, that ended when I but began,  
Give me that hand of yours to kiss.

**PAULINA**

O, patience!  
The statue is but newly fix'd, the colour's Not dry.

**CAMILLO**

My lord, your sorrow was too sore laid on,  
Which sixteen winters cannot blow away,  
So many summers dry; scarce any joy  
Did ever so long live; no sorrow  
But kill'd itself much sooner.

**POLIXENES**

Dear my brother,  
Let him that was the cause of this have power  
To take off so much grief from you as he  
Will piece up in himself.

**PAULINA**

Indeed, my lord,  
If I had thought the sight of my poor image  
Would thus have wrought you,--for the stone is mine--  
I'd not have show'd it.

**LEONTES**

Do not draw the curtain.

**PAULINA**

No longer shall you gaze on't, lest your fancy  
May think anon it moves.

**LEONTES**

Let be, let be.  
Would I were dead, but that, methinks, already--  
What was he that did make it? See, my lord,  
Would you not deem it breathed? and that those veins  
Did verily bear blood?

**POLIXENES**

Masterly done:  
The very life seems warm upon her lip.

**LEONTES**

The fixture of her eye has motion in't,  
As we are mock'd with art.

**PAULINA**

I'll draw the curtain:  
My lord's almost so far transported that  
He'll think anon it lives.

**LEONTES**

O sweet Paulina,  
Make me to think so twenty years together!  
No settled senses of the world can match  
The pleasure of that madness. Let 't alone.

**PAULINA**

I am sorry, sir, I have thus far stirr'd you: but  
I could afflict you farther.

## LEONTES

Do, Paulina;  
For this affliction has a taste as sweet  
As any cordial comfort. Still, methinks,  
There is an air comes from her: what fine chisel  
Could ever yet cut breath? Let no man mock me,  
For I will kiss her.

## PAULINA

Good my lord, forbear:  
The ruddiness upon her lip is wet;  
You'll mar it if you kiss it, stain your own  
With oily painting. Shall I draw the curtain?

## LEONTES

No, not these twenty years.

## PERDITA

So long could I  
Stand by, a looker on.

## PAULINA

Either forbear,  
Quit presently the chapel, or resolve you  
For more amazement. If you can behold it,  
I'll make the statue move indeed, descend  
And take you by the hand; but then you'll think--  
Which I protest against--I am assisted  
By wicked powers.

## LEONTES

What you can make her do,  
I am content to look on: what to speak,  
I am content to hear; for 'tis as easy  
To make her speak as move.

## PAULINA

It is required  
You do awake your faith. Then all stand still;  
On: those that think it is unlawful business  
I am about, let them depart.

## LEONTES

Proceed:  
No foot shall stir.

## PAULINA

Music, awake her; strike!

*Music*

'Tis time; descend; be stone no more; approach;  
Strike all that look upon with marvel. Come,  
I'll fill your grave up: stir, nay, come away,  
Bequeath to death your numbness, for from him  
Dear life redeems you. You perceive she stirs:

*HERMIONE comes down*

Start not; her actions shall be holy as  
You hear my spell is lawful: do not shun her  
Until you see her die again; for then  
You kill her double. Nay, present your hand:  
When she was young you woo'd her; now in age  
Is she become the suitor?

## LEONTES

O, she's warm!  
If this be magic, let it be an art  
Lawful as eating.

## POLIXENES

She embraces him.

## **CAMILLO**

She hangs about his neck:  
If she pertain to life let her speak too.

## **POLIXENES**

Ay, and make't manifest where she has lived,  
Or how stolen from the dead.

## **PAULINA**

That she is living,  
Were it but told you, should be hooted at  
Like an old tale: but it appears she lives,  
Though yet she speak not. Mark a little while.  
Please you to interpose, fair madam: kneel  
And pray your mother's blessing. Turn, good lady;  
Our Perdita is found.

## **HERMIONE**

You gods, look down  
And from your sacred vials pour your graces  
Upon my daughter's head! Tell me, mine own.  
Where hast thou been preserved? where lived? how found  
Thy father's court? for thou shalt hear that I,  
Knowing by Paulina that the oracle  
Gave hope thou wast in being, have preserved  
Myself to see the issue.

## **PAULINA**

There's time enough for that;  
Lest they desire upon this push to trouble  
Your joys with like relation. Go together,  
You precious winners all; your exultation  
Partake to every one. I, an old turtle,  
Will wing me to some wither'd bough and there  
My mate, that's never to be found again,

Lament till I am lost.

## LEONTES

O, peace, Paulina!  
Thou shouldst a husband take by my consent,  
As I by thine a wife: this is a match,  
And made between's by vows. Thou hast found mine;  
But how, is to be question'd; for I saw her,  
As I thought, dead, and have in vain said many  
A prayer upon her grave. I'll not seek far--  
For him, I partly know his mind--to find thee  
An honourable husband. Come, Camillo,  
And take her by the hand, whose worth and honesty  
Is richly noted and here justified  
By us, a pair of kings. Let's from this place.  
What! look upon my brother: both your pardons,  
That e'er I put between your holy looks  
My ill suspicion. This is your son-in-law,  
And son unto the king, who, heavens directing,  
Is troth-plight to your daughter. Good Paulina,  
Lead us from hence, where we may leisurely  
Each one demand an answer to his part  
Perform'd in this wide gap of time since first  
We were dissever'd: hastily lead away.

*Exeunt*

## SCENE I. London. The palace.

*Enter KING HENRY, LORD JOHN OF LANCASTER, the EARL of WESTMORELAND, SIR WALTER BLUNT, and others*

### KING HENRY IV

So shaken as we are, so wan with care,  
Find we a time for frightened peace to pant,  
And breathe short-winded accents of new broils  
To be commenced in strands afar remote.  
No more the thirsty entrance of this soil  
Shall daub her lips with her own children's blood;  
Nor more shall trenching war channel her fields,  
Nor bruise her flowerets with the armed hoofs  
Of hostile paces: those opposed eyes,  
Which, like the meteors of a troubled heaven,  
All of one nature, of one substance bred,  
Did lately meet in the intestine shock  
And furious close of civil butchery  
Shall now, in mutual well-beseeming ranks,  
March all one way and be no more opposed  
Against acquaintance, kindred and allies:  
The edge of war, like an ill-sheathed knife,  
No more shall cut his master. Therefore, friends,  
As far as to the sepulchre of Christ,  
Whose soldier now, under whose blessed cross  
We are impressed and engaged to fight,  
Forthwith a power of English shall we levy;  
Whose arms were moulded in their mothers' womb  
To chase these pagans in those holy fields  
Over whose acres walk'd those blessed feet  
Which fourteen hundred years ago were nail'd  
For our advantage on the bitter cross.  
But this our purpose now is twelve month old,  
And bootless 'tis to tell you we will go:  
Therefore we meet not now. Then let me hear

Of you, my gentle cousin Westmoreland,  
What yesternight our council did decree  
In forwarding this dear expedience.

## **WESTMORELAND**

My liege, this haste was hot in question,  
And many limits of the charge set down  
But yesternight: when all athwart there came  
A post from Wales loaden with heavy news;  
Whose worst was, that the noble Mortimer,  
Leading the men of Herefordshire to fight  
Against the irregular and wild Glendower,  
Was by the rude hands of that Welshman taken,  
A thousand of his people butchered;  
Upon whose dead corpse there was such misuse,  
Such beastly shameless transformation,  
By those Welshwomen done as may not be  
Without much shame retold or spoken of.

## **KING HENRY IV**

It seems then that the tidings of this broil  
Brake off our business for the Holy Land.

## **WESTMORELAND**

This match'd with other did, my gracious lord;  
For more uneven and unwelcome news  
Came from the north and thus it did import:  
On Holy-rood day, the gallant Hotspur there,  
Young Harry Percy and brave Archibald,  
That ever-valiant and approved Scot,  
At Holmedon met,  
Where they did spend a sad and bloody hour,  
As by discharge of their artillery,  
And shape of likelihood, the news was told;  
For he that brought them, in the very heat  
And pride of their contention did take horse,  
Uncertain of the issue any way.

## **KING HENRY IV**

Here is a dear, a true industrious friend,  
Sir Walter Blunt, new lighted from his horse.  
Stain'd with the variation of each soil  
Betwixt that Holmedon and this seat of ours;  
And he hath brought us smooth and welcome news.  
The Earl of Douglas is discomfited:  
Ten thousand bold Scots, two and twenty knights,  
Balk'd in their own blood did Sir Walter see  
On Holmedon's plains. Of prisoners, Hotspur took  
Mordake the Earl of Fife, and eldest son  
To beaten Douglas; and the Earl of Athol,  
Of Murray, Angus, and Menteith:  
And is not this an honourable spoil?  
A gallant prize? ha, cousin, is it not?

## **WESTMORELAND**

In faith,  
It is a conquest for a prince to boast of.

## **KING HENRY IV**

Yea, there thou makest me sad and makest me sin  
In envy that my Lord Northumberland  
Should be the father to so blest a son,  
A son who is the theme of honour's tongue;  
Amongst a grove, the very straightest plant;  
Who is sweet Fortune's minion and her pride:  
Whilst I, by looking on the praise of him,  
See riot and dishonour stain the brow  
Of my young Harry. O that it could be proved  
That some night-tripping fairy had exchanged  
In cradle-clothes our children where they lay,  
And call'd mine Percy, his Plantagenet!  
Then would I have his Harry, and he mine.  
But let him from my thoughts. What think you, coz,  
Of this young Percy's pride? the prisoners,  
Which he in this adventure hath surprised,  
To his own use he keeps; and sends me word,  
I shall have none but Mordake Earl of Fife.

## **WESTMORELAND**

This is his uncle's teaching; this is Worcester,  
Malevolent to you in all aspects;  
Which makes him prune himself, and bristle up  
The crest of youth against your dignity.

## **KING HENRY IV**

But I have sent for him to answer this;  
And for this cause awhile we must neglect  
Our holy purpose to Jerusalem.  
Cousin, on Wednesday next our council we  
Will hold at Windsor; so inform the lords:  
But come yourself with speed to us again;  
For more is to be said and to be done  
Than out of anger can be uttered.

## **WESTMORELAND**

I will, my liege.

*Exeunt*

## SCENE II. London. An apartment of the Prince's.

*Enter the PRINCE OF WALES and FALSTAFF*

**FALSTAFF**

Now, Hal, what time of day is it, lad?

**PRINCE HENRY**

Thou art so fat-witted, with drinking of old sack and unbuttoning thee after supper and sleeping upon benches after noon, that thou hast forgotten to demand that truly which thou wouldst truly know. What a devil hast thou to do with the time of the day? Unless hours were cups of sack and minutes capons and clocks the tongues of bawds and dials the signs of leaping-houses and the blessed sun himself a fair hot wench in flame-coloured taffeta, I see no reason why thou shouldst be so superfluous to demand the time of the day.

**FALSTAFF**

Indeed, you come near me now, Hal; for we that take purses go by the moon and the seven stars, and not by Phoebus, he, 'that wandering knight so fair.' And, I prithee, sweet wag, when thou art king, as, God save thy grace,--majesty I should say, for grace thou wilt have none,--

**PRINCE HENRY**

What, none?

**FALSTAFF**

No, by my troth, not so much as will serve to  
prologue to an egg and butter.

**PRINCE HENRY**

Well, how then? come, roundly, roundly.

**FALSTAFF**

Marry, then, sweet wag, when thou art king, let not  
us that are squires of the night's body be called  
thieves of the day's beauty: let us be Diana's  
foresters, gentlemen of the shade, minions of the  
moon; and let men say we be men of good government,  
being governed, as the sea is, by our noble and  
chaste mistress the moon, under whose countenance we steal.

**PRINCE HENRY**

Thou sayest well, and it holds well too; for the  
fortune of us that are the moon's men doth ebb and  
flow like the sea, being governed, as the sea is,  
by the moon. As, for proof, now: a purse of gold  
most resolutely snatched on Monday night and most  
dissolutely spent on Tuesday morning; got with  
swearing 'Lay by' and spent with crying 'Bring in;'  
now in as low an ebb as the foot of the ladder  
and by and by in as high a flow as the ridge of the gallows.

**FALSTAFF**

By the Lord, thou sayest true, lad. And is not my  
hostess of the tavern a most sweet wench?

**PRINCE HENRY**

As the honey of Hybla, my old lad of the castle. And  
is not a buff jerkin a most sweet robe of durance?

**FALSTAFF**

How now, how now, mad wag! what, in thy quips and thy quiddities? what a plague have I to do with a buff jerkin?

**PRINCE HENRY**

Why, what a pox have I to do with my hostess of the tavern?

**FALSTAFF**

Well, thou hast called her to a reckoning many a time and oft.

**PRINCE HENRY**

Did I ever call for thee to pay thy part?

**FALSTAFF**

No; I'll give thee thy due, thou hast paid all there.

**PRINCE HENRY**

Yea, and elsewhere, so far as my coin would stretch; and where it would not, I have used my credit.

**FALSTAFF**

Yea, and so used it that were it not here apparent that thou art heir apparent--But, I prithee, sweet wag, shall there be gallows standing in England when thou art king? and resolution thus fobbed as it is with the rusty curb of old father antic the law? Do not thou, when thou art king, hang a thief.

**PRINCE HENRY**

No; thou shalt.

**FALSTAFF**

Shall I? O rare! By the Lord, I'll be a brave judge.

**PRINCE HENRY**

Thou judgest false already: I mean, thou shalt have the hanging of the thieves and so become a rare hangman.

**FALSTAFF**

Well, Hal, well; and in some sort it jumps with my humour as well as waiting in the court, I can tell you.

**PRINCE HENRY**

For obtaining of suits?

**FALSTAFF**

Yea, for obtaining of suits, whereof the hangman hath no lean wardrobe. 'Sblood, I am as melancholy as a gib cat or a lugged bear.

**PRINCE HENRY**

Or an old lion, or a lover's lute.

**FALSTAFF**

Yea, or the drone of a Lincolnshire bagpipe.

**PRINCE HENRY**

What sayest thou to a hare, or the melancholy of Moor-ditch?

**FALSTAFF**

Thou hast the most unsavoury similes and art indeed the most comparative, rascalliest, sweet young prince. But, Hal, I prithee, trouble me no more

with vanity. I would to God thou and I knew where a commodity of good names were to be bought. An old lord of the council rated me the other day in the street about you, sir, but I marked him not; and yet he talked very wisely, but I regarded him not; and yet he talked wisely, and in the street too.

**PRINCE HENRY**

Thou didst well; for wisdom cries out in the streets, and no man regards it.

**FALSTAFF**

O, thou hast damnable iteration and art indeed able to corrupt a saint. Thou hast done much harm upon me, Hal; God forgive thee for it! Before I knew thee, Hal, I knew nothing; and now am I, if a man should speak truly, little better than one of the wicked. I must give over this life, and I will give it over: by the Lord, and I do not, I am a villain: I'll be damned for never a king's son in Christendom.

**PRINCE HENRY**

Where shall we take a purse tomorrow, Jack?

**FALSTAFF**

'Zounds, where thou wilt, lad; I'll make one; an I do not, call me villain and baffle me.

**PRINCE HENRY**

I see a good amendment of life in thee; from praying to purse-taking.

**FALSTAFF**

Why, Hal, 'tis my vocation, Hal; 'tis no sin for a man to labour in his vocation.

*Enter POINS*

Poins! Now shall we know if Gadshill have set a match. O, if men were to be saved by merit, what hole in hell were hot enough for him? This is the most omnipotent villain that ever cried 'Stand' to a true man.

**PRINCE HENRY**

Good morrow, Ned.

**POINS**

Good morrow, sweet Hal. What says Monsieur Remorse? what says Sir John Sack and Sugar? Jack! how agrees the devil and thee about thy soul, that thou soldest him on Good-Friday last for a cup of Madeira and a cold capon's leg?

**PRINCE HENRY**

Sir John stands to his word, the devil shall have his bargain; for he was never yet a breaker of proverbs: he will give the devil his due.

**POINS**

Then art thou damned for keeping thy word with the devil.

**PRINCE HENRY**

Else he had been damned for cozening the devil.

**POINS**

But, my lads, my lads, to-morrow morning, by four o'clock, early at Gadshill! there are pilgrims going to Canterbury with rich offerings, and traders riding to London with fat purses: I have vizards

for you all; you have horses for yourselves:  
Gadshill lies to-night in Rochester: I have bespoke  
supper to-morrow night in Eastcheap: we may do it  
as secure as sleep. If you will go, I will stuff  
your purses full of crowns; if you will not, tarry  
at home and be hanged.

**FALSTAFF**

Hear ye, Yedward; if I tarry at home and go not,  
I'll hang you for going.

**POINS**

You will, chops?

**FALSTAFF**

Hal, wilt thou make one?

**PRINCE HENRY**

Who, I rob? I a thief? not I, by my faith.

**FALSTAFF**

There's neither honesty, manhood, nor good  
fellowship in thee, nor thou camest not of the blood  
royal, if thou darest not stand for ten shillings.

**PRINCE HENRY**

Well then, once in my days I'll be a madcap.

**FALSTAFF**

Why, that's well said.

**PRINCE HENRY**

Well, come what will, I'll tarry at home.

**FALSTAFF**

By the Lord, I'll be a traitor then, when thou art king.

**PRINCE HENRY**

I care not.

**POINS**

Sir John, I prithee, leave the prince and me alone:  
I will lay him down such reasons for this adventure  
that he shall go.

**FALSTAFF**

Well, God give thee the spirit of persuasion and him  
the ears of profiting, that what thou speakest may  
move and what he hears may be believed, that the  
true prince may, for recreation sake, prove a false  
thief; for the poor abuses of the time want  
countenance. Farewell: you shall find me in Eastcheap.

**PRINCE HENRY**

Farewell, thou latter spring! farewell, All-hallown summer!

*Exit Falstaff*

**POINS**

Now, my good sweet honey lord, ride with us  
to-morrow: I have a jest to execute that I cannot  
manage alone. Falstaff, Bardolph, Peto and Gadshill  
shall rob those men that we have already waylaid:  
yourself and I will not be there; and when they  
have the booty, if you and I do not rob them, cut  
this head off from my shoulders.

**PRINCE HENRY**

How shall we part with them in setting forth?

**POINS**

Why, we will set forth before or after them, and appoint them a place of meeting, wherein it is at our pleasure to fail, and then will they adventure upon the exploit themselves; which they shall have no sooner achieved, but we'll set upon them.

**PRINCE HENRY**

Yea, but 'tis like that they will know us by our horses, by our habits and by every other appointment, to be ourselves.

**POINS**

Tut! our horses they shall not see: I'll tie them in the wood; our vizards we will change after we leave them: and, sirrah, I have cases of buckram for the nonce, to immask our noted outward garments.

**PRINCE HENRY**

Yea, but I doubt they will be too hard for us.

**POINS**

Well, for two of them, I know them to be as true-bred cowards as ever turned back; and for the third, if he fight longer than he sees reason, I'll forswear arms. The virtue of this jest will be, the incomprehensible lies that this same fat rogue will tell us when we meet at supper: how thirty, at least, he fought with; what wards, what blows, what extremities he endured; and in the reproof of this lies the jest.

**PRINCE HENRY**

Well, I'll go with thee: provide us all things  
necessary and meet me to-morrow night in Eastcheap;  
there I'll sup. Farewell.

## **POINS**

Farewell, my lord.

*Exit Poins*

## **PRINCE HENRY**

I know you all, and will awhile uphold  
The unyoked humour of your idleness:  
Yet herein will I imitate the sun,  
Who doth permit the base contagious clouds  
To smother up his beauty from the world,  
That, when he please again to be himself,  
Being wanted, he may be more wonder'd at,  
By breaking through the foul and ugly mists  
Of vapours that did seem to strangle him.  
If all the year were playing holidays,  
To sport would be as tedious as to work;  
But when they seldom come, they wish'd for come,  
And nothing pleaseth but rare accidents.  
So, when this loose behavior I throw off  
And pay the debt I never promised,  
By how much better than my word I am,  
By so much shall I falsify men's hopes;  
And like bright metal on a sullen ground,  
My reformation, glittering o'er my fault,  
Shall show more goodly and attract more eyes  
Than that which hath no foil to set it off.  
I'll so offend, to make offence a skill;  
Redeeming time when men think least I will.

*Exit*

## SCENE III. London. The palace.

*Enter the KING, NORTHUMBERLAND, WORCESTER, HOTSPUR, SIR WALTER BLUNT, with others*

### KING HENRY IV

My blood hath been too cold and temperate,  
Unapt to stir at these indignities,  
And you have found me; for accordingly  
You tread upon my patience: but be sure  
I will from henceforth rather be myself,  
Mighty and to be fear'd, than my condition;  
Which hath been smooth as oil, soft as young down,  
And therefore lost that title of respect  
Which the proud soul ne'er pays but to the proud.

### EARL OF WORCESTER

Our house, my sovereign liege, little deserves  
The scourge of greatness to be used on it;  
And that same greatness too which our own hands  
Have help to make so portly.

### NORTHUMBERLAND

My lord.--

### KING HENRY IV

Worcester, get thee gone; for I do see  
Danger and disobedience in thine eye:  
O, sir, your presence is too bold and peremptory,  
And majesty might never yet endure  
The moody frontier of a servant brow.  
You have good leave to leave us: when we need

Your use and counsel, we shall send for you.

*Exit Worcester*

You were about to speak.

*To North*

## **NORTHUMBERLAND**

Yea, my good lord.  
Those prisoners in your highness' name demanded,  
Which Harry Percy here at Holmedon took,  
Were, as he says, not with such strength denied  
As is deliver'd to your majesty:  
Either envy, therefore, or misprison  
Is guilty of this fault and not my son.

## **HOTSPUR**

My liege, I did deny no prisoners.  
But I remember, when the fight was done,  
When I was dry with rage and extreme toil,  
Breathless and faint, leaning upon my sword,  
Came there a certain lord, neat, and trimly dress'd,  
Fresh as a bridegroom; and his chin new reap'd  
Show'd like a stubble-land at harvest-home;  
He was perfum'd like a milliner;  
And 'twixt his finger and his thumb he held  
A pouncet-box, which ever and anon  
He gave his nose and took't away again;  
Who therewith angry, when it next came there,  
Took it in snuff; and still he smiled and talk'd,  
And as the soldiers bore dead bodies by,  
He call'd them untaught knaves, unmannerly,  
To bring a slovenly unhandsome corse  
Betwixt the wind and his nobility.  
With many holiday and lady terms  
He question'd me; amongst the rest, demanded  
My prisoners in your majesty's behalf.  
I then, all smarting with my wounds being cold,  
To be so pester'd with a popinjay,

Out of my grief and my impatience,  
Answer'd neglectingly I know not what,  
He should or he should not; for he made me mad  
To see him shine so brisk and smell so sweet  
And talk so like a waiting-gentlewoman  
Of guns and drums and wounds,--God save the mark!--  
And telling me the sovereign'st thing on earth  
Was parmaceti for an inward bruise;  
And that it was great pity, so it was,  
This villanous salt-petre should be digg'd  
Out of the bowels of the harmless earth,  
Which many a good tall fellow had destroy'd  
So cowardly; and but for these vile guns,  
He would himself have been a soldier.  
This bald unjointed chat of his, my lord,  
I answer'd indirectly, as I said;  
And I beseech you, let not his report  
Come current for an accusation  
Betwixt my love and your high majesty.

#### **SIR WALTER BLUNT**

The circumstance consider'd, good my lord,  
Whate'er Lord Harry Percy then had said  
To such a person and in such a place,  
At such a time, with all the rest retold,  
May reasonably die and never rise  
To do him wrong or any way impeach  
What then he said, so he unsay it now.

#### **KING HENRY IV**

Why, yet he doth deny his prisoners,  
But with proviso and exception,  
That we at our own charge shall ransom straight  
His brother-in-law, the foolish Mortimer;  
Who, on my soul, hath wilfully betray'd  
The lives of those that he did lead to fight  
Against that great magician, damn'd Glendower,  
Whose daughter, as we hear, the Earl of March  
Hath lately married. Shall our coffers, then,  
Be emptied to redeem a traitor home?  
Shall we but treason? and indent with fears,

When they have lost and forfeited themselves?  
No, on the barren mountains let him starve;  
For I shall never hold that man my friend  
Whose tongue shall ask me for one penny cost  
To ransom home revolted Mortimer.

## **HOTSPUR**

Revolted Mortimer!  
He never did fall off, my sovereign liege,  
But by the chance of war; to prove that true  
Needs no more but one tongue for all those wounds,  
Those mouthed wounds, which valiantly he took  
When on the gentle Severn's sedgy bank,  
In single opposition, hand to hand,  
He did confound the best part of an hour  
In changing hardiment with great Glendower:  
Three times they breathed and three times did  
they drink,  
Upon agreement, of swift Severn's flood;  
Who then, affrighted with their bloody looks,  
Ran fearfully among the trembling reeds,  
And hid his crisp head in the hollow bank,  
Bloodstained with these valiant combatants.  
Never did base and rotten policy  
Colour her working with such deadly wounds;  
Nor could the noble Mortimer  
Receive so many, and all willingly:  
Then let not him be slander'd with revolt.

## **KING HENRY IV**

Thou dost belie him, Percy, thou dost belie him;  
He never did encounter with Glendower:  
I tell thee,  
He durst as well have met the devil alone  
As Owen Glendower for an enemy.  
Art thou not ashamed? But, sirrah, henceforth  
Let me not hear you speak of Mortimer:  
Send me your prisoners with the speediest means,  
Or you shall hear in such a kind from me  
As will displease you. My Lord Northumberland,  
We licence your departure with your son.

Send us your prisoners, or you will hear of it.

*Exeunt King Henry, Blunt, and train*

## **HOTSPUR**

An if the devil come and roar for them,  
I will not send them: I will after straight  
And tell him so; for I will ease my heart,  
Albeit I make a hazard of my head.

## **NORTHUMBERLAND**

What, drunk with choler? stay and pause awhile:  
Here comes your uncle.

*Re-enter WORCESTER*

## **HOTSPUR**

Speak of Mortimer!  
'Zounds, I will speak of him; and let my soul  
Want mercy, if I do not join with him:  
Yea, on his part I'll empty all these veins,  
And shed my dear blood drop by drop in the dust,  
But I will lift the down-trod Mortimer  
As high in the air as this unthankful king,  
As this ingrate and canker'd Bolingbroke.

## **NORTHUMBERLAND**

Brother, the king hath made your nephew mad.

## **EARL OF WORCESTER**

Who struck this heat up after I was gone?

## **HOTSPUR**

He will, forsooth, have all my prisoners;  
And when I urged the ransom once again

Of my wife's brother, then his cheek look'd pale,  
And on my face he turn'd an eye of death,  
Trembling even at the name of Mortimer.

### **EARL OF WORCESTER**

I cannot blame him: was not he proclaim'd  
By Richard that dead is the next of blood?

### **NORTHUMBERLAND**

He was; I heard the proclamation:  
And then it was when the unhappy king,  
--Whose wrongs in us God pardon!--did set forth  
Upon his Irish expedition;  
From whence he intercepted did return  
To be deposed and shortly murdered.

### **EARL OF WORCESTER**

And for whose death we in the world's wide mouth  
Live scandalized and foully spoken of.

### **HOTSPUR**

But soft, I pray you; did King Richard then  
Proclaim my brother Edmund Mortimer  
Heir to the crown?

### **NORTHUMBERLAND**

He did; myself did hear it.

### **HOTSPUR**

Nay, then I cannot blame his cousin king,  
That wish'd him on the barren mountains starve.  
But shall it be that you, that set the crown  
Upon the head of this forgetful man  
And for his sake wear the detested blot  
Of murderous subornation, shall it be,  
That you a world of curses undergo,

Being the agents, or base second means,  
The cords, the ladder, or the hangman rather?  
O, pardon me that I descend so low,  
To show the line and the predicament  
Wherein you range under this subtle king;  
Shall it for shame be spoken in these days,  
Or fill up chronicles in time to come,  
That men of your nobility and power  
Did gage them both in an unjust behalf,  
As both of you--God pardon it!--have done,  
To put down Richard, that sweet lovely rose,  
An plant this thorn, this canker, Bolingbroke?  
And shall it in more shame be further spoken,  
That you are fool'd, discarded and shook off  
By him for whom these shames ye underwent?  
No; yet time serves wherein you may redeem  
Your banish'd honours and restore yourselves  
Into the good thoughts of the world again,  
Revenge the jeering and disdain'd contempt  
Of this proud king, who studies day and night  
To answer all the debt he owes to you  
Even with the bloody payment of your deaths:  
Therefore, I say--

## **EARL OF WORCESTER**

Peace, cousin, say no more:  
And now I will unclasp a secret book,  
And to your quick-conceiving discontents  
I'll read you matter deep and dangerous,  
As full of peril and adventurous spirit  
As to o'er-walk a current roaring loud  
On the unsteadfast footing of a spear.

## **HOTSPUR**

If he fall in, good night! or sink or swim:  
Send danger from the east unto the west,  
So honour cross it from the north to south,  
And let them grapple: O, the blood more stirs  
To rouse a lion than to start a hare!

## **NORTHUMBERLAND**

Imagination of some great exploit  
Drives him beyond the bounds of patience.

## **HOTSPUR**

By heaven, methinks it were an easy leap,  
To pluck bright honour from the pale-faced moon,  
Or dive into the bottom of the deep,  
Where fathom-line could never touch the ground,  
And pluck up drowned honour by the locks;  
So he that doth redeem her thence might wear  
Without corrival, all her dignities:  
But out upon this half-faced fellowship!

## **EARL OF WORCESTER**

He apprehends a world of figures here,  
But not the form of what he should attend.  
Good cousin, give me audience for a while.

## **HOTSPUR**

I cry you mercy.

## **EARL OF WORCESTER**

Those same noble Scots  
That are your prisoners,--

## **HOTSPUR**

I'll keep them all;  
By God, he shall not have a Scot of them;  
No, if a Scot would save his soul, he shall not:  
I'll keep them, by this hand.

## **EARL OF WORCESTER**

You start away

And lend no ear unto my purposes.  
Those prisoners you shall keep.

## **HOTSPUR**

Nay, I will; that's flat:  
He said he would not ransom Mortimer;  
Forbad my tongue to speak of Mortimer;  
But I will find him when he lies asleep,  
And in his ear I'll holla 'Mortimer!'  
Nay,  
I'll have a starling shall be taught to speak  
Nothing but 'Mortimer,' and give it him  
To keep his anger still in motion.

## **EARL OF WORCESTER**

Hear you, cousin; a word.

## **HOTSPUR**

All studies here I solemnly defy,  
Save how to gall and pinch this Bolingbroke:  
And that same sword-and-buckler Prince of Wales,  
But that I think his father loves him not  
And would be glad he met with some mischance,  
I would have him poison'd with a pot of ale.

## **EARL OF WORCESTER**

Farewell, kinsman: I'll talk to you  
When you are better temper'd to attend.

## **NORTHUMBERLAND**

Why, what a wasp-stung and impatient fool  
Art thou to break into this woman's mood,  
Tying thine ear to no tongue but thine own!

## **HOTSPUR**

Why, look you, I am whipp'd and scourged with rods,

Nettled and stung with pismires, when I hear  
Of this vile politician, Bolingbroke.  
In Richard's time,--what do you call the place?--  
A plague upon it, it is in Gloucestershire;  
'Twas where the madcap duke his uncle kept,  
His uncle York; where I first bow'd my knee  
Unto this king of smiles, this Bolingbroke,--  
'Sblood!--  
When you and he came back from Ravenspurgh.

## **NORTHUMBERLAND**

At Berkley castle.

## **HOTSPUR**

You say true:  
Why, what a candy deal of courtesy  
This fawning greyhound then did proffer me!  
Look, 'when his infant fortune came to age,'  
And 'gentle Harry Percy,' and 'kind cousin;'  
O, the devil take such cozeners! God forgive me!  
Good uncle, tell your tale; I have done.

## **EARL OF WORCESTER**

Nay, if you have not, to it again;  
We will stay your leisure.

## **HOTSPUR**

I have done, i' faith.

## **EARL OF WORCESTER**

Then once more to your Scottish prisoners.  
Deliver them up without their ransom straight,  
And make the Douglas' son your only mean  
For powers in Scotland; which, for divers reasons  
Which I shall send you written, be assured,  
Will easily be granted. You, my lord,

*To Northumberland*

Your son in Scotland being thus employ'd,  
Shall secretly into the bosom creep  
Of that same noble prelate, well beloved,  
The archbishop.

**HOTSPUR**

Of York, is it not?

**EARL OF WORCESTER**

True; who bears hard  
His brother's death at Bristol, the Lord Scroop.  
I speak not this in estimation,  
As what I think might be, but what I know  
Is ruminated, plotted and set down,  
And only stays but to behold the face  
Of that occasion that shall bring it on.

**HOTSPUR**

I smell it: upon my life, it will do well.

**NORTHUMBERLAND**

Before the game is afoot, thou still let'st slip.

**HOTSPUR**

Why, it cannot choose but be a noble plot;  
And then the power of Scotland and of York,  
To join with Mortimer, ha?

**EARL OF WORCESTER**

And so they shall.

**HOTSPUR**

In faith, it is exceedingly well aim'd.

## **EARL OF WORCESTER**

And 'tis no little reason bids us speed,  
To save our heads by raising of a head;  
For, bear ourselves as even as we can,  
The king will always think him in our debt,  
And think we think ourselves unsatisfied,  
Till he hath found a time to pay us home:  
And see already how he doth begin  
To make us strangers to his looks of love.

## **HOTSPUR**

He does, he does: we'll be revenged on him.

## **EARL OF WORCESTER**

Cousin, farewell: no further go in this  
Than I by letters shall direct your course.  
When time is ripe, which will be suddenly,  
I'll steal to Glendower and Lord Mortimer;  
Where you and Douglas and our powers at once,  
As I will fashion it, shall happily meet,  
To bear our fortunes in our own strong arms,  
Which now we hold at much uncertainty.

## **NORTHUMBERLAND**

Farewell, good brother: we shall thrive, I trust.

## **HOTSPUR**

Uncle, Adieu: O, let the hours be short  
Till fields and blows and groans applaud our sport!

*Exeunt*

# The First part of King Henry the Fourth

[Shakespeare homepage](#) | [Henry IV, part 1](#) | Act 2, Scene 1

[Previous scene](#) | [Next scene](#)

## SCENE I. Rochester. An inn yard.

*Enter a Carrier with a lantern in his hand*

### First Carrier

Heigh-ho! an it be not four by the day, I'll be hanged: Charles' wain is over the new chimney, and yet our horse not packed. What, ostler!

### Ostler

[Within] Anon, anon.

### First Carrier

I prithee, Tom, beat Cut's saddle, put a few flocks in the point; poor jade, is wrung in the withers out of all cress.

*Enter another Carrier*

### Second Carrier

Peas and beans are as dank here as a dog, and that is the next way to give poor jades the bots: this house is turned upside down since Robin Ostler died.

### First Carrier

Poor fellow, never joyed since the price of oats rose; it was the death of him.

### Second Carrier

I think this be the most villanous house in all

London road for fleas: I am stung like a tench.

**First Carrier**

Like a tench! by the mass, there is ne'er a king  
christen could be better bit than I have been since  
the first cock.

**Second Carrier**

Why, they will allow us ne'er a jordan, and then we  
leak in your chimney; and your chamber-lie breeds  
fleas like a loach.

**First Carrier**

What, ostler! come away and be hanged!

**Second Carrier**

I have a gammon of bacon and two razors of ginger,  
to be delivered as far as Charing-cross.

**First Carrier**

God's body! the turkeys in my pannier are quite  
starved. What, ostler! A plague on thee! hast thou  
never an eye in thy head? canst not hear? An  
'twere not as good deed as drink, to break the pate  
on thee, I am a very villain. Come, and be hanged!  
hast thou no faith in thee?

*Enter GADSHILL*

**GADSHILL**

Good morrow, carriers. What's o'clock?

**First Carrier**

I think it be two o'clock.

**GADSHILL**

I pray thee lend me thy lantern, to see my gelding  
in the stable.

**First Carrier**

Nay, by God, soft; I know a trick worth two of that, i' faith.

**GADSHILL**

I pray thee, lend me thine.

**Second Carrier**

Ay, when? can'st tell? Lend me thy lantern, quoth  
he? marry, I'll see thee hanged first.

**GADSHILL**

Sirrah carrier, what time do you mean to come to London?

**Second Carrier**

Time enough to go to bed with a candle, I warrant  
thee. Come, neighbour Mugs, we'll call up the  
gentleman: they will along with company, for they  
have great charge.

*Exeunt carriers*

**GADSHILL**

What, ho! chamberlain!

**Chamberlain**

[Within] At hand, quoth pick-purse.

**GADSHILL**

That's even as fair as--at hand, quoth the chamberlain; for thou variest no more from picking of purses than giving direction doth from labouring; thou layest the plot how.

*Enter Chamberlain*

### **Chamberlain**

Good morrow, Master Gadshill. It holds current that I told you yesternight: there's a franklin in the wild of Kent hath brought three hundred marks with him in gold: I heard him tell it to one of his company last night at supper; a kind of auditor; one that hath abundance of charge too, God knows what. They are up already, and call for eggs and butter; they will away presently.

### **GADSHILL**

Sirrah, if they meet not with Saint Nicholas' clerks, I'll give thee this neck.

### **Chamberlain**

No, I'll none of it: I pray thee keep that for the hangman; for I know thou worshippest St. Nicholas as truly as a man of falsehood may.

### **GADSHILL**

What talkest thou to me of the hangman? if I hang, I'll make a fat pair of gallows; for if I hang, old Sir John hangs with me, and thou knowest he is no starveling. Tut! there are other Trojans that thou dreamest not of, the which for sport sake are content to do the profession some grace; that would, if matters should be looked into, for their own credit sake, make all whole. I am joined with no foot-land rakers, no long-staff sixpenny strikers, none of these mad mustachio purple-hued malt-worms;

but with nobility and tranquillity, burgomasters and great oneyers, such as can hold in, such as will strike sooner than speak, and speak sooner than drink, and drink sooner than pray: and yet, zounds, I lie; for they pray continually to their saint, the commonwealth; or rather, not pray to her, but prey on her, for they ride up and down on her and make her their boots.

**Chamberlain**

What, the commonwealth their boots? will she hold out water in foul way?

**GADSHILL**

She will, she will; justice hath liquored her. We steal as in a castle, cocksure; we have the receipt of fern-seed, we walk invisible.

**Chamberlain**

Nay, by my faith, I think you are more beholding to the night than to fern-seed for your walking invisible.

**GADSHILL**

Give me thy hand: thou shalt have a share in our purchase, as I am a true man.

**Chamberlain**

Nay, rather let me have it, as you are a false thief.

**GADSHILL**

Go to; 'homo' is a common name to all men. Bid the ostler bring my gelding out of the stable. Farewell, you muddy knave.

*Exeunt*

# The First part of King Henry the Fourth

[Shakespeare homepage](#) | [Henry IV, part 1](#) | Act 2, Scene 2

[Previous scene](#) | [Next scene](#)

## SCENE II. The highway, near Gadshill.

*Enter PRINCE HENRY and POINS*

**POINS**

Come, shelter, shelter: I have removed Falstaff's horse, and he frets like a gummed velvet.

**PRINCE HENRY**

Stand close.

*Enter FALSTAFF*

**FALSTAFF**

Poins! Poins, and be hanged! Poins!

**PRINCE HENRY**

Peace, ye fat-kidneyed rascal! what a brawling dost thou keep!

**FALSTAFF**

Where's Poins, Hal?

**PRINCE HENRY**

He is walked up to the top of the hill: I'll go seek him.

**FALSTAFF**

I am accursed to rob in that thief's company: the

rascal hath removed my horse, and tied him I know not where. If I travel but four foot by the squier further afoot, I shall break my wind. Well, I doubt not but to die a fair death for all this, if I 'scape hanging for killing that rogue. I have forsworn his company hourly any time this two and twenty years, and yet I am bewitched with the rogue's company. If the rascal hath not given me medicines to make me love him, I'll be hanged; it could not be else: I have drunk medicines. Poin! Hal! a plague upon you both! Bardolph! Peto! I'll starve ere I'll rob a foot further. An 'twere not as good a deed as drink, to turn true man and to leave these rogues, I am the veriest varlet that ever chewed with a tooth. Eight yards of uneven ground is threescore and ten miles afoot with me; and the stony-hearted villains know it well enough: a plague upon it when thieves cannot be true one to another!

*They whistle*

Whew! A plague upon you all! Give me my horse, you rogues; give me my horse, and be hanged!

## **PRINCE HENRY**

Peace, ye fat-guts! lie down; lay thine ear close to the ground and list if thou canst hear the tread of travellers.

## **FALSTAFF**

Have you any levers to lift me up again, being down? 'Sblood, I'll not bear mine own flesh so far afoot again for all the coin in thy father's exchequer. What a plague mean ye to colt me thus?

## **PRINCE HENRY**

Thou liest; thou art not colted, thou art uncolted.

## **FALSTAFF**

I prithee, good Prince Hal, help me to my horse,  
good king's son.

**PRINCE HENRY**

Out, ye rogue! shall I be your ostler?

**FALSTAFF**

Go, hang thyself in thine own heir-apparent  
garters! If I be ta'en, I'll peach for this. An I  
have not ballads made on you all and sung to filthy  
tunes, let a cup of sack be my poison: when a jest  
is so forward, and afoot too! I hate it.

*Enter GADSHILL, BARDOLPH and PETO*

**GADSHILL**

Stand.

**FALSTAFF**

So I do, against my will.

**POINS**

O, 'tis our setter: I know his voice. Bardolph,  
what news?

**BARDOLPH**

Case ye, case ye; on with your vizards: there 's  
money of the king's coming down the hill; 'tis going  
to the king's exchequer.

**FALSTAFF**

You lie, ye rogue; 'tis going to the king's tavern.

**GADSHILL**

There's enough to make us all.

**FALSTAFF**

To be hanged.

**PRINCE HENRY**

Sirs, you four shall front them in the narrow lane;  
Ned Poins and I will walk lower: if they 'scape  
from your encounter, then they light on us.

**PETO**

How many be there of them?

**GADSHILL**

Some eight or ten.

**FALSTAFF**

'Zounds, will they not rob us?

**PRINCE HENRY**

What, a coward, Sir John Paunch?

**FALSTAFF**

Indeed, I am not John of Gaunt, your grandfather;  
but yet no coward, Hal.

**PRINCE HENRY**

Well, we leave that to the proof.

**POINS**

Sirrah Jack, thy horse stands behind the hedge:  
when thou needest him, there thou shalt find him.  
Farewell, and stand fast.

**FALSTAFF**

Now cannot I strike him, if I should be hanged.

**PRINCE HENRY**

Ned, where are our disguises?

**POINS**

Here, hard by: stand close.

*Exeunt PRINCE HENRY and POINS*

**FALSTAFF**

Now, my masters, happy man be his dole, say I:  
every man to his business.

*Enter the Travellers*

**First Traveller**

Come, neighbour: the boy shall lead our horses down  
the hill; we'll walk afoot awhile, and ease our legs.

**Thieves**

Stand!

**Travellers**

Jesus bless us!

**FALSTAFF**

Strike; down with them; cut the villains' throats:

ah! whoreson caterpillars! bacon-fed knaves! they  
hate us youth: down with them: fleece them.

## **Travellers**

O, we are undone, both we and ours for ever!

## **FALSTAFF**

Hang ye, gorbellied knaves, are ye undone? No, ye  
fat chuffs: I would your store were here! On,  
bacons, on! What, ye knaves! young men must live.  
You are Grand-jurors, are ye? we'll jure ye, 'faith.

*Here they rob them and bind them. Exeunt*

*Re-enter PRINCE HENRY and POINS*

## **PRINCE HENRY**

The thieves have bound the true men. Now could thou  
and I rob the thieves and go merrily to London, it  
would be argument for a week, laughter for a month  
and a good jest for ever.

## **POINS**

Stand close; I hear them coming.

*Enter the Thieves again*

## **FALSTAFF**

Come, my masters, let us share, and then to horse  
before day. An the Prince and Poins be not two  
arrant cowards, there's no equity stirring: there's  
no more valour in that Poins than in a wild-duck.

## **PRINCE HENRY**

Your money!

## POINS

Villains!

*As they are sharing, the Prince and Poins set upon them; they all run away; and Falstaff, after a blow or two, runs away too, leaving the booty behind them*

## PRINCE HENRY

Got with much ease. Now merrily to horse:  
The thieves are all scatter'd and possess'd with fear  
So strongly that they dare not meet each other;  
Each takes his fellow for an officer.  
Away, good Ned. Falstaff sweats to death,  
And lards the lean earth as he walks along:  
Were 't not for laughing, I should pity him.

## POINS

How the rogue roar'd!

*Exeunt*

## SCENE III. Warkworth castle

*Enter HOTSPUR, solus, reading a letter*

### HOTSPUR

'But for mine own part, my lord, I could be well contented to be there, in respect of the love I bear your house.' He could be contented: why is he not, then? In respect of the love he bears our house: he shows in this, he loves his own barn better than he loves our house. Let me see some more. 'The purpose you undertake is dangerous;'--why, that's certain: 'tis dangerous to take a cold, to sleep, to drink; but I tell you, my lord fool, out of this nettle, danger, we pluck this flower, safety. 'The purpose you undertake is dangerous; the friends you have named uncertain; the time itself unsorted; and your whole plot too light for the counterpoise of so great an opposition.' Say you so, say you so? I say unto you again, you are a shallow cowardly hind, and you lie. What a lack-brain is this! By the Lord, our plot is a good plot as ever was laid; our friends true and constant: a good plot, good friends, and full of expectation; an excellent plot, very good friends. What a frosty-spirited rogue is this! Why, my lord of York commends the plot and the general course of action. 'Zounds, an I were now by this rascal, I could brain him with his lady's fan. Is there not my father, my uncle and myself? lord Edmund Mortimer, My lord of York and Owen Glendower? is there not besides the Douglas? have I not all their letters to meet me in arms by the ninth of the next month? and are they not some of them set forward already? What a pagan rascal is this! an infidel! Ha! you shall see now in very sincerity of fear and cold heart, will he to the king and lay

open all our proceedings. O, I could divide myself  
and go to buffets, for moving such a dish of  
skim milk with so honourable an action! Hang him!  
let him tell the king: we are prepared. I will set  
forward to-night.

*Enter LADY PERCY*

How now, Kate! I must leave you within these two hours.

## **LADY PERCY**

O, my good lord, why are you thus alone?  
For what offence have I this fortnight been  
A banish'd woman from my Harry's bed?  
Tell me, sweet lord, what is't that takes from thee  
Thy stomach, pleasure and thy golden sleep?  
Why dost thou bend thine eyes upon the earth,  
And start so often when thou sit'st alone?  
Why hast thou lost the fresh blood in thy cheeks;  
And given my treasures and my rights of thee  
To thick-eyed musing and cursed melancholy?  
In thy faint slumbers I by thee have watch'd,  
And heard thee murmur tales of iron wars;  
Speak terms of manage to thy bounding steed;  
Cry 'Courage! to the field!' And thou hast talk'd  
Of sallies and retires, of trenches, tents,  
Of palisadoes, frontiers, parapets,  
Of basilisks, of cannon, culverin,  
Of prisoners' ransom and of soldiers slain,  
And all the currents of a heady fight.  
Thy spirit within thee hath been so at war  
And thus hath so bestirr'd thee in thy sleep,  
That beads of sweat have stood upon thy brow  
Like bubbles in a late-disturbed stream;  
And in thy face strange motions have appear'd,  
Such as we see when men restrain their breath  
On some great sudden hest. O, what portents are these?  
Some heavy business hath my lord in hand,  
And I must know it, else he loves me not.

## **HOTSPUR**

What, ho!

*Enter Servant*

Is Gilliams with the packet gone?

**Servant**

He is, my lord, an hour ago.

**HOTSPUR**

Hath Butler brought those horses from the sheriff?

**Servant**

One horse, my lord, he brought even now.

**HOTSPUR**

What horse? a roan, a crop-ear, is it not?

**Servant**

It is, my lord.

**HOTSPUR**

That roan shall by my throne.  
Well, I will back him straight: O esperance!  
Bid Butler lead him forth into the park.

*Exit Servant*

**LADY PERCY**

But hear you, my lord.

**HOTSPUR**

What say'st thou, my lady?

**LADY PERCY**

What is it carries you away?

**HOTSPUR**

Why, my horse, my love, my horse.

**LADY PERCY**

Out, you mad-headed ape!  
A weasel hath not such a deal of spleen  
As you are toss'd with. In faith,  
I'll know your business, Harry, that I will.  
I fear my brother Mortimer doth stir  
About his title, and hath sent for you  
To line his enterprise: but if you go,--

**HOTSPUR**

So far afoot, I shall be weary, love.

**LADY PERCY**

Come, come, you paraquito, answer me  
Directly unto this question that I ask:  
In faith, I'll break thy little finger, Harry,  
An if thou wilt not tell me all things true.

**HOTSPUR**

Away,  
Away, you trifler! Love! I love thee not,  
I care not for thee, Kate: this is no world  
To play with mammets and to tilt with lips:  
We must have bloody noses and crack'd crowns,  
And pass them current too. God's me, my horse!  
What say'st thou, Kate? what would'st thou  
have with me?

## **LADY PERCY**

Do you not love me? do you not, indeed?  
Well, do not then; for since you love me not,  
I will not love myself. Do you not love me?  
Nay, tell me if you speak in jest or no.

## **HOTSPUR**

Come, wilt thou see me ride?  
And when I am on horseback, I will swear  
I love thee infinitely. But hark you, Kate;  
I must not have you henceforth question me  
Whither I go, nor reason whereabout:  
Whither I must, I must; and, to conclude,  
This evening must I leave you, gentle Kate.  
I know you wise, but yet no farther wise  
Than Harry Percy's wife: constant you are,  
But yet a woman: and for secrecy,  
No lady closer; for I well believe  
Thou wilt not utter what thou dost not know;  
And so far will I trust thee, gentle Kate.

## **LADY PERCY**

How! so far?

## **HOTSPUR**

Not an inch further. But hark you, Kate:  
Whither I go, thither shall you go too;  
To-day will I set forth, to-morrow you.  
Will this content you, Kate?

## **LADY PERCY**

It must of force.

*Exeunt*

# The First part of King Henry the Fourth

[Shakespeare homepage](#) | [Henry IV, part 1](#) | Act 2, Scene 4

[Previous scene](#) | [Next scene](#)

## SCENE IV. The Boar's-Head Tavern, Eastcheap.

*Enter PRINCE HENRY and POINS*

### PRINCE HENRY

Ned, prithee, come out of that fat room, and lend me thy hand to laugh a little.

### POINS

Where hast been, Hal?

### PRINCE HENRY

With three or four loggerheads amongst three or four score hogsheads. I have sounded the very base-string of humility. Sirrah, I am sworn brother to a leash of drawers; and can call them all by their christen names, as Tom, Dick, and Francis. They take it already upon their salvation, that though I be but the prince of Wales, yet I am king of courtesy; and tell me flatly I am no proud Jack, like Falstaff, but a Corinthian, a lad of mettle, a good boy, by the Lord, so they call me, and when I am king of England, I shall command all the good lads in Eastcheap. They call drinking deep, dyeing scarlet; and when you breathe in your watering, they cry 'hem!' and bid you play it off. To conclude, I am so good a proficient in one quarter of an hour, that I can drink with any tinker in his own language during my life. I tell thee, Ned, thou hast lost much honour, that thou wert not with me in this sweet action. But, sweet Ned,--to sweeten which name of Ned, I give thee this pennyworth of sugar, clapped even now into my hand by an under-skinker, one that

never spake other English in his life than 'Eight shillings and sixpence' and 'You are welcome,' with this shrill addition, 'Anon, anon, sir! Score a pint of bastard in the Half-Moon,' or so. But, Ned, to drive away the time till Falstaff come, I prithee, do thou stand in some by-room, while I question my puny drawer to what end he gave me the sugar; and do thou never leave calling 'Francis,' that his tale to me may be nothing but 'Anon.' Step aside, and I'll show thee a precedent.

**POINS**

Francis!

**PRINCE HENRY**

Thou art perfect.

**POINS**

Francis!

*Exit POINS*

*Enter FRANCIS*

**FRANCIS**

Anon, anon, sir. Look down into the Pomgarnet, Ralph.

**PRINCE HENRY**

Come hither, Francis.

**FRANCIS**

My lord?

**PRINCE HENRY**

How long hast thou to serve, Francis?

**FRANCIS**

Forsooth, five years, and as much as to--

**POINS**

[Within] Francis!

**FRANCIS**

Anon, anon, sir.

**PRINCE HENRY**

Five year! by'r lady, a long lease for the clinking of pewter. But, Francis, darest thou be so valiant as to play the coward with thy indenture and show it a fair pair of heels and run from it?

**FRANCIS**

O Lord, sir, I'll be sworn upon all the books in England, I could find in my heart.

**POINS**

[Within] Francis!

**FRANCIS**

Anon, sir.

**PRINCE HENRY**

How old art thou, Francis?

**FRANCIS**

Let me see--about Michaelmas next I shall be--

**POINS**

[Within] Francis!

**FRANCIS**

Anon, sir. Pray stay a little, my lord.

**PRINCE HENRY**

Nay, but hark you, Francis: for the sugar thou gavest me, 'twas a pennyworth, wast't not?

**FRANCIS**

O Lord, I would it had been two!

**PRINCE HENRY**

I will give thee for it a thousand pound: ask me when thou wilt, and thou shalt have it.

**POINS**

[Within] Francis!

**FRANCIS**

Anon, anon.

**PRINCE HENRY**

Anon, Francis? No, Francis; but to-morrow, Francis; or, Francis, o' Thursday; or indeed, Francis, when thou wilt. But, Francis!

**FRANCIS**

My lord?

## **PRINCE HENRY**

Wilt thou rob this leathern jerkin, crystal-button,  
not-pated, agate-ring, puke-stocking, caddis-garter,  
smooth-tongue, Spanish-pouch,--

## **FRANCIS**

O Lord, sir, who do you mean?

## **PRINCE HENRY**

Why, then, your brown bastard is your only drink;  
for look you, Francis, your white canvas doublet  
will sully: in Barbary, sir, it cannot come to so much.

## **FRANCIS**

What, sir?

## **POINS**

[Within] Francis!

## **PRINCE HENRY**

Away, you rogue! dost thou not hear them call?

*Here they both call him; the drawer stands amazed, not knowing which way to go*

*Enter Vintner*

## **Vintner**

What, standest thou still, and hearest such a  
calling? Look to the guests within.

*Exit Francis*

My lord, old Sir John, with half-a-dozen more, are  
at the door: shall I let them in?

**PRINCE HENRY**

Let them alone awhile, and then open the door.

*Exit Vintner*

Poins!

*Re-enter POINS*

**POINS**

Anon, anon, sir.

**PRINCE HENRY**

Sirrah, Falstaff and the rest of the thieves are at the door: shall we be merry?

**POINS**

As merry as crickets, my lad. But hark ye; what cunning match have you made with this jest of the drawer? come, what's the issue?

**PRINCE HENRY**

I am now of all humours that have showed themselves humours since the old days of goodman Adam to the pupil age of this present twelve o'clock at midnight.

*Re-enter FRANCIS*

What's o'clock, Francis?

**FRANCIS**

Anon, anon, sir.

*Exit*

## **PRINCE HENRY**

That ever this fellow should have fewer words than a parrot, and yet the son of a woman! His industry is upstairs and downstairs; his eloquence the parcel of a reckoning. I am not yet of Percy's mind, the Hotspur of the north; he that kills me some six or seven dozen of Scots at a breakfast, washes his hands, and says to his wife 'Fie upon this quiet life! I want work.' 'O my sweet Harry,' says she, 'how many hast thou killed to-day?' 'Give my roan horse a drench,' says he; and answers 'Some fourteen,' an hour after; 'a trifle, a trifle.' I prithee, call in Falstaff: I'll play Percy, and that damned brawn shall play Dame Mortimer his wife. 'Rivo!' says the drunkard. Call in ribs, call in tallow.

*Enter FALSTAFF, GADSHILL, BARDOLPH, and PETO; FRANCIS following with wine*

## **POINS**

Welcome, Jack: where hast thou been?

## **FALSTAFF**

A plague of all cowards, I say, and a vengeance too! marry, and amen! Give me a cup of sack, boy. Ere I lead this life long, I'll sew nether stocks and mend them and foot them too. A plague of all cowards! Give me a cup of sack, rogue. Is there no virtue extant?

*He drinks*

## **PRINCE HENRY**

Didst thou never see Titan kiss a dish of butter? pitiful-hearted Titan, that melted at the sweet tale of the sun's! if thou didst, then behold that compound.

## **FALSTAFF**

You rogue, here's lime in this sack too: there is nothing but roguery to be found in villanous man: yet a coward is worse than a cup of sack with lime in it. A villanous coward! Go thy ways, old Jack; die when thou wilt, if manhood, good manhood, be not forgot upon the face of the earth, then am I a shotten herring. There live not three good men unhang'd in England; and one of them is fat and grows old: God help the while! a bad world, I say. I would I were a weaver; I could sing psalms or any thing. A plague of all cowards, I say still.

### **PRINCE HENRY**

How now, wool-sack! what mutter you?

### **FALSTAFF**

A king's son! If I do not beat thee out of thy kingdom with a dagger of lath, and drive all thy subjects afore thee like a flock of wild-geese, I'll never wear hair on my face more. You Prince of Wales!

### **PRINCE HENRY**

Why, you whoreson round man, what's the matter?

### **FALSTAFF**

Are not you a coward? answer me to that: and Poins there?

### **POINS**

'Zounds, ye fat paunch, an ye call me coward, by the Lord, I'll stab thee.

### **FALSTAFF**

I call thee coward! I'll see thee damned ere I call thee coward: but I would give a thousand pound I could run as fast as thou canst. You are straight enough in the shoulders, you care not who sees your

back: call you that backing of your friends? A plague upon such backing! give me them that will face me. Give me a cup of sack: I am a rogue, if I drunk to-day.

**PRINCE HENRY**

O villain! thy lips are scarce wiped since thou drunkenest last.

**FALSTAFF**

All's one for that.

*He drinks*

A plague of all cowards, still say I.

**PRINCE HENRY**

What's the matter?

**FALSTAFF**

What's the matter! there be four of us here have ta'en a thousand pound this day morning.

**PRINCE HENRY**

Where is it, Jack? where is it?

**FALSTAFF**

Where is it! taken from us it is: a hundred upon poor four of us.

**PRINCE HENRY**

What, a hundred, man?

**FALSTAFF**

I am a rogue, if I were not at half-sword with a dozen of them two hours together. I have 'scaped by miracle. I am eight times thrust through the doublet, four through the hose; my buckler cut through and through; my sword hacked like a hand-saw--ecce signum! I never dealt better since I was a man: all would not do. A plague of all cowards! Let them speak: if they speak more or less than truth, they are villains and the sons of darkness.

**PRINCE HENRY**

Speak, sirs; how was it?

**GADSHILL**

We four set upon some dozen--

**FALSTAFF**

Sixteen at least, my lord.

**GADSHILL**

And bound them.

**PETO**

No, no, they were not bound.

**FALSTAFF**

You rogue, they were bound, every man of them; or I am a Jew else, an Ebrew Jew.

**GADSHILL**

As we were sharing, some six or seven fresh men set upon us--

**FALSTAFF**

And unbound the rest, and then come in the other.

**PRINCE HENRY**

What, fought you with them all?

**FALSTAFF**

All! I know not what you call all; but if I fought not with fifty of them, I am a bunch of radish: if there were not two or three and fifty upon poor old Jack, then am I no two-legged creature.

**PRINCE HENRY**

Pray God you have not murdered some of them.

**FALSTAFF**

Nay, that's past praying for: I have peppered two of them; two I am sure I have paid, two rogues in buckram suits. I tell thee what, Hal, if I tell thee a lie, spit in my face, call me horse. Thou knowest my old ward; here I lay and thus I bore my point. Four rogues in buckram let drive at me--

**PRINCE HENRY**

What, four? thou saidst but two even now.

**FALSTAFF**

Four, Hal; I told thee four.

**POINS**

Ay, ay, he said four.

**FALSTAFF**

These four came all a-front, and mainly thrust at me. I made me no more ado but took all their seven points in my target, thus.

**PRINCE HENRY**

Seven? why, there were but four even now.

**FALSTAFF**

In buckram?

**POINS**

Ay, four, in buckram suits.

**FALSTAFF**

Seven, by these hilts, or I am a villain else.

**PRINCE HENRY**

Prithee, let him alone; we shall have more anon.

**FALSTAFF**

Dost thou hear me, Hal?

**PRINCE HENRY**

Ay, and mark thee too, Jack.

**FALSTAFF**

Do so, for it is worth the listening to. These nine in buckram that I told thee of--

**PRINCE HENRY**

So, two more already.

**FALSTAFF**

Their points being broken,--

**POINS**

Down fell their hose.

**FALSTAFF**

Began to give me ground: but I followed me close,  
came in foot and hand; and with a thought seven of  
the eleven I paid.

**PRINCE HENRY**

O monstrous! eleven buckram men grown out of two!

**FALSTAFF**

But, as the devil would have it, three misbegotten  
knaves in Kendal green came at my back and let drive  
at me; for it was so dark, Hal, that thou couldst  
not see thy hand.

**PRINCE HENRY**

These lies are like their father that begets them;  
gross as a mountain, open, palpable. Why, thou  
clay-brained guts, thou knotty-pated fool, thou  
whoreson, obscene, grease tallow-catch,--

**FALSTAFF**

What, art thou mad? art thou mad? is not the truth  
the truth?

**PRINCE HENRY**

Why, how couldst thou know these men in Kendal  
green, when it was so dark thou couldst not see thy

hand? come, tell us your reason: what sayest thou to this?

**POINS**

Come, your reason, Jack, your reason.

**FALSTAFF**

What, upon compulsion? 'Zounds, an I were at the strappado, or all the racks in the world, I would not tell you on compulsion. Give you a reason on compulsion! If reasons were as plentiful as blackberries, I would give no man a reason upon compulsion, I.

**PRINCE HENRY**

I'll be no longer guilty of this sin; this sanguine coward, this bed-presser, this horseback-breaker, this huge hill of flesh,--

**FALSTAFF**

'Sblood, you starveling, you elf-skin, you dried neat's tongue, you bull's pizzle, you stock-fish! O for breath to utter what is like thee! you tailor's-yard, you sheath, you bowcase; you vile standing-tuck,--

**PRINCE HENRY**

Well, breathe awhile, and then to it again: and when thou hast tired thyself in base comparisons, hear me speak but this.

**POINS**

Mark, Jack.

**PRINCE HENRY**

We two saw you four set on four and bound them, and were masters of their wealth. Mark now, how a plain tale shall put you down. Then did we two set on you four; and, with a word, out-faced you from your prize, and have it; yea, and can show it you here in the house: and, Falstaff, you carried your guts away as nimbly, with as quick dexterity, and roared for mercy and still run and roared, as ever I heard bull-calf. What a slave art thou, to hack thy sword as thou hast done, and then say it was in fight! What trick, what device, what starting-hole, canst thou now find out to hide thee from this open and apparent shame?

## **POINS**

Come, let's hear, Jack; what trick hast thou now?

## **FALSTAFF**

By the Lord, I knew ye as well as he that made ye. Why, hear you, my masters: was it for me to kill the heir-apparent? should I turn upon the true prince? why, thou knowest I am as valiant as Hercules: but beware instinct; the lion will not touch the true prince. Instinct is a great matter; I was now a coward on instinct. I shall think the better of myself and thee during my life; I for a valiant lion, and thou for a true prince. But, by the Lord, lads, I am glad you have the money. Hostess, clap to the doors: watch to-night, pray to-morrow. Gallants, lads, boys, hearts of gold, all the titles of good fellowship come to you! What, shall we be merry? shall we have a play extempore?

## **PRINCE HENRY**

Content; and the argument shall be thy running away.

## **FALSTAFF**

Ah, no more of that, Hal, an thou lovest me!

*Enter Hostess*

**Hostess**

O Jesu, my lord the prince!

**PRINCE HENRY**

How now, my lady the hostess! what sayest thou to me?

**Hostess**

Marry, my lord, there is a nobleman of the court at door would speak with you: he says he comes from your father.

**PRINCE HENRY**

Give him as much as will make him a royal man, and send him back again to my mother.

**FALSTAFF**

What manner of man is he?

**Hostess**

An old man.

**FALSTAFF**

What doth gravity out of his bed at midnight? Shall I give him his answer?

**PRINCE HENRY**

Prithee, do, Jack.

**FALSTAFF**

'Faith, and I'll send him packing.

*Exit FALSTAFF*

## **PRINCE HENRY**

Now, sirs: by'r lady, you fought fair; so did you, Peto; so did you, Bardolph: you are lions too, you ran away upon instinct, you will not touch the true prince; no, fie!

## **BARBOLPH**

'Faith, I ran when I saw others run.

## **PRINCE HENRY**

'Faith, tell me now in earnest, how came Falstaff's sword so hacked?

## **PETO**

Why, he hacked it with his dagger, and said he would swear truth out of England but he would make you believe it was done in fight, and persuaded us to do the like.

## **BARBOLPH**

Yea, and to tickle our noses with spear-grass to make them bleed, and then to beslobber our garments with it and swear it was the blood of true men. I did that I did not this seven year before, I blushed to hear his monstrous devices.

## **PRINCE HENRY**

O villain, thou stolest a cup of sack eighteen years ago, and wert taken with the manner, and ever since thou hast blushed extempore. Thou hadst fire and sword on thy side, and yet thou rannest away: what instinct hadst thou for it?

**ARDOLPH**

My lord, do you see these meteors? do you behold these exhalations?

**PRINCE HENRY**

I do.

**ARDOLPH**

What think you they portend?

**PRINCE HENRY**

Hot livers and cold purses.

**ARDOLPH**

Choler, my lord, if rightly taken.

**PRINCE HENRY**

No, if rightly taken, halter.

*Re-enter FALSTAFF*

Here comes lean Jack, here comes bare-bone.  
How now, my sweet creature of bombast!  
How long is't ago, Jack, since thou sawest thine own knee?

**FALSTAFF**

My own knee! when I was about thy years, Hal, I was not an eagle's talon in the waist; I could have crept into any alderman's thumb-ring: a plague of sighing and grief! it blows a man up like a bladder. There's villanous news abroad: here was Sir John Bracy from your father; you must to the court in the morning. That same mad fellow of the

north, Percy, and he of Wales, that gave Amamon the bastinado and made Lucifer cuckold and swore the devil his true liegeman upon the cross of a Welsh hook--what a plague call you him?

**POINS**

O, Glendower.

**FALSTAFF**

Owen, Owen, the same; and his son-in-law Mortimer, and old Northumberland, and that sprightly Scot of Scots, Douglas, that runs o' horseback up a hill perpendicular,--

**PRINCE HENRY**

He that rides at high speed and with his pistol kills a sparrow flying.

**FALSTAFF**

You have hit it.

**PRINCE HENRY**

So did he never the sparrow.

**FALSTAFF**

Well, that rascal hath good mettle in him; he will not run.

**PRINCE HENRY**

Why, what a rascal art thou then, to praise him so for running!

**FALSTAFF**

O' horseback, ye cuckoo; but afoot he will not budge a foot.

**PRINCE HENRY**

Yes, Jack, upon instinct.

**FALSTAFF**

I grant ye, upon instinct. Well, he is there too, and one Mordake, and a thousand blue-caps more: Worcester is stolen away to-night; thy father's beard is turned white with the news: you may buy land now as cheap as stinking mackerel.

**PRINCE HENRY**

Why, then, it is like, if there come a hot June and this civil buffeting hold, we shall buy maidenheads as they buy hob-nails, by the hundreds.

**FALSTAFF**

By the mass, lad, thou sayest true; it is like we shall have good trading that way. But tell me, Hal, art not thou horrible afeard? thou being heir-apparent, could the world pick thee out three such enemies again as that fiend Douglas, that spirit Percy, and that devil Glendower? Art thou not horribly afraid? doth not thy blood thrill at it?

**PRINCE HENRY**

Not a whit, i' faith; I lack some of thy instinct.

**FALSTAFF**

Well, thou wert be horribly chid tomorrow when thou comest to thy father: if thou love me, practise an answer.

**PRINCE HENRY**

Do thou stand for my father, and examine me upon the

particulars of my life.

**FALSTAFF**

Shall I? content: this chair shall be my state,  
this dagger my sceptre, and this cushion my crown.

**PRINCE HENRY**

Thy state is taken for a joined-stool, thy golden  
sceptre for a leaden dagger, and thy precious rich  
crown for a pitiful bald crown!

**FALSTAFF**

Well, an the fire of grace be not quite out of thee,  
now shalt thou be moved. Give me a cup of sack to  
make my eyes look red, that it may be thought I have  
wept; for I must speak in passion, and I will do it  
in King Cambyses' vein.

**PRINCE HENRY**

Well, here is my leg.

**FALSTAFF**

And here is my speech. Stand aside, nobility.

**Hostess**

O Jesu, this is excellent sport, i' faith!

**FALSTAFF**

Weep not, sweet queen; for trickling tears are vain.

**Hostess**

O, the father, how he holds his countenance!

## **FALSTAFF**

For God's sake, lords, convey my tristful queen;  
For tears do stop the flood-gates of her eyes.

## **Hostess**

O Jesu, he doth it as like one of these harlotry  
players as ever I see!

## **FALSTAFF**

Peace, good pint-pot; peace, good tickle-brain.  
Harry, I do not only marvel where thou spendest thy  
time, but also how thou art accompanied: for though  
the camomile, the more it is trodden on the faster  
it grows, yet youth, the more it is wasted the  
sooner it wears. That thou art my son, I have  
partly thy mother's word, partly my own opinion,  
but chiefly a villanous trick of thine eye and a  
foolish-hanging of thy nether lip, that doth warrant  
me. If then thou be son to me, here lies the point;  
why, being son to me, art thou so pointed at? Shall  
the blessed sun of heaven prove a micher and eat  
blackberries? a question not to be asked. Shall  
the sun of England prove a thief and take purses? a  
question to be asked. There is a thing, Harry,  
which thou hast often heard of and it is known to  
many in our land by the name of pitch: this pitch,  
as ancient writers do report, doth defile; so doth  
the company thou keepest: for, Harry, now I do not  
speak to thee in drink but in tears, not in  
pleasure but in passion, not in words only, but in  
woes also: and yet there is a virtuous man whom I  
have often noted in thy company, but I know not his name.

## **PRINCE HENRY**

What manner of man, an it like your majesty?

## **FALSTAFF**

A goodly portly man, i' faith, and a corpulent; of a cheerful look, a pleasing eye and a most noble carriage; and, as I think, his age some fifty, or, by'r lady, inclining to three score; and now I remember me, his name is Falstaff: if that man should be lewdly given, he deceiveth me; for, Harry, I see virtue in his looks. If then the tree may be known by the fruit, as the fruit by the tree, then, peremptorily I speak it, there is virtue in that Falstaff: him keep with, the rest banish. And tell me now, thou naughty varlet, tell me, where hast thou been this month?

**PRINCE HENRY**

Dost thou speak like a king? Do thou stand for me, and I'll play my father.

**FALSTAFF**

Depose me? if thou dost it half so gravely, so majestically, both in word and matter, hang me up by the heels for a rabbit-sucker or a poulter's hare.

**PRINCE HENRY**

Well, here I am set.

**FALSTAFF**

And here I stand: judge, my masters.

**PRINCE HENRY**

Now, Harry, whence come you?

**FALSTAFF**

My noble lord, from Eastcheap.

**PRINCE HENRY**

The complaints I hear of thee are grievous.

**FALSTAFF**

'Sblood, my lord, they are false: nay, I'll tickle ye for a young prince, i' faith.

**PRINCE HENRY**

Swearest thou, ungracious boy? henceforth ne'er look on me. Thou art violently carried away from grace: there is a devil haunts thee in the likeness of an old fat man; a tun of man is thy companion. Why dost thou converse with that trunk of humours, that bolting-hutch of beastliness, that swollen parcel of dropsies, that huge bombard of sack, that stuffed cloak-bag of guts, that roasted Manningtree ox with the pudding in his belly, that reverend vice, that grey iniquity, that father ruffian, that vanity in years? Wherein is he good, but to taste sack and drink it? wherein neat and cleanly, but to carve a capon and eat it? wherein cunning, but in craft? wherein crafty, but in villany? wherein villanous, but in all things? wherein worthy, but in nothing?

**FALSTAFF**

I would your grace would take me with you: whom means your grace?

**PRINCE HENRY**

That villanous abominable misleader of youth, Falstaff, that old white-bearded Satan.

**FALSTAFF**

My lord, the man I know.

**PRINCE HENRY**

I know thou dost.

## **FALSTAFF**

But to say I know more harm in him than in myself, were to say more than I know. That he is old, the more the pity, his white hairs do witness it; but that he is, saving your reverence, a whoremaster, that I utterly deny. If sack and sugar be a fault, God help the wicked! if to be old and merry be a sin, then many an old host that I know is damned: if to be fat be to be hated, then Pharaoh's lean kine are to be loved. No, my good lord; banish Peto, banish Bardolph, banish Poins: but for sweet Jack Falstaff, kind Jack Falstaff, true Jack Falstaff, valiant Jack Falstaff, and therefore more valiant, being, as he is, old Jack Falstaff, banish not him thy Harry's company, banish not him thy Harry's company: banish plump Jack, and banish all the world.

## **PRINCE HENRY**

I do, I will.

*A knocking heard*

*Exeunt Hostess, FRANCIS, and BARDOLPH*

*Re-enter BARDOLPH, running*

## **BARDOLPH**

O, my lord, my lord! the sheriff with a most monstrous watch is at the door.

## **FALSTAFF**

Out, ye rogue! Play out the play: I have much to say in the behalf of that Falstaff.

*Re-enter the Hostess*

**Hostess**

O Jesu, my lord, my lord!

**PRINCE HENRY**

Heigh, heigh! the devil rides upon a fiddlestick:  
what's the matter?

**Hostess**

The sheriff and all the watch are at the door: they  
are come to search the house. Shall I let them in?

**FALSTAFF**

Dost thou hear, Hal? never call a true piece of  
gold a counterfeit: thou art essentially mad,  
without seeming so.

**PRINCE HENRY**

And thou a natural coward, without instinct.

**FALSTAFF**

I deny your major: if you will deny the sheriff,  
so; if not, let him enter: if I become not a cart  
as well as another man, a plague on my bringing up!  
I hope I shall as soon be strangled with a halter as another.

**PRINCE HENRY**

Go, hide thee behind the arras: the rest walk up  
above. Now, my masters, for a true face and good  
conscience.

**FALSTAFF**

Both which I have had: but their date is out, and  
therefore I'll hide me.

## **PRINCE HENRY**

Call in the sheriff.

*Exeunt all except PRINCE HENRY and PETO*

*Enter Sheriff and the Carrier*

Now, master sheriff, what is your will with me?

## **Sheriff**

First, pardon me, my lord. A hue and cry  
Hath follow'd certain men unto this house.

## **PRINCE HENRY**

What men?

## **Sheriff**

One of them is well known, my gracious lord,  
A gross fat man.

## **Carrier**

As fat as butter.

## **PRINCE HENRY**

The man, I do assure you, is not here;  
For I myself at this time have employ'd him.  
And, sheriff, I will engage my word to thee  
That I will, by to-morrow dinner-time,  
Send him to answer thee, or any man,  
For any thing he shall be charged withal:  
And so let me entreat you leave the house.

## **Sheriff**

I will, my lord. There are two gentlemen  
Have in this robbery lost three hundred marks.

**PRINCE HENRY**

It may be so: if he have robb'd these men,  
He shall be answerable; and so farewell.

**Sheriff**

Good night, my noble lord.

**PRINCE HENRY**

I think it is good morrow, is it not?

**Sheriff**

Indeed, my lord, I think it be two o'clock.

*Exeunt Sheriff and Carrier*

**PRINCE HENRY**

This oily rascal is known as well as Paul's. Go,  
call him forth.

**PETO**

Falstaff!--Fast asleep behind the arras, and  
snorting like a horse.

**PRINCE HENRY**

Hark, how hard he fetches breath. Search his pockets.

*He searcheth his pockets, and findeth certain papers*

What hast thou found?

**PETO**

Nothing but papers, my lord.

**PRINCE HENRY**

Let's see what they be: read them.

**PETO**

[Reads] Item, A capon,. . . 2s. 2d.

Item, Sauce,. . . 4d.

Item, Sack, two gallons, 5s. 8d.

Item, Anchovies and sack after supper, 2s. 6d.

Item, Bread, ob.

**PRINCE HENRY**

O monstrous! but one half-penny-worth of bread to this intolerable deal of sack! What there is else, keep close; we'll read it at more advantage: there let him sleep till day. I'll to the court in the morning. We must all to the wars, and thy place shall be honourable. I'll procure this fat rogue a charge of foot; and I know his death will be a march of twelve-score. The money shall be paid back again with advantage. Be with me betimes in the morning; and so, good morrow, Peto.

*Exeunt*

**PETO**

Good morrow, good my lord.

## SCENE I. Bangor. The Archdeacon's house.

*Enter HOTSPUR, WORCESTER, MORTIMER, and GLENDOWER*

### MORTIMER

These promises are fair, the parties sure,  
And our induction full of prosperous hope.

### HOTSPUR

Lord Mortimer, and cousin Glendower,  
Will you sit down?  
And uncle Worcester: a plague upon it!  
I have forgot the map.

### GLENDOWER

No, here it is.  
Sit, cousin Percy; sit, good cousin Hotspur,  
For by that name as oft as Lancaster  
Doth speak of you, his cheek looks pale and with  
A rising sigh he wisheth you in heaven.

### HOTSPUR

And you in hell, as oft as he hears Owen Glendower spoke of.

### GLENDOWER

I cannot blame him: at my nativity  
The front of heaven was full of fiery shapes,  
Of burning cressets; and at my birth  
The frame and huge foundation of the earth  
Shaked like a coward.

## **HOTSPUR**

Why, so it would have done at the same season, if  
your mother's cat had but kittened, though yourself  
had never been born.

## **GLENDOWER**

I say the earth did shake when I was born.

## **HOTSPUR**

And I say the earth was not of my mind,  
If you suppose as fearing you it shook.

## **GLENDOWER**

The heavens were all on fire, the earth did tremble.

## **HOTSPUR**

O, then the earth shook to see the heavens on fire,  
And not in fear of your nativity.  
Diseased nature oftentimes breaks forth  
In strange eruptions; oft the teeming earth  
Is with a kind of colic pinch'd and vex'd  
By the imprisoning of unruly wind  
Within her womb; which, for enlargement striving,  
Shakes the old beldam earth and topples down  
Steeple and moss-grown towers. At your birth  
Our grandam earth, having this distemperature,  
In passion shook.

## **GLENDOWER**

Cousin, of many men  
I do not bear these crossings. Give me leave  
To tell you once again that at my birth  
The front of heaven was full of fiery shapes,  
The goats ran from the mountains, and the herds  
Were strangely clamorous to the frightened fields.  
These signs have mark'd me extraordinary;

And all the courses of my life do show  
I am not in the roll of common men.  
Where is he living, clipp'd in with the sea  
That chides the banks of England, Scotland, Wales,  
Which calls me pupil, or hath read to me?  
And bring him out that is but woman's son  
Can trace me in the tedious ways of art  
And hold me pace in deep experiments.

### **HOTSPUR**

I think there's no man speaks better Welsh.  
I'll to dinner.

### **MORTIMER**

Peace, cousin Percy; you will make him mad.

### **GLENDOWER**

I can call spirits from the vasty deep.

### **HOTSPUR**

Why, so can I, or so can any man;  
But will they come when you do call for them?

### **GLENDOWER**

Why, I can teach you, cousin, to command  
The devil.

### **HOTSPUR**

And I can teach thee, coz, to shame the devil  
By telling truth: tell truth and shame the devil.  
If thou have power to raise him, bring him hither,  
And I'll be sworn I have power to shame him hence.  
O, while you live, tell truth and shame the devil!

### **MORTIMER**

Come, come, no more of this unprofitable chat.

## **GLENDOWER**

Three times hath Henry Bolingbroke made head  
Against my power; thrice from the banks of Wye  
And sandy-bottom'd Severn have I sent him  
Bootless home and weather-beaten back.

## **HOTSPUR**

Home without boots, and in foul weather too!  
How 'scapes he agues, in the devil's name?

## **GLENDOWER**

Come, here's the map: shall we divide our right  
According to our threefold order ta'en?

## **MORTIMER**

The archdeacon hath divided it  
Into three limits very equally:  
England, from Trent and Severn hitherto,  
By south and east is to my part assign'd:  
All westward, Wales beyond the Severn shore,  
And all the fertile land within that bound,  
To Owen Glendower: and, dear coz, to you  
The remnant northward, lying off from Trent.  
And our indentures tripartite are drawn;  
Which being sealed interchangeably,  
A business that this night may execute,  
To-morrow, cousin Percy, you and I  
And my good Lord of Worcester will set forth  
To meet your father and the Scottish power,  
As is appointed us, at Shrewsbury.  
My father Glendower is not ready yet,  
Not shall we need his help these fourteen days.  
Within that space you may have drawn together  
Your tenants, friends and neighbouring gentlemen.

## **GLENDOWER**

A shorter time shall send me to you, lords:  
And in my conduct shall your ladies come;  
From whom you now must steal and take no leave,  
For there will be a world of water shed  
Upon the parting of your wives and you.

## **HOTSPUR**

Methinks my moiety, north from Burton here,  
In quantity equals not one of yours:  
See how this river comes me cranking in,  
And cuts me from the best of all my land  
A huge half-moon, a monstrous cantle out.  
I'll have the current in this place damm'd up;  
And here the smug and silver Trent shall run  
In a new channel, fair and evenly;  
It shall not wind with such a deep indent,  
To rob me of so rich a bottom here.

## **GLENDOWER**

Not wind? it shall, it must; you see it doth.

## **MORTIMER**

Yea, but  
Mark how he bears his course, and runs me up  
With like advantage on the other side;  
Gelding the opposed continent as much  
As on the other side it takes from you.

## **EARL OF WORCESTER**

Yea, but a little charge will trench him here  
And on this north side win this cape of land;  
And then he runs straight and even.

## **HOTSPUR**

I'll have it so: a little charge will do it.

**GLENDOWER**

I'll not have it alter'd.

**HOTSPUR**

Will not you?

**GLENDOWER**

No, nor you shall not.

**HOTSPUR**

Who shall say me nay?

**GLENDOWER**

Why, that will I.

**HOTSPUR**

Let me not understand you, then; speak it in Welsh.

**GLENDOWER**

I can speak English, lord, as well as you;  
For I was train'd up in the English court;  
Where, being but young, I framed to the harp  
Many an English ditty lovely well  
And gave the tongue a helpful ornament,  
A virtue that was never seen in you.

**HOTSPUR**

Marry,  
And I am glad of it with all my heart:  
I had rather be a kitten and cry mew  
Than one of these same metre ballad-mongers;  
I had rather hear a brazen canstick turn'd,  
Or a dry wheel grate on the axle-tree;

And that would set my teeth nothing on edge,  
Nothing so much as mincing poetry:  
'Tis like the forced gait of a shuffling nag.

## **GLENDOWER**

Come, you shall have Trent turn'd.

## **HOTSPUR**

I do not care: I'll give thrice so much land  
To any well-deserving friend;  
But in the way of bargain, mark ye me,  
I'll cavil on the ninth part of a hair.  
Are the indentures drawn? shall we be gone?

## **GLENDOWER**

The moon shines fair; you may away by night:  
I'll haste the writer and withal  
Break with your wives of your departure hence:  
I am afraid my daughter will run mad,  
So much she doteth on her Mortimer.

*Exit GLENDOWER*

## **MORTIMER**

Fie, cousin Percy! how you cross my father!

## **HOTSPUR**

I cannot choose: sometime he angers me  
With telling me of the mouldwarp and the ant,  
Of the dreamer Merlin and his prophecies,  
And of a dragon and a finless fish,  
A clip-wing'd griffin and a moulted raven,  
A couching lion and a ramping cat,  
And such a deal of skimble-skamble stuff  
As puts me from my faith. I tell you what;  
He held me last night at least nine hours  
In reckoning up the several devils' names

That were his lackeys: I cried 'hum,' and 'well, go to,'  
But mark'd him not a word. O, he is as tedious  
As a tired horse, a railing wife;  
Worse than a smoky house: I had rather live  
With cheese and garlic in a windmill, far,  
Than feed on cates and have him talk to me  
In any summer-house in Christendom.

## **MORTIMER**

In faith, he is a worthy gentleman,  
Exceedingly well read, and profited  
In strange concealments, valiant as a lion  
And as wondrous affable and as bountiful  
As mines of India. Shall I tell you, cousin?  
He holds your temper in a high respect  
And curbs himself even of his natural scope  
When you come 'cross his humour; faith, he does:  
I warrant you, that man is not alive  
Might so have tempted him as you have done,  
Without the taste of danger and reproof:  
But do not use it oft, let me entreat you.

## **EARL OF WORCESTER**

In faith, my lord, you are too wilful-blame;  
And since your coming hither have done enough  
To put him quite beside his patience.  
You must needs learn, lord, to amend this fault:  
Though sometimes it show greatness, courage, blood,--  
And that's the dearest grace it renders you,--  
Yet oftentimes it doth present harsh rage,  
Defect of manners, want of government,  
Pride, haughtiness, opinion and disdain:  
The least of which haunting a nobleman  
Loseth men's hearts and leaves behind a stain  
Upon the beauty of all parts besides,  
Beguiling them of commendation.

## **HOTSPUR**

Well, I am school'd: good manners be your speed!

Here come our wives, and let us take our leave.

*Re-enter GLENDOWER with the ladies*

**MORTIMER**

This is the deadly spite that angers me;  
My wife can speak no English, I no Welsh.

**GLENDOWER**

My daughter weeps: she will not part with you;  
She'll be a soldier too, she'll to the wars.

**MORTIMER**

Good father, tell her that she and my aunt Percy  
Shall follow in your conduct speedily.

*Glendower speaks to her in Welsh, and she answers him in the same*

**GLENDOWER**

She is desperate here; a peevish self-wind harlotry,  
one that no persuasion can do good upon.

*The lady speaks in Welsh*

**MORTIMER**

I understand thy looks: that pretty Welsh  
Which thou pour'st down from these swelling heavens  
I am too perfect in; and, but for shame,  
In such a parley should I answer thee.

*The lady speaks again in Welsh*

I understand thy kisses and thou mine,  
And that's a feeling disputation:  
But I will never be a truant, love,  
Till I have learned thy language; for thy tongue

Makes Welsh as sweet as ditties highly penn'd,  
Sung by a fair queen in a summer's bower,  
With ravishing division, to her lute.

**GLENDOWER**

Nay, if you melt, then will she run mad.

*The lady speaks again in Welsh*

**MORTIMER**

O, I am ignorance itself in this!

**GLENDOWER**

She bids you on the wanton rushes lay you down  
And rest your gentle head upon her lap,  
And she will sing the song that pleaseth you  
And on your eyelids crown the god of sleep.  
Charming your blood with pleasing heaviness,  
Making such difference 'twixt wake and sleep  
As is the difference betwixt day and night  
The hour before the heavenly-harness'd team  
Begins his golden progress in the east.

**MORTIMER**

With all my heart I'll sit and hear her sing:  
By that time will our book, I think, be drawn

**GLENDOWER**

Do so;  
And those musicians that shall play to you  
Hang in the air a thousand leagues from hence,  
And straight they shall be here: sit, and attend.

**HOTSPUR**

Come, Kate, thou art perfect in lying down: come,

quick, quick, that I may lay my head in thy lap.

**LADY PERCY**

Go, ye giddy goose.

*The music plays*

**HOTSPUR**

Now I perceive the devil understands Welsh;  
And 'tis no marvel he is so humorous.  
By'r lady, he is a good musician.

**LADY PERCY**

Then should you be nothing but musical for you are  
altogether governed by humours. Lie still, ye thief,  
and hear the lady sing in Welsh.

**HOTSPUR**

I had rather hear Lady, my brach, howl in Irish.

**LADY PERCY**

Wouldst thou have thy head broken?

**HOTSPUR**

No.

**LADY PERCY**

Then be still.

**HOTSPUR**

Neither; 'tis a woman's fault.

**LADY PERCY**

Now God help thee!

**HOTSPUR**

To the Welsh lady's bed.

**LADY PERCY**

What's that?

**HOTSPUR**

Peace! she sings.

*Here the lady sings a Welsh song*

**HOTSPUR**

Come, Kate, I'll have your song too.

**LADY PERCY**

Not mine, in good sooth.

**HOTSPUR**

Not yours, in good sooth! Heart! you swear like a  
comfit-maker's wife. 'Not you, in good sooth,' and  
'as true as I live,' and 'as God shall mend me,' and  
'as sure as day,'

And givest such sarcenet surety for thy oaths,  
As if thou never walk'st further than Finsbury.  
Swear me, Kate, like a lady as thou art,  
A good mouth-filling oath, and leave 'in sooth,'  
And such protest of pepper-gingerbread,  
To velvet-guards and Sunday-citizens.  
Come, sing.

**LADY PERCY**

I will not sing.

## **HOTSPUR**

'Tis the next way to turn tailor, or be red-breast  
teacher. An the indentures be drawn, I'll away  
within these two hours; and so, come in when ye will.

*Exit*

## **GLENDOWER**

Come, come, Lord Mortimer; you are as slow  
As hot Lord Percy is on fire to go.  
By this our book is drawn; we'll but seal,  
And then to horse immediately.

## **MORTIMER**

With all my heart.

*Exeunt*

## SCENE II. London. The palace.

*Enter KING HENRY IV, PRINCE HENRY, and others*

### KING HENRY IV

Lords, give us leave; the Prince of Wales and I  
Must have some private conference; but be near at hand,  
For we shall presently have need of you.

*Exeunt Lords*

I know not whether God will have it so,  
For some displeasing service I have done,  
That, in his secret doom, out of my blood  
He'll breed revengement and a scourge for me;  
But thou dost in thy passages of life  
Make me believe that thou art only mark'd  
For the hot vengeance and the rod of heaven  
To punish my mistreadings. Tell me else,  
Could such inordinate and low desires,  
Such poor, such bare, such lewd, such mean attempts,  
Such barren pleasures, rude society,  
As thou art match'd withal and grafted to,  
Accompany the greatness of thy blood  
And hold their level with thy princely heart?

### PRINCE HENRY

So please your majesty, I would I could  
Quit all offences with as clear excuse  
As well as I am doubtless I can purge  
Myself of many I am charged withal:  
Yet such extenuation let me beg,  
As, in reproof of many tales devised,  
which oft the ear of greatness needs must hear,

By smiling pick-thanks and base news-mongers,  
I may, for some things true, wherein my youth  
Hath faulty wander'd and irregular,  
Find pardon on my true submission.

## **KING HENRY IV**

God pardon thee! yet let me wonder, Harry,  
At thy affections, which do hold a wing  
Quite from the flight of all thy ancestors.  
Thy place in council thou hast rudely lost,  
Which by thy younger brother is supplied,  
And art almost an alien to the hearts  
Of all the court and princes of my blood:  
The hope and expectation of thy time  
Is ruin'd, and the soul of every man  
Prophetically doth forethink thy fall.  
Had I so lavish of my presence been,  
So common-hackney'd in the eyes of men,  
So stale and cheap to vulgar company,  
Opinion, that did help me to the crown,  
Had still kept loyal to possession  
And left me in reputeless banishment,  
A fellow of no mark nor likelihood.  
By being seldom seen, I could not stir  
But like a comet I was wonder'd at;  
That men would tell their children 'This is he;'  
Others would say 'Where, which is Bolingbroke?'  
And then I stole all courtesy from heaven,  
And dress'd myself in such humility  
That I did pluck allegiance from men's hearts,  
Loud shouts and salutations from their mouths,  
Even in the presence of the crowned king.  
Thus did I keep my person fresh and new;  
My presence, like a robe pontifical,  
Ne'er seen but wonder'd at: and so my state,  
Seldom but sumptuous, showed like a feast  
And won by rareness such solemnity.  
The skipping king, he ambled up and down  
With shallow jesters and rash bavin wits,  
Soon kindled and soon burnt; carded his state,  
Mingled his royalty with capering fools,  
Had his great name profaned with their scorns

And gave his countenance, against his name,  
To laugh at gibing boys and stand the push  
Of every beardless vain comparative,  
Grew a companion to the common streets,  
Enfeoff'd himself to popularity;  
That, being daily swallow'd by men's eyes,  
They surfeited with honey and began  
To loathe the taste of sweetness, whereof a little  
More than a little is by much too much.  
So when he had occasion to be seen,  
He was but as the cuckoo is in June,  
Heard, not regarded; seen, but with such eyes  
As, sick and blunted with community,  
Afford no extraordinary gaze,  
Such as is bent on sun-like majesty  
When it shines seldom in admiring eyes;  
But rather drowzed and hung their eyelids down,  
Slept in his face and render'd such aspect  
As cloudy men use to their adversaries,  
Being with his presence glutted, gorged and full.  
And in that very line, Harry, standest thou;  
For thou has lost thy princely privilege  
With vile participation: not an eye  
But is a-weary of thy common sight,  
Save mine, which hath desired to see thee more;  
Which now doth that I would not have it do,  
Make blind itself with foolish tenderness.

## **PRINCE HENRY**

I shall hereafter, my thrice gracious lord,  
Be more myself.

## **KING HENRY IV**

For all the world  
As thou art to this hour was Richard then  
When I from France set foot at Ravenspurgh,  
And even as I was then is Percy now.  
Now, by my sceptre and my soul to boot,  
He hath more worthy interest to the state  
Than thou the shadow of succession;  
For of no right, nor colour like to right,

He doth fill fields with harness in the realm,  
Turns head against the lion's armed jaws,  
And, being no more in debt to years than thou,  
Leads ancient lords and reverend bishops on  
To bloody battles and to bruising arms.  
What never-dying honour hath he got  
Against renowned Douglas! whose high deeds,  
Whose hot incursions and great name in arms  
Holds from all soldiers chief majority  
And military title capital  
Through all the kingdoms that acknowledge Christ:  
Thrice hath this Hotspur, Mars in swathing clothes,  
This infant warrior, in his enterprises  
Discomfited great Douglas, ta'en him once,  
Enlarged him and made a friend of him,  
To fill the mouth of deep defiance up  
And shake the peace and safety of our throne.  
And what say you to this? Percy, Northumberland,  
The Archbishop's grace of York, Douglas, Mortimer,  
Capitulate against us and are up.  
But wherefore do I tell these news to thee?  
Why, Harry, do I tell thee of my foes,  
Which art my near'st and dearest enemy?  
Thou that art like enough, through vassal fear,  
Base inclination and the start of spleen  
To fight against me under Percy's pay,  
To dog his heels and curtsy at his frowns,  
To show how much thou art degenerate.

## **PRINCE HENRY**

Do not think so; you shall not find it so:  
And God forgive them that so much have sway'd  
Your majesty's good thoughts away from me!  
I will redeem all this on Percy's head  
And in the closing of some glorious day  
Be bold to tell you that I am your son;  
When I will wear a garment all of blood  
And stain my favours in a bloody mask,  
Which, wash'd away, shall scour my shame with it:  
And that shall be the day, whene'er it lights,  
That this same child of honour and renown,  
This gallant Hotspur, this all-praised knight,

And your unthought-of Harry chance to meet.  
For every honour sitting on his helm,  
Would they were multitudes, and on my head  
My shames redoubled! for the time will come,  
That I shall make this northern youth exchange  
His glorious deeds for my indignities.  
Percy is but my factor, good my lord,  
To engross up glorious deeds on my behalf;  
And I will call him to so strict account,  
That he shall render every glory up,  
Yea, even the slightest worship of his time,  
Or I will tear the reckoning from his heart.  
This, in the name of God, I promise here:  
The which if He be pleased I shall perform,  
I do beseech your majesty may salve  
The long-grown wounds of my intemperance:  
If not, the end of life cancels all bands;  
And I will die a hundred thousand deaths  
Ere break the smallest parcel of this vow.

#### **KING HENRY IV**

A hundred thousand rebels die in this:  
Thou shalt have charge and sovereign trust herein.

*Enter BLUNT*

How now, good Blunt? thy looks are full of speed.

#### **SIR WALTER BLUNT**

So hath the business that I come to speak of.  
Lord Mortimer of Scotland hath sent word  
That Douglas and the English rebels met  
The eleventh of this month at Shrewsbury  
A mighty and a fearful head they are,  
If promises be kept on every hand,  
As ever offer'd foul play in the state.

#### **KING HENRY IV**

The Earl of Westmoreland set forth to-day;

With him my son, Lord John of Lancaster;  
For this advertisement is five days old:  
On Wednesday next, Harry, you shall set forward;  
On Thursday we ourselves will march: our meeting  
Is Bridgenorth: and, Harry, you shall march  
Through Gloucestershire; by which account,  
Our business valued, some twelve days hence  
Our general forces at Bridgenorth shall meet.  
Our hands are full of business: let's away;  
Advantage feeds him fat, while men delay.

*Exeunt*

### **Scene III**

Eastcheap. The Boar's-Head Tavern.

*Enter FALSTAFF and BARDOLPH*

#### **FALSTAFF**

Bardolph, am I not fallen away vilely since this last action? do I not bate? do I not dwindle? Why my skin hangs about me like an like an old lady's loose gown; I am withered like an old apple-john. Well, I'll repent, and that suddenly, while I am in some liking; I shall be out of heart shortly, and then I shall have no strength to repent. An I have not forgotten what the inside of a church is made of, I am a peppercorn, a brewer's horse: the inside of a church! Company, villanous company, hath been the spoil of me.

#### **BARDOLPH**

Sir John, you are so fretful, you cannot live long.

#### **FALSTAFF**

Why, there is it: come sing me a bawdy song; make me merry. I was as virtuously given as a gentleman need to be; virtuous enough; swore little; diced not

above seven times a week; went to a bawdy-house once in a quarter--of an hour; paid money that I borrowed, three of four times; lived well and in good compass: and now I live out of all order, out of all compass.

## **ARDOLPH**

Why, you are so fat, Sir John, that you must needs be out of all compass, out of all reasonable compass, Sir John.

## **FALSTAFF**

Do thou amend thy face, and I'll amend my life: thou art our admiral, thou bearest the lantern in the poop, but 'tis in the nose of thee; thou art the Knight of the Burning Lamp.

## **ARDOLPH**

Why, Sir John, my face does you no harm.

## **FALSTAFF**

No, I'll be sworn; I make as good use of it as many a man doth of a Death's-head or a memento mori: I never see thy face but I think upon hell-fire and Dives that lived in purple; for there he is in his robes, burning, burning. If thou wert any way given to virtue, I would swear by thy face; my oath should be 'By this fire, that's God's angel:' but thou art altogether given over; and wert indeed, but for the light in thy face, the son of utter darkness. When thou rannest up Gadshill in the night to catch my horse, if I did not think thou hadst been an ignis fatuus or a ball of wildfire, there's no purchase in money. O, thou art a perpetual triumph, an everlasting bonfire-light! Thou hast saved me a thousand marks in links and torches, walking with thee in the night betwixt tavern and tavern: but the sack that thou hast

drunk me would have bought me lights as good cheap  
at the dearest chandler's in Europe. I have  
maintained that salamander of yours with fire any  
time this two and thirty years; God reward me for  
it!

**BARDOLPH**

'Sblood, I would my face were in your belly!

**FALSTAFF**

God-a-mercy! so should I be sure to be heart-burned.

*Enter Hostess*

How now, Dame Partlet the hen! have you inquired  
yet who picked my pocket?

**Hostess**

Why, Sir John, what do you think, Sir John? do you  
think I keep thieves in my house? I have searched,  
I have inquired, so has my husband, man by man, boy  
by boy, servant by servant: the tithe of a hair  
was never lost in my house before.

**FALSTAFF**

Ye lie, hostess: Bardolph was shaved and lost many  
a hair; and I'll be sworn my pocket was picked. Go  
to, you are a woman, go.

**Hostess**

Who, I? no; I defy thee: God's light, I was never  
called so in mine own house before.

**FALSTAFF**

Go to, I know you well enough.

**Hostess**

No, Sir John; You do not know me, Sir John. I know you, Sir John: you owe me money, Sir John; and now you pick a quarrel to beguile me of it: I bought you a dozen of shirts to your back.

**FALSTAFF**

Dowlas, filthy dowlas: I have given them away to bakers' wives, and they have made bolters of them.

**Hostess**

Now, as I am a true woman, holland of eight shillings an ell. You owe money here besides, Sir John, for your diet and by-drinkings, and money lent you, four and twenty pound.

**FALSTAFF**

He had his part of it; let him pay.

**Hostess**

He? alas, he is poor; he hath nothing.

**FALSTAFF**

How! poor? look upon his face; what call you rich? let them coin his nose, let them coin his cheeks: Ill not pay a denier. What, will you make a younker of me? shall I not take mine case in mine inn but I shall have my pocket picked? I have lost a seal-ring of my grandfather's worth forty mark.

**Hostess**

O Jesu, I have heard the prince tell him, I know not how oft, that ring was copper!

## **FALSTAFF**

How! the prince is a Jack, a sneak-cup: 'sblood, an he were here, I would cudgel him like a dog, if he would say so.

*Enter PRINCE HENRY and PETO, marching, and FALSTAFF meets them playing on his truncheon like a life*

How now, lad! is the wind in that door, i' faith? must we all march?

## **BARDOLPH**

Yea, two and two, Newgate fashion.

## **Hostess**

My lord, I pray you, hear me.

## **PRINCE HENRY**

What sayest thou, Mistress Quickly? How doth thy husband? I love him well; he is an honest man.

## **Hostess**

Good my lord, hear me.

## **FALSTAFF**

Prithee, let her alone, and list to me.

## **PRINCE HENRY**

What sayest thou, Jack?

## **FALSTAFF**

The other night I fell asleep here behind the arras and had my pocket picked: this house is turned

bawdy-house; they pick pockets.

**PRINCE HENRY**

What didst thou lose, Jack?

**FALSTAFF**

Wilt thou believe me, Hal? three or four bonds of forty pound apiece, and a seal-ring of my grandfather's.

**PRINCE HENRY**

A trifle, some eight-penny matter.

**Hostess**

So I told him, my lord; and I said I heard your grace say so: and, my lord, he speaks most vilely of you, like a foul-mouthed man as he is; and said he would cudgel you.

**PRINCE HENRY**

What! he did not?

**Hostess**

There's neither faith, truth, nor womanhood in me else.

**FALSTAFF**

There's no more faith in thee than in a stewed prune; nor no more truth in thee than in a drawn fox; and for womanhood, Maid Marian may be the deputy's wife of the ward to thee. Go, you thing, go

**Hostess**

Say, what thing? what thing?

**FALSTAFF**

What thing! why, a thing to thank God on.

**Hostess**

I am no thing to thank God on, I would thou shouldst know it; I am an honest man's wife: and, setting thy knighthood aside, thou art a knave to call me so.

**FALSTAFF**

Setting thy womanhood aside, thou art a beast to say otherwise.

**Hostess**

Say, what beast, thou knave, thou?

**FALSTAFF**

What beast! why, an otter.

**PRINCE HENRY**

An otter, Sir John! Why an otter?

**FALSTAFF**

Why, she's neither fish nor flesh; a man knows not where to have her.

**Hostess**

Thou art an unjust man in saying so: thou or any man knows where to have me, thou knave, thou!

**PRINCE HENRY**

Thou sayest true, hostess; and he slanders thee most grossly.

**Hostess**

So he doth you, my lord; and said this other day you ought him a thousand pound.

**PRINCE HENRY**

Sirrah, do I owe you a thousand pound?

**FALSTAFF**

A thousand pound, Ha! a million: thy love is worth a million: thou owest me thy love.

**Hostess**

Nay, my lord, he called you Jack, and said he would cudgel you.

**FALSTAFF**

Did I, Bardolph?

**BARDOLPH**

Indeed, Sir John, you said so.

**FALSTAFF**

Yea, if he said my ring was copper.

**PRINCE HENRY**

I say 'tis copper: darest thou be as good as thy word now?

**FALSTAFF**

Why, Hal, thou knowest, as thou art but man, I dare:

but as thou art prince, I fear thee as I fear the roaring of a lion's whelp.

**PRINCE HENRY**

And why not as the lion?

**FALSTAFF**

The king is to be feared as the lion: dost thou think I'll fear thee as I fear thy father? nay, an I do, I pray God my girdle break.

**PRINCE HENRY**

O, if it should, how would thy guts fall about thy knees! But, sirrah, there's no room for faith, truth, nor honesty in this bosom of thine; it is all filled up with guts and midriff. Charge an honest woman with picking thy pocket! why, thou whoreson, impudent, embossed rascal, if there were anything in thy pocket but tavern-reckonings, memorandums of bawdy-houses, and one poor penny-worth of sugar-candy to make thee long-winded, if thy pocket were enriched with any other injuries but these, I am a villain: and yet you will stand to it; you will not pocket up wrong: art thou not ashamed?

**FALSTAFF**

Dost thou hear, Hal? thou knowest in the state of innocency Adam fell; and what should poor Jack Falstaff do in the days of villany? Thou seest I have more flesh than another man, and therefore more frailty. You confess then, you picked my pocket?

**PRINCE HENRY**

It appears so by the story.

**FALSTAFF**

Hostess, I forgive thee: go, make ready breakfast;  
love thy husband, look to thy servants, cherish thy  
guests: thou shalt find me tractable to any honest  
reason: thou seest I am pacified still. Nay,  
prithee, be gone.

*Exit Hostess*

Now Hal, to the news at court: for the robbery,  
lad, how is that answered?

**PRINCE HENRY**

O, my sweet beef, I must still be good angel to  
thee: the money is paid back again.

**FALSTAFF**

O, I do not like that paying back; 'tis a double labour.

**PRINCE HENRY**

I am good friends with my father and may do any thing.

**FALSTAFF**

Rob me the exchequer the first thing thou doest, and  
do it with unwashed hands too.

**BARDOLPH**

Do, my lord.

**PRINCE HENRY**

I have procured thee, Jack, a charge of foot.

**FALSTAFF**

I would it had been of horse. Where shall I find  
one that can steal well? O for a fine thief, of the

age of two and twenty or thereabouts! I am heinously unprovided. Well, God be thanked for these rebels, they offend none but the virtuous: I laud them, I praise them.

**PRINCE HENRY**

Bardolph!

**BARDOLPH**

My lord?

**PRINCE HENRY**

Go bear this letter to Lord John of Lancaster, to my brother John; this to my Lord of Westmoreland.

*Exit Bardolph*

Go, Peto, to horse, to horse; for thou and I have thirty miles to ride yet ere dinner time.

*Exit Peto*

Jack, meet me to-morrow in the temple hall at two o'clock in the afternoon.

There shalt thou know thy charge; and there receive Money and order for their furniture.

The land is burning; Percy stands on high;  
And either we or they must lower lie.

*Exit PRINCE HENRY*

**FALSTAFF**

Rare words! brave world! Hostess, my breakfast, come!  
O, I could wish this tavern were my drum!

*Exit*

## SCENE I. The rebel camp near Shrewsbury.

*Enter HOTSPUR, WORCESTER, and DOUGLAS*

### HOTSPUR

Well said, my noble Scot: if speaking truth  
In this fine age were not thought flattery,  
Such attribution should the Douglas have,  
As not a soldier of this season's stamp  
Should go so general current through the world.  
By God, I cannot flatter; I do defy  
The tongues of soothers; but a braver place  
In my heart's love hath no man than yourself:  
Nay, task me to my word; approve me, lord.

### EARL OF DOUGLAS

Thou art the king of honour:  
No man so potent breathes upon the ground  
But I will beard him.

### HOTSPUR

Do so, and 'tis well.

*Enter a Messenger with letters*

What letters hast thou there?--I can but thank you.

### Messenger

These letters come from your father.

### HOTSPUR

Letters from him! why comes he not himself?

**Messenger**

He cannot come, my lord; he is grievous sick.

**HOTSPUR**

'Zounds! how has he the leisure to be sick  
In such a rustling time? Who leads his power?  
Under whose government come they along?

**Messenger**

His letters bear his mind, not I, my lord.

**EARL OF WORCESTER**

I prithee, tell me, doth he keep his bed?

**Messenger**

He did, my lord, four days ere I set forth;  
And at the time of my departure thence  
He was much fear'd by his physicians.

**EARL OF WORCESTER**

I would the state of time had first been whole  
Ere he by sickness had been visited:  
His health was never better worth than now.

**HOTSPUR**

Sick now! droop now! this sickness doth infect  
The very life-blood of our enterprise;  
'Tis catching hither, even to our camp.  
He writes me here, that inward sickness--  
And that his friends by deputation could not  
So soon be drawn, nor did he think it meet  
To lay so dangerous and dear a trust

On any soul removed but on his own.  
Yet doth he give us bold advertisement,  
That with our small conjunction we should on,  
To see how fortune is disposed to us;  
For, as he writes, there is no quailing now.  
Because the king is certainly possess'd  
Of all our purposes. What say you to it?

## **EARL OF WORCESTER**

Your father's sickness is a main to us.

## **HOTSPUR**

A perilous gash, a very limb lopp'd off:  
And yet, in faith, it is not; his present want  
Seems more than we shall find it: were it good  
To set the exact wealth of all our states  
All at one cast? to set so rich a main  
On the nice hazard of one doubtful hour?  
It were not good; for therein should we read  
The very bottom and the soul of hope,  
The very list, the very utmost bound  
Of all our fortunes.

## **EARL OF DOUGLAS**

'Faith, and so we should;  
Where now remains a sweet reversion:  
We may boldly spend upon the hope of what  
Is to come in:  
A comfort of retirement lives in this.

## **HOTSPUR**

A rendezvous, a home to fly unto.  
If that the devil and mischance look big  
Upon the maidenhead of our affairs.

## **EARL OF WORCESTER**

But yet I would your father had been here.

The quality and hair of our attempt  
Brooks no division: it will be thought  
By some, that know not why he is away,  
That wisdom, loyalty and mere dislike  
Of our proceedings kept the earl from hence:  
And think how such an apprehension  
May turn the tide of fearful faction  
And breed a kind of question in our cause;  
For well you know we of the offering side  
Must keep aloof from strict arbitrement,  
And stop all sight-holes, every loop from whence  
The eye of reason may pry in upon us:  
This absence of your father's draws a curtain,  
That shows the ignorant a kind of fear  
Before not dreamt of.

## **HOTSPUR**

You strain too far.  
I rather of his absence make this use:  
It lends a lustre and more great opinion,  
A larger dare to our great enterprise,  
Than if the earl were here; for men must think,  
If we without his help can make a head  
To push against a kingdom, with his help  
We shall o'erturn it topsy-turvy down.  
Yet all goes well, yet all our joints are whole.

## **EARL OF DOUGLAS**

As heart can think: there is not such a word  
Spoke of in Scotland as this term of fear.

*Enter SIR RICHARD VERNON*

## **HOTSPUR**

My cousin Vernon, welcome, by my soul.

## **VERNON**

Pray God my news be worth a welcome, lord.

The Earl of Westmoreland, seven thousand strong,  
Is marching hitherwards; with him Prince John.

## **HOTSPUR**

No harm: what more?

## **VERNON**

And further, I have learn'd,  
The king himself in person is set forth,  
Or hitherwards intended speedily,  
With strong and mighty preparation.

## **HOTSPUR**

He shall be welcome too. Where is his son,  
The nimble-footed madcap Prince of Wales,  
And his comrades, that daff'd the world aside,  
And bid it pass?

## **VERNON**

All furnish'd, all in arms;  
All plumed like estridges that with the wind  
Baited like eagles having lately bathed;  
Glittering in golden coats, like images;  
As full of spirit as the month of May,  
And gorgeous as the sun at midsummer;  
Wanton as youthful goats, wild as young bulls.  
I saw young Harry, with his beaver on,  
His cuisses on his thighs, gallantly arm'd  
Rise from the ground like feather'd Mercury,  
And vaulted with such ease into his seat,  
As if an angel dropp'd down from the clouds,  
To turn and wind a fiery Pegasus  
And witch the world with noble horsemanship.

## **HOTSPUR**

No more, no more: worse than the sun in March,  
This praise doth nourish agues. Let them come:

They come like sacrifices in their trim,  
And to the fire-eyed maid of smoky war  
All hot and bleeding will we offer them:  
The mailed Mars shall on his altar sit  
Up to the ears in blood. I am on fire  
To hear this rich reprisal is so nigh  
And yet not ours. Come, let me taste my horse,  
Who is to bear me like a thunderbolt  
Against the bosom of the Prince of Wales:  
Harry to Harry shall, hot horse to horse,  
Meet and ne'er part till one drop down a corse.  
O that Glendower were come!

## **VERNON**

There is more news:  
I learn'd in Worcester, as I rode along,  
He cannot draw his power this fourteen days.

## **EARL OF DOUGLAS**

That's the worst tidings that I hear of yet.

## **WORCESTER**

Ay, by my faith, that bears a frosty sound.

## **HOTSPUR**

What may the king's whole battle reach unto?

## **VERNON**

To thirty thousand.

## **HOTSPUR**

Forty let it be:  
My father and Glendower being both away,  
The powers of us may serve so great a day  
Come, let us take a muster speedily:  
Doomsday is near; die all, die merrily.

## EARL OF DOUGLAS

Talk not of dying: I am out of fear  
Of death or death's hand for this one-half year.

*Exeunt*

## SCENE II. A public road near Coventry.

*Enter FALSTAFF and BARDOLPH*

**FALSTAFF**

Bardolph, get thee before to Coventry; fill me a bottle of sack: our soldiers shall march through; we'll to Sutton Co'fil' tonight.

**BARDOLPH**

Will you give me money, captain?

**FALSTAFF**

Lay out, lay out.

**BARDOLPH**

This bottle makes an angel.

**FALSTAFF**

An if it do, take it for thy labour; and if it make twenty, take them all; I'll answer the coinage. Bid my lieutenant Peto meet me at town's end.

**BARDOLPH**

I will, captain: farewell.

*Exit*

**FALSTAFF**

If I be not ashamed of my soldiers, I am a soused gurnet. I have misused the king's press damnably. I have got, in exchange of a hundred and fifty soldiers, three hundred and odd pounds. I press me none but good house-holders, yeoman's sons; inquire me out contracted bachelors, such as had been asked twice on the banns; such a commodity of warm slaves, as had as lieve hear the devil as a drum; such as fear the report of a caliver worse than a struck fowl or a hurt wild-duck. I pressed me none but such toasts-and-butter, with hearts in their bellies no bigger than pins' heads, and they have bought out their services; and now my whole charge consists of ancients, corporals, lieutenants, gentlemen of companies, slaves as ragged as Lazarus in the painted cloth, where the glutton's dogs licked his sores; and such as indeed were never soldiers, but discarded unjust serving-men, younger sons to younger brothers, revolted tapsters and ostlers trade-fallen, the cankers of a calm world and a long peace, ten times more dishonourable ragged than an old faced ancient: and such have I, to fill up the rooms of them that have bought out their services, that you would think that I had a hundred and fifty tattered prodigals lately come from swine-keeping, from eating draff and husks. A mad fellow met me on the way and told me I had unloaded all the gibbets and pressed the dead bodies. No eye hath seen such scarecrows. I'll not march through Coventry with them, that's flat: nay, and the villains march wide betwixt the legs, as if they had gyves on; for indeed I had the most of them out of prison. There's but a shirt and a half in all my company; and the half shirt is two napkins tacked together and thrown over the shoulders like an herald's coat without sleeves; and the shirt, to say the truth, stolen from my host at Saint Alban's, or the red-nose innkeeper of Daventry. But that's all one; they'll find linen enough on every hedge.

*Enter the PRINCE and WESTMORELAND*

## **PRINCE HENRY**

How now, blown Jack! how now, quilt!

## **FALSTAFF**

What, Hal! how now, mad wag! what a devil dost thou in Warwickshire? My good Lord of Westmoreland, I cry you mercy: I thought your honour had already been at Shrewsbury.

## **WESTMORELAND**

Faith, Sir John, 'tis more than time that I were there, and you too; but my powers are there already. The king, I can tell you, looks for us all: we must away all night.

## **FALSTAFF**

Tut, never fear me: I am as vigilant as a cat to steal cream.

## **PRINCE HENRY**

I think, to steal cream indeed, for thy theft hath already made thee butter. But tell me, Jack, whose fellows are these that come after?

## **FALSTAFF**

Mine, Hal, mine.

## **PRINCE HENRY**

I did never see such pitiful rascals.

## **FALSTAFF**

Tut, tut; good enough to toss; food for powder, food for powder; they'll fill a pit as well as better:

tush, man, mortal men, mortal men.

## **WESTMORELAND**

Ay, but, Sir John, methinks they are exceeding poor and bare, too beggarly.

## **FALSTAFF**

'Faith, for their poverty, I know not where they had that; and for their bareness, I am sure they never learned that of me.

## **PRINCE HENRY**

No I'll be sworn; unless you call three fingers on the ribs bare. But, sirrah, make haste: Percy is already in the field.

## **FALSTAFF**

What, is the king encamped?

## **WESTMORELAND**

He is, Sir John: I fear we shall stay too long.

## **FALSTAFF**

Well,  
To the latter end of a fray and the beginning of a feast  
Fits a dull fighter and a keen guest.

*Exeunt*

## SCENE III. The rebel camp near Shrewsbury.

*Enter HOTSPUR, WORCESTER, DOUGLAS, and VERNON*

**HOTSPUR**

We'll fight with him to-night.

**EARL OF WORCESTER**

It may not be.

**EARL OF DOUGLAS**

You give him then the advantage.

**VERNON**

Not a whit.

**HOTSPUR**

Why say you so? looks he not for supply?

**VERNON**

So do we.

**HOTSPUR**

His is certain, ours is doubtful.

**EARL OF WORCESTER**

Good cousin, be advised; stir not tonight.

**VERNON**

Do not, my lord.

**EARL OF DOUGLAS**

You do not counsel well:  
You speak it out of fear and cold heart.

**VERNON**

Do me no slander, Douglas: by my life,  
And I dare well maintain it with my life,  
If well-respected honour bid me on,  
I hold as little counsel with weak fear  
As you, my lord, or any Scot that this day lives:  
Let it be seen to-morrow in the battle  
Which of us fears.

**EARL OF DOUGLAS**

Yea, or to-night.

**VERNON**

Content.

**HOTSPUR**

To-night, say I.

**VERNON**

Come, come it nay not be. I wonder much,  
Being men of such great leading as you are,  
That you foresee not what impediments  
Drag back our expedition: certain horse  
Of my cousin Vernon's are not yet come up:  
Your uncle Worcester's horse came but today;  
And now their pride and mettle is asleep,  
Their courage with hard labour tame and dull,

That not a horse is half the half of himself.

## **HOTSPUR**

So are the horses of the enemy  
In general, journey-bated and brought low:  
The better part of ours are full of rest.

## **EARL OF WORCESTER**

The number of the king exceedeth ours:  
For God's sake, cousin, stay till all come in.

*The trumpet sounds a parley*

*Enter SIR WALTER BLUNT*

## **SIR WALTER BLUNT**

I come with gracious offers from the king,  
if you vouchsafe me hearing and respect.

## **HOTSPUR**

Welcome, Sir Walter Blunt; and would to God  
You were of our determination!  
Some of us love you well; and even those some  
Envy your great deservings and good name,  
Because you are not of our quality,  
But stand against us like an enemy.

## **SIR WALTER BLUNT**

And God defend but still I should stand so,  
So long as out of limit and true rule  
You stand against anointed majesty.  
But to my charge. The king hath sent to know  
The nature of your griefs, and whereupon  
You conjure from the breast of civil peace  
Such bold hostility, teaching his duteous land  
Audacious cruelty. If that the king  
Have any way your good deserts forgot,

Which he confesseth to be manifold,  
He bids you name your griefs; and with all speed  
You shall have your desires with interest  
And pardon absolute for yourself and these  
Herein misled by your suggestion.

## **HOTSPUR**

The king is kind; and well we know the king  
Knows at what time to promise, when to pay.  
My father and my uncle and myself  
Did give him that same royalty he wears;  
And when he was not six and twenty strong,  
Sick in the world's regard, wretched and low,  
A poor unminded outlaw sneaking home,  
My father gave him welcome to the shore;  
And when he heard him swear and vow to God  
He came but to be Duke of Lancaster,  
To sue his livery and beg his peace,  
With tears of innocency and terms of zeal,  
My father, in kind heart and pity moved,  
Swore him assistance and perform'd it too.  
Now when the lords and barons of the realm  
Perceived Northumberland did lean to him,  
The more and less came in with cap and knee;  
Met him in boroughs, cities, villages,  
Attended him on bridges, stood in lanes,  
Laid gifts before him, proffer'd him their oaths,  
Gave him their heirs, as pages follow'd him  
Even at the heels in golden multitudes.  
He presently, as greatness knows itself,  
Steps me a little higher than his vow  
Made to my father, while his blood was poor,  
Upon the naked shore at Ravenspurgh;  
And now, forsooth, takes on him to reform  
Some certain edicts and some strait decrees  
That lie too heavy on the commonwealth,  
Cries out upon abuses, seems to weep  
Over his country's wrongs; and by this face,  
This seeming brow of justice, did he win  
The hearts of all that he did angle for;  
Proceeded further; cut me off the heads  
Of all the favourites that the absent king

In deputation left behind him here,  
When he was personal in the Irish war.

**SIR WALTER BLUNT**

Tut, I came not to hear this.

**HOTSPUR**

Then to the point.  
In short time after, he deposed the king;  
Soon after that, deprived him of his life;  
And in the neck of that, task'd the whole state:  
To make that worse, suffer'd his kinsman March,  
Who is, if every owner were well placed,  
Indeed his king, to be engaged in Wales,  
There without ransom to lie forfeited;  
Disgraced me in my happy victories,  
Sought to entrap me by intelligence;  
Rated mine uncle from the council-board;  
In rage dismiss'd my father from the court;  
Broke oath on oath, committed wrong on wrong,  
And in conclusion drove us to seek out  
This head of safety; and withal to pry  
Into his title, the which we find  
Too indirect for long continuance.

**SIR WALTER BLUNT**

Shall I return this answer to the king?

**HOTSPUR**

Not so, Sir Walter: we'll withdraw awhile.  
Go to the king; and let there be impawn'd  
Some surety for a safe return again,  
And in the morning early shall my uncle  
Bring him our purposes: and so farewell.

**SIR WALTER BLUNT**

I would you would accept of grace and love.

## **HOTSPUR**

And may be so we shall.

## **SIR WALTER BLUNT**

Pray God you do.

*Exeunt*

## SCENE IV. York. The ARCHBISHOP'S palace.

*Enter the ARCHBISHOP OF YORK and SIR MICHAEL*

### ARCHBISHOP OF YORK

Hie, good Sir Michael; bear this sealed brief  
With winged haste to the lord marshal;  
This to my cousin Scroop, and all the rest  
To whom they are directed. If you knew  
How much they do to import, you would make haste.

### SIR MICHAEL

My good lord,  
I guess their tenor.

### ARCHBISHOP OF YORK

Like enough you do.  
To-morrow, good Sir Michael, is a day  
Wherein the fortune of ten thousand men  
Must bide the touch; for, sir, at Shrewsbury,  
As I am truly given to understand,  
The king with mighty and quick-raised power  
Meets with Lord Harry: and, I fear, Sir Michael,  
What with the sickness of Northumberland,  
Whose power was in the first proportion,  
And what with Owen Glendower's absence thence,  
Who with them was a rated sinew too  
And comes not in, o'er-ruled by prophecies,  
I fear the power of Percy is too weak  
To wage an instant trial with the king.

### SIR MICHAEL

Why, my good lord, you need not fear;  
There is Douglas and Lord Mortimer.

**ARCHBISHOP OF YORK**

No, Mortimer is not there.

**SIR MICHAEL**

But there is Mordake, Vernon, Lord Harry Percy,  
And there is my Lord of Worcester and a head  
Of gallant warriors, noble gentlemen.

**ARCHBISHOP OF YORK**

And so there is: but yet the king hath drawn  
The special head of all the land together:  
The Prince of Wales, Lord John of Lancaster,  
The noble Westmoreland and warlike Blunt;  
And moe corrivals and dear men  
Of estimation and command in arms.

**SIR MICHAEL**

Doubt not, my lord, they shall be well opposed.

**ARCHBISHOP OF YORK**

I hope no less, yet needful 'tis to fear;  
And, to prevent the worst, Sir Michael, speed:  
For if Lord Percy thrive not, ere the king  
Dismiss his power, he means to visit us,  
For he hath heard of our confederacy,  
And 'tis but wisdom to make strong against him:  
Therefore make haste. I must go write again  
To other friends; and so farewell, Sir Michael.

*Exeunt*

# The First part of King Henry the Fourth

[Shakespeare homepage](#) | [Henry IV, part 1](#) | Act 5, Scene 1

[Previous scene](#) | [Next scene](#)

## SCENE I. KING HENRY IV's camp near Shrewsbury.

*Enter KING HENRY, PRINCE HENRY, Lord John of LANCASTER, EARL OF WESTMORELAND, SIR WALTER BLUNT, and FALSTAFF*

### KING HENRY IV

How bloodily the sun begins to peer  
Above yon busky hill! the day looks pale  
At his distemperature.

### PRINCE HENRY

The southern wind  
Doth play the trumpet to his purposes,  
And by his hollow whistling in the leaves  
Foretells a tempest and a blustering day.

### KING HENRY IV

Then with the losers let it sympathize,  
For nothing can seem foul to those that win.

*The trumpet sounds*

*Enter WORCESTER and VERNON*

How now, my Lord of Worcester! 'tis not well  
That you and I should meet upon such terms  
As now we meet. You have deceived our trust,  
And made us doff our easy robes of peace,  
To crush our old limbs in ungentle steel:  
This is not well, my lord, this is not well.  
What say you to it? will you again unknit  
This curlish knot of all-abhorred war?  
And move in that obedient orb again

Where you did give a fair and natural light,  
And be no more an exhaled meteor,  
A prodigy of fear and a portent  
Of broached mischief to the unborn times?

### **EARL OF WORCESTER**

Hear me, my liege:  
For mine own part, I could be well content  
To entertain the lag-end of my life  
With quiet hours; for I do protest,  
I have not sought the day of this dislike.

### **KING HENRY IV**

You have not sought it! how comes it, then?

### **FALSTAFF**

Rebellion lay in his way, and he found it.

### **PRINCE HENRY**

Peace, chewet, peace!

### **EARL OF WORCESTER**

It pleased your majesty to turn your looks  
Of favour from myself and all our house;  
And yet I must remember you, my lord,  
We were the first and dearest of your friends.  
For you my staff of office did I break  
In Richard's time; and posted day and night  
to meet you on the way, and kiss your hand,  
When yet you were in place and in account  
Nothing so strong and fortunate as I.  
It was myself, my brother and his son,  
That brought you home and boldly did outdare  
The dangers of the time. You swore to us,  
And you did swear that oath at Doncaster,  
That you did nothing purpose 'gainst the state;  
Nor claim no further than your new-fall'n right,

The seat of Gaunt, dukedom of Lancaster:  
To this we swore our aid. But in short space  
It rain'd down fortune showering on your head;  
And such a flood of greatness fell on you,  
What with our help, what with the absent king,  
What with the injuries of a wanton time,  
The seeming sufferances that you had borne,  
And the contrarious winds that held the king  
So long in his unlucky Irish wars  
That all in England did repute him dead:  
And from this swarm of fair advantages  
You took occasion to be quickly woo'd  
To gripe the general sway into your hand;  
Forget your oath to us at Doncaster;  
And being fed by us you used us so  
As that ungentle hull, the cuckoo's bird,  
Useth the sparrow; did oppress our nest;  
Grew by our feeding to so great a bulk  
That even our love durst not come near your sight  
For fear of swallowing; but with nimble wing  
We were enforced, for safety sake, to fly  
Out of sight and raise this present head;  
Whereby we stand opposed by such means  
As you yourself have forged against yourself  
By unkind usage, dangerous countenance,  
And violation of all faith and troth  
Sworn to us in your younger enterprise.

## **KING HENRY IV**

These things indeed you have articulate,  
Proclaim'd at market-crosses, read in churches,  
To face the garment of rebellion  
With some fine colour that may please the eye  
Of fickle changelings and poor discontents,  
Which gape and rub the elbow at the news  
Of hurlyburly innovation:  
And never yet did insurrection want  
Such water-colours to impaint his cause;  
Nor moody beggars, starving for a time  
Of pellmell havoc and confusion.

## **PRINCE HENRY**

In both your armies there is many a soul  
Shall pay full dearly for this encounter,  
If once they join in trial. Tell your nephew,  
The Prince of Wales doth join with all the world  
In praise of Henry Percy: by my hopes,  
This present enterprise set off his head,  
I do not think a braver gentleman,  
More active-valiant or more valiant-young,  
More daring or more bold, is now alive  
To grace this latter age with noble deeds.  
For my part, I may speak it to my shame,  
I have a truant been to chivalry;  
And so I hear he doth account me too;  
Yet this before my father's majesty--  
I am content that he shall take the odds  
Of his great name and estimation,  
And will, to save the blood on either side,  
Try fortune with him in a single fight.

#### **KING HENRY IV**

And, Prince of Wales, so dare we venture thee,  
Albeit considerations infinite  
Do make against it. No, good Worcester, no,  
We love our people well; even those we love  
That are misled upon your cousin's part;  
And, will they take the offer of our grace,  
Both he and they and you, every man  
Shall be my friend again and I'll be his:  
So tell your cousin, and bring me word  
What he will do: but if he will not yield,  
Rebuke and dread correction wait on us  
And they shall do their office. So, be gone;  
We will not now be troubled with reply:  
We offer fair; take it advisedly.

*Exeunt WORCESTER and VERNON*

#### **PRINCE HENRY**

It will not be accepted, on my life:

The Douglas and the Hotspur both together  
Are confident against the world in arms.

## **KING HENRY IV**

Hence, therefore, every leader to his charge;  
For, on their answer, will we set on them:  
And God befriend us, as our cause is just!

*Exeunt all but PRINCE HENRY and FALSTAFF*

## **FALSTAFF**

Hal, if thou see me down in the battle and bestride  
me, so; 'tis a point of friendship.

## **PRINCE HENRY**

Nothing but a colossus can do thee that friendship.  
Say thy prayers, and farewell.

## **FALSTAFF**

I would 'twere bed-time, Hal, and all well.

## **PRINCE HENRY**

Why, thou owest God a death.

*Exit PRINCE HENRY*

## **FALSTAFF**

'Tis not due yet; I would be loath to pay him before  
his day. What need I be so forward with him that  
calls not on me? Well, 'tis no matter; honour pricks  
me on. Yea, but how if honour prick me off when I  
come on? how then? Can honour set to a leg? no: or  
an arm? no: or take away the grief of a wound? no.  
Honour hath no skill in surgery, then? no. What is  
honour? a word. What is in that word honour? what

is that honour? air. A trim reckoning! Who hath it?  
he that died o' Wednesday. Doth he feel it? no.  
Doth he hear it? no. 'Tis insensible, then. Yea,  
to the dead. But will it not live with the living?  
no. Why? detraction will not suffer it. Therefore  
I'll none of it. Honour is a mere scutcheon: and so  
ends my catechism.

*Exit*

## SCENE II. The rebel camp.

*Enter WORCESTER and VERNON*

### EARL OF WORCESTER

O, no, my nephew must not know, Sir Richard,  
The liberal and kind offer of the king.

### VERNON

'Twere best he did.

### EARL OF WORCESTER

Then are we all undone.  
It is not possible, it cannot be,  
The king should keep his word in loving us;  
He will suspect us still and find a time  
To punish this offence in other faults:  
Suspicion all our lives shall be stuck full of eyes;  
For treason is but trusted like the fox,  
Who, ne'er so tame, so cherish'd and lock'd up,  
Will have a wild trick of his ancestors.  
Look how we can, or sad or merrily,  
Interpretation will misquote our looks,  
And we shall feed like oxen at a stall,  
The better cherish'd, still the nearer death.  
My nephew's trespass may be well forgot;  
It hath the excuse of youth and heat of blood,  
And an adopted name of privilege,  
A hair-brain'd Hotspur, govern'd by a spleen:  
All his offences live upon my head  
And on his father's; we did train him on,  
And, his corruption being ta'en from us,  
We, as the spring of all, shall pay for all.

Therefore, good cousin, let not Harry know,  
In any case, the offer of the king.

**VERNON**

Deliver what you will; I'll say 'tis so.  
Here comes your cousin.

*Enter HOTSPUR and DOUGLAS*

**HOTSPUR**

My uncle is return'd:  
Deliver up my Lord of Westmoreland.  
Uncle, what news?

**EARL OF WORCESTER**

The king will bid you battle presently.

**EARL OF DOUGLAS**

Defy him by the Lord of Westmoreland.

**HOTSPUR**

Lord Douglas, go you and tell him so.

**EARL OF DOUGLAS**

Marry, and shall, and very willingly.

*Exit*

**EARL OF WORCESTER**

There is no seeming mercy in the king.

**HOTSPUR**

Did you beg any? God forbid!

## **EARL OF WORCESTER**

I told him gently of our grievances,  
Of his oath-breaking; which he mended thus,  
By now forswearing that he is forsworn:  
He calls us rebels, traitors; and will scourge  
With haughty arms this hateful name in us.

*Re-enter the EARL OF DOUGLAS*

## **EARL OF DOUGLAS**

Arm, gentlemen; to arms! for I have thrown  
A brave defiance in King Henry's teeth,  
And Westmoreland, that was engaged, did bear it;  
Which cannot choose but bring him quickly on.

## **EARL OF WORCESTER**

The Prince of Wales stepp'd forth before the king,  
And, nephew, challenged you to single fight.

## **HOTSPUR**

O, would the quarrel lay upon our heads,  
And that no man might draw short breath today  
But I and Harry Monmouth! Tell me, tell me,  
How show'd his tasking? seem'd it in contempt?

## **VERNON**

No, by my soul; I never in my life  
Did hear a challenge urged more modestly,  
Unless a brother should a brother dare  
To gentle exercise and proof of arms.  
He gave you all the duties of a man;  
Trimm'd up your praises with a princely tongue,  
Spoke to your deservings like a chronicle,  
Making you ever better than his praise  
By still dispraising praise valued in you;  
And, which became him like a prince indeed,

He made a blushing cital of himself;  
And chid his truant youth with such a grace  
As if he master'd there a double spirit.  
Of teaching and of learning instantly.  
There did he pause: but let me tell the world,  
If he outlive the envy of this day,  
England did never owe so sweet a hope,  
So much misconstrued in his wantonness.

## **HOTSPUR**

Cousin, I think thou art enamoured  
On his follies: never did I hear  
Of any prince so wild a libertine.  
But be he as he will, yet once ere night  
I will embrace him with a soldier's arm,  
That he shall shrink under my courtesy.  
Arm, arm with speed: and, fellows, soldiers, friends,  
Better consider what you have to do  
Than I, that have not well the gift of tongue,  
Can lift your blood up with persuasion.

*Enter a Messenger*

## **Messenger**

My lord, here are letters for you.

## **HOTSPUR**

I cannot read them now.  
O gentlemen, the time of life is short!  
To spend that shortness basely were too long,  
If life did ride upon a dial's point,  
Still ending at the arrival of an hour.  
An if we live, we live to tread on kings;  
If die, brave death, when princes die with us!  
Now, for our consciences, the arms are fair,  
When the intent of bearing them is just.

*Enter another Messenger*

## Messenger

My lord, prepare; the king comes on apace.

## HOTSPUR

I thank him, that he cuts me from my tale,  
For I profess not talking; only this--  
Let each man do his best: and here draw I  
A sword, whose temper I intend to stain  
With the best blood that I can meet withal  
In the adventure of this perilous day.  
Now, Esperance! Percy! and set on.  
Sound all the lofty instruments of war,  
And by that music let us all embrace;  
For, heaven to earth, some of us never shall  
A second time do such a courtesy.

*The trumpets sound. They embrace, and exeunt*

## SCENE III. Plain between the camps.

*KING HENRY enters with his power. Alarum to the battle. Then enter DOUGLAS and SIR WALTER BLUNT*

### SIR WALTER BLUNT

What is thy name, that in the battle thus  
Thou crossest me? what honour dost thou seek  
Upon my head?

### EARL OF DOUGLAS

Know then, my name is Douglas;  
And I do haunt thee in the battle thus  
Because some tell me that thou art a king.

### SIR WALTER BLUNT

They tell thee true.

### EARL OF DOUGLAS

The Lord of Stafford dear to-day hath bought  
Thy likeness, for instead of thee, King Harry,  
This sword hath ended him: so shall it thee,  
Unless thou yield thee as my prisoner.

### SIR WALTER BLUNT

I was not born a yielder, thou proud Scot;  
And thou shalt find a king that will revenge  
Lord Stafford's death.

*They fight. DOUGLAS kills SIR WALTER BLUNT. Enter HOTSPUR*

**HOTSPUR**

O Douglas, hadst thou fought at Holmedon thus,  
never had triumph'd upon a Scot.

**EARL OF DOUGLAS**

All's done, all's won; here breathless lies the king.

**HOTSPUR**

Where?

**EARL OF DOUGLAS**

Here.

**HOTSPUR**

This, Douglas? no: I know this face full well:  
A gallant knight he was, his name was Blunt;  
Semblably furnish'd like the king himself.

**EARL OF DOUGLAS**

A fool go with thy soul, whither it goes!  
A borrow'd title hast thou bought too dear:  
Why didst thou tell me that thou wert a king?

**HOTSPUR**

The king hath many marching in his coats.

**EARL OF DOUGLAS**

Now, by my sword, I will kill all his coats;  
I'll murder all his wardrobe, piece by piece,  
Until I meet the king.

**HOTSPUR**

Up, and away!  
Our soldiers stand full fairly for the day.

*Exeunt*

*Alarum. Enter FALSTAFF, solus*

**FALSTAFF**

Though I could 'scape shot-free at London, I fear  
the shot here; here's no scoring but upon the pate.  
Soft! who are you? Sir Walter Blunt: there's honour  
for you! here's no vanity! I am as hot as moulten  
lead, and as heavy too: God keep lead out of me! I  
need no more weight than mine own bowels. I have  
led my ragamuffins where they are peppered: there's  
not three of my hundred and fifty left alive; and  
they are for the town's end, to beg during life.  
But who comes here?

*Enter PRINCE HENRY*

**PRINCE HENRY**

What, stand'st thou idle here? lend me thy sword:  
Many a nobleman lies stark and stiff  
Under the hoofs of vaunting enemies,  
Whose deaths are yet unrevenged: I prithee,  
lend me thy sword.

**FALSTAFF**

O Hal, I prithee, give me leave to breathe awhile.  
Turk Gregory never did such deeds in arms as I have  
done this day. I have paid Percy, I have made him sure.

**PRINCE HENRY**

He is, indeed; and living to kill thee. I prithee,  
lend me thy sword.

**FALSTAFF**

Nay, before God, Hal, if Percy be alive, thou get'st not my sword; but take my pistol, if thou wilt.

**PRINCE HENRY**

Give it to me: what, is it in the case?

**FALSTAFF**

Ay, Hal; 'tis hot, 'tis hot; there's that will sack a city.

*PRINCE HENRY draws it out, and finds it to be a bottle of sack*

**PRINCE HENRY**

What, is it a time to jest and dally now?

*He throws the bottle at him. Exit*

**FALSTAFF**

Well, if Percy be alive, I'll pierce him. If he do come in my way, so: if he do not, if I come in his willingly, let him make a carbonado of me. I like not such grinning honour as Sir Walter hath: give me life: which if I can save, so; if not, honour comes unlooked for, and there's an end.

*Exit FALSTAFF*

[Previous scene](#) | [Next scene](#)

# The First part of King Henry the Fourth

[Shakespeare homepage](#) | [Henry IV, part 1](#) | Act 5, Scene 4

[Previous scene](#) | [Next scene](#)

## SCENE IV. Another part of the field.

*Alarum. Excursions. Enter PRINCE HENRY, LORD JOHN OF LANCASTER, and EARL OF WESTMORELAND*

### KING HENRY IV

I prithee,  
Harry, withdraw thyself; thou bleed'st too much.  
Lord John of Lancaster, go you with him.

### LANCASTER

Not I, my lord, unless I did bleed too.

### PRINCE HENRY

I beseech your majesty, make up,  
Lest your retirement do amaze your friends.

### KING HENRY IV

I will do so.  
My Lord of Westmoreland, lead him to his tent.

### WESTMORELAND

Come, my lord, I'll lead you to your tent.

### PRINCE HENRY

Lead me, my lord? I do not need your help:  
And God forbid a shallow scratch should drive  
The Prince of Wales from such a field as this,  
Where stain'd nobility lies trodden on,  
and rebels' arms triumph in massacres!

## **LANCASTER**

We breathe too long: come, cousin Westmoreland,  
Our duty this way lies; for God's sake come.

*Exeunt LANCASTER and WESTMORELAND*

## **PRINCE HENRY**

By God, thou hast deceived me, Lancaster;  
I did not think thee lord of such a spirit:  
Before, I loved thee as a brother, John;  
But now, I do respect thee as my soul.

## **KING HENRY IV**

I saw him hold Lord Percy at the point  
With lustier maintenance than I did look for  
Of such an ungrown warrior.

## **PRINCE HENRY**

O, this boy  
Lends mettle to us all!

*Exit*

*Enter DOUGLAS*

## **EARL OF DOUGLAS**

Another king! they grow like Hydra's heads:  
I am the Douglas, fatal to all those  
That wear those colours on them: what art thou,  
That counterfeit'st the person of a king?

## **KING HENRY IV**

The king himself; who, Douglas, grieves at heart  
So many of his shadows thou hast met  
And not the very king. I have two boys

Seek Percy and thyself about the field:  
But, seeing thou fall'st on me so luckily,  
I will assay thee: so, defend thyself.

## **EARL OF DOUGLAS**

I fear thou art another counterfeit;  
And yet, in faith, thou bear'st thee like a king:  
But mine I am sure thou art, whoe'er thou be,  
And thus I win thee.

*They fight. KING HENRY being in danger, PRINCE HENRY enters*

## **PRINCE HENRY**

Hold up thy head, vile Scot, or thou art like  
Never to hold it up again! the spirits  
Of valiant Shirley, Stafford, Blunt, are in my arms:  
It is the Prince of Wales that threatens thee;  
Who never promiseth but he means to pay.

*They fight: DOUGLAS flies*

Cheerly, my lord how fares your grace?  
Sir Nicholas Gawsey hath for succor sent,  
And so hath Clifton: I'll to Clifton straight.

## **KING HENRY IV**

Stay, and breathe awhile:  
Thou hast redeem'd thy lost opinion,  
And show'd thou makest some tender of my life,  
In this fair rescue thou hast brought to me.

## **PRINCE HENRY**

O God! they did me too much injury  
That ever said I hearken'd for your death.  
If it were so, I might have let alone  
The insulting hand of Douglas over you,  
Which would have been as speedy in your end  
As all the poisonous potions in the world

And saved the treacherous labour of your son.

**KING HENRY IV**

Make up to Clifton: I'll to Sir Nicholas Gawsey.

*Exit*

*Enter HOTSPUR*

**HOTSPUR**

If I mistake not, thou art Harry Monmouth.

**PRINCE HENRY**

Thou speak'st as if I would deny my name.

**HOTSPUR**

My name is Harry Percy.

**PRINCE HENRY**

Why, then I see  
A very valiant rebel of the name.  
I am the Prince of Wales; and think not, Percy,  
To share with me in glory any more:  
Two stars keep not their motion in one sphere;  
Nor can one England brook a double reign,  
Of Harry Percy and the Prince of Wales.

**HOTSPUR**

Nor shall it, Harry; for the hour is come  
To end the one of us; and would to God  
Thy name in arms were now as great as mine!

**PRINCE HENRY**

I'll make it greater ere I part from thee;

And all the budding honours on thy crest  
I'll crop, to make a garland for my head.

## **HOTSPUR**

I can no longer brook thy vanities.

*They fight*

*Enter FALSTAFF*

## **FALSTAFF**

Well said, Hal! to it Hal! Nay, you shall find no  
boy's play here, I can tell you.

*Re-enter DOUGLAS; he fights with FALSTAFF, who falls down as if he were dead, and  
exit DOUGLAS. HOTSPUR is wounded, and falls*

## **HOTSPUR**

O, Harry, thou hast robb'd me of my youth!  
I better brook the loss of brittle life  
Than those proud titles thou hast won of me;  
They wound my thoughts worse than sword my flesh:  
But thought's the slave of life, and life time's fool;  
And time, that takes survey of all the world,  
Must have a stop. O, I could prophesy,  
But that the earthy and cold hand of death  
Lies on my tongue: no, Percy, thou art dust  
And food for--

*Dies*

## **PRINCE HENRY**

For worms, brave Percy: fare thee well, great heart!  
Ill-weaved ambition, how much art thou shrunk!  
When that this body did contain a spirit,  
A kingdom for it was too small a bound;  
But now two paces of the vilest earth  
Is room enough: this earth that bears thee dead

Bears not alive so stout a gentleman.  
If thou wert sensible of courtesy,  
I should not make so dear a show of zeal:  
But let my favours hide thy mangled face;  
And, even in thy behalf, I'll thank myself  
For doing these fair rites of tenderness.  
Adieu, and take thy praise with thee to heaven!  
Thy ignominy sleep with thee in the grave,  
But not remember'd in thy epitaph!

*He spieth FALSTAFF on the ground*

What, old acquaintance! could not all this flesh  
Keep in a little life? Poor Jack, farewell!  
I could have better spared a better man:  
O, I should have a heavy miss of thee,  
If I were much in love with vanity!  
Death hath not struck so fat a deer to-day,  
Though many dearer, in this bloody fray.  
Embowell'd will I see thee by and by:  
Till then in blood by noble Percy lie.

*Exit PRINCE HENRY*

## **FALSTAFF**

[Rising up] Embowelled! if thou embowel me to-day,  
I'll give you leave to powder me and eat me too  
to-morrow. 'Sblood,'twas time to counterfeit, or  
that hot termagant Scot had paid me scot and lot too.  
Counterfeit? I lie, I am no counterfeit: to die,  
is to be a counterfeit; for he is but the  
counterfeit of a man who hath not the life of a man:  
but to counterfeit dying, when a man thereby  
liveth, is to be no counterfeit, but the true and  
perfect image of life indeed. The better part of  
valour is discretion; in the which better part I  
have saved my life.'Zounds, I am afraid of this  
gunpowder Percy, though he be dead: how, if he  
should counterfeit too and rise? by my faith, I am  
afraid he would prove the better counterfeit.  
Therefore I'll make him sure; yea, and I'll swear I

killed him. Why may not he rise as well as I?  
Nothing confutes me but eyes, and nobody sees me.  
Therefore, sirrah,

*Stabbing him*

with a new wound in your thigh, come you along with me.

*Takes up HOTSPUR on his back*

*Re-enter PRINCE HENRY and LORD JOHN OF LANCASTER*

## **PRINCE HENRY**

Come, brother John; full bravely hast thou flesh'd  
Thy maiden sword.

## **LANCASTER**

But, soft! whom have we here?  
Did you not tell me this fat man was dead?

## **PRINCE HENRY**

I did; I saw him dead,  
Breathless and bleeding on the ground. Art  
thou alive?  
Or is it fantasy that plays upon our eyesight?  
I prithee, speak; we will not trust our eyes  
Without our ears: thou art not what thou seem'st.

## **FALSTAFF**

No, that's certain; I am not a double man: but if I  
be not Jack Falstaff, then am I a Jack. There is Percy:

*Throwing the body down*

if your father will do me any honour, so; if not, let  
him kill the next Percy himself. I look to be either  
earl or duke, I can assure you.

## **PRINCE HENRY**

Why, Percy I killed myself and saw thee dead.

## **FALSTAFF**

Didst thou? Lord, Lord, how this world is given to lying! I grant you I was down and out of breath; and so was he: but we rose both at an instant and fought a long hour by Shrewsbury clock. If I may be believed, so; if not, let them that should reward valour bear the sin upon their own heads. I'll take it upon my death, I gave him this wound in the thigh: if the man were alive and would deny it, 'zounds, I would make him eat a piece of my sword.

## **LANCASTER**

This is the strangest tale that ever I heard.

## **PRINCE HENRY**

This is the strangest fellow, brother John.  
Come, bring your luggage nobly on your back:  
For my part, if a lie may do thee grace,  
I'll gild it with the happiest terms I have.

*A retreat is sounded*

The trumpet sounds retreat; the day is ours.  
Come, brother, let us to the highest of the field,  
To see what friends are living, who are dead.

*Exeunt PRINCE HENRY and LANCASTER*

## **FALSTAFF**

I'll follow, as they say, for reward. He that rewards me, God reward him! If I do grow great, I'll grow less; for I'll purge, and leave sack, and live cleanly as a nobleman should do.

*Exit*

[Shakespeare homepage](#) | [Henry IV, part 1](#) | Act 5, Scene 5

[Previous scene](#)

## SCENE V. Another part of the field.

*The trumpets sound. Enter KING HENRY IV, PRINCE HENRY, LORD JOHN LANCASTER, EARL OF WESTMORELAND, with WORCESTER and VERNON prisoners*

### KING HENRY IV

Thus ever did rebellion find rebuke.  
Ill-spirited Worcester! did not we send grace,  
Pardon and terms of love to all of you?  
And wouldst thou turn our offers contrary?  
Misuse the tenor of thy kinsman's trust?  
Three knights upon our party slain to-day,  
A noble earl and many a creature else  
Had been alive this hour,  
If like a Christian thou hadst truly borne  
Betwixt our armies true intelligence.

### EARL OF WORCESTER

What I have done my safety urged me to;  
And I embrace this fortune patiently,  
Since not to be avoided it falls on me.

### KING HENRY IV

Bear Worcester to the death and Vernon too:  
Other offenders we will pause upon.

*Exeunt WORCESTER and VERNON, guarded*

How goes the field?

### PRINCE HENRY

The noble Scot, Lord Douglas, when he saw

The fortune of the day quite turn'd from him,  
The noble Percy slain, and all his men  
Upon the foot of fear, fled with the rest;  
And falling from a hill, he was so bruised  
That the pursuers took him. At my tent  
The Douglas is; and I beseech your grace  
I may dispose of him.

#### **KING HENRY IV**

With all my heart.

#### **PRINCE HENRY**

Then, brother John of Lancaster, to you  
This honourable bounty shall belong:  
Go to the Douglas, and deliver him  
Up to his pleasure, ransomless and free:  
His valour shown upon our crests to-day  
Hath taught us how to cherish such high deeds  
Even in the bosom of our adversaries.

#### **LANCASTER**

I thank your grace for this high courtesy,  
Which I shall give away immediately.

#### **KING HENRY IV**

Then this remains, that we divide our power.  
You, son John, and my cousin Westmoreland  
Towards York shall bend you with your dearest speed,  
To meet Northumberland and the prelate Scroop,  
Who, as we hear, are busily in arms:  
Myself and you, son Harry, will towards Wales,  
To fight with Glendower and the Earl of March.  
Rebellion in this land shall lose his sway,  
Meeting the cheque of such another day:  
And since this business so fair is done,  
Let us not leave till all our own be won.

*Exeunt*

## Induction

*Warkworth. Before the castle*

*Enter RUMOUR, painted full of tongues*

## RUMOUR

Open your ears; for which of you will stop  
The vent of hearing when loud Rumour speaks?  
I, from the orient to the drooping west,  
Making the wind my post-horse, still unfold  
The acts commenced on this ball of earth:  
Upon my tongues continual slanders ride,  
The which in every language I pronounce,  
Stuffing the ears of men with false reports.  
I speak of peace, while covert enmity  
Under the smile of safety wounds the world:  
And who but Rumour, who but only I,  
Make fearful musters and prepared defence,  
Whiles the big year, swoln with some other grief,  
Is thought with child by the stern tyrant war,  
And no such matter? Rumour is a pipe  
Blown by surmises, jealousies, conjectures  
And of so easy and so plain a stop  
That the blunt monster with uncounted heads,  
The still-discordant wavering multitude,  
Can play upon it. But what need I thus  
My well-known body to anatomize  
Among my household? Why is Rumour here?  
I run before King Harry's victory;  
Who in a bloody field by Shrewsbury  
Hath beaten down young Hotspur and his troops,  
Quenching the flame of bold rebellion  
Even with the rebel's blood. But what mean I  
To speak so true at first? my office is  
To noise abroad that Harry Monmouth fell

Under the wrath of noble Hotspur's sword,  
And that the king before the Douglas' rage  
Stoop'd his anointed head as low as death.  
This have I rumour'd through the peasant towns  
Between that royal field of Shrewsbury  
And this worm-eaten hold of ragged stone,  
Where Hotspur's father, old Northumberland,  
Lies crafty-sick: the posts come tiring on,  
And not a man of them brings other news  
Than they have learn'd of me: from Rumour's tongues  
They bring smooth comforts false, worse than  
true wrongs.

## SCENE I. The same.

*Enter LORD BARDOLPH*

### LORD BARDOLPH

Who keeps the gate here, ho?

*The Porter opens the gate*

Where is the earl?

### Porter

What shall I say you are?

### LORD BARDOLPH

Tell thou the earl  
That the Lord Bardolph doth attend him here.

### Porter

His lordship is walk'd forth into the orchard;  
Please it your honour, knock but at the gate,  
And he himself wilt answer.

*Enter NORTHUMBERLAND*

### LORD BARDOLPH

Here comes the earl.

*Exit Porter*

## **NORTHUMBERLAND**

What news, Lord Bardolph? every minute now  
Should be the father of some stratagem:  
The times are wild: contention, like a horse  
Full of high feeding, madly hath broke loose  
And bears down all before him.

## **LORD BARDOLPH**

Noble earl,  
I bring you certain news from Shrewsbury.

## **NORTHUMBERLAND**

Good, an God will!

## **LORD BARDOLPH**

As good as heart can wish:  
The king is almost wounded to the death;  
And, in the fortune of my lord your son,  
Prince Harry slain outright; and both the Blunts  
Kill'd by the hand of Douglas; young Prince John  
And Westmoreland and Stafford fled the field;  
And Harry Monmouth's brawn, the hulk Sir John,  
Is prisoner to your son: O, such a day,  
So fought, so follow'd and so fairly won,  
Came not till now to dignify the times,  
Since Caesar's fortunes!

## **NORTHUMBERLAND**

How is this derived?  
Saw you the field? came you from Shrewsbury?

## **LORD BARDOLPH**

I spake with one, my lord, that came from thence,  
A gentleman well bred and of good name,  
That freely render'd me these news for true.

## **NORTHUMBERLAND**

Here comes my servant Travers, whom I sent  
On Tuesday last to listen after news.

*Enter TRAVERS*

## **LORD BARDOLPH**

My lord, I over-rode him on the way;  
And he is furnish'd with no certainties  
More than he haply may retail from me.

## **NORTHUMBERLAND**

Now, Travers, what good tidings comes with you?

## **TRAVERS**

My lord, Sir John Umfrevile turn'd me back  
With joyful tidings; and, being better horsed,  
Out-rode me. After him came spurring hard  
A gentleman, almost forspent with speed,  
That stopp'd by me to breathe his bloodied horse.  
He ask'd the way to Chester; and of him  
I did demand what news from Shrewsbury:  
He told me that rebellion had bad luck  
And that young Harry Percy's spur was cold.  
With that, he gave his able horse the head,  
And bending forward struck his armed heels  
Against the panting sides of his poor jade  
Up to the rowel-head, and starting so  
He seem'd in running to devour the way,  
Staying no longer question.

## **NORTHUMBERLAND**

Ha! Again:  
Said he young Harry Percy's spur was cold?  
Of Hotspur Coldspur? that rebellion  
Had met ill luck?

## **LORD BARDOLPH**

My lord, I'll tell you what;  
If my young lord your son have not the day,  
Upon mine honour, for a silken point  
I'll give my barony: never talk of it.

## **NORTHUMBERLAND**

Why should that gentleman that rode by Travers  
Give then such instances of loss?

## **LORD BARDOLPH**

Who, he?  
He was some hilding fellow that had stolen  
The horse he rode on, and, upon my life,  
Spoke at a venture. Look, here comes more news.

*Enter MORTON*

## **NORTHUMBERLAND**

Yea, this man's brow, like to a title-leaf,  
Foretells the nature of a tragic volume:  
So looks the strand whereon the imperious flood  
Hath left a witness'd usurpation.  
Say, Morton, didst thou come from Shrewsbury?

## **MORTON**

I ran from Shrewsbury, my noble lord;  
Where hateful death put on his ugliest mask  
To fright our party.

## **NORTHUMBERLAND**

How doth my son and brother?  
Thou tremblest; and the whiteness in thy cheek  
Is apter than thy tongue to tell thy errand.  
Even such a man, so faint, so spiritless,

So dull, so dead in look, so woe-begone,  
Drew Priam's curtain in the dead of night,  
And would have told him half his Troy was burnt;  
But Priam found the fire ere he his tongue,  
And I my Percy's death ere thou report'st it.  
This thou wouldst say, 'Your son did thus and thus;  
Your brother thus: so fought the noble Douglas:'  
Stopping my greedy ear with their bold deeds:  
But in the end, to stop my ear indeed,  
Thou hast a sigh to blow away this praise,  
Ending with 'Brother, son, and all are dead.'

## **MORTON**

Douglas is living, and your brother, yet;  
But, for my lord your son--

## **NORTHUMBERLAND**

Why, he is dead.  
See what a ready tongue suspicion hath!  
He that but fears the thing he would not know  
Hath by instinct knowledge from others' eyes  
That what he fear'd is chanced. Yet speak, Morton;  
Tell thou an earl his divination lies,  
And I will take it as a sweet disgrace  
And make thee rich for doing me such wrong.

## **MORTON**

You are too great to be by me gainsaid:  
Your spirit is too true, your fears too certain.

## **NORTHUMBERLAND**

Yet, for all this, say not that Percy's dead.  
I see a strange confession in thine eye:  
Thou shakest thy head and hold'st it fear or sin  
To speak a truth. If he be slain, say so;  
The tongue offends not that reports his death:  
And he doth sin that doth belie the dead,  
Not he which says the dead is not alive.

Yet the first bringer of unwelcome news  
Hath but a losing office, and his tongue  
Sounds ever after as a sullen bell,  
Remember'd tolling a departing friend.

## **LORD BARDOLPH**

I cannot think, my lord, your son is dead.

## **MORTON**

I am sorry I should force you to believe  
That which I would to God I had not seen;  
But these mine eyes saw him in bloody state,  
Rendering faint quittance, wearied and out-breathed,  
To Harry Monmouth; whose swift wrath beat down  
The never-daunted Percy to the earth,  
From whence with life he never more sprung up.  
In few, his death, whose spirit lent a fire  
Even to the dullest peasant in his camp,  
Being bruited once, took fire and heat away  
From the best temper'd courage in his troops;  
For from his metal was his party steel'd;  
Which once in him abated, all the rest  
Turn'd on themselves, like dull and heavy lead:  
And as the thing that's heavy in itself,  
Upon enforcement flies with greatest speed,  
So did our men, heavy in Hotspur's loss,  
Lend to this weight such lightness with their fear  
That arrows fled not swifter toward their aim  
Than did our soldiers, aiming at their safety,  
Fly from the field. Then was the noble Worcester  
Too soon ta'en prisoner; and that furious Scot,  
The bloody Douglas, whose well-labouring sword  
Had three times slain the appearance of the king,  
'Gan vail his stomach and did grace the shame  
Of those that turn'd their backs, and in his flight,  
Stumbling in fear, was took. The sum of all  
Is that the king hath won, and hath sent out  
A speedy power to encounter you, my lord,  
Under the conduct of young Lancaster  
And Westmoreland. This is the news at full.

## **NORTHUMBERLAND**

For this I shall have time enough to mourn.  
In poison there is physic; and these news,  
Having been well, that would have made me sick,  
Being sick, have in some measure made me well:  
And as the wretch, whose fever-weaken'd joints,  
Like strengthless hinges, buckle under life,  
Impatient of his fit, breaks like a fire  
Out of his keeper's arms, even so my limbs,  
Weaken'd with grief, being now enraged with grief,  
Are thrice themselves. Hence, therefore, thou nice crutch!  
A scaly gauntlet now with joints of steel  
Must glove this hand: and hence, thou sickly quoil!  
Thou art a guard too wanton for the head  
Which princes, flesh'd with conquest, aim to hit.  
Now bind my brows with iron; and approach  
The ragged'st hour that time and spite dare bring  
To frown upon the enraged Northumberland!  
Let heaven kiss earth! now let not Nature's hand  
Keep the wild flood confined! let order die!  
And let this world no longer be a stage  
To feed contention in a lingering act;  
But let one spirit of the first-born Cain  
Reign in all bosoms, that, each heart being set  
On bloody courses, the rude scene may end,  
And darkness be the burier of the dead!

## **TRAVERS**

This strained passion doth you wrong, my lord.

## **LORD BARDOLPH**

Sweet earl, divorce not wisdom from your honour.

## **MORTON**

The lives of all your loving complices  
Lean on your health; the which, if you give o'er  
To stormy passion, must perforce decay.  
You cast the event of war, my noble lord,

And summ'd the account of chance, before you said  
'Let us make head.' It was your presurmise,  
That, in the dole of blows, your son might drop:  
You knew he walk'd o'er perils, on an edge,  
More likely to fall in than to get o'er;  
You were advised his flesh was capable  
Of wounds and scars and that his forward spirit  
Would lift him where most trade of danger ranged:  
Yet did you say 'Go forth;' and none of this,  
Though strongly apprehended, could restrain  
The stiff-borne action: what hath then befallen,  
Or what hath this bold enterprise brought forth,  
More than that being which was like to be?

### **LORD BARDOLPH**

We all that are engaged to this loss  
Knew that we ventured on such dangerous seas  
That if we wrought our life 'twas ten to one;  
And yet we ventured, for the gain proposed  
Choked the respect of likely peril fear'd;  
And since we are o'erset, venture again.  
Come, we will all put forth, body and goods.

### **MORTON**

'Tis more than time: and, my most noble lord,  
I hear for certain, and do speak the truth,  
The gentle Archbishop of York is up  
With well-appointed powers: he is a man  
Who with a double surety binds his followers.  
My lord your son had only but the corpse,  
But shadows and the shows of men, to fight;  
For that same word, rebellion, did divide  
The action of their bodies from their souls;  
And they did fight with queasiness, constrain'd,  
As men drink potions, that their weapons only  
Seem'd on our side; but, for their spirits and souls,  
This word, rebellion, it had froze them up,  
As fish are in a pond. But now the bishop  
Turns insurrection to religion:  
Supposed sincere and holy in his thoughts,  
He's followed both with body and with mind;

And doth enlarge his rising with the blood  
Of fair King Richard, scraped from Pomfret stones;  
Derives from heaven his quarrel and his cause;  
Tells them he doth bestride a bleeding land,  
Gasping for life under great Bolingbroke;  
And more and less do flock to follow him.

## **NORTHUMBERLAND**

I knew of this before; but, to speak truth,  
This present grief had wiped it from my mind.  
Go in with me; and counsel every man  
The aptest way for safety and revenge:  
Get posts and letters, and make friends with speed:  
Never so few, and never yet more need.

*Exeunt*

## SCENE II. London. A street.

*Enter FALSTAFF, with his Page bearing his sword and buckler*

**FALSTAFF**

Sirrah, you giant, what says the doctor to my water?

**Page**

He said, sir, the water itself was a good healthy water; but, for the party that owed it, he might have more diseases than he knew for.

**FALSTAFF**

Men of all sorts take a pride to gird at me: the brain of this foolish-compounded clay, man, is not able to invent anything that tends to laughter, more than I invent or is invented on me: I am not only witty in myself, but the cause that wit is in other men. I do here walk before thee like a sow that hath overwhelmed all her litter but one. If the prince put thee into my service for any other reason than to set me off, why then I have no judgment. Thou whoreson mandrake, thou art fitter to be worn in my cap than to wait at my heels. I was never manned with an agate till now: but I will inset you neither in gold nor silver, but in vile apparel, and send you back again to your master, for a jewel,-- the juvenal, the prince your master, whose chin is not yet fledged. I will sooner have a beard grow in the palm of my hand than he shall get one on his cheek; and yet he will not stick to say his face is a face-royal: God may finish it when he will, 'tis not a hair amiss yet: he may keep it still at a

face-royal, for a barber shall never earn sixpence out of it; and yet he'll be crowing as if he had writ man ever since his father was a bachelor. He may keep his own grace, but he's almost out of mine, I can assure him. What said Master Dombledon about the satin for my short cloak and my slops?

## Page

He said, sir, you should procure him better assurance than Bardolph: he would not take his band and yours; he liked not the security.

## FALSTAFF

Let him be damned, like the glutton! pray God his tongue be hotter! A whoreson Achitophel! a rascally yea-forsooth knave! to bear a gentleman in hand, and then stand upon security! The whoreson smooth-pates do now wear nothing but high shoes, and bunches of keys at their girdles; and if a man is through with them in honest taking up, then they must stand upon security. I had as lief they would put ratsbane in my mouth as offer to stop it with security. I looked a' should have sent me two and twenty yards of satin, as I am a true knight, and he sends me security. Well, he may sleep in security; for he hath the horn of abundance, and the lightness of his wife shines through it: and yet cannot he see, though he have his own lanthorn to light him. Where's Bardolph?

## Page

He's gone into Smithfield to buy your worship a horse.

## FALSTAFF

I bought him in Paul's, and he'll buy me a horse in Smithfield: an I could get me but a wife in the stews, I were manned, horsed, and wived.

*Enter the Lord Chief-Justice and Servant*

**Page**

Sir, here comes the nobleman that committed the Prince for striking him about Bardolph.

**FALSTAFF**

Wait, close; I will not see him.  
Lord Chief-Justice What's he that goes there?

**Servant**

Falstaff, an't please your lordship.  
Lord Chief-Justice He that was in question for the robbery?

**Servant**

He, my lord: but he hath since done good service at Shrewsbury; and, as I hear, is now going with some charge to the Lord John of Lancaster.  
Lord Chief-Justice What, to York? Call him back again.

**Servant**

Sir John Falstaff!

**FALSTAFF**

Boy, tell him I am deaf.

**Page**

You must speak louder; my master is deaf.  
Lord Chief-Justice I am sure he is, to the hearing of any thing good.  
Go, pluck him by the elbow; I must speak with him.

**Servant**

Sir John!

## **FALSTAFF**

What! a young knave, and begging! Is there not wars? is there not employment? doth not the king lack subjects? do not the rebels need soldiers? Though it be a shame to be on any side but one, it is worse shame to beg than to be on the worst side, were it worse than the name of rebellion can tell how to make it.

## **Servant**

You mistake me, sir.

## **FALSTAFF**

Why, sir, did I say you were an honest man? setting my knighthood and my soldiership aside, I had lied in my throat, if I had said so.

## **Servant**

I pray you, sir, then set your knighthood and our soldiership aside; and give me leave to tell you, you lie in your throat, if you say I am any other than an honest man.

## **FALSTAFF**

I give thee leave to tell me so! I lay aside that which grows to me! if thou gettest any leave of me, hang me; if thou takest leave, thou wert better be hanged. You hunt counter: hence! avaunt!

## **Servant**

Sir, my lord would speak with you.  
Lord Chief-Justice Sir John Falstaff, a word with you.

## **FALSTAFF**

My good lord! God give your lordship good time of day. I am glad to see your lordship abroad: I heard say your lordship was sick: I hope your lordship goes abroad by advice. Your lordship, though not clean past your youth, hath yet some smack of age in you, some relish of the saltness of time; and I must humbly beseech your lordship to have a reverent care of your health.

Lord Chief-Justice Sir John, I sent for you before your expedition to Shrewsbury.

**FALSTAFF**

An't please your lordship, I hear his majesty is returned with some discomfort from Wales.

Lord Chief-Justice I talk not of his majesty: you would not come when I sent for you.

**FALSTAFF**

And I hear, moreover, his highness is fallen into this same whoreson apoplexy.

Lord Chief-Justice Well, God mend him! I pray you, let me speak with you.

**FALSTAFF**

This apoplexy is, as I take it, a kind of lethargy, an't please your lordship; a kind of sleeping in the blood, a whoreson tingling.

Lord Chief-Justice What tell you me of it? be it as it is.

**FALSTAFF**

It hath its original from much grief, from study and perturbation of the brain: I have read the cause of his effects in Galen: it is a kind of deafness.

Lord Chief-Justice I think you are fallen into the disease; for you hear not what I say to you.

**FALSTAFF**

Very well, my lord, very well: rather, an't please you, it is the disease of not listening, the malady of not marking, that I am troubled withal.

Lord Chief-Justice To punish you by the heels would amend the attention of your ears; and I care not if I do become your physician.

## **FALSTAFF**

I am as poor as Job, my lord, but not so patient: your lordship may minister the potion of imprisonment to me in respect of poverty; but how should I be your patient to follow your prescriptions, the wise may make some dram of a scruple, or indeed a scruple itself.

Lord Chief-Justice I sent for you, when there were matters against you for your life, to come speak with me.

## **FALSTAFF**

As I was then advised by my learned counsel in the laws of this land-service, I did not come.

Lord Chief-Justice Well, the truth is, Sir John, you live in great infamy.

## **FALSTAFF**

He that buckles him in my belt cannot live in less.

Lord Chief-Justice Your means are very slender, and your waste is great.

## **FALSTAFF**

I would it were otherwise; I would my means were greater, and my waist slenderer.

Lord Chief-Justice You have misled the youthful prince.

## **FALSTAFF**

The young prince hath misled me: I am the fellow with the great belly, and he my dog.

Lord Chief-Justice Well, I am loath to gall a new-healed wound: your day's service at Shrewsbury hath a little gilded over your night's exploit on Gad's-hill: you may

thank the unquiet time for your quiet o'er-posting  
that action.

**FALSTAFF**

My lord?

Lord Chief-Justice But since all is well, keep it so: wake not a  
sleeping wolf.

**FALSTAFF**

To wake a wolf is as bad as to smell a fox.

Lord Chief-Justice What! you are as a candle, the better part burnt  
out.

**FALSTAFF**

A wassail candle, my lord, all tallow: if I did say  
of wax, my growth would approve the truth.

Lord Chief-Justice There is not a white hair on your face but should  
have his effect of gravity.

**FALSTAFF**

His effect of gravy, gravy, gravy.

Lord Chief-Justice You follow the young prince up and down, like his  
ill angel.

**FALSTAFF**

Not so, my lord; your ill angel is light; but I hope  
he that looks upon me will take me without weighing:  
and yet, in some respects, I grant, I cannot go: I  
cannot tell. Virtue is of so little regard in these  
costermonger times that true valour is turned  
bear-herd: pregnancy is made a tapster, and hath  
his quick wit wasted in giving reckonings: all the  
other gifts appertinent to man, as the malice of  
this age shapes them, are not worth a gooseberry.  
You that are old consider not the capacities of us  
that are young; you do measure the heat of our  
livers with the bitterness of your galls: and we

that are in the vaward of our youth, I must confess,  
are wags too.

Lord Chief-Justice Do you set down your name in the scroll of youth,  
that are written down old with all the characters of  
age? Have you not a moist eye? a dry hand? a  
yellow cheek? a white beard? a decreasing leg? an  
increasing belly? is not your voice broken? your  
wind short? your chin double? your wit single? and  
every part about you blasted with antiquity? and  
will you yet call yourself young? Fie, fie, fie, Sir John!

## **FALSTAFF**

My lord, I was born about three of the clock in the  
afternoon, with a white head and something a round  
belly. For my voice, I have lost it with halloing  
and singing of anthems. To approve my youth  
further, I will not: the truth is, I am only old in  
judgment and understanding; and he that will caper  
with me for a thousand marks, let him lend me the  
money, and have at him! For the box of the ear that  
the prince gave you, he gave it like a rude prince,  
and you took it like a sensible lord. I have  
chequed him for it, and the young lion repents;  
marry, not in ashes and sackcloth, but in new silk  
and old sack.

Lord Chief-Justice Well, God send the prince a better companion!

## **FALSTAFF**

God send the companion a better prince! I cannot  
rid my hands of him.

Lord Chief-Justice Well, the king hath severed you and Prince Harry: I  
hear you are going with Lord John of Lancaster  
against the Archbishop and the Earl of  
Northumberland.

## **FALSTAFF**

Yea; I thank your pretty sweet wit for it. But look  
you pray, all you that kiss my lady Peace at home,  
that our armies join not in a hot day; for, by the

Lord, I take but two shirts out with me, and I mean not to sweat extraordinarily: if it be a hot day, and I brandish any thing but a bottle, I would I might never spit white again. There is not a dangerous action can peep out his head but I am thrust upon it: well, I cannot last ever: but it was alway yet the trick of our English nation, if they have a good thing, to make it too common. If ye will needs say I am an old man, you should give me rest. I would to God my name were not so terrible to the enemy as it is: I were better to be eaten to death with a rust than to be scoured to nothing with perpetual motion.  
Lord Chief-Justice Well, be honest, be honest; and God bless your expedition!

**FALSTAFF**

Will your lordship lend me a thousand pound to furnish me forth?  
Lord Chief-Justice Not a penny, not a penny; you are too impatient to bear crosses. Fare you well: commend me to my cousin Westmoreland.

*Exeunt Chief-Justice and Servant*

**FALSTAFF**

If I do, fillip me with a three-man beetle. A man can no more separate age and covetousness than a' can part young limbs and lechery: but the gout galls the one, and the pox pinches the other; and so both the degrees prevent my curses. Boy!

**Page**

Sir?

**FALSTAFF**

What money is in my purse?

Seven groats and two pence.

**FALSTAFF**

I can get no remedy against this consumption of the purse: borrowing only lingers and lingers it out, but the disease is incurable. Go bear this letter to my Lord of Lancaster; this to the prince; this to the Earl of Westmoreland; and this to old Mistress Ursula, whom I have weekly sworn to marry since I perceived the first white hair on my chin. About it: you know where to find me.

*Exit Page*

A pox of this gout! or, a gout of this pox! for the one or the other plays the rogue with my great toe. 'Tis no matter if I do halt; I have the wars for my colour, and my pension shall seem the more reasonable. A good wit will make use of any thing: I will turn diseases to commodity.

*Exit*

# The Second part of King Henry the Fourth

[Shakespeare homepage](#) | [Henry IV, part 2](#) | Act 1, Scene 3

[Previous scene](#) | [Next scene](#)

## SCENE III. York. The Archbishop's palace.

*Enter the ARCHBISHOP OF YORK, the Lords HASTINGS, MOWBRAY, and BARDOLPH*

### ARCHBISHOP OF YORK

Thus have you heard our cause and known our means;  
And, my most noble friends, I pray you all,  
Speak plainly your opinions of our hopes:  
And first, lord marshal, what say you to it?

### MOWBRAY

I well allow the occasion of our arms;  
But gladly would be better satisfied  
How in our means we should advance ourselves  
To look with forehead bold and big enough  
Upon the power and puissance of the king.

### HASTINGS

Our present musters grow upon the file  
To five and twenty thousand men of choice;  
And our supplies live largely in the hope  
Of great Northumberland, whose bosom burns  
With an incensed fire of injuries.

### LORD BARDOLPH

The question then, Lord Hastings, standeth thus;  
Whether our present five and twenty thousand  
May hold up head without Northumberland?

### HASTINGS

With him, we may.

## **LORD BARDOLPH**

Yea, marry, there's the point:  
But if without him we be thought too feeble,  
My judgment is, we should not step too far  
Till we had his assistance by the hand;  
For in a theme so bloody-faced as this  
Conjecture, expectation, and surmise  
Of aids incertain should not be admitted.

## **ARCHBISHOP OF YORK**

'Tis very true, Lord Bardolph; for indeed  
It was young Hotspur's case at Shrewsbury.

## **LORD BARDOLPH**

It was, my lord; who lined himself with hope,  
Eating the air on promise of supply,  
Flattering himself in project of a power  
Much smaller than the smallest of his thoughts:  
And so, with great imagination  
Proper to madmen, led his powers to death  
And winking leap'd into destruction.

## **HASTINGS**

But, by your leave, it never yet did hurt  
To lay down likelihoods and forms of hope.

## **LORD BARDOLPH**

Yes, if this present quality of war,  
Indeed the instant action: a cause on foot  
Lives so in hope as in an early spring  
We see the appearing buds; which to prove fruit,  
Hope gives not so much warrant as despair  
That frosts will bite them. When we mean to build,  
We first survey the plot, then draw the model;  
And when we see the figure of the house,  
Then must we rate the cost of the erection;

Which if we find outweighs ability,  
What do we then but draw anew the model  
In fewer offices, or at last desist  
To build at all? Much more, in this great work,  
Which is almost to pluck a kingdom down  
And set another up, should we survey  
The plot of situation and the model,  
Consent upon a sure foundation,  
Question surveyors, know our own estate,  
How able such a work to undergo,  
To weigh against his opposite; or else  
We fortify in paper and in figures,  
Using the names of men instead of men:  
Like one that draws the model of a house  
Beyond his power to build it; who, half through,  
Gives o'er and leaves his part-created cost  
A naked subject to the weeping clouds  
And waste for churlish winter's tyranny.

## **HASTINGS**

Grant that our hopes, yet likely of fair birth,  
Should be still-born, and that we now possess'd  
The utmost man of expectation,  
I think we are a body strong enough,  
Even as we are, to equal with the king.

## **LORD BARDOLPH**

What, is the king but five and twenty thousand?

## **HASTINGS**

To us no more; nay, not so much, Lord Bardolph.  
For his divisions, as the times do brawl,  
Are in three heads: one power against the French,  
And one against Glendower; perforce a third  
Must take up us: so is the unfirm king  
In three divided; and his coffers sound  
With hollow poverty and emptiness.

## **ARCHBISHOP OF YORK**

That he should draw his several strengths together  
And come against us in full puissance,  
Need not be dreaded.

## **HASTINGS**

If he should do so,  
He leaves his back unarm'd, the French and Welsh  
Baying him at the heels: never fear that.

## **LORD BARDOLPH**

Who is it like should lead his forces hither?

## **HASTINGS**

The Duke of Lancaster and Westmoreland;  
Against the Welsh, himself and Harry Monmouth:  
But who is substituted 'gainst the French,  
I have no certain notice.

## **ARCHBISHOP OF YORK**

Let us on,  
And publish the occasion of our arms.  
The commonwealth is sick of their own choice;  
Their over-greedy love hath surfeited:  
An habitation giddy and unsure  
Hath he that buildeth on the vulgar heart.  
O thou fond many, with what loud applause  
Didst thou beat heaven with blessing Bolingbroke,  
Before he was what thou wouldst have him be!  
And being now trimm'd in thine own desires,  
Thou, beastly feeder, art so full of him,  
That thou provokest thyself to cast him up.  
So, so, thou common dog, didst thou disgorge  
Thy glutton bosom of the royal Richard;  
And now thou wouldst eat thy dead vomit up,  
And howl'st to find it. What trust is in  
these times?  
They that, when Richard lived, would have him die,

Are now become enamour'd on his grave:  
Thou, that threw'st dust upon his goodly head  
When through proud London he came sighing on  
After the admired heels of Bolingbroke,  
Criest now 'O earth, yield us that king again,  
And take thou this!' O thoughts of men accursed!  
Past and to come seems best; things present worst.

## **MOWBRAY**

Shall we go draw our numbers and set on?

## **HASTINGS**

We are time's subjects, and time bids be gone.

*Exeunt*

## SCENE I. London. A street.

*Enter MISTRESS QUICKLY, FANG and his Boy with her, and SNARE following.*

**MISTRESS QUICKLY**

Master Fang, have you entered the action?

**FANG**

It is entered.

**MISTRESS QUICKLY**

Where's your yeoman? Is't a lusty yeoman? will a' stand to 't?

**FANG**

Sirrah, where's Snare?

**MISTRESS QUICKLY**

O Lord, ay! good Master Snare.

**SNARE**

Here, here.

**FANG**

Snare, we must arrest Sir John Falstaff.

**MISTRESS QUICKLY**

Yea, good Master Snare; I have entered him and all.

**SNARE**

It may chance cost some of us our lives, for he will stab.

**MISTRESS QUICKLY**

Alas the day! take heed of him; he stabbed me in mine own house, and that most beastly: in good faith, he cares not what mischief he does. If his weapon be out: he will foin like any devil; he will spare neither man, woman, nor child.

**FANG**

If I can close with him, I care not for his thrust.

**MISTRESS QUICKLY**

No, nor I neither: I'll be at your elbow.

**FANG**

An I but fist him once; an a' come but within my vice,--

**MISTRESS QUICKLY**

I am undone by his going; I warrant you, he's an infinitive thing upon my score. Good Master Fang, hold him sure: good Master Snare, let him not 'scape. A' comes continuantly to Pie-corner--saving your manhoods--to buy a saddle; and he is indited to dinner to the Lubber's-head in Lumbert street, to Master Smooth's the silkman: I pray ye, since my exion is entered and my case so openly known to the world, let him be brought in to his answer. A hundred mark is a long one for a poor lone woman to bear: and I have borne, and borne, and borne, and have been fubbed off, and fubbed off, and fubbed off, from this day to that day, that it is a shame to be thought on. There is no honesty in such

dealing; unless a woman should be made an ass and a beast, to bear every knave's wrong. Yonder he comes; and that errant malmsey-nose knave, Bardolph, with him. Do your offices, do your offices: Master Fang and Master Snare, do me, do me, do me your offices.

*Enter FALSTAFF, Page, and BARDOLPH*

**FALSTAFF**

How now! whose mare's dead? what's the matter?

**FANG**

Sir John, I arrest you at the suit of Mistress Quickly.

**FALSTAFF**

Away, varlets! Draw, Bardolph: cut me off the villain's head: throw the quean in the channel.

**MISTRESS QUICKLY**

Throw me in the channel! I'll throw thee in the channel. Wilt thou? wilt thou? thou bastardy rogue! Murder, murder! Ah, thou honeysuckle villain! wilt thou kill God's officers and the king's? Ah, thou honey-seed rogue! thou art a honey-seed, a man-queller, and a woman-queller.

**FALSTAFF**

Keep them off, Bardolph.

**FANG**

A rescue! a rescue!

**MISTRESS QUICKLY**

Good people, bring a rescue or two. Thou wo't, wo't

thou? Thou wo't, wo't ta? do, do, thou rogue! do,  
thou hemp-seed!

## **FALSTAFF**

Away, you scullion! you rampallion! You  
fustilarian! I'll tickle your catastrophe.

*Enter the Lord Chief-Justice, and his men*

Lord Chief-Justice What is the matter? keep the peace here, ho!

## **MISTRESS QUICKLY**

Good my lord, be good to me. I beseech you, stand to me.  
Lord Chief-Justice How now, Sir John! what are you brawling here?  
Doth this become your place, your time and business?  
You should have been well on your way to York.  
Stand from him, fellow: wherefore hang'st upon him?

## **MISTRESS QUICKLY**

O most worshipful lord, an't please your grace, I am  
a poor widow of Eastcheap, and he is arrested at my suit.  
Lord Chief-Justice For what sum?

## **MISTRESS QUICKLY**

It is more than for some, my lord; it is for all,  
all I have. He hath eaten me out of house and home;  
he hath put all my substance into that fat belly of  
his: but I will have some of it out again, or I  
will ride thee o' nights like the mare.

## **FALSTAFF**

I think I am as like to ride the mare, if I have  
any vantage of ground to get up.  
Lord Chief-Justice How comes this, Sir John? Fie! what man of good  
temper would endure this tempest of exclamation?  
Are you not ashamed to enforce a poor widow to so  
rough a course to come by her own?

## **FALSTAFF**

What is the gross sum that I owe thee?

## **MISTRESS QUICKLY**

Marry, if thou wert an honest man, thyself and the money too. Thou didst swear to me upon a parcel-gilt goblet, sitting in my Dolphin-chamber, at the round table, by a sea-coal fire, upon Wednesday in Wheeson week, when the prince broke thy head for liking his father to a singing-man of Windsor, thou didst swear to me then, as I was washing thy wound, to marry me and make me my lady thy wife. Canst thou deny it? Did not goodwife Keech, the butcher's wife, come in then and call me gossip Quickly? coming in to borrow a mess of vinegar; telling us she had a good dish of prawns; whereby thou didst desire to eat some; whereby I told thee they were ill for a green wound? And didst thou not, when she was gone down stairs, desire me to be no more so familiarity with such poor people; saying that ere long they should call me madam? And didst thou not kiss me and bid me fetch thee thirty shillings? I put thee now to thy book-oath: deny it, if thou canst.

## **FALSTAFF**

My lord, this is a poor mad soul; and she says up and down the town that the eldest son is like you: she hath been in good case, and the truth is, poverty hath distracted her. But for these foolish officers, I beseech you I may have redress against them. Lord Chief-Justice Sir John, Sir John, I am well acquainted with your manner of wrenching the true cause the false way. It is not a confident brow, nor the throng of words that come with such more than impudent sauciness from you, can thrust me from a level consideration: you have, as it appears to me, practised upon the easy-yielding spirit of this woman, and made her

serve your uses both in purse and in person.

**MISTRESS QUICKLY**

Yea, in truth, my lord.

Lord Chief-Justice Pray thee, peace. Pay her the debt you owe her, and unpay the villany you have done her: the one you may do with sterling money, and the other with current repentance.

**FALSTAFF**

My lord, I will not undergo this sneap without reply. You call honourable boldness impudent sauciness: if a man will make courtesy and say nothing, he is virtuous: no, my lord, my humble duty remembered, I will not be your suitor. I say to you, I do desire deliverance from these officers, being upon hasty employment in the king's affairs.

Lord Chief-Justice You speak as having power to do wrong: but answer in the effect of your reputation, and satisfy this poor woman.

**FALSTAFF**

Come hither, hostess.

*Enter GOWER*

Lord Chief-Justice Now, Master Gower, what news?

**GOWER**

The king, my lord, and Harry Prince of Wales  
Are near at hand: the rest the paper tells.

**FALSTAFF**

As I am a gentleman.

**MISTRESS QUICKLY**

Faith, you said so before.

**FALSTAFF**

As I am a gentleman. Come, no more words of it.

**MISTRESS QUICKLY**

By this heavenly ground I tread on, I must be fain  
to pawn both my plate and the tapestry of my  
dining-chambers.

**FALSTAFF**

Glasses, glasses is the only drinking: and for thy  
walls, a pretty slight drollery, or the story of  
the Prodigal, or the German hunting in water-work,  
is worth a thousand of these bed-hangings and these  
fly-bitten tapestries. Let it be ten pound, if thou  
canst. Come, an 'twere not for thy humours, there's  
not a better wench in England. Go, wash thy face,  
and draw the action. Come, thou must not be in  
this humour with me; dost not know me? come, come, I  
know thou wast set on to this.

**MISTRESS QUICKLY**

Pray thee, Sir John, let it be but twenty nobles: i'  
faith, I am loath to pawn my plate, so God save me,  
la!

**FALSTAFF**

Let it alone; I'll make other shift: you'll be a  
fool still.

**MISTRESS QUICKLY**

Well, you shall have it, though I pawn my gown. I  
hope you'll come to supper. You'll pay me all together?

**FALSTAFF**

Will I live?

*To BARDOLPH*

Go, with her, with her; hook on, hook on.

**MISTRESS QUICKLY**

Will you have Doll Tearsheet meet you at supper?

**FALSTAFF**

No more words; let's have her.

*Exeunt MISTRESS QUICKLY, BARDOLPH, Officers and Boy*

Lord Chief-Justice I have heard better news.

**FALSTAFF**

What's the news, my lord?

Lord Chief-Justice Where lay the king last night?

**GOWER**

At Basingstoke, my lord.

**FALSTAFF**

I hope, my lord, all's well: what is the news, my lord?

Lord Chief-Justice Come all his forces back?

**GOWER**

No; fifteen hundred foot, five hundred horse,  
Are marched up to my lord of Lancaster,  
Against Northumberland and the Archbishop.

**FALSTAFF**

Comes the king back from Wales, my noble lord?  
Lord Chief-Justice You shall have letters of me presently:  
Come, go along with me, good Master Gower.

**FALSTAFF**

My lord!  
Lord Chief-Justice What's the matter?

**FALSTAFF**

Master Gower, shall I entreat you with me to dinner?

**GOWER**

I must wait upon my good lord here; I thank you,  
good Sir John.  
Lord Chief-Justice Sir John, you loiter here too long, being you are to  
take soldiers up in counties as you go.

**FALSTAFF**

Will you sup with me, Master Gower?  
Lord Chief-Justice What foolish master taught you these manners, Sir John?

**FALSTAFF**

Master Gower, if they become me not, he was a fool  
that taught them me. This is the right fencing  
grace, my lord; tap for tap, and so part fair.  
Lord Chief-Justice Now the Lord lighten thee! thou art a great fool.

*Exeunt*

# The Second part of King Henry the Fourth

[Shakespeare homepage](#) | [Henry IV, part 2](#) | Act 2, Scene 2

[Previous scene](#) | [Next scene](#)

## SCENE II. London. Another street.

*Enter PRINCE HENRY and POINS*

### PRINCE HENRY

Before God, I am exceeding weary.

### POINS

Is't come to that? I had thought weariness durst not have attached one of so high blood.

### PRINCE HENRY

Faith, it does me; though it discolours the complexion of my greatness to acknowledge it. Doth it not show vilely in me to desire small beer?

### POINS

Why, a prince should not be so loosely studied as to remember so weak a composition.

### PRINCE HENRY

Belike then my appetite was not princely got; for, by my troth, I do now remember the poor creature, small beer. But, indeed, these humble considerations make me out of love with my greatness. What a disgrace is it to me to remember thy name! or to know thy face to-morrow! or to take note how many pair of silk stockings thou hast, viz. these, and those that were thy peach-coloured ones! or to bear the inventory of thy shirts, as, one for superfluity, and another for

use! But that the tennis-court-keeper knows better than I; for it is a low ebb of linen with thee when thou keepest not racket there; as thou hast not done a great while, because the rest of thy low countries have made a shift to eat up thy holland: and God knows, whether those that bawl out the ruins of thy linen shall inherit his kingdom: but the midwives say the children are not in the fault; whereupon the world increases, and kindreds are mightily strengthened.

## **POINS**

How ill it follows, after you have laboured so hard, you should talk so idly! Tell me, how many good young princes would do so, their fathers being so sick as yours at this time is?

## **PRINCE HENRY**

Shall I tell thee one thing, Poins?

## **POINS**

Yes, faith; and let it be an excellent good thing.

## **PRINCE HENRY**

It shall serve among wits of no higher breeding than thine.

## **POINS**

Go to; I stand the push of your one thing that you will tell.

## **PRINCE HENRY**

Marry, I tell thee, it is not meet that I should be sad, now my father is sick: albeit I could tell thee, as to one it pleases me, for fault of a better, to call my friend, I could be sad, and sad indeed too.

**POINS**

Very hardly upon such a subject.

**PRINCE HENRY**

By this hand thou thinkest me as far in the devil's book as thou and Falstaff for obduracy and persistency: let the end try the man. But I tell thee, my heart bleeds inwardly that my father is so sick: and keeping such vile company as thou art hath in reason taken from me all ostentation of sorrow.

**POINS**

The reason?

**PRINCE HENRY**

What wouldst thou think of me, if I should weep?

**POINS**

I would think thee a most princely hypocrite.

**PRINCE HENRY**

It would be every man's thought; and thou art a blessed fellow to think as every man thinks: never a man's thought in the world keeps the road-way better than thine: every man would think me an hypocrite indeed. And what accites your most worshipful thought to think so?

**POINS**

Why, because you have been so lewd and so much engrafted to Falstaff.

**PRINCE HENRY**

And to thee.

## **POINS**

By this light, I am well spoke on; I can hear it with my own ears: the worst that they can say of me is that I am a second brother and that I am a proper fellow of my hands; and those two things, I confess, I cannot help. By the mass, here comes Bardolph.

*Enter BARDOLPH and Page*

## **PRINCE HENRY**

And the boy that I gave Falstaff: a' had him from me Christian; and look, if the fat villain have not transformed him ape.

## **BARDOLPH**

God save your grace!

## **PRINCE HENRY**

And yours, most noble Bardolph!

## **BARDOLPH**

Come, you virtuous ass, you bashful fool, must you be blushing? wherefore blush you now? What a maidenly man-at-arms are you become! Is't such a matter to get a pottle-pot's maidenhead?

## **Page**

A' calls me e'en now, my lord, through a red lattice, and I could discern no part of his face from the window: at last I spied his eyes, and methought he had made two holes in the ale-wife's new petticoat and so peeped through.

**PRINCE HENRY**

Has not the boy profited?

**BARDOLPH**

Away, you whoreson upright rabbit, away!

**Page**

Away, you rascally Althaea's dream, away!

**PRINCE HENRY**

Instruct us, boy; what dream, boy?

**Page**

Marry, my lord, Althaea dreamed she was delivered of a fire-brand; and therefore I call him her dream.

**PRINCE HENRY**

A crown's worth of good interpretation: there 'tis, boy.

**POINS**

O, that this good blossom could be kept from cankers! Well, there is sixpence to preserve thee.

**BARDOLPH**

An you do not make him hanged among you, the gallows shall have wrong.

**PRINCE HENRY**

And how doth thy master, Bardolph?

**BARDOLPH**

Well, my lord. He heard of your grace's coming to town: there's a letter for you.

**POINS**

Delivered with good respect. And how doth the martlemas, your master?

**BARDOLPH**

In bodily health, sir.

**POINS**

Marry, the immortal part needs a physician; but that moves not him: though that be sick, it dies not.

**PRINCE HENRY**

I do allow this wen to be as familiar with me as my dog; and he holds his place; for look you how he writes.

**POINS**

[Reads] 'John Falstaff, knight,'--every man must know that, as oft as he has occasion to name himself: even like those that are kin to the king; for they never prick their finger but they say, 'There's some of the king's blood spilt.' 'How comes that?' says he, that takes upon him not to conceive. The answer is as ready as a borrower's cap, 'I am the king's poor cousin, sir.'

**PRINCE HENRY**

Nay, they will be kin to us, or they will fetch it from Japhet. But to the letter.

**POINS**

[Reads] 'Sir John Falstaff, knight, to the son of the king, nearest his father, Harry Prince of Wales, greeting.' Why, this is a certificate.

## **PRINCE HENRY**

Peace!

## **POINS**

[Reads] 'I will imitate the honourable Romans in brevity:' he sure means brevity in breath, short-winded. 'I commend me to thee, I commend thee, and I leave thee. Be not too familiar with Poins; for he misuses thy favours so much, that he swears thou art to marry his sister Nell. Repent at idle times as thou mayest; and so, farewell. Thine, by yea and no, which is as much as to say, as thou usest him, JACK FALSTAFF with my familiars, JOHN with my brothers and sisters, and SIR JOHN with all Europe.'  
My lord, I'll steep this letter in sack and make him eat it.

## **PRINCE HENRY**

That's to make him eat twenty of his words. But do you use me thus, Ned? must I marry your sister?

## **POINS**

God send the wench no worse fortune! But I never said so.

## **PRINCE HENRY**

Well, thus we play the fools with the time, and the spirits of the wise sit in the clouds and mock us. Is your master here in London?

## **BARDOLPH**

Yea, my lord.

**PRINCE HENRY**

Where sups he? doth the old boar feed in the old frank?

**BARDOLPH**

At the old place, my lord, in Eastcheap.

**PRINCE HENRY**

What company?

**Page**

Ephesians, my lord, of the old church.

**PRINCE HENRY**

Sup any women with him?

**Page**

None, my lord, but old Mistress Quickly and  
Mistress Doll Tearsheet.

**PRINCE HENRY**

What pagan may that be?

**Page**

A proper gentlewoman, sir, and a kinswoman of my master's.

**PRINCE HENRY**

Even such kin as the parish heifers are to the town  
bull. Shall we steal upon them, Ned, at supper?

**POINS**

I am your shadow, my lord; I'll follow you.

**PRINCE HENRY**

Sirrah, you boy, and Bardolph, no word to your master that I am yet come to town: there's for your silence.

**BARDOLPH**

I have no tongue, sir.

**Page**

And for mine, sir, I will govern it.

**PRINCE HENRY**

Fare you well; go.

*Exeunt BARDOLPH and Page*

This Doll Tearsheet should be some road.

**POINS**

I warrant you, as common as the way between Saint Alban's and London.

**PRINCE HENRY**

How might we see Falstaff bestow himself to-night in his true colours, and not ourselves be seen?

**POINS**

Put on two leathern jerkins and aprons, and wait upon him at his table as drawers.

**PRINCE HENRY**

From a God to a bull? a heavy decension! it was  
Jove's case. From a prince to a prentice? a low  
transformation! that shall be mine; for in every  
thing the purpose must weigh with the folly.  
Follow me, Ned.

*Exeunt*

## SCENE III. Warkworth. Before the castle.

*Enter NORTHUMBERLAND, LADY NORTHUMBERLAND, and LADY PERCY*

### NORTHUMBERLAND

I pray thee, loving wife, and gentle daughter,  
Give even way unto my rough affairs:  
Put not you on the visage of the times  
And be like them to Percy troublesome.  
LADY

### NORTHUMBERLAND

I have given over, I will speak no more:  
Do what you will; your wisdom be your guide.

### NORTHUMBERLAND

Alas, sweet wife, my honour is at pawn;  
And, but my going, nothing can redeem it.

### LADY PERCY

O yet, for God's sake, go not to these wars!  
The time was, father, that you broke your word,  
When you were more endeared to it than now;  
When your own Percy, when my heart's dear Harry,  
Threw many a northward look to see his father  
Bring up his powers; but he did long in vain.  
Who then persuaded you to stay at home?  
There were two honours lost, yours and your son's.  
For yours, the God of heaven brighten it!  
For his, it stuck upon him as the sun  
In the grey vault of heaven, and by his light  
Did all the chivalry of England move

To do brave acts: he was indeed the glass  
Wherein the noble youth did dress themselves:  
He had no legs that practised not his gait;  
And speaking thick, which nature made his blemish,  
Became the accents of the valiant;  
For those that could speak low and tardily  
Would turn their own perfection to abuse,  
To seem like him: so that in speech, in gait,  
In diet, in affections of delight,  
In military rules, humours of blood,  
He was the mark and glass, copy and book,  
That fashion'd others. And him, O wondrous him!  
O miracle of men! him did you leave,  
Second to none, unseconded by you,  
To look upon the hideous god of war  
In disadvantage; to abide a field  
Where nothing but the sound of Hotspur's name  
Did seem defensible: so you left him.  
Never, O never, do his ghost the wrong  
To hold your honour more precise and nice  
With others than with him! let them alone:  
The marshal and the archbishop are strong:  
Had my sweet Harry had but half their numbers,  
To-day might I, hanging on Hotspur's neck,  
Have talk'd of Monmouth's grave.

## **NORTHUMBERLAND**

Beshrew your heart,  
Fair daughter, you do draw my spirits from me  
With new lamenting ancient oversights.  
But I must go and meet with danger there,  
Or it will seek me in another place  
And find me worse provided.  
LADY

## **NORTHUMBERLAND**

O, fly to Scotland,  
Till that the nobles and the armed commons  
Have of their puissance made a little taste.

## LADY PERCY

If they get ground and vantage of the king,  
Then join you with them, like a rib of steel,  
To make strength stronger; but, for all our loves,  
First let them try themselves. So did your son;  
He was so suffer'd: so came I a widow;  
And never shall have length of life enough  
To rain upon remembrance with mine eyes,  
That it may grow and sprout as high as heaven,  
For recordation to my noble husband.

## NORTHUMBERLAND

Come, come, go in with me. 'Tis with my mind  
As with the tide swell'd up unto his height,  
That makes a still-stand, running neither way:  
Fain would I go to meet the archbishop,  
But many thousand reasons hold me back.  
I will resolve for Scotland: there am I,  
Till time and vantage crave my company.

*Exeunt*

## SCENE IV. London. The Boar's-head Tavern in Eastcheap.

*Enter two Drawers*

### First Drawer

What the devil hast thou brought there? apple-johns?  
thou knowest Sir John cannot endure an apple-john.

### Second Drawer

Mass, thou sayest true. The prince once set a dish  
of apple-johns before him, and told him there were  
five more Sir Johns, and, putting off his hat, said  
'I will now take my leave of these six dry, round,  
old, withered knights.' It angered him to the  
heart: but he hath forgot that.

### First Drawer

Why, then, cover, and set them down: and see if  
thou canst find out Sneak's noise; Mistress  
Tearsheet would fain hear some music. Dispatch: the  
room where they supped is too hot; they'll come in straight.

### Second Drawer

Sirrah, here will be the prince and Master Poins  
anon; and they will put on two of our jerkins and  
aprons; and Sir John must not know of it: Bardolph  
hath brought word.

### First Drawer

By the mass, here will be old Utis: it will be an  
excellent stratagem.

## **Second Drawer**

I'll see if I can find out Sneak.

*Exit*

*Enter MISTRESS QUICKLY and DOLL TEARSHEET*

### **MISTRESS QUICKLY**

I' faith, sweetheart, methinks now you are in an excellent good temperality: your pulsidge beats as extraordinarily as heart would desire; and your colour, I warrant you, is as red as any rose, in good truth, la! But, i' faith, you have drunk too much canaries; and that's a marvellous searching wine, and it perfumes the blood ere one can say 'What's this?' How do you now?

### **DOLL TEARSHEET**

Better than I was: hem!

### **MISTRESS QUICKLY**

Why, that's well said; a good heart's worth gold.  
Lo, here comes Sir John.

*Enter FALSTAFF*

### **FALSTAFF**

[Singing] 'When Arthur first in court,'  
--Empty the jordan.

*Exit First Drawer*

*Singing*

--'And was a worthy king.' How now, Mistress Doll!

**MISTRESS QUICKLY**

Sick of a calm; yea, good faith.

**FALSTAFF**

So is all her sect; an they be once in a calm, they are sick.

**DOLL TEARSHEET**

You muddy rascal, is that all the comfort you give me?

**FALSTAFF**

You make fat rascals, Mistress Doll.

**DOLL TEARSHEET**

I make them! gluttony and diseases make them; I make them not.

**FALSTAFF**

If the cook help to make the gluttony, you help to make the diseases, Doll: we catch of you, Doll, we catch of you; grant that, my poor virtue grant that.

**DOLL TEARSHEET**

Yea, joy, our chains and our jewels.

**FALSTAFF**

'Your broaches, pearls, and ouches:' for to serve bravely is to come halting off, you know: to come off the breach with his pike bent bravely, and to surgery bravely; to venture upon the charged chambers bravely,--

**DOLL TEARSHEET**

Hang yourself, you muddy conger, hang yourself!

### **MISTRESS QUICKLY**

By my troth, this is the old fashion; you two never meet but you fall to some discord: you are both, i' good truth, as rheumatic as two dry toasts; you cannot one bear with another's confirmities. What the good-year! one must bear, and that must be you: you are the weaker vessel, as they say, the emptier vessel.

### **DOLL TEARSHEET**

Can a weak empty vessel bear such a huge full hogshead? there's a whole merchant's venture of Bourdeaux stuff in him; you have not seen a hulk better stuffed in the hold. Come, I'll be friends with thee, Jack: thou art going to the wars; and whether I shall ever see thee again or no, there is nobody cares.

*Re-enter First Drawer*

### **First Drawer**

Sir, Ancient Pistol's below, and would speak with you.

### **DOLL TEARSHEET**

Hang him, swaggering rascal! let him not come hither: it is the foul-mouthed'st rogue in England.

### **MISTRESS QUICKLY**

If he swagger, let him not come here: no, by my faith; I must live among my neighbours: I'll no swaggerers: I am in good name and fame with the very best: shut the door; there comes no swaggerers here: I have not lived all this while, to have

swaggering now: shut the door, I pray you.

**FALSTAFF**

Dost thou hear, hostess?

**MISTRESS QUICKLY**

Pray ye, pacify yourself, Sir John: there comes no swaggerers here.

**FALSTAFF**

Dost thou hear? it is mine ancient.

**MISTRESS QUICKLY**

Tilly-fally, Sir John, ne'er tell me: your ancient swaggerer comes not in my doors. I was before Master Tisick, the deputy, t'other day; and, as he said to me, 'twas no longer ago than Wednesday last, 'T' good faith, neighbour Quickly,' says he; Master Dumbe, our minister, was by then; 'neighbour Quickly,' says he, 'receive those that are civil; for,' said he, 'you are in an ill name:' now a' said so, I can tell whereupon; 'for,' says he, 'you are an honest woman, and well thought on; therefore take heed what guests you receive: receive,' says he, 'no swaggering companions.' There comes none here: you would bless you to hear what he said: no, I'll no swaggerers.

**FALSTAFF**

He's no swaggerer, hostess; a tame cheater, i' faith; you may stroke him as gently as a puppy greyhound: he'll not swagger with a Barbary hen, if her feathers turn back in any show of resistance. Call him up, drawer.

*Exit First Drawer*

## **MISTRESS QUICKLY**

Cheater, call you him? I will bar no honest man my house, nor no cheater: but I do not love swaggering, by my troth; I am the worse, when one says swagger: feel, masters, how I shake; look you, I warrant you.

## **DOLL TEARSHEET**

So you do, hostess.

## **MISTRESS QUICKLY**

Do I? yea, in very truth, do I, an 'twere an aspen leaf: I cannot abide swaggerers.

*Enter PISTOL, BARDOLPH, and Page*

## **PISTOL**

God save you, Sir John!

## **FALSTAFF**

Welcome, Ancient Pistol. Here, Pistol, I charge you with a cup of sack: do you discharge upon mine hostess.

## **PISTOL**

I will discharge upon her, Sir John, with two bullets.

## **FALSTAFF**

She is Pistol-proof, sir; you shall hardly offend her.

## **MISTRESS QUICKLY**

Come, I'll drink no proofs nor no bullets: I'll drink no more than will do me good, for no man's

pleasure, I.

**PISTOL**

Then to you, Mistress Dorothy; I will charge you.

**DOLL TEARSHEET**

Charge me! I scorn you, scurvy companion. What!  
you poor, base, rascally, cheating, lack-linen  
mate! Away, you mouldy rogue, away! I am meat for  
your master.

**PISTOL**

I know you, Mistress Dorothy.

**DOLL TEARSHEET**

Away, you cut-purse rascal! you filthy bung, away!  
by this wine, I'll thrust my knife in your mouldy  
chaps, an you play the saucy cuttle with me. Away,  
you bottle-ale rascal! you basket-hilt stale  
juggler, you! Since when, I pray you, sir? God's  
light, with two points on your shoulder? much!

**PISTOL**

God let me not live, but I will murder your ruff for this.

**FALSTAFF**

No more, Pistol; I would not have you go off here:  
discharge yourself of our company, Pistol.

**MISTRESS QUICKLY**

No, Good Captain Pistol; not here, sweet captain.

**DOLL TEARSHEET**

Captain! thou abominable damned cheater, art thou not ashamed to be called captain? An captains were of my mind, they would truncheon you out, for taking their names upon you before you have earned them. You a captain! you slave, for what? for tearing a poor whore's ruff in a bawdy-house? He a captain! hang him, rogue! he lives upon mouldy stewed prunes and dried cakes. A captain! God's light, these villains will make the word as odious as the word 'occupy;' which was an excellent good word before it was ill sorted: therefore captains had need look to 't.

## **BARBOLPH**

Pray thee, go down, good ancient.

## **FALSTAFF**

Hark thee hither, Mistress Doll.

## **PISTOL**

Not I I tell thee what, Corporal Bardolph, I could tear her: I'll be revenged of her.

## **Page**

Pray thee, go down.

## **PISTOL**

I'll see her damned first; to Pluto's damned lake, by this hand, to the infernal deep, with Erebus and tortures vile also. Hold hook and line, say I. Down, down, dogs! down, faitors! Have we not Hiren here?

## **MISTRESS QUICKLY**

Good Captain Peesel, be quiet; 'tis very late, i' faith: I beseek you now, aggravate your choler.

## **PISTOL**

These be good humours, indeed! Shall pack-horses  
And hollow pamper'd jades of Asia,  
Which cannot go but thirty mile a-day,  
Compare with Caesars, and with Cannibals,  
And Trojan Greeks? nay, rather damn them with  
King Cerberus; and let the welkin roar.  
Shall we fall foul for toys?

## **MISTRESS QUICKLY**

By my troth, captain, these are very bitter words.

## **BARDOLPH**

Be gone, good ancient: this will grow to abrawl anon.

## **PISTOL**

Die men like dogs! give crowns like pins! Have we  
not Heren here?

## **MISTRESS QUICKLY**

O' my word, captain, there's none such here. What  
the good-year! do you think I would deny her? For  
God's sake, be quiet.

## **PISTOL**

Then feed, and be fat, my fair Calipolis.  
Come, give's some sack.  
'Si fortune me tormente, sperato me contento.'  
Fear we broadsides? no, let the fiend give fire:  
Give me some sack: and, sweetheart, lie thou there.

*Laying down his sword*

Come we to full points here; and are etceteras nothing?

**FALSTAFF**

Pistol, I would be quiet.

**PISTOL**

Sweet knight, I kiss thy neaf: what! we have seen  
the seven stars.

**DOLL TEARSHEET**

For God's sake, thrust him down stairs: I cannot  
endure such a fustian rascal.

**PISTOL**

Thrust him down stairs! know we not Galloway nags?

**FALSTAFF**

Quoit him down, Bardolph, like a shove-groat  
shilling: nay, an a' do nothing but speak nothing,  
a' shall be nothing here.

**BARDOLPH**

Come, get you down stairs.

**PISTOL**

What! shall we have incision? shall we imbrue?

*Snatching up his sword*

Then death rock me asleep, abridge my doleful days!  
Why, then, let grievous, ghastly, gaping wounds  
Untwine the Sisters Three! Come, Atropos, I say!

**MISTRESS QUICKLY**

Here's goodly stuff toward!

**FALSTAFF**

Give me my rapier, boy.

**DOLL TEARSHEET**

I pray thee, Jack, I pray thee, do not draw.

**FALSTAFF**

Get you down stairs.

*Drawing, and driving PISTOL out*

**MISTRESS QUICKLY**

Here's a goodly tumult! I'll forswear keeping house, afore I'll be in these tiritts and frights. So; murder, I warrant now. Alas, alas! put up your naked weapons, put up your naked weapons.

*Exeunt PISTOL and BARDOLPH*

**DOLL TEARSHEET**

I pray thee, Jack, be quiet; the rascal's gone. Ah, you whoreson little valiant villain, you!

**MISTRESS QUICKLY**

He you not hurt i' the groin? methought a' made a shrewd thrust at your belly.

*Re-enter BARDOLPH*

**FALSTAFF**

Have you turned him out o' doors?

## **BARDOLPH**

Yea, sir. The rascal's drunk: you have hurt him,  
sir, i' the shoulder.

## **FALSTAFF**

A rascal! to brave me!

## **DOLL TEARSHEET**

Ah, you sweet little rogue, you! alas, poor ape,  
how thou sweatest! come, let me wipe thy face;  
come on, you whoreson chops: ah, rogue! i'faith, I  
love thee: thou art as valorous as Hector of Troy,  
worth five of Agamemnon, and ten times better than  
the Nine Worthies: ah, villain!

## **FALSTAFF**

A rascally slave! I will toss the rogue in a blanket.

## **DOLL TEARSHEET**

Do, an thou darest for thy heart: an thou dost,  
I'll canvass thee between a pair of sheets.

*Enter Music*

## **Page**

The music is come, sir.

## **FALSTAFF**

Let them play. Play, sirs. Sit on my knee, Doll.  
A rascal bragging slave! the rogue fled from me  
like quicksilver.

## **DOLL TEARSHEET**

I' faith, and thou followedst him like a church.  
Thou whoreson little tidy Bartholomew boar-pig,  
when wilt thou leave fighting o' days and foining  
o' nights, and begin to patch up thine old body for heaven?

*Enter, behind, PRINCE HENRY and POINS, disguised*

**FALSTAFF**

Peace, good Doll! do not speak like a death's-head;  
do not bid me remember mine end.

**DOLL TEARSHEET**

Sirrah, what humour's the prince of?

**FALSTAFF**

A good shallow young fellow: a' would have made a  
good pantler, a' would ha' chipp'd bread well.

**DOLL TEARSHEET**

They say Poins has a good wit.

**FALSTAFF**

He a good wit? hang him, baboon! his wit's as thick  
as Tewksbury mustard; there's no more conceit in him  
than is in a mallet.

**DOLL TEARSHEET**

Why does the prince love him so, then?

**FALSTAFF**

Because their legs are both of a bigness, and a'  
plays at quoits well, and eats conger and fennel,  
and drinks off candles' ends for flap-dragons, and  
rides the wild-mare with the boys, and jumps upon

joined-stools, and swears with a good grace, and wears his boots very smooth, like unto the sign of the leg, and breeds no bate with telling of discreet stories; and such other gambol faculties a' has, that show a weak mind and an able body, for the which the prince admits him: for the prince himself is such another; the weight of a hair will turn the scales between their avoirdupois.

**PRINCE HENRY**

Would not this nave of a wheel have his ears cut off?

**POINS**

Let's beat him before his whore.

**PRINCE HENRY**

Look, whether the withered elder hath not his poll clawed like a parrot.

**POINS**

Is it not strange that desire should so many years outlive performance?

**FALSTAFF**

Kiss me, Doll.

**PRINCE HENRY**

Saturn and Venus this year in conjunction! what says the almanac to that?

**POINS**

And look, whether the fiery Trigon, his man, be not lipping to his master's old tables, his note-book, his counsel-keeper.

**FALSTAFF**

Thou dost give me flattering busses.

**DOLL TEARSHEET**

By my troth, I kiss thee with a most constant heart.

**FALSTAFF**

I am old, I am old.

**DOLL TEARSHEET**

I love thee better than I love e'er a scurvy young  
boy of them all.

**FALSTAFF**

What stuff wilt have a kirtle of? I shall receive  
money o' Thursday: shalt have a cap to-morrow. A  
merry song, come: it grows late; we'll to bed.  
Thou'lt forget me when I am gone.

**DOLL TEARSHEET**

By my troth, thou'lt set me a-weeping, an thou  
sayest so: prove that ever I dress myself handsome  
till thy return: well, harken at the end.

**FALSTAFF**

Some sack, Francis.

**PRINCE HENRY POINS**

Anon, anon, sir.

*Coming forward*

## **FALSTAFF**

Ha! a bastard son of the king's? And art not thou  
Poins his brother?

## **PRINCE HENRY**

Why, thou globe of sinful continents! what a life  
dost thou lead!

## **FALSTAFF**

A better than thou: I am a gentleman; thou art a drawer.

## **PRINCE HENRY**

Very true, sir; and I come to draw you out by the ears.

## **MISTRESS QUICKLY**

O, the Lord preserve thy good grace! by my troth,  
welcome to London. Now, the Lord bless that sweet  
face of thine! O, Jesu, are you come from Wales?

## **FALSTAFF**

Thou whoreson mad compound of majesty, by this light  
flesh and corrupt blood, thou art welcome.

## **DOLL TEARSHEET**

How, you fat fool! I scorn you.

## **POINS**

My lord, he will drive you out of your revenge and  
turn all to a merriment, if you take not the heat.

## **PRINCE HENRY**

You whoreson candle-mine, you, how vilely did you

Speak of me even now before this honest, virtuous,  
civil gentlewoman!

**MISTRESS QUICKLY**

God's blessing of your good heart! and so she is,  
by my troth.

**FALSTAFF**

Didst thou hear me?

**PRINCE HENRY**

Yea, and you knew me, as you did when you ran away  
by Gad's-hill: you knew I was at your back, and  
spoke it on purpose to try my patience.

**FALSTAFF**

No, no, no; not so; I did not think thou wast within hearing.

**PRINCE HENRY**

I shall drive you then to confess the wilful abuse;  
and then I know how to handle you.

**FALSTAFF**

No abuse, Hal, o' mine honour, no abuse.

**PRINCE HENRY**

Not to dispraise me, and call me pantier and  
bread-chipper and I know not what?

**FALSTAFF**

No abuse, Hal.

**POINS**

No abuse?

**FALSTAFF**

No abuse, Ned, i' the world; honest Ned, none. I dispraised him before the wicked, that the wicked might not fall in love with him; in which doing, I have done the part of a careful friend and a true subject, and thy father is to give me thanks for it. No abuse, Hal: none, Ned, none: no, faith, boys, none.

**PRINCE HENRY**

See now, whether pure fear and entire cowardice doth not make thee wrong this virtuous gentlewoman to close with us? is she of the wicked? is thine hostess here of the wicked? or is thy boy of the wicked? or honest Bardolph, whose zeal burns in his nose, of the wicked?

**POINS**

Answer, thou dead elm, answer.

**FALSTAFF**

The fiend hath pricked down Bardolph irrecoverable; and his face is Lucifer's privy-kitchen, where he doth nothing but roast malt-worms. For the boy, there is a good angel about him; but the devil outbids him too.

**PRINCE HENRY**

For the women?

**FALSTAFF**

For one of them, she is in hell already, and burns poor souls. For the other, I owe her money, and whether she be damned for that, I know not.

**MISTRESS QUICKLY**

No, I warrant you.

**FALSTAFF**

No, I think thou art not; I think thou art quit for that. Marry, there is another indictment upon thee, for suffering flesh to be eaten in thy house, contrary to the law; for the which I think thou wilt howl.

**MISTRESS QUICKLY**

All victuallers do so; what's a joint of mutton or two in a whole Lent?

**PRINCE HENRY**

You, gentlewoman,-

**DOLL TEARSHEET**

What says your grace?

**FALSTAFF**

His grace says that which his flesh rebels against.

*Knocking within*

**MISTRESS QUICKLY**

Who knocks so loud at door? Look to the door there, Francis.

*Enter PETO*

**PRINCE HENRY**

Peto, how now! what news?

## **PETO**

The king your father is at Westminster:  
And there are twenty weak and wearied posts  
Come from the north: and, as I came along,  
I met and overtook a dozen captains,  
Bare-headed, sweating, knocking at the taverns,  
And asking every one for Sir John Falstaff.

## **PRINCE HENRY**

By heaven, Poins, I feel me much to blame,  
So idly to profane the precious time,  
When tempest of commotion, like the south  
Borne with black vapour, doth begin to melt  
And drop upon our bare unarmed heads.  
Give me my sword and cloak. Falstaff, good night.

*Exeunt PRINCE HENRY, POINS, PETO and BARDOLPH*

## **FALSTAFF**

Now comes in the sweetest morsel of the night, and  
we must hence and leave it unpicked.

*Knocking within*

More knocking at the door!

*Re-enter BARDOLPH*

How now! what's the matter?

## **BARDOLPH**

You must away to court, sir, presently;  
A dozen captains stay at door for you.

## **FALSTAFF**

[To the Page] Pay the musicians, sirrah. Farewell,

hostess; farewell, Doll. You see, my good wenches,  
how men of merit are sought after: the undeserver  
may sleep, when the man of action is called on.  
Farewell good wenches: if I be not sent away post,  
I will see you again ere I go.

## **DOLL TEARSHEET**

I cannot speak; if my heart be not read to burst,--  
well, sweet Jack, have a care of thyself.

## **FALSTAFF**

Farewell, farewell.

*Exeunt FALSTAFF and BARDOLPH*

## **MISTRESS QUICKLY**

Well, fare thee well: I have known thee these  
twenty-nine years, come peascod-time; but an  
honester and truer-hearted man,--well, fare thee well.

## **BARDOLPH**

[Within] Mistress Tearsheet!

## **MISTRESS QUICKLY**

What's the matter?

## **BARDOLPH**

[Within] Good Mistress Tearsheet, come to my master.

## **MISTRESS QUICKLY**

O, run, Doll, run; run, good Doll: come.

*She comes blubbered*

Yea, will you come, Doll?

*Exeunt*

[Shakespeare homepage](#) | [Henry IV, part 2](#) | Act 3, Scene 1

[Previous scene](#) | [Next scene](#)

## SCENE I. Westminster. The palace.

*Enter KING HENRY IV in his nightgown, with a Page*

### KING HENRY IV

Go call the Earls of Surrey and of Warwick;  
But, ere they come, bid them o'er-read these letters,  
And well consider of them; make good speed.

*Exit Page*

How many thousand of my poorest subjects  
Are at this hour asleep! O sleep, O gentle sleep,  
Nature's soft nurse, how have I frighted thee,  
That thou no more wilt weigh my eyelids down  
And steep my senses in forgetfulness?  
Why rather, sleep, liest thou in smoky cribs,  
Upon uneasy pallets stretching thee  
And hush'd with buzzing night-flies to thy slumber,  
Than in the perfumed chambers of the great,  
Under the canopies of costly state,  
And lull'd with sound of sweetest melody?  
O thou dull god, why liest thou with the vile  
In loathsome beds, and leavest the kingly couch  
A watch-case or a common 'larum-bell?  
Wilt thou upon the high and giddy mast  
Seal up the ship-boy's eyes, and rock his brains  
In cradle of the rude imperious surge  
And in the visitation of the winds,  
Who take the ruffian billows by the top,  
Curling their monstrous heads and hanging them  
With deafening clamour in the slippery clouds,  
That, with the hurly, death itself awakes?  
Canst thou, O partial sleep, give thy repose  
To the wet sea-boy in an hour so rude,  
And in the calmest and most stillest night,

With all appliances and means to boot,  
Deny it to a king? Then happy low, lie down!  
Uneasy lies the head that wears a crown.

*Enter WARWICK and SURREY*

**WARWICK**

Many good morrows to your majesty!

**KING HENRY IV**

Is it good morrow, lords?

**WARWICK**

'Tis one o'clock, and past.

**KING HENRY IV**

Why, then, good morrow to you all, my lords.  
Have you read o'er the letters that I sent you?

**WARWICK**

We have, my liege.

**KING HENRY IV**

Then you perceive the body of our kingdom  
How foul it is; what rank diseases grow  
And with what danger, near the heart of it.

**WARWICK**

It is but as a body yet distemper'd;  
Which to his former strength may be restored  
With good advice and little medicine:  
My Lord Northumberland will soon be cool'd.

**KING HENRY IV**

O God! that one might read the book of fate,  
And see the revolution of the times  
Make mountains level, and the continent,  
Weary of solid firmness, melt itself  
Into the sea! and, other times, to see  
The beachy girdle of the ocean  
Too wide for Neptune's hips; how chances mock,  
And changes fill the cup of alteration  
With divers liquors! O, if this were seen,  
The happiest youth, viewing his progress through,  
What perils past, what crosses to ensue,  
Would shut the book, and sit him down and die.  
'Tis not 'ten years gone  
Since Richard and Northumberland, great friends,  
Did feast together, and in two years after  
Were they at wars: it is but eight years since  
This Percy was the man nearest my soul,  
Who like a brother toil'd in my affairs  
And laid his love and life under my foot,  
Yea, for my sake, even to the eyes of Richard  
Gave him defiance. But which of you was by--  
You, cousin Nevil, as I may remember--

*To WARWICK*

When Richard, with his eye brimful of tears,  
Then cheque'd and rated by Northumberland,  
Did speak these words, now proved a prophecy?  
'Northumberland, thou ladder by the which  
My cousin Bolingbroke ascends my throne;  
Though then, God knows, I had no such intent,  
But that necessity so bow'd the state  
That I and greatness were compell'd to kiss:  
'The time shall come,' thus did he follow it,  
'The time will come, that foul sin, gathering head,  
Shall break into corruption:' so went on,  
Foretelling this same time's condition  
And the division of our amity.

**WARWICK**

There is a history in all men's lives,

Figuring the nature of the times deceased;  
The which observed, a man may prophesy,  
With a near aim, of the main chance of things  
As yet not come to life, which in their seeds  
And weak beginnings lie intreasured.  
Such things become the hatch and brood of time;  
And by the necessary form of this  
King Richard might create a perfect guess  
That great Northumberland, then false to him,  
Would of that seed grow to a greater falseness;  
Which should not find a ground to root upon,  
Unless on you.

## **KING HENRY IV**

Are these things then necessities?  
Then let us meet them like necessities:  
And that same word even now cries out on us:  
They say the bishop and Northumberland  
Are fifty thousand strong.

## **WARWICK**

It cannot be, my lord;  
Rumour doth double, like the voice and echo,  
The numbers of the fear'd. Please it your grace  
To go to bed. Upon my soul, my lord,  
The powers that you already have sent forth  
Shall bring this prize in very easily.  
To comfort you the more, I have received  
A certain instance that Glendower is dead.  
Your majesty hath been this fortnight ill,  
And these unseason'd hours perforce must add  
Unto your sickness.

## **KING HENRY IV**

I will take your counsel:  
And were these inward wars once out of hand,  
We would, dear lords, unto the Holy Land.

*Exeunt*

## SCENE II. Gloucestershire. Before SHALLOW'S house.

*Enter SHALLOW and SILENCE, meeting; MOULDY, SHADOW, WART, FEEBLE, BULLCALF, a Servant or two with them*

### SHALLOW

Come on, come on, come on, sir; give me your hand, sir, give me your hand, sir: an early stirrer, by the rood! And how doth my good cousin Silence?

### SILENCE

Good morrow, good cousin Shallow.

### SHALLOW

And how doth my cousin, your bedfellow? and your fairest daughter and mine, my god-daughter Ellen?

### SILENCE

Alas, a black ousel, cousin Shallow!

### SHALLOW

By yea and nay, sir, I dare say my cousin William is become a good scholar: he is at Oxford still, is he not?

### SILENCE

Indeed, sir, to my cost.

### SHALLOW

A' must, then, to the inns o' court shortly. I was once of Clement's Inn, where I think they will talk of mad Shallow yet.

## **SILENCE**

You were called 'lusty Shallow' then, cousin.

## **SHALLOW**

By the mass, I was called any thing; and I would have done any thing indeed too, and roundly too. There was I, and little John Doit of Staffordshire, and black George Barnes, and Francis Pickbone, and Will Squele, a Cotswold man; you had not four such swinge-bucklers in all the inns o' court again: and I may say to you, we knew where the bona-robas were and had the best of them all at commandment. Then was Jack Falstaff, now Sir John, a boy, and page to Thomas Mowbray, Duke of Norfolk.

## **SILENCE**

This Sir John, cousin, that comes hither anon about soldiers?

## **SHALLOW**

The same Sir John, the very same. I see him break Skogan's head at the court-gate, when a' was a crack not thus high: and the very same day did I fight with one Sampson Stockfish, a fruiterer, behind Gray's Inn. Jesu, Jesu, the mad days that I have spent! and to see how many of my old acquaintance are dead!

## **SILENCE**

We shall all follow, cousin.

## **SHADOW**

Certain, 'tis certain; very sure, very sure: death,

as the Psalmist saith, is certain to all; all shall die. How a good yoke of bullocks at Stamford fair?

**SILENCE**

By my troth, I was not there.

**SHALLOW**

Death is certain. Is old Double of your town living yet?

**SILENCE**

Dead, sir.

**SHALLOW**

Jesu, Jesu, dead! a' drew a good bow; and dead! a' shot a fine shoot: John a Gaunt loved him well, and betted much money on his head. Dead! a' would have clapped i' the clout at twelve score; and carried you a forehand shaft a fourteen and fourteen and a half, that it would have done a man's heart good to see. How a score of ewes now?

**SILENCE**

Thereafter as they be: a score of good ewes may be worth ten pounds.

**SHALLOW**

And is old Double dead?

**SILENCE**

Here come two of Sir John Falstaff's men, as I think.

*Enter BARDOLPH and one with him*

## **BARBOLPH**

Good morrow, honest gentlemen: I beseech you, which is Justice Shallow?

## **SHALLOW**

I am Robert Shallow, sir; a poor esquire of this county, and one of the king's justices of the peace: What is your good pleasure with me?

## **BARBOLPH**

My captain, sir, commends him to you; my captain, Sir John Falstaff, a tall gentleman, by heaven, and a most gallant leader.

## **SHALLOW**

He greets me well, sir. I knew him a good backword man. How doth the good knight? may I ask how my lady his wife doth?

## **BARBOLPH**

Sir, pardon; a soldier is better accommodated than with a wife.

## **SHALLOW**

It is well said, in faith, sir; and it is well said indeed too. Better accommodated! it is good; yea, indeed, is it: good phrases are surely, and ever were, very commendable. Accommodated! it comes of 'accommodo' very good; a good phrase.

## **BARBOLPH**

Pardon me, sir; I have heard the word. Phrase call you it? by this good day, I know not the phrase; but I will maintain the word with my sword to be a

soldier-like word, and a word of exceeding good command, by heaven. Accommodated; that is, when a man is, as they say, accommodated; or when a man is, being, whereby a' may be thought to be accommodated; which is an excellent thing.

## **SHALLOW**

It is very just.

*Enter FALSTAFF*

Look, here comes good Sir John. Give me your good hand, give me your worship's good hand: by my troth, you like well and bear your years very well: welcome, good Sir John.

## **FALSTAFF**

I am glad to see you well, good Master Robert Shallow: Master Surecard, as I think?

## **SHALLOW**

No, Sir John; it is my cousin Silence, in commission with me.

## **FALSTAFF**

Good Master Silence, it well befits you should be of the peace.

## **SILENCE**

Your good-worship is welcome.

## **FALSTAFF**

Fie! this is hot weather, gentlemen. Have you provided me here half a dozen sufficient men?

## **SHALLOW**

Marry, have we, sir. Will you sit?

**FALSTAFF**

Let me see them, I beseech you.

**SHALLOW**

Where's the roll? where's the roll? where's the roll? Let me see, let me see, let me see. So, so: yea, marry, sir: Ralph Mouldy! Let them appear as I call; let them do so, let them do so. Let me see; where is Mouldy?

**MOULDY**

Here, an't please you.

**SHALLOW**

What think you, Sir John? a good-limbed fellow; young, strong, and of good friends.

**FALSTAFF**

Is thy name Mouldy?

**MOULDY**

Yea, an't please you.

**FALSTAFF**

'Tis the more time thou wert used.

**SHALLOW**

Ha, ha, ha! most excellent, i' faith! Things that are mouldy lack use: very singular good! in faith, well said, Sir John, very well said.

**FALSTAFF**

Prick him.

**MOULDY**

I was pricked well enough before, an you could have let me alone: my old dame will be undone now for one to do her husbandry and her drudgery: you need not to have pricked me; there are other men fitter to go out than I.

**FALSTAFF**

Go to: peace, Mouldy; you shall go. Mouldy, it is time you were spent.

**MOULDY**

Spent!

**SHALLOW**

Peace, fellow, peace; stand aside: know you where you are? For the other, Sir John: let me see:  
Simon Shadow!

**FALSTAFF**

Yea, marry, let me have him to sit under: he's like to be a cold soldier.

**SHALLOW**

Where's Shadow?

**SHADOW**

Here, sir.

**FALSTAFF**

Shadow, whose son art thou?

**SHADOW**

My mother's son, sir.

**FALSTAFF**

Thy mother's son! like enough, and thy father's shadow: so the son of the female is the shadow of the male: it is often so, indeed; but much of the father's substance!

**SHALLOW**

Do you like him, Sir John?

**FALSTAFF**

Shadow will serve for summer; prick him, for we have a number of shadows to fill up the muster-book.

**SHALLOW**

Thomas Wart!

**FALSTAFF**

Where's he?

**WART**

Here, sir.

**FALSTAFF**

Is thy name Wart?

**WART**

Yea, sir.

**FALSTAFF**

Thou art a very ragged wart.

**SHALLOW**

Shall I prick him down, Sir John?

**FALSTAFF**

It were superfluous; for his apparel is built upon his back and the whole frame stands upon pins: prick him no more.

**SHALLOW**

Ha, ha, ha! you can do it, sir; you can do it: I commend you well. Francis Feeble!

**FEEBLE**

Here, sir.

**FALSTAFF**

What trade art thou, Feeble?

**FEEBLE**

A woman's tailor, sir.

**SHALLOW**

Shall I prick him, sir?

**FALSTAFF**

You may: but if he had been a man's tailor, he'd ha' pricked you. Wilt thou make as many holes in

an enemy's battle as thou hast done in a woman's petticoat?

**FEEBLE**

I will do my good will, sir; you can have no more.

**FALSTAFF**

Well said, good woman's tailor! well said,  
courageous Feeble! thou wilt be as valiant as the  
wrathful dove or most magnanimous mouse. Prick the  
woman's tailor: well, Master Shallow; deep, Master Shallow.

**FEEBLE**

I would Wart might have gone, sir.

**FALSTAFF**

I would thou wert a man's tailor, that thou mightst  
mend him and make him fit to go. I cannot put him  
to a private soldier that is the leader of so many  
thousands: let that suffice, most forcible Feeble.

**FEEBLE**

It shall suffice, sir.

**FALSTAFF**

I am bound to thee, reverend Feeble. Who is next?

**SHALLOW**

Peter Bullcalf o' the green!

**FALSTAFF**

Yea, marry, let's see Bullcalf.

**BULLCALF**

Here, sir.

**FALSTAFF**

'Fore God, a likely fellow! Come, prick me Bullcalf till he roar again.

**BULLCALF**

O Lord! good my lord captain,--

**FALSTAFF**

What, dost thou roar before thou art pricked?

**BULLCALF**

O Lord, sir! I am a diseased man.

**FALSTAFF**

What disease hast thou?

**BULLCALF**

A whoreson cold, sir, a cough, sir, which I caught with ringing in the king's affairs upon his coronation-day, sir.

**FALSTAFF**

Come, thou shalt go to the wars in a gown; we wilt have away thy cold; and I will take such order that my friends shall ring for thee. Is here all?

**SHALLOW**

Here is two more called than your number, you must have but four here, sir: and so, I pray you, go in with me to dinner.

**FALSTAFF**

Come, I will go drink with you, but I cannot tarry dinner. I am glad to see you, by my troth, Master Shallow.

**SHALLOW**

O, Sir John, do you remember since we lay all night in the windmill in Saint George's field?

**FALSTAFF**

No more of that, good Master Shallow, no more of that.

**SHALLOW**

Ha! 'twas a merry night. And is Jane Nightwork alive?

**FALSTAFF**

She lives, Master Shallow.

**SHALLOW**

She never could away with me.

**FALSTAFF**

Never, never; she would always say she could not abide Master Shallow.

**SHALLOW**

By the mass, I could anger her to the heart. She was then a bona-roba. Doth she hold her own well?

**FALSTAFF**

Old, old, Master Shallow.

## **SHALLOW**

Nay, she must be old; she cannot choose but be old; certain she's old; and had Robin Nightwork by old Nightwork before I came to Clement's Inn.

## **SILENCE**

That's fifty-five year ago.

## **SHALLOW**

Ha, cousin Silence, that thou hadst seen that that this knight and I have seen! Ha, Sir John, said I well?

## **FALSTAFF**

We have heard the chimes at midnight, Master Shallow.

## **SHALLOW**

That we have, that we have, that we have; in faith, Sir John, we have: our watch-word was 'Hem boys!' Come, let's to dinner; come, let's to dinner: Jesus, the days that we have seen! Come, come.

*Exeunt FALSTAFF and Justices*

## **BULLCALF**

Good Master Corporate Bardolph, stand my friend; and here's four Harry ten shillings in French crowns for you. In very truth, sir, I had as lief be hanged, sir, as go: and yet, for mine own part, sir, I do not care; but rather, because I am unwilling, and, for mine own part, have a desire to stay with my friends; else, sir, I did not care, for mine own part, so much.

## **BARBOLPH**

Go to; stand aside.

## **MOULDY**

And, good master corporal captain, for my old  
dame's sake, stand my friend: she has nobody to do  
any thing about her when I am gone; and she is old,  
and cannot help herself: You shall have forty, sir.

## **BARDOLPH**

Go to; stand aside.

## **FEEBLE**

By my troth, I care not; a man can die but once: we  
owe God a death: I'll ne'er bear a base mind:  
an't be my destiny, so; an't be not, so: no man is  
too good to serve's prince; and let it go which way  
it will, he that dies this year is quit for the next.

## **BARDOLPH**

Well said; thou'rt a good fellow.

## **FEEBLE**

Faith, I'll bear no base mind.

*Re-enter FALSTAFF and the Justices*

## **FALSTAFF**

Come, sir, which men shall I have?

## **SHALLOW**

Four of which you please.

## **BARDOLPH**

Sir, a word with you: I have three pound to free  
Mouldy and Bullcalf.

**FALSTAFF**

Go to; well.

**SHALLOW**

Come, Sir John, which four will you have?

**FALSTAFF**

Do you choose for me.

**SHALLOW**

Marry, then, Mouldy, Bullcalf, Feeble and Shadow.

**FALSTAFF**

Mouldy and Bullcalf: for you, Mouldy, stay at home  
till you are past service: and for your part,  
Bullcalf, grow till you come unto it: I will none of you.

**SHALLOW**

Sir John, Sir John, do not yourself wrong: they are  
your likeliest men, and I would have you served with the best.

**FALSTAFF**

Will you tell me, Master Shallow, how to choose a  
man? Care I for the limb, the thewes, the stature,  
bulk, and big assemblance of a man! Give me the  
spirit, Master Shallow. Here's Wart; you see what a  
ragged appearance it is; a' shall charge you and  
discharge you with the motion of a pewterer's  
hammer, come off and on swifter than he that gibbets  
on the brewer's bucket. And this same half-faced  
fellow, Shadow; give me this man: he presents no

mark to the enemy; the foeman may with as great aim level at the edge of a penknife. And for a retreat; how swiftly will this Feeble the woman's tailor run off! O, give me the spare men, and spare me the great ones. Put me a caliver into Wart's hand, Bardolph.

## **BARBOLPH**

Hold, Wart, traverse; thus, thus, thus.

## **FALSTAFF**

Come, manage me your caliver. So: very well: go to: very good, exceeding good. O, give me always a little, lean, old, chapt, bald shot. Well said, i' faith, Wart; thou'rt a good scab: hold, there's a tester for thee.

## **SHALLOW**

He is not his craft's master; he doth not do it right. I remember at Mile-end Green, when I lay at Clement's Inn--I was then Sir Dagonet in Arthur's show,--there was a little quiver fellow, and a' would manage you his piece thus; and a' would about and about, and come you in and come you in: 'rah, tah, tah,' would a' say; 'bounce' would a' say; and away again would a' go, and again would a' come: I shall ne'er see such a fellow.

## **FALSTAFF**

These fellows will do well, Master Shallow. God keep you, Master Silence: I will not use many words with you. Fare you well, gentlemen both: I thank you: I must a dozen mile to-night. Bardolph, give the soldiers coats.

## **SHALLOW**

Sir John, the Lord bless you! God prosper your affairs! God send us peace! At your return visit

our house; let our old acquaintance be renewed;  
peradventure I will with ye to the court.

**FALSTAFF**

'Fore God, I would you would, Master Shallow.

**SHALLOW**

Go to; I have spoke at a word. God keep you.

**FALSTAFF**

Fare you well, gentle gentlemen.

*Exeunt Justices*

On, Bardolph; lead the men away.

*Exeunt BARDOLPH, Recruits, & c*

As I return, I will fetch off these justices: I do see the bottom of Justice Shallow. Lord, Lord, how subject we old men are to this vice of lying! This same starved justice hath done nothing but prate to me of the wildness of his youth, and the feats he hath done about Turnbull Street: and every third word a lie, duer paid to the hearer than the Turk's tribute. I do remember him at Clement's Inn like a man made after supper of a cheese-paring: when a' was naked, he was, for all the world, like a forked radish, with a head fantastically carved upon it with a knife: a' was so forlorn, that his dimensions to any thick sight were invincible: a' was the very genius of famine; yet lecherous as a monkey, and the whores called him mandrake: a' came ever in the rearward of the fashion, and sung those tunes to the overscutched huswives that he heard the carmen whistle, and swear they were his fancies or his good-nights. And now is this Vice's dagger become a squire, and talks as familiarly of John a Gaunt as if he had been sworn brother to him; and

I'll be sworn a' ne'er saw him but once in the  
Tilt-yard; and then he burst his head for crowding  
among the marshal's men. I saw it, and told John a  
Gaunt he beat his own name; for you might have  
thrust him and all his apparel into an eel-skin; the  
case of a treble hautboy was a mansion for him, a  
court: and now has he land and beefs. Well, I'll  
be acquainted with him, if I return; and it shall  
go hard but I will make him a philosopher's two  
stones to me: if the young dace be a bait for the  
old pike, I see no reason in the law of nature but I  
may snap at him. Let time shape, and there an end.

*Exit*

[Previous scene](#) | [Next scene](#)

## SCENE I. Yorkshire. Gaultree Forest.

*Enter the ARCHBISHOP OF YORK, MOWBRAY, LORD HASTINGS, and others*

### ARCHBISHOP OF YORK

What is this forest call'd?

### HASTINGS

'Tis Gaultree Forest, an't shall please your grace.

### ARCHBISHOP OF YORK

Here stand, my lords; and send discoverers forth  
To know the numbers of our enemies.

### HASTINGS

We have sent forth already.

### ARCHBISHOP OF YORK

'Tis well done.  
My friends and brethren in these great affairs,  
I must acquaint you that I have received  
New-dated letters from Northumberland;  
Their cold intent, tenor and substance, thus:  
Here doth he wish his person, with such powers  
As might hold sortance with his quality,  
The which he could not levy; whereupon  
He is retired, to ripe his growing fortunes,  
To Scotland: and concludes in hearty prayers  
That your attempts may overlive the hazard  
And fearful melting of their opposite.

## **MOWBRAY**

Thus do the hopes we have in him touch ground  
And dash themselves to pieces.

*Enter a Messenger*

## **HASTINGS**

Now, what news?

## **Messenger**

West of this forest, scarcely off a mile,  
In goodly form comes on the enemy;  
And, by the ground they hide, I judge their number  
Upon or near the rate of thirty thousand.

## **MOWBRAY**

The just proportion that we gave them out  
Let us sway on and face them in the field.

## **ARCHBISHOP OF YORK**

What well-appointed leader fronts us here?

*Enter WESTMORELAND*

## **MOWBRAY**

I think it is my Lord of Westmoreland.

## **WESTMORELAND**

Health and fair greeting from our general,  
The prince, Lord John and Duke of Lancaster.

## **ARCHBISHOP OF YORK**

Say on, my Lord of Westmoreland, in peace:

What doth concern your coming?

## **WESTMORELAND**

Then, my lord,  
Unto your grace do I in chief address  
The substance of my speech. If that rebellion  
Came like itself, in base and abject routs,  
Led on by bloody youth, guarded with rags,  
And countenanced by boys and beggary,  
I say, if damn'd commotion so appear'd,  
In his true, native and most proper shape,  
You, reverend father, and these noble lords  
Had not been here, to dress the ugly form  
Of base and bloody insurrection  
With your fair honours. You, lord archbishop,  
Whose see is by a civil peace maintained,  
Whose beard the silver hand of peace hath touch'd,  
Whose learning and good letters peace hath tutor'd,  
Whose white investments figure innocence,  
The dove and very blessed spirit of peace,  
Wherefore do you so ill translate ourself  
Out of the speech of peace that bears such grace,  
Into the harsh and boisterous tongue of war;  
Turning your books to graves, your ink to blood,  
Your pens to lances and your tongue divine  
To a trumpet and a point of war?

## **ARCHBISHOP OF YORK**

Wherefore do I this? so the question stands.  
Briefly to this end: we are all diseased,  
And with our surfeiting and wanton hours  
Have brought ourselves into a burning fever,  
And we must bleed for it; of which disease  
Our late king, Richard, being infected, died.  
But, my most noble Lord of Westmoreland,  
I take not on me here as a physician,  
Nor do I as an enemy to peace  
Troop in the throngs of military men;  
But rather show awhile like fearful war,  
To diet rank minds sick of happiness  
And purge the obstructions which begin to stop

Our very veins of life. Hear me more plainly.  
I have in equal balance justly weigh'd  
What wrongs our arms may do, what wrongs we suffer,  
And find our griefs heavier than our offences.  
We see which way the stream of time doth run,  
And are enforced from our most quiet there  
By the rough torrent of occasion;  
And have the summary of all our griefs,  
When time shall serve, to show in articles;  
Which long ere this we offer'd to the king,  
And might by no suit gain our audience:  
When we are wrong'd and would unfold our griefs,  
We are denied access unto his person  
Even by those men that most have done us wrong.  
The dangers of the days but newly gone,  
Whose memory is written on the earth  
With yet appearing blood, and the examples  
Of every minute's instance, present now,  
Hath put us in these ill-beseeming arms,  
Not to break peace or any branch of it,  
But to establish here a peace indeed,  
Concurring both in name and quality.

## **WESTMORELAND**

When ever yet was your appeal denied?  
Wherein have you been galled by the king?  
What peer hath been suborn'd to grate on you,  
That you should seal this lawless bloody book  
Of forged rebellion with a seal divine  
And consecrate commotion's bitter edge?

## **ARCHBISHOP OF YORK**

My brother general, the commonwealth,  
To brother born an household cruelty,  
I make my quarrel in particular.

## **WESTMORELAND**

There is no need of any such redress;  
Or if there were, it not belongs to you.

## **MOWBRAY**

Why not to him in part, and to us all  
That feel the bruises of the days before,  
And suffer the condition of these times  
To lay a heavy and unequal hand  
Upon our honours?

## **WESTMORELAND**

O, my good Lord Mowbray,  
Construe the times to their necessities,  
And you shall say indeed, it is the time,  
And not the king, that doth you injuries.  
Yet for your part, it not appears to me  
Either from the king or in the present time  
That you should have an inch of any ground  
To build a grief on: were you not restored  
To all the Duke of Norfolk's signories,  
Your noble and right well remember'd father's?

## **MOWBRAY**

What thing, in honour, had my father lost,  
That need to be revived and breathed in me?  
The king that loved him, as the state stood then,  
Was force perforce compell'd to banish him:  
And then that Harry Bolingbroke and he,  
Being mounted and both roused in their seats,  
Their neighing coursers daring of the spur,  
Their armed staves in charge, their beavers down,  
Their eyes of fire sparking through sights of steel  
And the loud trumpet blowing them together,  
Then, then, when there was nothing could have stay'd  
My father from the breast of Bolingbroke,  
O when the king did throw his warder down,  
His own life hung upon the staff he threw;  
Then threw he down himself and all their lives  
That by indictment and by dint of sword  
Have since miscarried under Bolingbroke.

## **WESTMORELAND**

You speak, Lord Mowbray, now you know not what.  
The Earl of Hereford was reputed then  
In England the most valiant gentlemen:  
Who knows on whom fortune would then have smiled?  
But if your father had been victor there,  
He ne'er had borne it out of Coventry:  
For all the country in a general voice  
Cried hate upon him; and all their prayers and love  
Were set on Hereford, whom they doted on  
And bless'd and graced indeed, more than the king.  
But this is mere digression from my purpose.  
Here come I from our princely general  
To know your griefs; to tell you from his grace  
That he will give you audience; and wherein  
It shall appear that your demands are just,  
You shall enjoy them, every thing set off  
That might so much as think you enemies.

## **MOWBRAY**

But he hath forced us to compel this offer;  
And it proceeds from policy, not love.

## **WESTMORELAND**

Mowbray, you overween to take it so;  
This offer comes from mercy, not from fear:  
For, lo! within a ken our army lies,  
Upon mine honour, all too confident  
To give admittance to a thought of fear.  
Our battle is more full of names than yours,  
Our men more perfect in the use of arms,  
Our armour all as strong, our cause the best;  
Then reason will our heart should be as good  
Say you not then our offer is compell'd.

## **MOWBRAY**

Well, by my will we shall admit no parley.

## **WESTMORELAND**

That argues but the shame of your offence:  
A rotten case abides no handling.

## **HASTINGS**

Hath the Prince John a full commission,  
In very ample virtue of his father,  
To hear and absolutely to determine  
Of what conditions we shall stand upon?

## **WESTMORELAND**

That is intended in the general's name:  
I muse you make so slight a question.

## **ARCHBISHOP OF YORK**

Then take, my Lord of Westmoreland, this schedule,  
For this contains our general grievances:  
Each several article herein redress'd,  
All members of our cause, both here and hence,  
That are insinew'd to this action,  
Acquitted by a true substantial form  
And present execution of our wills  
To us and to our purposes confined,  
We come within our awful banks again  
And knit our powers to the arm of peace.

## **WESTMORELAND**

This will I show the general. Please you, lords,  
In sight of both our battles we may meet;  
And either end in peace, which God so frame!  
Or to the place of difference call the swords  
Which must decide it.

## **ARCHBISHOP OF YORK**

My lord, we will do so.

*Exit WESTMORELAND*

## **MOWBRAY**

There is a thing within my bosom tells me  
That no conditions of our peace can stand.

## **HASTINGS**

Fear you not that: if we can make our peace  
Upon such large terms and so absolute  
As our conditions shall consist upon,  
Our peace shall stand as firm as rocky mountains.

## **MOWBRAY**

Yea, but our valuation shall be such  
That every slight and false-derived cause,  
Yea, every idle, nice and wanton reason  
Shall to the king taste of this action;  
That, were our royal faiths martyrs in love,  
We shall be winnow'd with so rough a wind  
That even our corn shall seem as light as chaff  
And good from bad find no partition.

## **ARCHBISHOP OF YORK**

No, no, my lord. Note this; the king is weary  
Of dainty and such picking grievances:  
For he hath found to end one doubt by death  
Revives two greater in the heirs of life,  
And therefore will he wipe his tables clean  
And keep no tell-tale to his memory  
That may repeat and history his loss  
To new remembrance; for full well he knows  
He cannot so precisely weed this land  
As his misdoubts present occasion:  
His foes are so enrooted with his friends  
That, plucking to unfix an enemy,  
He doth unfasten so and shake a friend:  
So that this land, like an offensive wife  
That hath enraged him on to offer strokes,  
As he is striking, holds his infant up

And hangs resolved correction in the arm  
That was uprear'd to execution.

## **HASTINGS**

Besides, the king hath wasted all his rods  
On late offenders, that he now doth lack  
The very instruments of chastisement:  
So that his power, like to a fangless lion,  
May offer, but not hold.

## **ARCHBISHOP OF YORK**

'Tis very true:  
And therefore be assured, my good lord marshal,  
If we do now make our atonement well,  
Our peace will, like a broken limb united,  
Grow stronger for the breaking.

## **MOWBRAY**

Be it so.  
Here is return'd my Lord of Westmoreland.

*Re-enter WESTMORELAND*

## **WESTMORELAND**

The prince is here at hand: pleaseth your lordship  
To meet his grace just distance 'tween our armies.

## **MOWBRAY**

Your grace of York, in God's name then, set forward.

## **ARCHBISHOP OF YORK**

Before, and greet his grace: my lord, we come.

*Exeunt*

# The Second part of King Henry the Fourth

[Shakespeare homepage](#) | [Henry IV, part 2](#) | Act 4, Scene 2

[Previous scene](#) | [Next scene](#)

## SCENE II. Another part of the forest.

*Enter, from one side, MOWBRAY, attended; afterwards the ARCHBISHOP OF YORK, HASTINGS, and others: from the other side, Prince John of LANCASTER, and WESTMORELAND; Officers, and others with them*

### LANCASTER

You are well encounter'd here, my cousin Mowbray:  
Good day to you, gentle lord archbishop;  
And so to you, Lord Hastings, and to all.  
My Lord of York, it better show'd with you  
When that your flock, assembled by the bell,  
Encircled you to hear with reverence  
Your exposition on the holy text  
Than now to see you here an iron man,  
Cheering a rout of rebels with your drum,  
Turning the word to sword and life to death.  
That man that sits within a monarch's heart,  
And ripens in the sunshine of his favour,  
Would he abuse the countenance of the king,  
Alack, what mischiefs might he set abrooch  
In shadow of such greatness! With you, lord bishop,  
It is even so. Who hath not heard it spoken  
How deep you were within the books of God?  
To us the speaker in his parliament;  
To us the imagined voice of God himself;  
The very opener and intelligencer  
Between the grace, the sanctities of heaven  
And our dull workings. O, who shall believe  
But you misuse the reverence of your place,  
Employ the countenance and grace of heaven,  
As a false favourite doth his prince's name,  
In deeds dishonourable? You have ta'en up,  
Under the counterfeited zeal of God,  
The subjects of his substitute, my father,  
And both against the peace of heaven and him

Have here up-swarm'd them.

## **ARCHBISHOP OF YORK**

Good my Lord of Lancaster,  
I am not here against your father's peace;  
But, as I told my lord of Westmoreland,  
The time disorder'd doth, in common sense,  
Crowd us and crush us to this monstrous form,  
To hold our safety up. I sent your grace  
The parcels and particulars of our grief,  
The which hath been with scorn shoved from the court,  
Whereon this Hydra son of war is born;  
Whose dangerous eyes may well be charm'd asleep  
With grant of our most just and right desires,  
And true obedience, of this madness cured,  
Stoop tamely to the foot of majesty.

## **MOWBRAY**

If not, we ready are to try our fortunes  
To the last man.

## **HASTINGS**

And though we here fall down,  
We have supplies to second our attempt:  
If they miscarry, theirs shall second them;  
And so success of mischief shall be born  
And heir from heir shall hold this quarrel up  
Whiles England shall have generation.

## **LANCASTER**

You are too shallow, Hastings, much too shallow,  
To sound the bottom of the after-times.

## **WESTMORELAND**

Pleaseth your grace to answer them directly  
How far forth you do like their articles.

## **LANCASTER**

I like them all, and do allow them well,  
And swear here, by the honour of my blood,  
My father's purposes have been mistook,  
And some about him have too lavishly  
Wrested his meaning and authority.  
My lord, these griefs shall be with speed redress'd;  
Upon my soul, they shall. If this may please you,  
Discharge your powers unto their several counties,  
As we will ours: and here between the armies  
Let's drink together friendly and embrace,  
That all their eyes may bear those tokens home  
Of our restored love and amity.

## **ARCHBISHOP OF YORK**

I take your princely word for these redresses.

## **LANCASTER**

I give it you, and will maintain my word:  
And thereupon I drink unto your grace.

## **HASTINGS**

Go, captain, and deliver to the army  
This news of peace: let them have pay, and part:  
I know it will well please them. Hie thee, captain.

*Exit Officer*

## **ARCHBISHOP OF YORK**

To you, my noble Lord of Westmoreland.

## **WESTMORELAND**

I pledge your grace; and, if you knew what pains  
I have bestow'd to breed this present peace,  
You would drink freely: but my love to ye  
Shall show itself more openly hereafter.

## **ARCHBISHOP OF YORK**

I do not doubt you.

## **WESTMORELAND**

I am glad of it.  
Health to my lord and gentle cousin, Mowbray.

## **MOWBRAY**

You wish me health in very happy season;  
For I am, on the sudden, something ill.

## **ARCHBISHOP OF YORK**

Against ill chances men are ever merry;  
But heaviness foreruns the good event.

## **WESTMORELAND**

Therefore be merry, coz; since sudden sorrow  
Serves to say thus, 'some good thing comes  
to-morrow.'

## **ARCHBISHOP OF YORK**

Believe me, I am passing light in spirit.

## **MOWBRAY**

So much the worse, if your own rule be true.

*Shouts within*

## **LANCASTER**

The word of peace is render'd: hark, how they shout!

## **MOWBRAY**

This had been cheerful after victory.

## **ARCHBISHOP OF YORK**

A peace is of the nature of a conquest;  
For then both parties nobly are subdued,  
And neither party loser.

## **LANCASTER**

Go, my lord,  
And let our army be discharged too.

*Exit WESTMORELAND*

And, good my lord, so please you, let our trains  
March, by us, that we may peruse the men  
We should have coped withal.

## **ARCHBISHOP OF YORK**

Go, good Lord Hastings,  
And, ere they be dismissed, let them march by.

*Exit HASTINGS*

## **LANCASTER**

I trust, lords, we shall lie to-night together.

*Re-enter WESTMORELAND*

Now, cousin, wherefore stands our army still?

## **WESTMORELAND**

The leaders, having charge from you to stand,  
Will not go off until they hear you speak.

## **LANCASTER**

They know their duties.

*Re-enter HASTINGS*

## **HASTINGS**

My lord, our army is dispersed already;  
Like youthful steers unyoked, they take their courses  
East, west, north, south; or, like a school broke up,  
Each hurries toward his home and sporting-place.

## **WESTMORELAND**

Good tidings, my Lord Hastings; for the which  
I do arrest thee, traitor, of high treason:  
And you, lord archbishop, and you, Lord Mowbray,  
Of capitol treason I attach you both.

## **MOWBRAY**

Is this proceeding just and honourable?

## **WESTMORELAND**

Is your assembly so?

## **ARCHBISHOP OF YORK**

Will you thus break your faith?

## **LANCASTER**

I pawn'd thee none:  
I promised you redress of these same grievances  
Whereof you did complain; which, by mine honour,  
I will perform with a most Christian care.  
But for you, rebels, look to taste the due  
Meet for rebellion and such acts as yours.  
Most shallowly did you these arms commence,  
Fondly brought here and foolishly sent hence.

Strike up our drums, pursue the scatter'd stray:  
God, and not we, hath safely fought to-day.  
Some guard these traitors to the block of death,  
Treason's true bed and yielder up of breath.

*Exeunt*

## SCENE III. Another part of the forest.

*Alarum. Excursions. Enter FALSTAFF and COLEVILE, meeting*

**FALSTAFF**

What's your name, sir? of what condition are you,  
and of what place, I pray?

**COLEVILE**

I am a knight, sir, and my name is Colevile of the dale.

**FALSTAFF**

Well, then, Colevile is your name, a knight is your  
degree, and your place the dale: Colevile shall be  
still your name, a traitor your degree, and the  
dungeon your place, a place deep enough; so shall  
you be still Colevile of the dale.

**COLEVILE**

Are not you Sir John Falstaff?

**FALSTAFF**

As good a man as he, sir, whoe'er I am. Do ye  
yield, sir? or shall I sweat for you? if I do  
sweat, they are the drops of thy lovers, and they  
weep for thy death: therefore rouse up fear and  
trembling, and do observance to my mercy.

**COLEVILE**

I think you are Sir John Falstaff, and in that

thought yield me.

## **FALSTAFF**

I have a whole school of tongues in this belly of mine, and not a tongue of them all speaks any other word but my name. An I had but a belly of any indifference, I were simply the most active fellow in Europe: my womb, my womb, my womb, undoes me. Here comes our general.

*Enter PRINCE JOHN OF LANCASTER, WESTMORELAND, BLUNT, and others*

## **LANCASTER**

The heat is past; follow no further now:  
Call in the powers, good cousin Westmoreland.

*Exit WESTMORELAND*

Now, Falstaff, where have you been all this while?  
When every thing is ended, then you come:  
These tardy tricks of yours will, on my life,  
One time or other break some gallows' back.

## **FALSTAFF**

I would be sorry, my lord, but it should be thus: I never knew yet but rebuke and cheque was the reward of valour. Do you think me a swallow, an arrow, or a bullet? have I, in my poor and old motion, the expedition of thought? I have speeded hither with the very extremest inch of possibility; I have foundered nine score and odd posts: and here, travel-tainted as I am, have in my pure and immaculate valour, taken Sir John Colevile of the dale, a most furious knight and valorous enemy. But what of that? he saw me, and yielded; that I may justly say, with the hook-nosed fellow of Rome, 'I came, saw, and overcame.'

## **LANCASTER**

It was more of his courtesy than your deserving.

**FALSTAFF**

I know not: here he is, and here I yield him: and I beseech your grace, let it be booked with the rest of this day's deeds; or, by the Lord, I will have it in a particular ballad else, with mine own picture on the top on't, Colevile kissing my foot: to the which course if I be enforced, if you do not all show like gilt twopences to me, and I in the clear sky of fame o'ershine you as much as the full moon doth the cinders of the element, which show like pins' heads to her, believe not the word of the noble: therefore let me have right, and let desert mount.

**LANCASTER**

Thine's too heavy to mount.

**FALSTAFF**

Let it shine, then.

**LANCASTER**

Thine's too thick to shine.

**FALSTAFF**

Let it do something, my good lord, that may do me good, and call it what you will.

**LANCASTER**

Is thy name Colevile?

**COLEVILE**

It is, my lord.

**LANCASTER**

A famous rebel art thou, Colevile.

**FALSTAFF**

And a famous true subject took him.

**COLEVILE**

I am, my lord, but as my betters are  
That led me hither: had they been ruled by me,  
You should have won them dearer than you have.

**FALSTAFF**

I know not how they sold themselves: but thou, like  
a kind fellow, gavest thyself away gratis; and I  
thank thee for thee.

*Re-enter WESTMORELAND*

**LANCASTER**

Now, have you left pursuit?

**WESTMORELAND**

Retreat is made and execution stay'd.

**LANCASTER**

Send Colevile with his confederates  
To York, to present execution:  
Blunt, lead him hence; and see you guard him sure.

*Exeunt BLUNT and others with COLEVILE*

And now dispatch we toward the court, my lords:

I hear the king my father is sore sick:  
Our news shall go before us to his majesty,  
Which, cousin, you shall bear to comfort him,  
And we with sober speed will follow you.

## **FALSTAFF**

My lord, I beseech you, give me leave to go  
Through Gloucestershire: and, when you come to court,  
Stand my good lord, pray, in your good report.

## **LANCASTER**

Fare you well, Falstaff: I, in my condition,  
Shall better speak of you than you deserve.

*Exeunt all but Falstaff*

## **FALSTAFF**

I would you had but the wit: 'twere better than  
your dukedom. Good faith, this same young sober-  
blooded boy doth not love me; nor a man cannot make  
him laugh; but that's no marvel, he drinks no wine.  
There's never none of these demure boys come to any  
proof; for thin drink doth so over-cool their blood,  
and making many fish-meals, that they fall into a  
kind of male green-sickness; and then when they  
marry, they get wenches: they are generally fools  
and cowards; which some of us should be too, but for  
inflammation. A good sherris sack hath a two-fold  
operation in it. It ascends me into the brain;  
dries me there all the foolish and dull and curdy  
vapours which environ it; makes it apprehensive,  
quick, forgetive, full of nimble fiery and  
delectable shapes, which, delivered o'er to the  
voice, the tongue, which is the birth, becomes  
excellent wit. The second property of your  
excellent sherris is, the warming of the blood;  
which, before cold and settled, left the liver  
white and pale, which is the badge of pusillanimity  
and cowardice; but the sherris warms it and makes

it course from the inwards to the parts extreme:  
it illumineth the face, which as a beacon gives  
warning to all the rest of this little kingdom,  
man, to arm; and then the vital commoners and  
inland petty spirits muster me all to their captain,  
the heart, who, great and puffed up with this  
retinue, doth any deed of courage; and this valour  
comes of sherris. So that skill in the weapon is  
nothing without sack, for that sets it a-work; and  
learning a mere hoard of gold kept by a devil, till  
sack commences it and sets it in act and use.  
Hereof comes it that Prince Harry is valiant; for  
the cold blood he did naturally inherit of his  
father, he hath, like lean, sterile and bare land,  
manured, husbanded and tilled with excellent  
endeavour of drinking good and good store of fertile  
sherris, that he is become very hot and valiant. If  
I had a thousand sons, the first humane principle I  
would teach them should be, to forswear thin  
potations and to addict themselves to sack.

*Enter BARDOLPH*

How now Bardolph?

**BAROLPH**

The army is discharged all and gone.

**FALSTAFF**

Let them go. I'll through Gloucestershire; and  
there will I visit Master Robert Shallow, esquire:  
I have him already tempering between my finger and  
my thumb, and shortly will I seal with him. Come away.

*Exeunt*

# The Second part of King Henry the Fourth

[Shakespeare homepage](#) | [Henry IV, part 2](#) | Act 4, Scene 4

[Previous scene](#) | [Next scene](#)

## SCENE IV. Westminster. The Jerusalem Chamber.

*Enter KING HENRY IV, the Princes Thomas of CLARENCE and Humphrey of GLOUCESTER, WARWICK, and others*

### KING HENRY IV

Now, lords, if God doth give successful end  
To this debate that bleedeth at our doors,  
We will our youth lead on to higher fields  
And draw no swords but what are sanctified.  
Our navy is address'd, our power collected,  
Our substitutes in absence well invested,  
And every thing lies level to our wish:  
Only, we want a little personal strength;  
And pause us, till these rebels, now afoot,  
Come underneath the yoke of government.

### WARWICK

Both which we doubt not but your majesty  
Shall soon enjoy.

### KING HENRY IV

Humphrey, my son of Gloucester,  
Where is the prince your brother?

### GLOUCESTER

I think he's gone to hunt, my lord, at Windsor.

### KING HENRY IV

And how accompanied?

## **GLOUCESTER**

I do not know, my lord.

## **KING HENRY IV**

Is not his brother, Thomas of Clarence, with him?

## **GLOUCESTER**

No, my good lord; he is in presence here.

## **CLARENCE**

What would my lord and father?

## **KING HENRY IV**

Nothing but well to thee, Thomas of Clarence.  
How chance thou art not with the prince thy brother?  
He loves thee, and thou dost neglect him, Thomas;  
Thou hast a better place in his affection  
Than all thy brothers: cherish it, my boy,  
And noble offices thou mayst effect  
Of mediation, after I am dead,  
Between his greatness and thy other brethren:  
Therefore omit him not; blunt not his love,  
Nor lose the good advantage of his grace  
By seeming cold or careless of his will;  
For he is gracious, if he be observed:  
He hath a tear for pity and a hand  
Open as day for melting charity:  
Yet notwithstanding, being incensed, he's flint,  
As humorous as winter and as sudden  
As flaws congealed in the spring of day.  
His temper, therefore, must be well observed:  
Chide him for faults, and do it reverently,  
When thou perceive his blood inclined to mirth;  
But, being moody, give him line and scope,  
Till that his passions, like a whale on ground,  
Confound themselves with working. Learn this, Thomas,  
And thou shalt prove a shelter to thy friends,

A hoop of gold to bind thy brothers in,  
That the united vessel of their blood,  
Mingled with venom of suggestion--  
As, force perforce, the age will pour it in--  
Shall never leak, though it do work as strong  
As aconitum or rash gunpowder.

**CLARENCE**

I shall observe him with all care and love.

**KING HENRY IV**

Why art thou not at Windsor with him, Thomas?

**CLARENCE**

He is not there to-day; he dines in London.

**KING HENRY IV**

And how accompanied? canst thou tell that?

**CLARENCE**

With Poins, and other his continual followers.

**KING HENRY IV**

Most subject is the fattest soil to weeds;  
And he, the noble image of my youth,  
Is overspread with them: therefore my grief  
Stretches itself beyond the hour of death:  
The blood weeps from my heart when I do shape  
In forms imaginary the unguided days  
And rotten times that you shall look upon  
When I am sleeping with my ancestors.  
For when his headstrong riot hath no curb,  
When rage and hot blood are his counsellors,  
When means and lavish manners meet together,  
O, with what wings shall his affections fly  
Towards fronting peril and opposed decay!

## **WARWICK**

My gracious lord, you look beyond him quite:  
The prince but studies his companions  
Like a strange tongue, wherein, to gain the language,  
'Tis needful that the most immodest word  
Be look'd upon and learn'd; which once attain'd,  
Your highness knows, comes to no further use  
But to be known and hated. So, like gross terms,  
The prince will in the perfectness of time  
Cast off his followers; and their memory  
Shall as a pattern or a measure live,  
By which his grace must mete the lives of others,  
Turning past evils to advantages.

## **KING HENRY IV**

'Tis seldom when the bee doth leave her comb  
In the dead carrion.

*Enter WESTMORELAND*

Who's here? Westmoreland?

## **WESTMORELAND**

Health to my sovereign, and new happiness  
Added to that that I am to deliver!  
Prince John your son doth kiss your grace's hand:  
Mowbray, the Bishop Scroop, Hastings and all  
Are brought to the correction of your law;  
There is not now a rebel's sword unsheath'd  
But peace puts forth her olive every where.  
The manner how this action hath been borne  
Here at more leisure may your highness read,  
With every course in his particular.

## **KING HENRY IV**

O Westmoreland, thou art a summer bird,  
Which ever in the haunch of winter sings

The lifting up of day.

*Enter HARCOURT*

Look, here's more news.

## **HARCOURT**

From enemies heaven keep your majesty;  
And, when they stand against you, may they fall  
As those that I am come to tell you of!  
The Earl Northumberland and the Lord Bardolph,  
With a great power of English and of Scots  
Are by the sheriff of Yorkshire overthrown:  
The manner and true order of the fight  
This packet, please it you, contains at large.

## **KING HENRY IV**

And wherefore should these good news make me sick?  
Will fortune never come with both hands full,  
But write her fair words still in foulest letters?  
She either gives a stomach and no food;  
Such are the poor, in health; or else a feast  
And takes away the stomach; such are the rich,  
That have abundance and enjoy it not.  
I should rejoice now at this happy news;  
And now my sight fails, and my brain is giddy:  
O me! come near me; now I am much ill.

## **GLOUCESTER**

Comfort, your majesty!

## **CLARENCE**

O my royal father!

## **WESTMORELAND**

My sovereign lord, cheer up yourself, look up.

## **WARWICK**

Be patient, princes; you do know, these fits  
Are with his highness very ordinary.  
Stand from him. Give him air; he'll straight be well.

## **CLARENCE**

No, no, he cannot long hold out these pangs:  
The incessant care and labour of his mind  
Hath wrought the mure that should confine it in  
So thin that life looks through and will break out.

## **GLOUCESTER**

The people fear me; for they do observe  
Unfather'd heirs and loathly births of nature:  
The seasons change their manners, as the year  
Had found some months asleep and leap'd them over.

## **CLARENCE**

The river hath thrice flow'd, no ebb between;  
And the old folk, time's doting chronicles,  
Say it did so a little time before  
That our great-grandsire, Edward, sick'd and died.

## **WARWICK**

Speak lower, princes, for the king recovers.

## **GLOUCESTER**

This apoplexy will certain be his end.

## **KING HENRY IV**

I pray you, take me up, and bear me hence  
Into some other chamber: softly, pray.

# The Second part of King Henry the Fourth

[Shakespeare homepage](#) | [Henry IV, part 2](#) | Act 4, Scene 5

[Previous scene](#) | [Next scene](#)

## SCENE V. Another chamber.

*KING HENRY IV lying on a bed: CLARENCE, GLOUCESTER, WARWICK, and others in attendance*

### KING HENRY IV

Let there be no noise made, my gentle friends;  
Unless some dull and favourable hand  
Will whisper music to my weary spirit.

### WARWICK

Call for the music in the other room.

### KING HENRY IV

Set me the crown upon my pillow here.

### CLARENCE

His eye is hollow, and he changes much.

### WARWICK

Less noise, less noise!

*Enter PRINCE HENRY*

### PRINCE HENRY

Who saw the Duke of Clarence?

### CLARENCE

I am here, brother, full of heaviness.

**PRINCE HENRY**

How now! rain within doors, and none abroad!  
How doth the king?

**GLOUCESTER**

Exceeding ill.

**PRINCE HENRY**

Heard he the good news yet?  
Tell it him.

**GLOUCESTER**

He alter'd much upon the hearing it.

**PRINCE HENRY**

If he be sick with joy, he'll recover without physic.

**WARWICK**

Not so much noise, my lords: sweet prince,  
speak low;  
The king your father is disposed to sleep.

**CLARENCE**

Let us withdraw into the other room.

**WARWICK**

Will't please your grace to go along with us?

**PRINCE HENRY**

No; I will sit and watch here by the king.

*Exeunt all but PRINCE HENRY*

Why doth the crown lie there upon his pillow,  
Being so troublesome a bedfellow?  
O polish'd perturbation! golden care!  
That keep'st the ports of slumber open wide  
To many a watchful night! sleep with it now!  
Yet not so sound and half so deeply sweet  
As he whose brow with homely biggen bound  
Snores out the watch of night. O majesty!  
When thou dost pinch thy bearer, thou dost sit  
Like a rich armour worn in heat of day,  
That scalds with safety. By his gates of breath  
There lies a downy feather which stirs not:  
Did he suspire, that light and weightless down  
Perforce must move. My gracious lord! my father!  
This sleep is sound indeed, this is a sleep  
That from this golden rigol hath divorced  
So many English kings. Thy due from me  
Is tears and heavy sorrows of the blood,  
Which nature, love, and filial tenderness,  
Shall, O dear father, pay thee plenteously:  
My due from thee is this imperial crown,  
Which, as immediate as thy place and blood,  
Derives itself to me. Lo, here it sits,  
Which God shall guard: and put the world's whole strength  
Into one giant arm, it shall not force  
This lineal honour from me: this from thee  
Will I to mine leave, as 'tis left to me.

*Exit*

**KING HENRY IV**

Warwick! Gloucester! Clarence!

*Re-enter WARWICK, GLOUCESTER, CLARENCE, and the rest*

**CLARENCE**

Doth the king call?

**WARWICK**

What would your majesty? How fares your grace?

**KING HENRY IV**

Why did you leave me here alone, my lords?

**CLARENCE**

We left the prince my brother here, my liege,  
Who undertook to sit and watch by you.

**KING HENRY IV**

The Prince of Wales! Where is he? let me see him:  
He is not here.

**WARWICK**

This door is open; he is gone this way.

**GLOUCESTER**

He came not through the chamber where we stay'd.

**KING HENRY IV**

Where is the crown? who took it from my pillow?

**WARWICK**

When we withdrew, my liege, we left it here.

**KING HENRY IV**

The prince hath ta'en it hence: go, seek him out.  
Is he so hasty that he doth suppose  
My sleep my death?  
Find him, my Lord of Warwick; chide him hither.

*Exit WARWICK*

This part of his conjoins with my disease,  
And helps to end me. See, sons, what things you are!  
How quickly nature falls into revolt  
When gold becomes her object!  
For this the foolish over-careful fathers  
Have broke their sleep with thoughts, their brains with care,  
Their bones with industry;  
For this they have engrossed and piled up  
The canker'd heaps of strange-achieved gold;  
For this they have been thoughtful to invest  
Their sons with arts and martial exercises:  
When, like the bee, culling from every flower  
The virtuous sweets,  
Our thighs pack'd with wax, our mouths with honey,  
We bring it to the hive, and, like the bees,  
Are murdered for our pains. This bitter taste  
Yield his engrossments to the ending father.

*Re-enter WARWICK*

Now, where is he that will not stay so long  
Till his friend sickness hath determined me?

**WARWICK**

My lord, I found the prince in the next room,  
Washing with kindly tears his gentle cheeks,  
With such a deep demeanor in great sorrow  
That tyranny, which never quaff'd but blood,  
Would, by beholding him, have wash'd his knife  
With gentle eye-drops. He is coming hither.

**KING HENRY IV**

But wherefore did he take away the crown?

*Re-enter PRINCE HENRY*

Lo, where he comes. Come hither to me, Harry.

Depart the chamber, leave us here alone.

*Exeunt WARWICK and the rest*

## **PRINCE HENRY**

I never thought to hear you speak again.

## **KING HENRY IV**

Thy wish was father, Harry, to that thought:  
I stay too long by thee, I weary thee.  
Dost thou so hunger for mine empty chair  
That thou wilt needs invest thee with my honours  
Before thy hour be ripe? O foolish youth!  
Thou seek'st the greatness that will o'erwhelm thee.  
Stay but a little; for my cloud of dignity  
Is held from falling with so weak a wind  
That it will quickly drop: my day is dim.  
Thou hast stolen that which after some few hours  
Were thine without offence; and at my death  
Thou hast seal'd up my expectation:  
Thy life did manifest thou lovedst me not,  
And thou wilt have me die assured of it.  
Thou hidest a thousand daggers in thy thoughts,  
Which thou hast whetted on thy stony heart,  
To stab at half an hour of my life.  
What! canst thou not forbear me half an hour?  
Then get thee gone and dig my grave thyself,  
And bid the merry bells ring to thine ear  
That thou art crowned, not that I am dead.  
Let all the tears that should bedew my hearse  
Be drops of balm to sanctify thy head:  
Only compound me with forgotten dust  
Give that which gave thee life unto the worms.  
Pluck down my officers, break my decrees;  
For now a time is come to mock at form:  
Harry the Fifth is crown'd: up, vanity!  
Down, royal state! all you sage counsellors, hence!  
And to the English court assemble now,  
From every region, apes of idleness!  
Now, neighbour confines, purge you of your scum:

Have you a ruffian that will swear, drink, dance,  
Revel the night, rob, murder, and commit  
The oldest sins the newest kind of ways?  
Be happy, he will trouble you no more;  
England shall double gild his treble guilt,  
England shall give him office, honour, might;  
For the fifth Harry from curb'd licence plucks  
The muzzle of restraint, and the wild dog  
Shall flesh his tooth on every innocent.  
O my poor kingdom, sick with civil blows!  
When that my care could not withhold thy riots,  
What wilt thou do when riot is thy care?  
O, thou wilt be a wilderness again,  
Peopled with wolves, thy old inhabitants!

## **PRINCE HENRY**

O, pardon me, my liege! but for my tears,  
The moist impediments unto my speech,  
I had forestall'd this dear and deep rebuke  
Ere you with grief had spoke and I had heard  
The course of it so far. There is your crown;  
And He that wears the crown immortally  
Long guard it yours! If I affect it more  
Than as your honour and as your renown,  
Let me no more from this obedience rise,  
Which my most inward true and duteous spirit  
Teacheth, this prostrate and exterior bending.  
God witness with me, when I here came in,  
And found no course of breath within your majesty,  
How cold it struck my heart! If I do feign,  
O, let me in my present wildness die  
And never live to show the incredulous world  
The noble change that I have purposed!  
Coming to look on you, thinking you dead,  
And dead almost, my liege, to think you were,  
I spake unto this crown as having sense,  
And thus upbraided it: 'The care on thee depending  
Hath fed upon the body of my father;  
Therefore, thou best of gold art worst of gold:  
Other, less fine in carat, is more precious,  
Preserving life in medicine potable;  
But thou, most fine, most honour'd: most renown'd,

Hast eat thy bearer up.' Thus, my most royal liege,  
Accusing it, I put it on my head,  
To try with it, as with an enemy  
That had before my face murder'd my father,  
The quarrel of a true inheritor.  
But if it did infect my blood with joy,  
Or swell my thoughts to any strain of pride;  
If any rebel or vain spirit of mine  
Did with the least affection of a welcome  
Give entertainment to the might of it,  
Let God for ever keep it from my head  
And make me as the poorest vassal is  
That doth with awe and terror kneel to it!

## **KING HENRY IV**

O my son,  
God put it in thy mind to take it hence,  
That thou mightst win the more thy father's love,  
Pleading so wisely in excuse of it!  
Come hither, Harry, sit thou by my bed;  
And hear, I think, the very latest counsel  
That ever I shall breathe. God knows, my son,  
By what by-paths and indirect crook'd ways  
I met this crown; and I myself know well  
How troublesome it sat upon my head.  
To thee it shall descend with bitter quiet,  
Better opinion, better confirmation;  
For all the soil of the achievement goes  
With me into the earth. It seem'd in me  
But as an honour snatch'd with boisterous hand,  
And I had many living to upbraid  
My gain of it by their assistances;  
Which daily grew to quarrel and to bloodshed,  
Wounding supposed peace: all these bold fears  
Thou see'st with peril I have answered;  
For all my reign hath been but as a scene  
Acting that argument: and now my death  
Changes the mode; for what in me was purchased,  
Falls upon thee in a more fairer sort;  
So thou the garland wear'st successively.  
Yet, though thou stand'st more sure than I could do,  
Thou art not firm enough, since griefs are green;

And all my friends, which thou must make thy friends,  
Have but their stings and teeth newly ta'en out;  
By whose fell working I was first advanced  
And by whose power I well might lodge a fear  
To be again displaced: which to avoid,  
I cut them off; and had a purpose now  
To lead out many to the Holy Land,  
Lest rest and lying still might make them look  
Too near unto my state. Therefore, my Harry,  
Be it thy course to busy giddy minds  
With foreign quarrels; that action, hence borne out,  
May waste the memory of the former days.  
More would I, but my lungs are wasted so  
That strength of speech is utterly denied me.  
How I came by the crown, O God forgive;  
And grant it may with thee in true peace live!

## **PRINCE HENRY**

My gracious liege,  
You won it, wore it, kept it, gave it me;  
Then plain and right must my possession be:  
Which I with more than with a common pain  
'Gainst all the world will rightfully maintain.

*Enter Lord John of LANCASTER*

## **KING HENRY IV**

Look, look, here comes my John of Lancaster.

## **LANCASTER**

Health, peace, and happiness to my royal father!

## **KING HENRY IV**

Thou bring'st me happiness and peace, son John;  
But health, alack, with youthful wings is flown  
From this bare wither'd trunk: upon thy sight  
My worldly business makes a period.  
Where is my Lord of Warwick?

## **PRINCE HENRY**

My Lord of Warwick!

*Enter WARWICK, and others*

## **KING HENRY IV**

Doth any name particular belong  
Unto the lodging where I first did swoon?

## **WARWICK**

'Tis call'd Jerusalem, my noble lord.

## **KING HENRY IV**

Laud be to God! even there my life must end.  
It hath been prophesied to me many years,  
I should not die but in Jerusalem;  
Which vainly I supposed the Holy Land:  
But bear me to that chamber; there I'll lie;  
In that Jerusalem shall Harry die.

*Exeunt*

## SCENE I. Gloucestershire. SHALLOW'S house.

*Enter SHALLOW, FALSTAFF, BARDOLPH, and Page*

**SHALLOW**

By cock and pie, sir, you shall not away to-night.  
What, Davy, I say!

**FALSTAFF**

You must excuse me, Master Robert Shallow.

**SHALLOW**

I will not excuse you; you shall not be excused;  
excuses shall not be admitted; there is no excuse  
shall serve; you shall not be excused. Why, Davy!

*Enter DAVY*

**DAVY**

Here, sir.

**SHALLOW**

Davy, Davy, Davy, Davy, let me see, Davy; let me  
see, Davy; let me see: yea, marry, William cook,  
bid him come hither. Sir John, you shall not be excused.

**DAVY**

Marry, sir, thus; those precepts cannot be served:  
and, again, sir, shall we sow the headland with wheat?

**SHALLOW**

With red wheat, Davy. But for William cook: are there no young pigeons?

**DAVY**

Yes, sir. Here is now the smith's note for shoeing and plough-irons.

**SHALLOW**

Let it be cast and paid. Sir John, you shall not be excused.

**DAVY**

Now, sir, a new link to the bucket must need be had: and, sir, do you mean to stop any of William's wages, about the sack he lost the other day at Hinckley fair?

**SHALLOW**

A' shall answer it. Some pigeons, Davy, a couple of short-legged hens, a joint of mutton, and any pretty little tiny kickshaws, tell William cook.

**DAVY**

Doth the man of war stay all night, sir?

**SHALLOW**

Yea, Davy. I will use him well: a friend i' the court is better than a penny in purse. Use his men well, Davy; for they are arrant knaves, and will backbite.

**DAVY**

No worse than they are backbitten, sir; for they have marvellous foul linen.

## SHALLOW

Well conceited, Davy: about thy business, Davy.

## DAVY

I beseech you, sir, to countenance William Visor of Woncot against Clement Perkes of the hill.

## SHALLOW

There is many complaints, Davy, against that Visor: that Visor is an arrant knave, on my knowledge.

## DAVY

I grant your worship that he is a knave, sir; but yet, God forbid, sir, but a knave should have some countenance at his friend's request. An honest man, sir, is able to speak for himself, when a knave is not. I have served your worship truly, sir, this eight years; and if I cannot once or twice in a quarter bear out a knave against an honest man, I have but a very little credit with your worship. The knave is mine honest friend, sir; therefore, I beseech your worship, let him be countenanced.

## SHALLOW

Go to; I say he shall have no wrong. Look about, Davy.

*Exit DAVY*

Where are you, Sir John? Come, come, come, off with your boots. Give me your hand, Master Bardolph.

## BARBOLPH

I am glad to see your worship.

## SHALLOW

I thank thee with all my heart, kind  
Master Bardolph: and welcome, my tall fellow.

*To the Page*

Come, Sir John.

## FALSTAFF

I'll follow you, good Master Robert Shallow.

*Exit SHALLOW*

Bardolph, look to our horses.

*Exeunt BARDOLPH and Page*

If I were sawed into quantities, I should make four dozen of such bearded hermits' staves as Master Shallow. It is a wonderful thing to see the semblable coherence of his men's spirits and his: they, by observing of him, do bear themselves like foolish justices; he, by conversing with them, is turned into a justice-like serving-man: their spirits are so married in conjunction with the participation of society that they flock together in consent, like so many wild-geese. If I had a suit to Master Shallow, I would humour his men with the imputation of being near their master: if to his men, I would curry with Master Shallow that no man could better command his servants. It is certain that either wise bearing or ignorant carriage is caught, as men take diseases, one of another: therefore let men take heed of their company. I will devise matter enough out of this Shallow to keep Prince Harry in continual laughter the wearing out of six fashions, which is four terms, or two actions, and a' shall laugh without intervallums. O, it is much that a lie with a slight oath and a jest with a sad brow will do with a fellow that never

had the ache in his shoulders! O, you shall see him  
laugh till his face be like a wet cloak ill laid up!

**SHALLOW**

[Within] Sir John!

**FALSTAFF**

I come, Master Shallow; I come, Master Shallow.

*Exit*

## SCENE II. Westminster. The palace.

*Enter WARWICK and the Lord Chief-Justice, meeting*

**WARWICK**

How now, my lord chief-justice! whither away?  
Lord Chief-Justice How doth the king?

**WARWICK**

Exceeding well; his cares are now all ended.  
Lord Chief-Justice I hope, not dead.

**WARWICK**

He's walk'd the way of nature;  
And to our purposes he lives no more.  
Lord Chief-Justice I would his majesty had call'd me with him:  
The service that I truly did his life  
Hath left me open to all injuries.

**WARWICK**

Indeed I think the young king loves you not.  
Lord Chief-Justice I know he doth not, and do arm myself  
To welcome the condition of the time,  
Which cannot look more hideously upon me  
Than I have drawn it in my fantasy.

*Enter LANCASTER, CLARENCE, GLOUCESTER, WESTMORELAND, and others*

**WARWICK**

Here come the heavy issue of dead Harry:  
O that the living Harry had the temper

Of him, the worst of these three gentlemen!  
How many nobles then should hold their places  
That must strike sail to spirits of vile sort!  
Lord Chief-Justice O God, I fear all will be overturn'd!

**LANCASTER**

Good morrow, cousin Warwick, good morrow.

**GLOUCESTER CLARENCE**

Good morrow, cousin.

**LANCASTER**

We meet like men that had forgot to speak.

**WARWICK**

We do remember; but our argument  
Is all too heavy to admit much talk.

**LANCASTER**

Well, peace be with him that hath made us heavy.  
Lord Chief-Justice Peace be with us, lest we be heavier!

**GLOUCESTER**

O, good my lord, you have lost a friend indeed;  
And I dare swear you borrow not that face  
Of seeming sorrow, it is sure your own.

**LANCASTER**

Though no man be assured what grace to find,  
You stand in coldest expectation:  
I am the sorrier; would 'twere otherwise.

**CLARENCE**

Well, you must now speak Sir John Falstaff fair;  
Which swims against your stream of quality.  
Lord Chief-Justice Sweet princes, what I did, I did in honour,  
Led by the impartial conduct of my soul:  
And never shall you see that I will beg  
A ragged and forestall'd remission.  
If truth and upright innocency fail me,  
I'll to the king my master that is dead,  
And tell him who hath sent me after him.

## **WARWICK**

Here comes the prince.

*Enter KING HENRY V, attended*

Lord Chief-Justice Good morrow; and God save your majesty!

## **KING HENRY V**

This new and gorgeous garment, majesty,  
Sits not so easy on me as you think.  
Brothers, you mix your sadness with some fear:  
This is the English, not the Turkish court;  
Not Amurath an Amurath succeeds,  
But Harry Harry. Yet be sad, good brothers,  
For, by my faith, it very well becomes you:  
Sorrow so royally in you appears  
That I will deeply put the fashion on  
And wear it in my heart: why then, be sad;  
But entertain no more of it, good brothers,  
Than a joint burden laid upon us all.  
For me, by heaven, I bid you be assured,  
I'll be your father and your brother too;  
Let me but bear your love, I'll bear your cares:  
Yet weep that Harry's dead; and so will I;  
But Harry lives, that shall convert those tears  
By number into hours of happiness.

## **Princes**

We hope no other from your majesty.

## **KING HENRY V**

You all look strangely on me: and you most;  
You are, I think, assured I love you not.  
Lord Chief-Justice I am assured, if I be measured rightly,  
Your majesty hath no just cause to hate me.

## **KING HENRY V**

No!  
How might a prince of my great hopes forget  
So great indignities you laid upon me?  
What! rate, rebuke, and roughly send to prison  
The immediate heir of England! Was this easy?  
May this be wash'd in Lethe, and forgotten?  
Lord Chief-Justice I then did use the person of your father;  
The image of his power lay then in me:  
And, in the administration of his law,  
Whiles I was busy for the commonwealth,  
Your highness pleased to forget my place,  
The majesty and power of law and justice,  
The image of the king whom I presented,  
And struck me in my very seat of judgment;  
Whereon, as an offender to your father,  
I gave bold way to my authority  
And did commit you. If the deed were ill,  
Be you contented, wearing now the garland,  
To have a son set your decrees at nought,  
To pluck down justice from your awful bench,  
To trip the course of law and blunt the sword  
That guards the peace and safety of your person;  
Nay, more, to spurn at your most royal image  
And mock your workings in a second body.  
Question your royal thoughts, make the case yours;  
Be now the father and propose a son,  
Hear your own dignity so much profaned,  
See your most dreadful laws so loosely slighted,  
Behold yourself so by a son disdain'd;  
And then imagine me taking your part  
And in your power soft silencing your son:  
After this cold considerance, sentence me;  
And, as you are a king, speak in your state

What I have done that misbecame my place,  
My person, or my liege's sovereignty.

## **KING HENRY V**

You are right, justice, and you weigh this well;  
Therefore still bear the balance and the sword:  
And I do wish your honours may increase,  
Till you do live to see a son of mine  
Offend you and obey you, as I did.  
So shall I live to speak my father's words:  
'Happy am I, that have a man so bold,  
That dares do justice on my proper son;  
And not less happy, having such a son,  
That would deliver up his greatness so  
Into the hands of justice.' You did commit me:  
For which, I do commit into your hand  
The unstained sword that you have used to bear;  
With this remembrance, that you use the same  
With the like bold, just and impartial spirit  
As you have done 'gainst me. There is my hand.  
You shall be as a father to my youth:  
My voice shall sound as you do prompt mine ear,  
And I will stoop and humble my intents  
To your well-practised wise directions.  
And, princes all, believe me, I beseech you;  
My father is gone wild into his grave,  
For in his tomb lie my affections;  
And with his spirit sadly I survive,  
To mock the expectation of the world,  
To frustrate prophecies and to raze out  
Rotten opinion, who hath writ me down  
After my seeming. The tide of blood in me  
Hath proudly flow'd in vanity till now:  
Now doth it turn and ebb back to the sea,  
Where it shall mingle with the state of floods  
And flow henceforth in formal majesty.  
Now call we our high court of parliament:  
And let us choose such limbs of noble counsel,  
That the great body of our state may go  
In equal rank with the best govern'd nation;  
That war, or peace, or both at once, may be  
As things acquainted and familiar to us;

In which you, father, shall have foremost hand.  
Our coronation done, we will accite,  
As I before remember'd, all our state:  
And, God consigning to my good intents,  
No prince nor peer shall have just cause to say,  
God shorten Harry's happy life one day!

*Exeunt*

## SCENE III. Gloucestershire. SHALLOW'S orchard.

*Enter FALSTAFF, SHALLOW, SILENCE, DAVY, BARDOLPH, and the Page*

### SHALLOW

Nay, you shall see my orchard, where, in an arbour,  
we will eat a last year's pippin of my own graffing,  
with a dish of caraways, and so forth: come,  
cousin Silence: and then to bed.

### FALSTAFF

'Fore God, you have here a goodly dwelling and a rich.

### SHALLOW

Barren, barren, barren; beggars all, beggars all,  
Sir John: marry, good air. Spread, Davy; spread,  
Davy; well said, Davy.

### FALSTAFF

This Davy serves you for good uses; he is your  
serving-man and your husband.

### SHALLOW

A good varlet, a good varlet, a very good varlet,  
Sir John: by the mass, I have drunk too much sack  
at supper: a good varlet. Now sit down, now sit  
down: come, cousin.

### SILENCE

Ah, sirrah! quoth-a, we shall

Do nothing but eat, and make good cheer,

*Singing*

And praise God for the merry year;  
When flesh is cheap and females dear,  
And lusty lads roam here and there  
So merrily,  
And ever among so merrily.

**FALSTAFF**

There's a merry heart! Good Master Silence, I'll  
give you a health for that anon.

**SHALLOW**

Give Master Bardolph some wine, Davy.

**DAVY**

Sweet sir, sit; I'll be with you anon. most sweet  
sir, sit. Master page, good master page, sit.  
Proface! What you want in meat, we'll have in drink:  
but you must bear; the heart's all.

*Exit*

**SHALLOW**

Be merry, Master Bardolph; and, my little soldier  
there, be merry.

**SILENCE**

Be merry, be merry, my wife has all;

*Singing*

For women are shrews, both short and tall:  
'Tis merry in hall when beards wag all,

And welcome merry Shrove-tide.  
Be merry, be merry.

**FALSTAFF**

I did not think Master Silence had been a man of  
this mettle.

**SILENCE**

Who, I? I have been merry twice and once ere now.

*Re-enter DAVY*

**DAVY**

There's a dish of leather-coats for you.

*To BARDOLPH*

**SHALLOW**

Davy!

**DAVY**

Your worship! I'll be with you straight.

*To BARDOLPH*

A cup of wine, sir?

**SILENCE**

A cup of wine that's brisk and fine,

*Singing*

And drink unto the leman mine;  
And a merry heart lives long-a.

**FALSTAFF**

Well said, Master Silence.

**SILENCE**

An we shall be merry, now comes in the sweet o' the night.

**FALSTAFF**

Health and long life to you, Master Silence.

**SILENCE**

Fill the cup, and let it come;

*Singing*

I'll pledge you a mile to the bottom.

**SHALLOW**

Honest Bardolph, welcome: if thou wantest any thing, and wilt not call, beshrew thy heart. Welcome, my little tiny thief.

*To the Page*

And welcome indeed too. I'll drink to Master Bardolph, and to all the cavaleros about London.

**DAVY**

I hove to see London once ere I die.

**BARDOLPH**

An I might see you there, Davy,--

**SHALLOW**

By the mass, you'll crack a quart together, ha!  
Will you not, Master Bardolph?

**BARDOLPH**

Yea, sir, in a pottle-pot.

**SHALLOW**

By God's liggens, I thank thee: the knave will  
stick by thee, I can assure thee that. A' will not  
out; he is true bred.

**BARDOLPH**

And I'll stick by him, sir.

**SHALLOW**

Why, there spoke a king. Lack nothing: be merry.

*Knocking within*

Look who's at door there, ho! who knocks?

*Exit DAVY*

**FALSTAFF**

Why, now you have done me right.

*To SILENCE, seeing him take off a bumper*

**SILENCE**

[Singing]  
Do me right,  
And dub me knight: Samingo.  
Is't not so?

**FALSTAFF**

'Tis so.

**SILENCE**

Is't so? Why then, say an old man can do somewhat.

*Re-enter DAVY*

**DAVY**

An't please your worship, there's one Pistol come from the court with news.

**FALSTAFF**

From the court! let him come in.

*Enter PISTOL*

How now, Pistol!

**PISTOL**

Sir John, God save you!

**FALSTAFF**

What wind blew you hither, Pistol?

**PISTOL**

Not the ill wind which blows no man to good. Sweet knight, thou art now one of the greatest men in this realm.

**SILENCE**

By'r lady, I think a' be, but goodman Puff of Barson.

**PISTOL**

Puff!  
Puff in thy teeth, most recreant coward base!  
Sir John, I am thy Pistol and thy friend,  
And helter-skelter have I rode to thee,  
And tidings do I bring and lucky joys  
And golden times and happy news of price.

**FALSTAFF**

I pray thee now, deliver them like a man of this world.

**PISTOL**

A foutre for the world and worldlings base!  
I speak of Africa and golden joys.

**FALSTAFF**

O base Assyrian knight, what is thy news?  
Let King Cophetua know the truth thereof.

**SILENCE**

And Robin Hood, Scarlet, and John.

*Singing*

**PISTOL**

Shall dunghill curs confront the Helicons?  
And shall good news be baffled?  
Then, Pistol, lay thy head in Furies' lap.

**SILENCE**

Honest gentleman, I know not your breeding.

**PISTOL**

Why then, lament therefore.

**SHALLOW**

Give me pardon, sir: if, sir, you come with news  
from the court, I take it there's but two ways,  
either to utter them, or to conceal them. I am,  
sir, under the king, in some authority.

**PISTOL**

Under which king, Besonian? speak, or die.

**SHALLOW**

Under King Harry.

**PISTOL**

Harry the Fourth? or Fifth?

**SHALLOW**

Harry the Fourth.

**PISTOL**

A foutre for thine office!  
Sir John, thy tender lambkin now is king;  
Harry the Fifth's the man. I speak the truth:  
When Pistol lies, do this; and fig me, like  
The bragging Spaniard.

**FALSTAFF**

What, is the old king dead?

**PISTOL**

As nail in door: the things I speak are just.

**FALSTAFF**

Away, Bardolph! saddle my horse. Master Robert Shallow, choose what office thou wilt in the land, 'tis thine. Pistol, I will double-charge thee with dignities.

## **BARDOLPH**

O joyful day!  
I would not take a knighthood for my fortune.

## **PISTOL**

What! I do bring good news.

## **FALSTAFF**

Carry Master Silence to bed. Master Shallow, my Lord Shallow,--be what thou wilt; I am fortune's steward--get on thy boots: we'll ride all night.  
O sweet Pistol! Away, Bardolph!

*Exit BARDOLPH*

Come, Pistol, utter more to me; and withal devise something to do thyself good. Boot, boot, Master Shallow: I know the young king is sick for me. Let us take any man's horses; the laws of England are at my commandment. Blessed are they that have been my friends; and woe to my lord chief-justice!

## **PISTOL**

Let vultures vile seize on his lungs also!  
'Where is the life that late I led?' say they:  
Why, here it is; welcome these pleasant days!

*Exeunt*

[Previous scene](#) | [Next scene](#)

## SCENE IV. London. A street.

*Enter Beadles, dragging in HOSTESS QUICKLY and DOLL TEARSHEET*

### MISTRESS QUICKLY

No, thou arrant knave; I would to God that I might die, that I might have thee hanged: thou hast drawn my shoulder out of joint.

### First Beadle

The constables have delivered her over to me; and she shall have whipping-cheer enough, I warrant her: there hath been a man or two lately killed about her.

### DOLL TEARSHEET

Nut-hook, nut-hook, you lie. Come on; I'll tell thee what, thou damned tripe-visaged rascal, an the child I now go with do miscarry, thou wert better thou hadst struck thy mother, thou paper-faced villain.

### MISTRESS QUICKLY

O the Lord, that Sir John were come! he would make this a bloody day to somebody. But I pray God the fruit of her womb miscarry!

### First Beadle

If it do, you shall have a dozen of cushions again; you have but eleven now. Come, I charge you both go with me; for the man is dead that you and Pistol beat amongst you.

## **DOLL TEARSHEET**

I'll tell you what, you thin man in a censer, I  
will have you as soundly swung for this,--you  
blue-bottle rogue, you filthy famished correctioner,  
if you be not swung, I'll forswear half-kirtles.

### **First Beadle**

Come, come, you she knight-errant, come.

## **MISTRESS QUICKLY**

O God, that right should thus overcome might!  
Well, of sufferance comes ease.

## **DOLL TEARSHEET**

Come, you rogue, come; bring me to a justice.

## **MISTRESS QUICKLY**

Ay, come, you starved blood-hound.

## **DOLL TEARSHEET**

Goodman death, goodman bones!

## **MISTRESS QUICKLY**

Thou atomy, thou!

## **DOLL TEARSHEET**

Come, you thin thing; come you rascal.

### **First Beadle**

Very well.

*Exeunt*

[Shakespeare homepage](#) | [Henry IV, part 2](#) | Act 5, Scene 5

[Previous scene](#)

## SCENE V. A public place near Westminster Abbey.

*Enter two Grooms, strewing rushes*

### First Groom

More rushes, more rushes.

### Second Groom

The trumpets have sounded twice.

### First Groom

'Twill be two o'clock ere they come from the coronation: dispatch, dispatch.

*Exeunt*

*Enter FALSTAFF, SHALLOW, PISTOL, BARDOLPH, and Page*

### FALSTAFF

Stand here by me, Master Robert Shallow; I will make the king do you grace: I will leer upon him as a' comes by; and do but mark the countenance that he will give me.

### PISTOL

God bless thy lungs, good knight.

### FALSTAFF

Come here, Pistol; stand behind me. O, if I had had

time to have made new liveries, I would have bestowed the thousand pound I borrowed of you. But 'tis no matter; this poor show doth better: this doth infer the zeal I had to see him.

**SHALLOW**

It doth so.

**FALSTAFF**

It shows my earnestness of affection,--

**SHALLOW**

It doth so.

**FALSTAFF**

My devotion,--

**SHALLOW**

It doth, it doth, it doth.

**FALSTAFF**

As it were, to ride day and night; and not to deliberate, not to remember, not to have patience to shift me,--

**SHALLOW**

It is best, certain.

**FALSTAFF**

But to stand stained with travel, and sweating with desire to see him; thinking of nothing else, putting all affairs else in oblivion, as if there were nothing else to be done but to see him.

## **PISTOL**

'Tis 'semper idem,' for 'obsque hoc nihil est:'  
'tis all in every part.

## **SHALLOW**

'Tis so, indeed.

## **PISTOL**

My knight, I will inflame thy noble liver,  
And make thee rage.  
Thy Doll, and Helen of thy noble thoughts,  
Is in base durance and contagious prison;  
Haled thither  
By most mechanical and dirty hand:  
Rouse up revenge from ebon den with fell  
Alecto's snake,  
For Doll is in. Pistol speaks nought but truth.

## **FALSTAFF**

I will deliver her.

*Shouts within, and the trumpets sound*

## **PISTOL**

There roar'd the sea, and trumpet-clangor sounds.

*Enter KING HENRY V and his train, the Lord Chief- Justice among them*

## **FALSTAFF**

God save thy grace, King Hal! my royal Hal!

## **PISTOL**

The heavens thee guard and keep, most royal imp of fame!

## **FALSTAFF**

God save thee, my sweet boy!

## **KING HENRY IV**

My lord chief-justice, speak to that vain man.

Lord Chief-Justice Have you your wits? know you what 'tis to speak?

## **FALSTAFF**

My king! my Jove! I speak to thee, my heart!

## **KING HENRY IV**

I know thee not, old man: fall to thy prayers;  
How ill white hairs become a fool and jester!  
I have long dream'd of such a kind of man,  
So surfeit-swell'd, so old and so profane;  
But, being awaked, I do despise my dream.  
Make less thy body hence, and more thy grace;  
Leave gormandizing; know the grave doth gape  
For thee thrice wider than for other men.  
Reply not to me with a fool-born jest:  
Presume not that I am the thing I was;  
For God doth know, so shall the world perceive,  
That I have turn'd away my former self;  
So will I those that kept me company.  
When thou dost hear I am as I have been,  
Approach me, and thou shalt be as thou wast,  
The tutor and the feeder of my riots:  
Till then, I banish thee, on pain of death,  
As I have done the rest of my misleaders,  
Not to come near our person by ten mile.  
For competence of life I will allow you,  
That lack of means enforce you not to evil:  
And, as we hear you do reform yourselves,  
We will, according to your strengths and qualities,  
Give you advancement. Be it your charge, my lord,  
To see perform'd the tenor of our word. Set on.

*Exeunt KING HENRY V, & c*

**FALSTAFF**

Master Shallow, I owe you a thousand pound.

**SHALLOW**

Yea, marry, Sir John; which I beseech you to let me have home with me.

**FALSTAFF**

That can hardly be, Master Shallow. Do not you grieve at this; I shall be sent for in private to him: look you, he must seem thus to the world: fear not your advancements; I will be the man yet that shall make you great.

**SHALLOW**

I cannot well perceive how, unless you should give me your doublet and stuff me out with straw. I beseech you, good Sir John, let me have five hundred of my thousand.

**FALSTAFF**

Sir, I will be as good as my word: this that you heard was but a colour.

**SHALLOW**

A colour that I fear you will die in, Sir John.

**FALSTAFF**

Fear no colours: go with me to dinner: come, Lieutenant Pistol; come, Bardolph: I shall be sent for soon at night.

*Re-enter Prince John of LANCASTER, the Lord Chief-Justice; Officers with them*

Lord Chief-Justice Go, carry Sir John Falstaff to the Fleet:  
Take all his company along with him.

**FALSTAFF**

My lord, my lord,--  
Lord Chief-Justice I cannot now speak: I will hear you soon.  
Take them away.

**PISTOL**

Si fortune me tormenta, spero contenta.

*Exeunt all but PRINCE JOHN and the Lord Chief-Justice*

**LANCASTER**

I like this fair proceeding of the king's:  
He hath intent his wonted followers  
Shall all be very well provided for;  
But all are banish'd till their conversations  
Appear more wise and modest to the world.  
Lord Chief-Justice And so they are.

**LANCASTER**

The king hath call'd his parliament, my lord.  
Lord Chief-Justice He hath.

**LANCASTER**

I will lay odds that, ere this year expire,  
We bear our civil swords and native fire  
As far as France: I heard a bird so sing,  
Whose music, to my thinking, pleased the king.  
Come, will you hence?

*Exeunt*

**EPILOGUE**

*Spoken by a Dancer*

First my fear; then my courtesy; last my speech.  
My fear is, your displeasure; my courtesy, my duty;  
and my speech, to beg your pardons. If you look  
for a good speech now, you undo me: for what I have  
to say is of mine own making; and what indeed I  
should say will, I doubt, prove mine own marring.  
But to the purpose, and so to the venture. Be it  
known to you, as it is very well, I was lately here  
in the end of a displeasing play, to pray your  
patience for it and to promise you a better. I  
meant indeed to pay you with this; which, if like an  
ill venture it come unluckily home, I break, and  
you, my gentle creditors, lose. Here I promised you  
I would be and here I commit my body to your  
mercies: bate me some and I will pay you some and,  
as most debtors do, promise you infinitely.  
If my tongue cannot entreat you to acquit me, will  
you command me to use my legs? and yet that were but  
light payment, to dance out of your debt. But a  
good conscience will make any possible satisfaction,  
and so would I. All the gentlewomen here have  
forgiven me: if the gentlemen will not, then the  
gentlemen do not agree with the gentlewomen, which  
was never seen before in such an assembly.  
One word more, I beseech you. If you be not too  
much cloyed with fat meat, our humble author will  
continue the story, with Sir John in it, and make  
you merry with fair Katharine of France: where, for  
any thing I know, Falstaff shall die of a sweat,  
unless already a' be killed with your hard  
opinions; for Oldcastle died a martyr, and this is  
not the man. My tongue is weary; when my legs are  
too, I will bid you good night: and so kneel down  
before you; but, indeed, to pray for the queen.

## PROLOGUE

*Enter Chorus*

### Chorus

O for a Muse of fire, that would ascend  
The brightest heaven of invention,  
A kingdom for a stage, princes to act  
And monarchs to behold the swelling scene!  
Then should the warlike Harry, like himself,  
Assume the port of Mars; and at his heels,  
Leash'd in like hounds, should famine, sword and fire  
Crouch for employment. But pardon, and gentles all,  
The flat unraised spirits that have dared  
On this unworthy scaffold to bring forth  
So great an object: can this cockpit hold  
The vasty fields of France? or may we cram  
Within this wooden O the very casques  
That did affright the air at Agincourt?  
O, pardon! since a crooked figure may  
Attest in little place a million;  
And let us, ciphers to this great accompt,  
On your imaginary forces work.  
Suppose within the girdle of these walls  
Are now confined two mighty monarchies,  
Whose high upreared and abutting fronts  
The perilous narrow ocean parts asunder:  
Piece out our imperfections with your thoughts;  
Into a thousand parts divide on man,  
And make imaginary puissance;  
Think when we talk of horses, that you see them  
Printing their proud hoofs i' the receiving earth;  
For 'tis your thoughts that now must deck our kings,  
Carry them here and there; jumping o'er times,  
Turning the accomplishment of many years  
Into an hour-glass: for the which supply,

Admit me Chorus to this history;  
Who prologue-like your humble patience pray,  
Gently to hear, kindly to judge, our play.

*Exit*

## SCENE I. London. An ante-chamber in the KING'S palace.

*Enter the ARCHBISHOP OF CANTERBURY, and the BISHOP OF ELY*

### CANTERBURY

My lord, I'll tell you; that self bill is urged,  
Which in the eleventh year of the last king's reign  
Was like, and had indeed against us pass'd,  
But that the scrambling and unquiet time  
Did push it out of farther question.

### ELY

But how, my lord, shall we resist it now?

### CANTERBURY

It must be thought on. If it pass against us,  
We lose the better half of our possession:  
For all the temporal lands which men devout  
By testament have given to the church  
Would they strip from us; being valued thus:  
As much as would maintain, to the king's honour,  
Full fifteen earls and fifteen hundred knights,  
Six thousand and two hundred good esquires;  
And, to relief of lazars and weak age,  
Of indigent faint souls past corporal toil.  
A hundred almshouses right well supplied;  
And to the coffers of the king beside,  
A thousand pounds by the year: thus runs the bill.

### ELY

This would drink deep.

## **CANTERBURY**

'Twould drink the cup and all.

## **ELY**

But what prevention?

## **CANTERBURY**

The king is full of grace and fair regard.

## **ELY**

And a true lover of the holy church.

## **CANTERBURY**

The courses of his youth promised it not.  
The breath no sooner left his father's body,  
But that his wildness, mortified in him,  
Seem'd to die too; yea, at that very moment  
Consideration, like an angel, came  
And whipp'd the offending Adam out of him,  
Leaving his body as a paradise,  
To envelop and contain celestial spirits.  
Never was such a sudden scholar made;  
Never came reformation in a flood,  
With such a heady currance, scouring faults  
Nor never Hydra-headed wilfulness  
So soon did lose his seat and all at once  
As in this king.

## **ELY**

We are blessed in the change.

## **CANTERBURY**

Hear him but reason in divinity,  
And all-admiring with an inward wish

You would desire the king were made a prelate:  
Hear him debate of commonwealth affairs,  
You would say it hath been all in all his study:  
List his discourse of war, and you shall hear  
A fearful battle render'd you in music:  
Turn him to any cause of policy,  
The Gordian knot of it he will unloose,  
Familiar as his garter: that, when he speaks,  
The air, a charter'd libertine, is still,  
And the mute wonder lurketh in men's ears,  
To steal his sweet and honey'd sentences;  
So that the art and practis'd part of life  
Must be the mistress to this theoric:  
Which is a wonder how his grace should glean it,  
Since his addiction was to courses vain,  
His companies unletter'd, rude and shallow,  
His hours fill'd up with riots, banquets, sports,  
And never noted in him any study,  
Any retirement, any sequestration  
From open haunts and popularity.

## **ELY**

The strawberry grows underneath the nettle  
And wholesome berries thrive and ripen best  
Neighbour'd by fruit of baser quality:  
And so the prince obscured his contemplation  
Under the veil of wildness; which, no doubt,  
Grew like the summer grass, fastest by night,  
Unseen, yet crevice in his faculty.

## **CANTERBURY**

It must be so; for miracles are ceased;  
And therefore we must needs admit the means  
How things are perfected.

## **ELY**

But, my good lord,  
How now for mitigation of this bill  
Urged by the commons? Doth his majesty

Incline to it, or no?

**CANTERBURY**

He seems indifferent,  
Or rather swaying more upon our part  
Than cherishing the exhibitors against us;  
For I have made an offer to his majesty,  
Upon our spiritual convocation  
And in regard of causes now in hand,  
Which I have open'd to his grace at large,  
As touching France, to give a greater sum  
Than ever at one time the clergy yet  
Did to his predecessors part withal.

**ELY**

How did this offer seem received, my lord?

**CANTERBURY**

With good acceptance of his majesty;  
Save that there was not time enough to hear,  
As I perceived his grace would fain have done,  
The severals and unhidden passages  
Of his true titles to some certain dukedoms  
And generally to the crown and seat of France  
Derived from Edward, his great-grandfather.

**ELY**

What was the impediment that broke this off?

**CANTERBURY**

The French ambassador upon that instant  
Craved audience; and the hour, I think, is come  
To give him hearing: is it four o'clock?

**ELY**

It is.

## CANTERBURY

Then go we in, to know his embassy;  
Which I could with a ready guess declare,  
Before the Frenchman speak a word of it.

## ELY

I'll wait upon you, and I long to hear it.

*Exeunt*

# The Life of King Henry the Fifth

[Shakespeare homepage](#) | [Henry V](#) | Act 1, Scene 2

[Previous scene](#) | [Next scene](#)

## SCENE II. The same. The Presence chamber.

*Enter KING HENRY V, GLOUCESTER, BEDFORD, EXETER, WARWICK, WESTMORELAND, and Attendants*

**KING HENRY V**

Where is my gracious Lord of Canterbury?

**EXETER**

Not here in presence.

**KING HENRY V**

Send for him, good uncle.

**WESTMORELAND**

Shall we call in the ambassador, my liege?

**KING HENRY V**

Not yet, my cousin: we would be resolved,  
Before we hear him, of some things of weight  
That task our thoughts, concerning us and France.

*Enter the ARCHBISHOP OF CANTERBURY, and the BISHOP of ELY*

**CANTERBURY**

God and his angels guard your sacred throne  
And make you long become it!

**KING HENRY V**

Sure, we thank you.  
My learned lord, we pray you to proceed  
And justly and religiously unfold  
Why the law Salique that they have in France  
Or should, or should not, bar us in our claim:  
And God forbid, my dear and faithful lord,  
That you should fashion, wrest, or bow your reading,  
Or nicely charge your understanding soul  
With opening titles miscreate, whose right  
Suits not in native colours with the truth;  
For God doth know how many now in health  
Shall drop their blood in approbation  
Of what your reverence shall incite us to.  
Therefore take heed how you impawn our person,  
How you awake our sleeping sword of war:  
We charge you, in the name of God, take heed;  
For never two such kingdoms did contend  
Without much fall of blood; whose guiltless drops  
Are every one a woe, a sore complaint  
'Gainst him whose wrong gives edge unto the swords  
That make such waste in brief mortality.  
Under this conjuration, speak, my lord;  
For we will hear, note and believe in heart  
That what you speak is in your conscience wash'd  
As pure as sin with baptism.

## CANTERBURY

Then hear me, gracious sovereign, and you peers,  
That owe yourselves, your lives and services  
To this imperial throne. There is no bar  
To make against your highness' claim to France  
But this, which they produce from Pharamond,  
'In terram Salicam mulieres ne succedant:'  
'No woman shall succeed in Salique land:'  
Which Salique land the French unjustly gloze  
To be the realm of France, and Pharamond  
The founder of this law and female bar.  
Yet their own authors faithfully affirm  
That the land Salique is in Germany,  
Between the floods of Sala and of Elbe;  
Where Charles the Great, having subdued the Saxons,

There left behind and settled certain French;  
Who, holding in disdain the German women  
For some dishonest manners of their life,  
Establish'd then this law; to wit, no female  
Should be inheritrix in Salique land:  
Which Salique, as I said, 'twixt Elbe and Sala,  
Is at this day in Germany call'd Meisen.  
Then doth it well appear that Salique law  
Was not devised for the realm of France:  
Nor did the French possess the Salique land  
Until four hundred one and twenty years  
After defunction of King Pharamond,  
Idly supposed the founder of this law;  
Who died within the year of our redemption  
Four hundred twenty-six; and Charles the Great  
Subdued the Saxons, and did seat the French  
Beyond the river Sala, in the year  
Eight hundred five. Besides, their writers say,  
King Pepin, which deposed Childeric,  
Did, as heir general, being descended  
Of Blithild, which was daughter to King Clothair,  
Make claim and title to the crown of France.  
Hugh Capet also, who usurped the crown  
Of Charles the duke of Lorraine, sole heir male  
Of the true line and stock of Charles the Great,  
To find his title with some shows of truth,  
'Through, in pure truth, it was corrupt and naught,  
Convey'd himself as heir to the Lady Lingare,  
Daughter to Charlemain, who was the son  
To Lewis the emperor, and Lewis the son  
Of Charles the Great. Also King Lewis the Tenth,  
Who was sole heir to the usurper Capet,  
Could not keep quiet in his conscience,  
Wearing the crown of France, till satisfied  
That fair Queen Isabel, his grandmother,  
Was lineal of the Lady Ermengare,  
Daughter to Charles the foresaid duke of Lorraine:  
By the which marriage the line of Charles the Great  
Was re-united to the crown of France.  
So that, as clear as is the summer's sun.  
King Pepin's title and Hugh Capet's claim,  
King Lewis his satisfaction, all appear  
To hold in right and title of the female:

So do the kings of France unto this day;  
Howbeit they would hold up this Salique law  
To bar your highness claiming from the female,  
And rather choose to hide them in a net  
Than amply to imbar their crooked titles  
Usurp'd from you and your progenitors.

## **KING HENRY V**

May I with right and conscience make this claim?

## **CANTERBURY**

The sin upon my head, dread sovereign!  
For in the book of Numbers is it writ,  
When the man dies, let the inheritance  
Descend unto the daughter. Gracious lord,  
Stand for your own; unwind your bloody flag;  
Look back into your mighty ancestors:  
Go, my dread lord, to your great-grandsire's tomb,  
From whom you claim; invoke his warlike spirit,  
And your great-uncle's, Edward the Black Prince,  
Who on the French ground play'd a tragedy,  
Making defeat on the full power of France,  
Whiles his most mighty father on a hill  
Stood smiling to behold his lion's whelp  
Forge in blood of French nobility.  
O noble English. that could entertain  
With half their forces the full Pride of France  
And let another half stand laughing by,  
All out of work and cold for action!

## **ELY**

Awake remembrance of these valiant dead  
And with your puissant arm renew their feats:  
You are their heir; you sit upon their throne;  
The blood and courage that renowned them  
Runs in your veins; and my thrice-puissant liege  
Is in the very May-morn of his youth,  
Ripe for exploits and mighty enterprises.

## **EXETER**

Your brother kings and monarchs of the earth  
Do all expect that you should rouse yourself,  
As did the former lions of your blood.

## **WESTMORELAND**

They know your grace hath cause and means and might;  
So hath your highness; never king of England  
Had nobles richer and more loyal subjects,  
Whose hearts have left their bodies here in England  
And lie pavilion'd in the fields of France.

## **CANTERBURY**

O, let their bodies follow, my dear liege,  
With blood and sword and fire to win your right;  
In aid whereof we of the spirituality  
Will raise your highness such a mighty sum  
As never did the clergy at one time  
Bring in to any of your ancestors.

## **KING HENRY V**

We must not only arm to invade the French,  
But lay down our proportions to defend  
Against the Scot, who will make road upon us  
With all advantages.

## **CANTERBURY**

They of those marches, gracious sovereign,  
Shall be a wall sufficient to defend  
Our inland from the pilfering borderers.

## **KING HENRY V**

We do not mean the coursing snatchers only,  
But fear the main intendment of the Scot,  
Who hath been still a giddy neighbour to us;  
For you shall read that my great-grandfather

Never went with his forces into France  
But that the Scot on his unfurnish'd kingdom  
Came pouring, like the tide into a breach,  
With ample and brim fulness of his force,  
Galling the gleaned land with hot assays,  
Girding with grievous siege castles and towns;  
That England, being empty of defence,  
Hath shook and trembled at the ill neighbourhood.

## **CANTERBURY**

She hath been then more fear'd than harm'd, my liege;  
For hear her but exempl'd by herself:  
When all her chivalry hath been in France  
And she a mourning widow of her nobles,  
She hath herself not only well defended  
But taken and impounded as a stray  
The King of Scots; whom she did send to France,  
To fill King Edward's fame with prisoner kings  
And make her chronicle as rich with praise  
As is the ooze and bottom of the sea  
With sunken wreck and sunless treasuries.

## **WESTMORELAND**

But there's a saying very old and true,  
'If that you will France win,  
Then with Scotland first begin:'  
For once the eagle England being in prey,  
To her unguarded nest the weasel Scot  
Comes sneaking and so sucks her princely eggs,  
Playing the mouse in absence of the cat,  
To tear and havoc more than she can eat.

## **EXETER**

It follows then the cat must stay at home:  
Yet that is but a crush'd necessity,  
Since we have locks to safeguard necessities,  
And pretty traps to catch the petty thieves.  
While that the armed hand doth fight abroad,  
The advised head defends itself at home;

For government, though high and low and lower,  
Put into parts, doth keep in one consent,  
Congreeing in a full and natural close,  
Like music.

## CANTERBURY

Therefore doth heaven divide  
The state of man in divers functions,  
Setting endeavour in continual motion;  
To which is fixed, as an aim or butt,  
Obedience: for so work the honey-bees,  
Creatures that by a rule in nature teach  
The act of order to a peopled kingdom.  
They have a king and officers of sorts;  
Where some, like magistrates, correct at home,  
Others, like merchants, venture trade abroad,  
Others, like soldiers, armed in their stings,  
Make boot upon the summer's velvet buds,  
Which pillage they with merry march bring home  
To the tent-royal of their emperor;  
Who, busied in his majesty, surveys  
The singing masons building roofs of gold,  
The civil citizens kneading up the honey,  
The poor mechanic porters crowding in  
Their heavy burdens at his narrow gate,  
The sad-eyed justice, with his surly hum,  
Delivering o'er to executors pale  
The lazy yawning drone. I this infer,  
That many things, having full reference  
To one consent, may work contrariously:  
As many arrows, loosed several ways,  
Come to one mark; as many ways meet in one town;  
As many fresh streams meet in one salt sea;  
As many lines close in the dial's centre;  
So may a thousand actions, once afoot.  
End in one purpose, and be all well borne  
Without defeat. Therefore to France, my liege.  
Divide your happy England into four;  
Whereof take you one quarter into France,  
And you withal shall make all Gallia shake.  
If we, with thrice such powers left at home,  
Cannot defend our own doors from the dog,

Let us be worried and our nation lose  
The name of hardiness and policy.

## **KING HENRY V**

Call in the messengers sent from the Dauphin.

*Exeunt some Attendants*

Now are we well resolved; and, by God's help,  
And yours, the noble sinews of our power,  
France being ours, we'll bend it to our awe,  
Or break it all to pieces: or there we'll sit,  
Ruling in large and ample empery  
O'er France and all her almost kingly dukedoms,  
Or lay these bones in an unworthy urn,  
Tombless, with no remembrance over them:  
Either our history shall with full mouth  
Speak freely of our acts, or else our grave,  
Like Turkish mute, shall have a tongueless mouth,  
Not worshipp'd with a waxen epitaph.

*Enter Ambassadors of France*

Now are we well prepared to know the pleasure  
Of our fair cousin Dauphin; for we hear  
Your greeting is from him, not from the king.

## **First Ambassador**

May't please your majesty to give us leave  
Freely to render what we have in charge;  
Or shall we sparingly show you far off  
The Dauphin's meaning and our embassy?

## **KING HENRY V**

We are no tyrant, but a Christian king;  
Unto whose grace our passion is as subject  
As are our wretches fetter'd in our prisons:  
Therefore with frank and with uncurbed plainness  
Tell us the Dauphin's mind.

## **First Ambassador**

Thus, then, in few.  
Your highness, lately sending into France,  
Did claim some certain dukedoms, in the right  
Of your great predecessor, King Edward the Third.  
In answer of which claim, the prince our master  
Says that you savour too much of your youth,  
And bids you be advised there's nought in France  
That can be with a nimble galliard won;  
You cannot revel into dukedoms there.  
He therefore sends you, meeter for your spirit,  
This tun of treasure; and, in lieu of this,  
Desires you let the dukedoms that you claim  
Hear no more of you. This the Dauphin speaks.

## **KING HENRY V**

What treasure, uncle?

## **EXETER**

Tennis-balls, my liege.

## **KING HENRY V**

We are glad the Dauphin is so pleasant with us;  
His present and your pains we thank you for:  
When we have march'd our rackets to these balls,  
We will, in France, by God's grace, play a set  
Shall strike his father's crown into the hazard.  
Tell him he hath made a match with such a wrangler  
That all the courts of France will be disturb'd  
With chaces. And we understand him well,  
How he comes o'er us with our wilder days,  
Not measuring what use we made of them.  
We never valued this poor seat of England;  
And therefore, living hence, did give ourself  
To barbarous licence; as 'tis ever common  
That men are merriest when they are from home.  
But tell the Dauphin I will keep my state,

Be like a king and show my sail of greatness  
When I do rouse me in my throne of France:  
For that I have laid by my majesty  
And plodded like a man for working-days,  
But I will rise there with so full a glory  
That I will dazzle all the eyes of France,  
Yea, strike the Dauphin blind to look on us.  
And tell the pleasant prince this mock of his  
Hath turn'd his balls to gun-stones; and his soul  
Shall stand sore charged for the wasteful vengeance  
That shall fly with them: for many a thousand widows  
Shall this his mock mock out of their dear husbands;  
Mock mothers from their sons, mock castles down;  
And some are yet ungotten and unborn  
That shall have cause to curse the Dauphin's scorn.  
But this lies all within the will of God,  
To whom I do appeal; and in whose name  
Tell you the Dauphin I am coming on,  
To venge me as I may and to put forth  
My rightful hand in a well-hallow'd cause.  
So get you hence in peace; and tell the Dauphin  
His jest will savour but of shallow wit,  
When thousands weep more than did laugh at it.  
Convey them with safe conduct. Fare you well.

*Exeunt Ambassadors*

## **EXETER**

This was a merry message.

## **KING HENRY V**

We hope to make the sender blush at it.  
Therefore, my lords, omit no happy hour  
That may give furtherance to our expedition;  
For we have now no thought in us but France,  
Save those to God, that run before our business.  
Therefore let our proportions for these wars  
Be soon collected and all things thought upon  
That may with reasonable swiftness add  
More feathers to our wings; for, God before,

We'll chide this Dauphin at his father's door.  
Therefore let every man now task his thought,  
That this fair action may on foot be brought.

*Exeunt. Flourish*

## PROLOGUE

*Enter Chorus*

### Chorus

Now all the youth of England are on fire,  
And silken dalliance in the wardrobe lies:  
Now thrive the armourers, and honour's thought  
Reigns solely in the breast of every man:  
They sell the pasture now to buy the horse,  
Following the mirror of all Christian kings,  
With winged heels, as English Mercuries.  
For now sits Expectation in the air,  
And hides a sword from hilts unto the point  
With crowns imperial, crowns and coronets,  
Promised to Harry and his followers.  
The French, advised by good intelligence  
Of this most dreadful preparation,  
Shake in their fear and with pale policy  
Seek to divert the English purposes.  
O England! model to thy inward greatness,  
Like little body with a mighty heart,  
What mightst thou do, that honour would thee do,  
Were all thy children kind and natural!  
But see thy fault! France hath in thee found out  
A nest of hollow bosoms, which he fills  
With treacherous crowns; and three corrupted men,  
One, Richard Earl of Cambridge, and the second,  
Henry Lord Scroop of Masham, and the third,  
Sir Thomas Grey, knight, of Northumberland,  
Have, for the gilt of France,--O guilt indeed!  
Confirm'd conspiracy with fearful France;  
And by their hands this grace of kings must die,  
If hell and treason hold their promises,  
Ere he take ship for France, and in Southampton.  
Linger your patience on; and we'll digest

The abuse of distance; force a play:  
The sum is paid; the traitors are agreed;  
The king is set from London; and the scene  
Is now transported, gentles, to Southampton;  
There is the playhouse now, there must you sit:  
And thence to France shall we convey you safe,  
And bring you back, charming the narrow seas  
To give you gentle pass; for, if we may,  
We'll not offend one stomach with our play.  
But, till the king come forth, and not till then,  
Unto Southampton do we shift our scene.

*Exit*

## SCENE I. London. A street.

*Enter Corporal NYM and Lieutenant BARDOLPH*

**BARDOLPH**

Well met, Corporal Nym.

**NYM**

Good morrow, Lieutenant Bardolph.

**BARDOLPH**

What, are Ancient Pistol and you friends yet?

**NYM**

For my part, I care not: I say little; but when time shall serve, there shall be smiles; but that shall be as it may. I dare not fight; but I will wink and hold out mine iron: it is a simple one; but what though? it will toast cheese, and it will endure cold as another man's sword will: and there's an end.

**BARDOLPH**

I will bestow a breakfast to make you friends; and we'll be all three sworn brothers to France: let it be so, good Corporal Nym.

**NYM**

Faith, I will live so long as I may, that's the certain of it; and when I cannot live any longer, I

will do as I may: that is my rest, that is the rendezvous of it.

## **BARDOLPH**

It is certain, corporal, that he is married to Nell Quickly: and certainly she did you wrong; for you were troth-plight to her.

## **NYM**

I cannot tell: things must be as they may: men may sleep, and they may have their throats about them at that time; and some say knives have edges. It must be as it may: though patience be a tired mare, yet she will plod. There must be conclusions. Well, I cannot tell.

*Enter PISTOL and Hostess*

## **BARDOLPH**

Here comes Ancient Pistol and his wife: good corporal, be patient here. How now, mine host Pistol!

## **PISTOL**

Base tike, call'st thou me host? Now, by this hand, I swear, I scorn the term; Nor shall my Nell keep lodgers.

## **Hostess**

No, by my troth, not long; for we cannot lodge and board a dozen or fourteen gentlewomen that live honestly by the prick of their needles, but it will be thought we keep a bawdy house straight.

*NYM and PISTOL draw*

O well a day, Lady, if he be not drawn now! we shall see wilful adultery and murder committed.

## **BARDOLPH**

Good lieutenant! good corporal! offer nothing here.

## **NYM**

Pish!

## **PISTOL**

Pish for thee, Iceland dog! thou prick-ear'd cur of Iceland!

## **Hostess**

Good Corporal Nym, show thy valour, and put up your sword.

## **NYM**

Will you shog off? I would have you solus.

## **PISTOL**

'Solus,' egregious dog? O viper vile!  
The 'solus' in thy most mervailous face;  
The 'solus' in thy teeth, and in thy throat,  
And in thy hateful lungs, yea, in thy maw, perdy,  
And, which is worse, within thy nasty mouth!  
I do retort the 'solus' in thy bowels;  
For I can take, and Pistol's cock is up,  
And flashing fire will follow.

## **NYM**

I am not Barbason; you cannot conjure me. I have an humour to knock you indifferently well. If you grow foul with me, Pistol, I will scour you with my rapier, as I may, in fair terms: if you would walk off, I would prick your guts a little, in good terms, as I may: and that's the humour of it.

## **PISTOL**

O braggart vile and damned furious wight!  
The grave doth gape, and doting death is near;  
Therefore exhale.

## **BARDOLPH**

Hear me, hear me what I say: he that strikes the  
first stroke, I'll run him up to the hilts, as I am a soldier.

*Draws*

## **PISTOL**

An oath of mickle might; and fury shall abate.  
Give me thy fist, thy fore-foot to me give:  
Thy spirits are most tall.

## **NYM**

I will cut thy throat, one time or other, in fair  
terms: that is the humour of it.

## **PISTOL**

'Couple a gorge!  
That is the word. I thee defy again.  
O hound of Crete, think'st thou my spouse to get?  
No; to the spital go,  
And from the powdering tub of infamy  
Fetch forth the lazar kite of Cressid's kind,  
Doll Tearsheet she by name, and her espouse:  
I have, and I will hold, the quondam Quickly  
For the only she; and--pauca, there's enough. Go to.

*Enter the Boy*

## **Boy**

Mine host Pistol, you must come to my master, and  
you, hostess: he is very sick, and would to bed.  
Good Bardolph, put thy face between his sheets, and

do the office of a warming-pan. Faith, he's very ill.

**BARDOLPH**

Away, you rogue!

**Hostess**

By my troth, he'll yield the crow a pudding one of these days. The king has killed his heart. Good husband, come home presently.

*Exeunt Hostess and Boy*

**BARDOLPH**

Come, shall I make you two friends? We must to France together: why the devil should we keep knives to cut one another's throats?

**PISTOL**

Let floods o'erswell, and fiends for food howl on!

**NYM**

You'll pay me the eight shillings I won of you at betting?

**PISTOL**

Base is the slave that pays.

**NYM**

That now I will have: that's the humour of it.

**PISTOL**

As manhood shall compound: push home.

*They draw*

**BARBOLPH**

By this sword, he that makes the first thrust, I'll  
kill him; by this sword, I will.

**PISTOL**

Sword is an oath, and oaths must have their course.

**BARBOLPH**

Corporal Nym, an thou wilt be friends, be friends:  
an thou wilt not, why, then, be enemies with me too.  
Prithee, put up.

**NYM**

I shall have my eight shillings I won of you at betting?

**PISTOL**

A noble shalt thou have, and present pay;  
And liquor likewise will I give to thee,  
And friendship shall combine, and brotherhood:  
I'll live by Nym, and Nym shall live by me;  
Is not this just? for I shall sutler be  
Unto the camp, and profits will accrue.  
Give me thy hand.

**NYM**

I shall have my noble?

**PISTOL**

In cash most justly paid.

**NYM**

Well, then, that's the humour of't.

*Re-enter Hostess*

**Hostess**

As ever you came of women, come in quickly to Sir John. Ah, poor heart! he is so shaken of a burning quotidian tertian, that it is most lamentable to behold. Sweet men, come to him.

**NYM**

The king hath run bad humours on the knight; that's the even of it.

**PISTOL**

Nym, thou hast spoke the right;  
His heart is fractured and corroborate.

**NYM**

The king is a good king: but it must be as it may;  
he passes some humours and careers.

**PISTOL**

Let us condole the knight; for, lambkins we will live.

## SCENE II. Southampton. A council-chamber.

*Enter EXETER, BEDFORD, and WESTMORELAND*

### BEDFORD

'Fore God, his grace is bold, to trust these traitors.

### EXETER

They shall be apprehended by and by.

### WESTMORELAND

How smooth and even they do bear themselves!  
As if allegiance in their bosoms sat,  
Crowned with faith and constant loyalty.

### BEDFORD

The king hath note of all that they intend,  
By interception which they dream not of.

### EXETER

Nay, but the man that was his bedfellow,  
Whom he hath dull'd and cloy'd with gracious favours,  
That he should, for a foreign purse, so sell  
His sovereign's life to death and treachery.

*Trumpets sound. Enter KING HENRY V, SCROOP, CAMBRIDGE, GREY, and Attendants*

### KING HENRY V

Now sits the wind fair, and we will aboard.  
My Lord of Cambridge, and my kind Lord of Masham,

And you, my gentle knight, give me your thoughts:  
Think you not that the powers we bear with us  
Will cut their passage through the force of France,  
Doing the execution and the act  
For which we have in head assembled them?

## **SCROOP**

No doubt, my liege, if each man do his best.

## **KING HENRY V**

I doubt not that; since we are well persuaded  
We carry not a heart with us from hence  
That grows not in a fair consent with ours,  
Nor leave not one behind that doth not wish  
Success and conquest to attend on us.

## **CAMBRIDGE**

Never was monarch better fear'd and loved  
Than is your majesty: there's not, I think, a subject  
That sits in heart-grief and uneasiness  
Under the sweet shade of your government.

## **GREY**

True: those that were your father's enemies  
Have steep'd their galls in honey and do serve you  
With hearts create of duty and of zeal.

## **KING HENRY V**

We therefore have great cause of thankfulness;  
And shall forget the office of our hand,  
Sooner than quittance of desert and merit  
According to the weight and worthiness.

## **SCROOP**

So service shall with steeled sinews toil,

And labour shall refresh itself with hope,  
To do your grace incessant services.

## **KING HENRY V**

We judge no less. Uncle of Exeter,  
Enlarge the man committed yesterday,  
That rail'd against our person: we consider  
it was excess of wine that set him on;  
And on his more advice we pardon him.

## **SCROOP**

That's mercy, but too much security:  
Let him be punish'd, sovereign, lest example  
Breed, by his sufferance, more of such a kind.

## **KING HENRY V**

O, let us yet be merciful.

## **CAMBRIDGE**

So may your highness, and yet punish too.

## **GREY**

Sir,  
You show great mercy, if you give him life,  
After the taste of much correction.

## **KING HENRY V**

Alas, your too much love and care of me  
Are heavy orisons 'gainst this poor wretch!  
If little faults, proceeding on distemper,  
Shall not be wink'd at, how shall we stretch our eye  
When capital crimes, chew'd, swallow'd and digested,  
Appear before us? We'll yet enlarge that man,  
Though Cambridge, Scroop and Grey, in their dear care  
And tender preservation of our person,  
Would have him punished. And now to our French causes:

Who are the late commissioners?

**CAMBRIDGE**

I one, my lord:  
Your highness bade me ask for it to-day.

**SCROOP**

So did you me, my liege.

**GREY**

And I, my royal sovereign.

**KING HENRY V**

Then, Richard Earl of Cambridge, there is yours;  
There yours, Lord Scroop of Masham; and, sir knight,  
Grey of Northumberland, this same is yours:  
Read them; and know, I know your worthiness.  
My Lord of Westmoreland, and uncle Exeter,  
We will aboard to night. Why, how now, gentlemen!  
What see you in those papers that you lose  
So much complexion? Look ye, how they change!  
Their cheeks are paper. Why, what read you there  
That hath so cowarded and chased your blood  
Out of appearance?

**CAMBRIDGE**

I do confess my fault;  
And do submit me to your highness' mercy.

**GREY SCROOP**

To which we all appeal.

**KING HENRY V**

The mercy that was quick in us but late,

By your own counsel is suppress'd and kill'd:  
You must not dare, for shame, to talk of mercy;  
For your own reasons turn into your bosoms,  
As dogs upon their masters, worrying you.  
See you, my princes, and my noble peers,  
These English monsters! My Lord of Cambridge here,  
You know how apt our love was to accord  
To furnish him with all appertinents  
Belonging to his honour; and this man  
Hath, for a few light crowns, lightly conspired,  
And sworn unto the practises of France,  
To kill us here in Hampton: to the which  
This knight, no less for bounty bound to us  
Than Cambridge is, hath likewise sworn. But, O,  
What shall I say to thee, Lord Scroop? thou cruel,  
Ingrateful, savage and inhuman creature!  
Thou that didst bear the key of all my counsels,  
That knew'st the very bottom of my soul,  
That almost mightst have coin'd me into gold,  
Wouldst thou have practised on me for thy use,  
May it be possible, that foreign hire  
Could out of thee extract one spark of evil  
That might annoy my finger? 'tis so strange,  
That, though the truth of it stands off as gross  
As black and white, my eye will scarcely see it.  
Treason and murder ever kept together,  
As two yoke-devils sworn to either's purpose,  
Working so grossly in a natural cause,  
That admiration did not whoop at them:  
But thou, 'gainst all proportion, didst bring in  
Wonder to wait on treason and on murder:  
And whatsoever cunning fiend it was  
That wrought upon thee so preposterously  
Hath got the voice in hell for excellence:  
All other devils that suggest by treasons  
Do botch and bungle up damnation  
With patches, colours, and with forms being fetch'd  
From glistening semblances of piety;  
But he that temper'd thee bade thee stand up,  
Gave thee no instance why thou shouldst do treason,  
Unless to dub thee with the name of traitor.  
If that same demon that hath gull'd thee thus  
Should with his lion gait walk the whole world,

He might return to vasty Tartar back,  
And tell the legions 'I can never win  
A soul so easy as that Englishman's.'  
O, how hast thou with 'jealousy infected  
The sweetness of affianced! Show men dutiful?  
Why, so didst thou: seem they grave and learned?  
Why, so didst thou: come they of noble family?  
Why, so didst thou: seem they religious?  
Why, so didst thou: or are they spare in diet,  
Free from gross passion or of mirth or anger,  
Constant in spirit, not swerving with the blood,  
Garnish'd and deck'd in modest complement,  
Not working with the eye without the ear,  
And but in purged judgment trusting neither?  
Such and so finely bolted didst thou seem:  
And thus thy fall hath left a kind of blot,  
To mark the full-fraught man and best indued  
With some suspicion. I will weep for thee;  
For this revolt of thine, methinks, is like  
Another fall of man. Their faults are open:  
Arrest them to the answer of the law;  
And God acquit them of their practises!

## **EXETER**

I arrest thee of high treason, by the name of  
Richard Earl of Cambridge.  
I arrest thee of high treason, by the name of  
Henry Lord Scroop of Masham.  
I arrest thee of high treason, by the name of  
Thomas Grey, knight, of Northumberland.

## **SCROOP**

Our purposes God justly hath discover'd;  
And I repent my fault more than my death;  
Which I beseech your highness to forgive,  
Although my body pay the price of it.

## **CAMBRIDGE**

For me, the gold of France did not seduce;

Although I did admit it as a motive  
The sooner to effect what I intended:  
But God be thanked for prevention;  
Which I in sufferance heartily will rejoice,  
Beseeching God and you to pardon me.

## **GREY**

Never did faithful subject more rejoice  
At the discovery of most dangerous treason  
Than I do at this hour joy o'er myself.  
Prevented from a damned enterprise:  
My fault, but not my body, pardon, sovereign.

## **KING HENRY V**

God quit you in his mercy! Hear your sentence.  
You have conspired against our royal person,  
Join'd with an enemy proclaim'd and from his coffers  
Received the golden earnest of our death;  
Wherein you would have sold your king to slaughter,  
His princes and his peers to servitude,  
His subjects to oppression and contempt  
And his whole kingdom into desolation.  
Touching our person seek we no revenge;  
But we our kingdom's safety must so tender,  
Whose ruin you have sought, that to her laws  
We do deliver you. Get you therefore hence,  
Poor miserable wretches, to your death:  
The taste whereof, God of his mercy give  
You patience to endure, and true repentance  
Of all your dear offences! Bear them hence.

*Exeunt CAMBRIDGE, SCROOP and GREY, guarded*

Now, lords, for France; the enterprise whereof  
Shall be to you, as us, like glorious.  
We doubt not of a fair and lucky war,  
Since God so graciously hath brought to light  
This dangerous treason lurking in our way  
To hinder our beginnings. We doubt not now  
But every rub is smoothed on our way.

Then forth, dear countrymen: let us deliver  
Our puissance into the hand of God,  
Putting it straight in expedition.  
Cheerly to sea; the signs of war advance:  
No king of England, if not king of France.

*Exeunt*

## SCENE III. London. Before a tavern.

*Enter PISTOL, Hostess, NYM, BARDOLPH, and Boy*

**Hostess**

Prithee, honey-sweet husband, let me bring thee to Staines.

**PISTOL**

No; for my manly heart doth yearn.  
Bardolph, be blithe: Nym, rouse thy vaunting veins:  
Boy, bristle thy courage up; for Falstaff he is dead,  
And we must yearn therefore.

**BARDOLPH**

Would I were with him, wheresome'er he is, either in  
heaven or in hell!

**Hostess**

Nay, sure, he's not in hell: he's in Arthur's  
bosom, if ever man went to Arthur's bosom. A' made  
a finer end and went away an it had been any  
christom child; a' parted even just between twelve  
and one, even at the turning o' the tide: for after  
I saw him fumble with the sheets and play with  
flowers and smile upon his fingers' ends, I knew  
there was but one way; for his nose was as sharp as  
a pen, and a' babbled of green fields. 'How now,  
sir John!' quoth I 'what, man! be o' good  
cheer.' So a' cried out 'God, God, God!' three or  
four times. Now I, to comfort him, bid him a'  
should not think of God; I hoped there was no need  
to trouble himself with any such thoughts yet. So

a' bade me lay more clothes on his feet: I put my hand into the bed and felt them, and they were as cold as any stone; then I felt to his knees, and they were as cold as any stone, and so upward and upward, and all was as cold as any stone.

**NYM**

They say he cried out of sack.

**Hostess**

Ay, that a' did.

**BARDOLPH**

And of women.

**Hostess**

Nay, that a' did not.

**Boy**

Yes, that a' did; and said they were devils incarnate.

**Hostess**

A' could never abide carnation; 'twas a colour he never liked.

**Boy**

A' said once, the devil would have him about women.

**Hostess**

A' did in some sort, indeed, handle women; but then he was rheumatic, and talked of the whore of Babylon.

**Boy**

Do you not remember, a' saw a flea stick upon  
Bardolph's nose, and a' said it was a black soul  
burning in hell-fire?

**BARDOLPH**

Well, the fuel is gone that maintained that fire:  
that's all the riches I got in his service.

**NYM**

Shall we shog? the king will be gone from  
Southampton.

**PISTOL**

Come, let's away. My love, give me thy lips.  
Look to my chattels and my movables:  
Let senses rule; the word is 'Pitch and Pay:'  
Trust none;  
For oaths are straws, men's faiths are wafer-cakes,  
And hold-fast is the only dog, my duck:  
Therefore, Caveto be thy counsellor.  
Go, clear thy c rystals. Yoke-fellows in arms,  
Let us to France; like horse-leeches, my boys,  
To suck, to suck, the very blood to suck!

**Boy**

And that's but unwholesome food they say.

**PISTOL**

Touch her soft mouth, and march.

**BARDOLPH**

Farewell, hostess.

*Kissing her*

**NYM**

I cannot kiss, that is the humour of it; but, adieu.

**PISTOL**

Let housewifery appear: keep close, I thee command.

**Hostess**

Farewell; adieu.

*Exeunt*

## SCENE IV. France. The KING'S palace.

*Flourish. Enter the FRENCH KING, the DAUPHIN, the DUKES of BERRI and BRETAGNE, the Constable, and others*

### KING OF FRANCE

Thus comes the English with full power upon us;  
And more than carefully it us concerns  
To answer royally in our defences.  
Therefore the Dukes of Berri and of Bretagne,  
Of Brabant and of Orleans, shall make forth,  
And you, Prince Dauphin, with all swift dispatch,  
To line and new repair our towns of war  
With men of courage and with means defendant;  
For England his approaches makes as fierce  
As waters to the sucking of a gulf.  
It fits us then to be as provident  
As fear may teach us out of late examples  
Left by the fatal and neglected English  
Upon our fields.

### DAUPHIN

My most redoubted father,  
It is most meet we arm us 'gainst the foe;  
For peace itself should not so dull a kingdom,  
Though war nor no known quarrel were in question,  
But that defences, musters, preparations,  
Should be maintain'd, assembled and collected,  
As were a war in expectation.  
Therefore, I say 'tis meet we all go forth  
To view the sick and feeble parts of France:  
And let us do it with no show of fear;  
No, with no more than if we heard that England  
Were busied with a Whitsun morris-dance:  
For, my good liege, she is so idly king'd,

Her sceptre so fantastically borne  
By a vain, giddy, shallow, humorous youth,  
That fear attends her not.

## **Constable**

O peace, Prince Dauphin!  
You are too much mistaken in this king:  
Question your grace the late ambassadors,  
With what great state he heard their embassy,  
How well supplied with noble counsellors,  
How modest in exception, and withal  
How terrible in constant resolution,  
And you shall find his vanities forespent  
Were but the outside of the Roman Brutus,  
Covering discretion with a coat of folly;  
As gardeners do with ordure hide those roots  
That shall first spring and be most delicate.

## **DAUPHIN**

Well, 'tis not so, my lord high constable;  
But though we think it so, it is no matter:  
In cases of defence 'tis best to weigh  
The enemy more mighty than he seems:  
So the proportions of defence are fill'd;  
Which of a weak or niggardly projection  
Doth, like a miser, spoil his coat with scanting  
A little cloth.

## **KING OF FRANCE**

Think we King Harry strong;  
And, princes, look you strongly arm to meet him.  
The kindred of him hath been flesh'd upon us;  
And he is bred out of that bloody strain  
That haunted us in our familiar paths:  
Witness our too much memorable shame  
When Cressy battle fatally was struck,  
And all our princes captiv'd by the hand  
Of that black name, Edward, Black Prince of Wales;  
Whiles that his mountain sire, on mountain standing,

Up in the air, crown'd with the golden sun,  
Saw his heroical seed, and smiled to see him,  
Mangle the work of nature and deface  
The patterns that by God and by French fathers  
Had twenty years been made. This is a stem  
Of that victorious stock; and let us fear  
The native mightiness and fate of him.

*Enter a Messenger*

**Messenger**

Ambassadors from Harry King of England  
Do crave admittance to your majesty.

**KING OF FRANCE**

We'll give them present audience. Go, and bring them.

*Exeunt Messenger and certain Lords*

You see this chase is hotly follow'd, friends.

**DAUPHIN**

Turn head, and stop pursuit; for coward dogs  
Most spend their mouths when what they seem to threaten  
Runs far before them. Good my sovereign,  
Take up the English short, and let them know  
Of what a monarchy you are the head:  
Self-love, my liege, is not so vile a sin  
As self-neglecting.

*Re-enter Lords, with EXETER and train*

**KING OF FRANCE**

From our brother England?

**EXETER**

From him; and thus he greets your majesty.  
He wills you, in the name of God Almighty,  
That you divest yourself, and lay apart  
The borrow'd glories that by gift of heaven,  
By law of nature and of nations, 'long  
To him and to his heirs; namely, the crown  
And all wide-stretched honours that pertain  
By custom and the ordinance of times  
Unto the crown of France. That you may know  
'Tis no sinister nor no awkward claim,  
Pick'd from the worm-holes of long-vanish'd days,  
Nor from the dust of old oblivion raked,  
He sends you this most memorable line,  
In every branch truly demonstrative;  
Willing to overlook this pedigree:  
And when you find him evenly derived  
From his most famed of famous ancestors,  
Edward the Third, he bids you then resign  
Your crown and kingdom, indirectly held  
From him the native and true challenger.

## **KING OF FRANCE**

Or else what follows?

## **EXETER**

Bloody constraint; for if you hide the crown  
Even in your hearts, there will he rake for it:  
Therefore in fierce tempest is he coming,  
In thunder and in earthquake, like a Jove,  
That, if requiring fail, he will compel;  
And bids you, in the bowels of the Lord,  
Deliver up the crown, and to take mercy  
On the poor souls for whom this hungry war  
Opens his vasty jaws; and on your head  
Turning the widows' tears, the orphans' cries  
The dead men's blood, the pining maidens groans,  
For husbands, fathers and betrothed lovers,  
That shall be swallow'd in this controversy.  
This is his claim, his threatening and my message;  
Unless the Dauphin be in presence here,  
To whom expressly I bring greeting too.

## **KING OF FRANCE**

For us, we will consider of this further:  
To-morrow shall you bear our full intent  
Back to our brother England.

## **DAUPHIN**

For the Dauphin,  
I stand here for him: what to him from England?

## **EXETER**

Scorn and defiance; slight regard, contempt,  
And any thing that may not misbecome  
The mighty sender, doth he prize you at.  
Thus says my king; an' if your father's highness  
Do not, in grant of all demands at large,  
Sweeten the bitter mock you sent his majesty,  
He'll call you to so hot an answer of it,  
That caves and womby vaultages of France  
Shall chide your trespass and return your mock  
In second accent of his ordnance.

## **DAUPHIN**

Say, if my father render fair return,  
It is against my will; for I desire  
Nothing but odds with England: to that end,  
As matching to his youth and vanity,  
I did present him with the Paris balls.

## **EXETER**

He'll make your Paris Louvre shake for it,  
Were it the mistress-court of mighty Europe:  
And, be assured, you'll find a difference,  
As we his subjects have in wonder found,  
Between the promise of his greener days  
And these he masters now: now he weighs time  
Even to the utmost grain: that you shall read

In your own losses, if he stay in France.

**KING OF FRANCE**

To-morrow shall you know our mind at full.

**EXETER**

Dispatch us with all speed, lest that our king  
Come here himself to question our delay;  
For he is footed in this land already.

**KING OF FRANCE**

You shall be soon dispatch's with fair conditions:  
A night is but small breath and little pause  
To answer matters of this consequence.

*Flourish. Exeunt*

## PROLOGUE

*Enter Chorus*

### Chorus

Thus with imagined wing our swift scene flies  
In motion of no less celerity  
Than that of thought. Suppose that you have seen  
The well-appointed king at Hampton pier  
Embark his royalty; and his brave fleet  
With silken streamers the young Phoebus fanning:  
Play with your fancies, and in them behold  
Upon the hempen tackle ship-boys climbing;  
Hear the shrill whistle which doth order give  
To sounds confused; behold the threaden sails,  
Borne with the invisible and creeping wind,  
Draw the huge bottoms through the furrow'd sea,  
Breasting the lofty surge: O, do but think  
You stand upon the ravage and behold  
A city on the inconstant billows dancing;  
For so appears this fleet majestical,  
Holding due course to Harfleur. Follow, follow:  
Grapple your minds to sternage of this navy,  
And leave your England, as dead midnight still,  
Guarded with grandsires, babies and old women,  
Either past or not arrived to pith and puissance;  
For who is he, whose chin is but enrich'd  
With one appearing hair, that will not follow  
These cull'd and choice-drawn cavaliers to France?  
Work, work your thoughts, and therein see a siege;  
Behold the ordnance on their carriages,  
With fatal mouths gaping on girded Harfleur.  
Suppose the ambassador from the French comes back;  
Tells Harry that the king doth offer him  
Katharine his daughter, and with her, to dowry,  
Some petty and unprofitable dukedoms.

The offer likes not: and the nimble gunner  
With linstock now the devilish cannon touches,

*Alarum, and chambers go off*

And down goes all before them. Still be kind,  
And eke out our performance with your mind.

*Exit*

## SCENE I. France. Before Harfleur.

*Alarum. Enter KING HENRY, EXETER, BEDFORD, GLOUCESTER, and Soldiers, with scaling-ladders*

### KING HENRY V

Once more unto the breach, dear friends, once more;  
Or close the wall up with our English dead.  
In peace there's nothing so becomes a man  
As modest stillness and humility:  
But when the blast of war blows in our ears,  
Then imitate the action of the tiger;  
Stiffen the sinews, summon up the blood,  
Disguise fair nature with hard-favour'd rage;  
Then lend the eye a terrible aspect;  
Let pry through the portage of the head  
Like the brass cannon; let the brow o'erwhelm it  
As fearfully as doth a galled rock  
O'erhang and jutty his confounded base,  
Swill'd with the wild and wasteful ocean.  
Now set the teeth and stretch the nostril wide,  
Hold hard the breath and bend up every spirit  
To his full height. On, on, you noblest English.  
Whose blood is fet from fathers of war-proof!  
Fathers that, like so many Alexanders,  
Have in these parts from morn till even fought  
And sheathed their swords for lack of argument:  
Dishonour not your mothers; now attest  
That those whom you call'd fathers did beget you.  
Be copy now to men of grosser blood,  
And teach them how to war. And you, good yeoman,  
Whose limbs were made in England, show us here  
The mettle of your pasture; let us swear  
That you are worth your breeding; which I doubt not;  
For there is none of you so mean and base,  
That hath not noble lustre in your eyes.

I see you stand like greyhounds in the slips,  
Straining upon the start. The game's afoot:  
Follow your spirit, and upon this charge  
Cry 'God for Harry, England, and Saint George!'

*Exeunt. Alarum, and chambers go off*

# The Life of King Henry the Fifth

[Shakespeare homepage](#) | [Henry V](#) | Act 3, Scene 2

[Previous scene](#) | [Next scene](#)

## SCENE II. The same.

*Enter NYM, BARDOLPH, PISTOL, and Boy*

### BARDOLPH

On, on, on, on, on! to the breach, to the breach!

### NYM

Pray thee, corporal, stay: the knocks are too hot;  
and, for mine own part, I have not a case of lives:  
the humour of it is too hot, that is the very  
plain-song of it.

### PISTOL

The plain-song is most just: for humours do abound:  
Knocks go and come; God's vassals drop and die;  
And sword and shield,  
In bloody field,  
Doth win immortal fame.

### Boy

Would I were in an alehouse in London! I would give  
all my fame for a pot of ale and safety.

### PISTOL

And I:  
If wishes would prevail with me,  
My purpose should not fail with me,  
But thither would I hie.

### Boy

As duly, but not as truly,  
As bird doth sing on bough.

*Enter FLUELLEN*

**FLUELLEN**

Up to the breach, you dogs! avaunt, you cullions!

*Driving them forward*

**PISTOL**

Be merciful, great duke, to men of mould.  
Abate thy rage, abate thy manly rage,  
Abate thy rage, great duke!  
Good bawcock, bate thy rage; use lenity, sweet chuck!

**NYM**

These be good humours! your honour wins bad humours.

*Exeunt all but Boy*

**Boy**

As young as I am, I have observed these three swashers. I am boy to them all three: but all they three, though they would serve me, could not be man to me; for indeed three such antics do not amount to a man. For Bardolph, he is white-livered and red-faced; by the means whereof a' faces it out, but fights not. For Pistol, he hath a killing tongue and a quiet sword; by the means whereof a' breaks words, and keeps whole weapons. For Nym, he hath heard that men of few words are the best men; and therefore he scorns to say his prayers, lest a' should be thought a coward: but his few bad words are matched with as few good deeds; for a' never broke any man's head but his own, and that was against a post when he was drunk. They will steal

any thing, and call it purchase. Bardolph stole a lute-case, bore it twelve leagues, and sold it for three half pence. Nym and Bardolph are sworn brothers in filching, and in Calais they stole a fire-shovel: I knew by that piece of service the men would carry coals. They would have me as familiar with men's pockets as their gloves or their handkerchers: which makes much against my manhood, if I should take from another's pocket to put into mine; for it is plain pocketing up of wrongs. I must leave them, and seek some better service: their villany goes against my weak stomach, and therefore I must cast it up.

*Exit*

*Re-enter FLUELLEN, GOWER following*

**GOWER**

Captain Fluellen, you must come presently to the mines; the Duke of Gloucester would speak with you.

**FLUELLEN**

To the mines! tell you the duke, it is not so good to come to the mines; for, look you, the mines is not according to the disciplines of the war: the concavities of it is not sufficient; for, look you, the athversary, you may discuss unto the duke, look you, is digt himself four yard under the countermines: by Cheshu, I think a' will plough up all, if there is not better directions.

**GOWER**

The Duke of Gloucester, to whom the order of the siege is given, is altogether directed by an Irishman, a very valiant gentleman, i' faith.

**FLUELLEN**

It is Captain Macmorris, is it not?

**GOWER**

I think it be.

**FLUELLEN**

By Cheshu, he is an ass, as in the world: I will verify as much in his beard: he has no more directions in the true disciplines of the wars, look you, of the Roman disciplines, than is a puppy-dog.

*Enter MACMORRIS and Captain JAMY*

**GOWER**

Here a' comes; and the Scots captain, Captain Jamy, with him.

**FLUELLEN**

Captain Jamy is a marvellous falourous gentleman, that is certain; and of great expedition and knowledge in th' aunchient wars, upon my particular knowledge of his directions: by Cheshu, he will maintain his argument as well as any military man in the world, in the disciplines of the pristine wars of the Romans.

**JAMY**

I say gud-day, Captain Fluellen.

**FLUELLEN**

God-den to your worship, good Captain James.

**GOWER**

How now, Captain Macmorris! have you quit the mines? have the pioneers given o'er?

## MACMORRIS

By Chrish, la! tish ill done: the work ish give over, the trompet sound the retreat. By my hand, I swear, and my father's soul, the work ish ill done; it ish give over: I would have blowed up the town, so Chrish save me, la! in an hour: O, tish ill done, tish ill done; by my hand, tish ill done!

## FLUELLEN

Captain Macmorris, I beseech you now, will you voutsafe me, look you, a few disputations with you, as partly touching or concerning the disciplines of the war, the Roman wars, in the way of argument, look you, and friendly communication; partly to satisfy my opinion, and partly for the satisfaction, look you, of my mind, as touching the direction of the military discipline; that is the point.

## JAMY

It sall be vary gud, gud feith, gud captains bath: and I sall quit you with gud leve, as I may pick occasion; that sall I, marry.

## MACMORRIS

It is no time to discourse, so Chrish save me: the day is hot, and the weather, and the wars, and the king, and the dukes: it is no time to discourse. The town is beseeched, and the trumpet call us to the breach; and we talk, and, be Chrish, do nothing: 'tis shame for us all: so God sa' me, 'tis shame to stand still; it is shame, by my hand: and there is throats to be cut, and works to be done; and there ish nothing done, so Chrish sa' me, la!

## JAMY

By the mess, ere these eyes of mine take themselves

to slomber, ay'll de gud service, or ay'll lig i'  
the grund for it; ay, or go to death; and ay'll pay  
't as valourously as I may, that sall I suerly do,  
that is the breff and the long. Marry, I wad full  
fain hear some question 'tween you tway.

## **FLUELLEN**

Captain Macmorris, I think, look you, under your  
correction, there is not many of your nation--

## **MACMORRIS**

Of my nation! What ish my nation? Ish a villain,  
and a bastard, and a knave, and a rascal. What ish  
my nation? Who talks of my nation?

## **FLUELLEN**

Look you, if you take the matter otherwise than is  
meant, Captain Macmorris, peradventure I shall think  
you do not use me with that affability as in  
discretion you ought to use me, look you: being as  
good a man as yourself, both in the disciplines of  
war, and in the derivation of my birth, and in  
other particularities.

## **MACMORRIS**

I do not know you so good a man as myself: so  
Chrish save me, I will cut off your head.

## **GOWER**

Gentlemen both, you will mistake each other.

## **JAMY**

A! that's a foul fault.

*A parley sounded*

## **GOWER**

The town sounds a parley.

## **FLUELLEN**

Captain Macmorris, when there is more better opportunity to be required, look you, I will be so bold as to tell you I know the disciplines of war; and there is an end.

*Exeunt*

## SCENE III. The same. Before the gates.

*The Governor and some Citizens on the walls; the English forces below. Enter KING HENRY and his train*

### KING HENRY V

How yet resolves the governor of the town?  
This is the latest parle we will admit;  
Therefore to our best mercy give yourselves;  
Or like to men proud of destruction  
Defy us to our worst: for, as I am a soldier,  
A name that in my thoughts becomes me best,  
If I begin the battery once again,  
I will not leave the half-achieved Harfleur  
Till in her ashes she lie buried.  
The gates of mercy shall be all shut up,  
And the flesh'd soldier, rough and hard of heart,  
In liberty of bloody hand shall range  
With conscience wide as hell, mowing like grass  
Your fresh-fair virgins and your flowering infants.  
What is it then to me, if impious war,  
Array'd in flames like to the prince of fiends,  
Do, with his smirch'd complexion, all fell feats  
Enlink'd to waste and desolation?  
What is't to me, when you yourselves are cause,  
If your pure maidens fall into the hand  
Of hot and forcing violation?  
What rein can hold licentious wickedness  
When down the hill he holds his fierce career?  
We may as bootless spend our vain command  
Upon the enraged soldiers in their spoil  
As send precepts to the leviathan  
To come ashore. Therefore, you men of Harfleur,  
Take pity of your town and of your people,  
Whiles yet my soldiers are in my command;  
Whiles yet the cool and temperate wind of grace

O'erblows the filthy and contagious clouds  
Of heady murder, spoil and villany.  
If not, why, in a moment look to see  
The blind and bloody soldier with foul hand  
Defile the locks of your shrill-shrieking daughters;  
Your fathers taken by the silver beards,  
And their most reverend heads dash'd to the walls,  
Your naked infants spitted upon pikes,  
Whiles the mad mothers with their howls confused  
Do break the clouds, as did the wives of Jewry  
At Herod's bloody-hunting slaughtermen.  
What say you? will you yield, and this avoid,  
Or, guilty in defence, be thus destroy'd?

## **GOVERNOR**

Our expectation hath this day an end:  
The Dauphin, whom of succors we entreated,  
Returns us that his powers are yet not ready  
To raise so great a siege. Therefore, great king,  
We yield our town and lives to thy soft mercy.  
Enter our gates; dispose of us and ours;  
For we no longer are defensible.

## **KING HENRY V**

Open your gates. Come, uncle Exeter,  
Go you and enter Harfleur; there remain,  
And fortify it strongly 'gainst the French:  
Use mercy to them all. For us, dear uncle,  
The winter coming on and sickness growing  
Upon our soldiers, we will retire to Calais.  
To-night in Harfleur we will be your guest;  
To-morrow for the march are we address.

*Flourish. The King and his train enter the town*

## SCENE IV. The FRENCH KING's palace.

*Enter KATHARINE and ALICE*

**KATHARINE**

Alice, tu as ete en Angleterre, et tu parles bien le langage.

**ALICE**

Un peu, madame.

**KATHARINE**

Je te prie, m'enseignez: il faut que j'apprenne a parler. Comment appelez-vous la main en Anglois?

**ALICE**

La main? elle est appelee de hand.

**KATHARINE**

De hand. Et les doigts?

**ALICE**

Les doigts? ma foi, j'oublie les doigts; mais je me souviendrai. Les doigts? je pense qu'ils sont appeles de fingres; oui, de fingres.

**KATHARINE**

La main, de hand; les doigts, de fingres. Je pense que je suis le bon ecolier; j'ai gagne deux mots

d'Anglois vitement. Comment appelez-vous les ongles?

**ALICE**

Les ongles? nous les appelons de nails.

**KATHARINE**

De nails. Ecoutez; dites-moi, si je parle bien: de hand, de fingres, et de nails.

**ALICE**

C'est bien dit, madame; il est fort bon Anglois.

**KATHARINE**

Dites-moi l'Anglois pour le bras.

**ALICE**

De arm, madame.

**KATHARINE**

Et le coude?

**ALICE**

De elbow.

**KATHARINE**

De elbow. Je m'en fais la repetition de tous les mots que vous m'avez appris des a present.

**ALICE**

Il est trop difficile, madame, comme je pense.

**KATHARINE**

Excusez-moi, Alice; écoutez: de hand, de fingres,  
de nails, de arma, de bilbow.

**ALICE**

De elbow, madame.

**KATHARINE**

O Seigneur Dieu, je m'en oublie! de elbow. Comment  
appelez-vous le col?

**ALICE**

De neck, madame.

**KATHARINE**

De nick. Et le menton?

**ALICE**

De chin.

**KATHARINE**

De sin. Le col, de nick; de menton, de sin.

**ALICE**

Oui. Sauf votre honneur, en verite, vous prononcez  
les mots aussi droit que les natifs d'Angleterre.

**KATHARINE**

Je ne doute point d'apprendre, par la grace de Dieu,  
et en peu de temps.

**ALICE**

N'avez vous pas deja oublie ce que je vous ai enseigne?

**KATHARINE**

Non, je reciterai a vous promptement: de hand, de fingres, de mails--

**ALICE**

De nails, madame.

**KATHARINE**

De nails, de arm, de ilbow.

**ALICE**

Sauf votre honneur, de elbow.

**KATHARINE**

Ainsi dis-je; de elbow, de nick, et de sin. Comment appelez-vous le pied et la robe?

**ALICE**

De foot, madame; et de coun.

**KATHARINE**

De foot et de coun! O Seigneur Dieu! ce sont mots de son mauvais, corruptible, gros, et impudique, et non pour les dames d'honneur d'user: je ne voudrais prononcer ces mots devant les seigneurs de France pour tout le monde. Foh! le foot et le coun! Neanmoins, je reciterai une autre fois ma lecon ensemble: de hand, de fingres, de nails, de arm, de elbow, de nick, de sin, de foot, de coun.

**ALICE**

Excellent, madame!

**KATHARINE**

C'est assez pour une fois: allons-nous a diner.

*Exeunt*

## SCENE V. The same.

*Enter the KING OF FRANCE, the DAUPHIN, the DUKE OF BOURBON, the Constable Of France, and others*

### KING OF FRANCE

'Tis certain he hath pass'd the river Somme.

### Constable

And if he be not fought withal, my lord,  
Let us not live in France; let us quit all  
And give our vineyards to a barbarous people.

### DAUPHIN

O Dieu vivant! shall a few sprays of us,  
The emptying of our fathers' luxury,  
Our scions, put in wild and savage stock,  
Spirt up so suddenly into the clouds,  
And overlook their grafters?

### BOURBON

Normans, but bastard Normans, Norman bastards!  
Mort de ma vie! if they march along  
Unfought withal, but I will sell my dukedom,  
To buy a slobbery and a dirty farm  
In that nook-shotten isle of Albion.

### Constable

Dieu de batailles! where have they this mettle?  
Is not their climate foggy, raw and dull,  
On whom, as in despite, the sun looks pale,

Killing their fruit with frowns? Can sodden water,  
A drench for sur-rein'd jades, their barley-broth,  
Decoct their cold blood to such valiant heat?  
And shall our quick blood, spirited with wine,  
Seem frosty? O, for honour of our land,  
Let us not hang like roping icicles  
Upon our houses' thatch, whiles a more frosty people  
Sweat drops of gallant youth in our rich fields!  
Poor we may call them in their native lords.

## **DAUPHIN**

By faith and honour,  
Our madams mock at us, and plainly say  
Our mettle is bred out and they will give  
Their bodies to the lust of English youth  
To new-store France with bastard warriors.

## **BOURBON**

They bid us to the English dancing-schools,  
And teach lavoltas high and swift corantos;  
Saying our grace is only in our heels,  
And that we are most lofty runaways.

## **KING OF FRANCE**

Where is Montjoy the herald? speed him hence:  
Let him greet England with our sharp defiance.  
Up, princes! and, with spirit of honour edged  
More sharper than your swords, hie to the field:  
Charles Delabreth, high constable of France;  
You Dukes of Orleans, Bourbon, and of Berri,  
Alencon, Brabant, Bar, and Burgundy;  
Jaques Chatillon, Rambures, Vaudemont,  
Beaumont, Grandpre, Roussi, and Fauconberg,  
Foix, Lestrade, Bouciqualt, and Charolois;  
High dukes, great princes, barons, lords and knights,  
For your great seats now quit you of great shames.  
Bar Harry England, that sweeps through our land  
With pennons painted in the blood of Harfleur:  
Rush on his host, as doth the melted snow

Upon the valleys, whose low vassal seat  
The Alps doth spit and void his rheum upon:  
Go down upon him, you have power enough,  
And in a captive chariot into Rouen  
Bring him our prisoner.

### **Constable**

This becomes the great.  
Sorry am I his numbers are so few,  
His soldiers sick and famish'd in their march,  
For I am sure, when he shall see our army,  
He'll drop his heart into the sink of fear  
And for achievement offer us his ransom.

### **KING OF FRANCE**

Therefore, lord constable, haste on Montjoy.  
And let him say to England that we send  
To know what willing ransom he will give.  
Prince Dauphin, you shall stay with us in Rouen.

### **DAUPHIN**

Not so, I do beseech your majesty.

### **KING OF FRANCE**

Be patient, for you shall remain with us.  
Now forth, lord constable and princes all,  
And quickly bring us word of England's fall.

*Exeunt*

## SCENE VI. The English camp in Picardy.

*Enter GOWER and FLUELLEN, meeting*

**GOWER**

How now, Captain Fluellen! come you from the bridge?

**FLUELLEN**

I assure you, there is very excellent services committed at the bridge.

**GOWER**

Is the Duke of Exeter safe?

**FLUELLEN**

The Duke of Exeter is as magnanimous as Agamemnon; and a man that I love and honour with my soul, and my heart, and my duty, and my life, and my living, and my uttermost power: he is not-God be praised and blessed!--any hurt in the world; but keeps the bridge most valiantly, with excellent discipline. There is an aunchient lieutenant there at the pridge, I think in my very conscience he is as valiant a man as Mark Antony; and he is a man of no estimation in the world; but did see him do as gallant service.

**GOWER**

What do you call him?

**FLUELLEN**

He is called Aunchient Pistol.

**GOWER**

I know him not.

*Enter PISTOL*

**FLUELLEN**

Here is the man.

**PISTOL**

Captain, I thee beseech to do me favours:  
The Duke of Exeter doth love thee well.

**FLUELLEN**

Ay, I praise God; and I have merited some love at  
his hands.

**PISTOL**

Bardolph, a soldier, firm and sound of heart,  
And of buxom valour, hath, by cruel fate,  
And giddy Fortune's furious fickle wheel,  
That goddess blind,  
That stands upon the rolling restless stone--

**FLUELLEN**

By your patience, Aunchient Pistol. Fortune is  
painted blind, with a muffler afore her eyes, to  
signify to you that Fortune is blind; and she is  
painted also with a wheel, to signify to you, which  
is the moral of it, that she is turning, and  
inconstant, and mutability, and variation: and her  
foot, look you, is fixed upon a spherical stone,  
which rolls, and rolls, and rolls: in good truth,

the poet makes a most excellent description of it:  
Fortune is an excellent moral.

## **PISTOL**

Fortune is Bardolph's foe, and frowns on him;  
For he hath stolen a pax, and hanged must a' be:  
A damned death!  
Let gallows gape for dog; let man go free  
And let not hemp his wind-pipe suffocate:  
But Exeter hath given the doom of death  
For pax of little price.  
Therefore, go speak: the duke will hear thy voice:  
And let not Bardolph's vital thread be cut  
With edge of penny cord and vile reproach:  
Speak, captain, for his life, and I will thee requite.

## **FLUELLEN**

Aunchient Pistol, I do partly understand your meaning.

## **PISTOL**

Why then, rejoice therefore.

## **FLUELLEN**

Certainly, aunchient, it is not a thing to rejoice  
at: for if, look you, he were my brother, I would  
desire the duke to use his good pleasure, and put  
him to execution; for discipline ought to be used.

## **PISTOL**

Die and be damn'd! and figo for thy friendship!

## **FLUELLEN**

It is well.

## **PISTOL**

The fig of Spain!

*Exit*

**FLUELLEN**

Very good.

**GOWER**

Why, this is an arrant counterfeit rascal; I remember him now; a bawd, a cutpurse.

**FLUELLEN**

I'll assure you, a' uttered as brave words at the bridge as you shall see in a summer's day. But it is very well; what he has spoke to me, that is well, I warrant you, when time is serve.

**GOWER**

Why, 'tis a gull, a fool, a rogue, that now and then goes to the wars, to grace himself at his return into London under the form of a soldier. And such fellows are perfect in the great commanders' names: and they will learn you by rote where services were done; at such and such a sconce, at such a breach, at such a convoy; who came off bravely, who was shot, who disgraced, what terms the enemy stood on; and this they con perfectly in the phrase of war, which they trick up with new-tuned oaths: and what a beard of the general's cut and a horrid suit of the camp will do among foaming bottles and ale-washed wits, is wonderful to be thought on. But you must learn to know such slanders of the age, or else you may be marvellously mistook.

**FLUELLEN**

I tell you what, Captain Gower; I do perceive he is

not the man that he would gladly make show to the world he is: if I find a hole in his coat, I will tell him my mind.

*Drum heard*

Hark you, the king is coming, and I must speak with him from the pridge.

*Drum and colours. Enter KING HENRY, GLOUCESTER, and Soldiers*

God pless your majesty!

**KING HENRY V**

How now, Fluellen! camest thou from the bridge?

**FLUELLEN**

Ay, so please your majesty. The Duke of Exeter has very gallantly maintained the pridge: the French is gone off, look you; and there is gallant and most prave passages; marry, th' athversary was have possession of the pridge; but he is enforced to retire, and the Duke of Exeter is master of the pridge: I can tell your majesty, the duke is a prave man.

**KING HENRY V**

What men have you lost, Fluellen?

**FLUELLEN**

The perdition of th' athversary hath been very great, reasonable great: marry, for my part, I think the duke hath lost never a man, but one that is like to be executed for robbing a church, one Bardolph, if your majesty know the man: his face is all bubukles, and whelks, and knobs, and flames o' fire: and his lips blows at his nose, and it is like a coal of fire, sometimes plue and sometimes red;

but his nose is executed and his fire's out.

**KING HENRY V**

We would have all such offenders so cut off: and we give express charge, that in our marches through the country, there be nothing compelled from the villages, nothing taken but paid for, none of the French upbraided or abused in disdainful language; for when lenity and cruelty play for a kingdom, the gentler gamester is the soonest winner.

*Tucket. Enter MONTJOY*

**MONTJOY**

You know me by my habit.

**KING HENRY V**

Well then I know thee: what shall I know of thee?

**MONTJOY**

My master's mind.

**KING HENRY V**

Unfold it.

**MONTJOY**

Thus says my king: Say thou to Harry of England: Though we seemed dead, we did but sleep: advantage is a better soldier than rashness. Tell him we could have rebuked him at Harfleur, but that we thought not good to bruise an injury till it were full ripe: now we speak upon our cue, and our voice is imperial: England shall repent his folly, see his weakness, and admire our sufferance. Bid him therefore consider of his ransom; which must

proportion the losses we have borne, the subjects we have lost, the disgrace we have digested; which in weight to re-answer, his pettiness would bow under. For our losses, his exchequer is too poor; for the effusion of our blood, the muster of his kingdom too faint a number; and for our disgrace, his own person, kneeling at our feet, but a weak and worthless satisfaction. To this add defiance: and tell him, for conclusion, he hath betrayed his followers, whose condemnation is pronounced. So far my king and master; so much my office.

## **KING HENRY V**

What is thy name? I know thy quality.

## **MONTJOY**

Montjoy.

## **KING HENRY V**

Thou dost thy office fairly. Turn thee back.  
And tell thy king I do not seek him now;  
But could be willing to march on to Calais  
Without impeachment: for, to say the sooth,  
Though 'tis no wisdom to confess so much  
Unto an enemy of craft and vantage,  
My people are with sickness much enfeebled,  
My numbers lessened, and those few I have  
Almost no better than so many French;  
Who when they were in health, I tell thee, herald,  
I thought upon one pair of English legs  
Did march three Frenchmen. Yet, forgive me, God,  
That I do brag thus! This your air of France  
Hath blown that vice in me: I must repent.  
Go therefore, tell thy master here I am;  
My ransom is this frail and worthless trunk,  
My army but a weak and sickly guard;  
Yet, God before, tell him we will come on,  
Though France himself and such another neighbour  
Stand in our way. There's for thy labour, Montjoy.

Go bid thy master well advise himself:  
If we may pass, we will; if we be hinder'd,  
We shall your tawny ground with your red blood  
Discolour: and so Montjoy, fare you well.  
The sum of all our answer is but this:  
We would not seek a battle, as we are;  
Nor, as we are, we say we will not shun it:  
So tell your master.

## **MONTJOY**

I shall deliver so. Thanks to your highness.

*Exit*

## **GLOUCESTER**

I hope they will not come upon us now.

## **KING HENRY V**

We are in God's hand, brother, not in theirs.  
March to the bridge; it now draws toward night:  
Beyond the river we'll encamp ourselves,  
And on to-morrow, bid them march away.

*Exeunt*

## SCENE VII. The French camp, near Agincourt:

*Enter the Constable of France, the LORD RAMBURES, ORLEANS, DAUPHIN, with others*

**Constable**

Tut! I have the best armour of the world. Would it were day!

**ORLEANS**

You have an excellent armour; but let my horse have his due.

**Constable**

It is the best horse of Europe.

**ORLEANS**

Will it never be morning?

**DAUPHIN**

My lord of Orleans, and my lord high constable, you talk of horse and armour?

**ORLEANS**

You are as well provided of both as any prince in the world.

**DAUPHIN**

What a long night is this! I will not change my horse with any that treads but on four pasterns. Ca, ha! he bounds from the earth, as if his

entrails were hairs; le cheval volant, the Pegasus,  
chez les narines de feu! When I bestride him, I  
soar, I am a hawk: he trots the air; the earth  
sings when he touches it; the basest horn of his  
hoof is more musical than the pipe of Hermes.

## **ORLEANS**

He's of the colour of the nutmeg.

## **DAUPHIN**

And of the heat of the ginger. It is a beast for  
Perseus: he is pure air and fire; and the dull  
elements of earth and water never appear in him, but  
only in Patient stillness while his rider mounts  
him: he is indeed a horse; and all other jades you  
may call beasts.

## **Constable**

Indeed, my lord, it is a most absolute and excellent horse.

## **DAUPHIN**

It is the prince of palfreys; his neigh is like the  
bidding of a monarch and his countenance enforces homage.

## **ORLEANS**

No more, cousin.

## **DAUPHIN**

Nay, the man hath no wit that cannot, from the  
rising of the lark to the lodging of the lamb, vary  
deserved praise on my palfrey: it is a theme as  
fluent as the sea: turn the sands into eloquent  
tongues, and my horse is argument for them all:  
'tis a subject for a sovereign to reason on, and for  
a sovereign's sovereign to ride on; and for the  
world, familiar to us and unknown to lay apart

their particular functions and wonder at him. I  
once writ a sonnet in his praise and began thus:  
'Wonder of nature,'--

## **ORLEANS**

I have heard a sonnet begin so to one's mistress.

## **DAUPHIN**

Then did they imitate that which I composed to my  
courser, for my horse is my mistress.

## **ORLEANS**

Your mistress bears well.

## **DAUPHIN**

Me well; which is the prescript praise and  
perfection of a good and particular mistress.

## **Constable**

Nay, for methought yesterday your mistress shrewdly  
shook your back.

## **DAUPHIN**

So perhaps did yours.

## **Constable**

Mine was not bridled.

## **DAUPHIN**

O then belike she was old and gentle; and you rode,  
like a kern of Ireland, your French hose off, and in  
your straight strossers.

**Constable**

You have good judgment in horsemanship.

**DAUPHIN**

Be warned by me, then: they that ride so and ride not warily, fall into foul bogs. I had rather have my horse to my mistress.

**Constable**

I had as lief have my mistress a jade.

**DAUPHIN**

I tell thee, constable, my mistress wears his own hair.

**Constable**

I could make as true a boast as that, if I had a sow to my mistress.

**DAUPHIN**

'Le chien est retourne a son propre vomissement, et la truie lavee au borbier;' thou makest use of any thing.

**Constable**

Yet do I not use my horse for my mistress, or any such proverb so little kin to the purpose.

**RAMBURES**

My lord constable, the armour that I saw in your tent to-night, are those stars or suns upon it?

**Constable**

Stars, my lord.

**DAUPHIN**

Some of them will fall to-morrow, I hope.

**Constable**

And yet my sky shall not want.

**DAUPHIN**

That may be, for you bear a many superfluously, and 'twere more honour some were away.

**Constable**

Even as your horse bears your praises; who would trot as well, were some of your brags dismounted.

**DAUPHIN**

Would I were able to load him with his desert! Will it never be day? I will trot to-morrow a mile, and my way shall be paved with English faces.

**Constable**

I will not say so, for fear I should be faced out of my way: but I would it were morning; for I would fain be about the ears of the English.

**RAMBURES**

Who will go to hazard with me for twenty prisoners?

**Constable**

You must first go yourself to hazard, ere you have them.

**DAUPHIN**

'Tis midnight; I'll go arm myself.

*Exit*

**ORLEANS**

The Dauphin longs for morning.

**RAMBURES**

He longs to eat the English.

**Constable**

I think he will eat all he kills.

**ORLEANS**

By the white hand of my lady, he's a gallant prince.

**Constable**

Swear by her foot, that she may tread out the oath.

**ORLEANS**

He is simply the most active gentleman of France.

**Constable**

Doing is activity; and he will still be doing.

**ORLEANS**

He never did harm, that I heard of.

**Constable**

Nor will do none to-morrow: he will keep that good name still.

**ORLEANS**

I know him to be valiant.

**Constable**

I was told that by one that knows him better than you.

**ORLEANS**

What's he?

**Constable**

Marry, he told me so himself; and he said he cared not who knew it

**ORLEANS**

He needs not; it is no hidden virtue in him.

**Constable**

By my faith, sir, but it is; never any body saw it but his lackey: 'tis a hooded valour; and when it appears, it will bate.

**ORLEANS**

Ill will never said well.

**Constable**

I will cap that proverb with 'There is flattery in friendship.'

**ORLEANS**

And I will take up that with 'Give the devil his due.'

**Constable**

Well placed: there stands your friend for the devil: have at the very eye of that proverb with 'A pox of the devil.'

## **ORLEANS**

You are the better at proverbs, by how much 'A fool's bolt is soon shot.'

## **Constable**

You have shot over.

## **ORLEANS**

'Tis not the first time you were overshot.

*Enter a Messenger*

## **Messenger**

My lord high constable, the English lie within fifteen hundred paces of your tents.

## **Constable**

Who hath measured the ground?

## **Messenger**

The Lord Grandpre.

## **Constable**

A valiant and most expert gentleman. Would it were day! Alas, poor Harry of England! he longs not for the dawning as we do.

## **ORLEANS**

What a wretched and peevish fellow is this king of

England, to mope with his fat-brained followers so far out of his knowledge!

**Constable**

If the English had any apprehension, they would run away.

**ORLEANS**

That they lack; for if their heads had any intellectual armour, they could never wear such heavy head-pieces.

**RAMBURES**

That island of England breeds very valiant creatures; their mastiffs are of unmatchable courage.

**ORLEANS**

Foolish curs, that run winking into the mouth of a Russian bear and have their heads crushed like rotten apples! You may as well say, that's a valiant flea that dare eat his breakfast on the lip of a lion.

**Constable**

Just, just; and the men do sympathize with the mastiffs in robustious and rough coming on, leaving their wits with their wives: and then give them great meals of beef and iron and steel, they will eat like wolves and fight like devils.

**ORLEANS**

Ay, but these English are shrewdly out of beef.

**Constable**

Then shall we find to-morrow they have only stomachs to eat and none to fight. Now is it time to arm:

come, shall we about it?

## ORLEANS

It is now two o'clock: but, let me see, by ten  
We shall have each a hundred Englishmen.

*Exeunt*

## PROLOGUE

*Enter Chorus*

### Chorus

Now entertain conjecture of a time  
When creeping murmur and the poring dark  
Fills the wide vessel of the universe.  
From camp to camp through the foul womb of night  
The hum of either army stilly sounds,  
That the fixed sentinels almost receive  
The secret whispers of each other's watch:  
Fire answers fire, and through their paly flames  
Each battle sees the other's umber'd face;  
Steed threatens steed, in high and boastful neighs  
Piercing the night's dull ear, and from the tents  
The armourers, accomplishing the knights,  
With busy hammers closing rivets up,  
Give dreadful note of preparation:  
The country cocks do crow, the clocks do toll,  
And the third hour of drowsy morning name.  
Proud of their numbers and secure in soul,  
The confident and over-lusty French  
Do the low-rated English play at dice;  
And chide the cripple tardy-gaited night  
Who, like a foul and ugly witch, doth limp  
So tediously away. The poor condemned English,  
Like sacrifices, by their watchful fires  
Sit patiently and inly ruminate  
The morning's danger, and their gesture sad  
Investing lank-lean; cheeks and war-worn coats  
Presenteth them unto the gazing moon  
So many horrid ghosts. O now, who will behold  
The royal captain of this ruin'd band  
Walking from watch to watch, from tent to tent,  
Let him cry 'Praise and glory on his head!'

For forth he goes and visits all his host.  
Bids them good morrow with a modest smile  
And calls them brothers, friends and countrymen.  
Upon his royal face there is no note  
How dread an army hath enrouned him;  
Nor doth he dedicate one jot of colour  
Unto the weary and all-watched night,  
But freshly looks and over-bears attaint  
With cheerful semblance and sweet majesty;  
That every wretch, pining and pale before,  
Beholding him, plucks comfort from his looks:  
A largess universal like the sun  
His liberal eye doth give to every one,  
Thawing cold fear, that mean and gentle all,  
Behold, as may unworthiness define,  
A little touch of Harry in the night.  
And so our scene must to the battle fly;  
Where--O for pity!--we shall much disgrace  
With four or five most vile and ragged foils,  
Right ill-disposed in brawl ridiculous,  
The name of Agincourt. Yet sit and see,  
Minding true things by what their mockeries be.

*Exit*

## SCENE I. The English camp at Agincourt.

*Enter KING HENRY, BEDFORD, and GLOUCESTER*

### KING HENRY V

Gloucester, 'tis true that we are in great danger;  
The greater therefore should our courage be.  
Good morrow, brother Bedford. God Almighty!  
There is some soul of goodness in things evil,  
Would men observingly distil it out.  
For our bad neighbour makes us early stirrers,  
Which is both healthful and good husbandry:  
Besides, they are our outward consciences,  
And preachers to us all, admonishing  
That we should dress us fairly for our end.  
Thus may we gather honey from the weed,  
And make a moral of the devil himself.

*Enter ERPINGHAM*

Good morrow, old Sir Thomas Erpingham:  
A good soft pillow for that good white head  
Were better than a churlish turf of France.

### ERPINGHAM

Not so, my liege: this lodging likes me better,  
Since I may say 'Now lie I like a king.'

### KING HENRY V

'Tis good for men to love their present pains  
Upon example; so the spirit is eased:  
And when the mind is quicken'd, out of doubt,  
The organs, though defunct and dead before,

Break up their drowsy grave and newly move,  
With casted slough and fresh legerity.  
Lend me thy cloak, Sir Thomas. Brothers both,  
Commend me to the princes in our camp;  
Do my good morrow to them, and anon  
Desire them an to my pavilion.

## **GLOUCESTER**

We shall, my liege.

## **ERPINGHAM**

Shall I attend your grace?

## **KING HENRY V**

No, my good knight;  
Go with my brothers to my lords of England:  
I and my bosom must debate awhile,  
And then I would no other company.

## **ERPINGHAM**

The Lord in heaven bless thee, noble Harry!

*Exeunt all but KING HENRY*

## **KING HENRY V**

God-a-mercy, old heart! thou speak'st cheerfully.

*Enter PISTOL*

## **PISTOL**

Qui va la?

## **KING HENRY V**

A friend.

**PISTOL**

Discuss unto me; art thou officer?  
Or art thou base, common and popular?

**KING HENRY V**

I am a gentleman of a company.

**PISTOL**

Trail'st thou the puissant pike?

**KING HENRY V**

Even so. What are you?

**PISTOL**

As good a gentleman as the emperor.

**KING HENRY V**

Then you are a better than the king.

**PISTOL**

The king's a bawcock, and a heart of gold,  
A lad of life, an imp of fame;  
Of parents good, of fist most valiant.  
I kiss his dirty shoe, and from heart-string  
I love the lovely bully. What is thy name?

**KING HENRY V**

Harry le Roy.

**PISTOL**

Le Roy! a Cornish name: art thou of Cornish crew?

**KING HENRY V**

No, I am a Welshman.

**PISTOL**

Know'st thou Fluellen?

**KING HENRY V**

Yes.

**PISTOL**

Tell him, I'll knock his leek about his pate  
Upon Saint Davy's day.

**KING HENRY V**

Do not you wear your dagger in your cap that day,  
lest he knock that about yours.

**PISTOL**

Art thou his friend?

**KING HENRY V**

And his kinsman too.

**PISTOL**

The figo for thee, then!

**KING HENRY V**

I thank you: God be with you!

**PISTOL**

My name is Pistol call'd.

*Exit*

**KING HENRY V**

It sorts well with your fierceness.

*Enter FLUELLEN and GOWER*

**GOWER**

Captain Fluellen!

**FLUELLEN**

So! in the name of Jesu Christ, speak lower. It is the greatest admiration of the universal world, when the true and aunchient prerogatifes and laws of the wars is not kept: if you would take the pains but to examine the wars of Pompey the Great, you shall find, I warrant you, that there is no tiddle toddle nor pibble pabble in Pompey's camp; I warrant you, you shall find the ceremonies of the wars, and the cares of it, and the forms of it, and the sobriety of it, and the modesty of it, to be otherwise.

**GOWER**

Why, the enemy is loud; you hear him all night.

**FLUELLEN**

If the enemy is an ass and a fool and a prating coxcomb, is it meet, think you, that we should also, look you, be an ass and a fool and a prating coxcomb? in your own conscience, now?

**GOWER**

I will speak lower.

## **FLUELLEN**

I pray you and beseech you that you will.

*Exeunt GOWER and FLUELLEN*

## **KING HENRY V**

Though it appear a little out of fashion,  
There is much care and valour in this Welshman.

*Enter three soldiers, JOHN BATES, ALEXANDER COURT, and MICHAEL WILLIAMS*

## **COURT**

Brother John Bates, is not that the morning which  
breaks yonder?

## **BATES**

I think it be: but we have no great cause to desire  
the approach of day.

## **WILLIAMS**

We see yonder the beginning of the day, but I think  
we shall never see the end of it. Who goes there?

## **KING HENRY V**

A friend.

## **WILLIAMS**

Under what captain serve you?

## **KING HENRY V**

Under Sir Thomas Erpingham.

## **WILLIAMS**

A good old commander and a most kind gentleman: I pray you, what thinks he of our estate?

## **KING HENRY V**

Even as men wrecked upon a sand, that look to be washed off the next tide.

## **BATES**

He hath not told his thought to the king?

## **KING HENRY V**

No; nor it is not meet he should. For, though I speak it to you, I think the king is but a man, as I am: the violet smells to him as it doth to me: the element shows to him as it doth to me; all his senses have but human conditions: his ceremonies laid by, in his nakedness he appears but a man; and though his affections are higher mounted than ours, yet, when they stoop, they stoop with the like wing. Therefore when he sees reason of fears, as we do, his fears, out of doubt, be of the same relish as ours are: yet, in reason, no man should possess him with any appearance of fear, lest he, by showing it, should dishearten his army.

## **BATES**

He may show what outward courage he will; but I believe, as cold a night as 'tis, he could wish himself in Thames up to the neck; and so I would he were, and I by him, at all adventures, so we were quit here.

## **KING HENRY V**

By my troth, I will speak my conscience of the king: I think he would not wish himself any where but where he is.

## **BATES**

Then I would he were here alone; so should he be sure to be ransomed, and a many poor men's lives saved.

## **KING HENRY V**

I dare say you love him not so ill, to wish him here alone, howsoever you speak this to feel other men's minds: methinks I could not die any where so contented as in the king's company; his cause being just and his quarrel honourable.

## **WILLIAMS**

That's more than we know.

## **BATES**

Ay, or more than we should seek after; for we know enough, if we know we are the king's subjects: if his cause be wrong, our obedience to the king wipes the crime of it out of us.

## **WILLIAMS**

But if the cause be not good, the king himself hath a heavy reckoning to make, when all those legs and arms and heads, chopped off in battle, shall join together at the latter day and cry all 'We died at such a place;' some swearing, some crying for a surgeon, some upon their wives left poor behind them, some upon the debts they owe, some upon their children rawly left. I am afeard there are few die well that die in a battle; for how can they charitably dispose of any thing, when blood is their argument? Now, if these men do not die well, it will be a black matter for the king that led them to it; whom to disobey were against all proportion of subjection.

## KING HENRY V

So, if a son that is by his father sent about merchandise do sinfully miscarry upon the sea, the imputation of his wickedness by your rule, should be imposed upon his father that sent him: or if a servant, under his master's command transporting a sum of money, be assailed by robbers and die in many irreconciled iniquities, you may call the business of the master the author of the servant's damnation: but this is not so: the king is not bound to answer the particular endings of his soldiers, the father of his son, nor the master of his servant; for they purpose not their death, when they purpose their services. Besides, there is no king, be his cause never so spotless, if it come to the arbitrement of swords, can try it out with all unspotted soldiers: some peradventure have on them the guilt of premeditated and contrived murder; some, of beguiling virgins with the broken seals of perjury; some, making the wars their bulwark, that have before gored the gentle bosom of peace with pillage and robbery. Now, if these men have defeated the law and outrun native punishment, though they can outstrip men, they have no wings to fly from God: war is his beadle, war is vengeance; so that here men are punished for before-breach of the king's laws in now the king's quarrel: where they feared the death, they have borne life away; and where they would be safe, they perish: then if they die unprovided, no more is the king guilty of their damnation than he was before guilty of those impieties for the which they are now visited. Every subject's duty is the king's; but every subject's soul is his own. Therefore should every soldier in the wars do as every sick man in his bed, wash every mote out of his conscience: and dying so, death is to him advantage; or not dying, the time was blessedly lost wherein such preparation was gained: and in him that escapes, it were not sin to think that, making God so free an offer, He let him outlive that day to see His greatness and to teach others how they should prepare.

## **WILLIAMS**

'Tis certain, every man that dies ill, the ill upon his own head, the king is not to answer it.

## **BATES**

But I do not desire he should answer for me; and yet I determine to fight lustily for him.

## **KING HENRY V**

I myself heard the king say he would not be ransomed.

## **WILLIAMS**

Ay, he said so, to make us fight cheerfully: but when our throats are cut, he may be ransomed, and we ne'er the wiser.

## **KING HENRY V**

If I live to see it, I will never trust his word after.

## **WILLIAMS**

You pay him then. That's a perilous shot out of an elder-gun, that a poor and private displeasure can do against a monarch! you may as well go about to turn the sun to ice with fanning in his face with a peacock's feather. You'll never trust his word after! come, 'tis a foolish saying.

## **KING HENRY V**

Your reproof is something too round: I should be angry with you, if the time were convenient.

## **WILLIAMS**

Let it be a quarrel between us, if you live.

**KING HENRY V**

I embrace it.

**WILLIAMS**

How shall I know thee again?

**KING HENRY V**

Give me any gage of thine, and I will wear it in my bonnet: then, if ever thou darest acknowledge it, I will make it my quarrel.

**WILLIAMS**

Here's my glove: give me another of thine.

**KING HENRY V**

There.

**WILLIAMS**

This will I also wear in my cap: if ever thou come to me and say, after to-morrow, 'This is my glove,' by this hand, I will take thee a box on the ear.

**KING HENRY V**

If ever I live to see it, I will challenge it.

**WILLIAMS**

Thou darest as well be hanged.

**KING HENRY V**

Well. I will do it, though I take thee in the

king's company.

## **WILLIAMS**

Keep thy word: fare thee well.

## **BATES**

Be friends, you English fools, be friends: we have  
French quarrels enow, if you could tell how to reckon.

## **KING HENRY V**

Indeed, the French may lay twenty French crowns to  
one, they will beat us; for they bear them on their  
shoulders: but it is no English treason to cut  
French crowns, and to-morrow the king himself will  
be a clipper.

*Exeunt soldiers*

Upon the king! let us our lives, our souls,  
Our debts, our careful wives,  
Our children and our sins lay on the king!  
We must bear all. O hard condition,  
Twin-born with greatness, subject to the breath  
Of every fool, whose sense no more can feel  
But his own wringing! What infinite heart's-ease  
Must kings neglect, that private men enjoy!  
And what have kings, that privates have not too,  
Save ceremony, save general ceremony?  
And what art thou, thou idle ceremony?  
What kind of god art thou, that suffer'st more  
Of mortal griefs than do thy worshippers?  
What are thy rents? what are thy comings in?  
O ceremony, show me but thy worth!  
What is thy soul of adoration?  
Art thou aught else but place, degree and form,  
Creating awe and fear in other men?  
Wherein thou art less happy being fear'd  
Than they in fearing.  
What drink'st thou oft, instead of homage sweet,

But poison'd flattery? O, be sick, great greatness,  
And bid thy ceremony give thee cure!  
Think'st thou the fiery fever will go out  
With titles blown from adulation?  
Will it give place to flexure and low bending?  
Canst thou, when thou command'st the beggar's knee,  
Command the health of it? No, thou proud dream,  
That play'st so subtly with a king's repose;  
I am a king that find thee, and I know  
'Tis not the balm, the sceptre and the ball,  
The sword, the mace, the crown imperial,  
The intertissued robe of gold and pearl,  
The farced title running 'fore the king,  
The throne he sits on, nor the tide of pomp  
That beats upon the high shore of this world,  
No, not all these, thrice-gorgeous ceremony,  
Not all these, laid in bed majestical,  
Can sleep so soundly as the wretched slave,  
Who with a body fill'd and vacant mind  
Gets him to rest, cramm'd with distressful bread;  
Never sees horrid night, the child of hell,  
But, like a lackey, from the rise to set  
Sweats in the eye of Phoebus and all night  
Sleeps in Elysium; next day after dawn,  
Doth rise and help Hyperion to his horse,  
And follows so the ever-running year,  
With profitable labour, to his grave:  
And, but for ceremony, such a wretch,  
Winding up days with toil and nights with sleep,  
Had the fore-hand and vantage of a king.  
The slave, a member of the country's peace,  
Enjoys it; but in gross brain little wots  
What watch the king keeps to maintain the peace,  
Whose hours the peasant best advantages.

*Enter ERPINGHAM*

## **ERPINGHAM**

My lord, your nobles, jealous of your absence,  
Seek through your camp to find you.

## **KING HENRY V**

Good old knight,  
Collect them all together at my tent:  
I'll be before thee.

## **ERPINGHAM**

I shall do't, my lord.

*Exit*

## **KING HENRY V**

O God of battles! steel my soldiers' hearts;  
Possess them not with fear; take from them now  
The sense of reckoning, if the opposed numbers  
Pluck their hearts from them. Not to-day, O Lord,  
O, not to-day, think not upon the fault  
My father made in compassing the crown!  
I Richard's body have interred anew;  
And on it have bestow'd more contrite tears  
Than from it issued forced drops of blood:  
Five hundred poor I have in yearly pay,  
Who twice a-day their wither'd hands hold up  
Toward heaven, to pardon blood; and I have built  
Two chantries, where the sad and solemn priests  
Sing still for Richard's soul. More will I do;  
Though all that I can do is nothing worth,  
Since that my penitence comes after all,  
Imploring pardon.

*Enter GLOUCESTER*

## **GLOUCESTER**

My liege!

## **KING HENRY V**

My brother Gloucester's voice? Ay;  
I know thy errand, I will go with thee:  
The day, my friends and all things stay for me.

*Exeunt*

# The Life of King Henry the Fifth

[Shakespeare homepage](#) | [Henry V](#) | Act 4, Scene 2

[Previous scene](#) | [Next scene](#)

## SCENE II. The French camp.

*Enter the DAUPHIN, ORLEANS, RAMBURES, and others*

**ORLEANS**

The sun doth gild our armour; up, my lords!

**DAUPHIN**

Montez A cheval! My horse! varlet! laquais! ha!

**ORLEANS**

O brave spirit!

**DAUPHIN**

Via! les eaux et la terre.

**ORLEANS**

Rien puis? L'air et la feu.

**DAUPHIN**

Ciel, cousin Orleans.

*Enter Constable*

Now, my lord constable!

**Constable**

Hark, how our steeds for present service neigh!

## **DAUPHIN**

Mount them, and make incision in their hides,  
That their hot blood may spin in English eyes,  
And dout them with superfluous courage, ha!

## **RAMBURES**

What, will you have them weep our horses' blood?  
How shall we, then, behold their natural tears?

*Enter Messenger*

## **Messenger**

The English are embattled, you French peers.

## **Constable**

To horse, you gallant princes! straight to horse!  
Do but behold yon poor and starved band,  
And your fair show shall suck away their souls,  
Leaving them but the shales and husks of men.  
There is not work enough for all our hands;  
Scarce blood enough in all their sickly veins  
To give each naked curtle-axe a stain,  
That our French gallants shall to-day draw out,  
And sheathe for lack of sport: let us but blow on them,  
The vapour of our valour will o'erturn them.  
'Tis positive 'gainst all exceptions, lords,  
That our superfluous lackeys and our peasants,  
Who in unnecessary action swarm  
About our squares of battle, were enow  
To purge this field of such a hilding foe,  
Though we upon this mountain's basis by  
Took stand for idle speculation:  
But that our honours must not. What's to say?  
A very little little let us do.  
And all is done. Then let the trumpets sound  
The tucket sonance and the note to mount;  
For our approach shall so much dare the field

That England shall couch down in fear and yield.

*Enter GRANDPRE*

## **GRANDPRE**

Why do you stay so long, my lords of France?  
Yon island carrions, desperate of their bones,  
Ill-favouredly become the morning field:  
Their ragged curtains poorly are let loose,  
And our air shakes them passing scornfully:  
Big Mars seems bankrupt in their beggar'd host  
And faintly through a rusty beaver peeps:  
The horsemen sit like fixed candlesticks,  
With torch-staves in their hand; and their poor jades  
Lob down their heads, dropping the hides and hips,  
The gum down-roping from their pale-dead eyes  
And in their pale dull mouths the gimmel bit  
Lies foul with chew'd grass, still and motionless;  
And their executors, the knavish crows,  
Fly o'er them, all impatient for their hour.  
Description cannot suit itself in words  
To demonstrate the life of such a battle  
In life so lifeless as it shows itself.

## **Constable**

They have said their prayers, and they stay for death.

## **DAUPHIN**

Shall we go send them dinners and fresh suits  
And give their fasting horses provender,  
And after fight with them?

## **Constable**

I stay but for my guidon: to the field!  
I will the banner from a trumpet take,  
And use it for my haste. Come, come, away!  
The sun is high, and we outwear the day.

*Exeunt*

## SCENE III. The English camp.

*Enter GLOUCESTER, BEDFORD, EXETER, ERPINGHAM, with all his host:  
SALISBURY and WESTMORELAND*

### GLOUCESTER

Where is the king?

### BEDFORD

The king himself is rode to view their battle.

### WESTMORELAND

Of fighting men they have full three score thousand.

### EXETER

There's five to one; besides, they all are fresh.

### SALISBURY

God's arm strike with us! 'tis a fearful odds.  
God be wi' you, princes all; I'll to my charge:  
If we no more meet till we meet in heaven,  
Then, joyfully, my noble Lord of Bedford,  
My dear Lord Gloucester, and my good Lord Exeter,  
And my kind kinsman, warriors all, adieu!

### BEDFORD

Farewell, good Salisbury; and good luck go with thee!

### EXETER

Farewell, kind lord; fight valiantly to-day:  
And yet I do thee wrong to mind thee of it,  
For thou art framed of the firm truth of valour.

*Exit SALISBURY*

## **BEDFORD**

He is full of valour as of kindness;  
Princely in both.

*Enter the KING*

## **WESTMORELAND**

O that we now had here  
But one ten thousand of those men in England  
That do no work to-day!

## **KING HENRY V**

What's he that wishes so?  
My cousin Westmoreland? No, my fair cousin:  
If we are mark'd to die, we are enow  
To do our country loss; and if to live,  
The fewer men, the greater share of honour.  
God's will! I pray thee, wish not one man more.  
By Jove, I am not covetous for gold,  
Nor care I who doth feed upon my cost;  
It yearns me not if men my garments wear;  
Such outward things dwell not in my desires:  
But if it be a sin to covet honour,  
I am the most offending soul alive.  
No, faith, my coz, wish not a man from England:  
God's peace! I would not lose so great an honour  
As one man more, methinks, would share from me  
For the best hope I have. O, do not wish one more!  
Rather proclaim it, Westmoreland, through my host,  
That he which hath no stomach to this fight,  
Let him depart; his passport shall be made  
And crowns for convoy put into his purse:  
We would not die in that man's company

That fears his fellowship to die with us.  
This day is called the feast of Crispian:  
He that outlives this day, and comes safe home,  
Will stand a tip-toe when the day is named,  
And rouse him at the name of Crispian.  
He that shall live this day, and see old age,  
Will yearly on the vigil feast his neighbours,  
And say 'To-morrow is Saint Crispian:'  
Then will he strip his sleeve and show his scars.  
And say 'These wounds I had on Crispin's day.'  
Old men forget: yet all shall be forgot,  
But he'll remember with advantages  
What feats he did that day: then shall our names  
Familiar in his mouth as household words  
Harry the king, Bedford and Exeter,  
Warwick and Talbot, Salisbury and Gloucester,  
Be in their flowing cups freshly remember'd.  
This story shall the good man teach his son;  
And Crispin Crispian shall ne'er go by,  
From this day to the ending of the world,  
But we in it shall be remember'd;  
We few, we happy few, we band of brothers;  
For he to-day that sheds his blood with me  
Shall be my brother; be he ne'er so vile,  
This day shall gentle his condition:  
And gentlemen in England now a-bed  
Shall think themselves accursed they were not here,  
And hold their manhoods cheap whiles any speaks  
That fought with us upon Saint Crispin's day.

*Re-enter SALISBURY*

## **SALISBURY**

My sovereign lord, bestow yourself with speed:  
The French are bravely in their battles set,  
And will with all expedience charge on us.

## **KING HENRY V**

All things are ready, if our minds be so.

## **WESTMORELAND**

Perish the man whose mind is backward now!

## **KING HENRY V**

Thou dost not wish more help from England, coz?

## **WESTMORELAND**

God's will! my liege, would you and I alone,  
Without more help, could fight this royal battle!

## **KING HENRY V**

Why, now thou hast unwish'd five thousand men;  
Which likes me better than to wish us one.  
You know your places: God be with you all!

*Tucket. Enter MONTJOY*

## **MONTJOY**

Once more I come to know of thee, King Harry,  
If for thy ransom thou wilt now compound,  
Before thy most assured overthrow:  
For certainly thou art so near the gulf,  
Thou needs must be englutted. Besides, in mercy,  
The constable desires thee thou wilt mind  
Thy followers of repentance; that their souls  
May make a peaceful and a sweet retire  
From off these fields, where, wretches, their poor bodies  
Must lie and fester.

## **KING HENRY V**

Who hath sent thee now?

## **MONTJOY**

The Constable of France.

## **KING HENRY V**

I pray thee, bear my former answer back:  
Bid them achieve me and then sell my bones.  
Good God! why should they mock poor fellows thus?  
The man that once did sell the lion's skin  
While the beast lived, was killed with hunting him.  
A many of our bodies shall no doubt  
Find native graves; upon the which, I trust,  
Shall witness live in brass of this day's work:  
And those that leave their valiant bones in France,  
Dying like men, though buried in your dunghills,  
They shall be famed; for there the sun shall greet them,  
And draw their honours reeking up to heaven;  
Leaving their earthly parts to choke your clime,  
The smell whereof shall breed a plague in France.  
Mark then abounding valour in our English,  
That being dead, like to the bullet's grazing,  
Break out into a second course of mischief,  
Killing in relapse of mortality.  
Let me speak proudly: tell the constable  
We are but warriors for the working-day;  
Our gayness and our gilt are all besmirch'd  
With rainy marching in the painful field;  
There's not a piece of feather in our host--  
Good argument, I hope, we will not fly--  
And time hath worn us into slovenry:  
But, by the mass, our hearts are in the trim;  
And my poor soldiers tell me, yet ere night  
They'll be in fresher robes, or they will pluck  
The gay new coats o'er the French soldiers' heads  
And turn them out of service. If they do this,--  
As, if God please, they shall,--my ransom then  
Will soon be levied. Herald, save thou thy labour;  
Come thou no more for ransom, gentle herald:  
They shall have none, I swear, but these my joints;  
Which if they have as I will leave 'em them,  
Shall yield them little, tell the constable.

## **MONTJOY**

I shall, King Harry. And so fare thee well:

Thou never shalt hear herald any more.

*Exit*

**KING HENRY V**

I fear thou'lt once more come again for ransom.

*Enter YORK*

**YORK**

My lord, most humbly on my knee I beg  
The leading of the vaward.

**KING HENRY V**

Take it, brave York. Now, soldiers, march away:  
And how thou pleasest, God, dispose the day!

*Exeunt*

## SCENE IV. The field of battle.

*Alarum. Excursions. Enter PISTOL, French Soldier, and Boy*

**PISTOL**

Yield, cur!

**French Soldier**

Je pense que vous etes gentilhomme de bonne qualite.

**PISTOL**

Qualitie calmie custure me! Art thou a gentleman?  
what is thy name? discuss.

**French Soldier**

O Seigneur Dieu!

**PISTOL**

O, Signieur Dew should be a gentleman:  
Perpend my words, O Signieur Dew, and mark;  
O Signieur Dew, thou diest on point of fox,  
Except, O signieur, thou do give to me  
Egregious ransom.

**French Soldier**

O, prenez misericorde! ayez pitie de moi!

**PISTOL**

Moy shall not serve; I will have forty moys;  
Or I will fetch thy rim out at thy throat  
In drops of crimson blood.

**French Soldier**

Est-il impossible d'echapper la force de ton bras?

**PISTOL**

Brass, cur!  
Thou damned and luxurious mountain goat,  
Offer'st me brass?

**French Soldier**

O pardonnez moi!

**PISTOL**

Say'st thou me so? is that a ton of moys?  
Come hither, boy: ask me this slave in French  
What is his name.

**Boy**

Ecoutez: comment etes-vous appele?

**French Soldier**

Monsieur le Fer.

**Boy**

He says his name is Master Fer.

**PISTOL**

Master Fer! I'll fer him, and firk him, and ferret  
him: discuss the same in French unto him.

**Boy**

I do not know the French for fer, and ferret, and firk.

**PISTOL**

Bid him prepare; for I will cut his throat.

**French Soldier**

Que dit-il, monsieur?

**Boy**

Il me commande de vous dire que vous faites vous  
pret; car ce soldat ici est dispose tout a cette  
heure de couper votre gorge.

**PISTOL**

Owy, cuppele gorge, permafoy,  
Peasant, unless thou give me crowns, brave crowns;  
Or mangled shalt thou be by this my sword.

**French Soldier**

O, je vous supplie, pour l'amour de Dieu, me  
pardonner! Je suis gentilhomme de bonne maison:  
gardez ma vie, et je vous donnerai deux cents ecus.

**PISTOL**

What are his words?

**Boy**

He prays you to save his life: he is a gentleman of  
a good house; and for his ransom he will give you  
two hundred crowns.

**PISTOL**

Tell him my fury shall abate, and I the crowns will take.

**French Soldier**

Petit monsieur, que dit-il?

**Boy**

Encore qu'il est contre son jurement de pardonner  
aucun prisonnier, néanmoins, pour les ecus que vous  
l'avez promis, il est content de vous donner la  
liberte, le franchisement.

**French Soldier**

Sur mes genoux je vous donne mille remercimens; et  
je m'estime heureux que je suis tombe entre les  
mains d'un chevalier, je pense, le plus brave,  
vaillant, et tres distingue seigneur d'Angleterre.

**PISTOL**

Expound unto me, boy.

**Boy**

He gives you, upon his knees, a thousand thanks; and  
he esteems himself happy that he hath fallen into  
the hands of one, as he thinks, the most brave,  
valorous, and thrice-worthy signieur of England.

**PISTOL**

As I suck blood, I will some mercy show.  
Follow me!

**Boy**

Suivez-vous le grand capitaine.

*Exeunt PISTOL, and French Soldier*

I did never know so full a voice issue from so empty a heart: but the saying is true 'The empty vessel makes the greatest sound.' Bardolph and Nym had ten times more valour than this roaring devil i' the old play, that every one may pare his nails with a wooden dagger; and they are both hanged; and so would this be, if he durst steal any thing adventurously. I must stay with the lackeys, with the luggage of our camp: the French might have a good prey of us, if he knew of it; for there is none to guard it but boys.

*Exit*

## SCENE V. Another part of the field.

*Enter Constable, ORLEANS, BOURBON, DAUPHIN, and RAMBURES*

**Constable**

O diable!

**ORLEANS**

O seigneur! le jour est perdu, tout est perdu!

**DAUPHIN**

Mort de ma vie! all is confounded, all!  
Reproach and everlasting shame  
Sits mocking in our plumes. O merchant fortune!  
Do not run away.

*A short alarum*

**Constable**

Why, all our ranks are broke.

**DAUPHIN**

O perdurable shame! let's stab ourselves.  
Be these the wretches that we play'd at dice for?

**ORLEANS**

Is this the king we sent to for his ransom?

**BOURBON**

Shame and eternal shame, nothing but shame!  
Let us die in honour: once more back again;  
And he that will not follow Bourbon now,  
Let him go hence, and with his cap in hand,  
Like a base pander, hold the chamber-door  
Whilst by a slave, no gentler than my dog,  
His fairest daughter is contaminated.

### **Constable**

Disorder, that hath spoil'd us, friend us now!  
Let us on heaps go offer up our lives.

### **ORLEANS**

We are enow yet living in the field  
To smother up the English in our throngs,  
If any order might be thought upon.

### **BOURBON**

The devil take order now! I'll to the throng:  
Let life be short; else shame will be too long.

*Exeunt*

## SCENE VI. Another part of the field.

*Alarums. Enter KING HENRY and forces, EXETER, and others*

### KING HENRY V

Well have we done, thrice valiant countrymen:  
But all's not done; yet keep the French the field.

### EXETER

The Duke of York commends him to your majesty.

### KING HENRY V

Lives he, good uncle? thrice within this hour  
I saw him down; thrice up again and fighting;  
From helmet to the spur all blood he was.

### EXETER

In which array, brave soldier, doth he lie,  
Larding the plain; and by his bloody side,  
Yoke-fellow to his honour-owing wounds,  
The noble Earl of Suffolk also lies.  
Suffolk first died: and York, all haggled over,  
Comes to him, where in gore he lay insteep'd,  
And takes him by the beard; kisses the gashes  
That bloodily did spawn upon his face;  
And cries aloud 'Tarry, dear cousin Suffolk!  
My soul shall thine keep company to heaven;  
Tarry, sweet soul, for mine, then fly abreast,  
As in this glorious and well-foughten field  
We kept together in our chivalry!  
Upon these words I came and cheer'd him up:  
He smiled me in the face, raught me his hand,

And, with a feeble gripe, says 'Dear my lord,  
Commend my service to me sovereign.'  
So did he turn and over Suffolk's neck  
He threw his wounded arm and kiss'd his lips;  
And so espoused to death, with blood he seal'd  
A testament of noble-ending love.  
The pretty and sweet manner of it forced  
Those waters from me which I would have stopp'd;  
But I had not so much of man in me,  
And all my mother came into mine eyes  
And gave me up to tears.

## **KING HENRY V**

I blame you not;  
For, hearing this, I must perforce compound  
With mistful eyes, or they will issue too.

*Alarum*

But, hark! what new alarum is this same?  
The French have reinforced their scatter'd men:  
Then every soldier kill his prisoners:  
Give the word through.

*Exeunt*

[Shakespeare homepage](#) | [Henry V](#) | Act 4, Scene 7

[Previous scene](#) | [Next scene](#)

## SCENE VII. Another part of the field.

*Enter FLUELLEN and GOWER*

**FLUELLEN**

Kill the poys and the luggage! 'tis expressly against the law of arms: 'tis as arrant a piece of knavery, mark you now, as can be offer't; in your conscience, now, is it not?

**GOWER**

'Tis certain there's not a boy left alive; and the cowardly rascals that ran from the battle ha' done this slaughter: besides, they have burned and carried away all that was in the king's tent; wherefore the king, most worthily, hath caused every soldier to cut his prisoner's throat. O, 'tis a gallant king!

**FLUELLEN**

Ay, he was porn at Monmouth, Captain Gower. What call you the town's name where Alexander the Pig was born!

**GOWER**

Alexander the Great.

**FLUELLEN**

Why, I pray you, is not pig great? the pig, or the great, or the mighty, or the huge, or the magnanimous, are all one reckonings, save the phrase is a little variations.

## **GOWER**

I think Alexander the Great was born in Macedon; his father was called Philip of Macedon, as I take it.

## **FLUELLEN**

I think it is in Macedon where Alexander is born. I tell you, captain, if you look in the maps of the world, I warrant you shall find, in the comparisons between Macedon and Monmouth, that the situations, look you, is both alike. There is a river in Macedon; and there is also moreover a river at Monmouth: it is called Wye at Monmouth; but it is out of my prains what is the name of the other river; but 'tis all one, 'tis alike as my fingers is to my fingers, and there is salmons in both. If you mark Alexander's life well, Harry of Monmouth's life is come after it indifferent well; for there is figures in all things. Alexander, God knows, and you know, in his rages, and his furies, and his wraths, and his cholers, and his moods, and his displeasures, and his indignations, and also being a little intoxicates in his prains, did, in his ales and his angers, look you, kill his best friend, Cleitus.

## **GOWER**

Our king is not like him in that: he never killed any of his friends.

## **FLUELLEN**

It is not well done, mark you now take the tales out of my mouth, ere it is made and finished. I speak but in the figures and comparisons of it: as Alexander killed his friend Cleitus, being in his ales and his cups; so also Harry Monmouth, being in his right wits and his good judgments, turned away the fat knight with the great belly-doublet: he was full of jests, and gipes, and knaveries, and

mocks; I have forgot his name.

**GOWER**

Sir John Falstaff.

**FLUELLEN**

That is he: I'll tell you there is good men porn at Monmouth.

**GOWER**

Here comes his majesty.

*Alarum. Enter KING HENRY, and forces; WARWICK, GLOUCESTER, EXETER, and others*

**KING HENRY V**

I was not angry since I came to France  
Until this instant. Take a trumpet, herald;  
Ride thou unto the horsemen on yon hill:  
If they will fight with us, bid them come down,  
Or void the field; they do offend our sight:  
If they'll do neither, we will come to them,  
And make them skirr away, as swift as stones  
Enforced from the old Assyrian slings:  
Besides, we'll cut the throats of those we have,  
And not a man of them that we shall take  
Shall taste our mercy. Go and tell them so.

*Enter MONTJOY*

**EXETER**

Here comes the herald of the French, my liege.

**GLOUCESTER**

His eyes are humbler than they used to be.

## **KING HENRY V**

How now! what means this, herald? know'st thou not  
That I have fined these bones of mine for ransom?  
Comest thou again for ransom?

## **MONTJOY**

No, great king:  
I come to thee for charitable licence,  
That we may wander o'er this bloody field  
To look our dead, and then to bury them;  
To sort our nobles from our common men.  
For many of our princes--woe the while!--  
Lie drown'd and soak'd in mercenary blood;  
So do our vulgar drench their peasant limbs  
In blood of princes; and their wounded steeds  
Fret fetlock deep in gore and with wild rage  
Yerk out their armed heels at their dead masters,  
Killing them twice. O, give us leave, great king,  
To view the field in safety and dispose  
Of their dead bodies!

## **KING HENRY V**

I tell thee truly, herald,  
I know not if the day be ours or no;  
For yet a many of your horsemen peer  
And gallop o'er the field.

## **MONTJOY**

The day is yours.

## **KING HENRY V**

Praised be God, and not our strength, for it!  
What is this castle call'd that stands hard by?

## **MONTJOY**

They call it Agincourt.

**KING HENRY V**

Then call we this the field of Agincourt,  
Fought on the day of Crispin Crispianus.

**FLUELLEN**

Your grandfather of famous memory, an't please your  
majesty, and your great-uncle Edward the Plack  
Prince of Wales, as I have read in the chronicles,  
fought a most prave pattle here in France.

**KING HENRY V**

They did, Fluellen.

**FLUELLEN**

Your majesty says very true: if your majesties is  
remembered of it, the Welshmen did good service in a  
garden where leeks did grow, wearing leeks in their  
Monmouth caps; which, your majesty know, to this  
hour is an honourable badge of the service; and I do  
believe your majesty takes no scorn to wear the leek  
upon Saint Tavy's day.

**KING HENRY V**

I wear it for a memorable honour;  
For I am Welsh, you know, good countryman.

**FLUELLEN**

All the water in Wye cannot wash your majesty's  
Welsh plood out of your pody, I can tell you that:  
God pless it and preserve it, as long as it pleases  
his grace, and his majesty too!

**KING HENRY V**

Thanks, good my countryman.

## **FLUELLEN**

By Jeshu, I am your majesty's countryman, I care not  
who know it; I will confess it to all the 'orld: I  
need not to be ashamed of your majesty, praised be  
God, so long as your majesty is an honest man.

## **KING HENRY V**

God keep me so! Our heralds go with him:  
Bring me just notice of the numbers dead  
On both our parts. Call yonder fellow hither.

*Points to WILLIAMS. Exeunt Heralds with Montjoy*

## **EXETER**

Soldier, you must come to the king.

## **KING HENRY V**

Soldier, why wearest thou that glove in thy cap?

## **WILLIAMS**

An't please your majesty, 'tis the gage of one that  
I should fight withal, if he be alive.

## **KING HENRY V**

An Englishman?

## **WILLIAMS**

An't please your majesty, a rascal that swaggered  
with me last night; who, if alive and ever dare to  
challenge this glove, I have sworn to take him a box  
o' th' ear: or if I can see my glove in his cap,  
which he swore, as he was a soldier, he would wear

if alive, I will strike it out soundly.

**KING HENRY V**

What think you, Captain Fluellen? is it fit this soldier keep his oath?

**FLUELLEN**

He is a craven and a villain else, an't please your majesty, in my conscience.

**KING HENRY V**

It may be his enemy is a gentleman of great sort, quite from the answer of his degree.

**FLUELLEN**

Though he be as good a gentleman as the devil is, as Lucifer and Belzebub himself, it is necessary, look your grace, that he keep his vow and his oath: if he be perjured, see you now, his reputation is as arrant a villain and a Jacksauce, as ever his black shoe trod upon God's ground and his earth, in my conscience, la!

**KING HENRY V**

Then keep thy vow, sirrah, when thou meetest the fellow.

**WILLIAMS**

So I will, my liege, as I live.

**KING HENRY V**

Who servest thou under?

**WILLIAMS**

Under Captain Gower, my liege.

**FLUELLEN**

Gower is a good captain, and is good knowledge and literated in the wars.

**KING HENRY V**

Call him hither to me, soldier.

**WILLIAMS**

I will, my liege.

*Exit*

**KING HENRY V**

Here, Fluellen; wear thou this favour for me and stick it in thy cap: when Alencon and myself were down together, I plucked this glove from his helm: if any man challenge this, he is a friend to Alencon, and an enemy to our person; if thou encounter any such, apprehend him, an thou dost me love.

**FLUELLEN**

Your grace doo's me as great honours as can be desired in the hearts of his subjects: I would fain see the man, that has but two legs, that shall find himself aggrieved at this glove; that is all; but I would fain see it once, an please God of his grace that I might see.

**KING HENRY V**

Knowest thou Gower?

**FLUELLEN**

He is my dear friend, an please you.

**KING HENRY V**

Pray thee, go seek him, and bring him to my tent.

**FLUELLEN**

I will fetch him.

*Exit*

**KING HENRY V**

My Lord of Warwick, and my brother Gloucester,  
Follow Fluellen closely at the heels:  
The glove which I have given him for a favour  
May haply purchase him a box o' th' ear;  
It is the soldier's; I by bargain should  
Wear it myself. Follow, good cousin Warwick:  
If that the soldier strike him, as I judge  
By his blunt bearing he will keep his word,  
Some sudden mischief may arise of it;  
For I do know Fluellen valiant  
And, touched with choler, hot as gunpowder,  
And quickly will return an injury:  
Follow and see there be no harm between them.  
Go you with me, uncle of Exeter.

*Exeunt*

## SCENE VIII. Before KING HENRY'S pavilion.

*Enter GOWER and WILLIAMS*

**WILLIAMS**

I warrant it is to knight you, captain.

*Enter FLUELLEN*

**FLUELLEN**

God's will and his pleasure, captain, I beseech you now, come apace to the king: there is more good toward you peradventure than is in your knowledge to dream of.

**WILLIAMS**

Sir, know you this glove?

**FLUELLEN**

Know the glove! I know the glove is glove.

**WILLIAMS**

I know this; and thus I challenge it.

*Strikes him*

**FLUELLEN**

'Sblood! an arrant traitor as any is in the universal world, or in France, or in England!

**GOWER**

How now, sir! you villain!

**WILLIAMS**

Do you think I'll be forsworn?

**FLUELLEN**

Stand away, Captain Gower; I will give treason his payment into ploughs, I warrant you.

**WILLIAMS**

I am no traitor.

**FLUELLEN**

That's a lie in thy throat. I charge you in his majesty's name, apprehend him: he's a friend of the Duke Alencon's.

*Enter WARWICK and GLOUCESTER*

**WARWICK**

How now, how now! what's the matter?

**FLUELLEN**

My Lord of Warwick, here is--praised be God for it! --a most contagious treason come to light, look you, as you shall desire in a summer's day. Here is his majesty.

*Enter KING HENRY and EXETER*

**KING HENRY V**

How now! what's the matter?

## **FLUELLEN**

My liege, here is a villain and a traitor, that,  
look your grace, has struck the glove which your  
majesty is take out of the helmet of Alencon.

## **WILLIAMS**

My liege, this was my glove; here is the fellow of  
it; and he that I gave it to in change promised to  
wear it in his cap: I promised to strike him, if he  
did: I met this man with my glove in his cap, and I  
have been as good as my word.

## **FLUELLEN**

Your majesty hear now, saving your majesty's  
manhood, what an arrant, rascally, beggarly, lousy  
knave it is: I hope your majesty is pear me  
testimony and witness, and will avouchment, that  
this is the glove of Alencon, that your majesty is  
give me; in your conscience, now?

## **KING HENRY V**

Give me thy glove, soldier: look, here is the  
fellow of it.  
'Twas I, indeed, thou promised'st to strike;  
And thou hast given me most bitter terms.

## **FLUELLEN**

An please your majesty, let his neck answer for it,  
if there is any martial law in the world.

## **KING HENRY V**

How canst thou make me satisfaction?

## **WILLIAMS**

All offences, my lord, come from the heart: never  
came any from mine that might offend your majesty.

**KING HENRY V**

It was ourself thou didst abuse.

**WILLIAMS**

Your majesty came not like yourself: you appeared to  
me but as a common man; witness the night, your  
garments, your lowliness; and what your highness  
suffered under that shape, I beseech you take it for  
your own fault and not mine: for had you been as I  
took you for, I made no offence; therefore, I  
beseech your highness, pardon me.

**KING HENRY V**

Here, uncle Exeter, fill this glove with crowns,  
And give it to this fellow. Keep it, fellow;  
And wear it for an honour in thy cap  
Till I do challenge it. Give him the crowns:  
And, captain, you must needs be friends with him.

**FLUELLEN**

By this day and this light, the fellow has mettle  
enough in his belly. Hold, there is twelve pence  
for you; and I pray you to serve Got, and keep you  
out of prawls, and prabbles' and quarrels, and  
dissensions, and, I warrant you, it is the better for you.

**WILLIAMS**

I will none of your money.

**FLUELLEN**

It is with a good will; I can tell you, it will  
serve you to mend your shoes: come, wherefore should

you be so pashful? your shoes is not so good: 'tis  
a good silling, I warrant you, or I will change it.

*Enter an English Herald*

**KING HENRY V**

Now, herald, are the dead number'd?

**Herald**

Here is the number of the slaughter'd French.

**KING HENRY V**

What prisoners of good sort are taken, uncle?

**EXETER**

Charles Duke of Orleans, nephew to the king;  
John Duke of Bourbon, and Lord Bouciqualt:  
Of other lords and barons, knights and squires,  
Full fifteen hundred, besides common men.

**KING HENRY V**

This note doth tell me of ten thousand French  
That in the field lie slain: of princes, in this number,  
And nobles bearing banners, there lie dead  
One hundred twenty six: added to these,  
Of knights, esquires, and gallant gentlemen,  
Eight thousand and four hundred; of the which,  
Five hundred were but yesterday dubb'd knights:  
So that, in these ten thousand they have lost,  
There are but sixteen hundred mercenaries;  
The rest are princes, barons, lords, knights, squires,  
And gentlemen of blood and quality.  
The names of those their nobles that lie dead:  
Charles Delabreth, high constable of France;  
Jaques of Chatillon, admiral of France;  
The master of the cross-bows, Lord Rambures;  
Great Master of France, the brave Sir Guichard Dolphin,

John Duke of Alencon, Anthony Duke of Brabant,  
The brother of the Duke of Burgundy,  
And Edward Duke of Bar: of lusty earls,  
Grandpre and Roussi, Fauconberg and Foix,  
Beaumont and Marle, Vaudemont and Lestrals.  
Here was a royal fellowship of death!  
Where is the number of our English dead?

*Herald shews him another paper*

Edward the Duke of York, the Earl of Suffolk,  
Sir Richard Ketly, Davy Gam, esquire:  
None else of name; and of all other men  
But five and twenty. O God, thy arm was here;  
And not to us, but to thy arm alone,  
Ascribe we all! When, without stratagem,  
But in plain shock and even play of battle,  
Was ever known so great and little loss  
On one part and on the other? Take it, God,  
For it is none but thine!

## **EXETER**

'Tis wonderful!

## **KING HENRY V**

Come, go we in procession to the village.  
And be it death proclaimed through our host  
To boast of this or take the praise from God  
Which is his only.

## **FLUELLEN**

Is it not lawful, an please your majesty, to tell  
how many is killed?

## **KING HENRY V**

Yes, captain; but with this acknowledgement,  
That God fought for us.

## FLUELLEN

Yes, my conscience, he did us great good.

## KING HENRY V

Do we all holy rites;  
Let there be sung 'Non nobis' and 'Te Deum';  
The dead with charity enclosed in clay:  
And then to Calais; and to England then:  
Where ne'er from France arrived more happy men.

*Exeunt*

## PROLOGUE

*Enter Chorus*

### Chorus

Vouchsafe to those that have not read the story,  
That I may prompt them: and of such as have,  
I humbly pray them to admit the excuse  
Of time, of numbers and due course of things,  
Which cannot in their huge and proper life  
Be here presented. Now we bear the king  
Toward Calais: grant him there; there seen,  
Heave him away upon your winged thoughts  
Athwart the sea. Behold, the English beach  
Pales in the flood with men, with wives and boys,  
Whose shouts and claps out-voice the deep mouth'd sea,  
Which like a mighty whiffler 'fore the king  
Seems to prepare his way: so let him land,  
And solemnly see him set on to London.  
So swift a pace hath thought that even now  
You may imagine him upon Blackheath;  
Where that his lords desire him to have borne  
His bruised helmet and his bended sword  
Before him through the city: he forbids it,  
Being free from vainness and self-glorious pride;  
Giving full trophy, signal and ostent  
Quite from himself to God. But now behold,  
In the quick forge and working-house of thought,  
How London doth pour out her citizens!  
The mayor and all his brethren in best sort,  
Like to the senators of the antique Rome,  
With the plebeians swarming at their heels,  
Go forth and fetch their conquering Caesar in:  
As, by a lower but loving likelihood,  
Were now the general of our gracious empress,  
As in good time he may, from Ireland coming,

Bringing rebellion broached on his sword,  
How many would the peaceful city quit,  
To welcome him! much more, and much more cause,  
Did they this Harry. Now in London place him;  
As yet the lamentation of the French  
Invites the King of England's stay at home;  
The emperor's coming in behalf of France,  
To order peace between them; and omit  
All the occurrences, whatever chanced,  
Till Harry's back-return again to France:  
There must we bring him; and myself have play'd  
The interim, by remembering you 'tis past.  
Then brook abridgment, and your eyes advance,  
After your thoughts, straight back again to France.

*Exit*

## SCENE I. France. The English camp.

*Enter FLUELLEN and GOWER*

### GOWER

Nay, that's right; but why wear you your leek today?  
Saint Davy's day is past.

### FLUELLEN

There is occasions and causes why and wherefore in  
all things: I will tell you, asse my friend,  
Captain Gower: the rascally, scald, beggarly,  
lousy, praggling knave, Pistol, which you and  
yourself and all the world know to be no petter  
than a fellow, look you now, of no merits, he is  
come to me and prings me pread and salt yesterday,  
look you, and bid me eat my leek: it was in place  
where I could not breed no contention with him; but  
I will be so bold as to wear it in my cap till I see  
him once again, and then I will tell him a little  
piece of my desires.

*Enter PISTOL*

### GOWER

Why, here he comes, swelling like a turkey-cock.

### FLUELLEN

'Tis no matter for his swellings nor his  
turkey-cocks. God pless you, Aunchient Pistol! you  
scurvy, lousy knave, God pless you!

## **PISTOL**

Ha! art thou bedlam? dost thou thirst, base Trojan,  
To have me fold up Parca's fatal web?  
Hence! I am qualmish at the smell of leek.

## **FLUELLEN**

I peseech you heartily, scurvy, lousy knave, at my  
desires, and my requests, and my petitions, to eat,  
look you, this leek: because, look you, you do not  
love it, nor your affections and your appetites and  
your digestions doo's not agree with it, I would  
desire you to eat it.

## **PISTOL**

Not for Cadwallader and all his goats.

## **FLUELLEN**

There is one goat for you.

*Strikes him*

Will you be so good, scauld knave, as eat it?

## **PISTOL**

Base Trojan, thou shalt die.

## **FLUELLEN**

You say very true, scauld knave, when God's will is:  
I will desire you to live in the mean time, and eat  
your victuals: come, there is sauce for it.

*Strikes him*

You called me yesterday mountain-squire; but I will  
make you to-day a squire of low degree. I pray you,

fall to: if you can mock a leek, you can eat a leek.

**GOWER**

Enough, captain: you have astonished him.

**FLUELLEN**

I say, I will make him eat some part of my leek, or  
I will peat his pate four days. Bite, I pray you; it  
is good for your green wound and your ploody coxcomb.

**PISTOL**

Must I bite?

**FLUELLEN**

Yes, certainly, and out of doubt and out of question  
too, and ambiguities.

**PISTOL**

By this leek, I will most horribly revenge: I eat  
and eat, I swear--

**FLUELLEN**

Eat, I pray you: will you have some more sauce to  
your leek? there is not enough leek to swear by.

**PISTOL**

Quiet thy cudgel; thou dost see I eat.

**FLUELLEN**

Much good do you, scauld knave, heartily. Nay, pray  
you, throw none away; the skin is good for your  
broken coxcomb. When you take occasions to see leeks  
hereafter, I pray you, mock at 'em; that is all.

**PISTOL**

Good.

**FLUELLEN**

Ay, leeks is good: hold you, there is a groat to heal your pate.

**PISTOL**

Me a groat!

**FLUELLEN**

Yes, verily and in truth, you shall take it; or I have another leek in my pocket, which you shall eat.

**PISTOL**

I take thy groat in earnest of revenge.

**FLUELLEN**

If I owe you any thing, I will pay you in cudgels: you shall be a woodmonger, and buy nothing of me but cudgels. God b' wi' you, and keep you, and heal your pate.

*Exit*

**PISTOL**

All hell shall stir for this.

**GOWER**

Go, go; you are a counterfeit cowardly knave. Will you mock at an ancient tradition, begun upon an honourable respect, and worn as a memorable trophy of predeceased valour and dare not avouch in your deeds

any of your words? I have seen you gleeking and galling at this gentleman twice or thrice. You thought, because he could not speak English in the native garb, he could not therefore handle an English cudgel: you find it otherwise; and henceforth let a Welsh correction teach you a good English condition. Fare ye well.

*Exit*

## **PISTOL**

Doth Fortune play the huswife with me now?  
News have I, that my Nell is dead i' the spital  
Of malady of France;  
And there my rendezvous is quite cut off.  
Old I do wax; and from my weary limbs  
Honour is cudgelled. Well, bawd I'll turn,  
And something lean to cutpurse of quick hand.  
To England will I steal, and there I'll steal:  
And patches will I get unto these cudgell'd scars,  
And swear I got them in the Gallia wars.

*Exit*

# The Life of King Henry the Fifth

[Shakespeare homepage](#) | [Henry V](#) | Act 5, Scene 2

[Previous scene](#)

## SCENE II. France. A royal palace.

*Enter, at one door KING HENRY, EXETER, BEDFORD, GLOUCESTER, WARWICK, WESTMORELAND, and other Lords; at another, the FRENCH KING, QUEEN ISABEL, the PRINCESS KATHARINE, ALICE and other Ladies; the DUKE of BURGUNDY, and his train*

### KING HENRY V

Peace to this meeting, wherefore we are met!  
Unto our brother France, and to our sister,  
Health and fair time of day; joy and good wishes  
To our most fair and princely cousin Katharine;  
And, as a branch and member of this royalty,  
By whom this great assembly is contrived,  
We do salute you, Duke of Burgundy;  
And, princes French, and peers, health to you all!

### KING OF FRANCE

Right joyous are we to behold your face,  
Most worthy brother England; fairly met:  
So are you, princes English, every one.

### QUEEN ISABEL

So happy be the issue, brother England,  
Of this good day and of this gracious meeting,  
As we are now glad to behold your eyes;  
Your eyes, which hitherto have borne in them  
Against the French, that met them in their bent,  
The fatal balls of murdering basilisks:  
The venom of such looks, we fairly hope,  
Have lost their quality, and that this day  
Shall change all griefs and quarrels into love.

## **KING HENRY V**

To cry amen to that, thus we appear.

## **QUEEN ISABEL**

You English princes all, I do salute you.

## **BURGUNDY**

My duty to you both, on equal love,  
Great Kings of France and England! That I have labour'd,  
With all my wits, my pains and strong endeavours,  
To bring your most imperial majesties  
Unto this bar and royal interview,  
Your mightiness on both parts best can witness.  
Since then my office hath so far prevail'd  
That, face to face and royal eye to eye,  
You have congreeted, let it not disgrace me,  
If I demand, before this royal view,  
What rub or what impediment there is,  
Why that the naked, poor and mangled Peace,  
Dear nurse of arts and joyful births,  
Should not in this best garden of the world  
Our fertile France, put up her lovely visage?  
Alas, she hath from France too long been chased,  
And all her husbandry doth lie on heaps,  
Corrupting in its own fertility.  
Her vine, the merry cheerer of the heart,  
Unpruned dies; her hedges even-pleach'd,  
Like prisoners wildly overgrown with hair,  
Put forth disorder'd twigs; her fallow leas  
The darnel, hemlock and rank fumitory  
Doth root upon, while that the coulter rusts  
That should deracinate such savagery;  
The even mead, that erst brought sweetly forth  
The freckled cowslip, burnet and green clover,  
Wanting the scythe, all uncorrected, rank,  
Conceives by idleness and nothing teems  
But hateful docks, rough thistles, kecksies, burs,  
Losing both beauty and utility.  
And as our vineyards, fallows, meads and hedges,

Defective in their natures, grow to wildness,  
Even so our houses and ourselves and children  
Have lost, or do not learn for want of time,  
The sciences that should become our country;  
But grow like savages,--as soldiers will  
That nothing do but meditate on blood,--  
To swearing and stern looks, diffused attire  
And every thing that seems unnatural.  
Which to reduce into our former favour  
You are assembled: and my speech entreats  
That I may know the let, why gentle Peace  
Should not expel these inconveniences  
And bless us with her former qualities.

### **KING HENRY V**

If, Duke of Burgundy, you would the peace,  
Whose want gives growth to the imperfections  
Which you have cited, you must buy that peace  
With full accord to all our just demands;  
Whose tenors and particular effects  
You have enscheduled briefly in your hands.

### **BURGUNDY**

The king hath heard them; to the which as yet  
There is no answer made.

### **KING HENRY V**

Well then the peace,  
Which you before so urged, lies in his answer.

### **KING OF FRANCE**

I have but with a cursory eye  
O'erglanced the articles: pleaseth your grace  
To appoint some of your council presently  
To sit with us once more, with better heed  
To re-survey them, we will suddenly  
Pass our accept and peremptory answer.

## **KING HENRY V**

Brother, we shall. Go, uncle Exeter,  
And brother Clarence, and you, brother Gloucester,  
Warwick and Huntingdon, go with the king;  
And take with you free power to ratify,  
Augment, or alter, as your wisdoms best  
Shall see advantageable for our dignity,  
Any thing in or out of our demands,  
And we'll consign thereto. Will you, fair sister,  
Go with the princes, or stay here with us?

## **QUEEN ISABEL**

Our gracious brother, I will go with them:  
Haply a woman's voice may do some good,  
When articles too nicely urged be stood on.

## **KING HENRY V**

Yet leave our cousin Katharine here with us:  
She is our capital demand, comprised  
Within the fore-rank of our articles.

## **QUEEN ISABEL**

She hath good leave.

*Exeunt all except HENRY, KATHARINE, and ALICE*

## **KING HENRY V**

Fair Katharine, and most fair,  
Will you vouchsafe to teach a soldier terms  
Such as will enter at a lady's ear  
And plead his love-suit to her gentle heart?

## **KATHARINE**

Your majesty shall mock at me; I cannot speak your England.

## **KING HENRY V**

O fair Katharine, if you will love me soundly with your French heart, I will be glad to hear you confess it brokenly with your English tongue. Do you like me, Kate?

## **KATHARINE**

Pardonnez-moi, I cannot tell vat is 'like me.'

## **KING HENRY V**

An angel is like you, Kate, and you are like an angel.

## **KATHARINE**

Que dit-il? que je suis semblable a les anges?

## **ALICE**

Oui, vraiment, sauf votre grace, ainsi dit-il.

## **KING HENRY V**

I said so, dear Katharine; and I must not blush to affirm it.

## **KATHARINE**

O bon Dieu! les langues des hommes sont pleines de tromperies.

## **KING HENRY V**

What says she, fair one? that the tongues of men are full of deceits?

## **ALICE**

Oui, dat de tongues of de mans is be full of

deceits: dat is de princess.

## **KING HENRY V**

The princess is the better Englishwoman. I' faith, Kate, my wooing is fit for thy understanding: I am glad thou canst speak no better English; for, if thou couldst, thou wouldst find me such a plain king that thou wouldst think I had sold my farm to buy my crown. I know no ways to mince it in love, but directly to say 'I love you:' then if you urge me farther than to say 'do you in faith?' I wear out my suit. Give me your answer; i' faith, do: and so clap hands and a bargain: how say you, lady?

## **KATHARINE**

Sauf votre honneur, me understand vell.

## **KING HENRY V**

Marry, if you would put me to verses or to dance for your sake, Kate, why you undid me: for the one, I have neither words nor measure, and for the other, I have no strength in measure, yet a reasonable measure in strength. If I could win a lady at leap-frog, or by vaulting into my saddle with my armour on my back, under the correction of bragging be it spoken. I should quickly leap into a wife. Or if I might buffet for my love, or bound my horse for her favours, I could lay on like a butcher and sit like a jack-an-apes, never off. But, before God, Kate, I cannot look greenly nor gasp out my eloquence, nor I have no cunning in protestation; only downright oaths, which I never use till urged, nor never break for urging. If thou canst love a fellow of this temper, Kate, whose face is not worth sun-burning, that never looks in his glass for love of any thing he sees there, let thine eye be thy cook. I speak to thee plain soldier: If thou canst love me for this, take me: if not, to say to thee that I shall die, is true; but for thy love, by the

Lord, no; yet I love thee too. And while thou livest, dear Kate, take a fellow of plain and uncoined constancy; for he perforce must do thee right, because he hath not the gift to woo in other places: for these fellows of infinite tongue, that can rhyme themselves into ladies' favours, they do always reason themselves out again. What! a speaker is but a prater; a rhyme is but a ballad. A good leg will fall; a straight back will stoop; a black beard will turn white; a curled pate will grow bald; a fair face will wither; a full eye will wax hollow: but a good heart, Kate, is the sun and the moon; or, rather, the sun, and not the moon; for it shines bright and never changes, but keeps his course truly. If thou would have such a one, take me; and take me, take a soldier; take a soldier, take a king. And what sayest thou then to my love? speak, my fair, and fairly, I pray thee.

#### **KATHARINE**

Is it possible dat I sould love de enemy of France?

#### **KING HENRY V**

No; it is not possible you should love the enemy of France, Kate: but, in loving me, you should love the friend of France; for I love France so well that I will not part with a village of it; I will have it all mine: and, Kate, when France is mine and I am yours, then yours is France and you are mine.

#### **KATHARINE**

I cannot tell vat is dat.

#### **KING HENRY V**

No, Kate? I will tell thee in French; which I am sure will hang upon my tongue like a new-married wife about her husband's neck, hardly to be shook off. Je quand sur le possession de France, et quand

vous avez le possession de moi,--let me see, what then? Saint Denis be my speed!--donc votre est France et vous etes mienne. It is as easy for me, Kate, to conquer the kingdom as to speak so much more French: I shall never move thee in French, unless it be to laugh at me.

**KATHARINE**

Sauf votre honneur, le Francois que vous parlez, il est meilleur que l'Anglois lequel je parle.

**KING HENRY V**

No, faith, is't not, Kate: but thy speaking of my tongue, and I thine, most truly-falsely, must needs be granted to be much at one. But, Kate, dost thou understand thus much English, canst thou love me?

**KATHARINE**

I cannot tell.

**KING HENRY V**

Can any of your neighbours tell, Kate? I'll ask them. Come, I know thou lovest me: and at night, when you come into your closet, you'll question this gentlewoman about me; and I know, Kate, you will to her dispraise those parts in me that you love with your heart: but, good Kate, mock me mercifully; the rather, gentle princess, because I love thee cruelly. If ever thou beest mine, Kate, as I have a saving faith within me tells me thou shalt, I get thee with scrambling, and thou must therefore needs prove a good soldier-breeder: shall not thou and I, between Saint Denis and Saint George, compound a boy, half French, half English, that shall go to Constantinople and take the Turk by the beard? shall we not? what sayest thou, my fair flower-de-luce?

## **KATHARINE**

I do not know dat

## **KING HENRY V**

No; 'tis hereafter to know, but now to promise: do but now promise, Kate, you will endeavour for your French part of such a boy; and for my English moiety take the word of a king and a bachelor. How answer you, la plus belle Katharine du monde, mon tres cher et devin deesse?

## **KATHARINE**

Your majestee ave fausse French enough to deceive de most sage demoiselle dat is en France.

## **KING HENRY V**

Now, fie upon my false French! By mine honour, in true English, I love thee, Kate: by which honour I dare not swear thou lovest me; yet my blood begins to flatter me that thou dost, notwithstanding the poor and untempering effect of my visage. Now, beshrew my father's ambition! he was thinking of civil wars when he got me: therefore was I created with a stubborn outside, with an aspect of iron, that, when I come to woo ladies, I fright them. But, in faith, Kate, the elder I wax, the better I shall appear: my comfort is, that old age, that ill layer up of beauty, can do no more, spoil upon my face: thou hast me, if thou hast me, at the worst; and thou shalt wear me, if thou wear me, better and better: and therefore tell me, most fair Katharine, will you have me? Put off your maiden blushes; avouch the thoughts of your heart with the looks of an empress; take me by the hand, and say 'Harry of England I am thine:' which word thou shalt no sooner bless mine ear withal, but I will tell thee aloud 'England is thine, Ireland is thine, France is thine, and Harry Plantagenet is thine;' who though I speak it before

his face, if he be not fellow with the best king,  
thou shalt find the best king of good fellows.  
Come, your answer in broken music; for thy voice is  
music and thy English broken; therefore, queen of  
all, Katharine, break thy mind to me in broken  
English; wilt thou have me?

**KATHARINE**

Dat is as it sall please de roi mon pere.

**KING HENRY V**

Nay, it will please him well, Kate it shall please  
him, Kate.

**KATHARINE**

Den it sall also content me.

**KING HENRY V**

Upon that I kiss your hand, and I call you my queen.

**KATHARINE**

Laissez, mon seigneur, laissez, laissez: ma foi, je  
ne veux point que vous abaissiez votre grandeur en  
baisant la main d'une de votre seigneurie indigne  
serviteur; excusez-moi, je vous supplie, mon  
tres-puissant seigneur.

**KING HENRY V**

Then I will kiss your lips, Kate.

**KATHARINE**

Les dames et demoiselles pour etre baisees devant  
leur noces, il n'est pas la coutume de France.

**KING HENRY V**

Madam my interpreter, what says she?

**ALICE**

Dat it is not be de fashion pour les ladies of  
France,--I cannot tell vat is baiser en English.

**KING HENRY V**

To kiss.

**ALICE**

Your majesty entendre bettere que moi.

**KING HENRY V**

It is not a fashion for the maids in France to kiss  
before they are married, would she say?

**ALICE**

Oui, vraiment.

**KING HENRY V**

O Kate, nice customs curtsy to great kings. Dear  
Kate, you and I cannot be confined within the weak  
list of a country's fashion: we are the makers of  
manners, Kate; and the liberty that follows our  
places stops the mouth of all find-faults; as I will  
do yours, for upholding the nice fashion of your  
country in denying me a kiss: therefore, patiently  
and yielding.

*Kissing her*

You have witchcraft in your lips, Kate: there is  
more eloquence in a sugar touch of them than in the

tongues of the French council; and they should sooner persuade Harry of England than a general petition of monarchs. Here comes your father.

*Re-enter the FRENCH KING and his QUEEN, BURGUNDY, and other Lords*

**BURGUNDY**

God save your majesty! my royal cousin, teach you our princess English?

**KING HENRY V**

I would have her learn, my fair cousin, how perfectly I love her; and that is good English.

**BURGUNDY**

Is she not apt?

**KING HENRY V**

Our tongue is rough, coz, and my condition is not smooth; so that, having neither the voice nor the heart of flattery about me, I cannot so conjure up the spirit of love in her, that he will appear in his true likeness.

**BURGUNDY**

Pardon the frankness of my mirth, if I answer you for that. If you would conjure in her, you must make a circle; if conjure up love in her in his true likeness, he must appear naked and blind. Can you blame her then, being a maid yet rosed over with the virgin crimson of modesty, if she deny the appearance of a naked blind boy in her naked seeing self? It were, my lord, a hard condition for a maid to consign to.

**KING HENRY V**

Yet they do wink and yield, as love is blind and enforces.

**BURGUNDY**

They are then excused, my lord, when they see not what they do.

**KING HENRY V**

Then, good my lord, teach your cousin to consent winking.

**BURGUNDY**

I will wink on her to consent, my lord, if you will teach her to know my meaning: for maids, well summered and warm kept, are like flies at Bartholomew-tide, blind, though they have their eyes; and then they will endure handling, which before would not abide looking on.

**KING HENRY V**

This moral ties me over to time and a hot summer; and so I shall catch the fly, your cousin, in the latter end and she must be blind too.

**BURGUNDY**

As love is, my lord, before it loves.

**KING HENRY V**

It is so: and you may, some of you, thank love for my blindness, who cannot see many a fair French city for one fair French maid that stands in my way.

**FRENCH KING**

Yes, my lord, you see them perspective, the cities turned into a maid; for they are all girdled with maiden walls that war hath never entered.

**KING HENRY V**

Shall Kate be my wife?

**FRENCH KING**

So please you.

**KING HENRY V**

I am content; so the maiden cities you talk of may wait on her: so the maid that stood in the way for my wish shall show me the way to my will.

**FRENCH KING**

We have consented to all terms of reason.

**KING HENRY V**

Is't so, my lords of England?

**WESTMORELAND**

The king hath granted every article:  
His daughter first, and then in sequel all,  
According to their firm proposed natures.

**EXETER**

Only he hath not yet subscribed this:  
Where your majesty demands, that the King of France,  
having any occasion to write for matter of grant,  
shall name your highness in this form and with this  
addition in French, Notre trescher fils Henri, Roi  
d'Angleterre, Heritier de France; and thus in  
Latin, Praeclarissimus filius noster Henricus, Rex  
Angliae, et Haeres Franciae.

**FRENCH KING**

Nor this I have not, brother, so denied,  
But your request shall make me let it pass.

## **KING HENRY V**

I pray you then, in love and dear alliance,  
Let that one article rank with the rest;  
And thereupon give me your daughter.

## **FRENCH KING**

Take her, fair son, and from her blood raise up  
Issue to me; that the contending kingdoms  
Of France and England, whose very shores look pale  
With envy of each other's happiness,  
May cease their hatred, and this dear conjunction  
Plant neighbourhood and Christian-like accord  
In their sweet bosoms, that never war advance  
His bleeding sword 'twixt England and fair France.

## **ALL**

Amen!

## **KING HENRY V**

Now, welcome, Kate: and bear me witness all,  
That here I kiss her as my sovereign queen.

*Flourish*

## **QUEEN ISABEL**

God, the best maker of all marriages,  
Combine your hearts in one, your realms in one!  
As man and wife, being two, are one in love,  
So be there 'twixt your kingdoms such a spousal,  
That never may ill office, or fell jealousy,  
Which troubles oft the bed of blessed marriage,  
Thrust in between the paction of these kingdoms,  
To make divorce of their incorporate league;

That English may as French, French Englishmen,  
Receive each other. God speak this Amen!

**ALL**

Amen!

**KING HENRY V**

Prepare we for our marriage--on which day,  
My Lord of Burgundy, we'll take your oath,  
And all the peers', for surety of our leagues.  
Then shall I swear to Kate, and you to me;  
And may our oaths well kept and prosperous be!

*Sennet. Exeunt*

**EPILOGUE**

*Enter Chorus*

**Chorus**

Thus far, with rough and all-unable pen,  
Our bending author hath pursued the story,  
In little room confining mighty men,  
Mangling by starts the full course of their glory.  
Small time, but in that small most greatly lived  
This star of England: Fortune made his sword;  
By which the world's best garden be achieved,  
And of it left his son imperial lord.  
Henry the Sixth, in infant bands crown'd King  
Of France and England, did this king succeed;  
Whose state so many had the managing,  
That they lost France and made his England bleed:  
Which oft our stage hath shown; and, for their sake,  
In your fair minds let this acceptance take.

*Exit*

## SCENE I. Westminster Abbey.

*Dead March. Enter the Funeral of KING HENRY the Fifth, attended on by Dukes of BEDFORD, Regent of France; GLOUCESTER, Protector; and EXETER, Earl of WARWICK, the BISHOP OF WINCHESTER, Herald, & c*

### BEDFORD

Hung be the heavens with black, yield day to night!  
Comets, importing change of times and states,  
Brandish your crystal tresses in the sky,  
And with them scourge the bad revolting stars  
That have consented unto Henry's death!  
King Henry the Fifth, too famous to live long!  
England ne'er lost a king of so much worth.

### GLOUCESTER

England ne'er had a king until his time.  
Virtue he had, deserving to command:  
His brandish'd sword did blind men with his beams:  
His arms spread wider than a dragon's wings;  
His sparking eyes, replete with wrathful fire,  
More dazzled and drove back his enemies  
Than mid-day sun fierce bent against their faces.  
What should I say? his deeds exceed all speech:  
He ne'er lift up his hand but conquered.

### EXETER

We mourn in black: why mourn we not in blood?  
Henry is dead and never shall revive:  
Upon a wooden coffin we attend,  
And death's dishonourable victory  
We with our stately presence glorify,  
Like captives bound to a triumphant car.

What! shall we curse the planets of mishap  
That plotted thus our glory's overthrow?  
Or shall we think the subtle-witted French  
Conjurers and sorcerers, that afraid of him  
By magic verses have contrived his end?  
BISHOP

## **OF WINCHESTER**

He was a king bless'd of the King of kings.  
Unto the French the dreadful judgement-day  
So dreadful will not be as was his sight.  
The battles of the Lord of hosts he fought:  
The church's prayers made him so prosperous.

## **GLOUCESTER**

The church! where is it? Had not churchmen pray'd,  
His thread of life had not so soon decay'd:  
None do you like but an effeminate prince,  
Whom, like a school-boy, you may over-awe.  
BISHOP

## **OF WINCHESTER**

Gloucester, whate'er we like, thou art protector  
And lookest to command the prince and realm.  
Thy wife is proud; she holdeth thee in awe,  
More than God or religious churchmen may.

## **GLOUCESTER**

Name not religion, for thou lovest the flesh,  
And ne'er throughout the year to church thou go'st  
Except it be to pray against thy foes.

## **BEDFORD**

Cease, cease these jars and rest your minds in peace:  
Let's to the altar: heralds, wait on us:  
Instead of gold, we'll offer up our arms:  
Since arms avail not now that Henry's dead.

Posterity, await for wretched years,  
When at their mothers' moist eyes babes shall suck,  
Our isle be made a nourish of salt tears,  
And none but women left to wail the dead.  
Henry the Fifth, thy ghost I invoke:  
Prosper this realm, keep it from civil broils,  
Combat with adverse planets in the heavens!  
A far more glorious star thy soul will make  
Than Julius Caesar or bright--

*Enter a Messenger*

### **Messenger**

My honourable lords, health to you all!  
Sad tidings bring I to you out of France,  
Of loss, of slaughter and discomfiture:  
Guienne, Champagne, Rheims, Orleans,  
Paris, Guysors, Poitiers, are all quite lost.

### **BEDFORD**

What say'st thou, man, before dead Henry's corse?  
Speak softly, or the loss of those great towns  
Will make him burst his lead and rise from death.

### **GLOUCESTER**

Is Paris lost? is Rouen yielded up?  
If Henry were recall'd to life again,  
These news would cause him once more yield the ghost.

### **EXETER**

How were they lost? what treachery was used?

### **Messenger**

No treachery; but want of men and money.  
Amongst the soldiers this is muttered,  
That here you maintain several factions,  
And whilst a field should be dispatch'd and fought,

You are disputing of your generals:  
One would have lingering wars with little cost;  
Another would fly swift, but wanteth wings;  
A third thinks, without expense at all,  
By guileful fair words peace may be obtain'd.  
Awake, awake, English nobility!  
Let not sloth dim your horrors new-begot:  
Cropp'd are the flower-de-luces in your arms;  
Of England's coat one half is cut away.

## **EXETER**

Were our tears wanting to this funeral,  
These tidings would call forth their flowing tides.

## **BEDFORD**

Me they concern; Regent I am of France.  
Give me my steeled coat. I'll fight for France.  
Away with these disgraceful wailing robes!  
Wounds will I lend the French instead of eyes,  
To weep their intermissive miseries.

*Enter to them another Messenger*

## **Messenger**

Lords, view these letters full of bad mischance.  
France is revolted from the English quite,  
Except some petty towns of no import:  
The Dauphin Charles is crowned king of Rheims;  
The Bastard of Orleans with him is join'd;  
Reignier, Duke of Anjou, doth take his part;  
The Duke of Alencon flieth to his side.

## **EXETER**

The Dauphin crowned king! all fly to him!  
O, whither shall we fly from this reproach?

## **GLOUCESTER**

We will not fly, but to our enemies' throats.  
Bedford, if thou be slack, I'll fight it out.

## **BEDFORD**

Gloucester, why doubt'st thou of my forwardness?  
An army have I muster'd in my thoughts,  
Wherewith already France is overrun.

*Enter another Messenger*

## **Messenger**

My gracious lords, to add to your laments,  
Wherewith you now bedew King Henry's hearse,  
I must inform you of a dismal fight  
Betwixt the stout Lord Talbot and the French.  
BISHOP

## **OF WINCHESTER**

What! wherein Talbot overcame? is't so?

## **Messenger**

O, no; wherein Lord Talbot was o'erthrown:  
The circumstance I'll tell you more at large.  
The tenth of August last this dreadful lord,  
Retiring from the siege of Orleans,  
Having full scarce six thousand in his troop.  
By three and twenty thousand of the French  
Was round encompassed and set upon.  
No leisure had he to enrank his men;  
He wanted pikes to set before his archers;  
Instead whereof sharp stakes pluck'd out of hedges  
They pitched in the ground confusedly,  
To keep the horsemen off from breaking in.  
More than three hours the fight continued;  
Where valiant Talbot above human thought  
Enacted wonders with his sword and lance:  
Hundreds he sent to hell, and none durst stand him;  
Here, there, and every where, enraged he flew:

The French exclaim'd, the devil was in arms;  
All the whole army stood agazed on him:  
His soldiers spying his undaunted spirit  
A Talbot! a Talbot! cried out amain  
And rush'd into the bowels of the battle.  
Here had the conquest fully been seal'd up,  
If Sir John Fastolfe had not play'd the coward:  
He, being in the vaward, placed behind  
With purpose to relieve and follow them,  
Cowardly fled, not having struck one stroke.  
Hence grew the general wreck and massacre;  
Enclosed were they with their enemies:  
A base Walloon, to win the Dauphin's grace,  
Thrust Talbot with a spear into the back,  
Whom all France with their chief assembled strength  
Durst not presume to look once in the face.

## **BEDFORD**

Is Talbot slain? then I will slay myself,  
For living idly here in pomp and ease,  
Whilst such a worthy leader, wanting aid,  
Unto his dastard foemen is betray'd.

## **Messenger**

O no, he lives; but is took prisoner,  
And Lord Scales with him and Lord Hungerford:  
Most of the rest slaughter'd or took likewise.

## **BEDFORD**

His ransom there is none but I shall pay:  
I'll hale the Dauphin headlong from his throne:  
His crown shall be the ransom of my friend;  
Four of their lords I'll change for one of ours.  
Farewell, my masters; to my task will I;  
Bonfires in France forthwith I am to make,  
To keep our great Saint George's feast withal:  
Ten thousand soldiers with me I will take,  
Whose bloody deeds shall make all Europe quake.

## **Messenger**

So you had need; for Orleans is besieged;  
The English army is grown weak and faint:  
The Earl of Salisbury craveth supply,  
And hardly keeps his men from mutiny,  
Since they, so few, watch such a multitude.

## **EXETER**

Remember, lords, your oaths to Henry sworn,  
Either to quell the Dauphin utterly,  
Or bring him in obedience to your yoke.

## **BEDFORD**

I do remember it; and here take my leave,  
To go about my preparation.

*Exit*

## **GLOUCESTER**

I'll to the Tower with all the haste I can,  
To view the artillery and munition;  
And then I will proclaim young Henry king.

*Exit*

## **EXETER**

To Eltham will I, where the young king is,  
Being ordain'd his special governor,  
And for his safety there I'll best devise.

*Exit*

**BISHOP**

## **OF WINCHESTER**

Each hath his place and function to attend:  
I am left out; for me nothing remains.  
But long I will not be Jack out of office:  
The king from Eltham I intend to steal  
And sit at chiefest stern of public weal.

*Exeunt*

## SCENE II. France. Before Orleans.

*Sound a flourish. Enter CHARLES, ALENCON, and REIGNIER, marching with drum and Soldiers*

### CHARLES

Mars his true moving, even as in the heavens  
So in the earth, to this day is not known:  
Late did he shine upon the English side;  
Now we are victors; upon us he smiles.  
What towns of any moment but we have?  
At pleasure here we lie near Orleans;  
Otherwhiles the famish'd English, like pale ghosts,  
Faintly besiege us one hour in a month.

### ALENCON

They want their porridge and their fat bull-beeves:  
Either they must be dieted like mules  
And have their provender tied to their mouths  
Or piteous they will look, like drowned mice.

### REIGNIER

Let's raise the siege: why live we idly here?  
Talbot is taken, whom we wont to fear:  
Remaineth none but mad-brain'd Salisbury;  
And he may well in fretting spend his gall,  
Nor men nor money hath he to make war.

### CHARLES

Sound, sound alarum! we will rush on them.  
Now for the honour of the forlorn French!  
Him I forgive my death that killeth me

When he sees me go back one foot or fly.

*Exeunt*

*Here alarum; they are beaten back by the English with great loss. Re-enter CHARLES, ALENCON, and REIGNIER*

## **CHARLES**

Who ever saw the like? what men have I!  
Dogs! cowards! dastards! I would ne'er have fled,  
But that they left me 'midst my enemies.

## **REIGNIER**

Salisbury is a desperate homicide;  
He fighteth as one weary of his life.  
The other lords, like lions wanting food,  
Do rush upon us as their hungry prey.

## **ALENCON**

Froissart, a countryman of ours, records,  
England all Olivers and Rowlands bred,  
During the time Edward the Third did reign.  
More truly now may this be verified;  
For none but Samsons and Goliases  
It sendeth forth to skirmish. One to ten!  
Lean, raw-boned rascals! who would e'er suppose  
They had such courage and audacity?

## **CHARLES**

Let's leave this town; for they are hare-brain'd slaves,  
And hunger will enforce them to be more eager:  
Of old I know them; rather with their teeth  
The walls they'll tear down than forsake the siege.

## **REIGNIER**

I think, by some odd gimmors or device  
Their arms are set like clocks, stiff to strike on;

Else ne'er could they hold out so as they do.  
By my consent, we'll even let them alone.

## **ALENCON**

Be it so.

*Enter the BASTARD OF ORLEANS*

## **BASTARD OF ORLEANS**

Where's the Prince Dauphin? I have news for him.

## **CHARLES**

Bastard of Orleans, thrice welcome to us.

## **BASTARD OF ORLEANS**

Methinks your looks are sad, your cheer appall'd:  
Hath the late overthrow wrought this offence?  
Be not dismay'd, for succor is at hand:  
A holy maid hither with me I bring,  
Which by a vision sent to her from heaven  
Ordained is to raise this tedious siege  
And drive the English forth the bounds of France.  
The spirit of deep prophecy she hath,  
Exceeding the nine sibyls of old Rome:  
What's past and what's to come she can descry.  
Speak, shall I call her in? Believe my words,  
For they are certain and unfallible.

## **CHARLES**

Go, call her in.

*Exit BASTARD OF ORLEANS*

But first, to try her skill,  
Reignier, stand thou as Dauphin in my place:  
Question her proudly; let thy looks be stern:

By this means shall we sound what skill she hath.

*Re-enter the BASTARD OF ORLEANS, with JOAN LA PUCELLE*

**REIGNIER**

Fair maid, is't thou wilt do these wondrous feats?

**JOAN LA PUCELLE**

Reignier, is't thou that thinkest to beguile me?  
Where is the Dauphin? Come, come from behind;  
I know thee well, though never seen before.  
Be not amazed, there's nothing hid from me:  
In private will I talk with thee apart.  
Stand back, you lords, and give us leave awhile.

**REIGNIER**

She takes upon her bravely at first dash.

**JOAN LA PUCELLE**

Dauphin, I am by birth a shepherd's daughter,  
My wit untrain'd in any kind of art.  
Heaven and our Lady gracious hath it pleased  
To shine on my contemptible estate:  
Lo, whilst I waited on my tender lambs,  
And to sun's parching heat display'd my cheeks,  
God's mother deigned to appear to me  
And in a vision full of majesty  
Will'd me to leave my base vocation  
And free my country from calamity:  
Her aid she promised and assured success:  
In complete glory she reveal'd herself;  
And, whereas I was black and swart before,  
With those clear rays which she infused on me  
That beauty am I bless'd with which you see.  
Ask me what question thou canst possible,  
And I will answer unpremeditated:  
My courage try by combat, if thou darest,  
And thou shalt find that I exceed my sex.

Resolve on this, thou shalt be fortunate,  
If thou receive me for thy warlike mate.

**CHARLES**

Thou hast astonish'd me with thy high terms:  
Only this proof I'll of thy valour make,  
In single combat thou shalt buckle with me,  
And if thou vanquishest, thy words are true;  
Otherwise I renounce all confidence.

**JOAN LA PUCELLE**

I am prepared: here is my keen-edged sword,  
Deck'd with five flower-de-luces on each side;  
The which at Touraine, in Saint Katharine's  
churchyard,  
Out of a great deal of old iron I chose forth.

**CHARLES**

Then come, o' God's name; I fear no woman.

**JOAN LA PUCELLE**

And while I live, I'll ne'er fly from a man.

*Here they fight, and JOAN LA PUCELLE overcomes*

**CHARLES**

Stay, stay thy hands! thou art an Amazon  
And fightest with the sword of Deborah.

**JOAN LA PUCELLE**

Christ's mother helps me, else I were too weak.

**CHARLES**

Whoe'er helps thee, 'tis thou that must help me:

Impatiently I burn with thy desire;  
My heart and hands thou hast at once subdued.  
Excellent Pucelle, if thy name be so,  
Let me thy servant and not sovereign be:  
'Tis the French Dauphin sueth to thee thus.

## **JOAN LA PUCELLE**

I must not yield to any rites of love,  
For my profession's sacred from above:  
When I have chased all thy foes from hence,  
Then will I think upon a recompense.

## **CHARLES**

Meantime look gracious on thy prostrate thrall.

## **REIGNIER**

My lord, methinks, is very long in talk.

## **ALENCON**

Doubtless he shrives this woman to her smock;  
Else ne'er could he so long protract his speech.

## **REIGNIER**

Shall we disturb him, since he keeps no mean?

## **ALENCON**

He may mean more than we poor men do know:  
These women are shrewd tempters with their tongues.

## **REIGNIER**

My lord, where are you? what devise you on?  
Shall we give over Orleans, or no?

## **JOAN LA PUCELLE**

Why, no, I say, distrustful recreants!  
Fight till the last gasp; I will be your guard.

**CHARLES**

What she says I'll confirm: we'll fight it out.

**JOAN LA PUCELLE**

Assign'd am I to be the English scourge.  
This night the siege assuredly I'll raise:  
Expect Saint Martin's summer, halcyon days,  
Since I have entered into these wars.  
Glory is like a circle in the water,  
Which never ceaseth to enlarge itself  
Till by broad spreading it disperse to nought.  
With Henry's death the English circle ends;  
Dispersed are the glories it included.  
Now am I like that proud insulting ship  
Which Caesar and his fortune bare at once.

**CHARLES**

Was Mahomet inspired with a dove?  
Thou with an eagle art inspired then.  
Helen, the mother of great Constantine,  
Nor yet Saint Philip's daughters, were like thee.  
Bright star of Venus, fall'n down on the earth,  
How may I reverently worship thee enough?

**ALENCON**

Leave off delays, and let us raise the siege.

**REIGNIER**

Woman, do what thou canst to save our honours;  
Drive them from Orleans and be immortalized.

**CHARLES**

Presently we'll try: come, let's away about it:  
No prophet will I trust, if she prove false.

*Exeunt*

## SCENE III. London. Before the Tower.

*Enter GLOUCESTER, with his Serving-men in blue coats*

### GLOUCESTER

I am come to survey the Tower this day:  
Since Henry's death, I fear, there is conveyance.  
Where be these warders, that they wait not here?  
Open the gates; 'tis Gloucester that calls.

### First Warder

[Within] Who's there that knocks so imperiously?  
First Serving-Man It is the noble Duke of Gloucester.

### Second Warder

[Within] Whoe'er he be, you may not be let in.  
First Serving-Man Villains, answer you so the lord protector?

### First Warder

[Within] The Lord protect him! so we answer him:  
We do no otherwise than we are will'd.

### GLOUCESTER

Who willed you? or whose will stands but mine?  
There's none protector of the realm but I.  
Break up the gates, I'll be your warrantize.  
Shall I be flouted thus by dunghill grooms?

*Gloucester's men rush at the Tower Gates, and WOODVILE the Lieutenant speaks within*

### WOODVILE

What noise is this? what traitors have we here?

**GLOUCESTER**

Lieutenant, is it you whose voice I hear?  
Open the gates; here's Gloucester that would enter.

**WOODVILE**

Have patience, noble duke; I may not open;  
The Cardinal of Winchester forbids:  
From him I have express commandment  
That thou nor none of thine shall be let in.

**GLOUCESTER**

Faint-hearted Woodvile, prizest him 'fore me?  
Arrogant Winchester, that haughty prelate,  
Whom Henry, our late sovereign, ne'er could brook?  
Thou art no friend to God or to the king:  
Open the gates, or I'll shut thee out shortly.  
Serving-Men Open the gates unto the lord protector,  
Or we'll burst them open, if that you come not quickly.

*Enter to the Protector at the Tower Gates BISHOP OF WINCHESTER and his men in tawny coats*

BISHOP

**OF WINCHESTER**

How now, ambitious Humphry! what means this?

**GLOUCESTER**

Peel'd priest, dost thou command me to be shut out?  
BISHOP

**OF WINCHESTER**

I do, thou most usurping proditor,

And not protector, of the king or realm.

## **GLOUCESTER**

Stand back, thou manifest conspirator,  
Thou that contrivedst to murder our dead lord;  
Thou that givest whores indulgences to sin:  
I'll canvass thee in thy broad cardinal's hat,  
If thou proceed in this thy insolence.  
BISHOP

## **OF WINCHESTER**

Nay, stand thou back, I will not budge a foot:  
This be Damascus, be thou cursed Cain,  
To slay thy brother Abel, if thou wilt.

## **GLOUCESTER**

I will not slay thee, but I'll drive thee back:  
Thy scarlet robes as a child's bearing-cloth  
I'll use to carry thee out of this place.  
BISHOP

## **OF WINCHESTER**

Do what thou darest; I beard thee to thy face.

## **GLOUCESTER**

What! am I dared and bearded to my face?  
Draw, men, for all this privileged place;  
Blue coats to tawny coats. Priest, beware your beard,  
I mean to tug it and to cuff you soundly:  
Under my feet I stamp thy cardinal's hat:  
In spite of pope or dignities of church,  
Here by the cheeks I'll drag thee up and down.  
BISHOP

## **OF WINCHESTER**

Gloucester, thou wilt answer this before the pope.

## **GLOUCESTER**

Winchester goose, I cry, a rope! a rope!  
Now beat them hence; why do you let them stay?  
Thee I'll chase hence, thou wolf in sheep's array.  
Out, tawny coats! out, scarlet hypocrite!

*Here GLOUCESTER's men beat out BISHOP OF WINCHESTER's men, and enter in the hurly-burly the Mayor of London and his Officers*

## **Mayor**

Fie, lords! that you, being supreme magistrates,  
Thus contumeliously should break the peace!

## **GLOUCESTER**

Peace, mayor! thou know'st little of my wrongs:  
Here's Beaufort, that regards nor God nor king,  
Hath here distrain'd the Tower to his use.  
BISHOP

## **OF WINCHESTER**

Here's Gloucester, a foe to citizens,  
One that still motions war and never peace,  
O'ercharging your free purses with large fines,  
That seeks to overthrow religion,  
Because he is protector of the realm,  
And would have armour here out of the Tower,  
To crown himself king and suppress the prince.

## **GLOUCESTER**

I will not answer thee with words, but blows.

*Here they skirmish again*

## **Mayor**

Naught rests for me in this tumultuous strife  
But to make open proclamation:  
Come, officer; as loud as e'er thou canst,  
Cry.

**Officer**

All manner of men assembled here in arms this day  
against God's peace and the king's, we charge and  
command you, in his highness' name, to repair to  
your several dwelling-places; and not to wear,  
handle, or use any sword, weapon, or dagger,  
henceforward, upon pain of death.

**GLOUCESTER**

Cardinal, I'll be no breaker of the law:  
But we shall meet, and break our minds at large.  
BISHOP

**OF WINCHESTER**

Gloucester, we will meet; to thy cost, be sure:  
Thy heart-blood I will have for this day's work.

**Mayor**

I'll call for clubs, if you will not away.  
This cardinal's more haughty than the devil.

**GLOUCESTER**

Mayor, farewell: thou dost but what thou mayst.  
BISHOP

**OF WINCHESTER**

Abominable Gloucester, guard thy head;  
For I intend to have it ere long.

*Exeunt, severally, GLOUCESTER and BISHOP OF WINCHESTER with their Serving-men*

## Mayor

See the coast clear'd, and then we will depart.  
Good God, these nobles should such stomachs bear!  
I myself fight not once in forty year.

*Exeunt*

## SCENE IV. Orleans.

*Enter, on the walls, a Master Gunner and his Boy*

Master-Gunner Sirrah, thou know'st how Orleans is besieged,  
And how the English have the suburbs won.

**Boy**

Father, I know; and oft have shot at them,  
Howe'er unfortunate I miss'd my aim.  
Master-Gunner But now thou shalt not. Be thou ruled by me:  
Chief master-gunner am I of this town;  
Something I must do to procure me grace.  
The prince's espials have informed me  
How the English, in the suburbs close intrench'd,  
Wont, through a secret grate of iron bars  
In yonder tower, to overpeer the city,  
And thence discover how with most advantage  
They may vex us with shot, or with assault.  
To intercept this inconvenience,  
A piece of ordnance 'gainst it I have placed;  
And even these three days have I watch'd,  
If I could see them.  
Now do thou watch, for I can stay no longer.  
If thou spy'st any, run and bring me word;  
And thou shalt find me at the governor's.

*Exit*

**Boy**

Father, I warrant you; take you no care;  
I'll never trouble you, if I may spy them.

*Exit*

*Enter, on the turrets, SALISBURY and TALBOT, GLANSDALE, GARGRAVE, and others*

**SALISBURY**

Talbot, my life, my joy, again return'd!  
How wert thou handled being prisoner?  
Or by what means got'st thou to be released?  
Discourse, I prithee, on this turret's top.

**TALBOT**

The Duke of Bedford had a prisoner  
Call'd the brave Lord Ponton de Santrailles;  
For him was I exchanged and ransomed.  
But with a baser man of arms by far  
Once in contempt they would have barter'd me:  
Which I, disdainingly, scorn'd; and craved death,  
Rather than I would be so vile esteem'd.  
In fine, redeem'd I was as I desired.  
But, O! the treacherous Fastolfe wounds my heart,  
Whom with my bare fists I would execute,  
If I now had him brought into my power.

**SALISBURY**

Yet tell'st thou not how thou wert entertain'd.

**TALBOT**

With scoffs and scorns and contumelious taunts.  
In open market-place produced they me,  
To be a public spectacle to all:  
Here, said they, is the terror of the French,  
The scarecrow that affrights our children so.  
Then broke I from the officers that led me,  
And with my nails digg'd stones out of the ground,  
To hurl at the beholders of my shame:  
My grisly countenance made others fly;  
None durst come near for fear of sudden death.  
In iron walls they deem'd me not secure;  
So great fear of my name 'mongst them was spread,  
That they supposed I could rend bars of steel,

And spurn in pieces posts of adamant:  
Wherefore a guard of chosen shot I had,  
That walked about me every minute-while;  
And if I did but stir out of my bed,  
Ready they were to shoot me to the heart.

*Enter the Boy with a linstock*

## **SALISBURY**

I grieve to hear what torments you endured,  
But we will be revenged sufficiently  
Now it is supper-time in Orleans:  
Here, through this grate, I count each one  
and view the Frenchmen how they fortify:  
Let us look in; the sight will much delight thee.  
Sir Thomas Gargrave, and Sir William Glansdale,  
Let me have your express opinions  
Where is best place to make our battery next.

## **GARGRAVE**

I think, at the north gate; for there stand lords.

## **GLANSDALE**

And I, here, at the bulwark of the bridge.

## **TALBOT**

For aught I see, this city must be famish'd,  
Or with light skirmishes enfeebled.

*Here they shoot. SALISBURY and GARGRAVE fall*

## **SALISBURY**

O Lord, have mercy on us, wretched sinners!

## **GARGRAVE**

O Lord, have mercy on me, woful man!

## TALBOT

What chance is this that suddenly hath cross'd us?  
Speak, Salisbury; at least, if thou canst speak:  
How farest thou, mirror of all martial men?  
One of thy eyes and thy cheek's side struck off!  
Accursed tower! accursed fatal hand  
That hath contrived this woful tragedy!  
In thirteen battles Salisbury o'ercame;  
Henry the Fifth he first train'd to the wars;  
Whilst any trump did sound, or drum struck up,  
His sword did ne'er leave striking in the field.  
Yet livest thou, Salisbury? though thy speech doth fail,  
One eye thou hast, to look to heaven for grace:  
The sun with one eye vieweth all the world.  
Heaven, be thou gracious to none alive,  
If Salisbury wants mercy at thy hands!  
Bear hence his body; I will help to bury it.  
Sir Thomas Gargrave, hast thou any life?  
Speak unto Talbot; nay, look up to him.  
Salisbury, cheer thy spirit with this comfort;  
Thou shalt not die whiles--  
He beckons with his hand and smiles on me.  
As who should say 'When I am dead and gone,  
Remember to avenge me on the French.'  
Plantagenet, I will; and like thee, Nero,  
Play on the lute, beholding the towns burn:  
Wretched shall France be only in my name.

*Here an alarum, and it thunders and lightens*

What stir is this? what tumult's in the heavens?  
Whence cometh this alarum and the noise?

*Enter a Messenger*

## Messenger

My lord, my lord, the French have gathered head:  
The Dauphin, with one Joan la Pucelle join'd,

A holy prophetess new risen up,  
Is come with a great power to raise the siege.

*Here SALISBURY lifteth himself up and groans*

## TALBOT

Hear, hear how dying Salisbury doth groan!  
It irks his heart he cannot be revenged.  
Frenchmen, I'll be a Salisbury to you:  
Pucelle or puzzel, dolphin or dogfish,  
Your hearts I'll stamp out with my horse's heels,  
And make a quagmire of your mingled brains.  
Convey me Salisbury into his tent,  
And then we'll try what these dastard Frenchmen dare.

*Alarum. Exeunt*

[Shakespeare homepage](#) | [Henry VI, part 1](#) | Act 1, Scene 4  
[Previous scene](#) | [Next scene](#)

# The First part of King Henry the Sixth

[Shakespeare homepage](#) | [Henry VI, part 1](#) | Act 1, Scene 5

[Previous scene](#) | [Next scene](#)

## SCENE V. The same.

*Here an alarum again: and TALBOT pursueth the DAUPHIN, and driveth him: then enter JOAN LA PUCELLE, driving Englishmen before her, and exit after them then re-enter TALBOT*

### TALBOT

Where is my strength, my valour, and my force?  
Our English troops retire, I cannot stay them:  
A woman clad in armour chaseth them.

*Re-enter JOAN LA PUCELLE*

Here, here she comes. I'll have a bout with thee;  
Devil or devil's dam, I'll conjure thee:  
Blood will I draw on thee, thou art a witch,  
And straightway give thy soul to him thou servest.

### JOAN LA PUCELLE

Come, come, 'tis only I that must disgrace thee.

*Here they fight*

### TALBOT

Heavens, can you suffer hell so to prevail?  
My breast I'll burst with straining of my courage  
And from my shoulders crack my arms asunder.  
But I will chastise this high-minded strumpet.

*They fight again*

### JOAN LA PUCELLE

Talbot, farewell; thy hour is not yet come:  
I must go victual Orleans forthwith.

*A short alarum; then enter the town with soldiers*

O'ertake me, if thou canst; I scorn thy strength.  
Go, go, cheer up thy hungry-starved men;  
Help Salisbury to make his testament:  
This day is ours, as many more shall be.

*Exit*

## **TALBOT**

My thoughts are whirled like a potter's wheel;  
I know not where I am, nor what I do;  
A witch, by fear, not force, like Hannibal,  
Drives back our troops and conquers as she lists:  
So bees with smoke and doves with noisome stench  
Are from their hives and houses driven away.  
They call'd us for our fierceness English dogs;  
Now, like to whelps, we crying run away.

*A short alarum*

Hark, countrymen! either renew the fight,  
Or tear the lions out of England's coat;  
Renounce your soil, give sheep in lions' stead:  
Sheep run not half so treacherous from the wolf,  
Or horse or oxen from the leopard,  
As you fly from your oft-subdued slaves.

*Alarum. Here another skirmish*

It will not be: retire into your trenches:  
You all consented unto Salisbury's death,  
For none would strike a stroke in his revenge.  
Pucelle is enter'd into Orleans,  
In spite of us or aught that we could do.  
O, would I were to die with Salisbury!  
The shame hereof will make me hide my head.

*Exit TALBOT. Alarum; retreat; flourish*

## SCENE VI. The same.

*Enter, on the walls, JOAN LA PUCELLE, CHARLES, REIGNIER, ALENCON, and Soldiers*

### JOAN LA PUCELLE

Advance our waving colours on the walls;  
Rescued is Orleans from the English  
Thus Joan la Pucelle hath perform'd her word.

### CHARLES

Divinest creature, Astraea's daughter,  
How shall I honour thee for this success?  
Thy promises are like Adonis' gardens  
That one day bloom'd and fruitful were the next.  
France, triumph in thy glorious prophetess!  
Recover'd is the town of Orleans:  
More blessed hap did ne'er befall our state.

### REIGNIER

Why ring not out the bells aloud throughout the town?  
Dauphin, command the citizens make bonfires  
And feast and banquet in the open streets,  
To celebrate the joy that God hath given us.

### ALENCON

All France will be replete with mirth and joy,  
When they shall hear how we have play'd the men.

### CHARLES

'Tis Joan, not we, by whom the day is won;

For which I will divide my crown with her,  
And all the priests and friars in my realm  
Shall in procession sing her endless praise.  
A statelier pyramis to her I'll rear  
Than Rhodope's or Memphis' ever was:  
In memory of her when she is dead,  
Her ashes, in an urn more precious  
Than the rich-jewel'd of Darius,  
Transported shall be at high festivals  
Before the kings and queens of France.  
No longer on Saint Denis will we cry,  
But Joan la Pucelle shall be France's saint.  
Come in, and let us banquet royally,  
After this golden day of victory.

*Flourish. Exeunt*

## SCENE I. Before Orleans.

*Enter a Sergeant of a band with two Sentinels*

### Sergeant

Sirs, take your places and be vigilant:  
If any noise or soldier you perceive  
Near to the walls, by some apparent sign  
Let us have knowledge at the court of guard.

### First Sentinel

Sergeant, you shall.

*Exit Sergeant*

Thus are poor servitors,  
When others sleep upon their quiet beds,  
Constrain'd to watch in darkness, rain and cold.

*Enter TALBOT, BEDFORD, BURGUNDY, and Forces, with scaling-ladders, their drums beating a dead march*

### TALBOT

Lord Regent, and redoubted Burgundy,  
By whose approach the regions of Artois,  
Wallon and Picardy are friends to us,  
This happy night the Frenchmen are secure,  
Having all day caroused and banqueted:  
Embrace we then this opportunity  
As fitting best to quittance their deceit  
Contrived by art and baleful sorcery.

### BEDFORD

Coward of France! how much he wrongs his fame,  
Despairing of his own arm's fortitude,  
To join with witches and the help of hell!

**BURGUNDY**

Traitors have never other company.  
But what's that Pucelle whom they term so pure?

**TALBOT**

A maid, they say.

**BEDFORD**

A maid! and be so martial!

**BURGUNDY**

Pray God she prove not masculine ere long,  
If underneath the standard of the French  
She carry armour as she hath begun.

**TALBOT**

Well, let them practise and converse with spirits:  
God is our fortress, in whose conquering name  
Let us resolve to scale their flinty bulwarks.

**BEDFORD**

Ascend, brave Talbot; we will follow thee.

**TALBOT**

Not all together: better far, I guess,  
That we do make our entrance several ways;  
That, if it chance the one of us do fail,  
The other yet may rise against their force.

## **BEDFORD**

Agreed: I'll to yond corner.

## **BURGUNDY**

And I to this.

## **TALBOT**

And here will Talbot mount, or make his grave.  
Now, Salisbury, for thee, and for the right  
Of English Henry, shall this night appear  
How much in duty I am bound to both.

## **Sentinels**

Arm! arm! the enemy doth make assault!

*Cry: 'St. George,' 'A Talbot.'*

*The French leap over the walls in their shirts. Enter, several ways, the BASTARD OF ORLEANS, ALENCON, and REIGNIER, half ready, and half unready*

## **ALENCON**

How now, my lords! what, all unready so?

## **BASTARD OF ORLEANS**

Unready! ay, and glad we 'scaped so well.

## **REIGNIER**

'Twas time, I trow, to wake and leave our beds,  
Hearing alarums at our chamber-doors.

## **ALENCON**

Of all exploits since first I follow'd arms,  
Ne'er heard I of a warlike enterprise

More venturous or desperate than this.

**BASTARD OF ORLEANS**

I think this Talbot be a fiend of hell.

**REIGNIER**

If not of hell, the heavens, sure, favour him.

**ALENCON**

Here cometh Charles: I marvel how he sped.

**BASTARD OF ORLEANS**

Tut, holy Joan was his defensive guard.

*Enter CHARLES and JOAN LA PUCELLE*

**CHARLES**

Is this thy cunning, thou deceitful dame?  
Didst thou at first, to flatter us withal,  
Make us partakers of a little gain,  
That now our loss might be ten times so much?

**JOAN LA PUCELLE**

Wherefore is Charles impatient with his friend!  
At all times will you have my power alike?  
Sleeping or waking must I still prevail,  
Or will you blame and lay the fault on me?  
Improvident soldiers! had your watch been good,  
This sudden mischief never could have fall'n.

**CHARLES**

Duke of Alencon, this was your default,  
That, being captain of the watch to-night,  
Did look no better to that weighty charge.

## **ALENCON**

Had all your quarters been as safely kept  
As that whereof I had the government,  
We had not been thus shamefully surprised.

## **BASTARD OF ORLEANS**

Mine was secure.

## **REIGNIER**

And so was mine, my lord.

## **CHARLES**

And, for myself, most part of all this night,  
Within her quarter and mine own precinct  
I was employ'd in passing to and fro,  
About relieving of the sentinels:  
Then how or which way should they first break in?

## **JOAN LA PUCELLE**

Question, my lords, no further of the case,  
How or which way: 'tis sure they found some place  
But weakly guarded, where the breach was made.  
And now there rests no other shift but this;  
To gather our soldiers, scatter'd and dispersed,  
And lay new platforms to endamage them.

*Alarum. Enter an English Soldier, crying 'A Talbot! a Talbot!' They fly, leaving their clothes behind*

## **Soldier**

I'll be so bold to take what they have left.  
The cry of Talbot serves me for a sword;  
For I have loaden me with many spoils,  
Using no other weapon but his name.

*Exit*

## SCENE II. Orleans. Within the town.

*Enter TALBOT, BEDFORD, BURGUNDY, a Captain, and others*

### BEDFORD

The day begins to break, and night is fled,  
Whose pitchy mantle over-veil'd the earth.  
Here sound retreat, and cease our hot pursuit.

*Retreat sounded*

### TALBOT

Bring forth the body of old Salisbury,  
And here advance it in the market-place,  
The middle centre of this cursed town.  
Now have I paid my vow unto his soul;  
For every drop of blood was drawn from him,  
There hath at least five Frenchmen died tonight.  
And that hereafter ages may behold  
What ruin happen'd in revenge of him,  
Within their chiefest temple I'll erect  
A tomb, wherein his corpse shall be interr'd:  
Upon the which, that every one may read,  
Shall be engraved the sack of Orleans,  
The treacherous manner of his mournful death  
And what a terror he had been to France.  
But, lords, in all our bloody massacre,  
I muse we met not with the Dauphin's grace,  
His new-come champion, virtuous Joan of Arc,  
Nor any of his false confederates.

### BEDFORD

'Tis thought, Lord Talbot, when the fight began,

Roused on the sudden from their drowsy beds,  
They did amongst the troops of armed men  
Leap o'er the walls for refuge in the field.

## **BURGUNDY**

Myself, as far as I could well discern  
For smoke and dusky vapours of the night,  
Am sure I scared the Dauphin and his trull,  
When arm in arm they both came swiftly running,  
Like to a pair of loving turtle-doves  
That could not live asunder day or night.  
After that things are set in order here,  
We'll follow them with all the power we have.

*Enter a Messenger*

## **Messenger**

All hail, my lords! which of this princely train  
Call ye the warlike Talbot, for his acts  
So much applauded through the realm of France?

## **TALBOT**

Here is the Talbot: who would speak with him?

## **Messenger**

The virtuous lady, Countess of Auvergne,  
With modesty admiring thy renown,  
By me entreats, great lord, thou wouldst vouchsafe  
To visit her poor castle where she lies,  
That she may boast she hath beheld the man  
Whose glory fills the world with loud report.

## **BURGUNDY**

Is it even so? Nay, then, I see our wars  
Will turn unto a peaceful comic sport,  
When ladies crave to be encounter'd with.  
You may not, my lord, despise her gentle suit.

## TALBOT

Ne'er trust me then; for when a world of men  
Could not prevail with all their oratory,  
Yet hath a woman's kindness over-ruled:  
And therefore tell her I return great thanks,  
And in submission will attend on her.  
Will not your honours bear me company?

## BEDFORD

No, truly; it is more than manners will:  
And I have heard it said, unbidden guests  
Are often welcomest when they are gone.

## TALBOT

Well then, alone, since there's no remedy,  
I mean to prove this lady's courtesy.  
Come hither, captain.

*Whispers*

You perceive my mind?

## Captain

I do, my lord, and mean accordingly.

*Exeunt*

## SCENE III. Auvergne. The COUNTESS's castle.

*Enter the COUNTESS and her Porter*

COUNTESS

### OF AUVERGNE

Porter, remember what I gave in charge;  
And when you have done so, bring the keys to me.

**Porter**

Madam, I will.

*Exit*

COUNTESS

### OF AUVERGNE

The plot is laid: if all things fall out right,  
I shall as famous be by this exploit  
As Scythian Tomyris by Cyrus' death.  
Great is the rumor of this dreadful knight,  
And his achievements of no less account:  
Fain would mine eyes be witness with mine ears,  
To give their censure of these rare reports.

*Enter Messenger and TALBOT*

**Messenger**

Madam,  
According as your ladyship desired,  
By message craved, so is Lord Talbot come.

COUNTESS

**OF AUVERGNE**

And he is welcome. What! is this the man?

**Messenger**

Madam, it is.  
COUNTESS

**OF AUVERGNE**

Is this the scourge of France?  
Is this the Talbot, so much fear'd abroad  
That with his name the mothers still their babes?  
I see report is fabulous and false:  
I thought I should have seen some Hercules,  
A second Hector, for his grim aspect,  
And large proportion of his strong-knit limbs.  
Alas, this is a child, a silly dwarf!  
It cannot be this weak and writhled shrimp  
Should strike such terror to his enemies.

**TALBOT**

Madam, I have been bold to trouble you;  
But since your ladyship is not at leisure,  
I'll sort some other time to visit you.  
COUNTESS

**OF AUVERGNE**

What means he now? Go ask him whither he goes.

**Messenger**

Stay, my Lord Talbot; for my lady craves  
To know the cause of your abrupt departure.

**TALBOT**

Marry, for that she's in a wrong belief,  
I go to certify her Talbot's here.

*Re-enter Porter with keys*

COUNTESS

**OF AUVERGNE**

If thou be he, then art thou prisoner.

**TALBOT**

Prisoner! to whom?

COUNTESS

**OF AUVERGNE**

To me, blood-thirsty lord;  
And for that cause I trained thee to my house.  
Long time thy shadow hath been thrall to me,  
For in my gallery thy picture hangs:  
But now the substance shall endure the like,  
And I will chain these legs and arms of thine,  
That hast by tyranny these many years  
Wasted our country, slain our citizens  
And sent our sons and husbands captivate.

**TALBOT**

Ha, ha, ha!

COUNTESS

**OF AUVERGNE**

Laughst thou, wretch? thy mirth shall turn to moan.

**TALBOT**

I laugh to see your ladyship so fond  
To think that you have aught but Talbot's shadow

Whereon to practise your severity.  
COUNTESS

**OF AUVERGNE**

Why, art not thou the man?

**TALBOT**

I am indeed.  
COUNTESS

**OF AUVERGNE**

Then have I substance too.

**TALBOT**

No, no, I am but shadow of myself:  
You are deceived, my substance is not here;  
For what you see is but the smallest part  
And least proportion of humanity:  
I tell you, madam, were the whole frame here,  
It is of such a spacious lofty pitch,  
Your roof were not sufficient to contain't.  
COUNTESS

**OF AUVERGNE**

This is a riddling merchant for the nonce;  
He will be here, and yet he is not here:  
How can these contrarities agree?

**TALBOT**

That will I show you presently.

*Winds his horn. Drums strike up: a peal of ordnance. Enter soldiers*

How say you, madam? are you now persuaded  
That Talbot is but shadow of himself?

These are his substance, sinews, arms and strength,  
With which he yoketh your rebellious necks,  
Razeth your cities and subverts your towns  
And in a moment makes them desolate.  
COUNTESS

## OF AUVERGNE

Victorious Talbot! pardon my abuse:  
I find thou art no less than fame hath bruited  
And more than may be gather'd by thy shape.  
Let my presumption not provoke thy wrath;  
For I am sorry that with reverence  
I did not entertain thee as thou art.

## TALBOT

Be not dismay'd, fair lady; nor misconstrue  
The mind of Talbot, as you did mistake  
The outward composition of his body.  
What you have done hath not offended me;  
Nor other satisfaction do I crave,  
But only, with your patience, that we may  
Taste of your wine and see what cates you have;  
For soldiers' stomachs always serve them well.  
COUNTESS

## OF AUVERGNE

With all my heart, and think me honoured  
To feast so great a warrior in my house.

*Exeunt*

# The First part of King Henry the Sixth

[Shakespeare homepage](#) | [Henry VI, part 1](#) | Act 2, Scene 4

[Previous scene](#) | [Next scene](#)

## SCENE IV. London. The Temple-garden.

*Enter the Earls of SOMERSET, SUFFOLK, and WARWICK; RICHARD PLANTAGENET, VERNON, and another Lawyer*

RICHARD

PLANTAGENET

Great lords and gentlemen, what means this silence?  
Dare no man answer in a case of truth?

SUFFOLK

Within the Temple-hall we were too loud;  
The garden here is more convenient.  
RICHARD

PLANTAGENET

Then say at once if I maintain'd the truth;  
Or else was wrangling Somerset in the error?

SUFFOLK

Faith, I have been a truant in the law,  
And never yet could frame my will to it;  
And therefore frame the law unto my will.

SOMERSET

Judge you, my Lord of Warwick, then, between us.

WARWICK

Between two hawks, which flies the higher pitch;

Between two dogs, which hath the deeper mouth;  
Between two blades, which bears the better temper:  
Between two horses, which doth bear him best;  
Between two girls, which hath the merriest eye;  
I have perhaps some shallow spirit of judgement;  
But in these nice sharp quilllets of the law,  
Good faith, I am no wiser than a daw.

RICHARD

## **PLANTAGENET**

Tut, tut, here is a mannerly forbearance:  
The truth appears so naked on my side  
That any purblind eye may find it out.

## **SOMERSET**

And on my side it is so well apparell'd,  
So clear, so shining and so evident  
That it will glimmer through a blind man's eye.

RICHARD

## **PLANTAGENET**

Since you are tongue-tied and so loath to speak,  
In dumb significants proclaim your thoughts:  
Let him that is a true-born gentleman  
And stands upon the honour of his birth,  
If he suppose that I have pleaded truth,  
From off this brier pluck a white rose with me.

## **SOMERSET**

Let him that is no coward nor no flatterer,  
But dare maintain the party of the truth,  
Pluck a red rose from off this thorn with me.

## **WARWICK**

I love no colours, and without all colour  
Of base insinuating flattery  
I pluck this white rose with Plantagenet.

## **SUFFOLK**

I pluck this red rose with young Somerset  
And say withal I think he held the right.

## **VERNON**

Stay, lords and gentlemen, and pluck no more,  
Till you conclude that he upon whose side  
The fewest roses are cropp'd from the tree  
Shall yield the other in the right opinion.

## **SOMERSET**

Good Master Vernon, it is well objected:  
If I have fewest, I subscribe in silence.  
RICHARD

## **PLANTAGENET**

And I.

## **VERNON**

Then for the truth and plainness of the case.  
I pluck this pale and maiden blossom here,  
Giving my verdict on the white rose side.

## **SOMERSET**

Prick not your finger as you pluck it off,  
Lest bleeding you do paint the white rose red  
And fall on my side so, against your will.

## **VERNON**

If I my lord, for my opinion bleed,  
Opinion shall be surgeon to my hurt  
And keep me on the side where still I am.

## **SOMERSET**

Well, well, come on: who else?

## **Lawyer**

Unless my study and my books be false,  
The argument you held was wrong in you:

*To SOMERSET*

In sign whereof I pluck a white rose too.  
RICHARD

## **PLANTAGENET**

Now, Somerset, where is your argument?

## **SOMERSET**

Here in my scabbard, meditating that  
Shall dye your white rose in a bloody red.  
RICHARD

## **PLANTAGENET**

Meantime your cheeks do counterfeit our roses;  
For pale they look with fear, as witnessing  
The truth on our side.

## **SOMERSET**

No, Plantagenet,  
'Tis not for fear but anger that thy cheeks  
Blush for pure shame to counterfeit our roses,  
And yet thy tongue will not confess thy error.  
RICHARD

## **PLANTAGENET**

Hath not thy rose a canker, Somerset?

## **SOMERSET**

Hath not thy rose a thorn, Plantagenet?

RICHARD

## **PLANTAGENET**

Ay, sharp and piercing, to maintain his truth;  
Whiles thy consuming canker eats his falsehood.

## **SOMERSET**

Well, I'll find friends to wear my bleeding roses,  
That shall maintain what I have said is true,  
Where false Plantagenet dare not be seen.

RICHARD

## **PLANTAGENET**

Now, by this maiden blossom in my hand,  
I scorn thee and thy fashion, peevish boy.

## **SUFFOLK**

Turn not thy scorns this way, Plantagenet.

RICHARD

## **PLANTAGENET**

Proud Pole, I will, and scorn both him and thee.

## **SUFFOLK**

I'll turn my part thereof into thy throat.

## **SOMERSET**

Away, away, good William de la Pole!  
We grace the yeoman by conversing with him.

## **WARWICK**

Now, by God's will, thou wrong'st him, Somerset;  
His grandfather was Lionel Duke of Clarence,  
Third son to the third Edward King of England:  
Spring crestless yeomen from so deep a root?  
RICHARD

## **PLANTAGENET**

He bears him on the place's privilege,  
Or durst not, for his craven heart, say thus.

## **SOMERSET**

By him that made me, I'll maintain my words  
On any plot of ground in Christendom.  
Was not thy father, Richard Earl of Cambridge,  
For treason executed in our late king's days?  
And, by his treason, stand'st not thou attainted,  
Corrupted, and exempt from ancient gentry?  
His trespass yet lives guilty in thy blood;  
And, till thou be restored, thou art a yeoman.  
RICHARD

## **PLANTAGENET**

My father was attached, not attainted,  
Condemn'd to die for treason, but no traitor;  
And that I'll prove on better men than Somerset,  
Were growing time once ripen'd to my will.  
For your partaker Pole and you yourself,  
I'll note you in my book of memory,  
To scourge you for this apprehension:  
Look to it well and say you are well warn'd.

## **SOMERSET**

Ah, thou shalt find us ready for thee still;  
And know us by these colours for thy foes,  
For these my friends in spite of thee shall wear.  
RICHARD

## **PLANTAGENET**

And, by my soul, this pale and angry rose,  
As cognizance of my blood-drinking hate,  
Will I for ever and my faction wear,  
Until it wither with me to my grave  
Or flourish to the height of my degree.

## **SUFFOLK**

Go forward and be choked with thy ambition!  
And so farewell until I meet thee next.

*Exit*

## **SOMERSET**

Have with thee, Pole. Farewell, ambitious Richard.

*Exit*

RICHARD

## **PLANTAGENET**

How I am braved and must perforce endure it!

## **WARWICK**

This blot that they object against your house  
Shall be wiped out in the next parliament  
Call'd for the truce of Winchester and Gloucester;  
And if thou be not then created York,  
I will not live to be accounted Warwick.  
Meantime, in signal of my love to thee,  
Against proud Somerset and William Pole,  
Will I upon thy party wear this rose:  
And here I prophesy: this brawl to-day,  
Grown to this faction in the Temple-garden,  
Shall send between the red rose and the white  
A thousand souls to death and deadly night.

RICHARD

**PLANTAGENET**

Good Master Vernon, I am bound to you,  
That you on my behalf would pluck a flower.

**VERNON**

In your behalf still will I wear the same.

**Lawyer**

And so will I.  
RICHARD

**PLANTAGENET**

Thanks, gentle sir.  
Come, let us four to dinner: I dare say  
This quarrel will drink blood another day.

*Exeunt*

## SCENE V. The Tower of London.

*Enter MORTIMER, brought in a chair, and Gaolers*

### MORTIMER

Kind keepers of my weak decaying age,  
Let dying Mortimer here rest himself.  
Even like a man new haled from the rack,  
So fare my limbs with long imprisonment.  
And these grey locks, the pursuivants of death,  
Nestor-like aged in an age of care,  
Argue the end of Edmund Mortimer.  
These eyes, like lamps whose wasting oil is spent,  
Wax dim, as drawing to their exigent;  
Weak shoulders, overborne with burthening grief,  
And pithless arms, like to a wither'd vine  
That droops his sapless branches to the ground;  
Yet are these feet, whose strengthless stay is numb,  
Unable to support this lump of clay,  
Swift-winged with desire to get a grave,  
As witting I no other comfort have.  
But tell me, keeper, will my nephew come?

### First Gaoler

Richard Plantagenet, my lord, will come:  
We sent unto the Temple, unto his chamber;  
And answer was return'd that he will come.

### MORTIMER

Enough: my soul shall then be satisfied.  
Poor gentleman! his wrong doth equal mine.  
Since Henry Monmouth first began to reign,  
Before whose glory I was great in arms,

This loathsome sequestration have I had:  
And even since then hath Richard been obscured,  
Deprived of honour and inheritance.  
But now the arbitrator of despairs,  
Just death, kind umpire of men's miseries,  
With sweet enlargement doth dismiss me hence:  
I would his troubles likewise were expired,  
That so he might recover what was lost.

*Enter RICHARD PLANTAGENET*

**First Gaoler**

My lord, your loving nephew now is come.

**MORTIMER**

Richard Plantagenet, my friend, is he come?  
RICHARD

**PLANTAGENET**

Ay, noble uncle, thus ignobly used,  
Your nephew, late despised Richard, comes.

**MORTIMER**

Direct mine arms I may embrace his neck,  
And in his bosom spend my latter gasp:  
O, tell me when my lips do touch his cheeks,  
That I may kindly give one fainting kiss.  
And now declare, sweet stem from York's great stock,  
Why didst thou say, of late thou wert despised?  
RICHARD

**PLANTAGENET**

First, lean thine aged back against mine arm;  
And, in that ease, I'll tell thee my disease.  
This day, in argument upon a case,  
Some words there grew 'twixt Somerset and me;  
Among which terms he used his lavish tongue

And did upbraid me with my father's death:  
Which obloquy set bars before my tongue,  
Else with the like I had requited him.  
Therefore, good uncle, for my father's sake,  
In honour of a true Plantagenet  
And for alliance sake, declare the cause  
My father, Earl of Cambridge, lost his head.

## **MORTIMER**

That cause, fair nephew, that imprison'd me  
And hath detain'd me all my flowering youth  
Within a loathsome dungeon, there to pine,  
Was cursed instrument of his decease.

RICHARD

## **PLANTAGENET**

Discover more at large what cause that was,  
For I am ignorant and cannot guess.

## **MORTIMER**

I will, if that my fading breath permit  
And death approach not ere my tale be done.  
Henry the Fourth, grandfather to this king,  
Deposed his nephew Richard, Edward's son,  
The first-begotten and the lawful heir,  
Of Edward king, the third of that descent:  
During whose reign the Percies of the north,  
Finding his usurpation most unjust,  
Endeavor'd my advancement to the throne:  
The reason moved these warlike lords to this  
Was, for that--young King Richard thus removed,  
Leaving no heir begotten of his body--  
I was the next by birth and parentage;  
For by my mother I derived am  
From Lionel Duke of Clarence, the third son  
To King Edward the Third; whereas he  
From John of Gaunt doth bring his pedigree,  
Being but fourth of that heroic line.  
But mark: as in this haughty attempt

They laboured to plant the rightful heir,  
I lost my liberty and they their lives.  
Long after this, when Henry the Fifth,  
Succeeding his father Bolingbroke, did reign,  
Thy father, Earl of Cambridge, then derived  
From famous Edmund Langley, Duke of York,  
Marrying my sister that thy mother was,  
Again in pity of my hard distress  
Levied an army, weening to redeem  
And have install'd me in the diadem:  
But, as the rest, so fell that noble earl  
And was beheaded. Thus the Mortimers,  
In whom the tide rested, were suppress'd.  
RICHARD

## **PLANTAGENET**

Of which, my lord, your honour is the last.

## **MORTIMER**

True; and thou seest that I no issue have  
And that my fainting words do warrant death;  
Thou art my heir; the rest I wish thee gather:  
But yet be wary in thy studious care.  
RICHARD

## **PLANTAGENET**

Thy grave admonishments prevail with me:  
But yet, methinks, my father's execution  
Was nothing less than bloody tyranny.

## **MORTIMER**

With silence, nephew, be thou politic:  
Strong-fixed is the house of Lancaster,  
And like a mountain, not to be removed.  
But now thy uncle is removing hence:  
As princes do their courts, when they are cloy'd  
With long continuance in a settled place.  
RICHARD

## PLANTAGENET

O, uncle, would some part of my young years  
Might but redeem the passage of your age!

## MORTIMER

Thou dost then wrong me, as that slaughterer doth  
Which giveth many wounds when one will kill.  
Mourn not, except thou sorrow for my good;  
Only give order for my funeral:  
And so farewell, and fair be all thy hopes  
And prosperous be thy life in peace and war!

*Dies*

RICHARD

## PLANTAGENET

And peace, no war, befall thy parting soul!  
In prison hast thou spent a pilgrimage  
And like a hermit overpass'd thy days.  
Well, I will lock his counsel in my breast;  
And what I do imagine let that rest.  
Keepers, convey him hence, and I myself  
Will see his burial better than his life.

*Exeunt Gaolers, bearing out the body of MORTIMER*

Here dies the dusky torch of Mortimer,  
Choked with ambition of the meaner sort:  
And for those wrongs, those bitter injuries,  
Which Somerset hath offer'd to my house:  
I doubt not but with honour to redress;  
And therefore haste I to the parliament,  
Either to be restored to my blood,  
Or make my ill the advantage of my good.

*Exit*

## SCENE I. London. The Parliament-house.

*Flourish. Enter KING HENRY VI, EXETER, GLOUCESTER, WARWICK, SOMERSET, and SUFFOLK; the BISHOP OF WINCHESTER, RICHARD PLANTAGENET, and others. GLOUCESTER offers to put up a bill; BISHOP OF WINCHESTER snatches it, and tears it*

BISHOP

### OF WINCHESTER

Comest thou with deep premeditated lines,  
With written pamphlets studiously devised,  
Humphrey of Gloucester? If thou canst accuse,  
Or aught intend'st to lay unto my charge,  
Do it without invention, suddenly;  
As I with sudden and extemporal speech  
Purpose to answer what thou canst object.

### GLOUCESTER

Presumptuous priest! this place commands my patience,  
Or thou shouldst find thou hast dishonour'd me.  
Think not, although in writing I preferr'd  
The manner of thy vile outrageous crimes,  
That therefore I have forged, or am not able  
Verbatim to rehearse the method of my pen:  
No, prelate; such is thy audacious wickedness,  
Thy lewd, pestiferous and dissentious pranks,  
As very infants prattle of thy pride.  
Thou art a most pernicious usurer,  
Forward by nature, enemy to peace;  
Lascivious, wanton, more than well beseems  
A man of thy profession and degree;  
And for thy treachery, what's more manifest?  
In that thou laid'st a trap to take my life,  
As well at London bridge as at the Tower.  
Beside, I fear me, if thy thoughts were sifted,

The king, thy sovereign, is not quite exempt  
From envious malice of thy swelling heart.  
BISHOP

**OF WINCHESTER**

Gloucester, I do defy thee. Lords, vouchsafe  
To give me hearing what I shall reply.  
If I were covetous, ambitious or perverse,  
As he will have me, how am I so poor?  
Or how haps it I seek not to advance  
Or raise myself, but keep my wonted calling?  
And for dissension, who preferreth peace  
More than I do?--except I be provoked.  
No, my good lords, it is not that offends;  
It is not that that hath incensed the duke:  
It is, because no one should sway but he;  
No one but he should be about the king;  
And that engenders thunder in his breast  
And makes him roar these accusations forth.  
But he shall know I am as good--

**GLOUCESTER**

As good!  
Thou bastard of my grandfather!  
BISHOP

**OF WINCHESTER**

Ay, lordly sir; for what are you, I pray,  
But one imperious in another's throne?

**GLOUCESTER**

Am I not protector, saucy priest?  
BISHOP

**OF WINCHESTER**

And am not I a prelate of the church?

## **GLOUCESTER**

Yes, as an outlaw in a castle keeps  
And useth it to patronage his theft.  
BISHOP

## **OF WINCHESTER**

Unreverent Gloster!

## **GLOUCESTER**

Thou art reverent  
Touching thy spiritual function, not thy life.  
BISHOP

## **OF WINCHESTER**

Rome shall remedy this.

## **WARWICK**

Roam thither, then.

## **SOMERSET**

My lord, it were your duty to forbear.

## **WARWICK**

Ay, see the bishop be not overborne.

## **SOMERSET**

Methinks my lord should be religious  
And know the office that belongs to such.

## **WARWICK**

Methinks his lordship should be humbler;  
it fitteth not a prelate so to plead.

## SOMERSET

Yes, when his holy state is touch'd so near.

## WARWICK

State holy or unhallow'd, what of that?

Is not his grace protector to the king?

RICHARD

## PLANTAGENET

[Aside] Plantagenet, I see, must hold his tongue,

Lest it be said 'Speak, sirrah, when you should;

Must your bold verdict enter talk with lords?'

Else would I have a fling at Winchester.

## KING HENRY VI

Uncles of Gloucester and of Winchester,

The special watchmen of our English weal,

I would prevail, if prayers might prevail,

To join your hearts in love and amity.

O, what a scandal is it to our crown,

That two such noble peers as ye should jar!

Believe me, lords, my tender years can tell

Civil dissension is a viperous worm

That gnaws the bowels of the commonwealth.

*A noise within, 'Down with the tawny-coats!'*

What tumult's this?

## WARWICK

An uproar, I dare warrant,

Begun through malice of the bishop's men.

*A noise again, 'Stones! stones!' Enter Mayor*

## Mayor

O, my good lords, and virtuous Henry,  
Pity the city of London, pity us!  
The bishop and the Duke of Gloucester's men,  
Forbidden late to carry any weapon,  
Have fill'd their pockets full of pebble stones  
And banding themselves in contrary parts  
Do pelt so fast at one another's pate  
That many have their giddy brains knock'd out:  
Our windows are broke down in every street  
And we for fear compell'd to shut our shops.

*Enter Serving-men, in skirmish, with bloody pates*

## KING HENRY VI

We charge you, on allegiance to ourself,  
To hold your slaughtering hands and keep the peace.  
Pray, uncle Gloucester, mitigate this strife.  
First Serving-man Nay, if we be forbidden stones,  
We'll fall to it with our teeth.  
Second Serving-man Do what ye dare, we are as resolute.

*Skirmish again*

## GLOUCESTER

You of my household, leave this peevish broil  
And set this unaccustom'd fight aside.  
Third Serving-man My lord, we know your grace to be a man  
Just and upright; and, for your royal birth,  
Inferior to none but to his majesty:  
And ere that we will suffer such a prince,  
So kind a father of the commonweal,  
To be disgraced by an inkhorn mate,  
We and our wives and children all will fight  
And have our bodies slaughtered by thy foes.  
First Serving-man Ay, and the very parings of our nails  
Shall pitch a field when we are dead.

*Begin again*

## **GLOUCESTER**

Stay, stay, I say!  
And if you love me, as you say you do,  
Let me persuade you to forbear awhile.

## **KING HENRY VI**

O, how this discord doth afflict my soul!  
Can you, my Lord of Winchester, behold  
My sighs and tears and will not once relent?  
Who should be pitiful, if you be not?  
Or who should study to prefer a peace.  
If holy churchmen take delight in broils?

## **WARWICK**

Yield, my lord protector; yield, Winchester;  
Except you mean with obstinate repulse  
To slay your sovereign and destroy the realm.  
You see what mischief and what murder too  
Hath been enacted through your enmity;  
Then be at peace except ye thirst for blood.  
BISHOP

## **OF WINCHESTER**

He shall submit, or I will never yield.

## **GLOUCESTER**

Compassion on the king commands me stoop;  
Or I would see his heart out, ere the priest  
Should ever get that privilege of me.

## **WARWICK**

Behold, my Lord of Winchester, the duke  
Hath banish'd moody discontented fury,  
As by his smoothed brows it doth appear:  
Why look you still so stern and tragical?

## **GLOUCESTER**

Here, Winchester, I offer thee my hand.

## **KING HENRY VI**

Fie, uncle Beaufort! I have heard you preach  
That malice was a great and grievous sin;  
And will not you maintain the thing you teach,  
But prove a chief offender in the same?

## **WARWICK**

Sweet king! the bishop hath a kindly gird.  
For shame, my lord of Winchester, relent!  
What, shall a child instruct you what to do?  
BISHOP

## **OF WINCHESTER**

Well, Duke of Gloucester, I will yield to thee;  
Love for thy love and hand for hand I give.

## **GLOUCESTER**

[Aside] Ay, but, I fear me, with a hollow heart.--  
See here, my friends and loving countrymen,  
This token serveth for a flag of truce  
Betwixt ourselves and all our followers:  
So help me God, as I dissemble not!  
BISHOP

## **OF WINCHESTER**

[Aside] So help me God, as I intend it not!

## **KING HENRY VI**

O, loving uncle, kind Duke of Gloucester,  
How joyful am I made by this contract!  
Away, my masters! trouble us no more;

But join in friendship, as your lords have done.  
First Serving-man Content: I'll to the surgeon's.  
Second Serving-man And so will I.  
Third Serving-man And I will see what physic the tavern affords.

*Exeunt Serving-men, Mayor, & c*

## **WARWICK**

Accept this scroll, most gracious sovereign,  
Which in the right of Richard Plantagenet  
We do exhibit to your majesty.

## **GLOUCESTER**

Well urged, my Lord of Warwick: or sweet prince,  
And if your grace mark every circumstance,  
You have great reason to do Richard right;  
Especially for those occasions  
At Eltham Place I told your majesty.

## **KING HENRY VI**

And those occasions, uncle, were of force:  
Therefore, my loving lords, our pleasure is  
That Richard be restored to his blood.

## **WARWICK**

Let Richard be restored to his blood;  
So shall his father's wrongs be recompensed.  
BISHOP

## **OF WINCHESTER**

As will the rest, so willeth Winchester.

## **KING HENRY VI**

If Richard will be true, not that alone  
But all the whole inheritance I give

That doth belong unto the house of York,  
From whence you spring by lineal descent.  
RICHARD

**PLANTAGENET**

Thy humble servant vows obedience  
And humble service till the point of death.

**KING HENRY VI**

Stoop then and set your knee against my foot;  
And, in requerdon of that duty done,  
I gird thee with the valiant sword of York:  
Rise Richard, like a true Plantagenet,  
And rise created princely Duke of York.  
RICHARD

**PLANTAGENET**

And so thrive Richard as thy foes may fall!  
And as my duty springs, so perish they  
That grudge one thought against your majesty!

**ALL**

Welcome, high prince, the mighty Duke of York!

**SOMERSET**

[Aside] Perish, base prince, ignoble Duke of York!

**GLOUCESTER**

Now will it best avail your majesty  
To cross the seas and to be crown'd in France:  
The presence of a king engenders love  
Amongst his subjects and his loyal friends,  
As it disanimates his enemies.

**KING HENRY VI**

When Gloucester says the word, King Henry goes;  
For friendly counsel cuts off many foes.

## **GLOUCESTER**

Your ships already are in readiness.

*Sennet. Flourish. Exeunt all but EXETER*

## **EXETER**

Ay, we may march in England or in France,  
Not seeing what is likely to ensue.  
This late dissension grown betwixt the peers  
Burns under feigned ashes of forged love  
And will at last break out into a flame:  
As fester'd members rot but by degree,  
Till bones and flesh and sinews fall away,  
So will this base and envious discord breed.  
And now I fear that fatal prophecy  
Which in the time of Henry named the Fifth  
Was in the mouth of every sucking babe;  
That Henry born at Monmouth should win all  
And Henry born at Windsor lose all:  
Which is so plain that Exeter doth wish  
His days may finish ere that hapless time.

*Exit*

## SCENE II. France. Before Rouen.

*Enter JOAN LA PUCELLE disguised, with four Soldiers with sacks upon their backs*

### JOAN LA PUCELLE

These are the city gates, the gates of Rouen,  
Through which our policy must make a breach:  
Take heed, be wary how you place your words;  
Talk like the vulgar sort of market men  
That come to gather money for their corn.  
If we have entrance, as I hope we shall,  
And that we find the slothful watch but weak,  
I'll by a sign give notice to our friends,  
That Charles the Dauphin may encounter them.

### First Soldier

Our sacks shall be a mean to sack the city,  
And we be lords and rulers over Rouen;  
Therefore we'll knock.

*Knocks*

### Watch

[Within] Qui est la?

### JOAN LA PUCELLE

Paysans, pauvres gens de France;  
Poor market folks that come to sell their corn.

### Watch

Enter, go in; the market bell is rung.

## **JOAN LA PUCELLE**

Now, Rouen, I'll shake thy bulwarks to the ground.

*Exeunt*

*Enter CHARLES, the BASTARD OF ORLEANS, ALENCON, REIGNIER, and forces*

## **CHARLES**

Saint Denis bless this happy stratagem!  
And once again we'll sleep secure in Rouen.

## **BASTARD OF ORLEANS**

Here enter'd Pucelle and her practisants;  
Now she is there, how will she specify  
Where is the best and safest passage in?

## **REIGNIER**

By thrusting out a torch from yonder tower;  
Which, once discern'd, shows that her meaning is,  
No way to that, for weakness, which she enter'd.

*Enter JOAN LA PUCELLE on the top, thrusting out a torch burning*

## **JOAN LA PUCELLE**

Behold, this is the happy wedding torch  
That joineth Rouen unto her countrymen,  
But burning fatal to the Talbotites!

*Exit*

## **BASTARD OF ORLEANS**

See, noble Charles, the beacon of our friend;  
The burning torch in yonder turret stands.

## **CHARLES**

Now shine it like a comet of revenge,  
A prophet to the fall of all our foes!

## **REIGNIER**

Defer no time, delays have dangerous ends;  
Enter, and cry 'The Dauphin!' presently,  
And then do execution on the watch.

*Alarum. Exeunt*

*An alarum. Enter TALBOT in an excursion*

## **TALBOT**

France, thou shalt rue this treason with thy tears,  
If Talbot but survive thy treachery.  
Pucelle, that witch, that damned sorceress,  
Hath wrought this hellish mischief unawares,  
That hardly we escaped the pride of France.

*Exit*

*An alarum: excursions. BEDFORD, brought in sick in a chair. Enter TALBOT and BURGUNDY without: within JOAN LA PUCELLE, CHARLES, BASTARD OF ORLEANS, ALENCON, and REIGNIER, on the walls*

## **JOAN LA PUCELLE**

Good morrow, gallants! want ye corn for bread?  
I think the Duke of Burgundy will fast  
Before he'll buy again at such a rate:  
'Twas full of darnel; do you like the taste?

## **BURGUNDY**

Scoff on, vile fiend and shameless courtezan!  
I trust ere long to choke thee with thine own  
And make thee curse the harvest of that corn.

**CHARLES**

Your grace may starve perhaps before that time.

**BEDFORD**

O, let no words, but deeds, revenge this treason!

**JOAN LA PUCELLE**

What will you do, good grey-beard? break a lance,  
And run a tilt at death within a chair?

**TALBOT**

Foul fiend of France, and hag of all despite,  
Encompass'd with thy lustful paramours!  
Becomes it thee to taunt his valiant age  
And twit with cowardice a man half dead?  
Damsel, I'll have a bout with you again,  
Or else let Talbot perish with this shame.

**JOAN LA PUCELLE**

Are ye so hot, sir? yet, Pucelle, hold thy peace;  
If Talbot do but thunder, rain will follow.

*The English whisper together in council*

God speed the parliament! who shall be the speaker?

**TALBOT**

Dare ye come forth and meet us in the field?

**JOAN LA PUCELLE**

Belike your lordship takes us then for fools,  
To try if that our own be ours or no.

**TALBOT**

I speak not to that railing Hecate,  
But unto thee, Alencon, and the rest;  
Will ye, like soldiers, come and fight it out?

**ALENCON**

Signior, no.

**TALBOT**

Signior, hang! base muleters of France!  
Like peasant foot-boys do they keep the walls  
And dare not take up arms like gentlemen.

**JOAN LA PUCELLE**

Away, captains! let's get us from the walls;  
For Talbot means no goodness by his looks.  
God be wi' you, my lord! we came but to tell you  
That we are here.

*Exeunt from the walls*

**TALBOT**

And there will we be too, ere it be long,  
Or else reproach be Talbot's greatest fame!  
Vow, Burgundy, by honour of thy house,  
Prick'd on by public wrongs sustain'd in France,  
Either to get the town again or die:  
And I, as sure as English Henry lives  
And as his father here was conqueror,  
As sure as in this late-betrayed town  
Great Coeur-de-lion's heart was buried,  
So sure I swear to get the town or die.

**BURGUNDY**

My vows are equal partners with thy vows.

## **TALBOT**

But, ere we go, regard this dying prince,  
The valiant Duke of Bedford. Come, my lord,  
We will bestow you in some better place,  
Fitter for sickness and for crazy age.

## **BEDFORD**

Lord Talbot, do not so dishonour me:  
Here will I sit before the walls of Rouen  
And will be partner of your weal or woe.

## **BURGUNDY**

Courageous Bedford, let us now persuade you.

## **BEDFORD**

Not to be gone from hence; for once I read  
That stout Pendragon in his litter sick  
Came to the field and vanquished his foes:  
Methinks I should revive the soldiers' hearts,  
Because I ever found them as myself.

## **TALBOT**

Undaunted spirit in a dying breast!  
Then be it so: heavens keep old Bedford safe!  
And now no more ado, brave Burgundy,  
But gather we our forces out of hand  
And set upon our boasting enemy.

*Exeunt all but BEDFORD and Attendants*

*An alarum: excursions. Enter FASTOLFE and a Captain*

## **Captain**

Whither away, Sir John Fastolfe, in such haste?

## **FASTOLFE**

Whither away! to save myself by flight:  
We are like to have the overthrow again.

## **Captain**

What! will you fly, and leave Lord Talbot?

## **FASTOLFE**

Ay,  
All the Talbots in the world, to save my life!

*Exit*

## **Captain**

Cowardly knight! ill fortune follow thee!

*Exit*

*Retreat: excursions. JOAN LA PUCELLE, ALENCON, and CHARLES fly*

## **BEDFORD**

Now, quiet soul, depart when heaven please,  
For I have seen our enemies' overthrow.  
What is the trust or strength of foolish man?  
They that of late were daring with their scoffs  
Are glad and fain by flight to save themselves.

*BEDFORD dies, and is carried in by two in his chair*

*An alarum. Re-enter TALBOT, BURGUNDY, and the rest*

## **TALBOT**

Lost, and recover'd in a day again!  
This is a double honour, Burgundy:  
Yet heavens have glory for this victory!

## BURGUNDY

Warlike and martial Talbot, Burgundy  
Enshrines thee in his heart and there erects  
Thy noble deeds as valour's monuments.

## TALBOT

Thanks, gentle duke. But where is Pucelle now?  
I think her old familiar is asleep:  
Now where's the Bastard's braves, and Charles his gleeks?  
What, all amort? Rouen hangs her head for grief  
That such a valiant company are fled.  
Now will we take some order in the town,  
Placing therein some expert officers,  
And then depart to Paris to the king,  
For there young Henry with his nobles lie.

## BURGUNDY

What wills Lord Talbot pleaseth Burgundy.

## TALBOT

But yet, before we go, let's not forget  
The noble Duke of Bedford late deceased,  
But see his exequies fulfill'd in Rouen:  
A braver soldier never couched lance,  
A gentler heart did never sway in court;  
But kings and mightiest potentates must die,  
For that's the end of human misery.

*Exeunt*

# The First part of King Henry the Sixth

[Shakespeare homepage](#) | [Henry VI, part 1](#) | Act 3, Scene 3

[Previous scene](#) | [Next scene](#)

## SCENE III. The plains near Rouen.

*Enter CHARLES, the BASTARD OF ORLEANS, ALENCON, JOAN LA PUCELLE, and forces*

### JOAN LA PUCELLE

Dismay not, princes, at this accident,  
Nor grieve that Rouen is so recovered:  
Care is no cure, but rather corrosive,  
For things that are not to be remedied.  
Let frantic Talbot triumph for a while  
And like a peacock sweep along his tail;  
We'll pull his plumes and take away his train,  
If Dauphin and the rest will be but ruled.

### CHARLES

We have been guided by thee hitherto,  
And of thy cunning had no diffidence:  
One sudden foil shall never breed distrust.

### BASTARD OF ORLEANS

Search out thy wit for secret policies,  
And we will make thee famous through the world.

### ALENCON

We'll set thy statue in some holy place,  
And have thee revered like a blessed saint:  
Employ thee then, sweet virgin, for our good.

### JOAN LA PUCELLE

Then thus it must be; this doth Joan devise:

By fair persuasions mix'd with sugar'd words  
We will entice the Duke of Burgundy  
To leave the Talbot and to follow us.

## **CHARLES**

Ay, marry, sweeting, if we could do that,  
France were no place for Henry's warriors;  
Nor should that nation boast it so with us,  
But be extirped from our provinces.

## **ALENCON**

For ever should they be expelled from France  
And not have title of an earldom here.

## **JOAN LA PUCELLE**

Your honours shall perceive how I will work  
To bring this matter to the wished end.

*Drum sounds afar off*

Hark! by the sound of drum you may perceive  
Their powers are marching unto Paris-ward.

*Here sound an English march. Enter, and pass over at a distance, TALBOT and his forces*

There goes the Talbot, with his colours spread,  
And all the troops of English after him.

*French march. Enter BURGUNDY and forces*

Now in the rearward comes the duke and his:  
Fortune in favour makes him lag behind.  
Summon a parley; we will talk with him.

*Trumpets sound a parley*

## **CHARLES**

A parley with the Duke of Burgundy!

**BURGUNDY**

Who craves a parley with the Burgundy?

**JOAN LA PUCELLE**

The princely Charles of France, thy countryman.

**BURGUNDY**

What say'st thou, Charles? for I am marching hence.

**CHARLES**

Speak, Pucelle, and enchant him with thy words.

**JOAN LA PUCELLE**

Brave Burgundy, undoubted hope of France!  
Stay, let thy humble handmaid speak to thee.

**BURGUNDY**

Speak on; but be not over-tedious.

**JOAN LA PUCELLE**

Look on thy country, look on fertile France,  
And see the cities and the towns defaced  
By wasting ruin of the cruel foe.  
As looks the mother on her lowly babe  
When death doth close his tender dying eyes,  
See, see the pining malady of France;  
Behold the wounds, the most unnatural wounds,  
Which thou thyself hast given her woful breast.  
O, turn thy edged sword another way;  
Strike those that hurt, and hurt not those that help.  
One drop of blood drawn from thy country's bosom  
Should grieve thee more than streams of foreign gore:

Return thee therefore with a flood of tears,  
And wash away thy country's stained spots.

## **BURGUNDY**

Either she hath bewitch'd me with her words,  
Or nature makes me suddenly relent.

## **JOAN LA PUCELLE**

Besides, all French and France exclaims on thee,  
Doubting thy birth and lawful progeny.  
Who joint'st thou with but with a lordly nation  
That will not trust thee but for profit's sake?  
When Talbot hath set footing once in France  
And fashion'd thee that instrument of ill,  
Who then but English Henry will be lord  
And thou be thrust out like a fugitive?  
Call we to mind, and mark but this for proof,  
Was not the Duke of Orleans thy foe?  
And was he not in England prisoner?  
But when they heard he was thine enemy,  
They set him free without his ransom paid,  
In spite of Burgundy and all his friends.  
See, then, thou fight'st against thy countrymen  
And joint'st with them will be thy slaughtermen.  
Come, come, return; return, thou wandering lord:  
Charles and the rest will take thee in their arms.

## **BURGUNDY**

I am vanquished; these haughty words of hers  
Have batter'd me like roaring cannon-shot,  
And made me almost yield upon my knees.  
Forgive me, country, and sweet countrymen,  
And, lords, accept this hearty kind embrace:  
My forces and my power of men are yours:  
So farewell, Talbot; I'll no longer trust thee.

## **JOAN LA PUCELLE**

[Aside] Done like a Frenchman: turn, and turn again!

## **CHARLES**

Welcome, brave duke! thy friendship makes us fresh.

## **BASTARD OF ORLEANS**

And doth beget new courage in our breasts.

## **ALENCON**

Pucelle hath bravely play'd her part in this,  
And doth deserve a coronet of gold.

## **CHARLES**

Now let us on, my lords, and join our powers,  
And seek how we may prejudice the foe.

*Exeunt*

## SCENE IV. Paris. The palace.

*Enter KING HENRY VI, GLOUCESTER, BISHOP OF WINCHESTER, YORK, SUFFOLK, SOMERSET, WARWICK, EXETER, VERNON BASSET, and others. To them with his Soldiers, TALBOT*

### TALBOT

My gracious prince, and honourable peers,  
Hearing of your arrival in this realm,  
I have awhile given truce unto my wars,  
To do my duty to my sovereign:  
In sign, whereof, this arm, that hath reclaim'd  
To your obedience fifty fortresses,  
Twelve cities and seven walled towns of strength,  
Beside five hundred prisoners of esteem,  
Lest fall his sword before your highness' feet,  
And with submissive loyalty of heart  
Ascribes the glory of his conquest got  
First to my God and next unto your grace.

*Kneels*

### KING HENRY VI

Is this the Lord Talbot, uncle Gloucester,  
That hath so long been resident in France?

### GLOUCESTER

Yes, if it please your majesty, my liege.

### KING HENRY VI

Welcome, brave captain and victorious lord!  
When I was young, as yet I am not old,

I do remember how my father said  
A stouter champion never handled sword.  
Long since we were resolved of your truth,  
Your faithful service and your toil in war;  
Yet never have you tasted our reward,  
Or been reguerdon'd with so much as thanks,  
Because till now we never saw your face:  
Therefore, stand up; and, for these good deserts,  
We here create you Earl of Shrewsbury;  
And in our coronation take your place.

*Sennet. Flourish. Exeunt all but VERNON and BASSET*

**VERNON**

Now, sir, to you, that were so hot at sea,  
Disgracing of these colours that I wear  
In honour of my noble Lord of York:  
Darest thou maintain the former words thou spakest?

**BASSET**

Yes, sir; as well as you dare patronage  
The envious barking of your saucy tongue  
Against my lord the Duke of Somerset.

**VERNON**

Sirrah, thy lord I honour as he is.

**BASSET**

Why, what is he? as good a man as York.

**VERNON**

Hark ye; not so: in witness, take ye that.

*Strikes him*

**BASSET**

Villain, thou know'st the law of arms is such  
That whoso draws a sword, 'tis present death,  
Or else this blow should broach thy dearest blood.  
But I'll unto his majesty, and crave  
I may have liberty to venge this wrong;  
When thou shalt see I'll meet thee to thy cost.

## **VERNON**

Well, miscreant, I'll be there as soon as you;  
And, after, meet you sooner than you would.

*Exeunt*

## SCENE I. Paris. A hall of state.

*Enter KING HENRY VI, GLOUCESTER, BISHOP OF WINCHESTER, YORK, SUFFOLK, SOMERSET, WARWICK, TALBOT, EXETER, the Governor, of Paris, and others*

### GLOUCESTER

Lord bishop, set the crown upon his head.

BISHOP

### OF WINCHESTER

God save King Henry, of that name the sixth!

### GLOUCESTER

Now, governor of Paris, take your oath,  
That you elect no other king but him;  
Esteem none friends but such as are his friends,  
And none your foes but such as shall pretend  
Malicious practises against his state:  
This shall ye do, so help you righteous God!

*Enter FASTOLFE*

### FASTOLFE

My gracious sovereign, as I rode from Calais,  
To haste unto your coronation,  
A letter was deliver'd to my hands,  
Writ to your grace from the Duke of Burgundy.

### TALBOT

Shame to the Duke of Burgundy and thee!  
I vow'd, base knight, when I did meet thee next,

To tear the garter from thy craven's leg,

*Plucking it off*

Which I have done, because unworthily  
Thou wast installed in that high degree.  
Pardon me, princely Henry, and the rest  
This dastard, at the battle of Patay,  
When but in all I was six thousand strong  
And that the French were almost ten to one,  
Before we met or that a stroke was given,  
Like to a trusty squire did run away:  
In which assault we lost twelve hundred men;  
Myself and divers gentlemen beside  
Were there surprised and taken prisoners.  
Then judge, great lords, if I have done amiss;  
Or whether that such cowards ought to wear  
This ornament of knighthood, yea or no.

## **GLOUCESTER**

To say the truth, this fact was infamous  
And ill beseeming any common man,  
Much more a knight, a captain and a leader.

## **TALBOT**

When first this order was ordain'd, my lords,  
Knights of the garter were of noble birth,  
Valiant and virtuous, full of haughty courage,  
Such as were grown to credit by the wars;  
Not fearing death, nor shrinking for distress,  
But always resolute in most extremes.  
He then that is not furnish'd in this sort  
Doth but usurp the sacred name of knight,  
Profaning this most honourable order,  
And should, if I were worthy to be judge,  
Be quite degraded, like a hedge-born swain  
That doth presume to boast of gentle blood.

## **KING HENRY VI**

Stain to thy countrymen, thou hear'st thy doom!  
Be packing, therefore, thou that wast a knight:  
Henceforth we banish thee, on pain of death.

*Exit FASTOLFE*

And now, my lord protector, view the letter  
Sent from our uncle Duke of Burgundy.

## **GLOUCESTER**

What means his grace, that he hath changed his style?  
No more but, plain and bluntly, 'To the king!'  
Hath he forgot he is his sovereign?  
Or doth this churlish superscription  
Pretend some alteration in good will?  
What's here?

*Reads*

'I have, upon especial cause,  
Moved with compassion of my country's wreck,  
Together with the pitiful complaints  
Of such as your oppression feeds upon,  
Forsaken your pernicious faction  
And join'd with Charles, the rightful King of France.'  
O monstrous treachery! can this be so,  
That in alliance, amity and oaths,  
There should be found such false dissembling guile?

## **KING HENRY VI**

What! doth my uncle Burgundy revolt?

## **GLOUCESTER**

He doth, my lord, and is become your foe.

## **KING HENRY VI**

Is that the worst this letter doth contain?

## **GLOUCESTER**

It is the worst, and all, my lord, he writes.

## **KING HENRY VI**

Why, then, Lord Talbot there shall talk with him  
And give him chastisement for this abuse.  
How say you, my lord? are you not content?

## **TALBOT**

Content, my liege! yes, but that I am prevented,  
I should have begg'd I might have been employ'd.

## **KING HENRY VI**

Then gather strength and march unto him straight:  
Let him perceive how ill we brook his treason  
And what offence it is to flout his friends.

## **TALBOT**

I go, my lord, in heart desiring still  
You may behold confusion of your foes.

*Exit*

*Enter VERNON and BASSET*

## **VERNON**

Grant me the combat, gracious sovereign.

## **BASSET**

And me, my lord, grant me the combat too.

## **YORK**

This is my servant: hear him, noble prince.

## **SOMERSET**

And this is mine: sweet Henry, favour him.

## **KING HENRY VI**

Be patient, lords; and give them leave to speak.  
Say, gentlemen, what makes you thus exclaim?  
And wherefore crave you combat? or with whom?

## **VERNON**

With him, my lord; for he hath done me wrong.

## **BASSET**

And I with him; for he hath done me wrong.

## **KING HENRY VI**

What is that wrong whereof you both complain?  
First let me know, and then I'll answer you.

## **BASSET**

Crossing the sea from England into France,  
This fellow here, with envious carping tongue,  
Upbraided me about the rose I wear;  
Saying, the sanguine colour of the leaves  
Did represent my master's blushing cheeks,  
When stubbornly he did repugn the truth  
About a certain question in the law  
Argued betwixt the Duke of York and him;  
With other vile and ignominious terms:  
In confutation of which rude reproach  
And in defence of my lord's worthiness,  
I crave the benefit of law of arms.

## **VERNON**

And that is my petition, noble lord:  
For though he seem with forged quaint conceit  
To set a gloss upon his bold intent,  
Yet know, my lord, I was provoked by him;  
And he first took exceptions at this badge,  
Pronouncing that the paleness of this flower  
Bewray'd the faintness of my master's heart.

**YORK**

Will not this malice, Somerset, be left?

**SOMERSET**

Your private grudge, my Lord of York, will out,  
Though ne'er so cunningly you smother it.

**KING HENRY VI**

Good Lord, what madness rules in brainsick men,  
When for so slight and frivolous a cause  
Such factious emulations shall arise!  
Good cousins both, of York and Somerset,  
Quiet yourselves, I pray, and be at peace.

**YORK**

Let this dissension first be tried by fight,  
And then your highness shall command a peace.

**SOMERSET**

The quarrel toucheth none but us alone;  
Betwixt ourselves let us decide it then.

**YORK**

There is my pledge; accept it, Somerset.

**VERNON**

Nay, let it rest where it began at first.

## **BASSET**

Confirm it so, mine honourable lord.

## **GLOUCESTER**

Confirm it so! Confounded be your strife!  
And perish ye, with your audacious prate!  
Presumptuous vassals, are you not ashamed  
With this immodest clamorous outrage  
To trouble and disturb the king and us?  
And you, my lords, methinks you do not well  
To bear with their perverse objections;  
Much less to take occasion from their mouths  
To raise a mutiny betwixt yourselves:  
Let me persuade you take a better course.

## **EXETER**

It grieves his highness: good my lords, be friends.

## **KING HENRY VI**

Come hither, you that would be combatants:  
Henceforth I charge you, as you love our favour,  
Quite to forget this quarrel and the cause.  
And you, my lords, remember where we are,  
In France, amongst a fickle wavering nation:  
If they perceive dissension in our looks  
And that within ourselves we disagree,  
How will their grudging stomachs be provoked  
To wilful disobedience, and rebel!  
Beside, what infamy will there arise,  
When foreign princes shall be certified  
That for a toy, a thing of no regard,  
King Henry's peers and chief nobility  
Destroy'd themselves, and lost the realm of France!  
O, think upon the conquest of my father,  
My tender years, and let us not forego  
That for a trifle that was bought with blood

Let me be umpire in this doubtful strife.  
I see no reason, if I wear this rose,

*Putting on a red rose*

That any one should therefore be suspicious  
I more incline to Somerset than York:  
Both are my kinsmen, and I love them both:  
As well they may upbraid me with my crown,  
Because, forsooth, the king of Scots is crown'd.  
But your discretions better can persuade  
Than I am able to instruct or teach:  
And therefore, as we hither came in peace,  
So let us still continue peace and love.  
Cousin of York, we institute your grace  
To be our regent in these parts of France:  
And, good my Lord of Somerset, unite  
Your troops of horsemen with his bands of foot;  
And, like true subjects, sons of your progenitors,  
Go cheerfully together and digest  
Your angry choler on your enemies.  
Ourself, my lord protector and the rest  
After some respite will return to Calais;  
From thence to England; where I hope ere long  
To be presented, by your victories,  
With Charles, Alencon and that traitorous rout.

*Flourish. Exeunt all but YORK, WARWICK, EXETER and VERNON*

**WARWICK**

My Lord of York, I promise you, the king  
Prettily, methought, did play the orator.

**YORK**

And so he did; but yet I like it not,  
In that he wears the badge of Somerset.

**WARWICK**

Tush, that was but his fancy, blame him not;

I dare presume, sweet prince, he thought no harm.

## **YORK**

An if I wist he did,--but let it rest;  
Other affairs must now be managed.

*Exeunt all but EXETER*

## **EXETER**

Well didst thou, Richard, to suppress thy voice;  
For, had the passions of thy heart burst out,  
I fear we should have seen decipher'd there  
More rancorous spite, more furious raging broils,  
Than yet can be imagined or supposed.  
But howso'er, no simple man that sees  
This jarring discord of nobility,  
This shouldering of each other in the court,  
This factious bandying of their favourites,  
But that it doth presage some ill event.  
'Tis much when sceptres are in children's hands;  
But more when envy breeds unkind division;  
There comes the rain, there begins confusion.

*Exit*

## SCENE II. Before Bourdeaux.

*Enter TALBOT, with trump and drum*

**TALBOT**

Go to the gates of Bourdeaux, trumpeter:  
Summon their general unto the wall.

*Trumpet sounds. Enter General and others, aloft*

English John Talbot, captains, calls you forth,  
Servant in arms to Harry King of England;  
And thus he would: Open your city gates;  
Be humble to us; call my sovereign yours,  
And do him homage as obedient subjects;  
And I'll withdraw me and my bloody power:  
But, if you frown upon this proffer'd peace,  
You tempt the fury of my three attendants,  
Lean famine, quartering steel, and climbing fire;  
Who in a moment even with the earth  
Shall lay your stately and air-braving towers,  
If you forsake the offer of their love.

**General**

Thou ominous and fearful owl of death,  
Our nation's terror and their bloody scourge!  
The period of thy tyranny approacheth.  
On us thou canst not enter but by death;  
For, I protest, we are well fortified  
And strong enough to issue out and fight:  
If thou retire, the Dauphin, well appointed,  
Stands with the snares of war to tangle thee:  
On either hand thee there are squadrons pitch'd,  
To wall thee from the liberty of flight;

And no way canst thou turn thee for redress,  
But death doth front thee with apparent spoil  
And pale destruction meets thee in the face.  
Ten thousand French have ta'en the sacrament  
To rive their dangerous artillery  
Upon no Christian soul but English Talbot.  
Lo, there thou stand'st, a breathing valiant man,  
Of an invincible unconquer'd spirit!  
This is the latest glory of thy praise  
That I, thy enemy, due thee withal;  
For ere the glass, that now begins to run,  
Finish the process of his sandy hour,  
These eyes, that see thee now well coloured,  
Shall see thee wither'd, bloody, pale and dead.

*Drum afar off*

Hark! hark! the Dauphin's drum, a warning bell,  
Sings heavy music to thy timorous soul;  
And mine shall ring thy dire departure out.

*Exeunt General, & c*

## **TALBOT**

He fables not; I hear the enemy:  
Out, some light horsemen, and peruse their wings.  
O, negligent and heedless discipline!  
How are we park'd and bounded in a pale,  
A little herd of England's timorous deer,  
Mazed with a yelping kennel of French curs!  
If we be English deer, be then in blood;  
Not rascal-like, to fall down with a pinch,  
But rather, moody-mad and desperate stags,  
Turn on the bloody hounds with heads of steel  
And make the cowards stand aloof at bay:  
Sell every man his life as dear as mine,  
And they shall find dear deer of us, my friends.  
God and Saint George, Talbot and England's right,  
Prosper our colours in this dangerous fight!

*Exeunt*

## SCENE III. Plains in Gascony.

*Enter a Messenger that meets YORK. Enter YORK with trumpet and many Soldiers*

**YORK**

Are not the speedy scouts return'd again,  
That dogg'd the mighty army of the Dauphin?

**Messenger**

They are return'd, my lord, and give it out  
That he is march'd to Bourdeaux with his power,  
To fight with Talbot: as he march'd along,  
By your espials were discovered  
Two mightier troops than that the Dauphin led,  
Which join'd with him and made their march for Bourdeaux.

**YORK**

A plague upon that villain Somerset,  
That thus delays my promised supply  
Of horsemen, that were levied for this siege!  
Renowned Talbot doth expect my aid,  
And I am lowted by a traitor villain  
And cannot help the noble chevalier:  
God comfort him in this necessity!  
If he miscarry, farewell wars in France.

*Enter Sir William LUCY*

**LUCY**

Thou princely leader of our English strength,  
Never so needful on the earth of France,  
Spur to the rescue of the noble Talbot,

Who now is girdled with a waist of iron  
And hemm'd about with grim destruction:  
To Bourdeaux, warlike duke! to Bourdeaux, York!  
Else, farewell Talbot, France, and England's honour.

## **YORK**

O God, that Somerset, who in proud heart  
Doth stop my cornets, were in Talbot's place!  
So should we save a valiant gentleman  
By forfeiting a traitor and a coward.  
Mad ire and wrathful fury makes me weep,  
That thus we die, while remiss traitors sleep.

## **LUCY**

O, send some succor to the distress'd lord!

## **YORK**

He dies, we lose; I break my warlike word;  
We mourn, France smiles; we lose, they daily get;  
All 'long of this vile traitor Somerset.

## **LUCY**

Then God take mercy on brave Talbot's soul;  
And on his son young John, who two hours since  
I met in travel toward his warlike father!  
This seven years did not Talbot see his son;  
And now they meet where both their lives are done.

## **YORK**

Alas, what joy shall noble Talbot have  
To bid his young son welcome to his grave?  
Away! vexation almost stops my breath,  
That sunder'd friends greet in the hour of death.  
Lucy, farewell; no more my fortune can,  
But curse the cause I cannot aid the man.  
Maine, Blois, Poitiers, and Tours, are won away,  
'Long all of Somerset and his delay.

*Exit, with his soldiers*

## LUCY

Thus, while the vulture of sedition  
Feeds in the bosom of such great commanders,  
Sleeping neglect doth betray to loss  
The conquest of our scarce cold conqueror,  
That ever living man of memory,  
Henry the Fifth: whiles they each other cross,  
Lives, honours, lands and all hurry to loss.

*Exit*

## SCENE IV. Other plains in Gascony.

*Enter SOMERSET, with his army; a Captain of TALBOT's with him*

### SOMERSET

It is too late; I cannot send them now:  
This expedition was by York and Talbot  
Too rashly plotted: all our general force  
Might with a sally of the very town  
Be buckled with: the over-daring Talbot  
Hath sullied all his gloss of former honour  
By this unheedful, desperate, wild adventure:  
York set him on to fight and die in shame,  
That, Talbot dead, great York might bear the name.

### Captain

Here is Sir William Lucy, who with me  
Set from our o'ermatch'd forces forth for aid.

*Enter Sir William LUCY*

### SOMERSET

How now, Sir William! whither were you sent?

### LUCY

Whither, my lord? from bought and sold Lord Talbot;  
Who, ring'd about with bold adversity,  
Cries out for noble York and Somerset,  
To beat assailing death from his weak legions:  
And whiles the honourable captain there  
Drops bloody sweat from his war-wearied limbs,  
And, in advantage lingering, looks for rescue,

You, his false hopes, the trust of England's honour,  
Keep off aloof with worthless emulation.  
Let not your private discord keep away  
The levied succors that should lend him aid,  
While he, renowned noble gentleman,  
Yields up his life unto a world of odds:  
Orleans the Bastard, Charles, Burgundy,  
Alencon, Reignier, compass him about,  
And Talbot perisheth by your default.

## **SOMERSET**

York set him on; York should have sent him aid.

## **LUCY**

And York as fast upon your grace exclaims;  
Swearing that you withhold his levied host,  
Collected for this expedition.

## **SOMERSET**

York lies; he might have sent and had the horse;  
I owe him little duty, and less love;  
And take foul scorn to fawn on him by sending.

## **LUCY**

The fraud of England, not the force of France,  
Hath now entrapp'd the noble-minded Talbot:  
Never to England shall he bear his life;  
But dies, betray'd to fortune by your strife.

## **SOMERSET**

Come, go; I will dispatch the horsemen straight:  
Within six hours they will be at his aid.

## **LUCY**

Too late comes rescue: he is ta'en or slain;  
For fly he could not, if he would have fled;

And fly would Talbot never, though he might.

**SOMERSET**

If he be dead, brave Talbot, then adieu!

**LUCY**

His fame lives in the world, his shame in you.

*Exeunt*

## SCENE V. The English camp near Bourdeaux.

*Enter TALBOT and JOHN his son*

**TALBOT**

O young John Talbot! I did send for thee  
To tutor thee in stratagems of war,  
That Talbot's name might be in thee revived  
When sapless age and weak unable limbs  
Should bring thy father to his drooping chair.  
But, O malignant and ill-boding stars!  
Now thou art come unto a feast of death,  
A terrible and unavoided danger:  
Therefore, dear boy, mount on my swiftest horse;  
And I'll direct thee how thou shalt escape  
By sudden flight: come, dally not, be gone.

**JOHN TALBOT**

Is my name Talbot? and am I your son?  
And shall I fly? O if you love my mother,  
Dishonour not her honourable name,  
To make a bastard and a slave of me!  
The world will say, he is not Talbot's blood,  
That basely fled when noble Talbot stood.

**TALBOT**

Fly, to revenge my death, if I be slain.

**JOHN TALBOT**

He that flies so will ne'er return again.

**TALBOT**

If we both stay, we both are sure to die.

**JOHN TALBOT**

Then let me stay; and, father, do you fly:  
Your loss is great, so your regard should be;  
My worth unknown, no loss is known in me.  
Upon my death the French can little boast;  
In yours they will, in you all hopes are lost.  
Flight cannot stain the honour you have won;  
But mine it will, that no exploit have done:  
You fled for vantage, everyone will swear;  
But, if I bow, they'll say it was for fear.  
There is no hope that ever I will stay,  
If the first hour I shrink and run away.  
Here on my knee I beg mortality,  
Rather than life preserved with infamy.

**TALBOT**

Shall all thy mother's hopes lie in one tomb?

**JOHN TALBOT**

Ay, rather than I'll shame my mother's womb.

**TALBOT**

Upon my blessing, I command thee go.

**JOHN TALBOT**

To fight I will, but not to fly the foe.

**TALBOT**

Part of thy father may be saved in thee.

**JOHN TALBOT**

No part of him but will be shame in me.

**TALBOT**

Thou never hadst renown, nor canst not lose it.

**JOHN TALBOT**

Yes, your renowned name: shall flight abuse it?

**TALBOT**

Thy father's charge shall clear thee from that stain.

**JOHN TALBOT**

You cannot witness for me, being slain.  
If death be so apparent, then both fly.

**TALBOT**

And leave my followers here to fight and die?  
My age was never tainted with such shame.

**JOHN TALBOT**

And shall my youth be guilty of such blame?  
No more can I be sever'd from your side,  
Than can yourself yourself in twain divide:  
Stay, go, do what you will, the like do I;  
For live I will not, if my father die.

**TALBOT**

Then here I take my leave of thee, fair son,  
Born to eclipse thy life this afternoon.  
Come, side by side together live and die.  
And soul with soul from France to heaven fly.

*Exeunt*

## SCENE VI. A field of battle.

*Alarum: excursions, wherein JOHN TALBOT is hemmed about, and TALBOT rescues him*

### TALBOT

Saint George and victory! fight, soldiers, fight.  
The regent hath with Talbot broke his word  
And left us to the rage of France his sword.  
Where is John Talbot? Pause, and take thy breath;  
I gave thee life and rescued thee from death.

### JOHN TALBOT

O, twice my father, twice am I thy son!  
The life thou gavest me first was lost and done,  
Till with thy warlike sword, despite of late,  
To my determined time thou gavest new date.

### TALBOT

When from the Dauphin's crest thy sword struck fire,  
It warm'd thy father's heart with proud desire  
Of bold-faced victory. Then leaden age,  
Quicken'd with youthful spleen and warlike rage,  
Beat down Alencon, Orleans, Burgundy,  
And from the pride of Gallia rescued thee.  
The ireful bastard Orleans, that drew blood  
From thee, my boy, and had the maidenhood  
Of thy first fight, I soon encountered,  
And interchanging blows I quickly shed  
Some of his bastard blood; and in disgrace  
Bespoke him thus; 'Contaminated, base  
And misbegotten blood I spill of thine,  
Mean and right poor, for that pure blood of mine  
Which thou didst force from Talbot, my brave boy!'

Here, purposing the Bastard to destroy,  
Came in strong rescue. Speak, thy father's care,  
Art thou not weary, John? how dost thou fare?  
Wilt thou yet leave the battle, boy, and fly,  
Now thou art seal'd the son of chivalry?  
Fly, to revenge my death when I am dead:  
The help of one stands me in little stead.  
O, too much folly is it, well I wot,  
To hazard all our lives in one small boat!  
If I to-day die not with Frenchmen's rage,  
To-morrow I shall die with mickle age:  
By me they nothing gain an if I stay;  
'Tis but the shortening of my life one day:  
In thee thy mother dies, our household's name,  
My death's revenge, thy youth, and England's fame:  
All these and more we hazard by thy stay;  
All these are saved if thou wilt fly away.

## **JOHN TALBOT**

The sword of Orleans hath not made me smart;  
These words of yours draw life-blood from my heart:  
On that advantage, bought with such a shame,  
To save a paltry life and slay bright fame,  
Before young Talbot from old Talbot fly,  
The coward horse that bears me fail and die!  
And like me to the peasant boys of France,  
To be shame's scorn and subject of mischance!  
Surely, by all the glory you have won,  
An if I fly, I am not Talbot's son:  
Then talk no more of flight, it is no boot;  
If son to Talbot, die at Talbot's foot.

## **TALBOT**

Then follow thou thy desperate sire of Crete,  
Thou Icarus; thy life to me is sweet:  
If thou wilt fight, fight by thy father's side;  
And, commendable proved, let's die in pride.

*Exeunt*

# The First part of King Henry the Sixth

[Previous scene](#) | [Next scene](#)

## SCENE VII. Another part of the field.

*Alarum: excursions. Enter TALBOT led by a Servant*

**TALBOT**

Where is my other life? mine own is gone;  
O, where's young Talbot? where is valiant John?  
Triumphant death, smear'd with captivity,  
Young Talbot's valour makes me smile at thee:  
When he perceived me shrink and on my knee,  
His bloody sword he brandish'd over me,  
And, like a hungry lion, did commence  
Rough deeds of rage and stern impatience;  
But when my angry guardant stood alone,  
Tendering my ruin and assail'd of none,  
Dizzy-eyed fury and great rage of heart  
Suddenly made him from my side to start  
Into the clustering battle of the French;  
And in that sea of blood my boy did drench  
His over-mounting spirit, and there died,  
My Icarus, my blossom, in his pride.

**Servant**

O, my dear lord, lo, where your son is borne!

*Enter Soldiers, with the body of JOHN TALBOT*

**TALBOT**

Thou antic death, which laugh'st us here to scorn,  
Anon, from thy insulting tyranny,  
Coupled in bonds of perpetuity,  
Two Talbots, winged through the lither sky,  
In thy despite shall 'scape mortality.

O, thou, whose wounds become hard-favour'd death,  
Speak to thy father ere thou yield thy breath!  
Brave death by speaking, whether he will or no;  
Imagine him a Frenchman and thy foe.  
Poor boy! he smiles, methinks, as who should say,  
Had death been French, then death had died to-day.  
Come, come and lay him in his father's arms:  
My spirit can no longer bear these harms.  
Soldiers, adieu! I have what I would have,  
Now my old arms are young John Talbot's grave.

*Dies*

*Enter CHARLES, ALENCON, BURGUNDY, BASTARD OF ORLEANS, JOAN LA  
PUCELLE, and forces*

## **CHARLES**

Had York and Somerset brought rescue in,  
We should have found a bloody day of this.

## **BASTARD OF ORLEANS**

How the young whelp of Talbot's, raging-wood,  
Did flesh his puny sword in Frenchmen's blood!

## **JOAN LA PUCELLE**

Once I encounter'd him, and thus I said:  
'Thou maiden youth, be vanquish'd by a maid:'  
But, with a proud majestic high scorn,  
He answer'd thus: 'Young Talbot was not born  
To be the pillage of a giglot wench:'  
So, rushing in the bowels of the French,  
He left me proudly, as unworthy fight.

## **BURGUNDY**

Doubtless he would have made a noble knight;  
See, where he lies inhearsed in the arms  
Of the most bloody nurser of his harms!

## **BASTARD OF ORLEANS**

Hew them to pieces, hack their bones asunder  
Whose life was England's glory, Gallia's wonder.

## **CHARLES**

O, no, forbear! for that which we have fled  
During the life, let us not wrong it dead.

*Enter Sir William LUCY, attended; Herald of the French preceding*

## **LUCY**

Herald, conduct me to the Dauphin's tent,  
To know who hath obtained the glory of the day.

## **CHARLES**

On what submissive message art thou sent?

## **LUCY**

Submission, Dauphin! 'tis a mere French word;  
We English warriors wot not what it means.  
I come to know what prisoners thou hast ta'en  
And to survey the bodies of the dead.

## **CHARLES**

For prisoners ask'st thou? hell our prison is.  
But tell me whom thou seek'st.

## **LUCY**

But where's the great Alcides of the field,  
Valiant Lord Talbot, Earl of Shrewsbury,  
Created, for his rare success in arms,  
Great Earl of Washford, Waterford and Valence;  
Lord Talbot of Goodrig and Urchinfield,  
Lord Strange of Blackmere, Lord Verdun of Alton,

Lord Cromwell of Wingfield, Lord Furnival of Sheffield,  
The thrice-victorious Lord of Falconbridge;  
Knight of the noble order of Saint George,  
Worthy Saint Michael and the Golden Fleece;  
Great marshal to Henry the Sixth  
Of all his wars within the realm of France?

## **JOAN LA PUCELLE**

Here is a silly stately style indeed!  
The Turk, that two and fifty kingdoms hath,  
Writes not so tedious a style as this.  
Him that thou magnifiest with all these titles  
Stinking and fly-blown lies here at our feet.

## **LUCY**

Is Talbot slain, the Frenchmen's only scourge,  
Your kingdom's terror and black Nemesis?  
O, were mine eyeballs into bullets turn'd,  
That I in rage might shoot them at your faces!  
O, that I could but call these dead to life!  
It were enough to fright the realm of France:  
Were but his picture left amongst you here,  
It would amaze the proudest of you all.  
Give me their bodies, that I may bear them hence  
And give them burial as beseems their worth.

## **JOAN LA PUCELLE**

I think this upstart is old Talbot's ghost,  
He speaks with such a proud commanding spirit.  
For God's sake let him have 'em; to keep them here,  
They would but stink, and putrefy the air.

## **CHARLES**

Go, take their bodies hence.

## **LUCY**

I'll bear them hence; but from their ashes shall be rear'd

A phoenix that shall make all France afeard.

**CHARLES**

So we be rid of them, do with 'em what thou wilt.  
And now to Paris, in this conquering vein:  
All will be ours, now bloody Talbot's slain.

*Exeunt*

## SCENE I. London. The palace.

*Sennet. Enter KING HENRY VI, GLOUCESTER, and EXETER*

### KING HENRY VI

Have you perused the letters from the pope,  
The emperor and the Earl of Armagnac?

### GLOUCESTER

I have, my lord: and their intent is this:  
They humbly sue unto your excellence  
To have a godly peace concluded of  
Between the realms of England and of France.

### KING HENRY VI

How doth your grace affect their motion?

### GLOUCESTER

Well, my good lord; and as the only means  
To stop effusion of our Christian blood  
And 'stablish quietness on every side.

### KING HENRY VI

Ay, marry, uncle; for I always thought  
It was both impious and unnatural  
That such immanity and bloody strife  
Should reign among professors of one faith.

### GLOUCESTER

Beside, my lord, the sooner to effect

And surer bind this knot of amity,  
The Earl of Armagnac, near knit to Charles,  
A man of great authority in France,  
Proffers his only daughter to your grace  
In marriage, with a large and sumptuous dowry.

## **KING HENRY VI**

Marriage, uncle! alas, my years are young!  
And fitter is my study and my books  
Than wanton dalliance with a paramour.  
Yet call the ambassador; and, as you please,  
So let them have their answers every one:  
I shall be well content with any choice  
Tends to God's glory and my country's weal.

*Enter CARDINAL OF WINCHESTER in Cardinal's habit, a Legate and two Ambassadors*

## **EXETER**

What! is my Lord of Winchester install'd,  
And call'd unto a cardinal's degree?  
Then I perceive that will be verified  
Henry the Fifth did sometime prophesy,  
'If once he come to be a cardinal,  
He'll make his cap co-equal with the crown.'

## **KING HENRY VI**

My lords ambassadors, your several suits  
Have been consider'd and debated on.  
And therefore are we certainly resolved  
To draw conditions of a friendly peace;  
Which by my Lord of Winchester we mean  
Shall be transported presently to France.

## **GLOUCESTER**

And for the proffer of my lord your master,  
I have inform'd his highness so at large  
As liking of the lady's virtuous gifts,  
Her beauty and the value of her dower,

He doth intend she shall be England's queen.

## **KING HENRY VI**

In argument and proof of which contract,  
Bear her this jewel, pledge of my affection.  
And so, my lord protector, see them guarded  
And safely brought to Dover; where inshipp'd  
Commit them to the fortune of the sea.

*Exeunt all but CARDINAL OF WINCHESTER and Legate*

CARDINAL

## **OF WINCHESTER**

Stay, my lord legate: you shall first receive  
The sum of money which I promised  
Should be deliver'd to his holiness  
For clothing me in these grave ornaments.

## **Legate**

I will attend upon your lordship's leisure.  
CARDINAL

## **OF WINCHESTER**

[Aside] Now Winchester will not submit, I trow,  
Or be inferior to the proudest peer.  
Humphrey of Gloucester, thou shalt well perceive  
That, neither in birth or for authority,  
The bishop will be overborne by thee:  
I'll either make thee stoop and bend thy knee,  
Or sack this country with a mutiny.

*Exeunt*

[Previous scene](#) | [Next scene](#)

## SCENE II. France. Plains in Anjou.

*Enter CHARLES, BURGUNDY, ALENCON, BASTARD OF ORLEANS, REIGNIER, JOAN LA PUCELLE, and forces*

### CHARLES

These news, my lord, may cheer our drooping spirits:  
'Tis said the stout Parisians do revolt  
And turn again unto the warlike French.

### ALENCON

Then march to Paris, royal Charles of France,  
And keep not back your powers in dalliance.

### JOAN LA PUCELLE

Peace be amongst them, if they turn to us;  
Else, ruin combat with their palaces!

*Enter Scout*

### Scout

Success unto our valiant general,  
And happiness to his accomplices!

### CHARLES

What tidings send our scouts? I prithee, speak.

### Scout

The English army, that divided was  
Into two parties, is now conjoined in one,

And means to give you battle presently.

## **CHARLES**

Somewhat too sudden, sirs, the warning is;  
But we will presently provide for them.

## **BURGUNDY**

I trust the ghost of Talbot is not there:  
Now he is gone, my lord, you need not fear.

## **JOAN LA PUCELLE**

Of all base passions, fear is most accursed.  
Command the conquest, Charles, it shall be thine,  
Let Henry fret and all the world repine.

## **CHARLES**

Then on, my lords; and France be fortunate!

*Exeunt*

[Shakespeare homepage](#) | [Henry VI, part 1](#) | Act 5, Scene 3

[Previous scene](#) | [Next scene](#)

## SCENE III. Before Angiers.

*Alarum. Excursions. Enter JOAN LA PUCELLE*

**JOAN LA PUCELLE**

The regent conquers, and the Frenchmen fly.  
Now help, ye charming spells and periapts;  
And ye choice spirits that admonish me  
And give me signs of future accidents.

*Thunder*

You speedy helpers, that are substitutes  
Under the lordly monarch of the north,  
Appear and aid me in this enterprise.

*Enter Fiends*

This speedy and quick appearance argues proof  
Of your accustom'd diligence to me.  
Now, ye familiar spirits, that are cull'd  
Out of the powerful regions under earth,  
Help me this once, that France may get the field.

*They walk, and speak not*

O, hold me not with silence over-long!  
Where I was wont to feed you with my blood,  
I'll lop a member off and give it you  
In earnest of further benefit,  
So you do condescend to help me now.

*They hang their heads*

No hope to have redress? My body shall

Pay recompense, if you will grant my suit.

*They shake their heads*

Cannot my body nor blood-sacrifice  
Entreat you to your wonted furtherance?  
Then take my soul, my body, soul and all,  
Before that England give the French the foil.

*They depart*

See, they forsake me! Now the time is come  
That France must vail her lofty-plumed crest  
And let her head fall into England's lap.  
My ancient incantations are too weak,  
And hell too strong for me to buckle with:  
Now, France, thy glory droopeth to the dust.

*Exit*

*Excursions. Re-enter JOAN LA PUCELLE fighting hand to hand with YORK. JOAN LA PUCELLE is taken. The French fly.*

**YORK**

Damsel of France, I think I have you fast:  
Unchain your spirits now with spelling charms  
And try if they can gain your liberty.  
A goodly prize, fit for the devil's grace!  
See, how the ugly wench doth bend her brows,  
As if with Circe she would change my shape!

**JOAN LA PUCELLE**

Changed to a worsen shape thou canst not be.

**YORK**

O, Charles the Dauphin is a proper man;  
No shape but his can please your dainty eye.

## **JOAN LA PUCELLE**

A plaguing mischief light on Charles and thee!  
And may ye both be suddenly surprised  
By bloody hands, in sleeping on your beds!

## **YORK**

Fell banning hag, enchantress, hold thy tongue!

## **JOAN LA PUCELLE**

I prithee, give me leave to curse awhile.

## **YORK**

Curse, miscreant, when thou comest to the stake.

*Exeunt*

*Alarum. Enter SUFFOLK with MARGARET in his hand*

## **SUFFOLK**

Be what thou wilt, thou art my prisoner.

*Gazes on her*

O fairest beauty, do not fear nor fly!  
For I will touch thee but with reverent hands;  
I kiss these fingers for eternal peace,  
And lay them gently on thy tender side.  
Who art thou? say, that I may honour thee.

## **MARGARET**

Margaret my name, and daughter to a king,  
The King of Naples, whosoe'er thou art.

## **SUFFOLK**

An earl I am, and Suffolk am I call'd.  
Be not offended, nature's miracle,  
Thou art allotted to be ta'en by me:  
So doth the swan her downy cygnets save,  
Keeping them prisoner underneath her wings.  
Yet, if this servile usage once offend.  
Go, and be free again, as Suffolk's friend.

*She is going*

O, stay! I have no power to let her pass;  
My hand would free her, but my heart says no  
As plays the sun upon the glassy streams,  
Twinkling another counterfeited beam,  
So seems this gorgeous beauty to mine eyes.  
Fain would I woo her, yet I dare not speak:  
I'll call for pen and ink, and write my mind.  
Fie, de la Pole! disable not thyself;  
Hast not a tongue? is she not here?  
Wilt thou be daunted at a woman's sight?  
Ay, beauty's princely majesty is such,  
Confounds the tongue and makes the senses rough.

**MARGARET**

Say, Earl of Suffolk--if thy name be so--  
What ransom must I pay before I pass?  
For I perceive I am thy prisoner.

**SUFFOLK**

How canst thou tell she will deny thy suit,  
Before thou make a trial of her love?

**MARGARET**

Why speak'st thou not? what ransom must I pay?

**SUFFOLK**

She's beautiful, and therefore to be woo'd;  
She is a woman, therefore to be won.

**MARGARET**

Wilt thou accept of ransom? yea, or no.

**SUFFOLK**

Fond man, remember that thou hast a wife;  
Then how can Margaret be thy paramour?

**MARGARET**

I were best to leave him, for he will not hear.

**SUFFOLK**

There all is marr'd; there lies a cooling card.

**MARGARET**

He talks at random; sure, the man is mad.

**SUFFOLK**

And yet a dispensation may be had.

**MARGARET**

And yet I would that you would answer me.

**SUFFOLK**

I'll win this Lady Margaret. For whom?  
Why, for my king: tush, that's a wooden thing!

**MARGARET**

He talks of wood: it is some carpenter.

**SUFFOLK**

Yet so my fancy may be satisfied,  
And peace established between these realms  
But there remains a scruple in that too;  
For though her father be the King of Naples,  
Duke of Anjou and Maine, yet is he poor,  
And our nobility will scorn the match.

**MARGARET**

Hear ye, captain, are you not at leisure?

**SUFFOLK**

It shall be so, disdain they ne'er so much.  
Henry is youthful and will quickly yield.  
Madam, I have a secret to reveal.

**MARGARET**

What though I be enthralld? he seems a knight,  
And will not any way dishonour me.

**SUFFOLK**

Lady, vouchsafe to listen what I say.

**MARGARET**

Perhaps I shall be rescued by the French;  
And then I need not crave his courtesy.

**SUFFOLK**

Sweet madam, give me a hearing in a cause--

**MARGARET**

Tush, women have been captivate ere now.

**SUFFOLK**

Lady, wherefore talk you so?

**MARGARET**

I cry you mercy, 'tis but Quid for Quo.

**SUFFOLK**

Say, gentle princess, would you not suppose  
Your bondage happy, to be made a queen?

**MARGARET**

To be a queen in bondage is more vile  
Than is a slave in base servility;  
For princes should be free.

**SUFFOLK**

And so shall you,  
If happy England's royal king be free.

**MARGARET**

Why, what concerns his freedom unto me?

**SUFFOLK**

I'll undertake to make thee Henry's queen,  
To put a golden sceptre in thy hand  
And set a precious crown upon thy head,  
If thou wilt condescend to be my--

**MARGARET**

What?

**SUFFOLK**

His love.

**MARGARET**

I am unworthy to be Henry's wife.

**SUFFOLK**

No, gentle madam; I unworthy am  
To woo so fair a dame to be his wife,  
And have no portion in the choice myself.  
How say you, madam, are ye so content?

**MARGARET**

An if my father please, I am content.

**SUFFOLK**

Then call our captains and our colours forth.  
And, madam, at your father's castle walls  
We'll crave a parley, to confer with him.

*A parley sounded. Enter REIGNIER on the walls*

See, Reignier, see, thy daughter prisoner!

**REIGNIER**

To whom?

**SUFFOLK**

To me.

**REIGNIER**

Suffolk, what remedy?  
I am a soldier, and unapt to weep,  
Or to exclaim on fortune's fickleness.

**SUFFOLK**

Yes, there is remedy enough, my lord:  
Consent, and for thy honour give consent,  
Thy daughter shall be wedded to my king;  
Whom I with pain have woo'd and won thereto;  
And this her easy-held imprisonment  
Hath gained thy daughter princely liberty.

**REIGNIER**

Speaks Suffolk as he thinks?

**SUFFOLK**

Fair Margaret knows  
That Suffolk doth not flatter, face, or feign.

**REIGNIER**

Upon thy princely warrant, I descend  
To give thee answer of thy just demand.

*Exit from the walls*

**SUFFOLK**

And here I will expect thy coming.

*Trumpets sound. Enter REIGNIER, below*

**REIGNIER**

Welcome, brave earl, into our territories:  
Command in Anjou what your honour pleases.

**SUFFOLK**

Thanks, Reignier, happy for so sweet a child,  
Fit to be made companion with a king:  
What answer makes your grace unto my suit?

**REIGNIER**

Since thou dost deign to woo her little worth  
To be the princely bride of such a lord;  
Upon condition I may quietly  
Enjoy mine own, the country Maine and Anjou,  
Free from oppression or the stroke of war,  
My daughter shall be Henry's, if he please.

## **SUFFOLK**

That is her ransom; I deliver her;  
And those two counties I will undertake  
Your grace shall well and quietly enjoy.

## **REIGNIER**

And I again, in Henry's royal name,  
As deputy unto that gracious king,  
Give thee her hand, for sign of plighted faith.

## **SUFFOLK**

Reignier of France, I give thee kingly thanks,  
Because this is in traffic of a king.

*Aside*

And yet, methinks, I could be well content  
To be mine own attorney in this case.  
I'll over then to England with this news,  
And make this marriage to be solemnized.  
So farewell, Reignier: set this diamond safe  
In golden palaces, as it becomes.

## **REIGNIER**

I do embrace thee, as I would embrace  
The Christian prince, King Henry, were he here.

## **MARGARET**

Farewell, my lord: good wishes, praise and prayers

Shall Suffolk ever have of Margaret.

*Going*

**SUFFOLK**

Farewell, sweet madam: but hark you, Margaret;  
No princely commendations to my king?

**MARGARET**

Such commendations as becomes a maid,  
A virgin and his servant, say to him.

**SUFFOLK**

Words sweetly placed and modestly directed.  
But madam, I must trouble you again;  
No loving token to his majesty?

**MARGARET**

Yes, my good lord, a pure unspotted heart,  
Never yet taint with love, I send the king.

**SUFFOLK**

And this withal.

*Kisses her*

**MARGARET**

That for thyself: I will not so presume  
To send such peevish tokens to a king.

*Exeunt REIGNIER and MARGARET*

**SUFFOLK**

O, wert thou for myself! But, Suffolk, stay;

Thou mayst not wander in that labyrinth;  
There Minotaurs and ugly treasons lurk.  
Solicit Henry with her wondrous praise:  
Bethink thee on her virtues that surmount,  
And natural graces that extinguish art;  
Repeat their semblance often on the seas,  
That, when thou comest to kneel at Henry's feet,  
Thou mayst bereave him of his wits with wonder.

*Exit*

## SCENE IV. Camp of the YORK in Anjou.

*Enter YORK, WARWICK, and others*

**YORK**

Bring forth that sorceress condemn'd to burn.

*Enter JOAN LA PUCELLE, guarded, and a Shepherd*

**Shepherd**

Ah, Joan, this kills thy father's heart outright!  
Have I sought every country far and near,  
And, now it is my chance to find thee out,  
Must I behold thy timeless cruel death?  
Ah, Joan, sweet daughter Joan, I'll die with thee!

**JOAN LA PUCELLE**

Decrepit miser! base ignoble wretch!  
I am descended of a gentler blood:  
Thou art no father nor no friend of mine.

**Shepherd**

Out, out! My lords, an please you, 'tis not so;  
I did beget her, all the parish knows:  
Her mother liveth yet, can testify  
She was the first fruit of my bachelorship.

**WARWICK**

Graceless! wilt thou deny thy parentage?

**YORK**

This argues what her kind of life hath been,  
Wicked and vile; and so her death concludes.

### **Shepherd**

Fie, Joan, that thou wilt be so obstacle!  
God knows thou art a collop of my flesh;  
And for thy sake have I shed many a tear:  
Deny me not, I prithee, gentle Joan.

### **JOAN LA PUCELLE**

Peasant, avaunt! You have suborn'd this man,  
Of purpose to obscure my noble birth.

### **Shepherd**

'Tis true, I gave a noble to the priest  
The morn that I was wedded to her mother.  
Kneel down and take my blessing, good my girl.  
Wilt thou not stoop? Now cursed be the time  
Of thy nativity! I would the milk  
Thy mother gave thee when thou suck'dst her breast,  
Had been a little ratsbane for thy sake!  
Or else, when thou didst keep my lambs a-field,  
I wish some ravenous wolf had eaten thee!  
Dost thou deny thy father, cursed drab?  
O, burn her, burn her! hanging is too good.

*Exit*

### **YORK**

Take her away; for she hath lived too long,  
To fill the world with vicious qualities.

### **JOAN LA PUCELLE**

First, let me tell you whom you have condemn'd:  
Not me begotten of a shepherd swain,  
But issued from the progeny of kings;  
Virtuous and holy; chosen from above,

By inspiration of celestial grace,  
To work exceeding miracles on earth.  
I never had to do with wicked spirits:  
But you, that are polluted with your lusts,  
Stain'd with the guiltless blood of innocents,  
Corrupt and tainted with a thousand vices,  
Because you want the grace that others have,  
You judge it straight a thing impossible  
To compass wonders but by help of devils.  
No, misconceived! Joan of Arc hath been  
A virgin from her tender infancy,  
Chaste and immaculate in very thought;  
Whose maiden blood, thus rigorously effused,  
Will cry for vengeance at the gates of heaven.

## **YORK**

Ay, ay: away with her to execution!

## **WARWICK**

And hark ye, sirs; because she is a maid,  
Spare for no faggots, let there be enow:  
Place barrels of pitch upon the fatal stake,  
That so her torture may be shortened.

## **JOAN LA PUCELLE**

Will nothing turn your unrelenting hearts?  
Then, Joan, discover thine infirmity,  
That warranteth by law to be thy privilege.  
I am with child, ye bloody homicides:  
Murder not then the fruit within my womb,  
Although ye hale me to a violent death.

## **YORK**

Now heaven forbend! the holy maid with child!

## **WARWICK**

The greatest miracle that e'er ye wrought:

Is all your strict preciseness come to this?

**YORK**

She and the Dauphin have been juggling:  
I did imagine what would be her refuge.

**WARWICK**

Well, go to; we'll have no bastards live;  
Especially since Charles must father it.

**JOAN LA PUCELLE**

You are deceived; my child is none of his:  
It was Alencon that enjoy'd my love.

**YORK**

Alencon! that notorious Machiavel!  
It dies, an if it had a thousand lives.

**JOAN LA PUCELLE**

O, give me leave, I have deluded you:  
'Twas neither Charles nor yet the duke I named,  
But Reignier, king of Naples, that prevail'd.

**WARWICK**

A married man! that's most intolerable.

**YORK**

Why, here's a girl! I think she knows not well,  
There were so many, whom she may accuse.

**WARWICK**

It's sign she hath been liberal and free.

## YORK

And yet, forsooth, she is a virgin pure.  
Strumpet, thy words condemn thy brat and thee:  
Use no entreaty, for it is in vain.

## JOAN LA PUCELLE

Then lead me hence; with whom I leave my curse:  
May never glorious sun reflex his beams  
Upon the country where you make abode;  
But darkness and the gloomy shade of death  
Environ you, till mischief and despair  
Drive you to break your necks or hang yourselves!

*Exit, guarded*

## YORK

Break thou in pieces and consume to ashes,  
Thou foul accursed minister of hell!

*Enter CARDINAL OF WINCHESTER, attended*

CARDINAL

## OF WINCHESTER

Lord regent, I do greet your excellence  
With letters of commission from the king.  
For know, my lords, the states of Christendom,  
Moved with remorse of these outrageous broils,  
Have earnestly implored a general peace  
Betwixt our nation and the aspiring French;  
And here at hand the Dauphin and his train  
Approacheth, to confer about some matter.

## YORK

Is all our travail turn'd to this effect?  
After the slaughter of so many peers,  
So many captains, gentlemen and soldiers,

That in this quarrel have been overthrown  
And sold their bodies for their country's benefit,  
Shall we at last conclude effeminate peace?  
Have we not lost most part of all the towns,  
By treason, falsehood and by treachery,  
Our great progenitors had conquered?  
O Warwick, Warwick! I foresee with grief  
The utter loss of all the realm of France.

## **WARWICK**

Be patient, York: if we conclude a peace,  
It shall be with such strict and severe covenants  
As little shall the Frenchmen gain thereby.

*Enter CHARLES, ALENCON, BASTARD OF ORLEANS, REIGNIER, and others*

## **CHARLES**

Since, lords of England, it is thus agreed  
That peaceful truce shall be proclaim'd in France,  
We come to be informed by yourselves  
What the conditions of that league must be.

## **YORK**

Speak, Winchester; for boiling choler chokes  
The hollow passage of my poison'd voice,  
By sight of these our baleful enemies.  
CARDINAL

## **OF WINCHESTER**

Charles, and the rest, it is enacted thus:  
That, in regard King Henry gives consent,  
Of mere compassion and of lenity,  
To ease your country of distressful war,  
And suffer you to breathe in fruitful peace,  
You shall become true liegemen to his crown:  
And Charles, upon condition thou wilt swear  
To pay him tribute, submit thyself,  
Thou shalt be placed as viceroy under him,

And still enjoy thy regal dignity.

## **ALENCON**

Must he be then as shadow of himself?  
Adorn his temples with a coronet,  
And yet, in substance and authority,  
Retain but privilege of a private man?  
This proffer is absurd and reasonless.

## **CHARLES**

'Tis known already that I am possess'd  
With more than half the Gallian territories,  
And therein revered for their lawful king:  
Shall I, for lucre of the rest unvanquish'd,  
Detract so much from that prerogative,  
As to be call'd but viceroy of the whole?  
No, lord ambassador, I'll rather keep  
That which I have than, coveting for more,  
Be cast from possibility of all.

## **YORK**

Insulting Charles! hast thou by secret means  
Used intercession to obtain a league,  
And, now the matter grows to compromise,  
Stand'st thou aloof upon comparison?  
Either accept the title thou usurp'st,  
Of benefit proceeding from our king  
And not of any challenge of desert,  
Or we will plague thee with incessant wars.

## **REIGNIER**

My lord, you do not well in obstinacy  
To cavil in the course of this contract:  
If once it be neglected, ten to one  
We shall not find like opportunity.

## **ALENCON**

To say the truth, it is your policy  
To save your subjects from such massacre  
And ruthless slaughters as are daily seen  
By our proceeding in hostility;  
And therefore take this compact of a truce,  
Although you break it when your pleasure serves.

## **WARWICK**

How say'st thou, Charles? shall our condition stand?

## **CHARLES**

It shall;  
Only reserved, you claim no interest  
In any of our towns of garrison.

## **YORK**

Then swear allegiance to his majesty,  
As thou art knight, never to disobey  
Nor be rebellious to the crown of England,  
Thou, nor thy nobles, to the crown of England.  
So, now dismiss your army when ye please:  
Hang up your ensign, let your drums be still,  
For here we entertain a solemn peace.

*Exeunt*

# The First part of King Henry the Sixth

[Shakespeare homepage](#) | [Henry VI, part 1](#) | Act 5, Scene 5

[Previous scene](#)

## SCENE V. London. The palace.

*Enter SUFFOLK in conference with KING HENRY VI, GLOUCESTER and EXETER*

### KING HENRY VI

Your wondrous rare description, noble earl,  
Of beauteous Margaret hath astonish'd me:  
Her virtues graced with external gifts  
Do breed love's settled passions in my heart:  
And like as rigor of tempestuous gusts  
Provokes the mightiest hulk against the tide,  
So am I driven by breath of her renown  
Either to suffer shipwreck or arrive  
Where I may have fruition of her love.

### SUFFOLK

Tush, my good lord, this superficial tale  
Is but a preface of her worthy praise;  
The chief perfections of that lovely dame  
Had I sufficient skill to utter them,  
Would make a volume of enticing lines,  
Able to ravish any dull conceit:  
And, which is more, she is not so divine,  
So full-replete with choice of all delights,  
But with as humble lowliness of mind  
She is content to be at your command;  
Command, I mean, of virtuous chaste intents,  
To love and honour Henry as her lord.

### KING HENRY VI

And otherwise will Henry ne'er presume.  
Therefore, my lord protector, give consent  
That Margaret may be England's royal queen.

## **GLOUCESTER**

So should I give consent to flatter sin.  
You know, my lord, your highness is betroth'd  
Unto another lady of esteem:  
How shall we then dispense with that contract,  
And not deface your honour with reproach?

## **SUFFOLK**

As doth a ruler with unlawful oaths;  
Or one that, at a triumph having vow'd  
To try his strength, forsaketh yet the lists  
By reason of his adversary's odds:  
A poor earl's daughter is unequal odds,  
And therefore may be broke without offence.

## **GLOUCESTER**

Why, what, I pray, is Margaret more than that?  
Her father is no better than an earl,  
Although in glorious titles he excel.

## **SUFFOLK**

Yes, lord, her father is a king,  
The King of Naples and Jerusalem;  
And of such great authority in France  
As his alliance will confirm our peace  
And keep the Frenchmen in allegiance.

## **GLOUCESTER**

And so the Earl of Armagnac may do,  
Because he is near kinsman unto Charles.

## **EXETER**

Beside, his wealth doth warrant a liberal dower,  
Where Reignier sooner will receive than give.

## SUFFOLK

A dower, my lords! disgrace not so your king,  
That he should be so abject, base and poor,  
To choose for wealth and not for perfect love.  
Henry is able to enrich his queen  
And not seek a queen to make him rich:  
So worthless peasants bargain for their wives,  
As market-men for oxen, sheep, or horse.  
Marriage is a matter of more worth  
Than to be dealt in by attorneyship;  
Not whom we will, but whom his grace affects,  
Must be companion of his nuptial bed:  
And therefore, lords, since he affects her most,  
It most of all these reasons bindeth us,  
In our opinions she should be preferr'd.  
For what is wedlock forced but a hell,  
An age of discord and continual strife?  
Whereas the contrary bringeth bliss,  
And is a pattern of celestial peace.  
Whom should we match with Henry, being a king,  
But Margaret, that is daughter to a king?  
Her peerless feature, joined with her birth,  
Approves her fit for none but for a king:  
Her valiant courage and undaunted spirit,  
More than in women commonly is seen,  
Will answer our hope in issue of a king;  
For Henry, son unto a conqueror,  
Is likely to beget more conquerors,  
If with a lady of so high resolve  
As is fair Margaret he be link'd in love.  
Then yield, my lords; and here conclude with me  
That Margaret shall be queen, and none but she.

## KING HENRY VI

Whether it be through force of your report,  
My noble Lord of Suffolk, or for that  
My tender youth was never yet attain'd  
With any passion of inflaming love,  
I cannot tell; but this I am assured,  
I feel such sharp dissension in my breast,  
Such fierce alarms both of hope and fear,

As I am sick with working of my thoughts.  
Take, therefore, shipping; post, my lord, to France;  
Agree to any covenants, and procure  
That Lady Margaret do vouchsafe to come  
To cross the seas to England and be crown'd  
King Henry's faithful and anointed queen:  
For your expenses and sufficient charge,  
Among the people gather up a tenth.  
Be gone, I say; for, till you do return,  
I rest perplexed with a thousand cares.  
And you, good uncle, banish all offence:  
If you do censure me by what you were,  
Not what you are, I know it will excuse  
This sudden execution of my will.  
And so, conduct me where, from company,  
I may revolve and ruminare my grief.

*Exit*

## **GLOUCESTER**

Ay, grief, I fear me, both at first and last.

*Exeunt GLOUCESTER and EXETER*

## **SUFFOLK**

Thus Suffolk hath prevail'd; and thus he goes,  
As did the youthful Paris once to Greece,  
With hope to find the like event in love,  
But prosper better than the Trojan did.  
Margaret shall now be queen, and rule the king;  
But I will rule both her, the king and realm.

*Exit*

[Next scene](#)

## SCENE I. London. The palace.

*Flourish of trumpets: then hautboys. Enter KING HENRY VI, GLOUCESTER, SALISBURY, WARWICK, and CARDINAL, on the one side; QUEEN MARGARET, SUFFOLK, YORK, SOMERSET, and BUCKINGHAM, on the other*

### SUFFOLK

As by your high imperial majesty  
I had in charge at my depart for France,  
As procurator to your excellence,  
To marry Princess Margaret for your grace,  
So, in the famous ancient city, Tours,  
In presence of the Kings of France and Sicil,  
The Dukes of Orleans, Calaber, Bretagne and Alencon,  
Seven earls, twelve barons and twenty reverend bishops,  
I have perform'd my task and was espoused:  
And humbly now upon my bended knee,  
In sight of England and her lordly peers,  
Deliver up my title in the queen  
To your most gracious hands, that are the substance  
Of that great shadow I did represent;  
The happiest gift that ever marquess gave,  
The fairest queen that ever king received.

### KING HENRY VI

Suffolk, arise. Welcome, Queen Margaret:  
I can express no kinder sign of love  
Than this kind kiss. O Lord, that lends me life,  
Lend me a heart replete with thankfulness!  
For thou hast given me in this beauteous face  
A world of earthly blessings to my soul,  
If sympathy of love unite our thoughts.

### QUEEN MARGARET

Great King of England and my gracious lord,  
The mutual conference that my mind hath had,  
By day, by night, waking and in my dreams,  
In courtly company or at my beads,  
With you, mine alder-liefest sovereign,  
Makes me the bolder to salute my king  
With ruder terms, such as my wit affords  
And over-joy of heart doth minister.

## **KING HENRY VI**

Her sight did ravish; but her grace in speech,  
Her words y-clad with wisdom's majesty,  
Makes me from wondering fall to weeping joys;  
Such is the fulness of my heart's content.  
Lords, with one cheerful voice welcome my love.

## **ALL**

[Kneeling] Long live Queen Margaret, England's  
happiness!

## **QUEEN MARGARET**

We thank you all.

*Flourish*

## **SUFFOLK**

My lord protector, so it please your grace,  
Here are the articles of contracted peace  
Between our sovereign and the French king Charles,  
For eighteen months concluded by consent.

## **GLOUCESTER**

[Reads] 'Imprimis, it is agreed between the French  
king Charles, and William de la Pole, Marquess of  
Suffolk, ambassador for Henry King of England, that  
the said Henry shall espouse the Lady Margaret,

daughter unto Reignier King of Naples, Sicilia and Jerusalem, and crown her Queen of England ere the thirtieth of May next ensuing. Item, that the duchy of Anjou and the county of Maine shall be released and delivered to the king her father'--

*Lets the paper fall*

**KING HENRY VI**

Uncle, how now!

**GLOUCESTER**

Pardon me, gracious lord;  
Some sudden qualm hath struck me at the heart  
And dimm'd mine eyes, that I can read no further.

**KING HENRY VI**

Uncle of Winchester, I pray, read on.

**CARDINAL**

[Reads] 'Item, It is further agreed between them, that the duchies of Anjou and Maine shall be released and delivered over to the king her father, and she sent over of the King of England's own proper cost and charges, without having any dowry.'

**KING HENRY VI**

They please us well. Lord marquess, kneel down:  
We here create thee the first duke of Suffolk,  
And gird thee with the sword. Cousin of York,  
We here discharge your grace from being regent  
I' the parts of France, till term of eighteen months  
Be full expired. Thanks, uncle Winchester,  
Gloucester, York, Buckingham, Somerset,  
Salisbury, and Warwick;  
We thank you all for the great favour done,  
In entertainment to my princely queen.

Come, let us in, and with all speed provide  
To see her coronation be perform'd.

*Exeunt KING HENRY VI, QUEEN MARGARET, and SUFFOLK*

## **GLOUCESTER**

Brave peers of England, pillars of the state,  
To you Duke Humphrey must unload his grief,  
Your grief, the common grief of all the land.  
What! did my brother Henry spend his youth,  
His valour, coin and people, in the wars?  
Did he so often lodge in open field,  
In winter's cold and summer's parching heat,  
To conquer France, his true inheritance?  
And did my brother Bedford toil his wits,  
To keep by policy what Henry got?  
Have you yourselves, Somerset, Buckingham,  
Brave York, Salisbury, and victorious Warwick,  
Received deep scars in France and Normandy?  
Or hath mine uncle Beaufort and myself,  
With all the learned council of the realm,  
Studied so long, sat in the council-house  
Early and late, debating to and fro  
How France and Frenchmen might be kept in awe,  
And had his highness in his infancy  
Crowned in Paris in despite of foes?  
And shall these labours and these honours die?  
Shall Henry's conquest, Bedford's vigilance,  
Your deeds of war and all our counsel die?  
O peers of England, shameful is this league!  
Fatal this marriage, cancelling your fame,  
Blotting your names from books of memory,  
Razing the characters of your renown,  
Defacing monuments of conquer'd France,  
Undoing all, as all had never been!

## **CARDINAL**

Nephew, what means this passionate discourse,  
This peroration with such circumstance?  
For France, 'tis ours; and we will keep it still.

## **GLOUCESTER**

Ay, uncle, we will keep it, if we can;  
But now it is impossible we should:  
Suffolk, the new-made duke that rules the roast,  
Hath given the duchy of Anjou and Maine  
Unto the poor King Reignier, whose large style  
Agrees not with the leanness of his purse.

## **SALISBURY**

Now, by the death of Him that died for all,  
These counties were the keys of Normandy.  
But wherefore weeps Warwick, my valiant son?

## **WARWICK**

For grief that they are past recovery:  
For, were there hope to conquer them again,  
My sword should shed hot blood, mine eyes no tears.  
Anjou and Maine! myself did win them both;  
Those provinces these arms of mine did conquer:  
And are the cities, that I got with wounds,  
Delivered up again with peaceful words?  
Mort Dieu!

## **YORK**

For Suffolk's duke, may he be suffocate,  
That dims the honour of this warlike isle!  
France should have torn and rent my very heart,  
Before I would have yielded to this league.  
I never read but England's kings have had  
Large sums of gold and dowries with their wives:  
And our King Henry gives away his own,  
To match with her that brings no vantages.

## **GLOUCESTER**

A proper jest, and never heard before,  
That Suffolk should demand a whole fifteenth  
For costs and charges in transporting her!

She should have stayed in France and starved  
in France, Before--

## **CARDINAL**

My Lord of Gloucester, now ye grow too hot:  
It was the pleasure of my lord the King.

## **GLOUCESTER**

My Lord of Winchester, I know your mind;  
'Tis not my speeches that you do mislike,  
But 'tis my presence that doth trouble ye.  
Rancour will out: proud prelate, in thy face  
I see thy fury: if I longer stay,  
We shall begin our ancient bickerings.  
Lordings, farewell; and say, when I am gone,  
I prophesied France will be lost ere long.

*Exit*

## **CARDINAL**

So, there goes our protector in a rage.  
'Tis known to you he is mine enemy,  
Nay, more, an enemy unto you all,  
And no great friend, I fear me, to the king.  
Consider, lords, he is the next of blood,  
And heir apparent to the English crown:  
Had Henry got an empire by his marriage,  
And all the wealthy kingdoms of the west,  
There's reason he should be displeas'd at it.  
Look to it, lords! let not his smoothing words  
Bewitch your hearts; be wise and circumspect.  
What though the common people favour him,  
Calling him 'Humphrey, the good Duke of  
Gloucester,'  
Clapping their hands, and crying with loud voice,  
'Jesu maintain your royal excellence!'  
With 'God preserve the good Duke Humphrey!'  
I fear me, lords, for all this flattering gloss,  
He will be found a dangerous protector.

## **BUCKINGHAM**

Why should he, then, protect our sovereign,  
He being of age to govern of himself?  
Cousin of Somerset, join you with me,  
And all together, with the Duke of Suffolk,  
We'll quickly hoise Duke Humphrey from his seat.

## **CARDINAL**

This weighty business will not brook delay:  
I'll to the Duke of Suffolk presently.

*Exit*

## **SOMERSET**

Cousin of Buckingham, though Humphrey's pride  
And greatness of his place be grief to us,  
Yet let us watch the haughty cardinal:  
His insolence is more intolerable  
Than all the princes in the land beside:  
If Gloucester be displaced, he'll be protector.

## **BUCKINGHAM**

Or thou or I, Somerset, will be protector,  
Despite Duke Humphrey or the cardinal.

*Exeunt BUCKINGHAM and SOMERSET*

## **SALISBURY**

Pride went before, ambition follows him.  
While these do labour for their own preferment,  
Behoves it us to labour for the realm.  
I never saw but Humphrey Duke of Gloucester  
Did bear him like a noble gentleman.  
Oft have I seen the haughty cardinal,  
More like a soldier than a man o' the church,  
As stout and proud as he were lord of all,

Swear like a ruffian and demean himself  
Unlike the ruler of a commonweal.  
Warwick, my son, the comfort of my age,  
Thy deeds, thy plainness and thy housekeeping,  
Hath won the greatest favour of the commons,  
Excepting none but good Duke Humphrey:  
And, brother York, thy acts in Ireland,  
In bringing them to civil discipline,  
Thy late exploits done in the heart of France,  
When thou wert regent for our sovereign,  
Have made thee fear'd and honour'd of the people:  
Join we together, for the public good,  
In what we can, to bridle and suppress  
The pride of Suffolk and the cardinal,  
With Somerset's and Buckingham's ambition;  
And, as we may, cherish Duke Humphrey's deeds,  
While they do tend the profit of the land.

## **WARWICK**

So God help Warwick, as he loves the land,  
And common profit of his country!

## **YORK**

[Aside] And so says York, for he hath greatest cause.

## **SALISBURY**

Then let's make haste away, and look unto the main.

## **WARWICK**

Unto the main! O father, Maine is lost;  
That Maine which by main force Warwick did win,  
And would have kept so long as breath did last!  
Main chance, father, you meant; but I meant Maine,  
Which I will win from France, or else be slain,

*Exeunt WARWICK and SALISBURY*

## **YORK**

Anjou and Maine are given to the French;  
Paris is lost; the state of Normandy  
Stands on a tickle point, now they are gone:  
Suffolk concluded on the articles,  
The peers agreed, and Henry was well pleased  
To change two dukedoms for a duke's fair daughter.  
I cannot blame them all: what is't to them?  
'Tis thine they give away, and not their own.  
Pirates may make cheap pennyworths of their pillage  
And purchase friends and give to courtezans,  
Still revelling like lords till all be gone;  
While as the silly owner of the goods  
Weeps over them and wrings his hapless hands  
And shakes his head and trembling stands aloof,  
While all is shared and all is borne away,  
Ready to starve and dare not touch his own:  
So York must sit and fret and bite his tongue,  
While his own lands are bargain'd for and sold.  
Methinks the realms of England, France and Ireland  
Bear that proportion to my flesh and blood  
As did the fatal brand Althaea burn'd  
Unto the prince's heart of Calydon.  
Anjou and Maine both given unto the French!  
Cold news for me, for I had hope of France,  
Even as I have of fertile England's soil.  
A day will come when York shall claim his own;  
And therefore I will take the Nevils' parts  
And make a show of love to proud Duke Humphrey,  
And, when I spy advantage, claim the crown,  
For that's the golden mark I seek to hit:  
Nor shall proud Lancaster usurp my right,  
Nor hold the sceptre in his childish fist,  
Nor wear the diadem upon his head,  
Whose church-like humours fits not for a crown.  
Then, York, be still awhile, till time do serve:  
Watch thou and wake when others be asleep,  
To pry into the secrets of the state;  
Till Henry, surfeiting in joys of love,  
With his new bride and England's dear-bought queen,  
And Humphrey with the peers be fall'n at jars:  
Then will I raise aloft the milk-white rose,  
With whose sweet smell the air shall be perfumed;

And in my standard bear the arms of York  
To grapple with the house of Lancaster;  
And, force perforce, I'll make him yield the crown,  
Whose bookish rule hath pull'd fair England down.

*Exit*

## SCENE II. GLOUCESTER'S house.

*Enter GLOUCESTER and his DUCHESS*

### DUCHESS

Why droops my lord, like over-ripen'd corn,  
Hanging the head at Ceres' plenteous load?  
Why doth the great Duke Humphrey knit his brows,  
As frowning at the favours of the world?  
Why are thine eyes fixed to the sullen earth,  
Gazing on that which seems to dim thy sight?  
What seest thou there? King Henry's diadem,  
Enchased with all the honours of the world?  
If so, gaze on, and grovel on thy face,  
Until thy head be circled with the same.  
Put forth thy hand, reach at the glorious gold.  
What, is't too short? I'll lengthen it with mine:  
And, having both together heaved it up,  
We'll both together lift our heads to heaven,  
And never more abase our sight so low  
As to vouchsafe one glance unto the ground.

### GLOUCESTER

O Nell, sweet Nell, if thou dost love thy lord,  
Banish the canker of ambitious thoughts.  
And may that thought, when I imagine ill  
Against my king and nephew, virtuous Henry,  
Be my last breathing in this mortal world!  
My troublous dream this night doth make me sad.

### DUCHESS

What dream'd my lord? tell me, and I'll requite it  
With sweet rehearsal of my morning's dream.

## **GLOUCESTER**

Methought this staff, mine office-badge in court,  
Was broke in twain; by whom I have forgot,  
But, as I think, it was by the cardinal;  
And on the pieces of the broken wand  
Were placed the heads of Edmund Duke of Somerset,  
And William de la Pole, first duke of Suffolk.  
This was my dream: what it doth bode, God knows.

## **DUCHESS**

Tut, this was nothing but an argument  
That he that breaks a stick of Gloucester's grove  
Shall lose his head for his presumption.  
But list to me, my Humphrey, my sweet duke:  
Methought I sat in seat of majesty  
In the cathedral church of Westminster,  
And in that chair where kings and queens are crown'd;  
Where Henry and dame Margaret kneel'd to me  
And on my head did set the diadem.

## **GLOUCESTER**

Nay, Eleanor, then must I chide outright:  
Presumptuous dame, ill-nurtured Eleanor,  
Art thou not second woman in the realm,  
And the protector's wife, beloved of him?  
Hast thou not worldly pleasure at command,  
Above the reach or compass of thy thought?  
And wilt thou still be hammering treachery,  
To tumble down thy husband and thyself  
From top of honour to disgrace's feet?  
Away from me, and let me hear no more!

## **DUCHESS**

What, what, my lord! are you so choleric  
With Eleanor, for telling but her dream?  
Next time I'll keep my dreams unto myself,  
And not be cheque'd.

## **GLOUCESTER**

Nay, be not angry; I am pleased again.

*Enter Messenger*

## **Messenger**

My lord protector, 'tis his highness' pleasure  
You do prepare to ride unto Saint Alban's,  
Where as the king and queen do mean to hawk.

## **GLOUCESTER**

I go. Come, Nell, thou wilt ride with us?

## **DUCHESS**

Yes, my good lord, I'll follow presently.

*Exeunt GLOUCESTER and Messenger*

Follow I must; I cannot go before,  
While Gloucester bears this base and humble mind.  
Were I a man, a duke, and next of blood,  
I would remove these tedious stumbling-blocks  
And smooth my way upon their headless necks;  
And, being a woman, I will not be slack  
To play my part in Fortune's pageant.  
Where are you there? Sir John! nay, fear not, man,  
We are alone; here's none but thee and I.

*Enter HUME*

## **HUME**

Jesus preserve your royal majesty!

## **DUCHESS**

What say'st thou? majesty! I am but grace.

## HUME

But, by the grace of God, and Hume's advice,  
Your grace's title shall be multiplied.

## DUCHESS

What say'st thou, man? hast thou as yet conferr'd  
With Margery Jourdain, the cunning witch,  
With Roger Bolingbroke, the conjurer?  
And will they undertake to do me good?

## HUME

This they have promised, to show your highness  
A spirit raised from depth of under-ground,  
That shall make answer to such questions  
As by your grace shall be propounded him.

## DUCHESS

It is enough; I'll think upon the questions:  
When from St. Alban's we do make return,  
We'll see these things effected to the full.  
Here, Hume, take this reward; make merry, man,  
With thy confederates in this weighty cause.

*Exit*

## HUME

Hume must make merry with the duchess' gold;  
Marry, and shall. But how now, Sir John Hume!  
Seal up your lips, and give no words but mum:  
The business asketh silent secrecy.  
Dame Eleanor gives gold to bring the witch:  
Gold cannot come amiss, were she a devil.  
Yet have I gold flies from another coast;  
I dare not say, from the rich cardinal  
And from the great and new-made Duke of Suffolk,  
Yet I do find it so; for to be plain,

They, knowing Dame Eleanor's aspiring humour,  
Have hired me to undermine the duchess  
And buz these conjurations in her brain.  
They say 'A crafty knave does need no broker;  
Yet am I Suffolk and the cardinal's broker.  
Hume, if you take not heed, you shall go near  
To call them both a pair of crafty knaves.  
Well, so it stands; and thus, I fear, at last  
Hume's knavery will be the duchess' wreck,  
And her attainture will be Humphrey's fall:  
Sort how it will, I shall have gold for all.

*Exit*

# The Second part of King Henry the Sixth

[Shakespeare homepage](#) | [Henry VI, part 2](#) | Act 1, Scene 3

[Previous scene](#) | [Next scene](#)

## SCENE III. The palace.

*Enter three or four Petitioners, PETER, the Armourer's man, being one*

### First Petitioner

My masters, let's stand close: my lord protector  
will come this way by and by, and then we may deliver  
our supplications in the quill.

### Second Petitioner

Marry, the Lord protect him, for he's a good man!  
Jesu bless him!

*Enter SUFFOLK and QUEEN MARGARET*

### PETER

Here a' comes, methinks, and the queen with him.  
I'll be the first, sure.

### Second Petitioner

Come back, fool; this is the Duke of Suffolk, and  
not my lord protector.

### SUFFOLK

How now, fellow! would'st anything with me?

### First Petitioner

I pray, my lord, pardon me; I took ye for my lord  
protector.

## QUEEN MARGARET

[Reading] 'To my Lord Protector!' Are your supplications to his lordship? Let me see them: what is thine?

### First Petitioner

Mine is, an't please your grace, against John Goodman, my lord cardinal's man, for keeping my house, and lands, and wife and all, from me.

## SUFFOLK

Thy wife, too! that's some wrong, indeed. What's yours? What's here!

*Reads*

'Against the Duke of Suffolk, for enclosing the commons of Melford.' How now, sir knave!

### Second Petitioner

Alas, sir, I am but a poor petitioner of our whole township.

## PETER

[Giving his petition] Against my master, Thomas Horner, for saying that the Duke of York was rightful heir to the crown.

## QUEEN MARGARET

What sayst thou? did the Duke of York say he was rightful heir to the crown?

## PETER

That my master was? no, forsooth: my master said that he was, and that the king was an usurper.

## SUFFOLK

Who is there?

*Enter Servant*

Take this fellow in, and send for  
his master with a pursuivant presently: we'll hear  
more of your matter before the King.

*Exit Servant with PETER*

## QUEEN MARGARET

And as for you, that love to be protected  
Under the wings of our protector's grace,  
Begin your suits anew, and sue to him.

*Tears the supplication*

Away, base cullions! Suffolk, let them go.

## ALL

Come, let's be gone.

*Exeunt*

## QUEEN MARGARET

My Lord of Suffolk, say, is this the guise,  
Is this the fashion in the court of England?  
Is this the government of Britain's isle,  
And this the royalty of Albion's king?  
What shall King Henry be a pupil still  
Under the surly Gloucester's governance?  
Am I a queen in title and in style,  
And must be made a subject to a duke?  
I tell thee, Pole, when in the city Tours  
Thou ran'st a tilt in honour of my love  
And stolest away the ladies' hearts of France,

I thought King Henry had resembled thee  
In courage, courtship and proportion:  
But all his mind is bent to holiness,  
To number Ave-Maries on his beads;  
His champions are the prophets and apostles,  
His weapons holy saws of sacred writ,  
His study is his tilt-yard, and his loves  
Are brazen images of canonized saints.  
I would the college of the cardinals  
Would choose him pope, and carry him to Rome,  
And set the triple crown upon his head:  
That were a state fit for his holiness.

## **SUFFOLK**

Madam, be patient: as I was cause  
Your highness came to England, so will I  
In England work your grace's full content.

## **QUEEN MARGARET**

Beside the haughty protector, have we Beaufort,  
The imperious churchman, Somerset, Buckingham,  
And grumbling York: and not the least of these  
But can do more in England than the king.

## **SUFFOLK**

And he of these that can do most of all  
Cannot do more in England than the Nevils:  
Salisbury and Warwick are no simple peers.

## **QUEEN MARGARET**

Not all these lords do vex me half so much  
As that proud dame, the lord protector's wife.  
She sweeps it through the court with troops of ladies,  
More like an empress than Duke Humphrey's wife:  
Strangers in court do take her for the queen:  
She bears a duke's revenues on her back,  
And in her heart she scorns our poverty:  
Shall I not live to be avenged on her?

Contemptuous base-born callet as she is,  
She vaunted 'mongst her minions t'other day,  
The very train of her worst wearing gown  
Was better worth than all my father's lands,  
Till Suffolk gave two dukedoms for his daughter.

## **SUFFOLK**

Madam, myself have limed a bush for her,  
And placed a quire of such enticing birds,  
That she will light to listen to the lays,  
And never mount to trouble you again.  
So, let her rest: and, madam, list to me;  
For I am bold to counsel you in this.  
Although we fancy not the cardinal,  
Yet must we join with him and with the lords,  
Till we have brought Duke Humphrey in disgrace.  
As for the Duke of York, this late complaint  
Will make but little for his benefit.  
So, one by one, we'll weed them all at last,  
And you yourself shall steer the happy helm.

*Sound a sennet. Enter KING HENRY VI, GLOUCESTER, CARDINAL, BUCKINGHAM, YORK, SOMERSET, SALISBURY, WARWICK, and the DUCHESS*

## **KING HENRY VI**

For my part, noble lords, I care not which;  
Or Somerset or York, all's one to me.

## **YORK**

If York have ill demean'd himself in France,  
Then let him be denay'd the regentship.

## **SOMERSET**

If Somerset be unworthy of the place,  
Let York be regent; I will yield to him.

## **WARWICK**

Whether your grace be worthy, yea or no,  
Dispute not that: York is the worthier.

**CARDINAL**

Ambitious Warwick, let thy betters speak.

**WARWICK**

The cardinal's not my better in the field.

**BUCKINGHAM**

All in this presence are thy betters, Warwick.

**WARWICK**

Warwick may live to be the best of all.

**SALISBURY**

Peace, son! and show some reason, Buckingham,  
Why Somerset should be preferred in this.

**QUEEN MARGARET**

Because the king, forsooth, will have it so.

**GLOUCESTER**

Madam, the king is old enough himself  
To give his censure: these are no women's matters.

**QUEEN MARGARET**

If he be old enough, what needs your grace  
To be protector of his excellence?

**GLOUCESTER**

Madam, I am protector of the realm;

And, at his pleasure, will resign my place.

## **SUFFOLK**

Resign it then and leave thine insolence.  
Since thou wert king--as who is king but thou?--  
The commonwealth hath daily run to wreck;  
The Dauphin hath prevail'd beyond the seas;  
And all the peers and nobles of the realm  
Have been as bondmen to thy sovereignty.

## **CARDINAL**

The commons hast thou rack'd; the clergy's bags  
Are lank and lean with thy extortions.

## **SOMERSET**

Thy sumptuous buildings and thy wife's attire  
Have cost a mass of public treasury.

## **BUCKINGHAM**

Thy cruelty in execution  
Upon offenders, hath exceeded law,  
And left thee to the mercy of the law.

## **QUEEN MARGARET**

They sale of offices and towns in France,  
If they were known, as the suspect is great,  
Would make thee quickly hop without thy head.

*Exit GLOUCESTER. QUEEN MARGARET drops her fan*

Give me my fan: what, minion! can ye not?

*She gives the DUCHESS a box on the ear*

I cry you mercy, madam; was it you?

## **DUCHESS**

Was't I! yea, I it was, proud Frenchwoman:  
Could I come near your beauty with my nails,  
I'd set my ten commandments in your face.

## **KING HENRY VI**

Sweet aunt, be quiet; 'twas against her will.

## **DUCHESS**

Against her will! good king, look to't in time;  
She'll hamper thee, and dandle thee like a baby:  
Though in this place most master wear no breeches,  
She shall not strike Dame Eleanor unrevenged.

*Exit*

## **BUCKINGHAM**

Lord cardinal, I will follow Eleanor,  
And listen after Humphrey, how he proceeds:  
She's tickled now; her fume needs no spurs,  
She'll gallop far enough to her destruction.

*Exit*

*Re-enter GLOUCESTER*

## **GLOUCESTER**

Now, lords, my choler being over-blown  
With walking once about the quadrangle,  
I come to talk of commonwealth affairs.  
As for your spiteful false objections,  
Prove them, and I lie open to the law:  
But God in mercy so deal with my soul,  
As I in duty love my king and country!  
But, to the matter that we have in hand:  
I say, my sovereign, York is meetest man  
To be your regent in the realm of France.

## **SUFFOLK**

Before we make election, give me leave  
To show some reason, of no little force,  
That York is most unmeet of any man.

## **YORK**

I'll tell thee, Suffolk, why I am unmeet:  
First, for I cannot flatter thee in pride;  
Next, if I be appointed for the place,  
My Lord of Somerset will keep me here,  
Without discharge, money, or furniture,  
Till France be won into the Dauphin's hands:  
Last time, I danced attendance on his will  
Till Paris was besieged, famish'd, and lost.

## **WARWICK**

That can I witness; and a fouler fact  
Did never traitor in the land commit.

## **SUFFOLK**

Peace, headstrong Warwick!

## **WARWICK**

Image of pride, why should I hold my peace?

*Enter HORNER, the Armourer, and his man PETER, guarded*

## **SUFFOLK**

Because here is a man accused of treason:  
Pray God the Duke of York excuse himself!

## **YORK**

Doth any one accuse York for a traitor?

## **KING HENRY VI**

What mean'st thou, Suffolk; tell me, what are these?

## **SUFFOLK**

Please it your majesty, this is the man  
That doth accuse his master of high treason:  
His words were these: that Richard, Duke of York,  
Was rightful heir unto the English crown  
And that your majesty was a usurper.

## **KING HENRY VI**

Say, man, were these thy words?

## **HORNER**

An't shall please your majesty, I never said nor  
thought any such matter: God is my witness, I am  
falsely accused by the villain.

## **PETER**

By these ten bones, my lords, he did speak them to  
me in the garret one night, as we were scouring my  
Lord of York's armour.

## **YORK**

Base dunghill villain and mechanical,  
I'll have thy head for this thy traitor's speech.  
I do beseech your royal majesty,  
Let him have all the rigor of the law.

## **HORNER**

Alas, my lord, hang me, if ever I spake the words.  
My accuser is my 'prentice; and when I did correct  
him for his fault the other day, he did vow upon his  
knees he would be even with me: I have good

witness of this: therefore I beseech your majesty,  
do not cast away an honest man for a villain's  
accusation.

**KING HENRY VI**

Uncle, what shall we say to this in law?

**GLOUCESTER**

This doom, my lord, if I may judge:  
Let Somerset be regent over the French,  
Because in York this breeds suspicion:  
And let these have a day appointed them  
For single combat in convenient place,  
For he hath witness of his servant's malice:  
This is the law, and this Duke Humphrey's doom.

**SOMERSET**

I humbly thank your royal majesty.

**HORNER**

And I accept the combat willingly.

**PETER**

Alas, my lord, I cannot fight; for God's sake, pity  
my case. The spite of man prevaileth against me. O  
Lord, have mercy upon me! I shall never be able to  
fight a blow. O Lord, my heart!

**GLOUCESTER**

Sirrah, or you must fight, or else be hang'd.

**KING HENRY VI**

Away with them to prison; and the day of combat  
shall be the last of the next month. Come,

Somerset, we'll see thee sent away.

*Flourish. Exeunt*

## SCENE IV. GLOUCESTER's garden.

*Enter MARGARET JOURDAIN, HUME, SOUTHWELL, and BOLINGBROKE*

**HUME**

Come, my masters; the duchess, I tell you, expects performance of your promises.

**BOLINGBROKE**

Master Hume, we are therefore provided: will her ladyship behold and hear our exorcisms?

**HUME**

Ay, what else? fear you not her courage.

**BOLINGBROKE**

I have heard her reported to be a woman of an invincible spirit: but it shall be convenient, Master Hume, that you be by her aloft, while we be busy below; and so, I pray you, go, in God's name, and leave us.

*Exit HUME*

Mother Jourdain, be you prostrate and grovel on the earth; John Southwell, read you; and let us to our work.

*Enter the DUCHESS aloft, HUME following*

**DUCHESS**

Well said, my masters; and welcome all. To this  
gear the sooner the better.

## **BOLINGBROKE**

Patience, good lady; wizards know their times:  
Deep night, dark night, the silent of the night,  
The time of night when Troy was set on fire;  
The time when screech-owls cry and ban-dogs howl,  
And spirits walk and ghosts break up their graves,  
That time best fits the work we have in hand.  
Madam, sit you and fear not: whom we raise,  
We will make fast within a hallow'd verge.

*Here they do the ceremonies belonging, and make the circle; BOLINGBROKE or  
SOUTHWELL reads, Conjuro te, & c. It thunders and lightens terribly; then the Spirit  
riseth*

## **Spirit**

Adsum.

## **MARGARET JOURDAIN**

Asmath,  
By the eternal God, whose name and power  
Thou tremblest at, answer that I shall ask;  
For, till thou speak, thou shalt not pass from hence.

## **Spirit**

Ask what thou wilt. That I had said and done!

## **BOLINGBROKE**

'First of the king: what shall of him become?'

*Reading out of a paper*

## **Spirit**

The duke yet lives that Henry shall depose;  
But him outlive, and die a violent death.

*As the Spirit speaks, SOUTHWELL writes the answer*

**BOLINGBROKE**

'What fates await the Duke of Suffolk?'

**Spirit**

By water shall he die, and take his end.

**BOLINGBROKE**

'What shall befall the Duke of Somerset?'

**Spirit**

Let him shun castles;  
Safer shall he be upon the sandy plains  
Than where castles mounted stand.  
Have done, for more I hardly can endure.

**BOLINGBROKE**

Descend to darkness and the burning lake!  
False fiend, avoid!

*Thunder and lightning. Exit Spirit*

*Enter YORK and BUCKINGHAM with their Guard and break in*

**YORK**

Lay hands upon these traitors and their trash.  
Beldam, I think we watch'd you at an inch.  
What, madam, are you there? the king and commonweal  
Are deeply indebted for this piece of pains:  
My lord protector will, I doubt it not,  
See you well guerdon'd for these good deserts.

## DUCHESS

Not half so bad as thine to England's king,  
Injurious duke, that threatest where's no cause.

## BUCKINGHAM

True, madam, none at all: what call you this?  
Away with them! let them be clapp'd up close.  
And kept asunder. You, madam, shall with us.  
Stafford, take her to thee.

*Exeunt above DUCHESS and HUME, guarded*

We'll see your trinkets here all forthcoming.  
All, away!

*Exeunt guard with MARGARET JOURDAIN, SOUTHWELL, & c*

## YORK

Lord Buckingham, methinks, you watch'd her well:  
A pretty plot, well chosen to build upon!  
Now, pray, my lord, let's see the devil's writ.  
What have we here?

*Reads*

'The duke yet lives, that Henry shall depose;  
But him outlive, and die a violent death.'  
Why, this is just  
'Aio te, AEacida, Romanos vincere posse.'  
Well, to the rest:  
'Tell me what fate awaits the Duke of Suffolk?  
By water shall he die, and take his end.  
What shall betide the Duke of Somerset?  
Let him shun castles;  
Safer shall he be upon the sandy plains  
Than where castles mounted stand.'  
Come, come, my lords;  
These oracles are hardly attain'd,

And hardly understood.  
The king is now in progress towards Saint Alban's,  
With him the husband of this lovely lady:  
Thither go these news, as fast as horse can  
carry them:  
A sorry breakfast for my lord protector.

## **BUCKINGHAM**

Your grace shall give me leave, my Lord of York,  
To be the post, in hope of his reward.

## **YORK**

At your pleasure, my good lord. Who's within  
there, ho!

*Enter a Servingman*

Invite my Lords of Salisbury and Warwick  
To sup with me to-morrow night. Away!

*Exeunt*

## SCENE I. Saint Alban's.

*Enter KING HENRY VI, QUEEN MARGARET, GLOUCESTER, CARDINAL, and SUFFOLK, with Falconers halloing*

### QUEEN MARGARET

Believe me, lords, for flying at the brook,  
I saw not better sport these seven years' day:  
Yet, by your leave, the wind was very high;  
And, ten to one, old Joan had not gone out.

### KING HENRY VI

But what a point, my lord, your falcon made,  
And what a pitch she flew above the rest!  
To see how God in all his creatures works!  
Yea, man and birds are fain of climbing high.

### SUFFOLK

No marvel, an it like your majesty,  
My lord protector's hawks do tower so well;  
They know their master loves to be aloft,  
And bears his thoughts above his falcon's pitch.

### GLOUCESTER

My lord, 'tis but a base ignoble mind  
That mounts no higher than a bird can soar.

### CARDINAL

I thought as much; he would be above the clouds.

### GLOUCESTER

Ay, my lord cardinal? how think you by that?  
Were it not good your grace could fly to heaven?

**KING HENRY VI**

The treasury of everlasting joy.

**CARDINAL**

Thy heaven is on earth; thine eyes and thoughts  
Beat on a crown, the treasure of thy heart;  
Pernicious protector, dangerous peer,  
That smooth'st it so with king and commonweal!

**GLOUCESTER**

What, cardinal, is your priesthood grown peremptory?  
Tantaene animis coelestibus irae?  
Churchmen so hot? good uncle, hide such malice;  
With such holiness can you do it?

**SUFFOLK**

No malice, sir; no more than well becomes  
So good a quarrel and so bad a peer.

**GLOUCESTER**

As who, my lord?

**SUFFOLK**

Why, as you, my lord,  
An't like your lordly lord-protectorship.

**GLOUCESTER**

Why, Suffolk, England knows thine insolence.

**QUEEN MARGARET**

And thy ambition, Gloucester.

**KING HENRY VI**

I prithee, peace, good queen,  
And whet not on these furious peers;  
For blessed are the peacemakers on earth.

**CARDINAL**

Let me be blessed for the peace I make,  
Against this proud protector, with my sword!

**GLOUCESTER**

[Aside to CARDINAL] Faith, holy uncle, would  
'twere come to that!

**CARDINAL**

[Aside to GLOUCESTER] Marry, when thou darest.

**GLOUCESTER**

[Aside to CARDINAL] Make up no factious  
numbers for the matter;  
In thine own person answer thy abuse.

**CARDINAL**

[Aside to GLOUCESTER] Ay, where thou darest  
not peep: an if thou darest,  
This evening, on the east side of the grove.

**KING HENRY VI**

How now, my lords!

**CARDINAL**

Believe me, cousin Gloucester,  
Had not your man put up the fowl so suddenly,  
We had had more sport.

*Aside to GLOUCESTER*

Come with thy two-hand sword.

**GLOUCESTER**

True, uncle.

**CARDINAL**

[Aside to GLOUCESTER] Are ye advised? the  
east side of the grove?

**GLOUCESTER**

[Aside to CARDINAL] Cardinal, I am with you.

**KING HENRY VI**

Why, how now, uncle Gloucester!

**GLOUCESTER**

Talking of hawking; nothing else, my lord.

*Aside to CARDINAL*

Now, by God's mother, priest, I'll shave your crown for this,  
Or all my fence shall fail.

**CARDINAL**

[Aside to GLOUCESTER] Medice, teipsum--  
Protector, see to't well, protect yourself.

**KING HENRY VI**

The winds grow high; so do your stomachs, lords.  
How irksome is this music to my heart!  
When such strings jar, what hope of harmony?  
I pray, my lords, let me compound this strife.

*Enter a Townsman of Saint Alban's, crying 'A miracle!'*

## **GLOUCESTER**

What means this noise?  
Fellow, what miracle dost thou proclaim?

## **Townsman**

A miracle! a miracle!

## **SUFFOLK**

Come to the king and tell him what miracle.

## **Townsman**

Forsooth, a blind man at Saint Alban's shrine,  
Within this half-hour, hath received his sight;  
A man that ne'er saw in his life before.

## **KING HENRY VI**

Now, God be praised, that to believing souls  
Gives light in darkness, comfort in despair!

*Enter the Mayor of Saint Alban's and his brethren, bearing SIMPCOX, between two in a chair, SIMPCOX's Wife following*

## **CARDINAL**

Here comes the townsmen on procession,  
To present your highness with the man.

## **KING HENRY VI**

Great is his comfort in this earthly vale,  
Although by his sight his sin be multiplied.

**GLOUCESTER**

Stand by, my masters: bring him near the king;  
His highness' pleasure is to talk with him.

**KING HENRY VI**

Good fellow, tell us here the circumstance,  
That we for thee may glorify the Lord.  
What, hast thou been long blind and now restored?

**SIMPCOX**

Born blind, an't please your grace.

**Wife**

Ay, indeed, was he.

**SUFFOLK**

What woman is this?

**Wife**

His wife, an't like your worship.

**GLOUCESTER**

Hadst thou been his mother, thou couldst have  
better told.

**KING HENRY VI**

Where wert thou born?

**SIMPCOX**

At Berwick in the north, an't like your grace.

## **KING HENRY VI**

Poor soul, God's goodness hath been great to thee:  
Let never day nor night unhallow'd pass,  
But still remember what the Lord hath done.

## **QUEEN MARGARET**

Tell me, good fellow, camest thou here by chance,  
Or of devotion, to this holy shrine?

## **SIMPCOX**

God knows, of pure devotion; being call'd  
A hundred times and oftener, in my sleep,  
By good Saint Alban; who said, 'Simpcox, come,  
Come, offer at my shrine, and I will help thee.'

## **Wife**

Most true, forsooth; and many time and oft  
Myself have heard a voice to call him so.

## **CARDINAL**

What, art thou lame?

## **SIMPCOX**

Ay, God Almighty help me!

## **SUFFOLK**

How camest thou so?

## **SIMPCOX**

A fall off of a tree.

**Wife**

A plum-tree, master.

**GLOUCESTER**

How long hast thou been blind?

**SIMPCOX**

Born so, master.

**GLOUCESTER**

What, and wouldst climb a tree?

**SIMPCOX**

But that in all my life, when I was a youth.

**Wife**

Too true; and bought his climbing very dear.

**GLOUCESTER**

Mass, thou lovedst plums well, that wouldst  
venture so.

**SIMPCOX**

Alas, good master, my wife desired some damsons,  
And made me climb, with danger of my life.

**GLOUCESTER**

A subtle knave! but yet it shall not serve.  
Let me see thine eyes: wink now: now open them:  
In my opinion yet thou seest not well.

**SIMPCOX**

Yes, master, clear as day, I thank God and  
Saint Alban.

**GLOUCESTER**

Say'st thou me so? What colour is this cloak of?

**SIMPCOX**

Red, master; red as blood.

**GLOUCESTER**

Why, that's well said. What colour is my gown of?

**SIMPCOX**

Black, forsooth: coal-black as jet.

**KING HENRY VI**

Why, then, thou know'st what colour jet is of?

**SUFFOLK**

And yet, I think, jet did he never see.

**GLOUCESTER**

But cloaks and gowns, before this day, a many.

**Wife**

Never, before this day, in all his life.

**GLOUCESTER**

Tell me, sirrah, what's my name?

**SIMPCOX**

Alas, master, I know not.

**GLOUCESTER**

What's his name?

**SIMPCOX**

I know not.

**GLOUCESTER**

Nor his?

**SIMPCOX**

No, indeed, master.

**GLOUCESTER**

What's thine own name?

**SIMPCOX**

Saunders Simpcox, an if it please you, master.

**GLOUCESTER**

Then, Saunders, sit there, the lyingest knave in Christendom. If thou hadst been born blind, thou mightest as well have known all our names as thus to name the several colours we do wear. Sight may distinguish of colours, but suddenly to nominate them all, it is impossible. My lords, Saint Alban here hath done a miracle; and would ye not think his cunning to be great, that could restore this cripple to his legs again?

**SIMPCOX**

O master, that you could!

**GLOUCESTER**

My masters of Saint Alban's, have you not beadles in your town, and things called whips?

**Mayor**

Yes, my lord, if it please your grace.

**GLOUCESTER**

Then send for one presently.

**Mayor**

Sirrah, go fetch the beadle hither straight.

*Exit an Attendant*

**GLOUCESTER**

Now fetch me a stool hither by and by. Now, sirrah, if you mean to save yourself from whipping, leap me over this stool and run away.

**SIMPCOX**

Alas, master, I am not able to stand alone:  
You go about to torture me in vain.

*Enter a Beadle with whips*

**GLOUCESTER**

Well, sir, we must have you find your legs. Sirrah beadle, whip him till he leap over that same stool.

**Beadle**

I will, my lord. Come on, sirrah; off with your doublet quickly.

**SIMPCOX**

Alas, master, what shall I do? I am not able to stand.

*After the Beadle hath hit him once, he leaps over the stool and runs away; and they follow and cry, 'A miracle!'*

**KING HENRY VI**

O God, seest Thou this, and bearest so long?

**QUEEN MARGARET**

It made me laugh to see the villain run.

**GLOUCESTER**

Follow the knave; and take this drab away.

**Wife**

Alas, sir, we did it for pure need.

**GLOUCESTER**

Let them be whipped through every market-town, till they come to Berwick, from whence they came.

*Exeunt Wife, Beadle, Mayor, & c*

**CARDINAL**

Duke Humphrey has done a miracle to-day.

**SUFFOLK**

True; made the lame to leap and fly away.

## **GLOUCESTER**

But you have done more miracles than I;  
You made in a day, my lord, whole towns to fly.

*Enter BUCKINGHAM*

## **KING HENRY VI**

What tidings with our cousin Buckingham?

## **BUCKINGHAM**

Such as my heart doth tremble to unfold.  
A sort of naughty persons, lewdly bent,  
Under the countenance and confederacy  
Of Lady Eleanor, the protector's wife,  
The ringleader and head of all this rout,  
Have practised dangerously against your state,  
Dealing with witches and with conjurers:  
Whom we have apprehended in the fact;  
Raising up wicked spirits from under ground,  
Demanding of King Henry's life and death,  
And other of your highness' privy-council;  
As more at large your grace shall understand.

## **CARDINAL**

[Aside to GLOUCESTER] And so, my lord protector,  
by this means  
Your lady is forthcoming yet at London.  
This news, I think, hath turn'd your weapon's edge;  
'Tis like, my lord, you will not keep your hour.

## **GLOUCESTER**

Ambitious churchman, leave to afflict my heart:  
Sorrow and grief have vanquish'd all my powers;  
And, vanquish'd as I am, I yield to thee,  
Or to the meanest groom.

## **KING HENRY VI**

O God, what mischiefs work the wicked ones,  
Heaping confusion on their own heads thereby!

## QUEEN MARGARET

Gloucester, see here the tainture of thy nest.  
And look thyself be faultless, thou wert best.

## GLOUCESTER

Madam, for myself, to heaven I do appeal,  
How I have loved my king and commonweal:  
And, for my wife, I know not how it stands;  
Sorry I am to hear what I have heard:  
Noble she is, but if she have forgot  
Honour and virtue and conversed with such  
As, like to pitch, defile nobility,  
I banish her my bed and company  
And give her as a prey to law and shame,  
That hath dishonour'd Gloucester's honest name.

## KING HENRY VI

Well, for this night we will repose us here:  
To-morrow toward London back again,  
To look into this business thoroughly  
And call these foul offenders to their answers  
And poise the cause in justice' equal scales,  
Whose beam stands sure, whose rightful cause prevails.

*Flourish. Exeunt*

## SCENE II. London. YORK'S garden.

*Enter YORK, SALISBURY, and WARWICK*

### YORK

Now, my good Lords of Salisbury and Warwick,  
Our simple supper ended, give me leave  
In this close walk to satisfy myself,  
In craving your opinion of my title,  
Which is infallible, to England's crown.

### SALISBURY

My lord, I long to hear it at full.

### WARWICK

Sweet York, begin: and if thy claim be good,  
The Nevils are thy subjects to command.

### YORK

Then thus:  
Edward the Third, my lords, had seven sons:  
The first, Edward the Black Prince, Prince of Wales;  
The second, William of Hatfield, and the third,  
Lionel Duke of Clarence: next to whom  
Was John of Gaunt, the Duke of Lancaster;  
The fifth was Edmund Langley, Duke of York;  
The sixth was Thomas of Woodstock, Duke of Gloucester;  
William of Windsor was the seventh and last.  
Edward the Black Prince died before his father  
And left behind him Richard, his only son,  
Who after Edward the Third's death reign'd as king;  
Till Henry Bolingbroke, Duke of Lancaster,

The eldest son and heir of John of Gaunt,  
Crown'd by the name of Henry the Fourth,  
Seized on the realm, deposed the rightful king,  
Sent his poor queen to France, from whence she came,  
And him to Pomfret; where, as all you know,  
Harmless Richard was murder'd traitorously.

## **WARWICK**

Father, the duke hath told the truth:  
Thus got the house of Lancaster the crown.

## **YORK**

Which now they hold by force and not by right;  
For Richard, the first son's heir, being dead,  
The issue of the next son should have reign'd.

## **SALISBURY**

But William of Hatfield died without an heir.

## **YORK**

The third son, Duke of Clarence, from whose line  
I claimed the crown, had issue, Philippe, a daughter,  
Who married Edmund Mortimer, Earl of March:  
Edmund had issue, Roger Earl of March;  
Roger had issue, Edmund, Anne and Eleanor.

## **SALISBURY**

This Edmund, in the reign of Bolingbroke,  
As I have read, laid claim unto the crown;  
And, but for Owen Glendower, had been king,  
Who kept him in captivity till he died.  
But to the rest.

## **YORK**

His eldest sister, Anne,  
My mother, being heir unto the crown

Married Richard Earl of Cambridge; who was son  
To Edmund Langley, Edward the Third's fifth son.  
By her I claim the kingdom: she was heir  
To Roger Earl of March, who was the son  
Of Edmund Mortimer, who married Philippe,  
Sole daughter unto Lionel Duke of Clarence:  
So, if the issue of the elder son  
Succeed before the younger, I am king.

## **WARWICK**

What plain proceeding is more plain than this?  
Henry doth claim the crown from John of Gaunt,  
The fourth son; York claims it from the third.  
Till Lionel's issue fails, his should not reign:  
It fails not yet, but flourishes in thee  
And in thy sons, fair slips of such a stock.  
Then, father Salisbury, kneel we together;  
And in this private plot be we the first  
That shall salute our rightful sovereign  
With honour of his birthright to the crown.

## **BOTH**

Long live our sovereign Richard, England's king!

## **YORK**

We thank you, lords. But I am not your king  
Till I be crown'd and that my sword be stain'd  
With heart-blood of the house of Lancaster;  
And that's not suddenly to be perform'd,  
But with advice and silent secrecy.  
Do you as I do in these dangerous days:  
Wink at the Duke of Suffolk's insolence,  
At Beaufort's pride, at Somerset's ambition,  
At Buckingham and all the crew of them,  
Till they have snared the shepherd of the flock,  
That virtuous prince, the good Duke Humphrey:  
'Tis that they seek, and they in seeking that  
Shall find their deaths, if York can prophesy.

## **SALISBURY**

My lord, break we off; we know your mind at full.

## **WARWICK**

My heart assures me that the Earl of Warwick  
Shall one day make the Duke of York a king.

## **YORK**

And, Nevil, this I do assure myself:  
Richard shall live to make the Earl of Warwick  
The greatest man in England but the king.

*Exeunt*

## SCENE III. A hall of justice.

*Sound trumpets. Enter KING HENRY VI, QUEEN MARGARET, GLOUCESTER, YORK, SUFFOLK, and SALISBURY; the DUCHESS, MARGARET JOURDAIN, SOUTHWELL, HUME, and BOLINGBROKE, under guard*

### KING HENRY VI

Stand forth, Dame Eleanor Cobham, Gloucester's wife:  
In sight of God and us, your guilt is great:  
Receive the sentence of the law for sins  
Such as by God's book are adjudged to death.  
You four, from hence to prison back again;  
From thence unto the place of execution:  
The witch in Smithfield shall be burn'd to ashes,  
And you three shall be strangled on the gallows.  
You, madam, for you are more nobly born,  
Despoiled of your honour in your life,  
Shall, after three days' open penance done,  
Live in your country here in banishment,  
With Sir John Stanley, in the Isle of Man.

### DUCHESS

Welcome is banishment; welcome were my death.

### GLOUCESTER

Eleanor, the law, thou see'st, hath judged thee:  
I cannot justify whom the law condemns.

*Exeunt DUCHESS and other prisoners, guarded*

Mine eyes are full of tears, my heart of grief.  
Ah, Humphrey, this dishonour in thine age  
Will bring thy head with sorrow to the ground!

I beseech your majesty, give me leave to go;  
Sorrow would solace and mine age would ease.

## **KING HENRY VI**

Stay, Humphrey Duke of Gloucester: ere thou go,  
Give up thy staff: Henry will to himself  
Protector be; and God shall be my hope,  
My stay, my guide and lantern to my feet:  
And go in peace, Humphrey, no less beloved  
Than when thou wert protector to thy King.

## **QUEEN MARGARET**

I see no reason why a king of years  
Should be to be protected like a child.  
God and King Henry govern England's realm.  
Give up your staff, sir, and the king his realm.

## **GLOUCESTER**

My staff? here, noble Henry, is my staff:  
As willingly do I the same resign  
As e'er thy father Henry made it mine;  
And even as willingly at thy feet I leave it  
As others would ambitiously receive it.  
Farewell, good king: when I am dead and gone,  
May honourable peace attend thy throne!

*Exit*

## **QUEEN MARGARET**

Why, now is Henry king, and Margaret queen;  
And Humphrey Duke of Gloucester scarce himself,  
That bears so shrewd a maim; two pulls at once;  
His lady banish'd, and a limb lopp'd off.  
This staff of honour raught, there let it stand  
Where it best fits to be, in Henry's hand.

## **SUFFOLK**

Thus droops this lofty pine and hangs his sprays;  
Thus Eleanor's pride dies in her youngest days.

## **YORK**

Lords, let him go. Please it your majesty,  
This is the day appointed for the combat;  
And ready are the appellant and defendant,  
The armourer and his man, to enter the lists,  
So please your highness to behold the fight.

## **QUEEN MARGARET**

Ay, good my lord; for purposely therefore  
Left I the court, to see this quarrel tried.

## **KING HENRY VI**

O God's name, see the lists and all things fit:  
Here let them end it; and God defend the right!

## **YORK**

I never saw a fellow worse bested,  
Or more afraid to fight, than is the appellant,  
The servant of this armourer, my lords.

*Enter at one door, HORNER, the Armourer, and his Neighbours, drinking to him so much that he is drunk; and he enters with a drum before him and his staff with a sand-bag fastened to it; and at the other door PETER, his man, with a drum and sand-bag, and 'Prentices drinking to him*

## **First Neighbour**

Here, neighbour Horner, I drink to you in a cup of  
sack: and fear not, neighbour, you shall do well enough.

## **Second Neighbour**

And here, neighbour, here's a cup of charneco.

### **Third Neighbour**

And here's a pot of good double beer, neighbour:  
drink, and fear not your man.

### **HORNER**

Let it come, i' faith, and I'll pledge you all; and  
a fig for Peter!  
First 'Prentice Here, Peter, I drink to thee: and be not afraid.  
Second 'Prentice Be merry, Peter, and fear not thy master: fight  
for credit of the 'prentices.

### **PETER**

I thank you all: drink, and pray for me, I pray  
you; for I think I have taken my last draught in  
this world. Here, Robin, an if I die, I give thee  
my apron: and, Will, thou shalt have my hammer:  
and here, Tom, take all the money that I have. O  
Lord bless me! I pray God! for I am never able to  
deal with my master, he hath learnt me so much fence already.

### **SALISBURY**

Come, leave your drinking, and fall to blows.  
Sirrah, what's thy name?

### **PETER**

Peter, forsooth.

### **SALISBURY**

Peter! what more?

### **PETER**

Thump.

### **SALISBURY**

Thump! then see thou thump thy master well.

**HORNER**

Masters, I am come hither, as it were, upon my man's instigation, to prove him a knave and myself an honest man: and touching the Duke of York, I will take my death, I never meant him any ill, nor the king, nor the queen: and therefore, Peter, have at thee with a downright blow!

**YORK**

Dispatch: this knave's tongue begins to double.  
Sound, trumpets, alarum to the combatants!

*Alarum. They fight, and PETER strikes him down*

**HORNER**

Hold, Peter, hold! I confess, I confess treason.

*Dies*

**YORK**

Take away his weapon. Fellow, thank God, and the good wine in thy master's way.

**PETER**

O God, have I overcome mine enemy in this presence?  
O Peter, thou hast prevailed in right!

**KING HENRY VI**

Go, take hence that traitor from our sight;  
For his death we do perceive his guilt:  
And God in justice hath revealed to us  
The truth and innocence of this poor fellow,  
Which he had thought to have murder'd wrongfully.

Come, fellow, follow us for thy reward.

*Sound a flourish. Exeunt*

## SCENE IV. A street.

*Enter GLOUCESTER and his Servingmen, in mourning cloaks*

### GLOUCESTER

Thus sometimes hath the brightest day a cloud;  
And after summer evermore succeeds  
Barren winter, with his wrathful nipping cold:  
So cares and joys abound, as seasons fleet.  
Sirs, what's o'clock?

### Servants

Ten, my lord.

### GLOUCESTER

Ten is the hour that was appointed me  
To watch the coming of my punish'd duchess:  
Uneath may she endure the flinty streets,  
To tread them with her tender-feeling feet.  
Sweet Nell, ill can thy noble mind abrook  
The abject people gazing on thy face,  
With envious looks, laughing at thy shame,  
That erst did follow thy proud chariot-wheels  
When thou didst ride in triumph through the streets.  
But, soft! I think she comes; and I'll prepare  
My tear-stain'd eyes to see her miseries.

*Enter the DUCHESS in a white sheet, and a taper burning in her hand; with STANLEY, the Sheriff, and Officers*

### Servant

So please your grace, we'll take her from the sheriff.

## **GLOUCESTER**

No, stir not, for your lives; let her pass by.

## **DUCHESS**

Come you, my lord, to see my open shame?  
Now thou dost penance too. Look how they gaze!  
See how the giddy multitude do point,  
And nod their heads, and throw their eyes on thee!  
Ah, Gloucester, hide thee from their hateful looks,  
And, in thy closet pent up, rue my shame,  
And ban thine enemies, both mine and thine!

## **GLOUCESTER**

Be patient, gentle Nell; forget this grief.

## **DUCHESS**

Ah, Gloucester, teach me to forget myself!  
For whilst I think I am thy married wife  
And thou a prince, protector of this land,  
Methinks I should not thus be led along,  
Mail'd up in shame, with papers on my back,  
And followed with a rabble that rejoice  
To see my tears and hear my deep-fet groans.  
The ruthless flint doth cut my tender feet,  
And when I start, the envious people laugh  
And bid me be advised how I tread.  
Ah, Humphrey, can I bear this shameful yoke?  
Trow'st thou that e'er I'll look upon the world,  
Or count them happy that enjoy the sun?  
No; dark shall be my light and night my day;  
To think upon my pomp shall be my hell.  
Sometime I'll say, I am Duke Humphrey's wife,  
And he a prince and ruler of the land:  
Yet so he ruled and such a prince he was  
As he stood by whilst I, his forlorn duchess,  
Was made a wonder and a pointing-stock  
To every idle rascal follower.

But be thou mild and blush not at my shame,  
Nor stir at nothing till the axe of death  
Hang over thee, as, sure, it shortly will;  
For Suffolk, he that can do all in all  
With her that hateth thee and hates us all,  
And York and impious Beaufort, that false priest,  
Have all limed bushes to betray thy wings,  
And, fly thou how thou canst, they'll tangle thee:  
But fear not thou, until thy foot be snared,  
Nor never seek prevention of thy foes.

## **GLOUCESTER**

Ah, Nell, forbear! thou aimest all awry;  
I must offend before I be attained;  
And had I twenty times so many foes,  
And each of them had twenty times their power,  
All these could not procure me any scathe,  
So long as I am loyal, true and crimeless.  
Wouldst have me rescue thee from this reproach?  
Why, yet thy scandal were not wiped away  
But I in danger for the breach of law.  
Thy greatest help is quiet, gentle Nell:  
I pray thee, sort thy heart to patience;  
These few days' wonder will be quickly worn.

*Enter a Herald*

## **Herald**

I summon your grace to his majesty's parliament,  
Holden at Bury the first of this next month.

## **GLOUCESTER**

And my consent ne'er ask'd herein before!  
This is close dealing. Well, I will be there.

*Exit Herald*

My Nell, I take my leave: and, master sheriff,  
Let not her penance exceed the king's commission.

**Sheriff**

An't please your grace, here my commission stays,  
And Sir John Stanley is appointed now  
To take her with him to the Isle of Man.

**GLOUCESTER**

Must you, Sir John, protect my lady here?

**STANLEY**

So am I given in charge, may't please your grace.

**GLOUCESTER**

Entreat her not the worse in that I pray  
You use her well: the world may laugh again;  
And I may live to do you kindness if  
You do it her: and so, Sir John, farewell!

**DUCHESS**

What, gone, my lord, and bid me not farewell!

**GLOUCESTER**

Witness my tears, I cannot stay to speak.

*Exeunt GLOUCESTER and Servingmen*

**DUCHESS**

Art thou gone too? all comfort go with thee!  
For none abides with me: my joy is death;  
Death, at whose name I oft have been afear'd,  
Because I wish'd this world's eternity.  
Stanley, I prithee, go, and take me hence;  
I care not whither, for I beg no favour,  
Only convey me where thou art commanded.

**STANLEY**

Why, madam, that is to the Isle of Man;  
There to be used according to your state.

**DUCHESS**

That's bad enough, for I am but reproach:  
And shall I then be used reproachfully?

**STANLEY**

Like to a duchess, and Duke Humphrey's lady;  
According to that state you shall be used.

**DUCHESS**

Sheriff, farewell, and better than I fare,  
Although thou hast been conduct of my shame.

**Sheriff**

It is my office; and, madam, pardon me.

**DUCHESS**

Ay, ay, farewell; thy office is discharged.  
Come, Stanley, shall we go?

**STANLEY**

Madam, your penance done, throw off this sheet,  
And go we to attire you for our journey.

**DUCHESS**

My shame will not be shifted with my sheet:  
No, it will hang upon my richest robes  
And show itself, attire me how I can.  
Go, lead the way; I long to see my prison.

*Exeunt*

## SCENE I. The Abbey at Bury St. Edmund's.

*Sound a sennet. Enter KING HENRY VI, QUEEN MARGARET, CARDINAL, SUFFOLK, YORK, BUCKINGHAM, SALISBURY and WARWICK to the Parliament*

### KING HENRY VI

I muse my Lord of Gloucester is not come:  
'Tis not his wont to be the hindmost man,  
Whate'er occasion keeps him from us now.

### QUEEN MARGARET

Can you not see? or will ye not observe  
The strangeness of his alter'd countenance?  
With what a majesty he bears himself,  
How insolent of late he is become,  
How proud, how peremptory, and unlike himself?  
We know the time since he was mild and affable,  
And if we did but glance a far-off look,  
Immediately he was upon his knee,  
That all the court admired him for submission:  
But meet him now, and, be it in the morn,  
When every one will give the time of day,  
He knits his brow and shows an angry eye,  
And passeth by with stiff unbowed knee,  
Disdaining duty that to us belongs.  
Small curs are not regarded when they grin;  
But great men tremble when the lion roars;  
And Humphrey is no little man in England.  
First note that he is near you in descent,  
And should you fall, he as the next will mount.  
Me seemeth then it is no policy,  
Respecting what a rancorous mind he bears  
And his advantage following your decease,  
That he should come about your royal person  
Or be admitted to your highness' council.

By flattery hath he won the commons' hearts,  
And when he please to make commotion,  
'Tis to be fear'd they all will follow him.  
Now 'tis the spring, and weeds are shallow-rooted;  
Suffer them now, and they'll o'ergrow the garden  
And choke the herbs for want of husbandry.  
The reverent care I bear unto my lord  
Made me collect these dangers in the duke.  
If it be fond, call it a woman's fear;  
Which fear if better reasons can supplant,  
I will subscribe and say I wrong'd the duke.  
My Lord of Suffolk, Buckingham, and York,  
Reprove my allegation, if you can;  
Or else conclude my words effectual.

## **SUFFOLK**

Well hath your highness seen into this duke;  
And, had I first been put to speak my mind,  
I think I should have told your grace's tale.  
The duchess, by his subornation,  
Upon my life, began her devilish practises:  
Or, if he were not privy to those faults,  
Yet, by reputed of his high descent,  
As next the king he was successive heir,  
And such high vaunts of his nobility,  
Did instigate the bedlam brain-sick duchess  
By wicked means to frame our sovereign's fall.  
Smooth runs the water where the brook is deep;  
And in his simple show he harbours treason.  
The fox barks not when he would steal the lamb.  
No, no, my sovereign; Gloucester is a man  
Unsound yet and full of deep deceit.

## **CARDINAL**

Did he not, contrary to form of law,  
Devise strange deaths for small offences done?

## **YORK**

And did he not, in his protectorship,

Levy great sums of money through the realm  
For soldiers' pay in France, and never sent it?  
By means whereof the towns each day revolted.

## **BUCKINGHAM**

Tut, these are petty faults to faults unknown.  
Which time will bring to light in smooth  
Duke Humphrey.

## **KING HENRY VI**

My lords, at once: the care you have of us,  
To mow down thorns that would annoy our foot,  
Is worthy praise: but, shall I speak my conscience,  
Our kinsman Gloucester is as innocent  
From meaning treason to our royal person  
As is the sucking lamb or harmless dove:  
The duke is virtuous, mild and too well given  
To dream on evil or to work my downfall.

## **QUEEN MARGARET**

Ah, what's more dangerous than this fond affiance!  
Seems he a dove? his feathers are but borrowed,  
For he's disposed as the hateful raven:  
Is he a lamb? his skin is surely lent him,  
For he's inclined as is the ravenous wolf.  
Who cannot steal a shape that means deceit?  
Take heed, my lord; the welfare of us all  
Hangs on the cutting short that fraudulent man.

*Enter SOMERSET*

## **SOMERSET**

All health unto my gracious sovereign!

## **KING HENRY VI**

Welcome, Lord Somerset. What news from France?

## **SOMERSET**

That all your interest in those territories  
Is utterly bereft you; all is lost.

## **KING HENRY VI**

Cold news, Lord Somerset: but God's will be done!

## **YORK**

[Aside] Cold news for me; for I had hope of France  
As firmly as I hope for fertile England.  
Thus are my blossoms blasted in the bud  
And caterpillars eat my leaves away;  
But I will remedy this gear ere long,  
Or sell my title for a glorious grave.

*Enter GLOUCESTER*

## **GLOUCESTER**

All happiness unto my lord the king!  
Pardon, my liege, that I have stay'd so long.

## **SUFFOLK**

Nay, Gloucester, know that thou art come too soon,  
Unless thou wert more loyal than thou art:  
I do arrest thee of high treason here.

## **GLOUCESTER**

Well, Suffolk, thou shalt not see me blush  
Nor change my countenance for this arrest:  
A heart unspotted is not easily daunted.  
The purest spring is not so free from mud  
As I am clear from treason to my sovereign:  
Who can accuse me? wherein am I guilty?

## **YORK**

'Tis thought, my lord, that you took bribes of France,  
And, being protector, stayed the soldiers' pay;  
By means whereof his highness hath lost France.

**GLOUCESTER**

Is it but thought so? what are they that think it?  
I never robb'd the soldiers of their pay,  
Nor ever had one penny bribe from France.  
So help me God, as I have watch'd the night,  
Ay, night by night, in studying good for England,  
That do it that e'er I wrested from the king,  
Or any groat I hoarded to my use,  
Be brought against me at my trial-day!  
No; many a pound of mine own proper store,  
Because I would not tax the needy commons,  
Have I disbursed to the garrisons,  
And never ask'd for restitution.

**CARDINAL**

It serves you well, my lord, to say so much.

**GLOUCESTER**

I say no more than truth, so help me God!

**YORK**

In your protectorship you did devise  
Strange tortures for offenders never heard of,  
That England was defamed by tyranny.

**GLOUCESTER**

Why, 'tis well known that, whiles I was  
protector,  
Pity was all the fault that was in me;  
For I should melt at an offender's tears,  
And lowly words were ransom for their fault.  
Unless it were a bloody murderer,

Or foul felonious thief that fleeced poor passengers,  
I never gave them condign punishment:  
Murder indeed, that bloody sin, I tortured  
Above the felon or what trespass else.

## **SUFFOLK**

My lord, these faults are easy, quickly answered:  
But mightier crimes are laid unto your charge,  
Whereof you cannot easily purge yourself.  
I do arrest you in his highness' name;  
And here commit you to my lord cardinal  
To keep, until your further time of trial.

## **KING HENRY VI**

My lord of Gloucester, 'tis my special hope  
That you will clear yourself from all suspect:  
My conscience tells me you are innocent.

## **GLOUCESTER**

Ah, gracious lord, these days are dangerous:  
Virtue is choked with foul ambition  
And charity chased hence by rancour's hand;  
Foul subornation is predominant  
And equity exiled your highness' land.  
I know their complot is to have my life,  
And if my death might make this island happy,  
And prove the period of their tyranny,  
I would expend it with all willingness:  
But mine is made the prologue to their play;  
For thousands more, that yet suspect no peril,  
Will not conclude their plotted tragedy.  
Beaufort's red sparkling eyes blab his heart's malice,  
And Suffolk's cloudy brow his stormy hate;  
Sharp Buckingham unburthens with his tongue  
The envious load that lies upon his heart;  
And dogged York, that reaches at the moon,  
Whose overweening arm I have pluck'd back,  
By false accuse doth level at my life:  
And you, my sovereign lady, with the rest,

Causeless have laid disgraces on my head,  
And with your best endeavour have stirr'd up  
My liefest liege to be mine enemy:  
Ay, all you have laid your heads together--  
Myself had notice of your conventicles--  
And all to make away my guiltless life.  
I shall not want false witness to condemn me,  
Nor store of treasons to augment my guilt;  
The ancient proverb will be well effected:  
'A staff is quickly found to beat a dog.'

## **CARDINAL**

My liege, his railing is intolerable:  
If those that care to keep your royal person  
From treason's secret knife and traitors' rage  
Be thus upbraided, chid and rated at,  
And the offender granted scope of speech,  
'Twill make them cool in zeal unto your grace.

## **SUFFOLK**

Hath he not twit our sovereign lady here  
With ignominious words, though clerkly couch'd,  
As if she had suborned some to swear  
False allegations to o'erthrow his state?

## **QUEEN MARGARET**

But I can give the loser leave to chide.

## **GLOUCESTER**

Far truer spoke than meant: I lose, indeed;  
Beshrew the winners, for they play'd me false!  
And well such losers may have leave to speak.

## **BUCKINGHAM**

He'll wrest the sense and hold us here all day:  
Lord cardinal, he is your prisoner.

## **CARDINAL**

Sirs, take away the duke, and guard him sure.

## **GLOUCESTER**

Ah! thus King Henry throws away his crutch  
Before his legs be firm to bear his body.  
Thus is the shepherd beaten from thy side,  
And wolves are gnarling who shall gnaw thee first.  
Ah, that my fear were false! ah, that it were!  
For, good King Henry, thy decay I fear.

*Exit, guarded*

## **KING HENRY VI**

My lords, what to your wisdoms seemeth best,  
Do or undo, as if ourself were here.

## **QUEEN MARGARET**

What, will your highness leave the parliament?

## **KING HENRY VI**

Ay, Margaret; my heart is drown'd with grief,  
Whose flood begins to flow within mine eyes,  
My body round engirt with misery,  
For what's more miserable than discontent?  
Ah, uncle Humphrey! in thy face I see  
The map of honour, truth and loyalty:  
And yet, good Humphrey, is the hour to come  
That e'er I proved thee false or fear'd thy faith.  
What luring star now envies thy estate,  
That these great lords and Margaret our queen  
Do seek subversion of thy harmless life?  
Thou never didst them wrong, nor no man wrong;  
And as the butcher takes away the calf  
And binds the wretch, and beats it when it strays,  
Bearing it to the bloody slaughter-house,  
Even so remorseless have they borne him hence;

And as the dam runs lowing up and down,  
Looking the way her harmless young one went,  
And can do nought but wail her darling's loss,  
Even so myself bewails good Gloucester's case  
With sad unhelpful tears, and with dimm'd eyes  
Look after him and cannot do him good,  
So mighty are his vowed enemies.  
His fortunes I will weep; and, 'twixt each groan  
Say 'Who's a traitor? Gloucester he is none.'

*Exeunt all but QUEEN MARGARET, CARDINAL, SUFFOLK, and YORK; SOMERSET  
remains apart*

## **QUEEN MARGARET**

Free lords, cold snow melts with the sun's hot beams.  
Henry my lord is cold in great affairs,  
Too full of foolish pity, and Gloucester's show  
Beguiles him as the mournful crocodile  
With sorrow snares relenting passengers,  
Or as the snake roll'd in a flowering bank,  
With shining chequer'd slough, doth sting a child  
That for the beauty thinks it excellent.  
Believe me, lords, were none more wise than I--  
And yet herein I judge mine own wit good--  
This Gloucester should be quickly rid the world,  
To rid us of the fear we have of him.

## **CARDINAL**

That he should die is worthy policy;  
But yet we want a colour for his death:  
'Tis meet he be condemn'd by course of law.

## **SUFFOLK**

But, in my mind, that were no policy:  
The king will labour still to save his life,  
The commons haply rise, to save his life;  
And yet we have but trivial argument,  
More than mistrust, that shows him worthy death.

**YORK**

So that, by this, you would not have him die.

**SUFFOLK**

Ah, York, no man alive so fain as I!

**YORK**

'Tis York that hath more reason for his death.  
But, my lord cardinal, and you, my Lord of Suffolk,  
Say as you think, and speak it from your souls,  
Were't not all one, an empty eagle were set  
To guard the chicken from a hungry kite,  
As place Duke Humphrey for the king's protector?

**QUEEN MARGARET**

So the poor chicken should be sure of death.

**SUFFOLK**

Madam, 'tis true; and were't not madness, then,  
To make the fox surveyor of the fold?  
Who being accused a crafty murderer,  
His guilt should be but idly posted over,  
Because his purpose is not executed.  
No; let him die, in that he is a fox,  
By nature proved an enemy to the flock,  
Before his chaps be stain'd with crimson blood,  
As Humphrey, proved by reasons, to my liege.  
And do not stand on quilllets how to slay him:  
Be it by gins, by snares, by subtlety,  
Sleeping or waking, 'tis no matter how,  
So he be dead; for that is good deceit  
Which mates him first that first intends deceit.

**QUEEN MARGARET**

Thrice-noble Suffolk, 'tis resolutely spoke.

## **SUFFOLK**

Not resolute, except so much were done;  
For things are often spoke and seldom meant:  
But that my heart accordeth with my tongue,  
Seeing the deed is meritorious,  
And to preserve my sovereign from his foe,  
Say but the word, and I will be his priest.

## **CARDINAL**

But I would have him dead, my Lord of Suffolk,  
Ere you can take due orders for a priest:  
Say you consent and censure well the deed,  
And I'll provide his executioner,  
I tender so the safety of my liege.

## **SUFFOLK**

Here is my hand, the deed is worthy doing.

## **QUEEN MARGARET**

And so say I.

## **YORK**

And I and now we three have spoke it,  
It skills not greatly who impugns our doom.

*Enter a Post*

## **Post**

Great lords, from Ireland am I come amain,  
To signify that rebels there are up  
And put the Englishmen unto the sword:  
Send succors, lords, and stop the rage betime,  
Before the wound do grow uncurable;  
For, being green, there is great hope of help.

## **CARDINAL**

A breach that craves a quick expedient stop!  
What counsel give you in this weighty cause?

## **YORK**

That Somerset be sent as regent thither:  
'Tis meet that lucky ruler be employ'd;  
Witness the fortune he hath had in France.

## **SOMERSET**

If York, with all his far-fet policy,  
Had been the regent there instead of me,  
He never would have stay'd in France so long.

## **YORK**

No, not to lose it all, as thou hast done:  
I rather would have lost my life betimes  
Than bring a burthen of dishonour home  
By staying there so long till all were lost.  
Show me one scar character'd on thy skin:  
Men's flesh preserved so whole do seldom win.

## **QUEEN MARGARET**

Nay, then, this spark will prove a raging fire,  
If wind and fuel be brought to feed it with:  
No more, good York; sweet Somerset, be still:  
Thy fortune, York, hadst thou been regent there,  
Might happily have proved far worse than his.

## **YORK**

What, worse than nought? nay, then, a shame take all!

## **SOMERSET**

And, in the number, thee that wishest shame!

## **CARDINAL**

My Lord of York, try what your fortune is.  
The uncivil kerns of Ireland are in arms  
And temper clay with blood of Englishmen:  
To Ireland will you lead a band of men,  
Collected choicely, from each county some,  
And try your hap against the Irishmen?

## **YORK**

I will, my lord, so please his majesty.

## **SUFFOLK**

Why, our authority is his consent,  
And what we do establish he confirms:  
Then, noble York, take thou this task in hand.

## **YORK**

I am content: provide me soldiers, lords,  
Whiles I take order for mine own affairs.

## **SUFFOLK**

A charge, Lord York, that I will see perform'd.  
But now return we to the false Duke Humphrey.

## **CARDINAL**

No more of him; for I will deal with him  
That henceforth he shall trouble us no more.  
And so break off; the day is almost spent:  
Lord Suffolk, you and I must talk of that event.

## **YORK**

My Lord of Suffolk, within fourteen days  
At Bristol I expect my soldiers;  
For there I'll ship them all for Ireland.

## SUFFOLK

I'll see it truly done, my Lord of York.

*Exeunt all but YORK*

## YORK

Now, York, or never, steel thy fearful thoughts,  
And change misdoubt to resolution:  
Be that thou hopest to be, or what thou art  
Resign to death; it is not worth the enjoying:  
Let pale-faced fear keep with the mean-born man,  
And find no harbour in a royal heart.  
Faster than spring-time showers comes thought  
on thought,  
And not a thought but thinks on dignity.  
My brain more busy than the labouring spider  
Weaves tedious snares to trap mine enemies.  
Well, nobles, well, 'tis politicly done,  
To send me packing with an host of men:  
I fear me you but warm the starved snake,  
Who, cherish'd in your breasts, will sting  
your hearts.  
'Twas men I lack'd and you will give them me:  
I take it kindly; and yet be well assured  
You put sharp weapons in a madman's hands.  
Whiles I in Ireland nourish a mighty band,  
I will stir up in England some black storm  
Shall blow ten thousand souls to heaven or hell;  
And this fell tempest shall not cease to rage  
Until the golden circuit on my head,  
Like to the glorious sun's transparent beams,  
Do calm the fury of this mad-bred flaw.  
And, for a minister of my intent,  
I have seduced a headstrong Kentishman,  
John Cade of Ashford,  
To make commotion, as full well he can,  
Under the title of John Mortimer.  
In Ireland have I seen this stubborn Cade  
Oppose himself against a troop of kerns,  
And fought so long, till that his thighs with darts

Were almost like a sharp-quill'd porpentine;  
And, in the end being rescued, I have seen  
Him caper upright like a wild Morisco,  
Shaking the bloody darts as he his bells.  
Full often, like a shag-hair'd crafty kern,  
Hath he conversed with the enemy,  
And undiscover'd come to me again  
And given me notice of their villanies.  
This devil here shall be my substitute;  
For that John Mortimer, which now is dead,  
In face, in gait, in speech, he doth resemble:  
By this I shall perceive the commons' mind,  
How they affect the house and claim of York.  
Say he be taken, rack'd and tortured,  
I know no pain they can inflict upon him  
Will make him say I moved him to those arms.  
Say that he thrive, as 'tis great like he will,  
Why, then from Ireland come I with my strength  
And reap the harvest which that rascal sow'd;  
For Humphrey being dead, as he shall be,  
And Henry put apart, the next for me.

*Exit*

## SCENE II. Bury St. Edmund's. A room of state.

*Enter certain Murderers, hastily*

### First Murderer

Run to my Lord of Suffolk; let him know  
We have dispatch'd the duke, as he commanded.

### Second Murderer

O that it were to do! What have we done?  
Didst ever hear a man so penitent?

*Enter SUFFOLK*

### First Murderer

Here comes my lord.

### SUFFOLK

Now, sirs, have you dispatch'd this thing?

### First Murderer

Ay, my good lord, he's dead.

### SUFFOLK

Why, that's well said. Go, get you to my house;  
I will reward you for this venturous deed.  
The king and all the peers are here at hand.  
Have you laid fair the bed? Is all things well,  
According as I gave directions?

## **First Murderer**

'Tis, my good lord.

## **SUFFOLK**

Away! be gone.

*Exeunt Murderers*

*Sound trumpets. Enter KING HENRY VI, QUEEN MARGARET, CARDINAL, SOMERSET, with Attendants*

## **KING HENRY VI**

Go, call our uncle to our presence straight;  
Say we intend to try his grace to-day.  
If he be guilty, as 'tis published.

## **SUFFOLK**

I'll call him presently, my noble lord.

*Exit*

## **KING HENRY VI**

Lords, take your places; and, I pray you all,  
Proceed no straiter 'gainst our uncle Gloucester  
Than from true evidence of good esteem  
He be approved in practise culpable.

## **QUEEN MARGARET**

God forbid any malice should prevail,  
That faultless may condemn a nobleman!  
Pray God he may acquit him of suspicion!

## **KING HENRY VI**

I thank thee, Meg; these words content me much.

*Re-enter SUFFOLK*

How now! why look'st thou pale? why tremblest thou?  
Where is our uncle? what's the matter, Suffolk?

**SUFFOLK**

Dead in his bed, my lord; Gloucester is dead.

**QUEEN MARGARET**

Marry, God forfend!

**CARDINAL**

God's secret judgment: I did dream to-night  
The duke was dumb and could not speak a word.

*KING HENRY VI swoons*

**QUEEN MARGARET**

How fares my lord? Help, lords! the king is dead.

**SOMERSET**

Rear up his body; wring him by the nose.

**QUEEN MARGARET**

Run, go, help, help! O Henry, ope thine eyes!

**SUFFOLK**

He doth revive again: madam, be patient.

**KING HENRY VI**

O heavenly God!

## QUEEN MARGARET

How fares my gracious lord?

## SUFFOLK

Comfort, my sovereign! gracious Henry, comfort!

## KING HENRY VI

What, doth my Lord of Suffolk comfort me?  
Came he right now to sing a raven's note,  
Whose dismal tune bereft my vital powers;  
And thinks he that the chirping of a wren,  
By crying comfort from a hollow breast,  
Can chase away the first-conceived sound?  
Hide not thy poison with such sugar'd words;  
Lay not thy hands on me; forbear, I say;  
Their touch affrights me as a serpent's sting.  
Thou baleful messenger, out of my sight!  
Upon thy eye-balls murderous tyranny  
Sits in grim majesty, to fright the world.  
Look not upon me, for thine eyes are wounding:  
Yet do not go away: come, basilisk,  
And kill the innocent gazer with thy sight;  
For in the shade of death I shall find joy;  
In life but double death, now Gloucester's dead.

## QUEEN MARGARET

Why do you rate my Lord of Suffolk thus?  
Although the duke was enemy to him,  
Yet he most Christian-like laments his death:  
And for myself, foe as he was to me,  
Might liquid tears or heart-offending groans  
Or blood-consuming sighs recall his life,  
I would be blind with weeping, sick with groans,  
Look pale as primrose with blood-drinking sighs,  
And all to have the noble duke alive.  
What know I how the world may deem of me?  
For it is known we were but hollow friends:  
It may be judged I made the duke away;

So shall my name with slander's tongue be wounded,  
And princes' courts be fill'd with my reproach.  
This get I by his death: ay me, unhappy!  
To be a queen, and crown'd with infamy!

## **KING HENRY VI**

Ah, woe is me for Gloucester, wretched man!

## **QUEEN MARGARET**

Be woe for me, more wretched than he is.  
What, dost thou turn away and hide thy face?  
I am no loathsome leper; look on me.  
What! art thou, like the adder, waxen deaf?  
Be poisonous too and kill thy forlorn queen.  
Is all thy comfort shut in Gloucester's tomb?  
Why, then, dame Margaret was ne'er thy joy.  
Erect his statue and worship it,  
And make my image but an alehouse sign.  
Was I for this nigh wreck'd upon the sea  
And twice by awkward wind from England's bank  
Drove back again unto my native clime?  
What boded this, but well forewarning wind  
Did seem to say 'Seek not a scorpion's nest,  
Nor set no footing on this unkind shore'?  
What did I then, but cursed the gentle gusts  
And he that loosed them forth their brazen caves:  
And bid them blow towards England's blessed shore,  
Or turn our stern upon a dreadful rock  
Yet AEolus would not be a murderer,  
But left that hateful office unto thee:  
The pretty-vaulting sea refused to drown me,  
Knowing that thou wouldst have me drown'd on shore,  
With tears as salt as sea, through thy unkindness:  
The splitting rocks cower'd in the sinking sands  
And would not dash me with their ragged sides,  
Because thy flinty heart, more hard than they,  
Might in thy palace perish Margaret.  
As far as I could ken thy chalky cliffs,  
When from thy shore the tempest beat us back,  
I stood upon the hatches in the storm,  
And when the dusky sky began to rob

My earnest-gaping sight of thy land's view,  
I took a costly jewel from my neck,  
A heart it was, bound in with diamonds,  
And threw it towards thy land: the sea received it,  
And so I wish'd thy body might my heart:  
And even with this I lost fair England's view  
And bid mine eyes be packing with my heart  
And call'd them blind and dusky spectacles,  
For losing ken of Albion's wished coast.  
How often have I tempted Suffolk's tongue,  
The agent of thy foul inconstancy,  
To sit and witch me, as Ascanius did  
When he to madding Dido would unfold  
His father's acts commenced in burning Troy!  
Am I not witch'd like her? or thou not false like him?  
Ay me, I can no more! die, Margaret!  
For Henry weeps that thou dost live so long.

*Noise within. Enter WARWICK, SALISBURY, and many Commons*

## **WARWICK**

It is reported, mighty sovereign,  
That good Duke Humphrey traitorously is murder'd  
By Suffolk and the Cardinal Beaufort's means.  
The commons, like an angry hive of bees  
That want their leader, scatter up and down  
And care not who they sting in his revenge.  
Myself have calm'd their spleenful mutiny,  
Until they hear the order of his death.

## **KING HENRY VI**

That he is dead, good Warwick, 'tis too true;  
But how he died God knows, not Henry:  
Enter his chamber, view his breathless corpse,  
And comment then upon his sudden death.

## **WARWICK**

That shall I do, my liege. Stay, Salisbury,  
With the rude multitude till I return.

*Exit*

**KING HENRY VI**

O Thou that judgest all things, stay my thoughts,  
My thoughts, that labour to persuade my soul  
Some violent hands were laid on Humphrey's life!  
If my suspect be false, forgive me, God,  
For judgment only doth belong to thee.  
Fain would I go to chafe his paly lips  
With twenty thousand kisses, and to drain  
Upon his face an ocean of salt tears,  
To tell my love unto his dumb deaf trunk,  
And with my fingers feel his hand unfeeling:  
But all in vain are these mean obsequies;  
And to survey his dead and earthly image,  
What were it but to make my sorrow greater?

*Re-enter WARWICK and others, bearing GLOUCESTER'S body on a bed*

**WARWICK**

Come hither, gracious sovereign, view this body.

**KING HENRY VI**

That is to see how deep my grave is made;  
For with his soul fled all my worldly solace,  
For seeing him I see my life in death.

**WARWICK**

As surely as my soul intends to live  
With that dread King that took our state upon him  
To free us from his father's wrathful curse,  
I do believe that violent hands were laid  
Upon the life of this thrice-famed duke.

**SUFFOLK**

A dreadful oath, sworn with a solemn tongue!

What instance gives Lord Warwick for his vow?

## **WARWICK**

See how the blood is settled in his face.  
Oft have I seen a timely-parted ghost,  
Of ashy semblance, meagre, pale and bloodless,  
Being all descended to the labouring heart;  
Who, in the conflict that it holds with death,  
Attracts the same for aidance 'gainst the enemy;  
Which with the heart there cools and ne'er returneth  
To blush and beautify the cheek again.  
But see, his face is black and full of blood,  
His eye-balls further out than when he lived,  
Staring full ghastly like a strangled man;  
His hair uprear'd, his nostrils stretched with struggling;  
His hands abroad display'd, as one that grasp'd  
And tugg'd for life and was by strength subdued:  
Look, on the sheets his hair you see, is sticking;  
His well-proportion'd beard made rough and rugged,  
Like to the summer's corn by tempest lodged.  
It cannot be but he was murder'd here;  
The least of all these signs were probable.

## **SUFFOLK**

Why, Warwick, who should do the duke to death?  
Myself and Beaufort had him in protection;  
And we, I hope, sir, are no murderers.

## **WARWICK**

But both of you were vow'd Duke Humphrey's foes,  
And you, forsooth, had the good duke to keep:  
'Tis like you would not feast him like a friend;  
And 'tis well seen he found an enemy.

## **QUEEN MARGARET**

Then you, belike, suspect these noblemen  
As guilty of Duke Humphrey's timeless death.

## WARWICK

Who finds the heifer dead and bleeding fresh  
And sees fast by a butcher with an axe,  
But will suspect 'twas he that made the slaughter?  
Who finds the partridge in the puttock's nest,  
But may imagine how the bird was dead,  
Although the kite soar with unbloodied beak?  
Even so suspicious is this tragedy.

## QUEEN MARGARET

Are you the butcher, Suffolk? Where's your knife?  
Is Beaufort term'd a kite? Where are his talons?

## SUFFOLK

I wear no knife to slaughter sleeping men;  
But here's a vengeful sword, rusted with ease,  
That shall be scoured in his rancorous heart  
That slanders me with murder's crimson badge.  
Say, if thou darest, proud Lord of Warwick-shire,  
That I am faulty in Duke Humphrey's death.

*Exeunt CARDINAL, SOMERSET, and others*

## WARWICK

What dares not Warwick, if false Suffolk dare him?

## QUEEN MARGARET

He dares not calm his contumelious spirit  
Nor cease to be an arrogant controller,  
Though Suffolk dare him twenty thousand times.

## WARWICK

Madam, be still; with reverence may I say;  
For every word you speak in his behalf  
Is slander to your royal dignity.

## SUFFOLK

Blunt-witted lord, ignoble in demeanor!  
If ever lady wrong'd her lord so much,  
Thy mother took into her blameful bed  
Some stern untutor'd churl, and noble stock  
Was graft with crab-tree slip; whose fruit thou art,  
And never of the Nevils' noble race.

## WARWICK

But that the guilt of murder bucklers thee  
And I should rob the deathsman of his fee,  
Quitting thee thereby of ten thousand shames,  
And that my sovereign's presence makes me mild,  
I would, false murderous coward, on thy knee  
Make thee beg pardon for thy passed speech,  
And say it was thy mother that thou meant'st  
That thou thyself was born in bastardy;  
And after all this fearful homage done,  
Give thee thy hire and send thy soul to hell,  
Pernicious blood-sucker of sleeping men!

## SUFFOLK

Thou shall be waking well I shed thy blood,  
If from this presence thou darest go with me.

## WARWICK

Away even now, or I will drag thee hence:  
Unworthy though thou art, I'll cope with thee  
And do some service to Duke Humphrey's ghost.

*Exeunt SUFFOLK and WARWICK*

## KING HENRY VI

What stronger breastplate than a heart untainted!  
Thrice is he armed that hath his quarrel just,  
And he but naked, though lock'd up in steel  
Whose conscience with injustice is corrupted.

*A noise within*

**QUEEN MARGARET**

What noise is this?

*Re-enter SUFFOLK and WARWICK, with their weapons drawn*

**KING HENRY VI**

Why, how now, lords! your wrathful weapons drawn  
Here in our presence! dare you be so bold?  
Why, what tumultuous clamour have we here?

**SUFFOLK**

The traitorous Warwick with the men of Bury  
Set all upon me, mighty sovereign.

**SALISBURY**

[To the Commons, entering] Sirs, stand apart;  
the king shall know your mind.  
Dread lord, the commons send you word by me,  
Unless Lord Suffolk straight be done to death,  
Or banished fair England's territories,  
They will by violence tear him from your palace  
And torture him with grievous lingering death.  
They say, by him the good Duke Humphrey died;  
They say, in him they fear your highness' death;  
And mere instinct of love and loyalty,  
Free from a stubborn opposite intent,  
As being thought to contradict your liking,  
Makes them thus forward in his banishment.  
They say, in care of your most royal person,  
That if your highness should intend to sleep  
And charge that no man should disturb your rest  
In pain of your dislike or pain of death,  
Yet, notwithstanding such a strait edict,  
Were there a serpent seen, with forked tongue,  
That slyly glided towards your majesty,

It were but necessary you were waked,  
Lest, being suffer'd in that harmful slumber,  
The mortal worm might make the sleep eternal;  
And therefore do they cry, though you forbid,  
That they will guard you, whether you will or no,  
From such fell serpents as false Suffolk is,  
With whose envenomed and fatal sting,  
Your loving uncle, twenty times his worth,  
They say, is shamefully bereft of life.

## **Commons**

[Within] An answer from the king, my  
Lord of Salisbury!

## **SUFFOLK**

'Tis like the commons, rude unpolish'd hinds,  
Could send such message to their sovereign:  
But you, my lord, were glad to be employ'd,  
To show how quaint an orator you are:  
But all the honour Salisbury hath won  
Is, that he was the lord ambassador  
Sent from a sort of tinkers to the king.

## **Commons**

[Within] An answer from the king, or we will all break in!

## **KING HENRY VI**

Go, Salisbury, and tell them all from me.  
I thank them for their tender loving care;  
And had I not been cited so by them,  
Yet did I purpose as they do entreat;  
For, sure, my thoughts do hourly prophesy  
Mischance unto my state by Suffolk's means:  
And therefore, by His majesty I swear,  
Whose far unworthy deputy I am,  
He shall not breathe infection in this air  
But three days longer, on the pain of death.

*Exit SALISBURY*

**QUEEN MARGARET**

O Henry, let me plead for gentle Suffolk!

**KING HENRY VI**

Ungentle queen, to call him gentle Suffolk!  
No more, I say: if thou dost plead for him,  
Thou wilt but add increase unto my wrath.  
Had I but said, I would have kept my word,  
But when I swear, it is irrevocable.  
If, after three days' space, thou here be'st found  
On any ground that I am ruler of,  
The world shall not be ransom for thy life.  
Come, Warwick, come, good Warwick, go with me;  
I have great matters to impart to thee.

*Exeunt all but QUEEN MARGARET and SUFFOLK*

**QUEEN MARGARET**

Mischance and sorrow go along with you!  
Heart's discontent and sour affliction  
Be playfellows to keep you company!  
There's two of you; the devil make a third!  
And threefold vengeance tend upon your steps!

**SUFFOLK**

Cease, gentle queen, these execrations,  
And let thy Suffolk take his heavy leave.

**QUEEN MARGARET**

Fie, coward woman and soft-hearted wretch!  
Hast thou not spirit to curse thine enemy?

**SUFFOLK**

A plague upon them! wherefore should I curse them?  
Would curses kill, as doth the mandrake's groan,  
I would invent as bitter-searching terms,  
As curst, as harsh and horrible to hear,  
Deliver'd strongly through my fixed teeth,  
With full as many signs of deadly hate,  
As lean-faced Envy in her loathsome cave:  
My tongue should stumble in mine earnest words;  
Mine eyes should sparkle like the beaten flint;  
Mine hair be fixed on end, as one distract;  
Ay, every joint should seem to curse and ban:  
And even now my burthen'd heart would break,  
Should I not curse them. Poison be their drink!  
Gall, worse than gall, the daintiest that they taste!  
Their sweetest shade a grove of cypress trees!  
Their chiefest prospect murdering basilisks!  
Their softest touch as smart as lizards' sting!  
Their music frightful as the serpent's hiss,  
And boding screech-owls make the concert full!  
All the foul terrors in dark-seated hell--

## **QUEEN MARGARET**

Enough, sweet Suffolk; thou torment'st thyself;  
And these dread curses, like the sun 'gainst glass,  
Or like an overcharged gun, recoil,  
And turn the force of them upon thyself.

## **SUFFOLK**

You bade me ban, and will you bid me leave?  
Now, by the ground that I am banish'd from,  
Well could I curse away a winter's night,  
Though standing naked on a mountain top,  
Where biting cold would never let grass grow,  
And think it but a minute spent in sport.

## **QUEEN MARGARET**

O, let me entreat thee cease. Give me thy hand,  
That I may dew it with my mournful tears;  
Nor let the rain of heaven wet this place,

To wash away my woful monuments.  
O, could this kiss be printed in thy hand,  
That thou mightst think upon these by the seal,  
Through whom a thousand sighs are breathed for thee!  
So, get thee gone, that I may know my grief;  
'Tis but surmised whiles thou art standing by,  
As one that surfeits thinking on a want.  
I will repeal thee, or, be well assured,  
Adventure to be banished myself:  
And banished I am, if but from thee.  
Go; speak not to me; even now be gone.  
O, go not yet! Even thus two friends condemn'd  
Embrace and kiss and take ten thousand leaves,  
Loather a hundred times to part than die.  
Yet now farewell; and farewell life with thee!

## **SUFFOLK**

Thus is poor Suffolk ten times banished;  
Once by the king, and three times thrice by thee.  
'Tis not the land I care for, wert thou thence;  
A wilderness is populous enough,  
So Suffolk had thy heavenly company:  
For where thou art, there is the world itself,  
With every several pleasure in the world,  
And where thou art not, desolation.  
I can no more: live thou to joy thy life;  
Myself no joy in nought but that thou livest.

*Enter VAUX*

## **QUEEN MARGARET**

Wither goes Vaux so fast? what news, I prithee?

## **VAUX**

To signify unto his majesty  
That Cardinal Beaufort is at point of death;  
For suddenly a grievous sickness took him,  
That makes him gasp and stare and catch the air,  
Blaspheming God and cursing men on earth.

Sometimes he talks as if Duke Humphrey's ghost  
Were by his side; sometime he calls the king,  
And whispers to his pillow, as to him,  
The secrets of his overcharged soul;  
And I am sent to tell his majesty  
That even now he cries aloud for him.

## **QUEEN MARGARET**

Go tell this heavy message to the king.

*Exit VAUX*

Ay me! what is this world! what news are these!  
But wherefore grieve I at an hour's poor loss,  
Omitting Suffolk's exile, my soul's treasure?  
Why only, Suffolk, mourn I not for thee,  
And with the southern clouds contend in tears,  
Theirs for the earth's increase, mine for my sorrows?  
Now get thee hence: the king, thou know'st, is coming;  
If thou be found by me, thou art but dead.

## **SUFFOLK**

If I depart from thee, I cannot live;  
And in thy sight to die, what were it else  
But like a pleasant slumber in thy lap?  
Here could I breathe my soul into the air,  
As mild and gentle as the cradle-babe  
Dying with mother's dug between its lips:  
Where, from thy sight, I should be raging mad,  
And cry out for thee to close up mine eyes,  
To have thee with thy lips to stop my mouth;  
So shouldst thou either turn my flying soul,  
Or I should breathe it so into thy body,  
And then it lived in sweet Elysium.  
To die by thee were but to die in jest;  
From thee to die were torture more than death:  
O, let me stay, befall what may befall!

## **QUEEN MARGARET**

Away! though parting be a fretful corrosive,  
It is applied to a deathful wound.  
To France, sweet Suffolk: let me hear from thee;  
For wheresoe'er thou art in this world's globe,  
I'll have an Iris that shall find thee out.

**SUFFOLK**

I go.

**QUEEN MARGARET**

And take my heart with thee.

**SUFFOLK**

A jewel, lock'd into the wofull'st cask  
That ever did contain a thing of worth.  
Even as a splitted bark, so sunder we  
This way fall I to death.

**QUEEN MARGARET**

This way for me.

*Exeunt severally*

# The Second part of King Henry the Sixth

[Shakespeare homepage](#) | [Henry VI, part 2](#) | Act 3, Scene 3

[Previous scene](#) | [Next scene](#)

## SCENE III. A bedchamber.

*Enter the KING, SALISBURY, WARWICK, to the CARDINAL in bed*

### KING HENRY VI

How fares my lord? speak, Beaufort, to  
thy sovereign.

### CARDINAL

If thou be'st death, I'll give thee England's treasure,  
Enough to purchase such another island,  
So thou wilt let me live, and feel no pain.

### KING HENRY VI

Ah, what a sign it is of evil life,  
Where death's approach is seen so terrible!

### WARWICK

Beaufort, it is thy sovereign speaks to thee.

### CARDINAL

Bring me unto my trial when you will.  
Died he not in his bed? where should he die?  
Can I make men live, whether they will or no?  
O, torture me no more! I will confess.  
Alive again? then show me where he is:  
I'll give a thousand pound to look upon him.  
He hath no eyes, the dust hath blinded them.  
Comb down his hair; look, look! it stands upright,  
Like lime-twigs set to catch my winged soul.  
Give me some drink; and bid the apothecary

Bring the strong poison that I bought of him.

**KING HENRY VI**

O thou eternal Mover of the heavens.  
Look with a gentle eye upon this wretch!  
O, beat away the busy meddling fiend  
That lays strong siege unto this wretch's soul.  
And from his bosom purge this black despair!

**WARWICK**

See, how the pangs of death do make him grin!

**SALISBURY**

Disturb him not; let him pass peaceably.

**KING HENRY VI**

Peace to his soul, if God's good pleasure be!  
Lord cardinal, if thou think'st on heaven's bliss,  
Hold up thy hand, make signal of thy hope.  
He dies, and makes no sign. O God, forgive him!

**WARWICK**

So bad a death argues a monstrous life.

**KING HENRY VI**

Forbear to judge, for we are sinners all.  
Close up his eyes and draw the curtain close;  
And let us all to meditation.

*Exeunt*

[Shakespeare homepage](#) | [Henry VI, part 2](#) | Act 4, Scene 1

[Previous scene](#) | [Next scene](#)

## SCENE I. The coast of Kent.

*Alarum. Fight at sea. Ordnance goes off. Enter a Captain, a Master, a Master's-mate, WALTER WHITMORE, and others; with them SUFFOLK, and others, prisoners*

### Captain

The gaudy, blabbing and remorseful day  
Is crept into the bosom of the sea;  
And now loud-howling wolves arouse the jades  
That drag the tragic melancholy night;  
Who, with their drowsy, slow and flagging wings,  
Clip dead men's graves and from their misty jaws  
Breathe foul contagious darkness in the air.  
Therefore bring forth the soldiers of our prize;  
For, whilst our pinnace anchors in the Downs,  
Here shall they make their ransom on the sand,  
Or with their blood stain this discolour'd shore.  
Master, this prisoner freely give I thee;  
And thou that art his mate, make boot of this;  
The other, Walter Whitmore, is thy share.

### First Gentleman

What is my ransom, master? let me know.

### Master

A thousand crowns, or else lay down your head.  
Master's-Mate And so much shall you give, or off goes yours.

### Captain

What, think you much to pay two thousand crowns,  
And bear the name and port of gentlemen?  
Cut both the villains' throats; for die you shall:

The lives of those which we have lost in fight  
Be counterpoised with such a petty sum!

**First Gentleman**

I'll give it, sir; and therefore spare my life.

**Second Gentleman**

And so will I and write home for it straight.

**WHITMORE**

I lost mine eye in laying the prize aboard,  
And therefore to revenge it, shalt thou die;

*To SUFFOLK*

And so should these, if I might have my will.

**Captain**

Be not so rash; take ransom, let him live.

**SUFFOLK**

Look on my George; I am a gentleman:  
Rate me at what thou wilt, thou shalt be paid.

**WHITMORE**

And so am I; my name is Walter Whitmore.  
How now! why start'st thou? what, doth  
death affright?

**SUFFOLK**

Thy name affrights me, in whose sound is death.  
A cunning man did calculate my birth  
And told me that by water I should die:  
Yet let not this make thee be bloody-minded;

Thy name is Gaultier, being rightly sounded.

## **WHITMORE**

Gaultier or Walter, which it is, I care not:  
Never yet did base dishonour blur our name,  
But with our sword we wiped away the blot;  
Therefore, when merchant-like I sell revenge,  
Broke be my sword, my arms torn and defaced,  
And I proclaim'd a coward through the world!

## **SUFFOLK**

Stay, Whitmore; for thy prisoner is a prince,  
The Duke of Suffolk, William de la Pole.

## **WHITMORE**

The Duke of Suffolk muffled up in rags!

## **SUFFOLK**

Ay, but these rags are no part of the duke:  
Jove sometimes went disguised, and why not I?

## **Captain**

But Jove was never slain, as thou shalt be.

## **SUFFOLK**

Obscure and lowly swain, King Henry's blood,  
The honourable blood of Lancaster,  
Must not be shed by such a jaded groom.  
Hast thou not kiss'd thy hand and held my stirrup?  
Bare-headed plodded by my foot-cloth mule  
And thought thee happy when I shook my head?  
How often hast thou waited at my cup,  
Fed from my trencher, kneel'd down at the board.  
When I have feasted with Queen Margaret?  
Remember it and let it make thee crest-fall'n,  
Ay, and allay this thy abortive pride;

How in our voiding lobby hast thou stood  
And duly waited for my coming forth?  
This hand of mine hath writ in thy behalf,  
And therefore shall it charm thy riotous tongue.

**WHITMORE**

Speak, captain, shall I stab the forlorn swain?

**Captain**

First let my words stab him, as he hath me.

**SUFFOLK**

Base slave, thy words are blunt and so art thou.

**Captain**

Convey him hence and on our longboat's side  
Strike off his head.

**SUFFOLK**

Thou darest not, for thy own.

**Captain**

Yes, Pole.

**SUFFOLK**

Pole!

**Captain**

Pool! Sir Pool! lord!  
Ay, kennel, puddle, sink; whose filth and dirt  
Troubles the silver spring where England drinks.  
Now will I dam up this thy yawning mouth  
For swallowing the treasure of the realm:

Thy lips that kiss'd the queen shall sweep the ground;  
And thou that smiledst at good Duke Humphrey's death,  
Against the senseless winds shalt grin in vain,  
Who in contempt shall hiss at thee again:  
And wedded be thou to the hags of hell,  
For daring to affy a mighty lord  
Unto the daughter of a worthless king,  
Having neither subject, wealth, nor diadem.  
By devilish policy art thou grown great,  
And, like ambitious Sylla, overgorged  
With gobbets of thy mother's bleeding heart.  
By thee Anjou and Maine were sold to France,  
The false revolting Normans thorough thee  
Disdain to call us lord, and Picardy  
Hath slain their governors, surprised our forts,  
And sent the ragged soldiers wounded home.  
The princely Warwick, and the Nevils all,  
Whose dreadful swords were never drawn in vain,  
As hating thee, are rising up in arms:  
And now the house of York, thrust from the crown  
By shameful murder of a guiltless king  
And lofty proud encroaching tyranny,  
Burns with revenging fire; whose hopeful colours  
Advance our half-faced sun, striving to shine,  
Under the which is writ 'Invitis nubibus.'  
The commons here in Kent are up in arms:  
And, to conclude, reproach and beggary  
Is crept into the palace of our king.  
And all by thee. Away! convey him hence.

## SUFFOLK

O that I were a god, to shoot forth thunder  
Upon these paltry, servile, abject drudges!  
Small things make base men proud: this villain here,  
Being captain of a pinnace, threatens more  
Than Bargulus the strong Illyrian pirate.  
Drones suck not eagles' blood but rob beehives:  
It is impossible that I should die  
By such a lowly vassal as thyself.  
Thy words move rage and not remorse in me:  
I go of message from the queen to France;  
I charge thee waft me safely cross the Channel.

**Captain**

Walter,--

**WHITMORE**

Come, Suffolk, I must waft thee to thy death.

**SUFFOLK**

Gelidus timor occupat artus it is thee I fear.

**WHITMORE**

Thou shalt have cause to fear before I leave thee.  
What, are ye daunted now? now will ye stoop?

**First Gentleman**

My gracious lord, entreat him, speak him fair.

**SUFFOLK**

Suffolk's imperial tongue is stern and rough,  
Used to command, untaught to plead for favour.  
Far be it we should honour such as these  
With humble suit: no, rather let my head  
Stoop to the block than these knees bow to any  
Save to the God of heaven and to my king;  
And sooner dance upon a bloody pole  
Than stand uncover'd to the vulgar groom.  
True nobility is exempt from fear:  
More can I bear than you dare execute.

**Captain**

Hale him away, and let him talk no more.

**SUFFOLK**

Come, soldiers, show what cruelty ye can,  
That this my death may never be forgot!  
Great men oft die by vile bezonians:  
A Roman sworder and banditto slave  
Murder'd sweet Tully; Brutus' bastard hand  
Stabb'd Julius Caesar; savage islanders  
Pompey the Great; and Suffolk dies by pirates.

*Exeunt Whitmore and others with Suffolk*

## **Captain**

And as for these whose ransom we have set,  
It is our pleasure one of them depart;  
Therefore come you with us and let him go.

*Exeunt all but the First Gentleman*

*Re-enter WHITMORE with SUFFOLK's body*

## **WHITMORE**

There let his head and lifeless body lie,  
Until the queen his mistress bury it.

*Exit*

## **First Gentleman**

O barbarous and bloody spectacle!  
His body will I bear unto the king:  
If he revenge it not, yet will his friends;  
So will the queen, that living held him dear.

*Exit with the body*

# The Second part of King Henry the Sixth

[Shakespeare homepage](#) | [Henry VI, part 2](#) | Act 4, Scene 2

[Previous scene](#) | [Next scene](#)

## SCENE II. Blackheath.

*Enter GEORGE BEVIS and JOHN HOLLAND*

**BEVIS**

Come, and get thee a sword, though made of a lath;  
they have been up these two days.

**HOLLAND**

They have the more need to sleep now, then.

**BEVIS**

I tell thee, Jack Cade the clothier means to dress  
the commonwealth, and turn it, and set a new nap upon it.

**HOLLAND**

So he had need, for 'tis threadbare. Well, I say it  
was never merry world in England since gentlemen came up.

**BEVIS**

O miserable age! virtue is not regarded in handicrafts-men.

**HOLLAND**

The nobility think scorn to go in leather aprons.

**BEVIS**

Nay, more, the king's council are no good workmen.

## **HOLLAND**

True; and yet it is said, labour in thy vocation;  
which is as much to say as, let the magistrates be  
labouring men; and therefore should we be  
magistrates.

## **BEVIS**

Thou hast hit it; for there's no better sign of a  
brave mind than a hard hand.

## **HOLLAND**

I see them! I see them! there's Best's son, the  
tanner of Wingham,--

## **BEVIS**

He shall have the skin of our enemies, to make  
dog's-leather of.

## **HOLLAND**

And Dick the Butcher,--

## **BEVIS**

Then is sin struck down like an ox, and iniquity's  
throat cut like a calf.

## **HOLLAND**

And Smith the weaver,--

## **BEVIS**

Argo, their thread of life is spun.

## **HOLLAND**

Come, come, let's fall in with them.

*Drum. Enter CADE, DICK the Butcher, SMITH the Weaver, and a Sawyer, with infinite numbers*

**CADE**

We John Cade, so termed of our supposed father,--

**DICK**

[Aside] Or rather, of stealing a cade of herrings.

**CADE**

For our enemies shall fall before us, inspired with  
the spirit of putting down kings and princes,  
--Command silence.

**DICK**

Silence!

**CADE**

My father was a Mortimer,--

**DICK**

[Aside] He was an honest man, and a good  
bricklayer.

**CADE**

My mother a Plantagenet,--

**DICK**

[Aside] I knew her well; she was a midwife.

**CADE**

My wife descended of the Lacies,--

**DICK**

[Aside] She was, indeed, a pedler's daughter, and sold many laces.

**SMITH**

[Aside] But now of late, notable to travel with her furred pack, she washes bucks here at home.

**CADE**

Therefore am I of an honourable house.

**DICK**

[Aside] Ay, by my faith, the field is honourable; and there was he borne, under a hedge, for his father had never a house but the cage.

**CADE**

Valiant I am.

**SMITH**

[Aside] A' must needs; for beggary is valiant.

**CADE**

I am able to endure much.

**DICK**

[Aside] No question of that; for I have seen him whipped three market-days together.

**CADE**

I fear neither sword nor fire.

**SMITH**

[Aside] He need not fear the sword; for his coat is of proof.

**DICK**

[Aside] But methinks he should stand in fear of fire, being burnt i' the hand for stealing of sheep.

**CADE**

Be brave, then; for your captain is brave, and vows reformation. There shall be in England seven halfpenny loaves sold for a penny: the three-hooped pot; shall have ten hoops and I will make it felony to drink small beer: all the realm shall be in common; and in Cheapside shall my palfrey go to grass: and when I am king, as king I will be,--

**ALL**

God save your majesty!

**CADE**

I thank you, good people: there shall be no money; all shall eat and drink on my score; and I will apparel them all in one livery, that they may agree like brothers and worship me their lord.

**DICK**

The first thing we do, let's kill all the lawyers.

**CADE**

Nay, that I mean to do. Is not this a lamentable thing, that of the skin of an innocent lamb should

be made parchment? that parchment, being scribbled  
o'er, should undo a man? Some say the bee stings:  
but I say, 'tis the bee's wax; for I did but seal  
once to a thing, and I was never mine own man  
since. How now! who's there?

*Enter some, bringing forward the Clerk of Chatham*

**SMITH**

The clerk of Chatham: he can write and read and  
cast accompt.

**CADE**

O monstrous!

**SMITH**

We took him setting of boys' copies.

**CADE**

Here's a villain!

**SMITH**

Has a book in his pocket with red letters in't.

**CADE**

Nay, then, he is a conjurer.

**DICK**

Nay, he can make obligations, and write court-hand.

**CADE**

I am sorry for't: the man is a proper man, of mine  
honour; unless I find him guilty, he shall not die.

Come hither, sirrah, I must examine thee: what is thy name?

**Clerk**

Emmanuel.

**DICK**

They use to write it on the top of letters: 'twill go hard with you.

**CADE**

Let me alone. Dost thou use to write thy name? or hast thou a mark to thyself, like an honest plain-dealing man?

**CLERK**

Sir, I thank God, I have been so well brought up that I can write my name.

**ALL**

He hath confessed: away with him! he's a villain and a traitor.

**CADE**

Away with him, I say! hang him with his pen and ink-horn about his neck.

*Exit one with the Clerk*

*Enter MICHAEL*

**MICHAEL**

Where's our general?

**CADE**

Here I am, thou particular fellow.

**MICHAEL**

Fly, fly, fly! Sir Humphrey Stafford and his brother are hard by, with the king's forces.

**CADE**

Stand, villain, stand, or I'll fell thee down. He shall be encountered with a man as good as himself: he is but a knight, is a'?

**MICHAEL**

No.

**CADE**

To equal him, I will make myself a knight presently.

*Kneels*

Rise up Sir John Mortimer.

*Rises*

Now have at him!

*Enter SIR HUMPHREY and WILLIAM STAFFORD, with drum and soldiers*

**SIR HUMPHREY**

Rebellious hinds, the filth and scum of Kent,  
Mark'd for the gallows, lay your weapons down;  
Home to your cottages, forsake this groom:  
The king is merciful, if you revolt.

**WILLIAM STAFFORD**

But angry, wrathful, and inclined to blood,  
If you go forward; therefore yield, or die.

**CADE**

As for these silken-coated slaves, I pass not:  
It is to you, good people, that I speak,  
Over whom, in time to come, I hope to reign;  
For I am rightful heir unto the crown.

**SIR HUMPHREY**

Villain, thy father was a plasterer;  
And thou thyself a shearman, art thou not?

**CADE**

And Adam was a gardener.

**WILLIAM STAFFORD**

And what of that?

**CADE**

Marry, this: Edmund Mortimer, Earl of March.  
Married the Duke of Clarence' daughter, did he not?

**SIR HUMPHREY**

Ay, sir.

**CADE**

By her he had two children at one birth.

**WILLIAM STAFFORD**

That's false.

**CADE**

Ay, there's the question; but I say, 'tis true:  
The elder of them, being put to nurse,  
Was by a beggar-woman stolen away;  
And, ignorant of his birth and parentage,  
Became a bricklayer when he came to age:  
His son am I; deny it, if you can.

**DICK**

Nay, 'tis too true; therefore he shall be king.

**SMITH**

Sir, he made a chimney in my father's house, and  
the bricks are alive at this day to testify it;  
therefore deny it not.

**SIR HUMPHREY**

And will you credit this base drudge's words,  
That speaks he knows not what?

**ALL**

Ay, marry, will we; therefore get ye gone.

**WILLIAM STAFFORD**

Jack Cade, the Duke of York hath taught you this.

**CADE**

[Aside] He lies, for I invented it myself.  
Go to, sirrah, tell the king from me, that, for his  
father's sake, Henry the Fifth, in whose time boys  
went to span-counter for French crowns, I am content  
he shall reign; but I'll be protector over him.

**DICK**

And furthermore, well have the Lord Say's head for  
selling the dukedom of Maine.

**CADE**

And good reason; for thereby is England mained, and  
fain to go with a staff, but that my puissance holds  
it up. Fellow kings, I tell you that that Lord Say  
hath gelded the commonwealth, and made it an eunuch:  
and more than that, he can speak French; and  
therefore he is a traitor.

**SIR HUMPHREY**

O gross and miserable ignorance!

**CADE**

Nay, answer, if you can: the Frenchmen are our  
enemies; go to, then, I ask but this: can he that  
speaks with the tongue of an enemy be a good  
counsellor, or no?

**ALL**

No, no; and therefore we'll have his head.

**WILLIAM STAFFORD**

Well, seeing gentle words will not prevail,  
Assail them with the army of the king.

**SIR HUMPHREY**

Herald, away; and throughout every town  
Proclaim them traitors that are up with Cade;  
That those which fly before the battle ends  
May, even in their wives' and children's sight,  
Be hang'd up for example at their doors:  
And you that be the king's friends, follow me.

*Exeunt WILLIAM STAFFORD and SIR HUMPHREY, and soldiers*

**CADE**

And you that love the commons, follow me.  
Now show yourselves men; 'tis for liberty.  
We will not leave one lord, one gentleman:  
Spare none but such as go in clouted shoon;  
For they are thrifty honest men, and such  
As would, but that they dare not, take our parts.

**DICK**

They are all in order and march toward us.

**CADE**

But then are we in order when we are most  
out of order. Come, march forward.

*Exeunt*

*Alarums to the fight, wherein SIR HUMPHREY and WILLIAM STAFFORD are slain.  
Enter CADE and the rest*

**CADE**

Where's Dick, the butcher of Ashford?

**DICK**

Here, sir.

**CADE**

They fell before thee like sheep and oxen, and thou behavedst thyself as if thou hadst been in thine own slaughter-house: therefore thus will I reward thee, the Lent shall be as long again as it is; and thou shalt have a licence to kill for a hundred lacking one.

**DICK**

I desire no more.

**CADE**

And, to speak truth, thou deservest no less. This monument of the victory will I bear;

*Putting on SIR HUMPHREY'S brigandine*

and the bodies shall be dragged at my horse' heels till I do come to London, where we will have the mayor's sword borne before us.

**DICK**

If we mean to thrive and do good, break open the  
gaols and let out the prisoners.

**CADE**

Fear not that, I warrant thee. Come, let's march  
towards London.

*Exeunt*

## SCENE IV. London. The palace.

*Enter KING HENRY VI with a supplication, and the QUEEN with SUFFOLK'S head, BUCKINGHAM and Lord SAY*

### QUEEN MARGARET

Oft have I heard that grief softens the mind,  
And makes it fearful and degenerate;  
Think therefore on revenge and cease to weep.  
But who can cease to weep and look on this?  
Here may his head lie on my throbbing breast:  
But where's the body that I should embrace?

### BUCKINGHAM

What answer makes your grace to the rebels'  
supplication?

### KING HENRY VI

I'll send some holy bishop to entreat;  
For God forbid so many simple souls  
Should perish by the sword! And I myself,  
Rather than bloody war shall cut them short,  
Will parley with Jack Cade their general:  
But stay, I'll read it over once again.

### QUEEN MARGARET

Ah, barbarous villains! hath this lovely face  
Ruled, like a wandering planet, over me,  
And could it not enforce them to relent,  
That were unworthy to behold the same?

### KING HENRY VI

Lord Say, Jack Cade hath sworn to have thy head.

**SAY**

Ay, but I hope your highness shall have his.

**KING HENRY VI**

How now, madam!  
Still lamenting and mourning for Suffolk's death?  
I fear me, love, if that I had been dead,  
Thou wouldst not have mourn'd so much for me.

**QUEEN MARGARET**

No, my love, I should not mourn, but die for thee.

*Enter a Messenger*

**KING HENRY VI**

How now! what news? why comest thou in such haste?

**Messenger**

The rebels are in Southwark; fly, my lord!  
Jack Cade proclaims himself Lord Mortimer,  
Descended from the Duke of Clarence' house,  
And calls your grace usurper openly  
And vows to crown himself in Westminster.  
His army is a ragged multitude  
Of hinds and peasants, rude and merciless:  
Sir Humphrey Stafford and his brother's death  
Hath given them heart and courage to proceed:  
All scholars, lawyers, courtiers, gentlemen,  
They call false caterpillars, and intend their death.

**KING HENRY VI**

O graceless men! they know not what they do.

## **BUCKINGHAM**

My gracious lord, return to Killingworth,  
Until a power be raised to put them down.

## **QUEEN MARGARET**

Ah, were the Duke of Suffolk now alive,  
These Kentish rebels would be soon appeased!

## **KING HENRY VI**

Lord Say, the traitors hate thee;  
Therefore away with us to Killingworth.

## **SAY**

So might your grace's person be in danger.  
The sight of me is odious in their eyes;  
And therefore in this city will I stay  
And live alone as secret as I may.

*Enter another Messenger*

## **Messenger**

Jack Cade hath gotten London bridge:  
The citizens fly and forsake their houses:  
The rascal people, thirsting after prey,  
Join with the traitor, and they jointly swear  
To spoil the city and your royal court.

## **BUCKINGHAM**

Then linger not, my lord, away, take horse.

## **KING HENRY VI**

Come, Margaret; God, our hope, will succor us.

## **QUEEN MARGARET**

My hope is gone, now Suffolk is deceased.

**KING HENRY VI**

Farewell, my lord: trust not the Kentish rebels.

**BUCKINGHAM**

Trust nobody, for fear you be betray'd.

**SAY**

The trust I have is in mine innocence,  
And therefore am I bold and resolute.

## SCENE V. London. The Tower.

*Enter SCALES upon the Tower, walking. Then enter two or three Citizens below*

**SCALES**

How now! is Jack Cade slain?

**First Citizen**

No, my lord, nor likely to be slain; for they have won the bridge, killing all those that withstand them: the lord mayor craves aid of your honour from the Tower, to defend the city from the rebels.

**SCALES**

Such aid as I can spare you shall command;  
But I am troubled here with them myself;  
The rebels have assay'd to win the Tower.  
But get you to Smithfield, and gather head,  
And thither I will send you Matthew Goffe;  
Fight for your king, your country and your lives;  
And so, farewell, for I must hence again.

*Exeunt*

## SCENE VI. London. Cannon Street.

*Enter CADE and the rest, and strikes his staff on London-stone*

**CADE**

Now is Mortimer lord of this city. And here, sitting upon London-stone, I charge and command that, of the city's cost, the pissing-conduit run nothing but claret wine this first year of our reign. And now henceforward it shall be treason for any that calls me other than Lord Mortimer.

*Enter a Soldier, running*

**Soldier**

Jack Cade! Jack Cade!

**CADE**

Knock him down there.

*They kill him*

**SMITH**

If this fellow be wise, he'll never call ye Jack Cade more: I think he hath a very fair warning.

**DICK**

My lord, there's an army gathered together in Smithfield.

**CADE**

Come, then, let's go fight with them; but first, go  
and set London bridge on fire; and, if you can, burn  
down the Tower too. Come, let's away.

*Exeunt*

## SCENE VII. London. Smithfield.

*Alarums. MATTHEW GOFFE is slain, and all the rest. Then enter CADE, with his company.*

**CADE**

So, sirs: now go some and pull down the Savoy;  
others to the inns of court; down with them all.

**DICK**

I have a suit unto your lordship.

**CADE**

Be it a lordship, thou shalt have it for that word.

**DICK**

Only that the laws of England may come out of your mouth.

**HOLLAND**

[Aside] Mass, 'twill be sore law, then; for he was  
thrust in the mouth with a spear, and 'tis not whole  
yet.

**SMITH**

[Aside] Nay, John, it will be stinking law for his  
breath stinks with eating toasted cheese.

**CADE**

I have thought upon it, it shall be so. Away, burn all the records of the realm: my mouth shall be the parliament of England.

## **HOLLAND**

[Aside] Then we are like to have biting statutes, unless his teeth be pulled out.

## **CADE**

And henceforward all things shall be in common.

*Enter a Messenger*

## **Messenger**

My lord, a prize, a prize! here's the Lord Say, which sold the towns in France; he that made us pay one and twenty fifteens, and one shilling to the pound, the last subsidy.

*Enter BEVIS, with Lord SAY*

## **CADE**

Well, he shall be beheaded for it ten times. Ah, thou say, thou serge, nay, thou buckram lord! now art thou within point-blank of our jurisdiction regal. What canst thou answer to my majesty for giving up of Normandy unto Mounsieur Basimecu, the dauphin of France? Be it known unto thee by these presence, even the presence of Lord Mortimer, that I am the besom that must sweep the court clean of such filth as thou art. Thou hast most traitorously corrupted the youth of the realm in erecting a grammar school; and whereas, before, our forefathers had no other books but the score and the tally, thou hast caused printing to be used, and, contrary to the king, his crown and dignity, thou hast built a paper-mill. It will be proved to thy face that thou hast men about thee that usually talk of a noun and

a verb, and such abominable words as no Christian ear can endure to hear. Thou hast appointed justices of peace, to call poor men before them about matters they were not able to answer. Moreover, thou hast put them in prison; and because they could not read, thou hast hanged them; when, indeed, only for that cause they have been most worthy to live. Thou dost ride in a foot-cloth, dost thou not?

**SAY**

What of that?

**CADE**

Marry, thou oughtest not to let thy horse wear a cloak, when honest men than thou go in their hose and doublets.

**DICK**

And work in their shirt too; as myself, for example, that am a butcher.

**SAY**

You men of Kent,--

**DICK**

What say you of Kent?

**SAY**

Nothing but this; 'tis 'bona terra, mala gens.'

**CADE**

Away with him, away with him! he speaks Latin.

**SAY**

Hear me but speak, and bear me where you will.  
Kent, in the Commentaries Caesar writ,  
Is term'd the civil'st place of this isle:  
Sweet is the country, because full of riches;  
The people liberal, valiant, active, wealthy;  
Which makes me hope you are not void of pity.  
I sold not Maine, I lost not Normandy,  
Yet, to recover them, would lose my life.  
Justice with favour have I always done;  
Prayers and tears have moved me, gifts could never.  
When have I aught exacted at your hands,  
But to maintain the king, the realm and you?  
Large gifts have I bestow'd on learned clerks,  
Because my book preferr'd me to the king,  
And seeing ignorance is the curse of God,  
Knowledge the wing wherewith we fly to heaven,  
Unless you be possess'd with devilish spirits,  
You cannot but forbear to murder me:  
This tongue hath parley'd unto foreign kings  
For your behoof,--

## **CADE**

Tut, when struck'st thou one blow in the field?

## **SAY**

Great men have reaching hands: oft have I struck  
Those that I never saw and struck them dead.

## **BEVIS**

O monstrous coward! what, to come behind folks?

## **SAY**

These cheeks are pale for watching for your good.

## **CADE**

Give him a box o' the ear and that will make 'em red again.

**SAY**

Long sitting to determine poor men's causes  
Hath made me full of sickness and diseases.

**CADE**

Ye shall have a hempen caudle, then, and the help of hatchet.

**DICK**

Why dost thou quiver, man?

**SAY**

The palsy, and not fear, provokes me.

**CADE**

Nay, he nods at us, as who should say, I'll be even  
with you: I'll see if his head will stand steadier  
on a pole, or no. Take him away, and behead him.

**SAY**

Tell me wherein have I offended most?  
Have I affected wealth or honour? speak.  
Are my chests fill'd up with extorted gold?  
Is my apparel sumptuous to behold?  
Whom have I injured, that ye seek my death?  
These hands are free from guiltless bloodshedding,  
This breast from harbouring foul deceitful thoughts.  
O, let me live!

**CADE**

[Aside] I feel remorse in myself with his words;  
but I'll bridle it: he shall die, an it be but for  
pleading so well for his life. Away with him! he  
has a familiar under his tongue; he speaks not o'  
God's name. Go, take him away, I say, and strike

off his head presently; and then break into his son-in-law's house, Sir James Cromer, and strike off his head, and bring them both upon two poles hither.

**ALL**

It shall be done.

**SAY**

Ah, countrymen! if when you make your prayers,  
God should be so obdurate as yourselves,  
How would it fare with your departed souls?  
And therefore yet relent, and save my life.

**CADE**

Away with him! and do as I command ye.

*Exeunt some with Lord SAY*

The proudest peer in the realm shall not wear a head on his shoulders, unless he pay me tribute; there shall not a maid be married, but she shall pay to me her maidenhead ere they have it: men shall hold of me in capite; and we charge and command that their wives be as free as heart can wish or tongue can tell.

**DICK**

My lord, when shall we go to Cheapside and take up commodities upon our bills?

**CADE**

Marry, presently.

**ALL**

O, brave!

*Re-enter one with the heads*

**CADE**

But is not this braver? Let them kiss one another,  
for they loved well when they were alive. Now part  
them again, lest they consult about the giving up of  
some more towns in France. Soldiers, defer the  
spoil of the city until night: for with these borne  
before us, instead of maces, will we ride through  
the streets, and at every corner have them kiss. Away!

*Exeunt*

## SCENE VIII. Southwark.

*Alarum and retreat. Enter CADE and all his rabblement*

### CADE

Up Fish Street! down Saint Magnus' Corner! Kill  
and knock down! throw them into Thames!

*Sound a parley*

What noise is this I hear? Dare any be so bold to  
sound retreat or parley, when I command them kill?

*Enter BUCKINGHAM and CLIFFORD, attended*

### BUCKINGHAM

Ay, here they be that dare and will disturb thee:  
Know, Cade, we come ambassadors from the king  
Unto the commons whom thou hast misled;  
And here pronounce free pardon to them all  
That will forsake thee and go home in peace.

### CLIFFORD

What say ye, countrymen? will ye relent,  
And yield to mercy whilst 'tis offer'd you;  
Or let a rebel lead you to your deaths?  
Who loves the king and will embrace his pardon,  
Fling up his cap, and say 'God save his majesty!'  
Who hateth him and honours not his father,  
Henry the Fifth, that made all France to quake,  
Shake he his weapon at us and pass by.

### ALL

God save the king! God save the king!

## **CADE**

What, Buckingham and Clifford, are ye so brave? And you, base peasants, do ye believe him? will you needs be hanged with your pardons about your necks? Hath my sword therefore broke through London gates, that you should leave me at the White Hart in Southwark? I thought ye would never have given out these arms till you had recovered your ancient freedom: but you are all recreants and dastards, and delight to live in slavery to the nobility. Let them break your backs with burthens, take your houses over your heads, ravish your wives and daughters before your faces: for me, I will make shift for one; and so, God's curse light upon you all!

## **ALL**

We'll follow Cade, we'll follow Cade!

## **CLIFFORD**

Is Cade the son of Henry the Fifth,  
That thus you do exclaim you'll go with him?  
Will he conduct you through the heart of France,  
And make the meanest of you earls and dukes?  
Alas, he hath no home, no place to fly to;  
Nor knows he how to live but by the spoil,  
Unless by robbing of your friends and us.  
Were't not a shame, that whilst you live at jar,  
The fearful French, whom you late vanquished,  
Should make a start o'er seas and vanquish you?  
Methinks already in this civil broil  
I see them lording it in London streets,  
Crying 'Villiago!' unto all they meet.  
Better ten thousand base-born Cades miscarry  
Than you should stoop unto a Frenchman's mercy.  
To France, to France, and get what you have lost;

Spare England, for it is your native coast;  
Henry hath money, you are strong and manly;  
God on our side, doubt not of victory.

**ALL**

A Clifford! a Clifford! we'll follow the king and Clifford.

**CADE**

Was ever feather so lightly blown to and fro as this  
multitude? The name of Henry the Fifth hales them  
to an hundred mischiefs, and makes them leave me  
desolate. I see them lay their heads together to  
surprise me. My sword make way for me, for here is  
no staying. In despite of the devils and hell, have  
through the very midst of you? and heavens and  
honour be witness, that no want of resolution in me.  
but only my followers' base and ignominious  
treasons, makes me betake me to my heels.

*Exit*

**BUCKINGHAM**

What, is he fled? Go some, and follow him;  
And he that brings his head unto the king  
Shall have a thousand crowns for his reward.

*Exeunt some of them*

Follow me, soldiers: we'll devise a mean  
To reconcile you all unto the king.

*Exeunt*

# The Second part of King Henry the Sixth

[Shakespeare homepage](#) | [Henry VI, part 2](#) | Act 4, Scene 9

[Previous scene](#) | [Next scene](#)

## SCENE IX. Kenilworth Castle.

*Sound Trumpets. Enter KING HENRY VI, QUEEN MARGARET, and SOMERSET, on the terrace*

### KING HENRY VI

Was ever king that joy'd an earthly throne,  
And could command no more content than I?  
No sooner was I crept out of my cradle  
But I was made a king, at nine months old.  
Was never subject long'd to be a king  
As I do long and wish to be a subject.

*Enter BUCKINGHAM and CLIFFORD*

### BUCKINGHAM

Health and glad tidings to your majesty!

### KING HENRY VI

Why, Buckingham, is the traitor Cade surprised?  
Or is he but retired to make him strong?

*Enter below, multitudes, with halters about their necks*

### CLIFFORD

He is fled, my lord, and all his powers do yield;  
And humbly thus, with halters on their necks,  
Expect your highness' doom of life or death.

### KING HENRY VI

Then, heaven, set ope thy everlasting gates,

To entertain my vows of thanks and praise!  
Soldiers, this day have you redeemed your lives,  
And show'd how well you love your prince and country:  
Continue still in this so good a mind,  
And Henry, though he be infortunate,  
Assure yourselves, will never be unkind:  
And so, with thanks and pardon to you all,  
I do dismiss you to your several countries.

**ALL**

God save the king! God save the king!

*Enter a Messenger*

**Messenger**

Please it your grace to be advertised  
The Duke of York is newly come from Ireland,  
And with a puissant and a mighty power  
Of gallowglasses and stout kerns  
Is marching hitherward in proud array,  
And still proclaimeth, as he comes along,  
His arms are only to remove from thee  
The Duke of Somerset, whom he terms traitor.

**KING HENRY VI**

Thus stands my state, 'twixt Cade and York distress'd.  
Like to a ship that, having 'scaped a tempest,  
Is straightway calm'd and boarded with a pirate:  
But now is Cade driven back, his men dispersed;  
And now is York in arms to second him.  
I pray thee, Buckingham, go and meet him,  
And ask him what's the reason of these arms.  
Tell him I'll send Duke Edmund to the Tower;  
And, Somerset, we'll commit thee thither,  
Until his army be dismiss'd from him.

**SOMERSET**

My lord,

I'll yield myself to prison willingly,  
Or unto death, to do my country good.

**KING HENRY VI**

In any case, be not too rough in terms;  
For he is fierce and cannot brook hard language.

**BUCKINGHAM**

I will, my lord; and doubt not so to deal  
As all things shall redound unto your good.

**KING HENRY VI**

Come, wife, let's in, and learn to govern better;  
For yet may England curse my wretched reign.

*Flourish. Exeunt*

## SCENE X. Kent. IDEN's garden.

*Enter CADE*

**CADE**

Fie on ambition! fie on myself, that have a sword,  
and yet am ready to famish! These five days have I  
hid me in these woods and durst not peep out, for  
all the country is laid for me; but now am I so  
hungry that if I might have a lease of my life for a  
thousand years I could stay no longer. Wherefore,  
on a brick wall have I climbed into this garden, to  
see if I can eat grass, or pick a sallet another  
while, which is not amiss to cool a man's stomach  
this hot weather. And I think this word 'sallet'  
was born to do me good: for many a time, but for a  
sallet, my brainpan had been cleft with a brown  
bill; and many a time, when I have been dry and  
bravely marching, it hath served me instead of a  
quart pot to drink in; and now the word 'sallet'  
must serve me to feed on.

*Enter IDEN*

**IDEN**

Lord, who would live turmoiled in the court,  
And may enjoy such quiet walks as these?  
This small inheritance my father left me  
Contenteth me, and worth a monarchy.  
I seek not to wax great by others' waning,  
Or gather wealth, I care not, with what envy:  
Sufficeth that I have maintains my state  
And sends the poor well pleased from my gate.

## CADE

Here's the lord of the soil come to seize me for a  
stray, for entering his fee-simple without leave.  
Ah, villain, thou wilt betray me, and get a thousand  
crowns of the king carrying my head to him: but  
I'll make thee eat iron like an ostrich, and swallow  
my sword like a great pin, ere thou and I part.

## IDEN

Why, rude companion, whatsoe'er thou be,  
I know thee not; why, then, should I betray thee?  
Is't not enough to break into my garden,  
And, like a thief, to come to rob my grounds,  
Climbing my walls in spite of me the owner,  
But thou wilt brave me with these saucy terms?

## CADE

Brave thee! ay, by the best blood that ever was  
broached, and beard thee too. Look on me well: I  
have eat no meat these five days; yet, come thou and  
thy five men, and if I do not leave you all as dead  
as a doornail, I pray God I may never eat grass more.

## IDEN

Nay, it shall ne'er be said, while England stands,  
That Alexander Iden, an esquire of Kent,  
Took odds to combat a poor famish'd man.  
Oppose thy steadfast-gazing eyes to mine,  
See if thou canst outface me with thy looks:  
Set limb to limb, and thou art far the lesser;  
Thy hand is but a finger to my fist,  
Thy leg a stick compared with this truncheon;  
My foot shall fight with all the strength thou hast;  
And if mine arm be heaved in the air,  
Thy grave is digg'd already in the earth.  
As for words, whose greatness answers words,  
Let this my sword report what speech forbears.

## CADE

By my valour, the most complete champion that ever I  
heard! Steel, if thou turn the edge, or cut not out  
the burly-boned clown in chins of beef ere thou  
sleep in thy sheath, I beseech God on my knees thou  
mayst be turned to hobnails.

*Here they fight. CADE falls*

O, I am slain! famine and no other hath slain me:  
let ten thousand devils come against me, and give me  
but the ten meals I have lost, and I'll defy them  
all. Wither, garden; and be henceforth a  
burying-place to all that do dwell in this house,  
because the unconquered soul of Cade is fled.

## IDEN

Is't Cade that I have slain, that monstrous traitor?  
Sword, I will hollow thee for this thy deed,  
And hang thee o'er my tomb when I am dead:  
Ne'er shall this blood be wiped from thy point;  
But thou shalt wear it as a herald's coat,  
To emblaze the honour that thy master got.

## CADE

Iden, farewell, and be proud of thy victory. Tell  
Kent from me, she hath lost her best man, and exhort  
all the world to be cowards; for I, that never  
feared any, am vanquished by famine, not by valour.

*Dies*

## IDEN

How much thou wrong'st me, heaven be my judge.  
Die, damned wretch, the curse of her that bare thee;  
And as I thrust thy body in with my sword,  
So wish I, I might thrust thy soul to hell.  
Hence will I drag thee headlong by the heels

Unto a dunghill which shall be thy grave,  
And there cut off thy most ungracious head;  
Which I will bear in triumph to the king,  
Leaving thy trunk for crows to feed upon.

*Exit*

## SCENE I. Fields between Dartford and Blackheath.

*Enter YORK, and his army of Irish, with drum and colours*

**YORK**

From Ireland thus comes York to claim his right,  
And pluck the crown from feeble Henry's head:  
Ring, bells, aloud; burn, bonfires, clear and bright,  
To entertain great England's lawful king.  
Ah! sancta majestas, who would not buy thee dear?  
Let them obey that know not how to rule;  
This hand was made to handle naught but gold.  
I cannot give due action to my words,  
Except a sword or sceptre balance it:  
A sceptre shall it have, have I a soul,  
On which I'll toss the flower-de-luce of France.

*Enter BUCKINGHAM*

Whom have we here? Buckingham, to disturb me?  
The king hath sent him, sure: I must dissemble.

**BUCKINGHAM**

York, if thou meanest well, I greet thee well.

**YORK**

Humphrey of Buckingham, I accept thy greeting.  
Art thou a messenger, or come of pleasure?

**BUCKINGHAM**

A messenger from Henry, our dread liege,  
To know the reason of these arms in peace;

Or why thou, being a subject as I am,  
Against thy oath and true allegiance sworn,  
Should raise so great a power without his leave,  
Or dare to bring thy force so near the court.

## **YORK**

[Aside] Scarce can I speak, my choler is so great:  
O, I could hew up rocks and fight with flint,  
I am so angry at these abject terms;  
And now, like Ajax Telamonius,  
On sheep or oxen could I spend my fury.  
I am far better born than is the king,  
More like a king, more kingly in my thoughts:  
But I must make fair weather yet a while,  
Till Henry be more weak and I more strong,--  
Buckingham, I prithee, pardon me,  
That I have given no answer all this while;  
My mind was troubled with deep melancholy.  
The cause why I have brought this army hither  
Is to remove proud Somerset from the king,  
Seditious to his grace and to the state.

## **BUCKINGHAM**

That is too much presumption on thy part:  
But if thy arms be to no other end,  
The king hath yielded unto thy demand:  
The Duke of Somerset is in the Tower.

## **YORK**

Upon thine honour, is he prisoner?

## **BUCKINGHAM**

Upon mine honour, he is prisoner.

## **YORK**

Then, Buckingham, I do dismiss my powers.  
Soldiers, I thank you all; disperse yourselves;

Meet me to-morrow in St. George's field,  
You shall have pay and every thing you wish.  
And let my sovereign, virtuous Henry,  
Command my eldest son, nay, all my sons,  
As pledges of my fealty and love;  
I'll send them all as willing as I live:  
Lands, goods, horse, armour, any thing I have,  
Is his to use, so Somerset may die.

## **BUCKINGHAM**

York, I commend this kind submission:  
We twain will go into his highness' tent.

*Enter KING HENRY VI and Attendants*

## **KING HENRY VI**

Buckingham, doth York intend no harm to us,  
That thus he marcheth with thee arm in arm?

## **YORK**

In all submission and humility  
York doth present himself unto your highness.

## **KING HENRY VI**

Then what intends these forces thou dost bring?

## **YORK**

To heave the traitor Somerset from hence,  
And fight against that monstrous rebel Cade,  
Who since I heard to be discomfited.

*Enter IDEN, with CADE'S head*

## **IDEN**

If one so rude and of so mean condition

May pass into the presence of a king,  
Lo, I present your grace a traitor's head,  
The head of Cade, whom I in combat slew.

**KING HENRY VI**

The head of Cade! Great God, how just art Thou!  
O, let me view his visage, being dead,  
That living wrought me such exceeding trouble.  
Tell me, my friend, art thou the man that slew him?

**IDEN**

I was, an't like your majesty.

**KING HENRY VI**

How art thou call'd? and what is thy degree?

**IDEN**

Alexander Iden, that's my name;  
A poor esquire of Kent, that loves his king.

**BUCKINGHAM**

So please it you, my lord, 'twere not amiss  
He were created knight for his good service.

**KING HENRY VI**

Iden, kneel down.

*He kneels*

Rise up a knight.  
We give thee for reward a thousand marks,  
And will that thou henceforth attend on us.

**IDEN**

May Iden live to merit such a bounty.  
And never live but true unto his liege!

*Rises*

*Enter QUEEN MARGARET and SOMERSET*

## **KING HENRY VI**

See, Buckingham, Somerset comes with the queen:  
Go, bid her hide him quickly from the duke.

## **QUEEN MARGARET**

For thousand Yorks he shall not hide his head,  
But boldly stand and front him to his face.

## **YORK**

How now! is Somerset at liberty?  
Then, York, unloose thy long-imprison'd thoughts,  
And let thy tongue be equal with thy heart.  
Shall I endure the sight of Somerset?  
False king! why hast thou broken faith with me,  
Knowing how hardly I can brook abuse?  
King did I call thee? no, thou art not king,  
Not fit to govern and rule multitudes,  
Which darest not, no, nor canst not rule a traitor.  
That head of thine doth not become a crown;  
Thy hand is made to grasp a palmer's staff,  
And not to grace an awful princely sceptre.  
That gold must round engirt these brows of mine,  
Whose smile and frown, like to Achilles' spear,  
Is able with the change to kill and cure.  
Here is a hand to hold a sceptre up  
And with the same to act controlling laws.  
Give place: by heaven, thou shalt rule no more  
O'er him whom heaven created for thy ruler.

## **SOMERSET**

O monstrous traitor! I arrest thee, York,

Of capital treason 'gainst the king and crown;  
Obey, audacious traitor; kneel for grace.

## **YORK**

Wouldst have me kneel? first let me ask of these,  
If they can brook I bow a knee to man.  
Sirrah, call in my sons to be my bail;

*Exit Attendant*

I know, ere they will have me go to ward,  
They'll pawn their swords for my enfranchisement.

## **QUEEN MARGARET**

Call hither Clifford! bid him come amain,  
To say if that the bastard boys of York  
Shall be the surety for their traitor father.

*Exit BUCKINGHAM*

## **YORK**

O blood-besotted Neapolitan,  
Outcast of Naples, England's bloody scourge!  
The sons of York, thy betters in their birth,  
Shall be their father's bail; and bane to those  
That for my surety will refuse the boys!

*Enter EDWARD and RICHARD*

See where they come: I'll warrant they'll  
make it good.

*Enter CLIFFORD and YOUNG CLIFFORD*

## **QUEEN MARGARET**

And here comes Clifford to deny their bail.

## **CLIFFORD**

Health and all happiness to my lord the king!

*Kneels*

## **YORK**

I thank thee, Clifford: say, what news with thee?  
Nay, do not fright us with an angry look;  
We are thy sovereign, Clifford, kneel again;  
For thy mistaking so, we pardon thee.

## **CLIFFORD**

This is my king, York, I do not mistake;  
But thou mistakest me much to think I do:  
To Bedlam with him! is the man grown mad?

## **KING HENRY VI**

Ay, Clifford; a bedlam and ambitious humour  
Makes him oppose himself against his king.

## **CLIFFORD**

He is a traitor; let him to the Tower,  
And chop away that factious pate of his.

## **QUEEN MARGARET**

He is arrested, but will not obey;  
His sons, he says, shall give their words for him.

## **YORK**

Will you not, sons?

## **EDWARD**

Ay, noble father, if our words will serve.

**RICHARD**

And if words will not, then our weapons shall.

**CLIFFORD**

Why, what a brood of traitors have we here!

**YORK**

Look in a glass, and call thy image so:  
I am thy king, and thou a false-heart traitor.  
Call hither to the stake my two brave bears,  
That with the very shaking of their chains  
They may astonish these fell-lurking curs:  
Bid Salisbury and Warwick come to me.

*Enter the WARWICK and SALISBURY*

**CLIFFORD**

Are these thy bears? we'll bait thy bears to death.  
And manacle the bear-ward in their chains,  
If thou darest bring them to the baiting place.

**RICHARD**

Oft have I seen a hot o'erweening cur  
Run back and bite, because he was withheld;  
Who, being suffer'd with the bear's fell paw,  
Hath clapp'd his tail between his legs and cried:  
And such a piece of service will you do,  
If you oppose yourselves to match Lord Warwick.

**CLIFFORD**

Hence, heap of wrath, foul indigested lump,  
As crooked in thy manners as thy shape!

**YORK**

Nay, we shall heat you thoroughly anon.

**CLIFFORD**

Take heed, lest by your heat you burn yourselves.

**KING HENRY VI**

Why, Warwick, hath thy knee forgot to bow?  
Old Salisbury, shame to thy silver hair,  
Thou mad misleader of thy brain-sick son!  
What, wilt thou on thy death-bed play the ruffian,  
And seek for sorrow with thy spectacles?  
O, where is faith? O, where is loyalty?  
If it be banish'd from the frosty head,  
Where shall it find a harbour in the earth?  
Wilt thou go dig a grave to find out war,  
And shame thine honourable age with blood?  
Why art thou old, and want'st experience?  
Or wherefore dost abuse it, if thou hast it?  
For shame! in duty bend thy knee to me  
That bows unto the grave with mickle age.

**SALISBURY**

My lord, I have consider'd with myself  
The title of this most renowned duke;  
And in my conscience do repute his grace  
The rightful heir to England's royal seat.

**KING HENRY VI**

Hast thou not sworn allegiance unto me?

**SALISBURY**

I have.

**KING HENRY VI**

Canst thou dispense with heaven for such an oath?

## **SALISBURY**

It is great sin to swear unto a sin,  
But greater sin to keep a sinful oath.  
Who can be bound by any solemn vow  
To do a murderous deed, to rob a man,  
To force a spotless virgin's chastity,  
To reave the orphan of his patrimony,  
To wring the widow from her custom'd right,  
And have no other reason for this wrong  
But that he was bound by a solemn oath?

## **QUEEN MARGARET**

A subtle traitor needs no sophister.

## **KING HENRY VI**

Call Buckingham, and bid him arm himself.

## **YORK**

Call Buckingham, and all the friends thou hast,  
I am resolved for death or dignity.

## **CLIFFORD**

The first I warrant thee, if dreams prove true.

## **WARWICK**

You were best to go to bed and dream again,  
To keep thee from the tempest of the field.

## **CLIFFORD**

I am resolved to bear a greater storm  
Than any thou canst conjure up to-day;  
And that I'll write upon thy burgonet,  
Might I but know thee by thy household badge.

## **WARWICK**

Now, by my father's badge, old Nevil's crest,  
The rampant bear chain'd to the ragged staff,  
This day I'll wear aloft my burgonet,  
As on a mountain top the cedar shows  
That keeps his leaves in spite of any storm,  
Even to affright thee with the view thereof.

## **CLIFFORD**

And from thy burgonet I'll rend thy bear  
And tread it under foot with all contempt,  
Despite the bear-ward that protects the bear.

## **YOUNG CLIFFORD**

And so to arms, victorious father,  
To quell the rebels and their complices.

## **RICHARD**

Fie! charity, for shame! speak not in spite,  
For you shall sup with Jesu Christ to-night.

## **YOUNG CLIFFORD**

Foul stigmatic, that's more than thou canst tell.

## **RICHARD**

If not in heaven, you'll surely sup in hell.

*Exeunt severally*

[Shakespeare homepage](#) | [Henry VI, part 2](#) | Act 5, Scene 2

[Previous scene](#) | [Next scene](#)

## SCENE II. Saint Alban's.

*Alarums to the battle. Enter WARWICK*

### WARWICK

Clifford of Cumberland, 'tis Warwick calls:  
And if thou dost not hide thee from the bear,  
Now, when the angry trumpet sounds alarum  
And dead men's cries do fill the empty air,  
Clifford, I say, come forth and fight with me:  
Proud northern lord, Clifford of Cumberland,  
Warwick is hoarse with calling thee to arms.

*Enter YORK*

How now, my noble lord? what, all afoot?

### YORK

The deadly-handed Clifford slew my steed,  
But match to match I have encounter'd him  
And made a prey for carrion kites and crows  
Even of the bonny beast he loved so well.

*Enter CLIFFORD*

### WARWICK

Of one or both of us the time is come.

### YORK

Hold, Warwick, seek thee out some other chase,  
For I myself must hunt this deer to death.

## **WARWICK**

Then, nobly, York; 'tis for a crown thou fight'st.  
As I intend, Clifford, to thrive to-day,  
It grieves my soul to leave thee unassail'd.

*Exit*

## **CLIFFORD**

What seest thou in me, York? why dost thou pause?

## **YORK**

With thy brave bearing should I be in love,  
But that thou art so fast mine enemy.

## **CLIFFORD**

Nor should thy prowess want praise and esteem,  
But that 'tis shown ignobly and in treason.

## **YORK**

So let it help me now against thy sword  
As I in justice and true right express it.

## **CLIFFORD**

My soul and body on the action both!

## **YORK**

A dreadful lay! Address thee instantly.

*They fight, and CLIFFORD falls*

## **CLIFFORD**

La fin couronne les oeuvres.

*Dies*

**YORK**

Thus war hath given thee peace, for thou art still.  
Peace with his soul, heaven, if it be thy will!

*Exit*

*Enter YOUNG CLIFFORD*

**YOUNG CLIFFORD**

Shame and confusion! all is on the rout;  
Fear frames disorder, and disorder wounds  
Where it should guard. O war, thou son of hell,  
Whom angry heavens do make their minister  
Throw in the frozen bosoms of our part  
Hot coals of vengeance! Let no soldier fly.  
He that is truly dedicate to war  
Hath no self-love, nor he that loves himself  
Hath not essentially but by circumstance  
The name of valour.

*Seeing his dead father*

O, let the vile world end,  
And the promised flames of the last day  
Knit earth and heaven together!  
Now let the general trumpet blow his blast,  
Particularities and petty sounds  
To cease! Wast thou ordain'd, dear father,  
To lose thy youth in peace, and to achieve  
The silver livery of advised age,  
And, in thy reverence and thy chair-days, thus  
To die in ruffian battle? Even at this sight  
My heart is turn'd to stone: and while 'tis mine,  
It shall be stony. York not our old men spares;  
No more will I their babes: tears virginal  
Shall be to me even as the dew to fire,  
And beauty that the tyrant oft reclaims  
Shall to my flaming wrath be oil and flax.

Henceforth I will not have to do with pity:  
Meet I an infant of the house of York,  
Into as many gobbets will I cut it  
As wild Medea young Absyrtus did:  
In cruelty will I seek out my fame.  
Come, thou new ruin of old Clifford's house:  
As did AEneas old Anchises bear,  
So bear I thee upon my manly shoulders;  
But then AEneas bare a living load,  
Nothing so heavy as these woes of mine.

*Exit, bearing off his father*

*Enter RICHARD and SOMERSET to fight. SOMERSET is killed*

## **RICHARD**

So, lie thou there;  
For underneath an alehouse' paltry sign,  
The Castle in Saint Alban's, Somerset  
Hath made the wizard famous in his death.  
Sword, hold thy temper; heart, be wrathful still:  
Priests pray for enemies, but princes kill.

*Exit*

*Fight: excursions. Enter KING HENRY VI, QUEEN MARGARET, and others*

## **QUEEN MARGARET**

Away, my lord! you are slow; for shame, away!

## **KING HENRY VI**

Can we outrun the heavens? good Margaret, stay.

## **QUEEN MARGARET**

What are you made of? you'll nor fight nor fly:  
Now is it manhood, wisdom and defence,  
To give the enemy way, and to secure us  
By what we can, which can no more but fly.

*Alarum afar off*

If you be ta'en, we then should see the bottom  
Of all our fortunes: but if we haply scape,  
As well we may, if not through your neglect,  
We shall to London get, where you are loved  
And where this breach now in our fortunes made  
May readily be stopp'd.

*Re-enter YOUNG CLIFFORD*

**YOUNG CLIFFORD**

But that my heart's on future mischief set,  
I would speak blasphemy ere bid you fly:  
But fly you must; uncurable discomfit  
Reigns in the hearts of all our present parts.  
Away, for your relief! and we will live  
To see their day and them our fortune give:  
Away, my lord, away!

*Exeunt*

[Previous scene](#) | [Next scene](#)

# The Second part of King Henry the Sixth

[Shakespeare homepage](#) | [Henry VI, part 2](#) | Act 5, Scene 3

[Previous scene](#)

## SCENE III. Fields near St. Alban's.

*Alarum. Retreat. Enter YORK, RICHARD, WARWICK, and Soldiers, with drum and colours*

### YORK

Of Salisbury, who can report of him,  
That winter lion, who in rage forgets  
Aged contusions and all brush of time,  
And, like a gallant in the brow of youth,  
Repairs him with occasion? This happy day  
Is not itself, nor have we won one foot,  
If Salisbury be lost.

### RICHARD

My noble father,  
Three times to-day I holp him to his horse,  
Three times bestrid him; thrice I led him off,  
Persuaded him from any further act:  
But still, where danger was, still there I met him;  
And like rich hangings in a homely house,  
So was his will in his old feeble body.  
But, noble as he is, look where he comes.

*Enter SALISBURY*

### SALISBURY

Now, by my sword, well hast thou fought to-day;  
By the mass, so did we all. I thank you, Richard:  
God knows how long it is I have to live;  
And it hath pleased him that three times to-day  
You have defended me from imminent death.  
Well, lords, we have not got that which we have:

'Tis not enough our foes are this time fled,  
Being opposites of such repairing nature.

## **YORK**

I know our safety is to follow them;  
For, as I hear, the king is fled to London,  
To call a present court of parliament.  
Let us pursue him ere the writs go forth.  
What says Lord Warwick? shall we after them?

## **WARWICK**

After them! nay, before them, if we can.  
Now, by my faith, lords, 'twas a glorious day:  
Saint Alban's battle won by famous York  
Shall be eternized in all age to come.  
Sound drums and trumpets, and to London all:  
And more such days as these to us befall!

*Exeunt*

# The Third part of King Henry the Sixth

[Shakespeare homepage](#) | [Henry VI, part 3](#) | Act 1, Scene 1

[Next scene](#)

## SCENE I. London. The Parliament-house.

*Alarum. Enter YORK, EDWARD, RICHARD, NORFOLK, MONTAGUE, WARWICK, and Soldiers*

### WARWICK

I wonder how the king escaped our hands.

### YORK

While we pursued the horsemen of the north,  
He slily stole away and left his men:  
Whereat the great Lord of Northumberland,  
Whose warlike ears could never brook retreat,  
Cheer'd up the drooping army; and himself,  
Lord Clifford and Lord Stafford, all abreast,  
Charged our main battle's front, and breaking in  
Were by the swords of common soldiers slain.

### EDWARD

Lord Stafford's father, Duke of Buckingham,  
Is either slain or wounded dangerously;  
I cleft his beaver with a downright blow:  
That this is true, father, behold his blood.

### MONTAGUE

And, brother, here's the Earl of Wiltshire's blood,  
Whom I encounter'd as the battles join'd.

### RICHARD

Speak thou for me and tell them what I did.

*Throwing down SOMERSET's head*

**YORK**

Richard hath best deserved of all my sons.  
But is your grace dead, my Lord of Somerset?

**NORFOLK**

Such hope have all the line of John of Gaunt!

**RICHARD**

Thus do I hope to shake King Henry's head.

**WARWICK**

And so do I. Victorious Prince of York,  
Before I see thee seated in that throne  
Which now the house of Lancaster usurps,  
I vow by heaven these eyes shall never close.  
This is the palace of the fearful king,  
And this the regal seat: possess it, York;  
For this is thine and not King Henry's heirs'

**YORK**

Assist me, then, sweet Warwick, and I will;  
For hither we have broken in by force.

**NORFOLK**

We'll all assist you; he that flies shall die.

**YORK**

Thanks, gentle Norfolk: stay by me, my lords;  
And, soldiers, stay and lodge by me this night.

*They go up*

## **WARWICK**

And when the king comes, offer no violence,  
Unless he seek to thrust you out perforce.

## **YORK**

The queen this day here holds her parliament,  
But little thinks we shall be of her council:  
By words or blows here let us win our right.

## **RICHARD**

Arm'd as we are, let's stay within this house.

## **WARWICK**

The bloody parliament shall this be call'd,  
Unless Plantagenet, Duke of York, be king,  
And bashful Henry deposed, whose cowardice  
Hath made us by-words to our enemies.

## **YORK**

Then leave me not, my lords; be resolute;  
I mean to take possession of my right.

## **WARWICK**

Neither the king, nor he that loves him best,  
The proudest he that holds up Lancaster,  
Dares stir a wing, if Warwick shake his bells.  
I'll plant Plantagenet, root him up who dares:  
Resolve thee, Richard; claim the English crown.

*Flourish. Enter KING HENRY VI, CLIFFORD, NORTHUMBERLAND,  
WESTMORELAND, EXETER, and the rest*

## **KING HENRY VI**

My lords, look where the sturdy rebel sits,

Even in the chair of state: belike he means,  
Back'd by the power of Warwick, that false peer,  
To aspire unto the crown and reign as king.  
Earl of Northumberland, he slew thy father.  
And thine, Lord Clifford; and you both have vow'd revenge  
On him, his sons, his favourites and his friends.

## **NORTHUMBERLAND**

If I be not, heavens be revenged on me!

## **CLIFFORD**

The hope thereof makes Clifford mourn in steel.

## **WESTMORELAND**

What, shall we suffer this? let's pluck him down:  
My heart for anger burns; I cannot brook it.

## **KING HENRY VI**

Be patient, gentle Earl of Westmoreland.

## **CLIFFORD**

Patience is for poltroons, such as he:  
He durst not sit there, had your father lived.  
My gracious lord, here in the parliament  
Let us assail the family of York.

## **NORTHUMBERLAND**

Well hast thou spoken, cousin: be it so.

## **KING HENRY VI**

Ah, know you not the city favours them,  
And they have troops of soldiers at their beck?

## **EXETER**

But when the duke is slain, they'll quickly fly.

**KING HENRY VI**

Far be the thought of this from Henry's heart,  
To make a shambles of the parliament-house!  
Cousin of Exeter, frowns, words and threats  
Shall be the war that Henry means to use.  
Thou factious Duke of York, descend my throne,  
and kneel for grace and mercy at my feet;  
I am thy sovereign.

**YORK**

I am thine.

**EXETER**

For shame, come down: he made thee Duke of York.

**YORK**

'Twas my inheritance, as the earldom was.

**EXETER**

Thy father was a traitor to the crown.

**WARWICK**

Exeter, thou art a traitor to the crown  
In following this usurping Henry.

**CLIFFORD**

Whom should he follow but his natural king?

**WARWICK**

True, Clifford; and that's Richard Duke of York.

## **KING HENRY VI**

And shall I stand, and thou sit in my throne?

## **YORK**

It must and shall be so: content thyself.

## **WARWICK**

Be Duke of Lancaster; let him be king.

## **WESTMORELAND**

He is both king and Duke of Lancaster;  
And that the Lord of Westmoreland shall maintain.

## **WARWICK**

And Warwick shall disprove it. You forget  
That we are those which chased you from the field  
And slew your fathers, and with colours spread  
March'd through the city to the palace gates.

## **NORTHUMBERLAND**

Yes, Warwick, I remember it to my grief;  
And, by his soul, thou and thy house shall rue it.

## **WESTMORELAND**

Plantagenet, of thee and these thy sons,  
Thy kinsman and thy friends, I'll have more lives  
Than drops of blood were in my father's veins.

## **CLIFFORD**

Urge it no more; lest that, instead of words,  
I send thee, Warwick, such a messenger  
As shall revenge his death before I stir.

## **WARWICK**

Poor Clifford! how I scorn his worthless threats!

## **YORK**

Will you we show our title to the crown?  
If not, our swords shall plead it in the field.

## **KING HENRY VI**

What title hast thou, traitor, to the crown?  
Thy father was, as thou art, Duke of York;  
Thy grandfather, Roger Mortimer, Earl of March:  
I am the son of Henry the Fifth,  
Who made the Dauphin and the French to stoop  
And seized upon their towns and provinces.

## **WARWICK**

Talk not of France, sith thou hast lost it all.

## **KING HENRY VI**

The lord protector lost it, and not I:  
When I was crown'd I was but nine months old.

## **RICHARD**

You are old enough now, and yet, methinks, you lose.  
Father, tear the crown from the usurper's head.

## **EDWARD**

Sweet father, do so; set it on your head.

## **MONTAGUE**

Good brother, as thou lovest and honourest arms,  
Let's fight it out and not stand cavilling thus.

**RICHARD**

Sound drums and trumpets, and the king will fly.

**YORK**

Sons, peace!

**KING HENRY VI**

Peace, thou! and give King Henry leave to speak.

**WARWICK**

Plantagenet shall speak first: hear him, lords;  
And be you silent and attentive too,  
For he that interrupts him shall not live.

**KING HENRY VI**

Think'st thou that I will leave my kingly throne,  
Wherein my grandsire and my father sat?  
No: first shall war unpeople this my realm;  
Ay, and their colours, often borne in France,  
And now in England to our heart's great sorrow,  
Shall be my winding-sheet. Why faint you, lords?  
My title's good, and better far than his.

**WARWICK**

Prove it, Henry, and thou shalt be king.

**KING HENRY VI**

Henry the Fourth by conquest got the crown.

**YORK**

'Twas by rebellion against his king.

**KING HENRY VI**

[Aside] I know not what to say; my title's weak.--  
Tell me, may not a king adopt an heir?

**YORK**

What then?

**KING HENRY VI**

An if he may, then am I lawful king;  
For Richard, in the view of many lords,  
Resign'd the crown to Henry the Fourth,  
Whose heir my father was, and I am his.

**YORK**

He rose against him, being his sovereign,  
And made him to resign his crown perforce.

**WARWICK**

Suppose, my lords, he did it unconstrain'd,  
Think you 'twere prejudicial to his crown?

**EXETER**

No; for he could not so resign his crown  
But that the next heir should succeed and reign.

**KING HENRY VI**

Art thou against us, Duke of Exeter?

**EXETER**

His is the right, and therefore pardon me.

**YORK**

Why whisper you, my lords, and answer not?

## **EXETER**

My conscience tells me he is lawful king.

## **KING HENRY VI**

[Aside] All will revolt from me, and turn to him.

## **NORTHUMBERLAND**

Plantagenet, for all the claim thou lay'st,  
Think not that Henry shall be so deposed.

## **WARWICK**

Deposed he shall be, in despite of all.

## **NORTHUMBERLAND**

Thou art deceived: 'tis not thy southern power,  
Of Essex, Norfolk, Suffolk, nor of Kent,  
Which makes thee thus presumptuous and proud,  
Can set the duke up in despite of me.

## **CLIFFORD**

King Henry, be thy title right or wrong,  
Lord Clifford vows to fight in thy defence:  
May that ground gape and swallow me alive,  
Where I shall kneel to him that slew my father!

## **KING HENRY VI**

O Clifford, how thy words revive my heart!

## **YORK**

Henry of Lancaster, resign thy crown.  
What mutter you, or what conspire you, lords?

## **WARWICK**

Do right unto this princely Duke of York,  
Or I will fill the house with armed men,  
And over the chair of state, where now he sits,  
Write up his title with usurping blood.

*He stamps with his foot and the soldiers show themselves*

## **KING HENRY VI**

My Lord of Warwick, hear me but one word:  
Let me for this my life-time reign as king.

## **YORK**

Confirm the crown to me and to mine heirs,  
And thou shalt reign in quiet while thou livest.

## **KING HENRY VI**

I am content: Richard Plantagenet,  
Enjoy the kingdom after my decease.

## **CLIFFORD**

What wrong is this unto the prince your son!

## **WARWICK**

What good is this to England and himself!

## **WESTMORELAND**

Base, fearful and despairing Henry!

## **CLIFFORD**

How hast thou injured both thyself and us!

## **WESTMORELAND**

I cannot stay to hear these articles.

**NORTHUMBERLAND**

Nor I.

**CLIFFORD**

Come, cousin, let us tell the queen these news.

**WESTMORELAND**

Farewell, faint-hearted and degenerate king,  
In whose cold blood no spark of honour bides.

**NORTHUMBERLAND**

Be thou a prey unto the house of York,  
And die in bands for this unmanly deed!

**CLIFFORD**

In dreadful war mayst thou be overcome,  
Or live in peace abandon'd and despised!

*Exeunt NORTHUMBERLAND, CLIFFORD, and WESTMORELAND*

**WARWICK**

Turn this way, Henry, and regard them not.

**EXETER**

They seek revenge and therefore will not yield.

**KING HENRY VI**

Ah, Exeter!

**WARWICK**

Why should you sigh, my lord?

**KING HENRY VI**

Not for myself, Lord Warwick, but my son,  
Whom I unnaturally shall disinherit.  
But be it as it may: I here entail  
The crown to thee and to thine heirs for ever;  
Conditionally, that here thou take an oath  
To cease this civil war, and, whilst I live,  
To honour me as thy king and sovereign,  
And neither by treason nor hostility  
To seek to put me down and reign thyself.

**YORK**

This oath I willingly take and will perform.

**WARWICK**

Long live King Henry! Plantagenet embrace him.

**KING HENRY VI**

And long live thou and these thy forward sons!

**YORK**

Now York and Lancaster are reconciled.

**EXETER**

Accursed be he that seeks to make them foes!

*Sennet. Here they come down*

**YORK**

Farewell, my gracious lord; I'll to my castle.

## **WARWICK**

And I'll keep London with my soldiers.

## **NORFOLK**

And I to Norfolk with my followers.

## **MONTAGUE**

And I unto the sea from whence I came.

*Exeunt YORK, EDWARD, EDMUND, GEORGE, RICHARD, WARWICK, NORFOLK, MONTAGUE, their Soldiers, and Attendants*

## **KING HENRY VI**

And I, with grief and sorrow, to the court.

*Enter QUEEN MARGARET and PRINCE EDWARD*

## **EXETER**

Here comes the queen, whose looks bewray her anger:  
I'll steal away.

## **KING HENRY VI**

Exeter, so will I.

## **QUEEN MARGARET**

Nay, go not from me; I will follow thee.

## **KING HENRY VI**

Be patient, gentle queen, and I will stay.

## **QUEEN MARGARET**

Who can be patient in such extremes?

Ah, wretched man! would I had died a maid  
And never seen thee, never borne thee son,  
Seeing thou hast proved so unnatural a father  
Hath he deserved to lose his birthright thus?  
Hadst thou but loved him half so well as I,  
Or felt that pain which I did for him once,  
Or nourish'd him as I did with my blood,  
Thou wouldst have left thy dearest heart-blood there,  
Rather than have that savage duke thine heir  
And disinherited thine only son.

## **PRINCE EDWARD**

Father, you cannot disinherit me:  
If you be king, why should not I succeed?

## **KING HENRY VI**

Pardon me, Margaret; pardon me, sweet son:  
The Earl of Warwick and the duke enforced me.

## **QUEEN MARGARET**

Enforced thee! art thou king, and wilt be forced?  
I shame to hear thee speak. Ah, timorous wretch!  
Thou hast undone thyself, thy son and me;  
And given unto the house of York such head  
As thou shalt reign but by their sufferance.  
To entail him and his heirs unto the crown,  
What is it, but to make thy sepulchre  
And creep into it far before thy time?  
Warwick is chancellor and the lord of Calais;  
Stern Falconbridge commands the narrow seas;  
The duke is made protector of the realm;  
And yet shalt thou be safe? such safety finds  
The trembling lamb environed with wolves.  
Had I been there, which am a silly woman,  
The soldiers should have toss'd me on their pikes  
Before I would have granted to that act.  
But thou preferr'st thy life before thine honour:  
And seeing thou dost, I here divorce myself  
Both from thy table, Henry, and thy bed,

Until that act of parliament be repeal'd  
Whereby my son is disinherited.  
The northern lords that have forsworn thy colours  
Will follow mine, if once they see them spread;  
And spread they shall be, to thy foul disgrace  
And utter ruin of the house of York.  
Thus do I leave thee. Come, son, let's away;  
Our army is ready; come, we'll after them.

**KING HENRY VI**

Stay, gentle Margaret, and hear me speak.

**QUEEN MARGARET**

Thou hast spoke too much already: get thee gone.

**KING HENRY VI**

Gentle son Edward, thou wilt stay with me?

**QUEEN MARGARET**

Ay, to be murder'd by his enemies.

**PRINCE EDWARD**

When I return with victory from the field  
I'll see your grace: till then I'll follow her.

**QUEEN MARGARET**

Come, son, away; we may not linger thus.

*Exeunt QUEEN MARGARET and PRINCE EDWARD*

**KING HENRY VI**

Poor queen! how love to me and to her son  
Hath made her break out into terms of rage!  
Revenged may she be on that hateful duke,

Whose haughty spirit, winged with desire,  
Will cost my crown, and like an empty eagle  
Tire on the flesh of me and of my son!  
The loss of those three lords torments my heart:  
I'll write unto them and entreat them fair.  
Come, cousin you shall be the messenger.

## **EXETER**

And I, I hope, shall reconcile them all.

*Exeunt*

## SCENE II. Sandal Castle.

*Enter RICHARD, EDWARD, and MONTAGUE*

**RICHARD**

Brother, though I be youngest, give me leave.

**EDWARD**

No, I can better play the orator.

**MONTAGUE**

But I have reasons strong and forcible.

*Enter YORK*

**YORK**

Why, how now, sons and brother! at a strife?  
What is your quarrel? how began it first?

**EDWARD**

No quarrel, but a slight contention.

**YORK**

About what?

**RICHARD**

About that which concerns your grace and us;  
The crown of England, father, which is yours.

**YORK**

Mine boy? not till King Henry be dead.

**RICHARD**

Your right depends not on his life or death.

**EDWARD**

Now you are heir, therefore enjoy it now:  
By giving the house of Lancaster leave to breathe,  
It will outrun you, father, in the end.

**YORK**

I took an oath that he should quietly reign.

**EDWARD**

But for a kingdom any oath may be broken:  
I would break a thousand oaths to reign one year.

**RICHARD**

No; God forbid your grace should be forsworn.

**YORK**

I shall be, if I claim by open war.

**RICHARD**

I'll prove the contrary, if you'll hear me speak.

**YORK**

Thou canst not, son; it is impossible.

**RICHARD**

An oath is of no moment, being not took  
Before a true and lawful magistrate,  
That hath authority over him that swears:  
Henry had none, but did usurp the place;  
Then, seeing 'twas he that made you to depose,  
Your oath, my lord, is vain and frivolous.  
Therefore, to arms! And, father, do but think  
How sweet a thing it is to wear a crown;  
Within whose circuit is Elysium  
And all that poets feign of bliss and joy.  
Why do we finger thus? I cannot rest  
Until the white rose that I wear be dyed  
Even in the lukewarm blood of Henry's heart.

## **YORK**

Richard, enough; I will be king, or die.  
Brother, thou shalt to London presently,  
And whet on Warwick to this enterprise.  
Thou, Richard, shalt to the Duke of Norfolk,  
And tell him privily of our intent.  
You Edward, shall unto my Lord Cobham,  
With whom the Kentishmen will willingly rise:  
In them I trust; for they are soldiers,  
Witty, courteous, liberal, full of spirit.  
While you are thus employ'd, what resteth more,  
But that I seek occasion how to rise,  
And yet the king not privy to my drift,  
Nor any of the house of Lancaster?

*Enter a Messenger*

But, stay: what news? Why comest thou in such post?

## **Messenger**

The queen with all the northern earls and lords  
Intend here to besiege you in your castle:  
She is hard by with twenty thousand men;  
And therefore fortify your hold, my lord.

## **YORK**

Ay, with my sword. What! think'st thou that we fear them?  
Edward and Richard, you shall stay with me;  
My brother Montague shall post to London:  
Let noble Warwick, Cobham, and the rest,  
Whom we have left protectors of the king,  
With powerful policy strengthen themselves,  
And trust not simple Henry nor his oaths.

## **MONTAGUE**

Brother, I go; I'll win them, fear it not:  
And thus most humbly I do take my leave.

*Exit*

*Enter JOHN MORTIMER and HUGH MORTIMER*

Sir John and Sir Hugh Mortimer, mine uncles,  
You are come to Sandal in a happy hour;  
The army of the queen mean to besiege us.

## **JOHN MORTIMER**

She shall not need; we'll meet her in the field.

## **YORK**

What, with five thousand men?

## **RICHARD**

Ay, with five hundred, father, for a need:  
A woman's general; what should we fear?

*A march afar off*

## **EDWARD**

I hear their drums: let's set our men in order,  
And issue forth and bid them battle straight.

## YORK

Five men to twenty! though the odds be great,  
I doubt not, uncle, of our victory.  
Many a battle have I won in France,  
When as the enemy hath been ten to one:  
Why should I not now have the like success?

*Alarum. Exeunt*

## SCENE III. Field of battle betwixt Sandal Castle and Wakefield.

*Alarums. Enter RUTLAND and his Tutor*

**RUTLAND**

Ah, whither shall I fly to 'scape their hands?  
Ah, tutor, look where bloody Clifford comes!

*Enter CLIFFORD and Soldiers*

**CLIFFORD**

Chaplain, away! thy priesthood saves thy life.  
As for the brat of this accursed duke,  
Whose father slew my father, he shall die.

**Tutor**

And I, my lord, will bear him company.

**CLIFFORD**

Soldiers, away with him!

**Tutor**

Ah, Clifford, murder not this innocent child,  
Lest thou be hated both of God and man!

*Exit, dragged off by Soldiers*

**CLIFFORD**

How now! is he dead already? or is it fear

That makes him close his eyes? I'll open them.

## **RUTLAND**

So looks the pent-up lion o'er the wretch  
That trembles under his devouring paws;  
And so he walks, insulting o'er his prey,  
And so he comes, to rend his limbs asunder.  
Ah, gentle Clifford, kill me with thy sword,  
And not with such a cruel threatening look.  
Sweet Clifford, hear me speak before I die.  
I am too mean a subject for thy wrath:  
Be thou revenged on men, and let me live.

## **CLIFFORD**

In vain thou speak'st, poor boy; my father's blood  
Hath stopp'd the passage where thy words should enter.

## **RUTLAND**

Then let my father's blood open it again:  
He is a man, and, Clifford, cope with him.

## **CLIFFORD**

Had thy brethren here, their lives and thine  
Were not revenge sufficient for me;  
No, if I digg'd up thy forefathers' graves  
And hung their rotten coffins up in chains,  
It could not slake mine ire, nor ease my heart.  
The sight of any of the house of York  
Is as a fury to torment my soul;  
And till I root out their accursed line  
And leave not one alive, I live in hell.  
Therefore--

*Lifting his hand*

## **RUTLAND**

O, let me pray before I take my death!

To thee I pray; sweet Clifford, pity me!

**CLIFFORD**

Such pity as my rapier's point affords.

**RUTLAND**

I never did thee harm: why wilt thou slay me?

**CLIFFORD**

Thy father hath.

**RUTLAND**

But 'twas ere I was born.  
Thou hast one son; for his sake pity me,  
Lest in revenge thereof, sith God is just,  
He be as miserably slain as I.  
Ah, let me live in prison all my days;  
And when I give occasion of offence,  
Then let me die, for now thou hast no cause.

**CLIFFORD**

No cause!  
Thy father slew my father; therefore, die.

*Stabs him*

**RUTLAND**

Di faciant laudis summa sit ista tuae!

*Dies*

**CLIFFORD**

Plantagenet! I come, Plantagenet!  
And this thy son's blood cleaving to my blade

Shall rust upon my weapon, till thy blood,  
Congeal'd with this, do make me wipe off both.

*Exit*

## SCENE IV. Another part of the field.

*Alarum. Enter YORK*

**YORK**

The army of the queen hath got the field:  
My uncles both are slain in rescuing me;  
And all my followers to the eager foe  
Turn back and fly, like ships before the wind  
Or lambs pursued by hunger-starved wolves.  
My sons, God knows what hath bechanced them:  
But this I know, they have demean'd themselves  
Like men born to renown by life or death.  
Three times did Richard make a lane to me.  
And thrice cried 'Courage, father! fight it out!'  
And full as oft came Edward to my side,  
With purple falchion, painted to the hilt  
In blood of those that had encounter'd him:  
And when the hardiest warriors did retire,  
Richard cried 'Charge! and give no foot of ground!'  
And cried 'A crown, or else a glorious tomb!  
A sceptre, or an earthly sepulchre!'  
With this, we charged again: but, out, alas!  
We bodged again; as I have seen a swan  
With bootless labour swim against the tide  
And spend her strength with over-matching waves.

*A short alarum within*

Ah, hark! the fatal followers do pursue;  
And I am faint and cannot fly their fury:  
And were I strong, I would not shun their fury:  
The sands are number'd that make up my life;  
Here must I stay, and here my life must end.

*Enter QUEEN MARGARET, CLIFFORD, NORTHUMBERLAND, PRINCE EDWARD,*

*and Soldiers*

Come, bloody Clifford, rough Northumberland,  
I dare your quenchless fury to more rage:  
I am your butt, and I abide your shot.

## **NORTHUMBERLAND**

Yield to our mercy, proud Plantagenet.

## **CLIFFORD**

Ay, to such mercy as his ruthless arm,  
With downright payment, show'd unto my father.  
Now Phaethon hath tumbled from his car,  
And made an evening at the noontide prick.

## **YORK**

My ashes, as the phoenix, may bring forth  
A bird that will revenge upon you all:  
And in that hope I throw mine eyes to heaven,  
Scorning whate'er you can afflict me with.  
Why come you not? what! multitudes, and fear?

## **CLIFFORD**

So cowards fight when they can fly no further;  
So doves do peck the falcon's piercing talons;  
So desperate thieves, all hopeless of their lives,  
Breathe out invectives 'gainst the officers.

## **YORK**

O Clifford, but bethink thee once again,  
And in thy thought o'er-run my former time;  
And, if though canst for blushing, view this face,  
And bite thy tongue, that slanders him with cowardice  
Whose frown hath made thee faint and fly ere this!

## **CLIFFORD**

I will not bandy with thee word for word,  
But buckle with thee blows, twice two for one.

## **QUEEN MARGARET**

Hold, valiant Clifford! for a thousand causes  
I would prolong awhile the traitor's life.  
Wrath makes him deaf: speak thou, Northumberland.

## **NORTHUMBERLAND**

Hold, Clifford! do not honour him so much  
To prick thy finger, though to wound his heart:  
What valour were it, when a cur doth grin,  
For one to thrust his hand between his teeth,  
When he might spurn him with his foot away?  
It is war's prize to take all vantages;  
And ten to one is no impeach of valour.

*They lay hands on YORK, who struggles*

## **CLIFFORD**

Ay, ay, so strives the woodcock with the gin.

## **NORTHUMBERLAND**

So doth the cony struggle in the net.

## **YORK**

So triumph thieves upon their conquer'd booty;  
So true men yield, with robbers so o'ermatch'd.

## **NORTHUMBERLAND**

What would your grace have done unto him now?

## **QUEEN MARGARET**

Brave warriors, Clifford and Northumberland,

Come, make him stand upon this molehill here,  
That raught at mountains with outstretched arms,  
Yet parted but the shadow with his hand.  
What! was it you that would be England's king?  
Was't you that revell'd in our parliament,  
And made a preachment of your high descent?  
Where are your mess of sons to back you now?  
The wanton Edward, and the lusty George?  
And where's that valiant crook-back prodigy,  
Dicky your boy, that with his grumbling voice  
Was wont to cheer his dad in mutinies?  
Or, with the rest, where is your darling Rutland?  
Look, York: I stain'd this napkin with the blood  
That valiant Clifford, with his rapier's point,  
Made issue from the bosom of the boy;  
And if thine eyes can water for his death,  
I give thee this to dry thy cheeks withal.  
Alas poor York! but that I hate thee deadly,  
I should lament thy miserable state.  
I prithee, grieve, to make me merry, York.  
What, hath thy fiery heart so parch'd thine entrails  
That not a tear can fall for Rutland's death?  
Why art thou patient, man? thou shouldst be mad;  
And I, to make thee mad, do mock thee thus.  
Stamp, rave, and fret, that I may sing and dance.  
Thou wouldst be fee'd, I see, to make me sport:  
York cannot speak, unless he wear a crown.  
A crown for York! and, lords, bow low to him:  
Hold you his hands, whilst I do set it on.

*Putting a paper crown on his head*

Ay, marry, sir, now looks he like a king!  
Ay, this is he that took King Henry's chair,  
And this is he was his adopted heir.  
But how is it that great Plantagenet  
Is crown'd so soon, and broke his solemn oath?  
As I bethink me, you should not be king  
Till our King Henry had shook hands with death.  
And will you pale your head in Henry's glory,  
And rob his temples of the diadem,  
Now in his life, against your holy oath?  
O, 'tis a fault too too unpardonable!

Off with the crown, and with the crown his head;  
And, whilst we breathe, take time to do him dead.

## **CLIFFORD**

That is my office, for my father's sake.

## **QUEEN MARGARET**

Nay, stay; lets hear the orisons he makes.

## **YORK**

She-wolf of France, but worse than wolves of France,  
Whose tongue more poisons than the adder's tooth!  
How ill-beseeming is it in thy sex  
To triumph, like an Amazonian trull,  
Upon their woes whom fortune captivates!  
But that thy face is, vizard-like, unchanging,  
Made impudent with use of evil deeds,  
I would assay, proud queen, to make thee blush.  
To tell thee whence thou camest, of whom derived,  
Were shame enough to shame thee, wert thou not shameless.  
Thy father bears the type of King of Naples,  
Of both the Sicils and Jerusalem,  
Yet not so wealthy as an English yeoman.  
Hath that poor monarch taught thee to insult?  
It needs not, nor it boots thee not, proud queen,  
Unless the adage must be verified,  
That beggars mounted run their horse to death.  
'Tis beauty that doth oft make women proud;  
But, God he knows, thy share thereof is small:  
'Tis virtue that doth make them most admired;  
The contrary doth make thee wonder'd at:  
'Tis government that makes them seem divine;  
The want thereof makes thee abominable:  
Thou art as opposite to every good  
As the Antipodes are unto us,  
Or as the south to the septentrion.  
O tiger's heart wrapt in a woman's hide!  
How couldst thou drain the life-blood of the child,  
To bid the father wipe his eyes withal,

And yet be seen to bear a woman's face?  
Women are soft, mild, pitiful and flexible;  
Thou stern, obdurate, flinty, rough, remorseless.  
Bids't thou me rage? why, now thou hast thy wish:  
Wouldst have me weep? why, now thou hast thy will:  
For raging wind blows up incessant showers,  
And when the rage allays, the rain begins.  
These tears are my sweet Rutland's obsequies:  
And every drop cries vengeance for his death,  
'Gainst thee, fell Clifford, and thee, false  
Frenchwoman.

## **NORTHUMBERLAND**

Beshrew me, but his passion moves me so  
That hardly can I cheque my eyes from tears.

## **YORK**

That face of his the hungry cannibals  
Would not have touch'd, would not have stain'd with blood:  
But you are more inhuman, more inexorable,  
O, ten times more, than tigers of Hyrcania.  
See, ruthless queen, a hapless father's tears:  
This cloth thou dip'dst in blood of my sweet boy,  
And I with tears do wash the blood away.  
Keep thou the napkin, and go boast of this:  
And if thou tell'st the heavy story right,  
Upon my soul, the hearers will shed tears;  
Yea even my foes will shed fast-falling tears,  
And say 'Alas, it was a piteous deed!'  
There, take the crown, and, with the crown, my curse;  
And in thy need such comfort come to thee  
As now I reap at thy too cruel hand!  
Hard-hearted Clifford, take me from the world:  
My soul to heaven, my blood upon your heads!

## **NORTHUMBERLAND**

Had he been slaughter-man to all my kin,  
I should not for my life but weep with him.  
To see how inly sorrow gripes his soul.

## QUEEN MARGARET

What, weeping-ripe, my Lord Northumberland?  
Think but upon the wrong he did us all,  
And that will quickly dry thy melting tears.

## CLIFFORD

Here's for my oath, here's for my father's death.

*Stabbing him*

## QUEEN MARGARET

And here's to right our gentle-hearted king.

*Stabbing him*

## YORK

Open Thy gate of mercy, gracious God!  
My soul flies through these wounds to seek out Thee.

*Dies*

## QUEEN MARGARET

Off with his head, and set it on York gates;  
So York may overlook the town of York.

*Flourish. Exeunt*

## SCENE I. A plain near Mortimer's Cross in Herefordshire.

*A march. Enter EDWARD, RICHARD, and their power*

### EDWARD

I wonder how our princely father 'scaped,  
Or whether he be 'scaped away or no  
From Clifford's and Northumberland's pursuit:  
Had he been ta'en, we should have heard the news;  
Had he been slain, we should have heard the news;  
Or had he 'scaped, methinks we should have heard  
The happy tidings of his good escape.  
How fares my brother? why is he so sad?

### RICHARD

I cannot joy, until I be resolved  
Where our right valiant father is become.  
I saw him in the battle range about;  
And watch'd him how he singled Clifford forth.  
Methought he bore him in the thickest troop  
As doth a lion in a herd of neat;  
Or as a bear, encompass'd round with dogs,  
Who having pinch'd a few and made them cry,  
The rest stand all aloof, and bark at him.  
So fared our father with his enemies;  
So fled his enemies my warlike father:  
Methinks, 'tis prize enough to be his son.  
See how the morning opes her golden gates,  
And takes her farewell of the glorious sun!  
How well resembles it the prime of youth,  
Trimm'd like a younker prancing to his love!

### EDWARD

Dazzle mine eyes, or do I see three suns?

**RICHARD**

Three glorious suns, each one a perfect sun;  
Not separated with the racking clouds,  
But sever'd in a pale clear-shining sky.  
See, see! they join, embrace, and seem to kiss,  
As if they vow'd some league inviolable:  
Now are they but one lamp, one light, one sun.  
In this the heaven figures some event.

**EDWARD**

'Tis wondrous strange, the like yet never heard of.  
I think it cites us, brother, to the field,  
That we, the sons of brave Plantagenet,  
Each one already blazing by our meeds,  
Should notwithstanding join our lights together  
And over-shine the earth as this the world.  
Whate'er it bodes, henceforward will I bear  
Upon my target three fair-shining suns.

**RICHARD**

Nay, bear three daughters: by your leave I speak it,  
You love the breeder better than the male.

*Enter a Messenger*

But what art thou, whose heavy looks foretell  
Some dreadful story hanging on thy tongue?

**Messenger**

Ah, one that was a woful looker-on  
When as the noble Duke of York was slain,  
Your princely father and my loving lord!

**EDWARD**

O, speak no more, for I have heard too much.

## **RICHARD**

Say how he died, for I will hear it all.

## **Messenger**

Environed he was with many foes,  
And stood against them, as the hope of Troy  
Against the Greeks that would have enter'd Troy.  
But Hercules himself must yield to odds;  
And many strokes, though with a little axe,  
Hew down and fell the hardest-timber'd oak.  
By many hands your father was subdued;  
But only slaughter'd by the ireful arm  
Of unrelenting Clifford and the queen,  
Who crown'd the gracious duke in high despite,  
Laugh'd in his face; and when with grief he wept,  
The ruthless queen gave him to dry his cheeks  
A napkin steeped in the harmless blood  
Of sweet young Rutland, by rough Clifford slain:  
And after many scorns, many foul taunts,  
They took his head, and on the gates of York  
They set the same; and there it doth remain,  
The saddest spectacle that e'er I view'd.

## **EDWARD**

Sweet Duke of York, our prop to lean upon,  
Now thou art gone, we have no staff, no stay.  
O Clifford, boisterous Clifford! thou hast slain  
The flower of Europe for his chivalry;  
And treacherously hast thou vanquish'd him,  
For hand to hand he would have vanquish'd thee.  
Now my soul's palace is become a prison:  
Ah, would she break from hence, that this my body  
Might in the ground be closed up in rest!  
For never henceforth shall I joy again,  
Never, O never shall I see more joy!

## **RICHARD**

I cannot weep; for all my body's moisture  
Scarce serves to quench my furnace-burning heart:  
Nor can my tongue unload my heart's great burthen;  
For selfsame wind that I should speak withal  
Is kindling coals that fires all my breast,  
And burns me up with flames that tears would quench.  
To weep is to make less the depth of grief:  
Tears then for babes; blows and revenge for me  
Richard, I bear thy name; I'll venge thy death,  
Or die renowned by attempting it.

## **EDWARD**

His name that valiant duke hath left with thee;  
His dukedom and his chair with me is left.

## **RICHARD**

Nay, if thou be that princely eagle's bird,  
Show thy descent by gazing 'gainst the sun:  
For chair and dukedom, throne and kingdom say;  
Either that is thine, or else thou wert not his.

*March. Enter WARWICK, MONTAGUE, and their army*

## **WARWICK**

How now, fair lords! What fare? what news abroad?

## **RICHARD**

Great Lord of Warwick, if we should recount  
Our baleful news, and at each word's deliverance  
Stab poniards in our flesh till all were told,  
The words would add more anguish than the wounds.  
O valiant lord, the Duke of York is slain!

## **EDWARD**

O Warwick, Warwick! that Plantagenet,  
Which held three dearly as his soul's redemption,  
Is by the stern Lord Clifford done to death.

## WARWICK

Ten days ago I drown'd these news in tears;  
And now, to add more measure to your woes,  
I come to tell you things sith then befall'n.  
After the bloody fray at Wakefield fought,  
Where your brave father breathed his latest gasp,  
Tidings, as swiftly as the posts could run,  
Were brought me of your loss and his depart.  
I, then in London keeper of the king,  
Muster'd my soldiers, gather'd flocks of friends,  
And very well appointed, as I thought,  
March'd toward Saint Alban's to intercept the queen,  
Bearing the king in my behalf along;  
For by my scouts I was advertised  
That she was coming with a full intent  
To dash our late decree in parliament  
Touching King Henry's oath and your succession.  
Short tale to make, we at Saint Alban's met  
Our battles join'd, and both sides fiercely fought:  
But whether 'twas the coldness of the king,  
Who look'd full gently on his warlike queen,  
That robb'd my soldiers of their heated spleen;  
Or whether 'twas report of her success;  
Or more than common fear of Clifford's rigour,  
Who thunders to his captives blood and death,  
I cannot judge: but to conclude with truth,  
Their weapons like to lightning came and went;  
Our soldiers', like the night-owl's lazy flight,  
Or like an idle thresher with a flail,  
Fell gently down, as if they struck their friends.  
I cheer'd them up with justice of our cause,  
With promise of high pay and great rewards:  
But all in vain; they had no heart to fight,  
And we in them no hope to win the day;  
So that we fled; the king unto the queen;  
Lord George your brother, Norfolk and myself,  
In haste, post-haste, are come to join with you:  
For in the marches here we heard you were,  
Making another head to fight again.

## EDWARD

Where is the Duke of Norfolk, gentle Warwick?  
And when came George from Burgundy to England?

**WARWICK**

Some six miles off the duke is with the soldiers;  
And for your brother, he was lately sent  
From your kind aunt, Duchess of Burgundy,  
With aid of soldiers to this needful war.

**RICHARD**

'Twas odds, belike, when valiant Warwick fled:  
Oft have I heard his praises in pursuit,  
But ne'er till now his scandal of retire.

**WARWICK**

Nor now my scandal, Richard, dost thou hear;  
For thou shalt know this strong right hand of mine  
Can pluck the diadem from faint Henry's head,  
And wring the awful sceptre from his fist,  
Were he as famous and as bold in war  
As he is famed for mildness, peace, and prayer.

**RICHARD**

I know it well, Lord Warwick; blame me not:  
'Tis love I bear thy glories makes me speak.  
But in this troublous time what's to be done?  
Shall we go throw away our coats of steel,  
And wrap our bodies in black mourning gowns,  
Numbering our Ave-Maries with our beads?  
Or shall we on the helmets of our foes  
Tell our devotion with revengeful arms?  
If for the last, say ay, and to it, lords.

**WARWICK**

Why, therefore Warwick came to seek you out;  
And therefore comes my brother Montague.

Attend me, lords. The proud insulting queen,  
With Clifford and the haught Northumberland,  
And of their feather many more proud birds,  
Have wrought the easy-melting king like wax.  
He swore consent to your succession,  
His oath enrolled in the parliament;  
And now to London all the crew are gone,  
To frustrate both his oath and what beside  
May make against the house of Lancaster.  
Their power, I think, is thirty thousand strong:  
Now, if the help of Norfolk and myself,  
With all the friends that thou, brave Earl of March,  
Amongst the loving Welshmen canst procure,  
Will but amount to five and twenty thousand,  
Why, Via! to London will we march amain,  
And once again bestride our foaming steeds,  
And once again cry 'Charge upon our foes!'  
But never once again turn back and fly.

## **RICHARD**

Ay, now methinks I hear great Warwick speak:  
Ne'er may he live to see a sunshine day,  
That cries 'Retire,' if Warwick bid him stay.

## **EDWARD**

Lord Warwick, on thy shoulder will I lean;  
And when thou fail'st--as God forbid the hour!--  
Must Edward fall, which peril heaven forbend!

## **WARWICK**

No longer Earl of March, but Duke of York:  
The next degree is England's royal throne;  
For King of England shalt thou be proclaim'd  
In every borough as we pass along;  
And he that throws not up his cap for joy  
Shall for the fault make forfeit of his head.  
King Edward, valiant Richard, Montague,  
Stay we no longer, dreaming of renown,  
But sound the trumpets, and about our task.

## **RICHARD**

Then, Clifford, were thy heart as hard as steel,  
As thou hast shown it flinty by thy deeds,  
I come to pierce it, or to give thee mine.

## **EDWARD**

Then strike up drums: God and Saint George for us!

*Enter a Messenger*

## **WARWICK**

How now! what news?

## **Messenger**

The Duke of Norfolk sends you word by me,  
The queen is coming with a puissant host;  
And craves your company for speedy counsel.

## **WARWICK**

Why then it sorts, brave warriors, let's away.

*Exeunt*

[Shakespeare homepage](#) | [Henry VI, part 3](#) | Act 2, Scene 2

[Previous scene](#) | [Next scene](#)

## SCENE II. Before York.

*Flourish. Enter KING HENRY VI, QUEEN MARGARET, PRINCE EDWARD, CLIFFORD, and NORTHUMBERLAND, with drum and trumpets*

### QUEEN MARGARET

Welcome, my lord, to this brave town of York.  
Yonder's the head of that arch-enemy  
That sought to be encompass'd with your crown:  
Doth not the object cheer your heart, my lord?

### KING HENRY VI

Ay, as the rocks cheer them that fear their wreck:  
To see this sight, it irks my very soul.  
Withhold revenge, dear God! 'tis not my fault,  
Nor wittingly have I infringed my vow.

### CLIFFORD

My gracious liege, this too much lenity  
And harmful pity must be laid aside.  
To whom do lions cast their gentle looks?  
Not to the beast that would usurp their den.  
Whose hand is that the forest bear doth lick?  
Not his that spoils her young before her face.  
Who 'scapes the lurking serpent's mortal sting?  
Not he that sets his foot upon her back.  
The smallest worm will turn being trodden on,  
And doves will peck in safeguard of their brood.  
Ambitious York doth level at thy crown,  
Thou smiling while he knit his angry brows:  
He, but a duke, would have his son a king,  
And raise his issue, like a loving sire;  
Thou, being a king, blest with a goodly son,

Didst yield consent to disinherit him,  
Which argued thee a most unloving father.  
Unreasonable creatures feed their young;  
And though man's face be fearful to their eyes,  
Yet, in protection of their tender ones,  
Who hath not seen them, even with those wings  
Which sometime they have used with fearful flight,  
Make war with him that climb'd unto their nest,  
Offer their own lives in their young's defence?  
For shame, my liege, make them your precedent!  
Were it not pity that this goodly boy  
Should lose his birthright by his father's fault,  
And long hereafter say unto his child,  
'What my great-grandfather and his grandsire got  
My careless father fondly gave away'?  
Ah, what a shame were this! Look on the boy;  
And let his manly face, which promiseth  
Successful fortune, steel thy melting heart  
To hold thine own and leave thine own with him.

## **KING HENRY VI**

Full well hath Clifford play'd the orator,  
Inferring arguments of mighty force.  
But, Clifford, tell me, didst thou never hear  
That things ill-got had ever bad success?  
And happy always was it for that son  
Whose father for his hoarding went to hell?  
I'll leave my son my virtuous deeds behind;  
And would my father had left me no more!  
For all the rest is held at such a rate  
As brings a thousand-fold more care to keep  
Than in possession and jot of pleasure.  
Ah, cousin York! would thy best friends did know  
How it doth grieve me that thy head is here!

## **QUEEN MARGARET**

My lord, cheer up your spirits: our foes are nigh,  
And this soft courage makes your followers faint.  
You promised knighthood to our forward son:  
Unsheathe your sword, and dub him presently.  
Edward, kneel down.

## **KING HENRY VI**

Edward Plantagenet, arise a knight;  
And learn this lesson, draw thy sword in right.

## **PRINCE**

My gracious father, by your kingly leave,  
I'll draw it as apparent to the crown,  
And in that quarrel use it to the death.

## **CLIFFORD**

Why, that is spoken like a toward prince.

*Enter a Messenger*

## **Messenger**

Royal commanders, be in readiness:  
For with a band of thirty thousand men  
Comes Warwick, backing of the Duke of York;  
And in the towns, as they do march along,  
Proclaims him king, and many fly to him:  
Darraign your battle, for they are at hand.

## **CLIFFORD**

I would your highness would depart the field:  
The queen hath best success when you are absent.

## **QUEEN MARGARET**

Ay, good my lord, and leave us to our fortune.

## **KING HENRY VI**

Why, that's my fortune too; therefore I'll stay.

## **NORTHUMBERLAND**

Be it with resolution then to fight.

## **PRINCE EDWARD**

My royal father, cheer these noble lords  
And hearten those that fight in your defence:  
Unsheathe your sword, good father; cry 'Saint George!'

*March. Enter EDWARD, GEORGE, RICHARD, WARWICK, NORFOLK, MONTAGUE,  
and Soldiers*

## **EDWARD**

Now, perjured Henry! wilt thou kneel for grace,  
And set thy diadem upon my head;  
Or bide the mortal fortune of the field?

## **QUEEN MARGARET**

Go, rate thy minions, proud insulting boy!  
Becomes it thee to be thus bold in terms  
Before thy sovereign and thy lawful king?

## **EDWARD**

I am his king, and he should bow his knee;  
I was adopted heir by his consent:  
Since when, his oath is broke; for, as I hear,  
You, that are king, though he do wear the crown,  
Have caused him, by new act of parliament,  
To blot out me, and put his own son in.

## **CLIFFORD**

And reason too:  
Who should succeed the father but the son?

## **RICHARD**

Are you there, butcher? O, I cannot speak!

**CLIFFORD**

Ay, crook-back, here I stand to answer thee,  
Or any he the proudest of thy sort.

**RICHARD**

'Twas you that kill'd young Rutland, was it not?

**CLIFFORD**

Ay, and old York, and yet not satisfied.

**RICHARD**

For God's sake, lords, give signal to the fight.

**WARWICK**

What say'st thou, Henry, wilt thou yield the crown?

**QUEEN MARGARET**

Why, how now, long-tongued Warwick! dare you speak?  
When you and I met at Saint Alban's last,  
Your legs did better service than your hands.

**WARWICK**

Then 'twas my turn to fly, and now 'tis thine.

**CLIFFORD**

You said so much before, and yet you fled.

**WARWICK**

'Twas not your valour, Clifford, drove me thence.

**NORTHUMBERLAND**

No, nor your manhood that durst make you stay.

**RICHARD**

Northumberland, I hold thee reverently.  
Break off the parley; for scarce I can refrain  
The execution of my big-swoln heart  
Upon that Clifford, that cruel child-killer.

**CLIFFORD**

I slew thy father, call'st thou him a child?

**RICHARD**

Ay, like a dastard and a treacherous coward,  
As thou didst kill our tender brother Rutland;  
But ere sunset I'll make thee curse the deed.

**KING HENRY VI**

Have done with words, my lords, and hear me speak.

**QUEEN MARGARET**

Defy them then, or else hold close thy lips.

**KING HENRY VI**

I prithee, give no limits to my tongue:  
I am a king, and privileged to speak.

**CLIFFORD**

My liege, the wound that bred this meeting here  
Cannot be cured by words; therefore be still.

**RICHARD**

Then, executioner, unsheathe thy sword:  
By him that made us all, I am resolved

that Clifford's manhood lies upon his tongue.

## **EDWARD**

Say, Henry, shall I have my right, or no?  
A thousand men have broke their fasts to-day,  
That ne'er shall dine unless thou yield the crown.

## **WARWICK**

If thou deny, their blood upon thy head;  
For York in justice puts his armour on.

## **PRINCE EDWARD**

If that be right which Warwick says is right,  
There is no wrong, but every thing is right.

## **RICHARD**

Whoever got thee, there thy mother stands;  
For, well I wot, thou hast thy mother's tongue.

## **QUEEN MARGARET**

But thou art neither like thy sire nor dam;  
But like a foul mis-shapen stigmatic,  
Mark'd by the destinies to be avoided,  
As venom toads, or lizards' dreadful stings.

## **RICHARD**

Iron of Naples hid with English guilt,  
Whose father bears the title of a king,--  
As if a channel should be call'd the sea,--  
Shamest thou not, knowing whence thou art extraught,  
To let thy tongue detect thy base-born heart?

## **EDWARD**

A wisp of straw were worth a thousand crowns,

To make this shameless callet know herself.  
Helen of Greece was fairer far than thou,  
Although thy husband may be Menelaus;  
And ne'er was Agamemnon's brother wrong'd  
By that false woman, as this king by thee.  
His father revell'd in the heart of France,  
And tamed the king, and made the dauphin stoop;  
And had he match'd according to his state,  
He might have kept that glory to this day;  
But when he took a beggar to his bed,  
And graced thy poor sire with his bridal-day,  
Even then that sunshine brew'd a shower for him,  
That wash'd his father's fortunes forth of France,  
And heap'd sedition on his crown at home.  
For what hath broach'd this tumult but thy pride?  
Hadst thou been meek, our title still had slept;  
And we, in pity of the gentle king,  
Had slipp'd our claim until another age.

## **GEORGE**

But when we saw our sunshine made thy spring,  
And that thy summer bred us no increase,  
We set the axe to thy usurping root;  
And though the edge hath something hit ourselves,  
Yet, know thou, since we have begun to strike,  
We'll never leave till we have hewn thee down,  
Or bathed thy growing with our heated bloods.

## **EDWARD**

And, in this resolution, I defy thee;  
Not willing any longer conference,  
Since thou deniest the gentle king to speak.  
Sound trumpets! let our bloody colours wave!  
And either victory, or else a grave.

## **QUEEN MARGARET**

Stay, Edward.

## **EDWARD**

No, wrangling woman, we'll no longer stay:  
These words will cost ten thousand lives this day.

*Exeunt*

## SCENE III. A field of battle between Towton and Saxton, in

Yorkshire.

*Alarum. Excursions. Enter WARWICK*

### WARWICK

Forspent with toil, as runners with a race,  
I lay me down a little while to breathe;  
For strokes received, and many blows repaid,  
Have robb'd my strong-knit sinews of their strength,  
And spite of spite needs must I rest awhile.

*Enter EDWARD, running*

### EDWARD

Smile, gentle heaven! or strike, ungentle death!  
For this world frowns, and Edward's sun is clouded.

### WARWICK

How now, my lord! what hap? what hope of good?

*Enter GEORGE*

### GEORGE

Our hap is loss, our hope but sad despair;  
Our ranks are broke, and ruin follows us:  
What counsel give you? whither shall we fly?

### EDWARD

Bootless is flight, they follow us with wings;

And weak we are and cannot shun pursuit.

*Enter RICHARD*

## **RICHARD**

Ah, Warwick, why hast thou withdrawn thyself?  
Thy brother's blood the thirsty earth hath drunk,  
Broach'd with the steely point of Clifford's lance;  
And in the very pangs of death he cried,  
Like to a dismal clangour heard from far,  
'Warwick, revenge! brother, revenge my death!'  
So, underneath the belly of their steeds,  
That stain'd their fetlocks in his smoking blood,  
The noble gentleman gave up the ghost.

## **WARWICK**

Then let the earth be drunken with our blood:  
I'll kill my horse, because I will not fly.  
Why stand we like soft-hearted women here,  
Wailing our losses, whiles the foe doth rage;  
And look upon, as if the tragedy  
Were play'd in jest by counterfeiting actors?  
Here on my knee I vow to God above,  
I'll never pause again, never stand still,  
Till either death hath closed these eyes of mine  
Or fortune given me measure of revenge.

## **EDWARD**

O Warwick, I do bend my knee with thine;  
And in this vow do chain my soul to thine!  
And, ere my knee rise from the earth's cold face,  
I throw my hands, mine eyes, my heart to thee,  
Thou setter up and plucker down of kings,  
Beseeching thee, if with they will it stands  
That to my foes this body must be prey,  
Yet that thy brazen gates of heaven may ope,  
And give sweet passage to my sinful soul!  
Now, lords, take leave until we meet again,  
Where'er it be, in heaven or in earth.

## **RICHARD**

Brother, give me thy hand; and, gentle Warwick,  
Let me embrace thee in my weary arms:  
I, that did never weep, now melt with woe  
That winter should cut off our spring-time so.

## **WARWICK**

Away, away! Once more, sweet lords farewell.

## **GEORGE**

Yet let us all together to our troops,  
And give them leave to fly that will not stay;  
And call them pillars that will stand to us;  
And, if we thrive, promise them such rewards  
As victors wear at the Olympian games:  
This may plant courage in their quailing breasts;  
For yet is hope of life and victory.  
Forslow no longer, make we hence amain.

*Exeunt*

## SCENE IV. Another part of the field.

*Excursions. Enter RICHARD and CLIFFORD*

### RICHARD

Now, Clifford, I have singled thee alone:  
Suppose this arm is for the Duke of York,  
And this for Rutland; both bound to revenge,  
Wert thou environ'd with a brazen wall.

### CLIFFORD

Now, Richard, I am with thee here alone:  
This is the hand that stabb'd thy father York;  
And this the hand that slew thy brother Rutland;  
And here's the heart that triumphs in their death  
And cheers these hands that slew thy sire and brother  
To execute the like upon thyself;  
And so, have at thee!

*They fight. WARWICK comes; CLIFFORD flies*

### RICHARD

Nay Warwick, single out some other chase;  
For I myself will hunt this wolf to death.

*Exeunt*

## SCENE V. Another part of the field.

*Alarum. Enter KING HENRY VI alone*

### KING HENRY VI

This battle fares like to the morning's war,  
When dying clouds contend with growing light,  
What time the shepherd, blowing of his nails,  
Can neither call it perfect day nor night.  
Now sways it this way, like a mighty sea  
Forced by the tide to combat with the wind;  
Now sways it that way, like the selfsame sea  
Forced to retire by fury of the wind:  
Sometime the flood prevails, and then the wind;  
Now one the better, then another best;  
Both tugging to be victors, breast to breast,  
Yet neither conqueror nor conquered:  
So is the equal of this fell war.  
Here on this molehill will I sit me down.  
To whom God will, there be the victory!  
For Margaret my queen, and Clifford too,  
Have chid me from the battle; swearing both  
They prosper best of all when I am thence.  
Would I were dead! if God's good will were so;  
For what is in this world but grief and woe?  
O God! methinks it were a happy life,  
To be no better than a homely swain;  
To sit upon a hill, as I do now,  
To carve out dials quaintly, point by point,  
Thereby to see the minutes how they run,  
How many make the hour full complete;  
How many hours bring about the day;  
How many days will finish up the year;  
How many years a mortal man may live.  
When this is known, then to divide the times:  
So many hours must I tend my flock;

So many hours must I take my rest;  
So many hours must I contemplate;  
So many hours must I sport myself;  
So many days my ewes have been with young;  
So many weeks ere the poor fools will ean:  
So many years ere I shall shear the fleece:  
So minutes, hours, days, months, and years,  
Pass'd over to the end they were created,  
Would bring white hairs unto a quiet grave.  
Ah, what a life were this! how sweet! how lovely!  
Gives not the hawthorn-bush a sweeter shade  
To shepherds looking on their silly sheep,  
Than doth a rich embroider'd canopy  
To kings that fear their subjects' treachery?  
O, yes, it doth; a thousand-fold it doth.  
And to conclude, the shepherd's homely curds,  
His cold thin drink out of his leather bottle.  
His wonted sleep under a fresh tree's shade,  
All which secure and sweetly he enjoys,  
Is far beyond a prince's delicates,  
His viands sparkling in a golden cup,  
His body couched in a curious bed,  
When care, mistrust, and treason waits on him.

*Alarum. Enter a Son that has killed his father, dragging in the dead body*

## **Son**

Ill blows the wind that profits nobody.  
This man, whom hand to hand I slew in fight,  
May be possessed with some store of crowns;  
And I, that haply take them from him now,  
May yet ere night yield both my life and them  
To some man else, as this dead man doth me.  
Who's this? O God! it is my father's face,  
Whom in this conflict I unwares have kill'd.  
O heavy times, begetting such events!  
From London by the king was I press'd forth;  
My father, being the Earl of Warwick's man,  
Came on the part of York, press'd by his master;  
And I, who at his hands received my life, him  
Have by my hands of life bereaved him.  
Pardon me, God, I knew not what I did!

And pardon, father, for I knew not thee!  
My tears shall wipe away these bloody marks;  
And no more words till they have flow'd their fill.

## **KING HENRY VI**

O piteous spectacle! O bloody times!  
Whiles lions war and battle for their dens,  
Poor harmless lambs abide their enmity.  
Weep, wretched man, I'll aid thee tear for tear;  
And let our hearts and eyes, like civil war,  
Be blind with tears, and break o'ercharged with grief.

*Enter a Father that has killed his son, bringing in the body*

## **Father**

Thou that so stoutly hast resisted me,  
Give me thy gold, if thou hast any gold:  
For I have bought it with an hundred blows.  
But let me see: is this our foeman's face?  
Ah, no, no, no, it is mine only son!  
Ah, boy, if any life be left in thee,  
Throw up thine eye! see, see what showers arise,  
Blown with the windy tempest of my heart,  
Upon thy words, that kill mine eye and heart!  
O, pity, God, this miserable age!  
What stratagems, how fell, how butcherly,  
Erroneous, mutinous and unnatural,  
This deadly quarrel daily doth beget!  
O boy, thy father gave thee life too soon,  
And hath bereft thee of thy life too late!

## **KING HENRY VI**

Woe above woe! grief more than common grief!  
O that my death would stay these ruthless deeds!  
O pity, pity, gentle heaven, pity!  
The red rose and the white are on his face,  
The fatal colours of our striving houses:  
The one his purple blood right well resembles;  
The other his pale cheeks, methinks, presenteth:

Wither one rose, and let the other flourish;  
If you contend, a thousand lives must wither.

**Son**

How will my mother for a father's death  
Take on with me and ne'er be satisfied!

**Father**

How will my wife for slaughter of my son  
Shed seas of tears and ne'er be satisfied!

**KING HENRY VI**

How will the country for these woful chances  
Misthink the king and not be satisfied!

**Son**

Was ever son so rued a father's death?

**Father**

Was ever father so bemoan'd his son?

**KING HENRY VI**

Was ever king so grieved for subjects' woe?  
Much is your sorrow; mine ten times so much.

**Son**

I'll bear thee hence, where I may weep my fill.

*Exit with the body*

**Father**

These arms of mine shall be thy winding-sheet;  
My heart, sweet boy, shall be thy sepulchre,

For from my heart thine image ne'er shall go;  
My sighing breast shall be thy funeral bell;  
And so obsequious will thy father be,  
Even for the loss of thee, having no more,  
As Priam was for all his valiant sons.  
I'll bear thee hence; and let them fight that will,  
For I have murdered where I should not kill.

*Exit with the body*

## **KING HENRY VI**

Sad-hearted men, much overgone with care,  
Here sits a king more woful than you are.

*Alarums: excursions. Enter QUEEN MARGARET, PRINCE EDWARD, and EXETER*

## **PRINCE EDWARD**

Fly, father, fly! for all your friends are fled,  
And Warwick rages like a chafed bull:  
Away! for death doth hold us in pursuit.

## **QUEEN MARGARET**

Mount you, my lord; towards Berwick post amain:  
Edward and Richard, like a brace of greyhounds  
Having the fearful flying hare in sight,  
With fiery eyes sparkling for very wrath,  
And bloody steel grasp'd in their ireful hands,  
Are at our backs; and therefore hence amain.

## **EXETER**

Away! for vengeance comes along with them:  
Nay, stay not to expostulate, make speed;  
Or else come after: I'll away before.

## **KING HENRY VI**

Nay, take me with thee, good sweet Exeter:  
Not that I fear to stay, but love to go

Whither the queen intends. Forward; away!

*Exeunt*

## SCENE VI. Another part of the field.

*A loud alarum. Enter CLIFFORD, wounded*

### CLIFFORD

Here burns my candle out; ay, here it dies,  
Which, whiles it lasted, gave King Henry light.  
O Lancaster, I fear thy overthrow  
More than my body's parting with my soul!  
My love and fear glued many friends to thee;  
And, now I fall, thy tough commixture melts.  
Impairing Henry, strengthening misproud York,  
The common people swarm like summer flies;  
And whither fly the gnats but to the sun?  
And who shines now but Henry's enemies?  
O Phoebus, hadst thou never given consent  
That Phaethon should cheque thy fiery steeds,  
Thy burning car never had scorch'd the earth!  
And, Henry, hadst thou sway'd as kings should do,  
Or as thy father and his father did,  
Giving no ground unto the house of York,  
They never then had sprung like summer flies;  
I and ten thousand in this luckless realm  
Had left no mourning widows for our death;  
And thou this day hadst kept thy chair in peace.  
For what doth cherish weeds but gentle air?  
And what makes robbers bold but too much lenity?  
Bootless are plaints, and cureless are my wounds;  
No way to fly, nor strength to hold out flight:  
The foe is merciless, and will not pity;  
For at their hands I have deserved no pity.  
The air hath got into my deadly wounds,  
And much effuse of blood doth make me faint.  
Come, York and Richard, Warwick and the rest;  
I stabb'd your fathers' bosoms, split my breast.

*He faints*

*Alarum and retreat. Enter EDWARD, GEORGE, RICHARD, MONTAGUE, WARWICK,  
and Soldiers*

**EDWARD**

Now breathe we, lords: good fortune bids us pause,  
And smooth the frowns of war with peaceful looks.  
Some troops pursue the bloody-minded queen,  
That led calm Henry, though he were a king,  
As doth a sail, fill'd with a fretting gust,  
Command an argosy to stem the waves.  
But think you, lords, that Clifford fled with them?

**WARWICK**

No, 'tis impossible he should escape,  
For, though before his face I speak the words  
Your brother Richard mark'd him for the grave:  
And wheresoe'er he is, he's surely dead.

*CLIFFORD groans, and dies*

**EDWARD**

Whose soul is that which takes her heavy leave?

**RICHARD**

A deadly groan, like life and death's departing.

**EDWARD**

See who it is: and, now the battle's ended,  
If friend or foe, let him be gently used.

**RICHARD**

Revoke that doom of mercy, for 'tis Clifford;  
Who not contented that he lopp'd the branch

In hewing Rutland when his leaves put forth,  
But set his murdering knife unto the root  
From whence that tender spray did sweetly spring,  
I mean our princely father, Duke of York.

## **WARWICK**

From off the gates of York fetch down the head,  
Your father's head, which Clifford placed there;  
Instead whereof let this supply the room:  
Measure for measure must be answered.

## **EDWARD**

Bring forth that fatal screech-owl to our house,  
That nothing sung but death to us and ours:  
Now death shall stop his dismal threatening sound,  
And his ill-boding tongue no more shall speak.

## **WARWICK**

I think his understanding is bereft.  
Speak, Clifford, dost thou know who speaks to thee?  
Dark cloudy death o'ershades his beams of life,  
And he nor sees nor hears us what we say.

## **RICHARD**

O, would he did! and so perhaps he doth:  
'Tis but his policy to counterfeit,  
Because he would avoid such bitter taunts  
Which in the time of death he gave our father.

## **GEORGE**

If so thou think'st, vex him with eager words.

## **RICHARD**

Clifford, ask mercy and obtain no grace.

**EDWARD**

Clifford, repent in bootless penitence.

**WARWICK**

Clifford, devise excuses for thy faults.

**GEORGE**

While we devise fell tortures for thy faults.

**RICHARD**

Thou didst love York, and I am son to York.

**EDWARD**

Thou pitied'st Rutland; I will pity thee.

**GEORGE**

Where's Captain Margaret, to fence you now?

**WARWICK**

They mock thee, Clifford: swear as thou wast wont.

**RICHARD**

What, not an oath? nay, then the world goes hard  
When Clifford cannot spare his friends an oath.  
I know by that he's dead; and, by my soul,  
If this right hand would buy two hour's life,  
That I in all despite might rail at him,  
This hand should chop it off, and with the  
issuing blood  
Stifle the villain whose unstanched thirst  
York and young Rutland could not satisfy.

**WARWICK**

Ay, but he's dead: off with the traitor's head,  
And rear it in the place your father's stands.  
And now to London with triumphant march,  
There to be crowned England's royal king:  
From whence shall Warwick cut the sea to France,  
And ask the Lady Bona for thy queen:  
So shalt thou sinew both these lands together;  
And, having France thy friend, thou shalt not dread  
The scatter'd foe that hopes to rise again;  
For though they cannot greatly sting to hurt,  
Yet look to have them buzz to offend thine ears.  
First will I see the coronation;  
And then to Brittany I'll cross the sea,  
To effect this marriage, so it please my lord.

## **EDWARD**

Even as thou wilt, sweet Warwick, let it be;  
For in thy shoulder do I build my seat,  
And never will I undertake the thing  
Wherein thy counsel and consent is wanting.  
Richard, I will create thee Duke of Gloucester,  
And George, of Clarence: Warwick, as ourself,  
Shall do and undo as him pleaseth best.

## **RICHARD**

Let me be Duke of Clarence, George of Gloucester;  
For Gloucester's dukedom is too ominous.

## **WARWICK**

Tut, that's a foolish observation:  
Richard, be Duke of Gloucester. Now to London,  
To see these honours in possession.

*Exeunt*

# The Third part of King Henry the Sixth

[Shakespeare homepage](#) | [Henry VI, part 3](#) | Act 3, Scene 1

[Previous scene](#) | [Next scene](#)

## SCENE I. A forest in the north of England.

*Enter two Keepers, with cross-bows in their hands*

### First Keeper

Under this thick-grown brake we'll shroud ourselves;  
For through this laund anon the deer will come;  
And in this covert will we make our stand,  
Culling the principal of all the deer.

### Second Keeper

I'll stay above the hill, so both may shoot.

### First Keeper

That cannot be; the noise of thy cross-bow  
Will scare the herd, and so my shoot is lost.  
Here stand we both, and aim we at the best:  
And, for the time shall not seem tedious,  
I'll tell thee what befell me on a day  
In this self-place where now we mean to stand.

### Second Keeper

Here comes a man; let's stay till he be past.

*Enter KING HENRY VI, disguised, with a prayerbook*

### KING HENRY VI

From Scotland am I stol'n, even of pure love,  
To greet mine own land with my wishful sight.  
No, Harry, Harry, 'tis no land of thine;  
Thy place is fill'd, thy sceptre wrung from thee,

Thy balm wash'd off wherewith thou wast anointed:  
No bending knee will call thee Caesar now,  
No humble suitors press to speak for right,  
No, not a man comes for redress of thee;  
For how can I help them, and not myself?

### **First Keeper**

Ay, here's a deer whose skin's a keeper's fee:  
This is the quondam king; let's seize upon him.

### **KING HENRY VI**

Let me embrace thee, sour adversity,  
For wise men say it is the wisest course.

### **Second Keeper**

Why linger we? let us lay hands upon him.

### **First Keeper**

Forbear awhile; we'll hear a little more.

### **KING HENRY VI**

My queen and son are gone to France for aid;  
And, as I hear, the great commanding Warwick  
Is thither gone, to crave the French king's sister  
To wife for Edward: if this news be true,  
Poor queen and son, your labour is but lost;  
For Warwick is a subtle orator,  
And Lewis a prince soon won with moving words.  
By this account then Margaret may win him;  
For she's a woman to be pitied much:  
Her sighs will make a battery in his breast;  
Her tears will pierce into a marble heart;  
The tiger will be mild whiles she doth mourn;  
And Nero will be tainted with remorse,  
To hear and see her plaints, her brinish tears.  
Ay, but she's come to beg, Warwick to give;  
She, on his left side, craving aid for Henry,

He, on his right, asking a wife for Edward.  
She weeps, and says her Henry is deposed;  
He smiles, and says his Edward is install'd;  
That she, poor wretch, for grief can speak no more;  
Whiles Warwick tells his title, smooths the wrong,  
Inferreth arguments of mighty strength,  
And in conclusion wins the king from her,  
With promise of his sister, and what else,  
To strengthen and support King Edward's place.  
O Margaret, thus 'twill be; and thou, poor soul,  
Art then forsaken, as thou went'st forlorn!

### **Second Keeper**

Say, what art thou that talk'st of kings and queens?

### **KING HENRY VI**

More than I seem, and less than I was born to:  
A man at least, for less I should not be;  
And men may talk of kings, and why not I?

### **Second Keeper**

Ay, but thou talk'st as if thou wert a king.

### **KING HENRY VI**

Why, so I am, in mind; and that's enough.

### **Second Keeper**

But, if thou be a king, where is thy crown?

### **KING HENRY VI**

My crown is in my heart, not on my head;  
Not decked with diamonds and Indian stones,  
Nor to be seen: my crown is called content:  
A crown it is that seldom kings enjoy.

## **Second Keeper**

Well, if you be a king crown'd with content,  
Your crown content and you must be contented  
To go along with us; for as we think,  
You are the king King Edward hath deposed;  
And we his subjects sworn in all allegiance  
Will apprehend you as his enemy.

## **KING HENRY VI**

But did you never swear, and break an oath?

## **Second Keeper**

No, never such an oath; nor will not now.

## **KING HENRY VI**

Where did you dwell when I was King of England?

## **Second Keeper**

Here in this country, where we now remain.

## **KING HENRY VI**

I was anointed king at nine months old;  
My father and my grandfather were kings,  
And you were sworn true subjects unto me:  
And tell me, then, have you not broke your oaths?

## **First Keeper**

No;  
For we were subjects but while you were king.

## **KING HENRY VI**

Why, am I dead? do I not breathe a man?  
Ah, simple men, you know not what you swear!

Look, as I blow this feather from my face,  
And as the air blows it to me again,  
Obeying with my wind when I do blow,  
And yielding to another when it blows,  
Commanded always by the greater gust;  
Such is the lightness of you common men.  
But do not break your oaths; for of that sin  
My mild entreaty shall not make you guilty.  
Go where you will, the king shall be commanded;  
And be you kings, command, and I'll obey.

**First Keeper**

We are true subjects to the king, King Edward.

**KING HENRY VI**

So would you be again to Henry,  
If he were seated as King Edward is.

**First Keeper**

We charge you, in God's name, and the king's,  
To go with us unto the officers.

**KING HENRY VI**

In God's name, lead; your king's name be obey'd:  
And what God will, that let your king perform;  
And what he will, I humbly yield unto.

*Exeunt*

## SCENE II. London. The palace.

*Enter KING EDWARD IV, GLOUCESTER, CLARENCE, and LADY GREY*

### KING EDWARD IV

Brother of Gloucester, at Saint Alban's field  
This lady's husband, Sir Richard Grey, was slain,  
His lands then seized on by the conqueror:  
Her suit is now to repossess those lands;  
Which we in justice cannot well deny,  
Because in quarrel of the house of York  
The worthy gentleman did lose his life.

### GLOUCESTER

Your highness shall do well to grant her suit;  
It were dishonour to deny it her.

### KING EDWARD IV

It were no less; but yet I'll make a pause.

### GLOUCESTER

[Aside to CLARENCE] Yea, is it so?  
I see the lady hath a thing to grant,  
Before the king will grant her humble suit.

### CLARENCE

[Aside to GLOUCESTER] He knows the game: how true  
he keeps the wind!

### GLOUCESTER

[Aside to CLARENCE] Silence!

**KING EDWARD IV**

Widow, we will consider of your suit;  
And come some other time to know our mind.

**LADY GREY**

Right gracious lord, I cannot brook delay:  
May it please your highness to resolve me now;  
And what your pleasure is, shall satisfy me.

**GLOUCESTER**

[Aside to CLARENCE] Ay, widow? then I'll warrant  
you all your lands,  
An if what pleases him shall pleasure you.  
Fight closer, or, good faith, you'll catch a blow.

**CLARENCE**

[Aside to GLOUCESTER] I fear her not, unless she  
chance to fall.

**GLOUCESTER**

[Aside to CLARENCE] God forbid that! for he'll  
take vantages.

**KING EDWARD IV**

How many children hast thou, widow? tell me.

**CLARENCE**

[Aside to GLOUCESTER] I think he means to beg a  
child of her.

**GLOUCESTER**

[Aside to CLARENCE] Nay, whip me then: he'll rather give her two.

**LADY GREY**

Three, my most gracious lord.

**GLOUCESTER**

[Aside to CLARENCE] You shall have four, if you'll be ruled by him.

**KING EDWARD IV**

'Twere pity they should lose their father's lands.

**LADY GREY**

Be pitiful, dread lord, and grant it then.

**KING EDWARD IV**

Lords, give us leave: I'll try this widow's wit.

**GLOUCESTER**

[Aside to CLARENCE] Ay, good leave have you; for you will have leave,  
Till youth take leave and leave you to the crutch.

*GLOUCESTER and CLARENCE retire*

**KING EDWARD IV**

Now tell me, madam, do you love your children?

**LADY GREY**

Ay, full as dearly as I love myself.

**KING EDWARD IV**

And would you not do much to do them good?

**LADY GREY**

To do them good, I would sustain some harm.

**KING EDWARD IV**

Then get your husband's lands, to do them good.

**LADY GREY**

Therefore I came unto your majesty.

**KING EDWARD IV**

I'll tell you how these lands are to be got.

**LADY GREY**

So shall you bind me to your highness' service.

**KING EDWARD IV**

What service wilt thou do me, if I give them?

**LADY GREY**

What you command, that rests in me to do.

**KING EDWARD IV**

But you will take exceptions to my boon.

**LADY GREY**

No, gracious lord, except I cannot do it.

**KING EDWARD IV**

Ay, but thou canst do what I mean to ask.

**LADY GREY**

Why, then I will do what your grace commands.

**GLOUCESTER**

[Aside to CLARENCE] He plies her hard; and much rain wears the marble.

**CLARENCE**

[Aside to GLOUCESTER] As red as fire! nay, then her wax must melt.

**LADY GREY**

Why stops my lord, shall I not hear my task?

**KING EDWARD IV**

An easy task; 'tis but to love a king.

**LADY GREY**

That's soon perform'd, because I am a subject.

**KING EDWARD IV**

Why, then, thy husband's lands I freely give thee.

**LADY GREY**

I take my leave with many thousand thanks.

**GLOUCESTER**

[Aside to CLARENCE] The match is made; she seals it with a curtsy.

**KING EDWARD IV**

But stay thee, 'tis the fruits of love I mean.

**LADY GREY**

The fruits of love I mean, my loving liege.

**KING EDWARD IV**

Ay, but, I fear me, in another sense.  
What love, think'st thou, I sue so much to get?

**LADY GREY**

My love till death, my humble thanks, my prayers;  
That love which virtue begs and virtue grants.

**KING EDWARD IV**

No, by my troth, I did not mean such love.

**LADY GREY**

Why, then you mean not as I thought you did.

**KING EDWARD IV**

But now you partly may perceive my mind.

**LADY GREY**

My mind will never grant what I perceive  
Your highness aims at, if I aim aright.

**KING EDWARD IV**

To tell thee plain, I aim to lie with thee.

**LADY GREY**

To tell you plain, I had rather lie in prison.

**KING EDWARD IV**

Why, then thou shalt not have thy husband's lands.

**LADY GREY**

Why, then mine honesty shall be my dower;  
For by that loss I will not purchase them.

**KING EDWARD IV**

Therein thou wrong'st thy children mightily.

**LADY GREY**

Herein your highness wrongs both them and me.  
But, mighty lord, this merry inclination  
Accords not with the sadness of my suit:  
Please you dismiss me either with 'ay' or 'no.'

**KING EDWARD IV**

Ay, if thou wilt say 'ay' to my request;  
No if thou dost say 'no' to my demand.

**LADY GREY**

Then, no, my lord. My suit is at an end.

**GLOUCESTER**

[Aside to CLARENCE] The widow likes him not, she  
knits her brows.

**CLARENCE**

[Aside to GLOUCESTER] He is the bluntest wooer in  
Christendom.

## **KING EDWARD IV**

[Aside] Her looks do argue her replete with modesty;  
Her words do show her wit incomparable;  
All her perfections challenge sovereignty:  
One way or other, she is for a king;  
And she shall be my love, or else my queen.--  
Say that King Edward take thee for his queen?

## **LADY GREY**

'Tis better said than done, my gracious lord:  
I am a subject fit to jest withal,  
But far unfit to be a sovereign.

## **KING EDWARD IV**

Sweet widow, by my state I swear to thee  
I speak no more than what my soul intends;  
And that is, to enjoy thee for my love.

## **LADY GREY**

And that is more than I will yield unto:  
I know I am too mean to be your queen,  
And yet too good to be your concubine.

## **KING EDWARD IV**

You cavil, widow: I did mean, my queen.

## **LADY GREY**

'Twill grieve your grace my sons should call you father.

## **KING EDWARD IV**

No more than when my daughters call thee mother.  
Thou art a widow, and thou hast some children;  
And, by God's mother, I, being but a bachelor,  
Have other some: why, 'tis a happy thing

To be the father unto many sons.  
Answer no more, for thou shalt be my queen.

**GLOUCESTER**

[Aside to CLARENCE] The ghostly father now hath done  
his shrift.

**CLARENCE**

[Aside to GLOUCESTER] When he was made a shriver,  
'twas for shift.

**KING EDWARD IV**

Brothers, you muse what chat we two have had.

**GLOUCESTER**

The widow likes it not, for she looks very sad.

**KING EDWARD IV**

You'll think it strange if I should marry her.

**CLARENCE**

To whom, my lord?

**KING EDWARD IV**

Why, Clarence, to myself.

**GLOUCESTER**

That would be ten days' wonder at the least.

**CLARENCE**

That's a day longer than a wonder lasts.

## **GLOUCESTER**

By so much is the wonder in extremes.

## **KING EDWARD IV**

Well, jest on, brothers: I can tell you both  
Her suit is granted for her husband's lands.

*Enter a Nobleman*

## **Nobleman**

My gracious lord, Henry your foe is taken,  
And brought your prisoner to your palace gate.

## **KING EDWARD IV**

See that he be convey'd unto the Tower:  
And go we, brothers, to the man that took him,  
To question of his apprehension.  
Widow, go you along. Lords, use her honourably.

*Exeunt all but GLOUCESTER*

## **GLOUCESTER**

Ay, Edward will use women honourably.  
Would he were wasted, marrow, bones and all,  
That from his loins no hopeful branch may spring,  
To cross me from the golden time I look for!  
And yet, between my soul's desire and me--  
The lustful Edward's title buried--  
Is Clarence, Henry, and his son young Edward,  
And all the unlook'd for issue of their bodies,  
To take their rooms, ere I can place myself:  
A cold premeditation for my purpose!  
Why, then, I do but dream on sovereignty;  
Like one that stands upon a promontory,  
And spies a far-off shore where he would tread,  
Wishing his foot were equal with his eye,  
And chides the sea that sunders him from thence,

Saying, he'll lade it dry to have his way:  
So do I wish the crown, being so far off;  
And so I chide the means that keeps me from it;  
And so I say, I'll cut the causes off,  
Flattering me with impossibilities.  
My eye's too quick, my heart o'erweens too much,  
Unless my hand and strength could equal them.  
Well, say there is no kingdom then for Richard;  
What other pleasure can the world afford?  
I'll make my heaven in a lady's lap,  
And deck my body in gay ornaments,  
And witch sweet ladies with my words and looks.  
O miserable thought! and more unlikely  
Than to accomplish twenty golden crowns!  
Why, love forswore me in my mother's womb:  
And, for I should not deal in her soft laws,  
She did corrupt frail nature with some bribe,  
To shrink mine arm up like a wither'd shrub;  
To make an envious mountain on my back,  
Where sits deformity to mock my body;  
To shape my legs of an unequal size;  
To disproportion me in every part,  
Like to a chaos, or an unlick'd bear-whelp  
That carries no impression like the dam.  
And am I then a man to be beloved?  
O monstrous fault, to harbour such a thought!  
Then, since this earth affords no joy to me,  
But to command, to cheque, to o'erbear such  
As are of better person than myself,  
I'll make my heaven to dream upon the crown,  
And, whiles I live, to account this world but hell,  
Until my mis-shaped trunk that bears this head  
Be round impaled with a glorious crown.  
And yet I know not how to get the crown,  
For many lives stand between me and home:  
And I,--like one lost in a thorny wood,  
That rends the thorns and is rent with the thorns,  
Seeking a way and straying from the way;  
Not knowing how to find the open air,  
But toiling desperately to find it out,--  
Torment myself to catch the English crown:  
And from that torment I will free myself,  
Or hew my way out with a bloody axe.

Why, I can smile, and murder whiles I smile,  
And cry 'Content' to that which grieves my heart,  
And wet my cheeks with artificial tears,  
And frame my face to all occasions.  
I'll drown more sailors than the mermaid shall;  
I'll slay more gazers than the basilisk;  
I'll play the orator as well as Nestor,  
Deceive more silyly than Ulysses could,  
And, like a Sinon, take another Troy.  
I can add colours to the chameleon,  
Change shapes with Proteus for advantages,  
And set the murderous Machiavel to school.  
Can I do this, and cannot get a crown?  
Tut, were it farther off, I'll pluck it down.

*Exit*

## SCENE III. France. KING LEWIS XI's palace.

*Flourish. Enter KING LEWIS XI, his sister BONA, his Admiral, called BOURBON, PRINCE EDWARD, QUEEN MARGARET, and OXFORD. KING LEWIS XI sits, and riseth up again*

### KING LEWIS XI

Fair Queen of England, worthy Margaret,  
Sit down with us: it ill befits thy state  
And birth, that thou shouldst stand while Lewis doth sit.

### QUEEN MARGARET

No, mighty King of France: now Margaret  
Must strike her sail and learn awhile to serve  
Where kings command. I was, I must confess,  
Great Albion's queen in former golden days:  
But now mischance hath trod my title down,  
And with dishonour laid me on the ground;  
Where I must take like seat unto my fortune,  
And to my humble seat conform myself.

### KING LEWIS XI

Why, say, fair queen, whence springs this deep despair?

### QUEEN MARGARET

From such a cause as fills mine eyes with tears  
And stops my tongue, while heart is drown'd in cares.

### KING LEWIS XI

Whate'er it be, be thou still like thyself,  
And sit thee by our side:

*Seats her by him*

Yield not thy neck  
To fortune's yoke, but let thy dauntless mind  
Still ride in triumph over all mischance.  
Be plain, Queen Margaret, and tell thy grief;  
It shall be eased, if France can yield relief.

## **QUEEN MARGARET**

Those gracious words revive my drooping thoughts  
And give my tongue-tied sorrows leave to speak.  
Now, therefore, be it known to noble Lewis,  
That Henry, sole possessor of my love,  
Is of a king become a banish'd man,  
And forced to live in Scotland a forlorn;  
While proud ambitious Edward Duke of York  
Usurps the regal title and the seat  
Of England's true-anointed lawful king.  
This is the cause that I, poor Margaret,  
With this my son, Prince Edward, Henry's heir,  
Am come to crave thy just and lawful aid;  
And if thou fail us, all our hope is done:  
Scotland hath will to help, but cannot help;  
Our people and our peers are both misled,  
Our treasures seized, our soldiers put to flight,  
And, as thou seest, ourselves in heavy plight.

## **KING LEWIS XI**

Renowned queen, with patience calm the storm,  
While we bethink a means to break it off.

## **QUEEN MARGARET**

The more we stay, the stronger grows our foe.

## **KING LEWIS XI**

The more I stay, the more I'll succor thee.

## **QUEEN MARGARET**

O, but impatience waiteth on true sorrow.  
And see where comes the breeder of my sorrow!

*Enter WARWICK*

## **KING LEWIS XI**

What's he approacheth boldly to our presence?

## **QUEEN MARGARET**

Our Earl of Warwick, Edward's greatest friend.

## **KING LEWIS XI**

Welcome, brave Warwick! What brings thee to France?

*He descends. She ariseth*

## **QUEEN MARGARET**

Ay, now begins a second storm to rise;  
For this is he that moves both wind and tide.

## **WARWICK**

From worthy Edward, King of Albion,  
My lord and sovereign, and thy vowed friend,  
I come, in kindness and unfeigned love,  
First, to do greetings to thy royal person;  
And then to crave a league of amity;  
And lastly, to confirm that amity  
With a nuptial knot, if thou vouchsafe to grant  
That virtuous Lady Bona, thy fair sister,  
To England's king in lawful marriage.

## **QUEEN MARGARET**

[Aside] If that go forward, Henry's hope is done.

## **WARWICK**

[To BONA] And, gracious madam, in our king's behalf,  
I am commanded, with your leave and favour,  
Humbly to kiss your hand, and with my tongue  
To tell the passion of my sovereign's heart;  
Where fame, late entering at his heedful ears,  
Hath placed thy beauty's image and thy virtue.

## **QUEEN MARGARET**

King Lewis and Lady Bona, hear me speak,  
Before you answer Warwick. His demand  
Springs not from Edward's well-meant honest love,  
But from deceit bred by necessity;  
For how can tyrants safely govern home,  
Unless abroad they purchase great alliance?  
To prove him tyrant this reason may suffice,  
That Henry liveth still: but were he dead,  
Yet here Prince Edward stands, King Henry's son.  
Look, therefore, Lewis, that by this league and marriage  
Thou draw not on thy danger and dishonour;  
For though usurpers sway the rule awhile,  
Yet heavens are just, and time suppresseth wrongs.

## **WARWICK**

Injurious Margaret!

## **PRINCE EDWARD**

And why not queen?

## **WARWICK**

Because thy father Henry did usurp;  
And thou no more are prince than she is queen.

## **OXFORD**

Then Warwick disannuls great John of Gaunt,

Which did subdue the greatest part of Spain;  
And, after John of Gaunt, Henry the Fourth,  
Whose wisdom was a mirror to the wisest;  
And, after that wise prince, Henry the Fifth,  
Who by his prowess conquered all France:  
From these our Henry lineally descends.

## **WARWICK**

Oxford, how haps it, in this smooth discourse,  
You told not how Henry the Sixth hath lost  
All that which Henry Fifth had gotten?  
Methinks these peers of France should smile at that.  
But for the rest, you tell a pedigree  
Of threescore and two years; a silly time  
To make prescription for a kingdom's worth.

## **OXFORD**

Why, Warwick, canst thou speak against thy liege,  
Whom thou obeyed'st thirty and six years,  
And not bewray thy treason with a blush?

## **WARWICK**

Can Oxford, that did ever fence the right,  
Now buckler falsehood with a pedigree?  
For shame! leave Henry, and call Edward king.

## **OXFORD**

Call him my king by whose injurious doom  
My elder brother, the Lord Aubrey Vere,  
Was done to death? and more than so, my father,  
Even in the downfall of his mellow'd years,  
When nature brought him to the door of death?  
No, Warwick, no; while life upholds this arm,  
This arm upholds the house of Lancaster.

## **WARWICK**

And I the house of York.

**KING LEWIS XI**

Queen Margaret, Prince Edward, and Oxford,  
Vouchsafe, at our request, to stand aside,  
While I use further conference with Warwick.

*They stand aloof*

**QUEEN MARGARET**

Heavens grant that Warwick's words bewitch him not!

**KING LEWIS XI**

Now Warwick, tell me, even upon thy conscience,  
Is Edward your true king? for I were loath  
To link with him that were not lawful chosen.

**WARWICK**

Thereon I pawn my credit and mine honour.

**KING LEWIS XI**

But is he gracious in the people's eye?

**WARWICK**

The more that Henry was unfortunate.

**KING LEWIS XI**

Then further, all dissembling set aside,  
Tell me for truth the measure of his love  
Unto our sister Bona.

**WARWICK**

Such it seems  
As may beseem a monarch like himself.

Myself have often heard him say and swear  
That this his love was an eternal plant,  
Whereof the root was fix'd in virtue's ground,  
The leaves and fruit maintain'd with beauty's sun,  
Exempt from envy, but not from disdain,  
Unless the Lady Bona quit his pain.

**KING LEWIS XI**

Now, sister, let us hear your firm resolve.

**BONA**

Your grant, or your denial, shall be mine:

*To WARWICK*

Yet I confess that often ere this day,  
When I have heard your king's desert recounted,  
Mine ear hath tempted judgment to desire.

**KING LEWIS XI**

Then, Warwick, thus: our sister shall be Edward's;  
And now forthwith shall articles be drawn  
Touching the jointure that your king must make,  
Which with her dowry shall be counterpoised.  
Draw near, Queen Margaret, and be a witness  
That Bona shall be wife to the English king.

**PRINCE EDWARD**

To Edward, but not to the English king.

**QUEEN MARGARET**

Deceitful Warwick! it was thy device  
By this alliance to make void my suit:  
Before thy coming Lewis was Henry's friend.

**KING LEWIS XI**

And still is friend to him and Margaret:  
But if your title to the crown be weak,  
As may appear by Edward's good success,  
Then 'tis but reason that I be released  
From giving aid which late I promised.  
Yet shall you have all kindness at my hand  
That your estate requires and mine can yield.

## **WARWICK**

Henry now lives in Scotland at his ease,  
Where having nothing, nothing can he lose.  
And as for you yourself, our quondam queen,  
You have a father able to maintain you;  
And better 'twere you troubled him than France.

## **QUEEN MARGARET**

Peace, impudent and shameless Warwick, peace,  
Proud setter up and puller down of kings!  
I will not hence, till, with my talk and tears,  
Both full of truth, I make King Lewis behold  
Thy sly conveyance and thy lord's false love;  
For both of you are birds of selfsame feather.

*Post blows a horn within*

## **KING LEWIS XI**

Warwick, this is some post to us or thee.

*Enter a Post*

## **Post**

[To WARWICK] My lord ambassador, these letters are for you,  
Sent from your brother, Marquess Montague:

*To KING LEWIS XI*

These from our king unto your majesty:

*To QUEEN MARGARET*

And, madam, these for you; from whom I know not.

*They all read their letters*

**OXFORD**

I like it well that our fair queen and mistress  
Smiles at her news, while Warwick frowns at his.

**PRINCE EDWARD**

Nay, mark how Lewis stamps, as he were nettled:  
I hope all's for the best.

**KING LEWIS XI**

Warwick, what are thy news? and yours, fair queen?

**QUEEN MARGARET**

Mine, such as fill my heart with unhoped joys.

**WARWICK**

Mine, full of sorrow and heart's discontent.

**KING LEWIS XI**

What! has your king married the Lady Grey!  
And now, to soothe your forgery and his,  
Sends me a paper to persuade me patience?  
Is this the alliance that he seeks with France?  
Dare he presume to scorn us in this manner?

**QUEEN MARGARET**

I told your majesty as much before:  
This proveth Edward's love and Warwick's honesty.

## WARWICK

King Lewis, I here protest, in sight of heaven,  
And by the hope I have of heavenly bliss,  
That I am clear from this misdeed of Edward's,  
No more my king, for he dishonours me,  
But most himself, if he could see his shame.  
Did I forget that by the house of York  
My father came untimely to his death?  
Did I let pass the abuse done to my niece?  
Did I impale him with the regal crown?  
Did I put Henry from his native right?  
And am I guerdon'd at the last with shame?  
Shame on himself! for my desert is honour:  
And to repair my honour lost for him,  
I here renounce him and return to Henry.  
My noble queen, let former grudges pass,  
And henceforth I am thy true servitor:  
I will revenge his wrong to Lady Bona,  
And replant Henry in his former state.

## QUEEN MARGARET

Warwick, these words have turn'd my hate to love;  
And I forgive and quite forget old faults,  
And joy that thou becomest King Henry's friend.

## WARWICK

So much his friend, ay, his unfeigned friend,  
That, if King Lewis vouchsafe to furnish us  
With some few bands of chosen soldiers,  
I'll undertake to land them on our coast  
And force the tyrant from his seat by war.  
'Tis not his new-made bride shall succor him:  
And as for Clarence, as my letters tell me,  
He's very likely now to fall from him,  
For matching more for wanton lust than honour,  
Or than for strength and safety of our country.

## BONA

Dear brother, how shall Bona be revenged  
But by thy help to this distressed queen?

**QUEEN MARGARET**

Renowned prince, how shall poor Henry live,  
Unless thou rescue him from foul despair?

**BONA**

My quarrel and this English queen's are one.

**WARWICK**

And mine, fair lady Bona, joins with yours.

**KING LEWIS XI**

And mine with hers, and thine, and Margaret's.  
Therefore at last I firmly am resolved  
You shall have aid.

**QUEEN MARGARET**

Let me give humble thanks for all at once.

**KING LEWIS XI**

Then, England's messenger, return in post,  
And tell false Edward, thy supposed king,  
That Lewis of France is sending over masquers  
To revel it with him and his new bride:  
Thou seest what's past, go fear thy king withal.

**BONA**

Tell him, in hope he'll prove a widower shortly,  
I'll wear the willow garland for his sake.

**QUEEN MARGARET**

Tell him, my mourning weeds are laid aside,  
And I am ready to put armour on.

## **WARWICK**

Tell him from me that he hath done me wrong,  
And therefore I'll uncrown him ere't be long.  
There's thy reward: be gone.

*Exit Post*

## **KING LEWIS XI**

But, Warwick,  
Thou and Oxford, with five thousand men,  
Shall cross the seas, and bid false Edward battle;  
And, as occasion serves, this noble queen  
And prince shall follow with a fresh supply.  
Yet, ere thou go, but answer me one doubt,  
What pledge have we of thy firm loyalty?

## **WARWICK**

This shall assure my constant loyalty,  
That if our queen and this young prince agree,  
I'll join mine eldest daughter and my joy  
To him forthwith in holy wedlock bands.

## **QUEEN MARGARET**

Yes, I agree, and thank you for your motion.  
Son Edward, she is fair and virtuous,  
Therefore delay not, give thy hand to Warwick;  
And, with thy hand, thy faith irrevocable,  
That only Warwick's daughter shall be thine.

## **PRINCE EDWARD**

Yes, I accept her, for she well deserves it;  
And here, to pledge my vow, I give my hand.

*He gives his hand to WARWICK*

## KING LEWIS XI

Why stay we now? These soldiers shall be levied,  
And thou, Lord Bourbon, our high admiral,  
Shalt waft them over with our royal fleet.  
I long till Edward fall by war's mischance,  
For mocking marriage with a dame of France.

*Exeunt all but WARWICK*

## WARWICK

I came from Edward as ambassador,  
But I return his sworn and mortal foe:  
Matter of marriage was the charge he gave me,  
But dreadful war shall answer his demand.  
Had he none else to make a stale but me?  
Then none but I shall turn his jest to sorrow.  
I was the chief that raised him to the crown,  
And I'll be chief to bring him down again:  
Not that I pity Henry's misery,  
But seek revenge on Edward's mockery.

*Exit*

# The Third part of King Henry the Sixth

[Shakespeare homepage](#) | [Henry VI, part 3](#) | Act 4, Scene 1

[Previous scene](#) | [Next scene](#)

## SCENE I. London. The palace.

*Enter GLOUCESTER, CLARENCE, SOMERSET, and MONTAGUE*

### GLOUCESTER

Now tell me, brother Clarence, what think you  
Of this new marriage with the Lady Grey?  
Hath not our brother made a worthy choice?

### CLARENCE

Alas, you know, 'tis far from hence to France;  
How could he stay till Warwick made return?

### SOMERSET

My lords, forbear this talk; here comes the king.

### GLOUCESTER

And his well-chosen bride.

### CLARENCE

I mind to tell him plainly what I think.

*Flourish. Enter KING EDWARD IV, attended; QUEEN ELIZABETH, PEMBROKE, STAFFORD, HASTINGS, and others*

### KING EDWARD IV

Now, brother of Clarence, how like you our choice,  
That you stand pensive, as half malcontent?

## **CLARENCE**

As well as Lewis of France, or the Earl of Warwick,  
Which are so weak of courage and in judgment  
That they'll take no offence at our abuse.

## **KING EDWARD IV**

Suppose they take offence without a cause,  
They are but Lewis and Warwick: I am Edward,  
Your king and Warwick's, and must have my will.

## **GLOUCESTER**

And shall have your will, because our king:  
Yet hasty marriage seldom proveth well.

## **KING EDWARD IV**

Yea, brother Richard, are you offended too?

## **GLOUCESTER**

Not I:  
No, God forbid that I should wish them sever'd  
Whom God hath join'd together; ay, and 'twere pity  
To sunder them that yoke so well together.

## **KING EDWARD IV**

Setting your scorns and your mislike aside,  
Tell me some reason why the Lady Grey  
Should not become my wife and England's queen.  
And you too, Somerset and Montague,  
Speak freely what you think.

## **CLARENCE**

Then this is mine opinion: that King Lewis  
Becomes your enemy, for mocking him  
About the marriage of the Lady Bona.

## **GLOUCESTER**

And Warwick, doing what you gave in charge,  
Is now dishonoured by this new marriage.

## **KING EDWARD IV**

What if both Lewis and Warwick be appeased  
By such invention as I can devise?

## **MONTAGUE**

Yet, to have join'd with France in such alliance  
Would more have strengthen'd this our commonwealth  
'Gainst foreign storms than any home-bred marriage.

## **HASTINGS**

Why, knows not Montague that of itself  
England is safe, if true within itself?

## **MONTAGUE**

But the safer when 'tis back'd with France.

## **HASTINGS**

'Tis better using France than trusting France:  
Let us be back'd with God and with the seas  
Which He hath given for fence impregnable,  
And with their helps only defend ourselves;  
In them and in ourselves our safety lies.

## **CLARENCE**

For this one speech Lord Hastings well deserves  
To have the heir of the Lord Hungerford.

## **KING EDWARD IV**

Ay, what of that? it was my will and grant;

And for this once my will shall stand for law.

## **GLOUCESTER**

And yet methinks your grace hath not done well,  
To give the heir and daughter of Lord Scales  
Unto the brother of your loving bride;  
She better would have fitted me or Clarence:  
But in your bride you bury brotherhood.

## **CLARENCE**

Or else you would not have bestow'd the heir  
Of the Lord Bonville on your new wife's son,  
And leave your brothers to go speed elsewhere.

## **KING EDWARD IV**

Alas, poor Clarence! is it for a wife  
That thou art malcontent? I will provide thee.

## **CLARENCE**

In choosing for yourself, you show'd your judgment,  
Which being shallow, you give me leave  
To play the broker in mine own behalf;  
And to that end I shortly mind to leave you.

## **KING EDWARD IV**

Leave me, or tarry, Edward will be king,  
And not be tied unto his brother's will.

## **QUEEN ELIZABETH**

My lords, before it pleased his majesty  
To raise my state to title of a queen,  
Do me but right, and you must all confess  
That I was not ignoble of descent;  
And meaner than myself have had like fortune.  
But as this title honours me and mine,  
So your dislike, to whom I would be pleasing,

Doth cloud my joys with danger and with sorrow.

**KING EDWARD IV**

My love, forbear to fawn upon their frowns:  
What danger or what sorrow can befall thee,  
So long as Edward is thy constant friend,  
And their true sovereign, whom they must obey?  
Nay, whom they shall obey, and love thee too,  
Unless they seek for hatred at my hands;  
Which if they do, yet will I keep thee safe,  
And they shall feel the vengeance of my wrath.

**GLOUCESTER**

[Aside] I hear, yet say not much, but think the more.

*Enter a Post*

**KING EDWARD IV**

Now, messenger, what letters or what news  
From France?

**Post**

My sovereign liege, no letters; and few words,  
But such as I, without your special pardon,  
Dare not relate.

**KING EDWARD IV**

Go to, we pardon thee: therefore, in brief,  
Tell me their words as near as thou canst guess them.  
What answer makes King Lewis unto our letters?

**Post**

At my depart, these were his very words:  
'Go tell false Edward, thy supposed king,  
That Lewis of France is sending over masquers

To revel it with him and his new bride.'

## **KING EDWARD IV**

Is Lewis so brave? belike he thinks me Henry.  
But what said Lady Bona to my marriage?

### **Post**

These were her words, utter'd with mad disdain:  
'Tell him, in hope he'll prove a widower shortly,  
I'll wear the willow garland for his sake.'

## **KING EDWARD IV**

I blame not her, she could say little less;  
She had the wrong. But what said Henry's queen?  
For I have heard that she was there in place.

### **Post**

'Tell him,' quoth she, 'my mourning weeds are done,  
And I am ready to put armour on.'

## **KING EDWARD IV**

Belike she minds to play the Amazon.  
But what said Warwick to these injuries?

### **Post**

He, more incensed against your majesty  
Than all the rest, discharged me with these words:  
'Tell him from me that he hath done me wrong,  
And therefore I'll uncrown him ere't be long.'

## **KING EDWARD IV**

Ha! durst the traitor breathe out so proud words?  
Well I will arm me, being thus forewarn'd:  
They shall have wars and pay for their presumption.

But say, is Warwick friends with Margaret?

## Post

Ay, gracious sovereign; they are so link'd in  
friendship

That young Prince Edward marries Warwick's daughter.

## CLARENCE

Belike the elder; Clarence will have the younger.  
Now, brother king, farewell, and sit you fast,  
For I will hence to Warwick's other daughter;  
That, though I want a kingdom, yet in marriage  
I may not prove inferior to yourself.  
You that love me and Warwick, follow me.

*Exit CLARENCE, and SOMERSET follows*

## GLOUCESTER

[Aside] Not I:  
My thoughts aim at a further matter; I  
Stay not for the love of Edward, but the crown.

## KING EDWARD IV

Clarence and Somerset both gone to Warwick!  
Yet am I arm'd against the worst can happen;  
And haste is needful in this desperate case.  
Pembroke and Stafford, you in our behalf  
Go levy men, and make prepare for war;  
They are already, or quickly will be landed:  
Myself in person will straight follow you.

*Exeunt PEMBROKE and STAFFORD*

But, ere I go, Hastings and Montague,  
Resolve my doubt. You twain, of all the rest,  
Are near to Warwick by blood and by alliance:  
Tell me if you love Warwick more than me?  
If it be so, then both depart to him;

I rather wish you foes than hollow friends:  
But if you mind to hold your true obedience,  
Give me assurance with some friendly vow,  
That I may never have you in suspect.

**MONTAGUE**

So God help Montague as he proves true!

**HASTINGS**

And Hastings as he favours Edward's cause!

**KING EDWARD IV**

Now, brother Richard, will you stand by us?

**GLOUCESTER**

Ay, in despite of all that shall withstand you.

**KING EDWARD IV**

Why, so! then am I sure of victory.  
Now therefore let us hence; and lose no hour,  
Till we meet Warwick with his foreign power.

*Exeunt*

## SCENE II. A plain in Warwickshire.

*Enter WARWICK and OXFORD, with French soldiers*

### WARWICK

Trust me, my lord, all hitherto goes well;  
The common people by numbers swarm to us.

*Enter CLARENCE and SOMERSET*

But see where Somerset and Clarence come!  
Speak suddenly, my lords, are we all friends?

### CLARENCE

Fear not that, my lord.

### WARWICK

Then, gentle Clarence, welcome unto Warwick;  
And welcome, Somerset: I hold it cowardice  
To rest mistrustful where a noble heart  
Hath pawn'd an open hand in sign of love;  
Else might I think that Clarence, Edward's brother,  
Were but a feigned friend to our proceedings:  
But welcome, sweet Clarence; my daughter shall be thine.  
And now what rests but, in night's coverture,  
Thy brother being carelessly encamp'd,  
His soldiers lurking in the towns about,  
And but attended by a simple guard,  
We may surprise and take him at our pleasure?  
Our scouts have found the adventure very easy:  
That as Ulysses and stout Diomed  
With sleight and manhood stole to Rhesus' tents,  
And brought from thence the Thracian fatal steeds,

So we, well cover'd with the night's black mantle,  
At unawares may beat down Edward's guard  
And seize himself; I say not, slaughter him,  
For I intend but only to surprise him.  
You that will follow me to this attempt,  
Applaud the name of Henry with your leader.

*They all cry, 'Henry!'*

Why, then, let's on our way in silent sort:  
For Warwick and his friends, God and Saint George!

*Exeunt*

## SCENE III. Edward's camp, near Warwick.

*Enter three Watchmen, to guard KING EDWARD IV's tent*

### First Watchman

Come on, my masters, each man take his stand:  
The king by this is set him down to sleep.

### Second Watchman

What, will he not to bed?

### First Watchman

Why, no; for he hath made a solemn vow  
Never to lie and take his natural rest  
Till Warwick or himself be quite suppress'd.

### Second Watchman

To-morrow then belike shall be the day,  
If Warwick be so near as men report.

### Third Watchman

But say, I pray, what nobleman is that  
That with the king here resteth in his tent?

### First Watchman

'Tis the Lord Hastings, the king's chiefest friend.

### Third Watchman

O, is it so? But why commands the king  
That his chief followers lodge in towns about him,  
While he himself keeps in the cold field?

### **Second Watchman**

'Tis the more honour, because more dangerous.

### **Third Watchman**

Ay, but give me worship and quietness;  
I like it better than a dangerous honour.  
If Warwick knew in what estate he stands,  
'Tis to be doubted he would waken him.

### **First Watchman**

Unless our halberds did shut up his passage.

### **Second Watchman**

Ay, wherefore else guard we his royal tent,  
But to defend his person from night-foes?

*Enter WARWICK, CLARENCE, OXFORD, SOMERSET, and French soldiers, silent all*

### **WARWICK**

This is his tent; and see where stand his guard.  
Courage, my masters! honour now or never!  
But follow me, and Edward shall be ours.

### **First Watchman**

Who goes there?

### **Second Watchman**

Stay, or thou diest!

*WARWICK and the rest cry all, 'Warwick! Warwick!' and set upon the Guard, who fly,*

*crying, 'Arm! arm!' WARWICK and the rest following them*

*The drum playing and trumpet sounding, reenter WARWICK, SOMERSET, and the rest, bringing KING EDWARD IV out in his gown, sitting in a chair. RICHARD and HASTINGS fly over the stage*

## **SOMERSET**

What are they that fly there?

## **WARWICK**

Richard and Hastings: let them go; here is The duke.

## **KING EDWARD IV**

The duke! Why, Warwick, when we parted,  
Thou call'dst me king.

## **WARWICK**

Ay, but the case is alter'd:  
When you disgraced me in my embassy,  
Then I degraded you from being king,  
And come now to create you Duke of York.  
Alas! how should you govern any kingdom,  
That know not how to use ambassadors,  
Nor how to be contented with one wife,  
Nor how to use your brothers brotherly,  
Nor how to study for the people's welfare,  
Nor how to shroud yourself from enemies?

## **KING EDWARD IV**

Yea, brother of Clarence, are thou here too?  
Nay, then I see that Edward needs must down.  
Yet, Warwick, in despite of all mischance,  
Of thee thyself and all thy complices,  
Edward will always bear himself as king:  
Though fortune's malice overthrow my state,  
My mind exceeds the compass of her wheel.

## WARWICK

Then, for his mind, be Edward England's king:

*Takes off his crown*

But Henry now shall wear the English crown,  
And be true king indeed, thou but the shadow.  
My Lord of Somerset, at my request,  
See that forthwith Duke Edward be convey'd  
Unto my brother, Archbishop of York.  
When I have fought with Pembroke and his fellows,  
I'll follow you, and tell what answer  
Lewis and the Lady Bona send to him.  
Now, for a while farewell, good Duke of York.

*They lead him out forcibly*

## KING EDWARD IV

What fates impose, that men must needs abide;  
It boots not to resist both wind and tide.

*Exit, guarded*

## OXFORD

What now remains, my lords, for us to do  
But march to London with our soldiers?

## WARWICK

Ay, that's the first thing that we have to do;  
To free King Henry from imprisonment  
And see him seated in the regal throne.

*Exeunt*

# The Third part of King Henry the Sixth

[Shakespeare homepage](#) | [Henry VI, part 3](#) | Act 4, Scene 4

[Previous scene](#) | [Next scene](#)

## SCENE IV. London. The palace.

*Enter QUEEN ELIZABETH and RIVERS*

**RIVERS**

Madam, what makes you in this sudden change?

**QUEEN ELIZABETH**

Why brother Rivers, are you yet to learn  
What late misfortune is befall'n King Edward?

**RIVERS**

What! loss of some pitch'd battle against Warwick?

**QUEEN ELIZABETH**

No, but the loss of his own royal person.

**RIVERS**

Then is my sovereign slain?

**QUEEN ELIZABETH**

Ay, almost slain, for he is taken prisoner,  
Either betray'd by falsehood of his guard  
Or by his foe surprised at unawares:  
And, as I further have to understand,  
Is new committed to the Bishop of York,  
Fell Warwick's brother and by that our foe.

**RIVERS**

These news I must confess are full of grief;  
Yet, gracious madam, bear it as you may:  
Warwick may lose, that now hath won the day.

## QUEEN ELIZABETH

Till then fair hope must hinder life's decay.  
And I the rather wean me from despair  
For love of Edward's offspring in my womb:  
This is it that makes me bridle passion  
And bear with mildness my misfortune's cross;  
Ay, ay, for this I draw in many a tear  
And stop the rising of blood-sucking sighs,  
Lest with my sighs or tears I blast or drown  
King Edward's fruit, true heir to the English crown.

## RIVERS

But, madam, where is Warwick then become?

## QUEEN ELIZABETH

I am inform'd that he comes towards London,  
To set the crown once more on Henry's head:  
Guess thou the rest; King Edward's friends must down,  
But, to prevent the tyrant's violence,--  
For trust not him that hath once broken faith,--  
I'll hence forthwith unto the sanctuary,  
To save at least the heir of Edward's right:  
There shall I rest secure from force and fraud.  
Come, therefore, let us fly while we may fly:  
If Warwick take us we are sure to die.

*Exeunt*

## SCENE V. A park near Middleham Castle In Yorkshire.

*Enter GLOUCESTER, HASTINGS, and STANLEY*

### GLOUCESTER

Now, my Lord Hastings and Sir William Stanley,  
Leave off to wonder why I drew you hither,  
Into this chiefest thicket of the park.  
Thus stands the case: you know our king, my brother,  
Is prisoner to the bishop here, at whose hands  
He hath good usage and great liberty,  
And, often but attended with weak guard,  
Comes hunting this way to disport himself.  
I have advertised him by secret means  
That if about this hour he make his way  
Under the colour of his usual game,  
He shall here find his friends with horse and men  
To set him free from his captivity.

*Enter KING EDWARD IV and a Huntsman with him*

### Huntsman

This way, my lord; for this way lies the game.

### KING EDWARD IV

Nay, this way, man: see where the huntsmen stand.  
Now, brother of Gloucester, Lord Hastings, and the rest,  
Stand you thus close, to steal the bishop's deer?

### GLOUCESTER

Brother, the time and case requireth haste:  
Your horse stands ready at the park-corner.

**KING EDWARD IV**

But whither shall we then?

**HASTINGS**

To Lynn, my lord,  
And ship from thence to Flanders.

**GLOUCESTER**

Well guess'd, believe me; for that was my meaning.

**KING EDWARD IV**

Stanley, I will requite thy forwardness.

**GLOUCESTER**

But wherefore stay we? 'tis no time to talk.

**KING EDWARD IV**

Huntsman, what say'st thou? wilt thou go along?

**Huntsman**

Better do so than tarry and be hang'd.

**GLOUCESTER**

Come then, away; let's ha' no more ado.

**KING EDWARD IV**

Bishop, farewell: shield thee from Warwick's frown;  
And pray that I may repossess the crown.

*Exeunt*

# The Third part of King Henry the Sixth

[Shakespeare homepage](#) | [Henry VI, part 3](#) | Act 4, Scene 6

[Previous scene](#) | [Next scene](#)

## SCENE VI. London. The Tower.

*Flourish. Enter KING HENRY VI, CLARENCE, WARWICK, SOMERSET, HENRY OF RICHMOND, OXFORD, MONTAGUE, and Lieutenant of the Tower*

### KING HENRY VI

Master lieutenant, now that God and friends  
Have shaken Edward from the regal seat,  
And turn'd my captive state to liberty,  
My fear to hope, my sorrows unto joys,  
At our enlargement what are thy due fees?

### Lieutenant

Subjects may challenge nothing of their sovereigns;  
But if an humble prayer may prevail,  
I then crave pardon of your majesty.

### KING HENRY VI

For what, lieutenant? for well using me?  
Nay, be thou sure I'll well requite thy kindness,  
For that it made my imprisonment a pleasure;  
Ay, such a pleasure as incaged birds  
Conceive when after many moody thoughts  
At last by notes of household harmony  
They quite forget their loss of liberty.  
But, Warwick, after God, thou set'st me free,  
And chiefly therefore I thank God and thee;  
He was the author, thou the instrument.  
Therefore, that I may conquer fortune's spite  
By living low, where fortune cannot hurt me,  
And that the people of this blessed land  
May not be punish'd with my thwarting stars,  
Warwick, although my head still wear the crown,

I here resign my government to thee,  
For thou art fortunate in all thy deeds.

## **WARWICK**

Your grace hath still been famed for virtuous;  
And now may seem as wise as virtuous,  
By spying and avoiding fortune's malice,  
For few men rightly temper with the stars:  
Yet in this one thing let me blame your grace,  
For choosing me when Clarence is in place.

## **CLARENCE**

No, Warwick, thou art worthy of the sway,  
To whom the heavens in thy nativity  
Adjudged an olive branch and laurel crown,  
As likely to be blest in peace and war;  
And therefore I yield thee my free consent.

## **WARWICK**

And I choose Clarence only for protector.

## **KING HENRY VI**

Warwick and Clarence give me both your hands:  
Now join your hands, and with your hands your hearts,  
That no dissension hinder government:  
I make you both protectors of this land,  
While I myself will lead a private life  
And in devotion spend my latter days,  
To sin's rebuke and my Creator's praise.

## **WARWICK**

What answers Clarence to his sovereign's will?

## **CLARENCE**

That he consents, if Warwick yield consent;  
For on thy fortune I repose myself.

## **WARWICK**

Why, then, though loath, yet must I be content:  
We'll yoke together, like a double shadow  
To Henry's body, and supply his place;  
I mean, in bearing weight of government,  
While he enjoys the honour and his ease.  
And, Clarence, now then it is more than needful  
Forthwith that Edward be pronounced a traitor,  
And all his lands and goods be confiscate.

## **CLARENCE**

What else? and that succession be determined.

## **WARWICK**

Ay, therein Clarence shall not want his part.

## **KING HENRY VI**

But, with the first of all your chief affairs,  
Let me entreat, for I command no more,  
That Margaret your queen and my son Edward  
Be sent for, to return from France with speed;  
For, till I see them here, by doubtful fear  
My joy of liberty is half eclipsed.

## **CLARENCE**

It shall be done, my sovereign, with all speed.

## **KING HENRY VI**

My Lord of Somerset, what youth is that,  
Of whom you seem to have so tender care?

## **SOMERSET**

My liege, it is young Henry, earl of Richmond.

## **KING HENRY VI**

Come hither, England's hope.

*Lays his hand on his head*

If secret powers  
Suggest but truth to my divining thoughts,  
This pretty lad will prove our country's bliss.  
His looks are full of peaceful majesty,  
His head by nature framed to wear a crown,  
His hand to wield a sceptre, and himself  
Likely in time to bless a regal throne.  
Make much of him, my lords, for this is he  
Must help you more than you are hurt by me.

*Enter a Post*

## **WARWICK**

What news, my friend?

**Post**

That Edward is escaped from your brother,  
And fled, as he hears since, to Burgundy.

## **WARWICK**

Unsavoury news! but how made he escape?

**Post**

He was convey'd by Richard Duke of Gloucester  
And the Lord Hastings, who attended him  
In secret ambush on the forest side  
And from the bishop's huntsmen rescued him;  
For hunting was his daily exercise.

## **WARWICK**

My brother was too careless of his charge.  
But let us hence, my sovereign, to provide  
A salve for any sore that may betide.

*Exeunt all but SOMERSET, HENRY OF RICHMOND, and OXFORD*

## **SOMERSET**

My lord, I like not of this flight of Edward's;  
For doubtless Burgundy will yield him help,  
And we shall have more wars before 't be long.  
As Henry's late presaging prophecy  
Did glad my heart with hope of this young Richmond,  
So doth my heart misgive me, in these conflicts  
What may befall him, to his harm and ours:  
Therefore, Lord Oxford, to prevent the worst,  
Forthwith we'll send him hence to Brittany,  
Till storms be past of civil enmity.

## **OXFORD**

Ay, for if Edward repossess the crown,  
'Tis like that Richmond with the rest shall down.

## **SOMERSET**

It shall be so; he shall to Brittany.  
Come, therefore, let's about it speedily.

*Exeunt*

# The Third part of King Henry the Sixth

[Shakespeare homepage](#) | [Henry VI, part 3](#) | Act 4, Scene 7

[Previous scene](#) | [Next scene](#)

## SCENE VII. Before York.

*Flourish. Enter KING EDWARD IV, GLOUCESTER, HASTINGS, and Soldiers*

### KING EDWARD IV

Now, brother Richard, Lord Hastings, and the rest,  
Yet thus far fortune maketh us amends,  
And says that once more I shall interchange  
My waned state for Henry's regal crown.  
Well have we pass'd and now repass'd the seas  
And brought desired help from Burgundy:  
What then remains, we being thus arrived  
From Ravenspurgh haven before the gates of York,  
But that we enter, as into our dukedom?

### GLOUCESTER

The gates made fast! Brother, I like not this;  
For many men that stumble at the threshold  
Are well foretold that danger lurks within.

### KING EDWARD IV

Tush, man, abodements must not now affright us:  
By fair or foul means we must enter in,  
For hither will our friends repair to us.

### HASTINGS

My liege, I'll knock once more to summon them.

*Enter, on the walls, the Mayor of York, and his Brethren*

### Mayor

My lords, we were forewarned of your coming,  
And shut the gates for safety of ourselves;  
For now we owe allegiance unto Henry.

**KING EDWARD IV**

But, master mayor, if Henry be your king,  
Yet Edward at the least is Duke of York.

**Mayor**

True, my good lord; I know you for no less.

**KING EDWARD IV**

Why, and I challenge nothing but my dukedom,  
As being well content with that alone.

**GLOUCESTER**

[Aside] But when the fox hath once got in his nose,  
He'll soon find means to make the body follow.

**HASTINGS**

Why, master mayor, why stand you in a doubt?  
Open the gates; we are King Henry's friends.

**Mayor**

Ay, say you so? the gates shall then be open'd.

*They descend*

**GLOUCESTER**

A wise stout captain, and soon persuaded!

**HASTINGS**

The good old man would fain that all were well,

So 'twere not 'long of him; but being enter'd,  
I doubt not, I, but we shall soon persuade  
Both him and all his brothers unto reason.

*Enter the Mayor and two Aldermen, below*

**KING EDWARD IV**

So, master mayor: these gates must not be shut  
But in the night or in the time of war.  
What! fear not, man, but yield me up the keys;

*Takes his keys*

For Edward will defend the town and thee,  
And all those friends that deign to follow me.

*March. Enter MONTGOMERY, with drum and soldiers*

**GLOUCESTER**

Brother, this is Sir John Montgomery,  
Our trusty friend, unless I be deceived.

**KING EDWARD IV**

Welcome, Sir John! But why come you in arms?

**MONTAGUE**

To help King Edward in his time of storm,  
As every loyal subject ought to do.

**KING EDWARD IV**

Thanks, good Montgomery; but we now forget  
Our title to the crown and only claim  
Our dukedom till God please to send the rest.

**MONTAGUE**

Then fare you well, for I will hence again:  
I came to serve a king and not a duke.  
Drummer, strike up, and let us march away.

*The drum begins to march*

**KING EDWARD IV**

Nay, stay, Sir John, awhile, and we'll debate  
By what safe means the crown may be recover'd.

**MONTAGUE**

What talk you of debating? in few words,  
If you'll not here proclaim yourself our king,  
I'll leave you to your fortune and be gone  
To keep them back that come to succor you:  
Why shall we fight, if you pretend no title?

**GLOUCESTER**

Why, brother, wherefore stand you on nice points?

**KING EDWARD IV**

When we grow stronger, then we'll make our claim:  
Till then, 'tis wisdom to conceal our meaning.

**HASTINGS**

Away with scrupulous wit! now arms must rule.

**GLOUCESTER**

And fearless minds climb soonest unto crowns.  
Brother, we will proclaim you out of hand:  
The bruit thereof will bring you many friends.

**KING EDWARD IV**

Then be it as you will; for 'tis my right,

And Henry but usurps the diadem.

## **MONTAGUE**

Ay, now my sovereign speaketh like himself;  
And now will I be Edward's champion.

## **HASTINGS**

Sound trumpet; Edward shall be here proclaim'd:  
Come, fellow-soldier, make thou proclamation.

*Flourish*

## **Soldier**

Edward the Fourth, by the grace of God, king of  
England and France, and lord of Ireland, & c.

## **MONTAGUE**

And whosoe'er gainsays King Edward's right,  
By this I challenge him to single fight.

*Throws down his gauntlet*

## **All**

Long live Edward the Fourth!

## **KING EDWARD IV**

Thanks, brave Montgomery; and thanks unto you all:  
If fortune serve me, I'll requite this kindness.  
Now, for this night, let's harbour here in York;  
And when the morning sun shall raise his car  
Above the border of this horizon,  
We'll forward towards Warwick and his mates;  
For well I wot that Henry is no soldier.  
Ah, froward Clarence! how evil it beseems thee  
To flatter Henry and forsake thy brother!

Yet, as we may, we'll meet both thee and Warwick.  
Come on, brave soldiers: doubt not of the day,  
And, that once gotten, doubt not of large pay.

*Exeunt*

[Previous scene](#) | [Next scene](#)

## SCENE VIII. London. The palace.

*Flourish. Enter KING HENRY VI, WARWICK, MONTAGUE, CLARENCE, EXETER, and OXFORD*

### WARWICK

What counsel, lords? Edward from Belgia,  
With hasty Germans and blunt Hollanders,  
Hath pass'd in safety through the narrow seas,  
And with his troops doth march amain to London;  
And many giddy people flock to him.

### KING HENRY VI

Let's levy men, and beat him back again.

### CLARENCE

A little fire is quickly trodden out;  
Which, being suffer'd, rivers cannot quench.

### WARWICK

In Warwickshire I have true-hearted friends,  
Not mutinous in peace, yet bold in war;  
Those will I muster up: and thou, son Clarence,  
Shalt stir up in Suffolk, Norfolk, and in Kent,  
The knights and gentlemen to come with thee:  
Thou, brother Montague, in Buckingham,  
Northampton and in Leicestershire, shalt find  
Men well inclined to hear what thou command'st:  
And thou, brave Oxford, wondrous well beloved,  
In Oxfordshire shalt muster up thy friends.  
My sovereign, with the loving citizens,  
Like to his island girt in with the ocean,

Or modest Dian circled with her nymphs,  
Shall rest in London till we come to him.  
Fair lords, take leave and stand not to reply.  
Farewell, my sovereign.

**KING HENRY VI**

Farewell, my Hector, and my Troy's true hope.

**CLARENCE**

In sign of truth, I kiss your highness' hand.

**KING HENRY VI**

Well-minded Clarence, be thou fortunate!

**MONTAGUE**

Comfort, my lord; and so I take my leave.

**OXFORD**

And thus I seal my truth, and bid adieu.

**KING HENRY VI**

Sweet Oxford, and my loving Montague,  
And all at once, once more a happy farewell.

**WARWICK**

Farewell, sweet lords: let's meet at Coventry.

*Exeunt all but KING HENRY VI and EXETER*

**KING HENRY VI**

Here at the palace I will rest awhile.  
Cousin of Exeter, what thinks your lordship?  
Methinks the power that Edward hath in field

Should not be able to encounter mine.

## **EXETER**

The doubt is that he will seduce the rest.

## **KING HENRY VI**

That's not my fear; my meed hath got me fame:  
I have not stopp'd mine ears to their demands,  
Nor posted off their suits with slow delays;  
My pity hath been balm to heal their wounds,  
My mildness hath allay'd their swelling griefs,  
My mercy dried their water-flowing tears;  
I have not been desirous of their wealth,  
Nor much oppress'd them with great subsidies.  
Nor forward of revenge, though they much err'd:  
Then why should they love Edward more than me?  
No, Exeter, these graces challenge grace:  
And when the lion fawns upon the lamb,  
The lamb will never cease to follow him.

*Shout within. 'A Lancaster! A Lancaster!'*

## **EXETER**

Hark, hark, my lord! what shouts are these?

*Enter KING EDWARD IV, GLOUCESTER, and soldiers*

## **KING EDWARD IV**

Seize on the shame-faced Henry, bear him hence;  
And once again proclaim us King of England.  
You are the fount that makes small brooks to flow:  
Now stops thy spring; my sea shall suck them dry,  
And swell so much the higher by their ebb.  
Hence with him to the Tower; let him not speak.

*Exeunt some with KING HENRY VI*

And, lords, towards Coventry bend we our course

Where peremptory Warwick now remains:  
The sun shines hot; and, if we use delay,  
Cold biting winter mars our hoped-for hay.

## **GLOUCESTER**

Away betimes, before his forces join,  
And take the great-grown traitor unawares:  
Brave warriors, march amain towards Coventry.

*Exeunt*

## SCENE I. Coventry.

*Enter WARWICK, the Mayor of Coventry, two Messengers, and others upon the walls*

**WARWICK**

Where is the post that came from valiant Oxford?  
How far hence is thy lord, mine honest fellow?

**First Messenger**

By this at Dunsmore, marching hitherward.

**WARWICK**

How far off is our brother Montague?  
Where is the post that came from Montague?

**Second Messenger**

By this at Daintry, with a puissant troop.

*Enter SIR JOHN SOMERVILLE*

**WARWICK**

Say, Somerville, what says my loving son?  
And, by thy guess, how nigh is Clarence now?

**SOMERSET**

At Southam I did leave him with his forces,  
And do expect him here some two hours hence.

*Drum heard*

**WARWICK**

Then Clarence is at hand, I hear his drum.

**SOMERSET**

It is not his, my lord; here Southam lies:  
The drum your honour hears marcheth from Warwick.

**WARWICK**

Who should that be? belike, unlook'd-for friends.

**SOMERSET**

They are at hand, and you shall quickly know.

*March: flourish. Enter KING EDWARD IV, GLOUCESTER, and soldiers*

**KING EDWARD IV**

Go, trumpet, to the walls, and sound a parle.

**GLOUCESTER**

See how the surly Warwick mans the wall!

**WARWICK**

O unbid spite! is sportful Edward come?  
Where slept our scouts, or how are they seduced,  
That we could hear no news of his repair?

**KING EDWARD IV**

Now, Warwick, wilt thou ope the city gates,  
Speak gentle words and humbly bend thy knee,  
Call Edward king and at his hands beg mercy?  
And he shall pardon thee these outrages.

**WARWICK**

Nay, rather, wilt thou draw thy forces hence,  
Confess who set thee up and pluck'd thee own,  
Call Warwick patron and be penitent?  
And thou shalt still remain the Duke of York.

**GLOUCESTER**

I thought, at least, he would have said the king;  
Or did he make the jest against his will?

**WARWICK**

Is not a dukedom, sir, a goodly gift?

**GLOUCESTER**

Ay, by my faith, for a poor earl to give:  
I'll do thee service for so good a gift.

**WARWICK**

'Twas I that gave the kingdom to thy brother.

**KING EDWARD IV**

Why then 'tis mine, if but by Warwick's gift.

**WARWICK**

Thou art no Atlas for so great a weight:  
And weakling, Warwick takes his gift again;  
And Henry is my king, Warwick his subject.

**KING EDWARD IV**

But Warwick's king is Edward's prisoner:  
And, gallant Warwick, do but answer this:  
What is the body when the head is off?

**GLOUCESTER**

Alas, that Warwick had no more forecast,  
But, whiles he thought to steal the single ten,  
The king was slyly finger'd from the deck!  
You left poor Henry at the Bishop's palace,  
And, ten to one, you'll meet him in the Tower.

## **EDWARD**

'Tis even so; yet you are Warwick still.

## **GLOUCESTER**

Come, Warwick, take the time; kneel down, kneel down:  
Nay, when? strike now, or else the iron cools.

## **WARWICK**

I had rather chop this hand off at a blow,  
And with the other fling it at thy face,  
Than bear so low a sail, to strike to thee.

## **KING EDWARD IV**

Sail how thou canst, have wind and tide thy friend,  
This hand, fast wound about thy coal-black hair  
Shall, whiles thy head is warm and new cut off,  
Write in the dust this sentence with thy blood,  
'Wind-changing Warwick now can change no more.'

*Enter OXFORD, with drum and colours*

## **WARWICK**

O cheerful colours! see where Oxford comes!

## **OXFORD**

Oxford, Oxford, for Lancaster!

*He and his forces enter the city*

## **GLOUCESTER**

The gates are open, let us enter too.

## **KING EDWARD IV**

So other foes may set upon our backs.  
Stand we in good array; for they no doubt  
Will issue out again and bid us battle:  
If not, the city being but of small defence,  
We'll quickly rouse the traitors in the same.

## **WARWICK**

O, welcome, Oxford! for we want thy help.

*Enter MONTAGUE with drum and colours*

## **MONTAGUE**

Montague, Montague, for Lancaster!

*He and his forces enter the city*

## **GLOUCESTER**

Thou and thy brother both shall buy this treason  
Even with the dearest blood your bodies bear.

## **KING EDWARD IV**

The harder match'd, the greater victory:  
My mind presageth happy gain and conquest.

*Enter SOMERSET, with drum and colours*

## **SOMERSET**

Somerset, Somerset, for Lancaster!

*He and his forces enter the city*

## **GLOUCESTER**

Two of thy name, both Dukes of Somerset,  
Have sold their lives unto the house of York;  
And thou shalt be the third if this sword hold.

*Enter CLARENCE, with drum and colours*

## **WARWICK**

And lo, where George of Clarence sweeps along,  
Of force enough to bid his brother battle;  
With whom an upright zeal to right prevails  
More than the nature of a brother's love!  
Come, Clarence, come; thou wilt, if Warwick call.

## **CLARENCE**

Father of Warwick, know you what this means?

*Taking his red rose out of his hat*

Look here, I throw my infamy at thee  
I will not ruinate my father's house,  
Who gave his blood to lime the stones together,  
And set up Lancaster. Why, trow'st thou, Warwick,  
That Clarence is so harsh, so blunt, unnatural,  
To bend the fatal instruments of war  
Against his brother and his lawful king?  
Perhaps thou wilt object my holy oath:  
To keep that oath were more impiety  
Than Jephthah's, when he sacrificed his daughter.  
I am so sorry for my trespass made  
That, to deserve well at my brother's hands,  
I here proclaim myself thy mortal foe,  
With resolution, wheresoe'er I meet thee--  
As I will meet thee, if thou stir abroad--  
To plague thee for thy foul misleading me.  
And so, proud-hearted Warwick, I defy thee,  
And to my brother turn my blushing cheeks.

Pardon me, Edward, I will make amends:  
And, Richard, do not frown upon my faults,  
For I will henceforth be no more unconstant.

**KING EDWARD IV**

Now welcome more, and ten times more beloved,  
Than if thou never hadst deserved our hate.

**GLOUCESTER**

Welcome, good Clarence; this is brotherlike.

**WARWICK**

O passing traitor, perjured and unjust!

**KING EDWARD IV**

What, Warwick, wilt thou leave the town and fight?  
Or shall we beat the stones about thine ears?

**WARWICK**

Alas, I am not coop'd here for defence!  
I will away towards Barnet presently,  
And bid thee battle, Edward, if thou darest.

**KING EDWARD IV**

Yes, Warwick, Edward dares, and leads the way.  
Lords, to the field; Saint George and victory!

*Exeunt King Edward and his company. March. Warwick and his company follow*

## SCENE II. A field of battle near Barnet.

*Alarum and excursions. Enter KING EDWARD IV, bringing forth WARWICK wounded*

### KING EDWARD IV

So, lie thou there: die thou, and die our fear;  
For Warwick was a bug that fear'd us all.  
Now, Montague, sit fast; I seek for thee,  
That Warwick's bones may keep thine company.

*Exit*

### WARWICK

Ah, who is nigh? come to me, friend or foe,  
And tell me who is victor, York or Warwick?  
Why ask I that? my mangled body shows,  
My blood, my want of strength, my sick heart shows.  
That I must yield my body to the earth  
And, by my fall, the conquest to my foe.  
Thus yields the cedar to the axe's edge,  
Whose arms gave shelter to the princely eagle,  
Under whose shade the ramping lion slept,  
Whose top-branch overpeer'd Jove's spreading tree  
And kept low shrubs from winter's powerful wind.  
These eyes, that now are dimm'd with death's black veil,  
Have been as piercing as the mid-day sun,  
To search the secret treasons of the world:  
The wrinkles in my brows, now filled with blood,  
Were liken'd oft to kingly sepulchres;  
For who lived king, but I could dig his grave?  
And who durst mine when Warwick bent his brow?  
Lo, now my glory smear'd in dust and blood!  
My parks, my walks, my manors that I had.  
Even now forsake me, and of all my lands  
Is nothing left me but my body's length.

Why, what is pomp, rule, reign, but earth and dust?  
And, live we how we can, yet die we must.

*Enter OXFORD and SOMERSET*

**SOMERSET**

Ah, Warwick, Warwick! wert thou as we are.  
We might recover all our loss again;  
The queen from France hath brought a puissant power:  
Even now we heard the news: ah, could'st thou fly!

**WARWICK**

Why, then I would not fly. Ah, Montague,  
If thou be there, sweet brother, take my hand.  
And with thy lips keep in my soul awhile!  
Thou lovest me not; for, brother, if thou didst,  
Thy tears would wash this cold congealed blood  
That glues my lips and will not let me speak.  
Come quickly, Montague, or I am dead.

**SOMERSET**

Ah, Warwick! Montague hath breathed his last;  
And to the latest gasp cried out for Warwick,  
And said 'Commend me to my valiant brother.'  
And more he would have said, and more he spoke,  
Which sounded like a clamour in a vault,  
That mought not be distinguished; but at last  
I well might hear, delivered with a groan,  
'O, farewell, Warwick!'

**WARWICK**

Sweet rest his soul! Fly, lords, and save yourselves;  
For Warwick bids you all farewell to meet in heaven.

*Dies*

**OXFORD**

Away, away, to meet the queen's great power!

*Here they bear away his body. Exeunt*

## SCENE III. Another part of the field.

*Flourish. Enter KING EDWARD IV in triumph; with GLOUCESTER, CLARENCE, and the rest*

### KING EDWARD IV

Thus far our fortune keeps an upward course,  
And we are graced with wreaths of victory.  
But, in the midst of this bright-shining day,  
I spy a black, suspicious, threatening cloud,  
That will encounter with our glorious sun,  
Ere he attain his easeful western bed:  
I mean, my lords, those powers that the queen  
Hath raised in Gallia have arrived our coast  
And, as we hear, march on to fight with us.

### CLARENCE

A little gale will soon disperse that cloud  
And blow it to the source from whence it came:  
The very beams will dry those vapours up,  
For every cloud engenders not a storm.

### GLOUCESTER

The queen is valued thirty thousand strong,  
And Somerset, with Oxford fled to her:  
If she have time to breathe be well assured  
Her faction will be full as strong as ours.

### KING EDWARD IV

We are advertised by our loving friends  
That they do hold their course toward Tewksbury:  
We, having now the best at Barnet field,

Will thither straight, for willingness rids way;  
And, as we march, our strength will be augmented  
In every county as we go along.  
Strike up the drum; cry 'Courage!' and away.

*Exeunt*

[Shakespeare homepage](#) | [Henry VI, part 3](#) | Act 5, Scene 4

[Previous scene](#) | [Next scene](#)

## SCENE IV. Plains near Tewksbury.

*March. Enter QUEEN MARGARET, PRINCE EDWARD, SOMERSET, OXFORD, and soldiers*

### QUEEN MARGARET

Great lords, wise men ne'er sit and wail their loss,  
But cheerly seek how to redress their harms.  
What though the mast be now blown overboard,  
The cable broke, the holding-anchor lost,  
And half our sailors swallow'd in the flood?  
Yet lives our pilot still. Is't meet that he  
Should leave the helm and like a fearful lad  
With tearful eyes add water to the sea  
And give more strength to that which hath too much,  
Whiles, in his moan, the ship splits on the rock,  
Which industry and courage might have saved?  
Ah, what a shame! ah, what a fault were this!  
Say Warwick was our anchor; what of that?  
And Montague our topmost; what of him?  
Our slaughter'd friends the tackles; what of these?  
Why, is not Oxford here another anchor?  
And Somerset another goodly mast?  
The friends of France our shrouds and tacklings?  
And, though unskilful, why not Ned and I  
For once allow'd the skilful pilot's charge?  
We will not from the helm to sit and weep,  
But keep our course, though the rough wind say no,  
From shelves and rocks that threaten us with wreck.  
As good to chide the waves as speak them fair.  
And what is Edward but ruthless sea?  
What Clarence but a quicksand of deceit?  
And Richard but a ragged fatal rock?  
All these the enemies to our poor bark.  
Say you can swim; alas, 'tis but a while!  
Tread on the sand; why, there you quickly sink:

Bestride the rock; the tide will wash you off,  
Or else you famish; that's a threefold death.  
This speak I, lords, to let you understand,  
If case some one of you would fly from us,  
That there's no hoped-for mercy with the brothers  
More than with ruthless waves, with sands and rocks.  
Why, courage then! what cannot be avoided  
'Twere childish weakness to lament or fear.

### **PRINCE EDWARD**

Methinks a woman of this valiant spirit  
Should, if a coward heard her speak these words,  
Infuse his breast with magnanimity  
And make him, naked, foil a man at arms.  
I speak not this as doubting any here  
For did I but suspect a fearful man  
He should have leave to go away betimes,  
Lest in our need he might infect another  
And make him of like spirit to himself.  
If any such be here--as God forbid!--  
Let him depart before we need his help.

### **OXFORD**

Women and children of so high a courage,  
And warriors faint! why, 'twere perpetual shame.  
O brave young prince! thy famous grandfather  
Doth live again in thee: long mayst thou live  
To bear his image and renew his glories!

### **SOMERSET**

And he that will not fight for such a hope.  
Go home to bed, and like the owl by day,  
If he arise, be mock'd and wonder'd at.

### **QUEEN MARGARET**

Thanks, gentle Somerset; sweet Oxford, thanks.

### **PRINCE EDWARD**

And take his thanks that yet hath nothing else.

*Enter a Messenger*

**Messenger**

Prepare you, lords, for Edward is at hand.  
Ready to fight; therefore be resolute.

**OXFORD**

I thought no less: it is his policy  
To haste thus fast, to find us unprovided.

**SOMERSET**

But he's deceived; we are in readiness.

**QUEEN MARGARET**

This cheers my heart, to see your forwardness.

**OXFORD**

Here pitch our battle; hence we will not budge.

*Flourish and march. Enter KING EDWARD IV, GLOUCESTER, CLARENCE, and soldiers*

**KING EDWARD IV**

Brave followers, yonder stands the thorny wood,  
Which, by the heavens' assistance and your strength,  
Must by the roots be hewn up yet ere night.  
I need not add more fuel to your fire,  
For well I wot ye blaze to burn them out  
Give signal to the fight, and to it, lords!

**QUEEN MARGARET**

Lords, knights, and gentlemen, what I should say  
My tears gainsay; for every word I speak,  
Ye see, I drink the water of mine eyes.  
Therefore, no more but this: Henry, your sovereign,  
Is prisoner to the foe; his state usurp'd,  
His realm a slaughter-house, his subjects slain,  
His statutes cancell'd and his treasure spent;  
And yonder is the wolf that makes this spoil.  
You fight in justice: then, in God's name, lords,  
Be valiant and give signal to the fight.

*Alarum. Retreat. Excursions. Exeunt*

[Shakespeare homepage](#) | [Henry VI, part 3](#) | Act 5, Scene 4  
[Previous scene](#) | [Next scene](#)

# The Third part of King Henry the Sixth

[Shakespeare homepage](#) | [Henry VI, part 3](#) | Act 5, Scene 5

[Previous scene](#) | [Next scene](#)

## SCENE V. Another part of the field.

*Flourish. Enter KING EDWARD IV, GLOUCESTER, CLARENCE, and soldiers; with QUEEN MARGARET, OXFORD, and SOMERSET, prisoners*

### KING EDWARD IV

Now here a period of tumultuous broils.  
Away with Oxford to Hames Castle straight:  
For Somerset, off with his guilty head.  
Go, bear them hence; I will not hear them speak.

### OXFORD

For my part, I'll not trouble thee with words.

### SOMERSET

Nor I, but stoop with patience to my fortune.

*Exeunt Oxford and Somerset, guarded*

### QUEEN MARGARET

So part we sadly in this troublous world,  
To meet with joy in sweet Jerusalem.

### KING EDWARD IV

Is proclamation made, that who finds Edward  
Shall have a high reward, and he his life?

### GLOUCESTER

It is: and lo, where youthful Edward comes!

*Enter soldiers, with PRINCE EDWARD*

**KING EDWARD IV**

Bring forth the gallant, let us hear him speak.  
What! can so young a thorn begin to prick?  
Edward, what satisfaction canst thou make  
For bearing arms, for stirring up my subjects,  
And all the trouble thou hast turn'd me to?

**PRINCE EDWARD**

Speak like a subject, proud ambitious York!  
Suppose that I am now my father's mouth;  
Resign thy chair, and where I stand kneel thou,  
Whilst I propose the selfsame words to thee,  
Which traitor, thou wouldst have me answer to.

**QUEEN MARGARET**

Ah, that thy father had been so resolved!

**GLOUCESTER**

That you might still have worn the petticoat,  
And ne'er have stol'n the breech from Lancaster.

**PRINCE EDWARD**

Let AEsop fable in a winter's night;  
His currish riddles sort not with this place.

**GLOUCESTER**

By heaven, brat, I'll plague ye for that word.

**QUEEN MARGARET**

Ay, thou wast born to be a plague to men.

**GLOUCESTER**

For God's sake, take away this captive scold.

**PRINCE EDWARD**

Nay, take away this scolding crookback rather.

**KING EDWARD IV**

Peace, wilful boy, or I will charm your tongue.

**CLARENCE**

Untutor'd lad, thou art too malapert.

**PRINCE EDWARD**

I know my duty; you are all undutiful:  
Lascivious Edward, and thou perjured George,  
And thou mis-shapen Dick, I tell ye all  
I am your better, traitors as ye are:  
And thou usurp'st my father's right and mine.

**KING EDWARD IV**

Take that, thou likeness of this railer here.

*Stabs him*

**GLOUCESTER**

Sprawl'st thou? take that, to end thy agony.

*Stabs him*

**CLARENCE**

And there's for twitting me with perjury.

*Stabs him*

**QUEEN MARGARET**

O, kill me too!

**GLOUCESTER**

Marry, and shall.

*Offers to kill her*

**KING EDWARD IV**

Hold, Richard, hold; for we have done too much.

**GLOUCESTER**

Why should she live, to fill the world with words?

**KING EDWARD IV**

What, doth she swoon? use means for her recovery.

**GLOUCESTER**

Clarence, excuse me to the king my brother;  
I'll hence to London on a serious matter:  
Ere ye come there, be sure to hear some news.

**CLARENCE**

What? what?

**GLOUCESTER**

The Tower, the Tower.

*Exit*

**QUEEN MARGARET**

O Ned, sweet Ned! speak to thy mother, boy!

Canst thou not speak? O traitors! murderers!  
They that stabb'd Caesar shed no blood at all,  
Did not offend, nor were not worthy blame,  
If this foul deed were by to equal it:  
He was a man; this, in respect, a child:  
And men ne'er spend their fury on a child.  
What's worse than murderer, that I may name it?  
No, no, my heart will burst, and if I speak:  
And I will speak, that so my heart may burst.  
Butchers and villains! bloody cannibals!  
How sweet a plant have you untimely cropp'd!  
You have no children, butchers! if you had,  
The thought of them would have stirr'd up remorse:  
But if you ever chance to have a child,  
Look in his youth to have him so cut off  
As, deathmen, you have rid this sweet young prince!

#### **KING EDWARD IV**

Away with her; go, bear her hence perforce.

#### **QUEEN MARGARET**

Nay, never bear me hence, dispatch me here,  
Here sheathe thy sword, I'll pardon thee my death:  
What, wilt thou not? then, Clarence, do it thou.

#### **CLARENCE**

By heaven, I will not do thee so much ease.

#### **QUEEN MARGARET**

Good Clarence, do; sweet Clarence, do thou do it.

#### **CLARENCE**

Didst thou not hear me swear I would not do it?

#### **QUEEN MARGARET**

Ay, but thou usest to forswear thyself:

'Twas sin before, but now 'tis charity.  
What, wilt thou not? Where is that devil's butcher,  
Hard-favour'd Richard? Richard, where art thou?  
Thou art not here: murder is thy alms-deed;  
Petitioners for blood thou ne'er put'st back.

**KING EDWARD IV**

Away, I say; I charge ye, bear her hence.

**QUEEN MARGARET**

So come to you and yours, as to this Prince!

*Exit, led out forcibly*

**KING EDWARD IV**

Where's Richard gone?

**CLARENCE**

To London, all in post; and, as I guess,  
To make a bloody supper in the Tower.

**KING EDWARD IV**

He's sudden, if a thing comes in his head.  
Now march we hence: discharge the common sort  
With pay and thanks, and let's away to London  
And see our gentle queen how well she fares:  
By this, I hope, she hath a son for me.

*Exeunt*

# The Third part of King Henry the Sixth

[Shakespeare homepage](#) | [Henry VI, part 3](#) | Act 5, Scene 6

[Previous scene](#) | [Next scene](#)

## SCENE VI. London. The Tower.

*Enter KING HENRY VI and GLOUCESTER, with the Lieutenant, on the walls*

### GLOUCESTER

Good day, my lord. What, at your book so hard?

### KING HENRY VI

Ay, my good lord:--my lord, I should say rather;  
'Tis sin to flatter; 'good' was little better:  
'Good Gloucester' and 'good devil' were alike,  
And both preposterous; therefore, not 'good lord.'

### GLOUCESTER

Sirrah, leave us to ourselves: we must confer.

*Exit Lieutenant*

### KING HENRY VI

So flies the reckless shepherd from the wolf;  
So first the harmless sheep doth yield his fleece  
And next his throat unto the butcher's knife.  
What scene of death hath Roscius now to act?

### GLOUCESTER

Suspicion always haunts the guilty mind;  
The thief doth fear each bush an officer.

### KING HENRY VI

The bird that hath been limed in a bush,

With trembling wings misdoubteth every bush;  
And I, the hapless male to one sweet bird,  
Have now the fatal object in my eye  
Where my poor young was limed, was caught and kill'd.

## **GLOUCESTER**

Why, what a peevish fool was that of Crete,  
That taught his son the office of a fowl!  
An yet, for all his wings, the fool was drown'd.

## **KING HENRY VI**

I, Daedalus; my poor boy, Icarus;  
Thy father, Minos, that denied our course;  
The sun that sear'd the wings of my sweet boy  
Thy brother Edward, and thyself the sea  
Whose envious gulf did swallow up his life.  
Ah, kill me with thy weapon, not with words!  
My breast can better brook thy dagger's point  
Than can my ears that tragic history.  
But wherefore dost thou come? is't for my life?

## **GLOUCESTER**

Think'st thou I am an executioner?

## **KING HENRY VI**

A persecutor, I am sure, thou art:  
If murdering innocents be executing,  
Why, then thou art an executioner.

## **GLOUCESTER**

Thy son I kill'd for his presumption.

## **KING HENRY VI**

Hadst thou been kill'd when first thou didst presume,  
Thou hadst not lived to kill a son of mine.

And thus I prophesy, that many a thousand,  
Which now mistrust no parcel of my fear,  
And many an old man's sigh and many a widow's,  
And many an orphan's water-standing eye--  
Men for their sons, wives for their husbands,  
And orphans for their parents timeless death--  
Shall rue the hour that ever thou wast born.  
The owl shriek'd at thy birth,--an evil sign;  
The night-crow cried, aboding luckless time;  
Dogs howl'd, and hideous tempest shook down trees;  
The raven rook'd her on the chimney's top,  
And chattering pies in dismal discords sung.  
Thy mother felt more than a mother's pain,  
And, yet brought forth less than a mother's hope,  
To wit, an indigested and deformed lump,  
Not like the fruit of such a goodly tree.  
Teeth hadst thou in thy head when thou wast born,  
To signify thou camest to bite the world:  
And, if the rest be true which I have heard,  
Thou camest--

## **GLOUCESTER**

I'll hear no more: die, prophet in thy speech:

*Stabs him*

For this amongst the rest, was I ordain'd.

## **KING HENRY VI**

Ay, and for much more slaughter after this.  
God forgive my sins, and pardon thee!

*Dies*

## **GLOUCESTER**

What, will the aspiring blood of Lancaster  
Sink in the ground? I thought it would have mounted.  
See how my sword weeps for the poor king's death!  
O, may such purple tears be always shed

From those that wish the downfall of our house!  
If any spark of life be yet remaining,  
Down, down to hell; and say I sent thee thither:

*Stabs him again*

I, that have neither pity, love, nor fear.  
Indeed, 'tis true that Henry told me of;  
For I have often heard my mother say  
I came into the world with my legs forward:  
Had I not reason, think ye, to make haste,  
And seek their ruin that usurp'd our right?  
The midwife wonder'd and the women cried  
'O, Jesus bless us, he is born with teeth!'  
And so I was; which plainly signified  
That I should snarl and bite and play the dog.  
Then, since the heavens have shaped my body so,  
Let hell make crook'd my mind to answer it.  
I have no brother, I am like no brother;  
And this word 'love,' which graybeards call divine,  
Be resident in men like one another  
And not in me: I am myself alone.  
Clarence, beware; thou keep'st me from the light:  
But I will sort a pitchy day for thee;  
For I will buz abroad such prophecies  
That Edward shall be fearful of his life,  
And then, to purge his fear, I'll be thy death.  
King Henry and the prince his son are gone:  
Clarence, thy turn is next, and then the rest,  
Counting myself but bad till I be best.  
I'll throw thy body in another room  
And triumph, Henry, in thy day of doom.

*Exit, with the body*

## SCENE VII. London. The palace.

*Flourish. Enter KING EDWARD IV, QUEEN ELIZABETH, CLARENCE, GLOUCESTER, HASTINGS, a Nurse with the young Prince, and Attendants*

### KING EDWARD IV

Once more we sit in England's royal throne,  
Re-purchased with the blood of enemies.  
What valiant foemen, like to autumn's corn,  
Have we mow'd down, in tops of all their pride!  
Three Dukes of Somerset, threefold renown'd  
For hardy and undoubted champions;  
Two Cliffords, as the father and the son,  
And two Northumberlands; two braver men  
Ne'er spurr'd their coursers at the trumpet's sound;  
With them, the two brave bears, Warwick and Montague,  
That in their chains fetter'd the kingly lion  
And made the forest tremble when they roar'd.  
Thus have we swept suspicion from our seat  
And made our footstool of security.  
Come hither, Bess, and let me kiss my boy.  
Young Ned, for thee, thine uncles and myself  
Have in our armours watch'd the winter's night,  
Went all afoot in summer's scalding heat,  
That thou mightst repossess the crown in peace;  
And of our labours thou shalt reap the gain.

### GLOUCESTER

[Aside] I'll blast his harvest, if your head were laid;  
For yet I am not look'd on in the world.  
This shoulder was ordain'd so thick to heave;  
And heave it shall some weight, or break my back:  
Work thou the way,--and thou shalt execute.

### KING EDWARD IV

Clarence and Gloucester, love my lovely queen;  
And kiss your princely nephew, brothers both.

**CLARENCE**

The duty that I owe unto your majesty  
I seal upon the lips of this sweet babe.

**QUEEN ELIZABETH**

Thanks, noble Clarence; worthy brother, thanks.

**GLOUCESTER**

And, that I love the tree from whence thou sprang'st,  
Witness the loving kiss I give the fruit.

*Aside*

And cried 'all hail!' when as he meant all harm.

**KING EDWARD IV**

Now am I seated as my soul delights,  
Having my country's peace and brothers' loves.

**CLARENCE**

What will your grace have done with Margaret?  
Reignier, her father, to the king of France  
Hath pawn'd the Sicils and Jerusalem,  
And hither have they sent it for her ransom.

**KING EDWARD IV**

Away with her, and waft her hence to France.  
And now what rests but that we spend the time  
With stately triumphs, mirthful comic shows,  
Such as befits the pleasure of the court?  
Sound drums and trumpets! farewell sour annoy!

For here, I hope, begins our lasting joy.

*Exeunt*

## PROLOGUE

I come no more to make you laugh: things now,  
That bear a weighty and a serious brow,  
Sad, high, and working, full of state and woe,  
Such noble scenes as draw the eye to flow,  
We now present. Those that can pity, here  
May, if they think it well, let fall a tear;  
The subject will deserve it. Such as give  
Their money out of hope they may believe,  
May here find truth too. Those that come to see  
Only a show or two, and so agree  
The play may pass, if they be still and willing,  
I'll undertake may see away their shilling  
Richly in two short hours. Only they  
That come to hear a merry bawdy play,  
A noise of targets, or to see a fellow  
In a long motley coat guarded with yellow,  
Will be deceived; for, gentle hearers, know,  
To rank our chosen truth with such a show  
As fool and fight is, beside forfeiting  
Our own brains, and the opinion that we bring,  
To make that only true we now intend,  
Will leave us never an understanding friend.  
Therefore, for goodness' sake, and as you are known  
The first and happiest hearers of the town,  
Be sad, as we would make ye: think ye see  
The very persons of our noble story  
As they were living; think you see them great,  
And follow'd with the general throng and sweat  
Of thousand friends; then in a moment, see  
How soon this mightiness meets misery:  
And, if you can be merry then, I'll say  
A man may weep upon his wedding-day.

## SCENE I. London. An ante-chamber in the palace.

*Enter NORFOLK at one door; at the other, BUCKINGHAM and ABERGAVENNY*

### BUCKINGHAM

Good morrow, and well met. How have ye done  
Since last we saw in France?

### NORFOLK

I thank your grace,  
Healthful; and ever since a fresh admirer  
Of what I saw there.

### BUCKINGHAM

An untimely ague  
Stay'd me a prisoner in my chamber when  
Those suns of glory, those two lights of men,  
Met in the vale of Andren.

### NORFOLK

'Twixt Guynes and Arde:  
I was then present, saw them salute on horseback;  
Beheld them, when they lighted, how they clung  
In their embracement, as they grew together;  
Which had they, what four throned ones could have weigh'd  
Such a compounded one?

### BUCKINGHAM

All the whole time  
I was my chamber's prisoner.

## NORFOLK

Then you lost  
The view of earthly glory: men might say,  
Till this time pomp was single, but now married  
To one above itself. Each following day  
Became the next day's master, till the last  
Made former wonders its. To-day the French,  
All clinquant, all in gold, like heathen gods,  
Shone down the English; and, to-morrow, they  
Made Britain India: every man that stood  
Show'd like a mine. Their dwarfish pages were  
As cherubins, all guilt: the madams too,  
Not used to toil, did almost sweat to bear  
The pride upon them, that their very labour  
Was to them as a painting: now this masque  
Was cried incomparable; and the ensuing night  
Made it a fool and beggar. The two kings,  
Equal in lustre, were now best, now worst,  
As presence did present them; him in eye,  
Still him in praise: and, being present both  
'Twas said they saw but one; and no discerners  
Durst wag his tongue in censure. When these suns--  
For so they phrase 'em--by their heralds challenged  
The noble spirits to arms, they did perform  
Beyond thought's compass; that former fabulous story,  
Being now seen possible enough, got credit,  
That Bevis was believed.

## BUCKINGHAM

O, you go far.

## NORFOLK

As I belong to worship and affect  
In honour honesty, the tract of every thing  
Would by a good discourser lose some life,  
Which action's self was tongue to. All was royal;  
To the disposing of it nought rebell'd.  
Order gave each thing view; the office did  
Distinctly his full function.

## **BUCKINGHAM**

Who did guide,  
I mean, who set the body and the limbs  
Of this great sport together, as you guess?

## **NORFOLK**

One, certes, that promises no element  
In such a business.

## **BUCKINGHAM**

I pray you, who, my lord?

## **NORFOLK**

All this was order'd by the good discretion  
Of the right reverend Cardinal of York.

## **BUCKINGHAM**

The devil speed him! no man's pie is freed  
From his ambitious finger. What had he  
To do in these fierce vanities? I wonder  
That such a keech can with his very bulk  
Take up the rays o' the beneficial sun  
And keep it from the earth.

## **NORFOLK**

Surely, sir,  
There's in him stuff that puts him to these ends;  
For, being not propp'd by ancestry, whose grace  
Chalks successors their way, nor call'd upon  
For high feats done to the crown; neither allied  
For eminent assistants; but, spider-like,  
Out of his self-drawing web, he gives us note,  
The force of his own merit makes his way  
A gift that heaven gives for him, which buys  
A place next to the king.

## **ABERGAVENNY**

I cannot tell  
What heaven hath given him,--let some graver eye  
Pierce into that; but I can see his pride  
Peep through each part of him: whence has he that,  
If not from hell? the devil is a niggard,  
Or has given all before, and he begins  
A new hell in himself.

## **BUCKINGHAM**

Why the devil,  
Upon this French going out, took he upon him,  
Without the privity o' the king, to appoint  
Who should attend on him? He makes up the file  
Of all the gentry; for the most part such  
To whom as great a charge as little honour  
He meant to lay upon: and his own letter,  
The honourable board of council out,  
Must fetch him in the papers.

## **ABERGAVENNY**

I do know  
Kinsmen of mine, three at the least, that have  
By this so sickened their estates, that never  
They shall abound as formerly.

## **BUCKINGHAM**

O, many  
Have broke their backs with laying manors on 'em  
For this great journey. What did this vanity  
But minister communication of  
A most poor issue?

## **NORFOLK**

Grievingly I think,  
The peace between the French and us not values

The cost that did conclude it.

## **BUCKINGHAM**

Every man,  
After the hideous storm that follow'd, was  
A thing inspired; and, not consulting, broke  
Into a general prophecy; That this tempest,  
Dashing the garment of this peace, aboded  
The sudden breach on't.

## **NORFOLK**

Which is budded out;  
For France hath flaw'd the league, and hath attach'd  
Our merchants' goods at Bourdeaux.

## **ABERGAVENNY**

Is it therefore  
The ambassador is silenced?

## **NORFOLK**

Marry, is't.

## **ABERGAVENNY**

A proper title of a peace; and purchased  
At a superfluous rate!

## **BUCKINGHAM**

Why, all this business  
Our reverend cardinal carried.

## **NORFOLK**

Like it your grace,  
The state takes notice of the private difference  
Betwixt you and the cardinal. I advise you--

And take it from a heart that wishes towards you  
Honour and plenteous safety--that you read  
The cardinal's malice and his potency  
Together; to consider further that  
What his high hatred would effect wants not  
A minister in his power. You know his nature,  
That he's revengeful, and I know his sword  
Hath a sharp edge: it's long and, 't may be said,  
It reaches far, and where 'twill not extend,  
Thither he darts it. Bosom up my counsel,  
You'll find it wholesome. Lo, where comes that rock  
That I advise your shunning.

*Enter CARDINAL WOLSEY, the purse borne before him, certain of the Guard, and two Secretaries with papers. CARDINAL WOLSEY in his passage fixeth his eye on BUCKINGHAM, and BUCKINGHAM on him, both full of disdain*

**CARDINAL WOLSEY**

The Duke of Buckingham's surveyor, ha?  
Where's his examination?

**First Secretary**

Here, so please you.

**CARDINAL WOLSEY**

Is he in person ready?

**First Secretary**

Ay, please your grace.

**CARDINAL WOLSEY**

Well, we shall then know more; and Buckingham  
Shall lessen this big look.

*Exeunt CARDINAL WOLSEY and his Train*

## BUCKINGHAM

This butcher's cur is venom-mouth'd, and I  
Have not the power to muzzle him; therefore best  
Not wake him in his slumber. A beggar's book  
Outworths a noble's blood.

## NORFOLK

What, are you chafed?  
Ask God for temperance; that's the appliance only  
Which your disease requires.

## BUCKINGHAM

I read in's looks  
Matter against me; and his eye reviled  
Me, as his abject object: at this instant  
He bores me with some trick: he's gone to the king;  
I'll follow and outstare him.

## NORFOLK

Stay, my lord,  
And let your reason with your choleric question  
What 'tis you go about: to climb steep hills  
Requires slow pace at first: anger is like  
A full-hot horse, who being allow'd his way,  
Self-mettle tires him. Not a man in England  
Can advise me like you: be to yourself  
As you would to your friend.

## BUCKINGHAM

I'll to the king;  
And from a mouth of honour quite cry down  
This Ipswich fellow's insolence; or proclaim  
There's difference in no persons.

## NORFOLK

Be advised;

Heat not a furnace for your foe so hot  
That it do singe yourself: we may outrun,  
By violent swiftness, that which we run at,  
And lose by over-running. Know you not,  
The fire that mounts the liquor til run o'er,  
In seeming to augment it wastes it? Be advised:  
I say again, there is no English soul  
More stronger to direct you than yourself,  
If with the sap of reason you would quench,  
Or but allay, the fire of passion.

## **BUCKINGHAM**

Sir,  
I am thankful to you; and I'll go along  
By your prescription: but this top-proud fellow,  
Whom from the flow of gall I name not but  
From sincere motions, by intelligence,  
And proofs as clear as founts in July when  
We see each grain of gravel, I do know  
To be corrupt and treasonous.

## **NORFOLK**

Say not 'treasonous.'

## **BUCKINGHAM**

To the king I'll say't; and make my vouch as strong  
As shore of rock. Attend. This holy fox,  
Or wolf, or both,--for he is equal ravenous  
As he is subtle, and as prone to mischief  
As able to perform't; his mind and place  
Infecting one another, yea, reciprocally--  
Only to show his pomp as well in France  
As here at home, suggests the king our master  
To this last costly treaty, the interview,  
That swallow'd so much treasure, and like a glass  
Did break i' the rinsing.

## **NORFOLK**

Faith, and so it did.

## **BUCKINGHAM**

Pray, give me favour, sir. This cunning cardinal  
The articles o' the combination drew  
As himself pleased; and they were ratified  
As he cried 'Thus let be': to as much end  
As give a crutch to the dead: but our count-cardinal  
Has done this, and 'tis well; for worthy Wolsey,  
Who cannot err, he did it. Now this follows,--  
Which, as I take it, is a kind of puppy  
To the old dam, treason,--Charles the emperor,  
Under pretence to see the queen his aunt--  
For 'twas indeed his colour, but he came  
To whisper Wolsey,--here makes visitation:  
His fears were, that the interview betwixt  
England and France might, through their amity,  
Breed him some prejudice; for from this league  
Peep'd harms that menaced him: he privily  
Deals with our cardinal; and, as I trow,--  
Which I do well; for I am sure the emperor  
Paid ere he promised; whereby his suit was granted  
Ere it was ask'd; but when the way was made,  
And paved with gold, the emperor thus desired,  
That he would please to alter the king's course,  
And break the foresaid peace. Let the king know,  
As soon he shall by me, that thus the cardinal  
Does buy and sell his honour as he pleases,  
And for his own advantage.

## **NORFOLK**

I am sorry  
To hear this of him; and could wish he were  
Something mistaken in't.

## **BUCKINGHAM**

No, not a syllable:  
I do pronounce him in that very shape  
He shall appear in proof.

*Enter BRANDON, a Sergeant-at-arms before him, and two or three of the Guard*

**BRANDON**

Your office, sergeant; execute it.

**Sergeant**

Sir,  
My lord the Duke of Buckingham, and Earl  
Of Hereford, Stafford, and Northampton, I  
Arrest thee of high treason, in the name  
Of our most sovereign king.

**BUCKINGHAM**

Lo, you, my lord,  
The net has fall'n upon me! I shall perish  
Under device and practise.

**BRANDON**

I am sorry  
To see you ta'en from liberty, to look on  
The business present: 'tis his highness' pleasure  
You shall to the Tower.

**BUCKINGHAM**

It will help me nothing  
To plead mine innocence; for that dye is on me  
Which makes my whitest part black. The will of heaven  
Be done in this and all things! I obey.  
O my Lord Abergavenny, fare you well!

**BRANDON**

Nay, he must bear you company. The king

*To ABERGAVENNY*

Is pleased you shall to the Tower, till you know  
How he determines further.

**ABERGAVENNY**

As the duke said,  
The will of heaven be done, and the king's pleasure  
By me obey'd!

**BRANDON**

Here is a warrant from  
The king to attach Lord Montacute; and the bodies  
Of the duke's confessor, John de la Car,  
One Gilbert Peck, his chancellor--

**BUCKINGHAM**

So, so;  
These are the limbs o' the plot: no more, I hope.

**BRANDON**

A monk o' the Chartreux.

**BUCKINGHAM**

O, Nicholas Hopkins?

**BRANDON**

He.

**BUCKINGHAM**

My surveyor is false; the o'er-great cardinal  
Hath show'd him gold; my life is spann'd already:  
I am the shadow of poor Buckingham,  
Whose figure even this instant cloud puts on,  
By darkening my clear sun. My lord, farewell.

*Exeunt*

# The Life of King Henry the Eighth

[Shakespeare homepage](#) | [Henry VIII](#) | Act 1, Scene 2

[Previous scene](#) | [Next scene](#)

## SCENE II. The same. The council-chamber.

*Cornets. Enter KING HENRY VIII, leaning on CARDINAL WOLSEY's shoulder, the Nobles, and LOVELL; CARDINAL WOLSEY places himself under KING HENRY VIII's feet on his right side*

### KING HENRY VIII

My life itself, and the best heart of it,  
Thanks you for this great care: I stood i' the level  
Of a full-charged confederacy, and give thanks  
To you that choked it. Let be call'd before us  
That gentleman of Buckingham's; in person  
I'll hear him his confessions justify;  
And point by point the treasons of his master  
He shall again relate.

*A noise within, crying 'Room for the Queen!' Enter QUEEN KATHARINE, ushered by NORFOLK, and SUFFOLK: she kneels. KING HENRY VIII riseth from his state, takes her up, kisses and placeth her by him*

### QUEEN KATHARINE

Nay, we must longer kneel: I am a suitor.

### KING HENRY VIII

Arise, and take place by us: half your suit  
Never name to us; you have half our power:  
The other moiety, ere you ask, is given;  
Repeat your will and take it.

### QUEEN KATHARINE

Thank your majesty.  
That you would love yourself, and in that love

Not unconsider'd leave your honour, nor  
The dignity of your office, is the point  
Of my petition.

## **KING HENRY VIII**

Lady mine, proceed.

## **QUEEN KATHARINE**

I am solicited, not by a few,  
And those of true condition, that your subjects  
Are in great grievance: there have been commissions  
Sent down among 'em, which hath flaw'd the heart  
Of all their loyalties: wherein, although,  
My good lord cardinal, they vent reproaches  
Most bitterly on you, as putter on  
Of these exactions, yet the king our master--  
Whose honour heaven shield from soil!--even he  
escapes not  
Language unmannerly, yea, such which breaks  
The sides of loyalty, and almost appears  
In loud rebellion.

## **NORFOLK**

Not almost appears,  
It doth appear; for, upon these taxations,  
The clothiers all, not able to maintain  
The many to them longing, have put off  
The spinsters, carders, fullers, weavers, who,  
Unfit for other life, compell'd by hunger  
And lack of other means, in desperate manner  
Daring the event to the teeth, are all in uproar,  
And danger serves among them!

## **KING HENRY VIII**

Taxation!  
Wherein? and what taxation? My lord cardinal,  
You that are blamed for it alike with us,  
Know you of this taxation?

## **CARDINAL WOLSEY**

Please you, sir,  
I know but of a single part, in aught  
Pertains to the state; and front but in that file  
Where others tell steps with me.

## **QUEEN KATHARINE**

No, my lord,  
You know no more than others; but you frame  
Things that are known alike; which are not wholesome  
To those which would not know them, and yet must  
Perforce be their acquaintance. These exactions,  
Whereof my sovereign would have note, they are  
Most pestilent to the bearing; and, to bear 'em,  
The back is sacrifice to the load. They say  
They are devised by you; or else you suffer  
Too hard an exclamation.

## **KING HENRY VIII**

Still exaction!  
The nature of it? in what kind, let's know,  
Is this exaction?

## **QUEEN KATHARINE**

I am much too venturous  
In tempting of your patience; but am bolden'd  
Under your promised pardon. The subjects' grief  
Comes through commissions, which compel from each  
The sixth part of his substance, to be levied  
Without delay; and the pretence for this  
Is named, your wars in France: this makes bold mouths:  
Tongues spit their duties out, and cold hearts freeze  
Allegiance in them; their curses now  
Live where their prayers did: and it's come to pass,  
This tractable obedience is a slave  
To each incensed will. I would your highness  
Would give it quick consideration, for

There is no primer business.

## **KING HENRY VIII**

By my life,  
This is against our pleasure.

## **CARDINAL WOLSEY**

And for me,  
I have no further gone in this than by  
A single voice; and that not pass'd me but  
By learned approbation of the judges. If I am  
Traduced by ignorant tongues, which neither know  
My faculties nor person, yet will be  
The chronicles of my doing, let me say  
'Tis but the fate of place, and the rough brake  
That virtue must go through. We must not stint  
Our necessary actions, in the fear  
To cope malicious censurers; which ever,  
As ravenous fishes, do a vessel follow  
That is new-trimm'd, but benefit no further  
Than vainly longing. What we oft do best,  
By sick interpreters, once weak ones, is  
Not ours, or not allow'd; what worst, as oft,  
Hitting a grosser quality, is cried up  
For our best act. If we shall stand still,  
In fear our motion will be mock'd or carp'd at,  
We should take root here where we sit, or sit  
State-statues only.

## **KING HENRY VIII**

Things done well,  
And with a care, exempt themselves from fear;  
Things done without example, in their issue  
Are to be fear'd. Have you a precedent  
Of this commission? I believe, not any.  
We must not rend our subjects from our laws,  
And stick them in our will. Sixth part of each?  
A trembling contribution! Why, we take  
From every tree lop, bark, and part o' the timber;

And, though we leave it with a root, thus hack'd,  
The air will drink the sap. To every county  
Where this is question'd send our letters, with  
Free pardon to each man that has denied  
The force of this commission: pray, look to't;  
I put it to your care.

## **CARDINAL WOLSEY**

A word with you.

*To the Secretary*

Let there be letters writ to every shire,  
Of the king's grace and pardon. The griev'd commons  
Hardly conceive of me; let it be noised  
That through our intercession this revokement  
And pardon comes: I shall anon advise you  
Further in the proceeding.

*Exit Secretary*

*Enter Surveyor*

## **QUEEN KATHARINE**

I am sorry that the Duke of Buckingham  
Is run in your displeasure.

## **KING HENRY VIII**

It grieves many:  
The gentleman is learn'd, and a most rare speaker;  
To nature none more bound; his training such,  
That he may furnish and instruct great teachers,  
And never seek for aid out of himself. Yet see,  
When these so noble benefits shall prove  
Not well disposed, the mind growing once corrupt,  
They turn to vicious forms, ten times more ugly  
Than ever they were fair. This man so complete,  
Who was enroll'd 'mongst wonders, and when we,  
Almost with ravish'd listening, could not find

His hour of speech a minute; he, my lady,  
Hath into monstrous habits put the graces  
That once were his, and is become as black  
As if besmear'd in hell. Sit by us; you shall hear--  
This was his gentleman in trust--of him  
Things to strike honour sad. Bid him recount  
The fore-recited practises; whereof  
We cannot feel too little, hear too much.

## **CARDINAL WOLSEY**

Stand forth, and with bold spirit relate what you,  
Most like a careful subject, have collected  
Out of the Duke of Buckingham.

## **KING HENRY VIII**

Speak freely.

## **Surveyor**

First, it was usual with him, every day  
It would infect his speech, that if the king  
Should without issue die, he'll carry it so  
To make the sceptre his: these very words  
I've heard him utter to his son-in-law,  
Lord Abergavenny; to whom by oath he menaced  
Revenge upon the cardinal.

## **CARDINAL WOLSEY**

Please your highness, note  
This dangerous conception in this point.  
Not friended by by his wish, to your high person  
His will is most malignant; and it stretches  
Beyond you, to your friends.

## **QUEEN KATHARINE**

My learn'd lord cardinal,  
Deliver all with charity.

## **KING HENRY VIII**

Speak on:

How grounded he his title to the crown,  
Upon our fail? to this point hast thou heard him  
At any time speak aught?

### **Surveyor**

He was brought to this  
By a vain prophecy of Nicholas Hopkins.

## **KING HENRY VIII**

What was that Hopkins?

### **Surveyor**

Sir, a Chartreux friar,  
His confessor, who fed him every minute  
With words of sovereignty.

## **KING HENRY VIII**

How know'st thou this?

### **Surveyor**

Not long before your highness sped to France,  
The duke being at the Rose, within the parish  
Saint Lawrence Poultney, did of me demand  
What was the speech among the Londoners  
Concerning the French journey: I replied,  
Men fear'd the French would prove perfidious,  
To the king's danger. Presently the duke  
Said, 'twas the fear, indeed; and that he doubted  
'Twould prove the verity of certain words  
Spoke by a holy monk; 'that oft,' says he,  
'Hath sent to me, wishing me to permit  
John de la Car, my chaplain, a choice hour  
To hear from him a matter of some moment:  
Whom after under the confession's seal

He solemnly had sworn, that what he spoke  
My chaplain to no creature living, but  
To me, should utter, with demure confidence  
This pausingly ensued: neither the king nor's heirs,  
Tell you the duke, shall prosper: bid him strive  
To gain the love o' the commonalty: the duke  
Shall govern England.'

## **QUEEN KATHARINE**

If I know you well,  
You were the duke's surveyor, and lost your office  
On the complaint o' the tenants: take good heed  
You charge not in your spleen a noble person  
And spoil your nobler soul: I say, take heed;  
Yes, heartily beseech you.

## **KING HENRY VIII**

Let him on.  
Go forward.

## **Surveyor**

On my soul, I'll speak but truth.  
I told my lord the duke, by the devil's illusions  
The monk might be deceived; and that 'twas dangerous for him  
To ruminare on this so far, until  
It forged him some design, which, being believed,  
It was much like to do: he answer'd, 'Tush,  
It can do me no damage;' adding further,  
That, had the king in his last sickness fail'd,  
The cardinal's and Sir Thomas Lovell's heads  
Should have gone off.

## **KING HENRY VIII**

Ha! what, so rank? Ah ha!  
There's mischief in this man: canst thou say further?

## **Surveyor**

I can, my liege.

**KING HENRY VIII**

Proceed.

**Surveyor**

Being at Greenwich,  
After your highness had reproved the duke  
About Sir William Blomer,--

**KING HENRY VIII**

I remember  
Of such a time: being my sworn servant,  
The duke retain'd him his. But on; what hence?

**Surveyor**

'If,' quoth he, 'I for this had been committed,  
As, to the Tower, I thought, I would have play'd  
The part my father meant to act upon  
The usurper Richard; who, being at Salisbury,  
Made suit to come in's presence; which if granted,  
As he made semblance of his duty, would  
Have put his knife to him.'

**KING HENRY VIII**

A giant traitor!

**CARDINAL WOLSEY**

Now, madam, may his highness live in freedom,  
and this man out of prison?

**QUEEN KATHARINE**

God mend all!

## KING HENRY VIII

There's something more would out of thee; what say'st?

### Surveyor

After 'the duke his father,' with 'the knife,'  
He stretch'd him, and, with one hand on his dagger,  
Another spread on's breast, mounting his eyes  
He did discharge a horrible oath; whose tenor  
Was,--were he evil used, he would outgo  
His father by as much as a performance  
Does an irresolute purpose.

## KING HENRY VIII

There's his period,  
To sheathe his knife in us. He is attach'd;  
Call him to present trial: if he may  
Find mercy in the law, 'tis his: if none,  
Let him not seek 't of us: by day and night,  
He's traitor to the height.

*Exeunt*

## SCENE III. An ante-chamber in the palace.

*Enter Chamberlain and SANDS*

### Chamberlain

Is't possible the spells of France should juggle  
Men into such strange mysteries?

### SANDS

New customs,  
Though they be never so ridiculous,  
Nay, let 'em be unmanly, yet are follow'd.

### Chamberlain

As far as I see, all the good our English  
Have got by the late voyage is but merely  
A fit or two o' the face; but they are shrewd ones;  
For when they hold 'em, you would swear directly  
Their very noses had been counsellors  
To Pepin or Clotharius, they keep state so.

### SANDS

They have all new legs, and lame ones: one would take it,  
That never saw 'em pace before, the spavin  
Or springhalt reign'd among 'em.

### Chamberlain

Death! my lord,  
Their clothes are after such a pagan cut too,  
That, sure, they've worn out Christendom.

*Enter LOVELL*

How now!

What news, Sir Thomas Lovell?

**LOVELL**

Faith, my lord,  
I hear of none, but the new proclamation  
That's clapp'd upon the court-gate.

**Chamberlain**

What is't for?

**LOVELL**

The reformation of our travell'd gallants,  
That fill the court with quarrels, talk, and tailors.

**Chamberlain**

I'm glad 'tis there: now I would pray our monsieurs  
To think an English courtier may be wise,  
And never see the Louvre.

**LOVELL**

They must either,  
For so run the conditions, leave those remnants  
Of fool and feather that they got in France,  
With all their honourable point of ignorance  
Pertaining thereunto, as fights and fireworks,  
Abusing better men than they can be,  
Out of a foreign wisdom, renouncing clean  
The faith they have in tennis, and tall stockings,  
Short blister'd breeches, and those types of travel,  
And understand again like honest men;  
Or pack to their old playfellows: there, I take it,  
They may, 'cum privilegio,' wear away  
The lag end of their lewdness and be laugh'd at.

## **SANDS**

'Tis time to give 'em physic, their diseases  
Are grown so catching.

## **Chamberlain**

What a loss our ladies  
Will have of these trim vanities!

## **LOVELL**

Ay, marry,  
There will be woe indeed, lords: the sly whoresons  
Have got a speeding trick to lay down ladies;  
A French song and a fiddle has no fellow.

## **SANDS**

The devil fiddle 'em! I am glad they are going,  
For, sure, there's no converting of 'em: now  
An honest country lord, as I am, beaten  
A long time out of play, may bring his plainsong  
And have an hour of hearing; and, by'r lady,  
Held current music too.

## **Chamberlain**

Well said, Lord Sands;  
Your colt's tooth is not cast yet.

## **SANDS**

No, my lord;  
Nor shall not, while I have a stump.

## **Chamberlain**

Sir Thomas,  
Whither were you a-going?

## **LOVELL**

To the cardinal's:  
Your lordship is a guest too.

## **Chamberlain**

O, 'tis true:  
This night he makes a supper, and a great one,  
To many lords and ladies; there will be  
The beauty of this kingdom, I'll assure you.

## **LOVELL**

That churchman bears a bounteous mind indeed,  
A hand as fruitful as the land that feeds us;  
His dews fall every where.

## **Chamberlain**

No doubt he's noble;  
He had a black mouth that said other of him.

## **SANDS**

He may, my lord; has wherewithal: in him  
Sparing would show a worse sin than ill doctrine:  
Men of his way should be most liberal;  
They are set here for examples.

## **Chamberlain**

True, they are so:  
But few now give so great ones. My barge stays;  
Your lordship shall along. Come, good Sir Thomas,  
We shall be late else; which I would not be,  
For I was spoke to, with Sir Henry Guildford  
This night to be comptrollers.

## **SANDS**

I am your lordship's.

*Exeunt*

## SCENE IV. A Hall in York Place.

*Hautboys. A small table under a state for CARDINAL WOLSEY, a longer table for the guests. Then enter ANNE and divers other Ladies and Gentlemen as guests, at one door; at another door, enter GUILDFORD*

### GUILDFORD

Ladies, a general welcome from his grace  
Salutes ye all; this night he dedicates  
To fair content and you: none here, he hopes,  
In all this noble bevy, has brought with her  
One care abroad; he would have all as merry  
As, first, good company, good wine, good welcome,  
Can make good people. O, my lord, you're tardy:

*Enter Chamberlain, SANDS, and LOVELL*

The very thought of this fair company  
Clapp'd wings to me.

### Chamberlain

You are young, Sir Harry Guildford.

### SANDS

Sir Thomas Lovell, had the cardinal  
But half my lay thoughts in him, some of these  
Should find a running banquet ere they rested,  
I think would better please 'em: by my life,  
They are a sweet society of fair ones.

### LOVELL

O, that your lordship were but now confessor

To one or two of these!

**SANDS**

I would I were;  
They should find easy penance.

**LOVELL**

Faith, how easy?

**SANDS**

As easy as a down-bed would afford it.

**Chamberlain**

Sweet ladies, will it please you sit? Sir Harry,  
Place you that side; I'll take the charge of this:  
His grace is entering. Nay, you must not freeze;  
Two women placed together makes cold weather:  
My Lord Sands, you are one will keep 'em waking;  
Pray, sit between these ladies.

**SANDS**

By my faith,  
And thank your lordship. By your leave, sweet ladies:  
If I chance to talk a little wild, forgive me;  
I had it from my father.

**ANNE**

Was he mad, sir?

**SANDS**

O, very mad, exceeding mad, in love too:  
But he would bite none; just as I do now,  
He would kiss you twenty with a breath.

*Kisses her*

**Chamberlain**

Well said, my lord.  
So, now you're fairly seated. Gentlemen,  
The penance lies on you, if these fair ladies  
Pass away frowning.

**SANDS**

For my little cure,  
Let me alone.

*Hautboys. Enter CARDINAL WOLSEY, and takes his state*

**CARDINAL WOLSEY**

You're welcome, my fair guests: that noble lady,  
Or gentleman, that is not freely merry,  
Is not my friend: this, to confirm my welcome;  
And to you all, good health.

*Drinks*

**SANDS**

Your grace is noble:  
Let me have such a bowl may hold my thanks,  
And save me so much talking.

**CARDINAL WOLSEY**

My Lord Sands,  
I am beholding to you: cheer your neighbours.  
Ladies, you are not merry: gentlemen,  
Whose fault is this?

**SANDS**

The red wine first must rise

In their fair cheeks, my lord; then we shall have 'em  
Talk us to silence.

**ANNE**

You are a merry gamester,  
My Lord Sands.

**SANDS**

Yes, if I make my play.  
Here's to your ladyship: and pledge it, madam,  
For 'tis to such a thing,--

**ANNE**

You cannot show me.

**SANDS**

I told your grace they would talk anon.

*Drum and trumpet, chambers discharged*

**CARDINAL WOLSEY**

What's that?

**Chamberlain**

Look out there, some of ye.

*Exit Servant*

**CARDINAL WOLSEY**

What warlike voice,  
And to what end is this? Nay, ladies, fear not;  
By all the laws of war you're privileged.

*Re-enter Servant*

## Chamberlain

How now! what is't?

## Servant

A noble troop of strangers;  
For so they seem: they've left their barge and landed;  
And hither make, as great ambassadors  
From foreign princes.

## CARDINAL WOLSEY

Good lord chamberlain,  
Go, give 'em welcome; you can speak the French tongue;  
And, pray, receive 'em nobly, and conduct 'em  
Into our presence, where this heaven of beauty  
Shall shine at full upon them. Some attend him.

*Exit Chamberlain, attended. All rise, and tables removed*

You have now a broken banquet; but we'll mend it.  
A good digestion to you all: and once more  
I shower a welcome on ye; welcome all.

*Hautboys. Enter KING HENRY VIII and others, as masquers, habited like shepherds, ushered by the Chamberlain. They pass directly before CARDINAL WOLSEY, and gracefully salute him*

A noble company! what are their pleasures?

## Chamberlain

Because they speak no English, thus they pray'd  
To tell your grace, that, having heard by fame  
Of this so noble and so fair assembly  
This night to meet here, they could do no less  
Out of the great respect they bear to beauty,  
But leave their flocks; and, under your fair conduct,  
Crave leave to view these ladies and entreat  
An hour of revels with 'em.

## **CARDINAL WOLSEY**

Say, lord chamberlain,  
They have done my poor house grace; for which I pay 'em  
A thousand thanks, and pray 'em take their pleasures.

*They choose Ladies for the dance. KING HENRY VIII chooses ANNE*

## **KING HENRY VIII**

The fairest hand I ever touch'd! O beauty,  
Till now I never knew thee!

*Music. Dance*

## **CARDINAL WOLSEY**

My lord!

### **Chamberlain**

Your grace?

## **CARDINAL WOLSEY**

Pray, tell 'em thus much from me:  
There should be one amongst 'em, by his person,  
More worthy this place than myself; to whom,  
If I but knew him, with my love and duty  
I would surrender it.

### **Chamberlain**

I will, my lord.

*Whispers the Masquers*

## **CARDINAL WOLSEY**

What say they?

**Chamberlain**

Such a one, they all confess,  
There is indeed; which they would have your grace  
Find out, and he will take it.

**CARDINAL WOLSEY**

Let me see, then.  
By all your good leaves, gentlemen; here I'll make  
My royal choice.

**KING HENRY VIII**

Ye have found him, cardinal:

*Unmasking*

You hold a fair assembly; you do well, lord:  
You are a churchman, or, I'll tell you, cardinal,  
I should judge now unhappily.

**CARDINAL WOLSEY**

I am glad  
Your grace is grown so pleasant.

**KING HENRY VIII**

My lord chamberlain,  
Prithee, come hither: what fair lady's that?

**Chamberlain**

An't please your grace, Sir Thomas Bullen's daughter--  
The Viscount Rochford,--one of her highness' women.

**KING HENRY VIII**

By heaven, she is a dainty one. Sweetheart,

I were unmannerly, to take you out,  
And not to kiss you. A health, gentlemen!  
Let it go round.

**CARDINAL WOLSEY**

Sir Thomas Lovell, is the banquet ready  
I' the privy chamber?

**LOVELL**

Yes, my lord.

**CARDINAL WOLSEY**

Your grace,  
I fear, with dancing is a little heated.

**KING HENRY VIII**

I fear, too much.

**CARDINAL WOLSEY**

There's fresher air, my lord,  
In the next chamber.

**KING HENRY VIII**

Lead in your ladies, every one: sweet partner,  
I must not yet forsake you: let's be merry:  
Good my lord cardinal, I have half a dozen healths  
To drink to these fair ladies, and a measure  
To lead 'em once again; and then let's dream  
Who's best in favour. Let the music knock it.

*Exeunt with trumpets*

# The Life of King Henry the Eighth

[Shakespeare homepage](#) | [Henry VIII](#) | Act 2, Scene 1

[Previous scene](#) | [Next scene](#)

## SCENE I. Westminster. A street.

*Enter two Gentlemen, meeting*

### First Gentleman

Whither away so fast?

### Second Gentleman

O, God save ye!  
Even to the hall, to hear what shall become  
Of the great Duke of Buckingham.

### First Gentleman

I'll save you  
That labour, sir. All's now done, but the ceremony  
Of bringing back the prisoner.

### Second Gentleman

Were you there?

### First Gentleman

Yes, indeed, was I.

### Second Gentleman

Pray, speak what has happen'd.

### First Gentleman

You may guess quickly what.

**Second Gentleman**

Is he found guilty?

**First Gentleman**

Yes, truly is he, and condemn'd upon't.

**Second Gentleman**

I am sorry for't.

**First Gentleman**

So are a number more.

**Second Gentleman**

But, pray, how pass'd it?

**First Gentleman**

I'll tell you in a little. The great duke  
Came to the bar; where to his accusations  
He pleaded still not guilty and alleged  
Many sharp reasons to defeat the law.  
The king's attorney on the contrary  
Urged on the examinations, proofs, confessions  
Of divers witnesses; which the duke desired  
To have brought viva voce to his face:  
At which appear'd against him his surveyor;  
Sir Gilbert Peck his chancellor; and John Car,  
Confessor to him; with that devil-monk,  
Hopkins, that made this mischief.

**Second Gentleman**

That was he  
That fed him with his prophecies?

**First Gentleman**

The same.  
All these accused him strongly; which he fain  
Would have flung from him, but, indeed, he could not:  
And so his peers, upon this evidence,  
Have found him guilty of high treason. Much  
He spoke, and learnedly, for life; but all  
Was either pitied in him or forgotten.

### **Second Gentleman**

After all this, how did he bear himself?

### **First Gentleman**

When he was brought again to the bar, to hear  
His knell rung out, his judgment, he was stirr'd  
With such an agony, he sweat extremely,  
And something spoke in choler, ill, and hasty:  
But he fell to himself again, and sweetly  
In all the rest show'd a most noble patience.

### **Second Gentleman**

I do not think he fears death.

### **First Gentleman**

Sure, he does not:  
He never was so womanish; the cause  
He may a little grieve at.

### **Second Gentleman**

Certainly  
The cardinal is the end of this.

### **First Gentleman**

'Tis likely,  
By all conjectures: first, Kildare's attainder,  
Then deputy of Ireland; who removed,

Earl Surrey was sent thither, and in haste too,  
Lest he should help his father.

## **Second Gentleman**

That trick of state  
Was a deep envious one.

## **First Gentleman**

At his return  
No doubt he will requite it. This is noted,  
And generally, whoever the king favours,  
The cardinal instantly will find employment,  
And far enough from court too.

## **Second Gentleman**

All the commons  
Hate him perniciously, and, o' my conscience,  
Wish him ten fathom deep: this duke as much  
They love and dote on; call him bounteous Buckingham,  
The mirror of all courtesy;--

## **First Gentleman**

Stay there, sir,  
And see the noble ruin'd man you speak of.

*Enter BUCKINGHAM from his arraignment; tip-staves before him; the axe with the edge towards him; halberds on each side: accompanied with LOVELL, VAUX, SANDS, and common people*

## **Second Gentleman**

Let's stand close, and behold him.

## **BUCKINGHAM**

All good people,  
You that thus far have come to pity me,

Hear what I say, and then go home and lose me.  
I have this day received a traitor's judgment,  
And by that name must die: yet, heaven bear witness,  
And if I have a conscience, let it sink me,  
Even as the axe falls, if I be not faithful!  
The law I bear no malice for my death;  
'T has done, upon the premises, but justice:  
But those that sought it I could wish more Christians:  
Be what they will, I heartily forgive 'em:  
Yet let 'em look they glory not in mischief,  
Nor build their evils on the graves of great men;  
For then my guiltless blood must cry against 'em.  
For further life in this world I ne'er hope,  
Nor will I sue, although the king have mercies  
More than I dare make faults. You few that loved me,  
And dare be bold to weep for Buckingham,  
His noble friends and fellows, whom to leave  
Is only bitter to him, only dying,  
Go with me, like good angels, to my end;  
And, as the long divorce of steel falls on me,  
Make of your prayers one sweet sacrifice,  
And lift my soul to heaven. Lead on, o' God's name.

## **LOVELL**

I do beseech your grace, for charity,  
If ever any malice in your heart  
Were hid against me, now to forgive me frankly.

## **BUCKINGHAM**

Sir Thomas Lovell, I as free forgive you  
As I would be forgiven: I forgive all;  
There cannot be those numberless offences  
'Gainst me, that I cannot take peace with:  
no black envy  
Shall mark my grave. Commend me to his grace;  
And if he speak of Buckingham, pray, tell him  
You met him half in heaven: my vows and prayers  
Yet are the king's; and, till my soul forsake,  
Shall cry for blessings on him: may he live  
Longer than I have time to tell his years!  
Ever beloved and loving may his rule be!

And when old time shall lead him to his end,  
Goodness and he fill up one monument!

## **LOVELL**

To the water side I must conduct your grace;  
Then give my charge up to Sir Nicholas Vaux,  
Who undertakes you to your end.

## **VAUX**

Prepare there,  
The duke is coming: see the barge be ready;  
And fit it with such furniture as suits  
The greatness of his person.

## **BUCKINGHAM**

Nay, Sir Nicholas,  
Let it alone; my state now will but mock me.  
When I came hither, I was lord high constable  
And Duke of Buckingham; now, poor Edward Bohun:  
Yet I am richer than my base accusers,  
That never knew what truth meant: I now seal it;  
And with that blood will make 'em one day groan for't.  
My noble father, Henry of Buckingham,  
Who first raised head against usurping Richard,  
Flying for succor to his servant Banister,  
Being distress'd, was by that wretch betray'd,  
And without trial fell; God's peace be with him!  
Henry the Seventh succeeding, truly pitying  
My father's loss, like a most royal prince,  
Restored me to my honours, and, out of ruins,  
Made my name once more noble. Now his son,  
Henry the Eighth, life, honour, name and all  
That made me happy at one stroke has taken  
For ever from the world. I had my trial,  
And, must needs say, a noble one; which makes me,  
A little happier than my wretched father:  
Yet thus far we are one in fortunes: both  
Fell by our servants, by those men we loved most;  
A most unnatural and faithless service!

Heaven has an end in all: yet, you that hear me,  
This from a dying man receive as certain:  
Where you are liberal of your loves and counsels  
Be sure you be not loose; for those you make friends  
And give your hearts to, when they once perceive  
The least rub in your fortunes, fall away  
Like water from ye, never found again  
But where they mean to sink ye. All good people,  
Pray for me! I must now forsake ye: the last hour  
Of my long weary life is come upon me. Farewell:  
And when you would say something that is sad,  
Speak how I fell. I have done; and God forgive me!

*Exeunt BUCKINGHAM and Train*

### **First Gentleman**

O, this is full of pity! Sir, it calls,  
I fear, too many curses on their beads  
That were the authors.

### **Second Gentleman**

If the duke be guiltless,  
'Tis full of woe: yet I can give you inkling  
Of an ensuing evil, if it fall,  
Greater than this.

### **First Gentleman**

Good angels keep it from us!  
What may it be? You do not doubt my faith, sir?

### **Second Gentleman**

This secret is so weighty, 'twill require  
A strong faith to conceal it.

### **First Gentleman**

Let me have it;  
I do not talk much.

## **Second Gentleman**

I am confident,  
You shall, sir: did you not of late days hear  
A buzzing of a separation  
Between the king and Katharine?

## **First Gentleman**

Yes, but it held not:  
For when the king once heard it, out of anger  
He sent command to the lord mayor straight  
To stop the rumor, and allay those tongues  
That durst disperse it.

## **Second Gentleman**

But that slander, sir,  
Is found a truth now: for it grows again  
Fresher than e'er it was; and held for certain  
The king will venture at it. Either the cardinal,  
Or some about him near, have, out of malice  
To the good queen, possess'd him with a scruple  
That will undo her: to confirm this too,  
Cardinal Campeius is arrived, and lately;  
As all think, for this business.

## **First Gentleman**

'Tis the cardinal;  
And merely to revenge him on the emperor  
For not bestowing on him, at his asking,  
The archbishopric of Toledo, this is purposed.

## **Second Gentleman**

I think you have hit the mark: but is't not cruel  
That she should feel the smart of this? The cardinal  
Will have his will, and she must fall.

## **First Gentleman**

'Tis woful.  
We are too open here to argue this;  
Let's think in private more.

*Exeunt*

## SCENE II. An ante-chamber in the palace.

*Enter Chamberlain, reading a letter*

### Chamberlain

'My lord, the horses your lordship sent for, with all the care I had, I saw well chosen, ridden, and furnished. They were young and handsome, and of the best breed in the north. When they were ready to set out for London, a man of my lord cardinal's, by commission and main power, took 'em from me; with this reason: His master would be served before a subject, if not before the king; which stopped our mouths, sir.'

I fear he will indeed: well, let him have them:  
He will have all, I think.

*Enter, to Chamberlain, NORFOLK and SUFFOLK*

### NORFOLK

Well met, my lord chamberlain.

### Chamberlain

Good day to both your graces.

### SUFFOLK

How is the king employ'd?

### Chamberlain

I left him private,  
Full of sad thoughts and troubles.

## NORFOLK

What's the cause?

## Chamberlain

It seems the marriage with his brother's wife  
Has crept too near his conscience.

## SUFFOLK

No, his conscience  
Has crept too near another lady.

## NORFOLK

'Tis so:  
This is the cardinal's doing, the king-cardinal:  
That blind priest, like the eldest son of fortune,  
Turns what he list. The king will know him one day.

## SUFFOLK

Pray God he do! he'll never know himself else.

## NORFOLK

How holily he works in all his business!  
And with what zeal! for, now he has crack'd the league  
Between us and the emperor, the queen's great nephew,  
He dives into the king's soul, and there scatters  
Dangers, doubts, wringing of the conscience,  
Fears, and despairs; and all these for his marriage:  
And out of all these to restore the king,  
He counsels a divorce; a loss of her  
That, like a jewel, has hung twenty years  
About his neck, yet never lost her lustre;  
Of her that loves him with that excellence  
That angels love good men with; even of her  
That, when the greatest stroke of fortune falls,  
Will bless the king: and is not this course pious?

## **Chamberlain**

Heaven keep me from such counsel! 'Tis most true  
These news are every where; every tongue speaks 'em,  
And every true heart weeps for't: all that dare  
Look into these affairs see this main end,  
The French king's sister. Heaven will one day open  
The king's eyes, that so long have slept upon  
This bold bad man.

## **SUFFOLK**

And free us from his slavery.

## **NORFOLK**

We had need pray,  
And heartily, for our deliverance;  
Or this imperious man will work us all  
From princes into pages: all men's honours  
Lie like one lump before him, to be fashion'd  
Into what pitch he please.

## **SUFFOLK**

For me, my lords,  
I love him not, nor fear him; there's my creed:  
As I am made without him, so I'll stand,  
If the king please; his curses and his blessings  
Touch me alike, they're breath I not believe in.  
I knew him, and I know him; so I leave him  
To him that made him proud, the pope.

## **NORFOLK**

Let's in;  
And with some other business put the king  
From these sad thoughts, that work too much upon him:  
My lord, you'll bear us company?

## **Chamberlain**

Excuse me;  
The king has sent me elsewhere: besides,  
You'll find a most unfit time to disturb him:  
Health to your lordships.

**NORFOLK**

Thanks, my good lord chamberlain.

*Exit Chamberlain; and KING HENRY VIII draws the curtain, and sits reading pensively*

**SUFFOLK**

How sad he looks! sure, he is much afflicted.

**KING HENRY VIII**

Who's there, ha?

**NORFOLK**

Pray God he be not angry.

**KING HENRY VIII**

Who's there, I say? How dare you thrust yourselves  
Into my private meditations?  
Who am I? ha?

**NORFOLK**

A gracious king that pardons all offences  
Malice ne'er meant: our breach of duty this way  
Is business of estate; in which we come  
To know your royal pleasure.

**KING HENRY VIII**

Ye are too bold:  
Go to; I'll make ye know your times of business:

Is this an hour for temporal affairs, ha?

*Enter CARDINAL WOLSEY and CARDINAL CAMPEIUS, with a commission*

Who's there? my good lord cardinal? O my Wolsey,  
The quiet of my wounded conscience;  
Thou art a cure fit for a king.

*To CARDINAL CAMPEIUS*

You're welcome,  
Most learned reverend sir, into our kingdom:  
Use us and it.

*To CARDINAL WOLSEY*

My good lord, have great care  
I be not found a talker.

## **CARDINAL WOLSEY**

Sir, you cannot.  
I would your grace would give us but an hour  
Of private conference.

## **KING HENRY VIII**

[To NORFOLK and SUFFOLK]  
We are busy; go.

## **NORFOLK**

[Aside to SUFFOLK]  
This priest has no pride in him?

## **SUFFOLK**

[Aside to NORFOLK] Not to speak of:  
I would not be so sick though for his place:  
But this cannot continue.

## **NORFOLK**

[Aside to SUFFOLK] If it do,  
I'll venture one have-at-him.

## **SUFFOLK**

[Aside to NORFOLK] I another.

*Exeunt NORFOLK and SUFFOLK*

## **CARDINAL WOLSEY**

Your grace has given a precedent of wisdom  
Above all princes, in committing freely  
Your scruple to the voice of Christendom:  
Who can be angry now? what envy reach you?  
The Spaniard, tied blood and favour to her,  
Must now confess, if they have any goodness,  
The trial just and noble. All the clerks,  
I mean the learned ones, in Christian kingdoms  
Have their free voices: Rome, the nurse of judgment,  
Invited by your noble self, hath sent  
One general tongue unto us, this good man,  
This just and learned priest, Cardinal Campeius;  
Whom once more I present unto your highness.

## **KING HENRY VIII**

And once more in mine arms I bid him welcome,  
And thank the holy conclave for their loves:  
They have sent me such a man I would have wish'd for.

## **CARDINAL CAMPEIUS**

Your grace must needs deserve all strangers' loves,  
You are so noble. To your highness' hand  
I tender my commission; by whose virtue,  
The court of Rome commanding, you, my lord  
Cardinal of York, are join'd with me their servant  
In the impartial judging of this business.

## **KING HENRY VIII**

Two equal men. The queen shall be acquainted  
Forthwith for what you come. Where's Gardiner?

## **CARDINAL WOLSEY**

I know your majesty has always loved her  
So dear in heart, not to deny her that  
A woman of less place might ask by law:  
Scholars allow'd freely to argue for her.

## **KING HENRY VIII**

Ay, and the best she shall have; and my favour  
To him that does best: God forbid else. Cardinal,  
Prithee, call Gardiner to me, my new secretary:  
I find him a fit fellow.

*Exit CARDINAL WOLSEY*

*Re-enter CARDINAL WOLSEY, with GARDINER*

## **CARDINAL WOLSEY**

[Aside to GARDINER] Give me your hand much joy and  
favour to you;  
You are the king's now.

## **GARDINER**

[Aside to CARDINAL WOLSEY]  
But to be commanded  
For ever by your grace, whose hand has raised me.

## **KING HENRY VIII**

Come hither, Gardiner.

*Walks and whispers*

**CARDINAL CAMPEIUS**

My Lord of York, was not one Doctor Pace  
In this man's place before him?

**CARDINAL WOLSEY**

Yes, he was.

**CARDINAL CAMPEIUS**

Was he not held a learned man?

**CARDINAL WOLSEY**

Yes, surely.

**CARDINAL CAMPEIUS**

Believe me, there's an ill opinion spread then  
Even of yourself, lord cardinal.

**CARDINAL WOLSEY**

How! of me?

**CARDINAL CAMPEIUS**

They will not stick to say you envied him,  
And fearing he would rise, he was so virtuous,  
Kept him a foreign man still; which so grieved him,  
That he ran mad and died.

**CARDINAL WOLSEY**

Heaven's peace be with him!  
That's Christian care enough: for living murmurers  
There's places of rebuke. He was a fool;  
For he would needs be virtuous: that good fellow,  
If I command him, follows my appointment:  
I will have none so near else. Learn this, brother,

We live not to be grip'd by meaner persons.

## **KING HENRY VIII**

Deliver this with modesty to the queen.

*Exit GARDINER*

The most convenient place that I can think of  
For such receipt of learning is Black-Friars;  
There ye shall meet about this weighty business.  
My Wolsey, see it furnish'd. O, my lord,  
Would it not grieve an able man to leave  
So sweet a bedfellow? But, conscience, conscience!  
O, 'tis a tender place; and I must leave her.

*Exeunt*

## SCENE III. An ante-chamber of the QUEEN'S apartments.

*Enter ANNE and an Old Lady*

ANNE

Not for that neither: here's the pang that pinches:  
His highness having lived so long with her, and she  
So good a lady that no tongue could ever  
Pronounce dishonour of her; by my life,  
She never knew harm-doing: O, now, after  
So many courses of the sun enthroned,  
Still growing in a majesty and pomp, the which  
To leave a thousand-fold more bitter than  
'Tis sweet at first to acquire,--after this process,  
To give her the avaunt! it is a pity  
Would move a monster.

Old Lady

Hearts of most hard temper  
Melt and lament for her.

ANNE

O, God's will! much better  
She ne'er had known pomp: though't be temporal,  
Yet, if that quarrel, fortune, do divorce  
It from the bearer, 'tis a sufferance panging  
As soul and body's severing.

Old Lady

Alas, poor lady!  
She's a stranger now again.

**ANNE**

So much the more  
Must pity drop upon her. Verily,  
I swear, 'tis better to be lowly born,  
And range with humble livers in content,  
Than to be perk'd up in a glistening grief,  
And wear a golden sorrow.

**Old Lady**

Our content  
Is our best having.

**ANNE**

By my troth and maidenhead,  
I would not be a queen.

**Old Lady**

Beshrew me, I would,  
And venture maidenhead for't; and so would you,  
For all this spice of your hypocrisy:  
You, that have so fair parts of woman on you,  
Have too a woman's heart; which ever yet  
Affected eminence, wealth, sovereignty;  
Which, to say sooth, are blessings; and which gifts,  
Saving your mincing, the capacity  
Of your soft cheveril conscience would receive,  
If you might please to stretch it.

**ANNE**

Nay, good troth.

**Old Lady**

Yes, troth, and troth; you would not be a queen?

**ANNE**

No, not for all the riches under heaven.  
Old Lady: 'Tis strange: a three-pence bow'd would hire me,  
Old as I am, to queen it: but, I pray you,  
What think you of a duchess? have you limbs  
To bear that load of title?

**ANNE**

No, in truth.

**Old Lady**

Then you are weakly made: pluck off a little;  
I would not be a young count in your way,  
For more than blushing comes to: if your back  
Cannot vouchsafe this burthen, 'tis too weak  
Ever to get a boy.

**ANNE**

How you do talk!  
I swear again, I would not be a queen  
For all the world.

**Old Lady**

In faith, for little England  
You'd venture an emballing: I myself  
Would for Carnarvonshire, although there long'd  
No more to the crown but that. Lo, who comes here?

*Enter Chamberlain*

**Chamberlain**

Good morrow, ladies. What were't worth to know  
The secret of your conference?

**ANNE**

My good lord,

Not your demand; it values not your asking:  
Our mistress' sorrows we were pitying.

**Chamberlain**

It was a gentle business, and becoming  
The action of good women: there is hope  
All will be well.

**ANNE**

Now, I pray God, amen!

**Chamberlain**

You bear a gentle mind, and heavenly blessings  
Follow such creatures. That you may, fair lady,  
Perceive I speak sincerely, and high note's  
Ta'en of your many virtues, the king's majesty  
Commends his good opinion of you, and  
Does purpose honour to you no less flowing  
Than Marchioness of Pembroke: to which title  
A thousand pound a year, annual support,  
Out of his grace he adds.

**ANNE**

I do not know  
What kind of my obedience I should tender;  
More than my all is nothing: nor my prayers  
Are not words duly hallow'd, nor my wishes  
More worth than empty vanities; yet prayers and wishes  
Are all I can return. Beseech your lordship,  
Vouchsafe to speak my thanks and my obedience,  
As from a blushing handmaid, to his highness;  
Whose health and royalty I pray for.

**Chamberlain**

Lady,  
I shall not fail to approve the fair conceit  
The king hath of you.

*Aside*

I have perused her well;  
Beauty and honour in her are so mingled  
That they have caught the king: and who knows yet  
But from this lady may proceed a gem  
To lighten all this isle? I'll to the king,  
And say I spoke with you.

*Exit Chamberlain*

**ANNE**

My honour'd lord.

**Old Lady**

Why, this it is; see, see!  
I have been begging sixteen years in court,  
Am yet a courtier beggarly, nor could  
Come pat betwixt too early and too late  
For any suit of pounds; and you, O fate!  
A very fresh-fish here--fie, fie, fie upon  
This compell'd fortune!--have your mouth fill'd up  
Before you open it.

**ANNE**

This is strange to me.

**Old Lady**

How tastes it? is it bitter? forty pence, no.  
There was a lady once, 'tis an old story,  
That would not be a queen, that would she not,  
For all the mud in Egypt: have you heard it?

**ANNE**

Come, you are pleasant.

## Old Lady

With your theme, I could  
O'ermount the lark. The Marchioness of Pembroke!  
A thousand pounds a year for pure respect!  
No other obligation! By my life,  
That promises moe thousands: honour's train  
Is longer than his foreskirt. By this time  
I know your back will bear a duchess: say,  
Are you not stronger than you were?

## ANNE

Good lady,  
Make yourself mirth with your particular fancy,  
And leave me out on't. Would I had no being,  
If this salute my blood a jot: it faints me,  
To think what follows.  
The queen is comfortless, and we forgetful  
In our long absence: pray, do not deliver  
What here you've heard to her.

## Old Lady

What do you think me?

*Exeunt*

## SCENE IV. A hall in Black-Friars.

*Trumpets, sennet, and cornets. Enter two Vergers, with short silver wands; next them, two Scribes, in the habit of doctors; after them, CANTERBURY alone; after him, LINCOLN, Ely, Rochester, and Saint Asaph; next them, with some small distance, follows a Gentleman bearing the purse, with the great seal, and a cardinal's hat; then two Priests, bearing each a silver cross; then a Gentleman-usher bare-headed, accompanied with a Sergeant-at-arms bearing a silver mace; then two Gentlemen bearing two great silver pillars; after them, side by side, CARDINAL WOLSEY and CARDINAL CAMPEIUS; two Noblemen with the sword and mace. KING HENRY VIII takes place under the cloth of state; CARDINAL WOLSEY and CARDINAL CAMPEIUS sit under him as judges. QUEEN KATHARINE takes place some distance from KING HENRY VIII. The Bishops place themselves on each side the court, in manner of a consistory; below them, the Scribes. The Lords sit next the Bishops. The rest of the Attendants stand in convenient order about the stage*

### CARDINAL WOLSEY

Whilst our commission from Rome is read,  
Let silence be commanded.

### KING HENRY VIII

What's the need?  
It hath already publicly been read,  
And on all sides the authority allow'd;  
You may, then, spare that time.

### CARDINAL WOLSEY

Be't so. Proceed.

### Scribe

Say, Henry King of England, come into the court.

**Crier**

Henry King of England, & c.

**KING HENRY VIII**

Here.

**Scribe**

Say, Katharine Queen of England, come into the court.

**Crier**

Katharine Queen of England, & c.

*QUEEN KATHARINE makes no answer, rises out of her chair, goes about the court, comes to KING HENRY VIII, and kneels at his feet; then speaks*

**QUEEN KATHARINE**

Sir, I desire you do me right and justice;  
And to bestow your pity on me: for  
I am a most poor woman, and a stranger,  
Born out of your dominions; having here  
No judge indifferent, nor no more assurance  
Of equal friendship and proceeding. Alas, sir,  
In what have I offended you? what cause  
Hath my behavior given to your displeasure,  
That thus you should proceed to put me off,  
And take your good grace from me? Heaven witness,  
I have been to you a true and humble wife,  
At all times to your will conformable;  
Ever in fear to kindle your dislike,  
Yea, subject to your countenance, glad or sorry  
As I saw it inclined: when was the hour  
I ever contradicted your desire,  
Or made it not mine too? Or which of your friends  
Have I not strove to love, although I knew  
He were mine enemy? what friend of mine  
That had to him derived your anger, did I  
Continue in my liking? nay, gave notice

He was from thence discharged. Sir, call to mind  
That I have been your wife, in this obedience,  
Upward of twenty years, and have been blest  
With many children by you: if, in the course  
And process of this time, you can report,  
And prove it too, against mine honour aught,  
My bond to wedlock, or my love and duty,  
Against your sacred person, in God's name,  
Turn me away; and let the foul'st contempt  
Shut door upon me, and so give me up  
To the sharp'st kind of justice. Please you sir,  
The king, your father, was reputed for  
A prince most prudent, of an excellent  
And unmatch'd wit and judgment: Ferdinand,  
My father, king of Spain, was reckon'd one  
The wisest prince that there had reign'd by many  
A year before: it is not to be question'd  
That they had gather'd a wise council to them  
Of every realm, that did debate this business,  
Who deem'd our marriage lawful: wherefore I humbly  
Beseech you, sir, to spare me, till I may  
Be by my friends in Spain advised; whose counsel  
I will implore: if not, i' the name of God,  
Your pleasure be fulfill'd!

## **CARDINAL WOLSEY**

You have here, lady,  
And of your choice, these reverend fathers; men  
Of singular integrity and learning,  
Yea, the elect o' the land, who are assembled  
To plead your cause: it shall be therefore bootless  
That longer you desire the court; as well  
For your own quiet, as to rectify  
What is unsettled in the king.

## **CARDINAL CAMPEIUS**

His grace  
Hath spoken well and justly: therefore, madam,  
It's fit this royal session do proceed;  
And that, without delay, their arguments  
Be now produced and heard.

## **QUEEN KATHARINE**

Lord cardinal,  
To you I speak.

## **CARDINAL WOLSEY**

Your pleasure, madam?

## **QUEEN KATHARINE**

Sir,  
I am about to weep; but, thinking that  
We are a queen, or long have dream'd so, certain  
The daughter of a king, my drops of tears  
I'll turn to sparks of fire.

## **CARDINAL WOLSEY**

Be patient yet.

## **QUEEN KATHARINE**

I will, when you are humble; nay, before,  
Or God will punish me. I do believe,  
Induced by potent circumstances, that  
You are mine enemy, and make my challenge  
You shall not be my judge: for it is you  
Have blown this coal betwixt my lord and me;  
Which God's dew quench! Therefore I say again,  
I utterly abhor, yea, from my soul  
Refuse you for my judge; whom, yet once more,  
I hold my most malicious foe, and think not  
At all a friend to truth.

## **CARDINAL WOLSEY**

I do profess  
You speak not like yourself; who ever yet  
Have stood to charity, and display'd the effects

Of disposition gentle, and of wisdom  
O'ertopping woman's power. Madam, you do me wrong:  
I have no spleen against you; nor injustice  
For you or any: how far I have proceeded,  
Or how far further shall, is warranted  
By a commission from the consistory,  
Yea, the whole consistory of Rome. You charge me  
That I have blown this coal: I do deny it:  
The king is present: if it be known to him  
That I gainsay my deed, how may he wound,  
And worthily, my falsehood! yea, as much  
As you have done my truth. If he know  
That I am free of your report, he knows  
I am not of your wrong. Therefore in him  
It lies to cure me: and the cure is, to  
Remove these thoughts from you: the which before  
His highness shall speak in, I do beseech  
You, gracious madam, to unthink your speaking  
And to say so no more.

## QUEEN KATHARINE

My lord, my lord,  
I am a simple woman, much too weak  
To oppose your cunning. You're meek and  
humble-mouth'd;  
You sign your place and calling, in full seeming,  
With meekness and humility; but your heart  
Is cramm'd with arrogancy, spleen, and pride.  
You have, by fortune and his highness' favours,  
Gone slightly o'er low steps and now are mounted  
Where powers are your retainers, and your words,  
Domestics to you, serve your will as't please  
Yourself pronounce their office. I must tell you,  
You tender more your person's honour than  
Your high profession spiritual: that again  
I do refuse you for my judge; and here,  
Before you all, appeal unto the pope,  
To bring my whole cause 'fore his holiness,  
And to be judged by him.

*She curtsies to KING HENRY VIII, and offers to depart*

## **CARDINAL CAMPEIUS**

The queen is obstinate,  
Stubborn to justice, apt to accuse it, and  
Disdainful to be tried by't: 'tis not well.  
She's going away.

## **KING HENRY VIII**

Call her again.

## **Crier**

Katharine Queen of England, come into the court.

## **GRIFFITH**

Madam, you are call'd back.

## **QUEEN KATHARINE**

What need you note it? pray you, keep your way:  
When you are call'd, return. Now, the Lord help,  
They vex me past my patience! Pray you, pass on:  
I will not tarry; no, nor ever more  
Upon this business my appearance make  
In any of their courts.

*Exeunt QUEEN KATHARINE and her Attendants*

## **KING HENRY VIII**

Go thy ways, Kate:  
That man i' the world who shall report he has  
A better wife, let him in nought be trusted,  
For speaking false in that: thou art, alone,  
If thy rare qualities, sweet gentleness,  
Thy meekness saint-like, wife-like government,  
Obeying in commanding, and thy parts  
Sovereign and pious else, could speak thee out,  
The queen of earthly queens: she's noble born;

And, like her true nobility, she has  
Carried herself towards me.

## **CARDINAL WOLSEY**

Most gracious sir,  
In humblest manner I require your highness,  
That it shall please you to declare, in hearing  
Of all these ears,--for where I am robb'd and bound,  
There must I be unloosed, although not there  
At once and fully satisfied,--whether ever I  
Did broach this business to your highness; or  
Laid any scruple in your way, which might  
Induce you to the question on't? or ever  
Have to you, but with thanks to God for such  
A royal lady, spake one the least word that might  
Be to the prejudice of her present state,  
Or touch of her good person?

## **KING HENRY VIII**

My lord cardinal,  
I do excuse you; yea, upon mine honour,  
I free you from't. You are not to be taught  
That you have many enemies, that know not  
Why they are so, but, like to village-curs,  
Bark when their fellows do: by some of these  
The queen is put in anger. You're excused:  
But will you be more justified? You ever  
Have wish'd the sleeping of this business; never desired  
It to be stirr'd; but oft have hinder'd, oft,  
The passages made toward it: on my honour,  
I speak my good lord cardinal to this point,  
And thus far clear him. Now, what moved me to't,  
I will be bold with time and your attention:  
Then mark the inducement. Thus it came; give heed to't:  
My conscience first received a tenderness,  
Scruple, and prick, on certain speeches utter'd  
By the Bishop of Bayonne, then French ambassador;  
Who had been hither sent on the debating  
A marriage 'twixt the Duke of Orleans and  
Our daughter Mary: i' the progress of this business,  
Ere a determinate resolution, he,

I mean the bishop, did require a respite;  
Wherein he might the king his lord advertise  
Whether our daughter were legitimate,  
Respecting this our marriage with the dowager,  
Sometimes our brother's wife. This respite shook  
The bosom of my conscience, enter'd me,  
Yea, with a splitting power, and made to tremble  
The region of my breast; which forced such way,  
That many mazed considerings did throng  
And press'd in with this caution. First, methought  
I stood not in the smile of heaven; who had  
Commanded nature, that my lady's womb,  
If it conceived a male child by me, should  
Do no more offices of life to't than  
The grave does to the dead; for her male issue  
Or died where they were made, or shortly after  
This world had air'd them: hence I took a thought,  
This was a judgment on me; that my kingdom,  
Well worthy the best heir o' the world, should not  
Be gladdened in't by me: then follows, that  
I weigh'd the danger which my realms stood in  
By this my issue's fail; and that gave to me  
Many a groaning throe. Thus hulling in  
The wild sea of my conscience, I did steer  
Toward this remedy, whereupon we are  
Now present here together: that's to say,  
I meant to rectify my conscience,--which  
I then did feel full sick, and yet not well,--  
By all the reverend fathers of the land  
And doctors learn'd: first I began in private  
With you, my Lord of Lincoln; you remember  
How under my oppression I did reek,  
When I first moved you.

## **LINCOLN**

Very well, my liege.

## **KING HENRY VIII**

I have spoke long: be pleased yourself to say  
How far you satisfied me.

## LINCOLN

So please your highness,  
The question did at first so stagger me,  
Bearing a state of mighty moment in't  
And consequence of dread, that I committed  
The daring'st counsel which I had to doubt;  
And did entreat your highness to this course  
Which you are running here.

## KING HENRY VIII

I then moved you,  
My Lord of Canterbury; and got your leave  
To make this present summons: unsolicited  
I left no reverend person in this court;  
But by particular consent proceeded  
Under your hands and seals: therefore, go on:  
For no dislike i' the world against the person  
Of the good queen, but the sharp thorny points  
Of my alleged reasons, drive this forward:  
Prove but our marriage lawful, by my life  
And kingly dignity, we are contented  
To wear our mortal state to come with her,  
Katharine our queen, before the primest creature  
That's paragon'd o' the world.

## CARDINAL CAMPEIUS

So please your highness,  
The queen being absent, 'tis a needful fitness  
That we adjourn this court till further day:  
Meanwhile must be an earnest motion  
Made to the queen, to call back her appeal  
She intends unto his holiness.

## KING HENRY VIII

[Aside] I may perceive  
These cardinals trifle with me: I abhor  
This dilatory sloth and tricks of Rome.  
My learn'd and well-beloved servant, Cranmer,

Prithee, return: with thy approach, I know,  
My comfort comes along. Break up the court:  
I say, set on.

*Exeunt in manner as they entered*

## SCENE I. London. QUEEN KATHARINE's apartments.

*Enter QUEEN KATHARINE and her Women, as at work*

### QUEEN KATHARINE

Take thy lute, wench: my soul grows sad with troubles;  
Sing, and disperse 'em, if thou canst: leave working.

### SONG

Orpheus with his lute made trees,  
And the mountain tops that freeze,  
Bow themselves when he did sing:  
To his music plants and flowers  
Ever sprung; as sun and showers  
There had made a lasting spring.  
Every thing that heard him play,  
Even the billows of the sea,  
Hung their heads, and then lay by.  
In sweet music is such art,  
Killing care and grief of heart  
Fall asleep, or hearing, die.

*Enter a Gentleman*

### QUEEN KATHARINE

How now!

### Gentleman

An't please your grace, the two great cardinals  
Wait in the presence.

### QUEEN KATHARINE

Would they speak with me?

**Gentleman**

They will'd me say so, madam.

**QUEEN KATHARINE**

Pray their graces  
To come near.

*Exit Gentleman*

What can be their business  
With me, a poor weak woman, fall'n from favour?  
I do not like their coming. Now I think on't,  
They should be good men; their affairs as righteous:  
But all hoods make not monks.

*Enter CARDINAL WOLSEY and CARDINAL CAMPEIUS*

**CARDINAL WOLSEY**

Peace to your highness!

**QUEEN KATHARINE**

Your graces find me here part of a housewife,  
I would be all, against the worst may happen.  
What are your pleasures with me, reverend lords?

**CARDINAL WOLSEY**

May it please you noble madam, to withdraw  
Into your private chamber, we shall give you  
The full cause of our coming.

**QUEEN KATHARINE**

Speak it here:

There's nothing I have done yet, o' my conscience,  
Deserves a corner: would all other women  
Could speak this with as free a soul as I do!  
My lords, I care not, so much I am happy  
Above a number, if my actions  
Were tried by every tongue, every eye saw 'em,  
Envy and base opinion set against 'em,  
I know my life so even. If your business  
Seek me out, and that way I am wife in,  
Out with it boldly: truth loves open dealing.

## **CARDINAL WOLSEY**

Tanta est erga te mentis integritas, regina  
serenissima,--

## **QUEEN KATHARINE**

O, good my lord, no Latin;  
I am not such a truant since my coming,  
As not to know the language I have lived in:  
A strange tongue makes my cause more strange,  
suspicious;  
Pray, speak in English: here are some will thank you,  
If you speak truth, for their poor mistress' sake;  
Believe me, she has had much wrong: lord cardinal,  
The willing'st sin I ever yet committed  
May be absolved in English.

## **CARDINAL WOLSEY**

Noble lady,  
I am sorry my integrity should breed,  
And service to his majesty and you,  
So deep suspicion, where all faith was meant.  
We come not by the way of accusation,  
To taint that honour every good tongue blesses,  
Nor to betray you any way to sorrow,  
You have too much, good lady; but to know  
How you stand minded in the weighty difference  
Between the king and you; and to deliver,  
Like free and honest men, our just opinions

And comforts to your cause.

## **CARDINAL CAMPEIUS**

Most honour'd madam,  
My Lord of York, out of his noble nature,  
Zeal and obedience he still bore your grace,  
Forgetting, like a good man your late censure  
Both of his truth and him, which was too far,  
Offers, as I do, in a sign of peace,  
His service and his counsel.

## **QUEEN KATHARINE**

[Aside] To betray me.--  
My lords, I thank you both for your good wills;  
Ye speak like honest men; pray God, ye prove so!  
But how to make ye suddenly an answer,  
In such a point of weight, so near mine honour,--  
More near my life, I fear,--with my weak wit,  
And to such men of gravity and learning,  
In truth, I know not. I was set at work  
Among my maids: full little, God knows, looking  
Either for such men or such business.  
For her sake that I have been,--for I feel  
The last fit of my greatness,--good your graces,  
Let me have time and counsel for my cause:  
Alas, I am a woman, friendless, hopeless!

## **CARDINAL WOLSEY**

Madam, you wrong the king's love with these fears:  
Your hopes and friends are infinite.

## **QUEEN KATHARINE**

In England  
But little for my profit: can you think, lords,  
That any Englishman dare give me counsel?  
Or be a known friend, 'gainst his highness' pleasure,  
Though he be grown so desperate to be honest,  
And live a subject? Nay, forsooth, my friends,

They that must weigh out my afflictions,  
They that my trust must grow to, live not here:  
They are, as all my other comforts, far hence  
In mine own country, lords.

**CARDINAL CAMPEIUS**

I would your grace  
Would leave your griefs, and take my counsel.

**QUEEN KATHARINE**

How, sir?

**CARDINAL CAMPEIUS**

Put your main cause into the king's protection;  
He's loving and most gracious: 'twill be much  
Both for your honour better and your cause;  
For if the trial of the law o'ertake ye,  
You'll part away disgraced.

**CARDINAL WOLSEY**

He tells you rightly.

**QUEEN KATHARINE**

Ye tell me what ye wish for both,--my ruin:  
Is this your Christian counsel? out upon ye!  
Heaven is above all yet; there sits a judge  
That no king can corrupt.

**CARDINAL CAMPEIUS**

Your rage mistakes us.

**QUEEN KATHARINE**

The more shame for ye: holy men I thought ye,  
Upon my soul, two reverend cardinal virtues;

But cardinal sins and hollow hearts I fear ye:  
Mend 'em, for shame, my lords. Is this your comfort?  
The cordial that ye bring a wretched lady,  
A woman lost among ye, laugh'd at, scorn'd?  
I will not wish ye half my miseries;  
I have more charity: but say, I warn'd ye;  
Take heed, for heaven's sake, take heed, lest at once  
The burthen of my sorrows fall upon ye.

### **CARDINAL WOLSEY**

Madam, this is a mere distraction;  
You turn the good we offer into envy.

### **QUEEN KATHARINE**

Ye turn me into nothing: woe upon ye  
And all such false professors! would you have me--  
If you have any justice, any pity;  
If ye be any thing but churchmen's habits--  
Put my sick cause into his hands that hates me?  
Alas, has banish'd me his bed already,  
His love, too long ago! I am old, my lords,  
And all the fellowship I hold now with him  
Is only my obedience. What can happen  
To me above this wretchedness? all your studies  
Make me a curse like this.

### **CARDINAL CAMPEIUS**

Your fears are worse.

### **QUEEN KATHARINE**

Have I lived thus long--let me speak myself,  
Since virtue finds no friends--a wife, a true one?  
A woman, I dare say without vain-glory,  
Never yet branded with suspicion?  
Have I with all my full affections  
Still met the king? loved him next heaven?  
obey'd him?  
Been, out of fondness, superstitious to him?

Almost forgot my prayers to content him?  
And am I thus rewarded? 'tis not well, lords.  
Bring me a constant woman to her husband,  
One that ne'er dream'd a joy beyond his pleasure;  
And to that woman, when she has done most,  
Yet will I add an honour, a great patience.

### **CARDINAL WOLSEY**

Madam, you wander from the good we aim at.

### **QUEEN KATHARINE**

My lord, I dare not make myself so guilty,  
To give up willingly that noble title  
Your master wed me to: nothing but death  
Shall e'er divorce my dignities.

### **CARDINAL WOLSEY**

Pray, hear me.

### **QUEEN KATHARINE**

Would I had never trod this English earth,  
Or felt the flatteries that grow upon it!  
Ye have angels' faces, but heaven knows your hearts.  
What will become of me now, wretched lady!  
I am the most unhappy woman living.  
Alas, poor wenches, where are now your fortunes!  
Shipwreck'd upon a kingdom, where no pity,  
No friend, no hope; no kindred weep for me;  
Almost no grave allow'd me: like the lily,  
That once was mistress of the field and flourish'd,  
I'll hang my head and perish.

### **CARDINAL WOLSEY**

If your grace  
Could but be brought to know our ends are honest,  
You'd feel more comfort: why should we, good lady,  
Upon what cause, wrong you? alas, our places,

The way of our profession is against it:  
We are to cure such sorrows, not to sow 'em.  
For goodness' sake, consider what you do;  
How you may hurt yourself, ay, utterly  
Grow from the king's acquaintance, by this carriage.  
The hearts of princes kiss obedience,  
So much they love it; but to stubborn spirits  
They swell, and grow as terrible as storms.  
I know you have a gentle, noble temper,  
A soul as even as a calm: pray, think us  
Those we profess, peace-makers, friends, and servants.

## CARDINAL CAMPEIUS

Madam, you'll find it so. You wrong your virtues  
With these weak women's fears: a noble spirit,  
As yours was put into you, ever casts  
Such doubts, as false coin, from it. The king loves you;  
Beware you lose it not: for us, if you please  
To trust us in your business, we are ready  
To use our utmost studies in your service.

## QUEEN KATHARINE

Do what ye will, my lords: and, pray, forgive me,  
If I have used myself unmannerly;  
You know I am a woman, lacking wit  
To make a seemly answer to such persons.  
Pray, do my service to his majesty:  
He has my heart yet; and shall have my prayers  
While I shall have my life. Come, reverend fathers,  
Bestow your counsels on me: she now begs,  
That little thought, when she set footing here,  
She should have bought her dignities so dear.

*Exeunt*

## SCENE II. Ante-chamber to KING HENRY VIII's apartment.

*Enter NORFOLK, SUFFOLK, SURREY, and Chamberlain*

### NORFOLK

If you will now unite in your complaints,  
And force them with a constancy, the cardinal  
Cannot stand under them: if you omit  
The offer of this time, I cannot promise  
But that you shall sustain moe new disgraces,  
With these you bear already.

### SURREY

I am joyful  
To meet the least occasion that may give me  
Remembrance of my father-in-law, the duke,  
To be revenged on him.

### SUFFOLK

Which of the peers  
Have uncontentn'd gone by him, or at least  
Strangely neglected? when did he regard  
The stamp of nobleness in any person  
Out of himself?

### Chamberlain

My lords, you speak your pleasures:  
What he deserves of you and me I know;  
What we can do to him, though now the time  
Gives way to us, I much fear. If you cannot  
Bar his access to the king, never attempt  
Any thing on him; for he hath a witchcraft

Over the king in's tongue.

## **NORFOLK**

O, fear him not;  
His spell in that is out: the king hath found  
Matter against him that for ever mars  
The honey of his language. No, he's settled,  
Not to come off, in his displeasure.

## **SURREY**

Sir,  
I should be glad to hear such news as this  
Once every hour.

## **NORFOLK**

Believe it, this is true:  
In the divorce his contrary proceedings  
Are all unfolded wherein he appears  
As I would wish mine enemy.

## **SURREY**

How came  
His practises to light?

## **SUFFOLK**

Most strangely.

## **SURREY**

O, how, how?

## **SUFFOLK**

The cardinal's letters to the pope miscarried,  
And came to the eye o' the king: wherein was read,  
How that the cardinal did entreat his holiness

To stay the judgment o' the divorce; for if  
It did take place, 'I do,' quoth he, 'perceive  
My king is tangled in affection to  
A creature of the queen's, Lady Anne Bullen.'

**SURREY**

Has the king this?

**SUFFOLK**

Believe it.

**SURREY**

Will this work?

**Chamberlain**

The king in this perceives him, how he coasts  
And hedges his own way. But in this point  
All his tricks founder, and he brings his physic  
After his patient's death: the king already  
Hath married the fair lady.

**SURREY**

Would he had!

**SUFFOLK**

May you be happy in your wish, my lord  
For, I profess, you have it.

**SURREY**

Now, all my joy  
Trace the conjunction!

**SUFFOLK**

My amen to't!

## **NORFOLK**

All men's!

## **SUFFOLK**

There's order given for her coronation:  
Marry, this is yet but young, and may be left  
To some ears unrecounted. But, my lords,  
She is a gallant creature, and complete  
In mind and feature: I persuade me, from her  
Will fall some blessing to this land, which shall  
In it be memorised.

## **SURREY**

But, will the king  
Digest this letter of the cardinal's?  
The Lord forbid!

## **NORFOLK**

Marry, amen!

## **SUFFOLK**

No, no;  
There be moe wasps that buzz about his nose  
Will make this sting the sooner. Cardinal Campeius  
Is stol'n away to Rome; hath ta'en no leave;  
Has left the cause o' the king unhandled; and  
Is posted, as the agent of our cardinal,  
To second all his plot. I do assure you  
The king cried Ha! at this.

## **Chamberlain**

Now, God incense him,  
And let him cry Ha! louder!

## NORFOLK

But, my lord,  
When returns Cranmer?

## SUFFOLK

He is return'd in his opinions; which  
Have satisfied the king for his divorce,  
Together with all famous colleges  
Almost in Christendom: shortly, I believe,  
His second marriage shall be publish'd, and  
Her coronation. Katharine no more  
Shall be call'd queen, but princess dowager  
And widow to Prince Arthur.

## NORFOLK

This same Cranmer's  
A worthy fellow, and hath ta'en much pain  
In the king's business.

## SUFFOLK

He has; and we shall see him  
For it an archbishop.

## NORFOLK

So I hear.

## SUFFOLK

'Tis so.  
The cardinal!

*Enter CARDINAL WOLSEY and CROMWELL*

## NORFOLK

Observe, observe, he's moody.

**CARDINAL WOLSEY**

The packet, Cromwell.  
Gave't you the king?

**CROMWELL**

To his own hand, in's bedchamber.

**CARDINAL WOLSEY**

Look'd he o' the inside of the paper?

**CROMWELL**

Presently  
He did unseal them: and the first he view'd,  
He did it with a serious mind; a heed  
Was in his countenance. You he bade  
Attend him here this morning.

**CARDINAL WOLSEY**

Is he ready  
To come abroad?

**CROMWELL**

I think, by this he is.

**CARDINAL WOLSEY**

Leave me awhile.

*Exit CROMWELL*

*Aside*

It shall be to the Duchess of Alencon,  
The French king's sister: he shall marry her.

Anne Bullen! No; I'll no Anne Bullens for him:  
There's more in't than fair visage. Bullen!  
No, we'll no Bullens. Speedily I wish  
To hear from Rome. The Marchioness of Pembroke!

## **NORFOLK**

He's discontented.

## **SUFFOLK**

May be, he hears the king  
Does whet his anger to him.

## **SURREY**

Sharp enough,  
Lord, for thy justice!

## **CARDINAL WOLSEY**

[Aside] The late queen's gentlewoman,  
a knight's daughter,  
To be her mistress' mistress! the queen's queen!  
This candle burns not clear: 'tis I must snuff it;  
Then out it goes. What though I know her virtuous  
And well deserving? yet I know her for  
A spleeny Lutheran; and not wholesome to  
Our cause, that she should lie i' the bosom of  
Our hard-ruled king. Again, there is sprung up  
An heretic, an arch one, Cranmer; one  
Hath crawl'd into the favour of the king,  
And is his oracle.

## **NORFOLK**

He is vex'd at something.

## **SURREY**

I would 'twere something that would fret the string,  
The master-cord on's heart!

*Enter KING HENRY VIII, reading of a schedule, and LOVELL*

**SUFFOLK**

The king, the king!

**KING HENRY VIII**

What piles of wealth hath he accumulated  
To his own portion! and what expense by the hour  
Seems to flow from him! How, i' the name of thrift,  
Does he rake this together! Now, my lords,  
Saw you the cardinal?

**NORFOLK**

My lord, we have  
Stood here observing him: some strange commotion  
Is in his brain: he bites his lip, and starts;  
Stops on a sudden, looks upon the ground,  
Then lays his finger on his temple, straight  
Springs out into fast gait; then stops again,  
Strikes his breast hard, and anon he casts  
His eye against the moon: in most strange postures  
We have seen him set himself.

**KING HENRY VIII**

It may well be;  
There is a mutiny in's mind. This morning  
Papers of state he sent me to peruse,  
As I required: and wot you what I found  
There,--on my conscience, put unwittingly?  
Forsooth, an inventory, thus importing;  
The several parcels of his plate, his treasure,  
Rich stuffs, and ornaments of household; which  
I find at such proud rate, that it out-speaks  
Possession of a subject.

**NORFOLK**

It's heaven's will:  
Some spirit put this paper in the packet,  
To bless your eye withal.

## **KING HENRY VIII**

If we did think  
His contemplation were above the earth,  
And fix'd on spiritual object, he should still  
Dwell in his musings: but I am afraid  
His thinkings are below the moon, not worth  
His serious considering.

*King HENRY VIII takes his seat; whispers LOVELL, who goes to CARDINAL WOLSEY*

## **CARDINAL WOLSEY**

Heaven forgive me!  
Ever God bless your highness!

## **KING HENRY VIII**

Good my lord,  
You are full of heavenly stuff, and bear the inventory  
Of your best graces in your mind; the which  
You were now running o'er: you have scarce time  
To steal from spiritual leisure a brief span  
To keep your earthly audit: sure, in that  
I deem you an ill husband, and am glad  
To have you therein my companion.

## **CARDINAL WOLSEY**

Sir,  
For holy offices I have a time; a time  
To think upon the part of business which  
I bear i' the state; and nature does require  
Her times of preservation, which perforce  
I, her frail son, amongst my brethren mortal,  
Must give my tendence to.

## **KING HENRY VIII**

You have said well.

**CARDINAL WOLSEY**

And ever may your highness yoke together,  
As I will lend you cause, my doing well  
With my well saying!

**KING HENRY VIII**

'Tis well said again;  
And 'tis a kind of good deed to say well:  
And yet words are no deeds. My father loved you:  
His said he did; and with his deed did crown  
His word upon you. Since I had my office,  
I have kept you next my heart; have not alone  
Employ'd you where high profits might come home,  
But pared my present havings, to bestow  
My bounties upon you.

**CARDINAL WOLSEY**

[Aside] What should this mean?

**SURREY**

[Aside] The Lord increase this business!

**KING HENRY VIII**

Have I not made you,  
The prime man of the state? I pray you, tell me,  
If what I now pronounce you have found true:  
And, if you may confess it, say withal,  
If you are bound to us or no. What say you?

**CARDINAL WOLSEY**

My sovereign, I confess your royal graces,  
Shower'd on me daily, have been more than could

My studied purposes requite; which went  
Beyond all man's endeavours: my endeavours  
Have ever come too short of my desires,  
Yet filed with my abilities: mine own ends  
Have been mine so that evermore they pointed  
To the good of your most sacred person and  
The profit of the state. For your great graces  
Heap'd upon me, poor undeserver, I  
Can nothing render but allegiant thanks,  
My prayers to heaven for you, my loyalty,  
Which ever has and ever shall be growing,  
Till death, that winter, kill it.

## **KING HENRY VIII**

Fairly answer'd;  
A loyal and obedient subject is  
Therein illustrated: the honour of it  
Does pay the act of it; as, i' the contrary,  
The foulness is the punishment. I presume  
That, as my hand has open'd bounty to you,  
My heart dropp'd love, my power rain'd honour, more  
On you than any; so your hand and heart,  
Your brain, and every function of your power,  
Should, notwithstanding that your bond of duty,  
As 'twere in love's particular, be more  
To me, your friend, than any.

## **CARDINAL WOLSEY**

I do profess  
That for your highness' good I ever labour'd  
More than mine own; that am, have, and will be--  
Though all the world should crack their duty to you,  
And throw it from their soul; though perils did  
Abound, as thick as thought could make 'em, and  
Appear in forms more horrid,--yet my duty,  
As doth a rock against the chiding flood,  
Should the approach of this wild river break,  
And stand unshaken yours.

## **KING HENRY VIII**

'Tis nobly spoken:  
Take notice, lords, he has a loyal breast,  
For you have seen him open't. Read o'er this;

*Giving him papers*

And after, this: and then to breakfast with  
What appetite you have.

*Exit KING HENRY VIII, frowning upon CARDINAL WOLSEY: the Nobles throng after him, smiling and whispering*

## **CARDINAL WOLSEY**

What should this mean?  
What sudden anger's this? how have I reap'd it?  
He parted frowning from me, as if ruin  
Leap'd from his eyes: so looks the chafed lion  
Upon the daring huntsman that has gall'd him;  
Then makes him nothing. I must read this paper;  
I fear, the story of his anger. 'Tis so;  
This paper has undone me: 'tis the account  
Of all that world of wealth I have drawn together  
For mine own ends; indeed, to gain the popedom,  
And fee my friends in Rome. O negligence!  
Fit for a fool to fall by: what cross devil  
Made me put this main secret in the packet  
I sent the king? Is there no way to cure this?  
No new device to beat this from his brains?  
I know 'twill stir him strongly; yet I know  
A way, if it take right, in spite of fortune  
Will bring me off again. What's this? 'To the Pope!'  
The letter, as I live, with all the business  
I writ to's holiness. Nay then, farewell!  
I have touch'd the highest point of all my greatness;  
And, from that full meridian of my glory,  
I haste now to my setting: I shall fall  
Like a bright exhalation in the evening,  
And no man see me more.

*Re-enter to CARDINAL WOLSEY, NORFOLK and SUFFOLK, SURREY, and the Chamberlain*

## **NORFOLK**

Hear the king's pleasure, cardinal: who commands you  
To render up the great seal presently  
Into our hands; and to confine yourself  
To Asher House, my Lord of Winchester's,  
Till you hear further from his highness.

## **CARDINAL WOLSEY**

Stay:  
Where's your commission, lords? words cannot carry  
Authority so weighty.

## **SUFFOLK**

Who dare cross 'em,  
Bearing the king's will from his mouth expressly?

## **CARDINAL WOLSEY**

Till I find more than will or words to do it,  
I mean your malice, know, officious lords,  
I dare and must deny it. Now I feel  
Of what coarse metal ye are moulded, envy:  
How eagerly ye follow my disgraces,  
As if it fed ye! and how sleek and wanton  
Ye appear in every thing may bring my ruin!  
Follow your envious courses, men of malice;  
You have Christian warrant for 'em, and, no doubt,  
In time will find their fit rewards. That seal,  
You ask with such a violence, the king,  
Mine and your master, with his own hand gave me;  
Bade me enjoy it, with the place and honours,  
During my life; and, to confirm his goodness,  
Tied it by letters-patents: now, who'll take it?

## **SURREY**

The king, that gave it.

## **CARDINAL WOLSEY**

It must be himself, then.

## **SURREY**

Thou art a proud traitor, priest.

## **CARDINAL WOLSEY**

Proud lord, thou liest:  
Within these forty hours Surrey durst better  
Have burnt that tongue than said so.

## **SURREY**

Thy ambition,  
Thou scarlet sin, robb'd this bewailing land  
Of noble Buckingham, my father-in-law:  
The heads of all thy brother cardinals,  
With thee and all thy best parts bound together,  
Weigh'd not a hair of his. Plague of your policy!  
You sent me deputy for Ireland;  
Far from his succor, from the king, from all  
That might have mercy on the fault thou gavest him;  
Whilst your great goodness, out of holy pity,  
Absolved him with an axe.

## **CARDINAL WOLSEY**

This, and all else  
This talking lord can lay upon my credit,  
I answer is most false. The duke by law  
Found his deserts: how innocent I was  
From any private malice in his end,  
His noble jury and foul cause can witness.  
If I loved many words, lord, I should tell you  
You have as little honesty as honour,  
That in the way of loyalty and truth  
Toward the king, my ever royal master,  
Dare mate a sounder man than Surrey can be,  
And all that love his follies.

## **SURREY**

By my soul,  
Your long coat, priest, protects you; thou  
shouldst feel  
My sword i' the life-blood of thee else. My lords,  
Can ye endure to hear this arrogance?  
And from this fellow? if we live thus tamely,  
To be thus jaded by a piece of scarlet,  
Farewell nobility; let his grace go forward,  
And dare us with his cap like larks.

## **CARDINAL WOLSEY**

All goodness  
Is poison to thy stomach.

## **SURREY**

Yes, that goodness  
Of gleaning all the land's wealth into one,  
Into your own hands, cardinal, by extortion;  
The goodness of your intercepted packets  
You writ to the pope against the king: your goodness,  
Since you provoke me, shall be most notorious.  
My Lord of Norfolk, as you are truly noble,  
As you respect the common good, the state  
Of our despised nobility, our issues,  
Who, if he live, will scarce be gentlemen,  
Produce the grand sum of his sins, the articles  
Collected from his life. I'll startle you  
Worse than the scaring bell, when the brown wench  
Lay kissing in your arms, lord cardinal.

## **CARDINAL WOLSEY**

How much, methinks, I could despise this man,  
But that I am bound in charity against it!

## **NORFOLK**

Those articles, my lord, are in the king's hand:  
But, thus much, they are foul ones.

## **CARDINAL WOLSEY**

So much fairer  
And spotless shall mine innocence arise,  
When the king knows my truth.

## **SURREY**

This cannot save you:  
I thank my memory, I yet remember  
Some of these articles; and out they shall.  
Now, if you can blush and cry 'guilty,' cardinal,  
You'll show a little honesty.

## **CARDINAL WOLSEY**

Speak on, sir;  
I dare your worst objections: if I blush,  
It is to see a nobleman want manners.

## **SURREY**

I had rather want those than my head. Have at you!  
First, that, without the king's assent or knowledge,  
You wrought to be a legate; by which power  
You maim'd the jurisdiction of all bishops.

## **NORFOLK**

Then, that in all you writ to Rome, or else  
To foreign princes, 'Ego et Rex meus'  
Was still inscribed; in which you brought the king  
To be your servant.

## **SUFFOLK**

Then that, without the knowledge  
Either of king or council, when you went  
Ambassador to the emperor, you made bold

To carry into Flanders the great seal.

## **SURREY**

Item, you sent a large commission  
To Gregory de Cassado, to conclude,  
Without the king's will or the state's allowance,  
A league between his highness and Ferrara.

## **SUFFOLK**

That, out of mere ambition, you have caused  
Your holy hat to be stamp'd on the king's coin.

## **SURREY**

Then that you have sent innumerable substance--  
By what means got, I leave to your own conscience--  
To furnish Rome, and to prepare the ways  
You have for dignities; to the mere undoing  
Of all the kingdom. Many more there are;  
Which, since they are of you, and odious,  
I will not taint my mouth with.

## **Chamberlain**

O my lord,  
Press not a falling man too far! 'tis virtue:  
His faults lie open to the laws; let them,  
Not you, correct him. My heart weeps to see him  
So little of his great self.

## **SURREY**

I forgive him.

## **SUFFOLK**

Lord cardinal, the king's further pleasure is,  
Because all those things you have done of late,  
By your power legatine, within this kingdom,

Fall into the compass of a praemunire,  
That therefore such a writ be sued against you;  
To forfeit all your goods, lands, tenements,  
Chattels, and whatsoever, and to be  
Out of the king's protection. This is my charge.

## **NORFOLK**

And so we'll leave you to your meditations  
How to live better. For your stubborn answer  
About the giving back the great seal to us,  
The king shall know it, and, no doubt, shall thank you.  
So fare you well, my little good lord cardinal.

*Exeunt all but CARDINAL WOLSEY*

## **CARDINAL WOLSEY**

So farewell to the little good you bear me.  
Farewell! a long farewell, to all my greatness!  
This is the state of man: to-day he puts forth  
The tender leaves of hopes; to-morrow blossoms,  
And bears his blushing honours thick upon him;  
The third day comes a frost, a killing frost,  
And, when he thinks, good easy man, full surely  
His greatness is a-ripening, nips his root,  
And then he falls, as I do. I have ventured,  
Like little wanton boys that swim on bladders,  
This many summers in a sea of glory,  
But far beyond my depth: my high-blown pride  
At length broke under me and now has left me,  
Weary and old with service, to the mercy  
Of a rude stream, that must for ever hide me.  
Vain pomp and glory of this world, I hate ye:  
I feel my heart new open'd. O, how wretched  
Is that poor man that hangs on princes' favours!  
There is, betwixt that smile we would aspire to,  
That sweet aspect of princes, and their ruin,  
More pangs and fears than wars or women have:  
And when he falls, he falls like Lucifer,  
Never to hope again.

*Enter CROMWELL, and stands amazed*

Why, how now, Cromwell!

**CROMWELL**

I have no power to speak, sir.

**CARDINAL WOLSEY**

What, amazed  
At my misfortunes? can thy spirit wonder  
A great man should decline? Nay, an you weep,  
I am fall'n indeed.

**CROMWELL**

How does your grace?

**CARDINAL WOLSEY**

Why, well;  
Never so truly happy, my good Cromwell.  
I know myself now; and I feel within me  
A peace above all earthly dignities,  
A still and quiet conscience. The king has cured me,  
I humbly thank his grace; and from these shoulders,  
These ruin'd pillars, out of pity, taken  
A load would sink a navy, too much honour:  
O, 'tis a burthen, Cromwell, 'tis a burthen  
Too heavy for a man that hopes for heaven!

**CROMWELL**

I am glad your grace has made that right use of it.

**CARDINAL WOLSEY**

I hope I have: I am able now, methinks,  
Out of a fortitude of soul I feel,  
To endure more miseries and greater far

Than my weak-hearted enemies dare offer.  
What news abroad?

**CROMWELL**

The heaviest and the worst  
Is your displeasure with the king.

**CARDINAL WOLSEY**

God bless him!

**CROMWELL**

The next is, that Sir Thomas More is chosen  
Lord chancellor in your place.

**CARDINAL WOLSEY**

That's somewhat sudden:  
But he's a learned man. May he continue  
Long in his highness' favour, and do justice  
For truth's sake and his conscience; that his bones,  
When he has run his course and sleeps in blessings,  
May have a tomb of orphans' tears wept on em! What more?

**CROMWELL**

That Cranmer is return'd with welcome,  
Install'd lord archbishop of Canterbury.

**CARDINAL WOLSEY**

That's news indeed.

**CROMWELL**

Last, that the Lady Anne,  
Whom the king hath in secrecy long married,  
This day was view'd in open as his queen,  
Going to chapel; and the voice is now

Only about her coronation.

## **CARDINAL WOLSEY**

There was the weight that pull'd me down. O Cromwell,  
The king has gone beyond me: all my glories  
In that one woman I have lost for ever:  
No sun shall ever usher forth mine honours,  
Or gild again the noble troops that waited  
Upon my smiles. Go, get thee from me, Cromwell;  
I am a poor fall'n man, unworthy now  
To be thy lord and master: seek the king;  
That sun, I pray, may never set! I have told him  
What and how true thou art: he will advance thee;  
Some little memory of me will stir him--  
I know his noble nature--not to let  
Thy hopeful service perish too: good Cromwell,  
Neglect him not; make use now, and provide  
For thine own future safety.

## **CROMWELL**

O my lord,  
Must I, then, leave you? must I needs forego  
So good, so noble and so true a master?  
Bear witness, all that have not hearts of iron,  
With what a sorrow Cromwell leaves his lord.  
The king shall have my service: but my prayers  
For ever and for ever shall be yours.

## **CARDINAL WOLSEY**

Cromwell, I did not think to shed a tear  
In all my miseries; but thou hast forced me,  
Out of thy honest truth, to play the woman.  
Let's dry our eyes: and thus far hear me, Cromwell;  
And, when I am forgotten, as I shall be,  
And sleep in dull cold marble, where no mention  
Of me more must be heard of, say, I taught thee,  
Say, Wolsey, that once trod the ways of glory,  
And sounded all the depths and shoals of honour,  
Found thee a way, out of his wreck, to rise in;

A sure and safe one, though thy master miss'd it.  
Mark but my fall, and that that ruin'd me.  
Cromwell, I charge thee, fling away ambition:  
By that sin fell the angels; how can man, then,  
The image of his Maker, hope to win by it?  
Love thyself last: cherish those hearts that hate thee;  
Corruption wins not more than honesty.  
Still in thy right hand carry gentle peace,  
To silence envious tongues. Be just, and fear not:  
Let all the ends thou aim'st at be thy country's,  
Thy God's, and truth's; then if thou fall'st,  
O Cromwell,  
Thou fall'st a blessed martyr! Serve the king;  
And,--prithee, lead me in:  
There take an inventory of all I have,  
To the last penny; 'tis the king's: my robe,  
And my integrity to heaven, is all  
I dare now call mine own. O Cromwell, Cromwell!  
Had I but served my God with half the zeal  
I served my king, he would not in mine age  
Have left me naked to mine enemies.

## **CROMWELL**

Good sir, have patience.

## **CARDINAL WOLSEY**

So I have. Farewell  
The hopes of court! my hopes in heaven do dwell.

*Exeunt*

## SCENE I. A street in Westminster.

*Enter two Gentlemen, meeting one another*

### First Gentleman

You're well met once again.

### Second Gentleman

So are you.

### First Gentleman

You come to take your stand here, and behold  
The Lady Anne pass from her coronation?

### Second Gentleman

'Tis all my business. At our last encounter,  
The Duke of Buckingham came from his trial.

### First Gentleman

'Tis very true: but that time offer'd sorrow;  
This, general joy.

### Second Gentleman

'Tis well: the citizens,  
I am sure, have shown at full their royal minds--  
As, let 'em have their rights, they are ever forward--  
In celebration of this day with shows,  
Pageants and sights of honour.

### First Gentleman

Never greater,  
Nor, I'll assure you, better taken, sir.

**Second Gentleman**

May I be bold to ask at what that contains,  
That paper in your hand?

**First Gentleman**

Yes; 'tis the list  
Of those that claim their offices this day  
By custom of the coronation.  
The Duke of Suffolk is the first, and claims  
To be high-steward; next, the Duke of Norfolk,  
He to be earl marshal: you may read the rest.

**Second Gentleman**

I thank you, sir: had I not known those customs,  
I should have been beholding to your paper.  
But, I beseech you, what's become of Katharine,  
The princess dowager? how goes her business?

**First Gentleman**

That I can tell you too. The Archbishop  
Of Canterbury, accompanied with other  
Learned and reverend fathers of his order,  
Held a late court at Dunstable, six miles off  
From Amptill where the princess lay; to which  
She was often cited by them, but appear'd not:  
And, to be short, for not appearance and  
The king's late scruple, by the main assent  
Of all these learned men she was divorced,  
And the late marriage made of none effect  
Since which she was removed to Kimbolton,  
Where she remains now sick.

**Second Gentleman**

Alas, good lady!

*Trumpets*

The trumpets sound: stand close, the queen is coming.

*Hautboys*

*THE ORDER OF THE CORONATION*

1. A lively flourish of Trumpets.
2. Then, two Judges.
3. Lord Chancellor, with the purse and mace before him.
4. Choristers, singing.

*Music*

5. Mayor of London, bearing the mace. Then Garter, in his coat of arms, and on his head a gilt copper crown.
6. Marquess Dorset, bearing a sceptre of gold, on his head a demi-coronal of gold. With him, SURREY, bearing the rod of silver with the dove, crowned with an earl's coronet.  
Collars of SS.
7. SUFFOLK, in his robe of estate, his coronet on his head, bearing a long white wand, as high-steward. With him, NORFOLK, with the rod of marshalship, a coronet on his head.  
Collars of SS.
8. A canopy borne by four of the Cinque-ports; under it, QUEEN ANNE in her robe; in her hair richly adorned with pearl, crowned. On each side her, the Bishops of London and Winchester.
9. The old Duchess of Norfolk, in a coronal of gold, wrought with flowers, bearing QUEEN ANNE's train.
10. Certain Ladies or Countesses, with plain circlets of gold without flowers.

*They pass over the stage in order and state*

**Second Gentleman**

A royal train, believe me. These I know:  
Who's that that bears the sceptre?

**First Gentleman**

Marquess Dorset:  
And that the Earl of Surrey, with the rod.

**Second Gentleman**

A bold brave gentleman. That should be  
The Duke of Suffolk?

**First Gentleman**

'Tis the same: high-steward.

**Second Gentleman**

And that my Lord of Norfolk?

**First Gentleman**

Yes;

**Second Gentleman**

Heaven bless thee!

*Looking on QUEEN ANNE*

Thou hast the sweetest face I ever look'd on.  
Sir, as I have a soul, she is an angel;  
Our king has all the Indies in his arms,  
And more and richer, when he strains that lady:  
I cannot blame his conscience.

**First Gentleman**

They that bear  
The cloth of honour over her, are four barons  
Of the Cinque-ports.

**Second Gentleman**

Those men are happy; and so are all are near her.  
I take it, she that carries up the train  
Is that old noble lady, Duchess of Norfolk.

**First Gentleman**

It is; and all the rest are countesses.

**Second Gentleman**

Their coronets say so. These are stars indeed;  
And sometimes falling ones.

**First Gentleman**

No more of that.

*Exit procession, and then a great flourish of trumpets*

*Enter a third Gentleman*

**First Gentleman**

God save you, sir! where have you been broiling?

**Third Gentleman**

Among the crowd i' the Abbey; where a finger  
Could not be wedged in more: I am stifled  
With the mere rankness of their joy.

**Second Gentleman**

You saw  
The ceremony?

**Third Gentleman**

That I did.

**First Gentleman**

How was it?

**Third Gentleman**

Well worth the seeing.

**Second Gentleman**

Good sir, speak it to us.

**Third Gentleman**

As well as I am able. The rich stream  
Of lords and ladies, having brought the queen  
To a prepared place in the choir, fell off  
A distance from her; while her grace sat down  
To rest awhile, some half an hour or so,  
In a rich chair of state, opposing freely  
The beauty of her person to the people.  
Believe me, sir, she is the goodliest woman  
That ever lay by man: which when the people  
Had the full view of, such a noise arose  
As the shrouds make at sea in a stiff tempest,  
As loud, and to as many tunes: hats, cloaks--  
Doublets, I think,--flew up; and had their faces  
Been loose, this day they had been lost. Such joy  
I never saw before. Great-bellied women,  
That had not half a week to go, like rams  
In the old time of war, would shake the press,  
And make 'em reel before 'em. No man living  
Could say 'This is my wife' there; all were woven  
So strangely in one piece.

## **Second Gentleman**

But, what follow'd?

## **Third Gentleman**

At length her grace rose, and with modest paces  
Came to the altar; where she kneel'd, and saint-like  
Cast her fair eyes to heaven and pray'd devoutly.  
Then rose again and bow'd her to the people:  
When by the Archbishop of Canterbury  
She had all the royal makings of a queen;  
As holy oil, Edward Confessor's crown,  
The rod, and bird of peace, and all such emblems  
Laid nobly on her: which perform'd, the choir,  
With all the choicest music of the kingdom,  
Together sung 'Te Deum.' So she parted,  
And with the same full state paced back again  
To York-place, where the feast is held.

## **First Gentleman**

Sir,  
You must no more call it York-place, that's past;  
For, since the cardinal fell, that title's lost:  
'Tis now the king's, and call'd Whitehall.

## **Third Gentleman**

I know it;  
But 'tis so lately alter'd, that the old name  
Is fresh about me.

## **Second Gentleman**

What two reverend bishops  
Were those that went on each side of the queen?

## **Third Gentleman**

Stokesly and Gardiner; the one of Winchester,  
Newly preferr'd from the king's secretary,

The other, London.

**Second Gentleman**

He of Winchester  
Is held no great good lover of the archbishop's,  
The virtuous Cranmer.

**Third Gentleman**

All the land knows that:  
However, yet there is no great breach; when it comes,  
Cranmer will find a friend will not shrink from him.

**Second Gentleman**

Who may that be, I pray you?

**Third Gentleman**

Thomas Cromwell;  
A man in much esteem with the king, and truly  
A worthy friend. The king has made him master  
O' the jewel house,  
And one, already, of the privy council.

**Second Gentleman**

He will deserve more.

**Third Gentleman**

Yes, without all doubt.  
Come, gentlemen, ye shall go my way, which  
Is to the court, and there ye shall be my guests:  
Something I can command. As I walk thither,  
I'll tell ye more.

**Both**

You may command us, sir.

*Exeunt*

## SCENE II. Kimbolton.

*Enter KATHARINE, Dowager, sick; led between GRIFFITH, her gentleman usher, and PATIENCE, her woman*

### GRIFFITH

How does your grace?

### KATHARINE

O Griffith, sick to death!  
My legs, like loaden branches, bow to the earth,  
Willing to leave their burthen. Reach a chair:  
So; now, methinks, I feel a little ease.  
Didst thou not tell me, Griffith, as thou led'st me,  
That the great child of honour, Cardinal Wolsey, Was dead?

### GRIFFITH

Yes, madam; but I think your grace,  
Out of the pain you suffer'd, gave no ear to't.

### KATHARINE

Prithee, good Griffith, tell me how he died:  
If well, he stepp'd before me, happily  
For my example.

### GRIFFITH

Well, the voice goes, madam:  
For after the stout Earl Northumberland  
Arrested him at York, and brought him forward,  
As a man sorely tainted, to his answer,  
He fell sick suddenly, and grew so ill

He could not sit his mule.

## **KATHARINE**

Alas, poor man!

## **GRIFFITH**

At last, with easy roads, he came to Leicester,  
Lodged in the abbey; where the reverend abbot,  
With all his covent, honourably received him;  
To whom he gave these words, 'O, father abbot,  
An old man, broken with the storms of state,  
Is come to lay his weary bones among ye;  
Give him a little earth for charity!'  
So went to bed; where eagerly his sickness  
Pursued him still: and, three nights after this,  
About the hour of eight, which he himself  
Foretold should be his last, full of repentance,  
Continual meditations, tears, and sorrows,  
He gave his honours to the world again,  
His blessed part to heaven, and slept in peace.

## **KATHARINE**

So may he rest; his faults lie gently on him!  
Yet thus far, Griffith, give me leave to speak him,  
And yet with charity. He was a man  
Of an unbounded stomach, ever ranking  
Himself with princes; one that, by suggestion,  
Tied all the kingdom: simony was fair-play;  
His own opinion was his law: i' the presence  
He would say untruths; and be ever double  
Both in his words and meaning: he was never,  
But where he meant to ruin, pitiful:  
His promises were, as he then was, mighty;  
But his performance, as he is now, nothing:  
Of his own body he was ill, and gave  
The clergy in example.

## **GRIFFITH**

Noble madam,  
Men's evil manners live in brass; their virtues  
We write in water. May it please your highness  
To hear me speak his good now?

## **KATHARINE**

Yes, good Griffith;  
I were malicious else.

## **GRIFFITH**

This cardinal,  
Though from an humble stock, undoubtedly  
Was fashion'd to much honour from his cradle.  
He was a scholar, and a ripe and good one;  
Exceeding wise, fair-spoken, and persuading:  
Lofty and sour to them that loved him not;  
But to those men that sought him sweet as summer.  
And though he were unsatisfied in getting,  
Which was a sin, yet in bestowing, madam,  
He was most princely: ever witness for him  
Those twins Of learning that he raised in you,  
Ipswich and Oxford! one of which fell with him,  
Unwilling to outlive the good that did it;  
The other, though unfinish'd, yet so famous,  
So excellent in art, and still so rising,  
That Christendom shall ever speak his virtue.  
His overthrow heap'd happiness upon him;  
For then, and not till then, he felt himself,  
And found the blessedness of being little:  
And, to add greater honours to his age  
Than man could give him, he died fearing God.

## **KATHARINE**

After my death I wish no other herald,  
No other speaker of my living actions,  
To keep mine honour from corruption,  
But such an honest chronicler as Griffith.  
Whom I most hated living, thou hast made me,  
With thy religious truth and modesty,

Now in his ashes honour: peace be with him!  
Patience, be near me still; and set me lower:  
I have not long to trouble thee. Good Griffith,  
Cause the musicians play me that sad note  
I named my knell, whilst I sit meditating  
On that celestial harmony I go to.

*Sad and solemn music*

## **GRIFFITH**

She is asleep: good wench, let's sit down quiet,  
For fear we wake her: softly, gentle Patience.

*The vision. Enter, solemnly tripping one after another, six personages, clad in white robes, wearing on their heads garlands of bays, and golden vizards on their faces; branches of bays or palm in their hands. They first congee unto her, then dance; and, at certain changes, the first two hold a spare garland over her head; at which the other four make reverent curtsies; then the two that held the garland deliver the same to the other next two, who observe the same order in their changes, and holding the garland over her head: which done, they deliver the same garland to the last two, who likewise observe the same order: at which, as it were by inspiration, she makes in her sleep signs of rejoicing, and holdeth up her hands to heaven: and so in their dancing vanish, carrying the garland with them. The music continues*

## **KATHARINE**

Spirits of peace, where are ye? are ye all gone,  
And leave me here in wretchedness behind ye?

## **GRIFFITH**

Madam, we are here.

## **KATHARINE**

It is not you I call for:  
Saw ye none enter since I slept?

## **GRIFFITH**

None, madam.

## **KATHARINE**

No? Saw you not, even now, a blessed troop  
Invite me to a banquet; whose bright faces  
Cast thousand beams upon me, like the sun?  
They promised me eternal happiness;  
And brought me garlands, Griffith, which I feel  
I am not worthy yet to wear: I shall, assuredly.

## **GRIFFITH**

I am most joyful, madam, such good dreams  
Possess your fancy.

## **KATHARINE**

Bid the music leave,  
They are harsh and heavy to me.

*Music ceases*

## **PATIENCE**

Do you note  
How much her grace is alter'd on the sudden?  
How long her face is drawn? how pale she looks,  
And of an earthy cold? Mark her eyes!

## **GRIFFITH**

She is going, wench: pray, pray.

## **PATIENCE**

Heaven comfort her!

*Enter a Messenger*

## **Messenger**

An't like your grace,--

**KATHARINE**

You are a saucy fellow:  
Deserve we no more reverence?

**GRIFFITH**

You are to blame,  
Knowing she will not lose her wonted greatness,  
To use so rude behavior; go to, kneel.

**Messenger**

I humbly do entreat your highness' pardon;  
My haste made me unmannerly. There is staying  
A gentleman, sent from the king, to see you.

**KATHARINE**

Admit him entrance, Griffith: but this fellow  
Let me ne'er see again.

*Exeunt GRIFFITH and Messenger*

*Re-enter GRIFFITH, with CAPUCIUS*

If my sight fail not,  
You should be lord ambassador from the emperor,  
My royal nephew, and your name Capucius.

**CAPUCIUS**

Madam, the same; your servant.

**KATHARINE**

O, my lord,  
The times and titles now are alter'd strangely  
With me since first you knew me. But, I pray you,

What is your pleasure with me?

**CAPUCIUS**

Noble lady,  
First mine own service to your grace; the next,  
The king's request that I would visit you;  
Who grieves much for your weakness, and by me  
Sends you his princely commendations,  
And heartily entreats you take good comfort.

**KATHARINE**

O my good lord, that comfort comes too late;  
'Tis like a pardon after execution:  
That gentle physic, given in time, had cured me;  
But now I am past an comforts here, but prayers.  
How does his highness?

**CAPUCIUS**

Madam, in good health.

**KATHARINE**

So may he ever do! and ever flourish,  
When I shal I dwell with worms, and my poor name  
Banish'd the kingdom! Patience, is that letter,  
I caused you write, yet sent away?

**PATIENCE**

No, madam.

*Giving it to KATHARINE*

**KATHARINE**

Sir, I most humbly pray you to deliver  
This to my lord the king.

## CAPUCIUS

Most willing, madam.

## KATHARINE

In which I have commended to his goodness  
The model of our chaste loves, his young daughter;  
The dews of heaven fall thick in blessings on her!  
Beseeching him to give her virtuous breeding--  
She is young, and of a noble modest nature,  
I hope she will deserve well,--and a little  
To love her for her mother's sake, that loved him,  
Heaven knows how dearly. My next poor petition  
Is, that his noble grace would have some pity  
Upon my wretched women, that so long  
Have follow'd both my fortunes faithfully:  
Of which there is not one, I dare avow,  
And now I should not lie, but will deserve  
For virtue and true beauty of the soul,  
For honesty and decent carriage,  
A right good husband, let him be a noble  
And, sure, those men are happy that shall have 'em.  
The last is, for my men; they are the poorest,  
But poverty could never draw 'em from me;  
That they may have their wages duly paid 'em,  
And something over to remember me by:  
If heaven had pleased to have given me longer life  
And able means, we had not parted thus.  
These are the whole contents: and, good my lord,  
By that you love the dearest in this world,  
As you wish Christian peace to souls departed,  
Stand these poor people's friend, and urge the king  
To do me this last right.

## CAPUCIUS

By heaven, I will,  
Or let me lose the fashion of a man!

## KATHARINE

I thank you, honest lord. Remember me  
In all humility unto his highness:  
Say his long trouble now is passing  
Out of this world; tell him, in death I bless'd him,  
For so I will. Mine eyes grow dim. Farewell,  
My lord. Griffith, farewell. Nay, Patience,  
You must not leave me yet: I must to bed;  
Call in more women. When I am dead, good wench,  
Let me be used with honour: strew me over  
With maiden flowers, that all the world may know  
I was a chaste wife to my grave: embalm me,  
Then lay me forth: although unqueen'd, yet like  
A queen, and daughter to a king, inter me.  
I can no more.

*Exeunt, leading KATHARINE*

## SCENE I. London. A gallery in the palace.

*Enter GARDINER, Bishop of Winchester, a Page with a torch before him, met by LOVELL*

**GARDINER**

It's one o'clock, boy, is't not?

**Boy**

It hath struck.

**GARDINER**

These should be hours for necessities,  
Not for delights; times to repair our nature  
With comforting repose, and not for us  
To waste these times. Good hour of night, Sir Thomas!  
Whither so late?

**LOVELL**

Came you from the king, my lord

**GARDINER**

I did, Sir Thomas: and left him at primero  
With the Duke of Suffolk.

**LOVELL**

I must to him too,  
Before he go to bed. I'll take my leave.

**GARDINER**

Not yet, Sir Thomas Lovell. What's the matter?  
It seems you are in haste: an if there be  
No great offence belongs to't, give your friend  
Some touch of your late business: affairs, that walk,  
As they say spirits do, at midnight, have  
In them a wilder nature than the business  
That seeks dispatch by day.

## **LOVELL**

My lord, I love you;  
And durst commend a secret to your ear  
Much weightier than this work. The queen's in labour,  
They say, in great extremity; and fear'd  
She'll with the labour end.

## **GARDINER**

The fruit she goes with  
I pray for heartily, that it may find  
Good time, and live: but for the stock, Sir Thomas,  
I wish it grubb'd up now.

## **LOVELL**

Methinks I could  
Cry the amen; and yet my conscience says  
She's a good creature, and, sweet lady, does  
Deserve our better wishes.

## **GARDINER**

But, sir, sir,  
Hear me, Sir Thomas: you're a gentleman  
Of mine own way; I know you wise, religious;  
And, let me tell you, it will ne'er be well,  
'Twill not, Sir Thomas Lovell, take't of me,  
Till Cranmer, Cromwell, her two hands, and she,  
Sleep in their graves.

## **LOVELL**

Now, sir, you speak of two  
The most remark'd i' the kingdom. As for Cromwell,  
Beside that of the jewel house, is made master  
O' the rolls, and the king's secretary; further, sir,  
Stands in the gap and trade of moe preferments,  
With which the time will load him. The archbishop  
Is the king's hand and tongue; and who dare speak  
One syllable against him?

## **GARDINER**

Yes, yes, Sir Thomas,  
There are that dare; and I myself have ventured  
To speak my mind of him: and indeed this day,  
Sir, I may tell it you, I think I have  
Incensed the lords o' the council, that he is,  
For so I know he is, they know he is,  
A most arch heretic, a pestilence  
That does infect the land: with which they moved  
Have broken with the king; who hath so far  
Given ear to our complaint, of his great grace  
And princely care foreseeing those fell mischiefs  
Our reasons laid before him, hath commanded  
To-morrow morning to the council-board  
He be convented. He's a rank weed, Sir Thomas,  
And we must root him out. From your affairs  
I hinder you too long: good night, Sir Thomas.

## **LOVELL**

Many good nights, my lord: I rest your servant.

*Exeunt GARDINER and Page*

*Enter KING HENRY VIII and SUFFOLK*

## **KING HENRY VIII**

Charles, I will play no more tonight;  
My mind's not on't; you are too hard for me.

## **SUFFOLK**

Sir, I did never win of you before.

**KING HENRY VIII**

But little, Charles;  
Nor shall not, when my fancy's on my play.  
Now, Lovell, from the queen what is the news?

**LOVELL**

I could not personally deliver to her  
What you commanded me, but by her woman  
I sent your message; who return'd her thanks  
In the great'st humbleness, and desired your highness  
Most heartily to pray for her.

**KING HENRY VIII**

What say'st thou, ha?  
To pray for her? what, is she crying out?

**LOVELL**

So said her woman; and that her sufferance made  
Almost each pang a death.

**KING HENRY VIII**

Alas, good lady!

**SUFFOLK**

God safely quit her of her burthen, and  
With gentle travail, to the gladding of  
Your highness with an heir!

**KING HENRY VIII**

'Tis midnight, Charles;  
Prithee, to bed; and in thy prayers remember

The estate of my poor queen. Leave me alone;  
For I must think of that which company  
Would not be friendly to.

**SUFFOLK**

I wish your highness  
A quiet night; and my good mistress will  
Remember in my prayers.

**KING HENRY VIII**

Charles, good night.

*Exit SUFFOLK*

*Enter DENNY*

Well, sir, what follows?

**DENNY**

Sir, I have brought my lord the archbishop,  
As you commanded me.

**KING HENRY VIII**

Ha! Canterbury?

**DENNY**

Ay, my good lord.

**KING HENRY VIII**

'Tis true: where is he, Denny?

**DENNY**

He attends your highness' pleasure.

*Exit DENNY*

**LOVELL**

[Aside] This is about that which the bishop spake:  
I am happily come hither.

*Re-enter DENNY, with CRANMER*

**KING HENRY VIII**

Avoid the gallery.

*LOVELL seems to stay*

Ha! I have said. Be gone. What!

*Exeunt LOVELL and DENNY*

**CRANMER**

[Aside]  
I am fearful: wherefore frowns he thus?  
'Tis his aspect of terror. All's not well.

**KING HENRY VIII**

How now, my lord! you desire to know  
Wherefore I sent for you.

**CRANMER**

[Kneeling] It is my duty  
To attend your highness' pleasure.

**KING HENRY VIII**

Pray you, arise,  
My good and gracious Lord of Canterbury.  
Come, you and I must walk a turn together;  
I have news to tell you: come, come, give me your hand.

Ah, my good lord, I grieve at what I speak,  
And am right sorry to repeat what follows  
I have, and most unwillingly, of late  
Heard many grievous, I do say, my lord,  
Grievous complaints of you; which, being consider'd,  
Have moved us and our council, that you shall  
This morning come before us; where, I know,  
You cannot with such freedom purge yourself,  
But that, till further trial in those charges  
Which will require your answer, you must take  
Your patience to you, and be well contented  
To make your house our Tower: you a brother of us,  
It fits we thus proceed, or else no witness  
Would come against you.

## **CRANMER**

[Kneeling]  
I humbly thank your highness;  
And am right glad to catch this good occasion  
Most throughly to be winnow'd, where my chaff  
And corn shall fly asunder: for, I know,  
There's none stands under more calumnious tongues  
Than I myself, poor man.

## **KING HENRY VIII**

Stand up, good Canterbury:  
Thy truth and thy integrity is rooted  
In us, thy friend: give me thy hand, stand up:  
Prithee, let's walk. Now, by my holidame.  
What manner of man are you? My lord, I look'd  
You would have given me your petition, that  
I should have ta'en some pains to bring together  
Yourself and your accusers; and to have heard you,  
Without indurance, further.

## **CRANMER**

Most dread liege,  
The good I stand on is my truth and honesty:  
If they shall fail, I, with mine enemies,

Will triumph o'er my person; which I weigh not,  
Being of those virtues vacant. I fear nothing  
What can be said against me.

## **KING HENRY VIII**

Know you not  
How your state stands i' the world, with the whole world?  
Your enemies are many, and not small; their practises  
Must bear the same proportion; and not ever  
The justice and the truth o' the question carries  
The due o' the verdict with it: at what ease  
Might corrupt minds procure knaves as corrupt  
To swear against you? such things have been done.  
You are potently opposed; and with a malice  
Of as great size. Ween you of better luck,  
I mean, in perjured witness, than your master,  
Whose minister you are, whiles here he lived  
Upon this naughty earth? Go to, go to;  
You take a precipice for no leap of danger,  
And woo your own destruction.

## **CRANMER**

God and your majesty  
Protect mine innocence, or I fall into  
The trap is laid for me!

## **KING HENRY VIII**

Be of good cheer;  
They shall no more prevail than we give way to.  
Keep comfort to you; and this morning see  
You do appear before them: if they shall chance,  
In charging you with matters, to commit you,  
The best persuasions to the contrary  
Fail not to use, and with what vehemency  
The occasion shall instruct you: if entreaties  
Will render you no remedy, this ring  
Deliver them, and your appeal to us  
There make before them. Look, the good man weeps!  
He's honest, on mine honour. God's blest mother!

I swear he is true--hearted; and a soul  
None better in my kingdom. Get you gone,  
And do as I have bid you.

*Exit CRANMER*

He has strangled  
His language in his tears.

*Enter Old Lady, LOVELL following*

### **Gentleman**

[Within] Come back: what mean you?

### **Old Lady**

I'll not come back; the tidings that I bring  
Will make my boldness manners. Now, good angels  
Fly o'er thy royal head, and shade thy person  
Under their blessed wings!

### **KING HENRY VIII**

Now, by thy looks  
I guess thy message. Is the queen deliver'd?  
Say, ay; and of a boy.

### **Old Lady**

Ay, ay, my liege;  
And of a lovely boy: the God of heaven  
Both now and ever bless her! 'tis a girl,  
Promises boys hereafter. Sir, your queen  
Desires your visitation, and to be  
Acquainted with this stranger 'tis as like you  
As cherry is to cherry.

### **KING HENRY VIII**

Lovell!

**LOVELL**

Sir?

**KING HENRY VIII**

Give her an hundred marks. I'll to the queen.

*Exit*

**Old Lady**

An hundred marks! By this light, I'll ha' more.  
An ordinary groom is for such payment.  
I will have more, or scold it out of him.  
Said I for this, the girl was like to him?  
I will have more, or else unsay't; and now,  
While it is hot, I'll put it to the issue.

*Exeunt*

## SCENE II. Before the council-chamber. Pursuivants, Pages, & c.

attending.

*Enter CRANMER*

**CRANMER**

I hope I am not too late; and yet the gentleman,  
That was sent to me from the council, pray'd me  
To make great haste. All fast? what means this? Ho!  
Who waits there? Sure, you know me?

*Enter Keeper*

**Keeper**

Yes, my lord;  
But yet I cannot help you.

**CRANMER**

Why?

*Enter DOCTOR BUTTS*

**Keeper**

Your grace must wait till you be call'd for.

**CRANMER**

So.

**DOCTOR BUTTS**

[Aside] This is a piece of malice. I am glad  
I came this way so happily: the king  
Shall understand it presently.

*Exit*

**CRANMER**

[Aside] 'Tis Butts,  
The king's physician: as he pass'd along,  
How earnestly he cast his eyes upon me!  
Pray heaven, he sound not my disgrace! For certain,  
This is of purpose laid by some that hate me--  
God turn their hearts! I never sought their malice--  
To quench mine honour: they would shame to make me  
Wait else at door, a fellow-counsellor,  
'Mong boys, grooms, and lackeys. But their pleasures  
Must be fulfill'd, and I attend with patience.

*Enter the KING HENRY VIII and DOCTOR BUTTS at a window above*

**DOCTOR BUTTS**

I'll show your grace the strangest sight--

**KING HENRY VIII**

What's that, Butts?

**DOCTOR BUTTS**

I think your highness saw this many a day.

**KING HENRY VIII**

Body o' me, where is it?

**DOCTOR BUTTS**

There, my lord:  
The high promotion of his grace of Canterbury;

Who holds his state at door, 'mongst pursuivants,  
Pages, and footboys.

## **KING HENRY VIII**

Ha! 'tis he, indeed:

Is this the honour they do one another?

'Tis well there's one above 'em yet. I had thought

They had parted so much honesty among 'em

At least, good manners, as not thus to suffer

A man of his place, and so near our favour,

To dance attendance on their lordships' pleasures,

And at the door too, like a post with packets.

By holy Mary, Butts, there's knavery:

Let 'em alone, and draw the curtain close:

We shall hear more anon.

*Exeunt*

## SCENE III. The Council-Chamber.

*Enter Chancellor; places himself at the upper end of the table on the left hand; a seat being left void above him, as for CRANMER's seat. SUFFOLK, NORFOLK, SURREY, Chamberlain, GARDINER, seat themselves in order on each side. CROMWELL at lower end, as secretary. Keeper at the door*

### Chancellor

Speak to the business, master-secretary:  
Why are we met in council?

### CROMWELL

Please your honours,  
The chief cause concerns his grace of Canterbury.

### GARDINER

Has he had knowledge of it?

### CROMWELL

Yes.

### NORFOLK

Who waits there?

### Keeper

Without, my noble lords?

### GARDINER

Yes.

**Keeper**

My lord archbishop;  
And has done half an hour, to know your pleasures.

**Chancellor**

Let him come in.

**Keeper**

Your grace may enter now.

*CRANMER enters and approaches the council-table*

**Chancellor**

My good lord archbishop, I'm very sorry  
To sit here at this present, and behold  
That chair stand empty: but we all are men,  
In our own natures frail, and capable  
Of our flesh; few are angels: out of which frailty  
And want of wisdom, you, that best should teach us,  
Have misdemean'd yourself, and not a little,  
Toward the king first, then his laws, in filling  
The whole realm, by your teaching and your chaplains,  
For so we are inform'd, with new opinions,  
Divers and dangerous; which are heresies,  
And, not reform'd, may prove pernicious.

**GARDINER**

Which reformation must be sudden too,  
My noble lords; for those that tame wild horses  
Pace 'em not in their hands to make 'em gentle,  
But stop their mouths with stubborn bits, and spur 'em,  
Till they obey the manage. If we suffer,  
Out of our easiness and childish pity  
To one man's honour, this contagious sickness,  
Farewell all physic: and what follows then?

Commotions, uproars, with a general taint  
Of the whole state: as, of late days, our neighbours,  
The upper Germany, can dearly witness,  
Yet freshly pitied in our memories.

## **CRANMER**

My good lords, hitherto, in all the progress  
Both of my life and office, I have labour'd,  
And with no little study, that my teaching  
And the strong course of my authority  
Might go one way, and safely; and the end  
Was ever, to do well: nor is there living,  
I speak it with a single heart, my lords,  
A man that more detests, more stirs against,  
Both in his private conscience and his place,  
Defacers of a public peace, than I do.  
Pray heaven, the king may never find a heart  
With less allegiance in it! Men that make  
Envy and crooked malice nourishment  
Dare bite the best. I do beseech your lordships,  
That, in this case of justice, my accusers,  
Be what they will, may stand forth face to face,  
And freely urge against me.

## **SUFFOLK**

Nay, my lord,  
That cannot be: you are a counsellor,  
And, by that virtue, no man dare accuse you.

## **GARDINER**

My lord, because we have business of more moment,  
We will be short with you. 'Tis his highness' pleasure,  
And our consent, for better trial of you,  
From hence you be committed to the Tower;  
Where, being but a private man again,  
You shall know many dare accuse you boldly,  
More than, I fear, you are provided for.

## **CRANMER**

Ah, my good Lord of Winchester, I thank you;  
You are always my good friend; if your will pass,  
I shall both find your lordship judge and juror,  
You are so merciful: I see your end;  
'Tis my undoing: love and meekness, lord,  
Become a churchman better than ambition:  
Win straying souls with modesty again,  
Cast none away. That I shall clear myself,  
Lay all the weight ye can upon my patience,  
I make as little doubt, as you do conscience  
In doing daily wrongs. I could say more,  
But reverence to your calling makes me modest.

**GARDINER**

My lord, my lord, you are a sectary,  
That's the plain truth: your painted gloss discovers,  
To men that understand you, words and weakness.

**CROMWELL**

My Lord of Winchester, you are a little,  
By your good favour, too sharp; men so noble,  
However faulty, yet should find respect  
For what they have been: 'tis a cruelty  
To load a falling man.

**GARDINER**

Good master secretary,  
I cry your honour mercy; you may, worst  
Of all this table, say so.

**CROMWELL**

Why, my lord?

**GARDINER**

Do not I know you for a favourer  
Of this new sect? ye are not sound.

**CROMWELL**

Not sound?

**GARDINER**

Not sound, I say.

**CROMWELL**

Would you were half so honest!  
Men's prayers then would seek you, not their fears.

**GARDINER**

I shall remember this bold language.

**CROMWELL**

Do.  
Remember your bold life too.

**Chancellor**

This is too much;  
Forbear, for shame, my lords.

**GARDINER**

I have done.

**CROMWELL**

And I.

**Chancellor**

Then thus for you, my lord: it stands agreed,  
I take it, by all voices, that forthwith  
You be convey'd to the Tower a prisoner;

There to remain till the king's further pleasure  
Be known unto us: are you all agreed, lords?

**All**

We are.

**CRANMER**

Is there no other way of mercy,  
But I must needs to the Tower, my lords?

**GARDINER**

What other  
Would you expect? you are strangely troublesome.  
Let some o' the guard be ready there.

*Enter Guard*

**CRANMER**

For me?  
Must I go like a traitor thither?

**GARDINER**

Receive him,  
And see him safe i' the Tower.

**CRANMER**

Stay, good my lords,  
I have a little yet to say. Look there, my lords;  
By virtue of that ring, I take my cause  
Out of the gripes of cruel men, and give it  
To a most noble judge, the king my master.

**Chamberlain**

This is the king's ring.

## **SURREY**

'Tis no counterfeit.

## **SUFFOLK**

'Tis the right ring, by heaven: I told ye all,  
When ye first put this dangerous stone a-rolling,  
'Twould fall upon ourselves.

## **NORFOLK**

Do you think, my lords,  
The king will suffer but the little finger  
Of this man to be vex'd?

## **Chancellor**

'Tis now too certain:  
How much more is his life in value with him?  
Would I were fairly out on't!

## **CROMWELL**

My mind gave me,  
In seeking tales and informations  
Against this man, whose honesty the devil  
And his disciples only envy at,  
Ye blew the fire that burns ye: now have at ye!

*Enter KING, frowning on them; takes his seat*

## **GARDINER**

Dread sovereign, how much are we bound to heaven  
In daily thanks, that gave us such a prince;  
Not only good and wise, but most religious:  
One that, in all obedience, makes the church  
The chief aim of his honour; and, to strengthen  
That holy duty, out of dear respect,  
His royal self in judgment comes to hear

The cause betwixt her and this great offender.

## **KING HENRY VIII**

You were ever good at sudden commendations,  
Bishop of Winchester. But know, I come not  
To hear such flattery now, and in my presence;  
They are too thin and bare to hide offences.  
To me you cannot reach, you play the spaniel,  
And think with wagging of your tongue to win me;  
But, whatsoe'er thou takest me for, I'm sure  
Thou hast a cruel nature and a bloody.

*To CRANMER*

Good man, sit down. Now let me see the proudest  
He, that dares most, but wag his finger at thee:  
By all that's holy, he had better starve  
Than but once think this place becomes thee not.

## **SURREY**

May it please your grace,--

## **KING HENRY VIII**

No, sir, it does not please me.  
I had thought I had had men of some understanding  
And wisdom of my council; but I find none.  
Was it discretion, lords, to let this man,  
This good man,--few of you deserve that title,--  
This honest man, wait like a lousy footboy  
At chamber--door? and one as great as you are?  
Why, what a shame was this! Did my commission  
Bid ye so far forget yourselves? I gave ye  
Power as he was a counsellor to try him,  
Not as a groom: there's some of ye, I see,  
More out of malice than integrity,  
Would try him to the utmost, had ye mean;  
Which ye shall never have while I live.

## **Chancellor**

Thus far,  
My most dread sovereign, may it like your grace  
To let my tongue excuse all. What was purposed  
Concerning his imprisonment, was rather,  
If there be faith in men, meant for his trial,  
And fair purgation to the world, than malice,  
I'm sure, in me.

## **KING HENRY VIII**

Well, well, my lords, respect him;  
Take him, and use him well, he's worthy of it.  
I will say thus much for him, if a prince  
May be beholding to a subject, I  
Am, for his love and service, so to him.  
Make me no more ado, but all embrace him:  
Be friends, for shame, my lords! My Lord of  
Canterbury,  
I have a suit which you must not deny me;  
That is, a fair young maid that yet wants baptism,  
You must be godfather, and answer for her.

## **CRANMER**

The greatest monarch now alive may glory  
In such an honour: how may I deserve it  
That am a poor and humble subject to you?

## **KING HENRY VIII**

Come, come, my lord, you'd spare your spoons: you  
shall have two noble partners with you; the old  
Duchess of Norfolk, and Lady Marquess Dorset: will  
these please you?  
Once more, my Lord of Winchester, I charge you,  
Embrace and love this man.

## **GARDINER**

With a true heart  
And brother-love I do it.

## **CRANMER**

And let heaven  
Witness, how dear I hold this confirmation.

## **KING HENRY VIII**

Good man, those joyful tears show thy true heart:  
The common voice, I see, is verified  
Of thee, which says thus, 'Do my Lord of Canterbury  
A shrewd turn, and he is your friend for ever.'  
Come, lords, we trifle time away; I long  
To have this young one made a Christian.  
As I have made ye one, lords, one remain;  
So I grow stronger, you more honour gain.

*Exeunt*

## SCENE IV. The palace yard.

*Noise and tumult within. Enter Porter and his Man*

**Porter**

You'll leave your noise anon, ye rascals: do you take the court for Paris-garden? ye rude slaves, leave your gaping.

*Within*

Good master porter, I belong to the larder.

**Porter**

Belong to the gallows, and be hanged, ye rogue! is this a place to roar in? Fetch me a dozen crab-tree staves, and strong ones: these are but switches to 'em. I'll scratch your heads: you must be seeing christenings? do you look for ale and cakes here, you rude rascals?

**Man**

Pray, sir, be patient: 'tis as much impossible--  
Unless we sweep 'em from the door with cannons--  
To scatter 'em, as 'tis to make 'em sleep  
On May-day morning; which will never be:  
We may as well push against Powle's, as stir em.

**Porter**

How got they in, and be hang'd?

**Man**

Alas, I know not; how gets the tide in?  
As much as one sound cudgel of four foot--  
You see the poor remainder--could distribute,  
I made no spare, sir.

**Porter**

You did nothing, sir.

**Man**

I am not Samson, nor Sir Guy, nor Colbrand,  
To mow 'em down before me: but if I spared any  
That had a head to hit, either young or old,  
He or she, cuckold or cuckold-maker,  
Let me ne'er hope to see a chine again  
And that I would not for a cow, God save her!

*Within*

Do you hear, master porter?

**Porter**

I shall be with you presently, good master puppy.  
Keep the door close, sirrah.

**Man**

What would you have me do?

**Porter**

What should you do, but knock 'em down by the  
dozens? Is this Moorfields to muster in? or have  
we some strange Indian with the great tool come to  
court, the women so besiege us? Bless me, what a  
fry of fornication is at door! On my Christian  
conscience, this one christening will beget a  
thousand; here will be father, godfather, and all together.

## Man

The spoons will be the bigger, sir. There is a fellow somewhat near the door, he should be a brazier by his face, for, o' my conscience, twenty of the dog-days now reign in's nose; all that stand about him are under the line, they need no other penance: that fire-drake did I hit three times on the head, and three times was his nose discharged against me; he stands there, like a mortar-piece, to blow us. There was a haberdasher's wife of small wit near him, that railed upon me till her pinked porringer fell off her head, for kindling such a combustion in the state. I missed the meteor once, and hit that woman; who cried out 'Clubs!' when I might see from far some forty truncheoners draw to her succor, which were the hope o' the Strand, where she was quartered. They fell on; I made good my place: at length they came to the broom-staff to me; I defied 'em still: when suddenly a file of boys behind 'em, loose shot, delivered such a shower of pebbles, that I was fain to draw mine honour in, and let 'em win the work: the devil was amongst 'em, I think, surely.

## Porter

These are the youths that thunder at a playhouse, and fight for bitten apples; that no audience, but the tribulation of Tower-hill, or the limbs of Limehouse, their dear brothers, are able to endure. I have some of 'em in Limbo Patrum, and there they are like to dance these three days; besides the running banquet of two beadles that is to come.

*Enter Chamberlain*

## Chamberlain

Mercy o' me, what a multitude are here!  
They grow still too; from all parts they are coming,  
As if we kept a fair here! Where are these porters,

These lazy knaves? Ye have made a fine hand, fellows:  
There's a trim rabble let in: are all these  
Your faithful friends o' the suburbs? We shall have  
Great store of room, no doubt, left for the ladies,  
When they pass back from the christening.

**Porter**

An't please  
your honour,  
We are but men; and what so many may do,  
Not being torn a-pieces, we have done:  
An army cannot rule 'em.

**Chamberlain**

As I live,  
If the king blame me for't, I'll lay ye all  
By the heels, and suddenly; and on your heads  
Clap round fines for neglect: ye are lazy knaves;  
And here ye lie baiting of bombards, when  
Ye should do service. Hark! the trumpets sound;  
They're come already from the christening:  
Go, break among the press, and find a way out  
To let the troop pass fairly; or I'll find  
A Marshalsea shall hold ye play these two months.

**Porter**

Make way there for the princess.

**Man**

You great fellow,  
Stand close up, or I'll make your head ache.

**Porter**

You i' the camlet, get up o' the rail;  
I'll peck you o'er the pales else.

*Exeunt*

## SCENE V. The palace.

*Enter trumpets, sounding; then two Aldermen, Lord Mayor, Garter, CRANMER, NORFOLK with his marshal's staff, SUFFOLK, two Noblemen bearing great standing-bowls for the christening-gifts; then four Noblemen bearing a canopy, under which the Duchess of Norfolk, godmother, bearing the child richly habited in a mantle, & c., train borne by a Lady; then follows the Marchioness Dorset, the other godmother, and Ladies. The troop pass once about the stage, and Garter speaks*

### Garter

Heaven, from thy endless goodness, send prosperous  
life, long, and ever happy, to the high and mighty  
princess of England, Elizabeth!

*Flourish. Enter KING HENRY VIII and Guard*

### CRANMER

[Kneeling] And to your royal grace, and the good queen,  
My noble partners, and myself, thus pray:  
All comfort, joy, in this most gracious lady,  
Heaven ever laid up to make parents happy,  
May hourly fall upon ye!

### KING HENRY VIII

Thank you, good lord archbishop:  
What is her name?

### CRANMER

Elizabeth.

### KING HENRY VIII

Stand up, lord.

*KING HENRY VIII kisses the child*

With this kiss take my blessing: God protect thee!  
Into whose hand I give thy life.

**CRANMER**

Amen.

**KING HENRY VIII**

My noble gossips, ye have been too prodigal:  
I thank ye heartily; so shall this lady,  
When she has so much English.

**CRANMER**

Let me speak, sir,  
For heaven now bids me; and the words I utter  
Let none think flattery, for they'll find 'em truth.  
This royal infant--heaven still move about her!--  
Though in her cradle, yet now promises  
Upon this land a thousand thousand blessings,  
Which time shall bring to ripeness: she shall be--  
But few now living can behold that goodness--  
A pattern to all princes living with her,  
And all that shall succeed: Saba was never  
More covetous of wisdom and fair virtue  
Than this pure soul shall be: all princely graces,  
That mould up such a mighty piece as this is,  
With all the virtues that attend the good,  
Shall still be doubled on her: truth shall nurse her,  
Holy and heavenly thoughts still counsel her:  
She shall be loved and fear'd: her own shall bless her;  
Her foes shake like a field of beaten corn,  
And hang their heads with sorrow: good grows with her:  
In her days every man shall eat in safety,  
Under his own vine, what he plants; and sing  
The merry songs of peace to all his neighbours:  
God shall be truly known; and those about her

From her shall read the perfect ways of honour,  
And by those claim their greatness, not by blood.  
Nor shall this peace sleep with her: but as when  
The bird of wonder dies, the maiden phoenix,  
Her ashes new create another heir,  
As great in admiration as herself;  
So shall she leave her blessedness to one,  
When heaven shall call her from this cloud of darkness,  
Who from the sacred ashes of her honour  
Shall star-like rise, as great in fame as she was,  
And so stand fix'd: peace, plenty, love, truth, terror,  
That were the servants to this chosen infant,  
Shall then be his, and like a vine grow to him:  
Wherever the bright sun of heaven shall shine,  
His honour and the greatness of his name  
Shall be, and make new nations: he shall flourish,  
And, like a mountain cedar, reach his branches  
To all the plains about him: our children's children  
Shall see this, and bless heaven.

## **KING HENRY VIII**

Thou speakest wonders.

## **CRANMER**

She shall be, to the happiness of England,  
An aged princess; many days shall see her,  
And yet no day without a deed to crown it.  
Would I had known no more! but she must die,  
She must, the saints must have her; yet a virgin,  
A most unspotted lily shall she pass  
To the ground, and all the world shall mourn her.

## **KING HENRY VIII**

O lord archbishop,  
Thou hast made me now a man! never, before  
This happy child, did I get any thing:  
This oracle of comfort has so pleased me,  
That when I am in heaven I shall desire  
To see what this child does, and praise my Maker.

I thank ye all. To you, my good lord mayor,  
And your good brethren, I am much beholding;  
I have received much honour by your presence,  
And ye shall find me thankful. Lead the way, lords:  
Ye must all see the queen, and she must thank ye,  
She will be sick else. This day, no man think  
Has business at his house; for all shall stay:  
This little one shall make it holiday.

*Exeunt*

## EPILOGUE

'Tis ten to one this play can never please  
All that are here: some come to take their ease,  
And sleep an act or two; but those, we fear,  
We have frighted with our trumpets; so, 'tis clear,  
They'll say 'tis naught: others, to hear the city  
Abused extremely, and to cry 'That's witty!'  
Which we have not done neither: that, I fear,  
All the expected good we're like to hear  
For this play at this time, is only in  
The merciful construction of good women;  
For such a one we show'd 'em: if they smile,  
And say 'twill do, I know, within a while  
All the best men are ours; for 'tis ill hap,  
If they hold when their ladies bid 'em clap.

[Next scene](#)

## SCENE I. KING JOHN'S palace.

*Enter KING JOHN, QUEEN ELINOR, PEMBROKE, ESSEX, SALISBURY, and others,  
with CHATILLON*

### KING JOHN

Now, say, Chatillon, what would France with us?

### CHATILLON

Thus, after greeting, speaks the King of France  
In my behavior to the majesty,  
The borrow'd majesty, of England here.

### QUEEN ELINOR

A strange beginning: 'borrow'd majesty!'

### KING JOHN

Silence, good mother; hear the embassy.

### CHATILLON

Philip of France, in right and true behalf  
Of thy deceased brother Geoffrey's son,  
Arthur Plantagenet, lays most lawful claim  
To this fair island and the territories,  
To Ireland, Poictiers, Anjou, Touraine, Maine,  
Desiring thee to lay aside the sword  
Which sways usurpingly these several titles,  
And put these same into young Arthur's hand,  
Thy nephew and right royal sovereign.

### KING JOHN

What follows if we disallow of this?

**CHATILLON**

The proud control of fierce and bloody war,  
To enforce these rights so forcibly withheld.

**KING JOHN**

Here have we war for war and blood for blood,  
Controlment for controlment: so answer France.

**CHATILLON**

Then take my king's defiance from my mouth,  
The farthest limit of my embassy.

**KING JOHN**

Bear mine to him, and so depart in peace:  
Be thou as lightning in the eyes of France;  
For ere thou canst report I will be there,  
The thunder of my cannon shall be heard:  
So hence! Be thou the trumpet of our wrath  
And sullen presage of your own decay.  
An honourable conduct let him have:  
Pembroke, look to 't. Farewell, Chatillon.

*Exeunt CHATILLON and PEMBROKE*

**QUEEN ELINOR**

What now, my son! have I not ever said  
How that ambitious Constance would not cease  
Till she had kindled France and all the world,  
Upon the right and party of her son?  
This might have been prevented and made whole  
With very easy arguments of love,  
Which now the manage of two kingdoms must  
With fearful bloody issue arbitrate.

**KING JOHN**

Our strong possession and our right for us.

**QUEEN ELINOR**

Your strong possession much more than your right,  
Or else it must go wrong with you and me:  
So much my conscience whispers in your ear,  
Which none but heaven and you and I shall hear.

*Enter a Sheriff*

**ESSEX**

My liege, here is the strangest controversy  
Come from country to be judged by you,  
That e'er I heard: shall I produce the men?

**KING JOHN**

Let them approach.  
Our abbeys and our priories shall pay  
This expedition's charge.

*Enter ROBERT and the BASTARD*

What men are you?

**BASTARD**

Your faithful subject I, a gentleman  
Born in Northamptonshire and eldest son,  
As I suppose, to Robert Faulconbridge,  
A soldier, by the honour-giving hand  
Of Coeur-de-lion knighted in the field.

**KING JOHN**

What art thou?

## **ROBERT**

The son and heir to that same Faulconbridge.

## **KING JOHN**

Is that the elder, and art thou the heir?  
You came not of one mother then, it seems.

## **BASTARD**

Most certain of one mother, mighty king;  
That is well known; and, as I think, one father:  
But for the certain knowledge of that truth  
I put you o'er to heaven and to my mother:  
Of that I doubt, as all men's children may.

## **QUEEN ELINOR**

Out on thee, rude man! thou dost shame thy mother  
And wound her honour with this diffidence.

## **BASTARD**

I, madam? no, I have no reason for it;  
That is my brother's plea and none of mine;  
The which if he can prove, a' pops me out  
At least from fair five hundred pound a year:  
Heaven guard my mother's honour and my land!

## **KING JOHN**

A good blunt fellow. Why, being younger born,  
Doth he lay claim to thine inheritance?

## **BASTARD**

I know not why, except to get the land.  
But once he slander'd me with bastardy:  
But whether I be as true begot or no,  
That still I lay upon my mother's head,

But that I am as well begot, my liege,--  
Fair fall the bones that took the pains for me!--  
Compare our faces and be judge yourself.  
If old sir Robert did beget us both  
And were our father and this son like him,  
O old sir Robert, father, on my knee  
I give heaven thanks I was not like to thee!

**KING JOHN**

Why, what a madcap hath heaven lent us here!

**QUEEN ELINOR**

He hath a trick of Coeur-de-lion's face;  
The accent of his tongue affecteth him.  
Do you not read some tokens of my son  
In the large composition of this man?

**KING JOHN**

Mine eye hath well examined his parts  
And finds them perfect Richard. Sirrah, speak,  
What doth move you to claim your brother's land?

**BASTARD**

Because he hath a half-face, like my father.  
With half that face would he have all my land:  
A half-faced goat five hundred pound a year!

**ROBERT**

My gracious liege, when that my father lived,  
Your brother did employ my father much,--

**BASTARD**

Well, sir, by this you cannot get my land:  
Your tale must be how he employ'd my mother.

## **ROBERT**

And once dispatch'd him in an embassy  
To Germany, there with the emperor  
To treat of high affairs touching that time.  
The advantage of his absence took the king  
And in the mean time sojourn'd at my father's;  
Where how he did prevail I shame to speak,  
But truth is truth: large lengths of seas and shores  
Between my father and my mother lay,  
As I have heard my father speak himself,  
When this same lusty gentleman was got.  
Upon his death-bed he by will bequeath'd  
His lands to me, and took it on his death  
That this my mother's son was none of his;  
And if he were, he came into the world  
Full fourteen weeks before the course of time.  
Then, good my liege, let me have what is mine,  
My father's land, as was my father's will.

## **KING JOHN**

Sirrah, your brother is legitimate;  
Your father's wife did after wedlock bear him,  
And if she did play false, the fault was hers;  
Which fault lies on the hazards of all husbands  
That marry wives. Tell me, how if my brother,  
Who, as you say, took pains to get this son,  
Had of your father claim'd this son for his?  
In sooth, good friend, your father might have kept  
This calf bred from his cow from all the world;  
In sooth he might; then, if he were my brother's,  
My brother might not claim him; nor your father,  
Being none of his, refuse him: this concludes;  
My mother's son did get your father's heir;  
Your father's heir must have your father's land.

## **ROBERT**

Shall then my father's will be of no force  
To dispossess that child which is not his?

## **BASTARD**

Of no more force to dispossess me, sir,  
Than was his will to get me, as I think.

## **QUEEN ELINOR**

Whether hadst thou rather be a Faulconbridge  
And like thy brother, to enjoy thy land,  
Or the reputed son of Coeur-de-lion,  
Lord of thy presence and no land beside?

## **BASTARD**

Madam, an if my brother had my shape,  
And I had his, sir Robert's his, like him;  
And if my legs were two such riding-rods,  
My arms such eel-skins stuff'd, my face so thin  
That in mine ear I durst not stick a rose  
Lest men should say 'Look, where three-farthings goes!'  
And, to his shape, were heir to all this land,  
Would I might never stir from off this place,  
I would give it every foot to have this face;  
I would not be sir Nob in any case.

## **QUEEN ELINOR**

I like thee well: wilt thou forsake thy fortune,  
Bequeath thy land to him and follow me?  
I am a soldier and now bound to France.

## **BASTARD**

Brother, take you my land, I'll take my chance.  
Your face hath got five hundred pound a year,  
Yet sell your face for five pence and 'tis dear.  
Madam, I'll follow you unto the death.

## **QUEEN ELINOR**

Nay, I would have you go before me thither.

## **BASTARD**

Our country manners give our betters way.

## **KING JOHN**

What is thy name?

## **BASTARD**

Philip, my liege, so is my name begun,  
Philip, good old sir Robert's wife's eldest son.

## **KING JOHN**

From henceforth bear his name whose form thou bear'st:  
Kneel thou down Philip, but rise more great,  
Arise sir Richard and Plantagenet.

## **BASTARD**

Brother by the mother's side, give me your hand:  
My father gave me honour, yours gave land.  
Now blessed by the hour, by night or day,  
When I was got, sir Robert was away!

## **QUEEN ELINOR**

The very spirit of Plantagenet!  
I am thy grandam, Richard; call me so.

## **BASTARD**

Madam, by chance but not by truth; what though?  
Something about, a little from the right,  
In at the window, or else o'er the hatch:  
Who dares not stir by day must walk by night,  
And have is have, however men do catch:  
Near or far off, well won is still well shot,  
And I am I, howe'er I was begot.

## KING JOHN

Go, Faulconbridge: now hast thou thy desire;  
A landless knight makes thee a landed squire.  
Come, madam, and come, Richard, we must speed  
For France, for France, for it is more than need.

## BASTARD

Brother, adieu: good fortune come to thee!  
For thou wast got i' the way of honesty.

*Exeunt all but BASTARD*

A foot of honour better than I was;  
But many a many foot of land the worse.  
Well, now can I make any Joan a lady.  
'Good den, sir Richard!'--'God-a-mercy, fellow!'--  
And if his name be George, I'll call him Peter;  
For new-made honour doth forget men's names;  
'Tis too respectful and too sociable  
For your conversion. Now your traveller,  
He and his toothpick at my worship's mess,  
And when my knightly stomach is sufficed,  
Why then I suck my teeth and catechise  
My picked man of countries: 'My dear sir,'  
Thus, leaning on mine elbow, I begin,  
'I shall beseech you'--that is question now;  
And then comes answer like an Absey book:  
'O sir,' says answer, 'at your best command;  
At your employment; at your service, sir;'  
'No, sir,' says question, 'I, sweet sir, at yours:'  
And so, ere answer knows what question would,  
Saving in dialogue of compliment,  
And talking of the Alps and Apennines,  
The Pyrenean and the river Po,  
It draws toward supper in conclusion so.  
But this is worshipful society  
And fits the mounting spirit like myself,  
For he is but a bastard to the time  
That doth not smack of observation;  
And so am I, whether I smack or no;

And not alone in habit and device,  
Exterior form, outward accoutrement,  
But from the inward motion to deliver  
Sweet, sweet, sweet poison for the age's tooth:  
Which, though I will not practise to deceive,  
Yet, to avoid deceit, I mean to learn;  
For it shall strew the footsteps of my rising.  
But who comes in such haste in riding-robcs?  
What woman-post is this? hath she no husband  
That will take pains to blow a horn before her?

*Enter LADY FAULCONBRIDGE and GURNEY*

O me! it is my mother. How now, good lady!  
What brings you here to court so hastily?

**LADY FAULCONBRIDGE**

Where is that slave, thy brother? where is he,  
That holds in chase mine honour up and down?

**BASTARD**

My brother Robert? old sir Robert's son?  
Colbrand the giant, that same mighty man?  
Is it sir Robert's son that you seek so?

**LADY FAULCONBRIDGE**

Sir Robert's son! Ay, thou unreverend boy,  
Sir Robert's son: why scorn'st thou at sir Robert?  
He is sir Robert's son, and so art thou.

**BASTARD**

James Gurney, wilt thou give us leave awhile?

**GURNEY**

Good leave, good Philip.

## **BASTARD**

Philip! sparrow: James,  
There's toys abroad: anon I'll tell thee more.

*Exit GURNEY*

Madam, I was not old sir Robert's son:  
Sir Robert might have eat his part in me  
Upon Good-Friday and ne'er broke his fast:  
Sir Robert could do well: marry, to confess,  
Could he get me? Sir Robert could not do it:  
We know his handiwork: therefore, good mother,  
To whom am I beholding for these limbs?  
Sir Robert never holp to make this leg.

## **LADY FAULCONBRIDGE**

Hast thou conspired with thy brother too,  
That for thine own gain shouldst defend mine honour?  
What means this scorn, thou most untoward knave?

## **BASTARD**

Knight, knight, good mother, Basilisco-like.  
What! I am dubb'd! I have it on my shoulder.  
But, mother, I am not sir Robert's son;  
I have disclaim'd sir Robert and my land;  
Legitimation, name and all is gone:  
Then, good my mother, let me know my father;  
Some proper man, I hope: who was it, mother?

## **LADY FAULCONBRIDGE**

Hast thou denied thyself a Faulconbridge?

## **BASTARD**

As faithfully as I deny the devil.

## **LADY FAULCONBRIDGE**

King Richard Coeur-de-lion was thy father:  
By long and vehement suit I was seduced  
To make room for him in my husband's bed:  
Heaven lay not my transgression to my charge!  
Thou art the issue of my dear offence,  
Which was so strongly urged past my defence.

## **BASTARD**

Now, by this light, were I to get again,  
Madam, I would not wish a better father.  
Some sins do bear their privilege on earth,  
And so doth yours; your fault was not your folly:  
Needs must you lay your heart at his dispose,  
Subjected tribute to commanding love,  
Against whose fury and unmatched force  
The aweless lion could not wage the fight,  
Nor keep his princely heart from Richard's hand.  
He that perforce robs lions of their hearts  
May easily win a woman's. Ay, my mother,  
With all my heart I thank thee for my father!  
Who lives and dares but say thou didst not well  
When I was got, I'll send his soul to hell.  
Come, lady, I will show thee to my kin;  
And they shall say, when Richard me begot,  
If thou hadst said him nay, it had been sin:  
Who says it was, he lies; I say 'twas not.

*Exeunt*

## SCENE I. France. Before Angiers.

*Enter AUSTRIA and forces, drums, etc. on one side: on the other KING PHILIP and his power; LEWIS, ARTHUR, CONSTANCE and attendants*

### LEWIS

Before Angiers well met, brave Austria.  
Arthur, that great forerunner of thy blood,  
Richard, that robb'd the lion of his heart  
And fought the holy wars in Palestine,  
By this brave duke came early to his grave:  
And for amends to his posterity,  
At our importance hither is he come,  
To spread his colours, boy, in thy behalf,  
And to rebuke the usurpation  
Of thy unnatural uncle, English John:  
Embrace him, love him, give him welcome hither.

### ARTHUR

God shall forgive you Coeur-de-lion's death  
The rather that you give his offspring life,  
Shadowing their right under your wings of war:  
I give you welcome with a powerless hand,  
But with a heart full of unstained love:  
Welcome before the gates of Angiers, duke.

### LEWIS

A noble boy! Who would not do thee right?

### AUSTRIA

Upon thy cheek lay I this zealous kiss,  
As seal to this indenture of my love,

That to my home I will no more return,  
Till Angiers and the right thou hast in France,  
Together with that pale, that white-faced shore,  
Whose foot spurns back the ocean's roaring tides  
And coops from other lands her islanders,  
Even till that England, hedged in with the main,  
That water-walled bulwark, still secure  
And confident from foreign purposes,  
Even till that utmost corner of the west  
Salute thee for her king: till then, fair boy,  
Will I not think of home, but follow arms.

## **CONSTANCE**

O, take his mother's thanks, a widow's thanks,  
Till your strong hand shall help to give him strength  
To make a more requital to your love!

## **AUSTRIA**

The peace of heaven is theirs that lift their swords  
In such a just and charitable war.

## **KING PHILIP**

Well then, to work: our cannon shall be bent  
Against the brows of this resisting town.  
Call for our chiefest men of discipline,  
To cull the plots of best advantages:  
We'll lay before this town our royal bones,  
Wade to the market-place in Frenchmen's blood,  
But we will make it subject to this boy.

## **CONSTANCE**

Stay for an answer to your embassy,  
Lest unadvised you stain your swords with blood:  
My Lord Chatillon may from England bring,  
That right in peace which here we urge in war,  
And then we shall repent each drop of blood  
That hot rash haste so indirectly shed.

*Enter CHATILLON*

**KING PHILIP**

A wonder, lady! lo, upon thy wish,  
Our messenger Chatillon is arrived!  
What England says, say briefly, gentle lord;  
We coldly pause for thee; Chatillon, speak.

**CHATILLON**

Then turn your forces from this paltry siege  
And stir them up against a mightier task.  
England, impatient of your just demands,  
Hath put himself in arms: the adverse winds,  
Whose leisure I have stay'd, have given him time  
To land his legions all as soon as I;  
His marches are expedient to this town,  
His forces strong, his soldiers confident.  
With him along is come the mother-queen,  
An Ate, stirring him to blood and strife;  
With her her niece, the Lady Blanch of Spain;  
With them a bastard of the king's deceased,  
And all the unsettled humours of the land,  
Rash, inconsiderate, fiery voluntaries,  
With ladies' faces and fierce dragons' spleens,  
Have sold their fortunes at their native homes,  
Bearing their birthrights proudly on their backs,  
To make hazard of new fortunes here:  
In brief, a braver choice of dauntless spirits  
Than now the English bottoms have waft o'er  
Did nearer float upon the swelling tide,  
To do offence and scath in Christendom.

*Drum beats*

The interruption of their churlish drums  
Cuts off more circumstance: they are at hand,  
To parley or to fight; therefore prepare.

**KING PHILIP**

How much unlook'd for is this expedition!

## AUSTRIA

By how much unexpected, by so much  
We must awake endeavour for defence;  
For courage mounteth with occasion:  
Let them be welcome then: we are prepared.

*Enter KING JOHN, QUEEN ELINOR, BLANCH, the BASTARD, Lords, and forces*

## KING JOHN

Peace be to France, if France in peace permit  
Our just and lineal entrance to our own;  
If not, bleed France, and peace ascend to heaven,  
Whiles we, God's wrathful agent, do correct  
Their proud contempt that beats His peace to heaven.

## KING PHILIP

Peace be to England, if that war return  
From France to England, there to live in peace.  
England we love; and for that England's sake  
With burden of our armour here we sweat.  
This toil of ours should be a work of thine;  
But thou from loving England art so far,  
That thou hast under-wrought his lawful king  
Cut off the sequence of posterity,  
Out-faced infant state and done a rape  
Upon the maiden virtue of the crown.  
Look here upon thy brother Geoffrey's face;  
These eyes, these brows, were moulded out of his:  
This little abstract doth contain that large  
Which died in Geoffrey, and the hand of time  
Shall draw this brief into as huge a volume.  
That Geoffrey was thy elder brother born,  
And this his son; England was Geoffrey's right  
And this is Geoffrey's: in the name of God  
How comes it then that thou art call'd a king,  
When living blood doth in these temples beat,  
Which owe the crown that thou o'ermasterest?

**KING JOHN**

From whom hast thou this great commission, France,  
To draw my answer from thy articles?

**KING PHILIP**

From that supernal judge, that stirs good thoughts  
In any breast of strong authority,  
To look into the blots and stains of right:  
That judge hath made me guardian to this boy:  
Under whose warrant I impeach thy wrong  
And by whose help I mean to chastise it.

**KING JOHN**

Alack, thou dost usurp authority.

**KING PHILIP**

Excuse; it is to beat usurping down.

**QUEEN ELINOR**

Who is it thou dost call usurper, France?

**CONSTANCE**

Let me make answer; thy usurping son.

**QUEEN ELINOR**

Out, insolent! thy bastard shall be king,  
That thou mayst be a queen, and cheque the world!

**CONSTANCE**

My bed was ever to thy son as true  
As thine was to thy husband; and this boy  
Liker in feature to his father Geoffrey  
Than thou and John in manners; being as like

As rain to water, or devil to his dam.  
My boy a bastard! By my soul, I think  
His father never was so true begot:  
It cannot be, an if thou wert his mother.

**QUEEN ELINOR**

There's a good mother, boy, that blots thy father.

**CONSTANCE**

There's a good grandam, boy, that would blot thee.

**AUSTRIA**

Peace!

**BASTARD**

Hear the crier.

**AUSTRIA**

What the devil art thou?

**BASTARD**

One that will play the devil, sir, with you,  
An a' may catch your hide and you alone:  
You are the hare of whom the proverb goes,  
Whose valour plucks dead lions by the beard;  
I'll smoke your skin-coat, an I catch you right;  
Sirrah, look to't; i' faith, I will, i' faith.

**BLANCH**

O, well did he become that lion's robe  
That did disrobe the lion of that robe!

**BASTARD**

It lies as sightly on the back of him  
As great Alcides' shows upon an ass:  
But, ass, I'll take that burthen from your back,  
Or lay on that shall make your shoulders crack.

## **AUSTRIA**

What craker is this same that deafs our ears  
With this abundance of superfluous breath?

## **KING PHILIP**

Lewis, determine what we shall do straight.

## **LEWIS**

Women and fools, break off your conference.  
King John, this is the very sum of all;  
England and Ireland, Anjou, Touraine, Maine,  
In right of Arthur do I claim of thee:  
Wilt thou resign them and lay down thy arms?

## **KING JOHN**

My life as soon: I do defy thee, France.  
Arthur of Bretagne, yield thee to my hand;  
And out of my dear love I'll give thee more  
Than e'er the coward hand of France can win:  
Submit thee, boy.

## **QUEEN ELINOR**

Come to thy grandam, child.

## **CONSTANCE**

Do, child, go to it grandam, child:  
Give grandam kingdom, and it grandam will  
Give it a plum, a cherry, and a fig:  
There's a good grandam.

## **ARTHUR**

Good my mother, peace!  
I would that I were low laid in my grave:  
I am not worth this coil that's made for me.

## **QUEEN ELINOR**

His mother shames him so, poor boy, he weeps.

## **CONSTANCE**

Now shame upon you, whether she does or no!  
His grandam's wrongs, and not his mother's shames,  
Draws those heaven-moving pearls from his poor eyes,  
Which heaven shall take in nature of a fee;  
Ay, with these crystal beads heaven shall be bribed  
To do him justice and revenge on you.

## **QUEEN ELINOR**

Thou monstrous slanderer of heaven and earth!

## **CONSTANCE**

Thou monstrous injurer of heaven and earth!  
Call not me slanderer; thou and thine usurp  
The dominations, royalties and rights  
Of this oppressed boy: this is thy eld'st son's son,  
Infortunate in nothing but in thee:  
Thy sins are visited in this poor child;  
The canon of the law is laid on him,  
Being but the second generation  
Removed from thy sin-conceiving womb.

## **KING JOHN**

Bedlam, have done.

## **CONSTANCE**

I have but this to say,  
That he is not only plagued for her sin,  
But God hath made her sin and her the plague  
On this removed issue, plague for her  
And with her plague; her sin his injury,  
Her injury the beadle to her sin,  
All punish'd in the person of this child,  
And all for her; a plague upon her!

**QUEEN ELINOR**

Thou unadvised scold, I can produce  
A will that bars the title of thy son.

**CONSTANCE**

Ay, who doubts that? a will! a wicked will:  
A woman's will; a canker'd grandam's will!

**KING PHILIP**

Peace, lady! pause, or be more temperate:  
It ill beseems this presence to cry aim  
To these ill-tuned repetitions.  
Some trumpet summon hither to the walls  
These men of Angiers: let us hear them speak  
Whose title they admit, Arthur's or John's.

*Trumpet sounds. Enter certain Citizens upon the walls*

**First Citizen**

Who is it that hath warn'd us to the walls?

**KING PHILIP**

'Tis France, for England.

**KING JOHN**

England, for itself.

You men of Angiers, and my loving subjects--

**KING PHILIP**

You loving men of Angiers, Arthur's subjects,  
Our trumpet call'd you to this gentle parle--

**KING JOHN**

For our advantage; therefore hear us first.  
These flags of France, that are advanced here  
Before the eye and prospect of your town,  
Have hither march'd to your endamagement:  
The cannons have their bowels full of wrath,  
And ready mounted are they to spit forth  
Their iron indignation 'gainst your walls:  
All preparation for a bloody siege  
All merciless proceeding by these French  
Confronts your city's eyes, your winking gates;  
And but for our approach those sleeping stones,  
That as a waist doth girdle you about,  
By the compulsion of their ordinance  
By this time from their fixed beds of lime  
Had been dishabited, and wide havoc made  
For bloody power to rush upon your peace.  
But on the sight of us your lawful king,  
Who painfully with much expedient march  
Have brought a countercheque before your gates,  
To save unscratch'd your city's threatened cheeks,  
Behold, the French amazed vouchsafe a parle;  
And now, instead of bullets wrapp'd in fire,  
To make a shaking fever in your walls,  
They shoot but calm words folded up in smoke,  
To make a faithless error in your ears:  
Which trust accordingly, kind citizens,  
And let us in, your king, whose labour'd spirits,  
Forwearied in this action of swift speed,  
Crave harbourage within your city walls.

**KING PHILIP**

When I have said, make answer to us both.

Lo, in this right hand, whose protection  
Is most divinely vow'd upon the right  
Of him it holds, stands young Plantagenet,  
Son to the elder brother of this man,  
And king o'er him and all that he enjoys:  
For this down-trodden equity, we tread  
In warlike march these greens before your town,  
Being no further enemy to you  
Than the constraint of hospitable zeal  
In the relief of this oppressed child  
Religiously provokes. Be pleased then  
To pay that duty which you truly owe  
To that owes it, namely this young prince:  
And then our arms, like to a muzzled bear,  
Save in aspect, hath all offence seal'd up;  
Our cannons' malice vainly shall be spent  
Against the invulnerable clouds of heaven;  
And with a blessed and unvex'd retire,  
With unhack'd swords and helmets all unbruised,  
We will bear home that lusty blood again  
Which here we came to spout against your town,  
And leave your children, wives and you in peace.  
But if you fondly pass our proffer'd offer,  
'Tis not the roundure of your old-faced walls  
Can hide you from our messengers of war,  
Though all these English and their discipline  
Were harbour'd in their rude circumference.  
Then tell us, shall your city call us lord,  
In that behalf which we have challenged it?  
Or shall we give the signal to our rage  
And stalk in blood to our possession?

### **First Citizen**

In brief, we are the king of England's subjects:  
For him, and in his right, we hold this town.

### **KING JOHN**

Acknowledge then the king, and let me in.

### **First Citizen**

That can we not; but he that proves the king,  
To him will we prove loyal: till that time  
Have we ramm'd up our gates against the world.

**KING JOHN**

Doth not the crown of England prove the king?  
And if not that, I bring you witnesses,  
Twice fifteen thousand hearts of England's breed,--

**BASTARD**

Bastards, and else.

**KING JOHN**

To verify our title with their lives.

**KING PHILIP**

As many and as well-born bloods as those,--

**BASTARD**

Some bastards too.

**KING PHILIP**

Stand in his face to contradict his claim.

**First Citizen**

Till you compound whose right is worthiest,  
We for the worthiest hold the right from both.

**KING JOHN**

Then God forgive the sin of all those souls  
That to their everlasting residence,  
Before the dew of evening fall, shall fleet,  
In dreadful trial of our kingdom's king!

## **KING PHILIP**

Amen, amen! Mount, chevaliers! to arms!

## **BASTARD**

Saint George, that swung the dragon, and e'er since  
Sits on his horseback at mine hostess' door,  
Teach us some fence!

*To AUSTRIA*

Sirrah, were I at home,  
At your den, sirrah, with your lioness  
I would set an ox-head to your lion's hide,  
And make a monster of you.

## **AUSTRIA**

Peace! no more.

## **BASTARD**

O tremble, for you hear the lion roar.

## **KING JOHN**

Up higher to the plain; where we'll set forth  
In best appointment all our regiments.

## **BASTARD**

Speed then, to take advantage of the field.

## **KING PHILIP**

It shall be so; and at the other hill  
Command the rest to stand. God and our right!

*Exeunt*

*Here after excursions, enter the Herald of France, with trumpets, to the gates*

## **French Herald**

You men of Angiers, open wide your gates,  
And let young Arthur, Duke of Bretagne, in,  
Who by the hand of France this day hath made  
Much work for tears in many an English mother,  
Whose sons lie scattered on the bleeding ground;  
Many a widow's husband grovelling lies,  
Coldly embracing the discolour'd earth;  
And victory, with little loss, doth play  
Upon the dancing banners of the French,  
Who are at hand, triumphantly display'd,  
To enter conquerors and to proclaim  
Arthur of Bretagne England's king and yours.

*Enter English Herald, with trumpet*

## **English Herald**

Rejoice, you men of Angiers, ring your bells:  
King John, your king and England's doth approach,  
Commander of this hot malicious day:  
Their armours, that march'd hence so silver-bright,  
Hither return all gilt with Frenchmen's blood;  
There stuck no plume in any English crest  
That is removed by a staff of France;  
Our colours do return in those same hands  
That did display them when we first march'd forth;  
And, like a troop of jolly huntsmen, come  
Our lusty English, all with purpled hands,  
Dyed in the dying slaughter of their foes:  
Open your gates and give the victors way.

## **First Citizen**

Heralds, from off our towers we might behold,  
From first to last, the onset and retire  
Of both your armies; whose equality  
By our best eyes cannot be censured:

Blood hath bought blood and blows have answered blows;  
Strength match'd with strength, and power confronted power:  
Both are alike; and both alike we like.  
One must prove greatest: while they weigh so even,  
We hold our town for neither, yet for both.

*Re-enter KING JOHN and KING PHILIP, with their powers, severally*

## **KING JOHN**

France, hast thou yet more blood to cast away?  
Say, shall the current of our right run on?  
Whose passage, vex'd with thy impediment,  
Shall leave his native channel and o'erswell  
With course disturb'd even thy confining shores,  
Unless thou let his silver water keep  
A peaceful progress to the ocean.

## **KING PHILIP**

England, thou hast not saved one drop of blood,  
In this hot trial, more than we of France;  
Rather, lost more. And by this hand I swear,  
That sways the earth this climate overlooks,  
Before we will lay down our just-borne arms,  
We'll put thee down, 'gainst whom these arms we bear,  
Or add a royal number to the dead,  
Gracing the scroll that tells of this war's loss  
With slaughter coupled to the name of kings.

## **BASTARD**

Ha, majesty! how high thy glory towers,  
When the rich blood of kings is set on fire!  
O, now doth Death line his dead chaps with steel;  
The swords of soldiers are his teeth, his fangs;  
And now he feasts, mousing the flesh of men,  
In undetermined differences of kings.  
Why stand these royal fronts amazed thus?  
Cry, 'havoc!' kings; back to the stained field,  
You equal potents, fiery kindled spirits!  
Then let confusion of one part confirm

The other's peace: till then, blows, blood and death!

**KING JOHN**

Whose party do the townsmen yet admit?

**KING PHILIP**

Speak, citizens, for England; who's your king?

**First Citizen**

The king of England; when we know the king.

**KING PHILIP**

Know him in us, that here hold up his right.

**KING JOHN**

In us, that are our own great deputy  
And bear possession of our person here,  
Lord of our presence, Angiers, and of you.

**First Citizen**

A greater power then we denies all this;  
And till it be undoubted, we do lock  
Our former scruple in our strong-barr'd gates;  
King'd of our fears, until our fears, resolved,  
Be by some certain king purged and deposed.

**BASTARD**

By heaven, these scroyles of Angiers flout you, kings,  
And stand securely on their battlements,  
As in a theatre, whence they gape and point  
At your industrious scenes and acts of death.  
Your royal presences be ruled by me:  
Do like the mutines of Jerusalem,  
Be friends awhile and both conjointly bend

Your sharpest deeds of malice on this town:  
By east and west let France and England mount  
Their battering cannon charged to the mouths,  
Till their soul-fearing clamours have brawl'd down  
The flinty ribs of this contemptuous city:  
I'd play incessantly upon these jades,  
Even till unfenced desolation  
Leave them as naked as the vulgar air.  
That done, dissever your united strengths,  
And part your mingled colours once again;  
Turn face to face and bloody point to point;  
Then, in a moment, Fortune shall cull forth  
Out of one side her happy minion,  
To whom in favour she shall give the day,  
And kiss him with a glorious victory.  
How like you this wild counsel, mighty states?  
Smacks it not something of the policy?

## **KING JOHN**

Now, by the sky that hangs above our heads,  
I like it well. France, shall we knit our powers  
And lay this Angiers even to the ground;  
Then after fight who shall be king of it?

## **BASTARD**

An if thou hast the mettle of a king,  
Being wronged as we are by this peevish town,  
Turn thou the mouth of thy artillery,  
As we will ours, against these saucy walls;  
And when that we have dash'd them to the ground,  
Why then defy each other and pell-mell  
Make work upon ourselves, for heaven or hell.

## **KING PHILIP**

Let it be so. Say, where will you assault?

## **KING JOHN**

We from the west will send destruction

Into this city's bosom.

## **AUSTRIA**

I from the north.

## **KING PHILIP**

Our thunder from the south  
Shall rain their drift of bullets on this town.

## **BASTARD**

O prudent discipline! From north to south:  
Austria and France shoot in each other's mouth:  
I'll stir them to it. Come, away, away!

## **First Citizen**

Hear us, great kings: vouchsafe awhile to stay,  
And I shall show you peace and fair-faced league;  
Win you this city without stroke or wound;  
Rescue those breathing lives to die in beds,  
That here come sacrifices for the field:  
Persever not, but hear me, mighty kings.

## **KING JOHN**

Speak on with favour; we are bent to hear.

## **First Citizen**

That daughter there of Spain, the Lady Blanch,  
Is niece to England: look upon the years  
Of Lewis the Dauphin and that lovely maid:  
If lusty love should go in quest of beauty,  
Where should he find it fairer than in Blanch?  
If zealous love should go in search of virtue,  
Where should he find it purer than in Blanch?  
If love ambitious sought a match of birth,  
Whose veins bound richer blood than Lady Blanch?  
Such as she is, in beauty, virtue, birth,

Is the young Dauphin every way complete:  
If not complete of, say he is not she;  
And she again wants nothing, to name want,  
If want it be not that she is not he:  
He is the half part of a blessed man,  
Left to be finished by such as she;  
And she a fair divided excellence,  
Whose fulness of perfection lies in him.  
O, two such silver currents, when they join,  
Do glorify the banks that bound them in;  
And two such shores to two such streams made one,  
Two such controlling bounds shall you be, kings,  
To these two princes, if you marry them.  
This union shall do more than battery can  
To our fast-closed gates; for at this match,  
With swifter spleen than powder can enforce,  
The mouth of passage shall we fling wide ope,  
And give you entrance: but without this match,  
The sea enraged is not half so deaf,  
Lions more confident, mountains and rocks  
More free from motion, no, not Death himself  
In moral fury half so peremptory,  
As we to keep this city.

## **BASTARD**

Here's a stay  
That shakes the rotten carcass of old Death  
Out of his rags! Here's a large mouth, indeed,  
That spits forth death and mountains, rocks and seas,  
Talks as familiarly of roaring lions  
As maids of thirteen do of puppy-dogs!  
What cannoneer begot this lusty blood?  
He speaks plain cannon fire, and smoke and bounce;  
He gives the bastinado with his tongue:  
Our ears are cudgell'd; not a word of his  
But buffets better than a fist of France:  
Zounds! I was never so bethump'd with words  
Since I first call'd my brother's father dad.

## **QUEEN ELINOR**

Son, list to this conjunction, make this match;  
Give with our niece a dowry large enough:  
For by this knot thou shalt so surely tie  
Thy now unsured assurance to the crown,  
That yon green boy shall have no sun to ripe  
The bloom that promiseth a mighty fruit.  
I see a yielding in the looks of France;  
Mark, how they whisper: urge them while their souls  
Are capable of this ambition,  
Lest zeal, now melted by the windy breath  
Of soft petitions, pity and remorse,  
Cool and congeal again to what it was.

### **First Citizen**

Why answer not the double majesties  
This friendly treaty of our threaten'd town?

### **KING PHILIP**

Speak England first, that hath been forward first  
To speak unto this city: what say you?

### **KING JOHN**

If that the Dauphin there, thy princely son,  
Can in this book of beauty read 'I love,'  
Her dowry shall weigh equal with a queen:  
For Anjou and fair Touraine, Maine, Poitiers,  
And all that we upon this side the sea,  
Except this city now by us besieged,  
Find liable to our crown and dignity,  
Shall gild her bridal bed and make her rich  
In titles, honours and promotions,  
As she in beauty, education, blood,  
Holds hand with any princess of the world.

### **KING PHILIP**

What say'st thou, boy? look in the lady's face.

### **LEWIS**

I do, my lord; and in her eye I find  
A wonder, or a wondrous miracle,  
The shadow of myself form'd in her eye:  
Which being but the shadow of your son,  
Becomes a sun and makes your son a shadow:  
I do protest I never loved myself  
Till now infixed I beheld myself  
Drawn in the flattering table of her eye.

*Whispers with BLANCH*

## **BASTARD**

Drawn in the flattering table of her eye!  
Hang'd in the frowning wrinkle of her brow!  
And quarter'd in her heart! he doth espy  
Himself love's traitor: this is pity now,  
That hang'd and drawn and quartered, there should be  
In such a love so vile a lout as he.

## **BLANCH**

My uncle's will in this respect is mine:  
If he see aught in you that makes him like,  
That any thing he sees, which moves his liking,  
I can with ease translate it to my will;  
Or if you will, to speak more properly,  
I will enforce it easily to my love.  
Further I will not flatter you, my lord,  
That all I see in you is worthy love,  
Than this; that nothing do I see in you,  
Though churlish thoughts themselves should be your judge,  
That I can find should merit any hate.

## **KING JOHN**

What say these young ones? What say you my niece?

## **BLANCH**

That she is bound in honour still to do

What you in wisdom still vouchsafe to say.

**KING JOHN**

Speak then, prince Dauphin; can you love this lady?

**LEWIS**

Nay, ask me if I can refrain from love;  
For I do love her most unfeignedly.

**KING JOHN**

Then do I give Volquessen, Touraine, Maine,  
Poitiers and Anjou, these five provinces,  
With her to thee; and this addition more,  
Full thirty thousand marks of English coin.  
Philip of France, if thou be pleased withal,  
Command thy son and daughter to join hands.

**KING PHILIP**

It likes us well; young princes, close your hands.

**AUSTRIA**

And your lips too; for I am well assured  
That I did so when I was first assured.

**KING PHILIP**

Now, citizens of Angiers, ope your gates,  
Let in that amity which you have made;  
For at Saint Mary's chapel presently  
The rites of marriage shall be solemnized.  
Is not the Lady Constance in this troop?  
I know she is not, for this match made up  
Her presence would have interrupted much:  
Where is she and her son? tell me, who knows.

**LEWIS**

She is sad and passionate at your highness' tent.

## **KING PHILIP**

And, by my faith, this league that we have made  
Will give her sadness very little cure.  
Brother of England, how may we content  
This widow lady? In her right we came;  
Which we, God knows, have turn'd another way,  
To our own vantage.

## **KING JOHN**

We will heal up all;  
For we'll create young Arthur Duke of Bretagne  
And Earl of Richmond; and this rich fair town  
We make him lord of. Call the Lady Constance;  
Some speedy messenger bid her repair  
To our solemnity: I trust we shall,  
If not fill up the measure of her will,  
Yet in some measure satisfy her so  
That we shall stop her exclamation.  
Go we, as well as haste will suffer us,  
To this unlook'd for, unprepared pomp.

*Exeunt all but the BASTARD*

## **BASTARD**

Mad world! mad kings! mad composition!  
John, to stop Arthur's title in the whole,  
Hath willingly departed with a part,  
And France, whose armour conscience buckled on,  
Whom zeal and charity brought to the field  
As God's own soldier, rounded in the ear  
With that same purpose-changer, that sly devil,  
That broker, that still breaks the pate of faith,  
That daily break-vow, he that wins of all,  
Of kings, of beggars, old men, young men, maids,  
Who, having no external thing to lose  
But the word 'maid,' cheats the poor maid of that,  
That smooth-faced gentleman, tickling Commodity,

Commodity, the bias of the world,  
The world, who of itself is peised well,  
Made to run even upon even ground,  
Till this advantage, this vile-drawing bias,  
This sway of motion, this Commodity,  
Makes it take head from all indifferency,  
From all direction, purpose, course, intent:  
And this same bias, this Commodity,  
This bawd, this broker, this all-changing word,  
Clapp'd on the outward eye of fickle France,  
Hath drawn him from his own determined aid,  
From a resolved and honourable war,  
To a most base and vile-concluded peace.  
And why rail I on this Commodity?  
But for because he hath not woo'd me yet:  
Not that I have the power to clutch my hand,  
When his fair angels would salute my palm;  
But for my hand, as unattempted yet,  
Like a poor beggar, railleth on the rich.  
Well, whiles I am a beggar, I will rail  
And say there is no sin but to be rich;  
And being rich, my virtue then shall be  
To say there is no vice but beggary.  
Since kings break faith upon commodity,  
Gain, be my lord, for I will worship thee.

*Exit*

## SCENE I. The French King's pavilion.

*Enter CONSTANCE, ARTHUR, and SALISBURY*

### CONSTANCE

Gone to be married! gone to swear a peace!  
False blood to false blood join'd! gone to be friends!  
Shall Lewis have Blanch, and Blanch those provinces?  
It is not so; thou hast misspoke, misheard:  
Be well advised, tell o'er thy tale again:  
It cannot be; thou dost but say 'tis so:  
I trust I may not trust thee; for thy word  
Is but the vain breath of a common man:  
Believe me, I do not believe thee, man;  
I have a king's oath to the contrary.  
Thou shalt be punish'd for thus frightening me,  
For I am sick and capable of fears,  
Oppress'd with wrongs and therefore full of fears,  
A widow, husbandless, subject to fears,  
A woman, naturally born to fears;  
And though thou now confess thou didst but jest,  
With my vex'd spirits I cannot take a truce,  
But they will quake and tremble all this day.  
What dost thou mean by shaking of thy head?  
Why dost thou look so sadly on my son?  
What means that hand upon that breast of thine?  
Why holds thine eye that lamentable rheum,  
Like a proud river peering o'er his bounds?  
Be these sad signs confirmers of thy words?  
Then speak again; not all thy former tale,  
But this one word, whether thy tale be true.

### SALISBURY

As true as I believe you think them false  
That give you cause to prove my saying true.

## CONSTANCE

O, if thou teach me to believe this sorrow,  
Teach thou this sorrow how to make me die,  
And let belief and life encounter so  
As doth the fury of two desperate men  
Which in the very meeting fall and die.  
Lewis marry Blanch! O boy, then where art thou?  
France friend with England, what becomes of me?  
Fellow, be gone: I cannot brook thy sight:  
This news hath made thee a most ugly man.

## SALISBURY

What other harm have I, good lady, done,  
But spoke the harm that is by others done?

## CONSTANCE

Which harm within itself so heinous is  
As it makes harmful all that speak of it.

## ARTHUR

I do beseech you, madam, be content.

## CONSTANCE

If thou, that bid'st me be content, wert grim,  
Ugly and slanderous to thy mother's womb,  
Full of unpleasing blots and sightless stains,  
Lame, foolish, crooked, swart, prodigious,  
Patch'd with foul moles and eye-offending marks,  
I would not care, I then would be content,  
For then I should not love thee, no, nor thou  
Become thy great birth nor deserve a crown.  
But thou art fair, and at thy birth, dear boy,  
Nature and Fortune join'd to make thee great:  
Of Nature's gifts thou mayst with lilies boast,  
And with the half-blown rose. But Fortune, O,  
She is corrupted, changed and won from thee;

She adulterates hourly with thine uncle John,  
And with her golden hand hath pluck'd on France  
To tread down fair respect of sovereignty,  
And made his majesty the bawd to theirs.  
France is a bawd to Fortune and King John,  
That strumpet Fortune, that usurping John!  
Tell me, thou fellow, is not France forsworn?  
Envenom him with words, or get thee gone  
And leave those woes alone which I alone  
Am bound to under-bear.

## **SALISBURY**

Pardon me, madam,  
I may not go without you to the kings.

## **CONSTANCE**

Thou mayst, thou shalt; I will not go with thee:  
I will instruct my sorrows to be proud;  
For grief is proud and makes his owner stoop.  
To me and to the state of my great grief  
Let kings assemble; for my grief's so great  
That no supporter but the huge firm earth  
Can hold it up: here I and sorrows sit;  
Here is my throne, bid kings come bow to it.

*Seats herself on the ground*

*Enter KING JOHN, KING PHILLIP, LEWIS, BLANCH, QUEEN ELINOR, the BASTARD,  
AUSTRIA, and Attendants*

## **KING PHILIP**

'Tis true, fair daughter; and this blessed day  
Ever in France shall be kept festival:  
To solemnize this day the glorious sun  
Stays in his course and plays the alchemist,  
Turning with splendor of his precious eye  
The meagre cloddy earth to glittering gold:  
The yearly course that brings this day about  
Shall never see it but a holiday.

## CONSTANCE

A wicked day, and not a holy day!

*Rising*

What hath this day deserved? what hath it done,  
That it in golden letters should be set  
Among the high tides in the calendar?  
Nay, rather turn this day out of the week,  
This day of shame, oppression, perjury.  
Or, if it must stand still, let wives with child  
Pray that their burthens may not fall this day,  
Lest that their hopes prodigiously be cross'd:  
But on this day let seamen fear no wreck;  
No bargains break that are not this day made:  
This day, all things begun come to ill end,  
Yea, faith itself to hollow falsehood change!

## KING PHILIP

By heaven, lady, you shall have no cause  
To curse the fair proceedings of this day:  
Have I not pawn'd to you my majesty?

## CONSTANCE

You have beguiled me with a counterfeit  
Resembling majesty, which, being touch'd and tried,  
Proves valueless: you are forsworn, forsworn;  
You came in arms to spill mine enemies' blood,  
But now in arms you strengthen it with yours:  
The grappling vigour and rough frown of war  
Is cold in amity and painted peace,  
And our oppression hath made up this league.  
Arm, arm, you heavens, against these perjured kings!  
A widow cries; be husband to me, heavens!  
Let not the hours of this ungodly day  
Wear out the day in peace; but, ere sunset,  
Set armed discord 'twixt these perjured kings!  
Hear me, O, hear me!

## AUSTRIA

Lady Constance, peace!

## CONSTANCE

War! war! no peace! peace is to me a war  
O Lymoges! O Austria! thou dost shame  
That bloody spoil: thou slave, thou wretch, thou coward!  
Thou little valiant, great in villany!  
Thou ever strong upon the stronger side!  
Thou Fortune's champion that dost never fight  
But when her humorous ladyship is by  
To teach thee safety! thou art perjured too,  
And soothest up greatness. What a fool art thou,  
A ramping fool, to brag and stamp and swear  
Upon my party! Thou cold-blooded slave,  
Hast thou not spoke like thunder on my side,  
Been sworn my soldier, bidding me depend  
Upon thy stars, thy fortune and thy strength,  
And dost thou now fall over to my foes?  
Thou wear a lion's hide! doff it for shame,  
And hang a calf's-skin on those recreant limbs.

## AUSTRIA

O, that a man should speak those words to me!

## BASTARD

And hang a calf's-skin on those recreant limbs.

## AUSTRIA

Thou darest not say so, villain, for thy life.

## BASTARD

And hang a calf's-skin on those recreant limbs.

## KING JOHN

We like not this; thou dost forget thyself.

*Enter CARDINAL PANDULPH*

**KING PHILIP**

Here comes the holy legate of the pope.

**CARDINAL PANDULPH**

Hail, you anointed deputies of heaven!  
To thee, King John, my holy errand is.  
I Pandulph, of fair Milan cardinal,  
And from Pope Innocent the legate here,  
Do in his name religiously demand  
Why thou against the church, our holy mother,  
So wilfully dost spurn; and force perforce  
Keep Stephen Langton, chosen archbishop  
Of Canterbury, from that holy see?  
This, in our foresaid holy father's name,  
Pope Innocent, I do demand of thee.

**KING JOHN**

What earthy name to interrogatories  
Can task the free breath of a sacred king?  
Thou canst not, cardinal, devise a name  
So slight, unworthy and ridiculous,  
To charge me to an answer, as the pope.  
Tell him this tale; and from the mouth of England  
Add thus much more, that no Italian priest  
Shall tithe or toll in our dominions;  
But as we, under heaven, are supreme head,  
So under Him that great supremacy,  
Where we do reign, we will alone uphold,  
Without the assistance of a mortal hand:  
So tell the pope, all reverence set apart  
To him and his usurp'd authority.

**KING PHILIP**

Brother of England, you blaspheme in this.

## **KING JOHN**

Though you and all the kings of Christendom  
Are led so grossly by this meddling priest,  
Dreading the curse that money may buy out;  
And by the merit of vile gold, dross, dust,  
Purchase corrupted pardon of a man,  
Who in that sale sells pardon from himself,  
Though you and all the rest so grossly led  
This juggling witchcraft with revenue cherish,  
Yet I alone, alone do me oppose  
Against the pope and count his friends my foes.

## **CARDINAL PANDULPH**

Then, by the lawful power that I have,  
Thou shalt stand cursed and excommunicate.  
And blessed shall he be that doth revolt  
From his allegiance to an heretic;  
And meritorious shall that hand be call'd,  
Canonized and worshipped as a saint,  
That takes away by any secret course  
Thy hateful life.

## **CONSTANCE**

O, lawful let it be  
That I have room with Rome to curse awhile!  
Good father cardinal, cry thou amen  
To my keen curses; for without my wrong  
There is no tongue hath power to curse him right.

## **CARDINAL PANDULPH**

There's law and warrant, lady, for my curse.

## **CONSTANCE**

And for mine too: when law can do no right,  
Let it be lawful that law bar no wrong:

Law cannot give my child his kingdom here,  
For he that holds his kingdom holds the law;  
Therefore, since law itself is perfect wrong,  
How can the law forbid my tongue to curse?

**CARDINAL PANDULPH**

Philip of France, on peril of a curse,  
Let go the hand of that arch-heretic;  
And raise the power of France upon his head,  
Unless he do submit himself to Rome.

**QUEEN ELINOR**

Look'st thou pale, France? do not let go thy hand.

**CONSTANCE**

Look to that, devil; lest that France repent,  
And by disjoining hands, hell lose a soul.

**AUSTRIA**

King Philip, listen to the cardinal.

**BASTARD**

And hang a calf's-skin on his recreant limbs.

**AUSTRIA**

Well, ruffian, I must pocket up these wrongs, Because--

**BASTARD**

Your breeches best may carry them.

**KING JOHN**

Philip, what say'st thou to the cardinal?

**CONSTANCE**

What should he say, but as the cardinal?

**LEWIS**

Bethink you, father; for the difference  
Is purchase of a heavy curse from Rome,  
Or the light loss of England for a friend:  
Forego the easier.

**BLANCH**

That's the curse of Rome.

**CONSTANCE**

O Lewis, stand fast! the devil tempts thee here  
In likeness of a new untrimmed bride.

**BLANCH**

The Lady Constance speaks not from her faith,  
But from her need.

**CONSTANCE**

O, if thou grant my need,  
Which only lives but by the death of faith,  
That need must needs infer this principle,  
That faith would live again by death of need.  
O then, tread down my need, and faith mounts up;  
Keep my need up, and faith is trodden down!

**KING JOHN**

The king is moved, and answers not to this.

**CONSTANCE**

O, be removed from him, and answer well!

## **AUSTRIA**

Do so, King Philip; hang no more in doubt.

## **BASTARD**

Hang nothing but a calf's-skin, most sweet lout.

## **KING PHILIP**

I am perplex'd, and know not what to say.

## **CARDINAL PANDULPH**

What canst thou say but will perplex thee more,  
If thou stand excommunicate and cursed?

## **KING PHILIP**

Good reverend father, make my person yours,  
And tell me how you would bestow yourself.  
This royal hand and mine are newly knit,  
And the conjunction of our inward souls  
Married in league, coupled and linked together  
With all religious strength of sacred vows;  
The latest breath that gave the sound of words  
Was deep-sworn faith, peace, amity, true love  
Between our kingdoms and our royal selves,  
And even before this truce, but new before,  
No longer than we well could wash our hands  
To clap this royal bargain up of peace,  
Heaven knows, they were besmear'd and over-stain'd  
With slaughter's pencil, where revenge did paint  
The fearful difference of incensed kings:  
And shall these hands, so lately purged of blood,  
So newly join'd in love, so strong in both,  
Unyoke this seizure and this kind regret?  
Play fast and loose with faith? so jest with heaven,  
Make such unconstant children of ourselves,  
As now again to snatch our palm from palm,  
Unswear faith sworn, and on the marriage-bed

Of smiling peace to march a bloody host,  
And make a riot on the gentle brow  
Of true sincerity? O, holy sir,  
My reverend father, let it not be so!  
Out of your grace, devise, ordain, impose  
Some gentle order; and then we shall be blest  
To do your pleasure and continue friends.

## **CARDINAL PANDULPH**

All form is formless, order orderless,  
Save what is opposite to England's love.  
Therefore to arms! be champion of our church,  
Or let the church, our mother, breathe her curse,  
A mother's curse, on her revolting son.  
France, thou mayst hold a serpent by the tongue,  
A chafed lion by the mortal paw,  
A fasting tiger safer by the tooth,  
Than keep in peace that hand which thou dost hold.

## **KING PHILIP**

I may disjoin my hand, but not my faith.

## **CARDINAL PANDULPH**

So makest thou faith an enemy to faith;  
And like a civil war set'st oath to oath,  
Thy tongue against thy tongue. O, let thy vow  
First made to heaven, first be to heaven perform'd,  
That is, to be the champion of our church!  
What since thou sworest is sworn against thyself  
And may not be performed by thyself,  
For that which thou hast sworn to do amiss  
Is not amiss when it is truly done,  
And being not done, where doing tends to ill,  
The truth is then most done not doing it:  
The better act of purposes mistook  
Is to mistake again; though indirect,  
Yet indirection thereby grows direct,  
And falsehood falsehood cures, as fire cools fire  
Within the scorched veins of one new-burn'd.

It is religion that doth make vows kept;  
But thou hast sworn against religion,  
By what thou swear'st against the thing thou swear'st,  
And makest an oath the surety for thy truth  
Against an oath: the truth thou art unsure  
To swear, swears only not to be forsworn;  
Else what a mockery should it be to swear!  
But thou dost swear only to be forsworn;  
And most forsworn, to keep what thou dost swear.  
Therefore thy later vows against thy first  
Is in thyself rebellion to thyself;  
And better conquest never canst thou make  
Than arm thy constant and thy nobler parts  
Against these giddy loose suggestions:  
Upon which better part our prayers come in,  
If thou vouchsafe them. But if not, then know  
The peril of our curses light on thee  
So heavy as thou shalt not shake them off,  
But in despair die under their black weight.

## **AUSTRIA**

Rebellion, flat rebellion!

## **BASTARD**

Will't not be?  
Will not a calfs-skin stop that mouth of thine?

## **LEWIS**

Father, to arms!

## **BLANCH**

Upon thy wedding-day?  
Against the blood that thou hast married?  
What, shall our feast be kept with slaughter'd men?  
Shall braying trumpets and loud churlish drums,  
Clamours of hell, be measures to our pomp?  
O husband, hear me! ay, alack, how new  
Is husband in my mouth! even for that name,

Which till this time my tongue did ne'er pronounce,  
Upon my knee I beg, go not to arms  
Against mine uncle.

**CONSTANCE**

O, upon my knee,  
Made hard with kneeling, I do pray to thee,  
Thou virtuous Dauphin, alter not the doom  
Forethought by heaven!

**BLANCH**

Now shall I see thy love: what motive may  
Be stronger with thee than the name of wife?

**CONSTANCE**

That which upholdeth him that thee upholds,  
His honour: O, thine honour, Lewis, thine honour!

**LEWIS**

I muse your majesty doth seem so cold,  
When such profound respects do pull you on.

**CARDINAL PANDULPH**

I will denounce a curse upon his head.

**KING PHILIP**

Thou shalt not need. England, I will fall from thee.

**CONSTANCE**

O fair return of banish'd majesty!

**QUEEN ELINOR**

O foul revolt of French inconstancy!

**KING JOHN**

France, thou shalt rue this hour within this hour.

**BASTARD**

Old Time the clock-setter, that bald sexton Time,  
Is it as he will? well then, France shall rue.

**BLANCH**

The sun's o'er-cast with blood: fair day, adieu!  
Which is the side that I must go withal?  
I am with both: each army hath a hand;  
And in their rage, I having hold of both,  
They swirl asunder and dismember me.  
Husband, I cannot pray that thou mayst win;  
Uncle, I needs must pray that thou mayst lose;  
Father, I may not wish the fortune thine;  
Grandam, I will not wish thy fortunes thrive:  
Whoever wins, on that side shall I lose  
Assured loss before the match be play'd.

**LEWIS**

Lady, with me, with me thy fortune lies.

**BLANCH**

There where my fortune lives, there my life dies.

**KING JOHN**

Cousin, go draw our puissance together.

*Exit BASTARD*

France, I am burn'd up with inflaming wrath;  
A rage whose heat hath this condition,  
That nothing can allay, nothing but blood,  
The blood, and dearest-valued blood, of France.

## **KING PHILIP**

Thy rage sham burn thee up, and thou shalt turn  
To ashes, ere our blood shall quench that fire:  
Look to thyself, thou art in jeopardy.

## **KING JOHN**

No more than he that threats. To arms let's hie!

*Exeunt*

## SCENE II. The same. Plains near Angiers.

*Alarums, excursions. Enter the BASTARD, with AUSTRIA'S head*

### BASTARD

Now, by my life, this day grows wondrous hot;  
Some airy devil hovers in the sky  
And pours down mischief. Austria's head lie there,  
While Philip breathes.

*Enter KING JOHN, ARTHUR, and HUBERT*

### KING JOHN

Hubert, keep this boy. Philip, make up:  
My mother is assailed in our tent,  
And ta'en, I fear.

### BASTARD

My lord, I rescued her;  
Her highness is in safety, fear you not:  
But on, my liege; for very little pains  
Will bring this labour to an happy end.

*Exeunt*

## SCENE III. The same.

*Alarums, excursions, retreat. Enter KING JOHN, QUEEN ELINOR, ARTHUR, the BASTARD, HUBERT, and Lords*

### KING JOHN

[To QUEEN ELINOR] So shall it be; your grace shall  
stay behind  
So strongly guarded.

*To ARTHUR*

Cousin, look not sad:  
Thy grandam loves thee; and thy uncle will  
As dear be to thee as thy father was.

### ARTHUR

O, this will make my mother die with grief!

### KING JOHN

[To the BASTARD] Cousin, away for England!  
haste before:  
And, ere our coming, see thou shake the bags  
Of hoarding abbots; imprisoned angels  
Set at liberty: the fat ribs of peace  
Must by the hungry now be fed upon:  
Use our commission in his utmost force.

### BASTARD

Bell, book, and candle shall not drive me back,  
When gold and silver beck me to come on.  
I leave your highness. Grandam, I will pray,

If ever I remember to be holy,  
For your fair safety; so, I kiss your hand.

**ELINOR**

Farewell, gentle cousin.

**KING JOHN**

Coz, farewell.

*Exit the BASTARD*

**QUEEN ELINOR**

Come hither, little kinsman; hark, a word.

**KING JOHN**

Come hither, Hubert. O my gentle Hubert,  
We owe thee much! within this wall of flesh  
There is a soul counts thee her creditor  
And with advantage means to pay thy love:  
And my good friend, thy voluntary oath  
Lives in this bosom, dearly cherished.  
Give me thy hand. I had a thing to say,  
But I will fit it with some better time.  
By heaven, Hubert, I am almost ashamed  
To say what good respect I have of thee.

**HUBERT**

I am much bounden to your majesty.

**KING JOHN**

Good friend, thou hast no cause to say so yet,  
But thou shalt have; and creep time ne'er so slow,  
Yet it shall come from me to do thee good.  
I had a thing to say, but let it go:  
The sun is in the heaven, and the proud day,

Attended with the pleasures of the world,  
Is all too wanton and too full of gawds  
To give me audience: if the midnight bell  
Did, with his iron tongue and brazen mouth,  
Sound on into the drowsy race of night;  
If this same were a churchyard where we stand,  
And thou possessed with a thousand wrongs,  
Or if that surly spirit, melancholy,  
Had baked thy blood and made it heavy-thick,  
Which else runs tickling up and down the veins,  
Making that idiot, laughter, keep men's eyes  
And strain their cheeks to idle merriment,  
A passion hateful to my purposes,  
Or if that thou couldst see me without eyes,  
Hear me without thine ears, and make reply  
Without a tongue, using conceit alone,  
Without eyes, ears and harmful sound of words;  
Then, in despite of brooded watchful day,  
I would into thy bosom pour my thoughts:  
But, ah, I will not! yet I love thee well;  
And, by my troth, I think thou lovest me well.

## **HUBERT**

So well, that what you bid me undertake,  
Though that my death were adjunct to my act,  
By heaven, I would do it.

## **KING JOHN**

Do not I know thou wouldst?  
Good Hubert, Hubert, Hubert, throw thine eye  
On yon young boy: I'll tell thee what, my friend,  
He is a very serpent in my way;  
And whereso'er this foot of mine doth tread,  
He lies before me: dost thou understand me?  
Thou art his keeper.

## **HUBERT**

And I'll keep him so,  
That he shall not offend your majesty.

**KING JOHN**

Death.

**HUBERT**

My lord?

**KING JOHN**

A grave.

**HUBERT**

He shall not live.

**KING JOHN**

Enough.

I could be merry now. Hubert, I love thee;

Well, I'll not say what I intend for thee:

Remember. Madam, fare you well:

I'll send those powers o'er to your majesty.

**ELINOR**

My blessing go with thee!

**KING JOHN**

For England, cousin, go:

Hubert shall be your man, attend on you

With all true duty. On toward Calais, ho!

*Exeunt*

## SCENE IV. The same. KING PHILIP'S tent.

*Enter KING PHILIP, LEWIS, CARDINAL PANDULPH, and Attendants*

### KING PHILIP

So, by a roaring tempest on the flood,  
A whole armado of convicted sail  
Is scatter'd and disjoin'd from fellowship.

### CARDINAL PANDULPH

Courage and comfort! all shall yet go well.

### KING PHILIP

What can go well, when we have run so ill?  
Are we not beaten? Is not Angiers lost?  
Arthur ta'en prisoner? divers dear friends slain?  
And bloody England into England gone,  
O'erbearing interruption, spite of France?

### LEWIS

What he hath won, that hath he fortified:  
So hot a speed with such advice disposed,  
Such temperate order in so fierce a cause,  
Doth want example: who hath read or heard  
Of any kindred action like to this?

### KING PHILIP

Well could I bear that England had this praise,  
So we could find some pattern of our shame.

*Enter CONSTANCE*

Look, who comes here! a grave unto a soul;  
Holding the eternal spirit against her will,  
In the vile prison of afflicted breath.  
I prithee, lady, go away with me.

**CONSTANCE**

Lo, now I now see the issue of your peace.

**KING PHILIP**

Patience, good lady! comfort, gentle Constance!

**CONSTANCE**

No, I defy all counsel, all redress,  
But that which ends all counsel, true redress,  
Death, death; O amiable lovely death!  
Thou odouriferous stench! sound rottenness!  
Arise forth from the couch of lasting night,  
Thou hate and terror to prosperity,  
And I will kiss thy detestable bones  
And put my eyeballs in thy vaulty brows  
And ring these fingers with thy household worms  
And stop this gap of breath with fulsome dust  
And be a carrion monster like thyself:  
Come, grin on me, and I will think thou smilest  
And buss thee as thy wife. Misery's love,  
O, come to me!

**KING PHILIP**

O fair affliction, peace!

**CONSTANCE**

No, no, I will not, having breath to cry:  
O, that my tongue were in the thunder's mouth!  
Then with a passion would I shake the world;  
And rouse from sleep that fell anatomy  
Which cannot hear a lady's feeble voice,

Which scorns a modern invocation.

## **CARDINAL PANDULPH**

Lady, you utter madness, and not sorrow.

## **CONSTANCE**

Thou art not holy to belie me so;  
I am not mad: this hair I tear is mine;  
My name is Constance; I was Geffrey's wife;  
Young Arthur is my son, and he is lost:  
I am not mad: I would to heaven I were!  
For then, 'tis like I should forget myself:  
O, if I could, what grief should I forget!  
Preach some philosophy to make me mad,  
And thou shalt be canonized, cardinal;  
For being not mad but sensible of grief,  
My reasonable part produces reason  
How I may be deliver'd of these woes,  
And teaches me to kill or hang myself:  
If I were mad, I should forget my son,  
Or madly think a babe of clouts were he:  
I am not mad; too well, too well I feel  
The different plague of each calamity.

## **KING PHILIP**

Bind up those tresses. O, what love I note  
In the fair multitude of those her hairs!  
Where but by chance a silver drop hath fallen,  
Even to that drop ten thousand wiry friends  
Do glue themselves in sociable grief,  
Like true, inseparable, faithful loves,  
Sticking together in calamity.

## **CONSTANCE**

To England, if you will.

## **KING PHILIP**

Bind up your hairs.

**CONSTANCE**

Yes, that I will; and wherefore will I do it?  
I tore them from their bonds and cried aloud  
'O that these hands could so redeem my son,  
As they have given these hairs their liberty!'  
But now I envy at their liberty,  
And will again commit them to their bonds,  
Because my poor child is a prisoner.  
And, father cardinal, I have heard you say  
That we shall see and know our friends in heaven:  
If that be true, I shall see my boy again;  
For since the birth of Cain, the first male child,  
To him that did but yesterday suspire,  
There was not such a gracious creature born.  
But now will canker-sorrow eat my bud  
And chase the native beauty from his cheek  
And he will look as hollow as a ghost,  
As dim and meagre as an ague's fit,  
And so he'll die; and, rising so again,  
When I shall meet him in the court of heaven  
I shall not know him: therefore never, never  
Must I behold my pretty Arthur more.

**CARDINAL PANDULPH**

You hold too heinous a respect of grief.

**CONSTANCE**

He talks to me that never had a son.

**KING PHILIP**

You are as fond of grief as of your child.

**CONSTANCE**

Grief fills the room up of my absent child,  
Lies in his bed, walks up and down with me,

Puts on his pretty looks, repeats his words,  
Remembers me of all his gracious parts,  
Stuffs out his vacant garments with his form;  
Then, have I reason to be fond of grief?  
Fare you well: had you such a loss as I,  
I could give better comfort than you do.  
I will not keep this form upon my head,  
When there is such disorder in my wit.  
O Lord! my boy, my Arthur, my fair son!  
My life, my joy, my food, my all the world!  
My widow-comfort, and my sorrows' cure!

*Exit*

## **KING PHILIP**

I fear some outrage, and I'll follow her.

*Exit*

## **LEWIS**

There's nothing in this world can make me joy:  
Life is as tedious as a twice-told tale  
Vexing the dull ear of a drowsy man;  
And bitter shame hath spoil'd the sweet world's taste  
That it yields nought but shame and bitterness.

## **CARDINAL PANDULPH**

Before the curing of a strong disease,  
Even in the instant of repair and health,  
The fit is strongest; evils that take leave,  
On their departure most of all show evil:  
What have you lost by losing of this day?

## **LEWIS**

All days of glory, joy and happiness.

## **CARDINAL PANDULPH**

If you had won it, certainly you had.  
No, no; when Fortune means to men most good,  
She looks upon them with a threatening eye.  
'Tis strange to think how much King John hath lost  
In this which he accounts so clearly won:  
Are not you grieved that Arthur is his prisoner?

**LEWIS**

As heartily as he is glad he hath him.

**CARDINAL PANDULPH**

Your mind is all as youthful as your blood.  
Now hear me speak with a prophetic spirit;  
For even the breath of what I mean to speak  
Shall blow each dust, each straw, each little rub,  
Out of the path which shall directly lead  
Thy foot to England's throne; and therefore mark.  
John hath seized Arthur; and it cannot be  
That, whiles warm life plays in that infant's veins,  
The misplaced John should entertain an hour,  
One minute, nay, one quiet breath of rest.  
A sceptre snatch'd with an unruly hand  
Must be as boisterously maintain'd as gain'd;  
And he that stands upon a slippery place  
Makes nice of no vile hold to stay him up:  
That John may stand, then Arthur needs must fall;  
So be it, for it cannot be but so.

**LEWIS**

But what shall I gain by young Arthur's fall?

**CARDINAL PANDULPH**

You, in the right of Lady Blanch your wife,  
May then make all the claim that Arthur did.

**LEWIS**

And lose it, life and all, as Arthur did.

## CARDINAL PANDULPH

How green you are and fresh in this old world!  
John lays you plots; the times conspire with you;  
For he that steeps his safety in true blood  
Shall find but bloody safety and untrue.  
This act so evilly born shall cool the hearts  
Of all his people and freeze up their zeal,  
That none so small advantage shall step forth  
To cheque his reign, but they will cherish it;  
No natural exhalation in the sky,  
No scope of nature, no distemper'd day,  
No common wind, no custom'd event,  
But they will pluck away his natural cause  
And call them meteors, prodigies and signs,  
Abortives, presages and tongues of heaven,  
Plainly denouncing vengeance upon John.

## LEWIS

May be he will not touch young Arthur's life,  
But hold himself safe in his prisonment.

## CARDINAL PANDULPH

O, sir, when he shall hear of your approach,  
If that young Arthur be not gone already,  
Even at that news he dies; and then the hearts  
Of all his people shall revolt from him  
And kiss the lips of unacquainted change  
And pick strong matter of revolt and wrath  
Out of the bloody fingers' ends of John.  
Methinks I see this hurly all on foot:  
And, O, what better matter breeds for you  
Than I have named! The bastard Faulconbridge  
Is now in England, ransacking the church,  
Offending charity: if but a dozen French  
Were there in arms, they would be as a call  
To train ten thousand English to their side,  
Or as a little snow, tumbled about,  
Anon becomes a mountain. O noble Dauphin,

Go with me to the king: 'tis wonderful  
What may be wrought out of their discontent,  
Now that their souls are topful of offence.  
For England go: I will whet on the king.

## LEWIS

Strong reasons make strong actions: let us go:  
If you say ay, the king will not say no.

*Exeunt*

## SCENE I. A room in a castle.

*Enter HUBERT and Executioners*

**HUBERT**

Heat me these irons hot; and look thou stand  
Within the arras: when I strike my foot  
Upon the bosom of the ground, rush forth,  
And bind the boy which you shall find with me  
Fast to the chair: be heedful: hence, and watch.

**First Executioner**

I hope your warrant will bear out the deed.

**HUBERT**

Uncleanly scruples! fear not you: look to't.

*Exeunt Executioners*

Young lad, come forth; I have to say with you.

*Enter ARTHUR*

**ARTHUR**

Good morrow, Hubert.

**HUBERT**

Good morrow, little prince.

**ARTHUR**

As little prince, having so great a title  
To be more prince, as may be. You are sad.

**HUBERT**

Indeed, I have been merrier.

**ARTHUR**

Mercy on me!  
Methinks no body should be sad but I:  
Yet, I remember, when I was in France,  
Young gentlemen would be as sad as night,  
Only for wantonness. By my christendom,  
So I were out of prison and kept sheep,  
I should be as merry as the day is long;  
And so I would be here, but that I doubt  
My uncle practises more harm to me:  
He is afraid of me and I of him:  
Is it my fault that I was Geffrey's son?  
No, indeed, is't not; and I would to heaven  
I were your son, so you would love me, Hubert.

**HUBERT**

[Aside] If I talk to him, with his innocent prate  
He will awake my mercy which lies dead:  
Therefore I will be sudden and dispatch.

**ARTHUR**

Are you sick, Hubert? you look pale to-day:  
In sooth, I would you were a little sick,  
That I might sit all night and watch with you:  
I warrant I love you more than you do me.

**HUBERT**

[Aside] His words do take possession of my bosom.  
Read here, young Arthur.

*Showing a paper*

*Aside*

How now, foolish rheum!  
Turning despiteous torture out of door!  
I must be brief, lest resolution drop  
Out at mine eyes in tender womanish tears.  
Can you not read it? Is it not fair writ?

**ARTHUR**

Too fairly, Hubert, for so foul effect:  
Must you with hot irons burn out both mine eyes?

**HUBERT**

Young boy, I must.

**ARTHUR**

And will you?

**HUBERT**

And I will.

**ARTHUR**

Have you the heart? When your head did but ache,  
I knit my handkercher about your brows,  
The best I had, a princess wrought it me,  
And I did never ask it you again;  
And with my hand at midnight held your head,  
And like the watchful minutes to the hour,  
Still and anon cheer'd up the heavy time,  
Saying, 'What lack you?' and 'Where lies your grief?'  
Or 'What good love may I perform for you?'  
Many a poor man's son would have lien still  
And ne'er have spoke a loving word to you;  
But you at your sick service had a prince.  
Nay, you may think my love was crafty love

And call it cunning: do, an if you will:  
If heaven be pleased that you must use me ill,  
Why then you must. Will you put out mine eyes?  
These eyes that never did nor never shall  
So much as frown on you.

**HUBERT**

I have sworn to do it;  
And with hot irons must I burn them out.

**ARTHUR**

Ah, none but in this iron age would do it!  
The iron of itself, though heat red-hot,  
Approaching near these eyes, would drink my tears  
And quench his fiery indignation  
Even in the matter of mine innocence;  
Nay, after that, consume away in rust  
But for containing fire to harm mine eye.  
Are you more stubborn-hard than hammer'd iron?  
An if an angel should have come to me  
And told me Hubert should put out mine eyes,  
I would not have believed him,--no tongue but Hubert's.

**HUBERT**

Come forth.

*Stamps*

*Re-enter Executioners, with a cord, irons, & c*

Do as I bid you do.

**ARTHUR**

O, save me, Hubert, save me! my eyes are out  
Even with the fierce looks of these bloody men.

**HUBERT**

Give me the iron, I say, and bind him here.

**ARTHUR**

Alas, what need you be so boisterous-rough?  
I will not struggle, I will stand stone-still.  
For heaven sake, Hubert, let me not be bound!  
Nay, hear me, Hubert, drive these men away,  
And I will sit as quiet as a lamb;  
I will not stir, nor wince, nor speak a word,  
Nor look upon the iron angrily:  
Thrust but these men away, and I'll forgive you,  
Whatever torment you do put me to.

**HUBERT**

Go, stand within; let me alone with him.

**First Executioner**

I am best pleased to be from such a deed.

*Exeunt Executioners*

**ARTHUR**

Alas, I then have chid away my friend!  
He hath a stern look, but a gentle heart:  
Let him come back, that his compassion may  
Give life to yours.

**HUBERT**

Come, boy, prepare yourself.

**ARTHUR**

Is there no remedy?

**HUBERT**

None, but to lose your eyes.

**ARTHUR**

O heaven, that there were but a mote in yours,  
A grain, a dust, a gnat, a wandering hair,  
Any annoyance in that precious sense!  
Then feeling what small things are boisterous there,  
Your vile intent must needs seem horrible.

**HUBERT**

Is this your promise? go to, hold your tongue.

**ARTHUR**

Hubert, the utterance of a brace of tongues  
Must needs want pleading for a pair of eyes:  
Let me not hold my tongue, let me not, Hubert;  
Or, Hubert, if you will, cut out my tongue,  
So I may keep mine eyes: O, spare mine eyes.  
Though to no use but still to look on you!  
Lo, by my truth, the instrument is cold  
And would not harm me.

**HUBERT**

I can heat it, boy.

**ARTHUR**

No, in good sooth: the fire is dead with grief,  
Being create for comfort, to be used  
In undeserved extremes: see else yourself;  
There is no malice in this burning coal;  
The breath of heaven has blown his spirit out  
And strew'd repentent ashes on his head.

**HUBERT**

But with my breath I can revive it, boy.

## **ARTHUR**

An if you do, you will but make it blush  
And glow with shame of your proceedings, Hubert:  
Nay, it perchance will sparkle in your eyes;  
And like a dog that is compell'd to fight,  
Snatch at his master that doth tarre him on.  
All things that you should use to do me wrong  
Deny their office: only you do lack  
That mercy which fierce fire and iron extends,  
Creatures of note for mercy-lacking uses.

## **HUBERT**

Well, see to live; I will not touch thine eye  
For all the treasure that thine uncle owes:  
Yet am I sworn and I did purpose, boy,  
With this same very iron to burn them out.

## **ARTHUR**

O, now you look like Hubert! all this while  
You were disguised.

## **HUBERT**

Peace; no more. Adieu.  
Your uncle must not know but you are dead;  
I'll fill these dogged spies with false reports:  
And, pretty child, sleep doubtless and secure,  
That Hubert, for the wealth of all the world,  
Will not offend thee.

## **ARTHUR**

O heaven! I thank you, Hubert.

## **HUBERT**

Silence; no more: go closely in with me:  
Much danger do I undergo for thee.

*Exeunt*

[Previous scene](#) | [Next scene](#)

## SCENE II. KING JOHN'S palace.

*Enter KING JOHN, PEMBROKE, SALISBURY, and other Lords*

### KING JOHN

Here once again we sit, once again crown'd,  
And looked upon, I hope, with cheerful eyes.

### PEMBROKE

This 'once again,' but that your highness pleased,  
Was once superfluous: you were crown'd before,  
And that high royalty was ne'er pluck'd off,  
The faiths of men ne'er stained with revolt;  
Fresh expectation troubled not the land  
With any long'd-for change or better state.

### SALISBURY

Therefore, to be possess'd with double pomp,  
To guard a title that was rich before,  
To gild refined gold, to paint the lily,  
To throw a perfume on the violet,  
To smooth the ice, or add another hue  
Unto the rainbow, or with taper-light  
To seek the beauteous eye of heaven to garnish,  
Is wasteful and ridiculous excess.

### PEMBROKE

But that your royal pleasure must be done,  
This act is as an ancient tale new told,  
And in the last repeating troublesome,  
Being urged at a time unseasonable.

## **SALISBURY**

In this the antique and well noted face  
Of plain old form is much disfigured;  
And, like a shifted wind unto a sail,  
It makes the course of thoughts to fetch about,  
Startles and frights consideration,  
Makes sound opinion sick and truth suspected,  
For putting on so new a fashion'd robe.

## **PEMBROKE**

When workmen strive to do better than well,  
They do confound their skill in covetousness;  
And oftentimes excusing of a fault  
Doth make the fault the worse by the excuse,  
As patches set upon a little breach  
Discredit more in hiding of the fault  
Than did the fault before it was so patch'd.

## **SALISBURY**

To this effect, before you were new crown'd,  
We breathed our counsel: but it pleased your highness  
To overbear it, and we are all well pleased,  
Since all and every part of what we would  
Doth make a stand at what your highness will.

## **KING JOHN**

Some reasons of this double coronation  
I have possess'd you with and think them strong;  
And more, more strong, then lesser is my fear,  
I shall indue you with: meantime but ask  
What you would have reform'd that is not well,  
And well shall you perceive how willingly  
I will both hear and grant you your requests.

## **PEMBROKE**

Then I, as one that am the tongue of these,  
To sound the purpose of all their hearts,

Both for myself and them, but, chief of all,  
Your safety, for the which myself and them  
Bend their best studies, heartily request  
The enfranchisement of Arthur; whose restraint  
Doth move the murmuring lips of discontent  
To break into this dangerous argument,--  
If what in rest you have in right you hold,  
Why then your fears, which, as they say, attend  
The steps of wrong, should move you to mew up  
Your tender kinsman and to choke his days  
With barbarous ignorance and deny his youth  
The rich advantage of good exercise?  
That the time's enemies may not have this  
To grace occasions, let it be our suit  
That you have bid us ask his liberty;  
Which for our goods we do no further ask  
Than whereupon our weal, on you depending,  
Counts it your weal he have his liberty.

*Enter HUBERT*

## **KING JOHN**

Let it be so: I do commit his youth  
To your direction. Hubert, what news with you?

*Taking him apart*

## **PEMBROKE**

This is the man should do the bloody deed;  
He show'd his warrant to a friend of mine:  
The image of a wicked heinous fault  
Lives in his eye; that close aspect of his  
Does show the mood of a much troubled breast;  
And I do fearfully believe 'tis done,  
What we so fear'd he had a charge to do.

## **SALISBURY**

The colour of the king doth come and go  
Between his purpose and his conscience,

Like heralds 'twixt two dreadful battles set:  
His passion is so ripe, it needs must break.

**PEMBROKE**

And when it breaks, I fear will issue thence  
The foul corruption of a sweet child's death.

**KING JOHN**

We cannot hold mortality's strong hand:  
Good lords, although my will to give is living,  
The suit which you demand is gone and dead:  
He tells us Arthur is deceased to-night.

**SALISBURY**

Indeed we fear'd his sickness was past cure.

**PEMBROKE**

Indeed we heard how near his death he was  
Before the child himself felt he was sick:  
This must be answer'd either here or hence.

**KING JOHN**

Why do you bend such solemn brows on me?  
Think you I bear the shears of destiny?  
Have I commandment on the pulse of life?

**SALISBURY**

It is apparent foul play; and 'tis shame  
That greatness should so grossly offer it:  
So thrive it in your game! and so, farewell.

**PEMBROKE**

Stay yet, Lord Salisbury; I'll go with thee,  
And find the inheritance of this poor child,

His little kingdom of a forced grave.  
That blood which owed the breadth of all this isle,  
Three foot of it doth hold: bad world the while!  
This must not be thus borne: this will break out  
To all our sorrows, and ere long I doubt.

*Exeunt Lords*

## **KING JOHN**

They burn in indignation. I repent:  
There is no sure foundation set on blood,  
No certain life achieved by others' death.

*Enter a Messenger*

A fearful eye thou hast: where is that blood  
That I have seen inhabit in those cheeks?  
So foul a sky clears not without a storm:  
Pour down thy weather: how goes all in France?

## **Messenger**

From France to England. Never such a power  
For any foreign preparation  
Was levied in the body of a land.  
The copy of your speed is learn'd by them;  
For when you should be told they do prepare,  
The tidings come that they are all arrived.

## **KING JOHN**

O, where hath our intelligence been drunk?  
Where hath it slept? Where is my mother's care,  
That such an army could be drawn in France,  
And she not hear of it?

## **Messenger**

My liege, her ear  
Is stopp'd with dust; the first of April died  
Your noble mother: and, as I hear, my lord,

The Lady Constance in a frenzy died  
Three days before: but this from rumour's tongue  
I idly heard; if true or false I know not.

**KING JOHN**

Withhold thy speed, dreadful occasion!  
O, make a league with me, till I have pleased  
My discontented peers! What! mother dead!  
How wildly then walks my estate in France!  
Under whose conduct came those powers of France  
That thou for truth givest out are landed here?

**Messenger**

Under the Dauphin.

**KING JOHN**

Thou hast made me giddy  
With these ill tidings.

*Enter the BASTARD and PETER of Pomfret*

Now, what says the world  
To your proceedings? do not seek to stuff  
My head with more ill news, for it is full.

**BASTARD**

But if you be afeard to hear the worst,  
Then let the worst unheard fall on your bead.

**KING JOHN**

Bear with me cousin, for I was amazed  
Under the tide: but now I breathe again  
Aloft the flood, and can give audience  
To any tongue, speak it of what it will.

**BASTARD**

How I have sped among the clergymen,  
The sums I have collected shall express.  
But as I travell'd hither through the land,  
I find the people strangely fantasied;  
Possess'd with rumours, full of idle dreams,  
Not knowing what they fear, but full of fear:  
And here a prophet, that I brought with me  
From forth the streets of Pomfret, whom I found  
With many hundreds treading on his heels;  
To whom he sung, in rude harsh-sounding rhymes,  
That, ere the next Ascension-day at noon,  
Your highness should deliver up your crown.

**KING JOHN**

Thou idle dreamer, wherefore didst thou so?

**PETER**

Foreknowing that the truth will fall out so.

**KING JOHN**

Hubert, away with him; imprison him;  
And on that day at noon whereon he says  
I shall yield up my crown, let him be hang'd.  
Deliver him to safety; and return,  
For I must use thee.

*Exeunt HUBERT with PETER*

O my gentle cousin,  
Hear'st thou the news abroad, who are arrived?

**BASTARD**

The French, my lord; men's mouths are full of it:  
Besides, I met Lord Bigot and Lord Salisbury,  
With eyes as red as new-enkindled fire,  
And others more, going to seek the grave  
Of Arthur, who they say is kill'd to-night

On your suggestion.

**KING JOHN**

Gentle kinsman, go,  
And thrust thyself into their companies:  
I have a way to win their loves again;  
Bring them before me.

**BASTARD**

I will seek them out.

**KING JOHN**

Nay, but make haste; the better foot before.  
O, let me have no subject enemies,  
When adverse foreigners affright my towns  
With dreadful pomp of stout invasion!  
Be Mercury, set feathers to thy heels,  
And fly like thought from them to me again.

**BASTARD**

The spirit of the time shall teach me speed.

*Exit*

**KING JOHN**

Spoke like a sprightly noble gentleman.  
Go after him; for he perhaps shall need  
Some messenger betwixt me and the peers;  
And be thou he.

**Messenger**

With all my heart, my liege.

*Exit*

## **KING JOHN**

My mother dead!

*Re-enter HUBERT*

## **HUBERT**

My lord, they say five moons were seen to-night;  
Four fixed, and the fifth did whirl about  
The other four in wondrous motion.

## **KING JOHN**

Five moons!

## **HUBERT**

Old men and beldams in the streets  
Do prophesy upon it dangerously:  
Young Arthur's death is common in their mouths:  
And when they talk of him, they shake their heads  
And whisper one another in the ear;  
And he that speaks doth gripe the hearer's wrist,  
Whilst he that hears makes fearful action,  
With wrinkled brows, with nods, with rolling eyes.  
I saw a smith stand with his hammer, thus,  
The whilst his iron did on the anvil cool,  
With open mouth swallowing a tailor's news;  
Who, with his shears and measure in his hand,  
Standing on slippers, which his nimble haste  
Had falsely thrust upon contrary feet,  
Told of a many thousand warlike French  
That were embattailed and rank'd in Kent:  
Another lean unwash'd artificer  
Cuts off his tale and talks of Arthur's death.

## **KING JOHN**

Why seek'st thou to possess me with these fears?  
Why urgest thou so oft young Arthur's death?  
Thy hand hath murder'd him: I had a mighty cause

To wish him dead, but thou hadst none to kill him.

**HUBERT**

No had, my lord! why, did you not provoke me?

**KING JOHN**

It is the curse of kings to be attended  
By slaves that take their humours for a warrant  
To break within the bloody house of life,  
And on the winking of authority  
To understand a law, to know the meaning  
Of dangerous majesty, when perchance it frowns  
More upon humour than advised respect.

**HUBERT**

Here is your hand and seal for what I did.

**KING JOHN**

O, when the last account 'twixt heaven and earth  
Is to be made, then shall this hand and seal  
Witness against us to damnation!  
How oft the sight of means to do ill deeds  
Make deeds ill done! Hadst not thou been by,  
A fellow by the hand of nature mark'd,  
Quoted and sign'd to do a deed of shame,  
This murder had not come into my mind:  
But taking note of thy abhorr'd aspect,  
Finding thee fit for bloody villany,  
Apt, liable to be employ'd in danger,  
I faintly broke with thee of Arthur's death;  
And thou, to be endeared to a king,  
Made it no conscience to destroy a prince.

**HUBERT**

My lord--

**KING JOHN**

Hadst thou but shook thy head or made a pause  
When I spake darkly what I purposed,  
Or turn'd an eye of doubt upon my face,  
As bid me tell my tale in express words,  
Deep shame had struck me dumb, made me break off,  
And those thy fears might have wrought fears in me:  
But thou didst understand me by my signs  
And didst in signs again parley with sin;  
Yea, without stop, didst let thy heart consent,  
And consequently thy rude hand to act  
The deed, which both our tongues held vile to name.  
Out of my sight, and never see me more!  
My nobles leave me; and my state is braved,  
Even at my gates, with ranks of foreign powers:  
Nay, in the body of this fleshly land,  
This kingdom, this confine of blood and breath,  
Hostility and civil tumult reigns  
Between my conscience and my cousin's death.

## **HUBERT**

Arm you against your other enemies,  
I'll make a peace between your soul and you.  
Young Arthur is alive: this hand of mine  
Is yet a maiden and an innocent hand,  
Not painted with the crimson spots of blood.  
Within this bosom never enter'd yet  
The dreadful motion of a murderous thought;  
And you have slander'd nature in my form,  
Which, howsoever rude exteriorly,  
Is yet the cover of a fairer mind  
Than to be butcher of an innocent child.

## **KING JOHN**

Doth Arthur live? O, haste thee to the peers,  
Throw this report on their incensed rage,  
And make them tame to their obedience!  
Forgive the comment that my passion made  
Upon thy feature; for my rage was blind,  
And foul imaginary eyes of blood

Presented thee more hideous than thou art.  
O, answer not, but to my closet bring  
The angry lords with all expedient haste.  
I conjure thee but slowly; run more fast.

*Exeunt*

## SCENE III. Before the castle.

*Enter ARTHUR, on the walls*

### ARTHUR

The wall is high, and yet will I leap down:  
Good ground, be pitiful and hurt me not!  
There's few or none do know me: if they did,  
This ship-boy's semblance hath disguised me quite.  
I am afraid; and yet I'll venture it.  
If I get down, and do not break my limbs,  
I'll find a thousand shifts to get away:  
As good to die and go, as die and stay.

*Leaps down*

O me! my uncle's spirit is in these stones:  
Heaven take my soul, and England keep my bones!

*Dies*

*Enter PEMBROKE, SALISBURY, and BIGOT*

### SALISBURY

Lords, I will meet him at Saint Edmundsbury:  
It is our safety, and we must embrace  
This gentle offer of the perilous time.

### PEMBROKE

Who brought that letter from the cardinal?

### SALISBURY

The Count Melun, a noble lord of France,  
Whose private with me of the Dauphin's love  
Is much more general than these lines import.

**BIGOT**

To-morrow morning let us meet him then.

**SALISBURY**

Or rather then set forward; for 'twill be  
Two long days' journey, lords, or ere we meet.

*Enter the BASTARD*

**BASTARD**

Once more to-day well met, distemper'd lords!  
The king by me requests your presence straight.

**SALISBURY**

The king hath dispossess'd himself of us:  
We will not line his thin bestained cloak  
With our pure honours, nor attend the foot  
That leaves the print of blood where'er it walks.  
Return and tell him so: we know the worst.

**BASTARD**

Whate'er you think, good words, I think, were best.

**SALISBURY**

Our griefs, and not our manners, reason now.

**BASTARD**

But there is little reason in your grief;  
Therefore 'twere reason you had manners now.

## **PEMBROKE**

Sir, sir, impatience hath his privilege.

## **BASTARD**

'Tis true, to hurt his master, no man else.

## **SALISBURY**

This is the prison. What is he lies here?

*Seeing ARTHUR*

## **PEMBROKE**

O death, made proud with pure and princely beauty!  
The earth had not a hole to hide this deed.

## **SALISBURY**

Murder, as hating what himself hath done,  
Doth lay it open to urge on revenge.

## **BIGOT**

Or, when he doom'd this beauty to a grave,  
Found it too precious-princely for a grave.

## **SALISBURY**

Sir Richard, what think you? have you beheld,  
Or have you read or heard? or could you think?  
Or do you almost think, although you see,  
That you do see? could thought, without this object,  
Form such another? This is the very top,  
The height, the crest, or crest unto the crest,  
Of murder's arms: this is the bloodiest shame,  
The wildest savagery, the vilest stroke,  
That ever wall-eyed wrath or staring rage  
Presented to the tears of soft remorse.

## **PEMBROKE**

All murders past do stand excused in this:  
And this, so sole and so unmatched,  
Shall give a holiness, a purity,  
To the yet unbegotten sin of times;  
And prove a deadly bloodshed but a jest,  
Exemplified by this heinous spectacle.

## **BASTARD**

It is a damned and a bloody work;  
The graceless action of a heavy hand,  
If that it be the work of any hand.

## **SALISBURY**

If that it be the work of any hand!  
We had a kind of light what would ensue:  
It is the shameful work of Hubert's hand;  
The practise and the purpose of the king:  
From whose obedience I forbid my soul,  
Kneeling before this ruin of sweet life,  
And breathing to his breathless excellence  
The incense of a vow, a holy vow,  
Never to taste the pleasures of the world,  
Never to be infected with delight,  
Nor conversant with ease and idleness,  
Till I have set a glory to this hand,  
By giving it the worship of revenge.

## **PEMBROKE BIGOT**

Our souls religiously confirm thy words.

*Enter HUBERT*

## **HUBERT**

Lords, I am hot with haste in seeking you:  
Arthur doth live; the king hath sent for you.

**SALISBURY**

O, he is old and blushes not at death.  
Avaunt, thou hateful villain, get thee gone!

**HUBERT**

I am no villain.

**SALISBURY**

Must I rob the law?

*Drawing his sword*

**BASTARD**

Your sword is bright, sir; put it up again.

**SALISBURY**

Not till I sheathe it in a murderer's skin.

**HUBERT**

Stand back, Lord Salisbury, stand back, I say;  
By heaven, I think my sword's as sharp as yours:  
I would not have you, lord, forget yourself,  
Nor tempt the danger of my true defence;  
Lest I, by marking of your rage, forget  
Your worth, your greatness and nobility.

**BIGOT**

Out, dunghill! darest thou brave a nobleman?

**HUBERT**

Not for my life: but yet I dare defend  
My innocent life against an emperor.

**SALISBURY**

Thou art a murderer.

**HUBERT**

Do not prove me so;  
Yet I am none: whose tongue soe'er speaks false,  
Not truly speaks; who speaks not truly, lies.

**PEMBROKE**

Cut him to pieces.

**BASTARD**

Keep the peace, I say.

**SALISBURY**

Stand by, or I shall gall you, Faulconbridge.

**BASTARD**

Thou wert better gall the devil, Salisbury:  
If thou but frown on me, or stir thy foot,  
Or teach thy hasty spleen to do me shame,  
I'll strike thee dead. Put up thy sword betime;  
Or I'll so maul you and your toasting-iron,  
That you shall think the devil is come from hell.

**BIGOT**

What wilt thou do, renowned Faulconbridge?  
Second a villain and a murderer?

**HUBERT**

Lord Bigot, I am none.

**BIGOT**

Who kill'd this prince?

**HUBERT**

'Tis not an hour since I left him well:  
I honour'd him, I loved him, and will weep  
My date of life out for his sweet life's loss.

**SALISBURY**

Trust not those cunning waters of his eyes,  
For villany is not without such rheum;  
And he, long traded in it, makes it seem  
Like rivers of remorse and innocency.  
Away with me, all you whose souls abhor  
The uncleanly savours of a slaughter-house;  
For I am stifled with this smell of sin.

**BIGOT**

Away toward Bury, to the Dauphin there!

**PEMBROKE**

There tell the king he may inquire us out.

*Exeunt Lords*

**BASTARD**

Here's a good world! Knew you of this fair work?  
Beyond the infinite and boundless reach  
Of mercy, if thou didst this deed of death,  
Art thou damn'd, Hubert.

**HUBERT**

Do but hear me, sir.

**BASTARD**

Ha! I'll tell thee what;  
Thou'rt damn'd as black--nay, nothing is so black;  
Thou art more deep damn'd than Prince Lucifer:  
There is not yet so ugly a fiend of hell  
As thou shalt be, if thou didst kill this child.

**HUBERT**

Upon my soul--

**BASTARD**

If thou didst but consent  
To this most cruel act, do but despair;  
And if thou want'st a cord, the smallest thread  
That ever spider twisted from her womb  
Will serve to strangle thee, a rush will be a beam  
To hang thee on; or wouldst thou drown thyself,  
Put but a little water in a spoon,  
And it shall be as all the ocean,  
Enough to stifle such a villain up.  
I do suspect thee very grievously.

**HUBERT**

If I in act, consent, or sin of thought,  
Be guilty of the stealing that sweet breath  
Which was embounded in this beauteous clay,  
Let hell want pains enough to torture me.  
I left him well.

**BASTARD**

Go, bear him in thine arms.  
I am amazed, methinks, and lose my way  
Among the thorns and dangers of this world.  
How easy dost thou take all England up!  
From forth this morsel of dead royalty,  
The life, the right and truth of all this realm  
Is fled to heaven; and England now is left  
To tug and scramble and to part by the teeth  
The unowed interest of proud-swelling state.

Now for the bare-pick'd bone of majesty  
Doth dogged war bristle his angry crest  
And snarleth in the gentle eyes of peace:  
Now powers from home and discontents at home  
Meet in one line; and vast confusion waits,  
As doth a raven on a sick-fall'n beast,  
The imminent decay of wrested pomp.  
Now happy he whose cloak and cincture can  
Hold out this tempest. Bear away that child  
And follow me with speed: I'll to the king:  
A thousand businesses are brief in hand,  
And heaven itself doth frown upon the land.

*Exeunt*

## SCENE I. KING JOHN'S palace.

*Enter KING JOHN, CARDINAL PANDULPH, and Attendants*

### KING JOHN

Thus have I yielded up into your hand  
The circle of my glory.

*Giving the crown*

### CARDINAL PANDULPH

Take again  
From this my hand, as holding of the pope  
Your sovereign greatness and authority.

### KING JOHN

Now keep your holy word: go meet the French,  
And from his holiness use all your power  
To stop their marches 'fore we are inflamed.  
Our discontented counties do revolt;  
Our people quarrel with obedience,  
Swearing allegiance and the love of soul  
To stranger blood, to foreign royalty.  
This inundation of mistemper'd humour  
Rests by you only to be qualified:  
Then pause not; for the present time's so sick,  
That present medicine must be minister'd,  
Or overthrow incurable ensues.

### CARDINAL PANDULPH

It was my breath that blew this tempest up,  
Upon your stubborn usage of the pope;

But since you are a gentle convertite,  
My tongue shall hush again this storm of war  
And make fair weather in your blustering land.  
On this Ascension-day, remember well,  
Upon your oath of service to the pope,  
Go I to make the French lay down their arms.

*Exit*

**KING JOHN**

Is this Ascension-day? Did not the prophet  
Say that before Ascension-day at noon  
My crown I should give off? Even so I have:  
I did suppose it should be on constraint:  
But, heaven be thank'd, it is but voluntary.

*Enter the BASTARD*

**BASTARD**

All Kent hath yielded; nothing there holds out  
But Dover castle: London hath received,  
Like a kind host, the Dauphin and his powers:  
Your nobles will not hear you, but are gone  
To offer service to your enemy,  
And wild amazement hurries up and down  
The little number of your doubtful friends.

**KING JOHN**

Would not my lords return to me again,  
After they heard young Arthur was alive?

**BASTARD**

They found him dead and cast into the streets,  
An empty casket, where the jewel of life  
By some damn'd hand was robb'd and ta'en away.

**KING JOHN**

That villain Hubert told me he did live.

## **BASTARD**

So, on my soul, he did, for aught he knew.  
But wherefore do you droop? why look you sad?  
Be great in act, as you have been in thought;  
Let not the world see fear and sad distrust  
Govern the motion of a kingly eye:  
Be stirring as the time; be fire with fire;  
Threaten the threatener and outface the brow  
Of bragging horror: so shall inferior eyes,  
That borrow their behaviors from the great,  
Grow great by your example and put on  
The dauntless spirit of resolution.  
Away, and glister like the god of war,  
When he intendeth to become the field:  
Show boldness and aspiring confidence.  
What, shall they seek the lion in his den,  
And fright him there? and make him tremble there?  
O, let it not be said: forage, and run  
To meet displeasure farther from the doors,  
And grapple with him ere he comes so nigh.

## **KING JOHN**

The legate of the pope hath been with me,  
And I have made a happy peace with him;  
And he hath promised to dismiss the powers  
Led by the Dauphin.

## **BASTARD**

O inglorious league!  
Shall we, upon the footing of our land,  
Send fair-play orders and make compromise,  
Insinuation, parley and base truce  
To arms invasive? shall a beardless boy,  
A cocker'd silken wanton, brave our fields,  
And flesh his spirit in a warlike soil,  
Mocking the air with colours idly spread,  
And find no cheque? Let us, my liege, to arms:

Perchance the cardinal cannot make your peace;  
Or if he do, let it at least be said  
They saw we had a purpose of defence.

**KING JOHN**

Have thou the ordering of this present time.

**BASTARD**

Away, then, with good courage! yet, I know,  
Our party may well meet a prouder foe.

*Exeunt*

# The Life and Death of King John

[Shakespeare homepage](#) | [King John](#) | Act 5, Scene 2

[Previous scene](#) | [Next scene](#)

## SCENE II. LEWIS's camp at St. Edmundsbury.

*Enter, in arms, LEWIS, SALISBURY, MELUN, PEMBROKE, BIGOT, and Soldiers*

### LEWIS

My Lord Melun, let this be copied out,  
And keep it safe for our remembrance:  
Return the precedent to these lords again;  
That, having our fair order written down,  
Both they and we, perusing o'er these notes,  
May know wherefore we took the sacrament  
And keep our faiths firm and inviolable.

### SALISBURY

Upon our sides it never shall be broken.  
And, noble Dauphin, albeit we swear  
A voluntary zeal and an unurged faith  
To your proceedings; yet believe me, prince,  
I am not glad that such a sore of time  
Should seek a plaster by contemn'd revolt,  
And heal the inveterate canker of one wound  
By making many. O, it grieves my soul,  
That I must draw this metal from my side  
To be a widow-maker! O, and there  
Where honourable rescue and defence  
Cries out upon the name of Salisbury!  
But such is the infection of the time,  
That, for the health and physic of our right,  
We cannot deal but with the very hand  
Of stern injustice and confused wrong.  
And is't not pity, O my grieved friends,  
That we, the sons and children of this isle,  
Were born to see so sad an hour as this;  
Wherein we step after a stranger march  
Upon her gentle bosom, and fill up

Her enemies' ranks,--I must withdraw and weep  
Upon the spot of this enforced cause,--  
To grace the gentry of a land remote,  
And follow unacquainted colours here?  
What, here? O nation, that thou couldst remove!  
That Neptune's arms, who clippeth thee about,  
Would bear thee from the knowledge of thyself,  
And grapple thee unto a pagan shore;  
Where these two Christian armies might combine  
The blood of malice in a vein of league,  
And not to spend it so unneighbourly!

## LEWIS

A noble temper dost thou show in this;  
And great affections wrestling in thy bosom  
Doth make an earthquake of nobility.  
O, what a noble combat hast thou fought  
Between compulsion and a brave respect!  
Let me wipe off this honourable dew,  
That silverly doth progress on thy cheeks:  
My heart hath melted at a lady's tears,  
Being an ordinary inundation;  
But this effusion of such manly drops,  
This shower, blown up by tempest of the soul,  
Startles mine eyes, and makes me more amazed  
Than had I seen the vaulty top of heaven  
Figured quite o'er with burning meteors.  
Lift up thy brow, renowned Salisbury,  
And with a great heart heave away the storm:  
Commend these waters to those baby eyes  
That never saw the giant world enraged;  
Nor met with fortune other than at feasts,  
Full of warm blood, of mirth, of gossiping.  
Come, come; for thou shalt thrust thy hand as deep  
Into the purse of rich prosperity  
As Lewis himself: so, nobles, shall you all,  
That knit your sinews to the strength of mine.  
And even there, methinks, an angel spake:

*Enter CARDINAL PANDULPH*

Look, where the holy legate comes apace,

To give us warrant from the hand of heaven  
And on our actions set the name of right  
With holy breath.

## CARDINAL PANDULPH

Hail, noble prince of France!  
The next is this, King John hath reconciled  
Himself to Rome; his spirit is come in,  
That so stood out against the holy church,  
The great metropolis and see of Rome:  
Therefore thy threatening colours now wind up;  
And tame the savage spirit of wild war,  
That like a lion foster'd up at hand,  
It may lie gently at the foot of peace,  
And be no further harmful than in show.

## LEWIS

Your grace shall pardon me, I will not back:  
I am too high-born to be propertied,  
To be a secondary at control,  
Or useful serving-man and instrument,  
To any sovereign state throughout the world.  
Your breath first kindled the dead coal of wars  
Between this chastised kingdom and myself,  
And brought in matter that should feed this fire;  
And now 'tis far too huge to be blown out  
With that same weak wind which enkindled it.  
You taught me how to know the face of right,  
Acquainted me with interest to this land,  
Yea, thrust this enterprise into my heart;  
And come ye now to tell me John hath made  
His peace with Rome? What is that peace to me?  
I, by the honour of my marriage-bed,  
After young Arthur, claim this land for mine;  
And, now it is half-conquer'd, must I back  
Because that John hath made his peace with Rome?  
Am I Rome's slave? What penny hath Rome borne,  
What men provided, what munition sent,  
To underprop this action? Is't not I  
That undergo this charge? who else but I,  
And such as to my claim are liable,

Sweat in this business and maintain this war?  
Have I not heard these islanders shout out  
'Vive le roi!' as I have bank'd their towns?  
Have I not here the best cards for the game,  
To win this easy match play'd for a crown?  
And shall I now give o'er the yielded set?  
No, no, on my soul, it never shall be said.

## **CARDINAL PANDULPH**

You look but on the outside of this work.

## **LEWIS**

Outside or inside, I will not return  
Till my attempt so much be glorified  
As to my ample hope was promised  
Before I drew this gallant head of war,  
And cull'd these fiery spirits from the world,  
To outlook conquest and to win renown  
Even in the jaws of danger and of death.

*Trumpet sounds*

What lusty trumpet thus doth summon us?

*Enter the BASTARD, attended*

## **BASTARD**

According to the fair play of the world,  
Let me have audience; I am sent to speak:  
My holy lord of Milan, from the king  
I come, to learn how you have dealt for him;  
And, as you answer, I do know the scope  
And warrant limited unto my tongue.

## **CARDINAL PANDULPH**

The Dauphin is too wilful-opposite,  
And will not temporize with my entreaties;  
He flatly says he'll not lay down his arms.

## **BASTARD**

By all the blood that ever fury breathed,  
The youth says well. Now hear our English king;  
For thus his royalty doth speak in me.  
He is prepared, and reason too he should:  
This apish and unmannerly approach,  
This harness'd masque and unadvised revel,  
This unhair'd sauciness and boyish troops,  
The king doth smile at; and is well prepared  
To whip this dwarfish war, these pigmy arms,  
From out the circle of his territories.  
That hand which had the strength, even at your door,  
To cudgel you and make you take the hatch,  
To dive like buckets in concealed wells,  
To crouch in litter of your stable planks,  
To lie like pawns lock'd up in chests and trunks,  
To hug with swine, to seek sweet safety out  
In vaults and prisons, and to thrill and shake  
Even at the crying of your nation's crow,  
Thinking his voice an armed Englishman;  
Shall that victorious hand be feebled here,  
That in your chambers gave you chastisement?  
No: know the gallant monarch is in arms  
And like an eagle o'er his aery towers,  
To souse annoyance that comes near his nest.  
And you degenerate, you ingrate revolts,  
You bloody Neroes, ripping up the womb  
Of your dear mother England, blush for shame;  
For your own ladies and pale-visaged maids  
Like Amazons come tripping after drums,  
Their thimbles into armed gauntlets change,  
Their needles to lances, and their gentle hearts  
To fierce and bloody inclination.

## **LEWIS**

There end thy brave, and turn thy face in peace;  
We grant thou canst outscold us: fare thee well;  
We hold our time too precious to be spent  
With such a brabblers.

**CARDINAL PANDULPH**

Give me leave to speak.

**BASTARD**

No, I will speak.

**LEWIS**

We will attend to neither.  
Strike up the drums; and let the tongue of war  
Plead for our interest and our being here.

**BASTARD**

Indeed your drums, being beaten, will cry out;  
And so shall you, being beaten: do but start  
An echo with the clamour of thy drum,  
And even at hand a drum is ready braced  
That shall reverberate all as loud as thine;  
Sound but another, and another shall  
As loud as thine rattle the welkin's ear  
And mock the deep-mouth'd thunder: for at hand,  
Not trusting to this halting legate here,  
Whom he hath used rather for sport than need  
Is warlike John; and in his forehead sits  
A bare-ribb'd death, whose office is this day  
To feast upon whole thousands of the French.

**LEWIS**

Strike up our drums, to find this danger out.

**BASTARD**

And thou shalt find it, Dauphin, do not doubt.

*Exeunt*

## SCENE III. The field of battle.

*Alarums. Enter KING JOHN and HUBERT*

**KING JOHN**

How goes the day with us? O, tell me, Hubert.

**HUBERT**

Badly, I fear. How fares your majesty?

**KING JOHN**

This fever, that hath troubled me so long,  
Lies heavy on me; O, my heart is sick!

*Enter a Messenger*

**Messenger**

My lord, your valiant kinsman, Faulconbridge,  
Desires your majesty to leave the field  
And send him word by me which way you go.

**KING JOHN**

Tell him, toward Swinstead, to the abbey there.

**Messenger**

Be of good comfort; for the great supply  
That was expected by the Dauphin here,  
Are wreck'd three nights ago on Goodwin Sands.  
This news was brought to Richard but even now:  
The French fight coldly, and retire themselves.

## KING JOHN

Ay me! this tyrant fever burns me up,  
And will not let me welcome this good news.  
Set on toward Swinstead: to my litter straight;  
Weakness possesseth me, and I am faint.

*Exeunt*

## SCENE IV. Another part of the field.

*Enter SALISBURY, PEMBROKE, and BIGOT*

**SALISBURY**

I did not think the king so stored with friends.

**PEMBROKE**

Up once again; put spirit in the French:  
If they miscarry, we miscarry too.

**SALISBURY**

That misbegotten devil, Faulconbridge,  
In spite of spite, alone upholds the day.

**PEMBROKE**

They say King John sore sick hath left the field.

*Enter MELUN, wounded*

**MELUN**

Lead me to the revolts of England here.

**SALISBURY**

When we were happy we had other names.

**PEMBROKE**

It is the Count Melun.

## **SALISBURY**

Wounded to death.

## **MELUN**

Fly, noble English, you are bought and sold;  
Unthread the rude eye of rebellion  
And welcome home again discarded faith.  
Seek out King John and fall before his feet;  
For if the French be lords of this loud day,  
He means to recompense the pains you take  
By cutting off your heads: thus hath he sworn  
And I with him, and many moe with me,  
Upon the altar at Saint Edmundsbury;  
Even on that altar where we swore to you  
Dear amity and everlasting love.

## **SALISBURY**

May this be possible? may this be true?

## **MELUN**

Have I not hideous death within my view,  
Retaining but a quantity of life,  
Which bleeds away, even as a form of wax  
Resolveth from his figure 'gainst the fire?  
What in the world should make me now deceive,  
Since I must lose the use of all deceit?  
Why should I then be false, since it is true  
That I must die here and live hence by truth?  
I say again, if Lewis do win the day,  
He is forsworn, if e'er those eyes of yours  
Behold another day break in the east:  
But even this night, whose black contagious breath  
Already smokes about the burning crest  
Of the old, feeble and day-wearied sun,  
Even this ill night, your breathing shall expire,  
Paying the fine of rated treachery  
Even with a treacherous fine of all your lives,  
If Lewis by your assistance win the day.

Commend me to one Hubert with your king:  
The love of him, and this respect besides,  
For that my grandsire was an Englishman,  
Awakes my conscience to confess all this.  
In lieu whereof, I pray you, bear me hence  
From forth the noise and rumour of the field,  
Where I may think the remnant of my thoughts  
In peace, and part this body and my soul  
With contemplation and devout desires.

## **SALISBURY**

We do believe thee: and beshrew my soul  
But I do love the favour and the form  
Of this most fair occasion, by the which  
We will untread the steps of damned flight,  
And like a bated and retired flood,  
Leaving our rankness and irregular course,  
Stoop low within those bounds we have o'erlook'd  
And cabby run on in obedience  
Even to our ocean, to our great King John.  
My arm shall give thee help to bear thee hence;  
For I do see the cruel pangs of death  
Right in thine eye. Away, my friends! New flight;  
And happy newness, that intends old right.

*Exeunt, leading off MELUN*

## SCENE V. The French camp.

*Enter LEWIS and his train*

**LEWIS**

The sun of heaven methought was loath to set,  
But stay'd and made the western welkin blush,  
When English measure backward their own ground  
In faint retire. O, bravely came we off,  
When with a volley of our needless shot,  
After such bloody toil, we bid good night;  
And wound our tattering colours clearly up,  
Last in the field, and almost lords of it!

*Enter a Messenger*

**Messenger**

Where is my prince, the Dauphin?

**LEWIS**

Here: what news?

**Messenger**

The Count Melun is slain; the English lords  
By his persuasion are again fall'n off,  
And your supply, which you have wish'd so long,  
Are cast away and sunk on Goodwin Sands.

**LEWIS**

Ah, foul shrewd news! beshrew thy very heart!  
I did not think to be so sad to-night

As this hath made me. Who was he that said  
King John did fly an hour or two before  
The stumbling night did part our weary powers?

**Messenger**

Whoever spoke it, it is true, my lord.

**LEWIS**

Well; keep good quarter and good care to-night:  
The day shall not be up so soon as I,  
To try the fair adventure of to-morrow.

*Exeunt*

## SCENE VI. An open place in the neighbourhood of Swinstead Abbey.

*Enter the BASTARD and HUBERT, severally*

**HUBERT**

Who's there? speak, ho! speak quickly, or I shoot.

**BASTARD**

A friend. What art thou?

**HUBERT**

Of the part of England.

**BASTARD**

Whither dost thou go?

**HUBERT**

What's that to thee? why may not I demand  
Of thine affairs, as well as thou of mine?

**BASTARD**

Hubert, I think?

**HUBERT**

Thou hast a perfect thought:  
I will upon all hazards well believe  
Thou art my friend, that know'st my tongue so well.  
Who art thou?

## **BASTARD**

Who thou wilt: and if thou please,  
Thou mayst befriend me so much as to think  
I come one way of the Plantagenets.

## **HUBERT**

Unkind remembrance! thou and eyeless night  
Have done me shame: brave soldier, pardon me,  
That any accent breaking from thy tongue  
Should 'scape the true acquaintance of mine ear.

## **BASTARD**

Come, come; sans compliment, what news abroad?

## **HUBERT**

Why, here walk I in the black brow of night,  
To find you out.

## **BASTARD**

Brief, then; and what's the news?

## **HUBERT**

O, my sweet sir, news fitting to the night,  
Black, fearful, comfortless and horrible.

## **BASTARD**

Show me the very wound of this ill news:  
I am no woman, I'll not swoon at it.

## **HUBERT**

The king, I fear, is poison'd by a monk:  
I left him almost speechless; and broke out  
To acquaint you with this evil, that you might

The better arm you to the sudden time,  
Than if you had at leisure known of this.

**BASTARD**

How did he take it? who did taste to him?

**HUBERT**

A monk, I tell you; a resolved villain,  
Whose bowels suddenly burst out: the king  
Yet speaks and peradventure may recover.

**BASTARD**

Who didst thou leave to tend his majesty?

**HUBERT**

Why, know you not? the lords are all come back,  
And brought Prince Henry in their company;  
At whose request the king hath pardon'd them,  
And they are all about his majesty.

**BASTARD**

Withhold thine indignation, mighty heaven,  
And tempt us not to bear above our power!  
I'll tell thee, Hubert, half my power this night,  
Passing these flats, are taken by the tide;  
These Lincoln Washes have devoured them;  
Myself, well mounted, hardly have escaped.  
Away before: conduct me to the king;  
I doubt he will be dead ere I come.

*Exeunt*

## SCENE VII. The orchard in Swinstead Abbey.

*Enter PRINCE HENRY, SALISBURY, and BIGOT*

### PRINCE HENRY

It is too late: the life of all his blood  
Is touch'd corruptibly, and his pure brain,  
Which some suppose the soul's frail dwelling-house,  
Doth by the idle comments that it makes  
Foretell the ending of mortality.

*Enter PEMBROKE*

### PEMBROKE

His highness yet doth speak, and holds belief  
That, being brought into the open air,  
It would allay the burning quality  
Of that fell poison which assaileth him.

### PRINCE HENRY

Let him be brought into the orchard here.  
Doth he still rage?

*Exit BIGOT*

### PEMBROKE

He is more patient  
Than when you left him; even now he sung.

### PRINCE HENRY

O vanity of sickness! fierce extremes

In their continuance will not feel themselves.  
Death, having prey'd upon the outward parts,  
Leaves them invisible, and his siege is now  
Against the mind, the which he pricks and wounds  
With many legions of strange fantasies,  
Which, in their throng and press to that last hold,  
Confound themselves. 'Tis strange that death  
should sing.

I am the cygnet to this pale faint swan,  
Who chants a doleful hymn to his own death,  
And from the organ-pipe of frailty sings  
His soul and body to their lasting rest.

## **SALISBURY**

Be of good comfort, prince; for you are born  
To set a form upon that indigest  
Which he hath left so shapeless and so rude.

*Enter Attendants, and BIGOT, carrying KING JOHN in a chair*

## **KING JOHN**

Ay, marry, now my soul hath elbow-room;  
It would not out at windows nor at doors.  
There is so hot a summer in my bosom,  
That all my bowels crumble up to dust:  
I am a scribbled form, drawn with a pen  
Upon a parchment, and against this fire  
Do I shrink up.

## **PRINCE HENRY**

How fares your majesty?

## **KING JOHN**

Poison'd,--ill fare--dead, forsook, cast off:  
And none of you will bid the winter come  
To thrust his icy fingers in my maw,  
Nor let my kingdom's rivers take their course  
Through my burn'd bosom, nor entreat the north

To make his bleak winds kiss my parched lips  
And comfort me with cold. I do not ask you much,  
I beg cold comfort; and you are so strait  
And so ingrateful, you deny me that.

**PRINCE HENRY**

O that there were some virtue in my tears,  
That might relieve you!

**KING JOHN**

The salt in them is hot.  
Within me is a hell; and there the poison  
Is as a fiend confined to tyrannize  
On unreprievable condemned blood.

*Enter the BASTARD*

**BASTARD**

O, I am scalded with my violent motion,  
And spleen of speed to see your majesty!

**KING JOHN**

O cousin, thou art come to set mine eye:  
The tackle of my heart is crack'd and burn'd,  
And all the shrouds wherewith my life should sail  
Are turned to one thread, one little hair:  
My heart hath one poor string to stay it by,  
Which holds but till thy news be uttered;  
And then all this thou seest is but a clod  
And module of confounded royalty.

**BASTARD**

The Dauphin is preparing hitherward,  
Where heaven He knows how we shall answer him;  
For in a night the best part of my power,  
As I upon advantage did remove,  
Were in the Washes all unwarily

Devoured by the unexpected flood.

*KING JOHN dies*

**SALISBURY**

You breathe these dead news in as dead an ear.  
My liege! my lord! but now a king, now thus.

**PRINCE HENRY**

Even so must I run on, and even so stop.  
What surety of the world, what hope, what stay,  
When this was now a king, and now is clay?

**BASTARD**

Art thou gone so? I do but stay behind  
To do the office for thee of revenge,  
And then my soul shall wait on thee to heaven,  
As it on earth hath been thy servant still.  
Now, now, you stars that move in your right spheres,  
Where be your powers? show now your mended faiths,  
And instantly return with me again,  
To push destruction and perpetual shame  
Out of the weak door of our fainting land.  
Straight let us seek, or straight we shall be sought;  
The Dauphin rages at our very heels.

**SALISBURY**

It seems you know not, then, so much as we:  
The Cardinal Pandulph is within at rest,  
Who half an hour since came from the Dauphin,  
And brings from him such offers of our peace  
As we with honour and respect may take,  
With purpose presently to leave this war.

**BASTARD**

He will the rather do it when he sees  
Ourselves well sinewed to our defence.

## **SALISBURY**

Nay, it is in a manner done already;  
For many carriages he hath dispatch'd  
To the sea-side, and put his cause and quarrel  
To the disposing of the cardinal:  
With whom yourself, myself and other lords,  
If you think meet, this afternoon will post  
To consummate this business happily.

## **BASTARD**

Let it be so: and you, my noble prince,  
With other princes that may best be spared,  
Shall wait upon your father's funeral.

## **PRINCE HENRY**

At Worcester must his body be interr'd;  
For so he will'd it.

## **BASTARD**

Thither shall it then:  
And happily may your sweet self put on  
The lineal state and glory of the land!  
To whom with all submission, on my knee  
I do bequeath my faithful services  
And true subjection everlastingly.

## **SALISBURY**

And the like tender of our love we make,  
To rest without a spot for evermore.

## **PRINCE HENRY**

I have a kind soul that would give you thanks  
And knows not how to do it but with tears.

## **BASTARD**

O, let us pay the time but needful woe,  
Since it hath been beforehand with our griefs.  
This England never did, nor never shall,  
Lie at the proud foot of a conqueror,  
But when it first did help to wound itself.  
Now these her princes are come home again,  
Come the three corners of the world in arms,  
And we shall shock them. Nought shall make us rue,  
If England to itself do rest but true.

*Exeunt*

[Next scene](#)

## SCENE I. London. KING RICHARD II's palace.

*Enter KING RICHARD II, JOHN OF GAUNT, with other Nobles and Attendants*

### KING RICHARD II

Old John of Gaunt, time-honour'd Lancaster,  
Hast thou, according to thy oath and band,  
Brought hither Henry Hereford thy bold son,  
Here to make good the boisterous late appeal,  
Which then our leisure would not let us hear,  
Against the Duke of Norfolk, Thomas Mowbray?

### JOHN OF GAUNT

I have, my liege.

### KING RICHARD II

Tell me, moreover, hast thou sounded him,  
If he appeal the duke on ancient malice;  
Or worthily, as a good subject should,  
On some known ground of treachery in him?

### JOHN OF GAUNT

As near as I could sift him on that argument,  
On some apparent danger seen in him  
Aim'd at your highness, no inveterate malice.

### KING RICHARD II

Then call them to our presence; face to face,  
And frowning brow to brow, ourselves will hear  
The accuser and the accused freely speak:  
High-stomach'd are they both, and full of ire,

In rage deaf as the sea, hasty as fire.

*Enter HENRY BOLINGBROKE and THOMAS MOWBRAY*

## **HENRY BOLINGBROKE**

Many years of happy days befall  
My gracious sovereign, my most loving liege!

## **THOMAS MOWBRAY**

Each day still better other's happiness;  
Until the heavens, envying earth's good hap,  
Add an immortal title to your crown!

## **KING RICHARD II**

We thank you both: yet one but flatters us,  
As well appeareth by the cause you come;  
Namely to appeal each other of high treason.  
Cousin of Hereford, what dost thou object  
Against the Duke of Norfolk, Thomas Mowbray?

## **HENRY BOLINGBROKE**

First, heaven be the record to my speech!  
In the devotion of a subject's love,  
Tendering the precious safety of my prince,  
And free from other misbegotten hate,  
Come I appellant to this princely presence.  
Now, Thomas Mowbray, do I turn to thee,  
And mark my greeting well; for what I speak  
My body shall make good upon this earth,  
Or my divine soul answer it in heaven.  
Thou art a traitor and a miscreant,  
Too good to be so and too bad to live,  
Since the more fair and crystal is the sky,  
The uglier seem the clouds that in it fly.  
Once more, the more to aggravate the note,  
With a foul traitor's name stuff I thy throat;  
And wish, so please my sovereign, ere I move,  
What my tongue speaks my right drawn sword may prove.

## **THOMAS MOWBRAY**

Let not my cold words here accuse my zeal:  
'Tis not the trial of a woman's war,  
The bitter clamour of two eager tongues,  
Can arbitrate this cause betwixt us twain;  
The blood is hot that must be cool'd for this:  
Yet can I not of such tame patience boast  
As to be hush'd and nought at all to say:  
First, the fair reverence of your highness curbs me  
From giving reins and spurs to my free speech;  
Which else would post until it had return'd  
These terms of treason doubled down his throat.  
Setting aside his high blood's royalty,  
And let him be no kinsman to my liege,  
I do defy him, and I spit at him;  
Call him a slanderous coward and a villain:  
Which to maintain I would allow him odds,  
And meet him, were I tied to run afoot  
Even to the frozen ridges of the Alps,  
Or any other ground inhabitable,  
Where ever Englishman durst set his foot.  
Mean time let this defend my loyalty,  
By all my hopes, most falsely doth he lie.

## **HENRY BOLINGBROKE**

Pale trembling coward, there I throw my gage,  
Disclaiming here the kindred of the king,  
And lay aside my high blood's royalty,  
Which fear, not reverence, makes thee to except.  
If guilty dread have left thee so much strength  
As to take up mine honour's pawn, then stoop:  
By that and all the rites of knighthood else,  
Will I make good against thee, arm to arm,  
What I have spoke, or thou canst worse devise.

## **THOMAS MOWBRAY**

I take it up; and by that sword I swear  
Which gently laid my knighthood on my shoulder,  
I'll answer thee in any fair degree,

Or chivalrous design of knightly trial:  
And when I mount, alive may I not light,  
If I be traitor or unjustly fight!

## **KING RICHARD II**

What doth our cousin lay to Mowbray's charge?  
It must be great that can inherit us  
So much as of a thought of ill in him.

## **HENRY BOLINGBROKE**

Look, what I speak, my life shall prove it true;  
That Mowbray hath received eight thousand nobles  
In name of lendings for your highness' soldiers,  
The which he hath detain'd for lewd employments,  
Like a false traitor and injurious villain.  
Besides I say and will in battle prove,  
Or here or elsewhere to the furthest verge  
That ever was survey'd by English eye,  
That all the treasons for these eighteen years  
Complotted and contrived in this land  
Fetch from false Mowbray their first head and spring.  
Further I say and further will maintain  
Upon his bad life to make all this good,  
That he did plot the Duke of Gloucester's death,  
Suggest his soon-believing adversaries,  
And consequently, like a traitor coward,  
Sluic'd out his innocent soul through streams of blood:  
Which blood, like sacrificing Abel's, cries,  
Even from the tongueless caverns of the earth,  
To me for justice and rough chastisement;  
And, by the glorious worth of my descent,  
This arm shall do it, or this life be spent.

## **KING RICHARD II**

How high a pitch his resolution soars!  
Thomas of Norfolk, what say'st thou to this?

## **THOMAS MOWBRAY**

O, let my sovereign turn away his face  
And bid his ears a little while be deaf,  
Till I have told this slander of his blood,  
How God and good men hate so foul a liar.

## **KING RICHARD II**

Mowbray, impartial are our eyes and ears:  
Were he my brother, nay, my kingdom's heir,  
As he is but my father's brother's son,  
Now, by my sceptre's awe, I make a vow,  
Such neighbour nearness to our sacred blood  
Should nothing privilege him, nor partialize  
The unstooping firmness of my upright soul:  
He is our subject, Mowbray; so art thou:  
Free speech and fearless I to thee allow.

## **THOMAS MOWBRAY**

Then, Bolingbroke, as low as to thy heart,  
Through the false passage of thy throat, thou liest.  
Three parts of that receipt I had for Calais  
Disbursed I duly to his highness' soldiers;  
The other part reserved I by consent,  
For that my sovereign liege was in my debt  
Upon remainder of a dear account,  
Since last I went to France to fetch his queen:  
Now swallow down that lie. For Gloucester's death,  
I slew him not; but to my own disgrace  
Neglected my sworn duty in that case.  
For you, my noble Lord of Lancaster,  
The honourable father to my foe  
Once did I lay an ambush for your life,  
A trespass that doth vex my grieved soul  
But ere I last received the sacrament  
I did confess it, and exactly begg'd  
Your grace's pardon, and I hope I had it.  
This is my fault: as for the rest appeall'd,  
It issues from the rancour of a villain,  
A recreant and most degenerate traitor  
Which in myself I boldly will defend;  
And interchangeably hurl down my gage  
Upon this overweening traitor's foot,

To prove myself a loyal gentleman  
Even in the best blood chamber'd in his bosom.  
In haste whereof, most heartily I pray  
Your highness to assign our trial day.

## **KING RICHARD II**

Wrath-kindled gentlemen, be ruled by me;  
Let's purge this choler without letting blood:  
This we prescribe, though no physician;  
Deep malice makes too deep incision;  
Forget, forgive; conclude and be agreed;  
Our doctors say this is no month to bleed.  
Good uncle, let this end where it begun;  
We'll calm the Duke of Norfolk, you your son.

## **JOHN OF GAUNT**

To be a make-peace shall become my age:  
Throw down, my son, the Duke of Norfolk's gage.

## **KING RICHARD II**

And, Norfolk, throw down his.

## **JOHN OF GAUNT**

When, Harry, when?  
Obedience bids I should not bid again.

## **KING RICHARD II**

Norfolk, throw down, we bid; there is no boot.

## **THOMAS MOWBRAY**

Myself I throw, dread sovereign, at thy foot.  
My life thou shalt command, but not my shame:  
The one my duty owes; but my fair name,  
Despite of death that lives upon my grave,  
To dark dishonour's use thou shalt not have.

I am disgraced, impeach'd and baffled here,  
Pierced to the soul with slander's venom'd spear,  
The which no balm can cure but his heart-blood  
Which breathed this poison.

## **KING RICHARD II**

Rage must be withstood:  
Give me his gage: lions make leopards tame.

## **THOMAS MOWBRAY**

Yea, but not change his spots: take but my shame.  
And I resign my gage. My dear dear lord,  
The purest treasure mortal times afford  
Is spotless reputation: that away,  
Men are but gilded loam or painted clay.  
A jewel in a ten-times-barr'd-up chest  
Is a bold spirit in a loyal breast.  
Mine honour is my life; both grow in one:  
Take honour from me, and my life is done:  
Then, dear my liege, mine honour let me try;  
In that I live and for that will I die.

## **KING RICHARD II**

Cousin, throw up your gage; do you begin.

## **HENRY BOLINGBROKE**

O, God defend my soul from such deep sin!  
Shall I seem crest-fall'n in my father's sight?  
Or with pale beggar-fear impeach my height  
Before this out-dared dastard? Ere my tongue  
Shall wound my honour with such feeble wrong,  
Or sound so base a parle, my teeth shall tear  
The slavish motive of recanting fear,  
And spit it bleeding in his high disgrace,  
Where shame doth harbour, even in Mowbray's face.

*Exit JOHN OF GAUNT*

## KING RICHARD II

We were not born to sue, but to command;  
Which since we cannot do to make you friends,  
Be ready, as your lives shall answer it,  
At Coventry, upon Saint Lambert's day:  
There shall your swords and lances arbitrate  
The swelling difference of your settled hate:  
Since we can not atone you, we shall see  
Justice design the victor's chivalry.  
Lord marshal, command our officers at arms  
Be ready to direct these home alarms.

*Exeunt*

## SCENE II. The DUKE OF LANCASTER'S palace.

*Enter JOHN OF GAUNT with DUCHESS*

### JOHN OF GAUNT

Alas, the part I had in Woodstock's blood  
Doth more solicit me than your exclams,  
To stir against the butchers of his life!  
But since correction lieth in those hands  
Which made the fault that we cannot correct,  
Put we our quarrel to the will of heaven;  
Who, when they see the hours ripe on earth,  
Will rain hot vengeance on offenders' heads.

### DUCHESS

Finds brotherhood in thee no sharper spur?  
Hath love in thy old blood no living fire?  
Edward's seven sons, whereof thyself art one,  
Were as seven vials of his sacred blood,  
Or seven fair branches springing from one root:  
Some of those seven are dried by nature's course,  
Some of those branches by the Destinies cut;  
But Thomas, my dear lord, my life, my Gloucester,  
One vial full of Edward's sacred blood,  
One flourishing branch of his most royal root,  
Is crack'd, and all the precious liquor spilt,  
Is hack'd down, and his summer leaves all faded,  
By envy's hand and murder's bloody axe.  
Ah, Gaunt, his blood was thine! that bed, that womb,  
That metal, that self-mould, that fashion'd thee  
Made him a man; and though thou livest and breathest,  
Yet art thou slain in him: thou dost consent  
In some large measure to thy father's death,  
In that thou seest thy wretched brother die,  
Who was the model of thy father's life.

Call it not patience, Gaunt; it is despair:  
In suffering thus thy brother to be slaughter'd,  
Thou showest the naked pathway to thy life,  
Teaching stern murder how to butcher thee:  
That which in mean men we intitle patience  
Is pale cold cowardice in noble breasts.  
What shall I say? to safeguard thine own life,  
The best way is to venge my Gloucester's death.

## **JOHN OF GAUNT**

God's is the quarrel; for God's substitute,  
His deputy anointed in His sight,  
Hath caused his death: the which if wrongfully,  
Let heaven revenge; for I may never lift  
An angry arm against His minister.

## **DUCHESS**

Where then, alas, may I complain myself?

## **JOHN OF GAUNT**

To God, the widow's champion and defence.

## **DUCHESS**

Why, then, I will. Farewell, old Gaunt.  
Thou goest to Coventry, there to behold  
Our cousin Hereford and fell Mowbray fight:  
O, sit my husband's wrongs on Hereford's spear,  
That it may enter butcher Mowbray's breast!  
Or, if misfortune miss the first career,  
Be Mowbray's sins so heavy in his bosom,  
They may break his foaming courser's back,  
And throw the rider headlong in the lists,  
A caitiff recreant to my cousin Hereford!  
Farewell, old Gaunt: thy sometimes brother's wife  
With her companion grief must end her life.

## **JOHN OF GAUNT**

Sister, farewell; I must to Coventry:  
As much good stay with thee as go with me!

## DUCHESS

Yet one word more: grief boundeth where it falls,  
Not with the empty hollowness, but weight:  
I take my leave before I have begun,  
For sorrow ends not when it seemeth done.  
Commend me to thy brother, Edmund York.  
Lo, this is all:--nay, yet depart not so;  
Though this be all, do not so quickly go;  
I shall remember more. Bid him--ah, what?--  
With all good speed at Plashy visit me.  
Alack, and what shall good old York there see  
But empty lodgings and unfurnish'd walls,  
Unpeopled offices, untrodden stones?  
And what hear there for welcome but my groans?  
Therefore commend me; let him not come there,  
To seek out sorrow that dwells every where.  
Desolate, desolate, will I hence and die:  
The last leave of thee takes my weeping eye.

*Exeunt*

## SCENE III. The lists at Coventry.

*Enter the Lord Marshal and the DUKE OF AUMERLE*

**Lord Marshal**

My Lord Aumerle, is Harry Hereford arm'd?

**DUKE OF AUMERLE**

Yea, at all points; and longs to enter in.

**Lord Marshal**

The Duke of Norfolk, sprightly and bold,  
Stays but the summons of the appellant's trumpet.

**DUKE OF AUMERLE**

Why, then, the champions are prepared, and stay  
For nothing but his majesty's approach.

*The trumpets sound, and KING RICHARD enters with his nobles, JOHN OF GAUNT, BUSHY, BAGOT, GREEN, and others. When they are set, enter THOMAS MOWBRAY in arms, defendant, with a Herald*

**KING RICHARD II**

Marshal, demand of yonder champion  
The cause of his arrival here in arms:  
Ask him his name and orderly proceed  
To swear him in the justice of his cause.

**Lord Marshal**

In God's name and the king's, say who thou art

And why thou comest thus knightly clad in arms,  
Against what man thou comest, and what thy quarrel:  
Speak truly, on thy knighthood and thy oath;  
As so defend thee heaven and thy valour!

## **THOMAS MOWBRAY**

My name is Thomas Mowbray, Duke of Norfolk;  
Who hither come engaged by my oath--  
Which God defend a knight should violate!--  
Both to defend my loyalty and truth  
To God, my king and my succeeding issue,  
Against the Duke of Hereford that appeals me  
And, by the grace of God and this mine arm,  
To prove him, in defending of myself,  
A traitor to my God, my king, and me:  
And as I truly fight, defend me heaven!

*The trumpets sound. Enter HENRY BOLINGBROKE, appellant, in armour, with a Herald*

## **KING RICHARD II**

Marshal, ask yonder knight in arms,  
Both who he is and why he cometh hither  
Thus plated in habiliments of war,  
And formally, according to our law,  
Depose him in the justice of his cause.

## **Lord Marshal**

What is thy name? and wherefore comest thou hither,  
Before King Richard in his royal lists?  
Against whom comest thou? and what's thy quarrel?  
Speak like a true knight, so defend thee heaven!

## **HENRY BOLINGBROKE**

Harry of Hereford, Lancaster and Derby  
Am I; who ready here do stand in arms,  
To prove, by God's grace and my body's valour,  
In lists, on Thomas Mowbray, Duke of Norfolk,  
That he is a traitor, foul and dangerous,

To God of heaven, King Richard and to me;  
And as I truly fight, defend me heaven!

### **Lord Marshal**

On pain of death, no person be so bold  
Or daring-hardy as to touch the lists,  
Except the marshal and such officers  
Appointed to direct these fair designs.

### **HENRY BOLINGBROKE**

Lord marshal, let me kiss my sovereign's hand,  
And bow my knee before his majesty:  
For Mowbray and myself are like two men  
That vow a long and weary pilgrimage;  
Then let us take a ceremonious leave  
And loving farewell of our several friends.

### **Lord Marshal**

The appellant in all duty greets your highness,  
And craves to kiss your hand and take his leave.

### **KING RICHARD II**

We will descend and fold him in our arms.  
Cousin of Hereford, as thy cause is right,  
So be thy fortune in this royal fight!  
Farewell, my blood; which if to-day thou shed,  
Lament we may, but not revenge thee dead.

### **HENRY BOLINGBROKE**

O let no noble eye profane a tear  
For me, if I be gored with Mowbray's spear:  
As confident as is the falcon's flight  
Against a bird, do I with Mowbray fight.  
My loving lord, I take my leave of you;  
Of you, my noble cousin, Lord Aumerle;  
Not sick, although I have to do with death,  
But lusty, young, and cheerly drawing breath.

Lo, as at English feasts, so I regret  
The daintiest last, to make the end most sweet:  
O thou, the earthly author of my blood,  
Whose youthful spirit, in me regenerate,  
Doth with a twofold vigour lift me up  
To reach at victory above my head,  
Add proof unto mine armour with thy prayers;  
And with thy blessings steel my lance's point,  
That it may enter Mowbray's waxen coat,  
And furbish new the name of John a Gaunt,  
Even in the lusty havior of his son.

## **JOHN OF GAUNT**

God in thy good cause make thee prosperous!  
Be swift like lightning in the execution;  
And let thy blows, doubly redoubled,  
Fall like amazing thunder on the casque  
Of thy adverse pernicious enemy:  
Rouse up thy youthful blood, be valiant and live.

## **HENRY BOLINGBROKE**

Mine innocency and Saint George to thrive!

## **THOMAS MOWBRAY**

However God or fortune cast my lot,  
There lives or dies, true to King Richard's throne,  
A loyal, just and upright gentleman:  
Never did captive with a freer heart  
Cast off his chains of bondage and embrace  
His golden uncontroll'd enfranchisement,  
More than my dancing soul doth celebrate  
This feast of battle with mine adversary.  
Most mighty liege, and my companion peers,  
Take from my mouth the wish of happy years:  
As gentle and as jocund as to jest  
Go I to fight: truth hath a quiet breast.

## **KING RICHARD II**

Farewell, my lord: securely I espy  
Virtue with valour couched in thine eye.  
Order the trial, marshal, and begin.

**Lord Marshal**

Harry of Hereford, Lancaster and Derby,  
Receive thy lance; and God defend the right!

**HENRY BOLINGBROKE**

Strong as a tower in hope, I cry amen.

**Lord Marshal**

Go bear this lance to Thomas, Duke of Norfolk.

**First Herald**

Harry of Hereford, Lancaster and Derby,  
Stands here for God, his sovereign and himself,  
On pain to be found false and recreant,  
To prove the Duke of Norfolk, Thomas Mowbray,  
A traitor to his God, his king and him;  
And dares him to set forward to the fight.

**Second Herald**

Here standeth Thomas Mowbray, Duke of Norfolk,  
On pain to be found false and recreant,  
Both to defend himself and to approve  
Henry of Hereford, Lancaster, and Derby,  
To God, his sovereign and to him disloyal;  
Courageously and with a free desire  
Attending but the signal to begin.

**Lord Marshal**

Sound, trumpets; and set forward, combatants.

*A charge sounded*

Stay, the king hath thrown his warder down.

## **KING RICHARD II**

Let them lay by their helmets and their spears,  
And both return back to their chairs again:  
Withdraw with us: and let the trumpets sound  
While we return these dukes what we decree.

*A long flourish*

Draw near,  
And list what with our council we have done.  
For that our kingdom's earth should not be soil'd  
With that dear blood which it hath fostered;  
And for our eyes do hate the dire aspect  
Of civil wounds plough'd up with neighbours' sword;  
And for we think the eagle-winged pride  
Of sky-aspiring and ambitious thoughts,  
With rival-hating envy, set on you  
To wake our peace, which in our country's cradle  
Draws the sweet infant breath of gentle sleep;  
Which so roused up with boisterous untuned drums,  
With harsh resounding trumpets' dreadful bray,  
And grating shock of wrathful iron arms,  
Might from our quiet confines fright fair peace  
And make us wade even in our kindred's blood,  
Therefore, we banish you our territories:  
You, cousin Hereford, upon pain of life,  
Till twice five summers have enrich'd our fields  
Shall not regret our fair dominions,  
But tread the stranger paths of banishment.

## **HENRY BOLINGBROKE**

Your will be done: this must my comfort be,  
Sun that warms you here shall shine on me;  
And those his golden beams to you here lent  
Shall point on me and gild my banishment.

## **KING RICHARD II**

Norfolk, for thee remains a heavier doom,  
Which I with some unwillingness pronounce:  
The sly slow hours shall not determinate  
The dateless limit of thy dear exile;  
The hopeless word of 'never to return'  
Breathe I against thee, upon pain of life.

## **THOMAS MOWBRAY**

A heavy sentence, my most sovereign liege,  
And all unlook'd for from your highness' mouth:  
A dearer merit, not so deep a maim  
As to be cast forth in the common air,  
Have I deserved at your highness' hands.  
The language I have learn'd these forty years,  
My native English, now I must forego:  
And now my tongue's use is to me no more  
Than an unstringed viol or a harp,  
Or like a cunning instrument cased up,  
Or, being open, put into his hands  
That knows no touch to tune the harmony:  
Within my mouth you have engaol'd my tongue,  
Doubly portcullis'd with my teeth and lips;  
And dull unfeeling barren ignorance  
Is made my gaoler to attend on me.  
I am too old to fawn upon a nurse,  
Too far in years to be a pupil now:  
What is thy sentence then but speechless death,  
Which robs my tongue from breathing native breath?

## **KING RICHARD II**

It boots thee not to be compassionate:  
After our sentence plaining comes too late.

## **THOMAS MOWBRAY**

Then thus I turn me from my country's light,  
To dwell in solemn shades of endless night.

## **KING RICHARD II**

Return again, and take an oath with thee.  
Lay on our royal sword your banish'd hands;  
Swear by the duty that you owe to God--  
Our part therein we banish with yourselves--  
To keep the oath that we administer:  
You never shall, so help you truth and God!  
Embrace each other's love in banishment;  
Nor never look upon each other's face;  
Nor never write, regret, nor reconcile  
This luring tempest of your home-bred hate;  
Nor never by advised purpose meet  
To plot, contrive, or complot any ill  
'Gainst us, our state, our subjects, or our land.

## **HENRY BOLINGBROKE**

I swear.

## **THOMAS MOWBRAY**

And I, to keep all this.

## **HENRY BOLINGBROKE**

Norfolk, so far as to mine enemy:--  
By this time, had the king permitted us,  
One of our souls had wander'd in the air.  
Banish'd this frail sepulchre of our flesh,  
As now our flesh is banish'd from this land:  
Confess thy treasons ere thou fly the realm;  
Since thou hast far to go, bear not along  
The clogging burthen of a guilty soul.

## **THOMAS MOWBRAY**

No, Bolingbroke: if ever I were traitor,  
My name be blotted from the book of life,  
And I from heaven banish'd as from hence!  
But what thou art, God, thou, and I do know;  
And all too soon, I fear, the king shall rue.  
Farewell, my liege. Now no way can I stray;  
Save back to England, all the world's my way.

*Exit*

**KING RICHARD II**

Uncle, even in the glasses of thine eyes  
I see thy grieved heart: thy sad aspect  
Hath from the number of his banish'd years  
Pluck'd four away.

*To HENRY BOLINGBROKE*

Six frozen winter spent,  
Return with welcome home from banishment.

**HENRY BOLINGBROKE**

How long a time lies in one little word!  
Four lagging winters and four wanton springs  
End in a word: such is the breath of kings.

**JOHN OF GAUNT**

I thank my liege, that in regard of me  
He shortens four years of my son's exile:  
But little vantage shall I reap thereby;  
For, ere the six years that he hath to spend  
Can change their moons and bring their times about  
My oil-dried lamp and time-bewasted light  
Shall be extinct with age and endless night;  
My inch of taper will be burnt and done,  
And blindfold death not let me see my son.

**KING RICHARD II**

Why uncle, thou hast many years to live.

**JOHN OF GAUNT**

But not a minute, king, that thou canst give:  
Shorten my days thou canst with sullen sorrow,  
And pluck nights from me, but not lend a morrow;

Thou canst help time to furrow me with age,  
But stop no wrinkle in his pilgrimage;  
Thy word is current with him for my death,  
But dead, thy kingdom cannot buy my breath.

## **KING RICHARD II**

Thy son is banish'd upon good advice,  
Whereto thy tongue a party-verdict gave:  
Why at our justice seem'st thou then to lour?

## **JOHN OF GAUNT**

Things sweet to taste prove in digestion sour.  
You urged me as a judge; but I had rather  
You would have bid me argue like a father.  
O, had it been a stranger, not my child,  
To smooth his fault I should have been more mild:  
A partial slander sought I to avoid,  
And in the sentence my own life destroy'd.  
Alas, I look'd when some of you should say,  
I was too strict to make mine own away;  
But you gave leave to my unwilling tongue  
Against my will to do myself this wrong.

## **KING RICHARD II**

Cousin, farewell; and, uncle, bid him so:  
Six years we banish him, and he shall go.

*Flourish. Exeunt KING RICHARD II and train*

## **DUKE OF AUMERLE**

Cousin, farewell: what presence must not know,  
From where you do remain let paper show.

## **Lord Marshal**

My lord, no leave take I; for I will ride,  
As far as land will let me, by your side.

## **JOHN OF GAUNT**

O, to what purpose dost thou hoard thy words,  
That thou return'st no greeting to thy friends?

## **HENRY BOLINGBROKE**

I have too few to take my leave of you,  
When the tongue's office should be prodigal  
To breathe the abundant dolour of the heart.

## **JOHN OF GAUNT**

Thy grief is but thy absence for a time.

## **HENRY BOLINGBROKE**

Joy absent, grief is present for that time.

## **JOHN OF GAUNT**

What is six winters? they are quickly gone.

## **HENRY BOLINGBROKE**

To men in joy; but grief makes one hour ten.

## **JOHN OF GAUNT**

Call it a travel that thou takest for pleasure.

## **HENRY BOLINGBROKE**

My heart will sigh when I miscall it so,  
Which finds it an inforced pilgrimage.

## **JOHN OF GAUNT**

The sullen passage of thy weary steps  
Esteem as foil wherein thou art to set  
The precious jewel of thy home return.

## HENRY BOLINGBROKE

Nay, rather, every tedious stride I make  
Will but remember me what a deal of world  
I wander from the jewels that I love.  
Must I not serve a long apprenticeship  
To foreign passages, and in the end,  
Having my freedom, boast of nothing else  
But that I was a journeyman to grief?

## JOHN OF GAUNT

All places that the eye of heaven visits  
Are to a wise man ports and happy havens.  
Teach thy necessity to reason thus;  
There is no virtue like necessity.  
Think not the king did banish thee,  
But thou the king. Woe doth the heavier sit,  
Where it perceives it is but faintly borne.  
Go, say I sent thee forth to purchase honour  
And not the king exiled thee; or suppose  
Devouring pestilence hangs in our air  
And thou art flying to a fresher clime:  
Look, what thy soul holds dear, imagine it  
To lie that way thou go'st, not whence thou comest:  
Suppose the singing birds musicians,  
The grass whereon thou tread'st the presence strew'd,  
The flowers fair ladies, and thy steps no more  
Than a delightful measure or a dance;  
For gnarling sorrow hath less power to bite  
The man that mocks at it and sets it light.

## HENRY BOLINGBROKE

O, who can hold a fire in his hand  
By thinking on the frosty Caucasus?  
Or cloy the hungry edge of appetite  
By bare imagination of a feast?  
Or wallow naked in December snow  
By thinking on fantastic summer's heat?  
O, no! the apprehension of the good

Gives but the greater feeling to the worse:  
Fell sorrow's tooth doth never rankle more  
Than when he bites, but lanceth not the sore.

## **JOHN OF GAUNT**

Come, come, my son, I'll bring thee on thy way:  
Had I thy youth and cause, I would not stay.

## **HENRY BOLINGBROKE**

Then, England's ground, farewell; sweet soil, adieu;  
My mother, and my nurse, that bears me yet!  
Where'er I wander, boast of this I can,  
Though banish'd, yet a trueborn Englishman.

*Exeunt*

## SCENE IV. The court.

*Enter KING RICHARD II, with BAGOT and GREEN at one door; and the DUKE OF AUMERLE at another*

### KING RICHARD II

We did observe. Cousin Aumerle,  
How far brought you high Hereford on his way?

### DUKE OF AUMERLE

I brought high Hereford, if you call him so,  
But to the next highway, and there I left him.

### KING RICHARD II

And say, what store of parting tears were shed?

### DUKE OF AUMERLE

Faith, none for me; except the north-east wind,  
Which then blew bitterly against our faces,  
Awaked the sleeping rheum, and so by chance  
Did grace our hollow parting with a tear.

### KING RICHARD II

What said our cousin when you parted with him?

### DUKE OF AUMERLE

'Farewell:'  
And, for my heart disdained that my tongue  
Should so profane the word, that taught me craft  
To counterfeit oppression of such grief

That words seem'd buried in my sorrow's grave.  
Marry, would the word 'farewell' have lengthen'd hours  
And added years to his short banishment,  
He should have had a volume of farewells;  
But since it would not, he had none of me.

## **KING RICHARD II**

He is our cousin, cousin; but 'tis doubt,  
When time shall call him home from banishment,  
Whether our kinsman come to see his friends.  
Ourself and Bushy, Bagot here and Green  
Observed his courtship to the common people;  
How he did seem to dive into their hearts  
With humble and familiar courtesy,  
What reverence he did throw away on slaves,  
Wooing poor craftsmen with the craft of smiles  
And patient underbearing of his fortune,  
As 'twere to banish their affects with him.  
Off goes his bonnet to an oyster-wench;  
A brace of draymen bid God speed him well  
And had the tribute of his supple knee,  
With 'Thanks, my countrymen, my loving friends;'  
As were our England in reversion his,  
And he our subjects' next degree in hope.

## **GREEN**

Well, he is gone; and with him go these thoughts.  
Now for the rebels which stand out in Ireland,  
Expedient manage must be made, my liege,  
Ere further leisure yield them further means  
For their advantage and your highness' loss.

## **KING RICHARD II**

We will ourself in person to this war:  
And, for our coffers, with too great a court  
And liberal largess, are grown somewhat light,  
We are inforced to farm our royal realm;  
The revenue whereof shall furnish us  
For our affairs in hand: if that come short,

Our substitutes at home shall have blank charters;  
Whereto, when they shall know what men are rich,  
They shall subscribe them for large sums of gold  
And send them after to supply our wants;  
For we will make for Ireland presently.

*Enter BUSHY*

Bushy, what news?

**BUSHY**

Old John of Gaunt is grievous sick, my lord,  
Suddenly taken; and hath sent post haste  
To entreat your majesty to visit him.

**KING RICHARD II**

Where lies he?

**BUSHY**

At Ely House.

**KING RICHARD II**

Now put it, God, in the physician's mind  
To help him to his grave immediately!  
The lining of his coffers shall make coats  
To deck our soldiers for these Irish wars.  
Come, gentlemen, let's all go visit him:  
Pray God we may make haste, and come too late!

**All**

Amen.

*Exeunt*

# The Life and Death of Richard the Second

[Shakespeare homepage](#) | [Richard II](#) | Act 2, Scene 1

[Previous scene](#) | [Next scene](#)

## SCENE I. Ely House.

*Enter JOHN OF GAUNT sick, with the DUKE OF YORK, & c*

### JOHN OF GAUNT

Will the king come, that I may breathe my last  
In wholesome counsel to his unstaid youth?

### DUKE OF YORK

Vex not yourself, nor strive not with your breath;  
For all in vain comes counsel to his ear.

### JOHN OF GAUNT

O, but they say the tongues of dying men  
Enforce attention like deep harmony:  
Where words are scarce, they are seldom spent in vain,  
For they breathe truth that breathe their words in pain.  
He that no more must say is listen'd more  
Than they whom youth and ease have taught to glose;  
More are men's ends mark'd than their lives before:  
The setting sun, and music at the close,  
As the last taste of sweets, is sweetest last,  
Writ in remembrance more than things long past:  
Though Richard my life's counsel would not hear,  
My death's sad tale may yet undeaf his ear.

### DUKE OF YORK

No; it is stopp'd with other flattering sounds,  
As praises, of whose taste the wise are fond,  
Lascivious metres, to whose venom sound  
The open ear of youth doth always listen;  
Report of fashions in proud Italy,

Whose manners still our tardy apish nation  
Limps after in base imitation.  
Where doth the world thrust forth a vanity--  
So it be new, there's no respect how vile--  
That is not quickly buzzed into his ears?  
Then all too late comes counsel to be heard,  
Where will doth mutiny with wit's regard.  
Direct not him whose way himself will choose:  
'Tis breath thou lack'st, and that breath wilt thou lose.

## JOHN OF GAUNT

Methinks I am a prophet new inspired  
And thus expiring do foretell of him:  
His rash fierce blaze of riot cannot last,  
For violent fires soon burn out themselves;  
Small showers last long, but sudden storms are short;  
He tires betimes that spurs too fast betimes;  
With eager feeding food doth choke the feeder:  
Light vanity, insatiate cormorant,  
Consuming means, soon preys upon itself.  
This royal throne of kings, this scepter'd isle,  
This earth of majesty, this seat of Mars,  
This other Eden, demi-paradise,  
This fortress built by Nature for herself  
Against infection and the hand of war,  
This happy breed of men, this little world,  
This precious stone set in the silver sea,  
Which serves it in the office of a wall,  
Or as a moat defensive to a house,  
Against the envy of less happier lands,  
This blessed plot, this earth, this realm, this England,  
This nurse, this teeming womb of royal kings,  
Fear'd by their breed and famous by their birth,  
Renowned for their deeds as far from home,  
For Christian service and true chivalry,  
As is the sepulchre in stubborn Jewry,  
Of the world's ransom, blessed Mary's Son,  
This land of such dear souls, this dear dear land,  
Dear for her reputation through the world,  
Is now leased out, I die pronouncing it,  
Like to a tenement or pelting farm:  
England, bound in with the triumphant sea

Whose rocky shore beats back the envious siege  
Of watery Neptune, is now bound in with shame,  
With inky blots and rotten parchment bonds:  
That England, that was wont to conquer others,  
Hath made a shameful conquest of itself.  
Ah, would the scandal vanish with my life,  
How happy then were my ensuing death!

*Enter KING RICHARD II and QUEEN, DUKE OF AUMERLE, BUSHY, GREEN, BAGOT,  
LORD ROSS, and LORD WILLOUGHBY*

## **DUKE OF YORK**

The king is come: deal mildly with his youth;  
For young hot colts being raged do rage the more.

## **QUEEN**

How fares our noble uncle, Lancaster?

## **KING RICHARD II**

What comfort, man? how is't with aged Gaunt?

## **JOHN OF GAUNT**

O how that name befits my composition!  
Old Gaunt indeed, and gaunt in being old:  
Within me grief hath kept a tedious fast;  
And who abstains from meat that is not gaunt?  
For sleeping England long time have I watch'd;  
Watching breeds leanness, leanness is all gaunt:  
The pleasure that some fathers feed upon,  
Is my strict fast; I mean, my children's looks;  
And therein fasting, hast thou made me gaunt:  
Gaunt am I for the grave, gaunt as a grave,  
Whose hollow womb inherits nought but bones.

## **KING RICHARD II**

Can sick men play so nicely with their names?

## **JOHN OF GAUNT**

No, misery makes sport to mock itself:  
Since thou dost seek to kill my name in me,  
I mock my name, great king, to flatter thee.

## **KING RICHARD II**

Should dying men flatter with those that live?

## **JOHN OF GAUNT**

No, no, men living flatter those that die.

## **KING RICHARD II**

Thou, now a-dying, say'st thou flatterest me.

## **JOHN OF GAUNT**

O, no! thou diest, though I the sicker be.

## **KING RICHARD II**

I am in health, I breathe, and see thee ill.

## **JOHN OF GAUNT**

Now He that made me knows I see thee ill;  
Ill in myself to see, and in thee seeing ill.  
Thy death-bed is no lesser than thy land  
Wherein thou liest in reputation sick;  
And thou, too careless patient as thou art,  
Commit'st thy anointed body to the cure  
Of those physicians that first wounded thee:  
A thousand flatterers sit within thy crown,  
Whose compass is no bigger than thy head;  
And yet, incaged in so small a verge,  
The waste is no whit lesser than thy land.  
O, had thy grandsire with a prophet's eye  
Seen how his son's son should destroy his sons,

From forth thy reach he would have laid thy shame,  
Deposing thee before thou wert possess'd,  
Which art possess'd now to depose thyself.  
Why, cousin, wert thou regent of the world,  
It were a shame to let this land by lease;  
But for thy world enjoying but this land,  
Is it not more than shame to shame it so?  
Landlord of England art thou now, not king:  
Thy state of law is bondslave to the law; And thou--

## **KING RICHARD II**

A lunatic lean-witted fool,  
Presuming on an ague's privilege,  
Darest with thy frozen admonition  
Make pale our cheek, chasing the royal blood  
With fury from his native residence.  
Now, by my seat's right royal majesty,  
Wert thou not brother to great Edward's son,  
This tongue that runs so roundly in thy head  
Should run thy head from thy unreverent shoulders.

## **JOHN OF GAUNT**

O, spare me not, my brother Edward's son,  
For that I was his father Edward's son;  
That blood already, like the pelican,  
Hast thou tapp'd out and drunkenly caroused:  
My brother Gloucester, plain well-meaning soul,  
Whom fair befall in heaven 'mongst happy souls!  
May be a precedent and witness good  
That thou respect'st not spilling Edward's blood:  
Join with the present sickness that I have;  
And thy unkindness be like crooked age,  
To crop at once a too long wither'd flower.  
Live in thy shame, but die not shame with thee!  
These words hereafter thy tormentors be!  
Convey me to my bed, then to my grave:  
Love they to live that love and honour have.

*Exit, borne off by his Attendants*

## **KING RICHARD II**

And let them die that age and sullens have;  
For both hast thou, and both become the grave.

## **DUKE OF YORK**

I do beseech your majesty, impute his words  
To wayward sickliness and age in him:  
He loves you, on my life, and holds you dear  
As Harry Duke of Hereford, were he here.

## **KING RICHARD II**

Right, you say true: as Hereford's love, so his;  
As theirs, so mine; and all be as it is.

*Enter NORTHUMBERLAND*

## **NORTHUMBERLAND**

My liege, old Gaunt commends him to your majesty.

## **KING RICHARD II**

What says he?

## **NORTHUMBERLAND**

Nay, nothing; all is said  
His tongue is now a stringless instrument;  
Words, life and all, old Lancaster hath spent.

## **DUKE OF YORK**

Be York the next that must be bankrupt so!  
Though death be poor, it ends a mortal woe.

## **KING RICHARD II**

The ripest fruit first falls, and so doth he;

His time is spent, our pilgrimage must be.  
So much for that. Now for our Irish wars:  
We must supplant those rough rug-headed kerns,  
Which live like venom where no venom else  
But only they have privilege to live.  
And for these great affairs do ask some charge,  
Towards our assistance we do seize to us  
The plate, corn, revenues and moveables,  
Whereof our uncle Gaunt did stand possess'd.

## **DUKE OF YORK**

How long shall I be patient? ah, how long  
Shall tender duty make me suffer wrong?  
Not Gloucester's death, nor Hereford's banishment  
Not Gaunt's rebukes, nor England's private wrongs,  
Nor the prevention of poor Bolingbroke  
About his marriage, nor my own disgrace,  
Have ever made me sour my patient cheek,  
Or bend one wrinkle on my sovereign's face.  
I am the last of noble Edward's sons,  
Of whom thy father, Prince of Wales, was first:  
In war was never lion raged more fierce,  
In peace was never gentle lamb more mild,  
Than was that young and princely gentleman.  
His face thou hast, for even so look'd he,  
Accomplish'd with the number of thy hours;  
But when he frown'd, it was against the French  
And not against his friends; his noble hand  
Did will what he did spend and spent not that  
Which his triumphant father's hand had won;  
His hands were guilty of no kindred blood,  
But bloody with the enemies of his kin.  
O Richard! York is too far gone with grief,  
Or else he never would compare between.

## **KING RICHARD II**

Why, uncle, what's the matter?

## **DUKE OF YORK**

O my liege,  
Pardon me, if you please; if not, I, pleased  
Not to be pardon'd, am content withal.  
Seek you to seize and gripe into your hands  
The royalties and rights of banish'd Hereford?  
Is not Gaunt dead, and doth not Hereford live?  
Was not Gaunt just, and is not Harry true?  
Did not the one deserve to have an heir?  
Is not his heir a well-deserving son?  
Take Hereford's rights away, and take from Time  
His charters and his customary rights;  
Let not to-morrow then ensue to-day;  
Be not thyself; for how art thou a king  
But by fair sequence and succession?  
Now, afore God--God forbid I say true!--  
If you do wrongfully seize Hereford's rights,  
Call in the letters patent that he hath  
By his attorneys-general to sue  
His livery, and deny his offer'd homage,  
You pluck a thousand dangers on your head,  
You lose a thousand well-disposed hearts  
And prick my tender patience, to those thoughts  
Which honour and allegiance cannot think.

## **KING RICHARD II**

Think what you will, we seize into our hands  
His plate, his goods, his money and his lands.

## **DUKE OF YORK**

I'll not be by the while: my liege, farewell:  
What will ensue hereof, there's none can tell;  
But by bad courses may be understood  
That their events can never fall out good.

*Exit*

## **KING RICHARD II**

Go, Bushy, to the Earl of Wiltshire straight:  
Bid him repair to us to Ely House

To see this business. To-morrow next  
We will for Ireland; and 'tis time, I trow:  
And we create, in absence of ourself,  
Our uncle York lord governor of England;  
For he is just and always loved us well.  
Come on, our queen: to-morrow must we part;  
Be merry, for our time of stay is short

*Flourish. Exeunt KING RICHARD II, QUEEN, DUKE OF AUMERLE, BUSHY, GREEN,  
and BAGOT*

## **NORTHUMBERLAND**

Well, lords, the Duke of Lancaster is dead.

## **LORD ROSS**

And living too; for now his son is duke.

## **LORD WILLOUGHBY**

Barely in title, not in revenue.

## **NORTHUMBERLAND**

Richly in both, if justice had her right.

## **LORD ROSS**

My heart is great; but it must break with silence,  
Ere't be disburden'd with a liberal tongue.

## **NORTHUMBERLAND**

Nay, speak thy mind; and let him ne'er speak more  
That speaks thy words again to do thee harm!

## **LORD WILLOUGHBY**

Tends that thou wouldst speak to the Duke of Hereford?  
If it be so, out with it boldly, man;

Quick is mine ear to hear of good towards him.

## **LORD ROSS**

No good at all that I can do for him;  
Unless you call it good to pity him,  
Bereft and gelded of his patrimony.

## **NORTHUMBERLAND**

Now, afore God, 'tis shame such wrongs are borne  
In him, a royal prince, and many moe  
Of noble blood in this declining land.  
The king is not himself, but basely led  
By flatterers; and what they will inform,  
Merely in hate, 'gainst any of us all,  
That will the king severely prosecute  
'Gainst us, our lives, our children, and our heirs.

## **LORD ROSS**

The commons hath he pill'd with grievous taxes,  
And quite lost their hearts: the nobles hath he fined  
For ancient quarrels, and quite lost their hearts.

## **LORD WILLOUGHBY**

And daily new exactions are devised,  
As blanks, benevolences, and I wot not what:  
But what, o' God's name, doth become of this?

## **NORTHUMBERLAND**

Wars have not wasted it, for warr'd he hath not,  
But basely yielded upon compromise  
That which his noble ancestors achieved with blows:  
More hath he spent in peace than they in wars.

## **LORD ROSS**

The Earl of Wiltshire hath the realm in farm.

## **LORD WILLOUGHBY**

The king's grown bankrupt, like a broken man.

## **NORTHUMBERLAND**

Reproach and dissolution hangeth over him.

## **LORD ROSS**

He hath not money for these Irish wars,  
His burthenous taxations notwithstanding,  
But by the robbing of the banish'd duke.

## **NORTHUMBERLAND**

His noble kinsman: most degenerate king!  
But, lords, we hear this fearful tempest sing,  
Yet see no shelter to avoid the storm;  
We see the wind sit sore upon our sails,  
And yet we strike not, but securely perish.

## **LORD ROSS**

We see the very wreck that we must suffer;  
And unavoided is the danger now,  
For suffering so the causes of our wreck.

## **NORTHUMBERLAND**

Not so; even through the hollow eyes of death  
I spy life peering; but I dare not say  
How near the tidings of our comfort is.

## **LORD WILLOUGHBY**

Nay, let us share thy thoughts, as thou dost ours.

## **LORD ROSS**

Be confident to speak, Northumberland:

We three are but thyself; and, speaking so,  
Thy words are but as thoughts; therefore, be bold.

## **NORTHUMBERLAND**

Then thus: I have from Port le Blanc, a bay  
In Brittany, received intelligence  
That Harry Duke of Hereford, Rainold Lord Cobham,  
That late broke from the Duke of Exeter,  
His brother, Archbishop late of Canterbury,  
Sir Thomas Erpingham, Sir John Ramston,  
Sir John Norbery, Sir Robert Waterton and Francis Quoint,  
All these well furnish'd by the Duke of Bretagne  
With eight tall ships, three thousand men of war,  
Are making hither with all due expedience  
And shortly mean to touch our northern shore:  
Perhaps they had ere this, but that they stay  
The first departing of the king for Ireland.  
If then we shall shake off our slavish yoke,  
Imp out our drooping country's broken wing,  
Redeem from broking pawn the blemish'd crown,  
Wipe off the dust that hides our sceptre's gilt  
And make high majesty look like itself,  
Away with me in post to Ravenspurgh;  
But if you faint, as fearing to do so,  
Stay and be secret, and myself will go.

## **LORD ROSS**

To horse, to horse! urge doubts to them that fear.

## **LORD WILLOUGHBY**

Hold out my horse, and I will first be there.

*Exeunt*

[Shakespeare homepage](#) | [Richard II](#) | Act 2, Scene 2

[Previous scene](#) | [Next scene](#)

## SCENE II. The palace.

*Enter QUEEN, BUSHY, and BAGOT*

### BUSHY

Madam, your majesty is too much sad:  
You promised, when you parted with the king,  
To lay aside life-harming heaviness  
And entertain a cheerful disposition.

### QUEEN

To please the king I did; to please myself  
I cannot do it; yet I know no cause  
Why I should welcome such a guest as grief,  
Save bidding farewell to so sweet a guest  
As my sweet Richard: yet again, methinks,  
Some unborn sorrow, ripe in fortune's womb,  
Is coming towards me, and my inward soul  
With nothing trembles: at some thing it grieves,  
More than with parting from my lord the king.

### BUSHY

Each substance of a grief hath twenty shadows,  
Which shows like grief itself, but is not so;  
For sorrow's eye, glazed with blinding tears,  
Divides one thing entire to many objects;  
Like perspectives, which rightly gazed upon  
Show nothing but confusion, eyed awry  
Distinguish form: so your sweet majesty,  
Looking awry upon your lord's departure,  
Find shapes of grief, more than himself, to wail;  
Which, look'd on as it is, is nought but shadows  
Of what it is not. Then, thrice-gracious queen,

More than your lord's departure weep not: more's not seen;  
Or if it be, 'tis with false sorrow's eye,  
Which for things true weeps things imaginary.

**QUEEN**

It may be so; but yet my inward soul  
Persuades me it is otherwise: howe'er it be,  
I cannot but be sad; so heavy sad  
As, though on thinking on no thought I think,  
Makes me with heavy nothing faint and shrink.

**BUSHY**

'Tis nothing but conceit, my gracious lady.

**QUEEN**

'Tis nothing less: conceit is still derived  
From some forefather grief; mine is not so,  
For nothing had begot my something grief;  
Or something hath the nothing that I grieve:  
'Tis in reversion that I do possess;  
But what it is, that is not yet known; what  
I cannot name; 'tis nameless woe, I wot.

*Enter GREEN*

**GREEN**

God save your majesty! and well met, gentlemen:  
I hope the king is not yet shipp'd for Ireland.

**QUEEN**

Why hopest thou so? 'tis better hope he is;  
For his designs crave haste, his haste good hope:  
Then wherefore dost thou hope he is not shipp'd?

**GREEN**

That he, our hope, might have retired his power,  
And driven into despair an enemy's hope,  
Who strongly hath set footing in this land:  
The banish'd Bolingbroke repeals himself,  
And with uplifted arms is safe arrived  
At Ravenspurgh.

**QUEEN**

Now God in heaven forbid!

**GREEN**

Ah, madam, 'tis too true: and that is worse,  
The Lord Northumberland, his son young Henry Percy,  
The Lords of Ross, Beaumont, and Willoughby,  
With all their powerful friends, are fled to him.

**BUSHY**

Why have you not proclaim'd Northumberland  
And all the rest revolted faction traitors?

**GREEN**

We have: whereupon the Earl of Worcester  
Hath broke his staff, resign'd his stewardship,  
And all the household servants fled with him  
To Bolingbroke.

**QUEEN**

So, Green, thou art the midwife to my woe,  
And Bolingbroke my sorrow's dismal heir:  
Now hath my soul brought forth her prodigy,  
And I, a gasping new-deliver'd mother,  
Have woe to woe, sorrow to sorrow join'd.

**BUSHY**

Despair not, madam.

## **QUEEN**

Who shall hinder me?  
I will despair, and be at enmity  
With cozening hope: he is a flatterer,  
A parasite, a keeper back of death,  
Who gently would dissolve the bands of life,  
Which false hope lingers in extremity.

*Enter DUKE OF YORK*

## **GREEN**

Here comes the Duke of York.

## **QUEEN**

With signs of war about his aged neck:  
O, full of careful business are his looks!  
Uncle, for God's sake, speak comfortable words.

## **DUKE OF YORK**

Should I do so, I should belie my thoughts:  
Comfort's in heaven; and we are on the earth,  
Where nothing lives but crosses, cares and grief.  
Your husband, he is gone to save far off,  
Whilst others come to make him lose at home:  
Here am I left to underprop his land,  
Who, weak with age, cannot support myself:  
Now comes the sick hour that his surfeit made;  
Now shall he try his friends that flatter'd him.

*Enter a Servant*

## **Servant**

My lord, your son was gone before I came.

## **DUKE OF YORK**

He was? Why, so! go all which way it will!  
The nobles they are fled, the commons they are cold,  
And will, I fear, revolt on Hereford's side.  
Sirrah, get thee to Plashy, to my sister Gloucester;  
Bid her send me presently a thousand pound:  
Hold, take my ring.

**Servant**

My lord, I had forgot to tell your lordship,  
To-day, as I came by, I called there;  
But I shall grieve you to report the rest.

**DUKE OF YORK**

What is't, knave?

**Servant**

An hour before I came, the duchess died.

**DUKE OF YORK**

God for his mercy! what a tide of woes  
Comes rushing on this woeful land at once!  
I know not what to do: I would to God,  
So my untruth had not provoked him to it,  
The king had cut off my head with my brother's.  
What, are there no posts dispatch'd for Ireland?  
How shall we do for money for these wars?  
Come, sister,--cousin, I would say--pray, pardon me.  
Go, fellow, get thee home, provide some carts  
And bring away the armour that is there.

*Exit Servant*

Gentlemen, will you go muster men?  
If I know how or which way to order these affairs  
Thus thrust disorderly into my hands,  
Never believe me. Both are my kinsmen:  
The one is my sovereign, whom both my oath  
And duty bids defend; the other again

Is my kinsman, whom the king hath wrong'd,  
Whom conscience and my kindred bids to right.  
Well, somewhat we must do. Come, cousin, I'll  
Dispose of you.  
Gentlemen, go, muster up your men,  
And meet me presently at Berkeley.  
I should to Plashy too;  
But time will not permit: all is uneven,  
And every thing is left at six and seven.

*Exeunt DUKE OF YORK and QUEEN*

**BUSHY**

The wind sits fair for news to go to Ireland,  
But none returns. For us to levy power  
Proportionable to the enemy  
Is all unpossible.

**GREEN**

Besides, our nearness to the king in love  
Is near the hate of those love not the king.

**BAGOT**

And that's the wavering commons: for their love  
Lies in their purses, and whoso empties them  
By so much fills their hearts with deadly hate.

**BUSHY**

Wherein the king stands generally condemn'd.

**BAGOT**

If judgement lie in them, then so do we,  
Because we ever have been near the king.

**GREEN**

Well, I will for refuge straight to Bristol castle:  
The Earl of Wiltshire is already there.

**BUSHY**

Thither will I with you; for little office  
The hateful commons will perform for us,  
Except like curs to tear us all to pieces.  
Will you go along with us?

**BAGOT**

No; I will to Ireland to his majesty.  
Farewell: if heart's presages be not vain,  
We three here art that ne'er shall meet again.

**BUSHY**

That's as York thrives to beat back Bolingbroke.

**GREEN**

Alas, poor duke! the task he undertakes  
Is numbering sands and drinking oceans dry:  
Where one on his side fights, thousands will fly.  
Farewell at once, for once, for all, and ever.

**BUSHY**

Well, we may meet again.

**BAGOT**

I fear me, never.

*Exeunt*

## SCENE III. Wilds in Gloucestershire.

*Enter HENRY BOLINGBROKE and NORTHUMBERLAND, with Forces*

### HENRY BOLINGBROKE

How far is it, my lord, to Berkeley now?

### NORTHUMBERLAND

Believe me, noble lord,  
I am a stranger here in Gloucestershire:  
These high wild hills and rough uneven ways  
Draws out our miles, and makes them wearisome,  
And yet your fair discourse hath been as sugar,  
Making the hard way sweet and delectable.  
But I bethink me what a weary way  
From Ravenspurgh to Cotswold will be found  
In Ross and Willoughby, wanting your company,  
Which, I protest, hath very much beguiled  
The tediousness and process of my travel:  
But theirs is sweetened with the hope to have  
The present benefit which I possess;  
And hope to joy is little less in joy  
Than hope enjoy'd: by this the weary lords  
Shall make their way seem short, as mine hath done  
By sight of what I have, your noble company.

### HENRY BOLINGBROKE

Of much less value is my company  
Than your good words. But who comes here?

*Enter HENRY PERCY*

### NORTHUMBERLAND

It is my son, young Harry Percy,  
Sent from my brother Worcester, whencesoever.  
Harry, how fares your uncle?

**HENRY PERCY**

I had thought, my lord, to have learn'd his health of you.

**NORTHUMBERLAND**

Why, is he not with the queen?

**HENRY PERCY**

No, my good Lord; he hath forsook the court,  
Broken his staff of office and dispersed  
The household of the king.

**NORTHUMBERLAND**

What was his reason?  
He was not so resolved when last we spake together.

**HENRY PERCY**

Because your lordship was proclaimed traitor.  
But he, my lord, is gone to Ravenspurgh,  
To offer service to the Duke of Hereford,  
And sent me over by Berkeley, to discover  
What power the Duke of York had levied there;  
Then with directions to repair to Ravenspurgh.

**NORTHUMBERLAND**

Have you forgot the Duke of Hereford, boy?

**HENRY PERCY**

No, my good lord, for that is not forgot  
Which ne'er I did remember: to my knowledge,  
I never in my life did look on him.

## **NORTHUMBERLAND**

Then learn to know him now; this is the duke.

## **HENRY PERCY**

My gracious lord, I tender you my service,  
Such as it is, being tender, raw and young:  
Which elder days shall ripen and confirm  
To more approved service and desert.

## **HENRY BOLINGBROKE**

I thank thee, gentle Percy; and be sure  
I count myself in nothing else so happy  
As in a soul remembering my good friends;  
And, as my fortune ripens with thy love,  
It shall be still thy true love's recompense:  
My heart this covenant makes, my hand thus seals it.

## **NORTHUMBERLAND**

How far is it to Berkeley? and what stir  
Keeps good old York there with his men of war?

## **HENRY PERCY**

There stands the castle, by yon tuft of trees,  
Mann'd with three hundred men, as I have heard;  
And in it are the Lords of York, Berkeley, and Seymour;  
None else of name and noble estimate.

*Enter LORD ROSS and LORD WILLOUGHBY*

## **NORTHUMBERLAND**

Here come the Lords of Ross and Willoughby,  
Bloody with spurring, fiery-red with haste.

## **HENRY BOLINGBROKE**

Welcome, my lords. I wot your love pursues  
A banish'd traitor: all my treasury  
Is yet but unfelt thanks, which more enrich'd  
Shall be your love and labour's recompense.

**LORD ROSS**

Your presence makes us rich, most noble lord.

**LORD WILLOUGHBY**

And far surmounts our labour to attain it.

**HENRY BOLINGBROKE**

Evermore thanks, the exchequer of the poor;  
Which, till my infant fortune comes to years,  
Stands for my bounty. But who comes here?

*Enter LORD BERKELEY*

**NORTHUMBERLAND**

It is my Lord of Berkeley, as I guess.

**LORD BERKELEY**

My Lord of Hereford, my message is to you.

**HENRY BOLINGBROKE**

My lord, my answer is--to Lancaster;  
And I am come to seek that name in England;  
And I must find that title in your tongue,  
Before I make reply to aught you say.

**LORD BERKELEY**

Mistake me not, my lord; 'tis not my meaning  
To raze one title of your honour out:  
To you, my lord, I come, what lord you will,

From the most gracious regent of this land,  
The Duke of York, to know what pricks you on  
To take advantage of the absent time  
And fright our native peace with self-born arms.

*Enter DUKE OF YORK attended*

## **HENRY BOLINGBROKE**

I shall not need transport my words by you;  
Here comes his grace in person. My noble uncle!

*Kneels*

## **DUKE OF YORK**

Show me thy humble heart, and not thy knee,  
Whose duty is deceiveable and false.

## **HENRY BOLINGBROKE**

My gracious uncle--

## **DUKE OF YORK**

Tut, tut!  
Grace me no grace, nor uncle me no uncle:  
I am no traitor's uncle; and that word 'grace.'  
In an ungracious mouth is but profane.  
Why have those banish'd and forbidden legs  
Dared once to touch a dust of England's ground?  
But then more 'why?' why have they dared to march  
So many miles upon her peaceful bosom,  
Frighting her pale-faced villages with war  
And ostentation of despised arms?  
Comest thou because the anointed king is hence?  
Why, foolish boy, the king is left behind,  
And in my loyal bosom lies his power.  
Were I but now the lord of such hot youth  
As when brave Gaunt, thy father, and myself  
Rescued the Black Prince, that young Mars of men,  
From forth the ranks of many thousand French,

O, then how quickly should this arm of mine.  
Now prisoner to the palsy, chastise thee  
And minister correction to thy fault!

## **HENRY BOLINGBROKE**

My gracious uncle, let me know my fault:  
On what condition stands it and wherein?

## **DUKE OF YORK**

Even in condition of the worst degree,  
In gross rebellion and detested treason:  
Thou art a banish'd man, and here art come  
Before the expiration of thy time,  
In braving arms against thy sovereign.

## **HENRY BOLINGBROKE**

As I was banish'd, I was banish'd Hereford;  
But as I come, I come for Lancaster.  
And, noble uncle, I beseech your grace  
Look on my wrongs with an indifferent eye:  
You are my father, for methinks in you  
I see old Gaunt alive; O, then, my father,  
Will you permit that I shall stand condemn'd  
A wandering vagabond; my rights and royalties  
Pluck'd from my arms perforce and given away  
To upstart unthrifths? Wherefore was I born?  
If that my cousin king be King of England,  
It must be granted I am Duke of Lancaster.  
You have a son, Aumerle, my noble cousin;  
Had you first died, and he been thus trod down,  
He should have found his uncle Gaunt a father,  
To rouse his wrongs and chase them to the bay.  
I am denied to sue my livery here,  
And yet my letters-patents give me leave:  
My father's goods are all distrain'd and sold,  
And these and all are all amiss employ'd.  
What would you have me do? I am a subject,  
And I challenge law: attorneys are denied me;  
And therefore, personally I lay my claim

To my inheritance of free descent.

## **NORTHUMBERLAND**

The noble duke hath been too much abused.

## **LORD ROSS**

It stands your grace upon to do him right.

## **LORD WILLOUGHBY**

Base men by his endowments are made great.

## **DUKE OF YORK**

My lords of England, let me tell you this:  
I have had feeling of my cousin's wrongs  
And laboured all I could to do him right;  
But in this kind to come, in braving arms,  
Be his own carver and cut out his way,  
To find out right with wrong, it may not be;  
And you that do abet him in this kind  
Cherish rebellion and are rebels all.

## **NORTHUMBERLAND**

The noble duke hath sworn his coming is  
But for his own; and for the right of that  
We all have strongly sworn to give him aid;  
And let him ne'er see joy that breaks that oath!

## **DUKE OF YORK**

Well, well, I see the issue of these arms:  
I cannot mend it, I must needs confess,  
Because my power is weak and all ill left:  
But if I could, by Him that gave me life,  
I would attach you all and make you stoop  
Unto the sovereign mercy of the king;  
But since I cannot, be it known to you  
I do remain as neuter. So, fare you well;

Unless you please to enter in the castle  
And there repose you for this night.

## **HENRY BOLINGBROKE**

An offer, uncle, that we will accept:  
But we must win your grace to go with us  
To Bristol castle, which they say is held  
By Bushy, Bagot and their complices,  
The caterpillars of the commonwealth,  
Which I have sworn to weed and pluck away.

## **DUKE OF YORK**

It may be I will go with you: but yet I'll pause;  
For I am loath to break our country's laws.  
Nor friends nor foes, to me welcome you are:  
Things past redress are now with me past care.

*Exeunt*

## SCENE IV. A camp in Wales.

*Enter EARL OF SALISBURY and a Welsh Captain*

### Captain

My lord of Salisbury, we have stay'd ten days,  
And hardly kept our countrymen together,  
And yet we hear no tidings from the king;  
Therefore we will disperse ourselves: farewell.

### EARL OF SALISBURY

Stay yet another day, thou trusty Welshman:  
The king reposeth all his confidence in thee.

### Captain

'Tis thought the king is dead; we will not stay.  
The bay-trees in our country are all wither'd  
And meteors fright the fixed stars of heaven;  
The pale-faced moon looks bloody on the earth  
And lean-look'd prophets whisper fearful change;  
Rich men look sad and ruffians dance and leap,  
The one in fear to lose what they enjoy,  
The other to enjoy by rage and war:  
These signs forerun the death or fall of kings.  
Farewell: our countrymen are gone and fled,  
As well assured Richard their king is dead.

*Exit*

### EARL OF SALISBURY

Ah, Richard, with the eyes of heavy mind  
I see thy glory like a shooting star

Fall to the base earth from the firmament.  
Thy sun sets weeping in the lowly west,  
Witnessing storms to come, woe and unrest:  
Thy friends are fled to wait upon thy foes,  
And crossly to thy good all fortune goes.

*Exit*

## SCENE I. Bristol. Before the castle.

*Enter HENRY BOLINGBROKE, DUKE OF YORK, NORTHUMBERLAND, LORD ROSS, HENRY PERCY, LORD WILLOUGHBY, with BUSHY and GREEN, prisoners*

### HENRY BOLINGBROKE

Bring forth these men.

Bushy and Green, I will not vex your souls--  
Since presently your souls must part your bodies--  
With too much urging your pernicious lives,  
For 'twere no charity; yet, to wash your blood  
From off my hands, here in the view of men  
I will unfold some causes of your deaths.  
You have misled a prince, a royal king,  
A happy gentleman in blood and lineaments,  
By you unhappied and disfigured clean:  
You have in manner with your sinful hours  
Made a divorce betwixt his queen and him,  
Broke the possession of a royal bed  
And stain'd the beauty of a fair queen's cheeks  
With tears drawn from her eyes by your foul wrongs.  
Myself, a prince by fortune of my birth,  
Near to the king in blood, and near in love  
Till you did make him misinterpret me,  
Have stoop'd my neck under your injuries,  
And sigh'd my English breath in foreign clouds,  
Eating the bitter bread of banishment;  
Whilst you have fed upon my signories,  
Dispark'd my parks and fell'd my forest woods,  
From my own windows torn my household coat,  
Razed out my imprese, leaving me no sign,  
Save men's opinions and my living blood,  
To show the world I am a gentleman.  
This and much more, much more than twice all this,  
Condemns you to the death. See them deliver'd over  
To execution and the hand of death.

## **BUSHY**

More welcome is the stroke of death to me  
Than Bolingbroke to England. Lords, farewell.

## **GREEN**

My comfort is that heaven will take our souls  
And plague injustice with the pains of hell.

## **HENRY BOLINGBROKE**

My Lord Northumberland, see them dispatch'd.

*Exeunt NORTHUMBERLAND and others, with the prisoners*

Uncle, you say the queen is at your house;  
For God's sake, fairly let her be entreated:  
Tell her I send to her my kind commends;  
Take special care my greetings be deliver'd.

## **DUKE OF YORK**

A gentleman of mine I have dispatch'd  
With letters of your love to her at large.

## **HENRY BOLINGBROKE**

Thank, gentle uncle. Come, lords, away.  
To fight with Glendower and his complices:  
Awhile to work, and after holiday.

*Exeunt*

# The Life and Death of Richard the Second

[Shakespeare homepage](#) | [Richard II](#) | Act 3, Scene 2

[Previous scene](#) | [Next scene](#)

## SCENE II. The coast of Wales. A castle in view.

*Drums; flourish and colours. Enter KING RICHARD II, the BISHOP OF CARLISLE, DUKE OF AUMERLE, and Soldiers*

### KING RICHARD II

Barkloughly castle call they this at hand?

### DUKE OF AUMERLE

Yea, my lord. How brooks your grace the air,  
After your late tossing on the breaking seas?

### KING RICHARD II

Needs must I like it well: I weep for joy  
To stand upon my kingdom once again.  
Dear earth, I do salute thee with my hand,  
Though rebels wound thee with their horses' hoofs:  
As a long-parted mother with her child  
Plays fondly with her tears and smiles in meeting,  
So, weeping, smiling, greet I thee, my earth,  
And do thee favours with my royal hands.  
Feed not thy sovereign's foe, my gentle earth,  
Nor with thy sweets comfort his ravenous sense;  
But let thy spiders, that suck up thy venom,  
And heavy-gaited toads lie in their way,  
Doing annoyance to the treacherous feet  
Which with usurping steps do trample thee:  
Yield stinging nettles to mine enemies;  
And when they from thy bosom pluck a flower,  
Guard it, I pray thee, with a lurking adder  
Whose double tongue may with a mortal touch  
Throw death upon thy sovereign's enemies.  
Mock not my senseless conjuration, lords:

This earth shall have a feeling and these stones  
Prove armed soldiers, ere her native king  
Shall falter under foul rebellion's arms.

## **BISHOP OF CARLISLE**

Fear not, my lord: that Power that made you king  
Hath power to keep you king in spite of all.  
The means that heaven yields must be embraced,  
And not neglected; else, if heaven would,  
And we will not, heaven's offer we refuse,  
The proffer'd means of succor and redress.

## **DUKE OF AUMERLE**

He means, my lord, that we are too remiss;  
Whilst Bolingbroke, through our security,  
Grows strong and great in substance and in power.

## **KING RICHARD II**

Discomfortable cousin! know'st thou not  
That when the searching eye of heaven is hid,  
Behind the globe, that lights the lower world,  
Then thieves and robbers range abroad unseen  
In murders and in outrage, boldly here;  
But when from under this terrestrial ball  
He fires the proud tops of the eastern pines  
And darts his light through every guilty hole,  
Then murders, treasons and detested sins,  
The cloak of night being pluck'd from off their backs,  
Stand bare and naked, trembling at themselves?  
So when this thief, this traitor, Bolingbroke,  
Who all this while hath revell'd in the night  
Whilst we were wandering with the antipodes,  
Shall see us rising in our throne, the east,  
His treasons will sit blushing in his face,  
Not able to endure the sight of day,  
But self-affrighted tremble at his sin.  
Not all the water in the rough rude sea  
Can wash the balm off from an anointed king;  
The breath of worldly men cannot depose

The deputy elected by the Lord:  
For every man that Bolingbroke hath press'd  
To lift shrewd steel against our golden crown,  
God for his Richard hath in heavenly pay  
A glorious angel: then, if angels fight,  
Weak men must fall, for heaven still guards the right.

*Enter EARL OF SALISBURY*

Welcome, my lord how far off lies your power?

**EARL OF SALISBURY**

Nor near nor farther off, my gracious lord,  
Than this weak arm: discomfort guides my tongue  
And bids me speak of nothing but despair.  
One day too late, I fear me, noble lord,  
Hath clouded all thy happy days on earth:  
O, call back yesterday, bid time return,  
And thou shalt have twelve thousand fighting men!  
To-day, to-day, unhappy day, too late,  
O'erthrows thy joys, friends, fortune and thy state:  
For all the Welshmen, hearing thou wert dead,  
Are gone to Bolingbroke, dispersed and fled.

**DUKE OF AUMERLE**

Comfort, my liege; why looks your grace so pale?

**KING RICHARD II**

But now the blood of twenty thousand men  
Did triumph in my face, and they are fled;  
And, till so much blood thither come again,  
Have I not reason to look pale and dead?  
All souls that will be safe fly from my side,  
For time hath set a blot upon my pride.

**DUKE OF AUMERLE**

Comfort, my liege; remember who you are.

## **KING RICHARD II**

I had forgot myself; am I not king?  
Awake, thou coward majesty! thou sleepest.  
Is not the king's name twenty thousand names?  
Arm, arm, my name! a puny subject strikes  
At thy great glory. Look not to the ground,  
Ye favourites of a king: are we not high?  
High be our thoughts: I know my uncle York  
Hath power enough to serve our turn. But who comes here?

*Enter SIR STEPHEN SCROOP*

## **SIR STEPHEN SCROOP**

More health and happiness betide my liege  
Than can my care-tuned tongue deliver him!

## **KING RICHARD II**

Mine ear is open and my heart prepared;  
The worst is worldly loss thou canst unfold.  
Say, is my kingdom lost? why, 'twas my care  
And what loss is it to be rid of care?  
Strives Bolingbroke to be as great as we?  
Greater he shall not be; if he serve God,  
We'll serve Him too and be his fellow so:  
Revolt our subjects? that we cannot mend;  
They break their faith to God as well as us:  
Cry woe, destruction, ruin and decay:  
The worst is death, and death will have his day.

## **SIR STEPHEN SCROOP**

Glad am I that your highness is so arm'd  
To bear the tidings of calamity.  
Like an unseasonable stormy day,  
Which makes the silver rivers drown their shores,  
As if the world were all dissolved to tears,  
So high above his limits swells the rage  
Of Bolingbroke, covering your fearful land  
With hard bright steel and hearts harder than steel.

White-beards have arm'd their thin and hairless scalps  
Against thy majesty; boys, with women's voices,  
Strive to speak big and clap their female joints  
In stiff unwieldy arms against thy crown:  
The very beadsmen learn to bend their bows  
Of double-fatal yew against thy state;  
Yea, distaff-women manage rusty bills  
Against thy seat: both young and old rebel,  
And all goes worse than I have power to tell.

## **KING RICHARD II**

Too well, too well thou tell'st a tale so ill.  
Where is the Earl of Wiltshire? where is Bagot?  
What is become of Bushy? where is Green?  
That they have let the dangerous enemy  
Measure our confines with such peaceful steps?  
If we prevail, their heads shall pay for it:  
I warrant they have made peace with Bolingbroke.

## **SIR STEPHEN SCROOP**

Peace have they made with him indeed, my lord.

## **KING RICHARD II**

O villains, vipers, damn'd without redemption!  
Dogs, easily won to fawn on any man!  
Snakes, in my heart-blood warm'd, that sting my heart!  
Three Judases, each one thrice worse than Judas!  
Would they make peace? terrible hell make war  
Upon their spotted souls for this offence!

## **SIR STEPHEN SCROOP**

Sweet love, I see, changing his property,  
Turns to the sourest and most deadly hate:  
Again uncurse their souls; their peace is made  
With heads, and not with hands; those whom you curse  
Have felt the worst of death's destroying wound  
And lie full low, grav'd in the hollow ground.

## **DUKE OF AUMERLE**

Is Bushy, Green, and the Earl of Wiltshire dead?

## **SIR STEPHEN SCROOP**

Ay, all of them at Bristol lost their heads.

## **DUKE OF AUMERLE**

Where is the duke my father with his power?

## **KING RICHARD II**

No matter where; of comfort no man speak:  
Let's talk of graves, of worms, and epitaphs;  
Make dust our paper and with rainy eyes  
Write sorrow on the bosom of the earth,  
Let's choose executors and talk of wills:  
And yet not so, for what can we bequeath  
Save our deposed bodies to the ground?  
Our lands, our lives and all are Bolingbroke's,  
And nothing can we call our own but death  
And that small model of the barren earth  
Which serves as paste and cover to our bones.  
For God's sake, let us sit upon the ground  
And tell sad stories of the death of kings;  
How some have been deposed; some slain in war,  
Some haunted by the ghosts they have deposed;  
Some poison'd by their wives: some sleeping kill'd;  
All murder'd: for within the hollow crown  
That rounds the mortal temples of a king  
Keeps Death his court and there the antic sits,  
Scoffing his state and grinning at his pomp,  
Allowing him a breath, a little scene,  
To monarchize, be fear'd and kill with looks,  
Infusing him with self and vain conceit,  
As if this flesh which walls about our life,  
Were brass impregnable, and humour'd thus  
Comes at the last and with a little pin  
Bores through his castle wall, and farewell king!  
Cover your heads and mock not flesh and blood

With solemn reverence: throw away respect,  
Tradition, form and ceremonious duty,  
For you have but mistook me all this while:  
I live with bread like you, feel want,  
Taste grief, need friends: subjected thus,  
How can you say to me, I am a king?

## **BISHOP OF CARLISLE**

My lord, wise men ne'er sit and wail their woes,  
But presently prevent the ways to wail.  
To fear the foe, since fear oppresseth strength,  
Gives in your weakness strength unto your foe,  
And so your follies fight against yourself.  
Fear and be slain; no worse can come to fight:  
And fight and die is death destroying death;  
Where fearing dying pays death servile breath.

## **DUKE OF AUMERLE**

My father hath a power; inquire of him  
And learn to make a body of a limb.

## **KING RICHARD II**

Thou chidest me well: proud Bolingbroke, I come  
To change blows with thee for our day of doom.  
This ague fit of fear is over-blown;  
An easy task it is to win our own.  
Say, Scroop, where lies our uncle with his power?  
Speak sweetly, man, although thy looks be sour.

## **SIR STEPHEN SCROOP**

Men judge by the complexion of the sky  
The state and inclination of the day:  
So may you by my dull and heavy eye,  
My tongue hath but a heavier tale to say.  
I play the torturer, by small and small  
To lengthen out the worst that must be spoken:  
Your uncle York is join'd with Bolingbroke,  
And all your northern castles yielded up,

And all your southern gentlemen in arms  
Upon his party.

## **KING RICHARD II**

Thou hast said enough.  
Beshrew thee, cousin, which didst lead me forth

*To DUKE OF AUMERLE*

Of that sweet way I was in to despair!  
What say you now? what comfort have we now?  
By heaven, I'll hate him everlastingly  
That bids me be of comfort any more.  
Go to Flint castle: there I'll pine away;  
A king, woe's slave, shall kingly woe obey.  
That power I have, discharge; and let them go  
To ear the land that hath some hope to grow,  
For I have none: let no man speak again  
To alter this, for counsel is but vain.

## **DUKE OF AUMERLE**

My liege, one word.

## **KING RICHARD II**

He does me double wrong  
That wounds me with the flatteries of his tongue.  
Discharge my followers: let them hence away,  
From Richard's night to Bolingbroke's fair day.

*Exeunt*

## SCENE III. Wales. Before Flint castle.

*Enter, with drum and colours, HENRY BOLINGBROKE, DUKE OF YORK, NORTHUMBERLAND, Attendants, and forces*

### HENRY BOLINGBROKE

So that by this intelligence we learn  
The Welshmen are dispersed, and Salisbury  
Is gone to meet the king, who lately landed  
With some few private friends upon this coast.

### NORTHUMBERLAND

The news is very fair and good, my lord:  
Richard not far from hence hath hid his head.

### DUKE OF YORK

It would beseem the Lord Northumberland  
To say 'King Richard:' alack the heavy day  
When such a sacred king should hide his head.

### NORTHUMBERLAND

Your grace mistakes; only to be brief  
Left I his title out.

### DUKE OF YORK

The time hath been,  
Would you have been so brief with him, he would  
Have been so brief with you, to shorten you,  
For taking so the head, your whole head's length.

### HENRY BOLINGBROKE

Mistake not, uncle, further than you should.

**DUKE OF YORK**

Take not, good cousin, further than you should.  
Lest you mistake the heavens are o'er our heads.

**HENRY BOLINGBROKE**

I know it, uncle, and oppose not myself  
Against their will. But who comes here?

*Enter HENRY PERCY*

Welcome, Harry: what, will not this castle yield?

**HENRY PERCY**

The castle royally is mann'd, my lord,  
Against thy entrance.

**HENRY BOLINGBROKE**

Royally!  
Why, it contains no king?

**HENRY PERCY**

Yes, my good lord,  
It doth contain a king; King Richard lies  
Within the limits of yon lime and stone:  
And with him are the Lord Aumerle, Lord Salisbury,  
Sir Stephen Scroop, besides a clergyman  
Of holy reverence; who, I cannot learn.

**NORTHUMBERLAND**

O, belike it is the Bishop of Carlisle.

**HENRY BOLINGBROKE**

Noble lords,  
Go to the rude ribs of that ancient castle;  
Through brazen trumpet send the breath of parley  
Into his ruin'd ears, and thus deliver:  
Henry Bolingbroke  
On both his knees doth kiss King Richard's hand  
And sends allegiance and true faith of heart  
To his most royal person, hither come  
Even at his feet to lay my arms and power,  
Provided that my banishment repeal'd  
And lands restored again be freely granted:  
If not, I'll use the advantage of my power  
And lay the summer's dust with showers of blood  
Rain'd from the wounds of slaughter'd Englishmen:  
The which, how far off from the mind of Bolingbroke  
It is, such crimson tempest should bedrench  
The fresh green lap of fair King Richard's land,  
My stooping duty tenderly shall show.  
Go, signify as much, while here we march  
Upon the grassy carpet of this plain.  
Let's march without the noise of threatening drum,  
That from this castle's tatter'd battlements  
Our fair appointments may be well perused.  
Methinks King Richard and myself should meet  
With no less terror than the elements  
Of fire and water, when their thundering shock  
At meeting tears the cloudy cheeks of heaven.  
Be he the fire, I'll be the yielding water:  
The rage be his, whilst on the earth I rain  
My waters; on the earth, and not on him.  
March on, and mark King Richard how he looks.

*Parle without, and answer within. Then a flourish. Enter on the walls, KING RICHARD II, the BISHOP OF CARLISLE, DUKE OF AUMERLE, SIR STEPHEN SCROOP, and EARL OF SALISBURY*

See, see, King Richard doth himself appear,  
As doth the blushing discontented sun  
From out the fiery portal of the east,  
When he perceives the envious clouds are bent  
To dim his glory and to stain the track  
Of his bright passage to the occident.

## **DUKE OF YORK**

Yet looks he like a king: behold, his eye,  
As bright as is the eagle's, lightens forth  
Controlling majesty: alack, alack, for woe,  
That any harm should stain so fair a show!

## **KING RICHARD II**

We are amazed; and thus long have we stood  
To watch the fearful bending of thy knee,

### *To NORTHUMBERLAND*

Because we thought ourself thy lawful king:  
And if we be, how dare thy joints forget  
To pay their awful duty to our presence?  
If we be not, show us the hand of God  
That hath dismissed us from our stewardship;  
For well we know, no hand of blood and bone  
Can gripe the sacred handle of our sceptre,  
Unless he do profane, steal, or usurp.  
And though you think that all, as you have done,  
Have torn their souls by turning them from us,  
And we are barren and bereft of friends;  
Yet know, my master, God omnipotent,  
Is mustering in his clouds on our behalf  
Armies of pestilence; and they shall strike  
Your children yet unborn and unbegot,  
That lift your vassal hands against my head  
And threat the glory of my precious crown.  
Tell Bolingbroke--for yond methinks he stands--  
That every stride he makes upon my land  
Is dangerous treason: he is come to open  
The purple testament of bleeding war;  
But ere the crown he looks for live in peace,  
Ten thousand bloody crowns of mothers' sons  
Shall ill become the flower of England's face,  
Change the complexion of her maid-pale peace  
To scarlet indignation and bedew  
Her pastures' grass with faithful English blood.

## **NORTHUMBERLAND**

The king of heaven forbid our lord the king  
Should so with civil and uncivil arms  
Be rush'd upon! Thy thrice noble cousin  
Harry Bolingbroke doth humbly kiss thy hand;  
And by the honourable tomb he swears,  
That stands upon your royal grandsire's bones,  
And by the royalties of both your bloods,  
Currents that spring from one most gracious head,  
And by the buried hand of warlike Gaunt,  
And by the worth and honour of himself,  
Comprising all that may be sworn or said,  
His coming hither hath no further scope  
Than for his lineal royalties and to beg  
Enfranchisement immediate on his knees:  
Which on thy royal party granted once,  
His glittering arms he will commend to rust,  
His barbed steeds to stables, and his heart  
To faithful service of your majesty.  
This swears he, as he is a prince, is just;  
And, as I am a gentleman, I credit him.

## **KING RICHARD II**

Northumberland, say thus the king returns:  
His noble cousin is right welcome hither;  
And all the number of his fair demands  
Shall be accomplish'd without contradiction:  
With all the gracious utterance thou hast  
Speak to his gentle hearing kind commends.  
We do debase ourselves, cousin, do we not,

*To DUKE OF AUMERLE*

To look so poorly and to speak so fair?  
Shall we call back Northumberland, and send  
Defiance to the traitor, and so die?

## **DUKE OF AUMERLE**

No, good my lord; let's fight with gentle words

Till time lend friends and friends their helpful swords.

## **KING RICHARD II**

O God, O God! that e'er this tongue of mine,  
That laid the sentence of dread banishment  
On yon proud man, should take it off again  
With words of sooth! O that I were as great  
As is my grief, or lesser than my name!  
Or that I could forget what I have been,  
Or not remember what I must be now!  
Swell'st thou, proud heart? I'll give thee scope to beat,  
Since foes have scope to beat both thee and me.

## **DUKE OF AUMERLE**

Northumberland comes back from Bolingbroke.

## **KING RICHARD II**

What must the king do now? must he submit?  
The king shall do it: must he be deposed?  
The king shall be contented: must he lose  
The name of king? o' God's name, let it go:  
I'll give my jewels for a set of beads,  
My gorgeous palace for a hermitage,  
My gay apparel for an almsman's gown,  
My figured goblets for a dish of wood,  
My sceptre for a palmer's walking staff,  
My subjects for a pair of carved saints  
And my large kingdom for a little grave,  
A little little grave, an obscure grave;  
Or I'll be buried in the king's highway,  
Some way of common trade, where subjects' feet  
May hourly trample on their sovereign's head;  
For on my heart they tread now whilst I live;  
And buried once, why not upon my head?  
Aumerle, thou weep'st, my tender-hearted cousin!  
We'll make foul weather with despised tears;  
Our sighs and they shall lodge the summer corn,  
And make a dearth in this revolting land.  
Or shall we play the wantons with our woes,

And make some pretty match with shedding tears?  
As thus, to drop them still upon one place,  
Till they have fretted us a pair of graves  
Within the earth; and, therein laid,--there lies  
Two kinsmen digg'd their graves with weeping eyes.  
Would not this ill do well? Well, well, I see  
I talk but idly, and you laugh at me.  
Most mighty prince, my Lord Northumberland,  
What says King Bolingbroke? will his majesty  
Give Richard leave to live till Richard die?  
You make a leg, and Bolingbroke says ay.

## **NORTHUMBERLAND**

My lord, in the base court he doth attend  
To speak with you; may it please you to come down.

## **KING RICHARD II**

Down, down I come; like glistering Phaethon,  
Wanting the manage of unruly jades.  
In the base court? Base court, where kings grow base,  
To come at traitors' calls and do them grace.  
In the base court? Come down? Down, court!  
down, king!  
For night-owls shriek where mounting larks  
should sing.

*Exeunt from above*

## **HENRY BOLINGBROKE**

What says his majesty?

## **NORTHUMBERLAND**

Sorrow and grief of heart  
Makes him speak fondly, like a frantic man  
Yet he is come.

*Enter KING RICHARD and his attendants below*

## **HENRY BOLINGBROKE**

Stand all apart,  
And show fair duty to his majesty.

*He kneels down*

My gracious lord,--

## **KING RICHARD II**

Fair cousin, you debase your princely knee  
To make the base earth proud with kissing it:  
Me rather had my heart might feel your love  
Than my unpleased eye see your courtesy.  
Up, cousin, up; your heart is up, I know,  
Thus high at least, although your knee be low.

## **HENRY BOLINGBROKE**

My gracious lord, I come but for mine own.

## **KING RICHARD II**

Your own is yours, and I am yours, and all.

## **HENRY BOLINGBROKE**

So far be mine, my most redoubted lord,  
As my true service shall deserve your love.

## **KING RICHARD II**

Well you deserve: they well deserve to have,  
That know the strong'st and surest way to get.  
Uncle, give me your hands: nay, dry your eyes;  
Tears show their love, but want their remedies.  
Cousin, I am too young to be your father,  
Though you are old enough to be my heir.  
What you will have, I'll give, and willing too;  
For do we must what force will have us do.

Set on towards London, cousin, is it so?

**HENRY BOLINGBROKE**

Yea, my good lord.

**KING RICHARD II**

Then I must not say no.

*Flourish. Exeunt*

## SCENE IV. LANGLEY. The DUKE OF YORK's garden.

*Enter the QUEEN and two Ladies*

**QUEEN**

What sport shall we devise here in this garden,  
To drive away the heavy thought of care?

**Lady**

Madam, we'll play at bowls.

**QUEEN**

'Twill make me think the world is full of rubs,  
And that my fortune rubs against the bias.

**Lady**

Madam, we'll dance.

**QUEEN**

My legs can keep no measure in delight,  
When my poor heart no measure keeps in grief:  
Therefore, no dancing, girl; some other sport.

**Lady**

Madam, we'll tell tales.

**QUEEN**

Of sorrow or of joy?

**Lady**

Of either, madam.

**QUEEN**

Of neither, girl:  
For of joy, being altogether wanting,  
It doth remember me the more of sorrow;  
Or if of grief, being altogether had,  
It adds more sorrow to my want of joy:  
For what I have I need not to repeat;  
And what I want it boots not to complain.

**Lady**

Madam, I'll sing.

**QUEEN**

'Tis well that thou hast cause  
But thou shouldst please me better, wouldst thou weep.

**Lady**

I could weep, madam, would it do you good.

**QUEEN**

And I could sing, would weeping do me good,  
And never borrow any tear of thee.

*Enter a Gardener, and two Servants*

But stay, here come the gardeners:  
Let's step into the shadow of these trees.  
My wretchedness unto a row of pins,  
They'll talk of state; for every one doth so  
Against a change; woe is forerun with woe.

*QUEEN and Ladies retire*

## **Gardener**

Go, bind thou up yon dangling apricocks,  
Which, like unruly children, make their sire  
Stoop with oppression of their prodigal weight:  
Give some supportance to the bending twigs.  
Go thou, and like an executioner,  
Cut off the heads of too fast growing sprays,  
That look too lofty in our commonwealth:  
All must be even in our government.  
You thus employ'd, I will go root away  
The noisome weeds, which without profit suck  
The soil's fertility from wholesome flowers.

## **Servant**

Why should we in the compass of a pale  
Keep law and form and due proportion,  
Showing, as in a model, our firm estate,  
When our sea-walled garden, the whole land,  
Is full of weeds, her fairest flowers choked up,  
Her fruit-trees all upturned, her hedges ruin'd,  
Her knots disorder'd and her wholesome herbs  
Swarming with caterpillars?

## **Gardener**

Hold thy peace:  
He that hath suffer'd this disorder'd spring  
Hath now himself met with the fall of leaf:  
The weeds which his broad-spreading leaves did shelter,  
That seem'd in eating him to hold him up,  
Are pluck'd up root and all by Bolingbroke,  
I mean the Earl of Wiltshire, Bushy, Green.

## **Servant**

What, are they dead?

## **Gardener**

They are; and Bolingbroke  
Hath seized the wasteful king. O, what pity is it  
That he had not so trimm'd and dress'd his land  
As we this garden! We at time of year  
Do wound the bark, the skin of our fruit-trees,  
Lest, being over-proud in sap and blood,  
With too much riches it confound itself:  
Had he done so to great and growing men,  
They might have lived to bear and he to taste  
Their fruits of duty: superfluous branches  
We lop away, that bearing boughs may live:  
Had he done so, himself had borne the crown,  
Which waste of idle hours hath quite thrown down.

### **Servant**

What, think you then the king shall be deposed?

### **Gardener**

Depress'd he is already, and deposed  
'Tis doubt he will be: letters came last night  
To a dear friend of the good Duke of York's,  
That tell black tidings.

### **QUEEN**

O, I am press'd to death through want of speaking!

*Coming forward*

Thou, old Adam's likeness, set to dress this garden,  
How dares thy harsh rude tongue sound this unpleasing news?  
What Eve, what serpent, hath suggested thee  
To make a second fall of cursed man?  
Why dost thou say King Richard is deposed?  
Darest thou, thou little better thing than earth,  
Divine his downfall? Say, where, when, and how,  
Camest thou by this ill tidings? speak, thou wretch.

### **Gardener**

Pardon me, madam: little joy have I  
To breathe this news; yet what I say is true.  
King Richard, he is in the mighty hold  
Of Bolingbroke: their fortunes both are weigh'd:  
In your lord's scale is nothing but himself,  
And some few vanities that make him light;  
But in the balance of great Bolingbroke,  
Besides himself, are all the English peers,  
And with that odds he weighs King Richard down.  
Post you to London, and you will find it so;  
I speak no more than every one doth know.

## QUEEN

Nimble mischance, that art so light of foot,  
Doth not thy embassy belong to me,  
And am I last that knows it? O, thou think'st  
To serve me last, that I may longest keep  
Thy sorrow in my breast. Come, ladies, go,  
To meet at London London's king in woe.  
What, was I born to this, that my sad look  
Should grace the triumph of great Bolingbroke?  
Gardener, for telling me these news of woe,  
Pray God the plants thou graft'st may never grow.

*Exeunt QUEEN and Ladies*

## GARDENER

Poor queen! so that thy state might be no worse,  
I would my skill were subject to thy curse.  
Here did she fall a tear; here in this place  
I'll set a bank of rue, sour herb of grace:  
Rue, even for ruth, here shortly shall be seen,  
In the remembrance of a weeping queen.

*Exeunt*

## SCENE I. Westminster Hall.

*Enter, as to the Parliament, HENRY BOLINGBROKE, DUKE OF AUMERLE, NORTHUMBERLAND, HENRY PERCY, LORD FITZWATER, DUKE OF SURREY, the BISHOP OF CARLISLE, the Abbot Of Westminster, and another Lord, Herald, Officers, and BAGOT*

### HENRY BOLINGBROKE

Call forth Bagot.  
Now, Bagot, freely speak thy mind;  
What thou dost know of noble Gloucester's death,  
Who wrought it with the king, and who perform'd  
The bloody office of his timeless end.

### BAGOT

Then set before my face the Lord Aumerle.

### HENRY BOLINGBROKE

Cousin, stand forth, and look upon that man.

### BAGOT

My Lord Aumerle, I know your daring tongue  
Scorns to unsay what once it hath deliver'd.  
In that dead time when Gloucester's death was plotted,  
I heard you say, 'Is not my arm of length,  
That reacheth from the restful English court  
As far as Calais, to mine uncle's head?'  
Amongst much other talk, that very time,  
I heard you say that you had rather refuse  
The offer of an hundred thousand crowns  
Than Bolingbroke's return to England;  
Adding withal how blest this land would be

In this your cousin's death.

**DUKE OF AUMERLE**

Princes and noble lords,  
What answer shall I make to this base man?  
Shall I so much dishonour my fair stars,  
On equal terms to give him chastisement?  
Either I must, or have mine honour soil'd  
With the attainder of his slanderous lips.  
There is my gage, the manual seal of death,  
That marks thee out for hell: I say, thou liest,  
And will maintain what thou hast said is false  
In thy heart-blood, though being all too base  
To stain the temper of my knightly sword.

**HENRY BOLINGBROKE**

Bagot, forbear; thou shalt not take it up.

**DUKE OF AUMERLE**

Excepting one, I would he were the best  
In all this presence that hath moved me so.

**LORD FITZWATER**

If that thy valour stand on sympathy,  
There is my gage, Aumerle, in gage to thine:  
By that fair sun which shows me where thou stand'st,  
I heard thee say, and vauntingly thou spakest it  
That thou wert cause of noble Gloucester's death.  
If thou deny'st it twenty times, thou liest;  
And I will turn thy falsehood to thy heart,  
Where it was forged, with my rapier's point.

**DUKE OF AUMERLE**

Thou darest not, coward, live to see that day.

**LORD FITZWATER**

Now by my soul, I would it were this hour.

**DUKE OF AUMERLE**

Fitzwater, thou art damn'd to hell for this.

**HENRY PERCY**

Aumerle, thou liest; his honour is as true  
In this appeal as thou art all unjust;  
And that thou art so, there I throw my gage,  
To prove it on thee to the extremest point  
Of mortal breathing: seize it, if thou darest.

**DUKE OF AUMERLE**

An if I do not, may my hands rot off  
And never brandish more revengeful steel  
Over the glittering helmet of my foe!

**Lord**

I task the earth to the like, forsworn Aumerle;  
And spur thee on with full as many lies  
As may be holloa'd in thy treacherous ear  
From sun to sun: there is my honour's pawn;  
Engage it to the trial, if thou darest.

**DUKE OF AUMERLE**

Who sets me else? by heaven, I'll throw at all:  
I have a thousand spirits in one breast,  
To answer twenty thousand such as you.

**DUKE OF SURREY**

My Lord Fitzwater, I do remember well  
The very time Aumerle and you did talk.

**LORD FITZWATER**

'Tis very true: you were in presence then;  
And you can witness with me this is true.

## **DUKE OF SURREY**

As false, by heaven, as heaven itself is true.

## **LORD FITZWATER**

Surrey, thou liest.

## **DUKE OF SURREY**

Dishonourable boy!  
That lie shall lie so heavy on my sword,  
That it shall render vengeance and revenge  
Till thou the lie-giver and that lie do lie  
In earth as quiet as thy father's skull:  
In proof whereof, there is my honour's pawn;  
Engage it to the trial, if thou darest.

## **LORD FITZWATER**

How fondly dost thou spur a forward horse!  
If I dare eat, or drink, or breathe, or live,  
I dare meet Surrey in a wilderness,  
And spit upon him, whilst I say he lies,  
And lies, and lies: there is my bond of faith,  
To tie thee to my strong correction.  
As I intend to thrive in this new world,  
Aumerle is guilty of my true appeal:  
Besides, I heard the banish'd Norfolk say  
That thou, Aumerle, didst send two of thy men  
To execute the noble duke at Calais.

## **DUKE OF AUMERLE**

Some honest Christian trust me with a gage  
That Norfolk lies: here do I throw down this,  
If he may be repeal'd, to try his honour.

## **HENRY BOLINGBROKE**

These differences shall all rest under gage  
Till Norfolk be repeal'd: repeal'd he shall be,  
And, though mine enemy, restored again  
To all his lands and signories: when he's return'd,  
Against Aumerle we will enforce his trial.

### **BISHOP OF CARLISLE**

That honourable day shall ne'er be seen.  
Many a time hath banish'd Norfolk fought  
For Jesu Christ in glorious Christian field,  
Streaming the ensign of the Christian cross  
Against black pagans, Turks, and Saracens:  
And toil'd with works of war, retired himself  
To Italy; and there at Venice gave  
His body to that pleasant country's earth,  
And his pure soul unto his captain Christ,  
Under whose colours he had fought so long.

### **HENRY BOLINGBROKE**

Why, bishop, is Norfolk dead?

### **BISHOP OF CARLISLE**

As surely as I live, my lord.

### **HENRY BOLINGBROKE**

Sweet peace conduct his sweet soul to the bosom  
Of good old Abraham! Lords appellants,  
Your differences shall all rest under gage  
Till we assign you to your days of trial.

*Enter DUKE OF YORK, attended*

### **DUKE OF YORK**

Great Duke of Lancaster, I come to thee  
From plume-pluck'd Richard; who with willing soul  
Adopts thee heir, and his high sceptre yields

To the possession of thy royal hand:  
Ascend his throne, descending now from him;  
And long live Henry, fourth of that name!

## **HENRY BOLINGBROKE**

In God's name, I'll ascend the regal throne.

## **BISHOP OF CARLISLE**

Marry. God forbid!  
Worst in this royal presence may I speak,  
Yet best beseeming me to speak the truth.  
Would God that any in this noble presence  
Were enough noble to be upright judge  
Of noble Richard! then true noblesse would  
Learn him forbearance from so foul a wrong.  
What subject can give sentence on his king?  
And who sits here that is not Richard's subject?  
Thieves are not judged but they are by to hear,  
Although apparent guilt be seen in them;  
And shall the figure of God's majesty,  
His captain, steward, deputy-elect,  
Anointed, crowned, planted many years,  
Be judged by subject and inferior breath,  
And he himself not present? O, forfend it, God,  
That in a Christian climate souls refined  
Should show so heinous, black, obscene a deed!  
I speak to subjects, and a subject speaks,  
Stirr'd up by God, thus boldly for his king:  
My Lord of Hereford here, whom you call king,  
Is a foul traitor to proud Hereford's king:  
And if you crown him, let me prophesy:  
The blood of English shall manure the ground,  
And future ages groan for this foul act;  
Peace shall go sleep with Turks and infidels,  
And in this seat of peace tumultuous wars  
Shall kin with kin and kind with kind confound;  
Disorder, horror, fear and mutiny  
Shall here inhabit, and this land be call'd  
The field of Golgotha and dead men's skulls.  
O, if you raise this house against this house,

It will the woefullest division prove  
That ever fell upon this cursed earth.  
Prevent it, resist it, let it not be so,  
Lest child, child's children, cry against you woe!

## **NORTHUMBERLAND**

Well have you argued, sir; and, for your pains,  
Of capital treason we arrest you here.  
My Lord of Westminster, be it your charge  
To keep him safely till his day of trial.  
May it please you, lords, to grant the commons' suit.

## **HENRY BOLINGBROKE**

Fetch hither Richard, that in common view  
He may surrender; so we shall proceed  
Without suspicion.

## **DUKE OF YORK**

I will be his conduct.

*Exit*

## **HENRY BOLINGBROKE**

Lords, you that here are under our arrest,  
Procure your sureties for your days of answer.  
Little are we beholding to your love,  
And little look'd for at your helping hands.

*Re-enter DUKE OF YORK, with KING RICHARD II, and Officers bearing the regalia*

## **KING RICHARD II**

Alack, why am I sent for to a king,  
Before I have shook off the regal thoughts  
Wherewith I reign'd? I hardly yet have learn'd  
To insinuate, flatter, bow, and bend my limbs:  
Give sorrow leave awhile to tutor me  
To this submission. Yet I well remember

The favours of these men: were they not mine?  
Did they not sometime cry, 'all hail!' to me?  
So Judas did to Christ: but he, in twelve,  
Found truth in all but one: I, in twelve thousand, none.  
God save the king! Will no man say amen?  
Am I both priest and clerk? well then, amen.  
God save the king! although I be not he;  
And yet, amen, if heaven do think him me.  
To do what service am I sent for hither?

## **DUKE OF YORK**

To do that office of thine own good will  
Which tired majesty did make thee offer,  
The resignation of thy state and crown  
To Henry Bolingbroke.

## **KING RICHARD II**

Give me the crown. Here, cousin, seize the crown;  
Here cousin:  
On this side my hand, and on that side yours.  
Now is this golden crown like a deep well  
That owes two buckets, filling one another,  
The emptier ever dancing in the air,  
The other down, unseen and full of water:  
That bucket down and full of tears am I,  
Drinking my griefs, whilst you mount up on high.

## **HENRY BOLINGBROKE**

I thought you had been willing to resign.

## **KING RICHARD II**

My crown I am; but still my griefs are mine:  
You may my glories and my state depose,  
But not my griefs; still am I king of those.

## **HENRY BOLINGBROKE**

Part of your cares you give me with your crown.

## **KING RICHARD II**

Your cares set up do not pluck my cares down.  
My care is loss of care, by old care done;  
Your care is gain of care, by new care won:  
The cares I give I have, though given away;  
They tend the crown, yet still with me they stay.

## **HENRY BOLINGBROKE**

Are you contented to resign the crown?

## **KING RICHARD II**

Ay, no; no, ay; for I must nothing be;  
Therefore no no, for I resign to thee.  
Now mark me, how I will undo myself;  
I give this heavy weight from off my head  
And this unwieldy sceptre from my hand,  
The pride of kingly sway from out my heart;  
With mine own tears I wash away my balm,  
With mine own hands I give away my crown,  
With mine own tongue deny my sacred state,  
With mine own breath release all duty's rites:  
All pomp and majesty I do forswear;  
My manors, rents, revenues I forego;  
My acts, decrees, and statutes I deny:  
God pardon all oaths that are broke to me!  
God keep all vows unbroke that swear to thee!  
Make me, that nothing have, with nothing grieved,  
And thou with all pleased, that hast all achieved!  
Long mayst thou live in Richard's seat to sit,  
And soon lie Richard in an earthly pit!  
God save King Harry, unking'd Richard says,  
And send him many years of sunshine days!  
What more remains?

## **NORTHUMBERLAND**

No more, but that you read  
These accusations and these grievous crimes

Committed by your person and your followers  
Against the state and profit of this land;  
That, by confessing them, the souls of men  
May deem that you are worthily deposed.

## **KING RICHARD II**

Must I do so? and must I ravel out  
My weaved-up folly? Gentle Northumberland,  
If thy offences were upon record,  
Would it not shame thee in so fair a troop  
To read a lecture of them? If thou wouldst,  
There shouldst thou find one heinous article,  
Containing the deposing of a king  
And cracking the strong warrant of an oath,  
Mark'd with a blot, damn'd in the book of heaven:  
Nay, all of you that stand and look upon,  
Whilst that my wretchedness doth bait myself,  
Though some of you with Pilate wash your hands  
Showing an outward pity; yet you Pilates  
Have here deliver'd me to my sour cross,  
And water cannot wash away your sin.

## **NORTHUMBERLAND**

My lord, dispatch; read o'er these articles.

## **KING RICHARD II**

Mine eyes are full of tears, I cannot see:  
And yet salt water blinds them not so much  
But they can see a sort of traitors here.  
Nay, if I turn mine eyes upon myself,  
I find myself a traitor with the rest;  
For I have given here my soul's consent  
To undeck the pompous body of a king;  
Made glory base and sovereignty a slave,  
Proud majesty a subject, state a peasant.

## **NORTHUMBERLAND**

My lord,--

## **KING RICHARD II**

No lord of thine, thou haught insulting man,  
Nor no man's lord; I have no name, no title,  
No, not that name was given me at the font,  
But 'tis usurp'd: alack the heavy day,  
That I have worn so many winters out,  
And know not now what name to call myself!  
O that I were a mockery king of snow,  
Standing before the sun of Bolingbroke,  
To melt myself away in water-drops!  
Good king, great king, and yet not greatly good,  
An if my word be sterling yet in England,  
Let it command a mirror hither straight,  
That it may show me what a face I have,  
Since it is bankrupt of his majesty.

## **HENRY BOLINGBROKE**

Go some of you and fetch a looking-glass.

*Exit an attendant*

## **NORTHUMBERLAND**

Read o'er this paper while the glass doth come.

## **KING RICHARD II**

Fiend, thou torment'st me ere I come to hell!

## **HENRY BOLINGBROKE**

Urge it no more, my Lord Northumberland.

## **NORTHUMBERLAND**

The commons will not then be satisfied.

## **KING RICHARD II**

They shall be satisfied: I'll read enough,  
When I do see the very book indeed  
Where all my sins are writ, and that's myself.

*Re-enter Attendant, with a glass*

Give me the glass, and therein will I read.  
No deeper wrinkles yet? hath sorrow struck  
So many blows upon this face of mine,  
And made no deeper wounds? O flattering glass,  
Like to my followers in prosperity,  
Thou dost beguile me! Was this face the face  
That every day under his household roof  
Did keep ten thousand men? was this the face  
That, like the sun, did make beholders wink?  
Was this the face that faced so many follies,  
And was at last out-faced by Bolingbroke?  
A brittle glory shineth in this face:  
As brittle as the glory is the face;

*Dashes the glass against the ground*

For there it is, crack'd in a hundred shivers.  
Mark, silent king, the moral of this sport,  
How soon my sorrow hath destroy'd my face.

## **HENRY BOLINGBROKE**

The shadow of your sorrow hath destroy'd  
The shadow of your face.

## **KING RICHARD II**

Say that again.  
The shadow of my sorrow! ha! let's see:  
'Tis very true, my grief lies all within;  
And these external manners of laments  
Are merely shadows to the unseen grief  
That swells with silence in the tortured soul;  
There lies the substance: and I thank thee, king,  
For thy great bounty, that not only givest  
Me cause to wail but teachest me the way

How to lament the cause. I'll beg one boon,  
And then be gone and trouble you no more.  
Shall I obtain it?

**HENRY BOLINGBROKE**

Name it, fair cousin.

**KING RICHARD II**

'Fair cousin'? I am greater than a king:  
For when I was a king, my flatterers  
Were then but subjects; being now a subject,  
I have a king here to my flatterer.  
Being so great, I have no need to beg.

**HENRY BOLINGBROKE**

Yet ask.

**KING RICHARD II**

And shall I have?

**HENRY BOLINGBROKE**

You shall.

**KING RICHARD II**

Then give me leave to go.

**HENRY BOLINGBROKE**

Whither?

**KING RICHARD II**

Whither you will, so I were from your sights.

**HENRY BOLINGBROKE**

Go, some of you convey him to the Tower.

**KING RICHARD II**

O, good! convey? conveyers are you all,  
That rise thus nimbly by a true king's fall.

*Exeunt KING RICHARD II, some Lords, and a Guard*

**HENRY BOLINGBROKE**

On Wednesday next we solemnly set down  
Our coronation: lords, prepare yourselves.

*Exeunt all except the BISHOP OF CARLISLE, the Abbot of Westminster, and DUKE OF AUMERLE*

**Abbot**

A woeful pageant have we here beheld.

**BISHOP OF CARLISLE**

The woe's to come; the children yet unborn.  
Shall feel this day as sharp to them as thorn.

**DUKE OF AUMERLE**

You holy clergymen, is there no plot  
To rid the realm of this pernicious blot?

**Abbot**

My lord,  
Before I freely speak my mind herein,  
You shall not only take the sacrament  
To bury mine intents, but also to effect  
Whatever I shall happen to devise.  
I see your brows are full of discontent,  
Your hearts of sorrow and your eyes of tears:

Come home with me to supper; and I'll lay  
A plot shall show us all a merry day.

*Exeunt*

# The Life and Death of Richard the Second

[Shakespeare homepage](#) | [Richard II](#) | Act 5, Scene 1

[Previous scene](#) | [Next scene](#)

## SCENE I. London. A street leading to the Tower.

*Enter QUEEN and Ladies*

### QUEEN

This way the king will come; this is the way  
To Julius Caesar's ill-erected tower,  
To whose flint bosom my condemned lord  
Is doom'd a prisoner by proud Bolingbroke:  
Here let us rest, if this rebellious earth  
Have any resting for her true king's queen.

*Enter KING RICHARD II and Guard*

But soft, but see, or rather do not see,  
My fair rose wither: yet look up, behold,  
That you in pity may dissolve to dew,  
And wash him fresh again with true-love tears.  
Ah, thou, the model where old Troy did stand,  
Thou map of honour, thou King Richard's tomb,  
And not King Richard; thou most beauteous inn,  
Why should hard-favour'd grief be lodged in thee,  
When triumph is become an alehouse guest?

### KING RICHARD II

Join not with grief, fair woman, do not so,  
To make my end too sudden: learn, good soul,  
To think our former state a happy dream;  
From which awaked, the truth of what we are  
Shows us but this: I am sworn brother, sweet,  
To grim Necessity, and he and I  
Will keep a league till death. Hie thee to France  
And cloister thee in some religious house:  
Our holy lives must win a new world's crown,

Which our profane hours here have stricken down.

## QUEEN

What, is my Richard both in shape and mind  
Transform'd and weaken'd? hath Bolingbroke deposed  
Thine intellect? hath he been in thy heart?  
The lion dying thrusteth forth his paw,  
And wounds the earth, if nothing else, with rage  
To be o'erpower'd; and wilt thou, pupil-like,  
Take thy correction mildly, kiss the rod,  
And fawn on rage with base humility,  
Which art a lion and a king of beasts?

## KING RICHARD II

A king of beasts, indeed; if aught but beasts,  
I had been still a happy king of men.  
Good sometime queen, prepare thee hence for France:  
Think I am dead and that even here thou takest,  
As from my death-bed, thy last living leave.  
In winter's tedious nights sit by the fire  
With good old folks and let them tell thee tales  
Of woeful ages long ago betid;  
And ere thou bid good night, to quit their griefs,  
Tell thou the lamentable tale of me  
And send the hearers weeping to their beds:  
For why, the senseless brands will sympathize  
The heavy accent of thy moving tongue  
And in compassion weep the fire out;  
And some will mourn in ashes, some coal-black,  
For the deposing of a rightful king.

*Enter NORTHUMBERLAND and others*

## NORTHUMBERLAND

My lord, the mind of Bolingbroke is changed:  
You must to Pomfret, not unto the Tower.  
And, madam, there is order ta'en for you;  
With all swift speed you must away to France.

## **KING RICHARD II**

Northumberland, thou ladder wherewithal  
The mounting Bolingbroke ascends my throne,  
The time shall not be many hours of age  
More than it is ere foul sin gathering head  
Shalt break into corruption: thou shalt think,  
Though he divide the realm and give thee half,  
It is too little, helping him to all;  
And he shall think that thou, which know'st the way  
To plant unrightful kings, wilt know again,  
Being ne'er so little urged, another way  
To pluck him headlong from the usurped throne.  
The love of wicked men converts to fear;  
That fear to hate, and hate turns one or both  
To worthy danger and deserved death.

## **NORTHUMBERLAND**

My guilt be on my head, and there an end.  
Take leave and part; for you must part forthwith.

## **KING RICHARD II**

Doubly divorced! Bad men, you violate  
A twofold marriage, 'twixt my crown and me,  
And then betwixt me and my married wife.  
Let me unkiss the oath 'twixt thee and me;  
And yet not so, for with a kiss 'twas made.  
Part us, Northumberland; I toward the north,  
Where shivering cold and sickness pines the clime;  
My wife to France: from whence, set forth in pomp,  
She came adorned hither like sweet May,  
Sent back like Hallowmas or short'st of day.

## **QUEEN**

And must we be divided? must we part?

## **KING RICHARD II**

Ay, hand from hand, my love, and heart from heart.

## **QUEEN**

Banish us both and send the king with me.

## **NORTHUMBERLAND**

That were some love but little policy.

## **QUEEN**

Then whither he goes, thither let me go.

## **KING RICHARD II**

So two, together weeping, make one woe.  
Weep thou for me in France, I for thee here;  
Better far off than near, be ne'er the near.  
Go, count thy way with sighs; I mine with groans.

## **QUEEN**

So longest way shall have the longest moans.

## **KING RICHARD II**

Twice for one step I'll groan, the way being short,  
And piece the way out with a heavy heart.  
Come, come, in wooing sorrow let's be brief,  
Since, wedding it, there is such length in grief;  
One kiss shall stop our mouths, and dumbly part;  
Thus give I mine, and thus take I thy heart.

## **QUEEN**

Give me mine own again; 'twere no good part  
To take on me to keep and kill thy heart.  
So, now I have mine own again, be gone,  
That I might strive to kill it with a groan.

## **KING RICHARD II**

We make woe wanton with this fond delay:  
Once more, adieu; the rest let sorrow say.

*Exeunt*

## SCENE II. The DUKE OF YORK's palace.

*Enter DUKE OF YORK and DUCHESS OF YORK*

### DUCHESS OF YORK

My lord, you told me you would tell the rest,  
When weeping made you break the story off,  
of our two cousins coming into London.

### DUKE OF YORK

Where did I leave?

### DUCHESS OF YORK

At that sad stop, my lord,  
Where rude misgovern'd hands from windows' tops  
Threw dust and rubbish on King Richard's head.

### DUKE OF YORK

Then, as I said, the duke, great Bolingbroke,  
Mounted upon a hot and fiery steed  
Which his aspiring rider seem'd to know,  
With slow but stately pace kept on his course,  
Whilst all tongues cried 'God save thee,  
Bolingbroke!'  
You would have thought the very windows spake,  
So many greedy looks of young and old  
Through casements darted their desiring eyes  
Upon his visage, and that all the walls  
With painted imagery had said at once  
'Jesu preserve thee! welcome, Bolingbroke!'  
Whilst he, from the one side to the other turning,  
Bareheaded, lower than his proud steed's neck,

Bespake them thus: 'I thank you, countrymen:'  
And thus still doing, thus he pass'd along.

## **DUCHESS OF YORK**

Alack, poor Richard! where rode he the whilst?

## **DUKE OF YORK**

As in a theatre, the eyes of men,  
After a well-graced actor leaves the stage,  
Are idly bent on him that enters next,  
Thinking his prattle to be tedious;  
Even so, or with much more contempt, men's eyes  
Did scowl on gentle Richard; no man cried 'God save him!'  
No joyful tongue gave him his welcome home:  
But dust was thrown upon his sacred head:  
Which with such gentle sorrow he shook off,  
His face still combating with tears and smiles,  
The badges of his grief and patience,  
That had not God, for some strong purpose, steel'd  
The hearts of men, they must perforce have melted  
And barbarism itself have pitied him.  
But heaven hath a hand in these events,  
To whose high will we bound our calm contents.  
To Bolingbroke are we sworn subjects now,  
Whose state and honour I for aye allow.

## **DUCHESS OF YORK**

Here comes my son Aumerle.

## **DUKE OF YORK**

Aumerle that was;  
But that is lost for being Richard's friend,  
And, madam, you must call him Rutland now:  
I am in parliament pledge for his truth  
And lasting fealty to the new-made king.

*Enter DUKE OF AUMERLE*

## **DUCHESS OF YORK**

Welcome, my son: who are the violets now  
That strew the green lap of the new come spring?

## **DUKE OF AUMERLE**

Madam, I know not, nor I greatly care not:  
God knows I had as lief be none as one.

## **DUKE OF YORK**

Well, bear you well in this new spring of time,  
Lest you be cropp'd before you come to prime.  
What news from Oxford? hold those justs and triumphs?

## **DUKE OF AUMERLE**

For aught I know, my lord, they do.

## **DUKE OF YORK**

You will be there, I know.

## **DUKE OF AUMERLE**

If God prevent not, I purpose so.

## **DUKE OF YORK**

What seal is that, that hangs without thy bosom?  
Yea, look'st thou pale? let me see the writing.

## **DUKE OF AUMERLE**

My lord, 'tis nothing.

## **DUKE OF YORK**

No matter, then, who see it;  
I will be satisfied; let me see the writing.

## **DUKE OF AUMERLE**

I do beseech your grace to pardon me:  
It is a matter of small consequence,  
Which for some reasons I would not have seen.

## **DUKE OF YORK**

Which for some reasons, sir, I mean to see.  
I fear, I fear,--

## **DUCHESS OF YORK**

What should you fear?  
'Tis nothing but some bond, that he is enter'd into  
For gay apparel 'gainst the triumph day.

## **DUKE OF YORK**

Bound to himself! what doth he with a bond  
That he is bound to? Wife, thou art a fool.  
Boy, let me see the writing.

## **DUKE OF AUMERLE**

I do beseech you, pardon me; I may not show it.

## **DUKE OF YORK**

I will be satisfied; let me see it, I say.

*He plucks it out of his bosom and reads it*

Treason! foul treason! Villain! traitor! slave!

## **DUCHESS OF YORK**

What is the matter, my lord?

## **DUKE OF YORK**

Ho! who is within there?

*Enter a Servant*

Saddle my horse.  
God for his mercy, what treachery is here!

**DUCHESS OF YORK**

Why, what is it, my lord?

**DUKE OF YORK**

Give me my boots, I say; saddle my horse.  
Now, by mine honour, by my life, by my troth,  
I will appeach the villain.

**DUCHESS OF YORK**

What is the matter?

**DUKE OF YORK**

Peace, foolish woman.

**DUCHESS OF YORK**

I will not peace. What is the matter, Aumerle.

**DUKE OF AUMERLE**

Good mother, be content; it is no more  
Than my poor life must answer.

**DUCHESS OF YORK**

Thy life answer!

**DUKE OF YORK**

Bring me my boots: I will unto the king.

*Re-enter Servant with boots*

**DUCHESS OF YORK**

Strike him, Aumerle. Poor boy, thou art amazed.  
Hence, villain! never more come in my sight.

**DUKE OF YORK**

Give me my boots, I say.

**DUCHESS OF YORK**

Why, York, what wilt thou do?  
Wilt thou not hide the trespass of thine own?  
Have we more sons? or are we like to have?  
Is not my teeming date drunk up with time?  
And wilt thou pluck my fair son from mine age,  
And rob me of a happy mother's name?  
Is he not like thee? is he not thine own?

**DUKE OF YORK**

Thou fond mad woman,  
Wilt thou conceal this dark conspiracy?  
A dozen of them here have ta'en the sacrament,  
And interchangeably set down their hands,  
To kill the king at Oxford.

**DUCHESS OF YORK**

He shall be none;  
We'll keep him here: then what is that to him?

**DUKE OF YORK**

Away, fond woman! were he twenty times my son,  
I would appeach him.

## **DUCHESS OF YORK**

Hadst thou groan'd for him  
As I have done, thou wouldst be more pitiful.  
But now I know thy mind; thou dost suspect  
That I have been disloyal to thy bed,  
And that he is a bastard, not thy son:  
Sweet York, sweet husband, be not of that mind:  
He is as like thee as a man may be,  
Not like to me, or any of my kin,  
And yet I love him.

## **DUKE OF YORK**

Make way, unruly woman!

*Exit*

## **DUCHESS OF YORK**

After, Aumerle! mount thee upon his horse;  
Spur post, and get before him to the king,  
And beg thy pardon ere he do accuse thee.  
I'll not be long behind; though I be old,  
I doubt not but to ride as fast as York:  
And never will I rise up from the ground  
Till Bolingbroke have pardon'd thee. Away, be gone!

*Exeunt*

## SCENE III. A royal palace.

*Enter HENRY BOLINGBROKE, HENRY PERCY, and other Lords*

### HENRY BOLINGBROKE

Can no man tell me of my unthrifty son?  
'Tis full three months since I did see him last;  
If any plague hang over us, 'tis he.  
I would to God, my lords, he might be found:  
Inquire at London, 'mongst the taverns there,  
For there, they say, he daily doth frequent,  
With unrestrained loose companions,  
Even such, they say, as stand in narrow lanes,  
And beat our watch, and rob our passengers;  
Which he, young wanton and effeminate boy,  
Takes on the point of honour to support  
So dissolute a crew.

### HENRY PERCY

My lord, some two days since I saw the prince,  
And told him of those triumphs held at Oxford.

### HENRY BOLINGBROKE

And what said the gallant?

### HENRY PERCY

His answer was, he would unto the stews,  
And from the common'st creature pluck a glove,  
And wear it as a favour; and with that  
He would unhorse the lustiest challenger.

### HENRY BOLINGBROKE

As dissolute as desperate; yet through both  
I see some sparks of better hope, which elder years  
May happily bring forth. But who comes here?

*Enter DUKE OF AUMERLE*

**DUKE OF AUMERLE**

Where is the king?

**HENRY BOLINGBROKE**

What means our cousin, that he stares and looks  
So wildly?

**DUKE OF AUMERLE**

God save your grace! I do beseech your majesty,  
To have some conference with your grace alone.

**HENRY BOLINGBROKE**

Withdraw yourselves, and leave us here alone.

*Exeunt HENRY PERCY and Lords*

What is the matter with our cousin now?

**DUKE OF AUMERLE**

For ever may my knees grow to the earth,  
My tongue cleave to my roof within my mouth  
Unless a pardon ere I rise or speak.

**HENRY BOLINGBROKE**

Intended or committed was this fault?  
If on the first, how heinous e'er it be,  
To win thy after-love I pardon thee.

**DUKE OF AUMERLE**

Then give me leave that I may turn the key,  
That no man enter till my tale be done.

**HENRY BOLINGBROKE**

Have thy desire.

**DUKE OF YORK**

[Within] My liege, beware; look to thyself;  
Thou hast a traitor in thy presence there.

**HENRY BOLINGBROKE**

Villain, I'll make thee safe.

*Drawing*

**DUKE OF AUMERLE**

Stay thy revengeful hand; thou hast no cause to fear.

**DUKE OF YORK**

[Within] Open the door, secure, foolhardy king:  
Shall I for love speak treason to thy face?  
Open the door, or I will break it open.

*Enter DUKE OF YORK*

**HENRY BOLINGBROKE**

What is the matter, uncle? speak;  
Recover breath; tell us how near is danger,  
That we may arm us to encounter it.

**DUKE OF YORK**

Peruse this writing here, and thou shalt know

The treason that my haste forbids me show.

## **DUKE OF AUMERLE**

Remember, as thou read'st, thy promise pass'd:  
I do repent me; read not my name there  
My heart is not confederate with my hand.

## **DUKE OF YORK**

It was, villain, ere thy hand did set it down.  
I tore it from the traitor's bosom, king;  
Fear, and not love, begets his penitence:  
Forget to pity him, lest thy pity prove  
A serpent that will sting thee to the heart.

## **HENRY BOLINGBROKE**

O heinous, strong and bold conspiracy!  
O loyal father of a treacherous son!  
Thou sheer, immaculate and silver fountain,  
From when this stream through muddy passages  
Hath held his current and defiled himself!  
Thy overflow of good converts to bad,  
And thy abundant goodness shall excuse  
This deadly blot in thy digressing son.

## **DUKE OF YORK**

So shall my virtue be his vice's bawd;  
And he shall spend mine honour with his shame,  
As thriftless sons their scraping fathers' gold.  
Mine honour lives when his dishonour dies,  
Or my shamed life in his dishonour lies:  
Thou kill'st me in his life; giving him breath,  
The traitor lives, the true man's put to death.

## **DUCHESS OF YORK**

[Within] What ho, my liege! for God's sake,  
let me in.

## **HENRY BOLINGBROKE**

What shrill-voiced suppliant makes this eager cry?

## **DUCHESS OF YORK**

A woman, and thy aunt, great king; 'tis I.  
Speak with me, pity me, open the door.  
A beggar begs that never begg'd before.

## **HENRY BOLINGBROKE**

Our scene is alter'd from a serious thing,  
And now changed to 'The Beggar and the King.'  
My dangerous cousin, let your mother in:  
I know she is come to pray for your foul sin.

## **DUKE OF YORK**

If thou do pardon, whosoever pray,  
More sins for this forgiveness prosper may.  
This fester'd joint cut off, the rest rest sound;  
This let alone will all the rest confound.

*Enter DUCHESS OF YORK*

## **DUCHESS OF YORK**

O king, believe not this hard-hearted man!  
Love loving not itself none other can.

## **DUKE OF YORK**

Thou frantic woman, what dost thou make here?  
Shall thy old dugs once more a traitor rear?

## **DUCHESS OF YORK**

Sweet York, be patient. Hear me, gentle liege.

*Kneels*

## **HENRY BOLINGBROKE**

Rise up, good aunt.

## **DUCHESS OF YORK**

Not yet, I thee beseech:  
For ever will I walk upon my knees,  
And never see day that the happy sees,  
Till thou give joy; until thou bid me joy,  
By pardoning Rutland, my transgressing boy.

## **DUKE OF AUMERLE**

Unto my mother's prayers I bend my knee.

## **DUKE OF YORK**

Against them both my true joints bended be.  
Ill mayst thou thrive, if thou grant any grace!

## **DUCHESS OF YORK**

Pleas he in earnest? look upon his face;  
His eyes do drop no tears, his prayers are in jest;  
His words come from his mouth, ours from our breast:  
He prays but faintly and would be denied;  
We pray with heart and soul and all beside:  
His weary joints would gladly rise, I know;  
Our knees shall kneel till to the ground they grow:  
His prayers are full of false hypocrisy;  
Ours of true zeal and deep integrity.  
Our prayers do out-pray his; then let them have  
That mercy which true prayer ought to have.

## **HENRY BOLINGBROKE**

Good aunt, stand up.

## **DUCHESS OF YORK**

Nay, do not say, 'stand up;'  
Say, 'pardon' first, and afterwards 'stand up.'  
And if I were thy nurse, thy tongue to teach,  
'Pardon' should be the first word of thy speech.  
I never long'd to hear a word till now;  
Say 'pardon,' king; let pity teach thee how:  
The word is short, but not so short as sweet;  
No word like 'pardon' for kings' mouths so meet.

## **DUKE OF YORK**

Speak it in French, king; say, 'pardonne moi.'

## **DUCHESS OF YORK**

Dost thou teach pardon pardon to destroy?  
Ah, my sour husband, my hard-hearted lord,  
That set'st the word itself against the word!  
Speak 'pardon' as 'tis current in our land;  
The chopping French we do not understand.  
Thine eye begins to speak; set thy tongue there;  
Or in thy piteous heart plant thou thine ear;  
That hearing how our plaints and prayers do pierce,  
Pity may move thee 'pardon' to rehearse.

## **HENRY BOLINGBROKE**

Good aunt, stand up.

## **DUCHESS OF YORK**

I do not sue to stand;  
Pardon is all the suit I have in hand.

## **HENRY BOLINGBROKE**

I pardon him, as God shall pardon me.

## **DUCHESS OF YORK**

O happy vantage of a kneeling knee!  
Yet am I sick for fear: speak it again;

Twice saying 'pardon' doth not pardon twain,  
But makes one pardon strong.

**HENRY BOLINGBROKE**

With all my heart  
I pardon him.

**DUCHESS OF YORK**

A god on earth thou art.

**HENRY BOLINGBROKE**

But for our trusty brother-in-law and the abbot,  
With all the rest of that consorted crew,  
Destruction straight shall dog them at the heels.  
Good uncle, help to order several powers  
To Oxford, or where'er these traitors are:  
They shall not live within this world, I swear,  
But I will have them, if I once know where.  
Uncle, farewell: and, cousin too, adieu:  
Your mother well hath pray'd, and prove you true.

**DUCHESS OF YORK**

Come, my old son: I pray God make thee new.

*Exeunt*

**EXTON**

Didst thou not mark the king, what words he spake,  
'Have I no friend will rid me of this living fear?'  
Was it not so?

**Servant**

These were his very words.

**EXTON**

'Have I no friend?' quoth he: he spake it twice,  
And urged it twice together, did he not?

**Servant**

He did.

**EXTON**

And speaking it, he wistly look'd on me,  
And who should say, 'I would thou wert the man'  
That would divorce this terror from my heart;'  
Meaning the king at Pomfret. Come, let's go:  
I am the king's friend, and will rid his foe.

*Exeunt*

## SCENE V. Pomfret castle.

*Enter KING RICHARD*

### KING RICHARD II

I have been studying how I may compare  
This prison where I live unto the world:  
And for because the world is populous  
And here is not a creature but myself,  
I cannot do it; yet I'll hammer it out.  
My brain I'll prove the female to my soul,  
My soul the father; and these two beget  
A generation of still-breeding thoughts,  
And these same thoughts people this little world,  
In humours like the people of this world,  
For no thought is contented. The better sort,  
As thoughts of things divine, are intermix'd  
With scruples and do set the word itself  
Against the word:  
As thus, 'Come, little ones,' and then again,  
'It is as hard to come as for a camel  
To thread the postern of a small needle's eye.'  
Thoughts tending to ambition, they do plot  
Unlikely wonders; how these vain weak nails  
May tear a passage through the flinty ribs  
Of this hard world, my ragged prison walls,  
And, for they cannot, die in their own pride.  
Thoughts tending to content flatter themselves  
That they are not the first of fortune's slaves,  
Nor shall not be the last; like silly beggars  
Who sitting in the stocks refuge their shame,  
That many have and others must sit there;  
And in this thought they find a kind of ease,  
Bearing their own misfortunes on the back  
Of such as have before endured the like.  
Thus play I in one person many people,

And none contented: sometimes am I king;  
Then treasons make me wish myself a beggar,  
And so I am: then crushing penury  
Persuades me I was better when a king;  
Then am I king'd again: and by and by  
Think that I am unking'd by Bolingbroke,  
And straight am nothing: but whate'er I be,  
Nor I nor any man that but man is  
With nothing shall be pleased, till he be eased  
With being nothing. Music do I hear?

*Music*

Ha, ha! keep time: how sour sweet music is,  
When time is broke and no proportion kept!  
So is it in the music of men's lives.  
And here have I the daintiness of ear  
To cheque time broke in a disorder'd string;  
But for the concord of my state and time  
Had not an ear to hear my true time broke.  
I wasted time, and now doth time waste me;  
For now hath time made me his numbering clock:  
My thoughts are minutes; and with sighs they jar  
Their watches on unto mine eyes, the outward watch,  
Whereto my finger, like a dial's point,  
Is pointing still, in cleansing them from tears.  
Now sir, the sound that tells what hour it is  
Are clamorous groans, which strike upon my heart,  
Which is the bell: so sighs and tears and groans  
Show minutes, times, and hours: but my time  
Runs posting on in Bolingbroke's proud joy,  
While I stand fooling here, his Jack o' the clock.  
This music mads me; let it sound no more;  
For though it have help madmen to their wits,  
In me it seems it will make wise men mad.  
Yet blessing on his heart that gives it me!  
For 'tis a sign of love; and love to Richard  
Is a strange brooch in this all-hating world.

*Enter a Groom of the Stable*

**Groom**

Hail, royal prince!

**KING RICHARD II**

Thanks, noble peer;  
The cheapest of us is ten groats too dear.  
What art thou? and how comest thou hither,  
Where no man never comes but that sad dog  
That brings me food to make misfortune live?

**Groom**

I was a poor groom of thy stable, king,  
When thou wert king; who, travelling towards York,  
With much ado at length have gotten leave  
To look upon my sometimes royal master's face.  
O, how it yearn'd my heart when I beheld  
In London streets, that coronation-day,  
When Bolingbroke rode on roan Barbary,  
That horse that thou so often hast bestrid,  
That horse that I so carefully have dress'd!

**KING RICHARD II**

Rode he on Barbary? Tell me, gentle friend,  
How went he under him?

**Groom**

So proudly as if he disdain'd the ground.

**KING RICHARD II**

So proud that Bolingbroke was on his back!  
That jade hath eat bread from my royal hand;  
This hand hath made him proud with clapping him.  
Would he not stumble? would he not fall down,  
Since pride must have a fall, and break the neck  
Of that proud man that did usurp his back?  
Forgiveness, horse! why do I rail on thee,  
Since thou, created to be awed by man,  
Wast born to bear? I was not made a horse;

And yet I bear a burthen like an ass,  
Spurr'd, gall'd and tired by jouncing Bolingbroke.

*Enter Keeper, with a dish*

**Keeper**

Fellow, give place; here is no longer stay.

**KING RICHARD II**

If thou love me, 'tis time thou wert away.

**Groom**

What my tongue dares not, that my heart shall say.

*Exit*

**Keeper**

My lord, will't please you to fall to?

**KING RICHARD II**

Taste of it first, as thou art wont to do.

**Keeper**

My lord, I dare not: Sir Pierce of Exton, who  
lately came from the king, commands the contrary.

**KING RICHARD II**

The devil take Henry of Lancaster and thee!  
Patience is stale, and I am weary of it.

*Beats the keeper*

**Keeper**

Help, help, help!

*Enter EXTON and Servants, armed*

## **KING RICHARD II**

How now! what means death in this rude assault?  
Villain, thy own hand yields thy death's instrument.

*Snatching an axe from a Servant and killing him*

Go thou, and fill another room in hell.

*He kills another. Then Exton strikes him down*

That hand shall burn in never-quickning fire  
That staggers thus my person. Exton, thy fierce hand  
Hath with the king's blood stain'd the king's own land.  
Mount, mount, my soul! thy seat is up on high;  
Whilst my gross flesh sinks downward, here to die.

*Dies*

## **EXTON**

As full of valour as of royal blood:  
Both have I spill'd; O would the deed were good!  
For now the devil, that told me I did well,  
Says that this deed is chronicled in hell.  
This dead king to the living king I'll bear  
Take hence the rest, and give them burial here.

*Exeunt*

## SCENE VI. Windsor castle.

*Flourish. Enter HENRY BOLINGBROKE, DUKE OF YORK, with other Lords, and Attendants*

### HENRY BOLINGBROKE

Kind uncle York, the latest news we hear  
Is that the rebels have consumed with fire  
Our town of Cicester in Gloucestershire;  
But whether they be ta'en or slain we hear not.

*Enter NORTHUMBERLAND*

Welcome, my lord what is the news?

### NORTHUMBERLAND

First, to thy sacred state wish I all happiness.  
The next news is, I have to London sent  
The heads of Oxford, Salisbury, Blunt, and Kent:  
The manner of their taking may appear  
At large discoursed in this paper here.

### HENRY BOLINGBROKE

We thank thee, gentle Percy, for thy pains;  
And to thy worth will add right worthy gains.

*Enter LORD FITZWATER*

### LORD FITZWATER

My lord, I have from Oxford sent to London  
The heads of Brocas and Sir Bennet Seely,  
Two of the dangerous consorted traitors

That sought at Oxford thy dire overthrow.

## **HENRY BOLINGBROKE**

Thy pains, Fitzwater, shall not be forgot;  
Right noble is thy merit, well I wot.

*Enter HENRY PERCY, and the BISHOP OF CARLISLE*

## **HENRY PERCY**

The grand conspirator, Abbot of Westminster,  
With clog of conscience and sour melancholy  
Hath yielded up his body to the grave;  
But here is Carlisle living, to abide  
Thy kingly doom and sentence of his pride.

## **HENRY BOLINGBROKE**

Carlisle, this is your doom:  
Choose out some secret place, some reverend room,  
More than thou hast, and with it joy thy life;  
So as thou livest in peace, die free from strife:  
For though mine enemy thou hast ever been,  
High sparks of honour in thee have I seen.

*Enter EXTON, with persons bearing a coffin*

## **EXTON**

Great king, within this coffin I present  
Thy buried fear: herein all breathless lies  
The mightiest of thy greatest enemies,  
Richard of Bordeaux, by me hither brought.

## **HENRY BOLINGBROKE**

Exton, I thank thee not; for thou hast wrought  
A deed of slander with thy fatal hand  
Upon my head and all this famous land.

## **EXTON**

From your own mouth, my lord, did I this deed.

## **HENRY BOLINGBROKE**

They love not poison that do poison need,  
Nor do I thee: though I did wish him dead,  
I hate the murderer, love him murdered.  
The guilt of conscience take thou for thy labour,  
But neither my good word nor princely favour:  
With Cain go wander through shades of night,  
And never show thy head by day nor light.  
Lords, I protest, my soul is full of woe,  
That blood should sprinkle me to make me grow:  
Come, mourn with me for that I do lament,  
And put on sullen black incontinent:  
I'll make a voyage to the Holy Land,  
To wash this blood off from my guilty hand:  
March sadly after; grace my mournings here;  
In weeping after this untimely bier.

*Exeunt*

## SCENE I. London. A street.

*Enter GLOUCESTER, solus*

### GLOUCESTER

Now is the winter of our discontent  
Made glorious summer by this sun of York;  
And all the clouds that lour'd upon our house  
In the deep bosom of the ocean buried.  
Now are our brows bound with victorious wreaths;  
Our bruised arms hung up for monuments;  
Our stern alarums changed to merry meetings,  
Our dreadful marches to delightful measures.  
Grim-visaged war hath smooth'd his wrinkled front;  
And now, instead of mounting barded steeds  
To fright the souls of fearful adversaries,  
He capers nimbly in a lady's chamber  
To the lascivious pleasing of a lute.  
But I, that am not shaped for sportive tricks,  
Nor made to court an amorous looking-glass;  
I, that am rudely stamp'd, and want love's majesty  
To strut before a wanton ambling nymph;  
I, that am curtail'd of this fair proportion,  
Cheated of feature by dissembling nature,  
Deformed, unfinish'd, sent before my time  
Into this breathing world, scarce half made up,  
And that so lamely and unfashionable  
That dogs bark at me as I halt by them;  
Why, I, in this weak piping time of peace,  
Have no delight to pass away the time,  
Unless to spy my shadow in the sun  
And descant on mine own deformity:  
And therefore, since I cannot prove a lover,  
To entertain these fair well-spoken days,  
I am determin'd to prove a villain  
And hate the idle pleasures of these days.

Plots have I laid, inductions dangerous,  
By drunken prophecies, libels and dreams,  
To set my brother Clarence and the king  
In deadly hate the one against the other:  
And if King Edward be as true and just  
As I am subtle, false and treacherous,  
This day should Clarence closely be mew'd up,  
About a prophecy, which says that 'G'  
Of Edward's heirs the murderer shall be.  
Dive, thoughts, down to my soul: here  
Clarence comes.

*Enter CLARENCE, guarded, and BRAKENBURY*

Brother, good day; what means this armed guard  
That waits upon your grace?

**CLARENCE**

His majesty  
Tendering my person's safety, hath appointed  
This conduct to convey me to the Tower.

**GLOUCESTER**

Upon what cause?

**CLARENCE**

Because my name is George.

**GLOUCESTER**

Alack, my lord, that fault is none of yours;  
He should, for that, commit your godfathers:  
O, belike his majesty hath some intent  
That you shall be new-christen'd in the Tower.  
But what's the matter, Clarence? may I know?

**CLARENCE**

Yea, Richard, when I know; for I protest

As yet I do not: but, as I can learn,  
He hearkens after prophecies and dreams;  
And from the cross-row plucks the letter G.  
And says a wizard told him that by G  
His issue disinherited should be;  
And, for my name of George begins with G,  
It follows in his thought that I am he.  
These, as I learn, and such like toys as these  
Have moved his highness to commit me now.

## **GLOUCESTER**

Why, this it is, when men are ruled by women:  
'Tis not the king that sends you to the Tower:  
My Lady Grey his wife, Clarence, 'tis she  
That tempers him to this extremity.  
Was it not she and that good man of worship,  
Anthony Woodville, her brother there,  
That made him send Lord Hastings to the Tower,  
From whence this present day he is deliver'd?  
We are not safe, Clarence; we are not safe.

## **CLARENCE**

By heaven, I think there's no man is secure  
But the queen's kindred and night-walking heralds  
That trudge betwixt the king and Mistress Shore.  
Heard ye not what an humble suppliant  
Lord Hastings was to her for his delivery?

## **GLOUCESTER**

Humbly complaining to her deity  
Got my lord chamberlain his liberty.  
I'll tell you what; I think it is our way,  
If we will keep in favour with the king,  
To be her men and wear her livery:  
The jealous o'erworn widow and herself,  
Since that our brother dubb'd them gentlewomen.  
Are mighty gossips in this monarchy.

## **BRAKENBURY**

I beseech your graces both to pardon me;  
His majesty hath straitly given in charge  
That no man shall have private conference,  
Of what degree soever, with his brother.

## **GLOUCESTER**

Even so; an't please your worship, Brakenbury,  
You may partake of any thing we say:  
We speak no treason, man: we say the king  
Is wise and virtuous, and his noble queen  
Well struck in years, fair, and not jealous;  
We say that Shore's wife hath a pretty foot,  
A cherry lip, a bonny eye, a passing pleasing tongue;  
And that the queen's kindred are made gentle-folks:  
How say you sir? Can you deny all this?

## **BRAKENBURY**

With this, my lord, myself have nought to do.

## **GLOUCESTER**

Naught to do with mistress Shore! I tell thee, fellow,  
He that doth naught with her, excepting one,  
Were best he do it secretly, alone.

## **BRAKENBURY**

What one, my lord?

## **GLOUCESTER**

Her husband, knave: wouldst thou betray me?

## **BRAKENBURY**

I beseech your grace to pardon me, and withal  
Forbear your conference with the noble duke.

## **CLARENCE**

We know thy charge, Brakenbury, and will obey.

**GLOUCESTER**

We are the queen's abjects, and must obey.  
Brother, farewell: I will unto the king;  
And whatsoever you will employ me in,  
Were it to call King Edward's widow sister,  
I will perform it to enfranchise you.  
Meantime, this deep disgrace in brotherhood  
Touches me deeper than you can imagine.

**CLARENCE**

I know it pleaseth neither of us well.

**GLOUCESTER**

Well, your imprisonment shall not be long;  
Meantime, have patience.

**CLARENCE**

I must perforce. Farewell.

*Exeunt CLARENCE, BRAKENBURY, and Guard*

**GLOUCESTER**

Go, tread the path that thou shalt ne'er return.  
Simple, plain Clarence! I do love thee so,  
That I will shortly send thy soul to heaven,  
If heaven will take the present at our hands.  
But who comes here? the new-deliver'd Hastings?

*Enter HASTINGS*

**HASTINGS**

Good time of day unto my gracious lord!

## **GLOUCESTER**

As much unto my good lord chamberlain!  
Well are you welcome to the open air.  
How hath your lordship brook'd imprisonment?

## **HASTINGS**

With patience, noble lord, as prisoners must:  
But I shall live, my lord, to give them thanks  
That were the cause of my imprisonment.

## **GLOUCESTER**

No doubt, no doubt; and so shall Clarence too;  
For they that were your enemies are his,  
And have prevail'd as much on him as you.

## **HASTINGS**

More pity that the eagle should be mew'd,  
While kites and buzzards prey at liberty.

## **GLOUCESTER**

What news abroad?

## **HASTINGS**

No news so bad abroad as this at home;  
The King is sickly, weak and melancholy,  
And his physicians fear him mightily.

## **GLOUCESTER**

Now, by Saint Paul, this news is bad indeed.  
O, he hath kept an evil diet long,  
And overmuch consumed his royal person:  
'Tis very grievous to be thought upon.  
What, is he in his bed?

## HASTINGS

He is.

## GLOUCESTER

Go you before, and I will follow you.

*Exit HASTINGS*

He cannot live, I hope; and must not die  
Till George be pack'd with post-horse up to heaven.  
I'll in, to urge his hatred more to Clarence,  
With lies well steel'd with weighty arguments;  
And, if I fall not in my deep intent,  
Clarence hath not another day to live:  
Which done, God take King Edward to his mercy,  
And leave the world for me to bustle in!  
For then I'll marry Warwick's youngest daughter.  
What though I kill'd her husband and her father?  
The readiest way to make the wench amends  
Is to become her husband and her father:  
The which will I; not all so much for love  
As for another secret close intent,  
By marrying her which I must reach unto.  
But yet I run before my horse to market:  
Clarence still breathes; Edward still lives and reigns:  
When they are gone, then must I count my gains.

*Exit*

## SCENE II. The same. Another street.

*Enter the corpse of KING HENRY the Sixth, Gentlemen with halberds to guard it; LADY ANNE being the mourner*

### LADY ANNE

Set down, set down your honourable load,  
If honour may be shrouded in a hearse,  
Whilst I awhile obsequiously lament  
The untimely fall of virtuous Lancaster.  
Poor key-cold figure of a holy king!  
Pale ashes of the house of Lancaster!  
Thou bloodless remnant of that royal blood!  
Be it lawful that I invoke thy ghost,  
To hear the lamentations of Poor Anne,  
Wife to thy Edward, to thy slaughter'd son,  
Stabb'd by the selfsame hand that made these wounds!  
Lo, in these windows that let forth thy life,  
I pour the helpless balm of my poor eyes.  
Cursed be the hand that made these fatal holes!  
Cursed be the heart that had the heart to do it!  
Cursed the blood that let this blood from hence!  
More direful hap betide that hated wretch,  
That makes us wretched by the death of thee,  
Than I can wish to adders, spiders, toads,  
Or any creeping venom'd thing that lives!  
If ever he have child, abortive be it,  
Prodigious, and untimely brought to light,  
Whose ugly and unnatural aspect  
May fright the hopeful mother at the view;  
And that be heir to his unhappiness!  
If ever he have wife, let her he made  
A miserable by the death of him  
As I am made by my poor lord and thee!  
Come, now towards Chertsey with your holy load,  
Taken from Paul's to be interred there;

And still, as you are weary of the weight,  
Rest you, whiles I lament King Henry's corse.

*Enter GLOUCESTER*

**GLOUCESTER**

Stay, you that bear the corse, and set it down.

**LADY ANNE**

What black magician conjures up this fiend,  
To stop devoted charitable deeds?

**GLOUCESTER**

Villains, set down the corse; or, by Saint Paul,  
I'll make a corse of him that disobeys.

**Gentleman**

My lord, stand back, and let the coffin pass.

**GLOUCESTER**

Unmanner'd dog! stand thou, when I command:  
Advance thy halbert higher than my breast,  
Or, by Saint Paul, I'll strike thee to my foot,  
And spurn upon thee, beggar, for thy boldness.

**LADY ANNE**

What, do you tremble? are you all afraid?  
Alas, I blame you not; for you are mortal,  
And mortal eyes cannot endure the devil.  
Avaunt, thou dreadful minister of hell!  
Thou hadst but power over his mortal body,  
His soul thou canst not have; therefore be gone.

**GLOUCESTER**

Sweet saint, for charity, be not so curst.

**LADY ANNE**

Foul devil, for God's sake, hence, and trouble us not;  
For thou hast made the happy earth thy hell,  
Fill'd it with cursing cries and deep exclaims.  
If thou delight to view thy heinous deeds,  
Behold this pattern of thy butcheries.  
O, gentlemen, see, see! dead Henry's wounds  
Open their congeal'd mouths and bleed afresh!  
Blush, Blush, thou lump of foul deformity;  
For 'tis thy presence that exhales this blood  
From cold and empty veins, where no blood dwells;  
Thy deed, inhuman and unnatural,  
Provokes this deluge most unnatural.  
O God, which this blood madest, revenge his death!  
O earth, which this blood drink'st revenge his death!  
Either heaven with lightning strike the  
murderer dead,  
Or earth, gape open wide and eat him quick,  
As thou dost swallow up this good king's blood  
Which his hell-govern'd arm hath butchered!

**GLOUCESTER**

Lady, you know no rules of charity,  
Which renders good for bad, blessings for curses.

**LADY ANNE**

Villain, thou know'st no law of God nor man:  
No beast so fierce but knows some touch of pity.

**GLOUCESTER**

But I know none, and therefore am no beast.

**LADY ANNE**

O wonderful, when devils tell the truth!

**GLOUCESTER**

More wonderful, when angels are so angry.  
Vouchsafe, divine perfection of a woman,  
Of these supposed-evils, to give me leave,  
By circumstance, but to acquit myself.

**LADY ANNE**

Vouchsafe, defused infection of a man,  
For these known evils, but to give me leave,  
By circumstance, to curse thy cursed self.

**GLOUCESTER**

Fairer than tongue can name thee, let me have  
Some patient leisure to excuse myself.

**LADY ANNE**

Fouler than heart can think thee, thou canst make  
No excuse current, but to hang thyself.

**GLOUCESTER**

By such despair, I should accuse myself.

**LADY ANNE**

And, by despairing, shouldst thou stand excused;  
For doing worthy vengeance on thyself,  
Which didst unworthy slaughter upon others.

**GLOUCESTER**

Say that I slew them not?

**LADY ANNE**

Why, then they are not dead:  
But dead they are, and devilish slave, by thee.

**GLOUCESTER**

I did not kill your husband.

**LADY ANNE**

Why, then he is alive.

**GLOUCESTER**

Nay, he is dead; and slain by Edward's hand.

**LADY ANNE**

In thy foul throat thou liest: Queen Margaret saw  
Thy murderous falchion smoking in his blood;  
The which thou once didst bend against her breast,  
But that thy brothers beat aside the point.

**GLOUCESTER**

I was provoked by her slanderous tongue,  
which laid their guilt upon my guiltless shoulders.

**LADY ANNE**

Thou wast provoked by thy bloody mind.  
Which never dreamt on aught but butcheries:  
Didst thou not kill this king?

**GLOUCESTER**

I grant ye.

**LADY ANNE**

Dost grant me, hedgehog? then, God grant me too  
Thou mayst be damned for that wicked deed!  
O, he was gentle, mild, and virtuous!

**GLOUCESTER**

The fitter for the King of heaven, that hath him.

**LADY ANNE**

He is in heaven, where thou shalt never come.

**GLOUCESTER**

Let him thank me, that help to send him thither;  
For he was fitter for that place than earth.

**LADY ANNE**

And thou unfit for any place but hell.

**GLOUCESTER**

Yes, one place else, if you will hear me name it.

**LADY ANNE**

Some dungeon.

**GLOUCESTER**

Your bed-chamber.

**LADY ANNE**

I'll rest betide the chamber where thou liest!

**GLOUCESTER**

So will it, madam till I lie with you.

**LADY ANNE**

I hope so.

## **GLOUCESTER**

I know so. But, gentle Lady Anne,  
To leave this keen encounter of our wits,  
And fall somewhat into a slower method,  
Is not the causer of the timeless deaths  
Of these Plantagenets, Henry and Edward,  
As blameful as the executioner?

## **LADY ANNE**

Thou art the cause, and most accursed effect.

## **GLOUCESTER**

Your beauty was the cause of that effect;  
Your beauty: which did haunt me in my sleep  
To undertake the death of all the world,  
So I might live one hour in your sweet bosom.

## **LADY ANNE**

If I thought that, I tell thee, homicide,  
These nails should rend that beauty from my cheeks.

## **GLOUCESTER**

These eyes could never endure sweet beauty's wreck;  
You should not blemish it, if I stood by:  
As all the world is cheered by the sun,  
So I by that; it is my day, my life.

## **LADY ANNE**

Black night o'ershade thy day, and death thy life!

## **GLOUCESTER**

Curse not thyself, fair creature thou art both.

## **LADY ANNE**

I would I were, to be revenged on thee.

**GLOUCESTER**

It is a quarrel most unnatural,  
To be revenged on him that loveth you.

**LADY ANNE**

It is a quarrel just and reasonable,  
To be revenged on him that slew my husband.

**GLOUCESTER**

He that bereft thee, lady, of thy husband,  
Did it to help thee to a better husband.

**LADY ANNE**

His better doth not breathe upon the earth.

**GLOUCESTER**

He lives that loves thee better than he could.

**LADY ANNE**

Name him.

**GLOUCESTER**

Plantagenet.

**LADY ANNE**

Why, that was he.

**GLOUCESTER**

The selfsame name, but one of better nature.

**LADY ANNE**

Where is he?

**GLOUCESTER**

Here.

*She spitteth at him*

Why dost thou spit at me?

**LADY ANNE**

Would it were mortal poison, for thy sake!

**GLOUCESTER**

Never came poison from so sweet a place.

**LADY ANNE**

Never hung poison on a fouler toad.  
Out of my sight! thou dost infect my eyes.

**GLOUCESTER**

Thine eyes, sweet lady, have infected mine.

**LADY ANNE**

Would they were basilisks, to strike thee dead!

**GLOUCESTER**

I would they were, that I might die at once;  
For now they kill me with a living death.  
Those eyes of thine from mine have drawn salt tears,  
Shamed their aspect with store of childish drops:  
These eyes that never shed remorseful tear,

No, when my father York and Edward wept,  
To hear the piteous moan that Rutland made  
When black-faced Clifford shook his sword at him;  
Nor when thy warlike father, like a child,  
Told the sad story of my father's death,  
And twenty times made pause to sob and weep,  
That all the standers-by had wet their cheeks  
Like trees bedash'd with rain: in that sad time  
My manly eyes did scorn an humble tear;  
And what these sorrows could not thence exhale,  
Thy beauty hath, and made them blind with weeping.  
I never sued to friend nor enemy;  
My tongue could never learn sweet smoothing word;  
But now thy beauty is proposed my fee,  
My proud heart sues, and prompts my tongue to speak.

*She looks scornfully at him*

Teach not thy lips such scorn, for they were made  
For kissing, lady, not for such contempt.  
If thy revengeful heart cannot forgive,  
Lo, here I lend thee this sharp-pointed sword;  
Which if thou please to hide in this true bosom.  
And let the soul forth that adareth thee,  
I lay it naked to the deadly stroke,  
And humbly beg the death upon my knee.

*He lays his breast open: she offers at it with his sword*

Nay, do not pause; for I did kill King Henry,  
But 'twas thy beauty that provoked me.  
Nay, now dispatch; 'twas I that stabb'd young Edward,  
But 'twas thy heavenly face that set me on.

*Here she lets fall the sword*

Take up the sword again, or take up me.

## **LADY ANNE**

Arise, dissembler: though I wish thy death,  
I will not be the executioner.

**GLOUCESTER**

Then bid me kill myself, and I will do it.

**LADY ANNE**

I have already.

**GLOUCESTER**

Tush, that was in thy rage:  
Speak it again, and, even with the word,  
That hand, which, for thy love, did kill thy love,  
Shall, for thy love, kill a far truer love;  
To both their deaths thou shalt be accessory.

**LADY ANNE**

I would I knew thy heart.

**GLOUCESTER**

'Tis figured in my tongue.

**LADY ANNE**

I fear me both are false.

**GLOUCESTER**

Then never man was true.

**LADY ANNE**

Well, well, put up your sword.

**GLOUCESTER**

Say, then, my peace is made.

**LADY ANNE**

That shall you know hereafter.

**GLOUCESTER**

But shall I live in hope?

**LADY ANNE**

All men, I hope, live so.

**GLOUCESTER**

Vouchsafe to wear this ring.

**LADY ANNE**

To take is not to give.

**GLOUCESTER**

Look, how this ring encompasseth finger.  
Even so thy breast encloseth my poor heart;  
Wear both of them, for both of them are thine.  
And if thy poor devoted suppliant may  
But beg one favour at thy gracious hand,  
Thou dost confirm his happiness for ever.

**LADY ANNE**

What is it?

**GLOUCESTER**

That it would please thee leave these sad designs  
To him that hath more cause to be a mourner,  
And presently repair to Crosby Place;  
Where, after I have solemnly interr'd  
At Chertsey monastery this noble king,  
And wet his grave with my repentant tears,

I will with all expedient duty see you:  
For divers unknown reasons. I beseech you,  
Grant me this boon.

**LADY ANNE**

With all my heart; and much it joys me too,  
To see you are become so penitent.  
Tressel and Berkeley, go along with me.

**GLOUCESTER**

Bid me farewell.

**LADY ANNE**

'Tis more than you deserve;  
But since you teach me how to flatter you,  
Imagine I have said farewell already.

*Exeunt LADY ANNE, TRESSEL, and BERKELEY*

**GLOUCESTER**

Sirs, take up the corse.

**GENTLEMEN**

Towards Chertsey, noble lord?

**GLOUCESTER**

No, to White-Friars; there attend my coining.

*Exeunt all but GLOUCESTER*

Was ever woman in this humour woo'd?  
Was ever woman in this humour won?  
I'll have her; but I will not keep her long.  
What! I, that kill'd her husband and his father,  
To take her in her heart's extremest hate,

With curses in her mouth, tears in her eyes,  
The bleeding witness of her hatred by;  
Having God, her conscience, and these bars  
against me,  
And I nothing to back my suit at all,  
But the plain devil and dissembling looks,  
And yet to win her, all the world to nothing!  
Ha!  
Hath she forgot already that brave prince,  
Edward, her lord, whom I, some three months since,  
Stabb'd in my angry mood at Tewksbury?  
A sweeter and a lovelier gentleman,  
Framed in the prodigality of nature,  
Young, valiant, wise, and, no doubt, right royal,  
The spacious world cannot again afford  
And will she yet debase her eyes on me,  
That cropp'd the golden prime of this sweet prince,  
And made her widow to a woful bed?  
On me, whose all not equals Edward's moiety?  
On me, that halt and am unshapen thus?  
My dukedom to a beggarly denier,  
I do mistake my person all this while:  
Upon my life, she finds, although I cannot,  
Myself to be a marvellous proper man.  
I'll be at charges for a looking-glass,  
And entertain some score or two of tailors,  
To study fashions to adorn my body:  
Since I am crept in favour with myself,  
Will maintain it with some little cost.  
But first I'll turn yon fellow in his grave;  
And then return lamenting to my love.  
Shine out, fair sun, till I have bought a glass,  
That I may see my shadow as I pass.

*Exit*

## SCENE III. The palace.

*Enter QUEEN ELIZABETH, RIVERS, and GREY*

### RIVERS

Have patience, madam: there's no doubt his majesty  
Will soon recover his accustom'd health.

### GREY

In that you brook it in, it makes him worse:  
Therefore, for God's sake, entertain good comfort,  
And cheer his grace with quick and merry words.

### QUEEN ELIZABETH

If he were dead, what would betide of me?

### RIVERS

No other harm but loss of such a lord.

### QUEEN ELIZABETH

The loss of such a lord includes all harm.

### GREY

The heavens have bless'd you with a goodly son,  
To be your comforter when he is gone.

### QUEEN ELIZABETH

Oh, he is young and his minority

Is put unto the trust of Richard Gloucester,  
A man that loves not me, nor none of you.

## **RIVERS**

Is it concluded that he shall be protector?

## **QUEEN ELIZABETH**

It is determined, not concluded yet:  
But so it must be, if the king miscarry.

*Enter BUCKINGHAM and DERBY*

## **GREY**

Here come the lords of Buckingham and Derby.

## **BUCKINGHAM**

Good time of day unto your royal grace!

## **DERBY**

God make your majesty joyful as you have been!

## **QUEEN ELIZABETH**

The Countess Richmond, good my Lord of Derby.  
To your good prayers will scarcely say amen.  
Yet, Derby, notwithstanding she's your wife,  
And loves not me, be you, good lord, assured  
I hate not you for her proud arrogance.

## **DERBY**

I do beseech you, either not believe  
The envious slanders of her false accusers;  
Or, if she be accused in true report,  
Bear with her weakness, which, I think proceeds  
From wayward sickness, and no grounded malice.

## **RIVERS**

Saw you the king to-day, my Lord of Derby?

## **DERBY**

But now the Duke of Buckingham and I  
Are come from visiting his majesty.

## **QUEEN ELIZABETH**

What likelihood of his amendment, lords?

## **BUCKINGHAM**

Madam, good hope; his grace speaks cheerfully.

## **QUEEN ELIZABETH**

God grant him health! Did you confer with him?

## **BUCKINGHAM**

Madam, we did: he desires to make atonement  
Betwixt the Duke of Gloucester and your brothers,  
And betwixt them and my lord chamberlain;  
And sent to warn them to his royal presence.

## **QUEEN ELIZABETH**

Would all were well! but that will never be  
I fear our happiness is at the highest.

*Enter GLOUCESTER, HASTINGS, and DORSET*

## **GLOUCESTER**

They do me wrong, and I will not endure it:  
Who are they that complain unto the king,  
That I, forsooth, am stern, and love them not?

By holy Paul, they love his grace but lightly  
That fill his ears with such dissentious rumours.  
Because I cannot flatter and speak fair,  
Smile in men's faces, smooth, deceive and cog,  
Duck with French nods and apish courtesy,  
I must be held a rancorous enemy.  
Cannot a plain man live and think no harm,  
But thus his simple truth must be abused  
By silken, sly, insinuating Jacks?

## **RIVERS**

To whom in all this presence speaks your grace?

## **GLOUCESTER**

To thee, that hast nor honesty nor grace.  
When have I injured thee? when done thee wrong?  
Or thee? or thee? or any of your faction?  
A plague upon you all! His royal person,--  
Whom God preserve better than you would wish!--  
Cannot be quiet scarce a breathing-while,  
But you must trouble him with lewd complaints.

## **QUEEN ELIZABETH**

Brother of Gloucester, you mistake the matter.  
The king, of his own royal disposition,  
And not provoked by any suitor else;  
Aiming, belike, at your interior hatred,  
Which in your outward actions shows itself  
Against my kindred, brothers, and myself,  
Makes him to send; that thereby he may gather  
The ground of your ill-will, and so remove it.

## **GLOUCESTER**

I cannot tell: the world is grown so bad,  
That wrens make prey where eagles dare not perch:  
Since every Jack became a gentleman  
There's many a gentle person made a Jack.

## **QUEEN ELIZABETH**

Come, come, we know your meaning, brother  
Gloucester;  
You envy my advancement and my friends':  
God grant we never may have need of you!

## **GLOUCESTER**

Meantime, God grants that we have need of you:  
Your brother is imprison'd by your means,  
Myself disgraced, and the nobility  
Held in contempt; whilst many fair promotions  
Are daily given to ennoble those  
That scarce, some two days since, were worth a noble.

## **QUEEN ELIZABETH**

By Him that raised me to this careful height  
From that contented hap which I enjoy'd,  
I never did incense his majesty  
Against the Duke of Clarence, but have been  
An earnest advocate to plead for him.  
My lord, you do me shameful injury,  
Falsely to draw me in these vile suspects.

## **GLOUCESTER**

You may deny that you were not the cause  
Of my Lord Hastings' late imprisonment.

## **RIVERS**

She may, my lord, for--

## **GLOUCESTER**

She may, Lord Rivers! why, who knows not so?  
She may do more, sir, than denying that:  
She may help you to many fair preferments,  
And then deny her aiding hand therein,  
And lay those honours on your high deserts.

What may she not? She may, yea, marry, may she--

## **RIVERS**

What, marry, may she?

## **GLOUCESTER**

What, marry, may she! marry with a king,  
A bachelor, a handsome stripling too:  
I wis your grandam had a worsen match.

## **QUEEN ELIZABETH**

My Lord of Gloucester, I have too long borne  
Your blunt upbraidings and your bitter scoffs:  
By heaven, I will acquaint his majesty  
With those gross taunts I often have endured.  
I had rather be a country servant-maid  
Than a great queen, with this condition,  
To be thus taunted, scorn'd, and baited at:

*Enter QUEEN MARGARET, behind*

Small joy have I in being England's queen.

## **QUEEN MARGARET**

And lessen'd be that small, God, I beseech thee!  
Thy honour, state and seat is due to me.

## **GLOUCESTER**

What! threat you me with telling of the king?  
Tell him, and spare not: look, what I have said  
I will avouch in presence of the king:  
I dare adventure to be sent to the Tower.  
'Tis time to speak; my pains are quite forgot.

## **QUEEN MARGARET**

Out, devil! I remember them too well:  
Thou slewest my husband Henry in the Tower,  
And Edward, my poor son, at Tewksbury.

**GLOUCESTER**

Ere you were queen, yea, or your husband king,  
I was a pack-horse in his great affairs;  
A weeder-out of his proud adversaries,  
A liberal rewarder of his friends:  
To royalize his blood I spilt mine own.

**QUEEN MARGARET**

Yea, and much better blood than his or thine.

**GLOUCESTER**

In all which time you and your husband Grey  
Were factious for the house of Lancaster;  
And, Rivers, so were you. Was not your husband  
In Margaret's battle at Saint Alban's slain?  
Let me put in your minds, if you forget,  
What you have been ere now, and what you are;  
Withal, what I have been, and what I am.

**QUEEN MARGARET**

A murderous villain, and so still thou art.

**GLOUCESTER**

Poor Clarence did forsake his father, Warwick;  
Yea, and forswore himself,--which Jesu pardon!--

**QUEEN MARGARET**

Which God revenge!

**GLOUCESTER**

To fight on Edward's party for the crown;  
And for his meed, poor lord, he is mew'd up.  
I would to God my heart were flint, like Edward's;  
Or Edward's soft and pitiful, like mine  
I am too childish-foolish for this world.

## **QUEEN MARGARET**

Hie thee to hell for shame, and leave the world,  
Thou cacodemon! there thy kingdom is.

## **RIVERS**

My Lord of Gloucester, in those busy days  
Which here you urge to prove us enemies,  
We follow'd then our lord, our lawful king:  
So should we you, if you should be our king.

## **GLOUCESTER**

If I should be! I had rather be a pedlar:  
Far be it from my heart, the thought of it!

## **QUEEN ELIZABETH**

As little joy, my lord, as you suppose  
You should enjoy, were you this country's king,  
As little joy may you suppose in me.  
That I enjoy, being the queen thereof.

## **QUEEN MARGARET**

A little joy enjoys the queen thereof;  
For I am she, and altogether joyless.  
I can no longer hold me patient.

*Advancing*

Hear me, you wrangling pirates, that fall out  
In sharing that which you have pill'd from me!  
Which of you trembles not that looks on me?  
If not, that, I being queen, you bow like subjects,

Yet that, by you deposed, you quake like rebels?  
O gentle villain, do not turn away!

**GLOUCESTER**

Foul wrinkled witch, what makest thou in my sight?

**QUEEN MARGARET**

But repetition of what thou hast marr'd;  
That will I make before I let thee go.

**GLOUCESTER**

Wert thou not banished on pain of death?

**QUEEN MARGARET**

I was; but I do find more pain in banishment  
Than death can yield me here by my abode.  
A husband and a son thou owest to me;  
And thou a kingdom; all of you allegiance:  
The sorrow that I have, by right is yours,  
And all the pleasures you usurp are mine.

**GLOUCESTER**

The curse my noble father laid on thee,  
When thou didst crown his warlike brows with paper  
And with thy scorns drew'st rivers from his eyes,  
And then, to dry them, gavest the duke a clout  
Steep'd in the faultless blood of pretty Rutland--  
His curses, then from bitterness of soul  
Denounced against thee, are all fall'n upon thee;  
And God, not we, hath plagued thy bloody deed.

**QUEEN ELIZABETH**

So just is God, to right the innocent.

**HASTINGS**

O, 'twas the foulest deed to slay that babe,  
And the most merciless that e'er was heard of!

## **RIVERS**

Tyrants themselves wept when it was reported.

## **DORSET**

No man but prophesied revenge for it.

## **BUCKINGHAM**

Northumberland, then present, wept to see it.

## **QUEEN MARGARET**

What were you snarling all before I came,  
Ready to catch each other by the throat,  
And turn you all your hatred now on me?  
Did York's dread curse prevail so much with heaven?  
That Henry's death, my lovely Edward's death,  
Their kingdom's loss, my woful banishment,  
Could all but answer for that peevish brat?  
Can curses pierce the clouds and enter heaven?  
Why, then, give way, dull clouds, to my quick curses!  
If not by war, by surfeit die your king,  
As ours by murder, to make him a king!  
Edward thy son, which now is Prince of Wales,  
For Edward my son, which was Prince of Wales,  
Die in his youth by like untimely violence!  
Thyself a queen, for me that was a queen,  
Outlive thy glory, like my wretched self!  
Long mayst thou live to wail thy children's loss;  
And see another, as I see thee now,  
Deck'd in thy rights, as thou art stall'd in mine!  
Long die thy happy days before thy death;  
And, after many lengthen'd hours of grief,  
Die neither mother, wife, nor England's queen!  
Rivers and Dorset, you were standers by,  
And so wast thou, Lord Hastings, when my son  
Was stabb'd with bloody daggers: God, I pray him,

That none of you may live your natural age,  
But by some unlook'd accident cut off!

**GLOUCESTER**

Have done thy charm, thou hateful wither'd hag!

**QUEEN MARGARET**

And leave out thee? stay, dog, for thou shalt hear me.  
If heaven have any grievous plague in store  
Exceeding those that I can wish upon thee,  
O, let them keep it till thy sins be ripe,  
And then hurl down their indignation  
On thee, the troubler of the poor world's peace!  
The worm of conscience still begnaw thy soul!  
Thy friends suspect for traitors while thou livest,  
And take deep traitors for thy dearest friends!  
No sleep close up that deadly eye of thine,  
Unless it be whilst some tormenting dream  
Affrights thee with a hell of ugly devils!  
Thou elvish-mark'd, abortive, rooting hog!  
Thou that wast seal'd in thy nativity  
The slave of nature and the son of hell!  
Thou slander of thy mother's heavy womb!  
Thou loathed issue of thy father's loins!  
Thou rag of honour! thou detested--

**GLOUCESTER**

Margaret.

**QUEEN MARGARET**

Richard!

**GLOUCESTER**

Ha!

**QUEEN MARGARET**

I call thee not.

**GLOUCESTER**

I cry thee mercy then, for I had thought  
That thou hadst call'd me all these bitter names.

**QUEEN MARGARET**

Why, so I did; but look'd for no reply.  
O, let me make the period to my curse!

**GLOUCESTER**

'Tis done by me, and ends in 'Margaret.'

**QUEEN ELIZABETH**

Thus have you breathed your curse against yourself.

**QUEEN MARGARET**

Poor painted queen, vain flourish of my fortune!  
Why strew'st thou sugar on that bottled spider,  
Whose deadly web ensnareth thee about?  
Fool, fool! thou whet'st a knife to kill thyself.  
The time will come when thou shalt wish for me  
To help thee curse that poisonous bunchback'd toad.

**HASTINGS**

False-boding woman, end thy frantic curse,  
Lest to thy harm thou move our patience.

**QUEEN MARGARET**

Foul shame upon you! you have all moved mine.

**RIVERS**

Were you well served, you would be taught your duty.

## **QUEEN MARGARET**

To serve me well, you all should do me duty,  
Teach me to be your queen, and you my subjects:  
O, serve me well, and teach yourselves that duty!

## **DORSET**

Dispute not with her; she is lunatic.

## **QUEEN MARGARET**

Peace, master marquess, you are malapert:  
Your fire-new stamp of honour is scarce current.  
O, that your young nobility could judge  
What 'twere to lose it, and be miserable!  
They that stand high have many blasts to shake them;  
And if they fall, they dash themselves to pieces.

## **GLOUCESTER**

Good counsel, marry: learn it, learn it, marquess.

## **DORSET**

It toucheth you, my lord, as much as me.

## **GLOUCESTER**

Yea, and much more: but I was born so high,  
Our aery buildeth in the cedar's top,  
And dallies with the wind and scorns the sun.

## **QUEEN MARGARET**

And turns the sun to shade; alas! alas!  
Witness my son, now in the shade of death;  
Whose bright out-shining beams thy cloudy wrath  
Hath in eternal darkness folded up.  
Your aery buildeth in our aery's nest.

O God, that seest it, do not suffer it!  
As it was won with blood, lost be it so!

**BUCKINGHAM**

Have done! for shame, if not for charity.

**QUEEN MARGARET**

Urge neither charity nor shame to me:  
Uncharitably with me have you dealt,  
And shamefully by you my hopes are butcher'd.  
My charity is outrage, life my shame  
And in that shame still live my sorrow's rage.

**BUCKINGHAM**

Have done, have done.

**QUEEN MARGARET**

O princely Buckingham I'll kiss thy hand,  
In sign of league and amity with thee:  
Now fair befall thee and thy noble house!  
Thy garments are not spotted with our blood,  
Nor thou within the compass of my curse.

**BUCKINGHAM**

Nor no one here; for curses never pass  
The lips of those that breathe them in the air.

**QUEEN MARGARET**

I'll not believe but they ascend the sky,  
And there awake God's gentle-sleeping peace.  
O Buckingham, take heed of yonder dog!  
Look, when he fawns, he bites; and when he bites,  
His venom tooth will rankle to the death:  
Have not to do with him, beware of him;  
Sin, death, and hell have set their marks on him,  
And all their ministers attend on him.

**GLOUCESTER**

What doth she say, my Lord of Buckingham?

**BUCKINGHAM**

Nothing that I respect, my gracious lord.

**QUEEN MARGARET**

What, dost thou scorn me for my gentle counsel?  
And soothe the devil that I warn thee from?  
O, but remember this another day,  
When he shall split thy very heart with sorrow,  
And say poor Margaret was a prophetess!  
Live each of you the subjects to his hate,  
And he to yours, and all of you to God's!

*Exit*

**HASTINGS**

My hair doth stand on end to hear her curses.

**RIVERS**

And so doth mine: I muse why she's at liberty.

**GLOUCESTER**

I cannot blame her: by God's holy mother,  
She hath had too much wrong; and I repent  
My part thereof that I have done to her.

**QUEEN ELIZABETH**

I never did her any, to my knowledge.

**GLOUCESTER**

But you have all the vantage of her wrong.  
I was too hot to do somebody good,  
That is too cold in thinking of it now.  
Marry, as for Clarence, he is well repaid,  
He is frank'd up to fattening for his pains  
God pardon them that are the cause of it!

## **RIVERS**

A virtuous and a Christian-like conclusion,  
To pray for them that have done scathe to us.

## **GLOUCESTER**

So do I ever:

*Aside*

being well-advised.  
For had I cursed now, I had cursed myself.

*Enter CATESBY*

## **CATESBY**

Madam, his majesty doth call for you,  
And for your grace; and you, my noble lords.

## **QUEEN ELIZABETH**

Catesby, we come. Lords, will you go with us?

## **RIVERS**

Madam, we will attend your grace.

*Exeunt all but GLOUCESTER*

## **GLOUCESTER**

I do the wrong, and first begin to brawl.

The secret mischiefs that I set abroad  
I lay unto the grievous charge of others.  
Clarence, whom I, indeed, have laid in darkness,  
I do bewep to many simple gulls  
Namely, to Hastings, Derby, Buckingham;  
And say it is the queen and her allies  
That stir the king against the duke my brother.  
Now, they believe it; and withal whet me  
To be revenged on Rivers, Vaughan, Grey:  
But then I sigh; and, with a piece of scripture,  
Tell them that God bids us do good for evil:  
And thus I clothe my naked villany  
With old odd ends stolen out of holy writ;  
And seem a saint, when most I play the devil.

*Enter two Murderers*

But, soft! here come my executioners.  
How now, my hardy, stout resolved mates!  
Are you now going to dispatch this deed?

### **First Murderer**

We are, my lord; and come to have the warrant  
That we may be admitted where he is.

### **GLOUCESTER**

Well thought upon; I have it here about me.

*Gives the warrant*

When you have done, repair to Crosby Place.  
But, sirs, be sudden in the execution,  
Withal obdurate, do not hear him plead;  
For Clarence is well-spoken, and perhaps  
May move your hearts to pity if you mark him.

### **First Murderer**

Tush!  
Fear not, my lord, we will not stand to prate;

Talkers are no good doers: be assured  
We come to use our hands and not our tongues.

## **GLOUCESTER**

Your eyes drop millstones, when fools' eyes drop tears:  
I like you, lads; about your business straight;  
Go, go, dispatch.

## **First Murderer**

We will, my noble lord.

*Exeunt*

[Shakespeare homepage](#) | [Richard III](#) | Act 1, Scene 4

[Previous scene](#) | [Next scene](#)

## SCENE IV. London. The Tower.

*Enter CLARENCE and BRAKENBURY*

### BRAKENBURY

Why looks your grace so heavily today?

### CLARENCE

O, I have pass'd a miserable night,  
So full of ugly sights, of ghastly dreams,  
That, as I am a Christian faithful man,  
I would not spend another such a night,  
Though 'twere to buy a world of happy days,  
So full of dismal terror was the time!

### BRAKENBURY

What was your dream? I long to hear you tell it.

### CLARENCE

Methoughts that I had broken from the Tower,  
And was embark'd to cross to Burgundy;  
And, in my company, my brother Gloucester;  
Who from my cabin tempted me to walk  
Upon the hatches: thence we looked toward England,  
And cited up a thousand fearful times,  
During the wars of York and Lancaster  
That had befall'n us. As we paced along  
Upon the giddy footing of the hatches,  
Methought that Gloucester stumbled; and, in falling,  
Struck me, that thought to stay him, overboard,  
Into the tumbling billows of the main.  
Lord, Lord! methought, what pain it was to drown!

What dreadful noise of waters in mine ears!  
What ugly sights of death within mine eyes!  
Methought I saw a thousand fearful wrecks;  
Ten thousand men that fishes gnaw'd upon;  
Wedges of gold, great anchors, heaps of pearl,  
Inestimable stones, unvalued jewels,  
All scatter'd in the bottom of the sea:  
Some lay in dead men's skulls; and, in those holes  
Where eyes did once inhabit, there were crept,  
As 'twere in scorn of eyes, reflecting gems,  
Which woo'd the slimy bottom of the deep,  
And mock'd the dead bones that lay scatter'd by.

## **BRAKENBURY**

Had you such leisure in the time of death  
To gaze upon the secrets of the deep?

## **CLARENCE**

Methought I had; and often did I strive  
To yield the ghost: but still the envious flood  
Kept in my soul, and would not let it forth  
To seek the empty, vast and wandering air;  
But smother'd it within my panting bulk,  
Which almost burst to belch it in the sea.

## **BRAKENBURY**

Awaked you not with this sore agony?

## **CLARENCE**

O, no, my dream was lengthen'd after life;  
O, then began the tempest to my soul,  
Who pass'd, methought, the melancholy flood,  
With that grim ferryman which poets write of,  
Unto the kingdom of perpetual night.  
The first that there did greet my stranger soul,  
Was my great father-in-law, renowned Warwick;  
Who cried aloud, 'What scourge for perjury  
Can this dark monarchy afford false Clarence?'

And so he vanish'd: then came wandering by  
A shadow like an angel, with bright hair  
Dabbled in blood; and he squeak'd out aloud,  
'Clarence is come; false, fleeting, perjured Clarence,  
That stabb'd me in the field by Tewksbury;  
Seize on him, Furies, take him to your torments!  
With that, methoughts, a legion of foul fiends  
Environ'd me about, and howled in mine ears  
Such hideous cries, that with the very noise  
I trembling waked, and for a season after  
Could not believe but that I was in hell,  
Such terrible impression made the dream.

## **BRAKENBURY**

No marvel, my lord, though it affrighted you;  
I promise, I am afraid to hear you tell it.

## **CLARENCE**

O Brakenbury, I have done those things,  
Which now bear evidence against my soul,  
For Edward's sake; and see how he requites me!  
O God! if my deep prayers cannot appease thee,  
But thou wilt be avenged on my misdeeds,  
Yet execute thy wrath in me alone,  
O, spare my guiltless wife and my poor children!  
I pray thee, gentle keeper, stay by me;  
My soul is heavy, and I fain would sleep.

## **BRAKENBURY**

I will, my lord: God give your grace good rest!

*CLARENCE sleeps*

Sorrow breaks seasons and reposing hours,  
Makes the night morning, and the noon-tide night.  
Princes have but their tides for their glories,  
An outward honour for an inward toil;  
And, for unfelt imagination,  
They often feel a world of restless cares:

So that, betwixt their tides and low names,  
There's nothing differs but the outward fame.

*Enter the two Murderers*

**First Murderer**

Ho! who's here?

**BRAKENBURY**

In God's name what are you, and how came you hither?

**First Murderer**

I would speak with Clarence, and I came hither on my legs.

**BRAKENBURY**

Yea, are you so brief?

**Second Murderer**

O sir, it is better to be brief than tedious. Show  
him our commission; talk no more.

*BRAKENBURY reads it*

**BRAKENBURY**

I am, in this, commanded to deliver  
The noble Duke of Clarence to your hands:  
I will not reason what is meant hereby,  
Because I will be guiltless of the meaning.  
Here are the keys, there sits the duke asleep:  
I'll to the king; and signify to him  
That thus I have resign'd my charge to you.

**First Murderer**

Do so, it is a point of wisdom: fare you well.

*Exit BRAKENBURY*

**Second Murderer**

What, shall we stab him as he sleeps?

**First Murderer**

No; then he will say 'twas done cowardly, when he wakes.

**Second Murderer**

When he wakes! why, fool, he shall never wake till  
the judgment-day.

**First Murderer**

Why, then he will say we stabbed him sleeping.

**Second Murderer**

The urging of that word 'judgment' hath bred a kind  
of remorse in me.

**First Murderer**

What, art thou afraid?

**Second Murderer**

Not to kill him, having a warrant for it; but to be  
damned for killing him, from which no warrant can defend us.

**First Murderer**

I thought thou hadst been resolute.

**Second Murderer**

So I am, to let him live.

**First Murderer**

Back to the Duke of Gloucester, tell him so.

**Second Murderer**

I pray thee, stay a while: I hope my holy humour will change; 'twas wont to hold me but while one would tell twenty.

**First Murderer**

How dost thou feel thyself now?

**Second Murderer**

'Faith, some certain dregs of conscience are yet within me.

**First Murderer**

Remember our reward, when the deed is done.

**Second Murderer**

'Zounds, he dies: I had forgot the reward.

**First Murderer**

Where is thy conscience now?

**Second Murderer**

In the Duke of Gloucester's purse.

**First Murderer**

So when he opens his purse to give us our reward, thy conscience flies out.

## **Second Murderer**

Let it go; there's few or none will entertain it.

## **First Murderer**

How if it come to thee again?

## **Second Murderer**

I'll not meddle with it: it is a dangerous thing: it makes a man a coward: a man cannot steal, but it accuseth him; he cannot swear, but it cheques him; he cannot lie with his neighbour's wife, but it detects him: 'tis a blushing shamefast spirit that mutinies in a man's bosom; it fills one full of obstacles: it made me once restore a purse of gold that I found; it beggars any man that keeps it: it is turned out of all towns and cities for a dangerous thing; and every man that means to live well endeavours to trust to himself and to live without it.

## **First Murderer**

'Zounds, it is even now at my elbow, persuading me not to kill the duke.

## **Second Murderer**

Take the devil in thy mind, and relieve him not: he would insinuate with thee but to make thee sigh.

## **First Murderer**

Tut, I am strong-framed, he cannot prevail with me, I warrant thee.

## **Second Murderer**

Spoke like a tail fellow that respects his

reputation. Come, shall we to this gear?

**First Murderer**

Take him over the costard with the hilts of thy sword, and then we will chop him in the malmsey-butt in the next room.

**Second Murderer**

O excellent devise! make a sop of him.

**First Murderer**

Hark! he stirs: shall I strike?

**Second Murderer**

No, first let's reason with him.

**CLARENCE**

Where art thou, keeper? give me a cup of wine.

**Second murderer**

You shall have wine enough, my lord, anon.

**CLARENCE**

In God's name, what art thou?

**Second Murderer**

A man, as you are.

**CLARENCE**

But not, as I am, royal.

**Second Murderer**

Nor you, as we are, loyal.

**CLARENCE**

Thy voice is thunder, but thy looks are humble.

**Second Murderer**

My voice is now the king's, my looks mine own.

**CLARENCE**

How darkly and how deadly dost thou speak!  
Your eyes do menace me: why look you pale?  
Who sent you hither? Wherefore do you come?

**Both**

To, to, to--

**CLARENCE**

To murder me?

**Both**

Ay, ay.

**CLARENCE**

You scarcely have the hearts to tell me so,  
And therefore cannot have the hearts to do it.  
Wherein, my friends, have I offended you?

**First Murderer**

Offended us you have not, but the king.

**CLARENCE**

I shall be reconciled to him again.

**Second Murderer**

Never, my lord; therefore prepare to die.

**CLARENCE**

Are you call'd forth from out a world of men  
To slay the innocent? What is my offence?  
Where are the evidence that do accuse me?  
What lawful quest have given their verdict up  
Unto the frowning judge? or who pronounced  
The bitter sentence of poor Clarence' death?  
Before I be convict by course of law,  
To threaten me with death is most unlawful.  
I charge you, as you hope to have redemption  
By Christ's dear blood shed for our grievous sins,  
That you depart and lay no hands on me  
The deed you undertake is damnable.

**First Murderer**

What we will do, we do upon command.

**Second Murderer**

And he that hath commanded is the king.

**CLARENCE**

Erroneous vassal! the great King of kings  
Hath in the tables of his law commanded  
That thou shalt do no murder: and wilt thou, then,  
Spurn at his edict and fulfil a man's?  
Take heed; for he holds vengeance in his hands,  
To hurl upon their heads that break his law.

**Second Murderer**

And that same vengeance doth he hurl on thee,

For false forswearing and for murder too:  
Thou didst receive the holy sacrament,  
To fight in quarrel of the house of Lancaster.

**First Murderer**

And, like a traitor to the name of God,  
Didst break that vow; and with thy treacherous blade  
Unrip'dst the bowels of thy sovereign's son.

**Second Murderer**

Whom thou wert sworn to cherish and defend.

**First Murderer**

How canst thou urge God's dreadful law to us,  
When thou hast broke it in so dear degree?

**CLARENCE**

Alas! for whose sake did I that ill deed?  
For Edward, for my brother, for his sake: Why, sirs,  
He sends ye not to murder me for this  
For in this sin he is as deep as I.  
If God will be revenged for this deed.  
O, know you yet, he doth it publicly,  
Take not the quarrel from his powerful arm;  
He needs no indirect nor lawless course  
To cut off those that have offended him.

**First Murderer**

Who made thee, then, a bloody minister,  
When gallant-springing brave Plantagenet,  
That princely novice, was struck dead by thee?

**CLARENCE**

My brother's love, the devil, and my rage.

## **First Murderer**

Thy brother's love, our duty, and thy fault,  
Provoke us hither now to slaughter thee.

## **CLARENCE**

Oh, if you love my brother, hate not me;  
I am his brother, and I love him well.  
If you be hired for meed, go back again,  
And I will send you to my brother Gloucester,  
Who shall reward you better for my life  
Than Edward will for tidings of my death.

## **Second Murderer**

You are deceived, your brother Gloucester hates you.

## **CLARENCE**

O, no, he loves me, and he holds me dear:  
Go you to him from me.

## **Both**

Ay, so we will.

## **CLARENCE**

Tell him, when that our princely father York  
Bless'd his three sons with his victorious arm,  
And charged us from his soul to love each other,  
He little thought of this divided friendship:  
Bid Gloucester think of this, and he will weep.

## **First Murderer**

Ay, millstones; as be lesson'd us to weep.

## **CLARENCE**

O, do not slander him, for he is kind.

**First Murderer**

Right,  
As snow in harvest. Thou deceivest thyself:  
'Tis he that sent us hither now to slaughter thee.

**CLARENCE**

It cannot be; for when I parted with him,  
He hugg'd me in his arms, and swore, with sobs,  
That he would labour my delivery.

**Second Murderer**

Why, so he doth, now he delivers thee  
From this world's thralldom to the joys of heaven.

**First Murderer**

Make peace with God, for you must die, my lord.

**CLARENCE**

Hast thou that holy feeling in thy soul,  
To counsel me to make my peace with God,  
And art thou yet to thy own soul so blind,  
That thou wilt war with God by murdering me?  
Ah, sirs, consider, he that set you on  
To do this deed will hate you for the deed.

**Second Murderer**

What shall we do?

**CLARENCE**

Relent, and save your souls.

**First Murderer**

Relent! 'tis cowardly and womanish.

## **CLARENCE**

Not to relent is beastly, savage, devilish.  
Which of you, if you were a prince's son,  
Being pent from liberty, as I am now,  
if two such murderers as yourselves came to you,  
Would not entreat for life?  
My friend, I spy some pity in thy looks:  
O, if thine eye be not a flatterer,  
Come thou on my side, and entreat for me,  
As you would beg, were you in my distress  
A begging prince what beggar pities not?

## **Second Murderer**

Look behind you, my lord.

## **First Murderer**

Take that, and that: if all this will not do,

*Stabs him*

I'll drown you in the malmsey-butt within.

*Exit, with the body*

## **Second Murderer**

A bloody deed, and desperately dispatch'd!  
How fain, like Pilate, would I wash my hands  
Of this most grievous guilty murder done!

*Re-enter First Murderer*

## **First Murderer**

How now! what mean'st thou, that thou help'st me not?  
By heavens, the duke shall know how slack thou art!

## Second Murderer

I would he knew that I had saved his brother!  
Take thou the fee, and tell him what I say;  
For I repent me that the duke is slain.

*Exit*

## First Murderer

So do not I: go, coward as thou art.  
Now must I hide his body in some hole,  
Until the duke take order for his burial:  
And when I have my meed, I must away;  
For this will out, and here I must not stay.

## SCENE I. London. The palace.

*Flourish. Enter KING EDWARD IV sick, QUEEN ELIZABETH, DORSET, RIVERS, HASTINGS, BUCKINGHAM, GREY, and others*

### KING EDWARD IV

Why, so: now have I done a good day's work:  
You peers, continue this united league:  
I every day expect an embassy  
From my Redeemer to redeem me hence;  
And now in peace my soul shall part to heaven,  
Since I have set my friends at peace on earth.  
Rivers and Hastings, take each other's hand;  
Dissemble not your hatred, swear your love.

### RIVERS

By heaven, my heart is purged from grudging hate:  
And with my hand I seal my true heart's love.

### HASTINGS

So thrive I, as I truly swear the like!

### KING EDWARD IV

Take heed you dally not before your king;  
Lest he that is the supreme King of kings  
Confound your hidden falsehood, and award  
Either of you to be the other's end.

### HASTINGS

So prosper I, as I swear perfect love!

## **RIVERS**

And I, as I love Hastings with my heart!

## **KING EDWARD IV**

Madam, yourself are not exempt in this,  
Nor your son Dorset, Buckingham, nor you;  
You have been factious one against the other,  
Wife, love Lord Hastings, let him kiss your hand;  
And what you do, do it unfeignedly.

## **QUEEN ELIZABETH**

Here, Hastings; I will never more remember  
Our former hatred, so thrive I and mine!

## **KING EDWARD IV**

Dorset, embrace him; Hastings, love lord marquess.

## **DORSET**

This interchange of love, I here protest,  
Upon my part shall be unviolable.

## **HASTINGS**

And so swear I, my lord

*They embrace*

## **KING EDWARD IV**

Now, princely Buckingham, seal thou this league  
With thy embracements to my wife's allies,  
And make me happy in your unity.

## **BUCKINGHAM**

Whenever Buckingham doth turn his hate

On you or yours,

*To the Queen*

but with all duteous love  
Doth cherish you and yours, God punish me  
With hate in those where I expect most love!  
When I have most need to employ a friend,  
And most assured that he is a friend  
Deep, hollow, treacherous, and full of guile,  
Be he unto me! this do I beg of God,  
When I am cold in zeal to yours.

#### **KING EDWARD IV**

A pleasing cordial, princely Buckingham,  
is this thy vow unto my sickly heart.  
There wanteth now our brother Gloucester here,  
To make the perfect period of this peace.

#### **BUCKINGHAM**

And, in good time, here comes the noble duke.

*Enter GLOUCESTER*

#### **GLOUCESTER**

Good morrow to my sovereign king and queen:  
And, princely peers, a happy time of day!

#### **KING EDWARD IV**

Happy, indeed, as we have spent the day.  
Brother, we done deeds of charity;  
Made peace enmity, fair love of hate,  
Between these swelling wrong-incensed peers.

#### **GLOUCESTER**

A blessed labour, my most sovereign liege:

Amongst this princely heap, if any here,  
By false intelligence, or wrong surmise,  
Hold me a foe;  
If I unwittingly, or in my rage,  
Have aught committed that is hardly borne  
By any in this presence, I desire  
To reconcile me to his friendly peace:  
'Tis death to me to be at enmity;  
I hate it, and desire all good men's love.  
First, madam, I entreat true peace of you,  
Which I will purchase with my duteous service;  
Of you, my noble cousin Buckingham,  
If ever any grudge were lodged between us;  
Of you, Lord Rivers, and, Lord Grey, of you;  
That without desert have frown'd on me;  
Dukes, earls, lords, gentlemen; indeed, of all.  
I do not know that Englishman alive  
With whom my soul is any jot at odds  
More than the infant that is born to-night  
I thank my God for my humility.

## **QUEEN ELIZABETH**

A holy day shall this be kept hereafter:  
I would to God all strifes were well compounded.  
My sovereign liege, I do beseech your majesty  
To take our brother Clarence to your grace.

## **GLOUCESTER**

Why, madam, have I offer'd love for this  
To be so bouted in this royal presence?  
Who knows not that the noble duke is dead?

*They all start*

You do him injury to scorn his corse.

## **RIVERS**

Who knows not he is dead! who knows he is?

## **QUEEN ELIZABETH**

All seeing heaven, what a world is this!

## **BUCKINGHAM**

Look I so pale, Lord Dorset, as the rest?

## **DORSET**

Ay, my good lord; and no one in this presence  
But his red colour hath forsook his cheeks.

## **KING EDWARD IV**

Is Clarence dead? the order was reversed.

## **GLOUCESTER**

But he, poor soul, by your first order died,  
And that a winged Mercury did bear:  
Some tardy cripple bore the countermand,  
That came too lag to see him buried.  
God grant that some, less noble and less loyal,  
Nearer in bloody thoughts, but not in blood,  
Deserve not worse than wretched Clarence did,  
And yet go current from suspicion!

*Enter DERBY*

## **DORSET**

A boon, my sovereign, for my service done!

## **KING EDWARD IV**

I pray thee, peace: my soul is full of sorrow.

## **DORSET**

I will not rise, unless your highness grant.

## **KING EDWARD IV**

Then speak at once what is it thou demand'st.

## **DORSET**

The forfeit, sovereign, of my servant's life;  
Who slew to-day a righteous gentleman  
Lately attendant on the Duke of Norfolk.

## **KING EDWARD IV**

Have a tongue to doom my brother's death,  
And shall the same give pardon to a slave?  
My brother slew no man; his fault was thought,  
And yet his punishment was cruel death.  
Who sued to me for him? who, in my rage,  
Kneel'd at my feet, and bade me be advised  
Who spake of brotherhood? who spake of love?  
Who told me how the poor soul did forsake  
The mighty Warwick, and did fight for me?  
Who told me, in the field by Tewksbury  
When Oxford had me down, he rescued me,  
And said, 'Dear brother, live, and be a king'?  
Who told me, when we both lay in the field  
Frozen almost to death, how he did lap me  
Even in his own garments, and gave himself,  
All thin and naked, to the numb cold night?  
All this from my remembrance brutish wrath  
Sinfully pluck'd, and not a man of you  
Had so much grace to put it in my mind.  
But when your carters or your waiting-vassals  
Have done a drunken slaughter, and defaced  
The precious image of our dear Redeemer,  
You straight are on your knees for pardon, pardon;  
And I unjustly too, must grant it you  
But for my brother not a man would speak,  
Nor I, ungracious, speak unto myself  
For him, poor soul. The proudest of you all  
Have been beholding to him in his life;  
Yet none of you would once plead for his life.  
O God, I fear thy justice will take hold

On me, and you, and mine, and yours for this!  
Come, Hastings, help me to my closet.  
Oh, poor Clarence!

*Exeunt some with KING EDWARD IV and QUEEN MARGARET*

## **GLOUCESTER**

This is the fruit of rashness! Mark'd you not  
How that the guilty kindred of the queen  
Look'd pale when they did hear of Clarence' death?  
O, they did urge it still unto the king!  
God will revenge it. But come, let us in,  
To comfort Edward with our company.

## **BUCKINGHAM**

We wait upon your grace.

*Exeunt*

## SCENE II. The palace.

*Enter the DUCHESS OF YORK, with the two children of CLARENCE*

**Boy**

Tell me, good grandam, is our father dead?

**DUCHESS OF YORK**

No, boy.

**Boy**

Why do you wring your hands, and beat your breast,  
And cry 'O Clarence, my unhappy son!'

**Girl**

Why do you look on us, and shake your head,  
And call us wretches, orphans, castaways  
If that our noble father be alive?

**DUCHESS OF YORK**

My pretty cousins, you mistake me much;  
I do lament the sickness of the king.  
As loath to lose him, not your father's death;  
It were lost sorrow to wail one that's lost.

**Boy**

Then, grandam, you conclude that he is dead.  
The king my uncle is to blame for this:  
God will revenge it; whom I will importune  
With daily prayers all to that effect.

**Girl**

And so will I.

**DUCHESS OF YORK**

Peace, children, peace! the king doth love you well:  
Incapable and shallow innocents,  
You cannot guess who caused your father's death.

**Boy**

Grandam, we can; for my good uncle Gloucester  
Told me, the king, provoked by the queen,  
Devised impeachments to imprison him :  
And when my uncle told me so, he wept,  
And hugg'd me in his arm, and kindly kiss'd my cheek;  
Bade me rely on him as on my father,  
And he would love me dearly as his child.

**DUCHESS OF YORK**

Oh, that deceit should steal such gentle shapes,  
And with a virtuous vizard hide foul guile!  
He is my son; yea, and therein my shame;  
Yet from my dugs he drew not this deceit.

**Boy**

Think you my uncle did dissemble, grandam?

**DUCHESS OF YORK**

Ay, boy.

**Boy**

I cannot think it. Hark! what noise is this?

*Enter QUEEN ELIZABETH, with her hair about her ears; RIVERS, and DORSET after her*

## **QUEEN ELIZABETH**

Oh, who shall hinder me to wail and weep,  
To chide my fortune, and torment myself?  
I'll join with black despair against my soul,  
And to myself become an enemy.

## **DUCHESS OF YORK**

What means this scene of rude impatience?

## **QUEEN ELIZABETH**

To make an act of tragic violence:  
Edward, my lord, your son, our king, is dead.  
Why grow the branches now the root is wither'd?  
Why wither not the leaves the sap being gone?  
If you will live, lament; if die, be brief,  
That our swift-winged souls may catch the king's;  
Or, like obedient subjects, follow him  
To his new kingdom of perpetual rest.

## **DUCHESS OF YORK**

Ah, so much interest have I in thy sorrow  
As I had title in thy noble husband!  
I have bewept a worthy husband's death,  
And lived by looking on his images:  
But now two mirrors of his princely semblance  
Are crack'd in pieces by malignant death,  
And I for comfort have but one false glass,  
Which grieves me when I see my shame in him.  
Thou art a widow; yet thou art a mother,  
And hast the comfort of thy children left thee:  
But death hath snatch'd my husband from mine arms,  
And pluck'd two crutches from my feeble limbs,  
Edward and Clarence. O, what cause have I,  
Thine being but a moiety of my grief,  
To overgo thy plaints and drown thy cries!

## **Boy**

Good aunt, you wept not for our father's death;  
How can we aid you with our kindred tears?

**Girl**

Our fatherless distress was left unmoan'd;  
Your widow-dolour likewise be unwept!

**QUEEN ELIZABETH**

Give me no help in lamentation;  
I am not barren to bring forth complaints  
All springs reduce their currents to mine eyes,  
That I, being govern'd by the watery moon,  
May send forth plenteous tears to drown the world!  
Oh for my husband, for my dear lord Edward!

**Children**

Oh for our father, for our dear lord Clarence!

**DUCHESS OF YORK**

Alas for both, both mine, Edward and Clarence!

**QUEEN ELIZABETH**

What stay had I but Edward? and he's gone.

**Children**

What stay had we but Clarence? and he's gone.

**DUCHESS OF YORK**

What stays had I but they? and they are gone.

**QUEEN ELIZABETH**

Was never widow had so dear a loss!

## **Children**

Were never orphans had so dear a loss!

## **DUCHESS OF YORK**

Was never mother had so dear a loss!  
Alas, I am the mother of these moans!  
Their woes are parcell'd, mine are general.  
She for an Edward weeps, and so do I;  
I for a Clarence weep, so doth not she:  
These babes for Clarence weep and so do I;  
I for an Edward weep, so do not they:  
Alas, you three, on me, threefold distress'd,  
Pour all your tears! I am your sorrow's nurse,  
And I will pamper it with lamentations.

## **DORSET**

Comfort, dear mother: God is much displeas'd  
That you take with unthankfulness, his doing:  
In common worldly things, 'tis call'd ungrateful,  
With dull unwillingness to repay a debt  
Which with a bounteous hand was kindly lent;  
Much more to be thus opposite with heaven,  
For it requires the royal debt it lent you.

## **RIVERS**

Madam, bethink you, like a careful mother,  
Of the young prince your son: send straight for him  
Let him be crown'd; in him your comfort lives:  
Drown desperate sorrow in dead Edward's grave,  
And plant your joys in living Edward's throne.

*Enter GLOUCESTER, BUCKINGHAM, DERBY, HASTINGS, and RATCLIFF*

## **GLOUCESTER**

Madam, have comfort: all of us have cause  
To wail the dimming of our shining star;  
But none can cure their harms by wailing them.

Madam, my mother, I do cry you mercy;  
I did not see your grace: humbly on my knee  
I crave your blessing.

## **DUCHESS OF YORK**

God bless thee; and put meekness in thy mind,  
Love, charity, obedience, and true duty!

## **GLOUCESTER**

[Aside] Amen; and make me die a good old man!  
That is the butt-end of a mother's blessing:  
I marvel why her grace did leave it out.

## **BUCKINGHAM**

You cloudy princes and heart-sorrowing peers,  
That bear this mutual heavy load of moan,  
Now cheer each other in each other's love  
Though we have spent our harvest of this king,  
We are to reap the harvest of his son.  
The broken rancour of your high-swoln hearts,  
But lately splinter'd, knit, and join'd together,  
Must gently be preserved, cherish'd, and kept:  
Me seemeth good, that, with some little train,  
Forthwith from Ludlow the young prince be fetch'd  
Hither to London, to be crown'd our king.

## **RIVERS**

Why with some little train, my Lord of Buckingham?

## **BUCKINGHAM**

Marry, my lord, lest, by a multitude,  
The new-heal'd wound of malice should break out,  
Which would be so much the more dangerous  
By how much the estate is green and yet ungovern'd:  
Where every horse bears his commanding rein,  
And may direct his course as please himself,  
As well the fear of harm, as harm apparent,

In my opinion, ought to be prevented.

## **GLOUCESTER**

I hope the king made peace with all of us  
And the compact is firm and true in me.

## **RIVERS**

And so in me; and so, I think, in all:  
Yet, since it is but green, it should be put  
To no apparent likelihood of breach,  
Which haply by much company might be urged:  
Therefore I say with noble Buckingham,  
That it is meet so few should fetch the prince.

## **HASTINGS**

And so say I.

## **GLOUCESTER**

Then be it so; and go we to determine  
Who they shall be that straight shall post to Ludlow.  
Madam, and you, my mother, will you go  
To give your censures in this weighty business?

## **QUEEN ELIZABETH DUCHESS OF YORK**

With all our harts.

*Exeunt all but BUCKINGHAM and GLOUCESTER*

## **BUCKINGHAM**

My lord, whoever journeys to the Prince,  
For God's sake, let not us two be behind;  
For, by the way, I'll sort occasion,  
As index to the story we late talk'd of,  
To part the queen's proud kindred from the king.

## GLOUCESTER

My other self, my counsel's consistory,  
My oracle, my prophet! My dear cousin,  
I, like a child, will go by thy direction.  
Towards Ludlow then, for we'll not stay behind.

*Exeunt*

## SCENE III. London. A street.

*Enter two Citizens meeting*

### First Citizen

Neighbour, well met: whither away so fast?

### Second Citizen

I promise you, I scarcely know myself:  
Hear you the news abroad?

### First Citizen

Ay, that the king is dead.

### Second Citizen

Bad news, by'r lady; seldom comes the better:  
I fear, I fear 'twill prove a troublous world.

*Enter another Citizen*

### Third Citizen

Neighbours, God speed!

### First Citizen

Give you good morrow, sir.

### Third Citizen

Doth this news hold of good King Edward's death?

**Second Citizen**

Ay, sir, it is too true; God help the while!

**Third Citizen**

Then, masters, look to see a troublous world.

**First Citizen**

No, no; by God's good grace his son shall reign.

**Third Citizen**

Woe to the land that's govern'd by a child!

**Second Citizen**

In him there is a hope of government,  
That in his nonage council under him,  
And in his full and ripen'd years himself,  
No doubt, shall then and till then govern well.

**First Citizen**

So stood the state when Henry the Sixth  
Was crown'd in Paris but at nine months old.

**Third Citizen**

Stood the state so? No, no, good friends, God wot;  
For then this land was famously enrich'd  
With politic grave counsel; then the king  
Had virtuous uncles to protect his grace.

**First Citizen**

Why, so hath this, both by the father and mother.

**Third Citizen**

Better it were they all came by the father,  
Or by the father there were none at all;  
For emulation now, who shall be nearest,  
Will touch us all too near, if God prevent not.  
O, full of danger is the Duke of Gloucester!  
And the queen's sons and brothers haught and proud:  
And were they to be ruled, and not to rule,  
This sickly land might solace as before.

**First Citizen**

Come, come, we fear the worst; all shall be well.

**Third Citizen**

When clouds appear, wise men put on their cloaks;  
When great leaves fall, the winter is at hand;  
When the sun sets, who doth not look for night?  
Untimely storms make men expect a dearth.  
All may be well; but, if God sort it so,  
'Tis more than we deserve, or I expect.

**Second Citizen**

Truly, the souls of men are full of dread:  
Ye cannot reason almost with a man  
That looks not heavily and full of fear.

**Third Citizen**

Before the times of change, still is it so:  
By a divine instinct men's minds mistrust  
Ensuing dangers; as by proof, we see  
The waters swell before a boisterous storm.  
But leave it all to God. whither away?

**Second Citizen**

Marry, we were sent for to the justices.

**Third Citizen**

And so was I: I'll bear you company.

*Exeunt*

## SCENE IV. London. The palace.

*Enter the ARCHBISHOP OF YORK, young YORK, QUEEN ELIZABETH, and the DUCHESS OF YORK*

### ARCHBISHOP OF YORK

Last night, I hear, they lay at Northampton;  
At Stony-Stratford will they be to-night:  
To-morrow, or next day, they will be here.

### DUCHESS OF YORK

I long with all my heart to see the prince:  
I hope he is much grown since last I saw him.

### QUEEN ELIZABETH

But I hear, no; they say my son of York  
Hath almost overta'en him in his growth.

### YORK

Ay, mother; but I would not have it so.

### DUCHESS OF YORK

Why, my young cousin, it is good to grow.

### YORK

Grandam, one night, as we did sit at supper,  
My uncle Rivers talk'd how I did grow  
More than my brother: 'Ay,' quoth my uncle  
Gloucester,  
'Small herbs have grace, great weeds do grow apace:'

And since, methinks, I would not grow so fast,  
Because sweet flowers are slow and weeds make haste.

**DUCHESS OF YORK**

Good faith, good faith, the saying did not hold  
In him that did object the same to thee;  
He was the wretched'st thing when he was young,  
So long a-growing and so leisurely,  
That, if this rule were true, he should be gracious.

**ARCHBISHOP OF YORK**

Why, madam, so, no doubt, he is.

**DUCHESS OF YORK**

I hope he is; but yet let mothers doubt.

**YORK**

Now, by my troth, if I had been remember'd,  
I could have given my uncle's grace a flout,  
To touch his growth nearer than he touch'd mine.

**DUCHESS OF YORK**

How, my pretty York? I pray thee, let me hear it.

**YORK**

Marry, they say my uncle grew so fast  
That he could gnaw a crust at two hours old  
'Twas full two years ere I could get a tooth.  
Grandam, this would have been a biting jest.

**DUCHESS OF YORK**

I pray thee, pretty York, who told thee this?

**YORK**

Grandam, his nurse.

**DUCHESS OF YORK**

His nurse! why, she was dead ere thou wert born.

**YORK**

If 'twere not she, I cannot tell who told me.

**QUEEN ELIZABETH**

A parlous boy: go to, you are too shrewd.

**ARCHBISHOP OF YORK**

Good madam, be not angry with the child.

**QUEEN ELIZABETH**

Pitchers have ears.

*Enter a Messenger*

**ARCHBISHOP OF YORK**

Here comes a messenger. What news?

**Messenger**

Such news, my lord, as grieves me to unfold.

**QUEEN ELIZABETH**

How fares the prince?

**Messenger**

Well, madam, and in health.

## **DUCHESS OF YORK**

What is thy news then?

### **Messenger**

Lord Rivers and Lord Grey are sent to Pomfret,  
With them Sir Thomas Vaughan, prisoners.

## **DUCHESS OF YORK**

Who hath committed them?

### **Messenger**

The mighty dukes  
Gloucester and Buckingham.

## **QUEEN ELIZABETH**

For what offence?

### **Messenger**

The sum of all I can, I have disclosed;  
Why or for what these nobles were committed  
Is all unknown to me, my gracious lady.

## **QUEEN ELIZABETH**

Ay me, I see the downfall of our house!  
The tiger now hath seized the gentle hind;  
Insulting tyranny begins to jet  
Upon the innocent and aweless throne:  
Welcome, destruction, death, and massacre!  
I see, as in a map, the end of all.

## **DUCHESS OF YORK**

Accursed and unquiet wrangling days,  
How many of you have mine eyes beheld!

My husband lost his life to get the crown;  
And often up and down my sons were toss'd,  
For me to joy and weep their gain and loss:  
And being seated, and domestic broils  
Clean over-blown, themselves, the conquerors.  
Make war upon themselves; blood against blood,  
Self against self: O, preposterous  
And frantic outrage, end thy damned spleen;  
Or let me die, to look on death no more!

## **QUEEN ELIZABETH**

Come, come, my boy; we will to sanctuary.  
Madam, farewell.

## **DUCHESS OF YORK**

I'll go along with you.

## **QUEEN ELIZABETH**

You have no cause.

## **ARCHBISHOP OF YORK**

My gracious lady, go;  
And thither bear your treasure and your goods.  
For my part, I'll resign unto your grace  
The seal I keep: and so betide to me  
As well I tender you and all of yours!  
Come, I'll conduct you to the sanctuary.

*Exeunt*

## SCENE I. London. A street.

*The trumpets sound. Enter the young PRINCE EDWARD, GLOUCESTER, BUCKINGHAM, CARDINAL, CATESBY, and others*

### BUCKINGHAM

Welcome, sweet prince, to London, to your chamber.

### GLOUCESTER

Welcome, dear cousin, my thoughts' sovereign  
The weary way hath made you melancholy.

### PRINCE EDWARD

No, uncle; but our crosses on the way  
Have made it tedious, wearisome, and heavy  
I want more uncles here to welcome me.

### GLOUCESTER

Sweet prince, the untainted virtue of your years  
Hath not yet dived into the world's deceit  
Nor more can you distinguish of a man  
Than of his outward show; which, God he knows,  
Seldom or never jumpeth with the heart.  
Those uncles which you want were dangerous;  
Your grace attended to their sugar'd words,  
But look'd not on the poison of their hearts :  
God keep you from them, and from such false friends!

### PRINCE EDWARD

God keep me from false friends! but they were none.

## **GLOUCESTER**

My lord, the mayor of London comes to greet you.

*Enter the Lord Mayor and his train*

## **Lord Mayor**

God bless your grace with health and happy days!

## **PRINCE EDWARD**

I thank you, good my lord; and thank you all.  
I thought my mother, and my brother York,  
Would long ere this have met us on the way  
Fie, what a slug is Hastings, that he comes not  
To tell us whether they will come or no!

*Enter HASTINGS*

## **BUCKINGHAM**

And, in good time, here comes the sweating lord.

## **PRINCE EDWARD**

Welcome, my lord: what, will our mother come?

## **HASTINGS**

On what occasion, God he knows, not I,  
The queen your mother, and your brother York,  
Have taken sanctuary: the tender prince  
Would fain have come with me to meet your grace,  
But by his mother was perforce withheld.

## **BUCKINGHAM**

Fie, what an indirect and peevish course  
Is this of hers! Lord cardinal, will your grace  
Persuade the queen to send the Duke of York

Unto his princely brother presently?  
If she deny, Lord Hastings, go with him,  
And from her jealous arms pluck him perforce.

## **CARDINAL**

My Lord of Buckingham, if my weak oratory  
Can from his mother win the Duke of York,  
Anon expect him here; but if she be obdurate  
To mild entreaties, God in heaven forbid  
We should infringe the holy privilege  
Of blessed sanctuary! not for all this land  
Would I be guilty of so deep a sin.

## **BUCKINGHAM**

You are too senseless--obstinate, my lord,  
Too ceremonious and traditional  
Weigh it but with the grossness of this age,  
You break not sanctuary in seizing him.  
The benefit thereof is always granted  
To those whose dealings have deserved the place,  
And those who have the wit to claim the place:  
This prince hath neither claim'd it nor deserved it;  
And therefore, in mine opinion, cannot have it:  
Then, taking him from thence that is not there,  
You break no privilege nor charter there.  
Oft have I heard of sanctuary men;  
But sanctuary children ne'er till now.

## **CARDINAL**

My lord, you shall o'er-rule my mind for once.  
Come on, Lord Hastings, will you go with me?

## **HASTINGS**

I go, my lord.

## **PRINCE EDWARD**

Good lords, make all the speedy haste you may.

*Exeunt CARDINAL and HASTINGS*

Say, uncle Gloucester, if our brother come,  
Where shall we sojourn till our coronation?

**GLOUCESTER**

Where it seems best unto your royal self.  
If I may counsel you, some day or two  
Your highness shall repose you at the Tower:  
Then where you please, and shall be thought most fit  
For your best health and recreation.

**PRINCE EDWARD**

I do not like the Tower, of any place.  
Did Julius Caesar build that place, my lord?

**BUCKINGHAM**

He did, my gracious lord, begin that place;  
Which, since, succeeding ages have re-edified.

**PRINCE EDWARD**

Is it upon record, or else reported  
Successively from age to age, he built it?

**BUCKINGHAM**

Upon record, my gracious lord.

**PRINCE EDWARD**

But say, my lord, it were not register'd,  
Methinks the truth should live from age to age,  
As 'twere retail'd to all posterity,  
Even to the general all-ending day.

**GLOUCESTER**

[Aside] So wise so young, they say, do never  
live long.

**PRINCE EDWARD**

What say you, uncle?

**GLOUCESTER**

I say, without characters, fame lives long.

*Aside*

Thus, like the formal vice, Iniquity,  
I moralize two meanings in one word.

**PRINCE EDWARD**

That Julius Caesar was a famous man;  
With what his valour did enrich his wit,  
His wit set down to make his valour live  
Death makes no conquest of this conqueror;  
For now he lives in fame, though not in life.  
I'll tell you what, my cousin Buckingham,--

**BUCKINGHAM**

What, my gracious lord?

**PRINCE EDWARD**

An if I live until I be a man,  
I'll win our ancient right in France again,  
Or die a soldier, as I lived a king.

**GLOUCESTER**

[Aside] Short summers lightly have a forward spring.

*Enter young YORK, HASTINGS, and the CARDINAL*

**BUCKINGHAM**

Now, in good time, here comes the Duke of York.

**PRINCE EDWARD**

Richard of York! how fares our loving brother?

**YORK**

Well, my dread lord; so must I call you now.

**PRINCE EDWARD**

Ay, brother, to our grief, as it is yours:  
Too late he died that might have kept that title,  
Which by his death hath lost much majesty.

**GLOUCESTER**

How fares our cousin, noble Lord of York?

**YORK**

I thank you, gentle uncle. O, my lord,  
You said that idle weeds are fast in growth  
The prince my brother hath outgrown me far.

**GLOUCESTER**

He hath, my lord.

**YORK**

And therefore is he idle?

**GLOUCESTER**

O, my fair cousin, I must not say so.

**YORK**

Then is he more beholding to you than I.

**GLOUCESTER**

He may command me as my sovereign;  
But you have power in me as in a kinsman.

**YORK**

I pray you, uncle, give me this dagger.

**GLOUCESTER**

My dagger, little cousin? with all my heart.

**PRINCE EDWARD**

A beggar, brother?

**YORK**

Of my kind uncle, that I know will give;  
And being but a toy, which is no grief to give.

**GLOUCESTER**

A greater gift than that I'll give my cousin.

**YORK**

A greater gift! O, that's the sword to it.

**GLOUCESTER**

A gentle cousin, were it light enough.

**YORK**

O, then, I see, you will part but with light gifts;  
In weightier things you'll say a beggar nay.

**GLOUCESTER**

It is too heavy for your grace to wear.

**YORK**

I weigh it lightly, were it heavier.

**GLOUCESTER**

What, would you have my weapon, little lord?

**YORK**

I would, that I might thank you as you call me.

**GLOUCESTER**

How?

**YORK**

Little.

**PRINCE EDWARD**

My Lord of York will still be cross in talk:  
Uncle, your grace knows how to bear with him.

**YORK**

You mean, to bear me, not to bear with me:  
Uncle, my brother mocks both you and me;  
Because that I am little, like an ape,  
He thinks that you should bear me on your shoulders.

**BUCKINGHAM**

With what a sharp-provided wit he reasons!  
To mitigate the scorn he gives his uncle,

He prettily and aptly taunts himself:  
So cunning and so young is wonderful.

**GLOUCESTER**

My lord, will't please you pass along?  
Myself and my good cousin Buckingham  
Will to your mother, to entreat of her  
To meet you at the Tower and welcome you.

**YORK**

What, will you go unto the Tower, my lord?

**PRINCE EDWARD**

My lord protector needs will have it so.

**YORK**

I shall not sleep in quiet at the Tower.

**GLOUCESTER**

Why, what should you fear?

**YORK**

Marry, my uncle Clarence' angry ghost:  
My grandam told me he was murdered there.

**PRINCE EDWARD**

I fear no uncles dead.

**GLOUCESTER**

Nor none that live, I hope.

**PRINCE EDWARD**

An if they live, I hope I need not fear.  
But come, my lord; and with a heavy heart,  
Thinking on them, go I unto the Tower.

*A Sennet. Exeunt all but GLOUCESTER, BUCKINGHAM and CATESBY*

## **BUCKINGHAM**

Think you, my lord, this little prating York  
Was not incensed by his subtle mother  
To taunt and scorn you thus opprobriously?

## **GLOUCESTER**

No doubt, no doubt; O, 'tis a parlous boy;  
Bold, quick, ingenious, forward, capable  
He is all the mother's, from the top to toe.

## **BUCKINGHAM**

Well, let them rest. Come hither, Catesby.  
Thou art sworn as deeply to effect what we intend  
As closely to conceal what we impart:  
Thou know'st our reasons urged upon the way;  
What think'st thou? is it not an easy matter  
To make William Lord Hastings of our mind,  
For the instalment of this noble duke  
In the seat royal of this famous isle?

## **CATESBY**

He for his father's sake so loves the prince,  
That he will not be won to aught against him.

## **BUCKINGHAM**

What think'st thou, then, of Stanley? what will he?

## **CATESBY**

He will do all in all as Hastings doth.

## **BUCKINGHAM**

Well, then, no more but this: go, gentle Catesby,  
And, as it were far off sound thou Lord Hastings,  
How doth he stand affected to our purpose;  
And summon him to-morrow to the Tower,  
To sit about the coronation.  
If thou dost find him tractable to us,  
Encourage him, and show him all our reasons:  
If he be leaden, icy-cold, unwilling,  
Be thou so too; and so break off your talk,  
And give us notice of his inclination:  
For we to-morrow hold divided councils,  
Wherein thyself shalt highly be employ'd.

## **GLOUCESTER**

Commend me to Lord William: tell him, Catesby,  
His ancient knot of dangerous adversaries  
To-morrow are let blood at Pomfret-castle;  
And bid my friend, for joy of this good news,  
Give mistress Shore one gentle kiss the more.

## **BUCKINGHAM**

Good Catesby, go, effect this business soundly.

## **CATESBY**

My good lords both, with all the heed I may.

## **GLOUCESTER**

Shall we hear from you, Catesby, ere we sleep?

## **CATESBY**

You shall, my lord.

## **GLOUCESTER**

At Crosby Place, there shall you find us both.

*Exit CATESBY*

**BUCKINGHAM**

Now, my lord, what shall we do, if we perceive  
Lord Hastings will not yield to our complots?

**GLOUCESTER**

Chop off his head, man; somewhat we will do:  
And, look, when I am king, claim thou of me  
The earldom of Hereford, and the moveables  
Whereof the king my brother stood possess'd.

**BUCKINGHAM**

I'll claim that promise at your grace's hands.

**GLOUCESTER**

And look to have it yielded with all willingness.  
Come, let us sup betimes, that afterwards  
We may digest our complots in some form.

*Exeunt*

## SCENE II. Before Lord Hastings' house.

*Enter a Messenger*

**Messenger**

What, ho! my lord!

**HASTINGS**

[Within] Who knocks at the door?

**Messenger**

A messenger from the Lord Stanley.

*Enter HASTINGS*

**HASTINGS**

What is't o'clock?

**Messenger**

Upon the stroke of four.

**HASTINGS**

Cannot thy master sleep these tedious nights?

**Messenger**

So it should seem by that I have to say.  
First, he commends him to your noble lordship.

## HASTINGS

And then?

### Messenger

And then he sends you word  
He dreamt to-night the boar had razed his helm:  
Besides, he says there are two councils held;  
And that may be determined at the one  
which may make you and him to rue at the other.  
Therefore he sends to know your lordship's pleasure,  
If presently you will take horse with him,  
And with all speed post with him toward the north,  
To shun the danger that his soul divines.

## HASTINGS

Go, fellow, go, return unto thy lord;  
Bid him not fear the separated councils  
His honour and myself are at the one,  
And at the other is my servant Catesby  
Where nothing can proceed that toucheth us  
Whereof I shall not have intelligence.  
Tell him his fears are shallow, wanting instance:  
And for his dreams, I wonder he is so fond  
To trust the mockery of unquiet slumbers  
To fly the boar before the boar pursues,  
Were to incense the boar to follow us  
And make pursuit where he did mean no chase.  
Go, bid thy master rise and come to me  
And we will both together to the Tower,  
Where, he shall see, the boar will use us kindly.

### Messenger

My gracious lord, I'll tell him what you say.

*Exit*

*Enter CATESBY*

## **CATESBY**

Many good morrows to my noble lord!

## **HASTINGS**

Good morrow, Catesby; you are early stirring  
What news, what news, in this our tottering state?

## **CATESBY**

It is a reeling world, indeed, my lord;  
And I believe twill never stand upright  
Tim Richard wear the garland of the realm.

## **HASTINGS**

How! wear the garland! dost thou mean the crown?

## **CATESBY**

Ay, my good lord.

## **HASTINGS**

I'll have this crown of mine cut from my shoulders  
Ere I will see the crown so foul misplaced.  
But canst thou guess that he doth aim at it?

## **CATESBY**

Ay, on my life; and hopes to find forward  
Upon his party for the gain thereof:  
And thereupon he sends you this good news,  
That this same very day your enemies,  
The kindred of the queen, must die at Pomfret.

## **HASTINGS**

Indeed, I am no mourner for that news,  
Because they have been still mine enemies:

But, that I'll give my voice on Richard's side,  
To bar my master's heirs in true descent,  
God knows I will not do it, to the death.

**CATESBY**

God keep your lordship in that gracious mind!

**HASTINGS**

But I shall laugh at this a twelve-month hence,  
That they who brought me in my master's hate  
I live to look upon their tragedy.  
I tell thee, Catesby--

**CATESBY**

What, my lord?

**HASTINGS**

Ere a fortnight make me elder,  
I'll send some packing that yet think not on it.

**CATESBY**

'Tis a vile thing to die, my gracious lord,  
When men are unprepared and look not for it.

**HASTINGS**

O monstrous, monstrous! and so falls it out  
With Rivers, Vaughan, Grey: and so 'twill do  
With some men else, who think themselves as safe  
As thou and I; who, as thou know'st, are dear  
To princely Richard and to Buckingham.

**CATESBY**

The princes both make high account of you;

*Aside*

For they account his head upon the bridge.

**HASTINGS**

I know they do; and I have well deserved it.

*Enter STANLEY*

Come on, come on; where is your boar-spear, man?  
Fear you the boar, and go so unprovided?

**STANLEY**

My lord, good morrow; good morrow, Catesby:  
You may jest on, but, by the holy rood,  
I do not like these several councils, I.

**HASTINGS**

My lord,  
I hold my life as dear as you do yours;  
And never in my life, I do protest,  
Was it more precious to me than 'tis now:  
Think you, but that I know our state secure,  
I would be so triumphant as I am?

**STANLEY**

The lords at Pomfret, when they rode from London,  
Were jocund, and supposed their state was sure,  
And they indeed had no cause to mistrust;  
But yet, you see how soon the day o'ercast.  
This sudden stag of rancour I misdoubt:  
Pray God, I say, I prove a needless coward!  
What, shall we toward the Tower? the day is spent.

**HASTINGS**

Come, come, have with you. Wot you what, my lord?

To-day the lords you talk of are beheaded.

**LORD STANLEY**

They, for their truth, might better wear their heads  
Than some that have accused them wear their hats.  
But come, my lord, let us away.

*Enter a Pursuivant*

**HASTINGS**

Go on before; I'll talk with this good fellow.

*Exeunt STANLEY and CATESBY*

How now, sirrah! how goes the world with thee?

**Pursuivant**

The better that your lordship please to ask.

**HASTINGS**

I tell thee, man, 'tis better with me now  
Than when I met thee last where now we meet:  
Then was I going prisoner to the Tower,  
By the suggestion of the queen's allies;  
But now, I tell thee--keep it to thyself--  
This day those enemies are put to death,  
And I in better state than e'er I was.

**Pursuivant**

God hold it, to your honour's good content!

**HASTINGS**

Gramercy, fellow: there, drink that for me.

*Throws him his purse*

## **Pursuivant**

God save your lordship!

*Exit*

*Enter a Priest*

## **Priest**

Well met, my lord; I am glad to see your honour.

## **HASTINGS**

I thank thee, good Sir John, with all my heart.  
I am in your debt for your last exercise;  
Come the next Sabbath, and I will content you.

*He whispers in his ear*

*Enter BUCKINGHAM*

## **BUCKINGHAM**

What, talking with a priest, lord chamberlain?  
Your friends at Pomfret, they do need the priest;  
Your honour hath no shriving work in hand.

## **HASTINGS**

Good faith, and when I met this holy man,  
Those men you talk of came into my mind.  
What, go you toward the Tower?

## **BUCKINGHAM**

I do, my lord; but long I shall not stay  
I shall return before your lordship thence.

## **HASTINGS**

'Tis like enough, for I stay dinner there.

**BUCKINGHAM**

[Aside] And supper too, although thou know'st it not.  
Come, will you go?

**HASTINGS**

I'll wait upon your lordship.

*Exeunt*

# The Life and Death of Richard the Third

[Shakespeare homepage](#) | [Richard III](#) | Act 3, Scene 3

[Previous scene](#) | [Next scene](#)

## SCENE III. Pomfret Castle.

*Enter RATCLIFF, with halberds, carrying RIVERS, GREY, and VAUGHAN to death*

**RATCLIFF**

Come, bring forth the prisoners.

**RIVERS**

Sir Richard Ratcliff, let me tell thee this:  
To-day shalt thou behold a subject die  
For truth, for duty, and for loyalty.

**GREY**

God keep the prince from all the pack of you!  
A knot you are of damned blood-suckers!

**VAUGHAN**

You live that shall cry woe for this after.

**RATCLIFF**

Dispatch; the limit of your lives is out.

**RIVERS**

O Pomfret, Pomfret! O thou bloody prison,  
Fatal and ominous to noble peers!  
Within the guilty closure of thy walls  
Richard the second here was hack'd to death;  
And, for more slander to thy dismal seat,  
We give thee up our guiltless blood to drink.

## **GREY**

Now Margaret's curse is fall'n upon our heads,  
For standing by when Richard stabb'd her son.

## **RIVERS**

Then cursed she Hastings, then cursed she Buckingham,  
Then cursed she Richard. O, remember, God  
To hear her prayers for them, as now for us  
And for my sister and her princely sons,  
Be satisfied, dear God, with our true blood,  
Which, as thou know'st, unjustly must be spilt.

## **RATCLIFF**

Make haste; the hour of death is expiate.

## **RIVERS**

Come, Grey, come, Vaughan, let us all embrace:  
And take our leave, until we meet in heaven.

*Exeunt*

## SCENE IV. The Tower of London.

*Enter BUCKINGHAM, DERBY, HASTINGS, the BISHOP OF ELY, RATCLIFF, LOVEL, with others, and take their seats at a table*

### HASTINGS

My lords, at once: the cause why we are met  
Is, to determine of the coronation.  
In God's name, speak: when is the royal day?

### BUCKINGHAM

Are all things fitting for that royal time?

### DERBY

It is, and wants but nomination.

### BISHOP OF ELY

To-morrow, then, I judge a happy day.

### BUCKINGHAM

Who knows the lord protector's mind herein?  
Who is most inward with the royal duke?

### BISHOP OF ELY

Your grace, we think, should soonest know his mind.

### BUCKINGHAM

Who, I, my lord I we know each other's faces,

But for our hearts, he knows no more of mine,  
Than I of yours;  
Nor I no more of his, than you of mine.  
Lord Hastings, you and he are near in love.

## **HASTINGS**

I thank his grace, I know he loves me well;  
But, for his purpose in the coronation.  
I have not sounded him, nor he deliver'd  
His gracious pleasure any way therein:  
But you, my noble lords, may name the time;  
And in the duke's behalf I'll give my voice,  
Which, I presume, he'll take in gentle part.

*Enter GLOUCESTER*

## **BISHOP OF ELY**

Now in good time, here comes the duke himself.

## **GLOUCESTER**

My noble lords and cousins all, good morrow.  
I have been long a sleeper; but, I hope,  
My absence doth neglect no great designs,  
Which by my presence might have been concluded.

## **BUCKINGHAM**

Had not you come upon your cue, my lord  
William Lord Hastings had pronounced your part,--  
I mean, your voice,--for crowning of the king.

## **GLOUCESTER**

Than my Lord Hastings no man might be bolder;  
His lordship knows me well, and loves me well.

## **HASTINGS**

I thank your grace.

**GLOUCESTER**

My lord of Ely!

**BISHOP OF ELY**

My lord?

**GLOUCESTER**

When I was last in Holborn,  
I saw good strawberries in your garden there  
I do beseech you send for some of them.

**BISHOP OF ELY**

Marry, and will, my lord, with all my heart.

*Exit*

**GLOUCESTER**

Cousin of Buckingham, a word with you.

*Drawing him aside*

Catesby hath sounded Hastings in our business,  
And finds the testy gentleman so hot,  
As he will lose his head ere give consent  
His master's son, as worshipful as he terms it,  
Shall lose the royalty of England's throne.

**BUCKINGHAM**

Withdraw you hence, my lord, I'll follow you.

*Exit GLOUCESTER, BUCKINGHAM following*

**DERBY**

We have not yet set down this day of triumph.  
To-morrow, in mine opinion, is too sudden;  
For I myself am not so well provided  
As else I would be, were the day prolong'd.

*Re-enter BISHOP OF ELY*

## **BISHOP OF ELY**

Where is my lord protector? I have sent for these  
strawberries.

## **HASTINGS**

His grace looks cheerfully and smooth to-day;  
There's some conceit or other likes him well,  
When he doth bid good morrow with such a spirit.  
I think there's never a man in Christendom  
That can less hide his love or hate than he;  
For by his face straight shall you know his heart.

## **DERBY**

What of his heart perceive you in his face  
By any likelihood he show'd to-day?

## **HASTINGS**

Marry, that with no man here he is offended;  
For, were he, he had shown it in his looks.

## **DERBY**

I pray God he be not, I say.

*Re-enter GLOUCESTER and BUCKINGHAM*

## **GLOUCESTER**

I pray you all, tell me what they deserve

That do conspire my death with devilish plots  
Of damned witchcraft, and that have prevail'd  
Upon my body with their hellish charms?

## **HASTINGS**

The tender love I bear your grace, my lord,  
Makes me most forward in this noble presence  
To doom the offenders, whatsoever they be  
I say, my lord, they have deserved death.

## **GLOUCESTER**

Then be your eyes the witness of this ill:  
See how I am bewitch'd; behold mine arm  
Is, like a blasted sapling, wither'd up:  
And this is Edward's wife, that monstrous witch,  
Consorted with that harlot strumpet Shore,  
That by their witchcraft thus have marked me.

## **HASTINGS**

If they have done this thing, my gracious lord--

## **GLOUCESTER**

If I thou protector of this damned strumpet--  
Tellest thou me of 'ifs'? Thou art a traitor:  
Off with his head! Now, by Saint Paul I swear,  
I will not dine until I see the same.  
Lovel and Ratcliff, look that it be done:  
The rest, that love me, rise and follow me.

*Exeunt all but HASTINGS, RATCLIFF, and LOVEL*

## **HASTINGS**

Woe, woe for England! not a whit for me;  
For I, too fond, might have prevented this.  
Stanley did dream the boar did raze his helm;  
But I disdain'd it, and did scorn to fly:  
Three times to-day my foot-cloth horse did stumble,

And startled, when he look'd upon the Tower,  
As loath to bear me to the slaughter-house.  
O, now I want the priest that spake to me:  
I now repent I told the pursuivant  
As 'twere triumphing at mine enemies,  
How they at Pomfret bloodily were butcher'd,  
And I myself secure in grace and favour.  
O Margaret, Margaret, now thy heavy curse  
Is lighted on poor Hastings' wretched head!

## **RATCLIFF**

Dispatch, my lord; the duke would be at dinner:  
Make a short shrift; he longs to see your head.

## **HASTINGS**

O momentary grace of mortal men,  
Which we more hunt for than the grace of God!  
Who builds his hopes in air of your good looks,  
Lives like a drunken sailor on a mast,  
Ready, with every nod, to tumble down  
Into the fatal bowels of the deep.

## **LOVEL**

Come, come, dispatch; 'tis bootless to exclaim.

## **HASTINGS**

O bloody Richard! miserable England!  
I prophesy the fearful'st time to thee  
That ever wretched age hath look'd upon.  
Come, lead me to the block; bear him my head.  
They smile at me that shortly shall be dead.

*Exeunt*

## SCENE V. The Tower-walls.

*Enter GLOUCESTER and BUCKINGHAM, in rotten armour, marvellous ill-favoured*

### GLOUCESTER

Come, cousin, canst thou quake, and change thy colour,  
Murder thy breath in the middle of a word,  
And then begin again, and stop again,  
As if thou wert distraught and mad with terror?

### BUCKINGHAM

Tut, I can counterfeit the deep tragedian;  
Speak and look back, and pry on every side,  
Tremble and start at wagging of a straw,  
Intending deep suspicion: ghastly looks  
Are at my service, like enforced smiles;  
And both are ready in their offices,  
At any time, to grace my stratagems.  
But what, is Catesby gone?

### GLOUCESTER

He is; and, see, he brings the mayor along.

*Enter the Lord Mayor and CATESBY*

### BUCKINGHAM

Lord mayor,--

### GLOUCESTER

Look to the drawbridge there!

**BUCKINGHAM**

Hark! a drum.

**GLOUCESTER**

Catesby, o'erlook the walls.

**BUCKINGHAM**

Lord mayor, the reason we have sent--

**GLOUCESTER**

Look back, defend thee, here are enemies.

**BUCKINGHAM**

God and our innocency defend and guard us!

**GLOUCESTER**

Be patient, they are friends, Ratcliff and Level.

*Enter LOVEL and RATCLIFF, with HASTINGS' head*

**LEVEL**

Here is the head of that ignoble traitor,  
The dangerous and unsuspected Hastings.

**GLOUCESTER**

So dear I loved the man, that I must weep.  
I took him for the plainest harmless creature  
That breathed upon this earth a Christian;  
Made him my book wherein my soul recorded  
The history of all her secret thoughts:  
So smooth he daub'd his vice with show of virtue,  
That, his apparent open guilt omitted,  
I mean, his conversation with Shore's wife,

He lived from all attainder of suspect.

## **BUCKINGHAM**

Well, well, he was the covert'st shelter'd traitor  
That ever lived.

Would you imagine, or almost believe,  
Were't not that, by great preservation,  
We live to tell it you, the subtle traitor  
This day had plotted, in the council-house  
To murder me and my good Lord of Gloucester?

## **Lord Mayor**

What, had he so?

## **GLOUCESTER**

What, think You we are Turks or infidels?  
Or that we would, against the form of law,  
Proceed thus rashly to the villain's death,  
But that the extreme peril of the case,  
The peace of England and our persons' safety,  
Enforced us to this execution?

## **Lord Mayor**

Now, fair befall you! he deserved his death;  
And you my good lords, both have well proceeded,  
To warn false traitors from the like attempts.  
I never look'd for better at his hands,  
After he once fell in with Mistress Shore.

## **GLOUCESTER**

Yet had not we determined he should die,  
Until your lordship came to see his death;  
Which now the loving haste of these our friends,  
Somewhat against our meaning, have prevented:  
Because, my lord, we would have had you heard  
The traitor speak, and timorously confess  
The manner and the purpose of his treason;

That you might well have signified the same  
Unto the citizens, who haply may  
Misconstrue us in him and wail his death.

### **Lord Mayor**

But, my good lord, your grace's word shall serve,  
As well as I had seen and heard him speak  
And doubt you not, right noble princes both,  
But I'll acquaint our duteous citizens  
With all your just proceedings in this cause.

### **GLOUCESTER**

And to that end we wish'd your lord-ship here,  
To avoid the carping censures of the world.

### **BUCKINGHAM**

But since you come too late of our intents,  
Yet witness what you hear we did intend:  
And so, my good lord mayor, we bid farewell.

*Exit Lord Mayor*

### **GLOUCESTER**

Go, after, after, cousin Buckingham.  
The mayor towards Guildhall hies him in all post:  
There, at your meet'st advantage of the time,  
Infer the bastardy of Edward's children:  
Tell them how Edward put to death a citizen,  
Only for saying he would make his son  
Heir to the crown; meaning indeed his house,  
Which, by the sign thereof was termed so.  
Moreover, urge his hateful luxury  
And bestial appetite in change of lust;  
Which stretched to their servants, daughters, wives,  
Even where his lustful eye or savage heart,  
Without control, listed to make his prey.  
Nay, for a need, thus far come near my person:  
Tell them, when that my mother went with child

Of that unsatiate Edward, noble York  
My princely father then had wars in France  
And, by just computation of the time,  
Found that the issue was not his begot;  
Which well appeared in his lineaments,  
Being nothing like the noble duke my father:  
But touch this sparingly, as 'twere far off,  
Because you know, my lord, my mother lives.

## **BUCKINGHAM**

Fear not, my lord, I'll play the orator  
As if the golden fee for which I plead  
Were for myself: and so, my lord, adieu.

## **GLOUCESTER**

If you thrive well, bring them to Baynard's Castle;  
Where you shall find me well accompanied  
With reverend fathers and well-learned bishops.

## **BUCKINGHAM**

I go: and towards three or four o'clock  
Look for the news that the Guildhall affords.

*Exit BUCKINGHAM*

## **GLOUCESTER**

Go, Lovel, with all speed to Doctor Shaw;

*To CATESBY*

Go thou to Friar Penker; bid them both  
Meet me within this hour at Baynard's Castle.

*Exeunt all but GLOUCESTER*

Now will I in, to take some privy order,  
To draw the brats of Clarence out of sight;

And to give notice, that no manner of person  
At any time have recourse unto the princes.

*Exit*

## SCENE VI. The same.

*Enter a Scrivener, with a paper in his hand*

### Scrivener

This is the indictment of the good Lord Hastings;  
Which in a set hand fairly is engross'd,  
That it may be this day read over in Paul's.  
And mark how well the sequel hangs together:  
Eleven hours I spent to write it over,  
For yesternight by Catesby was it brought me;  
The precedent was full as long a-doing:  
And yet within these five hours lived Lord Hastings,  
Untainted, unexamined, free, at liberty  
Here's a good world the while! Why who's so gross,  
That seeth not this palpable device?  
Yet who's so blind, but says he sees it not?  
Bad is the world; and all will come to nought,  
When such bad dealings must be seen in thought.

*Exit*

## SCENE VII. Baynard's Castle.

*Enter GLOUCESTER and BUCKINGHAM, at several doors*

### GLOUCESTER

How now, my lord, what say the citizens?

### BUCKINGHAM

Now, by the holy mother of our Lord,  
The citizens are mum and speak not a word.

### GLOUCESTER

Touch'd you the bastardy of Edward's children?

### BUCKINGHAM

I did; with his contract with Lady Lucy,  
And his contract by deputy in France;  
The insatiate greediness of his desires,  
And his enforcement of the city wives;  
His tyranny for trifles; his own bastardy,  
As being got, your father then in France,  
His resemblance, being not like the duke;  
Withal I did infer your lineaments,  
Being the right idea of your father,  
Both in your form and nobleness of mind;  
Laid open all your victories in Scotland,  
Your discipline in war, wisdom in peace,  
Your bounty, virtue, fair humility:  
Indeed, left nothing fitting for the purpose  
Untouch'd, or slightly handled, in discourse  
And when mine oratory grew to an end  
I bid them that did love their country's good

Cry 'God save Richard, England's royal king!'

**GLOUCESTER**

Ah! and did they so?

**BUCKINGHAM**

No, so God help me, they spake not a word;  
But, like dumb statues or breathing stones,  
Gazed each on other, and look'd deadly pale.  
Which when I saw, I reprehended them;  
And ask'd the mayor what meant this wilful silence:  
His answer was, the people were not wont  
To be spoke to but by the recorder.  
Then he was urged to tell my tale again,  
'Thus saith the duke, thus hath the duke inferr'd;  
But nothing spake in warrant from himself.  
When he had done, some followers of mine own,  
At the lower end of the hall, hurl'd up their caps,  
And some ten voices cried 'God save King Richard!'  
And thus I took the vantage of those few,  
'Thanks, gentle citizens and friends,' quoth I;  
'This general applause and loving shout  
Argues your wisdoms and your love to Richard:'  
And even here brake off, and came away.

**GLOUCESTER**

What tongueless blocks were they! would not they speak?

**BUCKINGHAM**

No, by my troth, my lord.

**GLOUCESTER**

Will not the mayor then and his brethren come?

**BUCKINGHAM**

The mayor is here at hand: intend some fear;

Be not you spoke with, but by mighty suit:  
And look you get a prayer-book in your hand,  
And stand betwixt two churchmen, good my lord;  
For on that ground I'll build a holy descant:  
And be not easily won to our request:  
Play the maid's part, still answer nay, and take it.

## **GLOUCESTER**

I go; and if you plead as well for them  
As I can say nay to thee for myself,  
No doubt well bring it to a happy issue.

## **BUCKINGHAM**

Go, go, up to the leads; the lord mayor knocks.

*Exit GLOUCESTER*

*Enter the Lord Mayor and Citizens*

Welcome my lord; I dance attendance here;  
I think the duke will not be spoke withal.

*Enter CATESBY*

Here comes his servant: how now, Catesby,  
What says he?

## **CATESBY**

My lord: he doth entreat your grace;  
To visit him to-morrow or next day:  
He is within, with two right reverend fathers,  
Divinely bent to meditation;  
And no worldly suit would he be moved,  
To draw him from his holy exercise.

## **BUCKINGHAM**

Return, good Catesby, to thy lord again;

Tell him, myself, the mayor and citizens,  
In deep designs and matters of great moment,  
No less importing than our general good,  
Are come to have some conference with his grace.

**CATESBY**

I'll tell him what you say, my lord.

*Exit*

**BUCKINGHAM**

Ah, ha, my lord, this prince is not an Edward!  
He is not lolling on a lewd day-bed,  
But on his knees at meditation;  
Not dallying with a brace of courtezans,  
But meditating with two deep divines;  
Not sleeping, to engross his idle body,  
But praying, to enrich his watchful soul:  
Happy were England, would this gracious prince  
Take on himself the sovereignty thereof:  
But, sure, I fear, we shall ne'er win him to it.

**Lord Mayor**

Marry, God forbid his grace should say us nay!

**BUCKINGHAM**

I fear he will.

*Re-enter CATESBY*

How now, Catesby, what says your lord?

**CATESBY**

My lord,  
He wonders to what end you have assembled  
Such troops of citizens to speak with him,

His grace not being warn'd thereof before:  
My lord, he fears you mean no good to him.

## **BUCKINGHAM**

Sorry I am my noble cousin should  
Suspect me, that I mean no good to him:  
By heaven, I come in perfect love to him;  
And so once more return and tell his grace.

*Exit CATESBY*

When holy and devout religious men  
Are at their beads, 'tis hard to draw them thence,  
So sweet is zealous contemplation.

*Enter GLOUCESTER aloft, between two Bishops. CATESBY returns*

## **Lord Mayor**

See, where he stands between two clergymen!

## **BUCKINGHAM**

Two props of virtue for a Christian prince,  
To stay him from the fall of vanity:  
And, see, a book of prayer in his hand,  
True ornaments to know a holy man.  
Famous Plantagenet, most gracious prince,  
Lend favourable ears to our request;  
And pardon us the interruption  
Of thy devotion and right Christian zeal.

## **GLOUCESTER**

My lord, there needs no such apology:  
I rather do beseech you pardon me,  
Who, earnest in the service of my God,  
Neglect the visitation of my friends.  
But, leaving this, what is your grace's pleasure?

## **BUCKINGHAM**

Even that, I hope, which pleaseth God above,  
And all good men of this ungovern'd isle.

**GLOUCESTER**

I do suspect I have done some offence  
That seems disgracious in the city's eyes,  
And that you come to reprehend my ignorance.

**BUCKINGHAM**

You have, my lord: would it might please your grace,  
At our entreaties, to amend that fault!

**GLOUCESTER**

Else wherefore breathe I in a Christian land?

**BUCKINGHAM**

Then know, it is your fault that you resign  
The supreme seat, the throne majestic,  
The scepter'd office of your ancestors,  
Your state of fortune and your due of birth,  
The lineal glory of your royal house,  
To the corruption of a blemished stock:  
Whilst, in the mildness of your sleepy thoughts,  
Which here we waken to our country's good,  
This noble isle doth want her proper limbs;  
Her face defaced with scars of infamy,  
Her royal stock graft with ignoble plants,  
And almost shoulder'd in the swallowing gulf  
Of blind forgetfulness and dark oblivion.  
Which to recure, we heartily solicit  
Your gracious self to take on you the charge  
And kingly government of this your land,  
Not as protector, steward, substitute,  
Or lowly factor for another's gain;  
But as successively from blood to blood,  
Your right of birth, your empery, your own.  
For this, consorted with the citizens,

Your very worshipful and loving friends,  
And by their vehement instigation,  
In this just suit come I to move your grace.

## **GLOUCESTER**

I know not whether to depart in silence,  
Or bitterly to speak in your reproof.  
Best fitteth my degree or your condition  
If not to answer, you might haply think  
Tongue-tied ambition, not replying, yielded  
To bear the golden yoke of sovereignty,  
Which fondly you would here impose on me;  
If to reprove you for this suit of yours,  
So season'd with your faithful love to me.  
Then, on the other side, I cheque'd my friends.  
Therefore, to speak, and to avoid the first,  
And then, in speaking, not to incur the last,  
Definitively thus I answer you.  
Your love deserves my thanks; but my desert  
Unmeritable shuns your high request.  
First if all obstacles were cut away,  
And that my path were even to the crown,  
As my ripe revenue and due by birth  
Yet so much is my poverty of spirit,  
So mighty and so many my defects,  
As I had rather hide me from my greatness,  
Being a bark to brook no mighty sea,  
Than in my greatness covet to be hid,  
And in the vapour of my glory smother'd.  
But, God be thank'd, there's no need of me,  
And much I need to help you, if need were;  
The royal tree hath left us royal fruit,  
Which, mellow'd by the stealing hours of time,  
Will well become the seat of majesty,  
And make, no doubt, us happy by his reign.  
On him I lay what you would lay on me,  
The right and fortune of his happy stars;  
Which God defend that I should wring from him!

## **BUCKINGHAM**

My lord, this argues conscience in your grace;

But the respects thereof are nice and trivial,  
All circumstances well considered.  
You say that Edward is your brother's son:  
So say we too, but not by Edward's wife;  
For first he was contract to Lady Lucy--  
Your mother lives a witness to that vow--  
And afterward by substitute betroth'd  
To Bona, sister to the King of France.  
These both put by a poor petitioner,  
A care-crazed mother of a many children,  
A beauty-waning and distressed widow,  
Even in the afternoon of her best days,  
Made prize and purchase of his lustful eye,  
Seduced the pitch and height of all his thoughts  
To base declension and loathed bigamy  
By her, in his unlawful bed, he got  
This Edward, whom our manners term the prince.  
More bitterly could I expostulate,  
Save that, for reverence to some alive,  
I give a sparing limit to my tongue.  
Then, good my lord, take to your royal self  
This proffer'd benefit of dignity;  
If non to bless us and the land withal,  
Yet to draw forth your noble ancestry  
From the corruption of abusing times,  
Unto a lineal true-derived course.

### **Lord Mayor**

Do, good my lord, your citizens entreat you.

### **BUCKINGHAM**

Refuse not, mighty lord, this proffer'd love.

### **CATESBY**

O, make them joyful, grant their lawful suit!

### **GLOUCESTER**

Alas, why would you heap these cares on me?

I am unfit for state and majesty;  
I do beseech you, take it not amiss;  
I cannot nor I will not yield to you.

## **BUCKINGHAM**

If you refuse it,--as, in love and zeal,  
Loath to depose the child, Your brother's son;  
As well we know your tenderness of heart  
And gentle, kind, effeminate remorse,  
Which we have noted in you to your kin,  
And egally indeed to all estates,--  
Yet whether you accept our suit or no,  
Your brother's son shall never reign our king;  
But we will plant some other in the throne,  
To the disgrace and downfall of your house:  
And in this resolution here we leave you.--  
Come, citizens: 'zounds! I'll entreat no more.

## **GLOUCESTER**

O, do not swear, my lord of Buckingham.

*Exit BUCKINGHAM with the Citizens*

## **CATESBY**

Call them again, my lord, and accept their suit.

## **ANOTHER**

Do, good my lord, lest all the land do rue it.

## **GLOUCESTER**

Would you enforce me to a world of care?  
Well, call them again. I am not made of stone,  
But penetrable to your. kind entreats,  
Albeit against my conscience and my soul.

*Re-enter BUCKINGHAM and the rest*

Cousin of Buckingham, and you sage, grave men,  
Since you will buckle fortune on my back,  
To bear her burthen, whether I will or no,  
I must have patience to endure the load:  
But if black scandal or foul-faced reproach  
Attend the sequel of your imposition,  
Your mere enforcement shall acquittance me  
From all the impure blots and stains thereof;  
For God he knows, and you may partly see,  
How far I am from the desire thereof.

**Lord Mayor**

God bless your grace! we see it, and will say it.

**GLOUCESTER**

In saying so, you shall but say the truth.

**BUCKINGHAM**

Then I salute you with this kingly title:  
Long live Richard, England's royal king!

**Lord Mayor Citizens**

Amen.

**BUCKINGHAM**

To-morrow will it please you to be crown'd?

**GLOUCESTER**

Even when you please, since you will have it so.

**BUCKINGHAM**

To-morrow, then, we will attend your grace:  
And so most joyfully we take our leave.

## GLOUCESTER

Come, let us to our holy task again.  
Farewell, good cousin; farewell, gentle friends.

*Exeunt*

## SCENE I. Before the Tower.

*Enter, on one side, QUEEN ELIZABETH, DUCHESS OF YORK, and DORSET; on the other, ANNE, Duchess of Gloucester, leading Lady Margaret Plantagenet, CLARENCE's young Daughter*

### DUCHESS OF YORK

Who meets us here? my niece Plantagenet  
Led in the hand of her kind aunt of Gloucester?  
Now, for my life, she's wandering to the Tower,  
On pure heart's love to greet the tender princes.  
Daughter, well met.

### LADY ANNE

God give your graces both  
A happy and a joyful time of day!

### QUEEN ELIZABETH

As much to you, good sister! Whither away?

### LADY ANNE

No farther than the Tower; and, as I guess,  
Upon the like devotion as yourselves,  
To gratulate the gentle princes there.

### QUEEN ELIZABETH

Kind sister, thanks: we'll enter all together.

*Enter BRAKENBURY*

And, in good time, here the lieutenant comes.

Master lieutenant, pray you, by your leave,  
How doth the prince, and my young son of York?

**BRAKENBURY**

Right well, dear madam. By your patience,  
I may not suffer you to visit them;  
The king hath straitly charged the contrary.

**QUEEN ELIZABETH**

The king! why, who's that?

**BRAKENBURY**

I cry you mercy: I mean the lord protector.

**QUEEN ELIZABETH**

The Lord protect him from that kingly title!  
Hath he set bounds betwixt their love and me?  
I am their mother; who should keep me from them?

**DUCHESS OF YORK**

I am their fathers mother; I will see them.

**LADY ANNE**

Their aunt I am in law, in love their mother:  
Then bring me to their sights; I'll bear thy blame  
And take thy office from thee, on my peril.

**BRAKENBURY**

No, madam, no; I may not leave it so:  
I am bound by oath, and therefore pardon me.

*Exit*

*Enter LORD STANLEY*

## **LORD STANLEY**

Let me but meet you, ladies, one hour hence,  
And I'll salute your grace of York as mother,  
And reverend looker on, of two fair queens.

*To LADY ANNE*

Come, madam, you must straight to Westminster,  
There to be crowned Richard's royal queen.

## **QUEEN ELIZABETH**

O, cut my lace in sunder, that my pent heart  
May have some scope to beat, or else I swoon  
With this dead-killing news!

## **LADY ANNE**

Despiteful tidings! O unpleasing news!

## **DORSET**

Be of good cheer: mother, how fares your grace?

## **QUEEN ELIZABETH**

O Dorset, speak not to me, get thee hence!  
Death and destruction dog thee at the heels;  
Thy mother's name is ominous to children.  
If thou wilt outstrip death, go cross the seas,  
And live with Richmond, from the reach of hell  
Go, hie thee, hie thee from this slaughter-house,  
Lest thou increase the number of the dead;  
And make me die the thrall of Margaret's curse,  
Nor mother, wife, nor England's counted queen.

## **LORD STANLEY**

Full of wise care is this your counsel, madam.  
Take all the swift advantage of the hours;

You shall have letters from me to my son  
To meet you on the way, and welcome you.  
Be not ta'en tardy by unwise delay.

## **DUCHESS OF YORK**

O ill-dispersing wind of misery!  
O my accursed womb, the bed of death!  
A cockatrice hast thou hatch'd to the world,  
Whose unavoyded eye is murderous.

## **LORD STANLEY**

Come, madam, come; I in all haste was sent.

## **LADY ANNE**

And I in all unwillingness will go.  
I would to God that the inclusive verge  
Of golden metal that must round my brow  
Were red-hot steel, to sear me to the brain!  
Anointed let me be with deadly venom,  
And die, ere men can say, God save the queen!

## **QUEEN ELIZABETH**

Go, go, poor soul, I envy not thy glory  
To feed my humour, wish thyself no harm.

## **LADY ANNE**

No! why? When he that is my husband now  
Came to me, as I follow'd Henry's corse,  
When scarce the blood was well wash'd from his hands  
Which issued from my other angel husband  
And that dead saint which then I weeping follow'd;  
O, when, I say, I look'd on Richard's face,  
This was my wish: 'Be thou,' quoth I, 'accursed,  
For making me, so young, so old a widow!  
And, when thou wed'st, let sorrow haunt thy bed;  
And be thy wife--if any be so mad--  
As miserable by the life of thee

As thou hast made me by my dear lord's death!  
Lo, ere I can repeat this curse again,  
Even in so short a space, my woman's heart  
Grossly grew captive to his honey words  
And proved the subject of my own soul's curse,  
Which ever since hath kept my eyes from rest;  
For never yet one hour in his bed  
Have I enjoy'd the golden dew of sleep,  
But have been waked by his timorous dreams.  
Besides, he hates me for my father Warwick;  
And will, no doubt, shortly be rid of me.

### **QUEEN ELIZABETH**

Poor heart, adieu! I pity thy complaining.

### **LADY ANNE**

No more than from my soul I mourn for yours.

### **QUEEN ELIZABETH**

Farewell, thou woful welcomer of glory!

### **LADY ANNE**

Adieu, poor soul, that takest thy leave of it!

### **DUCHESS OF YORK**

[To DORSET]

Go thou to Richmond, and good fortune guide thee!

*To LADY ANNE*

Go thou to Richard, and good angels guard thee!

*To QUEEN ELIZABETH*

Go thou to sanctuary, and good thoughts possess thee!  
I to my grave, where peace and rest lie with me!

Eighty odd years of sorrow have I seen,  
And each hour's joy wrecked with a week of teen.

## QUEEN ELIZABETH

Stay, yet look back with me unto the Tower.  
Pity, you ancient stones, those tender babes  
Whom envy hath immured within your walls!  
Rough cradle for such little pretty ones!  
Rude ragged nurse, old sullen playfellow  
For tender princes, use my babies well!  
So foolish sorrow bids your stones farewell.

*Exeunt*

## SCENE II. London. The palace.

*Sennet. Enter KING RICHARD III, in pomp, crowned; BUCKINGHAM, CATESBY, a page, and others*

### KING RICHARD III

Stand all apart Cousin of Buckingham!

### BUCKINGHAM

My gracious sovereign?

### KING RICHARD III

Give me thy hand.

*Here he ascendeth his throne*

Thus high, by thy advice  
And thy assistance, is King Richard seated;  
But shall we wear these honours for a day?  
Or shall they last, and we rejoice in them?

### BUCKINGHAM

Still live they and for ever may they last!

### KING RICHARD III

O Buckingham, now do I play the touch,  
To try if thou be current gold indeed  
Young Edward lives: think now what I would say.

### BUCKINGHAM

Say on, my loving lord.

**KING RICHARD III**

Why, Buckingham, I say, I would be king,

**BUCKINGHAM**

Why, so you are, my thrice renowned liege.

**KING RICHARD III**

Ha! am I king? 'tis so: but Edward lives.

**BUCKINGHAM**

True, noble prince.

**KING RICHARD III**

O bitter consequence,  
That Edward still should live! 'True, noble prince!'  
Cousin, thou wert not wont to be so dull:  
Shall I be plain? I wish the bastards dead;  
And I would have it suddenly perform'd.  
What sayest thou? speak suddenly; be brief.

**BUCKINGHAM**

Your grace may do your pleasure.

**KING RICHARD III**

Tut, tut, thou art all ice, thy kindness freezeth:  
Say, have I thy consent that they shall die?

**BUCKINGHAM**

Give me some breath, some little pause, my lord  
Before I positively herein:  
I will resolve your grace immediately.

*Exit*

**CATESBY**

[Aside to a stander by]

The king is angry: see, he bites the lip.

**KING RICHARD III**

I will converse with iron-witted fools  
And unrespective boys: none are for me  
That look into me with considerate eyes:  
High-reaching Buckingham grows circumspect.  
Boy!

**Page**

My lord?

**KING RICHARD III**

Know'st thou not any whom corrupting gold  
Would tempt unto a close exploit of death?

**Page**

My lord, I know a discontented gentleman,  
Whose humble means match not his haughty mind:  
Gold were as good as twenty orators,  
And will, no doubt, tempt him to any thing.

**KING RICHARD III**

What is his name?

**Page**

His name, my lord, is Tyrrel.

**KING RICHARD III**

I partly know the man: go, call him hither.

*Exit Page*

The deep-revolving witty Buckingham  
No more shall be the neighbour to my counsel:  
Hath he so long held out with me untired,  
And stops he now for breath?

*Enter STANLEY*

How now! what news with you?

**STANLEY**

My lord, I hear the Marquis Dorset's fled  
To Richmond, in those parts beyond the sea  
Where he abides.

*Stands apart*

**KING RICHARD III**

Catesby!

**CATESBY**

My lord?

**KING RICHARD III**

Rumour it abroad  
That Anne, my wife, is sick and like to die:  
I will take order for her keeping close.  
Inquire me out some mean-born gentleman,  
Whom I will marry straight to Clarence' daughter:  
The boy is foolish, and I fear not him.  
Look, how thou dream'st! I say again, give out  
That Anne my wife is sick and like to die:  
About it; for it stands me much upon,  
To stop all hopes whose growth may damage me.

*Exit CATESBY*

I must be married to my brother's daughter,  
Or else my kingdom stands on brittle glass.  
Murder her brothers, and then marry her!  
Uncertain way of gain! But I am in  
So far in blood that sin will pluck on sin:  
Tear-falling pity dwells not in this eye.

*Re-enter Page, with TYRREL*

Is thy name Tyrrel?

**TYRREL**

James Tyrrel, and your most obedient subject.

**KING RICHARD III**

Art thou, indeed?

**TYRREL**

Prove me, my gracious sovereign.

**KING RICHARD III**

Darest thou resolve to kill a friend of mine?

**TYRREL**

Ay, my lord;  
But I had rather kill two enemies.

**KING RICHARD III**

Why, there thou hast it: two deep enemies,  
Foes to my rest and my sweet sleep's disturbers  
Are they that I would have thee deal upon:  
Tyrrel, I mean those bastards in the Tower.

**TYRREL**

Let me have open means to come to them,  
And soon I'll rid you from the fear of them.

**KING RICHARD III**

Thou sing'st sweet music. Hark, come hither, Tyrrel  
Go, by this token: rise, and lend thine ear:

*Whispers*

There is no more but so: say it is done,  
And I will love thee, and prefer thee too.

**TYRREL**

'Tis done, my gracious lord.

**KING RICHARD III**

Shall we hear from thee, Tyrrel, ere we sleep?

**TYRREL**

Ye shall, my Lord.

*Exit*

*Re-enter BUCKINGHAM*

**BUCKINGHAM**

My Lord, I have consider'd in my mind  
The late demand that you did sound me in.

**KING RICHARD III**

Well, let that pass. Dorset is fled to Richmond.

**BUCKINGHAM**

I hear that news, my lord.

**KING RICHARD III**

Stanley, he is your wife's son well, look to it.

**BUCKINGHAM**

My lord, I claim your gift, my due by promise,  
For which your honour and your faith is pawn'd;  
The earldom of Hereford and the moveables  
The which you promised I should possess.

**KING RICHARD III**

Stanley, look to your wife; if she convey  
Letters to Richmond, you shall answer it.

**BUCKINGHAM**

What says your highness to my just demand?

**KING RICHARD III**

As I remember, Henry the Sixth  
Did prophesy that Richmond should be king,  
When Richmond was a little peevish boy.  
A king, perhaps, perhaps,--

**BUCKINGHAM**

My lord!

**KING RICHARD III**

How chance the prophet could not at that time  
Have told me, I being by, that I should kill him?

**BUCKINGHAM**

My lord, your promise for the earldom,--

**KING RICHARD III**

Richmond! When last I was at Exeter,  
The mayor in courtesy show'd me the castle,  
And call'd it Rougemont: at which name I started,  
Because a bard of Ireland told me once  
I should not live long after I saw Richmond.

**BUCKINGHAM**

My Lord!

**KING RICHARD III**

Ay, what's o'clock?

**BUCKINGHAM**

I am thus bold to put your grace in mind  
Of what you promised me.

**KING RICHARD III**

Well, but what's o'clock?

**BUCKINGHAM**

Upon the stroke of ten.

**KING RICHARD III**

Well, let it strike.

**BUCKINGHAM**

Why let it strike?

**KING RICHARD III**

Because that, like a Jack, thou keep'st the stroke  
Betwixt thy begging and my meditation.  
I am not in the giving vein to-day.

**BUCKINGHAM**

Why, then resolve me whether you will or no.

**KING RICHARD III**

Tut, tut,  
Thou troublest me; am not in the vein.

*Exeunt all but BUCKINGHAM*

**BUCKINGHAM**

Is it even so? rewards he my true service  
With such deep contempt made I him king for this?  
O, let me think on Hastings, and be gone  
To Brecknock, while my fearful head is on!

*Exit*

[Previous scene](#) | [Next scene](#)

## SCENE III. The same.

*Enter TYRREL*

**TYRREL**

The tyrannous and bloody deed is done.  
The most arch of piteous massacre  
That ever yet this land was guilty of.  
Dighton and Forrest, whom I did suborn  
To do this ruthless piece of butchery,  
Although they were flesh'd villains, bloody dogs,  
Melting with tenderness and kind compassion  
Wept like two children in their deaths' sad stories.  
'Lo, thus' quoth Dighton, 'lay those tender babes:'  
'Thus, thus,' quoth Forrest, 'girdling one another  
Within their innocent alabaster arms:  
Their lips were four red roses on a stalk,  
Which in their summer beauty kiss'd each other.  
A book of prayers on their pillow lay;  
Which once,' quoth Forrest, 'almost changed my mind;  
But O! the devil'--there the villain stopp'd  
Whilst Dighton thus told on: 'We smothered  
The most replenished sweet work of nature,  
That from the prime creation e'er she framed.'  
Thus both are gone with conscience and remorse;  
They could not speak; and so I left them both,  
To bring this tidings to the bloody king.  
And here he comes.

*Enter KING RICHARD III*

All hail, my sovereign liege!

**KING RICHARD III**

Kind Tyrrel, am I happy in thy news?

**TYRREL**

If to have done the thing you gave in charge  
Beget your happiness, be happy then,  
For it is done, my lord.

**KING RICHARD III**

But didst thou see them dead?

**TYRREL**

I did, my lord.

**KING RICHARD III**

And buried, gentle Tyrrel?

**TYRREL**

The chaplain of the Tower hath buried them;  
But how or in what place I do not know.

**KING RICHARD III**

Come to me, Tyrrel, soon at after supper,  
And thou shalt tell the process of their death.  
Meantime, but think how I may do thee good,  
And be inheritor of thy desire.  
Farewell till soon.

*Exit TYRREL*

The son of Clarence have I pent up close;  
His daughter meanly have I match'd in marriage;  
The sons of Edward sleep in Abraham's bosom,  
And Anne my wife hath bid the world good night.  
Now, for I know the Breton Richmond aims  
At young Elizabeth, my brother's daughter,

And, by that knot, looks proudly o'er the crown,  
To her I go, a jolly thriving wooer.

*Enter CATESBY*

**CATESBY**

My lord!

**KING RICHARD III**

Good news or bad, that thou comest in so bluntly?

**CATESBY**

Bad news, my lord: Ely is fled to Richmond;  
And Buckingham, back'd with the hardy Welshmen,  
Is in the field, and still his power increaseth.

**KING RICHARD III**

Ely with Richmond troubles me more near  
Than Buckingham and his rash-levied army.  
Come, I have heard that fearful commenting  
Is leaden servitor to dull delay;  
Delay leads impotent and snail-paced beggary  
Then fiery expedition be my wing,  
Jove's Mercury, and herald for a king!  
Come, muster men: my counsel is my shield;  
We must be brief when traitors brave the field.

*Exeunt*

## SCENE IV. Before the palace.

*Enter QUEEN MARGARET*

### QUEEN MARGARET

So, now prosperity begins to mellow  
And drop into the rotten mouth of death.  
Here in these confines slyly have I lurk'd,  
To watch the waning of mine adversaries.  
A dire induction am I witness to,  
And will to France, hoping the consequence  
Will prove as bitter, black, and tragical.  
Withdraw thee, wretched Margaret: who comes here?

*Enter QUEEN ELIZABETH and the DUCHESS OF YORK*

### QUEEN ELIZABETH

Ah, my young princes! ah, my tender babes!  
My unblown flowers, new-appearing sweets!  
If yet your gentle souls fly in the air  
And be not fix'd in doom perpetual,  
Hover about me with your airy wings  
And hear your mother's lamentation!

### QUEEN MARGARET

Hover about her; say, that right for right  
Hath dimm'd your infant morn to aged night.

### DUCHESS OF YORK

So many miseries have crazed my voice,  
That my woe-wearied tongue is mute and dumb,  
Edward Plantagenet, why art thou dead?

## QUEEN MARGARET

Plantagenet doth quit Plantagenet.  
Edward for Edward pays a dying debt.

## QUEEN ELIZABETH

Wilt thou, O God, fly from such gentle lambs,  
And throw them in the entrails of the wolf?  
When didst thou sleep when such a deed was done?

## QUEEN MARGARET

When holy Harry died, and my sweet son.

## DUCHESS OF YORK

Blind sight, dead life, poor mortal living ghost,  
Woe's scene, world's shame, grave's due by life usurp'd,  
Brief abstract and record of tedious days,  
Rest thy unrest on England's lawful earth,

*Sitting down*

Unlawfully made drunk with innocents' blood!

## QUEEN ELIZABETH

O, that thou wouldst as well afford a grave  
As thou canst yield a melancholy seat!  
Then would I hide my bones, not rest them here.  
O, who hath any cause to mourn but I?

*Sitting down by her*

## QUEEN MARGARET

If ancient sorrow be most reverend,  
Give mine the benefit of seniory,  
And let my woes frown on the upper hand.  
If sorrow can admit society,

*Sitting down with them*

Tell o'er your woes again by viewing mine:  
I had an Edward, till a Richard kill'd him;  
I had a Harry, till a Richard kill'd him:  
Thou hadst an Edward, till a Richard kill'd him;  
Thou hadst a Richard, till a Richard killed him;

## **DUCHESS OF YORK**

I had a Richard too, and thou didst kill him;  
I had a Rutland too, thou holp'st to kill him.

## **QUEEN MARGARET**

Thou hadst a Clarence too, and Richard kill'd him.  
From forth the kennel of thy womb hath crept  
A hell-hound that doth hunt us all to death:  
That dog, that had his teeth before his eyes,  
To worry lambs and lap their gentle blood,  
That foul defacer of God's handiwork,  
That excellent grand tyrant of the earth,  
That reigns in galled eyes of weeping souls,  
Thy womb let loose, to chase us to our graves.  
O upright, just, and true-disposing God,  
How do I thank thee, that this carnal cur  
Preys on the issue of his mother's body,  
And makes her pew-fellow with others' moan!

## **DUCHESS OF YORK**

O Harry's wife, triumph not in my woes!  
God witness with me, I have wept for thine.

## **QUEEN MARGARET**

Bear with me; I am hungry for revenge,  
And now I cloy me with beholding it.  
Thy Edward he is dead, that stabb'd my Edward:  
Thy other Edward dead, to quit my Edward;  
Young York he is but boot, because both they

Match not the high perfection of my loss:  
Thy Clarence he is dead that kill'd my Edward;  
And the beholders of this tragic play,  
The adulterate Hastings, Rivers, Vaughan, Grey,  
Untimely smother'd in their dusky graves.  
Richard yet lives, hell's black intelligencer,  
Only reserved their factor, to buy souls  
And send them thither: but at hand, at hand,  
Ensues his piteous and unpitied end:  
Earth gapes, hell burns, fiends roar, saints pray.  
To have him suddenly convey'd away.  
Cancel his bond of life, dear God, I pray,  
That I may live to say, The dog is dead!

## **QUEEN ELIZABETH**

O, thou didst prophesy the time would come  
That I should wish for thee to help me curse  
That bottled spider, that foul bunch-back'd toad!

## **QUEEN MARGARET**

I call'd thee then vain flourish of my fortune;  
I call'd thee then poor shadow, painted queen;  
The presentation of but what I was;  
The flattering index of a direful pageant;  
One heaved a-high, to be hurl'd down below;  
A mother only mock'd with two sweet babes;  
A dream of what thou wert, a breath, a bubble,  
A sign of dignity, a garish flag,  
To be the aim of every dangerous shot,  
A queen in jest, only to fill the scene.  
Where is thy husband now? where be thy brothers?  
Where are thy children? wherein dost thou, joy?  
Who sues to thee and cries 'God save the queen'?  
Where be the bending peers that flatter'd thee?  
Where be the thronging troops that follow'd thee?  
Decline all this, and see what now thou art:  
For happy wife, a most distressed widow;  
For joyful mother, one that wails the name;  
For queen, a very caitiff crown'd with care;  
For one being sued to, one that humbly sues;  
For one that scorn'd at me, now scorn'd of me;

For one being fear'd of all, now fearing one;  
For one commanding all, obey'd of none.  
Thus hath the course of justice wheel'd about,  
And left thee but a very prey to time;  
Having no more but thought of what thou wert,  
To torture thee the more, being what thou art.  
Thou didst usurp my place, and dost thou not  
Usurp the just proportion of my sorrow?  
Now thy proud neck bears half my burthen'd yoke;  
From which even here I slip my weary neck,  
And leave the burthen of it all on thee.  
Farewell, York's wife, and queen of sad mischance:  
These English woes will make me smile in France.

### **QUEEN ELIZABETH**

O thou well skill'd in curses, stay awhile,  
And teach me how to curse mine enemies!

### **QUEEN MARGARET**

Forbear to sleep the nights, and fast the days;  
Compare dead happiness with living woe;  
Think that thy babes were fairer than they were,  
And he that slew them fouler than he is:  
Bettering thy loss makes the bad causer worse:  
Revolving this will teach thee how to curse.

### **QUEEN ELIZABETH**

My words are dull; O, quicken them with thine!

### **QUEEN MARGARET**

Thy woes will make them sharp, and pierce like mine.

*Exit*

### **DUCHESS OF YORK**

Why should calamity be full of words?

## **QUEEN ELIZABETH**

Windy attorneys to their client woes,  
Airy succeeders of intestate joys,  
Poor breathing orators of miseries!  
Let them have scope: though what they do impart  
Help not all, yet do they ease the heart.

## **DUCHESS OF YORK**

If so, then be not tongue-tied: go with me.  
And in the breath of bitter words let's smother  
My damned son, which thy two sweet sons smother'd.  
I hear his drum: be copious in exclams.

*Enter KING RICHARD III, marching, with drums and trumpets*

## **KING RICHARD III**

Who intercepts my expedition?

## **DUCHESS OF YORK**

O, she that might have intercepted thee,  
By strangling thee in her accursed womb  
From all the slaughters, wretch, that thou hast done!

## **QUEEN ELIZABETH**

Hidest thou that forehead with a golden crown,  
Where should be graven, if that right were right,  
The slaughter of the prince that owed that crown,  
And the dire death of my two sons and brothers?  
Tell me, thou villain slave, where are my children?

## **DUCHESS OF YORK**

Thou toad, thou toad, where is thy brother Clarence?  
And little Ned Plantagenet, his son?

## **QUEEN ELIZABETH**

Where is kind Hastings, Rivers, Vaughan, Grey?

**KING RICHARD III**

A flourish, trumpets! strike alarum, drums!  
Let not the heavens hear these tell-tale women  
Rail on the Lord's enointed: strike, I say!

*Flourish. Alarums*

Either be patient, and entreat me fair,  
Or with the clamorous report of war  
Thus will I drown your exclamations.

**DUCHESS OF YORK**

Art thou my son?

**KING RICHARD III**

Ay, I thank God, my father, and yourself.

**DUCHESS OF YORK**

Then patiently hear my impatience.

**KING RICHARD III**

Madam, I have a touch of your condition,  
Which cannot brook the accent of reproof.

**DUCHESS OF YORK**

O, let me speak!

**KING RICHARD III**

Do then: but I'll not hear.

**DUCHESS OF YORK**

I will be mild and gentle in my speech.

**KING RICHARD III**

And brief, good mother; for I am in haste.

**DUCHESS OF YORK**

Art thou so hasty? I have stay'd for thee,  
God knows, in anguish, pain and agony.

**KING RICHARD III**

And came I not at last to comfort you?

**DUCHESS OF YORK**

No, by the holy rood, thou know'st it well,  
Thou camest on earth to make the earth my hell.  
A grievous burthen was thy birth to me;  
Tetchy and wayward was thy infancy;  
Thy school-days frightful, desperate, wild, and furious,  
Thy prime of manhood daring, bold, and venturous,  
Thy age confirm'd, proud, subdued, bloody,  
treacherous,  
More mild, but yet more harmful, kind in hatred:  
What comfortable hour canst thou name,  
That ever graced me in thy company?

**KING RICHARD III**

Faith, none, but Humphrey Hour, that call'd  
your grace  
To breakfast once forth of my company.  
If I be so disgracious in your sight,  
Let me march on, and not offend your grace.  
Strike the drum.

**DUCHESS OF YORK**

I prithee, hear me speak.

**KING RICHARD III**

You speak too bitterly.

**DUCHESS OF YORK**

Hear me a word;  
For I shall never speak to thee again.

**KING RICHARD III**

So.

**DUCHESS OF YORK**

Either thou wilt die, by God's just ordinance,  
Ere from this war thou turn a conqueror,  
Or I with grief and extreme age shall perish  
And never look upon thy face again.  
Therefore take with thee my most heavy curse;  
Which, in the day of battle, tire thee more  
Than all the complete armour that thou wear'st!  
My prayers on the adverse party fight;  
And there the little souls of Edward's children  
Whisper the spirits of thine enemies  
And promise them success and victory.  
Bloody thou art, bloody will be thy end;  
Shame serves thy life and doth thy death attend.

*Exit*

**QUEEN ELIZABETH**

Though far more cause, yet much less spirit to curse  
Abides in me; I say amen to all.

**KING RICHARD III**

Stay, madam; I must speak a word with you.

**QUEEN ELIZABETH**

I have no more sons of the royal blood  
For thee to murder: for my daughters, Richard,  
They shall be praying nuns, not weeping queens;  
And therefore level not to hit their lives.

**KING RICHARD III**

You have a daughter call'd Elizabeth,  
Virtuous and fair, royal and gracious.

**QUEEN ELIZABETH**

And must she die for this? O, let her live,  
And I'll corrupt her manners, stain her beauty;  
Slander myself as false to Edward's bed;  
Throw over her the veil of infamy:  
So she may live unscarr'd of bleeding slaughter,  
I will confess she was not Edward's daughter.

**KING RICHARD III**

Wrong not her birth, she is of royal blood.

**QUEEN ELIZABETH**

To save her life, I'll say she is not so.

**KING RICHARD III**

Her life is only safest in her birth.

**QUEEN ELIZABETH**

And only in that safety died her brothers.

**KING RICHARD III**

Lo, at their births good stars were opposite.

**QUEEN ELIZABETH**

No, to their lives bad friends were contrary.

**KING RICHARD III**

All unavoids is the doom of destiny.

**QUEEN ELIZABETH**

True, when avoided grace makes destiny:  
My babes were destined to a fairer death,  
If grace had bless'd thee with a fairer life.

**KING RICHARD III**

You speak as if that I had slain my cousins.

**QUEEN ELIZABETH**

Cousins, indeed; and by their uncle cozen'd  
Of comfort, kingdom, kindred, freedom, life.  
Whose hand soever lanced their tender hearts,  
Thy head, all indirectly, gave direction:  
No doubt the murderous knife was dull and blunt  
Till it was whetted on thy stone-hard heart,  
To revel in the entrails of my lambs.  
But that still use of grief makes wild grief tame,  
My tongue should to thy ears not name my boys  
Till that my nails were anchor'd in thine eyes;  
And I, in such a desperate bay of death,  
Like a poor bark, of sails and tackling reft,  
Rush all to pieces on thy rocky bosom.

**KING RICHARD III**

Madam, so thrive I in my enterprise  
And dangerous success of bloody wars,  
As I intend more good to you and yours,  
Than ever you or yours were by me wrong'd!

**QUEEN ELIZABETH**

What good is cover'd with the face of heaven,  
To be discover'd, that can do me good?

**KING RICHARD III**

The advancement of your children, gentle lady.

**QUEEN ELIZABETH**

Up to some scaffold, there to lose their heads?

**KING RICHARD III**

No, to the dignity and height of honour  
The high imperial type of this earth's glory.

**QUEEN ELIZABETH**

Flatter my sorrows with report of it;  
Tell me what state, what dignity, what honour,  
Canst thou demise to any child of mine?

**KING RICHARD III**

Even all I have; yea, and myself and all,  
Will I withal endow a child of thine;  
So in the Lethe of thy angry soul  
Thou drown the sad remembrance of those wrongs  
Which thou supposest I have done to thee.

**QUEEN ELIZABETH**

Be brief, lest that be process of thy kindness  
Last longer telling than thy kindness' date.

**KING RICHARD III**

Then know, that from my soul I love thy daughter.

**QUEEN ELIZABETH**

My daughter's mother thinks it with her soul.

**KING RICHARD III**

What do you think?

**QUEEN ELIZABETH**

That thou dost love my daughter from thy soul:  
So from thy soul's love didst thou love her brothers;  
And from my heart's love I do thank thee for it.

**KING RICHARD III**

Be not so hasty to confound my meaning:  
I mean, that with my soul I love thy daughter,  
And mean to make her queen of England.

**QUEEN ELIZABETH**

Say then, who dost thou mean shall be her king?

**KING RICHARD III**

Even he that makes her queen who should be else?

**QUEEN ELIZABETH**

What, thou?

**KING RICHARD III**

I, even I: what think you of it, madam?

**QUEEN ELIZABETH**

How canst thou woo her?

**KING RICHARD III**

That would I learn of you,

As one that are best acquainted with her humour.

**QUEEN ELIZABETH**

And wilt thou learn of me?

**KING RICHARD III**

Madam, with all my heart.

**QUEEN ELIZABETH**

Send to her, by the man that slew her brothers,  
A pair of bleeding-hearts; thereon engrave  
Edward and York; then haply she will weep:  
Therefore present to her--as sometime Margaret  
Did to thy father, steep'd in Rutland's blood,--  
A handkerchief; which, say to her, did drain  
The purple sap from her sweet brother's body  
And bid her dry her weeping eyes therewith.  
If this inducement force her not to love,  
Send her a story of thy noble acts;  
Tell her thou madest away her uncle Clarence,  
Her uncle Rivers; yea, and, for her sake,  
Madest quick conveyance with her good aunt Anne.

**KING RICHARD III**

Come, come, you mock me; this is not the way  
To win our daughter.

**QUEEN ELIZABETH**

There is no other way  
Unless thou couldst put on some other shape,  
And not be Richard that hath done all this.

**KING RICHARD III**

Say that I did all this for love of her.

## QUEEN ELIZABETH

Nay, then indeed she cannot choose but hate thee,  
Having bought love with such a bloody spoil.

## KING RICHARD III

Look, what is done cannot be now amended:  
Men shall deal unadvisedly sometimes,  
Which after hours give leisure to repent.  
If I did take the kingdom from your sons,  
To make amends, Ill give it to your daughter.  
If I have kill'd the issue of your womb,  
To quicken your increase, I will beget  
Mine issue of your blood upon your daughter  
A grandam's name is little less in love  
Than is the doting title of a mother;  
They are as children but one step below,  
Even of your mettle, of your very blood;  
Of an one pain, save for a night of groans  
Endured of her, for whom you bid like sorrow.  
Your children were vexation to your youth,  
But mine shall be a comfort to your age.  
The loss you have is but a son being king,  
And by that loss your daughter is made queen.  
I cannot make you what amends I would,  
Therefore accept such kindness as I can.  
Dorset your son, that with a fearful soul  
Leads discontented steps in foreign soil,  
This fair alliance quickly shall call home  
To high promotions and great dignity:  
The king, that calls your beauteous daughter wife.  
Familiarly shall call thy Dorset brother;  
Again shall you be mother to a king,  
And all the ruins of distressful times  
Repair'd with double riches of content.  
What! we have many goodly days to see:  
The liquid drops of tears that you have shed  
Shall come again, transform'd to orient pearl,  
Advantaging their loan with interest  
Of ten times double gain of happiness.  
Go, then my mother, to thy daughter go  
Make bold her bashful years with your experience;

Prepare her ears to hear a wooer's tale  
Put in her tender heart the aspiring flame  
Of golden sovereignty; acquaint the princess  
With the sweet silent hours of marriage joys  
And when this arm of mine hath chastised  
The petty rebel, dull-brain'd Buckingham,  
Bound with triumphant garlands will I come  
And lead thy daughter to a conqueror's bed;  
To whom I will retail my conquest won,  
And she shall be sole victress, Caesar's Caesar.

### **QUEEN ELIZABETH**

What were I best to say? her father's brother  
Would be her lord? or shall I say, her uncle?  
Or, he that slew her brothers and her uncles?  
Under what title shall I woo for thee,  
That God, the law, my honour and her love,  
Can make seem pleasing to her tender years?

### **KING RICHARD III**

Infer fair England's peace by this alliance.

### **QUEEN ELIZABETH**

Which she shall purchase with still lasting war.

### **KING RICHARD III**

Say that the king, which may command, entreats.

### **QUEEN ELIZABETH**

That at her hands which the king's King forbids.

### **KING RICHARD III**

Say, she shall be a high and mighty queen.

### **QUEEN ELIZABETH**

To wail the tide, as her mother doth.

**KING RICHARD III**

Say, I will love her everlastingly.

**QUEEN ELIZABETH**

But how long shall that title 'ever' last?

**KING RICHARD III**

Sweetly in force unto her fair life's end.

**QUEEN ELIZABETH**

But how long fairly shall her sweet lie last?

**KING RICHARD III**

So long as heaven and nature lengthens it.

**QUEEN ELIZABETH**

So long as hell and Richard likes of it.

**KING RICHARD III**

Say, I, her sovereign, am her subject love.

**QUEEN ELIZABETH**

But she, your subject, loathes such sovereignty.

**KING RICHARD III**

Be eloquent in my behalf to her.

**QUEEN ELIZABETH**

An honest tale speeds best being plainly told.

**KING RICHARD III**

Then in plain terms tell her my loving tale.

**QUEEN ELIZABETH**

Plain and not honest is too harsh a style.

**KING RICHARD III**

Your reasons are too shallow and too quick.

**QUEEN ELIZABETH**

O no, my reasons are too deep and dead;  
Too deep and dead, poor infants, in their grave.

**KING RICHARD III**

Harp not on that string, madam; that is past.

**QUEEN ELIZABETH**

Harp on it still shall I till heart-strings break.

**KING RICHARD III**

Now, by my George, my garter, and my crown,--

**QUEEN ELIZABETH**

Profaned, dishonour'd, and the third usurp'd.

**KING RICHARD III**

I swear--

**QUEEN ELIZABETH**

By nothing; for this is no oath:  
The George, profaned, hath lost his holy honour;  
The garter, blemish'd, pawn'd his knightly virtue;  
The crown, usurp'd, disgraced his kingly glory.  
if something thou wilt swear to be believed,  
Swear then by something that thou hast not wrong'd.

**KING RICHARD III**

Now, by the world--

**QUEEN ELIZABETH**

'Tis full of thy foul wrongs.

**KING RICHARD III**

My father's death--

**QUEEN ELIZABETH**

Thy life hath that dishonour'd.

**KING RICHARD III**

Then, by myself--

**QUEEN ELIZABETH**

Thyself thyself misusest.

**KING RICHARD III**

Why then, by God--

**QUEEN ELIZABETH**

God's wrong is most of all.  
If thou hadst fear'd to break an oath by Him,  
The unity the king thy brother made  
Had not been broken, nor my brother slain:

If thou hadst fear'd to break an oath by Him,  
The imperial metal, circling now thy brow,  
Had graced the tender temples of my child,  
And both the princes had been breathing here,  
Which now, two tender playfellows to dust,  
Thy broken faith hath made a prey for worms.  
What canst thou swear by now?

### **KING RICHARD III**

The time to come.

### **QUEEN ELIZABETH**

That thou hast wronged in the time o'erpast;  
For I myself have many tears to wash  
Hereafter time, for time past wrong'd by thee.  
The children live, whose parents thou hast  
slaughter'd,  
Ungovern'd youth, to wail it in their age;  
The parents live, whose children thou hast butcher'd,  
Old wither'd plants, to wail it with their age.  
Swear not by time to come; for that thou hast  
Misused ere used, by time misused o'erpast.

### **KING RICHARD III**

As I intend to prosper and repent,  
So thrive I in my dangerous attempt  
Of hostile arms! myself myself confound!  
Heaven and fortune bar me happy hours!  
Day, yield me not thy light; nor, night, thy rest!  
Be opposite all planets of good luck  
To my proceedings, if, with pure heart's love,  
Immaculate devotion, holy thoughts,  
I tender not thy beauteous princely daughter!  
In her consists my happiness and thine;  
Without her, follows to this land and me,  
To thee, herself, and many a Christian soul,  
Death, desolation, ruin and decay:  
It cannot be avoided but by this;  
It will not be avoided but by this.

Therefore, good mother,--I must can you so--  
Be the attorney of my love to her:  
Plead what I will be, not what I have been;  
Not my deserts, but what I will deserve:  
Urge the necessity and state of times,  
And be not peevish-fond in great designs.

**QUEEN ELIZABETH**

Shall I be tempted of the devil thus?

**KING RICHARD III**

Ay, if the devil tempt thee to do good.

**QUEEN ELIZABETH**

Shall I forget myself to be myself?

**KING RICHARD III**

Ay, if yourself's remembrance wrong yourself.

**QUEEN ELIZABETH**

But thou didst kill my children.

**KING RICHARD III**

But in your daughter's womb I bury them:  
Where in that nest of spicery they shall breed  
Selves of themselves, to your recomforture.

**QUEEN ELIZABETH**

Shall I go win my daughter to thy will?

**KING RICHARD III**

And be a happy mother by the deed.

## **QUEEN ELIZABETH**

I go. Write to me very shortly.  
And you shall understand from me her mind.

## **KING RICHARD III**

Bear her my true love's kiss; and so, farewell.

*Exit QUEEN ELIZABETH*

Relenting fool, and shallow, changing woman!

*Enter RATCLIFF; CATESBY following*

How now! what news?

## **RATCLIFF**

My gracious sovereign, on the western coast  
Rideth a puissant navy; to the shore  
Throng many doubtful hollow-hearted friends,  
Unarm'd, and unresolved to beat them back:  
'Tis thought that Richmond is their admiral;  
And there they hull, expecting but the aid  
Of Buckingham to welcome them ashore.

## **KING RICHARD III**

Some light-foot friend post to the Duke of Norfolk:  
Ratcliff, thyself, or Catesby; where is he?

## **CATESBY**

Here, my lord.

## **KING RICHARD III**

Fly to the duke:

*To RATCLIFF*

Post thou to Salisbury  
When thou comest thither--

*To CATESBY*

Dull, unmindful villain,  
Why stand'st thou still, and go'st not to the duke?

**CATESBY**

First, mighty sovereign, let me know your mind,  
What from your grace I shall deliver to him.

**KING RICHARD III**

O, true, good Catesby: bid him levy straight  
The greatest strength and power he can make,  
And meet me presently at Salisbury.

**CATESBY**

I go.

*Exit*

**RATCLIFF**

What is't your highness' pleasure I shall do at  
Salisbury?

**KING RICHARD III**

Why, what wouldst thou do there before I go?

**RATCLIFF**

Your highness told me I should post before.

**KING RICHARD III**

My mind is changed, sir, my mind is changed.

*Enter STANLEY*

How now, what news with you?

**STANLEY**

None good, my lord, to please you with the hearing;  
Nor none so bad, but it may well be told.

**KING RICHARD III**

Hoyday, a riddle! neither good nor bad!  
Why dost thou run so many mile about,  
When thou mayst tell thy tale a nearer way?  
Once more, what news?

**STANLEY**

Richmond is on the seas.

**KING RICHARD III**

There let him sink, and be the seas on him!  
White-liver'd runagate, what doth he there?

**STANLEY**

I know not, mighty sovereign, but by guess.

**KING RICHARD III**

Well, sir, as you guess, as you guess?

**STANLEY**

Stirr'd up by Dorset, Buckingham, and Ely,  
He makes for England, there to claim the crown.

**KING RICHARD III**

Is the chair empty? is the sword unsway'd?  
Is the king dead? the empire unpossess'd?  
What heir of York is there alive but we?  
And who is England's king but great York's heir?  
Then, tell me, what doth he upon the sea?

**STANLEY**

Unless for that, my liege, I cannot guess.

**KING RICHARD III**

Unless for that he comes to be your liege,  
You cannot guess wherefore the Welshman comes.  
Thou wilt revolt, and fly to him, I fear.

**STANLEY**

No, mighty liege; therefore mistrust me not.

**KING RICHARD III**

Where is thy power, then, to beat him back?  
Where are thy tenants and thy followers?  
Are they not now upon the western shore.  
Safe-conducting the rebels from their ships!

**STANLEY**

No, my good lord, my friends are in the north.

**KING RICHARD III**

Cold friends to Richard: what do they in the north,  
When they should serve their sovereign in the west?

**STANLEY**

They have not been commanded, mighty sovereign:  
Please it your majesty to give me leave,

I'll muster up my friends, and meet your grace  
Where and what time your majesty shall please.

**KING RICHARD III**

Ay, ay. thou wouldst be gone to join with Richmond:  
I will not trust you, sir.

**STANLEY**

Most mighty sovereign,  
You have no cause to hold my friendship doubtful:  
I never was nor never will be false.

**KING RICHARD III**

Well,  
Go muster men; but, hear you, leave behind  
Your son, George Stanley: look your faith be firm.  
Or else his head's assurance is but frail.

**STANLEY**

So deal with him as I prove true to you.

*Exit*

*Enter a Messenger*

**Messenger**

My gracious sovereign, now in Devonshire,  
As I by friends am well advertised,  
Sir Edward Courtney, and the haughty prelate  
Bishop of Exeter, his brother there,  
With many more confederates, are in arms.

*Enter another Messenger*

**Second Messenger**

My liege, in Kent the Guildfords are in arms;  
And every hour more competitors  
Flock to their aid, and still their power increaseth.

*Enter another Messenger*

**Third Messenger**

My lord, the army of the Duke of Buckingham--

**KING RICHARD III**

Out on you, owls! nothing but songs of death?

*He striketh him*

Take that, until thou bring me better news.

**Third Messenger**

The news I have to tell your majesty  
Is, that by sudden floods and fall of waters,  
Buckingham's army is dispersed and scatter'd;  
And he himself wander'd away alone,  
No man knows whither.

**KING RICHARD III**

I cry thee mercy:  
There is my purse to cure that blow of thine.  
Hath any well-advised friend proclaim'd  
Reward to him that brings the traitor in?

**Third Messenger**

Such proclamation hath been made, my liege.

*Enter another Messenger*

**Fourth Messenger**

Sir Thomas Lovel and Lord Marquis Dorset,  
'Tis said, my liege, in Yorkshire are in arms.  
Yet this good comfort bring I to your grace,  
The Breton navy is dispersed by tempest:  
Richmond, in Yorkshire, sent out a boat  
Unto the shore, to ask those on the banks  
If they were his assistants, yea or no;  
Who answer'd him, they came from Buckingham.  
Upon his party: he, mistrusting them,  
Hoisted sail and made away for Brittany.

### **KING RICHARD III**

March on, march on, since we are up in arms;  
If not to fight with foreign enemies,  
Yet to beat down these rebels here at home.

*Re-enter CATESBY*

### **CATESBY**

My liege, the Duke of Buckingham is taken;  
That is the best news: that the Earl of Richmond  
Is with a mighty power landed at Milford,  
Is colder tidings, yet they must be told.

### **KING RICHARD III**

Away towards Salisbury! while we reason here,  
A royal battle might be won and lost  
Some one take order Buckingham be brought  
To Salisbury; the rest march on with me.

*Flourish. Exeunt*

## SCENE V. Lord Derby's house.

*Enter DERBY and SIR CHRISTOPHER URSWICK*

### DERBY

Sir Christopher, tell Richmond this from me:  
That in the sty of this most bloody boar  
My son George Stanley is frank'd up in hold:  
If I revolt, off goes young George's head;  
The fear of that withholds my present aid.  
But, tell me, where is princely Richmond now?

### CHRISTOPHER

At Pembroke, or at Harford-west, in Wales.

### DERBY

What men of name resort to him?

### CHRISTOPHER

Sir Walter Herbert, a renowned soldier;  
Sir Gilbert Talbot, Sir William Stanley;  
Oxford, redoubted Pembroke, Sir James Blunt,  
And Rice ap Thomas with a valiant crew;  
And many more of noble fame and worth:  
And towards London they do bend their course,  
If by the way they be not fought withal.

### DERBY

Return unto thy lord; commend me to him:  
Tell him the queen hath heartily consented  
He shall espouse Elizabeth her daughter.

These letters will resolve him of my mind. Farewell.

*Exeunt*

## SCENE I. Salisbury. An open place.

*Enter the Sheriff, and BUCKINGHAM, with halberds, led to execution*

**BUCKINGHAM**

Will not King Richard let me speak with him?

**Sheriff**

No, my good lord; therefore be patient.

**BUCKINGHAM**

Hastings, and Edward's children, Rivers, Grey,  
Holy King Henry, and thy fair son Edward,  
Vaughan, and all that have miscarried  
By underhand corrupted foul injustice,  
If that your moody discontented souls  
Do through the clouds behold this present hour,  
Even for revenge mock my destruction!  
This is All-Souls' day, fellows, is it not?

**Sheriff**

It is, my lord.

**BUCKINGHAM**

Why, then All-Souls' day is my body's doomsday.  
This is the day that, in King Edward's time,  
I wish't might fall on me, when I was found  
False to his children or his wife's allies  
This is the day wherein I wish'd to fall  
By the false faith of him I trusted most;  
This, this All-Souls' day to my fearful soul

Is the determined respite of my wrongs:  
That high All-Seer that I dallied with  
Hath turn'd my feigned prayer on my head  
And given in earnest what I begg'd in jest.  
Thus doth he force the swords of wicked men  
To turn their own points on their masters' bosoms:  
Now Margaret's curse is fallen upon my head;  
'When he,' quoth she, 'shall split thy heart with sorrow,  
Remember Margaret was a prophetess.'  
Come, sirs, convey me to the block of shame;  
Wrong hath but wrong, and blame the due of blame.

*Exeunt*

## SCENE II. The camp near Tamworth.

*Enter RICHMOND, OXFORD, BLUNT, HERBERT, and others, with drum and colours*

### RICHMOND

Fellows in arms, and my most loving friends,  
Bruised underneath the yoke of tyranny,  
Thus far into the bowels of the land  
Have we march'd on without impediment;  
And here receive we from our father Stanley  
Lines of fair comfort and encouragement.  
The wretched, bloody, and usurping boar,  
That spoil'd your summer fields and fruitful vines,  
Swills your warm blood like wash, and makes his trough  
In your embowell'd bosoms, this foul swine  
Lies now even in the centre of this isle,  
Near to the town of Leicester, as we learn  
From Tamworth thither is but one day's march.  
In God's name, cheerly on, courageous friends,  
To reap the harvest of perpetual peace  
By this one bloody trial of sharp war.

### OXFORD

Every man's conscience is a thousand swords,  
To fight against that bloody homicide.

### HERBERT

I doubt not but his friends will fly to us.

### BLUNT

He hath no friends but who are friends for fear.  
Which in his greatest need will shrink from him.

## **RICHMOND**

All for our vantage. Then, in God's name, march:  
True hope is swift, and flies with swallow's wings:  
Kings it makes gods, and meaner creatures kings.

*Exeunt*

## SCENE III. Bosworth Field.

*Enter KING RICHARD III in arms, with NORFOLK, SURREY, and others*

### KING RICHARD III

Here pitch our tents, even here in Bosworth field.  
My Lord of Surrey, why look you so sad?

### SURREY

My heart is ten times lighter than my looks.

### KING RICHARD III

My Lord of Norfolk,--

### NORFOLK

Here, most gracious liege.

### KING RICHARD III

Norfolk, we must have knocks; ha! must we not?

### NORFOLK

We must both give and take, my gracious lord.

### KING RICHARD III

Up with my tent there! here will I lie tonight;  
But where to-morrow? Well, all's one for that.  
Who hath descried the number of the foe?

## **NORFOLK**

Six or seven thousand is their utmost power.

## **KING RICHARD III**

Why, our battalion trebles that account:  
Besides, the king's name is a tower of strength,  
Which they upon the adverse party want.  
Up with my tent there! Valiant gentlemen,  
Let us survey the vantage of the field  
Call for some men of sound direction  
Let's want no discipline, make no delay,  
For, lords, to-morrow is a busy day.

*Exeunt*

*Enter, on the other side of the field, RICHMOND, Sir William Brandon, OXFORD, and others. Some of the Soldiers pitch RICHMOND's tent*

## **RICHMOND**

The weary sun hath made a golden set,  
And by the bright track of his fiery car,  
Gives signal, of a goodly day to-morrow.  
Sir William Brandon, you shall bear my standard.  
Give me some ink and paper in my tent  
I'll draw the form and model of our battle,  
Limit each leader to his several charge,  
And part in just proportion our small strength.  
My Lord of Oxford, you, Sir William Brandon,  
And you, Sir Walter Herbert, stay with me.  
The Earl of Pembroke keeps his regiment:  
Good Captain Blunt, bear my good night to him  
And by the second hour in the morning  
Desire the earl to see me in my tent:  
Yet one thing more, good Blunt, before thou go'st,  
Where is Lord Stanley quarter'd, dost thou know?

## **BLUNT**

Unless I have mista'en his colours much,

Which well I am assured I have not done,  
His regiment lies half a mile at least  
South from the mighty power of the king.

**RICHMOND**

If without peril it be possible,  
Good Captain Blunt, bear my good-night to him,  
And give him from me this most needful scroll.

**BLUNT**

Upon my life, my lord, I'll under-take it;  
And so, God give you quiet rest to-night!

**RICHMOND**

Good night, good Captain Blunt. Come gentlemen,  
Let us consult upon to-morrow's business  
In to our tent; the air is raw and cold.

*They withdraw into the tent*

*Enter, to his tent, KING RICHARD III, NORFOLK, RATCLIFF, CATESBY, and others*

**KING RICHARD III**

What is't o'clock?

**CATESBY**

It's supper-time, my lord;  
It's nine o'clock.

**KING RICHARD III**

I will not sup to-night.  
Give me some ink and paper.  
What, is my beaver easier than it was?  
And all my armour laid into my tent?

**CATESBY**

If is, my liege; and all things are in readiness.

**KING RICHARD III**

Good Norfolk, hie thee to thy charge;  
Use careful watch, choose trusty sentinels.

**NORFOLK**

I go, my lord.

**KING RICHARD III**

Stir with the lark to-morrow, gentle Norfolk.

**NORFOLK**

I warrant you, my lord.

*Exit*

**KING RICHARD III**

Catesby!

**CATESBY**

My lord?

**KING RICHARD III**

Send out a pursuivant at arms  
To Stanley's regiment; bid him bring his power  
Before sunrising, lest his son George fall  
Into the blind cave of eternal night.

*Exit CATESBY*

Fill me a bowl of wine. Give me a watch.

Saddle white Surrey for the field to-morrow.  
Look that my staves be sound, and not too heavy.  
Ratcliff!

**RATCLIFF**

My lord?

**KING RICHARD III**

Saw'st thou the melancholy Lord Northumberland?

**RATCLIFF**

Thomas the Earl of Surrey, and himself,  
Much about cock-shut time, from troop to troop  
Went through the army, cheering up the soldiers.

**KING RICHARD III**

So, I am satisfied. Give me a bowl of wine:  
I have not that alacrity of spirit,  
Nor cheer of mind, that I was wont to have.  
Set it down. Is ink and paper ready?

**RATCLIFF**

It is, my lord.

**KING RICHARD III**

Bid my guard watch; leave me.  
Ratcliff, about the mid of night come to my tent  
And help to arm me. Leave me, I say.

*Exeunt RATCLIFF and the other Attendants*

*Enter DERBY to RICHMOND in his tent, Lords and others attending*

**DERBY**

Fortune and victory sit on thy helm!

## **RICHMOND**

All comfort that the dark night can afford  
Be to thy person, noble father-in-law!  
Tell me, how fares our loving mother?

## **DERBY**

I, by attorney, bless thee from thy mother  
Who prays continually for Richmond's good:  
So much for that. The silent hours steal on,  
And flaky darkness breaks within the east.  
In brief,--for so the season bids us be,--  
Prepare thy battle early in the morning,  
And put thy fortune to the arbitrement  
Of bloody strokes and mortal-staring war.  
I, as I may--that which I would I cannot,--  
With best advantage will deceive the time,  
And aid thee in this doubtful shock of arms:  
But on thy side I may not be too forward  
Lest, being seen, thy brother, tender George,  
Be executed in his father's sight.  
Farewell: the leisure and the fearful time  
Cuts off the ceremonious vows of love  
And ample interchange of sweet discourse,  
Which so long sunder'd friends should dwell upon:  
God give us leisure for these rites of love!  
Once more, adieu: be valiant, and speed well!

## **RICHMOND**

Good lords, conduct him to his regiment:  
I'll strive, with troubled thoughts, to take a nap,  
Lest leaden slumber peise me down to-morrow,  
When I should mount with wings of victory:  
Once more, good night, kind lords and gentlemen.

*Exeunt all but RICHMOND*

O Thou, whose captain I account myself,

Look on my forces with a gracious eye;  
Put in their hands thy bruising irons of wrath,  
That they may crush down with a heavy fall  
The usurping helmets of our adversaries!  
Make us thy ministers of chastisement,  
That we may praise thee in the victory!  
To thee I do commend my watchful soul,  
Ere I let fall the windows of mine eyes:  
Sleeping and waking, O, defend me still!

*Sleeps*

*Enter the Ghost of Prince Edward, son to King Henry VI*

Ghost

### **of Prince Edward**

[To KING RICHARD III]  
Let me sit heavy on thy soul to-morrow!  
Think, how thou stab'dst me in my prime of youth  
At Tewksbury: despair, therefore, and die!

*To RICHMOND*

Be cheerful, Richmond; for the wronged souls  
Of butcher'd princes fight in thy behalf  
King Henry's issue, Richmond, comforts thee.

*Enter the Ghost of King Henry VI*

Ghost

### **of King Henry VI**

[To KING RICHARD III]  
When I was mortal, my anointed body  
By thee was punched full of deadly holes  
Think on the Tower and me: despair, and die!  
Harry the Sixth bids thee despair, and die!

*To RICHMOND*

Virtuous and holy, be thou conqueror!  
Harry, that prophesied thou shouldst be king,  
Doth comfort thee in thy sleep: live, and flourish!

*Enter the Ghost of CLARENCE*

**Ghost of CLARENCE**

[To KING RICHARD III]  
Let me sit heavy on thy soul to-morrow!  
I, that was wash'd to death with fulsome wine,  
Poor Clarence, by thy guile betrayed to death!  
To-morrow in the battle think on me,  
And fall thy edgeless sword: despair, and die!--

*To RICHMOND*

Thou offspring of the house of Lancaster  
The wronged heirs of York do pray for thee  
Good angels guard thy battle! live, and flourish!

*Enter the Ghosts of RIVERS, GRAY, and VAUGHAN*

**Ghost of RIVERS**

[To KING RICHARD III]  
Let me sit heavy on thy soul to-morrow,  
Rivers. that died at Pomfret! despair, and die!

**Ghost of GREY**

[To KING RICHARD III]  
Think upon Grey, and let thy soul despair!

**Ghost of VAUGHAN**

[To KING RICHARD III]  
Think upon Vaughan, and, with guilty fear,  
Let fall thy lance: despair, and die!

**All**

[To RICHMOND]

Awake, and think our wrongs in Richard's bosom  
Will conquer him! awake, and win the day!

*Enter the Ghost of HASTINGS*

**Ghost of HASTINGS**

[To KING RICHARD III]

Bloody and guilty, guiltily awake,  
And in a bloody battle end thy days!  
Think on Lord Hastings: despair, and die!

*To RICHMOND*

Quiet untroubled soul, awake, awake!  
Arm, fight, and conquer, for fair England's sake!

*Enter the Ghosts of the two young Princes*

Ghosts

**of young Princes**

[To KING RICHARD III]

Dream on thy cousins smother'd in the Tower:  
Let us be led within thy bosom, Richard,  
And weigh thee down to ruin, shame, and death!  
Thy nephews' souls bid thee despair and die!

*To RICHMOND*

Sleep, Richmond, sleep in peace, and wake in joy;  
Good angels guard thee from the boar's annoy!  
Live, and beget a happy race of kings!  
Edward's unhappy sons do bid thee flourish.

*Enter the Ghost of LADY ANNE*

## **Ghost of LADY ANNE**

[To KING RICHARD III]

Richard, thy wife, that wretched Anne thy wife,  
That never slept a quiet hour with thee,  
Now fills thy sleep with perturbations  
To-morrow in the battle think on me,  
And fall thy edgeless sword: despair, and die!

*To RICHMOND*

Thou quiet soul, sleep thou a quiet sleep  
Dream of success and happy victory!  
Thy adversary's wife doth pray for thee.

*Enter the Ghost of BUCKINGHAM*

Ghost

## **of BUCKINGHAM**

[To KING RICHARD III]

The last was I that helped thee to the crown;  
The last was I that felt thy tyranny:  
O, in the battle think on Buckingham,  
And die in terror of thy guiltiness!  
Dream on, dream on, of bloody deeds and death:  
Fainting, despair; despairing, yield thy breath!

*To RICHMOND*

I died for hope ere I could lend thee aid:  
But cheer thy heart, and be thou not dismay'd:  
God and good angel fight on Richmond's side;  
And Richard falls in height of all his pride.

*The Ghosts vanish*

*KING RICHARD III starts out of his dream*

## **KING RICHARD III**

Give me another horse: bind up my wounds.  
Have mercy, Jesu!--Soft! I did but dream.  
O coward conscience, how dost thou afflict me!  
The lights burn blue. It is now dead midnight.  
Cold fearful drops stand on my trembling flesh.  
What do I fear? myself? there's none else by:  
Richard loves Richard; that is, I am I.  
Is there a murderer here? No. Yes, I am:  
Then fly. What, from myself? Great reason why:  
Lest I revenge. What, myself upon myself?  
Alack. I love myself. Wherefore? for any good  
That I myself have done unto myself?  
O, no! alas, I rather hate myself  
For hateful deeds committed by myself!  
I am a villain: yet I lie. I am not.  
Fool, of thyself speak well: fool, do not flatter.  
My conscience hath a thousand several tongues,  
And every tongue brings in a several tale,  
And every tale condemns me for a villain.  
Perjury, perjury, in the high'st degree  
Murder, stem murder, in the direst degree;  
All several sins, all used in each degree,  
Throng to the bar, crying all, Guilty! guilty!  
I shall despair. There is no creature loves me;  
And if I die, no soul shall pity me:  
Nay, wherefore should they, since that I myself  
Find in myself no pity to myself?  
Methought the souls of all that I had murder'd  
Came to my tent; and every one did threat  
To-morrow's vengeance on the head of Richard.

*Enter RATCLIFF*

**RATCLIFF**

My lord!

**KING RICHARD III**

'Zounds! who is there?

**RATCLIFF**

Ratcliff, my lord; 'tis I. The early village-cock  
Hath twice done salutation to the morn;  
Your friends are up, and buckle on their armour.

**KING RICHARD III**

O Ratcliff, I have dream'd a fearful dream!  
What thinkest thou, will our friends prove all true?

**RATCLIFF**

No doubt, my lord.

**KING RICHARD III**

O Ratcliff, I fear, I fear,--

**RATCLIFF**

Nay, good my lord, be not afraid of shadows.

**KING RICHARD III**

By the apostle Paul, shadows to-night  
Have struck more terror to the soul of Richard  
Than can the substance of ten thousand soldiers  
Armed in proof, and led by shallow Richmond.  
It is not yet near day. Come, go with me;  
Under our tents I'll play the eaves-dropper,  
To see if any mean to shrink from me.

*Exeunt*

*Enter the Lords to RICHMOND, sitting in his tent*

**LORDS**

Good morrow, Richmond!

**RICHMOND**

Cry mercy, lords and watchful gentlemen,  
That you have ta'en a tardy sluggard here.

## LORDS

How have you slept, my lord?

## RICHMOND

The sweetest sleep, and fairest-boding dreams  
That ever enter'd in a drowsy head,  
Have I since your departure had, my lords.  
Methought their souls, whose bodies Richard murder'd,  
Came to my tent, and cried on victory:  
I promise you, my soul is very jocund  
In the remembrance of so fair a dream.  
How far into the morning is it, lords?

## LORDS

Upon the stroke of four.

## RICHMOND

Why, then 'tis time to arm and give direction.

*His oration to his soldiers*

More than I have said, loving countrymen,  
The leisure and enforcement of the time  
Forbids to dwell upon: yet remember this,  
God and our good cause fight upon our side;  
The prayers of holy saints and wronged souls,  
Like high-rear'd bulwarks, stand before our faces;  
Richard except, those whom we fight against  
Had rather have us win than him they follow:  
For what is he they follow? truly, gentlemen,  
A bloody tyrant and a homicide;  
One raised in blood, and one in blood establish'd;  
One that made means to come by what he hath,  
And slaughter'd those that were the means to help him;

Abase foul stone, made precious by the foil  
Of England's chair, where he is falsely set;  
One that hath ever been God's enemy:  
Then, if you fight against God's enemy,  
God will in justice ward you as his soldiers;  
If you do sweat to put a tyrant down,  
You sleep in peace, the tyrant being slain;  
If you do fight against your country's foes,  
Your country's fat shall pay your pains the hire;  
If you do fight in safeguard of your wives,  
Your wives shall welcome home the conquerors;  
If you do free your children from the sword,  
Your children's children quit it in your age.  
Then, in the name of God and all these rights,  
Advance your standards, draw your willing swords.  
For me, the ransom of my bold attempt  
Shall be this cold corpse on the earth's cold face;  
But if I thrive, the gain of my attempt  
The least of you shall share his part thereof.  
Sound drums and trumpets boldly and cheerfully;  
God and Saint George! Richmond and victory!

*Exeunt*

*Re-enter KING RICHARD, RATCLIFF, Attendants and Forces*

**KING RICHARD III**

What said Northumberland as touching Richmond?

**RATCLIFF**

That he was never trained up in arms.

**KING RICHARD III**

He said the truth: and what said Surrey then?

**RATCLIFF**

He smiled and said 'The better for our purpose.'

**KING RICHARD III**

He was in the right; and so indeed it is.

*Clock striketh*

Ten the clock there. Give me a calendar.  
Who saw the sun to-day?

**RATCLIFF**

Not I, my lord.

**KING RICHARD III**

Then he disdains to shine; for by the book  
He should have braved the east an hour ago  
A black day will it be to somebody. Ratcliff!

**RATCLIFF**

My lord?

**KING RICHARD III**

The sun will not be seen to-day;  
The sky doth frown and lour upon our army.  
I would these dewy tears were from the ground.  
Not shine to-day! Why, what is that to me  
More than to Richmond? for the selfsame heaven  
That frowns on me looks sadly upon him.

*Enter NORFOLK*

**NORFOLK**

Arm, arm, my lord; the foe vaunts in the field.

**KING RICHARD III**

Come, bustle, bustle; caparison my horse.

Call up Lord Stanley, bid him bring his power:  
I will lead forth my soldiers to the plain,  
And thus my battle shall be ordered:  
My foreward shall be drawn out all in length,  
Consisting equally of horse and foot;  
Our archers shall be placed in the midst  
John Duke of Norfolk, Thomas Earl of Surrey,  
Shall have the leading of this foot and horse.  
They thus directed, we will follow  
In the main battle, whose puissance on either side  
Shall be well winged with our chiefest horse.  
This, and Saint George to boot! What think'st thou, Norfolk?

## **NORFOLK**

A good direction, warlike sovereign.  
This found I on my tent this morning.

*He sheweth him a paper*

## **KING RICHARD III**

[Reads]  
'Jockey of Norfolk, be not too bold,  
For Dickon thy master is bought and sold.'  
A thing devised by the enemy.  
Go, gentleman, every man unto his charge  
Let not our babbling dreams affright our souls:  
Conscience is but a word that cowards use,  
Devised at first to keep the strong in awe:  
Our strong arms be our conscience, swords our law.  
March on, join bravely, let us to't pell-mell  
If not to heaven, then hand in hand to hell.

*His oration to his Army*

What shall I say more than I have inferr'd?  
Remember whom you are to cope withal;  
A sort of vagabonds, rascals, and runaways,  
A scum of Bretons, and base lackey peasants,  
Whom their o'er-cloyed country vomits forth  
To desperate ventures and assured destruction.

You sleeping safe, they bring to you unrest;  
You having lands, and blest with beauteous wives,  
They would restrain the one, distain the other.  
And who doth lead them but a paltry fellow,  
Long kept in Bretagne at our mother's cost?  
A milk-sop, one that never in his life  
Felt so much cold as over shoes in snow?  
Let's whip these stragglers o'er the seas again;  
Lash hence these overweening rags of France,  
These famish'd beggars, weary of their lives;  
Who, but for dreaming on this fond exploit,  
For want of means, poor rats, had hang'd themselves:  
If we be conquer'd, let men conquer us,  
And not these bastard Bretons; whom our fathers  
Have in their own land beaten, bobb'd, and thump'd,  
And in record, left them the heirs of shame.  
Shall these enjoy our lands? lie with our wives?  
Ravish our daughters?

*Drum afar off*

Hark! I hear their drum.  
Fight, gentlemen of England! fight, bold yoemen!  
Draw, archers, draw your arrows to the head!  
Spur your proud horses hard, and ride in blood;  
Amaze the welkin with your broken staves!

*Enter a Messenger*

What says Lord Stanley? will he bring his power?

**Messenger**

My lord, he doth deny to come.

**KING RICHARD III**

Off with his son George's head!

**NORFOLK**

My lord, the enemy is past the marsh

After the battle let George Stanley die.

## **KING RICHARD III**

A thousand hearts are great within my bosom:  
Advance our standards, set upon our foes  
Our ancient word of courage, fair Saint George,  
Inspire us with the spleen of fiery dragons!  
Upon them! victory sits on our helms.

*Exeunt*

## SCENE IV. Another part of the field.

*Alarum: excursions. Enter NORFOLK and forces fighting; to him CATESBY*

### CATESBY

Rescue, my Lord of Norfolk, rescue, rescue!  
The king enacts more wonders than a man,  
Daring an opposite to every danger:  
His horse is slain, and all on foot he fights,  
Seeking for Richmond in the throat of death.  
Rescue, fair lord, or else the day is lost!

*Alarums. Enter KING RICHARD III*

### KING RICHARD III

A horse! a horse! my kingdom for a horse!

### CATESBY

Withdraw, my lord; I'll help you to a horse.

### KING RICHARD III

Slave, I have set my life upon a cast,  
And I will stand the hazard of the die:  
I think there be six Richmonds in the field;  
Five have I slain to-day instead of him.  
A horse! a horse! my kingdom for a horse!

*Exeunt*

## SCENE V. Another part of the field.

*Alarum. Enter KING RICHARD III and RICHMOND; they fight. KING RICHARD III is slain. Retreat and flourish. Re-enter RICHMOND, DERBY bearing the crown, with divers other Lords*

### RICHMOND

God and your arms be praised, victorious friends,  
The day is ours, the bloody dog is dead.

### DERBY

Courageous Richmond, well hast thou acquit thee.  
Lo, here, this long-usurped royalty  
From the dead temples of this bloody wretch  
Have I pluck'd off, to grace thy brows withal:  
Wear it, enjoy it, and make much of it.

### RICHMOND

Great God of heaven, say Amen to all!  
But, tell me, is young George Stanley living?

### DERBY

He is, my lord, and safe in Leicester town;  
Whither, if it please you, we may now withdraw us.

### RICHMOND

What men of name are slain on either side?

### DERBY

John Duke of Norfolk, Walter Lord Ferrers,

Sir Robert Brakenbury, and Sir William Brandon.

## **RICHMOND**

Inter their bodies as becomes their births:  
Proclaim a pardon to the soldiers fled  
That in submission will return to us:  
And then, as we have ta'en the sacrament,  
We will unite the white rose and the red:  
Smile heaven upon this fair conjunction,  
That long have frown'd upon their enmity!  
What traitor hears me, and says not amen?  
England hath long been mad, and scarr'd herself;  
The brother blindly shed the brother's blood,  
The father rashly slaughter'd his own son,  
The son, compell'd, been butcher to the sire:  
All this divided York and Lancaster,  
Divided in their dire division,  
O, now, let Richmond and Elizabeth,  
The true succeeders of each royal house,  
By God's fair ordinance conjoin together!  
And let their heirs, God, if thy will be so,  
Enrich the time to come with smooth-faced peace,  
With smiling plenty and fair prosperous days!  
Abate the edge of traitors, gracious Lord,  
That would reduce these bloody days again,  
And make poor England weep in streams of blood!  
Let them not live to taste this land's increase  
That would with treason wound this fair land's peace!  
Now civil wounds are stopp'd, peace lives again:  
That she may long live here, God say amen!

*Exeunt*

# Antony and Cleopatra

[Shakespeare homepage](#) | [Antony and Cleopatra](#) | Act 1, Scene 1  
[Next scene](#)

## SCENE I. Alexandria. A room in CLEOPATRA's palace.

*Enter DEMETRIUS and PHILO*

### PHILO

Nay, but this dotage of our general's  
O'erflows the measure: those his goodly eyes,  
That o'er the files and musters of the war  
Have glow'd like plated Mars, now bend, now turn,  
The office and devotion of their view  
Upon a tawny front: his captain's heart,  
Which in the scuffles of great fights hath burst  
The buckles on his breast, reneges all temper,  
And is become the bellows and the fan  
To cool a gipsy's lust.

*Flourish. Enter ANTONY, CLEOPATRA, her Ladies, the Train, with Eunuchs fanning her*

Look, where they come:  
Take but good note, and you shall see in him.  
The triple pillar of the world transform'd  
Into a strumpet's fool: behold and see.

### CLEOPATRA

If it be love indeed, tell me how much.

### MARK ANTONY

There's beggary in the love that can be reckon'd.

### CLEOPATRA

I'll set a bourn how far to be beloved.

## MARK ANTONY

Then must thou needs find out new heaven, new earth.

*Enter an Attendant*

## Attendant

News, my good lord, from Rome.

## MARK ANTONY

Grates me: the sum.

## CLEOPATRA

Nay, hear them, Antony:  
Fulvia perchance is angry; or, who knows  
If the scarce-bearded Caesar have not sent  
His powerful mandate to you, 'Do this, or this;  
Take in that kingdom, and enfranchise that;  
Perform 't, or else we damn thee.'

## MARK ANTONY

How, my love!

## CLEOPATRA

Perchance! nay, and most like:  
You must not stay here longer, your dismissal  
Is come from Caesar; therefore hear it, Antony.  
Where's Fulvia's process? Caesar's I would say? both?  
Call in the messengers. As I am Egypt's queen,  
Thou blushest, Antony; and that blood of thine  
Is Caesar's homager: else so thy cheek pays shame  
When shrill-tongued Fulvia scolds. The messengers!

## MARK ANTONY

Let Rome in Tiber melt, and the wide arch

Of the ranged empire fall! Here is my space.  
Kingdoms are clay: our dungy earth alike  
Feeds beast as man: the nobleness of life  
Is to do thus; when such a mutual pair

*Embracing*

And such a twain can do't, in which I bind,  
On pain of punishment, the world to weet  
We stand up peerless.

## **CLEOPATRA**

Excellent falsehood!  
Why did he marry Fulvia, and not love her?  
I'll seem the fool I am not; Antony  
Will be himself.

## **MARK ANTONY**

But stirr'd by Cleopatra.  
Now, for the love of Love and her soft hours,  
Let's not confound the time with conference harsh:  
There's not a minute of our lives should stretch  
Without some pleasure now. What sport tonight?

## **CLEOPATRA**

Hear the ambassadors.

## **MARK ANTONY**

Fie, wrangling queen!  
Whom every thing becomes, to chide, to laugh,  
To weep; whose every passion fully strives  
To make itself, in thee, fair and admired!  
No messenger, but thine; and all alone  
To-night we'll wander through the streets and note  
The qualities of people. Come, my queen;  
Last night you did desire it: speak not to us.

*Exeunt MARK ANTONY and CLEOPATRA with their train*

**DEMETRIUS**

Is Caesar with Antonius prized so slight?

**PHILO**

Sir, sometimes, when he is not Antony,  
He comes too short of that great property  
Which still should go with Antony.

**DEMETRIUS**

I am full sorry  
That he approves the common liar, who  
Thus speaks of him at Rome: but I will hope  
Of better deeds to-morrow. Rest you happy!

*Exeunt*

[Previous scene](#) | [Next scene](#)

## SCENE II. The same. Another room.

*Enter CHARMIAN, IRAS, ALEXAS, and a Soothsayer*

**CHARMIAN**

Lord Alexas, sweet Alexas, most any thing Alexas,  
almost most absolute Alexas, where's the soothsayer  
that you praised so to the queen? O, that I knew  
this husband, which, you say, must charge his horns  
with garlands!

**ALEXAS**

Soothsayer!

**Soothsayer**

Your will?

**CHARMIAN**

Is this the man? Is't you, sir, that know things?

**Soothsayer**

In nature's infinite book of secrecy  
A little I can read.

**ALEXAS**

Show him your hand.

*Enter DOMITIUS ENOBRABUS*

## **DOMITIUS ENOBARBUS**

Bring in the banquet quickly; wine enough  
Cleopatra's health to drink.

## **CHARMIAN**

Good sir, give me good fortune.

## **Soothsayer**

I make not, but foresee.

## **CHARMIAN**

Pray, then, foresee me one.

## **Soothsayer**

You shall be yet far fairer than you are.

## **CHARMIAN**

He means in flesh.

## **IRAS**

No, you shall paint when you are old.

## **CHARMIAN**

Wrinkles forbid!

## **ALEXAS**

Vex not his prescience; be attentive.

## **CHARMIAN**

Hush!

**Soothsayer**

You shall be more believing than beloved.

**CHARMIAN**

I had rather heat my liver with drinking.

**ALEXAS**

Nay, hear him.

**CHARMIAN**

Good now, some excellent fortune! Let me be married  
to three kings in a forenoon, and widow them all:  
let me have a child at fifty, to whom Herod of Jewry  
may do homage: find me to marry me with Octavius  
Caesar, and companion me with my mistress.

**Soothsayer**

You shall outlive the lady whom you serve.

**CHARMIAN**

O excellent! I love long life better than figs.

**Soothsayer**

You have seen and proved a fairer former fortune  
Than that which is to approach.

**CHARMIAN**

Then belike my children shall have no names:  
prithee, how many boys and wenches must I have?

**Soothsayer**

If every of your wishes had a womb.

And fertile every wish, a million.

**CHARMIAN**

Out, fool! I forgive thee for a witch.

**ALEXAS**

You think none but your sheets are privy to your wishes.

**CHARMIAN**

Nay, come, tell Iras hers.

**ALEXAS**

We'll know all our fortunes.

**DOMITIUS ENOBARBUS**

Mine, and most of our fortunes, to-night, shall  
be--drunk to bed.

**IRAS**

There's a palm presages chastity, if nothing else.

**CHARMIAN**

E'en as the o'erflowing Nilus presageth famine.

**IRAS**

Go, you wild bedfellow, you cannot soothsay.

**CHARMIAN**

Nay, if an oily palm be not a fruitful  
prognostication, I cannot scratch mine ear. Prithee,  
tell her but a worky-day fortune.

**Soothsayer**

Your fortunes are alike.

**IRAS**

But how, but how? give me particulars.

**Soothsayer**

I have said.

**IRAS**

Am I not an inch of fortune better than she?

**CHARMIAN**

Well, if you were but an inch of fortune better than I, where would you choose it?

**IRAS**

Not in my husband's nose.

**CHARMIAN**

Our worser thoughts heavens mend! Alexas,--come, his fortune, his fortune! O, let him marry a woman that cannot go, sweet Isis, I beseech thee! and let her die too, and give him a worse! and let worst follow worst, till the worst of all follow him laughing to his grave, fifty-fold a cuckold! Good Isis, hear me this prayer, though thou deny me a matter of more weight; good Isis, I beseech thee!

**IRAS**

Amen. Dear goddess, hear that prayer of the people! for, as it is a heartbreaking to see a handsome man loose-wived, so it is a deadly sorrow to behold a

foul knave uncuckolded: therefore, dear Isis, keep decorum, and fortune him accordingly!

**CHARMIAN**

Amen.

**ALEXAS**

Lo, now, if it lay in their hands to make me a cuckold, they would make themselves whores, but they'ld do't!

**DOMITIUS ENOBARBUS**

Hush! here comes Antony.

**CHARMIAN**

Not he; the queen.

*Enter CLEOPATRA*

**CLEOPATRA**

Saw you my lord?

**DOMITIUS ENOBARBUS**

No, lady.

**CLEOPATRA**

Was he not here?

**CHARMIAN**

No, madam.

**CLEOPATRA**

He was disposed to mirth; but on the sudden  
A Roman thought hath struck him. Enobarbus!

**DOMITIUS ENOBARBUS**

Madam?

**CLEOPATRA**

Seek him, and bring him hither.  
Where's Alexas?

**ALEXAS**

Here, at your service. My lord approaches.

**CLEOPATRA**

We will not look upon him: go with us.

*Exeunt*

*Enter MARK ANTONY with a Messenger and Attendants*

**Messenger**

Fulvia thy wife first came into the field.

**MARK ANTONY**

Against my brother Lucius?

**Messenger**

Ay:  
But soon that war had end, and the time's state  
Made friends of them, joining their force 'gainst Caesar;  
Whose better issue in the war, from Italy,  
Upon the first encounter, drave them.

**MARK ANTONY**

Well, what worst?

**Messenger**

The nature of bad news infects the teller.

**MARK ANTONY**

When it concerns the fool or coward. On:  
Things that are past are done with me. 'Tis thus:  
Who tells me true, though in his tale lie death,  
I hear him as he flatter'd.

**Messenger**

Labienus--  
This is stiff news--hath, with his Parthian force,  
Extended Asia from Euphrates;  
His conquering banner shook from Syria  
To Lydia and to Ionia; Whilst--

**MARK ANTONY**

Antony, thou wouldst say,--

**Messenger**

O, my lord!

**MARK ANTONY**

Speak to me home, mince not the general tongue:  
Name Cleopatra as she is call'd in Rome;  
Rail thou in Fulvia's phrase; and taunt my faults  
With such full licence as both truth and malice  
Have power to utter. O, then we bring forth weeds,  
When our quick minds lie still; and our ills told us  
Is as our earring. Fare thee well awhile.

**Messenger**

At your noble pleasure.

*Exit*

**MARK ANTONY**

From Sicyon, ho, the news! Speak there!

**First Attendant**

The man from Sicyon,--is there such an one?

**Second Attendant**

He stays upon your will.

**MARK ANTONY**

Let him appear.  
These strong Egyptian fetters I must break,  
Or lose myself in dotage.

*Enter another Messenger*

What are you?

**Second Messenger**

Fulvia thy wife is dead.

**MARK ANTONY**

Where died she?

**Second Messenger**

In Sicyon:  
Her length of sickness, with what else more serious  
Importeth thee to know, this bears.

*Gives a letter*

**MARK ANTONY**

Forbear me.

*Exit Second Messenger*

There's a great spirit gone! Thus did I desire it:  
What our contempt doth often hurl from us,  
We wish it ours again; the present pleasure,  
By revolution lowering, does become  
The opposite of itself: she's good, being gone;  
The hand could pluck her back that shoved her on.  
I must from this enchanting queen break off:  
Ten thousand harms, more than the ills I know,  
My idleness doth hatch. How now! Enobarbus!

*Re-enter DOMITIUS ENOBARBUS*

**DOMITIUS ENOBARBUS**

What's your pleasure, sir?

**MARK ANTONY**

I must with haste from hence.

**DOMITIUS ENOBARBUS**

Why, then, we kill all our women:  
we see how mortal an unkindness is to them;  
if they suffer our departure, death's the word.

**MARK ANTONY**

I must be gone.

**DOMITIUS ENOBARBUS**

Under a compelling occasion, let women die; it were

pity to cast them away for nothing; though, between them and a great cause, they should be esteemed nothing. Cleopatra, catching but the least noise of this, dies instantly; I have seen her die twenty times upon far poorer moment: I do think there is mettle in death, which commits some loving act upon her, she hath such a celerity in dying.

**MARK ANTONY**

She is cunning past man's thought.

*Exit ALEXAS*

**DOMITIUS ENOBARBUS**

Alack, sir, no; her passions are made of nothing but the finest part of pure love: we cannot call her winds and waters sighs and tears; they are greater storms and tempests than almanacs can report: this cannot be cunning in her; if it be, she makes a shower of rain as well as Jove.

**MARK ANTONY**

Would I had never seen her.

**DOMITIUS ENOBARBUS**

O, sir, you had then left unseen a wonderful piece of work; which not to have been blest withal would have discredited your travel.

**MARK ANTONY**

Fulvia is dead.

**DOMITIUS ENOBARBUS**

Sir?

**MARK ANTONY**

Fulvia is dead.

**DOMITIUS ENOBARBUS**

Fulvia!

**MARK ANTONY**

Dead.

**DOMITIUS ENOBARBUS**

Why, sir, give the gods a thankful sacrifice. When it pleaseth their deities to take the wife of a man from him, it shows to man the tailors of the earth; comforting therein, that when old robes are worn out, there are members to make new. If there were no more women but Fulvia, then had you indeed a cut, and the case to be lamented: this grief is crowned with consolation; your old smock brings forth a new petticoat: and indeed the tears live in an onion that should water this sorrow.

**MARK ANTONY**

The business she hath broached in the state  
Cannot endure my absence.

**DOMITIUS ENOBARBUS**

And the business you have broached here cannot be without you; especially that of Cleopatra's, which wholly depends on your abode.

**MARK ANTONY**

No more light answers. Let our officers  
Have notice what we purpose. I shall break  
The cause of our expedience to the queen,

And get her leave to part. For not alone  
The death of Fulvia, with more urgent touches,  
Do strongly speak to us; but the letters too  
Of many our contriving friends in Rome  
Petition us at home: Sextus Pompeius  
Hath given the dare to Caesar, and commands  
The empire of the sea: our slippery people,  
Whose love is never link'd to the deserver  
Till his deserts are past, begin to throw  
Pompey the Great and all his dignities  
Upon his son; who, high in name and power,  
Higher than both in blood and life, stands up  
For the main soldier: whose quality, going on,  
The sides o' the world may danger: much is breeding,  
Which, like the courser's hair, hath yet but life,  
And not a serpent's poison. Say, our pleasure,  
To such whose place is under us, requires  
Our quick remove from hence.

## **DOMITIUS ENOBARBUS**

I shall do't.

*Exeunt*

## SCENE III. The same. Another room.

*Enter CLEOPATRA, CHARMIAN, IRAS, and ALEXAS*

**CLEOPATRA**

Where is he?

**CHARMIAN**

I did not see him since.

**CLEOPATRA**

See where he is, who's with him, what he does:  
I did not send you: if you find him sad,  
Say I am dancing; if in mirth, report  
That I am sudden sick: quick, and return.

*Exit ALEXAS*

**CHARMIAN**

Madam, methinks, if you did love him dearly,  
You do not hold the method to enforce  
The like from him.

**CLEOPATRA**

What should I do, I do not?

**CHARMIAN**

In each thing give him way, cross him nothing.

**CLEOPATRA**

Thou teachest like a fool; the way to lose him.

**CHARMIAN**

Tempt him not so too far; I wish, forbear:  
In time we hate that which we often fear.  
But here comes Antony.

*Enter MARK ANTONY*

**CLEOPATRA**

I am sick and sullen.

**MARK ANTONY**

I am sorry to give breathing to my purpose,--

**CLEOPATRA**

Help me away, dear Charmian; I shall fall:  
It cannot be thus long, the sides of nature  
Will not sustain it.

**MARK ANTONY**

Now, my dearest queen,--

**CLEOPATRA**

Pray you, stand further from me.

**MARK ANTONY**

What's the matter?

**CLEOPATRA**

I know, by that same eye, there's some good news.

What says the married woman? You may go:  
Would she had never given you leave to come!  
Let her not say 'tis I that keep you here:  
I have no power upon you; hers you are.

**MARK ANTONY**

The gods best know,--

**CLEOPATRA**

O, never was there queen  
So mightily betray'd! yet at the first  
I saw the treasons planted.

**MARK ANTONY**

Cleopatra,--

**CLEOPATRA**

Why should I think you can be mine and true,  
Though you in swearing shake the throned gods,  
Who have been false to Fulvia? Riotous madness,  
To be entangled with those mouth-made vows,  
Which break themselves in swearing!

**MARK ANTONY**

Most sweet queen,--

**CLEOPATRA**

Nay, pray you, seek no colour for your going,  
But bid farewell, and go: when you sued staying,  
Then was the time for words: no going then;  
Eternity was in our lips and eyes,  
Bliss in our brows' bent; none our parts so poor,  
But was a race of heaven: they are so still,  
Or thou, the greatest soldier of the world,  
Art turn'd the greatest liar.

## **MARK ANTONY**

How now, lady!

## **CLEOPATRA**

I would I had thy inches; thou shouldst know  
There were a heart in Egypt.

## **MARK ANTONY**

Hear me, queen:  
The strong necessity of time commands  
Our services awhile; but my full heart  
Remains in use with you. Our Italy  
Shines o'er with civil swords: Sextus Pompeius  
Makes his approaches to the port of Rome:  
Equality of two domestic powers  
Breed scrupulous faction: the hated, grown to strength,  
Are newly grown to love: the condemn'd Pompey,  
Rich in his father's honour, creeps apace,  
Into the hearts of such as have not thrived  
Upon the present state, whose numbers threaten;  
And quietness, grown sick of rest, would purge  
By any desperate change: my more particular,  
And that which most with you should save my going,  
Is Fulvia's death.

## **CLEOPATRA**

Though age from folly could not give me freedom,  
It does from childishness: can Fulvia die?

## **MARK ANTONY**

She's dead, my queen:  
Look here, and at thy sovereign leisure read  
The garboils she awaked; at the last, best:  
See when and where she died.

## **CLEOPATRA**

O most false love!  
Where be the sacred vials thou shouldst fill  
With sorrowful water? Now I see, I see,  
In Fulvia's death, how mine received shall be.

**MARK ANTONY**

Quarrel no more, but be prepared to know  
The purposes I bear; which are, or cease,  
As you shall give the advice. By the fire  
That quickens Nilus' slime, I go from hence  
Thy soldier, servant; making peace or war  
As thou affect'st.

**CLEOPATRA**

Cut my lace, Charmian, come;  
But let it be: I am quickly ill, and well,  
So Antony loves.

**MARK ANTONY**

My precious queen, forbear;  
And give true evidence to his love, which stands  
An honourable trial.

**CLEOPATRA**

So Fulvia told me.  
I prithee, turn aside and weep for her,  
Then bid adieu to me, and say the tears  
Belong to Egypt: good now, play one scene  
Of excellent dissembling; and let it look  
Life perfect honour.

**MARK ANTONY**

You'll heat my blood: no more.

**CLEOPATRA**

You can do better yet; but this is meetly.

**MARK ANTONY**

Now, by my sword,--

**CLEOPATRA**

And target. Still he mends;  
But this is not the best. Look, prithee, Charmian,  
How this Herculean Roman does become  
The carriage of his chafe.

**MARK ANTONY**

I'll leave you, lady.

**CLEOPATRA**

Courteous lord, one word.  
Sir, you and I must part, but that's not it:  
Sir, you and I have loved, but there's not it;  
That you know well: something it is I would,  
O, my oblivion is a very Antony,  
And I am all forgotten.

**MARK ANTONY**

But that your royalty  
Holds idleness your subject, I should take you  
For idleness itself.

**CLEOPATRA**

'Tis sweating labour  
To bear such idleness so near the heart  
As Cleopatra this. But, sir, forgive me;  
Since my becoming kill me, when they do not  
Eye well to you: your honour calls you hence;  
Therefore be deaf to my unpitied folly.  
And all the gods go with you! upon your sword  
Sit laurel victory! and smooth success

Be strew'd before your feet!

**MARK ANTONY**

Let us go. Come;  
Our separation so abides, and flies,  
That thou, residing here, go'st yet with me,  
And I, hence fleeting, here remain with thee. Away!

*Exeunt*

[Previous scene](#) | [Next scene](#)

## SCENE IV. Rome. OCTAVIUS CAESAR's house.

*Enter OCTAVIUS CAESAR, reading a letter, LEPIDUS, and their Train*

### OCTAVIUS CAESAR

You may see, Lepidus, and henceforth know,  
It is not Caesar's natural vice to hate  
Our great competitor: from Alexandria  
This is the news: he fishes, drinks, and wastes  
The lamps of night in revel; is not more man-like  
Than Cleopatra; nor the queen of Ptolemy  
More womanly than he; hardly gave audience, or  
Vouchsafed to think he had partners: you shall find there  
A man who is the abstract of all faults  
That all men follow.

### LEPIDUS

I must not think there are  
Evils enow to darken all his goodness:  
His faults in him seem as the spots of heaven,  
More fiery by night's blackness; hereditary,  
Rather than purchased; what he cannot change,  
Than what he chooses.

### OCTAVIUS CAESAR

You are too indulgent. Let us grant, it is not  
Amis to tumble on the bed of Ptolemy;  
To give a kingdom for a mirth; to sit  
And keep the turn of tippling with a slave;  
To reel the streets at noon, and stand the buffet  
With knaves that smell of sweat: say this  
becomes him,--  
As his composure must be rare indeed

Whom these things cannot blemish,--yet must Antony  
No way excuse his soils, when we do bear  
So great weight in his lightness. If he fill'd  
His vacancy with his voluptuousness,  
Full surfeits, and the dryness of his bones,  
Call on him for't: but to confound such time,  
That drums him from his sport, and speaks as loud  
As his own state and ours,--'tis to be chid  
As we rate boys, who, being mature in knowledge,  
Pawn their experience to their present pleasure,  
And so rebel to judgment.

*Enter a Messenger*

## **LEPIDUS**

Here's more news.

## **Messenger**

Thy biddings have been done; and every hour,  
Most noble Caesar, shalt thou have report  
How 'tis abroad. Pompey is strong at sea;  
And it appears he is beloved of those  
That only have fear'd Caesar: to the ports  
The discontents repair, and men's reports  
Give him much wrong'd.

## **OCTAVIUS CAESAR**

I should have known no less.  
It hath been taught us from the primal state,  
That he which is was wish'd until he were;  
And the ebb'd man, ne'er loved till ne'er worth love,  
Comes dear'd by being lack'd. This common body,  
Like to a vagabond flag upon the stream,  
Goes to and back, lackeying the varying tide,  
To rot itself with motion.

## **Messenger**

Caesar, I bring thee word,

Menecrates and Menas, famous pirates,  
Make the sea serve them, which they ear and wound  
With keels of every kind: many hot inroads  
They make in Italy; the borders maritime  
Lack blood to think on't, and flush youth revolt:  
No vessel can peep forth, but 'tis as soon  
Taken as seen; for Pompey's name strikes more  
Than could his war resisted.

## **OCTAVIUS CAESAR**

Antony,  
Leave thy lascivious wassails. When thou once  
Wast beaten from Modena, where thou slew'st  
Hirtius and Pansa, consuls, at thy heel  
Did famine follow; whom thou fought'st against,  
Though daintily brought up, with patience more  
Than savages could suffer: thou didst drink  
The stale of horses, and the gilded puddle  
Which beasts would cough at: thy palate then did deign  
The roughest berry on the rudest hedge;  
Yea, like the stag, when snow the pasture sheets,  
The barks of trees thou browsed'st; on the Alps  
It is reported thou didst eat strange flesh,  
Which some did die to look on: and all this--  
It wounds thine honour that I speak it now--  
Was borne so like a soldier, that thy cheek  
So much as lank'd not.

## **LEPIDUS**

'Tis pity of him.

## **OCTAVIUS CAESAR**

Let his shames quickly  
Drive him to Rome: 'tis time we twain  
Did show ourselves i' the field; and to that end  
Assemble we immediate council: Pompey  
Thrives in our idleness.

## **LEPIDUS**

To-morrow, Caesar,  
I shall be furnish'd to inform you rightly  
Both what by sea and land I can be able  
To front this present time.

**OCTAVIUS CAESAR**

Till which encounter,  
It is my business too. Farewell.

**LEPIDUS**

Farewell, my lord: what you shall know meantime  
Of stirs abroad, I shall beseech you, sir,  
To let me be partaker.

**OCTAVIUS CAESAR**

Doubt not, sir;  
I knew it for my bond.

*Exeunt*

## SCENE V. Alexandria. CLEOPATRA's palace.

*Enter CLEOPATRA, CHARMIAN, IRAS, and MARDIAN*

**CLEOPATRA**

Charmian!

**CHARMIAN**

Madam?

**CLEOPATRA**

Ha, ha!  
Give me to drink mandragora.

**CHARMIAN**

Why, madam?

**CLEOPATRA**

That I might sleep out this great gap of time  
My Antony is away.

**CHARMIAN**

You think of him too much.

**CLEOPATRA**

O, 'tis treason!

**CHARMIAN**

Madam, I trust, not so.

**CLEOPATRA**

Thou, eunuch Mardian!

**MARDIAN**

What's your highness' pleasure?

**CLEOPATRA**

Not now to hear thee sing; I take no pleasure  
In aught an eunuch has: 'tis well for thee,  
That, being unseminar'd, thy freer thoughts  
May not fly forth of Egypt. Hast thou affections?

**MARDIAN**

Yes, gracious madam.

**CLEOPATRA**

Indeed!

**MARDIAN**

Not in deed, madam; for I can do nothing  
But what indeed is honest to be done:  
Yet have I fierce affections, and think  
What Venus did with Mars.

**CLEOPATRA**

O Charmian,  
Where think'st thou he is now? Stands he, or sits he?  
Or does he walk? or is he on his horse?  
O happy horse, to bear the weight of Antony!  
Do bravely, horse! for wot'st thou whom thou movest?  
The demi-Atlas of this earth, the arm  
And burgonet of men. He's speaking now,

Or murmuring 'Where's my serpent of old Nile?'  
For so he calls me: now I feed myself  
With most delicious poison. Think on me,  
That am with Phoebus' amorous pinches black,  
And wrinkled deep in time? Broad-fronted Caesar,  
When thou wast here above the ground, I was  
A morsel for a monarch: and great Pompey  
Would stand and make his eyes grow in my brow;  
There would he anchor his aspect and die  
With looking on his life.

*Enter ALEXAS, from OCTAVIUS CAESAR*

**ALEXAS**

Sovereign of Egypt, hail!

**CLEOPATRA**

How much unlike art thou Mark Antony!  
Yet, coming from him, that great medicine hath  
With his tinct gilded thee.  
How goes it with my brave Mark Antony?

**ALEXAS**

Last thing he did, dear queen,  
He kiss'd,--the last of many doubled kisses,--  
This orient pearl. His speech sticks in my heart.

**CLEOPATRA**

Mine ear must pluck it thence.

**ALEXAS**

'Good friend,' quoth he,  
'Say, the firm Roman to great Egypt sends  
This treasure of an oyster; at whose foot,  
To mend the petty present, I will piece  
Her opulent throne with kingdoms; all the east,  
Say thou, shall call her mistress.' So he nodded,

And soberly did mount an arm-gaunt steed,  
Who neigh'd so high, that what I would have spoke  
Was beastly dumb'd by him.

**CLEOPATRA**

What, was he sad or merry?

**ALEXAS**

Like to the time o' the year between the extremes  
Of hot and cold, he was nor sad nor merry.

**CLEOPATRA**

O well-divided disposition! Note him,  
Note him good Charmian, 'tis the man; but note him:  
He was not sad, for he would shine on those  
That make their looks by his; he was not merry,  
Which seem'd to tell them his remembrance lay  
In Egypt with his joy; but between both:  
O heavenly mingle! Be'st thou sad or merry,  
The violence of either thee becomes,  
So does it no man else. Met'st thou my posts?

**ALEXAS**

Ay, madam, twenty several messengers:  
Why do you send so thick?

**CLEOPATRA**

Who's born that day  
When I forget to send to Antony,  
Shall die a beggar. Ink and paper, Charmian.  
Welcome, my good Alexas. Did I, Charmian,  
Ever love Caesar so?

**CHARMIAN**

O that brave Caesar!

## CLEOPATRA

Be choked with such another emphasis!  
Say, the brave Antony.

## CHARMIAN

The valiant Caesar!

## CLEOPATRA

By Isis, I will give thee bloody teeth,  
If thou with Caesar paragon again  
My man of men.

## CHARMIAN

By your most gracious pardon,  
I sing but after you.

## CLEOPATRA

My salad days,  
When I was green in judgment: cold in blood,  
To say as I said then! But, come, away;  
Get me ink and paper:  
He shall have every day a several greeting,  
Or I'll unpeople Egypt.

*Exeunt*

## SCENE I. Messina. POMPEY's house.

*Enter POMPEY, MENECRATES, and MENAS, in warlike manner*

### POMPEY

If the great gods be just, they shall assist  
The deeds of justest men.

### MENECRATES

Know, worthy Pompey,  
That what they do delay, they not deny.

### POMPEY

Whiles we are suitors to their throne, decays  
The thing we sue for.

### MENECRATES

We, ignorant of ourselves,  
Beg often our own harms, which the wise powers  
Deny us for our good; so find we profit  
By losing of our prayers.

### POMPEY

I shall do well:  
The people love me, and the sea is mine;  
My powers are crescent, and my auguring hope  
Says it will come to the full. Mark Antony  
In Egypt sits at dinner, and will make  
No wars without doors: Caesar gets money where  
He loses hearts: Lepidus flatters both,  
Of both is flatter'd; but he neither loves,

Nor either cares for him.

**MENAS**

Caesar and Lepidus  
Are in the field: a mighty strength they carry.

**POMPEY**

Where have you this? 'tis false.

**MENAS**

From Silvius, sir.

**POMPEY**

He dreams: I know they are in Rome together,  
Looking for Antony. But all the charms of love,  
Salt Cleopatra, soften thy waned lip!  
Let witchcraft join with beauty, lust with both!  
Tie up the libertine in a field of feasts,  
Keep his brain fuming; Epicurean cooks  
Sharpen with cloyless sauce his appetite;  
That sleep and feeding may prorogue his honour  
Even till a Lethe'd dulness!

*Enter VARRIUS*

How now, Varrius!

**VARRIUS**

This is most certain that I shall deliver:  
Mark Antony is every hour in Rome  
Expected: since he went from Egypt 'tis  
A space for further travel.

**POMPEY**

I could have given less matter

A better ear. Menas, I did not think  
This amorous surfeiter would have donn'd his helm  
For such a petty war: his soldiership  
Is twice the other twain: but let us rear  
The higher our opinion, that our stirring  
Can from the lap of Egypt's widow pluck  
The ne'er-lust-wearied Antony.

## **MENAS**

I cannot hope  
Caesar and Antony shall well greet together:  
His wife that's dead did trespasses to Caesar;  
His brother warr'd upon him; although, I think,  
Not moved by Antony.

## **POMPEY**

I know not, Menas,  
How lesser enmities may give way to greater.  
Were't not that we stand up against them all,  
'Twere pregnant they should square between  
themselves;  
For they have entertained cause enough  
To draw their swords: but how the fear of us  
May cement their divisions and bind up  
The petty difference, we yet not know.  
Be't as our gods will have't! It only stands  
Our lives upon to use our strongest hands.  
Come, Menas.

*Exeunt*

# Antony and Cleopatra

[Shakespeare homepage](#) | [Antony and Cleopatra](#) | Act 2, Scene 2

[Previous scene](#) | [Next scene](#)

## SCENE II. Rome. The house of LEPIDUS.

*Enter DOMITIUS ENOBARBUS and LEPIDUS*

### LEPIDUS

Good Enobarbus, 'tis a worthy deed,  
And shall become you well, to entreat your captain  
To soft and gentle speech.

### DOMITIUS ENOBARBUS

I shall entreat him  
To answer like himself: if Caesar move him,  
Let Antony look over Caesar's head  
And speak as loud as Mars. By Jupiter,  
Were I the wearer of Antonius' beard,  
I would not shave't to-day.

### LEPIDUS

'Tis not a time  
For private stomaching.

### DOMITIUS ENOBARBUS

Every time  
Serves for the matter that is then born in't.

### LEPIDUS

But small to greater matters must give way.

### DOMITIUS ENOBARBUS

Not if the small come first.

## **LEPIDUS**

Your speech is passion:  
But, pray you, stir no embers up. Here comes  
The noble Antony.

*Enter MARK ANTONY and VENTIDIUS*

## **DOMITIUS ENOBARBUS**

And yonder, Caesar.

*Enter OCTAVIUS CAESAR, MECAENAS, and AGRIPPA*

## **MARK ANTONY**

If we compose well here, to Parthia:  
Hark, Ventidius.

## **OCTAVIUS CAESAR**

I do not know,  
Mecenas; ask Agrippa.

## **LEPIDUS**

Noble friends,  
That which combined us was most great, and let not  
A leaner action rend us. What's amiss,  
May it be gently heard: when we debate  
Our trivial difference loud, we do commit  
Murder in healing wounds: then, noble partners,  
The rather, for I earnestly beseech,  
Touch you the sourest points with sweetest terms,  
Nor curstness grow to the matter.

## **MARK ANTONY**

'Tis spoken well.  
Were we before our armies, and to fight.  
I should do thus.

*Flourish*

**OCTAVIUS CAESAR**

Welcome to Rome.

**MARK ANTONY**

Thank you.

**OCTAVIUS CAESAR**

Sit.

**MARK ANTONY**

Sit, sir.

**OCTAVIUS CAESAR**

Nay, then.

**MARK ANTONY**

I learn, you take things ill which are not so,  
Or being, concern you not.

**OCTAVIUS CAESAR**

I must be laugh'd at,  
If, or for nothing or a little, I  
Should say myself offended, and with you  
Chiefly i' the world; more laugh'd at, that I should  
Once name you derogately, when to sound your name  
It not concern'd me.

**MARK ANTONY**

My being in Egypt, Caesar,  
What was't to you?

## **OCTAVIUS CAESAR**

No more than my residing here at Rome  
Might be to you in Egypt: yet, if you there  
Did practise on my state, your being in Egypt  
Might be my question.

## **MARK ANTONY**

How intend you, practised?

## **OCTAVIUS CAESAR**

You may be pleased to catch at mine intent  
By what did here befall me. Your wife and brother  
Made wars upon me; and their contestation  
Was theme for you, you were the word of war.

## **MARK ANTONY**

You do mistake your business; my brother never  
Did urge me in his act: I did inquire it;  
And have my learning from some true reports,  
That drew their swords with you. Did he not rather  
Discredit my authority with yours;  
And make the wars alike against my stomach,  
Having alike your cause? Of this my letters  
Before did satisfy you. If you'll patch a quarrel,  
As matter whole you have not to make it with,  
It must not be with this.

## **OCTAVIUS CAESAR**

You praise yourself  
By laying defects of judgment to me; but  
You patch'd up your excuses.

## **MARK ANTONY**

Not so, not so;  
I know you could not lack, I am certain on't,  
Very necessity of this thought, that I,

Your partner in the cause 'gainst which he fought,  
Could not with graceful eyes attend those wars  
Which fronted mine own peace. As for my wife,  
I would you had her spirit in such another:  
The third o' the world is yours; which with a snaffle  
You may pace easy, but not such a wife.

### **DOMITIUS ENOBARBUS**

Would we had all such wives, that the men might go  
to wars with the women!

### **MARK ANTONY**

So much uncurbable, her garboils, Caesar  
Made out of her impatience, which not wanted  
Shrewdness of policy too, I grieving grant  
Did you too much disquiet: for that you must  
But say, I could not help it.

### **OCTAVIUS CAESAR**

I wrote to you  
When rioting in Alexandria; you  
Did pocket up my letters, and with taunts  
Did gibe my missive out of audience.

### **MARK ANTONY**

Sir,  
He fell upon me ere admitted: then  
Three kings I had newly feasted, and did want  
Of what I was i' the morning: but next day  
I told him of myself; which was as much  
As to have ask'd him pardon. Let this fellow  
Be nothing of our strife; if we contend,  
Out of our question wipe him.

### **OCTAVIUS CAESAR**

You have broken  
The article of your oath; which you shall never

Have tongue to charge me with.

**LEPIDUS**

Soft, Caesar!

**MARK ANTONY**

No,  
Lepidus, let him speak:  
The honour is sacred which he talks on now,  
Supposing that I lack'd it. But, on, Caesar;  
The article of my oath.

**OCTAVIUS CAESAR**

To lend me arms and aid when I required them;  
The which you both denied.

**MARK ANTONY**

Neglected, rather;  
And then when poison'd hours had bound me up  
From mine own knowledge. As nearly as I may,  
I'll play the penitent to you: but mine honesty  
Shall not make poor my greatness, nor my power  
Work without it. Truth is, that Fulvia,  
To have me out of Egypt, made wars here;  
For which myself, the ignorant motive, do  
So far ask pardon as befits mine honour  
To stoop in such a case.

**LEPIDUS**

'Tis noble spoken.

**MECAENAS**

If it might please you, to enforce no further  
The griefs between ye: to forget them quite  
Were to remember that the present need  
Speaks to atone you.

## **LEPIDUS**

Worthily spoken, Mecaenas.

## **DOMITIUS ENOBARBUS**

Or, if you borrow one another's love for the instant, you may, when you hear no more words of Pompey, return it again: you shall have time to wrangle in when you have nothing else to do.

## **MARK ANTONY**

Thou art a soldier only: speak no more.

## **DOMITIUS ENOBARBUS**

That truth should be silent I had almost forgot.

## **MARK ANTONY**

You wrong this presence; therefore speak no more.

## **DOMITIUS ENOBARBUS**

Go to, then; your considerate stone.

## **OCTAVIUS CAESAR**

I do not much dislike the matter, but  
The manner of his speech; for't cannot be  
We shall remain in friendship, our conditions  
So differing in their acts. Yet if I knew  
What hoop should hold us stanch, from edge to edge  
O' the world I would pursue it.

## **AGRIPPA**

Give me leave, Caesar,--

## **OCTAVIUS CAESAR**

Speak, Agrippa.

## **AGRIPPA**

Thou hast a sister by the mother's side,  
Admired Octavia: great Mark Antony  
Is now a widower.

## **OCTAVIUS CAESAR**

Say not so, Agrippa:  
If Cleopatra heard you, your reproof  
Were well deserved of rashness.

## **MARK ANTONY**

I am not married, Caesar: let me hear  
Agrippa further speak.

## **AGRIPPA**

To hold you in perpetual amity,  
To make you brothers, and to knit your hearts  
With an unslipping knot, take Antony  
Octavia to his wife; whose beauty claims  
No worse a husband than the best of men;  
Whose virtue and whose general graces speak  
That which none else can utter. By this marriage,  
All little jealousies, which now seem great,  
And all great fears, which now import their dangers,  
Would then be nothing: truths would be tales,  
Where now half tales be truths: her love to both  
Would, each to other and all loves to both,  
Draw after her. Pardon what I have spoke;  
For 'tis a studied, not a present thought,  
By duty ruminated.

## **MARK ANTONY**

Will Caesar speak?

## **OCTAVIUS CAESAR**

Not till he hears how Antony is touch'd  
With what is spoke already.

## **MARK ANTONY**

What power is in Agrippa,  
If I would say, 'Agrippa, be it so,'  
To make this good?

## **OCTAVIUS CAESAR**

The power of Caesar, and  
His power unto Octavia.

## **MARK ANTONY**

May I never  
To this good purpose, that so fairly shows,  
Dream of impediment! Let me have thy hand:  
Further this act of grace: and from this hour  
The heart of brothers govern in our loves  
And sway our great designs!

## **OCTAVIUS CAESAR**

There is my hand.  
A sister I bequeath you, whom no brother  
Did ever love so dearly: let her live  
To join our kingdoms and our hearts; and never  
Fly off our loves again!

## **LEPIDUS**

Happily, amen!

## **MARK ANTONY**

I did not think to draw my sword 'gainst Pompey;

For he hath laid strange courtesies and great  
Of late upon me: I must thank him only,  
Lest my remembrance suffer ill report;  
At heel of that, defy him.

**LEPIDUS**

Time calls upon's:  
Of us must Pompey presently be sought,  
Or else he seeks out us.

**MARK ANTONY**

Where lies he?

**OCTAVIUS CAESAR**

About the mount Misenum.

**MARK ANTONY**

What is his strength by land?

**OCTAVIUS CAESAR**

Great and increasing: but by sea  
He is an absolute master.

**MARK ANTONY**

So is the fame.  
Would we had spoke together! Haste we for it:  
Yet, ere we put ourselves in arms, dispatch we  
The business we have talk'd of.

**OCTAVIUS CAESAR**

With most gladness:  
And do invite you to my sister's view,  
Whither straight I'll lead you.

## **MARK ANTONY**

Let us, Lepidus,  
Not lack your company.

## **LEPIDUS**

Noble Antony,  
Not sickness should detain me.

*Flourish. Exeunt OCTAVIUS CAESAR, MARK ANTONY, and LEPIDUS*

## **MECAENAS**

Welcome from Egypt, sir.

## **DOMITIUS ENO BARBUS**

Half the heart of Caesar, worthy Mecaenas! My  
honourable friend, Agrippa!

## **AGRIPPA**

Good Enobarbus!

## **MECAENAS**

We have cause to be glad that matters are so well  
digested. You stayed well by 't in Egypt.

## **DOMITIUS ENO BARBUS**

Ay, sir; we did sleep day out of countenance, and  
made the night light with drinking.

## **MECAENAS**

Eight wild-boars roasted whole at a breakfast, and  
but twelve persons there; is this true?

## **DOMITIUS ENO BARBUS**

This was but as a fly by an eagle: we had much more monstrous matter of feast, which worthily deserved noting.

### **MECAENAS**

She's a most triumphant lady, if report be square to her.

### **DOMITIUS ENOBARBUS**

When she first met Mark Antony, she pursed up his heart, upon the river of Cydnus.

### **AGRIPPA**

There she appeared indeed; or my reporter devised well for her.

### **DOMITIUS ENOBARBUS**

I will tell you.  
The barge she sat in, like a burnish'd throne,  
Burn'd on the water: the poop was beaten gold;  
Purple the sails, and so perfumed that  
The winds were love-sick with them; the oars were silver,  
Which to the tune of flutes kept stroke, and made  
The water which they beat to follow faster,  
As amorous of their strokes. For her own person,  
It beggar'd all description: she did lie  
In her pavilion--cloth-of-gold of tissue--  
O'er-picturing that Venus where we see  
The fancy outwork nature: on each side her  
Stood pretty dimpled boys, like smiling Cupids,  
With divers-colour'd fans, whose wind did seem  
To glow the delicate cheeks which they did cool,  
And what they undid did.

### **AGRIPPA**

O, rare for Antony!

## **DOMITIUS ENOBARBUS**

Her gentlewomen, like the Nereides,  
So many mermaids, tended her i' the eyes,  
And made their bends adornings: at the helm  
A seeming mermaid steers: the silken tackle  
Swell with the touches of those flower-soft hands,  
That yarely frame the office. From the barge  
A strange invisible perfume hits the sense  
Of the adjacent wharfs. The city cast  
Her people out upon her; and Antony,  
Enthroned i' the market-place, did sit alone,  
Whistling to the air; which, but for vacancy,  
Had gone to gaze on Cleopatra too,  
And made a gap in nature.

## **AGRIPPA**

Rare Egyptian!

## **DOMITIUS ENOBARBUS**

Upon her landing, Antony sent to her,  
Invited her to supper: she replied,  
It should be better he became her guest;  
Which she entreated: our courteous Antony,  
Whom ne'er the word of 'No' woman heard speak,  
Being barber'd ten times o'er, goes to the feast,  
And for his ordinary pays his heart  
For what his eyes eat only.

## **AGRIPPA**

Royal wench!  
She made great Caesar lay his sword to bed:  
He plough'd her, and she cropp'd.

## **DOMITIUS ENOBARBUS**

I saw her once  
Hop forty paces through the public street;  
And having lost her breath, she spoke, and panted,

That she did make defect perfection,  
And, breathless, power breathe forth.

**MECAENAS**

Now Antony must leave her utterly.

**DOMITIUS ENOBARBUS**

Never; he will not:  
Age cannot wither her, nor custom stale  
Her infinite variety: other women cloy  
The appetites they feed: but she makes hungry  
Where most she satisfies; for vilest things  
Become themselves in her: that the holy priests  
Bless her when she is riggish.

**MECAENAS**

If beauty, wisdom, modesty, can settle  
The heart of Antony, Octavia is  
A blessed lottery to him.

**AGRIPPA**

Let us go.  
Good Enobarbus, make yourself my guest  
Whilst you abide here.

**DOMITIUS ENOBARBUS**

Humbly, sir, I thank you.

*Exeunt*

# Antony and Cleopatra

[Shakespeare homepage](#) | [Antony and Cleopatra](#) | Act 2, Scene 3

[Previous scene](#) | [Next scene](#)

## SCENE III. The same. OCTAVIUS CAESAR's house.

*Enter MARK ANTONY, OCTAVIUS CAESAR, OCTAVIA between them, and Attendants*

**MARK ANTONY**

The world and my great office will sometimes  
Divide me from your bosom.

**OCTAVIA**

All which time  
Before the gods my knee shall bow my prayers  
To them for you.

**MARK ANTONY**

Good night, sir. My Octavia,  
Read not my blemishes in the world's report:  
I have not kept my square; but that to come  
Shall all be done by the rule. Good night, dear lady.  
Good night, sir.

**OCTAVIUS CAESAR**

Good night.

*Exeunt OCTAVIUS CAESAR and OCTAVIA*

*Enter Soothsayer*

**MARK ANTONY**

Now, sirrah; you do wish yourself in Egypt?

**Soothsayer**

Would I had never come from thence, nor you Thither!

**MARK ANTONY**

If you can, your reason?

**Soothsayer**

I see it in  
My motion, have it not in my tongue: but yet  
Hie you to Egypt again.

**MARK ANTONY**

Say to me,  
Whose fortunes shall rise higher, Caesar's or mine?

**Soothsayer**

Caesar's.  
Therefore, O Antony, stay not by his side:  
Thy demon, that's thy spirit which keeps thee, is  
Noble, courageous high, unmatched,  
Where Caesar's is not; but, near him, thy angel  
Becomes a fear, as being o'erpower'd: therefore  
Make space enough between you.

**MARK ANTONY**

Speak this no more.

**Soothsayer**

To none but thee; no more, but when to thee.  
If thou dost play with him at any game,  
Thou art sure to lose; and, of that natural luck,  
He beats thee 'gainst the odds: thy lustre thickens,  
When he shines by: I say again, thy spirit  
Is all afraid to govern thee near him;  
But, he away, 'tis noble.

## MARK ANTONY

Get thee gone:  
Say to Ventidius I would speak with him:

*Exit Soothsayer*

He shall to Parthia. Be it art or hap,  
He hath spoken true: the very dice obey him;  
And in our sports my better cunning faints  
Under his chance: if we draw lots, he speeds;  
His cocks do win the battle still of mine,  
When it is all to nought; and his quails ever  
Beat mine, inhoop'd, at odds. I will to Egypt:  
And though I make this marriage for my peace,  
I' the east my pleasure lies.

*Enter VENTIDIUS*

O, come, Ventidius,  
You must to Parthia: your commission's ready;  
Follow me, and receive't.

*Exeunt*

## SCENE IV. The same. A street.

*Enter LEPIDUS, MECAENAS, and AGRIPPA*

**LEPIDUS**

Trouble yourselves no further: pray you, hasten  
Your generals after.

**AGRIPPA**

Sir, Mark Antony  
Will e'en but kiss Octavia, and we'll follow.

**LEPIDUS**

Till I shall see you in your soldier's dress,  
Which will become you both, farewell.

**MECAENAS**

We shall,  
As I conceive the journey, be at the Mount  
Before you, Lepidus.

**LEPIDUS**

Your way is shorter;  
My purposes do draw me much about:  
You'll win two days upon me.

**MECAENAS AGRIPPA**

Sir, good success!

Farewell.

*Exeunt*

## SCENE V. Alexandria. CLEOPATRA's palace.

*Enter CLEOPATRA, CHARMIAN, IRAS, and ALEXAS*

**CLEOPATRA**

Give me some music; music, moody food  
Of us that trade in love.

**Attendants**

The music, ho!

*Enter MARDIAN*

**CLEOPATRA**

Let it alone; let's to billiards: come, Charmian.

**CHARMIAN**

My arm is sore; best play with Mardian.

**CLEOPATRA**

As well a woman with an eunuch play'd  
As with a woman. Come, you'll play with me, sir?

**MARDIAN**

As well as I can, madam.

**CLEOPATRA**

And when good will is show'd, though't come

too short,  
The actor may plead pardon. I'll none now:  
Give me mine angle; we'll to the river: there,  
My music playing far off, I will betray  
Tawny-finn'd fishes; my bended hook shall pierce  
Their slimy jaws; and, as I draw them up,  
I'll think them every one an Antony,  
And say 'Ah, ha! you're caught.'

## **CHARMIAN**

'Twas merry when  
You wager'd on your angling; when your diver  
Did hang a salt-fish on his hook, which he  
With fervency drew up.

## **CLEOPATRA**

That time,--O times!--  
I laugh'd him out of patience; and that night  
I laugh'd him into patience; and next morn,  
Ere the ninth hour, I drunk him to his bed;  
Then put my tires and mantles on him, whilst  
I wore his sword Philippan.

*Enter a Messenger*

O, from Italy  
Ram thou thy fruitful tidings in mine ears,  
That long time have been barren.

## **Messenger**

Madam, madam,--

## **CLEOPATRA**

Antonius dead!--If thou say so, villain,  
Thou kill'st thy mistress: but well and free,  
If thou so yield him, there is gold, and here  
My bluest veins to kiss; a hand that kings  
Have lipp'd, and trembled kissing.

**Messenger**

First, madam, he is well.

**CLEOPATRA**

Why, there's more gold.  
But, sirrah, mark, we use  
To say the dead are well: bring it to that,  
The gold I give thee will I melt and pour  
Down thy ill-uttering throat.

**Messenger**

Good madam, hear me.

**CLEOPATRA**

Well, go to, I will;  
But there's no goodness in thy face: if Antony  
Be free and healthful,--so tart a favour  
To trumpet such good tidings! If not well,  
Thou shouldst come like a Fury crown'd with snakes,  
Not like a formal man.

**Messenger**

Will't please you hear me?

**CLEOPATRA**

I have a mind to strike thee ere thou speak'st:  
Yet if thou say Antony lives, is well,  
Or friends with Caesar, or not captive to him,  
I'll set thee in a shower of gold, and hail  
Rich pearls upon thee.

**Messenger**

Madam, he's well.

**CLEOPATRA**

Well said.

**Messenger**

And friends with Caesar.

**CLEOPATRA**

Thou'rt an honest man.

**Messenger**

Caesar and he are greater friends than ever.

**CLEOPATRA**

Make thee a fortune from me.

**Messenger**

But yet, madam,--

**CLEOPATRA**

I do not like 'But yet,' it does allay  
The good precedence; fie upon 'But yet!'  
'But yet' is as a gaoler to bring forth  
Some monstrous malefactor. Prithee, friend,  
Pour out the pack of matter to mine ear,  
The good and bad together: he's friends with Caesar:  
In state of health thou say'st; and thou say'st free.

**Messenger**

Free, madam! no; I made no such report:  
He's bound unto Octavia.

**CLEOPATRA**

For what good turn?

**Messenger**

For the best turn i' the bed.

**CLEOPATRA**

I am pale, Charmian.

**Messenger**

Madam, he's married to Octavia.

**CLEOPATRA**

The most infectious pestilence upon thee!

*Strikes him down*

**Messenger**

Good madam, patience.

**CLEOPATRA**

What say you? Hence,

*Strikes him again*

Horrible villain! or I'll spurn thine eyes  
Like balls before me; I'll unhair thy head:

*She hales him up and down*

Thou shalt be whipp'd with wire, and stew'd in brine,  
Smarting in lingering pickle.

**Messenger**

Gracious madam,  
I that do bring the news made not the match.

**CLEOPATRA**

Say 'tis not so, a province I will give thee,  
And make thy fortunes proud: the blow thou hadst  
Shall make thy peace for moving me to rage;  
And I will boot thee with what gift beside  
Thy modesty can beg.

**Messenger**

He's married, madam.

**CLEOPATRA**

Rogue, thou hast lived too long.

*Draws a knife*

**Messenger**

Nay, then I'll run.  
What mean you, madam? I have made no fault.

*Exit*

**CHARMIAN**

Good madam, keep yourself within yourself:  
The man is innocent.

**CLEOPATRA**

Some innocents 'scape not the thunderbolt.  
Melt Egypt into Nile! and kindly creatures  
Turn all to serpents! Call the slave again:  
Though I am mad, I will not bite him: call.

**CHARMIAN**

He is afeard to come.

**CLEOPATRA**

I will not hurt him.

*Exit CHARMIAN*

These hands do lack nobility, that they strike  
A meaner than myself; since I myself  
Have given myself the cause.

*Re-enter CHARMIAN and Messenger*

Come hither, sir.  
Though it be honest, it is never good  
To bring bad news: give to a gracious message.  
An host of tongues; but let ill tidings tell  
Themselves when they be felt.

**Messenger**

I have done my duty.

**CLEOPATRA**

Is he married?  
I cannot hate thee worser than I do,  
If thou again say 'Yes.'

**Messenger**

He's married, madam.

**CLEOPATRA**

The gods confound thee! dost thou hold there still?

**Messenger**

Should I lie, madam?

**CLEOPATRA**

O, I would thou didst,  
So half my Egypt were submerged and made  
A cistern for scaled snakes! Go, get thee hence:  
Hadst thou Narcissus in thy face, to me  
Thou wouldst appear most ugly. He is married?

**Messenger**

I crave your highness' pardon.

**CLEOPATRA**

He is married?

**Messenger**

Take no offence that I would not offend you:  
To punish me for what you make me do.  
Seems much unequal: he's married to Octavia.

**CLEOPATRA**

O, that his fault should make a knave of thee,  
That art not what thou'rt sure of! Get thee hence:  
The merchandise which thou hast brought from Rome  
Are all too dear for me: lie they upon thy hand,  
And be undone by 'em!

*Exit Messenger*

**CHARMIAN**

Good your highness, patience.

**CLEOPATRA**

In praising Antony, I have dispraised Caesar.

## CHARMIAN

Many times, madam.

## CLEOPATRA

I am paid for't now.

Lead me from hence:

I faint: O Iras, Charmian! 'tis no matter.

Go to the fellow, good Alexas; bid him

Report the feature of Octavia, her years,

Her inclination, let him not leave out

The colour of her hair: bring me word quickly.

*Exit ALEXAS*

Let him for ever go:--let him not--Charmian,

Though he be painted one way like a Gorgon,

The other way's a Mars. Bid you Alexas

*To MARDIAN*

Bring me word how tall she is. Pity me, Charmian,

But do not speak to me. Lead me to my chamber.

*Exeunt*

## SCENE VI. Near Misenum.

*Flourish. Enter POMPEY and MENAS at one door, with drum and trumpet: at another, OCTAVIUS CAESAR, MARK ANTONY, LEPIDUS, DOMITIUS ENOBARBUS, MECAENAS, with Soldiers marching*

### POMPEY

Your hostages I have, so have you mine;  
And we shall talk before we fight.

### OCTAVIUS CAESAR

Most meet  
That first we come to words; and therefore have we  
Our written purposes before us sent;  
Which, if thou hast consider'd, let us know  
If 'twill tie up thy discontented sword,  
And carry back to Sicily much tall youth  
That else must perish here.

### POMPEY

To you all three,  
The senators alone of this great world,  
Chief factors for the gods, I do not know  
Wherefore my father should revengers want,  
Having a son and friends; since Julius Caesar,  
Who at Philippi the good Brutus ghosted,  
There saw you labouring for him. What was't  
That moved pale Cassius to conspire; and what  
Made the all-honour'd, honest Roman, Brutus,  
With the arm'd rest, courtiers and beauteous freedom,  
To drench the Capitol; but that they would  
Have one man but a man? And that is it  
Hath made me rig my navy; at whose burthen

The anger'd ocean foams; with which I meant  
To scourge the ingratitude that despiteful Rome  
Cast on my noble father.

**OCTAVIUS CAESAR**

Take your time.

**MARK ANTONY**

Thou canst not fear us, Pompey, with thy sails;  
We'll speak with thee at sea: at land, thou know'st  
How much we do o'er-count thee.

**POMPEY**

At land, indeed,  
Thou dost o'er-count me of my father's house:  
But, since the cuckoo builds not for himself,  
Remain in't as thou mayst.

**LEPIDUS**

Be pleased to tell us--  
For this is from the present--how you take  
The offers we have sent you.

**OCTAVIUS CAESAR**

There's the point.

**MARK ANTONY**

Which do not be entreated to, but weigh  
What it is worth embraced.

**OCTAVIUS CAESAR**

And what may follow,  
To try a larger fortune.

## **POMPEY**

You have made me offer  
Of Sicily, Sardinia; and I must  
Rid all the sea of pirates; then, to send  
Measures of wheat to Rome; this 'greed upon  
To part with unhack'd edges, and bear back  
Our targes undinted.

## **OCTAVIUS CAESAR MARK ANTONY LEPIDUS**

That's our offer.

## **POMPEY**

Know, then,  
I came before you here a man prepared  
To take this offer: but Mark Antony  
Put me to some impatience: though I lose  
The praise of it by telling, you must know,  
When Caesar and your brother were at blows,  
Your mother came to Sicily and did find  
Her welcome friendly.

## **MARK ANTONY**

I have heard it, Pompey;  
And am well studied for a liberal thanks  
Which I do owe you.

## **POMPEY**

Let me have your hand:  
I did not think, sir, to have met you here.

## **MARK ANTONY**

The beds i' the east are soft; and thanks to you,  
That call'd me timelier than my purpose hither;  
For I have gain'd by 't.

## **OCTAVIUS CAESAR**

Since I saw you last,  
There is a change upon you.

**POMPEY**

Well, I know not  
What counts harsh fortune casts upon my face;  
But in my bosom shall she never come,  
To make my heart her vassal.

**LEPIDUS**

Well met here.

**POMPEY**

I hope so, Lepidus. Thus we are agreed:  
I crave our composition may be written,  
And seal'd between us.

**OCTAVIUS CAESAR**

That's the next to do.

**POMPEY**

We'll feast each other ere we part; and let's  
Draw lots who shall begin.

**MARK ANTONY**

That will I, Pompey.

**POMPEY**

No, Antony, take the lot: but, first  
Or last, your fine Egyptian cookery  
Shall have the fame. I have heard that Julius Caesar  
Grew fat with feasting there.

**MARK ANTONY**

You have heard much.

**POMPEY**

I have fair meanings, sir.

**MARK ANTONY**

And fair words to them.

**POMPEY**

Then so much have I heard:  
And I have heard, Apollodorus carried--

**DOMITIUS ENOBARBUS**

No more of that: he did so.

**POMPEY**

What, I pray you?

**DOMITIUS ENOBARBUS**

A certain queen to Caesar in a mattress.

**POMPEY**

I know thee now: how farest thou, soldier?

**DOMITIUS ENOBARBUS**

Well;  
And well am like to do; for, I perceive,  
Four feasts are toward.

**POMPEY**

Let me shake thy hand;  
I never hated thee: I have seen thee fight,  
When I have envied thy behavior.

**DOMITIUS ENOBARBUS**

Sir,  
I never loved you much; but I ha' praised ye,  
When you have well deserved ten times as much  
As I have said you did.

**POMPEY**

Enjoy thy plainness,  
It nothing ill becomes thee.  
Aboard my galley I invite you all:  
Will you lead, lords?

**OCTAVIUS CAESAR MARK ANTONY LEPIDUS**

Show us the way, sir.

**POMPEY**

Come.

*Exeunt all but MENAS and ENOBARBUS*

**MENAS**

[Aside] Thy father, Pompey, would ne'er have  
made this treaty.--You and I have known, sir.

**DOMITIUS ENOBARBUS**

At sea, I think.

**MENAS**

We have, sir.

**DOMITIUS ENO BARBUS**

You have done well by water.

**MENAS**

And you by land.

**DOMITIUS ENO BARBUS**

I will praise any man that will praise me; though it cannot be denied what I have done by land.

**MENAS**

Nor what I have done by water.

**DOMITIUS ENO BARBUS**

Yes, something you can deny for your own safety: you have been a great thief by sea.

**MENAS**

And you by land.

**DOMITIUS ENO BARBUS**

There I deny my land service. But give me your hand, Menas: if our eyes had authority, here they might take two thieves kissing.

**MENAS**

All men's faces are true, whosome'er their hands are.

**DOMITIUS ENO BARBUS**

But there is never a fair woman has a true face.

**MENAS**

No slander; they steal hearts.

**DOMITIUS ENOBARBUS**

We came hither to fight with you.

**MENAS**

For my part, I am sorry it is turned to a drinking.  
Pompey doth this day laugh away his fortune.

**DOMITIUS ENOBARBUS**

If he do, sure, he cannot weep't back again.

**MENAS**

You've said, sir. We looked not for Mark Antony  
here: pray you, is he married to Cleopatra?

**DOMITIUS ENOBARBUS**

Caesar's sister is called Octavia.

**MENAS**

True, sir; she was the wife of Caius Marcellus.

**DOMITIUS ENOBARBUS**

But she is now the wife of Marcus Antonius.

**MENAS**

Pray ye, sir?

**DOMITIUS ENOBARBUS**

'Tis true.

**MENAS**

Then is Caesar and he for ever knit together.

**DOMITIUS ENOBARBUS**

If I were bound to divine of this unity, I would not prophesy so.

**MENAS**

I think the policy of that purpose made more in the marriage than the love of the parties.

**DOMITIUS ENOBARBUS**

I think so too. But you shall find, the band that seems to tie their friendship together will be the very strangler of their amity: Octavia is of a holy, cold, and still conversation.

**MENAS**

Who would not have his wife so?

**DOMITIUS ENOBARBUS**

Not he that himself is not so; which is Mark Antony. He will to his Egyptian dish again: then shall the sighs of Octavia blow the fire up in Caesar; and, as I said before, that which is the strength of their amity shall prove the immediate author of their variance. Antony will use his affection where it is: he married but his occasion here.

**MENAS**

And thus it may be. Come, sir, will you aboard?  
I have a health for you.

**DOMITIUS ENOBARBUS**

I shall take it, sir: we have used our throats in Egypt.

**MENAS**

Come, let's away.

*Exeunt*

## SCENE VII. On board POMPEY's galley, off Misenum.

*Music plays. Enter two or three Servants with a banquet*

### First Servant

Here they'll be, man. Some o' their plants are  
ill-rooted already: the least wind i' the world  
will blow them down.

### Second Servant

Lepidus is high-coloured.

### First Servant

They have made him drink alms-drink.

### Second Servant

As they pinch one another by the disposition, he  
cries out 'No more;' reconciles them to his  
entreaty, and himself to the drink.

### First Servant

But it raises the greater war between him and  
his discretion.

### Second Servant

Why, this is to have a name in great men's  
fellowship: I had as lief have a reed that will do  
me no service as a partisan I could not heave.

### First Servant

To be called into a huge sphere, and not to be seen  
to move in't, are the holes where eyes should be,  
which pitifully disaster the cheeks.

*A sennet sounded. Enter OCTAVIUS CAESAR, MARK ANTONY, LEPIDUS, POMPEY,  
AGRIPPA, MECAENAS, DOMITIUS ENOBARBUS, MENAS, with other captains*

**MARK ANTONY**

[To OCTAVIUS CAESAR] Thus do they, sir: they take  
the flow o' the Nile  
By certain scales i' the pyramid; they know,  
By the height, the lowness, or the mean, if dearth  
Or foison follow: the higher Nilus swells,  
The more it promises: as it ebbs, the seedsman  
Upon the slime and ooze scatters his grain,  
And shortly comes to harvest.

**LEPIDUS**

You've strange serpents there.

**MARK ANTONY**

Ay, Lepidus.

**LEPIDUS**

Your serpent of Egypt is bred now of your mud by the  
operation of your sun: so is your crocodile.

**MARK ANTONY**

They are so.

**POMPEY**

Sit,--and some wine! A health to Lepidus!

**LEPIDUS**

I am not so well as I should be, but I'll ne'er out.

**DOMITIUS ENOBARBUS**

Not till you have slept; I fear me you'll be in till then.

**LEPIDUS**

Nay, certainly, I have heard the Ptolemies'  
pyramises are very goodly things; without  
contradiction, I have heard that.

**MENAS**

[Aside to POMPEY] Pompey, a word.

**POMPEY**

[Aside to MENAS] Say in mine ear:  
what is't?

**MENAS**

[Aside to POMPEY] Forsake thy seat, I do beseech  
thee, captain,  
And hear me speak a word.

**POMPEY**

[Aside to MENAS] Forbear me till anon.  
This wine for Lepidus!

**LEPIDUS**

What manner o' thing is your crocodile?

**MARK ANTONY**

It is shaped, sir, like itself; and it is as broad  
as it hath breadth: it is just so high as it is,

and moves with its own organs: it lives by that which nourisheth it; and the elements once out of it, it transmigrates.

**LEPIDUS**

What colour is it of?

**MARK ANTONY**

Of its own colour too.

**LEPIDUS**

'Tis a strange serpent.

**MARK ANTONY**

'Tis so. And the tears of it are wet.

**OCTAVIUS CAESAR**

Will this description satisfy him?

**MARK ANTONY**

With the health that Pompey gives him, else he is a very epicure.

**POMPEY**

[Aside to MENAS] Go hang, sir, hang! Tell me of that? away!

Do as I bid you. Where's this cup I call'd for?

**MENAS**

[Aside to POMPEY] If for the sake of merit thou wilt hear me,  
Rise from thy stool.

**POMPEY**

[Aside to MENAS] I think thou'rt mad.  
The matter?

*Rises, and walks aside*

**MENAS**

I have ever held my cap off to thy fortunes.

**POMPEY**

Thou hast served me with much faith. What's else to say?  
Be jolly, lords.

**MARK ANTONY**

These quick-sands, Lepidus,  
Keep off them, for you sink.

**MENAS**

Wilt thou be lord of all the world?

**POMPEY**

What say'st thou?

**MENAS**

Wilt thou be lord of the whole world? That's twice.

**POMPEY**

How should that be?

**MENAS**

But entertain it,  
And, though thou think me poor, I am the man

Will give thee all the world.

**POMPEY**

Hast thou drunk well?

**MENAS**

Now, Pompey, I have kept me from the cup.  
Thou art, if thou darest be, the earthly Jove:  
Whate'er the ocean pales, or sky inclips,  
Is thine, if thou wilt ha't.

**POMPEY**

Show me which way.

**MENAS**

These three world-sharers, these competitors,  
Are in thy vessel: let me cut the cable;  
And, when we are put off, fall to their throats:  
All there is thine.

**POMPEY**

Ah, this thou shouldst have done,  
And not have spoke on't! In me 'tis villany;  
In thee't had been good service. Thou must know,  
'Tis not my profit that does lead mine honour;  
Mine honour, it. Repent that e'er thy tongue  
Hath so betray'd thine act: being done unknown,  
I should have found it afterwards well done;  
But must condemn it now. Desist, and drink.

**MENAS**

[Aside] For this,  
I'll never follow thy pall'd fortunes more.  
Who seeks, and will not take when once 'tis offer'd,  
Shall never find it more.

**POMPEY**

This health to Lepidus!

**MARK ANTONY**

Bear him ashore. I'll pledge it for him, Pompey.

**DOMITIUS ENOBARBUS**

Here's to thee, Menas!

**MENAS**

Enobarbus, welcome!

**POMPEY**

Fill till the cup be hid.

**DOMITIUS ENOBARBUS**

There's a strong fellow, Menas.

*Pointing to the Attendant who carries off LEPIDUS*

**MENAS**

Why?

**DOMITIUS ENOBARBUS**

A' bears the third part of the world, man; see'st  
not?

**MENAS**

The third part, then, is drunk: would it were all,  
That it might go on wheels!

## **DOMITIUS ENOBARBUS**

Drink thou; increase the reels.

## **MENAS**

Come.

## **POMPEY**

This is not yet an Alexandrian feast.

## **MARK ANTONY**

It ripens towards it. Strike the vessels, ho?  
Here is to Caesar!

## **OCTAVIUS CAESAR**

I could well forbear't.  
It's monstrous labour, when I wash my brain,  
And it grows fouler.

## **MARK ANTONY**

Be a child o' the time.

## **OCTAVIUS CAESAR**

Possess it, I'll make answer:  
But I had rather fast from all four days  
Than drink so much in one.

## **DOMITIUS ENOBARBUS**

Ha, my brave emperor!

*To MARK ANTONY*

Shall we dance now the Egyptian Bacchanals,  
And celebrate our drink?

## **POMPEY**

Let's ha't, good soldier.

## **MARK ANTONY**

Come, let's all take hands,  
Till that the conquering wine hath steep'd our sense  
In soft and delicate Lethe.

## **DOMITIUS ENOBARBUS**

All take hands.  
Make battery to our ears with the loud music:  
The while I'll place you: then the boy shall sing;  
The holding every man shall bear as loud  
As his strong sides can volley.

*Music plays. DOMITIUS ENOBARBUS places them hand in hand*

### **THE SONG.**

Come, thou monarch of the vine,  
Plumpy Bacchus with pink eyne!  
In thy fats our cares be drown'd,  
With thy grapes our hairs be crown'd:  
Cup us, till the world go round,  
Cup us, till the world go round!

## **OCTAVIUS CAESAR**

What would you more? Pompey, good night. Good brother,  
Let me request you off: our graver business  
Frowns at this levity. Gentle lords, let's part;  
You see we have burnt our cheeks: strong Enobarb  
Is weaker than the wine; and mine own tongue  
Splits what it speaks: the wild disguise hath almost  
Antick'd us all. What needs more words? Good night.  
Good Antony, your hand.

## **POMPEY**

I'll try you on the shore.

**MARK ANTONY**

And shall, sir; give's your hand.

**POMPEY**

O Antony,  
You have my father's house,--But, what? we are friends.  
Come, down into the boat.

**DOMITIUS ENOBARBUS**

Take heed you fall not.

*Exeunt all but DOMITIUS ENOBARBUS and MENAS*

Menas, I'll not on shore.

**MENAS**

No, to my cabin.  
These drums! these trumpets, flutes! what!  
Let Neptune hear we bid a loud farewell  
To these great fellows: sound and be hang'd, sound out!

*Sound a flourish, with drums*

**DOMITIUS ENOBARBUS**

Ho! says a' There's my cap.

**MENAS**

Ho! Noble captain, come.

*Exeunt*

[Previous scene](#) | [Next scene](#)

# Antony and Cleopatra

[Shakespeare homepage](#) | [Antony and Cleopatra](#) | Act 3, Scene 1

[Previous scene](#) | [Next scene](#)

## SCENE I. A plain in Syria.

*Enter VENTIDIUS as it were in triumph, with SILIUS, and other Romans, Officers, and Soldiers; the dead body of PACORUS borne before him*

### VENTIDIUS

Now, darting Parthia, art thou struck; and now  
Pleased fortune does of Marcus Crassus' death  
Make me revenger. Bear the king's son's body  
Before our army. Thy Pacorus, Orodes,  
Pays this for Marcus Crassus.

### SILIUS

Noble Ventidius,  
Whilst yet with Parthian blood thy sword is warm,  
The fugitive Parthians follow; spur through Media,  
Mesopotamia, and the shelters whither  
The routed fly: so thy grand captain Antony  
Shall set thee on triumphant chariots and  
Put garlands on thy head.

### VENTIDIUS

O Silius, Silius,  
I have done enough; a lower place, note well,  
May make too great an act: for learn this, Silius;  
Better to leave undone, than by our deed  
Acquire too high a fame when him we serve's away.  
Caesar and Antony have ever won  
More in their officer than person: Sossius,  
One of my place in Syria, his lieutenant,  
For quick accumulation of renown,  
Which he achieved by the minute, lost his favour.  
Who does i' the wars more than his captain can

Becomes his captain's captain: and ambition,  
The soldier's virtue, rather makes choice of loss,  
Than gain which darkens him.  
I could do more to do Antonius good,  
But 'twould offend him; and in his offence  
Should my performance perish.

## **SILIUS**

Thou hast, Ventidius,  
that  
Without the which a soldier, and his sword,  
Grants scarce distinction. Thou wilt write to Antony!

## **VENTIDIUS**

I'll humbly signify what in his name,  
That magical word of war, we have effected;  
How, with his banners and his well-paid ranks,  
The ne'er-yet-beaten horse of Parthia  
We have jaded out o' the field.

## **SILIUS**

Where is he now?

## **VENTIDIUS**

He purposeth to Athens: whither, with what haste  
The weight we must convey with's will permit,  
We shall appear before him. On there; pass along!

*Exeunt*

# Antony and Cleopatra

[Shakespeare homepage](#) | [Antony and Cleopatra](#) | Act 3, Scene 2

[Previous scene](#) | [Next scene](#)

## SCENE II. Rome. An ante-chamber in OCTAVIUS CAESAR's house.

*Enter AGRIPPA at one door, DOMITIUS ENOBARBUS at another*

**AGRIPPA**

What, are the brothers parted?

**DOMITIUS ENOBARBUS**

They have dispatch'd with Pompey, he is gone;  
The other three are sealing. Octavia weeps  
To part from Rome; Caesar is sad; and Lepidus,  
Since Pompey's feast, as Menas says, is troubled  
With the green sickness.

**AGRIPPA**

'Tis a noble Lepidus.

**DOMITIUS ENOBARBUS**

A very fine one: O, how he loves Caesar!

**AGRIPPA**

Nay, but how dearly he adores Mark Antony!

**DOMITIUS ENOBARBUS**

Caesar? Why, he's the Jupiter of men.

**AGRIPPA**

What's Antony? The god of Jupiter.

**DOMITIUS ENOBARBUS**

Spake you of Caesar? How! the non-pareil!

**AGRIPPA**

O Antony! O thou Arabian bird!

**DOMITIUS ENOBARBUS**

Would you praise Caesar, say 'Caesar:' go no further.

**AGRIPPA**

Indeed, he plied them both with excellent praises.

**DOMITIUS ENOBARBUS**

But he loves Caesar best; yet he loves Antony:  
Ho! hearts, tongues, figures, scribes, bards,  
poets, cannot  
Think, speak, cast, write, sing, number, ho!  
His love to Antony. But as for Caesar,  
Kneel down, kneel down, and wonder.

**AGRIPPA**

Both he loves.

**DOMITIUS ENOBARBUS**

They are his shards, and he their beetle.

*Trumpets within*

So;  
This is to horse. Adieu, noble Agrippa.

**AGRIPPA**

Good fortune, worthy soldier; and farewell.

*Enter OCTAVIUS CAESAR, MARK ANTONY, LEPIDUS, and OCTAVIA*

**MARK ANTONY**

No further, sir.

**OCTAVIUS CAESAR**

You take from me a great part of myself;  
Use me well in 't. Sister, prove such a wife  
As my thoughts make thee, and as my farthest band  
Shall pass on thy approval. Most noble Antony,  
Let not the piece of virtue, which is set  
Betwixt us as the cement of our love,  
To keep it builded, be the ram to batter  
The fortress of it; for better might we  
Have loved without this mean, if on both parts  
This be not cherish'd.

**MARK ANTONY**

Make me not offended  
In your distrust.

**OCTAVIUS CAESAR**

I have said.

**MARK ANTONY**

You shall not find,  
Though you be therein curious, the least cause  
For what you seem to fear: so, the gods keep you,  
And make the hearts of Romans serve your ends!  
We will here part.

**OCTAVIUS CAESAR**

Farewell, my dearest sister, fare thee well:  
The elements be kind to thee, and make

Thy spirits all of comfort! fare thee well.

**OCTAVIA**

My noble brother!

**MARK ANTONY**

The April 's in her eyes: it is love's spring,  
And these the showers to bring it on. Be cheerful.

**OCTAVIA**

Sir, look well to my husband's house; and--

**OCTAVIUS CAESAR**

What, Octavia?

**OCTAVIA**

I'll tell you in your ear.

**MARK ANTONY**

Her tongue will not obey her heart, nor can  
Her heart inform her tongue,--the swan's  
down-feather,  
That stands upon the swell at full of tide,  
And neither way inclines.

**DOMITIUS ENOBARBUS**

[Aside to AGRIPPA] Will Caesar weep?

**AGRIPPA**

[Aside to DOMITIUS ENOBARBUS] He has a cloud in 's face.

**DOMITIUS ENOBARBUS**

[Aside to AGRIPPA] He were the worse for that,  
were he a horse;  
So is he, being a man.

## **AGRIPPA**

[Aside to DOMITIUS ENOBARBUS] Why, Enobarbus,  
When Antony found Julius Caesar dead,  
He cried almost to roaring; and he wept  
When at Philippi he found Brutus slain.

## **DOMITIUS ENOBARBUS**

[Aside to AGRIPPA] That year, indeed, he was  
troubled with a rheum;  
What willingly he did confound he wail'd,  
Believe't, till I wept too.

## **OCTAVIUS CAESAR**

No, sweet Octavia,  
You shall hear from me still; the time shall not  
Out-go my thinking on you.

## **MARK ANTONY**

Come, sir, come;  
I'll wrestle with you in my strength of love:  
Look, here I have you; thus I let you go,  
And give you to the gods.

## **OCTAVIUS CAESAR**

Adieu; be happy!

## **LEPIDUS**

Let all the number of the stars give light  
To thy fair way!

## **OCTAVIUS CAESAR**

*Kisses OCTAVIA*

**MARK ANTONY**

Farewell!

*Trumpets sound. Exeunt*

## SCENE III. Alexandria. CLEOPATRA's palace.

*Enter CLEOPATRA, CHARMIAN, IRAS, and ALEXAS*

**CLEOPATRA**

Where is the fellow?

**ALEXAS**

Half afeard to come.

**CLEOPATRA**

Go to, go to.

*Enter the Messenger as before*

Come hither, sir.

**ALEXAS**

Good majesty,  
Herod of Jewry dare not look upon you  
But when you are well pleased.

**CLEOPATRA**

That Herod's head  
I'll have: but how, when Antony is gone  
Through whom I might command it? Come thou near.

**Messenger**

Most gracious majesty,--

**CLEOPATRA**

Didst thou behold Octavia?

**Messenger**

Ay, dread queen.

**CLEOPATRA**

Where?

**Messenger**

Madam, in Rome;  
I look'd her in the face, and saw her led  
Between her brother and Mark Antony.

**CLEOPATRA**

Is she as tall as me?

**Messenger**

She is not, madam.

**CLEOPATRA**

Didst hear her speak? is she shrill-tongued or low?

**Messenger**

Madam, I heard her speak; she is low-voiced.

**CLEOPATRA**

That's not so good: he cannot like her long.

**CHARMIAN**

Like her! O Isis! 'tis impossible.

**CLEOPATRA**

I think so, Charmian: dull of tongue, and dwarfish!  
What majesty is in her gait? Remember,  
If e'er thou look'dst on majesty.

**Messenger**

She creeps:  
Her motion and her station are as one;  
She shows a body rather than a life,  
A statue than a breather.

**CLEOPATRA**

Is this certain?

**Messenger**

Or I have no observance.

**CHARMIAN**

Three in Egypt  
Cannot make better note.

**CLEOPATRA**

He's very knowing;  
I do perceive't: there's nothing in her yet:  
The fellow has good judgment.

**CHARMIAN**

Excellent.

**CLEOPATRA**

Guess at her years, I prithee.

**Messenger**

Madam,  
She was a widow,--

**CLEOPATRA**

Widow! Charmian, hark.

**Messenger**

And I do think she's thirty.

**CLEOPATRA**

Bear'st thou her face in mind? is't long or round?

**Messenger**

Round even to faultiness.

**CLEOPATRA**

For the most part, too, they are foolish that are so.  
Her hair, what colour?

**Messenger**

Brown, madam: and her forehead  
As low as she would wish it.

**CLEOPATRA**

There's gold for thee.  
Thou must not take my former sharpness ill:  
I will employ thee back again; I find thee  
Most fit for business: go make thee ready;  
Our letters are prepared.

*Exit Messenger*

**CHARMIAN**

A proper man.

**CLEOPATRA**

Indeed, he is so: I repent me much  
That so I harried him. Why, methinks, by him,  
This creature's no such thing.

**CHARMIAN**

Nothing, madam.

**CLEOPATRA**

The man hath seen some majesty, and should know.

**CHARMIAN**

Hath he seen majesty? Isis else defend,  
And serving you so long!

**CLEOPATRA**

I have one thing more to ask him yet, good Charmian:  
But 'tis no matter; thou shalt bring him to me  
Where I will write. All may be well enough.

**CHARMIAN**

I warrant you, madam.

*Exeunt*

## SCENE IV. Athens. A room in MARK ANTONY's house.

*Enter MARK ANTONY and OCTAVIA*

### MARK ANTONY

Nay, nay, Octavia, not only that,--  
That were excusable, that, and thousands more  
Of semblable import,--but he hath waged  
New wars 'gainst Pompey; made his will, and read it  
To public ear:  
Spoke scantily of me: when perforce he could not  
But pay me terms of honour, cold and sickly  
He vented them; most narrow measure lent me:  
When the best hint was given him, he not took't,  
Or did it from his teeth.

### OCTAVIA

O my good lord,  
Believe not all; or, if you must believe,  
Stomach not all. A more unhappy lady,  
If this division chance, ne'er stood between,  
Praying for both parts:  
The good gods me presently,  
When I shall pray, 'O bless my lord and husband!'  
Undo that prayer, by crying out as loud,  
'O, bless my brother!' Husband win, win brother,  
Prays, and destroys the prayer; no midway  
'Twixt these extremes at all.

### MARK ANTONY

Gentle Octavia,  
Let your best love draw to that point, which seeks  
Best to preserve it: if I lose mine honour,

I lose myself: better I were not yours  
Than yours so branchless. But, as you requested,  
Yourself shall go between 's: the mean time, lady,  
I'll raise the preparation of a war  
Shall stain your brother: make your soonest haste;  
So your desires are yours.

## **OCTAVIA**

Thanks to my lord.  
The Jove of power make me most weak, most weak,  
Your reconciler! Wars 'twixt you twain would be  
As if the world should cleave, and that slain men  
Should solder up the rift.

## **MARK ANTONY**

When it appears to you where this begins,  
Turn your displeasure that way: for our faults  
Can never be so equal, that your love  
Can equally move with them. Provide your going;  
Choose your own company, and command what cost  
Your heart has mind to.

*Exeunt*

## SCENE V. The same. Another room.

*Enter DOMITIUS ENOBARBUS and EROS, meeting*

**DOMITIUS ENOBARBUS**

How now, friend Eros!

**EROS**

There's strange news come, sir.

**DOMITIUS ENOBARBUS**

What, man?

**EROS**

Caesar and Lepidus have made wars upon Pompey.

**DOMITIUS ENOBARBUS**

This is old: what is the success?

**EROS**

Caesar, having made use of him in the wars 'gainst Pompey, presently denied him rivalry; would not let him partake in the glory of the action: and not resting here, accuses him of letters he had formerly wrote to Pompey; upon his own appeal, seizes him: so the poor third is up, till death enlarge his confine.

**DOMITIUS ENOBARBUS**

Then, world, thou hast a pair of chaps, no more;  
And throw between them all the food thou hast,  
They'll grind the one the other. Where's Antony?

**EROS**

He's walking in the garden--thus; and spurns  
The rush that lies before him; cries, 'Fool Lepidus!'  
And threats the throat of that his officer  
That murder'd Pompey.

**DOMITIUS ENOBARBUS**

Our great navy's rigg'd.

**EROS**

For Italy and Caesar. More, Domitius;  
My lord desires you presently: my news  
I might have told hereafter.

**DOMITIUS ENOBARBUS**

'Twill be naught:  
But let it be. Bring me to Antony.

**EROS**

Come, sir.

*Exeunt*

# Antony and Cleopatra

[Shakespeare homepage](#) | [Antony and Cleopatra](#) | Act 3, Scene 6

[Previous scene](#) | [Next scene](#)

## SCENE VI. Rome. OCTAVIUS CAESAR's house.

*Enter OCTAVIUS CAESAR, AGRIPPA, and MECAENAS*

### OCTAVIUS CAESAR

Contemning Rome, he has done all this, and more,  
In Alexandria: here's the manner of 't:  
I' the market-place, on a tribunal silver'd,  
Cleopatra and himself in chairs of gold  
Were publicly enthroned: at the feet sat  
Caesarion, whom they call my father's son,  
And all the unlawful issue that their lust  
Since then hath made between them. Unto her  
He gave the stablishment of Egypt; made her  
Of lower Syria, Cyprus, Lydia,  
Absolute queen.

### MECAENAS

This in the public eye?

### OCTAVIUS CAESAR

I' the common show-place, where they exercise.  
His sons he there proclaim'd the kings of kings:  
Great Media, Parthia, and Armenia.  
He gave to Alexander; to Ptolemy he assign'd  
Syria, Cilicia, and Phoenicia: she  
In the habiliments of the goddess Isis  
That day appear'd; and oft before gave audience,  
As 'tis reported, so.

### MECAENAS

Let Rome be thus Inform'd.

**AGRIPPA**

Who, queasy with his insolence  
Already, will their good thoughts call from him.

**OCTAVIUS CAESAR**

The people know it; and have now received  
His accusations.

**AGRIPPA**

Who does he accuse?

**OCTAVIUS CAESAR**

Caesar: and that, having in Sicily  
Sextus Pompeius spoil'd, we had not rated him  
His part o' the isle: then does he say, he lent me  
Some shipping unrestored: lastly, he frets  
That Lepidus of the triumvirate  
Should be deposed; and, being, that we detain  
All his revenue.

**AGRIPPA**

Sir, this should be answer'd.

**OCTAVIUS CAESAR**

'Tis done already, and the messenger gone.  
I have told him, Lepidus was grown too cruel;  
That he his high authority abused,  
And did deserve his change: for what I have conquer'd,  
I grant him part; but then, in his Armenia,  
And other of his conquer'd kingdoms, I  
Demand the like.

**MECAENAS**

He'll never yield to that.

## OCTAVIUS CAESAR

Nor must not then be yielded to in this.

*Enter OCTAVIA with her train*

## OCTAVIA

Hail, Caesar, and my lord! hail, most dear Caesar!

## OCTAVIUS CAESAR

That ever I should call thee castaway!

## OCTAVIA

You have not call'd me so, nor have you cause.

## OCTAVIUS CAESAR

Why have you stol'n upon us thus! You come not  
Like Caesar's sister: the wife of Antony  
Should have an army for an usher, and  
The neighs of horse to tell of her approach  
Long ere she did appear; the trees by the way  
Should have borne men; and expectation fainted,  
Longing for what it had not; nay, the dust  
Should have ascended to the roof of heaven,  
Raised by your populous troops: but you are come  
A market-maid to Rome; and have prevented  
The ostentation of our love, which, left unshown,  
Is often left unloved; we should have met you  
By sea and land; supplying every stage  
With an augmented greeting.

## OCTAVIA

Good my lord,  
To come thus was I not constrain'd, but did  
On my free will. My lord, Mark Antony,  
Hearing that you prepared for war, acquainted

My grieved ear withal; whereon, I begg'd  
His pardon for return.

**OCTAVIUS CAESAR**

Which soon he granted,  
Being an obstruct 'tween his lust and him.

**OCTAVIA**

Do not say so, my lord.

**OCTAVIUS CAESAR**

I have eyes upon him,  
And his affairs come to me on the wind.  
Where is he now?

**OCTAVIA**

My lord, in Athens.

**OCTAVIUS CAESAR**

No, my most wronged sister; Cleopatra  
Hath nodded him to her. He hath given his empire  
Up to a whore; who now are levying  
The kings o' the earth for war; he hath assembled  
Bocchus, the king of Libya; Archelaus,  
Of Cappadocia; Philadelphos, king  
Of Paphlagonia; the Thracian king, Adallas;  
King Malchus of Arabia; King of Pont;  
Herod of Jewry; Mithridates, king  
Of Comagene; Polemon and Amyntas,  
The kings of Mede and Lycaonia,  
With a more larger list of sceptres.

**OCTAVIA**

Ay me, most wretched,  
That have my heart parted betwixt two friends

That do afflict each other!

## **OCTAVIUS CAESAR**

Welcome hither:

Your letters did withhold our breaking forth;  
Till we perceived, both how you were wrong led,  
And we in negligent danger. Cheer your heart;  
Be you not troubled with the time, which drives  
O'er your content these strong necessities;  
But let determined things to destiny  
Hold unbewail'd their way. Welcome to Rome;  
Nothing more dear to me. You are abused  
Beyond the mark of thought: and the high gods,  
To do you justice, make them ministers  
Of us and those that love you. Best of comfort;  
And ever welcome to us.

## **AGRIPPA**

Welcome, lady.

## **MECAENAS**

Welcome, dear madam.  
Each heart in Rome does love and pity you:  
Only the adulterous Antony, most large  
In his abominations, turns you off;  
And gives his potent regiment to a trull,  
That noises it against us.

## **OCTAVIA**

Is it so, sir?

## **OCTAVIUS CAESAR**

Most certain. Sister, welcome: pray you,  
Be ever known to patience: my dear'st sister!

*Exeunt*

## SCENE VII. Near Actium. MARK ANTONY's camp.

*Enter CLEOPATRA and DOMITIUS ENOBARBUS*

**CLEOPATRA**

I will be even with thee, doubt it not.

**DOMITIUS ENOBARBUS**

But why, why, why?

**CLEOPATRA**

Thou hast forspoke my being in these wars,  
And say'st it is not fit.

**DOMITIUS ENOBARBUS**

Well, is it, is it?

**CLEOPATRA**

If not denounced against us, why should not we  
Be there in person?

**DOMITIUS ENOBARBUS**

[Aside] Well, I could reply:  
If we should serve with horse and mares together,  
The horse were merely lost; the mares would bear  
A soldier and his horse.

**CLEOPATRA**

What is't you say?

**DOMITIUS ENOBARBUS**

Your presence needs must puzzle Antony;  
Take from his heart, take from his brain,  
from's time,  
What should not then be spared. He is already  
Traduced for levity; and 'tis said in Rome  
That Photinus an eunuch and your maids  
Manage this war.

**CLEOPATRA**

Sink Rome, and their tongues rot  
That speak against us! A charge we bear i' the war,  
And, as the president of my kingdom, will  
Appear there for a man. Speak not against it:  
I will not stay behind.

**DOMITIUS ENOBARBUS**

Nay, I have done.  
Here comes the emperor.

*Enter MARK ANTONY and CANIDIUS*

**MARK ANTONY**

Is it not strange, Canidius,  
That from Tarentum and Brundisium  
He could so quickly cut the Ionian sea,  
And take in Toryne? You have heard on't, sweet?

**CLEOPATRA**

Celerity is never more admired  
Than by the negligent.

**MARK ANTONY**

A good rebuke,  
Which might have well becomeed the best of men,  
To taunt at slackness. Canidius, we  
Will fight with him by sea.

**CLEOPATRA**

By sea! what else?

**CANIDIUS**

Why will my lord do so?

**MARK ANTONY**

For that he dares us to't.

**DOMITIUS ENOBARBUS**

So hath my lord dared him to single fight.

**CANIDIUS**

Ay, and to wage this battle at Pharsalia.  
Where Caesar fought with Pompey: but these offers,  
Which serve not for his vantage, be shakes off;  
And so should you.

**DOMITIUS ENOBARBUS**

Your ships are not well mann'd;  
Your mariners are muleters, reapers, people  
Ingross'd by swift impress; in Caesar's fleet  
Are those that often have 'gainst Pompey fought:  
Their ships are yare; yours, heavy: no disgrace  
Shall fall you for refusing him at sea,  
Being prepared for land.

**MARK ANTONY**

By sea, by sea.

## **DOMITIUS ENOBARBUS**

Most worthy sir, you therein throw away  
The absolute soldiership you have by land;  
Distract your army, which doth most consist  
Of war-mark'd footmen; leave unexecuted  
Your own renowned knowledge; quite forego  
The way which promises assurance; and  
Give up yourself merely to chance and hazard,  
From firm security.

## **MARK ANTONY**

I'll fight at sea.

## **CLEOPATRA**

I have sixty sails, Caesar none better.

## **MARK ANTONY**

Our overplus of shipping will we burn;  
And, with the rest full-mann'd, from the head of Actium  
Beat the approaching Caesar. But if we fail,  
We then can do't at land.

*Enter a Messenger*

Thy business?

## **Messenger**

The news is true, my lord; he is descried;  
Caesar has taken Toryne.

## **MARK ANTONY**

Can he be there in person? 'tis impossible;  
Strange that power should be. Canidius,  
Our nineteen legions thou shalt hold by land,  
And our twelve thousand horse. We'll to our ship:

Away, my Thetis!

*Enter a Soldier*

How now, worthy soldier?

**Soldier**

O noble emperor, do not fight by sea;  
Trust not to rotten planks: do you misdoubt  
This sword and these my wounds? Let the Egyptians  
And the Phoenicians go a-ducking; we  
Have used to conquer, standing on the earth,  
And fighting foot to foot.

**MARK ANTONY**

Well, well: away!

*Exeunt MARK ANTONY, QUEEN CLEOPATRA, and DOMITIUS ENOBARBUS*

**Soldier**

By Hercules, I think I am i' the right.

**CANIDIUS**

Soldier, thou art: but his whole action grows  
Not in the power on't: so our leader's led,  
And we are women's men.

**Soldier**

You keep by land  
The legions and the horse whole, do you not?

**CANIDIUS**

Marcus Octavius, Marcus Justeius,  
Publicola, and Caelius, are for sea:  
But we keep whole by land. This speed of Caesar's

Carries beyond belief.

**Soldier**

While he was yet in Rome,  
His power went out in such distractions as  
Beguiled all spies.

**CANIDIUS**

Who's his lieutenant, hear you?

**Soldier**

They say, one Taurus.

**CANIDIUS**

Well I know the man.

*Enter a Messenger*

**Messenger**

The emperor calls Canidius.

**CANIDIUS**

With news the time's with labour, and throes forth,  
Each minute, some.

*Exeunt*

# Antony and Cleopatra

[Shakespeare homepage](#) | [Antony and Cleopatra](#) | Act 3, Scene 8

[Previous scene](#) | [Next scene](#)

## SCENE VIII. A plain near Actium.

*Enter OCTAVIUS CAESAR, and TAURUS, with his army, marching*

**OCTAVIUS CAESAR**

Taurus!

**TAURUS**

My lord?

**OCTAVIUS CAESAR**

Strike not by land; keep whole: provoke not battle,  
Till we have done at sea. Do not exceed  
The prescript of this scroll: our fortune lies  
Upon this jump.

*Exeunt*

[Shakespeare homepage](#) | [Antony and Cleopatra](#) | Act 3, Scene 8

# Antony and Cleopatra

[Shakespeare homepage](#) | [Antony and Cleopatra](#) | Act 3, Scene 9

[Previous scene](#) | [Next scene](#)

## SCENE IX. Another part of the plain.

*Enter MARK ANTONY and DOMITIUS ENOBARBUS*

### MARK ANTONY

Set we our squadrons on yond side o' the hill,  
In eye of Caesar's battle; from which place  
We may the number of the ships behold,  
And so proceed accordingly.

*Exeunt*

[Shakespeare homepage](#) | [Antony and Cleopatra](#) | Act 3, Scene 9

[Previous scene](#) | [Next scene](#)

# Antony and Cleopatra

[Shakespeare homepage](#) | [Antony and Cleopatra](#) | Act 3, Scene 10

[Previous scene](#) | [Next scene](#)

## SCENE X. Another part of the plain.

*CANIDIUS marcheth with his land army one way over the stage; and TAURUS, the lieutenant of OCTAVIUS CAESAR, the other way. After their going in, is heard the noise of a sea-fight*

*Alarum. Enter DOMITIUS ENOBARBUS*

### DOMITIUS ENOBARBUS

Naught, naught all, naught! I can behold no longer:  
The Antoniad, the Egyptian admiral,  
With all their sixty, fly and turn the rudder:  
To see't mine eyes are blasted.

*Enter SCARUS*

### SCARUS

Gods and goddesses,  
All the whole synod of them!

### DOMITIUS ENOBARBUS

What's thy passion!

### SCARUS

The greater cantle of the world is lost  
With very ignorance; we have kiss'd away  
Kingdoms and provinces.

### DOMITIUS ENOBARBUS

How appears the fight?

## SCARUS

On our side like the token'd pestilence,  
Where death is sure. Yon ribaudred nag of Egypt,--  
Whom leprosy o'ertake!--i' the midst o' the fight,  
When vantage like a pair of twins appear'd,  
Both as the same, or rather ours the elder,  
The breese upon her, like a cow in June,  
Hoists sails and flies.

## DOMITIUS ENOBARBUS

That I beheld:  
Mine eyes did sicken at the sight, and could not  
Endure a further view.

## SCARUS

She once being loof'd,  
The noble ruin of her magic, Antony,  
Claps on his sea-wing, and, like a doting mallard,  
Leaving the fight in height, flies after her:  
I never saw an action of such shame;  
Experience, manhood, honour, ne'er before  
Did violate so itself.

## DOMITIUS ENOBARBUS

Alack, alack!

*Enter CANIDIUS*

## CANIDIUS

Our fortune on the sea is out of breath,  
And sinks most lamentably. Had our general  
Been what he knew himself, it had gone well:  
O, he has given example for our flight,  
Most grossly, by his own!

## DOMITIUS ENOBARBUS

Ay, are you thereabouts?  
Why, then, good night indeed.

**CANIDIUS**

Toward Peloponnesus are they fled.

**SCARUS**

'Tis easy to't; and there I will attend  
What further comes.

**CANIDIUS**

To Caesar will I render  
My legions and my horse: six kings already  
Show me the way of yielding.

**DOMITIUS ENOBARBUS**

I'll yet follow  
The wounded chance of Antony, though my reason  
Sits in the wind against me.

*Exeunt*

# Antony and Cleopatra

[Shakespeare homepage](#) | [Antony and Cleopatra](#) | Act 3, Scene 11

[Previous scene](#) | [Next scene](#)

## SCENE XI. Alexandria. CLEOPATRA's palace.

*Enter MARK ANTONY with Attendants*

**MARK ANTONY**

Hark! the land bids me tread no more upon't;  
It is ashamed to bear me! Friends, come hither:  
I am so lated in the world, that I  
Have lost my way for ever: I have a ship  
Laden with gold; take that, divide it; fly,  
And make your peace with Caesar.

**All**

Fly! not we.

**MARK ANTONY**

I have fled myself; and have instructed cowards  
To run and show their shoulders. Friends, be gone;  
I have myself resolved upon a course  
Which has no need of you; be gone:  
My treasure's in the harbour, take it. O,  
I follow'd that I blush to look upon:  
My very hairs do mutiny; for the white  
Reprove the brown for rashness, and they them  
For fear and doting. Friends, be gone: you shall  
Have letters from me to some friends that will  
Sweep your way for you. Pray you, look not sad,  
Nor make replies of loathness: take the hint  
Which my despair proclaims; let that be left  
Which leaves itself: to the sea-side straightway:  
I will possess you of that ship and treasure.  
Leave me, I pray, a little: pray you now:  
Nay, do so; for, indeed, I have lost command,

Therefore I pray you: I'll see you by and by.

*Sits down*

*Enter CLEOPATRA led by CHARMIAN and IRAS; EROS following*

**EROS**

Nay, gentle madam, to him, comfort him.

**IRAS**

Do, most dear queen.

**CHARMIAN**

Do! why: what else?

**CLEOPATRA**

Let me sit down. O Juno!

**MARK ANTONY**

No, no, no, no, no.

**EROS**

See you here, sir?

**MARK ANTONY**

O fie, fie, fie!

**CHARMIAN**

Madam!

**IRAS**

Madam, O good empress!

**EROS**

Sir, sir,--

**MARK ANTONY**

Yes, my lord, yes; he at Philippi kept  
His sword e'en like a dancer; while I struck  
The lean and wrinkled Cassius; and 'twas I  
That the mad Brutus ended: he alone  
Dealt on lieutenantry, and no practise had  
In the brave squares of war: yet now--No matter.

**CLEOPATRA**

Ah, stand by.

**EROS**

The queen, my lord, the queen.

**IRAS**

Go to him, madam, speak to him:  
He is unqualified with very shame.

**CLEOPATRA**

Well then, sustain him: O!

**EROS**

Most noble sir, arise; the queen approaches:  
Her head's declined, and death will seize her, but  
Your comfort makes the rescue.

**MARK ANTONY**

I have offended reputation,  
A most unnoble swerving.

## **EROS**

Sir, the queen.

## **MARK ANTONY**

O, whither hast thou led me, Egypt? See,  
How I convey my shame out of thine eyes  
By looking back what I have left behind  
'Stroy'd in dishonour.

## **CLEOPATRA**

O my lord, my lord,  
Forgive my fearful sails! I little thought  
You would have follow'd.

## **MARK ANTONY**

Egypt, thou knew'st too well  
My heart was to thy rudder tied by the strings,  
And thou shouldst tow me after: o'er my spirit  
Thy full supremacy thou knew'st, and that  
Thy beck might from the bidding of the gods  
Command me.

## **CLEOPATRA**

O, my pardon!

## **MARK ANTONY**

Now I must  
To the young man send humble treaties, dodge  
And palter in the shifts of lowness; who  
With half the bulk o' the world play'd as I pleased,  
Making and marring fortunes. You did know  
How much you were my conqueror; and that  
My sword, made weak by my affection, would  
Obey it on all cause.

## CLEOPATRA

Pardon, pardon!

## MARK ANTONY

Fall not a tear, I say; one of them rates  
All that is won and lost: give me a kiss;  
Even this repays me. We sent our schoolmaster;  
Is he come back? Love, I am full of lead.  
Some wine, within there, and our viands! Fortune knows  
We scorn her most when most she offers blows.

*Exeunt*

## SCENE XII. Egypt. OCTAVIUS CAESAR's camp.

*Enter OCTAVIUS CAESAR, DOLABELLA, THYREUS, with others*

### OCTAVIUS CAESAR

Let him appear that's come from Antony.  
Know you him?

### DOLABELLA

Caesar, 'tis his schoolmaster:  
An argument that he is pluck'd, when hither  
He sends so poor a pinion off his wing,  
Which had superfluous kings for messengers  
Not many moons gone by.

*Enter EUPHRONIUS, ambassador from MARK ANTONY*

### OCTAVIUS CAESAR

Approach, and speak.

### EUPHRONIUS

Such as I am, I come from Antony:  
I was of late as petty to his ends  
As is the morn-dew on the myrtle-leaf  
To his grand sea.

### OCTAVIUS CAESAR

Be't so: declare thine office.

### EUPHRONIUS

Lord of his fortunes he salutes thee, and  
Requires to live in Egypt: which not granted,  
He lessens his requests; and to thee sues  
To let him breathe between the heavens and earth,  
A private man in Athens: this for him.  
Next, Cleopatra does confess thy greatness;  
Submits her to thy might; and of thee craves  
The circle of the Ptolemies for her heirs,  
Now hazarded to thy grace.

## **OCTAVIUS CAESAR**

For Antony,  
I have no ears to his request. The queen  
Of audience nor desire shall fail, so she  
From Egypt drive her all-disgraced friend,  
Or take his life there: this if she perform,  
She shall not sue unheard. So to them both.

## **EUPHRONIUS**

Fortune pursue thee!

## **OCTAVIUS CAESAR**

Bring him through the bands.

*Exit EUPHRONIUS*

*To THYREUS*

From Antony win Cleopatra: promise,  
And in our name, what she requires; add more,  
From thine invention, offers: women are not  
In their best fortunes strong; but want will perjure  
The ne'er touch'd vestal: try thy cunning, Thyreus;  
Make thine own edict for thy pains, which we  
Will answer as a law.

## **THYREUS**

Caesar, I go.

## OCTAVIUS CAESAR

Observe how Antony becomes his flaw,  
And what thou think'st his very action speaks  
In every power that moves.

## THYREUS

Caesar, I shall.

*Exeunt*

## SCENE XIII. Alexandria. CLEOPATRA's palace.

*Enter CLEOPATRA, DOMITIUS ENOBARBUS, CHARMIAN, and IRAS*

**CLEOPATRA**

What shall we do, Enobarbus?

**DOMITIUS ENOBARBUS**

Think, and die.

**CLEOPATRA**

Is Antony or we in fault for this?

**DOMITIUS ENOBARBUS**

Antony only, that would make his will  
Lord of his reason. What though you fled  
From that great face of war, whose several ranges  
Frighted each other? why should he follow?  
The itch of his affection should not then  
Have nick'd his captainship; at such a point,  
When half to half the world opposed, he being  
The meered question: 'twas a shame no less  
Than was his loss, to course your flying flags,  
And leave his navy gazing.

**CLEOPATRA**

Prithee, peace.

*Enter MARK ANTONY with EUPHRONIUS, the Ambassador*

**MARK ANTONY**

Is that his answer?

**EUPHRONIUS**

Ay, my lord.

**MARK ANTONY**

The queen shall then have courtesy, so she  
Will yield us up.

**EUPHRONIUS**

He says so.

**MARK ANTONY**

Let her know't.  
To the boy Caesar send this grizzled head,  
And he will fill thy wishes to the brim  
With principalities.

**CLEOPATRA**

That head, my lord?

**MARK ANTONY**

To him again: tell him he wears the rose  
Of youth upon him; from which the world should note  
Something particular: his coin, ships, legions,  
May be a coward's; whose ministers would prevail  
Under the service of a child as soon  
As i' the command of Caesar: I dare him therefore  
To lay his gay comparisons apart,  
And answer me declined, sword against sword,  
Ourselves alone. I'll write it: follow me.

*Exeunt MARK ANTONY and EUPHRONIUS*

**DOMITIUS ENOBARBUS**

[Aside] Yes, like enough, high-battled Caesar will  
Unstate his happiness, and be staged to the show,  
Against a sworder! I see men's judgments are  
A parcel of their fortunes; and things outward  
Do draw the inward quality after them,  
To suffer all alike. That he should dream,  
Knowing all measures, the full Caesar will  
Answer his emptiness! Caesar, thou hast subdued  
His judgment too.

*Enter an Attendant*

**Attendant**

A messenger from CAESAR.

**CLEOPATRA**

What, no more ceremony? See, my women!  
Against the blown rose may they stop their nose  
That kneel'd unto the buds. Admit him, sir.

*Exit Attendant*

**DOMITIUS ENOBARBUS**

[Aside] Mine honesty and I begin to square.  
The loyalty well held to fools does make  
Our faith mere folly: yet he that can endure  
To follow with allegiance a fall'n lord  
Does conquer him that did his master conquer  
And earns a place i' the story.

*Enter THYREUS*

**CLEOPATRA**

Caesar's will?

**THYREUS**

Hear it apart.

**CLEOPATRA**

None but friends: say boldly.

**THYREUS**

So, haply, are they friends to Antony.

**DOMITIUS ENOBARBUS**

He needs as many, sir, as Caesar has;  
Or needs not us. If Caesar please, our master  
Will leap to be his friend: for us, you know,  
Whose he is we are, and that is, Caesar's.

**THYREUS**

So.  
Thus then, thou most renown'd: Caesar entreats,  
Not to consider in what case thou stand'st,  
Further than he is Caesar.

**CLEOPATRA**

Go on: right royal.

**THYREUS**

He knows that you embrace not Antony  
As you did love, but as you fear'd him.

**CLEOPATRA**

O!

**THYREUS**

The scars upon your honour, therefore, he  
Does pity, as constrained blemishes,

Not as deserved.

**CLEOPATRA**

He is a god, and knows  
What is most right: mine honour was not yielded,  
But conquer'd merely.

**DOMITIUS ENOBARBUS**

[Aside] To be sure of that,  
I will ask Antony. Sir, sir, thou art so leaky,  
That we must leave thee to thy sinking, for  
Thy dearest quit thee.

*Exit*

**THYREUS**

Shall I say to Caesar  
What you require of him? for he partly begs  
To be desired to give. It much would please him,  
That of his fortunes you should make a staff  
To lean upon: but it would warm his spirits,  
To hear from me you had left Antony,  
And put yourself under his shroud,  
The universal landlord.

**CLEOPATRA**

What's your name?

**THYREUS**

My name is Thyreus.

**CLEOPATRA**

Most kind messenger,  
Say to great Caesar this: in deputation  
I kiss his conquering hand: tell him, I am prompt

To lay my crown at 's feet, and there to kneel:  
Tell him from his all-obeying breath I hear  
The doom of Egypt.

## **THYREUS**

'Tis your noblest course.  
Wisdom and fortune combating together,  
If that the former dare but what it can,  
No chance may shake it. Give me grace to lay  
My duty on your hand.

## **CLEOPATRA**

Your Caesar's father oft,  
When he hath mused of taking kingdoms in,  
Bestow'd his lips on that unworthy place,  
As it rain'd kisses.

*Re-enter MARK ANTONY and DOMITIUS ENOBARBUS*

## **MARK ANTONY**

Favours, by Jove that thunders!  
What art thou, fellow?

## **THYREUS**

One that but performs  
The bidding of the fullest man, and worthiest  
To have command obey'd.

## **DOMITIUS ENOBARBUS**

[Aside] You will be whipp'd.

## **MARK ANTONY**

Approach, there! Ah, you kite! Now, gods  
and devils!  
Authority melts from me: of late, when I cried 'Ho!'

Like boys unto a muss, kings would start forth,  
And cry 'Your will?' Have you no ears? I am  
Antony yet.

*Enter Attendants*

Take hence this Jack, and whip him.

## **DOMITIUS ENOBARBUS**

[Aside] 'Tis better playing with a lion's whelp  
Than with an old one dying.

## **MARK ANTONY**

Moon and stars!  
Whip him. Were't twenty of the greatest tributaries  
That do acknowledge Caesar, should I find them  
So saucy with the hand of she here,--what's her name,  
Since she was Cleopatra? Whip him, fellows,  
Till, like a boy, you see him cringe his face,  
And whine aloud for mercy: take him hence.

## **THYREUS**

Mark Antony!

## **MARK ANTONY**

Tug him away: being whipp'd,  
Bring him again: this Jack of Caesar's shall  
Bear us an errand to him.

*Exeunt Attendants with THYREUS*

You were half blasted ere I knew you: ha!  
Have I my pillow left unpress'd in Rome,  
Forborne the getting of a lawful race,  
And by a gem of women, to be abused  
By one that looks on feeders?

## CLEOPATRA

Good my lord,--

## MARK ANTONY

You have been a boggler ever:  
But when we in our viciousness grow hard--  
O misery on't!--the wise gods seel our eyes;  
In our own filth drop our clear judgments; make us  
Adore our errors; laugh at's, while we strut  
To our confusion.

## CLEOPATRA

O, is't come to this?

## MARK ANTONY

I found you as a morsel cold upon  
Dead Caesar's trencher; nay, you were a fragment  
Of Cneius Pompey's; besides what hotter hours,  
Unregister'd in vulgar fame, you have  
Luxuriously pick'd out: for, I am sure,  
Though you can guess what temperance should be,  
You know not what it is.

## CLEOPATRA

Wherefore is this?

## MARK ANTONY

To let a fellow that will take rewards  
And say 'God quit you!' be familiar with  
My playfellow, your hand; this kingly seal  
And plighter of high hearts! O, that I were  
Upon the hill of Basan, to outroar  
The horned herd! for I have savage cause;  
And to proclaim it civilly, were like  
A halter'd neck which does the hangman thank  
For being yare about him.

*Re-enter Attendants with THYREUS*

Is he whipp'd?

**First Attendant**

Soundly, my lord.

**MARK ANTONY**

Cried he? and begg'd a' pardon?

**First Attendant**

He did ask favour.

**MARK ANTONY**

If that thy father live, let him repent  
Thou wast not made his daughter; and be thou sorry  
To follow Caesar in his triumph, since  
Thou hast been whipp'd for following him: henceforth  
The white hand of a lady fever thee,  
Shake thou to look on 't. Get thee back to Caesar,  
Tell him thy entertainment: look, thou say  
He makes me angry with him; for he seems  
Proud and disdainful, harping on what I am,  
Not what he knew I was: he makes me angry;  
And at this time most easy 'tis to do't,  
When my good stars, that were my former guides,  
Have empty left their orbs, and shot their fires  
Into the abysm of hell. If he mislike  
My speech and what is done, tell him he has  
Hipparchus, my enfranchised bondman, whom  
He may at pleasure whip, or hang, or torture,  
As he shall like, to quit me: urge it thou:  
Hence with thy stripes, begone!

*Exit THYREUS*

**CLEOPATRA**

Have you done yet?

**MARK ANTONY**

Alack, our terrene moon  
Is now eclipsed; and it portends alone  
The fall of Antony!

**CLEOPATRA**

I must stay his time.

**MARK ANTONY**

To flatter Caesar, would you mingle eyes  
With one that ties his points?

**CLEOPATRA**

Not know me yet?

**MARK ANTONY**

Cold-hearted toward me?

**CLEOPATRA**

Ah, dear, if I be so,  
From my cold heart let heaven engender hail,  
And poison it in the source; and the first stone  
Drop in my neck: as it determines, so  
Dissolve my life! The next Caesarion smite!  
Till by degrees the memory of my womb,  
Together with my brave Egyptians all,  
By the discandying of this pelleted storm,  
Lie graveless, till the flies and gnats of Nile  
Have buried them for prey!

**MARK ANTONY**

I am satisfied.  
Caesar sits down in Alexandria; where  
I will oppose his fate. Our force by land  
Hath nobly held; our sever'd navy too  
Have knit again, and fleet, threatening most sea-like.  
Where hast thou been, my heart? Dost thou hear, lady?  
If from the field I shall return once more  
To kiss these lips, I will appear in blood;  
I and my sword will earn our chronicle:  
There's hope in't yet.

**CLEOPATRA**

That's my brave lord!

**MARK ANTONY**

I will be treble-sinew'd, hearted, breathed,  
And fight maliciously: for when mine hours  
Were nice and lucky, men did ransom lives  
Of me for jests; but now I'll set my teeth,  
And send to darkness all that stop me. Come,  
Let's have one other gaudy night: call to me  
All my sad captains; fill our bowls once more;  
Let's mock the midnight bell.

**CLEOPATRA**

It is my birth-day:  
I had thought to have held it poor: but, since my lord  
Is Antony again, I will be Cleopatra.

**MARK ANTONY**

We will yet do well.

**CLEOPATRA**

Call all his noble captains to my lord.

**MARK ANTONY**

Do so, we'll speak to them; and to-night I'll force  
The wine peep through their scars. Come on, my queen;  
There's sap in't yet. The next time I do fight,  
I'll make death love me; for I will contend  
Even with his pestilent scythe.

*Exeunt all but DOMITIUS ENOBARBUS*

## **DOMITIUS ENOBARBUS**

Now he'll outstare the lightning. To be furious,  
Is to be frighted out of fear; and in that mood  
The dove will peck the estridge; and I see still,  
A diminution in our captain's brain  
Restores his heart: when valour preys on reason,  
It eats the sword it fights with. I will seek  
Some way to leave him.

*Exit*

## SCENE I. Before Alexandria. OCTAVIUS CAESAR's camp.

*Enter OCTAVIUS CAESAR, AGRIPPA, and MECAENAS, with his Army; OCTAVIUS CAESAR reading a letter*

### OCTAVIUS CAESAR

He calls me boy; and chides, as he had power  
To beat me out of Egypt; my messenger  
He hath whipp'd with rods; dares me to personal combat,  
Caesar to Antony: let the old ruffian know  
I have many other ways to die; meantime  
Laugh at his challenge.

### MECAENAS

Caesar must think,  
When one so great begins to rage, he's hunted  
Even to falling. Give him no breath, but now  
Make boot of his distraction: never anger  
Made good guard for itself.

### OCTAVIUS CAESAR

Let our best heads  
Know, that to-morrow the last of many battles  
We mean to fight: within our files there are,  
Of those that served Mark Antony but late,  
Enough to fetch him in. See it done:  
And feast the army; we have store to do't,  
And they have earn'd the waste. Poor Antony!

*Exeunt*

## SCENE II. Alexandria. CLEOPATRA's palace.

*Enter MARK ANTONY, CLEOPATRA, DOMITIUS ENOBARBUS, CHARMIAN, IRAS, ALEXAS, with others*

**MARK ANTONY**

He will not fight with me, Domitius.

**DOMITIUS ENOBARBUS**

No.

**MARK ANTONY**

Why should he not?

**DOMITIUS ENOBARBUS**

He thinks, being twenty times of better fortune,  
He is twenty men to one.

**MARK ANTONY**

To-morrow, soldier,  
By sea and land I'll fight: or I will live,  
Or bathe my dying honour in the blood  
Shall make it live again. Woo't thou fight well?

**DOMITIUS ENOBARBUS**

I'll strike, and cry 'Take all.'

**MARK ANTONY**

Well said; come on.  
Call forth my household servants: let's to-night  
Be bounteous at our meal.

*Enter three or four Servitors*

Give me thy hand,  
Thou hast been rightly honest;--so hast thou;--  
Thou,--and thou,--and thou:--you have served me well,  
And kings have been your fellows.

## **CLEOPATRA**

[Aside to DOMITIUS ENOBARBUS] What means this?

## **DOMITIUS ENOBARBUS**

[Aside to CLEOPATRA] 'Tis one of those odd  
tricks which sorrow shoots  
Out of the mind.

## **MARK ANTONY**

And thou art honest too.  
I wish I could be made so many men,  
And all of you clapp'd up together in  
An Antony, that I might do you service  
So good as you have done.

## **All**

The gods forbid!

## **MARK ANTONY**

Well, my good fellows, wait on me to-night:  
Scant not my cups; and make as much of me  
As when mine empire was your fellow too,  
And suffer'd my command.

## **CLEOPATRA**

[Aside to DOMITIUS ENOBARBUS] What does he mean?

**DOMITIUS ENOBARBUS**

[Aside to CLEOPATRA] To make his followers weep.

**MARK ANTONY**

Tend me to-night;  
May be it is the period of your duty:  
Haply you shall not see me more; or if,  
A mangled shadow: perchance to-morrow  
You'll serve another master. I look on you  
As one that takes his leave. Mine honest friends,  
I turn you not away; but, like a master  
Married to your good service, stay till death:  
Tend me to-night two hours, I ask no more,  
And the gods yield you for't!

**DOMITIUS ENOBARBUS**

What mean you, sir,  
To give them this discomfort? Look, they weep;  
And I, an ass, am onion-eyed: for shame,  
Transform us not to women.

**MARK ANTONY**

Ho, ho, ho!  
Now the witch take me, if I meant it thus!  
Grace grow where those drops fall!  
My hearty friends,  
You take me in too dolorous a sense;  
For I spake to you for your comfort; did desire you  
To burn this night with torches: know, my hearts,  
I hope well of to-morrow; and will lead you  
Where rather I'll expect victorious life  
Than death and honour. Let's to supper, come,  
And drown consideration.

*Exeunt*

# Antony and Cleopatra

[Shakespeare homepage](#) | [Antony and Cleopatra](#) | Act 4, Scene 3

[Previous scene](#) | [Next scene](#)

## SCENE III. The same. Before the palace.

*Enter two Soldiers to their guard*

### First Soldier

Brother, good night: to-morrow is the day.

### Second Soldier

It will determine one way: fare you well.  
Heard you of nothing strange about the streets?

### First Soldier

Nothing. What news?

### Second Soldier

Belike 'tis but a rumour. Good night to you.

### First Soldier

Well, sir, good night.

*Enter two other Soldiers*

### Second Soldier

Soldiers, have careful watch.

### Third Soldier

And you. Good night, good night.

*They place themselves in every corner of the stage*

**Fourth Soldier**

Here we: and if to-morrow  
Our navy thrive, I have an absolute hope  
Our landmen will stand up.

**Third Soldier**

'Tis a brave army,  
And full of purpose.

*Music of the hautboys as under the stage*

**Fourth Soldier**

Peace! what noise?

**First Soldier**

List, list!

**Second Soldier**

Hark!

**First Soldier**

Music i' the air.

**Third Soldier**

Under the earth.

**Fourth Soldier**

It signs well, does it not?

**Third Soldier**

No.

**First Soldier**

Peace, I say!  
What should this mean?

**Second Soldier**

'Tis the god Hercules, whom Antony loved,  
Now leaves him.

**First Soldier**

Walk; let's see if other watchmen  
Do hear what we do?

*They advance to another post*

**Second Soldier**

How now, masters!

**All**

[Speaking together] How now!  
How now! do you hear this?

**First Soldier**

Ay; is't not strange?

**Third Soldier**

Do you hear, masters? do you hear?

**First Soldier**

Follow the noise so far as we have quarter;  
Let's see how it will give off.

All

Content. 'Tis strange.

*Exeunt*

## SCENE IV. The same. A room in the palace.

*Enter MARK ANTONY and CLEOPATRA, CHARMIAN, and others attending*

**MARK ANTONY**

Eros! mine armour, Eros!

**CLEOPATRA**

Sleep a little.

**MARK ANTONY**

No, my chuck. Eros, come; mine armour, Eros!

*Enter EROS with armour*

Come good fellow, put mine iron on:  
If fortune be not ours to-day, it is  
Because we brave her: come.

**CLEOPATRA**

Nay, I'll help too.  
What's this for?

**MARK ANTONY**

Ah, let be, let be! thou art  
The armourer of my heart: false, false; this, this.

**CLEOPATRA**

Sooth, la, I'll help: thus it must be.

## **MARK ANTONY**

Well, well;  
We shall thrive now. Seest thou, my good fellow?  
Go put on thy defences.

## **EROS**

Briefly, sir.

## **CLEOPATRA**

Is not this buckled well?

## **MARK ANTONY**

Rarely, rarely:  
He that unbuckles this, till we do please  
To daff't for our repose, shall hear a storm.  
Thou fumblest, Eros; and my queen's a squire  
More tight at this than thou: dispatch. O love,  
That thou couldst see my wars to-day, and knew'st  
The royal occupation! thou shouldst see  
A workman in't.

*Enter an armed Soldier*

Good morrow to thee; welcome:  
Thou look'st like him that knows a warlike charge:  
To business that we love we rise betime,  
And go to't with delight.

## **Soldier**

A thousand, sir,  
Early though't be, have on their riveted trim,  
And at the port expect you.

*Shout. Trumpets flourish*

*Enter Captains and Soldiers*

## **Captain**

The morn is fair. Good morrow, general.

## **All**

Good morrow, general.

## **MARK ANTONY**

'Tis well blown, lads:

This morning, like the spirit of a youth

That means to be of note, begins betimes.

So, so; come, give me that: this way; well said.

Fare thee well, dame, whate'er becomes of me:

This is a soldier's kiss: rebukeable

*Kisses her*

And worthy shameful cheque it were, to stand

On more mechanic compliment; I'll leave thee

Now, like a man of steel. You that will fight,

Follow me close; I'll bring you to't. Adieu.

*Exeunt MARK ANTONY, EROS, Captains, and Soldiers*

## **CHARMIAN**

Please you, retire to your chamber.

## **CLEOPATRA**

Lead me.

He goes forth gallantly. That he and Caesar might

Determine this great war in single fight!

Then Antony,--but now--Well, on.

*Exeunt*

# Antony and Cleopatra

[Shakespeare homepage](#) | [Antony and Cleopatra](#) | Act 4, Scene 5

[Previous scene](#) | [Next scene](#)

**Soldier**

The gods make this a happy day to Antony!

**MARK ANTONY**

Would thou and those thy scars had once prevail'd  
To make me fight at land!

**Soldier**

Hadst thou done so,  
The kings that have revolted, and the soldier  
That has this morning left thee, would have still  
Follow'd thy heels.

**MARK ANTONY**

Who's gone this morning?

**Soldier**

Who!  
One ever near thee: call for Enobarbus,  
He shall not hear thee; or from Caesar's camp  
Say 'I am none of thine.'

**MARK ANTONY**

What say'st thou?

**Soldier**

Sir,  
He is with Caesar.

**EROS**

Sir, his chests and treasure  
He has not with him.

**MARK ANTONY**

Is he gone?

**Soldier**

Most certain.

**MARK ANTONY**

Go, Eros, send his treasure after; do it;  
Detain no jot, I charge thee: write to him--  
I will subscribe--gentle adieus and greetings;  
Say that I wish he never find more cause  
To change a master. O, my fortunes have  
Corrupted honest men! Dispatch.--Enobarbus!

*Exeunt*

## SCENE VI. Alexandria. OCTAVIUS CAESAR's camp.

*Flourish. Enter OCTAVIUS CAESAR, AGRIPPA, with DOMITIUS ENOBARBUS, and others*

### OCTAVIUS CAESAR

Go forth, Agrippa, and begin the fight:  
Our will is Antony be took alive;  
Make it so known.

### AGRIPPA

Caesar, I shall.

*Exit*

### OCTAVIUS CAESAR

The time of universal peace is near:  
Prove this a prosperous day, the three-nook'd world  
Shall bear the olive freely.

*Enter a Messenger*

### Messenger

Antony  
Is come into the field.

### OCTAVIUS CAESAR

Go charge Agrippa  
Plant those that have revolted in the van,  
That Antony may seem to spend his fury  
Upon himself.

*Exeunt all but DOMITIUS ENOBARBUS*

**DOMITIUS ENOBARBUS**

Alexas did revolt; and went to Jewry on  
Affairs of Antony; there did persuade  
Great Herod to incline himself to Caesar,  
And leave his master Antony: for this pains  
Caesar hath hang'd him. Canidius and the rest  
That fell away have entertainment, but  
No honourable trust. I have done ill;  
Of which I do accuse myself so sorely,  
That I will joy no more.

*Enter a Soldier of CAESAR's*

**Soldier**

Enobarbus, Antony  
Hath after thee sent all thy treasure, with  
His bounty overplus: the messenger  
Came on my guard; and at thy tent is now  
Unloading of his mules.

**DOMITIUS ENOBARBUS**

I give it you.

**Soldier**

Mock not, Enobarbus.  
I tell you true: best you safed the bringer  
Out of the host; I must attend mine office,  
Or would have done't myself. Your emperor  
Continues still a Jove.

*Exit*

**DOMITIUS ENOBARBUS**

I am alone the villain of the earth,  
And feel I am so most. O Antony,

Thou mine of bounty, how wouldst thou have paid  
My better service, when my turpitude  
Thou dost so crown with gold! This blows my heart:  
If swift thought break it not, a swifter mean  
Shall outstrike thought: but thought will do't, I feel.  
I fight against thee! No: I will go seek  
Some ditch wherein to die; the foul'st best fits  
My latter part of life.

*Exit*

## SCENE VII. Field of battle between the camps.

*Alarum. Drums and trumpets. Enter AGRIPPA and others*

### AGRIPPA

Retire, we have engaged ourselves too far:  
Caesar himself has work, and our oppression  
Exceeds what we expected.

*Exeunt*

*Alarums. Enter MARK ANTONY and SCARUS wounded*

### SCARUS

O my brave emperor, this is fought indeed!  
Had we done so at first, we had droven them home  
With clouts about their heads.

### MARK ANTONY

Thou bleed'st apace.

### SCARUS

I had a wound here that was like a T,  
But now 'tis made an H.

### MARK ANTONY

They do retire.

### SCARUS

We'll beat 'em into bench-holes: I have yet  
Room for six scotches more.

*Enter EROS*

## **EROS**

They are beaten, sir, and our advantage serves  
For a fair victory.

## **SCARUS**

Let us score their backs,  
And snatch 'em up, as we take hares, behind:  
'Tis sport to maul a runner.

## **MARK ANTONY**

I will reward thee  
Once for thy spritely comfort, and ten-fold  
For thy good valour. Come thee on.

## **SCARUS**

I'll halt after.

*Exeunt*

[Previous scene](#) | [Next scene](#)

# Antony and Cleopatra

[Shakespeare homepage](#) | [Antony and Cleopatra](#) | Act 4, Scene 8

[Previous scene](#) | [Next scene](#)

## SCENE VIII. Under the walls of Alexandria.

*Alarum. Enter MARK ANTONY, in a march; SCARUS, with others*

### MARK ANTONY

We have beat him to his camp: run one before,  
And let the queen know of our gests. To-morrow,  
Before the sun shall see 's, we'll spill the blood  
That has to-day escaped. I thank you all;  
For doughty-handed are you, and have fought  
Not as you served the cause, but as 't had been  
Each man's like mine; you have shown all Hectors.  
Enter the city, clip your wives, your friends,  
Tell them your feats; whilst they with joyful tears  
Wash the congealment from your wounds, and kiss  
The honour'd gashes whole.

*To SCARUS*

Give me thy hand

*Enter CLEOPATRA, attended*

To this great fairy I'll commend thy acts,  
Make her thanks bless thee.

*To CLEOPATRA*

O thou day o' the world,  
Chain mine arm'd neck; leap thou, attire and all,  
Through proof of harness to my heart, and there  
Ride on the pants triumphing!

### CLEOPATRA

Lord of lords!  
O infinite virtue, comest thou smiling from  
The world's great snare uncaught?

## MARK ANTONY

My nightingale,  
We have beat them to their beds. What, girl!  
though grey  
Do something mingle with our younger brown, yet ha' we  
A brain that nourishes our nerves, and can  
Get goal for goal of youth. Behold this man;  
Commend unto his lips thy favouring hand:  
Kiss it, my warrior: he hath fought to-day  
As if a god, in hate of mankind, had  
Destroy'd in such a shape.

## CLEOPATRA

I'll give thee, friend,  
An armour all of gold; it was a king's.

## MARK ANTONY

He has deserved it, were it carbuncled  
Like holy Phoebus' car. Give me thy hand:  
Through Alexandria make a jolly march;  
Bear our hack'd targets like the men that owe them:  
Had our great palace the capacity  
To camp this host, we all would sup together,  
And drink carouses to the next day's fate,  
Which promises royal peril. Trumpeters,  
With brazen din blast you the city's ear;  
Make mingle with rattling tabourines;  
That heaven and earth may strike their sounds together,  
Applauding our approach.

*Exeunt*

# Antony and Cleopatra

[Shakespeare homepage](#) | [Antony and Cleopatra](#) | Act 4, Scene 9

[Previous scene](#) | [Next scene](#)

## SCENE IX. OCTAVIUS CAESAR's camp.

*Sentinels at their post*

### First Soldier

If we be not relieved within this hour,  
We must return to the court of guard: the night  
Is shiny; and they say we shall embattle  
By the second hour i' the morn.

### Second Soldier

This last day was  
A shrewd one to's.

*Enter DOMITIUS ENOBARBUS*

### DOMITIUS ENOBARBUS

O, bear me witness, night,--

### Third Soldier

What man is this?

### Second Soldier

Stand close, and list him.

### DOMITIUS ENOBARBUS

Be witness to me, O thou blessed moon,  
When men revolted shall upon record  
Bear hateful memory, poor Enobarbus did  
Before thy face repent!

**First Soldier**

Enobarbus!

**Third Soldier**

Peace!  
Hark further.

**DOMITIUS ENOBARBUS**

O sovereign mistress of true melancholy,  
The poisonous damp of night disponge upon me,  
That life, a very rebel to my will,  
May hang no longer on me: throw my heart  
Against the flint and hardness of my fault:  
Which, being dried with grief, will break to powder,  
And finish all foul thoughts. O Antony,  
Nobler than my revolt is infamous,  
Forgive me in thine own particular;  
But let the world rank me in register  
A master-leaver and a fugitive:  
O Antony! O Antony!

*Dies*

**Second Soldier**

Let's speak To him.

**First Soldier**

Let's hear him, for the things he speaks  
May concern Caesar.

**Third Soldier**

Let's do so. But he sleeps.

**First Soldier**

Swoons rather; for so bad a prayer as his  
Was never yet for sleep.

**Second Soldier**

Go we to him.

**Third Soldier**

Awake, sir, awake; speak to us.

**Second Soldier**

Hear you, sir?

**First Soldier**

The hand of death hath raught him.

*Drums afar off*

Hark! the drums  
Demurely wake the sleepers. Let us bear him  
To the court of guard; he is of note: our hour  
Is fully out.

**Third Soldier**

Come on, then;  
He may recover yet.

*Exeunt with the body*

# Antony and Cleopatra

[Shakespeare homepage](#) | [Antony and Cleopatra](#) | Act 4, Scene 10

[Previous scene](#) | [Next scene](#)

## SCENE X. Between the two camps.

*Enter MARK ANTONY and SCARUS, with their Army*

**MARK ANTONY**

We please them not by land.

**SCARUS**

For both, my lord.

**MARK ANTONY**

I would they'd fight i' the fire or i' the air;  
We'd fight there too. But this it is; our foot  
Upon the hills adjoining to the city  
Shall stay with us: order for sea is given;  
They have put forth the haven  
Where their appointment we may best discover,  
And look on their endeavour.

*Exeunt*

[Previous scene](#) | [Next scene](#)

## SCENE XI. Another part of the same.

*Enter OCTAVIUS CAESAR, and his Army*

### OCTAVIUS CAESAR

But being charged, we will be still by land,  
Which, as I take't, we shall; for his best force  
Is forth to man his galleys. To the vales,  
And hold our best advantage.

*Exeunt*

[Shakespeare homepage](#) | [Antony and Cleopatra](#) | Act 4, Scene 11

[Previous scene](#) | [Next scene](#)

# Antony and Cleopatra

[Shakespeare homepage](#) | [Antony and Cleopatra](#) | Act 4, Scene 12

[Previous scene](#) | [Next scene](#)

## SCENE XII. Another part of the same.

*Enter MARK ANTONY and SCARUS*

### MARK ANTONY

Yet they are not join'd: where yond pine  
does stand,  
I shall discover all: I'll bring thee word  
Straight, how 'tis like to go.

*Exit*

### SCARUS

Swallows have built  
In Cleopatra's sails their nests: the augurers  
Say they know not, they cannot tell; look grimly,  
And dare not speak their knowledge. Antony  
Is valiant, and dejected; and, by starts,  
His fretted fortunes give him hope, and fear,  
Of what he has, and has not.

*Alarum afar off, as at a sea-fight*

*Re-enter MARK ANTONY*

### MARK ANTONY

All is lost;  
This foul Egyptian hath betrayed me:  
My fleet hath yielded to the foe; and yonder  
They cast their caps up and carouse together  
Like friends long lost. Triple-turn'd whore!  
'tis thou  
Hast sold me to this novice; and my heart

Makes only wars on thee. Bid them all fly;  
For when I am revenged upon my charm,  
I have done all. Bid them all fly; begone.

*Exit SCARUS*

O sun, thy uprise shall I see no more:  
Fortune and Antony part here; even here  
Do we shake hands. All come to this? The hearts  
That spaniel'd me at heels, to whom I gave  
Their wishes, do discandy, melt their sweets  
On blossoming Caesar; and this pine is bark'd,  
That overtopp'd them all. Betray'd I am:  
O this false soul of Egypt! this grave charm,--  
Whose eye beck'd forth my wars, and call'd them home;  
Whose bosom was my crownet, my chief end,--  
Like a right gipsy, hath, at fast and loose,  
Beguiled me to the very heart of loss.  
What, Eros, Eros!

*Enter CLEOPATRA*

Ah, thou spell! Avaunt!

**CLEOPATRA**

Why is my lord enraged against his love?

**MARK ANTONY**

Vanish, or I shall give thee thy deserving,  
And blemish Caesar's triumph. Let him take thee,  
And hoist thee up to the shouting plebeians:  
Follow his chariot, like the greatest spot  
Of all thy sex; most monster-like, be shown  
For poor'st diminutives, for doits; and let  
Patient Octavia plough thy visage up  
With her prepared nails.

*Exit CLEOPATRA*

'Tis well thou'rt gone,

If it be well to live; but better 'twere  
Thou fell'st into my fury, for one death  
Might have prevented many. Eros, ho!  
The shirt of Nessus is upon me: teach me,  
Alcides, thou mine ancestor, thy rage:  
Let me lodge Lichas on the horns o' the moon;  
And with those hands, that grasp'd the heaviest club,  
Subdue my worthiest self. The witch shall die:  
To the young Roman boy she hath sold me, and I fall  
Under this plot; she dies for't. Eros, ho!

*Exit*

## SCENE XIII. Alexandria. Cleopatra's palace.

*Enter CLEOPATRA, CHARMIAN, IRAS, and MARDIAN*

### CLEOPATRA

Help me, my women! O, he is more mad  
Than Telamon for his shield; the boar of Thessaly  
Was never so emboss'd.

### CHARMIAN

To the monument!  
There lock yourself, and send him word you are dead.  
The soul and body rive not more in parting  
Than greatness going off.

### CLEOPATRA

To the monument!  
Mardian, go tell him I have slain myself;  
Say, that the last I spoke was 'Antony,'  
And word it, prithee, piteously: hence, Mardian,  
And bring me how he takes my death.  
To the monument!

*Exeunt*

## SCENE XIV. The same. Another room.

*Enter MARK ANTONY and EROS*

**MARK ANTONY**

Eros, thou yet behold'st me?

**EROS**

Ay, noble lord.

**MARK ANTONY**

Sometimes we see a cloud that's dragonish;  
A vapour sometime like a bear or lion,  
A tower'd citadel, a pendent rock,  
A forked mountain, or blue promontory  
With trees upon't, that nod unto the world,  
And mock our eyes with air: thou hast seen  
these signs;  
They are black vesper's pageants.

**EROS**

Ay, my lord,

**MARK ANTONY**

That which is now a horse, even with a thought  
The rack dislimns, and makes it indistinct,  
As water is in water.

**EROS**

It does, my lord.

## MARK ANTONY

My good knave Eros, now thy captain is  
Even such a body: here I am Antony:  
Yet cannot hold this visible shape, my knave.  
I made these wars for Egypt: and the queen,--  
Whose heart I thought I had, for she had mine;  
Which whilst it was mine had annex'd unto't  
A million more, now lost,--she, Eros, has  
Pack'd cards with Caesar, and false-play'd my glory  
Unto an enemy's triumph.  
Nay, weep not, gentle Eros; there is left us  
Ourselves to end ourselves.

*Enter MARDIAN*

O! thy vile lady!  
She has robb'd me of my sword.

## MARDIAN

No, Antony;  
My mistress loved thee, and her fortunes mingled  
With thine entirely.

## MARK ANTONY

Hence, saucy eunuch; peace!  
She hath betray'd me and shall die the death.

## MARDIAN

Death of one person can be paid but once,  
And that she has discharged: what thou wouldst do  
Is done unto thy hand: the last she spake  
Was 'Antony! most noble Antony!'  
Then in the midst a tearing groan did break  
The name of Antony; it was divided  
Between her heart and lips: she render'd life,  
Thy name so buried in her.

## MARK ANTONY

Dead, then?

**MARDIAN**

Dead.

**MARK ANTONY**

Unarm, Eros; the long day's task is done,  
And we must sleep.

*To MARDIAN*

That thou depart'st hence safe,  
Does pay thy labour richly; go.

*Exit MARDIAN*

Off, pluck off:  
The seven-fold shield of Ajax cannot keep  
The battery from my heart. O, cleave, my sides!  
Heart, once be stronger than thy continent,  
Crack thy frail case! Apace, Eros, apace.  
No more a soldier: bruised pieces, go;  
You have been nobly borne. From me awhile.

*Exit EROS*

I will o'ertake thee, Cleopatra, and  
Weep for my pardon. So it must be, for now  
All length is torture: since the torch is out,  
Lie down, and stray no farther: now all labour  
Mars what it does; yea, very force entangles  
Itself with strength: seal then, and all is done.  
Eros!--I come, my queen!--Eros!--Stay for me:  
Where souls do couch on flowers, we'll hand in hand,  
And with our sprightly port make the ghosts gaze:  
Dido and her Aeneas shall want troops,  
And all the haunt be ours. Come, Eros, Eros!

*Re-enter EROS*

## **EROS**

What would my lord?

## **MARK ANTONY**

Since Cleopatra died,  
I have lived in such dishonour, that the gods  
Detest my baseness. I, that with my sword  
Quarter'd the world, and o'er green Neptune's back  
With ships made cities, condemn myself to lack  
The courage of a woman; less noble mind  
Than she which by her death our Caesar tells  
'I am conqueror of myself.' Thou art sworn, Eros,  
That, when the exigent should come, which now  
Is come indeed, when I should see behind me  
The inevitable prosecution of  
Disgrace and horror, that, on my command,  
Thou then wouldst kill me: do't; the time is come:  
Thou strikest not me, 'tis Caesar thou defeat'st.  
Put colour in thy cheek.

## **EROS**

The gods withhold me!  
Shall I do that which all the Parthian darts,  
Though enemy, lost aim, and could not?

## **MARK ANTONY**

Eros,  
Wouldst thou be window'd in great Rome and see  
Thy master thus with pleach'd arms, bending down  
His corrigible neck, his face subdued  
To penetrative shame, whilst the wheel'd seat  
Of fortunate Caesar, drawn before him, branded  
His baseness that ensued?

## **EROS**

I would not see't.

**MARK ANTONY**

Come, then; for with a wound I must be cured.  
Draw that thy honest sword, which thou hast worn  
Most useful for thy country.

**EROS**

O, sir, pardon me!

**MARK ANTONY**

When I did make thee free, swore'st thou not then  
To do this when I bade thee? Do it at once;  
Or thy precedent services are all  
But accidents unpurposed. Draw, and come.

**EROS**

Turn from me, then, that noble countenance,  
Wherein the worship of the whole world lies.

**MARK ANTONY**

Lo thee!

*Turning from him*

**EROS**

My sword is drawn.

**MARK ANTONY**

Then let it do at once  
The thing why thou hast drawn it.

**EROS**

My dear master,

My captain, and my emperor, let me say,  
Before I strike this bloody stroke, farewell.

**MARK ANTONY**

'Tis said, man; and farewell.

**EROS**

Farewell, great chief. Shall I strike now?

**MARK ANTONY**

Now, Eros.

**EROS**

Why, there then: thus I do escape the sorrow  
Of Antony's death.

*Kills himself*

**MARK ANTONY**

Thrice-nobler than myself!  
Thou teachest me, O valiant Eros, what  
I should, and thou couldst not. My queen and Eros  
Have by their brave instruction got upon me  
A nobleness in record: but I will be  
A bridegroom in my death, and run into't  
As to a lover's bed. Come, then; and, Eros,  
Thy master dies thy scholar: to do thus

*Falling on his sword*

I learn'd of thee. How! not dead? not dead?  
The guard, ho! O, dispatch me!

*Enter DERCEITAS and Guard*

**First Guard**

What's the noise?

**MARK ANTONY**

I have done my work in, friends: O, make an end  
Of what I have begun.

**Second Guard**

The star is fall'n.

**First Guard**

And time is at his period.

**All**

Alas, and woe!

**MARK ANTONY**

Let him that loves me strike me dead.

**First Guard**

Not I.

**Second Guard**

Nor I.

**Third Guard**

Nor any one.

*Exeunt Guard*

**DERCETAS**

Thy death and fortunes bid thy followers fly.

This sword but shown to Caesar, with this tidings,  
Shall enter me with him.

*Enter DIOMEDES*

**DIOMEDES**

Where's Antony?

**DERCETAS**

There, Diomed there.

**DIOMEDES**

Lives he?

Wilt thou not answer, man?

*Exit DERCETAS*

**MARK ANTONY**

Art thou there, Diomed? Draw thy sword, and give me  
Sufficing strokes for death.

**DIOMEDES**

Most absolute lord,  
My mistress Cleopatra sent me to thee.

**MARK ANTONY**

When did she send thee?

**DIOMEDES**

Now, my lord.

**MARK ANTONY**

Where is she?

## **DIOMEDES**

Lock'd in her monument. She had a prophesying fear  
Of what hath come to pass: for when she saw--  
Which never shall be found--you did suspect  
She had disposed with Caesar, and that your rage  
Would not be purged, she sent you word she was dead;  
But, fearing since how it might work, hath sent  
Me to proclaim the truth; and I am come,  
I dread, too late.

## **MARK ANTONY**

Too late, good Diomed: call my guard, I prithee.

## **DIOMEDES**

What, ho, the emperor's guard! The guard, what, ho!  
Come, your lord calls!

*Enter four or five of the Guard of MARK ANTONY*

## **MARK ANTONY**

Bear me, good friends, where Cleopatra bides;  
'Tis the last service that I shall command you.

## **First Guard**

Woe, woe are we, sir, you may not live to wear  
All your true followers out.

## **All**

Most heavy day!

## **MARK ANTONY**

Nay, good my fellows, do not please sharp fate  
To grace it with your sorrows: bid that welcome

Which comes to punish us, and we punish it  
Seeming to bear it lightly. Take me up:  
I have led you oft: carry me now, good friends,  
And have my thanks for all.

*Exeunt, bearing MARK ANTONY*

## SCENE XV. The same. A monument.

*Enter CLEOPATRA and her maids aloft, with CHARMIAN and IRAS*

**CLEOPATRA**

O Charmian, I will never go from hence.

**CHARMIAN**

Be comforted, dear madam.

**CLEOPATRA**

No, I will not:  
All strange and terrible events are welcome,  
But comforts we despise; our size of sorrow,  
Proportion'd to our cause, must be as great  
As that which makes it.

*Enter, below, DIOMEDES*

How now! is he dead?

**DIOMEDES**

His death's upon him, but not dead.  
Look out o' the other side your monument;  
His guard have brought him thither.

*Enter, below, MARK ANTONY, borne by the Guard*

**CLEOPATRA**

O sun,  
Burn the great sphere thou movest in!

darkling stand  
The varying shore o' the world. O Antony,  
Antony, Antony! Help, Charmian, help, Iras, help;  
Help, friends below; let's draw him hither.

## **MARK ANTONY**

Peace!  
Not Caesar's valour hath o'erthrown Antony,  
But Antony's hath triumph'd on itself.

## **CLEOPATRA**

So it should be, that none but Antony  
Should conquer Antony; but woe 'tis so!

## **MARK ANTONY**

I am dying, Egypt, dying; only  
I here importune death awhile, until  
Of many thousand kisses the poor last  
I lay up thy lips.

## **CLEOPATRA**

I dare not, dear,--  
Dear my lord, pardon,--I dare not,  
Lest I be taken: not the imperious show  
Of the full-fortuned Caesar ever shall  
Be brooch'd with me; if knife, drugs,  
serpents, have  
Edge, sting, or operation, I am safe:  
Your wife Octavia, with her modest eyes  
And still conclusion, shall acquire no honour  
Demuring upon me. But come, come, Antony,--  
Help me, my women,--we must draw thee up:  
Assist, good friends.

## **MARK ANTONY**

O, quick, or I am gone.

## CLEOPATRA

Here's sport indeed! How heavy weighs my lord!  
Our strength is all gone into heaviness,  
That makes the weight: had I great Juno's power,  
The strong-wing'd Mercury should fetch thee up,  
And set thee by Jove's side. Yet come a little,--  
Wishes were ever fools,--O, come, come, come;

*They heave MARK ANTONY aloft to CLEOPATRA*

And welcome, welcome! die where thou hast lived:  
Quicken with kissing: had my lips that power,  
Thus would I wear them out.

## All

A heavy sight!

## MARK ANTONY

I am dying, Egypt, dying:  
Give me some wine, and let me speak a little.

## CLEOPATRA

No, let me speak; and let me rail so high,  
That the false housewife Fortune break her wheel,  
Provoked by my offence.

## MARK ANTONY

One word, sweet queen:  
Of Caesar seek your honour, with your safety. O!

## CLEOPATRA

They do not go together.

## MARK ANTONY

Gentle, hear me:  
None about Caesar trust but Proculeius.

## CLEOPATRA

My resolution and my hands I'll trust;  
None about Caesar.

## MARK ANTONY

The miserable change now at my end  
Lament nor sorrow at; but please your thoughts  
In feeding them with those my former fortunes  
Wherein I lived, the greatest prince o' the world,  
The noblest; and do now not basely die,  
Not cowardly put off my helmet to  
My countryman,--a Roman by a Roman  
Valiantly vanquish'd. Now my spirit is going;  
I can no more.

## CLEOPATRA

Noblest of men, woo't die?  
Hast thou no care of me? shall I abide  
In this dull world, which in thy absence is  
No better than a sty? O, see, my women,

*MARK ANTONY dies*

The crown o' the earth doth melt. My lord!  
O, wither'd is the garland of the war,  
The soldier's pole is fall'n: young boys and girls  
Are level now with men; the odds is gone,  
And there is nothing left remarkable  
Beneath the visiting moon.

*Faints*

## CHARMIAN

O, quietness, lady!

**IRAS**

She is dead too, our sovereign.

**CHARMIAN**

Lady!

**IRAS**

Madam!

**CHARMIAN**

O madam, madam, madam!

**IRAS**

Royal Egypt, Empress!

**CHARMIAN**

Peace, peace, Iras!

**CLEOPATRA**

No more, but e'en a woman, and commanded  
By such poor passion as the maid that milks  
And does the meanest chares. It were for me  
To throw my sceptre at the injurious gods;  
To tell them that this world did equal theirs  
Till they had stol'n our jewel. All's but naught;  
Patience is scottish, and impatience does  
Become a dog that's mad: then is it sin  
To rush into the secret house of death,  
Ere death dare come to us? How do you, women?  
What, what! good cheer! Why, how now, Charmian!  
My noble girls! Ah, women, women, look,  
Our lamp is spent, it's out! Good sirs, take heart:  
We'll bury him; and then, what's brave,  
what's noble,

Let's do it after the high Roman fashion,  
And make death proud to take us. Come, away:  
This case of that huge spirit now is cold:  
Ah, women, women! come; we have no friend  
But resolution, and the briefest end.

*Exeunt; those above bearing off MARK ANTONY's body*

## SCENE I. Alexandria. OCTAVIUS CAESAR's camp.

*Enter OCTAVIUS CAESAR, AGRIPPA, DOLABELLA, MECAENAS, GALLUS, PROCULEIUS, and others, his council of war*

### OCTAVIUS CAESAR

Go to him, Dolabella, bid him yield;  
Being so frustrate, tell him he mocks  
The pauses that he makes.

### DOLABELLA

Caesar, I shall.

*Exit*

*Enter DER CETAS, with the sword of MARK ANTONY*

### OCTAVIUS CAESAR

Wherefore is that? and what art thou that darest  
Appear thus to us?

### DER CETAS

I am call'd Dercetas;  
Mark Antony I served, who best was worthy  
Best to be served: whilst he stood up and spoke,  
He was my master; and I wore my life  
To spend upon his haters. If thou please  
To take me to thee, as I was to him  
I'll be to Caesar; if thou pleasest not,  
I yield thee up my life.

### OCTAVIUS CAESAR

What is't thou say'st?

**DERCETAS**

I say, O Caesar, Antony is dead.

**OCTAVIUS CAESAR**

The breaking of so great a thing should make  
A greater crack: the round world  
Should have shook lions into civil streets,  
And citizens to their dens: the death of Antony  
Is not a single doom; in the name lay  
A moiety of the world.

**DERCETAS**

He is dead, Caesar:  
Not by a public minister of justice,  
Nor by a hired knife; but that self hand,  
Which writ his honour in the acts it did,  
Hath, with the courage which the heart did lend it,  
Splitted the heart. This is his sword;  
I robb'd his wound of it; behold it stain'd  
With his most noble blood.

**OCTAVIUS CAESAR**

Look you sad, friends?  
The gods rebuke me, but it is tidings  
To wash the eyes of kings.

**AGRIPPA**

And strange it is,  
That nature must compel us to lament  
Our most persisted deeds.

**MECAENAS**

His taints and honours

Waged equal with him.

## **AGRIPPA**

A rarer spirit never  
Did steer humanity: but you, gods, will give us  
Some faults to make us men. Caesar is touch'd.

## **MECAENAS**

When such a spacious mirror's set before him,  
He needs must see himself.

## **OCTAVIUS CAESAR**

O Antony!  
I have follow'd thee to this; but we do lance  
Diseases in our bodies: I must perforce  
Have shown to thee such a declining day,  
Or look on thine; we could not stall together  
In the whole world: but yet let me lament,  
With tears as sovereign as the blood of hearts,  
That thou, my brother, my competitor  
In top of all design, my mate in empire,  
Friend and companion in the front of war,  
The arm of mine own body, and the heart  
Where mine his thoughts did kindle,--that our stars,  
Unreconcilable, should divide  
Our equalness to this. Hear me, good friends--  
But I will tell you at some meeter season:

*Enter an Egyptian*

The business of this man looks out of him;  
We'll hear him what he says. Whence are you?

## **Egyptian**

A poor Egyptian yet. The queen my mistress,  
Confined in all she has, her monument,  
Of thy intents desires instruction,  
That she preparedly may frame herself

To the way she's forced to.

## **OCTAVIUS CAESAR**

Bid her have good heart:  
She soon shall know of us, by some of ours,  
How honourable and how kindly we  
Determine for her; for Caesar cannot live  
To be ungentle.

## **Egyptian**

So the gods preserve thee!

*Exit*

## **OCTAVIUS CAESAR**

Come hither, Proculeius. Go and say,  
We purpose her no shame: give her what comforts  
The quality of her passion shall require,  
Lest, in her greatness, by some mortal stroke  
She do defeat us; for her life in Rome  
Would be eternal in our triumph: go,  
And with your speediest bring us what she says,  
And how you find of her.

## **PROCULEIUS**

Caesar, I shall.

*Exit*

## **OCTAVIUS CAESAR**

Gallus, go you along.

*Exit GALLUS*

Where's Dolabella,  
To second Proculeius?

**All**

Dolabella!

**OCTAVIUS CAESAR**

Let him alone, for I remember now  
How he's employ'd: he shall in time be ready.  
Go with me to my tent; where you shall see  
How hardly I was drawn into this war;  
How calm and gentle I proceeded still  
In all my writings: go with me, and see  
What I can show in this.

*Exeunt*

## SCENE II. Alexandria. A room in the monument.

*Enter CLEOPATRA, CHARMIAN, and IRAS*

### CLEOPATRA

My desolation does begin to make  
A better life. 'Tis paltry to be Caesar;  
Not being Fortune, he's but Fortune's knave,  
A minister of her will: and it is great  
To do that thing that ends all other deeds;  
Which shackles accidents and bolts up change;  
Which sleeps, and never palates more the dug,  
The beggar's nurse and Caesar's.

*Enter, to the gates of the monument, PROCULEIUS, GALLUS and Soldiers*

### PROCULEIUS

Caesar sends greeting to the Queen of Egypt;  
And bids thee study on what fair demands  
Thou mean'st to have him grant thee.

### CLEOPATRA

What's thy name?

### PROCULEIUS

My name is Proculeius.

### CLEOPATRA

Antony  
Did tell me of you, bade me trust you; but  
I do not greatly care to be deceived,

That have no use for trusting. If your master  
Would have a queen his beggar, you must tell him,  
That majesty, to keep decorum, must  
No less beg than a kingdom: if he please  
To give me conquer'd Egypt for my son,  
He gives me so much of mine own, as I  
Will kneel to him with thanks.

## **PROCULEIUS**

Be of good cheer;  
You're fall'n into a princely hand, fear nothing:  
Make your full reference freely to my lord,  
Who is so full of grace, that it flows over  
On all that need: let me report to him  
Your sweet dependency; and you shall find  
A conqueror that will pray in aid for kindness,  
Where he for grace is kneel'd to.

## **CLEOPATRA**

Pray you, tell him  
I am his fortune's vassal, and I send him  
The greatness he has got. I hourly learn  
A doctrine of obedience; and would gladly  
Look him i' the face.

## **PROCULEIUS**

This I'll report, dear lady.  
Have comfort, for I know your plight is pitied  
Of him that caused it.

## **GALLUS**

You see how easily she may be surprised:

*Here PROCULEIUS and two of the Guard ascend the monument by a ladder placed against a window, and, having descended, come behind CLEOPATRA. Some of the Guard unbar and open the gates*

*To PROCULEIUS and the Guard*

Guard her till Caesar come.

*Exit*

**IRAS**

Royal queen!

**CHARMIAN**

O Cleopatra! thou art taken, queen:

**CLEOPATRA**

Quick, quick, good hands.

*Drawing a dagger*

**PROCULEIUS**

Hold, worthy lady, hold:

*Seizes and disarms her*

Do not yourself such wrong, who are in this  
Relieved, but not betray'd.

**CLEOPATRA**

What, of death too,  
That rids our dogs of languish?

**PROCULEIUS**

Cleopatra,  
Do not abuse my master's bounty by  
The undoing of yourself: let the world see  
His nobleness well acted, which your death  
Will never let come forth.

## **CLEOPATRA**

Where art thou, death?  
Come hither, come! come, come, and take a queen  
Worthy many babes and beggars!

## **PROCULEIUS**

O, temperance, lady!

## **CLEOPATRA**

Sir, I will eat no meat, I'll not drink, sir;  
If idle talk will once be necessary,  
I'll not sleep neither: this mortal house I'll ruin,  
Do Caesar what he can. Know, sir, that I  
Will not wait pinion'd at your master's court;  
Nor once be chastised with the sober eye  
Of dull Octavia. Shall they hoist me up  
And show me to the shouting varletry  
Of censuring Rome? Rather a ditch in Egypt  
Be gentle grave unto me! rather on Nilus' mud  
Lay me stark naked, and let the water-flies  
Blow me into abhorring! rather make  
My country's high pyramides my gibbet,  
And hang me up in chains!

## **PROCULEIUS**

You do extend  
These thoughts of horror further than you shall  
Find cause in Caesar.

*Enter DOLABELLA*

## **DOLABELLA**

Proculeius,  
What thou hast done thy master Caesar knows,  
And he hath sent for thee: for the queen,  
I'll take her to my guard.

## **PROCULEIUS**

So, Dolabella,  
It shall content me best: be gentle to her.

*To CLEOPATRA*

To Caesar I will speak what you shall please,  
If you'll employ me to him.

## **CLEOPATRA**

Say, I would die.

*Exeunt PROCULEIUS and Soldiers*

## **DOLABELLA**

Most noble empress, you have heard of me?

## **CLEOPATRA**

I cannot tell.

## **DOLABELLA**

Assuredly you know me.

## **CLEOPATRA**

No matter, sir, what I have heard or known.  
You laugh when boys or women tell their dreams;  
Is't not your trick?

## **DOLABELLA**

I understand not, madam.

## **CLEOPATRA**

I dream'd there was an Emperor Antony:

O, such another sleep, that I might see  
But such another man!

**DOLABELLA**

If it might please ye,--

**CLEOPATRA**

His face was as the heavens; and therein stuck  
A sun and moon, which kept their course,  
and lighted  
The little O, the earth.

**DOLABELLA**

Most sovereign creature,--

**CLEOPATRA**

His legs bestrid the ocean: his rear'd arm  
Crested the world: his voice was propertied  
As all the tuned spheres, and that to friends;  
But when he meant to quail and shake the orb,  
He was as rattling thunder. For his bounty,  
There was no winter in't; an autumn 'twas  
That grew the more by reaping: his delights  
Were dolphin-like; they show'd his back above  
The element they lived in: in his livery  
Walk'd crowns and crownets; realms and islands were  
As plates dropp'd from his pocket.

**DOLABELLA**

Cleopatra!

**CLEOPATRA**

Think you there was, or might be, such a man  
As this I dream'd of?

**DOLABELLA**

Gentle madam, no.

**CLEOPATRA**

You lie, up to the hearing of the gods.  
But, if there be, or ever were, one such,  
It's past the size of dreaming: nature wants stuff  
To vie strange forms with fancy; yet, to imagine  
And Antony, were nature's piece 'gainst fancy,  
Condemning shadows quite.

**DOLABELLA**

Hear me, good madam.  
Your loss is as yourself, great; and you bear it  
As answering to the weight: would I might never  
O'ertake pursued success, but I do feel,  
By the rebound of yours, a grief that smites  
My very heart at root.

**CLEOPATRA**

I thank you, sir,  
Know you what Caesar means to do with me?

**DOLABELLA**

I am loath to tell you what I would you knew.

**CLEOPATRA**

Nay, pray you, sir,--

**DOLABELLA**

Though he be honourable,--

**CLEOPATRA**

He'll lead me, then, in triumph?

**DOLABELLA**

Madam, he will; I know't.

*Flourish, and shout within, 'Make way there: Octavius Caesar!'*

*Enter OCTAVIUS CAESAR, GALLUS, PROCULEIUS, MECAENAS, SELEUCUS, and others of his Train*

**OCTAVIUS CAESAR**

Which is the Queen of Egypt?

**DOLABELLA**

It is the emperor, madam.

*CLEOPATRA kneels*

**OCTAVIUS CAESAR**

Arise, you shall not kneel:  
I pray you, rise; rise, Egypt.

**CLEOPATRA**

Sir, the gods  
Will have it thus; my master and my lord  
I must obey.

**OCTAVIUS CAESAR**

Take to you no hard thoughts:  
The record of what injuries you did us,  
Though written in our flesh, we shall remember  
As things but done by chance.

**CLEOPATRA**

Sole sir o' the world,  
I cannot project mine own cause so well  
To make it clear; but do confess I have  
Been laden with like frailties which before  
Have often shamed our sex.

## **OCTAVIUS CAESAR**

Cleopatra, know,  
We will extenuate rather than enforce:  
If you apply yourself to our intents,  
Which towards you are most gentle, you shall find  
A benefit in this change; but if you seek  
To lay on me a cruelty, by taking  
Antony's course, you shall bereave yourself  
Of my good purposes, and put your children  
To that destruction which I'll guard them from,  
If thereon you rely. I'll take my leave.

## **CLEOPATRA**

And may, through all the world: 'tis yours; and we,  
Your scutcheons and your signs of conquest, shall  
Hang in what place you please. Here, my good lord.

## **OCTAVIUS CAESAR**

You shall advise me in all for Cleopatra.

## **CLEOPATRA**

This is the brief of money, plate, and jewels,  
I am possess'd of: 'tis exactly valued;  
Not petty things admitted. Where's Seleucus?

## **SELEUCUS**

Here, madam.

## **CLEOPATRA**

This is my treasurer: let him speak, my lord,

Upon his peril, that I have reserved  
To myself nothing. Speak the truth, Seleucus.

**SELEUCUS**

Madam,  
I had rather seal my lips, than, to my peril,  
Speak that which is not.

**CLEOPATRA**

What have I kept back?

**SELEUCUS**

Enough to purchase what you have made known.

**OCTAVIUS CAESAR**

Nay, blush not, Cleopatra; I approve  
Your wisdom in the deed.

**CLEOPATRA**

See, Caesar! O, behold,  
How pomp is follow'd! mine will now be yours;  
And, should we shift estates, yours would be mine.  
The ingratitude of this Seleucus does  
Even make me wild: O slave, of no more trust  
Than love that's hired! What, goest thou back? thou shalt  
Go back, I warrant thee; but I'll catch thine eyes,  
Though they had wings: slave, soulless villain, dog!  
O rarely base!

**OCTAVIUS CAESAR**

Good queen, let us entreat you.

**CLEOPATRA**

O Caesar, what a wounding shame is this,

That thou, vouchsafing here to visit me,  
Doing the honour of thy lordliness  
To one so meek, that mine own servant should  
Parcel the sum of my disgraces by  
Addition of his envy! Say, good Caesar,  
That I some lady trifles have reserved,  
Immoment toys, things of such dignity  
As we greet modern friends withal; and say,  
Some nobler token I have kept apart  
For Livia and Octavia, to induce  
Their mediation; must I be unfolded  
With one that I have bred? The gods! it smites me  
Beneath the fall I have.

*To SELEUCUS*

Prithee, go hence;  
Or I shall show the cinders of my spirits  
Through the ashes of my chance: wert thou a man,  
Thou wouldst have mercy on me.

**OCTAVIUS CAESAR**

Forbear, Seleucus.

*Exit SELEUCUS*

**CLEOPATRA**

Be it known, that we, the greatest, are misthought  
For things that others do; and, when we fall,  
We answer others' merits in our name,  
Are therefore to be pitied.

**OCTAVIUS CAESAR**

Cleopatra,  
Not what you have reserved, nor what acknowledged,  
Put we i' the roll of conquest: still be't yours,  
Bestow it at your pleasure; and believe,  
Caesar's no merchant, to make prize with you  
Of things that merchants sold. Therefore be cheer'd;

Make not your thoughts your prisons: no, dear queen;  
For we intend so to dispose you as  
Yourself shall give us counsel. Feed, and sleep:  
Our care and pity is so much upon you,  
That we remain your friend; and so, adieu.

**CLEOPATRA**

My master, and my lord!

**OCTAVIUS CAESAR**

Not so. Adieu.

*Flourish. Exeunt OCTAVIUS CAESAR and his train*

**CLEOPATRA**

He words me, girls, he words me, that I should not  
Be noble to myself: but, hark thee, Charmian.

*Whispers CHARMIAN*

**IRAS**

Finish, good lady; the bright day is done,  
And we are for the dark.

**CLEOPATRA**

Hie thee again:  
I have spoke already, and it is provided;  
Go put it to the haste.

**CHARMIAN**

Madam, I will.

*Re-enter DOLABELLA*

**DOLABELLA**

Where is the queen?

**CHARMIAN**

Behold, sir.

*Exit*

**CLEOPATRA**

Dolabella!

**DOLABELLA**

Madam, as thereto sworn by your command,  
Which my love makes religion to obey,  
I tell you this: Caesar through Syria  
Intends his journey; and within three days  
You with your children will he send before:  
Make your best use of this: I have perform'd  
Your pleasure and my promise.

**CLEOPATRA**

Dolabella,  
I shall remain your debtor.

**DOLABELLA**

I your servant,  
Adieu, good queen; I must attend on Caesar.

**CLEOPATRA**

Farewell, and thanks.

*Exit DOLABELLA*

Now, Iras, what think'st thou?  
Thou, an Egyptian puppet, shalt be shown

In Rome, as well as I mechanic slaves  
With greasy aprons, rules, and hammers, shall  
Uplift us to the view; in their thick breaths,  
Rank of gross diet, shall be enclouded,  
And forced to drink their vapour.

**IRAS**

The gods forbid!

**CLEOPATRA**

Nay, 'tis most certain, Iras: saucy lictors  
Will catch at us, like strumpets; and scald rhymers  
Ballad us out o' tune: the quick comedians  
Extemporally will stage us, and present  
Our Alexandrian revels; Antony  
Shall be brought drunken forth, and I shall see  
Some squeaking Cleopatra boy my greatness  
I' the posture of a whore.

**IRAS**

O the good gods!

**CLEOPATRA**

Nay, that's certain.

**IRAS**

I'll never see 't; for, I am sure, my nails  
Are stronger than mine eyes.

**CLEOPATRA**

Why, that's the way  
To fool their preparation, and to conquer  
Their most absurd intents.

*Re-enter CHARMIAN*

Now, Charmian!  
Show me, my women, like a queen: go fetch  
My best attires: I am again for Cydnus,  
To meet Mark Antony: sirrah Iras, go.  
Now, noble Charmian, we'll dispatch indeed;  
And, when thou hast done this chare, I'll give thee leave  
To play till doomsday. Bring our crown and all.  
Wherefore's this noise?

*Exit IRAS. A noise within*

*Enter a Guardsman*

## **Guard**

Here is a rural fellow  
That will not be denied your highness presence:  
He brings you figs.

## **CLEOPATRA**

Let him come in.

*Exit Guardsman*

What poor an instrument  
May do a noble deed! he brings me liberty.  
My resolution's placed, and I have nothing  
Of woman in me: now from head to foot  
I am marble-constant; now the fleeting moon  
No planet is of mine.

*Re-enter Guardsman, with Clown bringing in a basket*

## **Guard**

This is the man.

## **CLEOPATRA**

Avoid, and leave him.

*Exit Guardsman*

Hast thou the pretty worm of Nilus there,  
That kills and pains not?

**Clown**

Truly, I have him: but I would not be the party  
that should desire you to touch him, for his biting  
is immortal; those that do die of it do seldom or  
never recover.

**CLEOPATRA**

Rememberest thou any that have died on't?

**Clown**

Very many, men and women too. I heard of one of  
them no longer than yesterday: a very honest woman,  
but something given to lie; as a woman should not  
do, but in the way of honesty: how she died of the  
biting of it, what pain she felt: truly, she makes  
a very good report o' the worm; but he that will  
believe all that they say, shall never be saved by  
half that they do: but this is most fallible, the  
worm's an odd worm.

**CLEOPATRA**

Get thee hence; farewell.

**Clown**

I wish you all joy of the worm.

*Setting down his basket*

**CLEOPATRA**

Farewell.

**Clown**
